Mr. President:

The House has passed SENATE BILL NO. 5487 with the following amendment:
On page 4, line 17, after "disclosing" strike "in writing".

and the bill and the amendment are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Newhouse moved that the Senate do concur in the House amendment to Senate Bill No. 5487.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator McCaslin, in all real estate deals, of course, verbal is no good. You have to have it in writing. Why would you delete the principle of 'going to disclose in writing?'"

Senator McCaslin: "Well, you are absolutely right, it has to be in writing to be enforceable, but this is a matter of referring people to either lending institutions or to title companies and that you receive some kind of a compensation for that referral, so that is all this deals with. This doesn't deal with the actual transfer of real property and the earnest money agreement and the agreements that are on here. This just deals with referrals."

Senator Rasmussen: "Well, it is a kick-back, so it becomes public."

Senator McCaslin: "Well, you are probably used to that term in Pierce County, but in Spokane, we used the word 'referral fee.'"

The President declared the question before the Senate to be the motion by Senator Newhouse to concur in the House amendment to Senate Bill No. 5487.

The motion by Senator Newhouse carried and the Senate concurred in the House amendment to Senate Bill No. 5487.

The President declared the question before the Senate to be the roll call on the final passage of Senate Bill No. 5487, as amended by the House.

The license or licenses shall remain forfeited pending appeal.

(2) The director may prohibit, for one year, the issuance of ((a)) all commercial fishing licenses to a person convicted of two or more gross misdemeanor or class C felony violations of this title or rule of the director in a five-year period or prescribe the conditions under which the license or licenses may be issued. For purposes of this section, the term "conviction" means a final conviction in a state or municipal court. MESSAGE FROM THE HOUSE

February 28, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6290 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that provision of telecommunications devices and relay capability for hearing impaired persons is an effective and needed service which should be continued. The legislature further finds that the same devices and relay capability can serve and should be extended to serve speech impaired persons.

Sec. 2. Section 2, chapter 304, Laws of 1987 and RCW 43.20A.720 are each amended to read as follows:

"Hearing impaired" means those persons who are certified to be deaf, deaf-blind, or hard of hearing, and those persons who are certified to have a hearing disability limiting their access to telecommunications.

"Speech impaired" means persons who are certified to be unable to speak or who are certified to have a speech impairment limiting their access to telecommunications.

"Telecommunications device for the deaf (TDD)" means a teletypewriter that has a typewriter keyboard and a readable display that couples with the telephone, allowing messages to be typed rather than spoken. The device allows a person to make a telephone call directly to another person possessing similar equipment. The conversation is typed through one machine to the other machine instead of spoken.

"TDD relay system" is a service for hearing and speech impaired people who have a TDD to call someone who does not have a TDD or vice versa. The service consists of several telephones being utilized by TDD relay service operators who receive either TDD or voice phone calls. If a TDD relay service operator receives a phone call from a hearing or speech impaired person wishing to call a hearing person, the operator will call the hearing person and act as an intermediary by translating what is displayed on the TDD to voice and typing what is voiced into the TDD to be read by the ~~((deaf))~~ hearing or speech impaired caller. This process can also be reversed with a hearing person calling a deaf person through the TDD relay service.

"Qualified trainer" is a person who is knowledgeable about TDDs, signal devices, and amplifying accessories; familiar with the technical aspects of equipment designed to meet hearing impaired people's needs; and is fluent in American sign language.

"Qualified contractor" shall have bilingual staff available for quality language/cultural interpretations; quality training of operators; and policies, training, and operational procedures to be determined by the office.

"The department" means the department of social and health services of the state of Washington.

"Office" means the office of deaf services within the state department of social and health services.

Sec. 3. Section 3, chapter 304, Laws of 1987 and RCW 43.20A.725 are each amended to read as follows:

(1) The department shall ~~((design and implement))~~ maintain a program whereby TDDs, signal devices, a TDD relay system, and amplifying accessories capable of serving the needs of the hearing and speech impaired shall be provided at no charge additional to the basic exchange rate, to an individual of school age or older, (a) who is certified as hearing impaired by a licensed physician, audiologist, or a qualified state agency, and to any subscriber that is an organization representing the hearing impaired, as determined and specified by the TDD

advisory committee; or (b) who is certified as speech impaired by a licensed physician, speech pathologist, or a qualified state agency, and to any subscriber that is an organization representing the speech impaired, as determined and specified by the TDD advisory committee. For the purpose of this section, certification implies that individuals cannot use the telephone for expressive or receptive communications due to hearing or speech impairment.

(2) The office shall award contracts on a competitive basis, to qualified persons for which eligibility to contract is determined by the office, for the distribution and maintenance of such TDDs, signal devices, and amplifying accessories as shall be determined by the office. Such contract shall include a provision for the employment and use of a qualified trainer and the training of recipients in the use of such devices.

(3) ~~((TDDs, signal devices, and amplifying accessories shall be made available to qualified recipients by December 1, 1987))~~ The office shall establish and implement a policy for the ultimate responsibility for recovery of TDDs, signal devices, and amplifying accessories from recipients who are moving from this state or who for other reasons are no longer using them.

(4) Pursuant to recommendations of the TDD advisory committee, the office shall maintain a program whereby a relay system will be provided state-wide using operator intervention to connect hearing impaired and speech impaired persons and offices or organizations representing the hearing impaired and speech impaired, as determined and specified by the TDD advisory committee pursuant to section 4 of this act. The relay system shall be the most cost-effective possible and shall operate in a manner consistent with federal requirements for such systems.

(5) The program shall be funded by telecommunications devices for the deaf (TDD) excise tax applied to each switched access line provided by the local exchange companies. The office shall determine, in consultation with the TDD advisory committee, the amount of money needed to fund the program on an annual basis, including both operational costs and a reasonable amount for capital improvements such as equipment upgrade and replacement. That information shall be given by the department in an annual budget to the utilities and transportation commission no later than March 1 prior to the beginning of the fiscal year. The utilities and transportation commission shall then determine the amount of TDD excise tax to be placed on each access line and shall inform each local exchange company of this amount no later than May 15. The TDD excise tax shall not exceed ten cents per month per access line. Each local exchange company shall impose the amount of excise tax determined by the commission as of July 1, and shall remit the amount collected directly to the department on a monthly basis. The TDD excise tax shall be separately identified on each ratepayer's bill as "Telecommunications devices funds for deaf and hearing impaired". All proceeds from the TDD excise tax shall be put into a fund to be administered by the office through the department.

(6) The office shall administer and control the award of money to all parties incurring costs in implementing and maintaining telecommunications services, programs, equipment, and technical support services in accordance with the provisions of RCW 43.20A.725.

(7) The department shall provide the legislature with a biennial report on the operation of the program. The first report shall be provided no later than December 1, 1990, and successive reports every two years thereafter. Reports shall be prepared in consultation with the TDD advisory committee and the utilities and transportation commission. The reports shall, at a minimum, briefly outline the accomplishments of the program, the number of persons served, revenues and expenditures, the prioritizing of services to those eligible based on such factors as degree of physical handicap or the allocation of the program's revenue between provision of devices to individuals and operation of the state-wide relay service, other major policy or operational issues, and proposals for improvements or changes for the program. The first report shall contain a study which includes examination of like programs in other states, alternative methods of financing the program, alternative methods of using the telecommunications system, advantages and disadvantages of operating the TDD program from within the department, by telecommunications companies, and by a private, nonprofit corporation, and means to limit demand for system usage.

(8) The program shall be consistent with the requirements of federal law for the operation of both interstate and intrastate telecommunications services for the deaf or hearing impaired or speech impaired. The department and the utilities and transportation commission shall be responsible for ensuring compliance with federal requirements and shall provide timely notice to the legislature of any legislation that may be required to accomplish compliance.

