HB 1133 Prime Sponsor, Representative Wineberry: Encouraging employer involvement in child care facilities development and services. Reported by Committee on Appropriations

MAJORITY recommendation: The substitute bill by Committee on Trade & Economic Development be substituted therefor and the substitute bill do pass with the following amendments by Committee on Appropriations:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The legislature finds that the increasing difficulty of balancing work life and family needs for parents in the workforce has made the availability of quality, affordable child care a critical concern for the state and its citizens. The prospect for labor shortages resulting from the aging of the population and the importance of the quality of the workforce to the competitiveness of Washington businesses make the availability of quality child care an important concern for the state and its businesses.

The legislature further finds that making information on child care options available to businesses can help the market for child care adjust to the needs of businesses and working families. The legislature further finds that investments are necessary to promote partnerships between the public and private sectors, educational institutions, and local governments to increase the supply, affordability, and quality of child care in the state.

Sec. 2. Section 1, chapter 213, Laws of 1988 and RCW 74.13.085 are each amended to read as follows:

It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to care for and nurture their children through the traditional methods of parental care at home. However, ~~((to the extent child care services are used:))~~ there has been a dramatic increase in participation of women in the workforce which has made the availability of quality, affordable child care a critical concern for the state and its citizens. There are not enough child care services and facilities to meet the needs of working parents, the costs of care are often beyond the resources of working parents, and child care facilities are not located conveniently to work places and neighborhoods. Parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity of care. These settings shall include, but not be limited to, family day care homes, mini-centers, centers and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry.

Sec. 3. Section 2, chapter 213, Laws of 1988 and RCW 74.13.090 are each amended to read as follows:

(1) There is established a child care coordinating committee to provide coordination and communication between state agencies responsible for child care and early childhood education services. The child care coordinating committee shall be composed of not less than seventeen nor more than thirty members who shall include:

(a) One representative each from the department of social and health services, the department of community development, the office of the superintendent of public instruction, and any other agency having responsibility for regulation, provision, or funding of child care services in the state;

(b) One representative from the ~~((governor's commission on children))~~ department of labor and industries;

(c) One representative from the department of trade and economic development;

(d) One representative from the department of revenue;

(e) One representative from the employment security department;

(f) At least one representative of family home child care providers and one representative of center care providers;

~~((e))~~ (g) At least one representative of early childhood development experts;

~~((f))~~ (h) At least one representative of school districts and teachers involved in the provision of child care and preschool programs;

~~((g))~~ (i) At least one parent education specialist;

~~((h))~~ (j) At least one representative of resource and referral programs;

~~((i))~~ (k) One pediatric or other health professional;

~~((j))~~ (l) At least one representative of college or university child care providers;

~~((k))~~ (m) At least one representative of a citizen group concerned with child care;

~~((l))~~ (n) At least one representative of a labor organization;

~~((m))~~ (o) At least one representative of a head start - early childhood education assistance program agency;

~~((n))~~ (p) At least one employer who provides child care assistance to employees;

~~((o))~~ (q) Parents of children receiving, or in need of, child care, half of whom shall be parents needing or receiving subsidized child care and half of whom shall be parents who are able to pay for child care.

The named state agencies shall select their representative to the child care coordinating committee. The department of social and health services shall select the remaining members, considering recommendations from lists submitted by professional associations and other interest groups until such time as the committee adopts a member selection process. Staff support for the child care coordinating committee shall be provided within available resources by the department of social and health services on an ongoing basis. The department shall use any federal funds which may become available to accomplish the purposes of RCW 74.13.085 through 74.13.095.

The committee shall elect officers from among its membership and shall adopt policies and procedures specifying the lengths of terms, methods for filling vacancies, and other matters necessary to the ongoing functioning of the committee. The secretary of social and health services shall appoint a temporary chair until the committee has adopted policies and elected a chair accordingly. Child care coordinating committee members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(2) To the extent possible within available funds, the child care coordinating committee shall:

(a) Serve as an advisory coordinator for all state agencies responsible for early childhood or child care programs for the purpose of improving communication and interagency coordination, but not to review the substance of programs. ~~((The committee shall))~~

~~(b) Annually review state programs and make recommendations to the agencies and the legislature which will maximize funding and promote furtherance of the policies set forth in RCW 74.13.085(:(:)). Reports shall be provided to all appropriate committees of the legislature by December 1 of each year. At a minimum the committee shall:~~

~~((fb)) (i) Review and propose changes to the child care subsidy system ((by December 1, 1989)) in its December 1989 report;~~

~~(i) Review alternative models for child care service systems, in the context of the policies set forth in RCW 74.13.085, and recommend to the legislature a new child care service structure;~~

~~(iii) Review options and make recommendations on the feasibility of establishing an allocation for day care facilities when constructing state buildings;~~

~~(iv) Complete a study on liability insurance issues related to the provision of child care as directed in section 5 of this act and incorporate its findings and recommendations in its December 1990 report; and~~

~~(v) Review and propose statutory and administrative changes to encourage employer involvement in child care and partnerships between employers and the public sector to increase the quantity, quality, and affordability of child care services and facilities in this state.~~

(c) Review ~~((agency))~~ department of social and health services administration of the child care expansion grant program described in RCW 74.13.095(:(:));

~~(d) ((Review alternative models for child care service systems, in the context of the policies set forth in RCW 74.13.085, and recommend to the legislature a new child care service structure;~~

~~(e) Review options and make recommendations on the feasibility of establishing an allocation for day care facilities when constructing state buildings; and~~

~~(fb)) Review department of social and health services administration of the child care partnership program described in section 4 of this act.~~

(e) Perform other functions to improve the quantity and quality of child care in the state, including compliance with existing and future prerequisites for federal funding.

NEW SECTION, Sec. 4. A new section is added to chapter 74.13 RCW to read as follows:

(1) The secretary of the department of social and health services shall appoint a child care resource coordinator who shall, within appropriated funds:

(a) Seek public or private moneys and administer funding of available grants for the purpose of:

(i) Creating and operating community-based child care resource and referral agencies; and

(ii) Administering the child care partnership program established in subsection (2) of this section;

(b) Coordinate the provision of training and technical assistance to child care providers;

(c) Maintain a state-wide child care referral data bank and provide information to community-based child care resource and referral agencies about licensed child care providers in the state; and

(d) Collect and assemble information regarding the availability of insurance and of federal and other child care funding to assist state agencies, businesses, and other child care providers in offering child care-related services.

(2) The child care partnership program is established within the department of social and health services under the direction of the child care resource coordinator. The program shall encourage employer assistance and involvement in child care and foster partnerships between employers and the public sector to better meet the critical need for affordable, quality child care services in the state. In addition to the activities included in subsection (3) of this

section, the program shall provide assistance to community-based child care resource and referral agencies to increase their capacity to provide quality technical assistance to employers in their community. To the greatest extent possible and consistent with the need to ensure the quality of assistance provided to employers, funds appropriated for the purposes of the child care partnership program shall be allocated to community-based child care resource and referral agencies to carry out the activities included in subsection (3) of this section.

(3) The program shall work with the assistance of, and in consultation with, the child care coordinating committee, particularly the representatives of the department of trade and economic development, the department of labor and industries, and the department of revenue, and shall:

(a) Provide technical assistance to employers to enable them to support child care services or facilities. Such technical assistance shall include, but not be limited to: Assessment of the child care needs of employees and prospective employees; review of options available to employers interested in increasing access to child care for their employees; development of techniques to permit smaller employers to increase access to child care for their employees in a cost-effective manner; and review of methods for evaluating the impact of child care activities on the employer;

(b) Prepare information for employers on options for increasing involvement in child care;

(c) Develop a list of firms and individuals with expertise in the field of employer involvement in child care and utilize such firms and individuals, as appropriate, in delivering technical assistance. The program shall make this information available to employers to whom it provides technical assistance;

(d) Provide assistance to community-based child care resource and referral programs to increase their capacity to provide quality technical assistance to employers in their community; and

(e) Encourage local governments to create incentives for employer support for child care by providing information on such local government incentives in this state and other states.

(4) Representatives of the department of labor and industries, the department of trade and economic development, the employment security department and the department of revenue shall assist the department of social and health services in administration of the child care partnership program by making the existence of the program known to employers and businesses in Washington state through communications those agencies routinely have with these employers and businesses.

NEW SECTION. Sec. 5. A new section is added to chapter 74.13 RCW to read as follows:

In addition to the responsibilities listed in RCW 74.18.090, the child care coordinating committee shall conduct a study of the liability insurance issues related to the provision of child care. In conducting this study, the child care coordinating committee shall involve appropriate state agencies, local governments, insurance providers, child care providers, businesses, health care and child abuse professionals, law enforcement officials, attorneys for both plaintiffs and defendants in this area, and other persons or organizations the child care coordinating committee deems appropriate.

NEW SECTION. Sec. 6. A new section is added to chapter 43.168 RCW to read as follows:

(1) The legislature finds that the dramatic increase in the participation of women in the workforce has resulted in a shortage of affordable, quality child care. The economy will continue to need the increasing participation of women in the workforce in the future; therefore affordable and quality child care is important for economic development.

(2) The committee may approve applications for projects to provide child care. The committee shall, subject to federal block grant criteria, give higher priority to economic development projects that contain provisions for child care.

(3)(a) A child care facilities loan guarantee fund is created in the custody of the committee. All receipts designated for the guarantee fund shall be placed in the guarantee fund and shall be administered by the committee including:

Disbursements from the guarantee fund shall be on authorization by the committee. No appropriation shall be required to permit expenditures and payment of obligations from the fund.

(b) The guarantee fund shall be used to pay all expenses and disbursements authorized by the committee for administering the guarantee fund and financing the expansion, renovation, capital improvement or development of child care facilities in this state, including, but not limited to:

(i) Guaranty payments required by loan defaults; and

(ii) Expenses for administrative, legal, actuarial, technical assistance, and other services.

(c) If at any time the amount of money in the guarantee fund exceeds the amount that the committee finds necessary to meet its current expenses and obligations, the excess shall be deposited with the state treasurer to the credit of the fund and invested in the manner provided for by law.

(4)(a) Subject to the restrictions of this subsection (4), the committee, on application, may provide a guarantee of a loan made to an applicant. The committee may guarantee a loan only if the applicant meets the qualifications required by this section and the loan is to be used for expansion, renovation, capital improvement, or financing of a child care facility.

(b) To apply for a loan guarantee, an applicant shall submit an application to the committee on the form required by the committee. The application shall include, at a minimum:

(d) Except as otherwise required in this subsection (4), the committee may set the terms and conditions for guarantees of loans. The total aggregate amount of the loan guarantee for any applicant may not exceed eighty percent of the loan.

(5) The total aggregate amount of insurance from the guarantee fund, with respect to the insured portions of loans, may not exceed at any time an amount equal to five times the balance in the guarantee fund.

(6) The committee shall adopt rules setting forth criteria, application procedures, and methods to assure compliance with the purposes described in this section.

NEW SECTION. Sec. 7. "STUDENTS AT RISK

PART I

LEARNING ASSISTANCE PROGRAM FOR STUDENTS AT RISK OF DROPPING OUT

Sec. 1. Section 1, chapter 478, Laws of 1987 and RCW 28A.120.010 are each amended to read as follows:

The legislature finds that an important and effective means of improving the educational performance of many students with special needs is to improve the general education program. The legislature also finds that there is a continuum of educational program needs among students with learning problems or poor academic performance. The legislature wants to encourage school districts to serve students with special needs within the regular classroom. Therefore, the legislature intends to replace the remediation program with a broader range of program options, without reducing special instructional programs when those services are both necessary and appropriate. The legislature intends to enhance the ability of basic education teachers to identify and address learning problems within the regular classroom. The legislature further intends to stimulate development by local schools and school districts of innovative and effective means of serving students with special needs. The goal is to increase the achievement of students with special needs in a shorter period of time using processes that are more timely, appropriate and effective in producing better outcomes.

Sec. 2. Section 4, chapter 478, Laws of 1987 and RCW 28A.120.016 are each amended to read as follows:

Each school district which applies for state funds distributed pursuant to RCW 28A.120.022 shall conduct a needs assessment and, on the basis of its findings, shall develop a plan for the use of these funds. The plan may incorporate plans developed by each eligible school. Districts are encouraged to place special emphasis on addressing the needs of students in the early grades. The needs assessment and plan shall be updated at least biennially, and shall be determined in consultation with an advisory committee including but not limited to members of the following groups: Parents, including parents of students served by the program; teachers; principals; administrators; and school directors. The district shall submit a biennial application specifying this plan to the office of the superintendent of public instruction for approval. Plans shall include:

(1) The means which the district will use to identify participating students to receive additional services or support under the proposed program;

(2) The specific services or activities which the funds will be used to support, and their estimated costs;

(3) A plan for annual evaluation of the program by the district, based on performance objectives related to basic skills achievement of participating students, and a plan for reporting the results of this evaluation to the superintendent of public instruction;

(4) Procedures for recordkeeping or other program documentation as may be required by the superintendent of public instruction; and

(5) The approval of the local school district board of directors.

Sec. 3. Section 6, chapter 478, Laws of 1987 and RCW 28A.120.020 are each amended to read as follows:

Services or activities which may be supported under an approved program of learning assistance shall include but not be limited to:

(1) Consultant teachers to assist classroom teachers in meeting the needs of participating students;

(2) Instructional (~~support staff~~) assistants to assist classroom teachers in meeting the needs of participating students;

(3) In-service training for classroom teachers and instructional assistants in multicultural differences and the identification of learning problems or in instructional methods for teaching students with learning problems;

(4) Special instructional programs for participating students, of sufficient size, scope, and quality to address the needs of these students and to give reasonable promise of substantial progress towards meeting their educational objectives;

(5) Tutoring assistance during or after school or on Saturday provided by a student tutor, teacher, or instructional assistant; and

(6) In-service training for parents of participating students.

Sec. 4. Section 7, chapter 478, Laws of 1987 and RCW 28A.120.022 are each amended to read as follows:

Each school district which has established an approved program shall be eligible, as determined by the superintendent of public instruction, for state funds made available for the purposes of such programs. The superintendent of public instruction shall make use of data derived from the basic skills tests in determining the amount of funds for which a district may be eligible. Funds shall be distributed according to the district's total full-time equivalent enrollment in kindergarten through grade nine and the percentage of the district's students taking the basic skills tests who scored in the lowest quartile as compared with national norms. In making this calculation, the superintendent of public instruction may use an average over the immediately preceding five or fewer years of the district's percentage scoring in the lowest quartile. The superintendent of public instruction shall also deduct the number of students at these age levels who are identified as specific learning disabled and are generating state funds for special education programs conducted pursuant to chapter 28A.13 RCW, in distributing state funds for learning assistance. In those districts receiving learning assistance funds in which students' test scores improve, such funds for subsequent years shall be calculated by recognizing one-half of the decrease of the district's eligible students. Additional funds provided through this incentive may be allocated to schools as specified by the district's board of directors. The distribution formula in this section is for allocation purposes only.

PART II

SUBSTANCE ABUSE AWARENESS

Sec. 5. Section 206, chapter 518, Laws of 1987 and RCW 28A.120.032 are each amended to read as follows:

- (8) Drug and alcohol specialist;

(9) Staff, parent, student, and community training; and

(10) Coordination with law enforcement, community service providers, other school districts, educational service districts, and drug and alcohol treatment facilities.

Sec. 6. Section 207, chapter 518, Laws of 1987 and RCW 28A.120.034 are each amended to read as follows:

(1) School districts interested in implementing a substance abuse awareness program shall have on file an application for state or federal funds with the superintendent of public instruction. The application shall include the following:

(a) A letter of commitment from the board of directors to adopt a comprehensive written policy on drugs and alcohol, and a proposed substance (~~((awareness))~~ abuse awareness program and implementation plan, within six months of receipt of state funding. The ~~((comprehensive policy and program))~~ program's implementation plan shall address the issues of prevention, intervention, aftercare, and disciplinary policies, and shall emphasize cooperation and coordination of services among public and private agencies, including law enforcement agencies. If the district's board of directors has already adopted a comprehensive policy and plan, the district shall submit a copy of the comprehensive policy and plan;

(b) A letter of commitment from the board of directors to appoint a school and community substance abuse advisory committee if such a committee has not been established. The advisory committee shall include representatives of at least the following: The school district instructional staff, students, parents, state and local government law enforcement personnel, and the county coordinator of alcohol and drug treatment, or his or her designee, or a representative of other treatment service providers. If the district has already established an advisory committee but its membership does not include members representing any of the groups identified in this subsection, the board of directors shall appoint an additional member or members, if necessary, accordingly. The advisory committee shall work to help coordinate school district programs and services with programs and services available within the community and thereby contribute toward the development of a continuum of prevention, intervention, and after care services within the total community and to avoid the duplication of services; and

(c) A copy of the district's assessment of the scope of the problem of drug and alcohol abuse within the district, as such use and abuse by individuals affects the learning environment in each school.

(2) The district shall demonstrate its plan to provide local matching funds of an amount equal to at least twenty percent of the state funds that the district is eligible to receive. Matching funds may be funds received from federal programs, other funds available to the district, or in-kind contributions: PROVIDED, That in-kind contributions shall be not more than one-half of the minimum matching funds required.

(3) The district shall provide an outline of procedures for evaluating the effectiveness of the district's substance abuse awareness program.

(4) Joint applications and programs may be undertaken by school districts. Districts which elect to participate in a joint program may file a joint application and establish a joint school and community substance abuse advisory committee.

PART III

HIGH SCHOOL DROP-OUT RATE REDUCTION

NEW SECTION. Sec. 7. The legislature finds that high schools designed to meet the diverse needs of students can be an important factor in decreasing the drop-out rate. The development of alternative high schools, schools-within-schools, and subject-matter-related schools is encouraged. High schools are also encouraged to design programs that demonstrate flexibility in daily, weekly, monthly, and yearly schedules.

NEW SECTION. Sec. 8. A student tutor corps may be established, as funded by appropriation, to work with students at risk of dropping out of school. Student tutors may be high school or college students and may receive an hourly stipend. The selection of ethnic and racial minority students as student tutors is encouraged.

NEW SECTION. Sec. 9. Any student who has dropped out of high school for six weeks or longer, has returned from participation in a drug or alcohol abuse treatment program, is about to become or is a teen parent, or has returned from hospitalization due to a mental health problem may choose to attend any other high school in the state regardless of residence. Students may attend a nonresident school only if they are accepted by the school. Schools may not charge nonresident students tuition. Schools are encouraged to accept students who choose to transfer if they meet these conditions.

PART IV

FLEXIBLE SCHEDULING

NEW SECTION. Sec. 10. A new section is added to chapter 28A.41 RCW to read as follows: The superintendent of public instruction shall establish procedures to allow schools to claim basic education allocation funds for students attending classes that are provided outside the calendar school year to the extent such attendance is in lieu of attendance during the regular school year.

Sec. 11. Section 2, chapter 46, Laws of 1973 as last amended by section 201, chapter 2, Laws of 1987 1st ex. sess. and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with an appropriate portion of such locally available revenues, other than receipts from federal forest revenues distributed to school districts pursuant to RCW 28A.02.300 and 28A.02.310, as the superintendent of public instruction may deem appropriate for consideration in computing state equalization support, excluding excess property tax levies, will constitute a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days except as provided in section 10 of this act when other attendance is in lieu of attendance during the regular school year, except that for kindergartens one full school year shall be one hundred eighty half days of instruction, or the equivalent as provided in RCW 28A.58.754, as now or hereafter amended.

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to RCW 28A.41.130 and 28A.41.140 to fund those program requirements identified in RCW 28A.58.754 in accordance with the formula and ratios provided in RCW 28A.41.140 and those amounts of dollars appropriated by the legislature to fund the salary requirements of RCW 28A.41.110 and 28A.41.112.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of students per classroom teacher in grades kindergarten through three is not greater than the ratio of students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, 'classroom teacher' shall be defined as an instructional employee possessing at least a provisional certificate, but not necessarily employed as a certificated employee, whose primary duty is the daily educational instruction of students: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practicably meet the student/teacher ratio requirements of this section by virtue of a small number of students.

If a school district's basic education program fails to meet the basic education requirements enumerated in RCW 28A.41.130, 28A.41.140 and 28A.58.754, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That the state board of education may waive this requirement in the event of substantial lack of classroom space.

Sec. 12. Section 13, chapter 283, Laws of 1969 ex. sess. as last amended by section 2, chapter 189, Laws of 1985 and RCW 28A.02.061 are each amended to read as follows:

The following are school holidays, and school shall not be taught on these days except as provided in section 10 of this act: Saturday; Sunday; the first day of January, commonly called New Year's Day; the third Monday of January, being celebrated as the anniversary of the birth of Martin Luther King, Jr.; the third Monday in February to be known as Presidents' Day and to be celebrated as the anniversary of the births of Abraham Lincoln and George Washington; the last Monday in May, commonly known as Memorial Day; the fourth day of July, being the anniversary of the Declaration of Independence; the first Monday in September, to be known as Labor Day; the eleventh day of November, to be known as Veterans' Day, the fourth Thursday in November, commonly known as Thanksgiving Day; the day immediately following Thanksgiving Day; the twenty-fifth day of December, commonly called Christmas Day: PROVIDED, That no reduction from the teacher's time or salary shall be made by reason of the fact that a school day happens to be one of the days referred to in this section as a day on which school shall not be taught.

NEW SECTION. Sec. 13. Sections 7 through 9 of this act are each added to chapter 28A.120 RCW.

PART V CORE COMPETENCIES

NEW SECTION. Sec. 14. The state board of education shall, in consultation with the higher education coordinating board, the superintendent of public instruction, institutions of higher education, and other relevant agencies, review and evaluate strategies to replace the use of carnegie units with core competencies, including critical thinking skills, to evaluate student performance. The state board of education shall report its findings and recommendations to the governor, the higher education coordinating board, the superintendent of public instruction, and the legislature by December 1989.

PART VI PILOT PROGRAMS FOR PREVENTION OF LEARNING PROBLEMS

NEW SECTION. Sec. 15. (1) The superintendent of public instruction shall select a maximum of ten school districts to participate in a pilot program for prevention of learning problems and academic delays. The program shall be for three years beginning with the 1989-90 school

year. The program shall be funded from school district resources available for this purpose. However, if at the end of a school year the number of specific learning disabled students served by a participating district in handicapped education programs during that school year has averaged less than four percent of the district's annual average full-time equivalent enrollment, the district may receive state reimbursement for costs of the pilot program from appropriations for this purpose. The maximum amount of reimbursement for a school year shall be the difference between the state allocation for handicapped students that the district would have received with four percent of enrollment identified as specific learning disabled, and the actual state allocation for handicapped students that the district received for that school year.

(2) School districts applying to participate in the three-year pilot program established under this section shall submit a proposed program budget for the 1989-90 school year to the superintendent of public instruction, and a preliminary budget plan for the two ensuing school years. These proposed budgets or budget plans shall outline the resources to be used by the district in the identification and early prevention of learning problems. Districts selected to participate shall submit an updated budget proposal to the superintendent of public instruction prior to each of the 1990-91 and 1991-92 school years. The state reimbursement received by the district under this section for any school year shall not exceed the total amount of the district's expenditures for identification and prevention of learning problems pursuant to the budget submitted for that school year.

(3) Applications submitted by school districts shall also include:

(a) Assurances that the school district will not deny access to special education programs for handicapped students entitled to services under chapter 28A.13 RCW;

(b) A description of methods to be used by the district to identify students for additional instruction or other services provided under the pilot program;

(c) A description of the types of instructional programs or services to be used in prevention of learning problems;

(d) A plan for evaluating the effectiveness of the district's program at the end of the three-year period, using student test scores and other indicators of academic progress as determined by the district; and

(e) Other information as may be required by the superintendent of public instruction.

(4) For the purposes of this section, "state allocation for handicapped students" includes state handicapped education moneys allocated for students served in special education programs provided under chapter 28A.13 RCW, and basic education allocations generated by such students under the state funding formula adopted pursuant to RCW 28A.41.140.

NEW SECTION. Sec. 16. Prior to December 15, 1992, the superintendent of public instruction shall submit a report on the pilot program established under section 15 of this act to the education committees of the house of representatives and the senate. The report shall include an analysis of the effectiveness of the program and recommendations on whether the program should be continued or expanded to other districts.

NEW SECTION. Sec. 17. The superintendent of public instruction may adopt rules to implement section 15 of this act.

NEW SECTION. Sec. 18. Sections 15 through 17 of this act shall expire December 15, 1992.

HB 1622 Prime Sponsor, Representative Belcher: Revising laws concerning recreational boating. Reported by Committee on Appropriations

MAJORITY recommendation: The substitute bill by Committee on Natural Resources & Parks be substituted therefor and the substitute bill do pass with the following amendments by Committee on Appropriations:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. The legislature finds that the waters of Washington state provide a unique and valuable recreational resource to large and growing numbers of boaters. Proper stewardship of, and respect for, these waters requires that, while enjoying them for their scenic and recreational benefits, boaters must exercise care to assure that such activities do not contribute to the despoliation of these waters, and that watercraft be operated in a safe and responsible manner. The legislature has specifically addressed the topic of access to clean and safe waterways by requiring the 1987 boating safety study and by establishing the Puget Sound water quality authority.

The legislature finds that there is a need to educate Washington's boating community about safe and responsible actions on our waters and to increase the level and visibility of the enforcement of boating laws. To address the incidence of fatalities and injuries due to recreational boating on our state's waters, local and state efforts directed towards safe boating must be stimulated. To provide for safe waterways and public enjoyment, funds should be made available for boating safety and other boating recreation purposes.

In recognition of the need for clean waterways, and in keeping with the Puget Sound water quality authority's 1987 management plan, the legislature finds that adequate opportunities for responsible disposal of boat sewage must be made available. There is hereby established a five-year initiative to install sewage pumpout or sewage dump stations at appropriate marinas.

To assure the use of these sewage facilities, a boater environmental education program must accompany the five-year initiative and continue to educate boaters about boat wastes and aquatic resources.

The legislature also finds that, in light of the increasing numbers of boaters utilizing state waterways, a program to acquire and develop sufficient waterway access facilities for boaters must be undertaken.

To support boating safety, environmental protection and education, and public access to our waterways, the legislature declares that funds should be made available to support these efforts.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) 'Boat wastes' shall include, but are not limited to, sewage, garbage, marine debris, plastics, contaminated bilge water, cleaning solvents, paint scrapings or discarded petroleum products associated with the use of vessels.

(2) 'Boater' means any person on a vessel on waters of the state of Washington.

(3) 'Commission' means the Washington state parks and recreation commission.

(4) 'Environmentally sensitive area' means a restricted body of water where discharge of untreated sewage from boats is especially detrimental because of limited flushing, shallow water, commercial or recreational shellfish, swimming areas, diversity of species, the absence of other pollution sources, or other characteristics.

(5) 'Marina' means a facility providing boat moorage space, fuel, or commercial services. Commercial services include but are not limited to overnight or live-aboard boating accommodations.

(6) 'Polluted area' means a body of water used by boaters that is contaminated by boat wastes at unacceptable levels, based on applicable water quality and shellfish standards.

(7) 'Public entities' means all elected or appointed bodies, including tribal governments, responsible for collecting and spending public funds.

(8) 'Sewage dump station' means any receiving chamber or tank designed to receive vessel sewage from a 'porta-potty' or a portable container.

(9) 'Sewage pumpout station' means a mechanical device, generally stationed on a dock, pier, float, barge, or other location convenient to boaters, designed to remove sewage waste from holding tanks on vessels.

(10) 'Vessel' means every watercraft used or capable of being used as a means of transportation on the water, other than a seaplane.

NEW SECTION. Sec. 3. The commission, in consultation with the departments of ecology, fisheries, wildlife, natural resources, social and health services, and the Puget Sound water quality authority shall conduct a literature search and analyze pertinent studies to identify areas which are polluted or environmentally sensitive within the state's waters. Based on this review the commission shall designate appropriate areas as polluted or environmentally sensitive, for the purposes of this act only.

NEW SECTION. Sec. 4. (1) A marina which meets one or more of the following criteria shall be designated by the commission as appropriate for installation of a sewage pumpout or sewage dump station:

(a) The marina is located in an environmentally sensitive or polluted area; or

(b) The marina has one hundred twenty-five slips or more and there is a lack of sewage pumpouts within a reasonable distance.

(2) In addition to subsection (1) of this section, the commission may at its discretion designate a marina as appropriate for installation of a sewage pumpout or sewage dump station if there is a demonstrated need for a sewage pumpout or sewage dump station at the marina based on professionally conducted studies undertaken by federal, state, or local government, or the private sector; and it meets the following criteria:

(a) The marina provides commercial services, such as sales of food, fuel or supplies, or overnight or live-aboard moorage opportunities;

(b) The marina is located at a heavily used boating destination or on a heavily traveled route, as determined by the commission; or

(c) There is a lack of adequate sewage pumpout station capacity within a reasonable distance.

(3) Exceptions to the designation made under this section may be made by the commission if no sewer, septic, water, or electrical services are available at the marina.

(4) In addition to marinas, the commission may designate boat launches or boater destinations as appropriate for installation of a sewage pumpout or sewage dump station based on the criteria found in subsections (1) and (2) of this section.

NEW SECTION. Sec. 5. (1) Marinas and boat launches designated as appropriate for installation of a sewage pumpout or sewage dump station under section 4 of this act shall be eligible for funding support for installation of such facilities from funds specified in section 11 of this act. The commission shall notify owners or operators of all designated marinas and boat launches of the designation, and of the availability of funding to support installation of appropriate sewage disposal facilities. The commission shall encourage the owners and operators to apply for available funding.

(2) The commission shall contract with, or enter into an interagency agreement with another state agency to contract with, applicants based on the criteria specified below:

(a)(i) Contracts may be awarded to publicly owned, tribal, or privately owned marinas or boat launches.

(ii) Contracts may provide for state reimbursement to cover eligible costs as deemed reasonable by commission rule. Eligible costs include purchase, installation, or major renovation of the sewage pumpout or sewage dump stations, including sewer, water, electrical connections, and those costs attendant to the purchase, installation, and other necessary appurtenances, such as required pier space, as determined by the commission.

(iii) Ownership of the sewage pumpout or sewage dump station will be retained by the state through the commission in privately owned marinas. Ownership of the sewage pumpout or sewage dump station in publicly owned marinas will be held by the public entity.

(iv) Operation, normal and expected maintenance, and ongoing utility costs will be the responsibility of the marina or boat launch operator. The sewage pumpout or sewage dump

station must be kept in operating condition and available for public use at all times during operating hours of the facility, excluding necessary maintenance periods.

(v) The marina owner agrees to allow the installation, existence and use of the sewage pumpout or sewage dump station by granting an easement at no cost for such purposes.

(b) Contracts awarded pursuant to (a) of this subsection shall be subject, for a period of at least ten years, to the following conditions:

(i) Any facility entering into a contract under this section must allow the boating public access to the sewage pumpout or sewage dump station during operating hours.

(ii) The applicant must agree to monitor and encourage the use of the sewage pumpout or sewage dump station, and to cooperate in any related boater environmental education program administered or approved by the commission.

(iii) The applicant must agree not to charge a fee for the use of the sewage pumpout or sewage dump station.

(iv) The applicant must agree to arrange and pay a reasonable fee for a periodic inspection of the sewage pumpout facility by the local health department or appropriate authority.

(v) Use of a free sewage pumpout or sewage dump station by the boating public shall be deemed to be included in the term 'outdoor recreation' for the purposes of chapter 4.24 RCW.

NEW SECTION. Sec. 6. The department of ecology, in consultation with the commission, shall develop criteria for the design, installation, and operation of sewage pumpout and sewage dump stations, taking into consideration the ease of access to the station by the boating public. The department of ecology may adopt rules to administer the provisions of this section.

NEW SECTION. Sec. 7. The commission shall undertake a state-wide boater environmental education program concerning the effects of boat wastes. The boater environmental education program shall provide informational materials on proper boat waste disposal methods, environmentally safe boat maintenance practices, locations of sewage pumpout and sewage dump stations, and boat oil recycling facilities.

NEW SECTION. Sec. 8. The commission shall award grants to local government entities for boater environmental education or boat waste management planning. Grants shall be allocated according to criteria developed by the commission.

NEW SECTION. Sec. 9. The commission shall, in consultation with interested parties, review progress on installation of sewage pumpout and sewage dump stations, the boater environmental education program, and the boating safety program. The commission shall report its findings to the legislature by December 1994.

NEW SECTION. Sec. 10. There is established the boater recreation financing program. Any amounts that the legislature chooses to appropriate to this program shall be expended in accordance with section 11 of this act.

NEW SECTION. Sec. 11. Any amounts appropriated to the boater recreation financing program shall be expended in accordance with the following limitations:

(1) Thirty percent to the interagency committee for outdoor recreation to be expended for use by state and local government for public recreational waterway boater access and boater destination sites. Priority shall be given to critical site acquisition. The interagency committee for outdoor recreation shall administer such funds as a competitive grants program. The amounts provided for in this subsection shall be evenly divided between state and local governments.

(2) Thirty percent of the funds shall be expended by the commission exclusively for sewage pumpout or sewage dump stations at publicly and privately owned marinas as provided for in sections 4 and 5 of this act.

(3) Twenty-five percent of the funds shall be expended for grants to state agencies and other public entities to enforce boating safety and registration laws and to carry out boating safety programs. The commission shall administer such grant program.

(4) Fifteen percent shall be expended for instructional materials, programs or grants to the public school system, public entities, or other nonprofit community organizations to support boating safety and boater environmental education or boat waste management planning. The commission shall administer this program.

Sec. 12. Section 17, chapter 7, Laws of 1983 and RCW 88.02.040 are each amended to read as follows:

The department shall provide for the issuance of vessel registrations and may appoint agents for collecting fees and issuing registration numbers and decals. Fees for vessel registrations collected by the director shall be deposited in the general fund: PROVIDED, That any amount above one million one hundred thousand dollars per fiscal year shall be allocated to counties by the state treasurer for boating safety/education and law enforcement programs. Eligibility for such allocation shall be contingent upon approval of the local boating safety program by the state parks and recreation commission. Fund allocation shall be based on the numbers of registered vessels by county of moorage. Each benefiting county shall be responsible for equitable distribution of such allocation to other jurisdictions with approved boating safety programs within said county. Any fees not allocated to counties due to the absence of an

approved boating safety program, shall be allocated to the state parks and recreation commission for awards to local governments to offset law enforcement and boating safety impacts of boaters recreating in jurisdictions other than where registered.

Sec. 13. Section 18, chapter 7, Laws of 1983 as amended by section 45, chapter 3, Laws of 1983 2nd ex. sess. and RCW 88.02.050 are each amended to read as follows:

Application for a vessel registration shall be made to the department or its authorized agent in the manner and upon forms prescribed by the department. The application shall state the name and address of each owner of the vessel and such other information as may be required by the department, shall be signed by at least one owner, and shall be accompanied by a vessel registration fee of six dollars per year and the excise tax imposed under chapter 82.49 RCW. Any fees required for licensing agents under RCW 46.01.140 shall be in addition to the six-dollar annual registration fee.

Upon receipt of the application and the registration fee, the department shall assign a registration number and issue a decal for each vessel. The registration number and decal shall be issued and affixed to the vessel in a manner prescribed by the department consistent with the standard numbering system for vessels set forth in volume 33, part 174, of the code of federal regulations. A valid decal affixed as prescribed shall indicate compliance with the annual registration requirements of this chapter.

The vessel registrations and decals are valid for a period of one year, except that the director of licensing may extend or diminish vessel registration periods, and the decals therefor, for the purpose of staggered renewal periods. For registration periods of more or less than one year, the department may collect prorated annual registration fees and excise taxes based upon the number of months in the registration period. Vessel registrations are renewable every year in a manner prescribed by the department upon payment of the vessel registration fee and excise tax. Upon renewing a vessel registration, the department shall issue a new decal to be affixed as prescribed by the department.

A person acquiring a vessel from a dealer or a vessel already validly registered under this chapter shall, within fifteen days of the acquisition or purchase of the vessel, apply to the department or its authorized agent for transfer of the vessel registration, and the application shall be accompanied by a transfer fee of one dollar which shall be deposited with the state treasurer and credited to the general fund to defray the cost of administration.

Sec. 14. Section 19, chapter 7, Laws of 1983 as amended by section 1, chapter 149, Laws of 1987 and RCW 88.02.060 are each amended to read as follows:

(1) Each vessel dealer in this state shall register with the department in the manner and upon forms prescribed by the department, in accordance with rules adopted under chapter ~~((34.04))~~ 34.05 RCW. After the completed vessel dealer application has been satisfactorily filed and the applicant is eligible as determined by the department's rules, the department shall, if no denial proceeding is in effect, issue the vessel dealer's registration on the basis of staggered annual expiration dates.

(2) Before issuing a vessel dealer's registration, the department shall require the applicant to file with the department a surety bond in the amount of five thousand dollars, running to the state of Washington, and executed by a surety company authorized to do business in the state of Washington. The bond shall be approved by the attorney general as to form and conditioned that the dealer shall conduct his business in conformity with the provisions of this chapter. Any vessel signor or purchaser who has suffered any loss or damage by reason of any act or omission by a dealer that constitutes a violation of this chapter may institute an action for recovery against the dealer and the surety upon the bond. Successive recoveries against the bond shall be permitted, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. Upon exhaustion of the penalty of the bond or cancellation of the bond by the surety, the vessel dealer registration shall automatically be deemed canceled.

(3) Vessel dealers selling fifteen vessels or fewer per year having a retail value of no more than two thousand dollars each shall not be subject to the provisions of subsection (2).

(4) For the fiscal biennium from July 1, 1987, through June 30, 1989, the registration fee for dealers shall be fifty dollars per year for an original registration, and twenty-five dollars for any subsequent renewal. In addition, a fee of twenty-five dollars shall be collected for the first decal, fifteen dollars for each additional decal, and fifteen dollars for each vessel dealer display decal replacement. In ensuing biennia, the director shall establish the amount of such fees at a sufficient level to defray the costs of administering the vessel dealer registration program. All such fees shall be fixed by rule adopted by the director in accordance with the Administrative Procedure Act, chapter ~~((34.04))~~ 34.05 RCW. All fees collected under this section shall be deposited with the state treasurer and credited to the general fund to defray the cost of administration of the vessel dealer registration program.

