

may include comments upon the showing made to the court as hereinabove provided. The court shall then approve any action taken at the meeting by the shareholders present in person or by proxy if the court is satisfied that it is in the best interests of the missing shareholders, and such approval shall have the same force and effect as an affirmative vote at the meeting by the missing shareholders. Said disinterested person shall receive reasonable compensation for his services from the corporation, to be fixed by the court.

(3) Published notice given under subsection (2) of this section shall state that:

(a) shareholders who have not received notice by mail will be treated as missing shareholders; and

(b) if the missing shareholders fail to appear at the shareholders' meeting, the court will appoint a person to vote their shares.

CHAPTER 30

[House Bill No. 89]

ASBESTOS SAFETY REGULATION

AN ACT Relating to the utilization of asbestos in the construction trades; adding a new chapter to Title 49 RCW; and prescribing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. Air-borne asbestos dust and particles, such as those from sprayed asbestos slurry, asbestos-coated ventilating ducts, and certain other applications of asbestos are known to produce irreversible lung damage and bronchogenic carcinoma. One American of every four dying in urban areas of the United States has asbestos particles or dust in his lungs. The nature of this problem is such as to constitute a hazard to the public health and safety, and should be brought under appropriate regulation.

NEW SECTION. Sec. 2. Standards regulating the use of asbestos in construction or manufacturing shall be established by the director of the department of labor and industries, with the advice of the state health officer and the department of ecology. Standards to be adopted shall describe the types of asbestos that may be used in construction and manufacturing, the methods and procedures for their use, and such other requirements as may be needed to protect the public health and safety with respect to air-borne asbestos particles and asbestos dust.

NEW SECTION. Sec. 3. Products containing asbestos shall be stored in containers of types approved by the director of the department of labor and industries, with the advice of the state health officer and the department of ecology. Containers of asbestos shall be plainly marked "Asbestos--do not inhale" or other words to the same effect.

NEW SECTION. Sec. 4. The asbestos use standards required under section 2 of this 1973 act and the list of approved container