Sec. 4. Section 4, chapter 304, Laws of 1987 and RCW 43.20A.730 are each amended to read as follows:

(1) The department advisory committee on deafness shall establish a TDD advisory committee ~~((to study the feasibility of implementing a state-wide telecommunications relay system))~~ to oversee operation of the TDD program. The TDD advisory committee shall consist of no more than thirteen individuals ~~((from))~~ representing the hearing impaired and speech impaired communities, ~~((representatives from))~~ the department, the utilities and transportation commission, agencies and services serving the hearing impaired and speech impaired, and local exchange companies in the state. The membership on the TDD advisory committee shall, to the maximum extent possible, include representatives from (a) the major state-wide organizations

representing the hearing impaired and speech impaired, (b) organizations for the hearing impaired and speech impaired located in areas of the state with high populations of such persons, and (c) organizations that reflect the different geographic regions of the state, in order to develop ((and)), implement, and maintain a state-wide relay system providing cost-effective relay centers at a reasonable cost and that will meet the requirements of the hearing impaired and speech impaired, the TDD advisory committee shall investigate options, conduct public hearings as needed to determine the most cost-effective method of ((creating)) operating a state-wide relay system providing relay centers to the hearing impaired and speech impaired, and solicit the advice, counsel, and assistance of interested parties and nonprofit consumer organizations for hearing impaired and speech impaired persons state-wide. ((Such committee shall begin the study within thirty days of July 26, 1987, to be completed within six months after the study begins.)) The TDD advisory committee((;)) shall also, in conjunction with the department, monitor the activities and moneys that ((is((are))) are) being spent by the department for the program herein.

~~(2) ((Pursuant to the recommendations of the TDD advisory committee, the office shall implement a program whereby relay centers will be provided state-wide using operator intervention to connect hearing impaired persons and offices of organizations representing the hearing impaired, as determined and specified by the TDD advisory committee pursuant to subsection (4) of this section, and connect hearing persons within six months after the office receives the recommendations.~~

~~(3) The program will be funded by telecommunications devices for the deaf (TDD) excise tax applied to each switched access line provided by the local exchange companies. The office shall determine the amount of money needed to fund the program. That information shall be given to the utilities and transportation commission. The utilities and transportation commission shall then determine the amount of TDD excise tax to be placed on each access line. The TDD excise tax shall not exceed ten cents per month per access line. The TDD excise tax shall be separately identified on each ratepayer's bill as "Telecommunications devices funds for deaf and hearing impaired." All proceeds from the TDD excise tax will be put into a fund to be administered by the office through the department.~~

~~(4)) The TDD advisory committee shall establish criteria and specify state-wide organizations representing the hearing or speech impaired meeting such criteria that are to receive telecommunications devices pursuant to RCW 43.20A.725(1), and in which offices the equipment shall be installed if an organization has more than one office.~~

~~((5) The office shall establish a policy determining the ultimate ownership and responsibility for the recovery of TDDs, signal devices, and amplifying accessories from recipients who are moving from this state.~~

~~(6) The office shall administer and control the award of money to all parties incurring costs in implementing and maintaining telecommunications services, programs, equipment, and technical support services in accordance with the provisions of RCW 43.20A.725.~~

~~(7) A study will be authorized to determine the number of hearing impaired people who have party lines and the costs of converting them to single lines. The TDD advisory committee will report the study findings to the utilities and transportation commission. The study will be completed by the TDD advisory committee within a year of July 26, 1987.))~~

NEW SECTION, Sec. 5. Section 7, chapter 304, Laws of 1987 (uncodified) is repealed.

NEW SECTION, Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 2 of the title, after "impaired," strike the remainder of the title and insert "amending RCW 43.20A.720, 43.20A.725, and 43.20A.730; creating a new section; repealing section 7, chapter 304, Laws of 1987 (uncodified); and declaring an emergency."

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6447 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds the best interests of the citizens of the state are served if:

(1) Customers served by public water systems are assured of an adequate quantity and quality of water supply at reasonable rates;

(2) There is improved coordination between state agencies engaged in water system planning and public health regulation and local governments responsible for land use regulation and public health and safety;

(3) Public water systems in violation of health and safety standards adopted under RCW 43.20.050 remain in operation and continue providing water service providing that public health is not compromised, assuming a suitable replacement purveyor is found and deficiencies are corrected in an expeditious manner consistent with public health and safety; and

(4) The state address, in a systematic and comprehensive fashion, new operating requirements which will be imposed on public water systems under the federal Safe Drinking Water Act.

Sec. 2. Section 14, chapter 72, Laws of 1967 as amended by section 2, chapter 188, Laws of 1975 1st ex. sess. and RCW 36.94.140 are each amended to read as follows:

Every county, in the operation of a system of sewerage and/or water, shall have full jurisdiction and authority to manage, regulate and control it and to fix, alter, regulate and control the rates and charges for the service to those to whom such county service is available, and to levy charges for connection to such system. The rates for availability of service and connection charges so charged must be uniform for the same class of customers or service.

In classifying customers served, service furnished or made available by such system of sewerage and/or water, or the connection charges, the board may consider any or all of the following factors:

(1) The difference in cost of service to the various customers within or without the area;

(2) The difference in cost of maintenance, operation, repair and replacement of the various parts of the systems;

(3) The different character of the service furnished various customers;

(4) The quantity and quality of the sewage and/or water delivered and the time of its delivery;

(5) Capital contributions made to the system or systems, including, but not limited to, assessments; ~~((and))~~

(6) The cost of acquiring the system or portions of the system in making system improvements necessary for the public health and safety; and

(7) Any other matters which present a reasonable difference as a ground for distinction.

Such rates shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for the efficient and proper operation of the system.

Sec. 3. Section 5, chapter 102, Laws of 1967 ex. sess. as last amended by section 258, chapter 9, Laws of 1989 1st ex. sess. and RCW 43.70.190 are each amended to read as follows:

Upon the filing of any action, the court may, upon a showing of an immediate and serious danger to residents constituting an emergency, issue a temporary injunctive order ex parte.

NEW SECTION. Sec. 4. A new section is added to chapter 43.70 RCW to read as follows:

(1) In any action brought by the secretary of health or by a local health officer pursuant to chapter 7.60 RCW to place a public water system in receivership, the petition shall include the

names of one or more suitable candidates for receiver who have consented to assume operation of the water system. The department shall maintain a list of interested and qualified individuals, municipal entities, special purpose districts, and investor-owned water companies with experience in the provision of water service and a history of satisfactory operation of a water system. If there is no other person willing and able to be named as receiver, the court shall appoint the county in which the water system is located as receiver. The county may designate a county agency to operate the system, or it may contract with another individual or public water system to provide management for the system. If the county is appointed as receiver, the secretary of health and the county health officer shall provide regulatory oversight for the agency or other person responsible for managing the water system.

(2) In any petition for receivership under subsection (1) of this section, the department shall recommend that the court grant to the receiver full authority to act in the best interests of the customers served by the public water system. The receiver shall assess the capability, in conjunction with the department and local government, for the system to operate in compliance with health and safety standards, and shall report to the court its recommendations for the system's future operation, including the formation of a water district or other public entity, or ownership by another existing water system capable of providing service.

(3) If a petition for receivership and verifying affidavit executed by an appropriate departmental official allege an immediate and serious danger to residents constituting an emergency, the court shall set the matter for hearing within three days and may appoint a temporary receiver ex parte upon the strength of such petition and affidavit pending a full evidentiary hearing, which shall be held within fourteen days after receipt of the petition.

(4) A bond, if any is imposed upon a receiver, shall be minimal and shall reasonably relate to the level of operating revenue generated by the system. Any receiver appointed pursuant to this section shall not be held personally liable for any good faith, reasonable effort to assume possession of, and to operate, the system in compliance with the court's orders.

(5) The court shall authorize the receiver to impose reasonable assessments on a water system's customers to recover expenditures for improvements necessary for the public health and safety.