Sec. 15. Section 46, chapter 3, Laws of 1983 2nd ex. sess. as amended by section 4, chapter 258, Laws of 1985 and RCW 88.02.070 are each amended to read as follows:

(1) The department shall provide for the issuance of vessel certificates of title. Applications for certificates may be made through the agents appointed under RCW 88.02.040. The fee for a vessel certificate of title is five dollars. Fees for vessel certificates of title shall be deposited ~~((tm))~~ with the state treasurer and credited to the general fund to defray the cost of administration of

this section. Security interests in vessels subject to the requirements of this chapter and attaching after July 1, 1983, shall be perfected only by indication upon the vessel's title certificate. The provisions of chapters 46.12 and 46.16 RCW relating to motor vehicle certificates of registration, titles, certificate issuance, ownership transfer, and perfection of security interests, and other provisions which may be applied to vessels subject to this chapter, may be so applied by rule of the department if they are not inconsistent with this chapter.

(2) Whenever a vessel is to be registered for the first time as required by this chapter, except for a vessel having a valid marine document as a vessel of the United States, application shall be made at the same time for a certificate of title. Any person who purchases or otherwise obtains majority ownership of any vessel subject to the provisions of this chapter, except for a vessel having a valid marine document as a vessel of the United States, shall within fifteen days thereof apply for a new certificate of title which shows the vessel's change of ownership.

(3) Security interests may be released or acted upon as provided by the law under which they arose or were perfected. No new security interest or renewal or extension of an existing security interest is affected except as provided under the terms of this chapter and RCW 46.12.095.

"Sec. 1. Section 1, chapter 134, Laws of 1969 ex. sess. as last amended by section 1, chapter 345, Laws of 1985 and RCW 70.95.010 are each amended to read as follows:

The legislature finds:

(1) Continuing technological changes in methods of manufacture, packaging, and marketing of consumer products, together with the economic and population growth of this state, the rising affluence of its citizens, and its expanding industrial activity have created new and ever-mounting problems involving disposal of garbage, refuse, and solid waste materials resulting from domestic, agricultural, and industrial activities.

(2) Traditional methods of disposing of solid wastes in this state are no longer adequate to meet the ever-increasing problem. Improper methods and practices of handling and disposal of solid wastes pollute our land, air and water resources, blight our countryside, adversely affect land values, and damage the overall quality of our environment.

(3) Considerations of natural resource limitations, energy shortages, economics and the environment make necessary the development and implementation of solid waste recovery and/or recycling plans and programs.

(4) ~~(The following priorities in the management of solid waste are necessary and should be followed in order of descending priority as applicable:~~

~~(a) Waste reduction;~~

~~(b) Waste recycling;~~

~~(c) Energy recovery or incineration; and~~

~~(d) Landfill;~~

(5) Waste reduction must become a fundamental element of solid waste management. It is therefore necessary to change manufacturing and purchasing practices and waste generation behaviors to reduce the amount of waste that becomes a governmental responsibility.

(5) Source separation of waste must become a fundamental element of solid waste management. Collection and handling strategies should have, as an ultimate goal, the source separation of all materials with resource value or environmental hazard.

(6) (a) It is the responsibility of every person to minimize his or her production of wastes and to separate recyclable or hazardous materials from mixed waste.

(b) It is the responsibility of state, county, and city governments to provide for a waste management infrastructure to fully implement waste reduction and source separation strategies and to process and dispose of remaining wastes in accordance with strict environmental safeguards. It is further the responsibility of state, county, and city governments to monitor the cost-effectiveness and environmental safety of combusting separated waste, processing of mixed waste, and recycling programs.

(c) It is the responsibility of county and city governments to assume primary responsibility for solid waste management and to develop and implement aggressive and effective waste reduction and source separation strategies.

(d) It is the responsibility of state government to ensure that local governments are providing adequate source reduction and separation opportunities and encouragements to all, including persons in both rural and urban areas, and nonresidential waste generators such as commercial, industrial, and institutional entities; and to provide county and city governments with adequate technical resources to accomplish this responsibility. It is further the responsibility of state government to develop and enhance markets for recyclable materials.

(7) After the fundamental waste management strategies of waste reduction and source separation, the following priorities in the management of solid waste are necessary and should be followed in descending order as applicable:

(a) Recycling;

(b) Processing mixed waste;

(c) Incinerating separated waste; and

(d) Incinerating or landfilling mixed waste.

(8) It is the state's goal to achieve a fifty percent waste reduction and recycling rate by 1995.

(9) Steps should be taken to make recycling at least as affordable and convenient as mixed waste disposal.

(10) It is necessary to compile and maintain adequate data on the types and quantities of solid waste that are being generated and to monitor how the various types of solid waste are being managed.

(11) Vehicle batteries should be recycled and the disposal of vehicle batteries into a landfill or incineration system should be discouraged.

(12) Excessive and nonrecyclable packaging of products should be avoided.

(13) Comprehensive education should be conducted throughout the state so that citizens of all ages are informed of the need to reduce, source separate, and recycle solid waste.

(14) All government entities in the state should set an example for the citizens of the state by implementing aggressive waste reduction and recycling programs at their workplaces and by purchasing products that are made from recycled materials and are recyclable.

(15) To ensure the safe and efficient operations of solid waste disposal facilities, it is necessary for operators and regulators of landfills and incinerators to receive training and certification.

(16) It is necessary to provide adequate funding to all levels of government so that successful waste reduction and recycling programs can be implemented.

(17) There is an imperative need to anticipate, plan for, and accomplish effective storage, control, recovery, and recycling of discarded ((vehicle)) tires and other problem wastes with the subsequent conservation of resources and energy.

Sec. 2, Section 3, chapter 134, Laws of 1969 ex. sess. as last amended by section 3, chapter 345, Laws of 1985 and RCW 70.95.030 are each amended to read as follows:

(1) The department shall provide to counties and cities technical assistance including, but not limited to, planning guidelines, in the preparation, review, and revision of solid waste management plans required by this chapter. Each comprehensive county or city solid waste management plan shall be submitted to the department for technical review and approval. If the department does not disapprove of any plan within ninety days of the date of its submittal to the department, the plan shall be deemed approved. The department shall approve each plan unless the department makes specific findings supporting a disapproval. If it disapproves, the department ((may)) shall recommend revisions ((essential to the achievement of effective solid waste management and)) it considers necessary to achieve the purposes of this chapter. Guidelines prepared under this section shall be consistent with the provisions of this chapter and the state solid waste management plan prepared pursuant to RCW 70.95.260.

(2) Counties and cities may submit draft plans to the department for technical review prior to the county or city adoption of the plan.

(3) If the department disapproves a plan, the submitting entity may appeal the decision under chapter 34.05 RCW. The hearing shall be conducted by an administrative law judge. This same approval and appeal process shall apply to an examination of specific findings, actions, and revisions which resulted in a disapproval under subsection (1) of this section.

Sec. 4. Section 11, chapter 134, Laws of 1969 ex. sess. as amended by section 7, chapter 123, Laws of 1984 and RCW 70.95.110 are each amended to read as follows:

(1) The comprehensive county solid waste management plans and any comprehensive city solid waste management plans prepared in accordance with RCW 70.95.080 shall be maintained in a current condition and reviewed and revised periodically by counties and cities as may be required by the department. Upon each review such plans shall be extended to show long-range needs for solid waste handling facilities for twenty years in the future, and a revised construction and capital acquisition program for six years in the future. Each revised solid waste management plan shall be submitted to the department.

Each plan shall be reviewed and revised within five years of ~~((June 7))~~ July 1, 1984, and thereafter shall be reviewed, and revised if necessary, at least once every five years.

NEW SECTION, Sec. 5. A new section is added to chapter 70.95 RCW to read as follows:

Levels of service shall be defined in the waste reduction and recycling element of each local comprehensive solid waste management plan and shall include the services set forth in RCW 70.95.090. In determining which service level is provided to residential and nonresidential waste generators in each community, counties and cities shall develop clear criteria for designating areas as urban or rural. In designating urban areas, local governments shall consider the following parameters:

(a) Any city having a population of at least seventeen thousand five hundred;

(b) Any area of the state that comprises contiguous incorporated and unincorporated areas that have a combined population of at least fifty thousand;

(c) Any area with a population density of one thousand persons per square mile; and

(c) The population density of each area serviced by a city operation or by a franchised operation within the respective jurisdictions;

(d) The projected solid waste collection needs for the respective jurisdictions for the next six years.

(6) A comprehensive waste reduction and recycling element that, in accordance with the priorities established in RCW 70.95.010, provides implementation strategies for programs that (a) reduce the amount of waste generated, (b) provide incentives and mechanisms for source separation, and (c) establish recycling opportunities for the source separated waste. The waste reduction and recycling element shall include the following:

(i) Waste reduction strategies;

(ii) Source separation strategies, including:

(A) Programs for the collection of source separated materials for both residential and non-residential waste in urban and rural areas. In urban areas, these programs shall include collection of source-separated recyclable materials from residential dwellings unless the plan demonstrates that the same or greater recovery rate and a reasonable level of public participation can be achieved by an alternative method of collection. (B) Programs to collect source separated waste at nonresidential sites.

(C) Programs to collect yard waste, if the local government submitting the plan finds that composted yard waste has adequate markets or capacity within or near the service area to consume the majority of the material collected.

(D) Programs to educate citizens and promote the concept of recycling.

(iii) Recycling strategies, including a description of markets for recyclables, a review of waste generation trends, a description of waste composition, a discussion and description of existing programs and any additional programs needed to assist public and private sector recycling, and an implementation schedule for the designation of specific materials to be collected for recycling, and for the provision of recycling collection services.

(iv) Other information the county or city submitting the plan determines is necessary.

The assessment shall be prepared in conformance with guidelines established by the utilities and transportation commission. The commission shall cooperate with the Washington state association of counties and the association of Washington cities in establishing such guidelines.

(8) A review of potential areas that meet the criteria as outlined in RCW 70.95.165.

Sec. 7, Section 16, chapter 134, Laws of 1969 ex. sess. as amended by section 29, chapter 127, Laws of 1988 and RCW 70.95.160 are each amended to read as follows:

Each county, or any city, or jurisdictional board of health shall adopt regulations or ordinances governing solid waste handling implementing the comprehensive solid waste management plan covering storage, collection, transportation, treatment, utilization, processing and final disposal including but not limited to the issuance of permits and the establishment of minimum levels and types of service for any aspect of solid waste handling. County regulations or ordinances adopted regarding levels and types of service shall not apply within the limits of any city where the city has by local ordinance or regulation determined that the county shall not exercise such powers within the corporate limits of the city. Such regulations or ordinances shall assure that solid waste storage and disposal facilities are located, maintained, and operated in a manner so as properly to protect the public health, prevent air and water pollution, implement the priorities established in RCW 70.95.010, and avoid the creation of nuisances. Such regulations or ordinances may be more stringent than the minimum functional standards adopted by the department. Regulations or ordinances adopted by counties, cities, or jurisdictional boards of health shall be filed with the department.

NEW SECTION. Sec. 8. A new section is added to chapter 70.95 RCW to read as follows:

Upon receipt, the department shall immediately provide the utilities and transportation commission with a copy of each local comprehensive solid waste management plan. Within forty-five days after receiving a plan, the commission shall have reviewed the plan's assessment of solid waste collection cost impacts on rates charged by solid waste collection companies regulated under chapter 81.77 RCW and shall advise the county or city submitting the plan and the department of the probable effect of the plan's recommendations on those rates.

(5) By ~~((reviewing))~~ requiring compliance with local solid waste management plans ~~((through letters of compliance submitted by the county legislative authority. The compliance letters shall become part of the record in any rate, compliance, or any hearing held by the commission on the issuance, revocation, or reissuance of a certificate as provided for in RCW 81-77-070))~~ and related implementation ordinances;

(6) By requiring certificate holders under chapter 81.77 RCW to use rate structures and billing systems consistent with the solid waste management priorities set forth under RCW 70.95.010 and the minimum levels of solid waste collection and recycling services pursuant to local comprehensive solid waste management plans, including but not limited to consolidated billing if more than one certificate is granted.

The commission, on complaint made on its own motion or by an aggrieved party, at any time, after the holding of a hearing of which the holder of any certificate has had notice and an opportunity to be heard, and at which it shall be proven that the holder has wilfully violated or refused to observe any of the commission's orders, rules, or regulations, or has failed to operate as a ~~((garbage and refuse))~~ solid waste collection company or recyclable materials collection company for a period of at least one year preceding the filing of the complaint, may suspend, revoke, alter, or amend any certificate issued under the provisions of this chapter.

Sec. 13. Section 5, chapter 295, Laws of 1961 as amended by section 2, chapter 239, Laws of 1987 and RCW 81.77.040 are each amended to read as follows:

No ~~((garbage and refuse))~~ solid waste collection company shall hereafter operate for the hauling of ~~((garbage and refuse))~~ solid waste for compensation without first having obtained from the commission a certificate declaring that public convenience and necessity require such operation. In all other cases, the commission may, with or without hearing, issue certificates, or for good cause shown refuse to issue them, or issue them for the partial exercise only of the privilege sought, and may attach to the exercise of the rights granted such terms and conditions as, in its judgment, the public convenience and necessity may require.

Any right, privilege, certificate held, owned, or obtained by a ~~((garbage and refuse))~~ solid waste collection company may be sold, assigned, leased, transferred, or inherited as other property, but only upon authorization by the commission.

Any ~~((garbage and refuse))~~ solid waste collection company which upon July 1, 1961 is operating under authority of a common carrier or contract carrier permit issued under the provisions of chapter 81.80 RCW shall be granted a certificate of necessity without hearing upon compliance with the provisions of this chapter. Such ~~((garbage and refuse))~~ solid waste collection company which has paid the plate fee and gross weight fees required by chapter 81.80 RCW for the year 1961 shall not be required to pay additional like fees under the provisions of this chapter for the remainder of such year.

Notwithstanding any other provisions of chapter 81.77 RCW, the commission may issue certificates to recyclable materials collection companies upon a showing that the applicant is fit, willing, and able, that the applicant's proposed operations are consistent with the applicable local comprehensive solid waste management plan, and that the applicant meets all commission safety and insurance requirements.

Sec. 15. Section 6, chapter 295, Laws of 1961 as amended by section 9, chapter 115, Laws of 1973 and RCW 81.77.050 are each amended to read as follows:

It is the intent of the legislature that the fees collected under the provisions of this chapter shall reasonably approximate the cost of supervising and regulating motor carriers subject thereto, and to that end the utilities and transportation commission is authorized to decrease the schedule of fees provided in this section by general order entered before March 1st of any year in which it determines that the moneys then in the ~~((garbage and refuse))~~ solid waste collection companies account or recyclable materials collection companies account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers. The recyclable materials collection companies account is created in the public service revolving fund.

All fees collected under this section or under any other provision of this chapter shall be paid to the commission and shall be by it transmitted to the state treasurer within thirty days to be deposited to the credit of the public service revolving fund.

Such temporary certificate may be issued for a period up to one hundred eighty days where the area or territory covered thereby is not contained in the certificate of any other ~~((garbage and refuse))~~ solid waste collection company or recyclable materials collection company. In all other cases such temporary certificate may be issued for a period not to exceed one hundred twenty days. The commission may prescribe such special rules and regulations and impose such special terms and conditions with reference thereto as in its judgment are reasonable and necessary in carrying out the provisions of this chapter. The commission shall collect a fee of twenty-five dollars for an application for such temporary certificate.

The department shall schedule regular meetings with local governments to coordinate the development and dissemination of materials to encourage waste reduction and recycling. The department may involve the media, advertising agencies, publishers, and others as deemed necessary by the department to produce high quality materials encouraging citizens and businesses to reduce and recycle their wastes.

NEW SECTION. Sec. 45. A new section is added to chapter 70.95C RCW to read as follows:

The legislature finds and declares that the buildings and facilities owned and leased by state government produce significant amounts of solid and hazardous wastes, and actions must be taken to reduce and recycle these wastes and thus reduce the costs associated with their disposal. In order for the operations of state government to provide the citizens of the state an example of positive waste management, the legislature further finds and declares that state government should undertake an aggressive program designed to reduce and recycle solid and hazardous wastes produced in the operations of state buildings and facilities to the maximum extent possible.

The office of waste reduction, in cooperation with the department of general administration, shall establish an intensive waste reduction and recycling program to promote the reduction of waste produced by state agencies and to promote the source separation and recovery of recyclable and reusable materials.

All state agencies, including but not limited to, colleges, community colleges, universities, offices of elected and appointed officers, the supreme court, court of appeals, and administrative departments of state government shall fully cooperate with the office of waste reduction and recycling in all phases of implementing the provisions of this section. The office shall establish a coordinated state plan identifying each agency's participation in waste reduction and recycling. The office shall develop the plan in cooperation with a multi-agency committee on waste reduction and recycling. Appointments to the committee shall be made by the director of the department of general administration. The director shall notify each agency of the committee and shall implement the waste reduction and recycling plan.

NEW SECTION. Sec. 46. A new section is added to chapter 70.95C RCW to read as follows:

schools, grades kindergarten through high school. The office shall develop guidelines for program development and implementation. Each public school shall implement a waste reduction and recycling program conforming to guidelines developed by the office.

For the purpose of granting awards, the office may group schools into not more than three classes, based upon student population, distance to markets for recyclable materials, and other criteria, as deemed appropriate by the office. Awards shall be granted each year to the schools that recycle the greatest quantity of school-generated material per student. Each award shall be of a sum not less than ten thousand dollars. The office shall also develop recommendations for an awards program for waste reduction in the public schools. The office shall submit these recommendations to the appropriate standing committees in the house of representatives and senate on or before November 30, 1989.

The superintendent of public instruction shall distribute guidelines and other materials developed by the office to implement programs to reduce and recycle waste generated in administrative offices, classrooms, laboratories, cafeterias, and maintenance operations.

Sec. 47. Section 2, chapter 120, Laws of 1987 as amended by section 3, chapter 168, Laws of 1988 and RCW 35.23.352 are each amended to read as follows:

(1) Any second or third class city or any town may construct any public works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon posting notice calling for sealed bids upon the work. The notice thereof shall be posted in a public place in the city or town and by publication in the official newspaper, or a newspaper of general circulation most likely to bring responsive bids, once each week for two consecutive weeks before the date fixed for opening the bids. The notice shall generally state the nature of the work to be done that plans and specifications therefor shall then be on file in the city or town hall for public inspections, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier's check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in the full amount of the contract price. If the bidder fails to enter into the contract in accordance with his bid and furnish a bond within ten days from the date at which he is notified that he is the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In lieu of the procedures of subsection (1) of this section, a second or third class city or a town may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city or town may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.

(b) Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city or town shall invite proposals from all appropriate contractors on the small works roster: PROVIDED, That whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. The invitation shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

(c) When awarding such a contract for work, the estimated cost of which is one hundred thousand dollars or less, the city or town shall award the contract to the contractor submitting the lowest responsible bid.

(4) After September 1, 1987, each second class city, third class city, and town shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

(5) The cost of a separate public works project shall be the costs of the materials, equipment, supplies, and labor on that construction project.

(6) Any purchase of supplies, material, equipment or services other than professional services, except for public work or improvement, where the cost thereof exceeds seven thousand five hundred dollars shall be made upon call for bids: PROVIDED, That the limitations herein shall not apply to any purchases of materials at auctions conducted by the government of the United States, any agency thereof or by the state of Washington or a political subdivision thereof.

(7) Bids shall be called annually and at a time and in the manner prescribed by ordinance for the publication in a newspaper published or of general circulation in the city or town of all notices or newspaper publications required by law. The contract shall be awarded to the lowest responsible bidder.

(8) For advertisement and competitive bidding to be dispensed with as to purchases between seven thousand five hundred and fifteen thousand dollars, the city legislative authority must authorize by resolution a procedure for securing telephone and/or written quotations from enough vendors to assure establishment of a competitive price and for awarding the contracts for purchase of materials, equipment, or services to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

(9) These requirements for purchasing may be waived by resolution of the city or town council which declared that the purchase is clearly and legitimately limited to a single source or supply within the near vicinity, or the materials, supplies, equipment, or services are subject to special market conditions, and recites why this situation exists. Such actions are subject to RCW 39.30.020.

(10) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(11) Nothing in this section shall prohibit any second or third class city or any town from allowing for preferential purchase of products made from recycled materials or products that may be recycled or recovered.

Sec. 48. Section 36.32.250, chapter 4, Laws of 1963 as last amended by section 9, chapter 169, Laws of 1985 and by section 1, chapter 369, Laws of 1985 and RCW 36.32.250 are each reenacted and amended to read as follows:

No contract, lease, or purchase may be entered into by the county legislative authority or by any elected or appointed officer of such county until after bids have been submitted to the county upon specifications therefor. Such specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection, and an advertisement thereof stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, or material, equipment, or service to be purchased, and that specifications therefor may be seen at the office of the clerk of the county legislative authority, shall be published in the county official newspaper: PROVIDED, That advertisements for public works contracts for construction, alteration, repair, or improvement of public facilities shall be additionally published in a legal newspaper of general circulation in or as near as possible to that part of the county in which such work is to be done: AND PROVIDED FURTHER, That if the county official newspaper is a newspaper of general circulation covering at least forty percent of the residences in that part of the county in which such public works are to be done publication of an advertisement of the applicable specifications in the county official newspaper only shall be sufficient. Such advertisements shall be published at least once in each week for two consecutive weeks prior to the last date upon which bids will be received and as many additional publications as shall be determined by the county legislative authority. The bids shall be in writing, shall be filed with the clerk, shall be opened and read in public at the time and place named therefor in said advertisements, and after being opened, shall be filed for public inspection. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed. The contract for the public work, lease, or purchase shall be awarded to the lowest responsible bidder, taking into consideration the quality of the articles or equipment to be purchased or leased. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law. If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the county legislative authority. In the letting of any contract, lease, or purchase involving less than three

thousand five hundred dollars, advertisement and competitive bidding may be dispensed with on order of the county legislative authority. Notice of intention to let contracts or to enter into lease agreements involving amounts exceeding one thousand dollars but less than three thousand five hundred dollars, shall be posted by the county legislative authority on a bulletin board in its office not less than three days prior to making such lease or contract. For advertisement and competitive bidding to be dispensed with as to purchases between one thousand and three thousand five hundred dollars, the county legislative authority must authorize by resolution a county procedure for securing telephone or written quotations, or both, from enough vendors to assure establishment of a competitive price and for awarding such contracts for purchase of materials, equipment, or services to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. Wherever possible, supplies shall be purchased in quantities for a period of at least three months, and not to exceed one year. Supplies generally used throughout the various departments shall be standardized insofar as possible, and may be purchased and stored for general use by all of the various departments which shall be charged for the supplies when withdrawn from the purchasing department.

This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

Nothing in this section shall prohibit the legislative authority of any county from allowing for preferential purchase of products made from recycled materials or products that may be recycled or recovered.

Sec. 49. Section 1, chapter 72, Laws of 1985 and RCW 39.30.040 are each amended to read as follows:

(1) Whenever a unit of local government is required to make purchases from the lowest bidder or from the supplier offering the lowest price for the items desired to be purchased, the unit of local government may, at its option when awarding a purchase contract, take into consideration tax revenue it would receive from purchasing the supplies, materials, or equipment from a supplier located within its boundaries. The unit of local government must award the purchase contract to the lowest bidder after such tax revenue has been considered. However, any local government may allow for preferential purchase of products made from recycled materials or products that may be recycled or recovered. The tax revenues which units of local government may consider include sales taxes that the unit of local government imposes upon the sale of such supplies, materials, or equipment from the supplier to the unit of local government, and business and occupation taxes that the unit of local government imposes upon the supplier that are measured by the gross receipts of the supplier from such sale. Any unit of local government which considers tax revenues it would receive from the imposition of taxes upon a supplier located within its boundaries, shall also consider tax revenues it would receive from taxes it imposes upon a supplier located outside its boundaries.

(2) As used in this section, the term 'unit of local government' means any county, city, town, metropolitan municipal corporation, public transit benefit area, county transportation authority, or other municipal or quasi-municipal corporation authorized to impose sales and use taxes or business and occupation taxes.

Sec. 50. Section 1, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 1, chapter 422, Laws of 1987 and RCW 43.160.010 are each amended to read as follows:

(1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state's economic base. Strengthening the economic base through issuance of industrial development bonds, whether single or umbrella, further serves to reduce unemployment. Consolidating issues of industrial development bonds when feasible to reduce costs additionally advances the state's purpose to improve economic vitality. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:

(a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;

(b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;

(c) Encouraging wider access to financial resources for both large and small industrial development projects;

(d) Encouraging new economic development or expansions to maximize employment;

(e) Encouraging the retention of viable existing firms and employment; and

(f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways in the vicinity of new industries considering locating in this state or existing industries that are considering significant expansion.

(a) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(b) It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development. All such improvements must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by RCW 43.160.074 and 47.01.280. It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.

(3) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing facilities for recyclable materials should receive priority consideration from the board.

Sec. 51. Section 6, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 5, chapter 422, Laws of 1987 and RCW 43.160.060 are each amended to read as follows:

The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including development of land and improvements for public facilities, as well as the acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not make a grant or loan:

(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(b) For any project that probably would result in a development or expansion that would displace existing jobs in any other community in the state.

(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.

(2) The board shall only make grants or loans:

(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, ~~((and))~~ industrial distribution, and processing recyclable materials, or (ii) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the grant or loan is made.

(3) The board shall prioritize each proposed project according to the number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located. As long as there is more demand for loans or grants than there are funds available for loans or grants, the board is instructed to fund projects in order of their priority.

(4) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

Before any loan or grant application is approved, the political subdivision seeking the loan or grant must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

NEW SECTION, Sec. 52. A new section is added to chapter 43.160 RCW to read as follows:

(1) Before board consideration of an application from a political subdivision that includes a request for assistance in financing the cost of public facilities to encourage the development of a private facility to process recyclable materials, the application shall be forwarded by the board to the department of ecology.

(2) The board may not make its final determination on any application before receiving approval, as submitted or amended, or disapproval, from the department of ecology as specified in section 48 of this act.

(3) The board shall notify the department of ecology of its decision regarding any application made under this section.

NEW SECTION. Sec. 53. A new section is added to chapter 43.21A RCW to read as follows:

(1) Upon receiving an application for assistance in financing the cost of public facilities to encourage the development of a private facility to process recyclable materials from the board, the department shall, in a timely manner, determine whether or not the proposed assistance:

- (a) Has a significant impact on the residential and commercial waste stream;
- (b) Results in a product that has a ready market;
- (c) Does not jeopardize any other planned market development projects; and
- (d) Results in a product that would otherwise be purchased out-of-state.

(2) Upon completion of its determination of the factors contained in subsection (1) of this section and any other factors it deems pertinent, the department shall forward its approval, as submitted or amended, or disapproval, of the proposed improvements to the board, along with any recommendation it may wish to make concerning the desirability and feasibility of the proposed market development. If the department disapproves any proposed project, it shall specify its reasons for disapproval.

NEW SECTION. Sec. 54. A new section is added to chapter 70.95 RCW to read as follows:

(1) In order to establish the feasibility of composting sewer sludge and food and yard wastes, the department shall provide funds, as available, to local governments submitting a proposal to compost such wastes.

(2) The department, in cooperation with the department of trade and economic development, may approve an application if the project can demonstrate the essential parameters for successful composting, including, but not limited to, cost-effectiveness, handling and safety requirements, and current and potential markets.

(3) The department shall periodically report to the appropriate standing committees of the legislature on the need for, and feasibility of, composting systems for sewer sludge, and food and yard wastes.

The person collecting the charges made for using the ~~((refuse))~~ solid waste collection business shall collect the tax imposed in ~~((section 6 of this act))~~ this chapter. If any person charged with collecting the tax fails to bill the taxpayer for the tax, or in the alternative has not notified the taxpayer in writing of the imposition of the tax, or having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of the person's own acts or the result of acts or conditions beyond the person's control, he or she shall, nevertheless, be personally liable to the state for the amount of the tax.

Sec. 80. Section 9, chapter 282, Laws of 1986 and RCW 82.18.040 are each amended to read as follows:

Any person collecting the tax who appropriates or converts the tax collected shall be guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. If a taxpayer fails to pay the tax imposed by this chapter to the person charged with collection of the tax and the person charged with collection fails to pay the tax to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the tax.

The tax shall be due from the taxpayer within twenty-five days from the date the taxpayer is billed by the person collecting the tax.

The tax shall be due from the person collecting the tax at the end of the tax period in which the tax is received from the taxpayer. If the taxpayer remits only a portion of the total amount billed for taxes, consideration, and related charges, the amount remitted shall be applied first to payment of the ~~((refuse))~~ solid waste collection tax and this tax shall have priority over all other claims to the amount remitted.

(2) All charges relating to the disposition of recyclable materials made to third parties as directed by a local government under its comprehensive solid waste management plan;

(3) All known and measurable costs related to implementation of the approved county or city comprehensive solid waste management plan; and

(4) All revenues received by collection companies in return for the sale of recyclable materials collected, which revenues shall be applied to offset the known and measurable costs of collection, processing, and marketing the recyclable materials.

The commission shall develop rules to allow solid waste collection companies to adjust their rates no more than two times per year, to reflect the costs specified in this section. Such rules shall include notice to ratepayers of rate adjustment.

NEW SECTION, Sec. 83. A new section is added to chapter 81.77 RCW to read as follows:

If the commission suspends a tariff change submitted by a solid waste collection company under RCW 81.04.130, the collection company may request that the tariff be put in effect on an interim basis, subject to refund, pending the commission's final order. Such requests shall be granted and the tariff will become effective, on an interim basis, on its originally filed effective date.

NEW SECTION, Sec. 84. (1) The department of ecology shall conduct a study of problem wastes including an analysis of the best available technologies for environmentally safe and economically sound collection, storage, processing, and disposal. In conducting the study, the department shall involve, consult, and create special advisory committees that will include membership from relevant industries and local governments. The department shall submit a report, including recommendations, to the house of representatives environmental affairs committee and the senate environment and natural resources committee by December 15, 1990, and shall make the results of the study available to local governments. In its study, the department shall consider, at a minimum, the following:

(a) Education programs about using alternative products that minimize adverse effects to the environment;

(b) Program development and enhancement to divert problem wastes from the waste stream, including current recycling programs and household hazardous waste collection programs; and

(c) Waste treatment and stabilization.

(2) The study shall include an investigation of existing toxic materials in landfills, in incinerator air emissions, and in incinerator fly and bottom ash, including, but not limited to, lead, mercury, cadmium, chromium, dioxins, furans, oxides of sulphur, carbon, nitrogen, and other toxic organic materials. Furthermore, the study shall review the adequacy of the state's air quality and ash quality standards for solid waste incinerators, by including a comparison of our state standards with those latest standards adopted by other countries such as Sweden and West Germany.

(3) The purpose of the investigation and the standard review is to evaluate the potential for damage to the environment and public health from these toxic materials, to identify the sources of the toxic materials, and to evaluate the potential solid waste management practices for eliminating or reducing the amount of toxic materials entering disposal facilities, or reducing the toxicity of such materials.

(4) For the purposes of this section, 'problem wastes' means those solid wastes that require special handling, treatment, storage, or disposal, as determined by the department to be causing, or potentially causing, environmental damage, or are disposed of in sufficient quantities as to be likely to cause environmental damage.

NEW SECTION, Sec. 85. The legislature finds that flexibility in solid waste management systems may help minimize the need for costly disposal options, maximize the limited life of landfills, and produce the most cost-effective solid waste management system. The legislature further finds that there is a need for innovation in solid waste management systems, especially to develop efficient ways of collecting and handling yard waste, recyclables, and other materials intended to be segregated from the solid waste disposal stream.

The legislature finds that local governments are given primary responsibility to plan for and manage solid waste, and that they require a grant of authority sufficient to implement their plans and manage segregated waste streams. The legislature also finds that the majority of Washington's population resides in unincorporated areas under the jurisdiction of county governments, so that county governments are responsible for managing a growing portion of the waste stream. The legislature further finds that current statutes restrict county government authority over solid waste collection. The legislature further finds that changes in existing statutes for solid waste regulatory authority may displace existing firms that are delivering solid waste and recycling services in a cost-effective manner.

Therefore, the legislature finds that there is a need to examine the structure and effectiveness of the present regulatory situation and the public policies which have led to the current structure. The legislature further finds that it is desirable to examine the regulatory structure

and practice of other states, including regulatory jurisdiction, planning responsibility, and program funding authority granted to various levels and agencies of government. The legislature also finds that any changes in regulatory authority should be made in a way that minimizes adverse impacts on existing firms, governmental entities, and customers of solid waste collection and recycling services.

NEW SECTION. Sec. 86. (1) The utilities and transportation commission shall conduct a study on solid waste regulation, utilizing the expertise of an objective research institution specializing in regulatory or public policy issues, that shall:

(a) Identify and examine current statutory responsibilities of state, county, and city governments, and the role of private sector firms, for solid waste services including the provision of solid waste and recycling collection, transfer, disposal, financing, and enforcement;

(b) Examine public policies and history that led to the current regulatory structure;

(c) Gather and analyze information on the current status of collection, transfer, disposal, and recycling services on a county-by-county basis, including services provided by local governments, haulers holding certificates of public convenience and necessity issued by the utilities and transportation commission, and private sector recycling firms, which information shall include, but not be limited to, number and categories of customers served, services provided, tonnage handled, overall cost of service, and number and type of firms under common ownership. In order to minimize costs, the findings of the best management practices study shall be used to the fullest extent possible;

(d) Examine policies and practices in other states in regard to the allocation of regulatory responsibility and financial capability among different levels of government;

(e) Discuss possible alternatives to the existing statutory system of solid waste regulatory authority, that shall include, at a minimum:

(i) Optional county authority over solid waste collection, similar to the optional city authority granted in RCW 81.77.020;

(ii) Mandatory county authority over solid waste collection, replacing the utilities and transportation commission;

(iii) Changing state authority over solid waste collection and disposal, with such authority to be vested in a new state board or agency;

(f) Recommend policy, statutory, and constitutional changes that would serve to provide greater flexibility, innovation, and local control, and to minimize impacts on existing solid waste management firms, governmental entities, and customers of solid waste collection and recycling services.

(2) The commission shall appoint an advisory committee to review and comment on the study upon completion. Members of the advisory committee shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060. The committee shall include, but not be limited to:

(a) Two representatives of county governments, including one representative from large counties, defined as counties of class AA, A, 1, and 2 counties, and one representative of counties of class 3 and smaller;

(b) Two representatives of city governments, including one from a city that provides municipal collection services and one from a city that provides collection services in some manner other than municipal provision;

(c) One representative of county health officials;

(d) Two representatives of the garbage collection industry;

(e) Two representatives of the recycling industry;

(f) One representative each of business and environmental interests;

(g) One representative each from the department of ecology, the department of community development, the department of revenue, and the municipal corporation division of the state auditor's office.

(3) The commission shall submit to the governor and legislature a report containing findings, conclusions, recommendations, and comments by January 2, 1990.

NEW SECTION. Sec. 87. The sum of one hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the public service revolving fund for the purposes of this act.

NEW SECTION. Sec. 88. Sections 85 through 87 of this act shall expire June 30, 1990.

Sec. 89. Section 15, chapter 528, Laws of 1987 as amended by section 6, chapter 184, Laws of 1988 (uncodified) is amended to read as follows:

(1) The Washington state legislature finds that the state faces a solid waste disposal crisis. The siting of new landfills, the location and design of new solid waste incinerators, the disposal of ash residue, and compliance with the priorities of the solid waste management act and the hazardous waste management act require that an effort be made by the state to ensure that local governments and private industry have adequate technical information, and that programs are developed to accomplish the statutory waste management priorities.

(2) A comprehensive evaluation of preferred solid waste management programs shall be undertaken by the joint select committee for preferred solid waste management. The committee shall consist of four members of the house of representatives appointed by the speaker of

the house and four members of the senate appointed by the president of the senate. The committee shall involve the department of ecology, the utilities and transportation commission, and representatives of organizations representing cities, counties, the public, the waste management industry, waste haulers, and the private recycling industry. The committee shall report its findings and recommendations to the appropriate standing committees of the legislature by January 1, 1989.

(3) The department of ecology may provide the committee with specific recommendations on waste management programs from studies the department has undertaken as required by RCW 70.95.263.

(4) The committee shall attempt to determine the reasons why higher rates of waste reduction and recycling have not been achieved in the state and develop recommendations on how to achieve higher rates.

(5) The committee's recommendations shall include (a) specific programs for waste reduction, recycling, incineration, and landfills, (b) specific goals for solid waste management, and (c) specific responsibilities for state government, local government, and the private sectors to accomplish the committee's recommendations. The committee shall also recommend specific legislation and rule-making requirements to accomplish the committee's findings.

(6) The joint select committee for preferred solid waste management shall cease to exist on July 1, ~~((1989))~~ 1991.

NEW SECTION, Sec. 90. A new section is added to chapter 70.95 RCW to read as follows:

The solid waste management account is created in the state treasury. Moneys in the account may only be spent after appropriation. Expenditures from the account may only be used to carry out the purposes of this act. All earnings from the investment of balances in the solid waste management account except as provided in RCW 43.84.090, shall be deposited into the solid waste management account.

NEW SECTION, Sec. 91. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 92. Sections 40 and 41 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

CENTENNIAL MESSAGE FROM THE WASHINGTON STATE HISTORICAL SOCIETY

March 7, 1989

On this day in 1889, the town of Whatcom ordered landowners to clear trees and brush from their holdings. This would have freed land for development. And, local boosters predicted that with the rising tide of immigrants to the country behind Sequim and Dungeness, within two years "there will be but little vacant land in Clallam County."

On this day in 1907 the University of Washington Board of Regents agreed to modify its lease of its Metropolitan Tract to omit rent increases based on rising land values. The new lease promoted development, but critics charged it brought in little income.

On March 7, 1927 the Legislature occupied its new seven million dollar Legislative Building in Olympia, where it still sits. A band from the Salvation Army and the University of Washington Glee Club provided music. Fifty years later, in 1977, a celebration led by Governor Dixy Lee Ray commemorated the event.

And on March 7, 1983 Queen Elizabeth II of England and Prince Phillip visited Seattle.

