LAKES—NAMING—DESIGNATIONS.

AN Act relating to certain lakes; officially naming them, and requiring their proper designation.

*Be it enacted by the Legislature of the State of Washington:*

Lakes, renaming of. Name similarity noted.

SECTION 1. At present the state of Washington encloses over fifteen lakes each with the name "Long Lake". The confusion resulting from this large number of similarly named lakes can be lessened by renaming certain of them with names which tend to locate, rather than describe them.

One of the lakes named "Long Lake" is an artificial lake created by a dam located at township 27, North Range 39e, section 13. This lake extends twenty-four miles upstream along the Spokane river.