Sec. 5. Section 6, chapter 102, Laws of 1967 ex. sess. as last amended by section 259, chapter 9, Laws of 1989 1st ex. sess. and RCW 43.70.200 are each amended to read as follows:

Sec. 6. Section 12, chapter 446, Laws of 1985 as last amended by section 3, chapter 93, Laws of 1988 and RCW 43.155.070 are each amended to read as follows:

(1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

(b) The local government must have developed a long-term plan for financing public works needs; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(c) The cost of the project compared to the size of the local government and amount of loan money available;

(d) The number of communities served by or funding the project;

(e) Whether the project is located in an area of high unemployment, compared to the average state unemployment; ~~((and))~~

(f) Whether the project is the acquisition, expansion, improvement, or renovation by a local government of a public water system that is in violation of health and safety standards, including the cost of extending existing service to such a system; and

(g) Other criteria that the board considers advisable.

(3) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts

to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(4) Before November 1 of each year, the board shall develop and submit to the chairs of the ways and means committees of the senate and house of representatives a description of the emergency loans made under RCW 43.155.065 during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(5) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

(6) Subsections (4) and (5) of this section do not apply to loans made for emergency public works projects under RCW 43.155.065.

Sec. 7, Section 1, chapter 93, Laws of 1988 and RCW 43.155.065 are each amended to read as follows:

The board may make low-interest or interest-free loans to local governments for emergency public works projects. Emergency public works projects shall include the construction, repair, reconstruction, replacement, rehabilitation, or improvement of a public water system that is in violation of health and safety standards and is being operated by a local government on a temporary basis. The loans may be used to help fund all or part of an emergency public works project less any reimbursement from any of the following sources: (1) Federal disaster or emergency funds, including funds from the federal emergency management agency; (2) state disaster or emergency funds; (3) insurance settlements; or (4) litigation. Emergency loans may be made only from those funds specifically appropriated from the public works assistance account for such purpose by the legislature. Sec. 8, Section 4, chapter 271, Laws of 1986 as amended by section 135, chapter 175, Laws of 1989 and RCW 70.119A.040 are each amended to read as follows:

(1) In addition to or as an alternative to any other penalty provided by law, every person who commits any of the acts or omissions in RCW 70.119A.030 shall be subjected to a penalty in an amount of not less than five hundred dollars. The maximum penalty shall be not more than five thousand dollars per day for every such violation. Every such violation shall be a separate and distinct offense. The amount of fine shall reflect the health significance of the violation and the previous record of compliance on the part of the public water supplier. In case of continuing violation, every day's continuance shall be a separate and distinct violation. Every person who, through an act of commission or omission, procures, aids, or abets in the violation shall be considered to have violated the provisions of this section and shall be subject to the penalty provided in this section.

(2) The penalty provided for in this section shall be imposed by a notice in writing to the person against whom the civil fine is assessed and shall describe the violation. The notice shall be personally served in the manner of service of a summons in a civil action or in a manner that shows proof of receipt. A penalty imposed by this section is due twenty-eight days after receipt of notice unless application for remission or mitigation is made as provided in subsection (3) of this section or unless application for an adjudicative proceeding is filed as provided in subsection (4) of this section.

(3) Within fourteen days after the notice is received, the person incurring the penalty may apply in writing to the department for the remission or mitigation of such penalty. Upon receipt of the application, the department may remit or mitigate the penalty upon whatever terms the department in its discretion deems proper, giving consideration to the degree of hazard associated with the violation, provided the department deems such remission or mitigation to be in the best interests of carrying out the purposes of this chapter. The department shall not mitigate the fines below the minimum penalty prescribed in subsection (1) of this section. The department shall have authority to ascertain the facts regarding all such applications in such reasonable manner as it may deem proper. When an application for remission or mitigation is made, a penalty incurred under this section is due twenty-eight days after receipt of the notice setting forth the disposition of the application, unless an application for an adjudicative proceeding to contest the disposition is filed as provided in subsection (4) of this section.

(4) Within twenty-eight days after notice is received, the person incurring the penalty may file an application for an adjudicative proceeding and may pursue subsequent review as provided in chapter 34.05 RCW and applicable rules of the department or board of health.

(5) A penalty imposed by a final order after an adjudicative proceeding is due upon service of the final order.

(6) The attorney general may bring an action in the name of the department in the superior court of Thurston county, or of any county in which such violator may do business, to collect a penalty.

(7) All penalties imposed under this section shall be payable to the state treasury and credited to the general fund.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6190 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** This act shall be known and cited as the Head Injury Prevention Act of 1990.

NEW SECTION, Sec. 2. The legislature finds that head injury is a major cause of death and disability for Washington citizens. The costs of head injury treatment and rehabilitation are extensive and resultant disabilities are long and indeterminate. These costs are often borne by public programs such as Medicaid. The legislature finds further that many such injuries are preventable. The legislature intends to reduce the occurrence of head injury by educating persons whose behavior may place them at risk and by regulating certain activities.

NEW SECTION, Sec. 3. As used in sections 1 through 6 of this act, the term "head injury" means traumatic brain injury.

A head injury prevention program is created in the department of health. The program's functions may be integrated with those of similar programs to promote comprehensive, integrated, and effective health promotion and disease prevention.

In consultation with the traffic safety commission, the department shall, directly or by contract, identify and coordinate public education efforts currently underway within state government and among private groups to prevent traumatic brain injury, including, but not limited to, bicycle safety, pedestrian safety, bicycle passenger seat safety, motorcycle safety, motor vehicle safety, and sports safety. If the department finds that programs are not available or not in

use, it may, within funds appropriated for the purpose, provide grants to promote public education efforts. Grants may be awarded only after recipients have demonstrated coordination with relevant and knowledgeable groups within their communities, including at least schools, brain injury support organizations, hospitals, physicians, traffic safety specialists, police, and the public. The department may accept grants, gifts, and donations from public or private sources to use to carry out the head injury prevention program.

The department may assess or contract for the assessment of the effectiveness of public education efforts coordinated or initiated by any agency of state government. Agencies are directed to cooperate with assessment efforts by providing access to data and program records as reasonably required. The department may seek and receive additional funds from the federal government or private sources for assessments. Assessments shall contain findings and recommendations that will improve the effectiveness of public education efforts. These findings shall be distributed among public and private groups concerned with traumatic brain injury prevention.

NEW SECTION. Sec. 4. The department of health, the department of licensing, and the traffic safety commission shall jointly prepare information for driver license manuals, driver education programs, and driving tests to increase driver awareness of pedestrian safety, to increase driver skills in avoiding pedestrian and motor vehicle accidents, and to determine drivers' abilities to avoid pedestrian motor vehicle accidents.

NEW SECTION. Sec. 5. The department shall establish a state-wide trauma registry to collect information on the incidence, severity, and causes of traumatic brain injury. The state-wide trauma registry shall identify and track major brain injury cases from injury through rehabilitation or recovery. The registry shall keep specific statistics on helmet and nonhelmet, motorcycle-related head and neck injuries. Specific data elements of the registry, sources for collecting the data, and data collection procedures shall be determined by the department by rule. Information obtained shall be used to design prevention and treatment programs. By January 1, 1991, the department shall report to the legislature on the feasibility, cost, and benefits of expanding the registry requirements of this section to include information on minor brain injuries.

NEW SECTION. Sec. 6. The department shall prepare guidelines on relevant training and education regarding traumatic brain injury for health and education professionals, and relevant public safety and law enforcement officials. The department shall distribute such guidelines and any recommendations for training or educational requirements for health professionals or educators to the disciplinary authorities governed by chapter 18.130 RCW and to educational service districts established under chapter 28A.21 RCW. Specifically, all emergency medical personnel shall be trained in proper helmet removal.