There being no objection, the House advanced to the sixth order of business.

Thank you for raising the point. Representative Heavey.

CENTENNIAL MESSAGE FROM THE WASHINGTON STATE HISTORICAL SOCIETY

March 8, 1989

On this day in 1889, a horsebreeder near Cheney sold one hundred horses to the Army for one hundred dollars a head. The last time this breeder sold the Army horses, he left them untamed, and one recruit committed suicide rather than try to break such a "fierce-looking war-horse." This time, the breeder had broken his horses. And, the Westra Posten, a Swedish weekly newspaper published in Seattle and Tacoma, was established.

On this day in 1956 U.S. Senator Warren Magnuson spoke of economic interdependence on the Senate floor: "Business houses in Walla Walla cannot be prosperous for long unless the wheat growers of Whitman County are able to buy."

On March 8, 1973 the State Supreme Court refused to order the University of Washington's Law School to admit a white applicant who charged that racial minorities had been given extra consideration in the admissions process.

SPEAKER'S RULING

The Speaker: Representative Anderson, the Speaker has examined Substitute House Bill No. 1160 and the floor amendment offered by Representative Padden and others. While it raised some interesting considerations, the Speaker has found that pretty clearly the intent of the bill is to establish and define the duties of these community-based family support centers, particularly when I looked at the original bill and found that referrals would be, in general, part of the duties of the commission. The Speaker finds that your point is not well taken, that the amendment is within the scope and object of the original bill.

Ms. Brough spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Ms. Brough yielded to question by Mr. Heavey.

Mr. Heavey: Thank you, Mr. Speaker. Representative Brough, is it your intent to include a council district that is the west part of the city and extends to the Pierce County line as part of the central city district?

Ms. Brough: The county council district that starts in West Seattle and works its way down to Pierce County—I forget how many miles that is—probably, undoubtedly, should be lumped with southwest and southeast King County, so that there would be a cohesive voice from south county, a cohesive voice from central city, and a cohesive voice from the eastside. That's how the three metro districts would be arranged under this amendment.

Representatives Nelson and Horn spoke in favor of the amendment.

The amendment was adopted.

Mr. Schoon moved adoption of the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The purpose of this act is to reduce the size of metropolitan councils and provide for the election of metropolitan council members.

NEW SECTION. Sec. 2. A metropolitan municipal corporation shall be governed by a metropolitan council consisting of a person appointed as chair of the metropolitan council, as provided in this section, and a number of elected council members equal in number to the lesser of eighteen or two times the number of members on the county legislative authority of the central county.

The chair of the council shall be appointed by the other members of the council. The chair shall not hold any other public office, or be an employee of or have a contractual relationship with any city, county, water district, or sewer district, or the metropolitan municipal corporation. The chair shall be appointed annually at the first meeting of the metropolitan council in each year, but shall serve at the pleasure of the metropolitan council and can be removed at any time during the year.

NEW SECTION. Sec. 3. Two council members shall reside in, be nominated from, and be elected from each metropolitan council district. The metropolitan council districts shall be identical with the county legislative authority districts of the central county if the boundaries of the metropolitan municipal corporation are coterminous with the boundaries of the central county and the central county has nine or fewer county legislative authority districts.

If these conditions do not exist, metropolitan council districts shall be drawn so that two metropolitan council members shall reside in, be nominated from, and be elected from each of the metropolitan council districts. The initial metropolitan council districts shall be drawn by the county legislative authority of the central county, but subsequently shall be drawn by the metropolitan council within six months of the date whenever state redistricting data is released to the state. Metropolitan council districts, as nearly as possible, shall follow precinct lines, follow neighborhood and community boundaries, and include approximately equal populations.

NEW SECTION. Sec. 4. The elected members of a metropolitan council shall be elected in general elections held in odd-numbered years for staggered four-year terms until their successors are elected and qualified and assume office in accordance with RCW 29.04.170. The

two metropolitan council members from each metropolitan council district shall be elected in the same year.

NEW SECTION. Sec. 5. The chair of the county legislative authority of the central county shall select by lot a simple majority of the metropolitan council districts from which the initial metropolitan council members are elected with terms that are two years longer than the initial council members who are elected from the remaining metropolitan council districts. If the initial elected metropolitan council members were elected in an odd-numbered year, those initial elected members who are elected from districts with the designated longer initial terms shall be elected for four-year terms, and the others shall be elected to two-year terms, with the length of the term being calculated from the first day of January in the year following the election. If the initial elected metropolitan council members were elected in an even-numbered year, those initial elected members who are elected from districts with the designated longer initial terms shall be elected for three-year terms, and the others shall be elected to one-year terms, with the length of the term being calculated from the first day of January in the year following the election.

However, the terms of metropolitan council members shall be staggered to be identical with those of the members of the county legislative authority who are elected from the same districts if the county legislative authority districts of the central county are used to elect metropolitan council members, and members of the county legislative authority are elected for four-year terms in odd-numbered years.

The first order of business of the newly elected metropolitan council shall be to appoint a chair as provided for in section 2 of this act.

NEW SECTION. Sec. 6. The members of the metropolitan council of a newly created metropolitan municipal corporation shall be elected at the next general election occurring ninety or more days after the date of the election at which the favorable vote was cast authorizing the creation of the metropolitan municipal corporation. A primary election shall be held to nominate two candidates for each elected metropolitan council position unless the election to authorize the creation of the metropolitan municipal corporation was held on the September special election date, in which case no primary election shall be held.

NEW SECTION. Sec. 7. CENTENNIAL MESSAGE FROM THE WASHINGTON STATE HISTORICAL SOCIETY

March 9, 1989

On this day in 1889, a company of cavalry left Fort Walla Walla on their way to removing whites who had illegally leased land on the Umatilla Indian Agency land. Few such efforts succeeded for long. And a local newspaper's humor column read "In the college of the future, perhaps 'B.A.' will stand for 'Bachelor of Athletics' and 'Every man is the architect of his own destiny; it is lucky for most of us that there is no building inspector around.'"

On March 9, 1890 the first issue of the Spokesman, a daily newspaper in Spokane, appeared.

On March 9, 1926 Bertha Knight Landes, elected Mayor of Seattle, became the first woman mayor of a major American city. As City Council President, she had served as acting Mayor in 1921.

On this day in 1943, on Federal Government orders, the Spokane architect G.A. Pehrson began designing Richland as a city of 15,000 people, who would work in the atomic weapons plant. Richland Village then had a population of 250.

On this day in 1960, Dr. Belding Scribner in Seattle treated the first patient to undergo kidney dialysis. He inserted a teflon tube, allowing repeated use of a dialysis machine. Dr. Scribner was elected to the Washington State Historical Society's Centennial Hall of Honor in 1985.

And, on March 9, 1976, the head of the State Patrol announced that sexual orientation would no longer affect hiring for the Patrol.

POINT OF INQUIRY

Ms. Silver yielded to question by Mr. Van Luven.

Mr. Van Luven: Representative Silver, you mentioned something interesting. As one who was raised here in Olympia by state employees, who did not make forty thousand dollars, could you tell me if that is actually true--that this will be used by state employees making forty to one hundred thousand dollars? Most of our state employees aren't making that. I want to help state employees, but I'm not looking out for the ones who make ninety-eight and one hundred thousand dollars. We all want to help the handicapped children and sick children; we're not voting against them. But I'm not excited about helping people in that kind of salary range, and I was wondering if you can clarify that, please?

Ms. Silver: In the child care facility that is presently in Olympia, forty percent of the people are making over forty thousand and we have one couple who are making over one hundred thousand. In the community college in Everett, fifty percent will be provided to the FIP Program and the other fifty percent will be divided into half for the students and half for the professors.

POINT OF INQUIRY

Mr. McLean yielded to question by Mr. Nealey.

Mr. Nealey: Representative McLean, I noticed that the bill says that only one person can accompany the disabled hunter. Is that true in the bill, or is that a mistake in the reporting of it? It seems silly, when there might be two or three friends of that person who are willing to take him out and give him a chance to hunt, to allow only one person to go along to help. I am asking if the bill restricts it to only one additional, capable person.

Mr. McLean: If it is worded that way, I assume that there wouldn't be any problem if more than one person were with him, but it may be restricted that way in the language of the law.

Mr. Heavey spoke in favor of passage of the bill.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. Information provided by citizens concerning potential wrongdoing is vital to effective law enforcement and the efficient operation of government. The legislature finds that the threat of a civil action for damages can act as a deterrent to citizens who wish to

report information to federal, state, or local agencies. The costs of defending against such suits can be severely burdensome. The purpose of sections 1 through 3 of this act is to protect individuals who make good-faith reports to appropriate governmental bodies.

NEW SECTION. Sec. 2. A person who in good faith communicates a complaint or information to any agency of federal, state, or local government regarding any matter reasonably of concern to that agency shall be immune from civil liability on claims based upon the communication to the agency. A person prevailing upon the defense provided for in this section shall be entitled to recover costs and reasonable attorneys' fees incurred in establishing the defense.

NEW SECTION. Sec. 3. In order to protect the free flow of information from citizens to their government, an agency receiving a complaint or information under section 2 of this act may intervene in and defend against any suit precipitated by the communication to the agency. In the event that a local governmental agency does not intervene in and defend against a suit arising from any communication protected under this act, the office of the attorney general may intervene in and defend against the suit. An agency prevailing upon the defense provided for in section 2 of this act shall be entitled to recover costs and reasonable attorneys' fees incurred in establishing the defense. If the agency fails to establish the defense provided for in section 2 of this act, the party bringing the action shall be entitled to recover from the agency costs and reasonable attorney's fees incurred in proving the defense inapplicable or invalid.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act are each added to chapter 4.24 RCW.*

On page 1, line 1 of the title, after "liability;" strike the remainder of the title and insert "and adding new sections to chapter 4.24 RCW."

HOUSE BILL NO. 1645, by Representatives Walk, Prince, Zellinsky, Ballard, R. Fisher, R. Meyers and Chandler

Regulating the relationship between motor vehicle dealers and manufacturers.

The bill was read the second time.

Mr. Walk moved adoption of the following amendment by Representatives Walk and Schmidt:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes it is in the best interest for manufacturers and dealers of motor vehicles to conduct business with each other in a fair, efficient, and competitive manner. The legislature declares the public interest is best served by dealers being assured of the ability to manage their business enterprises under a contractual obligation with manufacturers where dealers do not experience unreasonable interference, receive adequate allocations of merchandise in a timely manner at competitive prices, and transfer ownership of their business without undue constraints. It is the intent of the legislature to impose a regulatory scheme and to regulate competition in the motor vehicle industry to the extent necessary to balance fairness and efficiency. These actions will assure the public that motor vehicle dealers will devote their best competitive efforts and resources to the sale and services of the manufacturer's products that the dealer has been granted the right to sell and service.

NEW SECTION. Sec. 2. In addition to the definitions contained in RCW 46.70.011, which are incorporated by reference into this chapter, the definitions set forth in this section apply throughout this chapter.

(1) 'New motor vehicle dealer' means a motor vehicle dealer engaged in the business of buying, selling, exchanging, or otherwise dealing in new motor vehicles or new and used motor vehicles at an established place of business, under a franchise, sales and service agreement, or contract with the manufacturer of the new motor vehicles. However, the term 'new motor vehicle dealer' does not include a miscellaneous vehicle dealer as defined in RCW 46.70.011(3)(c) or a motorcycle dealer as defined in chapter 46.94 RCW.

(2) 'Franchise' means one or more agreements, whether oral or written, between a manufacturer and a new motor vehicle dealer, under which the new motor vehicle dealer is authorized to sell, service, and repair new motor vehicles, parts, and accessories or lease or rent

the dealership premises, under a common name, trade name, trademark, or service mark of the manufacturer.

'Franchise' includes an oral or written contract and includes a dealer agreement, either expressed or implied, between a manufacturer and a new motor vehicle dealer that purports to fix the legal rights and liabilities between the parties and under which (a) the dealer is granted the right to purchase and resell motor vehicles manufactured, distributed, or imported by the manufacturer; (b) the dealer's business is associated with the trademark, trade name, commercial symbol, or advertisement designating the franchisor or the products distributed by the manufacturer; and (c) the dealer's business relies on the manufacturer for a continued supply of motor vehicles, parts, and accessories.

(3) 'Good faith' means honesty in fact and fair dealing in the trade as defined and interpreted in RCW 62A.2-103.

(4) 'Designated successor' means:

(a) The spouse, biological or adopted child, grandchild, parent, brother, or sister of the owner of a new motor vehicle dealership who, in the case of the owner's death, is entitled to inherit the ownership interest in the new motor vehicle dealership under the terms of the owner's will or applicable intestate laws;

(b) A person who has been nominated by the owner of a new motor vehicle dealership as the successor in a written, notarized, and witnessed instrument submitted to the manufacturer; or

(c) In the case of an incapacitated owner of a new motor vehicle dealership, the person who has been appointed by a court as the legal representative of the incapacitated owner's property.

(5) 'Owner' means a person holding an ownership interest in the business entity operating as a new motor vehicle dealer and who is the designated dealer in the new motor vehicle franchise agreement.

(6) 'Person' means every natural person, partnership, corporation, association, trust, estate, or any other legal entity.

(7) 'Relevant market area' means the geographic area within a radius of ten miles around an existing new motor vehicle dealer or the geographic area of responsibility defined in the franchise, whichever is greater. However, where a manufacturer is seeking to establish an additional new motor vehicle dealer or to relocate an existing new motor vehicle dealer, the 'relevant market area' is as follows:

(a) If the population in the county in which the proposed new dealership is to be located is four hundred thousand or more, the relevant market area is the geographic area within a fifteen-mile radius of the proposed site or the geographic area of responsibility defined in the franchise, whichever is greater;

(b) If the population in the county in which the proposed new dealership is to be located is less than four hundred thousand, the relevant market area is the geographic area within a radius of thirty miles around the proposed site or the geographic area of responsibility defined in the franchise, whichever is greater.

In determining population for this definition, the most recent census by the United States Bureau of Census or the most recent population update, either from the National Planning Data Corporation or other similar recognized source, shall be accumulated for all census tracts either wholly or partially within the relevant market area.

NEW SECTION. Sec. 3. Notwithstanding the terms of a franchise and notwithstanding the terms of a waiver, no manufacturer may terminate, cancel, or fail to renew a franchise with a new motor vehicle dealer, unless the manufacturer has complied with the notice requirements of section 7 of this act and an administrative law judge has determined, if requested in writing by the new motor vehicle dealer within the applicable time period specified in section 7(1), (2), or (3) of this act, after hearing, that there is good cause for the termination, cancellation, or nonrenewal of the franchise and that the manufacturer has acted in good faith, as defined in this chapter, regarding the termination, cancellation, or nonrenewal.

NEW SECTION. Sec. 4. A new motor vehicle dealer who has received written notification from the manufacturer of the manufacturer's intent to terminate, cancel, or not renew the franchise may file a petition with the department for a determination as to the existence of good cause and good faith for the termination, cancellation, or nonrenewal of a franchise. Upon the filing of the petition and the receipt of the filing fee, the department shall promptly notify the manufacturer that a timely petition has been filed and shall request the appointment of an administrative law judge under chapter 34.12 RCW to conduct a hearing. The franchise in question shall continue in full force and effect pending the administrative law judge's decision. If the decision of the administrative law judge terminating, canceling, or failing to renew a dealer's franchise is appealed by a dealer, the franchise in question shall continue in full force and effect until the appeal to superior court is finally determined.

NEW SECTION. Sec. 5. (1) The administrative law judge shall conduct the hearing and render a final decision as expeditiously as possible, but in any event not later than one hundred eighty days after a petition is filed. If the termination, cancellation, or nonrenewal is

under section 7(2) of this act, the administrative law judge shall give the proceeding priority consideration and shall render a final decision not later than sixty days after a petition is filed.

(2) The administrative law judge shall conduct the hearing as an adjudicative proceeding in accordance with the procedures provided for in the Administrative Procedure Act, chapter 34.05 RCW. The administrative law judge shall render the final decision and shall enter a final order. Except as otherwise provided in RCW 34.05.446 and 34.05.449, all hearing costs shall be borne on an equal basis by the parties to the hearing.

(3) A party to a hearing under this chapter may be represented by counsel. A party to a hearing aggrieved by the final order of the administrative law judge concerning the termination, cancellation, or nonrenewal of a franchise may seek judicial review of the order in the superior court in the manner provided for in RCW 34.05.510 through 34.05.598. A petitioner for judicial review need not exhaust all administrative remedies as a prerequisite for seeking judicial review under this section.

NEW SECTION. Sec. 6. (1) Notwithstanding the terms of a franchise and notwithstanding the terms of a waiver, good cause exists for termination, cancellation, or nonrenewal when:

(a) There is a failure by the new motor vehicle dealer to comply with a provision of the franchise that is both reasonable and of material significance to the franchise relationship, if the new motor vehicle dealer was notified of the failure within one hundred eighty days after the manufacturer first acquired knowledge of the failure and the new motor vehicle dealer did not correct the failure.

(b) If the failure of the new motor vehicle dealer, defined in (a) of this subsection, relates to the performance of the new motor vehicle dealer in sales, service, or level of customer satisfaction, good cause is the failure of the new motor vehicle dealer to comply with reasonable performance standards determined by the manufacturer in accordance with uniformly applied criteria, and:

(i) The new motor vehicle dealer was advised, in writing, by the manufacturer of the failure;

(ii) The notice under (a) of this subsection stated that notice was provided of a failure of performance under this section;

(iii) The manufacturer provided the new motor vehicle dealer with specific, reasonable goals or reasonable performance standards with which the dealer must comply, together with a suggested timetable or program for attaining those goals or standards, and the new motor vehicle dealer was given a reasonable opportunity, for a period not less than one hundred eighty days, to comply with the goals or standards; and

(iv) The new motor vehicle dealer did not substantially comply with the manufacturer's performance standards during that period and the failure to demonstrate substantial compliance was not due to market or economic factors within the new motor vehicle dealer's relevant market area that were beyond the control of the dealer.

(2) The manufacturer has the burden of proof of establishing good cause and good faith for the termination, cancellation, or nonrenewal of the franchise under this section.

NEW SECTION. Sec. 7. Before the termination, cancellation, or nonrenewal of a franchise, the manufacturer shall give written notification to both the department and the new motor vehicle dealer. The notice shall be by certified mail or personally delivered to the new motor vehicle dealer and shall state the intention to terminate, cancel, or not renew the franchise, the reasons for the termination, cancellation, or nonrenewal, and the effective date of the termination, cancellation, or nonrenewal. The notice shall be given:

(1) Not less than ninety days before the effective date of the termination, cancellation, or nonrenewal;

(2) Not less than fifteen days before the effective date of the termination, cancellation, or nonrenewal with respect to any of the following that constitute good cause for termination, cancellation, or nonrenewal:

(a) Insolvency of the new motor vehicle dealer or the filing of any petition by or against the new motor vehicle dealer under bankruptcy or receivership law;

(b) Failure of the new motor vehicle dealer to conduct sales and service operations during customary business hours for seven consecutive business days, except for acts of God or circumstances beyond the direct control of the new motor vehicle dealer;

(c) Conviction of the new motor vehicle dealer, or principal operator of the dealership, of a felony punishable by imprisonment; or

(d) Revocation of a license that the new motor vehicle dealer is required to have to operate the new motor vehicle dealership;

(3) Not less than one hundred eighty days before the effective date of termination, cancellation, or nonrenewal, where the manufacturer intends to discontinue sale and distribution of the new motor vehicle line.

NEW SECTION. Sec. 8. (1) Upon the termination, cancellation, or nonrenewal of a franchise by the manufacturer under this chapter, the manufacturer shall pay the new motor vehicle dealer, at a minimum:

(a) Dealer cost plus any charges by the manufacturer for distribution, delivery, and taxes, less all allowances paid or credited to the dealer by the manufacturer, of unused, undamaged, and unsold new motor vehicles in the new motor vehicle dealer's inventory that were acquired from the manufacturer or another new motor vehicle dealer of the same line make within the previous twelve months;

(b) Dealer cost for all unused, undamaged, and unsold supplies, parts, and accessories in original packaging, except that in the case of sheet metal, a comparable substitute for original packaging may be used, if the supply, part, or accessory was acquired from the manufacturer or from another new motor vehicle dealer ceasing operations as a part of the new motor vehicle dealer's initial inventory;

(c) The fair market value of each undamaged sign owned by the new motor vehicle dealer that bears a common name, trade name, or trademark of the manufacturer, if acquisition of the sign was recommended or required by the manufacturer;

(d) The fair market value of all equipment, furnishings, and special tools acquired from the manufacturer or sources approved by the manufacturer and that were recommended or required by the manufacturer and are in good and usable condition, less reasonable wear and tear; and

(e) The cost of transporting, handling, packing, and loading of new motor vehicles, supplies, parts, accessories, signs, special tools, equipment, and furnishings.

To the extent the franchise agreement provides for payment or reimbursement to the new motor vehicle dealer in excess of that specified in this section, the provisions of the franchise agreement shall control.

(2) The manufacturer shall pay the new motor vehicle dealer the sums specified in subsection (1) of this section within thirty days after the tender of the property, if the new motor vehicle dealer has clear title to the property and is in a position to convey that title to the manufacturer.

NEW SECTION. Sec. 9. (1) In the event of a termination, cancellation, or nonrenewal under this chapter, except for termination, cancellation, or nonrenewal under section 7(2) of this act, the manufacturer shall, at the request and option of the new motor vehicle dealer, also pay to the new motor vehicle dealer:

(a) A sum equivalent to rent for the unexpired term of the lease or one year, whichever is less, or such longer term as provided in the franchise, if the new motor vehicle dealer is leasing the new motor vehicle dealership facilities from a lessor other than the manufacturer; or

(b) A sum equivalent to the reasonable rental value of the new motor vehicle dealership facilities for one year or until the facilities are leased or sold, whichever is less, if the new motor vehicle dealer owns the new motor vehicle dealership facilities.

(2) The rental payment required under subsection (1) of this section is only required to the extent that the facilities were used for activities under the franchise and only to the extent the facilities were not leased for unrelated purposes. If payment under subsection (1) of this section is made, the manufacturer is entitled to possession and use of the new motor vehicle dealership facilities for the period rent is paid.

NEW SECTION. Sec. 10. Sections 3 through 9 of this act do not relieve a new motor vehicle dealer from the obligation to mitigate the dealer's damages upon termination, cancellation, or nonrenewal of the franchise.

NEW SECTION. Sec. 11. (1) Notwithstanding the terms of a franchise, an owner may appoint a designated successor to succeed to the ownership of the new motor vehicle dealer franchise.

(2) Notwithstanding the terms of a franchise, unless the manufacturer establishes that good cause exists for refusal to honor succession, a designated successor of a deceased or incapacitated owner of a new motor vehicle dealer franchise may succeed to the ownership interest of the owner under the existing franchise, if:

(a) The designated successor furnishes written notice to the manufacturer of his or her intention to succeed to the ownership of the new motor vehicle dealership within sixty days after the owner's death or incapacity; and

(b) The designated successor agrees to be bound by all terms and conditions of the franchise.

(3) The manufacturer may request, and the designated successor shall promptly provide, such personal and financial information as is reasonably necessary to determine whether the succession should be honored.

(4) If a manufacturer believes that good cause exists for refusing to honor the succession to the ownership of a new motor vehicle dealer franchise by a designated successor, the manufacturer may serve written notice on the designated successor and on the department of its refusal to honor the succession and its intent to discontinue the existing franchise with the new motor vehicle dealer no earlier than sixty days from the date the notice is served. The notice must be served not later than sixty days after the manufacturer's receipt of:

(a) Notice of the designated successor's intent to succeed to the ownership interest of the new motor vehicle dealer's franchise; or

(b) Any personal or financial information requested by the manufacturer.

(5) The notice in subsection (4) of this section shall state the specific grounds for the refusal to honor the succession and the manufacturer's intent to discontinue the franchise with the new motor vehicle dealer no sooner than sixty days after the date the notice is served. If the notice of refusal and discontinuance is not timely and properly served, the franchise continues in full force and effect, subject to termination only as otherwise provided under this chapter.

(6) Within twenty days after receipt of the notice or within twenty days after the end of any appeal procedure provided by the manufacturer, whichever is greater, the designated successor may file a protest with the department regarding the refusal to honor the succession. Upon the filing of a protest and the receipt of the filing fee, the department shall promptly notify the manufacturer that a timely protest has been filed and shall request the appointment of an administrative law judge under chapter 34.12 RCW to conduct a hearing. The manufacturer shall not terminate or discontinue the existing franchise until the administrative law judge has held a hearing and has determined that there is good cause for refusing to honor the succession. If an appeal is taken, the manufacturer shall not terminate or discontinue the franchise until the appeal to superior court is finally determined.

(7) The manufacturer has the burden of proof to show that good cause exists for the refusal to honor the succession.

(8) The administrative law judge shall conduct the hearing and render a final decision as expeditiously as possible, but in any event not later than one hundred eighty days after a protest is filed.

(9) The administrative law judge shall conduct any hearing concerning the refusal to the succession as provided in section 5(2) of this act. A party to such a hearing aggrieved by the final order of the administrative law judge may appeal as provided and allowed in section 5(3) of this act.

(10) This section does not preclude the owner of a new motor vehicle dealer franchise from designating any person as his or her successor by a written, notarized, and witnessed instrument filed with the manufacturer. In the event of a conflict between such a written instrument that has not been revoked by written notice from the owner to the manufacturer and this section, the written instrument governs.

NEW SECTION, Sec. 12. If a manufacturer intends or proposes to enter into a franchise to establish an additional new motor vehicle dealer or to relocate an existing new motor vehicle dealer within or into a relevant market area in which the same line make of motor vehicle is then represented, the manufacturer shall provide at least ninety days advance written notice to the department and to each new motor vehicle dealer of the same line make in the relevant market area, of the manufacturer's intention to establish an additional new motor vehicle dealer or to relocate an existing new motor vehicle dealer within or into the relevant market area. The notice shall be sent by certified mail to each such party and shall include the following information:

(1) The specific location at which the additional or relocated motor vehicle dealer will be established;

(2) The date on or after which the additional or relocated motor vehicle dealer intends to commence business at the proposed location;

(3) The identity of all motor vehicle dealers who are franchised to sell the same line make vehicles as the proposed dealer and who have licensed locations within the relevant market area;

(4) The names and addresses of the owners of and principal investors in the proposed additional or relocated motor vehicle dealership; and

(5) The specific grounds or reasons for the proposed establishment of an additional motor vehicle dealer or relocation of an existing dealer.

NEW SECTION, Sec. 13. Within thirty days after receipt of the notice under section 12 of this act or within thirty days after the end of an appeal procedure provided by the manufacturer, whichever is greater, a new motor vehicle dealer so notified or entitled to notice may file a protest with the department against the proposed establishment or relocation. Upon the filing of a protest and the receipt of the filing fee, the department shall promptly notify the manufacturer that a timely protest has been filed and shall request the appointment of an administrative law judge under chapter 34.12 RCW to conduct a hearing. The manufacturer shall not establish or relocate the new motor vehicle dealer until the administrative law judge has held a hearing and has determined that there is good cause for permitting the proposed establishment or relocation. When more than one protest is filed against the establishment or relocation of the same dealer, the administrative law judge shall consolidate the hearings to expedite disposition of the matter.

NEW SECTION, Sec. 14. In determining whether good cause exists for permitting the proposed establishment or relocation of a new motor vehicle dealer of the same line make, the administrative law judge shall take into consideration the existing circumstances, including, but not limited to:

(1) The extent, nature, and permanency of the investment of both the existing motor vehicle dealers of the same line make in the relevant market area and the proposed additional or

relocating new motor vehicle dealer, including obligations reasonably incurred by the existing dealers to perform their obligations under their respective franchises:

(2) The growth or decline in population and new motor vehicle registrations during the past five years in the relevant market area;

(3) The effect on the consuming public in the relevant market area;

(4) The effect on the existing new motor vehicle dealers in the relevant market area, including any adverse financial impact;

(5) The reasonably expected or anticipated vehicle market for the relevant market area, including demographic factors such as age of population, income, education, size class preference, product popularity, retail lease transactions, or other factors affecting sales to consumers in the relevant market area;

(6) Whether it is injurious or beneficial to the public welfare for an additional new motor vehicle dealer to be established;

(7) Whether the new motor vehicle dealers of the same line make in the relevant market area are providing adequate competition and convenient customer care for the motor vehicles of the same line make in the relevant market area, including the adequacy of motor vehicle sales and service facilities, equipment, supply of vehicle parts, and qualified service personnel;

(8) Whether the establishment of an additional new motor vehicle dealer would increase competition and be in the public interest;

(9) Whether the manufacturer is motivated to establish an additional or new motor vehicle dealer by noneconomic considerations such as the manufacturer's desire to coerce, intimidate, or retaliate against an existing new motor vehicle dealer;

(10) Whether the manufacturer has denied its existing new motor vehicle dealers of the same line make the opportunity for reasonable growth, market expansion, establishment of a subagency, or relocation;

(11) Whether the protesting dealer or dealers are in substantial compliance with their dealer agreements or franchises; and

(12) Whether the manufacturer has complied with the requirements of this chapter.

NEW SECTION. Sec. 15. (1) The manufacturer and the proposed additional or relocating new motor vehicle dealer have the burden of proof to establish that good cause exists for permitting the proposed establishment or relocation.

(2) The administrative law judge shall conduct any hearing as provided in section 5(2) of this act. The administrative law judge shall render the final decision as expeditiously as possible, but in any event not later than one hundred twenty days after a protest is filed. If more than one protest is filed, the one hundred twenty days commences to run from the date the last protest is filed. A party to such a hearing aggrieved by the final order of the administrative law judge may appeal as provided and allowed in section 5(3) of this act.

NEW SECTION. Sec. 16. Sections 12 through 15 of this act do not apply:

(1) To the sale or transfer of the ownership or assets of an existing new motor vehicle dealer where the transferee proposes to engage in business representing the same line make at the same location;

(2) To the relocation of an existing new motor vehicle dealer within the dealer's relevant market area, if the relocation is not at a site within ten miles of any new motor vehicle dealer of the same line make;

(3) If the proposed new motor vehicle dealer is to be established at or within two miles of a location at which a former new motor vehicle dealer of the same line make had ceased operating within the previous twelve months;

(4) Where the proposed relocation is two miles or less from the existing location of the relocating new motor vehicle dealer; or

(5) Where the proposed relocation is to be further away from all other existing new motor vehicle dealers of the same line make in the relevant market area.

NEW SECTION. Sec. 17. A manufacturer shall not coerce, threaten, intimidate, or require a new motor vehicle dealer, as a condition to granting or renewing a franchise, to waive, limit, or disclaim a right that the dealer may have to protest the establishment or relocation of another motor vehicle dealer in the relevant market area as provided in section 13 of this act.

NEW SECTION. Sec. 18. (1) Notwithstanding the terms of a franchise, a manufacturer shall not unreasonably withhold consent to the sale, transfer, or exchange of a franchise to a qualified buyer capable of being licensed as a new motor vehicle dealer in the state of Washington. A manufacturer's failure to respond in writing to a request for consent under this subsection within sixty days after receipt of a written request on the forms, if any, generally used by the manufacturer containing the information and reasonable promises required by a manufacturer is deemed to be consent to the request. A manufacturer may request, and, if so requested, the applicant for a franchise (a) shall promptly provide such personal and financial information as is reasonably necessary to determine whether the sale, transfer, or exchange should be approved, and (b) shall agree to be bound by all reasonable terms and conditions of the franchise.

(2) If a manufacturer refuses to approve the sale, transfer, or exchange of a franchise, the manufacturer shall serve written notice on the applicant, the transferring, selling, or exchanging new motor vehicle dealer, and the department of its refusal to approve the transfer of the franchise no later than sixty days after the date the manufacturer receives the written request from the new motor vehicle dealer. If the manufacturer has requested personal or financial information from the applicant under subsection (1) of this section, the notice shall be served not later than sixty days after the receipt of all of such documents. Service of all notices under this section shall be made by personal service or by certified mail, return receipt requested.

(3) The notice in subsection (2) of this section shall state the specific grounds for the refusal to approve the sale, transfer, or exchange of the franchise.

(4) Within twenty days after receipt of the notice of refusal to approve the sale, transfer, or exchange of the franchise by the transferring new motor vehicle dealer, the new motor vehicle dealer may file with the department a protest to the refusal to approve the sale, transfer, or exchange. Upon the filing of a protest and the receipt of the filing fee, the department shall promptly notify the manufacturer that a timely protest has been filed, and the department shall arrange for a hearing with an administrative law judge as the presiding officer to determine if the manufacturer unreasonably withheld consent to the sale, transfer, or exchange of the franchise.

(5) In determining whether the manufacturer unreasonably withheld its approval to the sale, transfer, or exchange, the manufacturer has the burden of proof that it acted reasonably.

(6) The administrative law judge shall conduct a hearing and render a final decision as expeditiously as possible, but in any event not later than one hundred twenty days after a protest is filed. An interested party, including the applicant and the selling, transferring, or exchanging new motor vehicle dealer, may participate in the hearing.

(7) The administrative law judge shall conduct any hearing as provided in section 5(2) of this act. Only the manufacturer and the selling, transferring or exchanging new motor vehicle dealer may appeal the final order of the administrative law judge as provided in section 5(3) of this act.

NEW SECTION. Sec. 19. The department shall determine and establish the amount of the filing fee required in sections 4, 11, 13, and 18 of this act. The fees shall be set in accordance with RCW 43.24.086.

The department may also require the petitioning or protesting party to give security, in such sum as the department deems proper but not in any event to exceed one thousand dollars, for the payment of such costs as may be incurred in conducting the hearing as required under this chapter. The security may be given in the form of a bond or stipulation or other undertaking with one or more sureties.

At the conclusion of the hearing, the department shall assess, in equal shares, each of the parties to the hearing for the cost of conducting the hearing. Upon receipt of payment of the costs, the department shall refund and return to the petitioning party such excess funds, if any, initially posted by the party as security for the hearing costs. If the petitioning party provided security in the form of a bond or other undertaking with one or more sureties, the bond or other undertaking shall then be exonerated and the surety or sureties under it discharged.

Sec. 20. Section 16, chapter 74, Laws of 1967 ex. sess. as last amended by section 18, chapter 241, Laws of 1986 and RCW 46.70.180 are each amended to read as follows:

Each of the following acts or practices is unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2) To incorporate within the terms of any purchase and sale agreement any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold to a person for a consideration and upon further consideration that the purchaser agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of 'bushing' which is defined as follows: Taking from a prospective buyer of a vehicle a written order or offer to purchase, or a contract document signed by the buyer, which:

(a) Is subject to the dealer's, or his authorized representative's future acceptance, and the dealer fails or refuses within forty-eight hours, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer, to deliver to the buyer either the dealer's signed acceptance or all copies of the order, offer, or contract document together with any initial payment or security made or given by the buyer, including but not limited to money, check, promissory note, vehicle keys, a trade-in, or certificate of title to a trade-in; or

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer as part of the purchase price, for any reason except substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesman to refuse to furnish, upon request of a prospective purchaser, the name and address of the previous registered owner of any used vehicle offered for sale.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle.

(9) For a dealer, salesman, or mobile home manufacturer, having taken an instrument or cash 'on deposit' from a purchaser prior to the delivery of the bargained-for vehicle, to commingle said 'on deposit' funds with assets of the dealer, salesman, or mobile home manufacturer instead of holding said 'on deposit' funds as trustee in a separate trust account until the purchaser has taken delivery of the bargained-for vehicle. Failure, immediately upon receipt, to endorse 'on deposit' instruments to such a trust account, or to set aside 'on deposit' cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his customary total customer deposits for vehicles for future delivery.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales agreement signed by the seller and buyer.

(11) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.94 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) said cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith.

(c) Encourage, aid, abet, or teach a vehicle dealer to sell vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section:

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser of any new or unused vehicle that has been sold, distributed for sale, or transferred into this state for resale by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (11)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.—RCW (sections 1 through 19 of this act).

Sec. 21. Section 21, chapter 74, Laws of 1967 ex. sess. as last amended by section 19, chapter 241, Laws of 1986 and RCW 46.70.190 are each amended to read as follows:

Any person who is injured in his business or property by a violation of this chapter, or any person so injured because he refuses to accede to a proposal for an arrangement which, if consummated, would be in violation of this chapter, may bring a civil action in the superior court to enjoin further violations, to recover the actual damages sustained by him together with the costs of the suit, including a reasonable attorney's fee.

~~((Any person recovering judgment or whose claim has been dismissed with prejudice against a manufacturer pursuant to RCW 46.70.180(11)(b) and this section shall, upon full payment of said judgment, or upon the dismissal of such claim, execute a waiver in favor of the judgment debtor or defendant of any claim arising prior to the date of said judgment or dismissal under the Federal Automobile Dealer Franchise Act, 15 United States Code Sections 1221-1225. Any person having recovered full payment for any judgment or whose claim has been dismissed with prejudice under said Federal Automobile Dealer Franchise Act shall have no cause of action under this section for alleged violation of RCW 46.70.180(11)(b), with respect to matters arising prior to the date of said judgment.))~~

A civil action brought in the superior court pursuant to the provisions of this section must be filed no later than one year following the alleged violation of this chapter.

NEW SECTION. Sec. 22. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 23. The following acts or parts of acts are each repealed:

(1) Section 17, chapter 74, Laws of 1967 ex. sess., section 20, chapter 241, Laws of 1986 and RCW 46.70.200; and

CENTENNIAL MESSAGE FROM THE WASHINGTON STATE HISTORICAL SOCIETY

March 13, 1989

On this day in 1889, the Washington Water Power Company was incorporated and bought part of the falls at Spokane as a power station. (The flour mill could not provide enough electricity.) When the new power station was finished, it was the largest west of Denver. And, at Roche Harbor in the San Juan Islands, lime kilns burning day and night were producing three hundred and fifty barrels a day of the vital building material. The kilns employed sixty men; a barrel sold for \$1.50.

On March 13, 1908 the heaviest rain storm of the season on Washington's Pacific Coast blocked railroads but pleased lumbermen.

On March 13, 1912 Puyallup ordered the installation of water meters in hotels, laundries, livery stables and factories (but not houses). Water rates were \$1 a month plus twenty-five cents during the "sprinkling season."

And on this day in 1920 at Montesano the trial of ten IWW members, accused of murder at the Centralia "massacre" of November 11, 1919, ended with eight convicted (one of them ruled insane) and two acquitted.

Ms. Leonard: Representative Patrick, is the intent of House Bill No. 2060 to cover all owners and trainers who participate in horse racing in Washington State?

Mr. Patrick: Thank you, Representative Leonard. Yes, all owners and trainers would be required to pay the industrial insurance premium when they obtain their license from the Washington State Horse Racing Commission. ANNOUNCEMENT BY THE SPEAKER

The Speaker announced that the House would immediately resume consideration of Substitute House Bill No. 1217 on second reading. (See Journal, 61st Day, March 10, 1989, for previous action.)

SUBSTITUTE HOUSE BILL NO. 1217, by Committee on Local Government (originally sponsored by Representatives Cooper, Ferguson, Haugen and Hine)

Revising provisions for water and sewer districts.

The Speaker stated the question before the House to be the Point of Order by Representative Haugen regarding the scope and object of the amendment by Representatives Spanel, Kremen, Youngsman and Braddock.

SPEAKER'S RULING

The Speaker: The Speaker finds that, while the substitute bill does deal with sewer and water districts, that is about the only similarity between the amendment and the original subject of the bill. This would be a classic example of where the member's amendment is intended to perfect. The original bill, while it mentions sewer and water districts, deals with annexations of any territories for sewer and water districts, how to merge or consolidate sewer or water districts, and how to sell real property. Basically, the original bill deals with governance issues of sewer and water districts; it does not deal with the subject that Representative Spanel has attempted to raise. I find, Representative Haugen, that your point is well taken; that the amendment is outside the scope and object of the original bill.

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Cooper spoke in favor of passage of the bill

Substitute House Bill No. 1065 was read the second time.

Mr. Patrick moved adoption of the following amendment:

On page 16, following line 26, insert:

***NEW SECTION.** Sec. 4. In cases relating to sexual offenses allegedly committed against a child under the age of ten years, statements made by the child to a licensed mental health care provider for the purpose of diagnosis or treatment of a mental or emotional disorder insofar as those statements are reasonably pertinent to that diagnosis or treatment shall be admissible as evidence whether or not the child is available as a witness."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Crane: Mr. Speaker, I request a ruling on the scope and object of this amendment.

SPEAKER'S RULING

The Speaker: Representative Crane, the Speaker has examined both House Bill No. 1065 and Substitute House Bill No. 1065 and finds that they deal with the general subject of the Sentencing Guidelines Commission and specifically with the evaluation of the effectiveness of mandatory treatment for sexual offenders. It deals with the statute of limitations; it deals with establishing a commission to study this. The amendment, I think, is outside the scope. It goes on and tries to define what is legally admissible evidence in these cases. When a bill sets out to do several things, the amendment can perfect that piece of legislation, but it cannot bring in a new subject. For that reason, Representative Crane, I find that your point is well taken; that the amendment is outside the scope and object of both the bill and the substitute bill.

Mr. Patrick moved adoption of the following amendment:

On page 16, following line 26, insert:

***NEW SECTION.** Sec. 4. In cases relating to sexual offenses allegedly committed against a child under the age of ten years, statements made by the child describing any act of sexual conduct performed with or on the child shall be admissible as evidence whether or not the child is available as a witness, if it is established to the satisfaction of the court that the timing, content and circumstances of the statement provides substantial indicia of reliability. In determining whether a statement provides substantial indicia of reliability the court shall consider, but is not limited to, the following factors:

- (A) The child's personal knowledge of the event;
- (B) Certainty that the statement was made, including the credibility of the person testifying about the statement;
- (C) Any apparent motive the child may have to falsify or distort the event, including bias, corruption or coercion;
- (D) Whether more than one person heard the statement;
- (E) The nature of any alleged abuse;
- (F) Whether the child's age makes it unlikely that the child fabricated a statement that represents a graphic, detailed account beyond the child's knowledge and experience;
- (G) Whether the statement has internal consistency or coherence and uses terminology appropriate to the child's age;

(H) Whether extrinsic evidence exists to show the accused's opportunity to commit the act to which the child's statement refers."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Crane: I request a ruling on the scope and object of this amendment also, Mr. Speaker.

SPEAKER'S RULING

The Speaker: Representative Crane, this will only take a quick perusal of the amendment. Since the point raised is very, very similar to the previous one, again the amendment offered by Representative Patrick does not perfect the original bill or the substitute bill. It tends to bring into the discussion what is admissible evidence. I find that your point is well taken; the amendment is outside the scope and object of the original bill.

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

MOTION

Mr. Ebersole moved that the Committee on Rules be relieved of Engrossed Substitute House Bill No. 2159 and that the bill be placed on the third reading calendar. The motion was carried.

MOTION

Mr. Padden moved that the Committee on Rules be relieved of House Bill No. 1537 and that the bill be placed on the third reading calendar.

POINT OF ORDER

Mr. Ebersole: Mr. Speaker, we are not on the eighth order of business. Do not the rules state explicitly that we have to be on the eighth order of business?

SPEAKER'S RULING

The Speaker: House Rule 15(A)(1): "By motion under the eighth order of business, a bill in the rules committee may be placed on the calendar by the affirmative vote of a majority of all members of the house." Representative Ebersole, your point is well taken. Representative Padden, your motion is out of order.

POINT OF PARLIAMENTARY INQUIRY

Mr. Padden: Mr. Speaker, you just allowed a bill to be pulled from the Committee on Rules and, based on that precedent, I was asking to relieve the committee of another bill, since you had just done that.

SPEAKER'S REPLY

The Speaker: Did somebody raise a point of order on another bill that we had before us?

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: Mr. Speaker, it is my understanding that we just pulled Engrossed Substitute House Bill No. 2159 from the Committee on Rules and placed it on the calendar. Can you tell me on which order of business we did this?

SPEAKER'S REPLY

The Speaker: Sixth order of business.

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: Mr. Speaker, it is appropriate to do this on the sixth order of business?

SPEAKER'S REPLY

The Speaker: No. If somebody would have raised a point of order, it would have been inappropriate.

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: Mr. Speaker, have we voted on this motion, to bring the bill to the floor? It was my understanding that the Representative, who made the motion to also bring out House Bill No. 1537, did this in conjunction, basically as an amendment to the proposal that we bring Engrossed Substitute House Bill No. 2159 to the floor.

SPEAKER'S REPLY

The Speaker: No, the Journal would show that Representative Ebersole made the motion; we voted on it; I banged the gavel; I recognized Representative Padden; he made the motion. Representative Ebersole raised the point of order; his point was well taken.

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: Mr. Speaker, may I ask one more question? Have we now established a precedent that we can make a motion on the sixth order of business?

SPEAKER'S REPLY

The Speaker: Absolutely not.

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: Mr. Speaker, have we established a precedent that your part of the aisle can make a motion on the sixth order of business?

SPEAKER'S REPLY

The Speaker: Absolutely not.

POINT OF PARLIAMENTARY INQUIRY

Ms. Brough: I would maintain that Engrossed Substitute House Bill No. 2159 is really in the Committee on Rules where it has been up until now, because we are not on the proper order of business to move it to the floor.

SPEAKER'S REPLY

The Speaker: Your objection would be well taken if it were timely. You are not timely, Representative Brough.

There being no objection, the House advanced to the seventh order of business.

Excused: Representatives Belcher, Schoon, Wang - 3.

Ms. R. Fisher moved adoption of the following amendment by Representatives R. Fisher and Miller:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds and declares that:

(1) Campaign spending and the size of contributions to candidates for state offices have escalated to dangerous levels in recent years.

(2) Campaign spending, including independent expenditures for or against different candidates, and contributions to candidates are legitimate forms of participation in the American

political process, but the financial strength of certain individuals or organizations should not permit them to exercise a potentially corrupting influence on the governmental process.

(3) The rapidly increasing costs of political campaigns have forced many candidates to raise large percentages of money from special interest groups with a stake in various legislative and executive matters. This has caused the public perception that elected officials' decisions are being improperly influenced by campaign contributions. This perception is undermining the credibility and integrity of the electoral process and our system of government.

(4) The integrity of elections is essential to the very preservation of a free society.

(5) In the electoral process, the public interest as expressed through the ballot box should prevail over special and private interests.

(6) Restricting contributions to candidates for state offices, restricting the provision of the public benefit of section 28 of this act to those candidates who have voluntarily agreed to limit their campaign expenditures, and restricting the provision of limited public matching funds to those candidates who have voluntarily agreed to limit their campaign expenditures but who face one or more opponents who have refused to limit their expenditures is necessary to: (a) prevent corruption and the appearance of corruption; (b) dispel the public perception that well-funded special interests are improperly influencing the decisions of elected officials; (c) provide a basis for wealthy candidates to limit voluntarily their personal campaign spending so that there is no appearance of elections being bought; (d) promote the widest participation of the public in an open, honest, and effective electoral process, and ensure a representative democracy, where every citizen's vote has equal importance; (e) further free-speech values by using public money to enhance and enlarge public discussion and involvement regarding candidates' campaigns; (f) make more time available to candidates for discussing important public issues and give incumbents the opportunity to spend more time fulfilling the duties of elected office, and lessen the great drain on their time and energies due to the rigors of fundraising; and (g) increase public confidence and trust in the integrity of the electoral process and our system of government.

(7) Contribution limits alone without a voluntary mechanism to limit spending have led to the circumvention of contribution limits through, for example, the proliferation of political committees.

(8) Contribution limits and spending limits without some means of enabling candidates to respond to independent expenditures have led to those candidates being harmed by significant spending by independent interests, and therefore, a mechanism for candidates to respond to these significant expenditures is necessary. This mechanism is intended to enhance and enlarge free speech. Independent efforts will continue to have no limits placed on them.

CAMPAIGN EXPENDITURE LIMITATIONS AND MATCHING FUNDS

NEW SECTION, Sec. 2. The definitions under RCW 42.17.020 apply to sections 2 through 22 of this act except as modified by this section. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 2 through 22 of this act:

(c) The expenditure, alone or in conjunction with another expenditure or other expenditures of the same person in support of or opposition to that candidate, has a value of five hundred dollars or more. A sequence of expenditures each of which is under five hundred dollars shall constitute one independent expenditure as of the time that the last expenditure brings the total value of the sequence to five hundred dollars or more, and no expenditure in the sequence which has been reported to the commission under section 12 of this act shall be considered as part of any future independent expenditure.

(10) 'Major party' means a major political party as defined in RCW 29.01.090.

(a) Identify the office sought by the candidate; and

(b) Agree in writing that the candidate and the authorized committee of the candidate:

(i) Will fully comply with the fair campaign practices code adopted by the commission as it now exists or is hereafter amended;

(ii) Have not made and will not make expenditures during the election cycle which exceed any expenditure limitation applicable to the candidate under section 4 of this act for the office sought by the candidate;

(iii) Will deposit all payments received under section 9 of this act in a separate checking account which shall contain only funds so received, and will make no expenditures of funds received under this section except by checks drawn on that account. The account shall be in a financial institution located in this state whose deposits are insured by the federal deposit insurance corporation, federal savings and loan insurance corporation, or national credit union administration;

(iv) Will furnish campaign records, evidence of contributions, and other appropriate information to the commission; and

(v) Will cooperate in the case of any audit and examination by the commission under section 15 of this act.

(2) The agreement required by subsection (1) of this section must be filed with the commission by the third business day after the candidate has first received during the election cycle contributions, less loan repayments, in an aggregate amount of:

(a) For a candidate for the office of governor, twenty-five thousand dollars;

(b) For a candidate for state executive office other than the office of governor, seven thousand five hundred dollars; and

(c) For a candidate for state legislative office, two thousand five hundred dollars.

Such aggregate contributions include both those which satisfy and those which do not satisfy the provisions of section 10 of this act.

(3) The provisions of this section shall not be construed as preventing a candidate from filing a statement of intent with the commission at any time. Such a statement shall include a promise signed by the candidate that the candidate has not and will not exceed the expenditure limitation applicable to the candidate under section 4 of this act.

(4) Nothing in this subchapter requires any candidate to apply for or accept public funding under section 9 or 11 of this act.

NEW SECTION. Sec. 4. (1) Except as provided in subsection (4) of this section, the expenditure limit for the election cycle for a candidate for state office who agrees to the limitations established in this subchapter is the greater of: (a) The base amount established for the office sought under subsection (2) of this section; or (b) the base amount plus the amount applicable to the candidate under subsection (3) of this section regarding independent expenditures.

(2) The base amount referred to in subsection (1) of this section is:

(a) For the office of governor, two million dollars;

(b) For state executive office other than the office of governor, seven hundred fifty thousand dollars;

(c) For state legislative office, forty thousand dollars.

(3) If, during the twelve months preceding the election in which the candidate is seeking office, independent expenditures by any person or persons aggregating more than an amount equal to ten percent of the base amount established in subsection (2) of this section for the office sought are made in opposition to the candidate or for any other candidate for the office sought by the candidate, the expenditure limitation applicable to the candidate (not the other candidate) during the election cycle shall be increased by an amount equal to the amount of the independent expenditures.

(4) A candidate for an office is not subject to an expenditure limitation under this subchapter, if during the election cycle another candidate for that office:

(a) Receives contributions, less any loan repayments, aggregating more than the amount listed in section 3(2) of this act for that office; and

(b) Has not filed with the commission the agreement for eligibility under section 3(1) of this act within three business days of receiving that aggregate amount in contributions.

NEW SECTION. Sec. 5. For the purposes of this subchapter:

(1) The expenditures made by and the contributions received by a candidate and the expenditures made by and the contributions received by the authorized committee of the candidate are considered to be expenditures made by and contributions received by the candidate.

(2) Payments made by a candidate to repay loans made to the candidate shall be reported but shall not be counted when determining the total expenditures made by the candidate and the candidate's authorized committee with regard to any of the expenditure limitations provided by this subchapter.

(3) A contribution received within the twelve-month period following a general election for a state office shall be considered to be a contribution during the election cycle for the state office ending with that election. This subsection only applies to the extent the contribution is used to pay any debt or obligation incurred to influence the outcome of that election or the primary conducted for that election.

NEW SECTION. Sec. 6. (1) The expenditure limitations imposed by this subchapter are limitations on a candidate's expenditures for the candidate's own campaign for state office.

(2) The provisions of this subchapter apply to a special election conducted to fill a vacancy in a state office. However, the contributions received by a candidate and the expenditures made by a candidate for a primary or special election conducted to fill such a vacancy shall not be counted toward any of the limitations which apply to the candidate under this subchapter for the election cycle for any other election.

(3) An expenditure shall be considered to be an expenditure of the candidate if it is made by (a) the candidate or an authorized committee of the candidate; (b) a person who has received, expressly or impliedly, the candidate's encouragement or approval to make the expenditure, if the expenditure pays in whole or in part for any political advertising supporting the candidate or promoting the defeat of any other candidate or candidates for that office; or (c) a person with whom the candidate has collaborated for the purpose of making the expenditure, if the expenditure pays in whole or in part for any political advertising supporting the candidate or promoting the defeat of any other candidate or candidates for that office.

NEW SECTION. Sec. 7. (1) A candidate who receives, either directly or through the authorized committee of the candidate, a payment from the state campaign account for use during an election cycle shall not make, during the election cycle, expenditures from the personal funds of the candidate, or the funds contributed by any member of the immediate family of the candidate, aggregating in excess of the following:

(a) For a candidate for the office of governor, thirty thousand dollars;

(b) For a candidate for state executive office other than the office of governor, ten thousand dollars; and

(c) For a candidate for state legislative office, two thousand dollars.

For the purposes of this subsection, a loan by a candidate or a member of the immediate family of the candidate to the campaign of the candidate shall be considered to be a campaign expenditure by the candidate.

(2) A candidate who receives, either directly or through the authorized committee of the candidate, a payment from the state campaign account for use during the election cycle and the authorized committee of the candidate shall not make expenditures during the election cycle which in the aggregate exceed any expenditure limit applicable to the candidate under section 4 of this act.

NEW SECTION. Sec. 8. The threshold amounts established in section 3(2) of this act, the base amounts established in section 4(2) of this act, the amounts in section 7(1) of this act, and the campaign contribution limitations established in section 19 of this act shall be increased or decreased by the commission by rule at the beginning of each even-numbered year based on changes in economic conditions as reflected in the inflationary index used by the commission under RCW 42.17.370. The base year to be used for revisions made under this section is 1988.

NEW SECTION. Sec. 9. (1) Except as provided in subsections (3) and (4) of this section, an eligible candidate is entitled to payments from the state campaign account equal to:

(a) Four dollars for each qualifying dollar received by the candidate as a contribution for the campaign of the candidate; and

(b) The aggregate total amount of independent expenditures made or obligated to be made during the twelve months preceding the election by any person in opposition to the candidate or for any other candidate for the office sought by the candidate if that amount exceeds ten percent of the base amount established in section 4(2) of this act for the office sought.

A qualifying dollar is one which satisfies all of the provisions of section 10 of this act regarding contributions.

(2) Payments received by a candidate under this section shall be deposited as required in section 3(1)(b)(iii) of this act and shall be used to pay for goods and services furnished during the election cycle for which the payments were received. Such payments shall not be used:

(a) To make any payments, directly or indirectly, to the candidate or to any member of the immediate family of the candidate;

(b) To make any expenditure other than expenditures to further the nomination or election of the candidate; or

(c) To repay any loan to any person except to the extent the proceeds of such loan were used to further the nomination or election of the candidate.

(3) A candidate shall not be eligible to receive payments from the state campaign account for a primary or election for an office unless:

(a) At least one other candidate for the office sought by the candidate: (i) Has not filed an agreement for eligibility under section 3(1) of this act with the commission in a timely manner; and (ii) has received during the election cycle contributions, less loan repayments, which, in the aggregate, exceed twice the amount listed in section 3(2) of this act for the office sought. For the purposes of (a)(ii) of this subsection, 'contribution' does not include a contribution made by a candidate for state office; and

(b) The candidate and the authorized committee of the candidate have received contributions, less loan repayments, in an aggregate threshold amount of at least the amount listed in section 3(2) (a), (b), or (c) of this act for the office sought and all of the contributions received for this purpose satisfy the provisions of section 10 of this act.

(4) (a) Except as provided in (b) of this subsection, the sum of all payments from the state campaign account to a candidate for an election cycle may not exceed the following amounts for the office sought:

(i) For the office of governor, two hundred thousand dollars;

(ii) For state executive office other than the office of governor, sixty thousand dollars;

(iii) For state legislative office, twenty thousand dollars.

(b) If the expenditure limitation applicable to the candidate is increased under section 4(3) of this act as a result of independent expenditures, the amount listed for the office sought by the candidate in (a) of this subsection, as it applies to the candidate, shall be increased by an amount equal to those independent expenditures.

NEW SECTION. Sec. 10. For a contribution received by a candidate or the candidate's authorized committee to qualify as being one which satisfies the requirements of section 9(3)(b) of this act for raising a threshold amount of contributions or to qualify to be matched by public moneys from the state campaign account under section 9 of this act, the contribution must satisfy each of the following requirements:

(1) The contribution shall be a gift of money made by a written instrument which identifies the individual making the contribution;

(2) The contribution shall be made directly to the candidate or the candidate's authorized committee. Contributions made through any other person shall not qualify. The provisions of

this subsection do not disqualify money received through bona fide joint fund-raising efforts conducted solely for the purpose of sponsorship of a fund-raising reception, dinner, or other event, under rules prescribed by the commission, by: (a) Two or more candidates, or (b) one or more candidates and one or more national, state, or local committees of a political party acting on their own behalf:

(3) The contribution shall have come from an individual. However, the contribution shall not have come from a candidate for any office;

(4)(a) Of the total amount of all contributions made by a person to the candidate and the authorized committee of the candidate or for the benefit of the candidate, not more than the amount listed in (b) of this subsection for the office sought may be counted toward the threshold amount or be matched by moneys from the state campaign account. The provisions of this subsection shall not be construed as limiting the total amount of contributions that may be made by a person to or for the benefit of a candidate or that may be accepted by the candidate or the candidate's authorized committee from the person:

(b) The amount referred to in (a) of this subsection is: (i) For the office of governor, one thousand dollars; (ii) for state executive office other than the office of governor, five hundred dollars; and (iii) for state legislative office, two hundred dollars;

(c) For the purposes of this subsection (4), all contributions by one person who is controlled by any other person shall be considered to have been made by such other person. The provisions of this subsection (c) shall not be construed as applying to the relationship between an individual and the spouse of the individual:

(d) The provisions of section 21 (2) and (3) of this act apply in determining whether a person is controlled by any other person for the purposes of (c) of this subsection; and

(5) The contribution shall be received during the election cycle.

NEW SECTION, Sec. 11. A candidate desiring payments from the state campaign account shall file a request with the commission which shall contain:

(1) Such information and be made in accordance with such procedures as the commission may provide by rule; and

(2) A verification signed by the candidate and the treasurer of the authorized committee of the candidate stating that the information furnished in support of the request, to the best of the knowledge of each, is correct and fully satisfies the requirements of this subchapter.

No later than two business days after an eligible candidate files a request with the public disclosure commission to receive payments under this section, the commission shall determine whether the candidate is eligible to receive payments from the state campaign account and, if the candidate is eligible to receive such payments, disburse to the candidate from the account the full amount to which the candidate is entitled.

A candidate is not limited to filing only one request for payments under this section during each election cycle. After filing an original request, a candidate may file one or more supplemental requests to receive the payments to which the candidate is entitled.

The commission may permit its executive director to approve requests submitted under this section and make the disbursements authorized by this subchapter on behalf of the commission and within guidelines adopted by the commission by rule.

NEW SECTION, Sec. 12. Within two days after the date of making an independent expenditure, the person making the expenditure shall file with the commission a report, on a form prescribed by the commission, providing the date and amount of the expenditure; what the expenditure purchased; the name of the candidate supported or opposed; the office sought by that candidate; and any other information which the commission believes will assist it in carrying out its responsibilities under this chapter.

NEW SECTION, Sec. 13. (1) The commission shall decide all applications for payment from the state campaign account. Each application shall be decided in accordance with rules adopted by the commission, and the commission's decision on the application shall be final unless appealed as provided in subsection (2) of this section. The commission's review of applications, and all actions taken by the commission on applications, shall be exempt from chapter 34.05 RCW.

(2) Any person adversely affected by the commission's decision and who believes the decision to be unlawful may appeal to the superior court of Thurston county by petition setting forth his or her reasons why the decision is unlawful. A copy of the petition on appeal together with a notice that an appeal has been taken shall be served upon the commission, upon the attorney general, and upon each candidate for the office sought by the applicant. The decision of the superior court shall be final. Such appeal shall be heard without costs to either party.

NEW SECTION, Sec. 14. The state election campaign account is hereby created in the custody of the state treasurer. All moneys appropriated to the commission for deposit in the account and all earnings or investments of balances in the account shall be credited to the account. Moneys may be disbursed from the account only in the form of payments to eligible candidates as authorized by this subchapter. Only the commission, or the commission's executive director if permitted to do so by rules adopted by the commission, may authorize disbursements from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for disbursements.

NEW SECTION. Sec. 15. (1) After each general election, the commission shall conduct such examinations and audits of the campaign accounts of eligible candidates and of authorized committees as are sufficient to determine, among other things, whether candidates have complied with the expenditure limits and other conditions of eligibility and requirements of this subchapter.

(2) Within sixty days after the election cycle for which the payment was received, the candidate shall return to the commission any unexpended funds received by the candidate under this subchapter. The commission may adopt exceptions to this requirement for instances where debts are in dispute.

(3) Examinations and audits shall not be made by the commission under this section with respect to an election cycle more than three years after the cycle.

NEW SECTION. Sec. 16. (1) It is a violation of this chapter for any candidate to accept public payments under this subchapter which are in excess of the aggregate payments to which the candidate is entitled.

(2) It is a violation of this chapter for any candidate or for any officer, member, employee, or agent of a political committee for the candidate:

(a) To use or transfer funds for any purpose prohibited by section 9(2) of this act;

(b) To make expenditures which he or she knows exceed any expenditure limitation applicable under section 4 of this act;

(c) To provide false information under section 3 (1) or (2) of this act; or

(d) To violate the agreement under section 3(1)(b) of this act.

(3) It is a violation of this chapter for any person:

(a) To furnish to the commission under this subchapter any evidence, books, or information (including any certification, verification, notice, or report), which is false, fictitious, or fraudulent, or to include in any evidence, books, or information so furnished any misrepresentation of a material fact, or to falsify or conceal any evidence, books, or information relevant to a payment by the commission or an examination and audit by the commission under this subchapter; or

(b) To fail to furnish to the commission any records, books, or information requested by it for purposes of this subchapter.

(4) It is a violation of this chapter for any person to accept any payment if the person knows, or has reason to know, that the payment is in violation of section 9(2) of this act.

NEW SECTION. Sec. 17. (1) The commission shall, as soon as practicable after each election, submit a full report to the governor and the legislature setting forth:

(a) The expenditures shown in such detail as the commission determines appropriate made by each eligible candidate and the authorized committee of each candidate;

(b) The amounts paid by the commission under section 11 of this act to each eligible candidate;

(c) The amount of any payments returned under section 15 of this act; and

(d) The balance in the state campaign account.

(2) The commission is authorized to prescribe such rules in accordance with chapter 34.05 RCW, to conduct such examinations and investigations, and to require the keeping and submission of such books, records, and information, as it deems necessary to carry out the functions and duties imposed on it by this subchapter.

(3) No multi-candidate political committee may make contributions during an election cycle which in the aggregate exceed: (a) Three thousand dollars to any candidate for state legislative office; or (b) seven thousand five hundred dollars to any candidate for any state executive office. No candidate and no authorized committee of a candidate may accept contributions from a multi-candidate political committee which exceed the contribution limitation provided by this subsection for that multi-candidate political committee.

(4) No multi-candidate political committee may make contributions during a recall campaign which in the aggregate exceed: (a) Three thousand dollars to any state legislator against whom recall charges have been filed or to any political committee having the expectation of making expenditures in support of the recall of any state legislator; or (b) seven thousand five hundred dollars to any state executive officer against whom recall charges have been filed or to any political committee having the expectation of making expenditures in support of the recall of such a state executive officer. (5) No bona fide political party and no caucus of the state legislature may make contributions during an election cycle which in the aggregate exceed: (a) Five thousand dollars to any candidate for state legislative office; or (b) ten thousand dollars to any candidate for any state executive office. (7) For the purposes of this subchapter, a contribution to the authorized political committee of a candidate, or of a state official against whom recall charges have been filed, shall be considered to be a contribution to the candidate or state official.

(8) Any contribution received within the twelve-month period following a general election for a state office or for a recall election concerning a state office shall be considered to be a contribution during the election cycle ending with that election or during that recall campaign if the contribution is used to pay any debt or obligation incurred to influence the outcome of that election or the primary conducted for that election or of that recall campaign.

(9)(a) The contributions allowed by subsection (2) of this section are in addition to those allowed by subsection (1) of this section, the contributions allowed by subsection (4) of this section are in addition to those allowed by subsection (3) of this section, and the contributions allowed by subsection (6) of this section are in addition to those allowed by subsection (5) of this section.

(b) The provisions of this subchapter apply to a special election conducted to fill a vacancy in a state office. However, the contributions made to a candidate or received by a candidate for a primary or special election conducted to fill such a vacancy shall not be counted toward any of the limitations which apply to the candidate or to contributions made to the candidate under this subchapter for any other primary or election.

(10) No state legislator, or authorized political committee for such legislator, may, during the course of a regular session of the legislature, accept a campaign contribution for a state legislative office from any person. The provisions of this subsection do not apply during a recall campaign to a state legislator against whom recall charges have been filed pursuant to RCW 29.82.015.

(3) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another individual.

NEW SECTION. Sec. 21. (1) For the purposes of the contribution limitations in section 19 of this act: All contributions by any person who is controlled by any other person shall be considered to have been made by such other person. The provisions of this section shall not be construed as applying to the relationship between an individual and the spouse of the individual or to the relationship between a bona fide political party and any district or county organization of that party or a caucus of the state legislature of the members of that party.

(2) Without in any manner limiting its scope and effect, the general rule under subsection (1) of this section or under section 10(4)(c) of this act means that:

(a) Any contribution by a subsidiary, branch, division, department, or local unit of any association shall be considered to have been made by the association; and

(b) Any contribution by a political committee controlled by any person shall be considered to be a contribution by that person.

NEW SECTION. Sec. 22. All contributions made by a person, either directly or indirectly, to a candidate, to a state official against whom recall charges have been filed, or to a political committee expecting to make expenditures in support of the recall of a state official shall be considered to be contributions from such person to the candidate, state official, or political committee, as shall contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to the candidate, state official, or political committee. For purposes of this section, 'earmarked' means a designation, instruction, or encumbrance, whether direct or indirect, express or implied, or oral or written, which is intended to result in or which does result in all or any part of a contribution being made to a certain candidate or state official. If a conduit or intermediary exercises any direction or control over the choice of the recipient candidate or state official, the contribution shall be considered to be by both the original contributor and the conduit or intermediary.

NEW SECTION. Sec. 23. A new section is added to chapter 42.17 RCW to read as follows:

A contribution received by a candidate or political committee which is returned to the contributor within five days of the date on which it is received by the candidate or committee is not a contribution for the purposes of this chapter.

Sec. 24. Section 39, chapter 1, Laws of 1973 and RCW 42.17.390 are each amended to read as follows:

(1) One or more of the following civil remedies and sanctions may be imposed by court order in addition to any other remedies provided by law:

(a) If the court finds that the violation of any provision of this chapter by any candidate or political committee probably affected the outcome of any election, the result of said election may be held void and a special election held within sixty days of such finding. Any action to void an election shall be commenced within one year of the date of the election in question. It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

(b) If any lobbyist or sponsor of any grass roots lobbying campaign violates any of the provisions of this chapter, his registration may be revoked or suspended and he may be enjoined from receiving compensation or making expenditures for lobbying: PROVIDED, HOWEVER, That imposition of such sanction shall not excuse said lobbyist from filing statements and reports required by this chapter.

POINT OF INQUIRY

Ms. Brough yielded to question by Mr. Heavey.

Mr. Heavey: I have two questions, Representative Brough. Does a political committee include the Republican Caucus?

Ms. Brough: Or Democrat Caucus? Yes.

Mr. Heavey: Would political committees include political action committees such as United for Washington and Sierra Club and United Negro Fund? What are political committees? That is what I am asking.

Ms. Brough: A group of people, that raises money and then, in turn, gives it to candidates--basically what we refer to as PACs--are not political committees. They are political action committees. They do collectively raise money and then focus it. I would maintain that once they give that money to a candidate, that that candidate should not shift it to another campaign.

Mr. Heavey spoke against adoption of the amendment to the amendment.

With consent of the House, Representative Miller withdrew the amendment.

The Clerk read the following amendment by Representative Fuhrman to the amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 1, Laws of 1973 as amended by section 1, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.010 are each amended to read as follows:

It is hereby declared by the sovereign people to be the public policy of the state of Washington:

(1) That political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty, and fairness in their dealings, free from bias caused by large corporate and organizational campaign contributions.

(3) That public perception of a state government dominated by the influence of large, moneyed organizations defeats feelings of individual voter efficacy and is thereby detrimental to the democratic form of government, and that limitations on organizational contributions to state election campaigns are necessary to reduce the ability of organizations to obtain disproportionate influence over the actions and decisions of state government officials.

(4) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest.

~~((4))~~ (5) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

~~((5))~~ (6) That public confidence in government at all levels is essential and must be promoted by all possible means.

~~((6))~~ (7) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

~~((7))~~ (8) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

~~((8))~~ (9) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

~~((9))~~ (10) That small contributions by individual contributors are to be encouraged ~~(and that not requiring the reporting of small contributions may tend to encourage such contributions).~~

~~((10))~~ (11) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

~~((11))~~ (12) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

The provisions of this chapter shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying, and the financial affairs of elected officials and candidates, and full access to public records so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the public interest will be fully protected. In promoting such complete disclosure, however, this chapter shall be enforced so as to insure that the information disclosed will not be misused for arbitrary and capricious purposes and to insure that all persons reporting under this chapter will be protected from harassment and unfounded allegations based on information they have freely disclosed.

'Part-time' services, for the purposes of this chapter, means services in addition to regular full-time employment, or, in the case of an unemployed person, services not in excess of twenty hours per week, excluding weekends. For the purposes of this chapter, contributions other than money or its equivalents shall be deemed to have a money value equivalent to the fair market value of the contribution. Sums paid for tickets to fund-raising events such as dinners and parties are contributions; however, the amount of any such contribution may be reduced for the purpose of complying with the reporting requirements of this chapter, by the actual cost of consumables furnished in connection with the purchase of the tickets, and only the excess over the actual cost of the consumables shall be deemed a contribution.))

An expenditure of funds by a nonprofit organization made on behalf of, or in opposition to, a candidate for election to public office, or on behalf of, or in opposition to, a ballot proposition, is, when made to a third party who is not an agent or employee of the nonprofit organization making the expenditure, an 'expenditure' rather than a 'contribution' under this chapter. Sums paid for tickets to fund-raising events such as dinners and parties are contributions; however, the amount of any such contribution may be reduced for the purpose of complying with the reporting requirements of this chapter, by the actual cost of consumables furnished in connection with the purchase of the tickets, and only the excess over the actual cost of the consumables shall be deemed a contribution.

campaign fund or political committee of a caucus of the state legislature. This prohibition does not apply: (1) To extraordinary legislative sessions held after the close of a filing period for legislative office and before a general election; or (2) to solicitations by a state legislator directed only to district constituents of the soliciting legislator.

NEW SECTION. Sec. 5. During the period beginning on the fifteenth day before the date a regular legislative session convenes and continuing fifteen days past the date of final adjournment, and during the period beginning on the date a special legislative session convenes and continuing through the date that session adjourns, no state-wide elected official, legislator, or political committee for such state-wide official or legislator, may knowingly accept from any person registered with the commission as a lobbyist any contribution to any campaign fund or political committee other than the campaign fund or political committee of a caucus of the legislative members of a major political party.

Such lost earnings shall be verifiable as unpaid salary or, when the candidate is not salaried, as an amount not to exceed income received by the candidate for services rendered during an appropriate, corresponding time period. All lost earnings incurred shall be documented and a record thereof shall be maintained by the candidate or the candidate's political committee. The committee shall include a copy of such record when its expenditure for such reimbursement is reported pursuant to RCW 42.17.090;

~~((3))~~ (b) Transfer the surplus to ((one or more candidates or to)) a political ((committee or)) party;

~~((4))~~ (c) Donate the surplus to a charitable organization registered in accordance with chapter 19.09 RCW;

~~((5))~~ (d) Transmit the surplus to the state treasurer for deposit in the general fund; or

~~((6))~~ (e) Hold the surplus in the campaign depository or depositories designated in accordance with RCW 42.17.050 for possible use in a future election campaign, for ((political activity, for community activity, or for nonreimbursed public office related expenses)) the same office last sought by the candidate and report any such disposition in accordance with RCW 42.17.090. Sec. 441b.

Sec. 10. Section 13, chapter 1, Laws of 1973 as last amended by section 2, chapter 265, Laws of 1979 ex. sess. and RCW 42.17.130 are each amended to read as follows:

(1) No elective official nor any employee of his office nor any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition. ((†††)) (c) Activities which are part of the normal and regular conduct of the office or agency.

(2) For purposes of this section, a state legislator's mailing at state expense of more than one thousand cumulative identical or nearly identical letters, brochures, or other pieces of literature in the twelve-month period preceding the expiration of his or her term, when not in response to a constituent request for a response or information, constitutes use of the facilities of a public office for the purpose of assisting a campaign.

NEW SECTION. Sec. 11. (1)(a) Except as otherwise provided in this section or in section 9 of this act, no person shall make contributions reportable under RCW 42.17.090:

(i) To any candidate for state office in the aggregate exceeding two thousand five hundred dollars for any campaign subject to the provisions of this chapter within a single election cycle;

(ii) To any caucus of the state legislature or political committee in the aggregate exceeding two thousand five hundred dollars in any single calendar year; or

(iii) To any political party in the aggregate exceeding five thousand dollars in any single calendar year.

(b) Notwithstanding (a) of this subsection, no major political party or caucus of the state legislature shall make contributions reportable under RCW 42.17.090:

(2) It is a violation of this chapter for any person, as that term is defined in RCW 42.17.020, to contribute, or for any person to accept, amounts in excess of the limitations imposed by this section.

(3) For purposes of the limitations provided by this section, all contributions made by political committees established, financed, maintained, or controlled by any corporation, labor organization, or any other person, including any parent, subsidiary, branch, division, department, or local unit of such corporation, labor organization, or any other person, or by any group of such persons, shall be considered to have been made by a single political committee, except that nothing in this subsection shall limit transfers between political committees of funds raised through joint fund-raising efforts. In any case in which a corporation and any of its subsidiaries, branches, divisions, departments, or local units, or a labor organization and any of its subsidiaries, branches, divisions, departments, or local units establish, finance, maintain, or control more than one separate segregated fund, all such separate segregated funds shall be treated as a single separate segregated fund for purposes of the limitations provided by this section.

NEW SECTION. Sec. 13. At the beginning of each even-numbered calendar year, the commission shall increase or decrease the amounts of the campaign contribution limitations established in section 11 of this act based on changes in economic conditions as reflected in the inflationary index used by the commission under RCW 42.17.370. The limitations established by the commission pursuant to this section shall be rounded off by the commission to the nearest ten dollars. The base year to be used for revisions made under this section is 1989.

Sec. 14. Section 10, chapter 1, Laws of 1973 as last amended by section 6, chapter 367, Laws of 1985 and RCW 42.17.100 are each amended to read as follows:

(1) For the purposes of this section the term 'independent campaign expenditure' means any expenditure that is made in support of or in opposition to any candidate or ballot proposition and is not otherwise required to be reported pursuant to RCW 42.17.060, 42.17.065, 42.17.080, or 42.17.090.