Sec. 7. Section 4, chapter 232, Laws of 1967 as last amended by section 732, chapter 330, Laws of 1987 and by section 1, chapter 454, Laws of 1987 and RCW 46.37.530 are each reenacted and amended to read as follows:

(1) It is unlawful:

(a) For any person to operate a motorcycle or motor-driven cycle not equipped with mirrors on the left and right sides of the motorcycle which shall be so located as to give the driver a complete view of the highway for a distance of at least two hundred feet to the rear of the motorcycle or motor-driven cycle: PROVIDED, That mirrors shall not be required on any motorcycle or motor-driven cycle over twenty-five years old originally manufactured without mirrors and which has been restored to its original condition and which is being ridden to or from or otherwise in conjunction with an antique or classic motorcycle contest, show, or other such assemblage: PROVIDED FURTHER, That no mirror is required on any motorcycle manufactured prior to January 1, 1931:

(b) For any person to operate a motorcycle or motor-driven cycle which does not have a windshield unless wearing glasses, goggles, or a face shield of a type conforming to rules adopted by the state patrol:

(c) For any person (~~(under the age of eighteen years)~~) to operate or ride upon a motorcycle (~~(or)~~), motor-driven cycle, or moped on a state highway, county road, or city street unless wearing upon his or her head a protective helmet of a type conforming to rules adopted by the (~~commission on equipment~~) state patrol except when the vehicle is an antique motor-driven cycle or automobile that is licensed as a motorcycle or when the vehicle is equipped with seat belts and roll bars approved by the state patrol. The helmet must be equipped with either a neck or chin strap which shall be fastened securely while the motorcycle or motor-driven cycle is in motion:

(d) For any person to transport a child under the age of five on a motorcycle or motor-driven cycle:

(e) For any person to sell or offer for sale a motorcycle helmet which does not meet the requirements established by the state patrol.

(2) The state patrol is hereby authorized and empowered to adopt and amend rules, pursuant to the administrative procedure act, concerning the standards and procedures for conformance of rules adopted for glasses, goggles, face shields, and protective helmets.

Sec. 8. Section 10, chapter 232, Laws of 1967 as last amended by section 733, chapter 330, Laws of 1987 and RCW 46.37.535 are each amended to read as follows:

It is unlawful for any person to rent out motorcycles, motor-driven cycles, or mopeds unless ((he)) the person also has on hand for rent helmets of a type conforming to rules adopted by the state patrol.

It shall be unlawful for any person to rent a motorcycle, motor-driven cycle, or moped unless the person has in his or her possession a helmet of a type approved by the state patrol, regardless of from whom the helmet is obtained.

NEW SECTION. Sec. 9. Sections 1 through 6 of this act are each added to chapter 43.70 RCW.

NEW SECTION. Sec. 10. The sum of forty-nine thousand dollars, or as much thereof as may be necessary, is appropriated from the public safety and education account to the department of health for the biennium ending June 30, 1991, to carry out the purposes of this act."

On page 1, line 1 of the title, after "injuries;" strike the remainder of the title and insert "amending RCW 46.37.535; reenacting and amending RCW 46.37.530; adding new sections to chapter 43.70 RCW; and making an appropriation."

MESSAGE FROM THE HOUSE

Mr. President:

March 1, 1990

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6452 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 3, chapter 93, Laws of 1989 and RCW 41.04.660 are each amended to read as follows:

The Washington state leave sharing program is hereby created. The purpose of the program is to permit state employees, at no significantly increased cost to the state of providing annual or sick leave, to come to the aid of a fellow state employee who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or terminate his or her employment.

Sec. 2. Section 4, chapter 93, Laws of 1989 and RCW 41.04.665 are each amended to read as follows:

(1) An agency head may permit an employee to receive leave under this section if:

(a) The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature and which has caused, or is likely to cause, the employee to:

(i) Go on leave without pay status; or

(ii) Terminate state employment;

(b) The employee's absence and the use of shared leave are justified;

(c) The employee has depleted or will shortly deplete his or her annual leave and sick leave reserves;

(d) The employee has abided by agency rules regarding sick leave use; and

(e) The employee has diligently pursued and been found to be ineligible for benefits under chapter 51.32 RCW.

(2) The agency head shall determine the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total of more than two hundred sixty-one days of leave.

(3) An employee who has an accrued annual leave balance of more than ten days may request that the head of the agency for which the employee works transfer a specified amount of annual leave to another employee authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her annual leave account going below ten days.

(4) An employee of a community college, school district, or educational service district who does not accrue annual leave but does accrue sick leave and who has an accrued sick leave balance of more than sixty days may request that the head of the agency for which the employee works transfer a specified amount of sick leave to another employee authorized to receive leave under subsection (1) of this section. In no event may such an employee request a transfer of more than six days of sick leave during any twelve month period, or request a transfer that would result in his or her sick leave account going below sixty days. Transfers of sick leave under this subsection are limited to transfers from employees who do not accrue annual leave. Under this subsection, "sick leave" also includes leave accrued pursuant to RCW 28A.58.099(2) or 28A.21.102(1) with compensation for illness, injury, and emergencies.

(5) Transfers of leave made by an agency head under subsections (3) and (4) of this section shall not exceed the requested amount.

~~((5))~~ (6) Leave transferred under this section may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads of both agencies, to an employee of another state agency. However, leave transferred to or from employees of school districts or educational service districts is limited to transfers to or from employees within the same employing district.

~~((6))~~ (7) While an employee is on leave transferred under this section, he or she shall continue to be classified as a state employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued annual leave or sick leave.

(a) All salary and wage payments made to employees while on leave transferred under this section shall be made by the agency employing the person receiving the leave. The value of leave transferred shall be based upon the annual leave value of the person receiving the leave.

(b) In the case of leave transferred by an employee of one agency to an employee of another agency, the agencies involved shall arrange for the transfer of funds and credit for the appropriate value of leave.

(i) Pursuant to rules adopted by the office of financial management, funds shall not be transferred under this section if the transfer would violate any constitutional or statutory restrictions on the funds being transferred.

(ii) The office of financial management may adjust the appropriation authority of an agency receiving funds under this section only if and to the extent that the agency's existing appropriation authority would prevent it from expending the funds received.

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

((7)) (8) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

((9)) (9) The value of any leave transferred under this section which remains unused shall be returned at its original value to the employee or employees who transferred the leave when the agency head finds that the leave is no longer needed or will not be needed at a future time in connection with the illness or injury for which the leave was transferred. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

Sec. 3. Section 5, chapter 93, Laws of 1989 and RCW 41.04.670 are each amended to read as follows:

The state personnel board, the higher education personnel board, and other personnel authorities shall each adopt rules applicable to employees under their respective jurisdictions: (1) Establishing appropriate parameters for the program which are consistent with the provisions of RCW 41.04.650 through 41.04.665; (2) providing for equivalent treatment of employees between their respective jurisdictions and allowing transfers of leave in accordance with RCW 41.04.665(5); (3) establishing procedures to ensure that the program does not significantly increase the cost of providing ~~(annual)~~ leave; and (4) providing for the administration of the program and providing for maintenance and collection of sufficient information on the program to allow a thorough legislative review.

Sec. 4. Section 6, chapter 93, Laws of 1989 and RCW 28A.58.0991 are each amended to read as follows:

Every school district board of directors and educational service district superintendent may, in accordance with RCW 41.04.650 through 41.04.665, establish and administer ~~(an annual)~~ a leave sharing program for their certificated and noncertificated employees. MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6473 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 11, chapter 136, Laws of 1981 as last amended by section 7, chapter 185, Laws of 1989 and RCW 72.09.100 are each amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES. The industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage not less than sixty percent of the approximate prevailing wage within the state for the occupation, as determined by the director of the correctional industries division. If the director finds that he cannot reasonably determine the wage, then the pay shall not be less than the federal minimum wage.

(2) CLASS II: TAX REDUCTION INDUSTRIES. Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations. The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry, including purchased products

and services necessary for a complete product line, may be sold to public agencies (~~and~~), to nonprofit organizations (~~(-PROVIDED-That)~~), and to private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization. Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons. Correctional industries products and services shall be reviewed by the correctional industries board of directors before offering such products and services for sale to private contractors. The board of directors shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

Security and custody services shall be provided without charge by the department of corrections.

Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the federal minimum wage and which is approved by the director of correctional industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

(a) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

(b) Whenever possible, to provide forty hours of work or work training per week.

(c) Whenever possible, to offset tax and other public support costs.

Supervising, management, and custody staff shall be employees of the department.

All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the minimum wage for their work.

(5) CLASS V: COMMUNITY SERVICE PROGRAMS. Programs in this class shall be subject to supervision by the department of corrections. The purpose of this class of industries is to enable an offender, placed on community supervision, to work off all or part of a community service order as ordered by the sentencing court.