(2) Within ~~((five days after the date of))~~ twenty-four hours after making an independent campaign expenditure that by itself or when added to all other such independent campaign expenditures made during the same election campaign by the same person equals one hundred dollars or more, or within ((five days)) twenty-four hours after the date of making an independent campaign expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent campaign expenditure shall file with the commission and the county auditor of the county of residence for the candidate supported or opposed by the independent campaign expenditure (or in the case of an expenditure made in support of or in opposition to a local ballot proposition, the county of residence for the person making the expenditure) an initial report of all independent campaign expenditures made during the campaign prior to and including such date.

(3) At the following intervals each person who is required to file an initial report pursuant to subsection (2) of this section shall file with the commission and the county auditor of the county of residence for the candidate supported or opposed by the independent campaign expenditure (or in the case of an expenditure made in support of or in opposition to a ballot proposition, the county of residence for the person making the expenditure) a further report of the independent campaign expenditures made since the date of the last report:

(a) On the twenty-first day preceding the primary and the seventh day preceding the date on which the election is held; and

(b) Within twenty-one days after the date of the election; and

(c) On the tenth day of each month in which no other reports are required to be filed pursuant to this section. However, the further reports required by this subsection (3) shall only be

filed if the reporting person has made an independent campaign expenditure since the date of the last previous report filed.

The report filed pursuant to paragraph (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease, and there shall be no obligation to make any further reports.

(4) All reports filed pursuant to this section shall be certified as correct by the reporting person.

(5) Each report required by subsections (2) and (3) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent campaign expenditure, and ending not more than ~~((five days))~~ twenty-four hours prior to the date the report is due:

(a) The name and address of the person filing the report;

(b) The name and address of each person to whom an independent campaign expenditure was made in the aggregate amount of twenty-five dollars or more, and the amount, date, and purpose of each such expenditure. If no reasonable estimate of the monetary value of a particular independent campaign expenditure is practicable, it is sufficient to report instead a precise description of services, property, or rights furnished through the expenditure and where appropriate to attach a copy of the item produced or distributed by the expenditure;

(c) The total sum of all independent campaign expenditures made during the campaign to date; and

(d) Such other information as shall be required by the commission by rule in conformance with the policies and purposes of this chapter.

(6) An expenditure by a nonprofit organization for a financial solicitation, the proceeds of which are represented as benefiting, wholly or in part, a campaign for, or in opposition to, a candidate for election to public office or a ballot proposition, shall be reported in compliance with this section if not otherwise required to be reported under RCW 42.17.060, 42.17.065, 42.17.080, or 42.17.090. Reporting under this section does not excuse a person having the expectation of receiving contributions or making expenditures in support of, or in opposition to, a candidate for election or a ballot proposition from meeting any of the other requirements of this chapter for political committees.

NEW SECTION, Sec. 15. A new section is added to chapter 19.09 RCW to read as follows:

No political committee or continuing political committee may be given a special privilege or special access through the use of the state's property, mailings, or printed literature to solicit for charitable contributions from students at a state college or state university. No solicitation of students for charitable contributions may be made that uses such special privilege or access to the property, mailings, or printed literature unless the nonprofit organization benefiting from the solicitation is affiliated with the recognized student government entity at the campus and the solicitation is conducted in a manner assuring both the voluntary nature of contributions received and compliance with the disclosure provisions of this chapter. Where the proceeds of a solicitation that uses the tuition or fee billing process of a state institution of higher education may be used by the soliciting organization to influence legislation or used in the support of, or opposition to, a ballot proposition, the trustees or regents of the institution shall limit solicitations to voluntary requests for contributions after a vote of students likely to receive such a solicitation, the results of which demonstrate that a majority of those voting wish to be so solicited.

Sec. 16. Section 10, chapter 13, Laws of 1973 1st ex. sess. as last amended by section 11, chapter 230, Laws of 1986 and RCW 19.09.100 are each amended to read as follows:

(e) Whether the individual making the solicitation is employed by an entity or person other than the organization in whose name the solicitation is being made and the actual percent of funds from the solicitation that will actually be received and controlled by the organization named as benefiting from the solicitation; further, if the solicitation is made by a nonprofit corporation other than the one named as benefiting from the solicitation, the name, location of the registered office, and the names of the members of the board of directors of the nonprofit corporation actually receiving the funds;

(f) Whether the person solicited will have the rights of membership as defined in RCW 19.09.020(9) and any limitations for serving as an officer or on the board of directors if such limits are contained in the organization's bylaws or articles of incorporation and limit such rights to any class of persons or limit such rights on the basis of race, religion, or sex; and

(g) Whether the funds solicited may be used for the influencing of legislation or the support of, or opposition to, a candidate for election to public office or any ballot proposition.

(b) If the solicitation is conducted by an independent or nonprofit fund raiser, the percentage relationship between (i) the amount of money disbursed to charitable organizations for charitable purposes; and (ii) the total value of contributions received on behalf of charitable organizations by the independent or nonprofit fund raiser, as contained in the fund raiser's most recent solicitation report filed in accordance with RCW 19.09.079(7) or 19.09.078.

If the person or organization sends any materials to the person or organization solicited before the receipt of any contribution, those materials shall include the disclosures required in RCW 19.09.100(1)(d), and 19.09.100 (2) (a) or (b), whichever is applicable.

(4) Each person or organization soliciting charitable contributions shall not represent orally or in writing that:

(a) The charitable contribution is tax deductible unless the charitable organization for which charitable contributions are being solicited or to which tickets for fund raising events or other services or goods will be donated, has applied for and received from the internal revenue service a letter of determination granting tax deductible status to the charitable organization;

(b) The person soliciting the charitable contribution is a volunteer or words of similar meaning or effect that create the impression that the person soliciting is not a paid solicitor unless such person is unpaid for his or her services;

(c) The person soliciting the charitable contribution is a member, staffer, helper, or employee of the charitable organization or words of similar meaning or effect that create the impression that the person soliciting is not a paid solicitor if the person soliciting is employed, contracted, or paid by an independent fund raiser.

(5) If the charitable organization is associated with, or has a name that is similar to, any unit of government each person or organization soliciting contributions shall disclose to each person solicited whether the charitable organization is or is not part of any unit of government and the true nature of its relationship to the unit of government.

(6) A charitable organization shall comply with all local governmental regulations that apply to soliciting for or on behalf of charitable organizations.

(7) The advertising material and the general promotional plan for a solicitation shall not be false, misleading, or deceptive, and shall afford full and fair disclosure.

(8) Solicitations shall not be conducted by a charitable organization or independent fund raiser that has, or if a corporation, its officers, directors, or principals have, been convicted of a crime involving solicitations for or on behalf of a charitable organization in this state, the United States, or any other state or foreign country within the past ten years or has been subject to any permanent injunction or administrative order or judgment under RCW 19.86.080 or 19.86.090, involving a violation or violations of RCW 19.86.020, within the past ten years, or of restraining a false or misleading promotional plan involving solicitations for charitable organizations.

Failure to comply with subsections (1) through (8) of this section is a violation of this chapter.

Sec. 17, Section 6, chapter 336, Laws of 1977 ex. sess. as amended by section 7, chapter 367, Laws of 1985 and RCW 42.17.125 are each amended to read as follows:

(1) Contributions received and reported in accordance with RCW 42.17.060 through 42.17.090 may only be transferred to the personal account of a candidate, or of a campaign treasurer or other individual or expended for such individual's personal use under the following circumstances:

~~((1) Reimbursement for or loans to cover lost earnings incurred as a result of campaigning or services performed for the committee. Such lost earnings shall be verifiable as unpaid salary, or when the individual is not salaried, as an amount not to exceed income received by the individual for services rendered during an appropriate, corresponding time period. Such funds shall be forfeited to the state of Washington unless the nonreporting committee or the recipient of such funds has filed or within ten days following such receipt shall file with the commission a statement disclosing: (i) its name and address; (ii) the purposes of the nonreporting committee; (iii) the names, addresses, and titles of its officers or if it has no officers, the names, addresses, and titles of its responsible leaders; (iv) a statement whether the nonreporting committee is a continuing one; (v) the name, office sought, and party affiliation of each candidate in the state of Washington whom the nonreporting committee is supporting, and, if such committee is supporting the entire ticket of any party, the name of the party; (vi) the ballot proposition supported or opposed in the state of Washington, if any, and whether such committee is in favor of or opposed to such proposition; (vii) the name and address of each person residing in the state of Washington or corporation which has a place of business in the state of Washington who has made one or more contributions (~~in the aggregate of twenty five dollars or more~~) to the nonreporting committee during the current calendar year, together with the money value and date of such contributions; (viii) the name and address of each person in the state of Washington to whom an expenditure was made by the nonreporting committee on behalf of a candidate or political committee (~~in the aggregate amount of twenty five dollars or more~~), the amount, date, and purpose of such expenditure, and the total sum of such expenditures; (ix) such other information as the commission may by regulation prescribe, in keeping with the policies and purposes of this chapter. A nonreporting committee incurring an obligation to file additional reports in a calendar year may satisfy the obligation by filing with the commission a letter providing updating or amending information.

(2) The campaign treasurer and the candidate shall certify the correctness of each report.

Sec. 22. Section 5, chapter 59, Laws of 1969 as last amended by section 19, chapter 107, Laws of 1988 and RCW 41.04.230 are each amended to read as follows:

Any official of the state authorized to disburse funds in payment of salaries and wages of public officers or employees is authorized, upon written request of the officer or employee, to deduct from the salaries or wages of the officers or employees, the amount or amounts of subscription payments, premiums, contributions, or continuation thereof, for payment of the following:

NEW SECTION. Sec. 24. A new section is added to chapter 44.05 RCW to read as follows:

For the purpose of encouraging electoral competition, reducing the financial burden of seeking office in the house of representatives, and preserving the opportunity for community interests, the redistricting commission shall establish single member representative districts.

Sec. 25. Section 2, chapter 16, Laws of 1983 and RCW 44.05.020 are each amended to read as follows:

The definitions set forth in this section apply throughout this chapter, unless the context requires otherwise.

With consent of the House, Representative Fuhrman withdrew the amendment.

The Speaker stated the question before the House to be the adoption of the amendment by Representatives R. Fisher and Miller.

Representatives R. Fisher and Miller spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Ms. R. Fisher yielded to question by Mr. Padden.

Mr. Padden: Representative Fisher, could you tell me what the extent of the state's financial liability is under the entire striking amendment?

Ms. R. Fisher: No, I cannot. It is impossible to estimate the amount of money that would be expended. Likely, around two hundred thousand dollars as an outside limit.

Representatives Padden and Brough spoke against adoption of the amendment, and Representatives Hine, Heavey, Ferguson and Van Luven spoke in favor of it. Mr. Padden again spoke against the amendment, and Representatives R. Fisher and Miller again supported it.

The amendment was adopted.

With consent of the House, the following amendment to the title was adopted:

Substitute House Bill No. 2198 was read the second time.

Mr. Cooper moved adoption of the following amendment by Representatives Cooper, Nelson and Hankins:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the electricity surplus in the Northwest is dwindling as the population increases and the economy expands. Energy efficiency will reduce the pressure for future rate increases. By keeping the cost of energy low, this region will maintain an important economic advantage.

It is declared policy of the legislature that using energy efficiently is one of the lowest cost ways to meet consumer demand for electrical energy. To that end, this act is directed to enhance energy efficient building methods. It is the intent of this act to make residential construction cost-effective for the consumer and encourage home builders to continue to build affordable housing for entry level consumers. Conservation and energy efficiency will stretch our current clean energy efficient resources into the future.

NEW SECTION, Sec. 2. A new section is added to chapter 19.27A RCW to read as follows:

Except as provided in RCW 19.27A.020(6), the state energy code for residential buildings shall be the maximum and minimum energy code for residential buildings in each city, town, and county and shall be enforced by each city, town, and county no later than July 1, 1990. The state energy code for nonresidential buildings shall be the minimum energy code for nonresidential buildings in each city, town, and county.

Sec. 3. Section 3, chapter 76, Laws of 1979 ex. sess. as amended by section 2, chapter 144, Laws of 1985 and RCW 19.27A.020 are each amended to read as follows:

(1) No later than January 1, 1990, the state building code ((advisory)) council shall ((promulgate rules, pursuant to chapter 34.04 RCW, for the purpose of adopting a revised)) adopt a

~~(2) The council shall follow the legislature's guidelines set forth in this section to design ((a revised)) the state energy code ((which requires)). The state energy code shall be designed to require new buildings to meet a certain level of energy efficiency, but allow((s)) flexibility in building design ((and)), construction, and heating equipment efficiencies within that framework. The state energy code shall be designed to allow space heating equipment efficiency to offset or substitute for building envelope thermal performance.~~

~~(3) The ((revised)) state energy code shall take into account regional climatic conditions ((and shall)). Climate zone 1 shall include all counties not included in climate zone 2. Climate zone 2 includes: Adams, Chelan, Douglas, Ferry, Grant, Kittitas, Lincoln, Okanogan, Pend Oreille, Spokane, Stevens, and Whitman counties.~~

~~(4) Until it is amended by the state building code council pursuant to section 5 of this act, the state energy code for residential buildings shall be designed according to the following guidelines:~~

((2) In developing the revised code, the council shall consider possible health and respiratory problems caused by insulating buildings so tightly that the rate of air exchange is significantly retarded, thereby concentrating toxic pollutants at unhealthy high levels.

(3) The council shall publish the revision as proposed rules pursuant to chapter 34.04 RCW and provide for the rules to become effective January 1, 1986. All cities, towns, and counties shall enforce the revised state energy code not later than April 1, 1986.))

(6)(a) Except as provided in (b) of this subsection, the state energy code for residential structures shall preempt the residential energy code of each city, town, and county in the state of Washington.

(b) The state energy code for residential structures with electric resistance space heat does not preempt a city, town, or county's energy code for residential structures with electric resistance space heat which exceeds the requirements of the state energy code and which was adopted by the city, town, or county prior to March 15, 1989. A city, town, or county which has adopted an energy code for residential buildings with electric resistance space heat which is not preempted under this subsection may not amend its energy code in a manner which would cause the local energy code to exceed the state energy code. A city, town, or county which has adopted an energy code for residential buildings with electric resistance space heat which is not preempted under this subsection may amend its energy code to conform its energy code to the state energy code as it will exist on July 1, 1993.

(7) The state building code council shall consult with the state energy office as provided in RCW 34.05.310 prior to publication of proposed rules. The state energy office shall review the proposed rules for consistency with the state energy code. The director of the state energy office shall recommend to the state building code council any changes necessary to conform the proposed rules to the requirements of this section.

(8) U-values for glazing shall be determined using the area weighted average of all glazing in the building. U-values for glazing are the tested values for thermal transmittance due to conduction resulting from either the American architectural manufacturers' association (AAMA) 1503.1 test procedure or the American society for testing materials (ASTM) C236 or C976 test procedures. Testing shall be conducted under established winter horizontal heat flow test conditions using the fifteen miles per hour wind speed perpendicular to the exterior surface of the glazing as specified under AAMA 1503.1 and product sample sizes specified under AAMA 1503.1. The AAMA 1503.1 testing must be conducted by an AAMA certified testing laboratory. The ASTM C236 or C976 testing U-values include any tested values resulting from a future revised AAMA 1503.1 test procedure. Sealed insulation glass, where used, shall conform to ASTM E-774-81 level A or better.

(9) If any electric utility that purchases at least one percent of its firm energy load from a federal agency, pursuant to section 5.(b)(1) of the pacific northwest electric power planning and conservation act (P.L. 96-501), is unable to obtain from that agency at least fifty percent of the funds for payments required by section 4 of this act, the amendments to this section by this 1989 act shall be null and void, and the 1986 state energy code shall be in effect, except that a city, town, or county may enforce a local energy code with more stringent energy requirements adopted prior to March 15, 1989. This subsection shall expire June 30, 1996.

NEW SECTION. Sec. 4. A new section is added to chapter 19.27A RCW to read as follows:

(1) Electric utilities shall make payments to the owner at the time of construction of a newly constructed residential building with electric resistance space heat built in compliance with the requirements of the state energy code adopted pursuant to RCW 19.27A.020 or a residential energy code in effect pursuant to RCW 19.27A.020(6). All or a portion of the funds for payments may be accepted from federal agencies or other sources. Payments are required for residential buildings on which construction has begun on or after July 1, 1990, and prior to July 1, 1996. Payments are required for single family residences having one thousand eight hundred square feet or less of finished floor area and for all other residential units having one thousand two hundred and seventy-five square feet or less of finished floor area. The payment shall be at least forty cents per square foot of finished or unfinished heated floor area. Payment is required only for the first one thousand eight hundred square feet of heated floor area in a single family residence. For purposes of this section, a zero lot line home and each unit in a duplex and each attached housing unit in a planned unit development shall each be considered a single family residence.

(2) Electric utilities which provide electrical service in jurisdictions in which the local government has adopted an energy code not preempted by RCW 19.27A.020(6)(b) shall make payments as provided in subsection (1) of this section for residential buildings on which construction has begun on or after the effective date of this act and prior to July 1, 1990.

(3) Nothing in this section shall prohibit an electric utility from providing incentives in excess of the payments required by this section or from providing additional incentives for energy efficiency measures in excess of those required under RCW 19.27A.020.

(4) This section shall not apply to any electric utility that purchases at least one percent of its firm energy load from a federal agency, pursuant to section 5.(b)(1) of the pacific northwest electric power planning and conservation act (P.L. 96-501), and is unable to obtain from the agency at least fifty percent of the funds to make the payments required by this section. This subsection shall expire June 30, 1996.

(5) The utilities and transportation commission shall provide an appropriate regulatory mechanism which allows a utility regulated by the commission to recover expenses incurred by the utility in making payments under this section.

(6) Subsections (1) through (3) of this section shall expire July 1, 1997.

NEW SECTION, Sec. 5. A new section is added to chapter 19.27A RCW to read as follows:

The state building code council shall maintain the state energy code for residential structures in a status which is consistent with the state's interest as set forth in section 1 of this act. In maintaining the state energy code for residential structures, beginning in 1996 the council shall review the state energy code every three years. After January 1, 1996, by rule adopted pursuant to chapter 34.05 RCW, the council may amend any provisions of the state energy code to increase the energy efficiency of newly constructed residential buildings. Decisions to amend the state energy code for residential structures shall be made prior to December 1 of any year and shall not take effect before the end of the regular legislative session in the next year.

NEW SECTION, Sec. 6. Not later than January 2, 1993, the state building code council shall review the cost-effectiveness of the window standards established in RCW 19.27A.020(4). If the state building code council determines that window standards beyond those provided in the state energy code which will be in effect on July 1, 1993, would be cost-effective, the council shall report to the energy and utilities committees of the house of representatives and the senate on recommended changes in the window standards. In determining the cost-effectiveness of the window standards, the council shall consider factors which require an amortization of the window components over a period of not more than seven years and a discount rate computed at the current market rate for conventional home mortgages. The review shall be completed and a report, if necessary, made not later than January 2, 1993.

NEW SECTION, Sec. 7. A new section is added to chapter 19.27 RCW to read as follows:

(1)(a) Not later than January 1, 1990, the state building code council shall establish interim requirements for the maintenance of indoor air quality in newly constructed, electrically heated residential buildings. These requirements shall be in effect July 1, 1990, through June 30, 1993.

(b) The interim requirements shall include ventilation standards which provide for mechanical ventilation in areas of the residence where water vapor or cooking odors are produced. The ventilation shall be exhausted to the outside of the structure. The ventilation standards shall further provide for the capacity to supply outside air to each bedroom and the main living area through dedicated supply air inlet locations in walls, or in an equivalent manner. At least one exhaust fan in the home shall be controlled by a dehumidistat or clock timer to ensure that sufficient whole house ventilation is regularly provided as needed.

(c)(i) For single family residences, zero lot line homes, each unit in a duplex, and each attached housing unit in a planned unit development, the ventilation standards shall include fifty cubic feet per minute of effective installed ventilation capacity in each bathroom and one hundred cubic feet per minute of effective installed ventilation capacity in each kitchen.

(ii) For other residential units the ventilation standards may be satisfied by the installation of two exhaust fans with a combined effective installed ventilation capacity of two hundred cubic feet per minute.

(iii) Effective installed ventilation capacity means the capability to deliver the specified ventilation rates under the actual design conditions of the structure. Natural ventilation through operable exterior openings and infiltration shall not be considered acceptable substitutes for mechanical ventilation.

(d) The interim requirements shall include standards for indoor air quality pollutant source control, including the following requirements: All structural panel components of the residence shall comply with appropriate standards for the emission of formaldehyde; the back-drafting of combustion by-products from combustion appliances shall be minimized through the use of dampers, vents, outside combustion air sources, or other appropriate technologies; and, in areas of the state where monitored data indicate action is necessary to inhibit indoor radon gas concentrations from exceeding appropriate health standards, entry of radon gas into homes shall be minimized through appropriate foundation construction measures.

(2) No later than January 1, 1993, the state building code council shall establish final requirements for the maintenance of indoor air quality in newly constructed, electrically heated residences to be in effect beginning July 1, 1993. These requirements shall maintain indoor air quality equivalent to that provided by the mechanical ventilation and indoor air pollutant source control requirements included in the February 7, 1989, Bonneville power administration record of decision for the environmental impact statement on new energy efficient homes programs (DOE/EIS-0127F) built with electric space heating. In residential units other than single family, zero lot line, duplexes, and attached housing units in planned unit developments, ventilation requirements may be satisfied by the installation of two exhaust fans

with a combined effective installed ventilation capacity of two hundred cubic feet per minute in locations appropriate for the effective removal of water vapor and other source pollutants.

NEW SECTION. Sec. 8. A new section is added to chapter 4.24 RCW to read as follows:

It is a defense in a civil action brought for damages for injury caused by indoor air pollutants in a residential structure with electric space heating on which construction was begun on or after July 1, 1990, that the builder complied in good faith, without negligence or misconduct, with:

(1) Building product safety standards, including labeling;

(2) Restrictions on the use of building materials known or believed to contain substances that contribute to indoor air pollution; and

(3) The ventilation requirements adopted under section 7 of this act.

Sec. 9. Section 2, chapter 149, Laws of 1980 and RCW 80.28.025 are each amended to read as follows:

(1) In establishing rates for each gas and electric company regulated by this chapter, the commission shall adopt policies to encourage meeting or reducing energy demand through ~~((cogeneration as defined in RCW 82.35.020))~~ measures which improve the efficiency of energy end use, and new projects which produce or generate energy from renewable resources, such as solar energy, wind energy, hydroelectric energy, geothermal energy, wood, wood waste, ~~((municipal wastes))~~ agricultural products and wastes, and end-use waste heat. ~~((These policies shall include but are not limited to))~~ Payments made under section 4 of this act shall be considered a measure which improves the efficiency of energy end use.

(2) The commission shall adopt a policy allowing a return on investment in measures to improve the efficiency of energy end use. ~~((cogeneration))~~ or projects which produce or generate energy from renewable resources ~~((which))~~. The return on investment is established by adding an increment of two percent to the rate of return on common equity permitted on the company's other investment and allowing the capitalization of carrying costs associated with the investment in such measures until they are in the rate base for ratemaking purposes. The rate of return increment shall be allowed for a period not to exceed thirty years after the measure or project is first placed in the rate base.

(3) The commission shall consider and may adopt other policies to protect a company from a reduction of short-term earnings that may be a direct result of utility programs to increase the efficiency of energy use. These policies may include allowing a periodic rate adjustment for investments in end-use efficiency or allowing changes in price structure designed to produce additional net revenue.

(4) Measures or projects encouraged under this section are those for which construction or installation is begun after June 12, 1980, and before ~~((January 1, 1990 and which))~~ July 1, 1996. At the time they are placed in the rate base, ~~((are))~~ the measures or projects must be reasonably expected to save, produce, or generate energy at a total incremental system cost per unit of energy delivered to end use which is less than or equal to the incremental system cost per unit of energy delivered to end use from similarly available conventional energy resources which ~~((utilize))~~ use nuclear energy or fossil fuels and which the gas or electric company could acquire to meet energy demand in the same time period. ~~((The rate of return increment shall be allowed for a period not to exceed thirty years after the measure or project is first placed in the rate base.))~~

Sec. 10. Section 3, chapter 149, Laws of 1980 and RCW 82.16.055 are each amended to read as follows:

(1) In computing tax under this chapter there shall be deducted from the gross income:

(a) An amount equal to the cost of production at the plant for consumption within the state of Washington of

~~((i))~~ electrical energy produced or generated from cogeneration as defined in RCW 82.35.020; and

~~((ii))~~ electrical energy or gas produced or generated from renewable energy resources such as solar energy, wind energy, hydroelectric energy, geothermal energy, wood, wood wastes, ~~((municipal wastes))~~ agricultural products and wastes, and end-use waste heat; and

(b) Those amounts expended to improve consumers' efficiency of energy end use or to otherwise reduce the use of electrical energy or gas by the consumer, including payments made pursuant to section 4 of this act.

(2) This section applies only to new facilities for the production or generation of energy from ~~((cogeneration or))~~ renewable energy resources or measures to improve the efficiency of energy end use on which construction or installation is begun after June 12, 1980, and before ~~((January 1, 1990))~~ July 1, 1996.

(3) Deductions under subsection (1)(a) of this section shall be allowed for a period not to exceed thirty years after the project is placed in operation.

(4) Measures or projects encouraged under this section shall at the time they are placed in service be reasonably expected to save, produce, or generate energy at a total incremental

system cost per unit of energy delivered to end use which is less than or equal to the incremental system cost per unit of energy delivered to end use from similarly available conventional energy resources which ~~((the))~~ use nuclear energy or fossil fuels and which the gas or electric utility could acquire to meet energy demand in the same time period.

(5) The department of revenue, after consultation with the utilities and transportation commission in the case of investor-owned utilities and the governing bodies of locally regulated utilities, shall determine the eligibility of individual projects and measures for deductions under this section.

Sec. 11. Section 4, chapter 96, Laws of 1974 ex. sess. as last amended by section 8, chapter 360, Laws of 1985 and RCW 19.27.040 are each amended to read as follows:

The minimum performance standards of the codes and the objectives enumerated in RCW 19.27.020 shall not be diminished by any county or city amendments. ~~((Amendments to RCW 19.27A.010 shall not result in structures that exceed the overall structural heat loss characteristics that would have resulted from conforming to RCW 19.27A.010;))~~

Nothing in this chapter shall authorize any modifications of the requirements of chapter 70.92 RCW.

NEW SECTION. Sec. 12. The following acts or parts of acts are each repealed:

In regard to the amendments by Representative Horn and others to Substitute House Bill No. 1601, I had intended to vote "No" instead of "Yes."

RANDY TATE, 25th District.

Mr. Horn moved adoption of the following amendment by Representatives Horn, Betrozoff, Walker, Brumsickle, Holland, D. Sommers, Wood, Fuhrman, Ferguson, Doty and May:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The superintendent of public instruction is directed to conduct a study of school lunch programs to determine reasons why some schools are not currently participating in the national school lunch program. The report shall include an estimate of the number of students in each of these schools who would be eligible for free or reduced-price lunches if they were available. The report shall also include the total cost of the program, including, but not limited to, food costs, staff salaries and benefits, and additional pupil transportation costs. The superintendent of public instruction shall submit to the legislature prior to January 15, 1990, a report on the results of its study, including recommendations on ways of increasing school participation in the school lunch program.

NEW SECTION. Sec. 2. (1) For the purposes of this section:

(a) 'Free or reduced-price lunches' means lunches served by a school district that qualify for federal reimbursement as free or reduced-price lunches under the national school lunch program.

(b) 'School breakfast program' means a program meeting federal requirements defined in 42 U.S.C. Sec. 1773.

(c) 'Severe-need school' means a school that qualifies for a severe-need school reimbursement rate from federal funds for school breakfasts served to children from low-income families.

(2) School districts shall be required to develop and implement plans for a school breakfast program in severe-need schools, pursuant to the schedule in this section. For the second year prior to the implementation of the district's school breakfast program, and for each subsequent school year, each school district shall submit data enabling the superintendent of public instruction to determine which schools within the district will qualify as severe-need schools. In developing its plan, each school district shall consult with an advisory committee including school staff and community members appointed by the board of directors of the district.

(3) Using district-wide data on school lunch participation during the 1988-89 school year, the superintendent of public instruction shall adopt a schedule for implementation of school breakfast programs in severe-need schools as follows:

(a) School districts where at least forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1991. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1991-92 school year and in each school year thereafter.

(b) School districts where at least twenty-five but less than forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1992. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1992-93 school year and in each school year thereafter.

(c) School districts where less than twenty-five percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1993. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1993-94 school year and in each school year thereafter.

(d) School districts that did not offer a school lunch program in the 1988-89 school year are encouraged to implement such a program and to provide a school breakfast program in all severe-need schools when eligible.

(4) The requirements in this section shall lapse if the federal reimbursement rate for breakfasts served in severe-need schools is reduced or eliminated.

(5) Students who do not meet family-income criteria for free breakfasts shall be eligible to participate in the school breakfast programs established under this section, and school districts may charge for the breakfasts served to these students. School breakfast programs established under this section shall be supported entirely by federal funds and commodities, charges to students, and other local resources available for this purpose, and shall not create or imply any state funding obligation for these costs. The legislature does not intend to include these programs within the state's obligation for basic education funding under Article IX of the Constitution.

NEW SECTION. Sec. 3. The superintendent of public instruction shall conduct a study of the costs and feasibility of expanding the school breakfast program to include schools where more than twenty-five but less than forty percent of lunches served are free or reduced-price lunches. The study shall consider the total cost of the program, including but not limited to food costs, staff salaries and benefits, and additional pupil transportation costs. The superintendent of public instruction shall submit to the legislature prior to January 15, 1993, a report on the results of this study, including recommendations on whether to expand the school breakfast program to include these schools."

POINT OF INQUIRY

Mr. Wolfe: Who pays for it, if it is federally funded? Doesn't it come out of the same pockets as if it were state funded?

Mr. Nealey: Is this mandatory, that it has to be down to twenty-three? I would like to know how it affects our small schools.

Mr. Peery: The bill allows for two methods of determining compliance within the ratios of basic education. One method will still be that your ratios in kindergarten through third grade will be less than your ratios in fourth grade through twelfth grade. If you choose not to use that method, you would then have to demonstrate that you have an average of twenty-three certificated personnel assigned to the kindergarten through third grade within your buildings to be in compliance. This provides the alternative that would assure that you have used those resources toward kindergarten through third grade.

NEW SECTION. Sec. 1. The legislature finds that the ratio of women to men in intercollegiate athletics in Washington's higher education system is inequitable. It is the intent of the legislature, through additional tuition and fee waivers, to achieve gender equity in intercollegiate athletics.

Sec. 2. Section 1, chapter 262, Laws of 1979 ex. sess. as last amended by section 3, chapter 232, Laws of 1986 and RCW 28B.15.740 are each amended to read as follows:

(1) The boards of trustees or regents of each of the state's regional universities, The Evergreen State College, or state universities, and the various community colleges, consistent with regulations and procedures established by the state board for community college education, may waive, in whole or in part, tuition and services and activities fees subject to the limitations set forth in subsections (2) and (3).

(2) Except as provided in subsection (3) of this section, the total dollar amount of tuition and fee waivers awarded by any state university, regional university, or state college, shall not exceed four percent, and for the community colleges considered as a whole, such amount shall not exceed three percent of an amount determined by estimating the total collections from tuition and services and activities fees had no such waivers been made and deducting the portion of that total amount which is attributable to the difference between resident and nonresident fees: PROVIDED, That at least three-fourths of the dollars waived shall be for needy students who are eligible for resident tuition and fee rates pursuant to RCW 28B.15.012 through 28B.15.015: PROVIDED FURTHER, That the remainder of the dollars waived, not to exceed one-fourth of the total, may be applied to other students at the discretion of the board of trustees or regents, except on the basis of participation in intercollegiate athletic programs: PROVIDED

(3) In addition to the tuition and fee waivers provided in subsection (2) of this section, a total dollar amount of tuition and fee waivers awarded by any state university, regional university, or state college, not to exceed one percent, as calculated in subsection (2) of this section, may be used for the purpose of achieving or maintaining gender equity in intercollegiate athletic programs. At any institution that has an underrepresented gender class in intercollegiate athletics, any such waivers shall be awarded:

Such saved or displaced money shall be used for programs for the underrepresented gender class; and

(b) Second, (i) to nonmembers of the underrepresented gender class who participate in intercollegiate athletics, where such waivers result in saved or displaced money that can be used for athletic programs for members of the underrepresented gender class. Such saved or displaced money shall be used for programs for the underrepresented gender class; or (ii) to members of the underrepresented gender class who participate in intercollegiate athletics, where such waivers do not result in any saved or displaced money that can be used for athletic programs for members of the underrepresented gender class.

NEW SECTION. Sec. 4. Each report shall include recommendations on measures to assist institutions with compliance. The first report shall also include a recommendation on whether to grant this waiver authority to community college governing boards.

(2) Before the board makes its report in December 1994, the board shall assess the extent of institutional compliance with the requirements of sections 2 through 4 of this act. The 1994 report shall include a recommendation on whether to continue this waiver authority.

NEW SECTION. Sec. 6. (1) As used in and for the limited purposes of sections 1 and 3 through 5 of this act and RCW 28B.15.740, 'underrepresented gender class' means female students or male students, where the ratio of participation of female or male students, respectively, in intercollegiate athletics is less than approximately the ratio of female to male students or male to female students, respectively, enrolled as undergraduates at an institution.

NEW SECTION. Sec. 7. Nothing in this act shall be construed to excuse any institution from any more stringent requirement to achieve gender equity imposed by law, nor to permit any institution to decrease participation of any underrepresented gender class.

NEW SECTION. Sec. 8. Sections 1 and 3 through 6 of this act are each added to chapter 28B.15 RCW.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The ability to rent private passenger automobiles at a reasonable price and upon reasonable terms is vital to promoting tourism and business in Washington. The public interest is adversely affected when consumers must agree to unreasonable terms or pay more than necessary to protect the interests of the rental vehicle owner from damage caused by the renter. The legislature finds that the legitimate interests of renters and rental vehicle owners are served by prohibiting private passenger automobile rental companies from imposing liability upon renters, subject to certain specified exceptions, and from selling collision damage waivers in connection with private passenger automobile rental agreements of no more than thirty-one continuous days.

NEW SECTION. Sec. 2. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Rental company' means a person or organization in the business of providing private passenger motor vehicles to the public through the use of a rental agreement.

(2) 'Renter' means a person or organization obtaining the use of a private passenger automobile from a rental company under the terms of a rental agreement.

(3) 'Rental agreement' means a written agreement setting forth the terms and conditions governing the use of a private passenger motor vehicle provided by a rental company for no more than thirty-one continuous days, which agreement excludes the use of the vehicle to carry persons or property for hire.

(4) 'Damage' means any damage or loss to the rented vehicle, including loss of use and any costs and expenses incident to the damage or loss.

(5) 'Private passenger automobile' or 'vehicle' means a motor vehicle of the private passenger or station wagon type, including passenger vans and minivans that are primarily intended for transport of persons.

(6) 'Authorized driver' means the person to whom the vehicle is rented and, if a licensed driver and satisfying the company's minimum age requirement:

(a) The spouse of such person;

(b) The renter's employer, employee, or coworker if engaged in business activity with the renter; and

(c) A person expressly listed by the rental company on the rental agreement as an authorized driver.

NEW SECTION. Sec. 3. (1) No rental company may, in any rental agreement, hold an authorized driver liable for any damage, except where:

(a) The damage is caused intentionally by an authorized driver or as a result of his or her willful and wanton misconduct;

(b) The damage arises from the authorized driver's operation of the vehicle while illegally intoxicated or under the influence of an illegal drug as defined or determined under the law of the state where the damage occurred;

(c) The damage is caused while the authorized driver is engaged in a speed contest;

(d) The rental transaction is based on false or incomplete information supplied by the renter with the intent to defraud the rental company;

(e) The damage arises from the use of the vehicle while committing or otherwise engaged in a criminal act in which the vehicle usage is substantially related to the criminal activity; or

(1) The damage arises from the use of the vehicle outside the United States or Canada, unless that use is specifically authorized by the rental agreement.

(2) An authorized driver is not responsible for the acts of a person who drives or moves the vehicle because of an emergency situation or for the acts of a person to whom the vehicle is entrusted for parking or servicing of the vehicle in a municipal or public lot or commercial establishment open to the public.

(3) A rental company may bring an action for damages arising from the use of a vehicle subject to a rental agreement against a renter or authorized driver who is a resident of the United States only in the state and county of the renter's or authorized driver's primary residence.

(4) The rental company may not request or require a deposit or other security for damage to the vehicle during the rental period or pending resolution of any dispute.

(5) No rental company, in connection with a rental agreement subject to this chapter may offer, or provide for, the elimination of any of the exceptions listed in subsection (1) (a) through (f) of this section, if the renter is required to pay a fee or consideration in excess of the standard price for the rental agreement to obtain elimination of the exceptions.

NEW SECTION. Sec. 4. A violation of this chapter is an unfair method of competition and an unfair or deceptive act or practice in the conduct of a trade or commerce, as specifically contemplated by RCW 19.86.020, and is a violation of the Consumer Protection Act, chapter 19.86 RCW. A renter or authorized driver injured as a result of a violation of this chapter may maintain an action pursuant to chapter 19.86 RCW against the rental company and is entitled to all of the rights and remedies afforded by that chapter. A successful claimant under this section is also entitled to reasonable attorneys' fees.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act shall constitute a new chapter in Title 19 RCW.

NEW SECTION. Sec. 6. This act shall take effect on September 1, 1989."

SPEAKER'S RULING

The Speaker: The Speaker has examined both House Bill No. 1836 and the amendment and finds that, while both do mention smoking, the original House Bill No. 1836 defines nonsmoking areas in restaurants. Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. PURPOSE. The legislature believes that current laws, both state and federal, leave significant gaps in the coverage and protection afforded the state's wetlands. The shorelines management act affects only a limited area, the federal clean water act affects only filling of wetlands, and the hydraulics code affects only fish life.

The public obtains important health, welfare and safety benefits from retaining wetlands. Wetlands provide flood protection; retard soil erosion and improve water quality through natural filtration and absorption; purify surface water and ground water; provide essential habitat for fish and wildlife; maintain ground water, particularly during periods of drought, and surface water through the gradual release of stored flood flows.