Employment shall be in a community service program operated by the state, local units of government, or a nonprofit agency.

To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

NEW SECTION, Sec. 2. The department of corrections, in conjunction with representatives of labor and the business community, shall study the expansion of prison industries products to the private sector and report to the senate law and justice and house of representatives health care committees by January 1, 1991.

On page 1, line 1 of the title, after "industries;" strike the remainder of the title and insert "amending RCW 72.09.100; and creating a new section."

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Nelson moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 6499.

POINT OF ORDER

Senator Talmadge: "A point of order, Mr. President. I believe the amendments by the House of Representatives, particularly those pertaining to the appearance fee, as well as the increase in the filing fee for small claims court, expand the scope and object of the original Senate legislation. The original bill dealt with the issue of filing fees. It allowed local governments to impose an additional filing fee for purposes of alternative dispute resolutions mechanisms. The amendments deal with an appearance fee which is technically not a filing fee at all, but rather a fee that must be paid by a defendant who is responding to a complaint that has been filed against that defendant by the plaintiff. It creates a precedent that, I think, is far beyond the scope of this legislation where the Legislature for the first time would be saying to somebody who is responding to a lawsuit filed against them that they have to pay a fee, in addition to having the wonderful experience of being sued. I think it clearly expands the scope and object, as well as the amendment that would expand the filing fee for small claims court. Mr. President, I am raising scope and object on all the amendments, except the amendment on page 1, line 9."

Debate ensued.

There being no objection, the President deferred further consideration of Engrossed Substitute Senate Bill No. 6499.

MESSAGE FROM THE HOUSE

February 28, 1990

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6501 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. The availability of credit is vital for agriculture. For that reason, the legislature has traditionally promoted the availability of agricultural credit. The legislature finds that lenders lack a uniformly effective means of providing notice of a lender's security interest in farm products to purchasers of the products. The legislature further finds that purchasers lack any practical method for discovering the existence of security interests in farm products.

Accordingly, it is the intent of the legislature to promote the development of a central filing system as provided in 7 U.S.C. Sec. 1631(c)(11) and to encourage private businesses to provide for expeditious discovery of liens and security interests in farm products.

Sec. 2. Section 9-307, chapter 157, Laws of 1965 ex. sess. as last amended by section 15, chapter 393, Laws of 1987 and RCW 62A.9-307 are each amended to read as follows:

(1) A buyer in ordinary course of business (subsection (9) of RCW 62A.1-201) other than a person buying farm products from a person engaged in farming operations takes free of a security interest created by his seller even though the security interest is perfected and even though the buyer knows of its existence.

(2) A buyer who in the ordinary course of business buys farm products from a person engaged in farming operations buys and takes free of a security interest created by his or her seller, and a commission merchant or selling agent who in the ordinary course of business sells farm products for a person engaged in farming operations buys, takes, and sells free of a security interest created by his or her seller, even though the security interest is perfected and the buyer, commission merchant, or selling agent knows of the existence of such interest if:

(a) The buyer, commission merchant, or selling agent has registered with the department of licensing pursuant to RCW 62A.9-407(4); and

(i) The secured party has not filed an effective farm products notice statement with the department of licensing pursuant to RCW 62A.9-402(9); or

(ii) Such buyer, commission merchant, or selling agent does not receive from the department of licensing written notice that specifies the seller and farm product pursuant to RCW 62A.9-407(3), (5), and (6); or

(b) The secured party has not filed an effective farm products notice statement pursuant to RCW 62A.9-402(9) and the buyer, commission merchant, or selling agent has not received within one year before the sale from the secured party or seller written notice of the security interest containing:

(i) The name and address of the secured party;

(ii) The name and address of the debtor;

(iii) The social security number of the debtor or, in the case of a debtor doing business other than as an individual, the debtor's federal internal revenue service taxpayer identification number;

(iv) A description by category of the farm products subject to the security interest, including the amount of such products, if applicable;

(v) The crop year;

(vi) The county or counties where the farm products are produced or located and, if less than all of such farm products in a county are claimed, a reasonable description of the real property; and

(vii) Any payment obligations imposed by the secured party as a condition for waiver or release of the security interest;

The notice described in this subsection (b) must be amended in writing within three months and similarly signed and transmitted, to reflect material changes; or

(c) The buyer, commission merchant, or selling agent has obtained a waiver from the secured party by performing any payment obligation or otherwise.

(3) In the case of consumer goods, a buyer takes free of a security interest even though perfected if he buys without knowledge of the security interest, for value and for his own personal, family or household purposes unless prior to the purchase the secured party has filed a financing statement covering such goods.

((3)) (4) A buyer other than a buyer in ordinary course of business (subsection (1) of this section) takes free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the purchase, unless made pursuant to a commitment entered into without knowledge of the purchase.

Sec. 3. Section 9-402, chapter 157, Laws of 1965 ex. sess. as last amended by section 2, chapter 251, Laws of 1989 and RCW 62A.9-402 are each amended to read as follows:

(1) A financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of RCW 62A.9-103, or when the financing statement is filed as a fixture filing (RCW 62A.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state.

(2) A financing statement which otherwise complies with subsection (1) is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in

(a) collateral already subject to a security interest in another jurisdiction when it is brought into this state or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances; or

(b) proceeds under RCW 62A.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) collateral as to which the filing has lapsed; or

(d) collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)).

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor)

Address

Name of secured party (or assignee)

Address

1. This financing statement covers the following types (or items) of property:

(Describe)

2. (If applicable) The above goods are to become fixtures on*

Products of the collateral are also covered

applicable) Signature of Secured Party (or Assignee)

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party: PROVIDED, That a secured party may amend a financing statement without the signature of the debtor when the amendment is to change the address or name of the secured party. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this Article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments. The fee for filing an amendment shall be the same as the fee for filing a financing statement.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of RCW 62A.9-103, or a financing statement filed as a fixture filing (RCW 62A.9-313) where the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, and (d) the mortgage is duly recorded. No

fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless a new appropriate financing statement or an amendment is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

(9) Written notice of a security interest in farm products is sufficient for purposes of being filed in the system described in RCW 62A.9-407 (3) through (8) and shall, for purposes of such sections, be called an "effective farm products notice statement" if it contains the following information:

(a) The name and address of the debtor;

(b) The debtor's signature;

(c) The name, address, and signature of the secured party;

(d) The social security number of the debtor, or in the case of a debtor doing business other than as an individual, the debtor's federal internal revenue service taxpayer identification number;

(e) A description by category (as prescribed by rule pursuant to RCW 62A.9-407(3)) of the farm products subject to the security interest including the amount of such products if applicable;

(f) A reasonable description of the real estate where the farm products are produced or located. This provision may be satisfied by a designation of the county or counties, and a legal description shall not be required.

(10) An effective farm products notice statement described in subsection (9) of this section must be amended in writing within three months, and similarly signed and filed, to reflect any material changes.

(11) If a secured party fails to file a termination statement within ten days after proper demand for the statement, the secured party is liable to the debtor for one hundred dollars, and in addition for any loss caused to the debtor by the failure.

Sec. 4. Section 9-407, chapter 157, Laws of 1965 ex. sess. as last amended by section 5, chapter 189, Laws of 1987 and RCW 62A.9-407 are each amended to read as follows:

(1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release, furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person following payment of the required fees, the department of licensing shall issue its certificate showing whether there is on file with the department of licensing on the date and hour stated therein, any presently effective financing statement naming a particular debtor and any statement of assignment thereof and if there is, giving the date and hour of filing of each such statement and the names and addresses of each secured party therein. Upon request and following payment of the required fees, the department of licensing shall issue its certificate and shall furnish a copy of any filed financing statements or statements of assignment.