NEW SECTION. Sec. 2. INTENT. The legislature declares that it is the public policy of the state to preserve, protect, and manage wetlands in order to promote public health, safety, and welfare; protect water quality; protect public and private property; conserve fish, wildlife, and other natural resources of the state; and allow for planned and orderly economic growth at both the state and local levels.

It is the goal of the state to institute a system of planning for and managing the decisions regarding wetlands so as to prevent further loss of wetlands, as measured by either significant differences in acreage or function, measured on a state-wide basis. To accomplish this the legislature intends that decisions made regarding wetlands be made within a decision-making framework that leads to considered, planned, and deliberate conclusions. This requires gathering data, educating the public and the decision makers, wetland acquisition where appropriate, and regulation as necessary.

The legislature intends to implement these policies through forging a partnership between the public and private sector to protect and enhance the state's remaining wetlands.

NEW SECTION. Sec. 3. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) 'Department' means the department of ecology.
- (2) 'Director' means the director of the department of ecology.
- (3) 'Local government' means any county, incorporated city, or town that contains within its boundaries any wetlands subject to the provisions of this chapter.

- (b) The substrate is predominantly undrained hydric soil; or
- (c) The substrate is nonsoil and is saturated with water or covered by shallow water at some time during the growing season of each year.

(7) 'Regulated wetlands,' for purposes of regulation under this chapter, means those lands defined as wetlands under the federal clean water act, 33 U.S.C. Sec. 1251 et seq.

(8) 'Wetland buffer zones' means lands bordering regulated wetlands, which may be managed to protect the regulated wetlands from adverse impacts of activities on adjacent lands.

(2) The department shall develop a rating system for use in distinguishing between and among wetlands of varying resource values, considering all the factors identified in subsection (1) of this section. The classification and rating systems shall be considered in the development of wetland management standards, determining wetland buffer zones, and establishing mitigation policies.

(3) In developing the classification and rating system, the department shall give consideration to and make provision for wetlands created by agricultural irrigation.

NEW SECTION, Sec. 7. DEVELOPMENT OF WETLAND MANAGEMENT STANDARDS. The department shall adopt minimum standards for wetland management plans by rule on or before August 1, 1990. Exempt activities include normal farm-related activities such as grazing, plowing, seeding, cultivating, harvesting for the production of food and fiber, or upland soil and water conservation practices; construction or maintenance of farm ponds or irrigation conveyance facilities, or the maintenance of drainage ditches and return flow channels;

(2) Construction or maintenance of farm buildings;

(3) Farm roads or forest roads constructed and maintained in accordance with best management practices to assure that flow and circulation patterns and chemical and biological characteristics of wetlands are not impaired and that any adverse effect on wetlands or wetland buffer zones will be avoided;

(4) Harvesting forest products or management of forest lands in accordance with the forest practices act, chapter 76.09 RCW;

(5) Construction of oil, gas, water, or sewage pipelines that receive a determination of nonsignificance pursuant to WAC 197-11-340 or a mitigated determination of nonsignificance pursuant to WAC 197-11-350;

(7) Reconstruction of recently damaged parts or serviceable dikes and levees in existence on the effective date of this act.

These exemptions shall not apply to any conversion of a regulated wetland to a use to which it was not previously subjected. Acts conducted pursuant to normal activities exempted in subsections (1) through (7) of this section shall not be considered conversions.

NEW SECTION. Sec. 11. MITIGATION. (1) Mitigation plans may be required as a condition of approval of an application affecting a regulated wetland. The department shall adopt minimum mitigation standards, the priorities for which shall be:

(b) Minimizing impacts by limiting the degree or magnitude of the action and its implementation, by using appropriate technology, or by taking affirmative steps to avoid or reduce impacts;

(c) Rectifying the impact by repairing, rehabilitating, or restoring the affected environment;

(d) Reducing or eliminating the impact over time by preservation and maintenance operations during the life of the action;

(e) Compensating for the impact by replacing, enhancing, or providing substitute resources or environments; and/or

(f) Monitoring the impact and taking appropriate corrective measures.

(2) The purpose of the mitigation standards developed under subsection (1) of this section is to:

(a) Preserve and protect existing wetlands;

(b) Restore existing wetlands; and, where no reasonable alternative exists;

(3) The mitigation standards developed under subsection (1) of this section shall:

(b) Assure that the highest classifications and ratings will require the most stringent mitigation efforts, for those classifications and ratings for which the department determines mitigation is appropriate; and

(c) Include a requirement for monitoring for a sufficiently long period to evaluate the success or failure of the mitigation measures. The department or the local government may require the applicant to post a bond to cover monitoring costs or the cost of any remedial actions.

NEW SECTION. Sec. 12. ADVISORY COMMITTEE. The governor shall appoint an advisory committee representing all interest groups to assist in preparing standards and guidelines. Members shall not be compensated for any costs incurred as a participant on the advisory committee.

(2) Any person who shall fail to conform to the terms of this chapter or who shall undertake development within a regulated wetland or wetland buffer zone without first obtaining approval required under this chapter shall also be subject to a civil penalty not to exceed one thousand dollars for each violation. Each violation or each day of continued violation without a required approval shall constitute a separate violation.

(3) The penalty provided for in this section shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the same from the department or local government, describing the violation with reasonable particularity and ordering the act or acts constituting the violation or violations to cease and desist or, in appropriate cases, requiring necessary corrective action to be taken within a specific and reasonable time.

(4) Within thirty days after the notice is received, the person incurring the penalty may apply in writing to the department for remission or mitigation of such penalty. Upon receipt of the application, the department or local government may remit or mitigate the penalty upon whatever terms the department or local government in its discretion deems proper. Any penalty imposed under this section by the department shall be subject to review by the shorelines hearings board. NEW SECTION. Sec. 1. The legislature finds that the future of the state is dependent upon the wise use of its resources and an orderly growth process that enhances the quality of life of its citizens. The legislature finds that a balanced growth strategy is needed to protect natural resources and to ensure their availability for future generations, to provide needed infrastructure at the time growth has its impact, to assure the coordinated expansion and delivery of public services, and to increase the predictability of development decisions.

The legislature finds that in some regions of the state, the delayed investment for infrastructure has contributed significantly to growth-related problems. A coordinated and orderly growth strategy will help to promote the cost-effective and efficient delivery of services by state and local governments in terms of education, housing, infrastructure, environmental degradation, economic productivity, and public health and safety. The legislature finds that a coordinated growth strategy that defines the state's role and permits flexible local responses will strengthen the ability of local governments and regions to promote orderly and balanced growth.

The legislature finds that Washington state is a state of wide diversity with varied growth rates, population densities, employment patterns, and structures of local governments. New proposals to accommodate growth should consider recent comprehensive studies that suggest local governments require additional resources and flexibility to meet local needs and to provide necessary infrastructure.

NEW SECTION. Sec. 2. There is hereby created the Washington state growth strategies commission, referred to in this chapter as the commission.

The commission shall consist of seventeen members appointed by the governor comprising a balance of the key geographic regions of the state as follows:

- (1) Four members of the legislature, including one member from each of the four largest caucuses in the legislature;
- (2) The chair, selected by the governor;
- (3) Two members representing a rural and an urban area selected from a list of qualified nominees submitted by the Washington state association of counties;
- (4) Two members representing a rural and an urban area selected from a list of qualified nominees submitted by the association of Washington cities; and
- (5) Eight members from the private sector and citizen organizations representing a balance of positions on growth issues.

The governor shall appoint the members of the commission within thirty days after the effective date of this act. Members shall serve two-year terms.

The commission shall meet regularly and shall create subcommittees as needed to deal with specific issues and concerns. Members shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060, except legislative members shall be reimbursed under RCW 44.04.120. The commission may receive private sector gifts and grants to carry out its purposes.

NEW SECTION. Sec. 3. The commission has the following powers and duties:

- (1) Develop a specific growth strategy for the state that is consistent with the goals established in section 4 of this act. In developing the strategy, the commission shall review recent related state reports including, but not limited to the rail development commission, local governance study commission, road jurisdiction study, department of transportation policy plan, Washington state economic development board, and the Puget Sound water quality management plan;
- (2) Evaluate the state interests, priorities, and values in planning for growth and enhancing coordination with and between local governments;
- (3) Analyze growth planning and management systems used in other states and suggest appropriate alternatives for the state of Washington that include coordination and cooperation between appropriate state agencies;
- (4) Identify various state funds and regulations that directly affect growth planning and recommend ways to streamline, make more predictable, and coordinate state agency functions with local governments;
- (5) Recommend ways to enhance regional planning on issues of regional significance and recommend ways to develop urban-rural links and to expand urban-rural cooperation and planning;
- (6) Encourage the implementation of interlocal processes or local government service agreements to promote efficient provision of local government services such as those recommended by the local governance study commission created by chapter 43.63A RCW;
- (7) Include broad-based citizen input in the recommendations of the commission; and
- (8) Submit to the legislature by January 8, 1990, a set of preliminary findings or recommendations. Recommend to the legislature by January 1991, a coordinated system of growth planning including state and regional roles, enhanced comprehensive planning at the municipal and county levels, and means to fund the planning process.

NEW SECTION. Sec. 4. In developing a growth strategy for the state, the commission shall establish growth planning goals. In establishing these goals, the commission shall consider, but not be limited to, the following:

(1) Support the planning, financing, and development of public facilities and services in the most efficient manner possible by supporting the maximum use of existing facilities before investing in new infrastructure;

(2) Protect landowners' property rights from unjust acquisitions or other arbitrary and discriminatory actions;

(3) Promote cost-effective growth planning that is coordinated and consistent between state government and local governments and that promotes predictable and timely development decisions;

(4) Encourage the widest possible involvement by citizens in all aspects of the planning process to ensure that proposed growth strategies and plans have had the benefit of citizen input;

(5) Encourage highly efficient multimodal transportation systems that are based on regional consensus and priorities;

(6) Support orderly growth and development in appropriate areas of each community, while protecting its open space and quality of life, commercial public and private timber stands, agricultural lands, and sensitive natural ecosystems;

(7) Promote the increase of affordable housing stock, including housing for low-income and moderate-income families, manufactured housing, and multifamily housing;

(8) Maintain and enhance productive agriculture, timber, fisheries and other natural resource based industries;

(9) Protect the state's water quality and supply and critical natural resources, including lakes, river and coastal areas, and wildlife and fisheries habitat from incompatible development; and

(10) Promote the development of parks and protect the availability of outdoor recreation opportunities for all Washington citizens.

NEW SECTION. Sec. 5. Staffing of the commission shall be provided by the department of community development with support from the department of transportation. The chair of the commission shall be responsible for hiring the executive director.

NEW SECTION. Sec. 6. There is hereby appropriated from the general fund to the department of community development three hundred fifty thousand dollars, or as much thereof as may be necessary, for the biennium ending June 30, 1991, to carry out the purposes of this act.

NEW SECTION. Sec. 7. Starting July 1, 1991, the office of financial management shall allot no more than fifty percent of the funds appropriated by the legislature from the following accounts or for the following programs:

Such funds shall be held in reserve by the office of financial management until such time as the legislature enacts legislation based on the report of the growth strategies commission required in section 3 of this act or until the legislature otherwise enacts legislation authorizing release of the funds. Nothing in this section shall be construed to prevent the release of funds required for compliance with federal laws or to retire existing bond repayments. The growth strategies commission may recommend any new criteria or formula for appropriating these funds to promote growth consistent with the purposes of this act.

After July 1, 1991, any local applicant for funds included in this section located in counties whose population is greater than one hundred thousand persons shall have adopted a local comprehensive plan. Mr. Wineberry moved adoption of the following amendment by Representatives Wineberry, R. Fisher, Anderson and O'Brien:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature declares that the public policy of this state is to insure equal opportunity for all of its citizens. The legislature finds that African-Americans have unique and special problems. It is the purpose of this act to improve the well-being of African-Americans by insuring their access to participation in the fields of government, business, education, law, and other areas. The legislature is particularly concerned with the plight of those African-Americans who, for economic or social reasons, find themselves disadvantaged or isolated from the benefits of equal opportunity. The legislature further finds that it is necessary to aid African-Americans in obtaining governmental services in order to promote the health, safety, and welfare of all the residents of this state. Therefore the legislature deems it necessary to create a commission to carry out the purposes of this act.

NEW SECTION. Sec. 2. As used in this chapter unless the context indicates otherwise:

(1) 'African-American' means a citizen of the United States: (a) Who traces or links his or her ancestry, heritage, or culture to African nations, or (b) whose ethnicity has historically been identified as black, Negro, or colored.

(2) 'Commission' means the Washington state commission on African-American affairs.

NEW SECTION. Sec. 3. There is established a Washington state commission on African-American affairs.

NEW SECTION. Sec. 4. (1) The commission shall consist of the following members appointed by the governor:

(a) One member from each congressional district of the state now or hereafter existing; and

(b) One member from each county with a population of four thousand or more African-Americans.

(2) In making such appointments, the governor shall give due consideration to recommendations submitted by local African-American communities and the commission. The governor shall consider nominations for membership based upon maintaining a balanced distribution of geographic, sex, age, and occupational representation, where practicable.

(3) The commission shall not be deemed to be unlawfully constituted and a member of the commission shall not be deemed ineligible to serve the remainder of the member's unexpired term on the commission solely by reason of the establishment of new or revised boundaries for congressional districts.

(4) Appointments shall be for three years except in the case of a vacancy, in which event appointment shall be only for the remainder of the unexpired term for which the vacancy occurs. The members shall hold office commencing July 1, 1989. Of the initial appointees, one-third shall serve three-year terms, one-third shall serve two-year terms, and one-third shall serve a one-year term.

(5) Members shall receive reimbursement for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

(6) A majority of the members shall constitute a quorum for the purpose of conducting business.

NEW SECTION. Sec. 5. The commission shall:

(1) Elect one of its members to serve as chair for a one-year term; and also such other officers as necessary to form an executive committee;

(2) Adopt rules under chapter 34.05 RCW;

(3) Meet at the call of the chair or the call of a majority of its members, but in no case less often than once during every three-month period.

NEW SECTION. Sec. 6. (1) The governor shall appoint an executive director from a list of three names submitted to the governor by the commission with its recommendations. The names on such list shall be those of the three most qualified applicants as determined by the commission after recruitment, interview, and evaluation of applicants by the commission.

(2) The executive director shall serve at the pleasure of the governor. The commission may make recommendations to the governor regarding the removal of the executive director from office, but such recommendations shall not be binding.

(3) The executive director shall employ a staff who shall be state employees under Title 41 RCW, and prescribe their duties as may be necessary to implement the purposes of this act.

NEW SECTION. Sec. 7. (1) The commission shall examine and define issues pertaining to the rights and needs of African-Americans, and make recommendations to the governor, the legislature, and state agencies with respect to desirable changes in program and law, especially in the areas of education, employment, economic development, and health care.

(2) The commission shall maintain a liaison between the African-American community and government entities and advise the legislature and state agencies on the development and implementation of comprehensive and coordinated policies, plans, and programs focusing on the unique problems and needs of African-Americans.

(3) The commission shall develop and maintain a continuous dialogue with African-American citizens throughout the state of Washington.

(4) The commission shall submit to the governor, not less often than once each year, a report delineating the issues and concerns of African-Americans in the state of Washington and the programs, projects, and activities which the commission is undertaking regarding those issues.

(5) Subject to the availability of funds, the commission may establish an internship program for college and university students in order to conduct research for the commission on issues and matters of concern to African-Americans.

(6) Each state department and agency shall provide appropriate and reasonable assistance to the commission as needed in order that the commission may carry out the purposes of this act.

NEW SECTION. Sec. 8. In carrying out its duties, the commission may establish such relationships with local governments and private industry as may be needed to promote equal opportunity and benefits to African-Americans in government, education, economic development, employment, and services.

NEW SECTION. Sec. 9. The commission shall have authority to receive such gifts, grants, and endowments from public or private sources as may be made from time to time or otherwise for the use and benefit of the purposes of the commission and to expend the same or any income therefrom according to the terms of said gifts, grants, or endowments.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

NEW SECTION. Sec. 12. A new section is added to chapter 43.131 RCW to read as follows: The Washington state commission on African-American affairs and its powers and duties shall be terminated on June 30, 1994, as provided in section 13 of this act.

NEW SECTION. Sec. 13. A new section is added to chapter 43.131 RCW to read as follows: The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective June 30, 1995:

- (1) Section 1 of this act;
- (2) Section 2 of this act;

With consent of the House, the following amendment to the title was adopted.

On page 1, line 1 of the title, after "government;" strike the remainder of the title and insert "adding new sections to chapter 43.131 RCW; creating new sections; providing an effective date; providing an expiration date; and declaring an emergency."

The bill was ordered engrossed. With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Substitute House Bill No. 2136 was read the second time.

Mr. Grant moved adoption of the committee amendment and spoke in favor of it. The committee amendment was adopted.

Ms. Nutley moved adoption of the following amendment by Representatives Nutley, Winsley and Leonard:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Notwithstanding any other provision of law, mobile home park landlords shall provide reasonable relocation assistance under the provisions of this chapter to mobile home park tenants upon the closure or conversion to another use of a mobile home park: PROVIDED, That no such relocation assistance may be required pursuant to this chapter if relocation assistance for the same mobile home park tenant for the same relocation has been, is, or will be required pursuant to any other law.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) 'Account' means the tenant relocation assistance account.
- (2) 'Director' means the director of the department of community development.
- (3) 'Fund' means the mobile home park relocation fund.
- (4) 'Low-income' means at or below eighty percent of median income for the county where the park is located.
- (5) 'Mobile home park' or 'park' means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where such real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy.
- (6) 'Landlord' or 'park-owner' means the owner of the mobile home park that is being closed at the time relocation assistance is provided.
- (7) 'Relocate' means to remove the mobile home from the mobile home park being closed.
- (8) 'Relocation assistance' means the monetary assistance provided under section 3 of this act.

NEW SECTION. Sec. 3. (1) In the event of the conversion of a mobile home park to another use or its closure or cessation of use as a mobile home park, all affected park tenants shall be provided with relocation assistance at the time the tenant relocates as follows: (a) For single-wide mobile homes, four thousand five hundred dollars; and (b) for double-wide mobile homes, seven thousand five hundred dollars. Beginning in 1993, and every two years thereafter, the director shall adjust the amount of relocation assistance based on the consumer price index.

(2) Where a tenant relocates on or before July 1, 1991, the payment of the relocation assistance shall be shared as follows: (a) The landlord or park-owner shall provide one-third; (b) the fund shall provide one-third; and (c) the account shall provide one-third.

(3) Where a tenant relocates after July 1, 1991, the payment of relocation assistance shall be shared as follows: (a) The landlord or park-owner shall provide five hundred dollars for a single-wide home or one thousand dollars for a double-wide home; (b) the fund shall provide two thousand five hundred dollars for a single-wide home or four thousand dollars for a double-wide home; and (c) the account shall provide one thousand five hundred dollars for a single-wide home or two thousand five hundred dollars for a double-wide home.

(4) The director shall collect the landlord's portion of the relocation assistance. The director shall administer the payment of relocation assistance to tenants. The director shall approve all expenditures from the fund or the account, and shall approve payment of the landlord's portion to the tenants. If the landlord does not pay his or her portion of the relocation assistance to the department when required by the department, the department shall have a lien on the real property on which the park is located. Such lien shall be collected the same as general taxes and shall be forwarded to the department. The fund and the account shall be liable for their share of the relocation assistance, subject to the availability of funds.

(5) Relocation assistance provided from the account shall only be available to low-income tenants. Tenants who are not low income shall receive the share of relocation assistance provide by the landlord and the fund under this section.

NEW SECTION. Sec. 4. (1) The landlord shall notify the director and all tenants in writing of a change in use at least one year before the change in use, except that in King and Snohomish counties the notice period shall be two years until June 30, 1991. Tenants in the counties of King and Snohomish are experiencing the problem of parks closing more acutely than other areas of the state. Park spaces in these two counties are much scarcer relative to the need than in other areas of the state. A longer notice period in these two counties, because of the significantly larger number of tenants facing the prospect of relocating and the current unavailability of spaces for mobile homes in these areas, will enable local governments and the private

sector to work to increase the number of available spaces to which mobile homes can be relocated.

(2) The landlord shall inform all tenants in writing about the right to relocation assistance under section 3 of this act, shall also notify the department of community development, and shall also record a notice in the county real property records for the real property on which the mobile home park is located.

(3) If a tenant is vacating the premises and has informed the landlord or manager before the change in use notice has been given, the tenant is not eligible for relocation assistance.

(4) The landlord shall post a sign in a conspicuous location at all entrances to the park. The sign shall disclose that the park is being closed and shall include the date notice was given of the closure of the park.

(5) This section does not apply to a change in use if the landlord moves a tenant to another space in the mobile home park at the landlord's expense.

NEW SECTION. Sec. 5. (1) The fund is established in the office of the treasurer to be administered by the department of community development and consists of moneys collected under section 6 of this act.

(2) Fund moneys shall be used to pay relocation assistance under section 3 of this act.

(3) The state treasurer shall maintain the fund and shall invest the fund moneys. Moneys earned on these investments shall be deposited in the fund and shall be used for the same purposes as other fund moneys. Any unexpended and unencumbered moneys remaining in the fund at the end of the fiscal year do not revert to the state general fund but remain in the fund, separately accounted for, as a contingency reserve.

(4) The director may adopt, amend, or repeal rules for the administration of the fund. Fund moneys, up to five percent of the fund, may be paid to the department of community development to offset the costs of administering the fund.

Sec. 6. Section 4, chapter 280, Laws of 1988 and RCW 59.22.060 are each amended to read as follows:

(1) Every landlord shall register by October 1, 1988, with the department of revenue under such rules as that department shall prescribe.

(2) Every landlord shall pay a fee of one dollar per lot per year, except for unoccupied lots, and in addition, (~~shall collect from~~) each tenant (~~on~~) residing in the park on January 1 shall pay to the landlord by January (~~the~~) 15th of each year a fee of (~~one~~) eleven dollars per year for each lot rented by the tenant. If the tenant fails to make the payment to the landlord after the landlord requests payment in writing, the landlord shall have no further obligation to collect the tenant's fee. Both fees shall be remitted by the landlord to the department of revenue under such rules as the department shall prescribe. The department of revenue shall forward the one-dollar fee per lot paid by the landlord and one dollar of the eleven-dollar fee paid by each tenant per lot to the mobile home affairs account created by RCW 59.22.070. The department of revenue shall forward the remaining ten dollars of the tenant's fee to the mobile home park relocation fund created under section 5 of this act. The fee required by this chapter, to be collected by the landlord, shall be deemed to be held in trust by the landlord until paid to the department of revenue, and any landlord who appropriates or converts the fee collected to his or her own use other than (~~the~~) payment to the department, or who charges an administrative fee to the tenant for collection of the tenants' fee, shall be guilty of a gross misdemeanor. The provisions of chapter 82.32 RCW shall apply to the collection and enforcement of this fee.

Sec. 7. Section 5, chapter 280, Laws of 1988 and RCW 59.22.070 are each amended to read as follows:

There is created in the custody of the state treasurer a special account known as the mobile home affairs account. (~~All fees collected pursuant to RCW 59.22.060 shall be placed in that account.~~)

Disbursements from this special account shall be as follows:

(1) For the two-year period beginning July 1, 1988, forty thousand dollars, or so much thereof as may be necessary for costs incurred in registering landlords and collecting fees, and thereafter five thousand dollars per year for that purpose.

(2) All remaining amounts shall be remitted to the department of community development for the purpose of implementing RCW 59.22.050 and 59.22.060.

NEW SECTION. Sec. 8. If the director determines that the fund or the account exceeds the amount needed for anticipated relocation assistance, the director may transfer excess moneys in the fund or the account to the mobile home park purchase fund in chapter 59.22 RCW.

NEW SECTION. Sec. 9. The department of community development and the office of the treasurer may implement any rules necessary to carry out this chapter.

Sec. 10. Section 8, chapter 279, Laws of 1977 ex. sess. as last amended by section 5, chapter 150, Laws of 1988 and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently

with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20-.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a 'material change' in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate:

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants twelve months' notice, except where twenty-four months' notice is required under chapter 59.-- RCW (sections 1 through 5, 8, 9, and 13 through 15 of this act), in advance of the proposed effective date of such change: PROVIDED FURTHER, That relocation assistance under chapter 59.-- RCW (sections 1 through 5, 8, 9, and 13 through 15 of this act) shall apply;

(f) Engaging in 'drug-related activity.' 'Drug-related activity' means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW.

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective twelve months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: PROVIDED, That a landlord shall not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4) or is intended to circumvent the provisions of (1)(e) of this section.

(3) Within five days of a notice of eviction as required by subsection (1)(a) or (2) of this section, the landlord and tenant shall submit any dispute, including the decision to terminate the tenancy without cause, to mediation. The parties may agree in writing to mediation by an independent third party or through industry mediation procedures. If the parties cannot agree, then mediation shall be through industry mediation procedures. A duty is imposed upon both parties to participate in the mediation process in good faith for a period of ten days for an eviction under subsection (1)(a) of this section, or for a period of thirty days for an eviction under subsection (2) of this section. It is a defense to an eviction under subsection (1)(a) or (2) of this section that a landlord did not participate in the mediation process in good faith.

NEW SECTION. Sec. 11. Sections 1 through 5, 8, 9, and 13 through 15 of this act shall constitute a new chapter in Title 59 RCW.

NEW SECTION. Sec. 12. A new section is added to chapter 43.63A RCW to read as follows:

The tenant relocation assistance account is created in the custody of the state treasurer. The tenant relocation assistance account shall include revenue from the sources established by this act, appropriations by the legislature, private contributions, and all other sources. Only the director of community development or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 13. Any public or private entity may, with the director's approval, give or loan moneys to the fund if insufficient moneys are available to pay the fund's share of relocation assistance under section 3 of this act. When sufficient moneys exist in the fund, the director shall approve the repayment of the loaned moneys to the local government. The account may, with the director's approval, loan moneys to the fund; the director shall approve repayment to the account when sufficient moneys are in the fund.

NEW SECTION. Sec. 14. The tenant may, with written approval of the tenant's attorney, waive the tenant's rights under this chapter.

NEW SECTION. Sec. 15. (1) The relocation assistance under section 3 of this act shall be available to any tenant who relocates after the effective date of this act, even though notice of the park closure may have been provided prior to the effective date of this act.

(2) The requirements of section 4 of this act, except for section 4(1) of this act, shall apply to all park-owners even though notice may have been provided by the park-owner prior to the effective date of this act. The notice requirements under section 4(1) of this act shall apply to all parks where notice of closure of the park has not been provided to the tenants prior to the effective date of this act.

NEW SECTION. Sec. 16. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION, Sec. 17. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Such license may be extended to additional places on the premises at the discretion of the board and a duplicate license may be issued for each such additional place: PROVIDED, That the holder of a master license for a restaurant in an airport terminal facility shall be required to maintain in a substantial manner at least one place on the premises for preparing, cooking and serving of complete meals, and such food service shall be available on request in other licensed places on the premises: PROVIDED, FURTHER, That an additional license fee of twenty-five percent of the annual master license fee shall be required for such duplicate licenses.

(3) The board shall have discretion to issue class H licenses outside of cities and towns in the state of Washington. Mr. Patrick moved adoption of the following amendment by Representatives Patrick, Appelwick, Vekich, Wolfe, Leonard, Prentice, Walker, Jones, Heavey and Valle:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 27, chapter 62, Laws of 1933 ex. sess. as last amended by section 1, chapter 200, Laws of 1988 and RCW 66.24.010 are each amended to read as follows:

(1) Every license shall be issued in the name of the applicant, and the holder thereof shall not allow any other person to use the license.

(2) For the purpose of considering any application for a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension or revocation of any license, the liquor control board may consider any prior criminal conduct of the applicant and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases. The board may, in its discretion, grant or refuse the license applied for. No retail license of any kind may be issued to:

(a) A person who has not resided in the state for at least one month prior to making application, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;

(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder shall be suspended or terminated, as the case may be. The board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts,

documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

Witnesses shall be allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW (~~(34.04.105)~~) 34.05.446, as now or hereafter amended. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, shall compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee shall forthwith deliver up the license to the board. Where the license has been suspended only, the board shall return the license to the licensee at the expiration or termination of the period of suspension. The board shall notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5) (a) At the time of the original issuance of a class H license, the board shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required.

(b) Unless sooner canceled, every license issued by the board shall expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the board deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter (~~(34.04)~~) 34.05 RCW, a system for staggering the annual renewal dates for any and all licenses authorized by this chapter. If such a system of staggered annual renewal dates is established by the board, the license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(6) Every license issued under this section shall be subject to all conditions and restrictions imposed by this title or by the regulations in force from time to time. All conditions and restrictions imposed by the board in the issuance of an individual license shall be listed on the face of the individual license along with the trade name, address, and expiration date.

(7) Every licensee shall post and keep posted its license, or licenses, in a conspicuous place on the premises.

(8) Before the board shall issue a license to an applicant it shall give notice of such application to the chief executive officer of the incorporated city or town, if the application be for a license within an incorporated city or town, or to the county legislative authority, if the application be for a license outside the boundaries of incorporated cities or towns; and such incorporated city or town, through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, shall have the right to file with the board within twenty days after date of transmittal of such notice, written objections against the applicant or against the premises for which the license is asked, and shall include with such objections a statement of all facts upon which such objections are based, and in case written objections are filed, may request and the liquor control board may in its discretion hold a formal hearing subject to the applicable provisions of Title 34 RCW, as now or hereafter amended. Upon the granting of a license under this title the board shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns.

(9) Written notice of applications and reapplications for licenses shall be posted conspicuously at the location(s) where business will be conducted.

(10) Before the board issues any license to any applicant, it shall give (a) due consideration to the location of the business to be conducted under such license with respect to the proximity of churches, schools, and public institutions and (b) written notice by certified mail of the application to churches, schools, and public institutions within five hundred feet of the premises to be licensed. The board shall issue no beer retailer license class A, B, D, or E or wine retailer license class C or F or class H license covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the outer property line of the school grounds to the nearest public entrance of the premises proposed for license, and if, after receipt by the school or public institution of the notice as provided in this subsection, the board receives written notice, within twenty days after posting such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. For the purpose of this section, church shall mean a building erected for and used

exclusively for religious worship and schooling or other activity in connection therewith. No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies. It is the intent under this subsection that a retail license shall not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board shall fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board shall state in a letter addressed to the private school the board's reasons for issuing the license.

((+)) (11) The restrictions set forth in the preceding subsection shall not prohibit the board from authorizing the transfer of existing licenses now located within the restricted area to other persons or locations within the restricted area: PROVIDED, Such transfer shall in no case result in establishing the licensed premises closer to a church or school than it was before the transfer.

((++)) (12) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or wholesaler license to a transferee of a retail or wholesaler license to continue the operation of the retail or wholesaler premises during the period a transfer application for the license from person to person at the same premises is pending and when the following conditions exist:

(a) The licensed premises has been operated under a retail or wholesaler license within ninety days of the date of filing the application for a temporary license;

(b) The retail or wholesaler license for the premises has been surrendered pursuant to issuance of a temporary operating license;

(c) The applicant for the temporary license has filed with the board an application for transfer of the retail or wholesaler license at such premises to himself or herself; and

(d) The application for a temporary license is accompanied by a temporary license fee established by the board by rule.

A temporary license issued by the board under this section shall be for a period not to exceed sixty days. A temporary license may be extended at the discretion of the board for an additional sixty-day period upon payment of an additional fee and upon compliance with all conditions required in this section.

Refusal by the board to issue or extend a temporary license shall not entitle the applicant to request a hearing. A temporary license may be canceled or suspended summarily at any time if the board determines that good cause for cancellation or suspension exists. RCW 66.08-.130 and chapter ((34.04)) 34.05 RCW shall apply to temporary licenses.

Application for a temporary license shall be on such form as the board shall prescribe. If an application for a temporary license is withdrawn before issuance or is refused by the board, the fee which accompanied such application shall be refunded in full.

NEW SECTION. Sec. 2. A new section is added to chapter 66.24 RCW to read as follows:

A club holding a class H liquor license may sell club liquor to the following persons:

(1) Club members;

(2) Guests;

(3) Visitors, when accompanied by a member while within the club;

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. A new section is added to chapter 10.77 RCW to read as follows:

With respect to this act, the legislature finds that among those persons who endanger the safety of others by committing felony crimes are a small number of persons with developmental disabilities. While their conduct is not typical of the vast majority of persons with developmental disabilities who are responsible citizens, for their own welfare and for the safety of others the state may need to exercise control over those few dangerous individuals who are developmentally disabled, have been charged with felony crimes, and have been found either incompetent to stand trial or not guilty by reason of insanity. The legislature finds, however, that the use of civil commitment procedures under chapter 71.05 RCW to effect state control over dangerous developmentally disabled persons has resulted in their commitment to institutions for the mentally ill. The legislature finds that existing programs in mental institutions may be inappropriate for persons who are developmentally disabled because the services provided in mental institutions are oriented to persons with mental illness, a condition not necessarily associated with developmental disabilities. Therefore, the legislature believes that, where appropriate, and subject to available funds, persons with developmental disabilities who have been charged with felony crimes and have been found incompetent to stand trial or not guilty by reason of insanity should receive state services addressing their needs, that such services must be provided in conformance with an individual habilitation plan, and that their initial treatment should be separate and discrete from treatment for persons involved in any other treatment or habilitation program in a manner consistent with the needs of public safety.

NEW SECTION, Sec. 2. A new section is added to chapter 71.05 RCW to read as follows:

With respect to this act, the legislature finds that among those persons who endanger the safety of others by committing felony crimes are a small number of persons with developmental disabilities. While their conduct is not typical of the vast majority of persons with developmental disabilities who are responsible citizens, for their own welfare and for the safety of others the state may need to exercise control over those few dangerous individuals who are developmentally disabled, have been charged with felony crimes, and have been found either incompetent to stand trial or not guilty by reason of insanity. initial treatment should be separate and discrete from treatment for persons involved in any other treatment or habilitation program in a manner consistent with the needs of public safety.

Sec. 4. Section 6, chapter 117, Laws of 1973 1st ex. sess. as amended by section 6, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.060 are each amended to read as follows:

(1) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court on its own motion or on the motion of any party shall

either appoint or request the secretary to designate at least two qualified experts or professional persons, one of whom shall be approved by the prosecuting attorney, to examine and report upon the mental condition of the defendant. At least one of the experts or professional persons appointed shall be a developmental disabilities professional if the court is advised by any party that the defendant may be developmentally disabled. For purposes of the examination, the court may order the defendant committed to a hospital or other suitable facility for a period of time necessary to complete the examination, but not to exceed fifteen days.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the examination authorized by subsection (1) of this section, and that ~~(he)~~ the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the examination shall include the following:

(a) A description of the nature of the examination;

(b) A diagnosis of the mental condition of the defendant;

(c) If the defendant suffers from a mental disease or defect, or is developmentally disabled, an opinion as to ~~(his)~~ competency;

(d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, an opinion as to the defendant's sanity at the time of the act;

(e) When directed by the court, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

Sec. 5. Section 9, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 3, chapter 215, Laws of 1979 ex. sess. and RCW 10.77.090 are each amended to read as follows:

(1) If at any time during the pendency of an action and prior to judgment, the court finds following a report as provided in RCW 10.77.060, as now or hereafter amended, that the defendant is incompetent, the court shall order the proceedings against ~~(him)~~ the defendant be stayed, except as provided in subsection (5) of this section, and, if the defendant is charged with a felony, may commit the defendant to the custody of the secretary, who shall place such defendant in an appropriate facility of the department for evaluation and treatment, or the court may alternatively order the defendant to undergo evaluation and treatment at some other facility, or under the guidance and control of some other person, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event, for no longer than a period of ninety days. A defendant found incompetent shall be evaluated at the direction of the secretary and a determination made whether the defendant is developmentally disabled. Such evaluation and determination shall be accomplished as soon as possible following the court's placement of the defendant in the custody of the secretary. When appropriate, and subject to available funds, if the defendant is determined to be developmentally disabled, he or she may be placed in a program specifically reserved for the treatment and training of persons with developmental disabilities where the defendant shall have the right to habilitation according to an individualized service plan specifically developed for the particular needs of the defendant. The program shall be separate from programs serving persons involved in any other treatment or habilitation program. The program shall be appropriately secure under the circumstances and shall be administered by developmental disabilities professionals who shall direct the habilitation efforts. The program shall provide an environment affording security appropriate with the charged criminal behavior and necessary to protect the public safety. The department may limit admissions of such persons to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. A copy of the report shall be sent to the facility. On or before expiration of the initial ninety day period of commitment the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent. If the defendant is charged with a crime which is not a felony, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the county mental health professional to evaluate the defendant and commence proceedings under chapter 71.05 RCW if appropriate; and subsections (2) and (3) of this section shall not be applicable: PROVIDED, That, upon order of the court, the prosecutor may directly petition for fourteen days of involuntary treatment under chapter 71.05 RCW.

(2) If the court finds by a preponderance of the evidence that the defendant is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ninety day period, but it must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ninety day period. The defendant, ~~(his)~~ the defendant's attorney, the prosecutor, or the judge

shall have the right to demand that the hearing on or before the expiration of the second ninety day period be before a jury. No extension shall be ordered for a second ninety-day period, nor for any subsequent period as provided in subsection (3) of this section if the defendant's incompetence has been determined by the secretary to be solely the result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension. If no demand is made, the hearing shall be before the court. The court or jury shall determine whether or not the defendant has become competent.

(3) At the hearing upon the expiration of the second ninety day period or at the end of the first ninety day period, in the case of a developmentally disabled defendant, if the jury or court, as the case may be, finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order the release of the defendant: PROVIDED, That the criminal charges shall not be dismissed if at the end of the second ninety day period, or at the end of the first ninety day period, in the case of a developmentally disabled defendant, the court or jury finds that the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, and that there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for an additional six months. At the end of said six month period, if the defendant remains incompetent, the charges shall be dismissed without prejudice and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order release of the defendant.

(4) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(5) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables ~~(him)~~ the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(6) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of examination which meets the requirements of RCW 10.77.060(3).