(3) The department of licensing shall develop and, following certification by the United States department of agriculture, implement a central filing system containing the information filed with it pursuant to RCW 62A.9-402(9). Under this system, the department shall record the date and time of filing and compile the information into a master list organized according to categories of farm products. The list shall be organized within each farm product category in alphabetical order according to the last name of the debtor (or, in the case of debtors doing business other than as individuals, the first word in the name of such debtor). The list shall be further organized according to and contain information required by federal law and regulation. The department shall, by rule adopted pursuant to chapter 34.05 RCW, designate the categories of farm products to be used in compiling the master list. The department may establish and maintain, by rule, a separate system for filing farm products notice statements and search, retrieval, and dissemination of information relating to effective farm products notice statements, and may require separate search requests for such information pursuant to a fee schedule to be established by rule.

(4) The department of licensing shall maintain a list of all buyers of farm products, commission merchants, selling agents, and other persons who register with the department indicating an interest in receiving the lists described in subsection (5) of this section.

(5) The department of licensing shall distribute complete master lists for each farm product category at least quarterly to each buyer, commission merchant, selling agent, and other person registered under subsection (4) of this section and distribute either complete lists or cumulative supplements, which supplements shall be issued not less frequently than twice monthly, of effective farm products notice statements filed subsequent to the last date of filing for effective farm products notice statements on the last preceding quarterly master list, which the buyer, commission merchant, or selling agent has requested. The buyer, commission merchant, or selling agent shall be deemed to have received the lists and supplements no later than the third calendar day following the date of mailing by the department or in the event the mail is not delivered on that day, the first day thereafter on which mail is delivered.

(6) Upon the request of any person not registered pursuant to RCW 62A.9-407(4), the department of licensing shall provide, within twenty-four hours, an oral confirmation of the filing of the notice described in RCW 62A.9-402(9) followed by a written confirmation.

(7) Upon request of any person and payment of such fees as may be established by the department by rule, the department shall furnish copies of particular filed effective farm products notice statements or statements of assignment if the requestor provides the department with the file numbers of the statement to be copied.

(8) The department of licensing shall establish a fee schedule by rule for registration and listing of buyers of farm products, commission merchants, and selling agents of farm products and for distribution of master lists and supplements of master lists and information and oral confirmation of filing as required by RCW 62A.9-407. The fee for registration of buyers of farm products shall not exceed fifty dollars.

NEW SECTION. Sec. 5. To encourage private enterprise, the department of licensing may appoint an agent or agents to develop, implement, and/or maintain a central filing system in compliance with this chapter: PROVIDED, That any such agent or agents must meet such financial responsibility standards as the department may require and further that the appointment of an agent or agents will facilitate the cost-effective operation of the department's responsibilities under this chapter. The department shall adopt any rules necessary for the implementation of this section.

NEW SECTION. Sec. 6. No suit or action shall ever be commenced or prosecuted against the director or the state of Washington by reason of any act done or omitted to be done by any agent appointed under section 5 of this act in the administration of the duties and responsibilities of the agent.

NEW SECTION. Sec. 7. All rules adopted under the provisions of this chapter are subject to the provisions of chapter 34.05 RCW concerning the adoption of rules. The department of licensing shall issue regulations requiring the master lists distributed to registrants to include a listing of statutory crop liens filed with the department.

NEW SECTION. Sec. 8. The central filing system program fund is created in the custody of the state treasurer. All receipts from the fees collected by the director under this chapter and RCW 62A.9-409(1) shall be deposited into the fund. Expenditures from the fund may be used only for the purposes of this act. Only the director of licensing or the director's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 9. Sections 5 through 8 of this act are each added to chapter 62A.9 RCW.

NEW SECTION. Sec. 10. The sum of one hundred six thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the department of licensing for the purposes of this act. The amount spent shall be repaid to the general fund before the end of the biennium ending June 30, 1993, from the fees imposed pursuant to section 4(8) of this act.

NEW SECTION. Sec. 11. This act shall take effect July 1, 1991. The director of licensing may immediately take such steps as are necessary to ensure that this act is implemented on its effective date.

NEW SECTION. Sec. 12. This act may be cited as the Washington central filing of crop liens act.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "crops," strike the remainder of the title and insert "amending RCW 62A.9-307, 62A.9-402, and 62A.9-407; adding new sections to chapter 62A.9 RCW; creating new sections; prescribing penalties; making an appropriation; and providing an effective date."

and the same are herewith transmitted.

MOTION

On motion of Senator Lee, the Senate refuses to concur in the House amendments to Substitute Senate Bill No. 6664 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

February 28, 1990

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 6411, with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that demographic and economic changes are causing an increasing shortage of well trained workers within Washington. The working age population is growing at a decreasing rate due to the aging of the post World War II baby boom generation and due to a lower rate of birth. The current economic boom in the state is aggravating this long-term trend by lowering the rate of unemployed individuals seeking work. Because of the developing labor shortage, Washington businesses increasingly need to employ individuals from demographic groups which have been traditionally underrepresented among the employed population. Many of these and other individuals need training in order to have the skills required by employers. Despite economic growth, significant unemployment remains a serious and persistent problem in many areas of the state. By making first rate training available to individuals who lack suitable skills for employment in well-paying careers, the state will enhance employment opportunities for low-income individuals, unemployed persons, dislocated workers, and others enabling more citizens of the state to enjoy our economic prosperity.

The legislature further finds that our state's businesses have a growing need for highly trained workers because of the increasing technological complexity of occupations and due to

increasing world market competition. Because of these technical and economic changes, businesses in the future will need to fully utilize the capacities of their workers for skilled, flexible, and intelligent work.

The legislature further finds that the vast majority of the work force for the year 2000 and beyond is already of the age eighteen years or older. For the work force of the future to be well trained will require a first-rate adult training system. This system will need to train those individuals who are entering and reentering the labor market and those individuals already employed who need new or updated skills to meet changing technological and economic conditions. For the training system to be first rate will require a system that is well coordinated between service providers, is accountable for its performance, and is responsive to the needs of businesses and the work force. The training system must emphasize training in broad-based skills with long-term career potential. For the state to have a first rate training system requires a thorough study of our present and future training needs; experimentation in new ways of providing training; and leadership and recommendations from representatives of business, workers, and training providers.

The legislature further finds that adults without the basic skills needed for training in job skills are more likely to need unemployment compensation and welfare payments, and to fill our state's correctional institutions. The legislature intends to assess adult educational opportunities in the state for adults lacking basic literacy skills, for adults who have not received a high school diploma, and for adults who have received a high school diploma but whose level of achievement, based on standard measures, indicates that additional basic skills are necessary in order to enter a job training program.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this act.

(1) "Basic literacy" means achievement at a tenth grade educational level as measured by standardized tests.

(2) "Council" means the advisory council on investment in human capital.

(3) "Training" means any education, literacy, or skill training or retraining activity that is needed by an individual to begin or continue full participation in the Washington work force.

(4) "Training system" means the network of public and private providers of training, and includes secondary vocational education programs for gainful employment upon completion of a designated program sequence, but not other programs of primary or secondary education.

(5) "Training providers" includes agencies and institutions of secondary vocational education programs for gainful employment upon completion of a designated program sequence, adult education, vocational technical institutes, community colleges, apprenticeship programs, private and public nonprofit organizations that are representative of communities or significant segments of communities and provide job training services, and private for-profit organizations that provide training as their primary service.

(6) "Workforce" means all persons of working age including those who are currently gainfully employed and those who are not.

NEW SECTION. Sec. 3. (1) There is created the advisory council on investment in human capital. The council shall consist of ten voting members, nine nonvoting members, and a nonvoting chairperson. The governor shall appoint the members of the council except for the legislative members. Three of the voting members shall be representatives of business, and three of the voting members shall be representatives of labor. Four of the voting members shall be the state superintendent of public instruction or the superintendent's designee, the executive director of the state board for community college education or the director's designee, the commissioner of the department of employment security or the commissioner's designee, and the director of the department of labor and industries or the director's designee. The nine nonvoting members shall be a member from each of the two major caucuses in the house of representatives appointed by the speaker of the house, a member from each of the two major caucuses in the senate appointed by the president of the senate, a representative of the council of vocational technical institutes, a representative of the general public, a representative of a broad-based coalition of groups providing literacy services, a representative of private or public nonprofit organizations that are representative of communities or significant segments of communities and provide job training services, and a representative of private for-profit organizations which provide job training services as their primary service. The governor or the governor's designee shall serve as the nonvoting chairperson of the council.

(2) The council shall advise the office of financial management concerning the study of training authorized under section 4 of this act.

(3) The council shall advise the office of financial management and other appropriate state agencies concerning the pilot programs established under sections 5 through 9 of this act.

(4) The council shall make recommendations on changes necessary in state policies for training to the office of financial management and to the governor by December 1, 1990.

(5) The office of financial management and the office of the governor shall provide staff to the council as necessary to carry out the purposes of this act.

(6) The council shall meet as necessary to carry out the purposes of this act, and council members shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060, or 44.04.120.

NEW SECTION. Sec. 4. (1) The office of financial management shall, with the advice of the council, administer a study of the training needs of the state's work force, businesses, and the economy, including an evaluation of the training system. The office of financial management shall complete the study by December 1, 1990, and present the study to the council and governor. For purposes of the study, the office of financial management shall use already existing data whenever appropriate. As necessary, the labor market and economic analysis unit of the department of employment security shall assist the office of financial management with labor market and economic data, and state agencies that provide training shall assist the office of financial management with data on their training programs. The director of the office of financial management may contract for services necessary for the completion of the study, and shall contract for services as necessary to ensure objectivity in evaluating the training system. The study shall include:

(2) An assessment of the employment competency needs of the present Washington work force, including regional and demographic subgroups of the state work force, and projections of these competencies to the year 2010. Employment competency needs shall include, but not be limited to, literacy, basic skills, and vocational skills;

(3) An assessment of the current work force skill needs of Washington businesses and public employers, including subgroups by region, industry, and firm size, and projections of these needs to the year 2010. Work force skill needs shall include, but not be limited to, literacy, basic skills, and vocational skills;

(4) An assessment of the gaps which may exist between the competencies of the work force and the work force skill needs of Washington businesses between now and the year 2010 given current training policies;

(5) An assessment of the characteristics, size, and geographic distribution of Washington population groups which are in need of training between now and the year 2010;

(6) An inventory and analysis of alternative training programs, policies, and funding mechanisms including, but not limited to, financial contributions from businesses, workers, and trainees, which have been proposed or are in use in other states or other nations;

(7) An assessment of current data, information, monitoring, and evaluation systems so that training needs and training providers may be assessed on an ongoing, systematic, objective, and comprehensive basis. This assessment shall include integrating an evaluation component into each of the pilot programs authorized under sections 5 through 9 of this act;

(8) An inventory and analysis of the current training system in terms of organization, including the governance of vocational technical institutes, coordination, responsiveness, accountability, effectiveness, resources, support services for trainees, including but not limited to child care, and access, including access for subgroups of the population, including but not limited to subgroups by gender, race, ethnicity, and income level, and an inventory of training provided by employers whose primary product is not training;

(9) An analysis of current training programs to enable women and minorities to enter occupations and industries in which women and minorities have traditionally been underrepresented, and ways of improving such training;

(10) Recommendations for reducing the percentage of the adult population lacking basic literacy skills to five percent by the year 2010. The recommendations shall provide a framework for interagency collaboration and include:

(a) Recommendations on state policies and objectives to guide the adult literacy activities of the state;

(12) Recommendations for accountability at the state level for the Washington institute of applied technology and alternative methods for governance; and

(13) Recommendations on changes in the training system, including but not limited to ways of improving coordination and integration to meet the present and future needs of the work force, businesses, and the economy.

NEW SECTION. Sec. 5. The office of financial management and the office of the governor, with the advice of the council, shall oversee the pilot programs for job training. The pilot programs shall test means of integrating delivery systems and improving the responsiveness of training providers to the needs of businesses and the work force. Each pilot program shall integrate an evaluation component in conjunction with the study conducted under section 4 of this act.

NEW SECTION. Sec. 6. The state board for community college education shall, in cooperation with the office of financial management, administer pilot programs which provide additional community college training programs incorporating new means of responding to the needs of businesses and the work force. The state board for community college education shall, as appropriate, coordinate these projects with the economic development services provided by the department of trade and economic development and the department of employment security.

NEW SECTION. Sec. 7. Under this pilot program the vocational technical institutes shall provide two hundred thousand additional hours of adult education instruction.

NEW SECTION. Sec. 10. The legislature finds that school districts may provide vocational education programs for students more effectively through cooperatives using existing district facilities, facilities at work sites, and facilities including but not limited to mobile instructional units, distance learning, and computers, without the need to construct separate facilities. It is the intent of the legislature to encourage such cooperatives among school districts on a demonstration basis.

NEW SECTION. Sec. 11. The superintendent of public instruction may establish a grant award program to establish demonstration vocational cooperatives for the purposes of sections 10 through 16 of this act. Grants may be awarded for not more than three projects. The cooperatives approved should include projects in urban and rural areas and districts of varying characteristics and size.

NEW SECTION. Sec. 12. Initial applications to participate in the demonstration vocational cooperative program shall be submitted to the superintendent of public instruction not later than June 30, 1990. Each application shall contain a proposed plan that:

- (1) Explains how the plan meets the criteria;
- (2) Describes specific activities to be carried out;
- (3) Identifies the evaluation processes to be used; and
- (4) Includes a copy of the agreement for joint cooperative action pursuant to chapter 39.34 RCW.

NEW SECTION. Sec. 13. The superintendent of public instruction shall administer sections 10 through 16 of this act subject to legislative appropriation for this purpose. The superintendent shall approve requests based on criteria established by the superintendent and notify districts of grant awards on or before August 1, 1990. The demonstration vocational cooperative projects shall begin with the 1990-91 school year. The grant awards may be continued for up to five years if the funds are so provided.

NEW SECTION. Sec. 14. The grant awards for such demonstration vocational cooperatives shall be based on an allocation which includes:

- (1) The same amount as would be calculated pursuant to RCW 28A.41.140 for a skill center with the same full time equivalent enrollment; and
- (2) An amount to compensate the serving districts for costs to administer the cooperatives pursuant to standards established by the superintendent of public instruction.

NEW SECTION. Sec. 15. Following the completion of each year of operation, each demonstration vocational cooperative shall submit an evaluation of the cooperative program to the superintendent of public instruction in accordance with requirements of the superintendent. On or before July 1, 1992, the superintendent of public instruction shall submit a report to the education committees and the economic development committees of the house of representatives and the senate including the cooperative evaluations and recommendations concerning the continuation of this program.

NEW SECTION. Sec. 16. The superintendent of public instruction shall adopt rules under chapter 34.05 RCW if necessary to implement the superintendent's duties under sections 10 through 15 of this act.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 18. This act shall expire on July 1, 1991.

NEW SECTION. Sec. 19. (1) If funding for the purposes of section 4 of this act, referencing this act by bill number, is not provided by June 30, 1990, in the supplemental omnibus appropriations act, section 4 of this act shall be null and void.

PART I
RAIL FREIGHT

NEW SECTION. Sec. 1. PURPOSE OF STATE FREIGHT RAIL PROGRAM. The legislature finds that a balanced multimodal transportation system is required to maintain the state's commitment to the growing mobility needs of its citizens and commerce. Freight rail systems are important elements of this multimodal system.

Washington's economy relies heavily upon the freight rail system to ensure movement of the state's agricultural, chemical, and natural resource products to local, national, and international markets. Since 1970, Washington has lost nearly one-third of its five thousand two hundred rail miles to abandonment and bankruptcies, leaving approximately three thousand four hundred rail miles. Recognizing the implications of this trend for freight mobility and the state's economic future, the legislature believes that better freight rail planning, better cooperation to preserve rail lines, and increased financial assistance from the state are necessary to maintain and improve the freight rail system within the state.

NEW SECTION. Sec. 2. STATE FREIGHT RAIL PROGRAM. The Washington state department of transportation shall implement a state freight rail program for rail coordination, planning, and technical assistance.

NEW SECTION. Sec. 3. FREIGHT RAIL PLANNING. (1) The department of transportation shall continue its responsibility for the development and implementation of the state rail plan and programs, and the utilities and transportation commission shall continue its responsibility for intrastate rates, service, and safety issues.