Sec. 6. Section 11, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 1, chapter 25, Laws of 1983 and RCW 10.77.110 are each amended to read as follows:

If a defendant is acquitted of a felony by reason of insanity, and it is found that he or she is not a substantial danger to other persons, and does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct ~~(his)~~ the defendant's final discharge. If it is found that such defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall order his or her hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter. If the defendant has been found not guilty by reason of insanity and a substantial danger, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, so as to require treatment then the secretary shall immediately cause the defendant to be evaluated to ascertain if the defendant is developmentally disabled. When appropriate, and subject to available funds, the defendant may be committed to a program specifically reserved for the treatment and training of developmentally disabled persons. A person so committed shall receive habilitation services according to an individualized service plan specifically developed to treat the behavior which was the subject of the criminal proceedings. The treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of developmentally disabled persons. The treatment program shall provide physical security to a degree consistent with the finding that the defendant is dangerous and may incorporate varying conditions of security and alternative sites when the dangerousness of any particular defendant makes this necessary. The department may limit admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. If it is found that such defendant is not a substantial danger to other persons, and does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he or she is in need of control by the court or other persons or institutions, the court shall direct ~~(his)~~ the defendant's conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody only for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

Sec. 7. Section 12, chapter 117, Laws of 1973 1st ex. sess. as amended by section 11, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.120 are each amended to read as follows:

The secretary shall forthwith provide adequate and appropriate care and individualized treatment at one or several of the state institutions or facilities under his or her direction and control wherein persons committed as criminally insane or incompetent to stand trial by reason of developmental disability may be confined. Such persons shall be under the custody and control of the secretary to the same extent as are other persons who are committed to ~~(his)~~ the secretary's custody, but such provision shall be made for their control, care, and treatment as is proper in view of their condition. In order that the secretary may adequately determine the nature of the mental illness or developmental disability of the person committed to him or her as criminally insane or incompetent to stand trial, and in order for the secretary to place such individuals in a proper facility, all persons who are committed to the secretary as criminally insane or incompetent to stand trial by reason of developmental disability shall be promptly examined by qualified personnel in such a manner as to provide a proper evaluation and diagnosis of such individual. The examinations of all developmentally disabled persons committed under this chapter shall be performed by developmental disabilities professionals. Any person so committed shall not be discharged from the control of the secretary save upon the order of a court of competent jurisdiction made after a hearing and judgment of discharge.

Whenever there is a hearing which the committed person is entitled to attend, the secretary shall send him or her in the custody of one or more department employees to the county where the hearing is to be held at the time the case is called for trial. During the time ~~(he)~~ the person is absent from the facility, he or she shall be confined in a facility designated by and arranged for by the department, and shall at all times be deemed to be in the custody of the department employee and provided necessary treatment. If the decision of the hearing remits the person to custody, the department employee shall forthwith return ~~(him)~~ the person to such institution or facility designated by the secretary. If the state appeals an order of discharge, such appeal shall operate as a stay, and the person in custody shall so remain and be forthwith returned to the institution or facility designated by the secretary until a final decision has been rendered in the cause.

Sec. 8. Section 14, chapter 117, Laws of 1973 1st ex. sess. as amended by section 12, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.140 are each amended to read as follows:

Each person committed to a hospital or other facility or conditionally released pursuant to this chapter shall have a current examination of his or her mental condition made by one or more experts or professional persons at least once every six months. Said person may retain, or if ~~(he)~~ the person is indigent and so requests, the court may appoint a qualified expert or professional person to examine him or her, and such expert or professional person shall have access to all hospital records concerning the person. In the case of a committed or conditionally released person who is developmentally disabled, the expert shall be a developmental disabilities professional. The secretary, upon receipt of the periodic report, shall provide written notice to the court of commitment of compliance with the requirements of this section.

Sec. 9. Section 2, chapter 122, Laws of 1983 and RCW 10.77.163 are each amended to read as follows:

The superintendent of each state institution designated for the custody, care, and treatment of ~~(the criminally insane)~~ persons committed under this chapter shall notify appropriate law enforcement agencies through the state patrol communications network of the furloughs of persons committed under RCW 10.77.090 or 10.77.110. Notification shall be made at least forty-eight hours before the furlough, and shall include the name of the person, the place to which the person has permission to go, and the dates and times during which the person will be on furlough. For emergency furloughs, forty-eight hours notice is not required, but notice shall be made before the departure.

Sec. 10. Section 3, chapter 122, Laws of 1983 and RCW 10.77.165 are each amended to read as follows:

In the event of an escape by a ~~(criminally insane)~~ person committed under this chapter from a state institution or the disappearance of such a person on conditional release, the superintendent shall notify as appropriate, local law enforcement officers, other governmental agencies, the person's relatives, and any other appropriate persons about information necessary for the public safety or to assist in the apprehension of the person.

Sec. 11. Section 20, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 2, chapter 25, Laws of 1983 and RCW 10.77.200 are each amended to read as follows:

(1) Upon application by the (criminally insane or conditionally released person) committed person, whether or not conditionally released, the secretary shall determine whether or not reasonable grounds exist for final discharge. If the secretary approves the final discharge he or she then shall authorize said person to petition the court.

(2) The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for final discharge, shall within forty-five days order a hearing. Continuance of the hearing date shall only be allowed for good cause shown. The prosecuting attorney shall represent the state, and shall have the right to have the petitioner examined by an expert or professional person of his choice. If the petitioner is indigent, and ~~(he)~~ the person

so requests, the court shall appoint a qualified expert or professional person to examine him or her. If the petitioner is developmentally disabled, the examination shall be performed by a developmental disabilities professional. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney. The burden of proof shall be upon the petitioner to show by a preponderance of the evidence that the petitioner may be finally discharged without substantial danger to other persons, and without presenting a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

(3) Nothing contained in this chapter shall prohibit the patient from petitioning the court for final discharge or conditional release from the institution in which he or she is committed. The issue to be determined on such proceeding is whether the petitioner is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions.

Nothing contained in this chapter shall prohibit the committed person from petitioning for release by writ of habeas corpus.

The person who has custody of the patient or is in charge of treatment shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations of the patient that have been filed with the secretary pursuant to this chapter. All records and reports made pursuant to this chapter, shall be made available only upon request, to the committed person, to his or her attorney, to his or her personal physician, to the prosecuting attorney, to the court, to the protection and advocacy agency, or other expert or professional persons who, upon proper showing, demonstrates a need for access to such records. All records and reports made pursuant to this chapter shall also be made available, upon request, to the department of corrections or the ~~(board of prison terms and paroles)~~ indefinite sentence review board if the person was on parole or probation at the time of detention, hospitalization, or commitment or the person is subsequently convicted for the crime for which ~~((they were))~~ he or she was detained, hospitalized, or committed pursuant to this chapter.

The petition for ninety day treatment shall be filed with the clerk of the superior court at least three days before expiration of the fourteen-day period of intensive treatment. At the time

of filing such petition, the clerk shall set a time for the person to come before the court on the next judicial day after the day of filing unless such appearance is waived by the person's attorney, and the clerk shall notify the designated county mental health professional. The designated county mental health professional shall immediately notify the person detained, his or her attorney, if any, and his or her guardian or conservator, if any, and the prosecuting attorney, and provide a copy of the petition to such persons as soon as possible.

At the time set for appearance the detained person shall be brought before the court, unless such appearance has been waived and the court shall advise him or her of his or her right to be represented by an attorney and of his or her right to a jury trial. If the detained person is not represented by an attorney, or is indigent or is unwilling to retain an attorney, the court shall immediately appoint an attorney to represent him or her. The court shall, if requested, appoint a reasonably available licensed physician, psychologist, or psychiatrist, designated by the detained person to examine and testify on behalf of the detained person.

The court may, if requested, also appoint a professional person as defined in RCW 71.05.020(12) to seek less restrictive alternative courses of treatment and to testify on behalf of the detained person. In the case of a developmentally disabled person who has been determined to be incompetent pursuant to RCW 10.77.090(3), then the appointed professional person under this section shall be a developmental disabilities professional.

The court shall also set a date for a full hearing on the petition as provided in RCW 71.05.310.

Sec. 15. Section 37, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 5, chapter 67, Laws of 1986 and RCW 71.05.320 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services for a further period of intensive treatment not to exceed ninety days from the date of judgment: PROVIDED, That if the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment in a facility certified for one hundred eighty day treatment by the department. If the committed person is developmentally disabled and has been determined incompetent pursuant to RCW 10.77.090(3), and the best interests of the person or others will not be served by a less-restrictive treatment which is an alternative to detention, the court shall remand him or her to the custody of the department of social and health services or to a facility certified for one hundred eighty-day treatment by the department. When appropriate and subject to available funds, treatment and training of such persons must be provided in a program specifically reserved for the treatment and training of developmentally disabled persons. A person so committed shall receive habilitation services pursuant to an individualized service plan specifically developed to treat the behavior which was the subject of the criminal proceedings. Said treatment program shall be administered by developmental disabilities professionals and others trained specifically in the needs of developmentally disabled persons. The department may limit admissions to this specialized program in order to ensure that expenditures for services do not exceed amounts appropriated by the legislature and allocated by the department for such services. The department may establish admission priorities in the event that the number of eligible persons exceeds the limits set by the department. An order for treatment less restrictive than involuntary detention may include conditions, and if such conditions are not adhered to, the designated mental health professional or developmental disabilities professional may order the person apprehended under the terms and conditions of RCW 71.05.340 as now or hereafter amended.

If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment: PROVIDED, That if the grounds set forth in RCW 71.05.280(3) are the basis of commitment, then the period of treatment may be up to but not exceed one hundred eighty days from the date of judgment.

(2) Said person shall be released from involuntary treatment at the expiration of the period of commitment imposed under subsection (1) of this section unless the superintendent or professional person in charge of the facility in which he is confined, or in the event of a less restrictive alternative, the designated mental health professional or developmental disabilities professional, files a new petition for involuntary treatment on the grounds that the committed person:

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another, or substantial damage upon the property of another, and (ii) as a result of mental disorder or developmental disability presents a likelihood of serious harm to others: or

(b) Was taken into custody as a result of conduct in which he attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder or developmental disability a likelihood of serious harm to others; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder or developmental disability presents a substantial likelihood of repeating similar acts considering the charged criminal behavior, past life history, progress in treatment, and the public safety; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in subsections (b) and (c) of this section was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to reprove that element. Such new petition for involuntary treatment shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this subsection are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided herein above. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. No person committed as herein provided may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

NEW SECTION, Sec. 16. A new section is added to chapter 10.77 RCW to read as follows:

POINT OF ORDER

Mr. R. Meyers: Thank you, Mr. Speaker. I would like a ruling on the scope and object of the Appropriations Committee amendment.

SPEAKER'S RULING

The Speaker: Representative Meyers, I find that the original House Bill No. 1768 dealt in a very straightforward manner with state fees imposed on building permits. I find that the committee amendment deals with such extra areas as directing the Department of Social and Health Services to identify advisory levels for indoor air quality; directing the State Building Code Council to include a review of techniques to reduce indoor air pollution; and requiring the Council to develop ventilation and control standards. I find that the amendment does not perfect, but attempts to expand the scope of that bill. I, therefore, find that your point is well taken; that the amendment is outside the scope and object of the original bill.

The bill was ordered engrossed. With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Todd spoke in favor of passage of the bill.

ROLL CALL

The industry should contribute funds to local government for these purposes and pay an excise tax in a manner and at a rate consistent with taxes paid on the harvest of free-swimming fish.

NEW SECTION. Sec. 11. In addition to all other taxes, licenses, or fees provided by law, there is established an excise tax on the harvesting of fish raised in salt water net pens. The tax is levied upon and shall be collected at the first commercial transaction on adult fish from the owner of the fish in the net pen. The tax shall be imposed at a rate of one and one-fourth cents per pound.

NEW SECTION. Sec. 12. All of the provisions of chapters 82.02 and 82.32 RCW shall be applicable and have full force and effect with respect to taxes imposed under this chapter. The meaning attributed to words and phrases in chapter 82.04 RCW, insofar as applicable, shall have full force and effect with respect to taxes imposed under this chapter.

NEW SECTION. Sec. 13. The taxes levied by this chapter shall be due for payment monthly and remittance therefor shall be made on or before the fifteenth day of the month next succeeding the end of the month in which the tax accrued. The taxpayer on or before the due date shall make out a signed return, setting out such information as the department of revenue may require, including the number of fish harvested and the amount of tax due for the preceding monthly period, which amount shall be transmitted to the department along with the return.

The department may relieve any taxpayer from the obligation of filing a monthly return and may require the return to cover other periods, but in no event may periodic returns be filed for a period greater than one year.

NEW SECTION. Sec. 14. All taxes collected by the department of revenue under this chapter shall be deposited in the state general fund and appropriated exclusively to the department of ecology for use as grants to local governments for the purpose of defraying the costs associated with the planning, siting, monitoring, and regulating of salt water net pens. Up to fifteen percent of these moneys may be used by the department of ecology to defray administrative costs. If at the end of any biennium the department of ecology certifies to the director of financial management that any of the revenues from the excise tax under section 12 of this act are surplus to current needs, the state treasurer shall transfer the surplus into the aquatic land enhancement account.

NEW SECTION. Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 16. Sections 1 through 7 of this act are each added to chapter 90.58 RCW.

NEW SECTION. Sec. 17. Sections 10 through 14 of this act shall constitute a new chapter in Title 82 RCW.

NEW SECTION. Sec. 18. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989. INVOCATION

by
Fr. Joe Maguire, S.J.

Fr. Maguire: It seems only fitting that today we address our prayer not only to God, our Loving Father, but also ask for the intercession of the great Saint Patrick, His most faithful missionary to the mystical country of Ireland, on this his Feast Day.

On this special day we celebrate fifty years of dedicated public service by John L. O'Brien to the people of this great state, and also his never-failing allegiance to his God and Father through all of these years. The State of Washington and all of the people of this area are so much richer today for the prudence, wisdom, understanding and enlightened guidance of this great man in many different areas. It is indeed right and just that this magnificent building, known until now as the House Office Building, will, from now and for generations to come, be known as the John L. O'Brien Building.

So, dear Father and Saint Patrick, look down upon John, his lovely wife Mary, his family and friends, all his fellow workers, and bless them and their work. Bless all who will labor in this building for years to come for the good of this state, and may the example and spirit of John L. O'Brien forever be a beacon to them. We ask this in the name of the Lord. Amen.

St. Patrick's Anthem Fr. Brian Hart
Chaplain, Submarine Base Bangor

PROCLAMATION BY THE GOVERNOR

WHEREAS, John L. O'Brien is serving his twenty-fifth term in the Washington State House of Representatives, the longest tenure of anyone in Washington state history; and

WHEREAS, Representative O'Brien has served on all of the major legislative committees, many interim committees and other distinguished legislative bodies; and

WHEREAS, Representative O'Brien knows more about the members of the Legislature and the creation of state law than most of us will ever learn and, therefore, has some great stories to tell; and

WHEREAS, some of his past and present colleagues probably wish he would, in fact, forget certain details of the past; and

WHEREAS, his compatriots in the House of Representatives have chosen St. Patrick's Day to honor a most responsible consumer of the beverage that we closely identify with his ancestral homeland of Ireland; and

WHEREAS, in all seriousness, John L. O'Brien will be remembered by all future Washingtonians as the namesake for the House Office Building in Olympia, which will be known from this day forward as the John L. O'Brien House Office Building;

NOW, THEREFORE, I, Booth Gardner, Governor of the State of Washington, do hereby proclaim March 17, 1989, as

PRESENTATION OF GIFT
BY
SECRETARY OF STATE

Secretary of State Munro: John, we want to present to you an official Irish centennial product, made in Spokane. It's called MacAroni--some are orange and some are green and they are all in the shape of Washington State. We hope you enjoy that--perhaps for dinner tonight. We also want to loan you our shillelagh. We know that times get tough here on the Speaker's platform, so we thought you could use a good shillelagh for this day. Thank you.

LETTER
FROM
PRESIDENT GEORGE BUSH

The Speaker (Ms. Hine presiding) invited Representative Ballard to the rostrum.

Mr. Ballard: It is my pleasure today to share a special letter to a very special person. With your permission I would like to read the letter:

The White House
March 15, 1989

The Honorable John L. O'Brien
Speaker Pro Tempore
House of Representatives
State of Washington
Olympia, Washington

Dear Mr. Speaker:

I am pleased to extend my warm congratulations on the fiftieth anniversary of your first election to the Washington State House of Representatives, especially as your beloved Evergreen State celebrates its centennial.

This is a proud and historical moment for you, your constituents and colleagues, because rarely in the history of our country has a person served his fellow citizens with such distinction for so many years. During a tenure spanning ten Presidents, from Franklin Roosevelt to my own, you have witnessed and been a participant in some of the great events of our century. Your legislative skill and able handling of each of the major House leadership posts have won you the everlasting esteem of your colleagues on both sides of the aisle. And your constituents--they just keep electing you.

Mr. Speaker, you are an inspiration to all who serve this great country. Barbara and the entire Bush family join me in sending best wishes.

Sincerely,
George Bush

PRESENTATION OF CERTIFICATE OF APPRECIATION
BY
NATIONAL CONFERENCE OF STATE LEGISLATURES

The Speaker (Ms. Hine presiding) invited Mr. Karl Kurtz, Executive Director of State Services, National Conference of State Legislatures, to the rostrum.

Mr. Kurtz: All of John's constituents and all of you in the House of Representatives and, I trust, in the Senate know John extremely well. Your love and affection for him is apparent here today.

I am here, though, to tell you that legislators all around the country know, love, revere and honor John O'Brien. He has had a long and distinguished career of activities in interstate organizations. In 1968 he was President of the National Conference of State Legislative Leaders, one of the predecessor organizations of today's NCSL. I think you are all aware of the yeoman duty that he did as Co-Chair of NCSL's 1985 Annual Meeting in Seattle.

What many of you may not be aware of, though, is that, as of January 1989, John O'Brien became an answer to a national legislative trivia question--one we get asked all the time--namely, who is the longest serving legislator in the United States? As of January, with the retirement of a State Senator in Montana who was elected the same year as John and had two more years of service, the answer to that question became John O'Brien. So, John, I think that makes you, among the 7,462 legislators in the United States, number one.

On behalf of NCSL, I would like to present this certificate of appreciation:

Congratulations and sincere appreciation
to

Speaker Pro Tempore John L. O'Brien
for his years of dedication to the legislative process
and service to the National Conference of State Legislatures and President of the
National Conference of State Legislative Leaders

Sommers, Spanel, Sprenkle, Tate, Todd, Van Luven, Vekich, Walk, Walker, Wang, K. Wilson, S. Wilson, Wineberry, Winsley, Wolfe, Wood, Youngsman and Zellinsky

WHEREAS, Members of the House of Representatives have honored many citizens throughout the past one hundred years, including constituents and friends; and

WHEREAS, The wives and husbands of legislators have been absent from those that have been recognized and honored; and

WHEREAS, The wives and husbands of legislators often have been the closest friends and confidants, providing assurance and encouragement; and

WHEREAS, One great lady has been in this position for more years than any other person, including all the years of her married life; and

WHEREAS, During this Centennial year it is fitting and proper to recognize her as representative of all legislators' spouses, past and present;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives designate Mary O'Brien, wife of Speaker Pro Tempore John L. O'Brien, and mother of Laureen, John Jr., Mary Ann, Karen, Jeannie and Paul O'Brien as Honorary First Lady of the Washington State House of Representatives; and

BE IT FURTHER RESOLVED, That Honorary First Lady Mary O'Brien be recognized as a symbol of all wives and husbands who unselfishly give of their patience, charm, encouragement, love, laughter, tears and dedication to the people of the State of Washington; and

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives present copies of this Resolution to Mary O'Brien and to the O'Brien children, Laureen, John Jr., Mary Ann, Karen, Jeannie and Paul as a reminder of the many contributions that Mary has made to Washington State as the wife and helpmate of John L. O'Brien.

Mr. Locke moved adoption of the resolution.

Mr. Locke: Madame Speaker and members of the body: It has been a true delight for me, over the last several years, to have worked with Speaker O'Brien, and more importantly, Mary O'Brien.

As many of you know, Speaker O'Brien had a tough reelection campaign this past summer, and, quite frankly, many of us in the district, in the community, and in these chambers were very much in fear of losing John O'Brien, because it was one on one with a very credible and very well-financed opponent. We were trying to get John O'Brien to change his method of campaigning, the type of brochures he had, and to even go out and doorbell—a very foreign thought to Representative O'Brien. It was Mary O'Brien who prevailed and supported many of us in the community in throwing out all of John O'Brien's past methods of campaign brochure designs and even the colors. John wanted to use the old blue and white, and we said, "Forget that." We used modern colors and modern graphics, and that is because of Mary O'Brien. We had many a campaign meeting in their house, and Mary O'Brien was the perfect hostess as well as the instigator, behind the scenes, of some of our shenanigans. She has been a prime force not only in his campaign and as his helpmate through their thirty-seven years of marriage, but she has been the gracious hostess and organizer of many events for Democratic campaigns and Democratic fundraisers for all of the people of the State of Washington. She is a truly outstanding person; she changes with the times and is truly a modern lady. I urge your support for this resolution.

Mr. Prince: Madame Speaker, ladies and gentlemen of the body: It is an honor to have the opportunity to second this resolution. This resolution honoring you, Mary, brings honor, not only to you, but to all our spouses. More importantly, I think it honors us all, because at long last we, as a body, and society, as a whole, are starting to give recognition to those who make it possible for us to be here—our spouses. Without you, what we accomplish would not happen. And most of us

would not be here without a supporting spouse. I think this chamber can take pride in the fact that, at the same time we honor a very proper lady, we at long last recognize the people who make this all happen—our spouses. Thank you.

Mr. Day: Madame Speaker and members of the body: Rising as a member of a political family and a family that also had a Speaker, my father, I truly understand how much support and dedication it takes from a family, and especially a spouse, to survive this process and what goes on around here. My folks ended in a divorce after my father served as Speaker. That woman up there lasted four terms; that really means something, especially to me. During all the receptions and all the late nights stuffing, stamping and sealing, there was someone operating and that was Mary O'Brien. There is a foundation for the institution of John O'Brien. And that is Mary O'Brien. Hats off to you, Mary.

House Floor Resolution No. 89-4639 was adopted.

Mrs. O'Brien: Thank you. You people are great. Thank you very much.

Danny Boy Fr. Joe Maguire, S.J.

The Speaker assumed the Chair.

NOW, THEREFORE, BE IT RESOLVED, By the Washington State House of Representatives, That the Director of General Administration is hereby directed to rename the building, currently referred to as the House Office Building, the John L. O'Brien Building; and

BE IT FURTHER RESOLVED, That all appropriate House of Representatives stationery reflect the name change as soon as it is economically possible; and

BE IT FURTHER RESOLVED, That this Resolution be forwarded to the Honorable John L. O'Brien, Speaker Pro Tempore; the Honorable Booth Gardner, Governor of the State of Washington; and Wendy Holden, Director of the Department of General Administration.

Mr. Ebersole moved adoption of the resolution.

Mr. Ebersole: Mr. Speaker, it is with a great deal of admiration and affection that I rise to offer this resolution. This is an historic day. John O'Brien, John L. O'Brien, Representative O'Brien, Speaker O'Brien, Monsignor O'Brien, Father O'Brien has been around a long time. He has accomplished much. When John was first appointed to the House in 1939, there was no House Office Building. Members did not have offices; members had desks on the floor of the House and worked from their desks. The building that is now HOB was not built until 1940, and the Legislature did not get its hands on the building until 1967.

But John endured without an office and he rose to the top. John was elected Speaker four consecutive times and Speaker Pro Tempore seven or eight times. John has served, as you have heard, in one legislative body longer than anyone in the history of the country, and John has accomplished much. He has been a champion of the arts. He has stood up for the disadvantaged.

It is right and proper today, on St. Patrick's Day, that we have this historic occasion. St. Patrick's Day began in the Seventh Century without John O'Brien present. John was not alive in the Seventh Century. It is hard to imagine a St. Patrick's Day without John present. John is a good Irish Catholic boy. He has the quick wit of an Irishman and the quick temper of an Irishman, especially when he detects a double cross, but let it be noted that the O'Brien Port Merger Bill did pass the House, as have hundreds of other bills over the decades.

John has many friends here today in the galleries; John has friends in high places everywhere—in Olympia, Seattle and Rome. Tread lightly; tread lightly when approaching issues that John holds dear. Your bill may not go through; your divorce may not go through; your marriage may not go through.

A few years ago the Senate Office Building was renamed the John Cherberg Building. Now, today, and for all time, we will have two magnificent buildings across the way, standing side by side, silent reminders of two magnificent gentlemen who stood together as the two giants of the Washington State Legislature.

Ladies and gentlemen, join with me in endorsing this resolution, naming the House Office Building the John L. O'Brien Building.

Mr. Ballard: Mr. Speaker, ladies and gentlemen: I will take just a moment to join our colleagues on the other side in honoring an individual who, I can say with all sincerity, has turned out to be a dear friend and a trusted person with whom to work. He is a person who has helped many of us. He is a person of fairness. I think back to the first year that I was in the Legislature as a freshman when Speaker O'Brien told us the rules and regulations and how to get bills passed and things like that. The only thing I have to say is that I am not sure that he told us all the tricks; I think he held some of those back. In fact, there have been times, after he told us how the system worked, that we had to question some of his rulings as they weren't always the same as what he had told us that first day--the prerogative of the Speaker.

It is a unique individual who can go through a system such as this, with ninety-eight different individuals from all walks of life, as a true friend--one who

has served Washington well and one we are all proud of. I would like to join the Majority Leader in saying that we heartily endorse this resolution. Thank you.

Mr. Heavey: Mr. Speaker, fellow members, distinguished guests, ladies and gentlemen: The Irish people are the most passionate on earth. Who else would stand in line to kiss a rock? We are here to honor a man we all know very well and, what the heck, we are going to honor him anyway. When I was growing up in Seattle—I also came from a political family—John O'Brien was a legend and a role model for me. In 1954, when he and his twin brother took Seattle U to the final four in basketball, we were so proud of him.

There are many, many facets to this man, John L. O'Brien. Physically, his sartorial splendor is only matched by his bearing and stature when he walks, stands and speaks. Mentally, he is quick of mind and astute. He does not want to know what the issue is; he transcends that and wants to know who is for it and who is against it. Emotionally, he is quick of temper, but that temper is quick to subside—fortunately, for me. When he smiles and chuckles with that twinkle in his eye, we all know where the song, "When Irish Eyes Are Smiling," comes from. He has a spiritual side, too. He has studied the great questions of the universe that have perplexed philosophers and theologians over the centuries. For example, he wonders why the word "abbreviated" is so long; he wonders what they pack styrofoam in when they ship it—thoughts that perplex us all.

After today the HOB will be the John L. O'Brien Building. Buildings are quick to assume nicknames. The Senate Office Building has quickly become the Cherberg Building and, every once in awhile, the JAC Building. This will probably be the O'Brien Building very quickly; it could be the JOB; it could be the job; it could be the Job. Many of you know the Biblical story of Job. God made a bet with the devil that whatever happened to Job, Job would stay faithful. They took Job's family; they took his property; he became diseased; he was covered with boils and they put him on an anthill. He still remained faithful. Let's face it, the House of Representatives is sometimes not an easy place to live. Some say House members need two tickets to go to the zoo—one to get in and one to get out. I have often called this place the ant farm, because we are down here, little ants running around and getting on top of each other and piling on top of each other. And no one is really watching us. We think everybody is watching us, but everyone else is living their lives. I submit to you that a man, who can sit on this ant farm for fifty years, surely has the patience and is as faithful as Job. So, if a nickname comes, I hope that the nickname will be the Job Building.

Today, March 17, St. Patrick's Day, John L. O'Brien makes all of us who are Irish proud to be Irish. The opening line in the resolution speaks for itself. "Whereas, No other individual has served the House of Representatives with such distinction, dedication and devotion as the Honorable John L. O'Brien." John O'Brien is a rare political leader. Throughout his life he has shown himself to be a man who did not shrink from the struggles and difficulties that face our state. He has seen the unemployed and helped them to obtain work. He has seen the physically disabled and helped to provide them with training. He has seen the homeless and provided them with housing. It is, therefore, fitting and proper that John O'Brien, who has contributed so much to so many, be honored in this way. In the final analysis, the problems that we face in this state, as a community and nation, cannot be overcome by one party, sex, race, or age. Only by working together can we overcome these concerns.

John O'Brien knows this. He has taught us about faith, human intelligence, human will and human decency. We know that in the long run, with God's help, these are the forces which bring us together and improve the quality of life for all citizens. I have a great deal of affection for this man and I am very proud to know that he is a friend of mine. It is a great honor to commend this resolution to you and to the body. Thank you.

Mr. Patrick: Mr. Speaker and ladies and gentlemen of the House: I really appreciate the comments from the other speakers in reference to John O'Brien. John, as you well know, I am Irish like you. I certainly have the same kind of temper that you have. When I was a youngster, I was raised in John O'Brien's district. My parents were staunch Democrats and still are. The neighborhood I lived in,

John, was entirely Italian with the exception of one Irish family, and that was us. We were the "potato heads"—I am sure John remembers that term very well. Those were fighting words to an Irishman, and I can tell you that I was in many a fight, most of which I won. Unfortunately, I had a bad habit of leading with my nose, and I broke my nose seven times. I learned something from you, John, and that is the art of compromise. I married one of those Italian beauties from that neighborhood. We don't fight anymore, but our kids do. In my home John O'Brien was second to God, and I mean a very close second. I think it was a little much when my parents asked us to genuflect when your name was mentioned in our home.

John, you are a good Irishman; you are everything an Irishman stands for. You have a hot temper; you are a passionate person; you are a good Catholic; you have sired a large family. All the children in my family became Republicans, and I think my parents believe that we somehow blasphemed you. We still have very high regard for you, John O'Brien. Even though you are a Democrat and I am a Republican, I have always admired the fact that you have stood up for your principles and you have always maintained the Democrat line and that is extremely healthy.

I don't think all of you know that John is the son of a police officer, who died in the line of duty in the City of Seattle. John has been one of the best friends of law enforcement officers in this state ever. I think that I speak on behalf of all police officers in the state in honoring you today and in the respect that we show you. John, you have blessed us over the years and may God bless you for the remainder of your life. Thank you.

Mr. Basich: I am not Irish; I am southern European. There is some discussion that St. Patrick may have been a Roman who came to Ireland. I didn't know about this and presented the problem to Speaker O'Brien. I said, "What about St. Patrick? Did he come from Rome or Ireland?" He said, "Representative Basich, I can assure you that St. Patrick is one hundred percent Irish." So that is what he told me. I notice some people are wearing "Kiss me; I'm Irish" buttons today. I just wish he would nod if I can wear "Kiss me; I'm Croatian." As a newcomer, I just want to say that you are a fine gentleman, a top legislator, and a great host for all our St. Patrick's Day celebrations. Thank you. Thanks to your wife and your great family. Thank you very much.

Mr. Locke: I also urge the members of the body to support the resolution. I think it is important that we recognize, while John O'Brien is certainly an institution among us and we remember him very fondly given all the different encounters we have had with him over the years—good and bad—and have seen his temper and his wit, that quite frankly he is an institution even within his own district. He had a tough race this past primary election, but he won it with outstanding fashion and got a resounding sixty-one percent of the vote, by using about ten mailings in the last ten days, a variety of colors and themes, and even pulling out one picture of himself and his entire family after his father was killed. It was a reprint from an old Seattle newspaper back in about 1923 or so. The district has changed over the years, and John has changed as well. While his story and his contributions have not always been well told to the district, the district now firmly supports John O'Brien, is aware of his contributions to the state and to that district and, as a result of that, gave him an overwhelming show of support in the last primary election. He has never had a problem in the general election because we are somewhat solidly Democratic as many of you on the other side of the aisle have learned over the years, when you have put up some rather crazy characters against us. Truly, John is not only beloved here in these chambers and in the Olympia area, but he is very much beloved in his own district. I urge your support. Thank you.

The Speaker called on Speaker Pro Tempore O'Brien to preside.

The Speaker Pro Tempore recognized The Honorable Joseph E. King, Speaker of the House of Representatives.

The Speaker: Thank you, Mr. Speaker. Members of the body and distinguished guests who are with us today: The proceedings of this body are guided by Reed's Rules, a parliamentary manual we seldom have to read because Speaker O'Brien frequently quotes to us from it.

Reed's Rule 40 states that a presiding officer, in this body that is the Speaker of the House, rarely takes the floor, but Reed's also acknowledges that the occupant of the Chair may properly do so on great occasions. The Rule concludes, and I quote, "of these occasions he [Reed's is not gender neutral, I regret to say] must be the sole judge, having in view all considerations." Well, having in view all considerations, I judge this to be, under Reed's Rule 40, a great occasion. Therefore, I feel authorized to take the floor to offer a summation of this splendid program.

It is this: That all we have been about here this morning constitutes a proper tribute to a great legislator and a fitting acknowledgement of appreciation and friendship to which I wish to add my own thanks to you, John, and to Mary and to the family. From all of us associated with the Washington State House of Representatives, our best wishes and very warmest regards.

The Speaker resumed the Chair.

House Floor Resolution No. 89-4638 was adopted.

Speaker Pro Tempore O'Brien: Mr. Speaker, ladies and gentlemen of the House: This occasion is beyond my wildest dreams. I never thought that I would have this great honor and these tributes paid to me. I have had a thousand experiences in this House of Representatives in every shape and form, but this experience is probably the greatest that I have ever had.

To live and be part of this institution is hard to describe. You are associated with such great people. My friends in the rear of the Chamber can tell you some of the things that have happened in my legislative career. For example, the first time I was elected as Speaker of the House, the vote was fifty to forty-nine. The vote was very tight, and the person who was nominated for Speaker from the other side was going to vote for himself, so I had to vote for myself. One of our legislators from Spokane County had been in an accident in the mountains on Snoqualmie Pass and ended up in the hospital. We brought in this legislator in a wheelchair to vote for me. Another time the same year, on the same occasion for the same purpose, we brought in a legislator from Everett in an ambulance. For four hours he lay flat on his back while we were determining who was going to be the Speaker nominee. All of these things are part of my history. The four-day filibusters. One night I hit the gavel and this block on the rostrum flew up. Another night I went into the Speaker's office to call the State Patrol, because the legislators were terribly upset with me. One of the legislators, who weighed about two hundred and eighty pounds, a former basketball star from Stanford University, came into the office and I felt that I was home free. Some of these experiences, of course, bring back great memories. One in particular happened when I first came here as a young person. I seconded the nomination for the Speaker of the House at that time. A lady from Spokane, one of the legislators who sat in back of me, said, "Memorize your speech and look at that far corner and give it." I did, and it was an honor to be able to second the nomination for the person who became Speaker of that session.

God has been very good to me to give me the opportunity to be associated with some of the finest people in the world. Being part of this institution for so long, where everything pivots in the State of Washington, seems to me to be an indelible experience which I have been fortunate to have. To be associated with so many people here, so many people in my district, my family, my wife and kids. Many times we have been through some tough struggles. We have had our peaks and valleys. We have a tremendous number of friends who are involved with us. It is something that I cherish very deeply.

The fact that I am able to be associated with such very fine people here is something that means a great deal to me. I think that all of you who share this, from time to time, are involved in fraternalism that you don't find anywhere else--our close relationship, the fact that we are able to give and take, and that sometimes we have to make tough decisions that affect friends on both sides of the issue.

In closing, I want to thank each and every one of you, the staff, and my secretary, Mary Walker—who didn't tell me very much about this at all—for this wonderful occasion, because it is something that will live in my memory forever. Thank you very much.

**CENTENNIAL MESSAGE
FROM THE WASHINGTON STATE HISTORICAL SOCIETY**

March 20, 1989

On this day in 1889, the Puyallup Indian Tribe voted against selling some of its reservation land to a railroad (41 years, 73 days). Chief Tommy Lane argued against the sale, saying "If we sell this land, our waterfront is gone, and ... other companies will buy up other parts until nothing is left of our reservation ... O, my people, keep a fast hold on the remains of the once vast country you owned." And Robert O. Lee, the first black man to be admitted to the practice of law in Washington Territory, was admitted to the bar. He came from Springfield, Illinois, where he was a practicing lawyer before the Illinois Supreme Court.

On March 20, 1926 the completion of the Loop Road made Lake Quinault a tourist mecca, and on March 20, 1961 the Governor signed legislation defining community colleges and setting their basic rules.

Support payments for the prisoner's dependents, if

any, shall be made as directed by the court. With the prisoner's consent, the remaining funds may be used to pay the prisoner's preexisting debts. Any remaining balance shall be returned to the prisoner.

(e) ~~((With court approval))~~ The prisoner's sentence may be reduced by ~~((one-third if the prisoner's conduct, diligence, and general attitude merit the reduction))~~ earned early release time in accordance with procedures that shall be developed and promulgated by the work release facility. The earned early release time shall be for good behavior and good performance as determined by the facility. In no case may the aggregate earned early release time exceed one-third of the total sentence.

(f) If the work release prisoner violates the conditions of custody or employment, the prisoner shall be returned to the sentencing court. The sentencing court may require the prisoner to spend the remainder of the sentence in actual confinement and may cancel any earned reduction of the sentence.

(4) A special detention facility may be operated by a noncorrectional agency or by non-correctional personnel by contract with the governing unit. The employees shall meet the standards of training and education established by the criminal justice training commission as authorized by RCW 43.101.080. The special detention facility may use combinations of features including, but not limited to, low-security or honor prisoner status, work farm, work release, community review, prisoner facility maintenance and food preparation, training programs, or alcohol or drug rehabilitation programs. Special detention facilities may establish a reasonable fee schedule to cover the cost of facility housing and programs. The schedule shall be on a sliding basis that reflects the person's ability to pay.

Sec. 2. Section 2, chapter 486, Laws of 1987 and RCW 43.43.832 are each amended to read as follows:

(1) The legislature finds that businesses and organizations providing services to children or developmentally disabled persons need adequate information to determine which employees or licensees to hire or engage. Therefore, the Washington state patrol criminal identification system may disclose, upon the request of a business or organization as defined in RCW 43.43-.830, a prospective employee's record for convictions of offenses against children or other persons, adjudications of child abuse in a civil action, and disciplinary board final decisions and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision. When necessary, applicants may be employed on a conditional basis pending completion of such a background investigation.

(2) The legislature also finds that the state board of education may request of the Washington state patrol criminal identification system information regarding a certificate applicant's record for convictions under subsection (1) of this section.

(3) The legislature also finds that law enforcement agencies, the office of the attorney general, prosecuting authorities, and the department of social and health services may request this same information to aid in the investigation and prosecution of child and adult abuse cases and to protect children and adults from further incidents of abuse.

(4) The legislature further finds that the department of social and health services, when considering persons for state positions directly responsible for the care, supervision, or treatment of children or the developmentally disabled or when licensing or authorizing such persons or agencies pursuant to its authority under chapter 74.15 RCW, must consider the information listed in subsection (1) of this section. However, when necessary, persons may be

employed on a conditional basis pending completion of the background investigation. The state personnel board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

Sec. 3. Section 3, chapter 486, Laws of 1987 and RCW 43.43.834 are each amended to read as follows:

(1) A business or organization shall not make an inquiry to the Washington state patrol under RCW 43.43.832 or an equivalent inquiry to a federal law enforcement agency unless the business or organization has notified the applicant who has been offered a position as an employee or volunteer that an inquiry may be made.

(2) A business or organization shall require each applicant to disclose to the business or organization whether the applicant has been:

(a) Convicted of any crime against children or other persons;

(b) Found in any dependency action under RCW 13.34.030(2)(b) to have sexually assaulted or exploited any minor or to have physically abused any minor;

(c) Found by a court in a domestic relations proceeding under Title 26 RCW to have sexually abused or exploited any minor or to have physically abused any minor; or

(d) Found in any disciplinary board final decision to have sexually abused or exploited any minor or to have physically abused any minor.

The disclosure shall be made in writing and signed by the applicant and sworn under penalty of perjury. The disclosure sheet shall specify all crimes against children or other persons as defined in RCW 43.43.830.

(3) The business or organization shall pay such reasonable fee for the records check as the state patrol may require under RCW 43.43.838.

(4) The business or organization shall notify the applicant of the state patrol's response within ten days after receipt by the business or organization. The employer shall provide a copy of the response to the applicant and shall notify the applicant of such availability.

(5) The business or organization shall use this record only in making the initial employment or engagement decision. Further dissemination or use of the record is prohibited. A business or organization violating this subsection is subject to a civil action for damages.

(6) An insurance company shall not require a business or organization to request background information on any employee before issuing a policy of insurance.

(7) The business and organization shall be immune from civil liability for failure to request background information on a prospective employee or volunteer unless the failure to do so constitutes gross negligence.

Sec. 4. Section 5, chapter 486, Laws of 1987 and RCW 43.43.838 are each amended to read as follows:

(1) After January 1, 1988, and notwithstanding any provision of RCW 43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or civil adjudication record pertaining to any person for whom the state patrol or the federal bureau of investigation has a record upon the written request of:

(a) The subject of the inquiry;

(b) Any business or organization for the purpose of conducting evaluations under RCW 43.43.832;

(c) The department of social and health services;

(d) Any law enforcement agency, prosecuting authority, or the office of the attorney general; or

(e) The department of social and health services for the purpose of meeting responsibilities set forth in chapter 74.15 RCW. However, access to conviction records pursuant to this subsection (1)(e) does not limit or restrict the ability of the department to obtain additional information regarding conviction records and pending charges as set forth in RCW 74.15.030(2)(b).

After processing the request, if the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or adjudication record shows no evidence of a crime against children or other persons, an identification declaring the showing of no evidence shall be issued to the applicant by the state patrol and shall be issued within fourteen working days of the request. Possession of such identification shall satisfy future background check requirements for the applicant for a two-year period.

(2) The state patrol shall by rule establish fees for disseminating records under this section to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by rule establish fees for disseminating records in the custody of the national crime information center. The fees shall cover, as nearly as practicable, the direct and indirect costs to the state patrol of disseminating the records: PROVIDED, That no fee shall be charged to a nonprofit organization, including school districts and educational service districts, for the records check.

(3) No employee of the state, employee of a business or organization, or the business or organization is liable for defamation, invasion of privacy, negligence, or any other claim in

connection with any lawful dissemination of information under RCW 43.43.830 through 43.43.840 or RCW 43.43.760.

(4) Before July 26, 1987, the state patrol shall adopt rules and forms to implement this section and to provide for security and privacy of information disseminated under this section, giving first priority to the criminal justice requirements of this chapter. The rules may include requirements for users, audits of users, and other procedures to prevent use of civil adjudication record information or criminal history record information inconsistent with this chapter.

(5) Nothing in RCW 43.43.830 through 43.43.840 shall authorize an employer to make an inquiry not specifically authorized by this chapter, or be construed to affect the policy of the state declared in chapter 9.96A RCW.

Sec. 5, Section 6, chapter 486, Laws of 1987 and RCW 43.43.840 are each amended to read as follows:

(1) The supreme court shall by rule require the courts of the state to notify the state patrol of any dependency action under RCW 13.34.030(2)(b) or domestic relations action under Title 26 RCW in which the court makes specific findings of physical abuse or sexual abuse or exploitation of a child.

(2) The department of licensing shall notify the state patrol of any disciplinary board final decision that includes specific findings of physical abuse or sexual abuse or exploitation of a child.

(3) When a business or an organization terminates, fires, dismisses, fails to renew the contract, or permits the resignation of an employee because of crimes against children or other persons, and if that employee is employed in a position requiring a certificate or license issued by a licensing agency such as the state board of education, the business or organization shall notify the licensing agency of such termination of employment."

MOTION

On motion of Mr. Ebersole, the bills listed on today's committee reports under the fifth order of business were referred to the committees so designated.

There being no objection, the House advanced to the eleventh order of business.

POINT OF PERSONAL PRIVILEGE

Mr. Baugher: Thank you, Mr. Speaker. Having spent ten hours on the seat of a tractor this weekend, as a member of a declining industry and one of the few real farmers in the Legislature, I would like to call attention to National Ag Day, March 20, 1989. We in America spend three hundred and eighty billion dollars a year eating at home and one hundred and fifty billion dollars eating in restaurants and other commercial eating establishments, which employ six million people. So, if you eat, you are a part of agriculture.

MOTION

On motion of Mr. Ebersole, the House adjourned until 10:00 a.m., Wednesday, March 22, 1989.

JOSEPH E. KING, Speaker

ALAN THOMPSON, Chief Clerk

CENTENNIAL MESSAGE
FROM THE WASHINGTON STATE HISTORICAL SOCIETY

March 22, 1989

On this day in 1889, businessman Miles C. Moore was surprised when he arrived at his office and found friends congratulating him; it turned out that he had been named Governor of Washington Territory. And Ellensburg residents, hoping to move the state capital there, sang the area's praises: "Fair Ellen of Kittitas ... is Queen in a beautiful valley, who will, or should be, crowned with a capitol," especially since Ellensburg was twelve miles from the geographic center of the state.

On March 22, 1890 the Legislature established a school for training teachers--a normal school--at Cheney. It later became Eastern Washington University. The trustees of a private academy gave their land and buildings.

On March 22, 1943 construction of the plutonium plant at Hanford was started. It was built to make materials for the atomic bomb.

On this day in 1978 Sonora Smart Dodd (Mrs. John Bruce Dodd), organizer and promoter of the idea of Father's Day, died in Spokane. She proposed the holiday in 1910 and originated the first celebration in Spokane. Congress endorsed the holiday in 1914. In 1987, she was elected to the Washington State Historical Society's Centennial Hall of Honor.

There being no objection, the House advanced to the fourth order of business.

SSB 5196 Prime Sponsor, Committee on Agriculture: Regarding emergency drought relief. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. It is the intent of the legislature to provide emergency powers to the department of ecology to enable it to take actions, in a timely and expeditious manner, that are designed to alleviate hardships and reduce burdens on various water users and uses arising from drought conditions. As used in this chapter, 'drought condition' means that water supplies for a geographical area or for a significant portion of a geographical area are below seventy-five percent of normal and the water shortage is likely to create undue hardships for various water uses and users.

NEW SECTION, Sec. 2. (1) Whenever it appears to the department of ecology that a drought condition either exists or is forecast to occur within the state or portions thereof, the department of ecology is authorized to issue orders, pursuant to rules previously adopted, to implement the powers as set forth in sections 3 through 5 of this act. The department shall, immediately upon the issuance of an order under this section, cause said order to be published in newspapers of general circulation in the areas of the state to which the order relates. Prior to the issuance of an order, the department shall (a) consult with and obtain the views of the federal and state government entities identified in the drought contingency plan periodically revised by the department pursuant to section 3(4) of this act, and (b) obtain the written approval of the governor. Orders issued under this section shall be deemed orders for the purposes of chapter 34.05 RCW.

(2) Any order issued under subsection (1) of this section shall contain a termination date for the order. The termination date shall be not later than one calendar year from the date the order is issued. Although the department may, with the written approval of the governor, change the termination date by amending the order, no such amendment or series of amendments may have the effect of extending its termination to a date which is later than two calendar years after the issuance of the order.

(3) The provisions of subsection (2) of this section do not preclude the issuance of more than one order under subsection (1) of this section for different areas of the state or sequentially for the same area as the need arises for such an order or orders.

NEW SECTION, Sec. 3. Upon the issuance of an order under section 2 of this act, the department of ecology shall be empowered to:

(1) Authorize emergency withdrawal of public surface and ground waters, including dead storage within reservoirs, on a temporary basis and authorize associated physical works which may be either temporary or permanent. The termination date for the authority to make such an emergency withdrawal shall be not later than the termination date of the order issued under section 2 of this act under which the power to authorize the withdrawal is established. The department of ecology may issue such withdrawal authorization when, after investigation and after providing appropriate federal, state, and local governmental bodies an opportunity to comment, the following are found:

(a) The waters proposed for withdrawal are to be used in relation to beneficial use involving a previously established activity or purpose;

(b) The previously established activity or purpose was furnished water through rights applicable to the use of a public water body that cannot be exercised due to the lack of water arising from natural drought conditions; and

(c) The proposed withdrawal will not reduce flows or levels below essential minimums necessary (i) to assure the maintenance of fisheries requirements, and (ii) to protect federal and state interests including, among others, power generation, navigation, and existing water rights.

All withdrawal authorizations issued under this section shall contain provisions that allow for termination of withdrawals, in whole or in part, whenever withdrawals will conflict with flows and levels as provided in subsection (1)(c) of this section. Domestic and irrigation uses of public surface and ground waters shall be given priority in determining 'beneficial uses.' As to water withdrawal and associated works authorized under this section, the requirements of chapter 43.21C RCW and public bidding requirements as otherwise provided by law are waived and inapplicable. All state and local agencies with authority to issue permits or other authorizations for such works shall, to the extent possible, expedite the processing of the permits or authorizations in keeping with the emergency nature of the requests and shall provide a decision to the applicant within fifteen calendar days of the date of application. All state departments or other agencies having jurisdiction over state or other public lands if such lands are necessary to effectuate the withdrawal authorizations issued under this section, shall provide short-term easements or other appropriate property interest upon the payment of the fair market value: PROVIDED, That this mandate shall not apply to any lands of the state that are reserved for a special purpose or use that cannot properly be carried out if the property interest were conveyed.

(2) Approve the temporary change in purpose, place of use, or point of diversion, consistent with existing state policy allowing transfer or lease of waters between willing parties, as provided for in RCW 90.03.380, 90.03.390, and 90.44.100. However, that compliance with any requirements of (a) notice of newspaper publication of these sections or (b) the state environmental policy act, chapter 43.21C RCW, shall not be required when such changes are necessary to respond to drought conditions as determined by the department of ecology. An approval of a temporary change of a water right as authorized under this subsection shall not be admissible as evidence in either supporting or contesting the validity of water claims in STATE OF WASHINGTON, DEPARTMENT OF ECOLOGY V. ACQUAVELLA, Yakima county superior court number 77-2-01484-5 or any similar proceeding where the existence of a water right is at issue.

(3) Employ additional persons for specified terms of time, consistent with the term of a drought condition, as are necessary to ensure the successful performance of the activities associated with implementing the emergency drought program of this chapter.

(4) Revise the drought contingency plan previously developed by the department; and

(5) Acquire needed emergency drought-related equipment.

NEW SECTION. Sec. 4. (1) The department of ecology is authorized to make loans, grants, or combinations of loans and grants from emergency agricultural water supply funds when required to provide water to alleviate emergency drought conditions to assure the survival of irrigated crops and the state's fisheries. For the purposes of this section, 'emergency agricultural water supply funds' means funds appropriated from the state emergency water projects revolving account created under RCW 43.83B.360. The department of ecology may make the loans, grants, or combinations of loans and grants as matching funds in any case where federal, local, or other funds have been made available on a matching basis. A loan or combination loan and grant shall not exceed fifty percent of the approved eligible project costs for any single proposed project: PROVIDED, That for purposes authorized by RCW 43.83B.300 and 43.83B.385, the department may make a loan up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost. The grant portion for any single project shall not exceed twenty percent of the total project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supplies, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total emergency agricultural water supply funds available for drought relief. These funds shall not be used for non-agricultural drought relief purposes unless there are no other capital budget funds available for these purposes. The total expenditures of emergency agricultural water supply funds for nonagricultural drought relief purposes shall not exceed ten percent of the total of such funds available for drought relief purposes on March 15, 1988.

(2)(a) Except as provided in (b) of this subsection, emergency agricultural water supply funds, including the repayment of loans and any accrued interest, shall not be used for any purposes except during drought conditions as determined by section 2 of this act.

(b) Emergency agricultural water supply funds may be used on a one-time basis for the development of procedures to be used by state governmental entities to implement the state's drought contingency plan.

NEW SECTION. Sec. 5. The department shall adopt such rules as are necessary to ensure the successful implementation of this act.

NEW SECTION. Sec. 6. Nothing in this act shall:

(1) Authorize any interference whatsoever with existing water rights;

(2) Authorize the establishment of rights to withdrawal of waters of a permanent nature or of rights with any priority;

(3) Authorize the establishment of a water right under RCW 90.03.250 or 90.44.060;

(4) Preclude any person from filing an application pursuant to RCW 90.03.250 or 90.44.060.

Sec. 7. Section 3, chapter 295, Laws of 1975 1st ex. sess. as last amended by section 1, chapter 46, Laws of 1988 and RCW 43.83B.210 are each amended to read as follows:

The department of ecology is authorized to make loans or grants or combinations thereof: (1) From funds under RCW 43.83B.010 through 43.83B.110 to eligible public bodies as defined in RCW 43.83B.050 for rehabilitation or betterment of agricultural water supply facilities, and/or construction of agricultural water supply facilities required to develop new irrigated lands; or (2) from emergency agricultural water supply funds under RCW 43.83B.300 when required to provide water to alleviate emergency drought conditions to assure the survival of irrigated crops and the state's fisheries. The department of ecology may make such loans or grants or combinations thereof as matching funds in any case where federal, local, or other funds have been made available on a matching basis. A loan or combination loan and grant shall not exceed fifty percent of the approved eligible project costs for any single proposed project: PROVIDED, That for purposes authorized by RCW 43.83B.300(~~-43.83B.310~~), section 3 of this act, and 43.83B.385 the department of ecology may make a loan up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost and the grant portion for any single project shall not exceed twenty percent of the total project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supplies, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total funds available for drought relief. These funds shall not be used for nonagricultural drought relief purposes unless there are no other capital budget funds available for these purposes. The total expenditures for nonagricultural drought relief purposes shall not exceed ten percent of the total funds available for drought relief purposes on March 15, 1988. The department of social and health services is authorized to make grants of up to forty percent of the cost of construction of any eligible project necessitated by the 1977 drought conditions. ESSB 5759 Prime Sponsor, Committee on Education: Establishing a school breakfast program. Reported by Committee on Education

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The superintendent of public instruction is directed to conduct a study of school lunch programs to determine reasons why some schools are not currently participating in the national school lunch program. The report shall include an estimate of the number of students in each of these schools who would be eligible for free or reduced-price lunches if they were available. The superintendent of public instruction shall submit to the legislature prior to January 15, 1990, a report on the results of its study, including recommendations on ways of increasing school participation in the school lunch program.

NEW SECTION, Sec. 2. (1) For the purposes of this section:

(a) 'Free or reduced-price lunches' means lunches served by a school district that qualify for federal reimbursement as free or reduced-price lunches under the national school lunch program.

(b) 'School breakfast program' means a program meeting federal requirements defined in 42 U.S.C. Sec. 1773.

(c) 'Severe-need school' means a school that qualifies for a severe-need school reimbursement rate from federal funds for school breakfasts served to children from low-income families.

(2) School districts shall be required to develop and implement plans for a school breakfast program in severe-need schools, pursuant to the schedule in this section. For the second year prior to the implementation of the district's school breakfast program, and for each subsequent school year, each school district shall submit data enabling the superintendent of public instruction to determine which schools within the district will qualify as severe-need schools. In developing its plan, each school district shall consult with an advisory committee including school staff and community members appointed by the board of directors of the district.

(3) Using district-wide data on school lunch participation during the 1988-89 school year, the superintendent of public instruction shall adopt a schedule for implementation of school breakfast programs in severe-need schools as follows:

(a) School districts where at least forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1990. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1990-91 school year and in each school year thereafter.

(b) School districts where at least twenty-five but less than forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1991. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1991-92 school year and in each school year thereafter.

(c) School districts where less than twenty-five percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1992. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1992-93 school year and in each school year thereafter.

(d) School districts that did not offer a school lunch program in the 1988-89 school year are encouraged to implement such a program and to provide a school breakfast program in all severe-need schools when eligible.

(4) The requirements in this section shall lapse if the federal reimbursement rate for breakfasts served in severe-need schools is reduced or eliminated.

(5) Students who do not meet family-income criteria for free breakfasts shall be eligible to participate in the school breakfast programs established under this section, and school districts may charge for the breakfasts served to these students. School breakfast programs established under this section shall be supported entirely by federal funds and commodities, charges to students, and other local resources available for this purpose, and shall not create or imply any state funding obligation for these costs. The legislature does not intend to include these programs within the state's obligation for basic education funding under Article IX of the Constitution.

NEW SECTION, Sec. 3. The superintendent of public instruction shall conduct a study of the costs and feasibility of expanding the school breakfast program to include schools where more than twenty-five but less than forty percent of lunches served are free or reduced-price lunches. The study shall consider the total cost of the program, including but not limited to food costs, staff salaries and benefits, and additional pupil transportation costs. The superintendent of public instruction shall submit to the legislature prior to January 15, 1992, a report on the results of this study, including recommendations on whether to expand the school breakfast program to include these schools."

REPORTS OF STANDING COMMITTEES

March 21, 1989

ESSB 5018 Prime Sponsor, Committee on Agriculture: Revising provisions for cooperative associations. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION, Sec. 1. The legislature finds that since 1921 there have existed in the laws of this state two separate incorporation statutes expressly designed for corporations intending to operate as nonprofit cooperatives. The existence of two cooperative incorporation statutes has been the source of confusion, disparity of treatment, and legal and administrative ambiguities, and the rationale for having two cooperative incorporation statutes is no longer valid. These cooperative incorporation statutes have not been updated with the regularity of this state's business incorporation statutes and, as a result, are deficient in certain respects.

NEW SECTION, Sec. 2. A new section is added to chapter 23.86 RCW to read as follows:

The provisions of this chapter relating to domestic cooperative associations shall apply to:

(1) All cooperative associations organized under this chapter; and

(2) All agricultural cooperative associations organized under chapter 24.32 RCW. All such agricultural cooperatives are deemed to have been incorporated under this chapter.

NEW SECTION. Sec. 3. A new section is added to chapter 23.86 RCW to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Association' means any corporation subject to this chapter.

(2) 'Member' or 'members' includes a member or members of an association subject to this chapter without capital stock and a shareholder or shareholders of voting common stock in an association subject to this chapter with capital stock.

(3) 'Articles of incorporation' means the original or restated articles of incorporation, articles of consolidation, or articles of association and all amendments including articles of merger. Corporations incorporated under this chapter with articles of association shall not be required to amend the title or references to the term 'articles of association.'

(4) 'Director,' 'directors,' or 'board of directors' includes 'trustee,' 'trustees,' or 'board of trustees' respectively. Corporations incorporated under this chapter with references in their articles of association or bylaws to 'trustee,' 'trustees,' or 'board of trustees' shall not be required to amend the references.

Sec. 4. Section 1, chapter 19, Laws of 1913 and RCW 23.86.010 are each amended to read as follows:

Any number of persons(~~not less than five~~) may associate themselves together as a cooperative association, society, company or exchange, with or without capital stock, for the transaction of any lawful business on the cooperative plan. For the purposes of this chapter the words 'association,' 'company,' 'exchange,' 'society' or 'union' shall be construed the same.

Sec. 5. Section 17, chapter 19, Laws of 1913 as amended by section 706, chapter 212, Laws of 1987 and RCW 23.86.030 are each amended to read as follows:

(1) The name of any association subject to this chapter may contain the word 'corporation,' 'incorporated,' or 'limited' or an abbreviation of any such word.

(2) No corporation or association organized or doing business (~~for profit~~) in this state shall be entitled to use the term 'cooperative' as a part of its corporate or other business name or title, unless it (~~has complied with~~): (a) is subject to the provisions of this chapter, chapter 23.78, or 31.12 RCW; (~~and~~) (b) is subject to the provisions of chapter 24.06 RCW and operating on a cooperative basis; (c) is, on the effective date of this act, an organization lawfully using the term 'cooperative' as part of its corporate or other business name or title; or (d) is a nonprofit corporation or association the voting members of which are corporations or associations operating on a cooperative basis. Any corporation or association violating the provisions of this section may be enjoined from doing business under such name at the instance of any (~~stockholder~~) member or any association (~~legally organized hereunder~~) subject to this chapter.

(~~(2)~~) (3) A member of the board of (~~trustees~~) directors or an officer of any association (~~legally organized under~~) subject to this chapter shall have the same immunity from liability as is granted in RCW 4.24.264.

NEW SECTION. Sec. 6. A new section is added to chapter 23.86 RCW to read as follows:

Each association subject to this chapter shall have the following powers:

(1) To have perpetual succession by its corporate name unless a limited period of duration is stated in the articles of incorporation.

(2) To sue and be sued, complain, and defend in its corporate name.

(3) To have and use a corporate seal.

(4) To purchase, take, receive, lease, or otherwise acquire, own, hold, improve, use, and deal in and with real or personal property or any interest therein, wherever situated.

(7) To make contracts and incur liabilities, borrow money at rates of interest the association may determine, issue notes, bonds, certificates of indebtedness, and other obligations, receive funds from members and pay interest thereon, issue capital stock and certificates representing equity interests in assets, allocate earnings and losses at the times and in the manner the articles of incorporation or bylaws or other contract specify, create book credits, capital funds, and reserves, and secure obligations by mortgage or pledge of any of its property, franchises, and income.

(8) To lend money for corporate purposes, invest and reinvest funds, and take and hold real and personal property as security for the payment of funds loaned or invested.

(9) To conduct business, carry on operations, have offices, and exercise the powers granted by this chapter, within or without this state.

(10) To elect or appoint officers and agents of the corporation, define their duties, and fix their compensation.

(11) To make and alter bylaws, not inconsistent with its articles of incorporation or with the laws of this state, for the administration and regulation of the affairs of the association.

(12) To make donations for the public welfare or for charitable, scientific, or educational purposes, and in time of war to make donations in aid of war activities.

(13) To pay pensions and establish pension plans, pension trusts, profit-sharing plans, stock bonus plans, stock option plans, and other incentive plans for any or all of its directors, officers, and employees.

(14) To be a partner, member, associate, or manager of any partnership, joint venture, trust, or other enterprise.

(15) To cease corporate activities and surrender its corporate franchise.

(16) To have and exercise all powers necessary or convenient to effect its purposes.

Sec. 7, Section 2, chapter 19, Laws of 1913 as last amended by section 704, chapter 212, Laws of 1987 and RCW 23.86.050 are each amended to read as follows:

(6) If the association is to have capital stock:

(a) The aggregate number of shares which the association shall have authority to issue; if shares are to consist of one class only, the par value of each share, or a statement that all shares are without par value; or, if shares are to be divided into classes, the number of shares of each class, and a statement of the par value of the shares of each class or that shares are to be without par value;

(b) Any provision which under this ((title)) chapter is required or permitted to be set forth in the bylaws.

- (b) File one original in his or her office.
- (c) Issue a certificate of incorporation with one original attached.

(2) The certificate of incorporation, with an original of the articles of incorporation affixed by the secretary of state, shall be returned to the incorporators or their representatives and shall be retained by the association.

(3) Upon the filing of the articles of incorporation, the corporate existence shall begin, and the certificate of incorporation shall, except as against the state in a proceeding to cancel or revoke the certificate of incorporation, be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and that the corporation has been incorporated under this chapter.

Sec. 9. Section 4, chapter 19, Laws of 1913 as last amended by section 173, chapter 35, Laws of 1982 and RCW 23.86.070 are each amended to read as follows:

(b) The court shall make specific findings of fact concerning: (i) The existence of one or more compelling state interests; (ii) the necessity and effectiveness of the treatment; and (iii) the person's desires regarding the proposed treatment. If the patient is unable to make a rational and informed decision about consenting to or refusing the proposed treatment, the court shall make a substituted judgment for the patient as if he or she were competent to make such a determination.

The court may appoint a psychiatrist, psychologist within their scope of practice, or physician to examine and testify on behalf of such person. The court shall appoint a psychiatrist, psychologist within their scope of practice, or physician designated by such person or the person's counsel to testify on behalf of the person in cases where an order for shock treatment is sought.

(d) An order for the administration of antipsychotic medications entered following a hearing conducted pursuant to this section shall be effective for the period of the current involuntary treatment order, any succeeding order entered pursuant to RCW 71.05.320(1), and any interim period during which the person is awaiting trial or hearing on a new petition for involuntary treatment or involuntary medication. Upon a request timely filed, a review of any such medication order shall be conducted by the court at the hearing on a petition filed pursuant to RCW 71.05.300. If a succeeding involuntary treatment order is entered pursuant to RCW 71.05.320(2), a person who refuses to consent to the administration of antipsychotic medications shall be entitled to an evidentiary hearing in accordance with this section.

(ii) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

(iii) In the opinion of the physician with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

The hearing shall be held within two judicial days. If deemed necessary by the physician with responsibility for the treatment of the person, administration of antipsychotic medications may continue until the hearing is held;

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. A new section is added to Title 43 RCW to read as follows:

Upon termination, dissolution, or abandonment of a corporate business, any officer or other person who has control or supervision of state trust funds or who is charged with the responsibility for the remittance of trust funds to a state agency shall be personally liable to the agency for any unpaid trust funds, if such officer or other person willfully fails to pay or to cause to be paid any trust funds due from the corporation. If any other law specifies interest or penalties for the nonpayment of the trust funds for which the officer or other person is liable, then the officer or person also shall be liable for the amount of the interest and penalties.

(2) For the purposes of this section: (a) "Trust funds" means all moneys which (i) have been collected from another party on behalf of the state, including but not limited to workers' compensation fund contributions collected from employees and the state share of vehicle emission testing fees collected from vehicle owners; and (ii) became due during the period in which the officer or other person had the control, supervision, responsibility, or duty to act for the corporation with respect to the payment of the funds collected on behalf of the state; and (b) "willfully fails to pay or to cause to be paid" means that the failure was the result of an intentional, conscious, and voluntary course of action and that the nonpayment was not caused by reasons beyond the control of the officer or other person.

For the purposes of this subsection, the employees' share of workers' compensation contributions is considered to be "collected from employees" whether or not the employer actually collected such contributions from the employees.

(3) This section applies only in situations where the agency has determined that there is no reasonable means of collecting the trust funds directly from the corporation.

(4) This section does not relieve the corporation of other liabilities or otherwise impair other remedies afforded by law.

(5) Amounts due to an agency under this section shall be collected in conformance with any statute or administrative law dealing with the collection of such amounts by that agency. In the absence of such a statute or administrative law, the agency may bring legal action to collect the amounts due or may use the collection authority and procedures available to the department of revenue under RCW 82.32.210 and 82.32.220 through 82.32.245, as if it were the department of revenue and the amounts due were tax payments due.

(6) This section does not apply to any debt for which any officer or person is liable under RCW 82.32.145.

NEW SECTION, Sec. 2. This act applies only to trust funds that become due on or after the effective date of this act."

(1) It is the responsibility of the commission to: (a) (i) Evaluate the effectiveness of existing disposition standards and related statutes in implementing policies set forth in RCW 13.40.010 generally and (ii) specifically review the guidelines relating to the confinement of minor and first offenders as well as the use of diversion (~~the committee shall propose modifications to the legislature regarding subsection (1)(a)(ii) of this section by January 1, 1987~~); (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) (~~develop and propose~~) make recommendations to the legislature regarding revisions or modifications of the disposition standards in accordance with RCW 13.40.030.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders; (b) at the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (c) provide the commission and legislature with recommendations for modification of the disposition standards.

Sec. 3. Section 57, chapter 291, Laws of 1977 ex. sess. as last amended by section 1, chapter 73, Laws of 1985 and RCW 13.40.030 are each amended to read as follows:

(1) (a) The juvenile disposition standards commission shall (~~propose~~) recommend to the legislature no later than November 1st of each (~~even-numbered~~) year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards (~~proposed~~) recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards (~~proposed~~) recommended by the commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed. In developing (~~proposed~~) recommended disposition standards, the commission shall consider the capacity of the state juvenile facilities and the projected impact of the proposed standards on that capacity.

(b) The secretary shall submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review no later than November 1st of each (~~even-numbered~~) year. At the same time the secretary shall submit a report on security at juvenile facilities during the preceding (~~two-year period~~) year. The report shall include the number of escapes from each juvenile facility, the most serious offense for which each escapee had been confined, the number and nature of offenses found to have been committed by juveniles while on escape status, the number of authorized leaves granted, the number of failures to comply with leave requirements, the number and nature of offenses committed while on leave, and the number and nature of offenses committed by juveniles while in the community on minimum security status; to the extent this information is available to the secretary. The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section.

(2) (~~If the commission fails to propose disposition standards as provided in this section, the existing standards shall remain in effect and may be adopted by the legislature or referred to the commission for modification as provided in subsection (3) of this section. If the standards are referred for modification, the provisions of subsection (4) shall be applicable.~~

(3) ~~The legislature may adopt the proposed standards or refer the proposed standards to the commission for modification. If the legislature fails to adopt or refer the proposed standards to the commission by February 15th of the following year, the proposed standards shall take effect without legislative approval on July 1st of that year.~~

(4) If the legislature refers the proposed standards to the commission for modification on or before February 15th, the commission shall resubmit the proposed modifications to the legislature no later than March 1st. The legislature may adopt or modify the resubmitted proposed standards. If the legislature fails to adopt or modify the resubmitted proposed standards by April 1st, the resubmitted proposed standards shall take effect without legislative approval on July 1st of that year.

(5)) In developing ((and promulgating)) recommendations for the permissible ranges of confinement under this section the commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.

Sec. 4. Section 70, chapter 291, Laws of 1977 ex. sess. as last amended by section 8, chapter 191, Laws of 1983 and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, section 7 of this act.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, section 7 of this act. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, section 7 of this act. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, section 7 of this act. A disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, section 7 of this act; PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, section 7 of this act in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(5), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(6) In its dispositional order, the court shall not suspend or defer the imposition or the execution of the disposition.

(7) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

NEW SECTION. Sec. 5. A new section is added to chapter 13.40 RCW to read as follows:

The sentencing guidelines and prosecuting standards apply equally to juvenile offenders in all parts of the state, without discrimination as to any element that does not relate to the crime or the previous record of the offender.

NEW SECTION. Sec. 6. A new section is added to chapter 13.40 RCW to read as follows:

The total current offense points for use in the standards range matrix of schedules D-1, D-2, and D-3 are computed as follows:

(1) The disposition offense category is determined by the offense of conviction. Offenses are divided into ten levels of seriousness, ranging from low (seriousness level E) to high (seriousness level A+), see schedule A, section 7 of this act.

(2) The prior offense increase factor is summarized in schedule B, section 7 of this act. The increase factor is determined for each prior offense by using the time span and the offense category in the prior offense increase factor grid. Time span is computed from the date of the prior offense to the date of the current offense. The total increase factor is determined by totaling the increase factors for each prior offense and adding a constant factor of 1.0.

(3) The current offense points are summarized in schedule C, section 7 of this act. The current offense points are determined for each current offense by locating the juvenile's age on the horizontal axis and using the offense category on the vertical axis. The juvenile's age is determined as of the time of the current offense and is rounded down to the nearest whole number.

(4) The total current offense points are determined for each current offense by multiplying the total increase factor by the current offense points. The total current offense points are rounded down to the nearest whole number.

NEW SECTION. Sec. 7. A new section is added to chapter 13.40 RCW to read as follows:

ENGROSSED SUBSTITUTE SENATE BILL NO. 5098, by Committee on Energy & Utilities (originally sponsored by Senators Benitz, Stratton, Bluechel, Sutherland, Newhouse, Warnke, von Reichbauer, Matson, Vognild, Smitherman, Johnson, Bauer, Sellar, Saling and Madsen)

Regulating telecommunication companies.

Mr. Todd moved adoption of the following amendment by Representatives Todd and Nelson:

On page 1, line 26, after "form of" insert "rate base rate of return"

Mr. Todd spoke in favor of adoption of the amendment.

POINT OF ORDER

Mr. R. Meyers: We are not here to discuss what is going on in another situation and another hearing, Mr. Speaker. We are here to talk about the benefits or detriments of a specific piece of legislation before us.

SPEAKER'S RULING

The Speaker: Please confine your comments to the matter before us, Representative Todd.

Mr. Todd concluded his remarks in favor of the amendment, and Representatives Jesernig and May spoke against the amendment.

The amendment was not adopted.

Mr. Todd moved adoption of the following amendment by Representatives Todd and Nelson:

On page 2, line 26, after "motion," insert "The commission shall conduct public hearings throughout the service territory of an affected telecommunication company on any proposed alternative form of regulation that does not have return on investment as its basis.

Representatives Todd and Nelson spoke in favor of adoption of the amendment, and Representatives R. Meyers and Hankins spoke against it.

POINT OF INQUIRY

Mr. Nelson yielded to question by Mr. Sayan.

Mr. Sayan: Representative Nelson, is it now possible for the utility company to hold these reviews without having to change the law to do so?

Mr. Nelson: Yes, it is possible for the commission, on its own volition, to hold hearings just as it is possible for other state agencies to hold hearings around the state. What the amendment suggests is that we want to make sure that that happens.

Mr. Sayan: It is possible that they can do so on their own volition?

Mr. Nelson: Yes, it is.

The amendment was not adopted.

Mr. R. Meyers moved adoption of the following amendment by Representatives R. Meyers, May, Hankins, Miller, Cooper, H. Myers and Jesernig:
On page 15, line 3, after "toll" insert "filed by a telecommunications company"

Mr. R. Meyers spoke in favor of adoption of the amendment, and it was adopted.

On motion of Mr. Ebersole, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Nelson spoke against passage of the bill.

POINT OF ORDER

Mr. R. Meyers: Thank you, Mr. Speaker. Although I realize the present speaker is not a friend of the bill, I think we ought to be talking about the bill and not about ongoing hearings before the UTC, which are unrelated to this bill in any way.

SPEAKER'S RULING

The Speaker: The Speaker is allowing some latitude. I would ask Representative Nelson, however, to make sure that his remarks focus on the subject of the bill.

Mr. Nelson concluded his remarks against passage of the bill. Representatives Sayan, Hankins, May, Todd, R. Meyers and Horn spoke in favor of it. Mr. Sayan again spoke in favor of the bill, and Ms. Miller spoke in favor of it.

MOTION

Mr. Jacobsen moved that the remarks of Ms. Miller be spread upon the Journal. The motion was carried.

REMARKS OF REPRESENTATIVE MILLER

Ms. Miller: It is important to talk not only about what this bill does, but what it doesn't do. None of the provisions in Engrossed Substitute Senate Bill No. 5098 change the current law to weaken the commission's authority to file complaints, receive complaints, or have access to information concerning the conduct of any telecommunications company. Testimony in committee supports, if anything, that this bill strengthens those rights by specifically referring to the right of the commission, other parties, and intervenors to bring complaints and seek discovery. Further, testimony has assured us the commission has the authority to investigate all complaints, including those alleging discrimination and service quality concerns. And we have heard a lot about service quality concerns with some of our smaller companies in our hearings this year. Furthermore, testimony and agreed-to amendments specify that monopoly services will not be used to the detriment of consumers and the market place. It is these amendments, understandings, and record that have made Engrossed Substitute Senate Bill No. 5098 acceptable to most of the parties interested in this legislation. Thank you.

Mr. Jacobsen spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 5098 as amended by the House, and the bill passed the House by the following vote: Yeas, 92; nays, 2; absent, 2; excused, 2.

Voting yea: Representatives Anderson, Ballard, Basich, Baugher, Beck, Belcher, Betzoff, Bowman, Braddock, Bristow, Brooks, Brough, Brumsickle, Cantwell, Cole, Cooper, Crane, Day, Dellwo, Dorn, Doty, Ebersole, Ferguson, Fisher G, Fisher R, Fraser, Fuhrman, Gallagher, Grant, Hankins, Hargrove, Haugen, Heavey, Hine, Holland, Horn, Inslee, Jacobsen, Jesernig, Jones, King P, King R, Kremen, Leonard, May, McLean, Meyers R, Miller, Morris, Moyer, Myers H, Nealey, Nutley, O'Brien, Padden, Patrick, Peery, Phillips, Prentice, Prince, Pruitt, Raiter, Rasmussen, Rayburn, Rector, Rust, Sayan, Schmidt, Schoon, Scott, Silver, Smith, Sommers D, Spanel, Sprenkle, Tate, Todd, Valle, Van Luven, Vekich, Walk, Walker, Wang, Wilson K, Wilson S, Wineberry, Winsley, Wolfe, Wood, Youngsman, Zellinsky, and Mr. Speaker - 92.

Voting nay: Representatives Brekke, Nelson - 2.

Absent: Representatives Locke, Sommers H - 2.

Excused: Representatives Appelwick, Chandler - 2.

Engrossed Substitute Senate Bill No. 5098 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.