(2) The department of transportation shall maintain an enhanced data file on the rail system. Proprietary annual station traffic data from each railroad and the modal use of major shippers shall be obtained to the extent that such information is available.

(3) The department of transportation shall provide technical assistance, upon request, to state agencies and local interests. Technical assistance includes, but is not limited to, the following:

(a) Abandonment cost-benefit analyses, to include the public and private costs and benefits of maintaining the service, providing alternative service including necessary road improvement costs, or of taking no action;

(b) Assistance in the formation of county rail districts and port districts; and

(c) Feasibility studies for rail service continuation and/or rail service assistance.

(4) With funding authorized by the legislature, the department of transportation shall develop a cooperative process to conduct community and business information programs and

to regularly disseminate information on rail matters. The following agencies and jurisdictions shall be involved in the process:

(a) The state departments of community development and trade and economic development;

(b) Local jurisdictions and local economic development agencies; and

(c) Other interested public and private organizations.

NEW SECTION, Sec. 4. FREIGHT RAIL PRESERVATION PROGRAM. The state, counties, local communities, railroads, labor, and shippers all benefit from continuation of rail service and should participate in its preservation. Lines which provide benefits to the state and local jurisdictions, such as avoided roadway costs, reduced traffic congestion, economic development potential, environmental protection, and safety, should be assisted through the joint efforts of the state, local jurisdictions, and the private sector.

(1) The department of transportation shall continue to monitor the status of the state's light density line system through the state rail plan and various analyses, and shall seek alternatives to abandonment prior to interstate commerce commission proceedings, where feasible.

(2) The utilities and transportation commission shall intervene in interstate commerce commission proceedings on abandonments, when necessary, to protect the state's interest.

(3) As conditions warrant, the following criteria shall be used for identifying the state's essential rail system:

(a) Established regional and short-line carriers excluding private operations which are not common carriers;

(b) Former state project lines, which are lines that have been studied and have received funds from the state and federal governments;

(c) Lines serving major agricultural and forest product areas or terminals, with such terminals generally being within a fifty-mile radius of producing areas, and sites associated with commodities shipped by rail;

(d) Lines serving ports, seaports, and navigable river ports;

(e) Lines serving power plants or energy resources;

(f) Lines used for passenger service;

(g) Mainlines connecting to the national and Canadian rail systems;

(h) Major intermodal service points or hubs; and

(i) The military's strategic rail network.

(4) Local jurisdictions may implement rail service preservation projects in the absence of state participation.

(5) The department of transportation shall continue to monitor projects for which it provides assistance.

NEW SECTION, Sec. 5. RAIL CORRIDOR PRESERVATION GUIDELINES. In rail banking situations where it is not practicable to implement or continue freight rail service operations until some future date and the line's right of way is available for purchase and/or meets the criteria of chapter 47.76 RCW:

(1) The department of transportation shall preserve rail corridors for future rail service by purchasing the rights of way with funds specifically appropriated from the essential rail banking account created in section 7 of this act.

(2) Acquisition of rights of way may also include track, bridges, and associated elements.

(3) All corridors purchased under the rail bank program shall be identified by the department of transportation.

(4) All corridors acquired by governmental entities by donation or reversion for future rail use shall be identified in the rail bank program.

(5) Any rail rights of way acquired with state money will be for present or future rail purposes and can only be used for other purposes with the consent of the Washington state department of transportation and the consent of the underlying fee title holder or reversionary rights holder, or if compensation has been made to the underlying fee title holder or reversionary rights holder.

NEW SECTION, Sec. 6. FINANCING MECHANISMS AND SOURCES FOR PUBLIC RAILROADS. State funding for rail service preservation shall benefit the state's interests, which include reducing public roadway maintenance and repair costs, increasing economic development opportunities, preserving jobs, and enhancing safety, and shall be contingent upon appropriate local participation.

NEW SECTION, Sec. 7. ESSENTIAL RAIL BANKING ACCOUNT—CREATION. (1) The essential rail banking account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes specified in this section.

(2) Moneys in the account may be used by the department to:

(a) Purchase unused rail rights of way; or

(b) Provide up to eighty percent of the funding through loans to first class cities, port districts and county rail districts to purchase unused rail rights of way.

(3) Use of the moneys pursuant to subsection (2) of this section shall be for rights of way that meet the following criteria:

- (a) The right of way has been identified, evaluated, and analyzed in the state rail plan prepared pursuant to this chapter;
- (b) The right of way may be or has been abandoned;
- (c) The right of way has potential for future rail service; and
- (d) Reestablishment of rail service would benefit the state of Washington; and this benefit shall be based on the public and private costs and benefits of reestablishing the service compared with alternative service including necessary road improvement costs, or of taking no action.

Funds in the account may be expended for this purpose only with legislative appropriation. Funds for acquisition of any line shall be expended only after obtaining the approval of the legislative transportation committee. The department may also expend funds from the receipt of a donation of funds sufficient to cover the property acquisition and management costs. The department may receive donations of funds for this purpose, which shall be conditioned upon, and made in consideration for the repurchase rights contained in RCW 47.76.040. The department or the participating local jurisdiction shall be responsible for maintaining the right of way, including provisions for fire and weed control and for liability associated with ownership. Nothing in this section and in sections 5 and 11 of this act shall be interpreted or applied so as to impair the reversionary rights of abutting landowners, if any, without just compensation.

(4) All earnings of investments of balances in the essential rail banking account shall be credited to that account except as provided in RCW 43.84.090 and 43.84.092.

NEW SECTION, Sec. 8. EVALUATING PROGRAM PERFORMANCE. The department shall evaluate the state freight rail program performance at the end of six years with respect to past and current conditions and future needs. The results of this evaluation shall be presented to the legislative transportation committee.

NEW SECTION, Sec. 9. TAX RELIEF STUDY. The department of revenue, working with the department of transportation, shall study and report its findings to the legislative transportation committee, by December 1, 1991, with respect to a potential tax relief program under Title 84 RCW for railroad operating properties, which shall provide tax credits for railroad participation in rail service preservation or improvement projects implemented on the light density line system.

NEW SECTION, Sec. 10. MONITORING FEDERAL RAIL POLICIES. The department of transportation shall continue to monitor federal rail policies and congressional action and communicate to Washington's congressional delegation and federal transportation agencies the need for a balanced transportation system and associated funding.

Sec. 11, Section 6, chapter 303, Laws of 1983 as amended by section 64, chapter 57, Laws of 1985 and by section 2, chapter 432, Laws of 1985 and RCW 47.76.030 are each reenacted and amended to read as follows:

(1) The essential rail assistance account is hereby created in the state treasury. Moneys in the account may be appropriated only for the purposes specified in this section.

(2) Moneys ~~(tm)~~ appropriated from the account to the department of transportation may be distributed by the department to first class cities, county rail districts and port districts for the purpose of:

- (a) Acquiring, maintaining, or improving branch rail lines; ~~(or)~~
- (b) Operating railroad equipment necessary to maintain essential rail service;
- (c) Construction of transloading facilities to increase business on light density lines or to mitigate the impacts of abandonment; or
- (d) Preservation, including operation, of viable light density lines, as identified by the Washington state department of transportation, in compliance with this chapter.

(3) ~~(Moneys in the account may be distributed to the department to purchase unused rail right of way that meets the following criteria:~~

~~(a) The right of way has been identified, evaluated, and analyzed in the state rail plan prepared pursuant to RCW 47.76.020;~~

~~(b) The right of way has been abandoned and is available for acquisition;~~

~~(c) The right of way has potential for future rail service; and~~

~~(d) Reestablishment of rail service in the future would benefit the state of Washington;~~

~~The department may exercise its authority to use moneys in the account for the purposes of this subsection only with legislative appropriation for this purpose or upon receipt of a donation of funds sufficient to cover the property acquisition and management costs. The department may receive donations of funds for this purpose, which shall be conditioned upon, and made in consideration for the repurchase rights contained in RCW 47.76.040. Nothing in this section shall be interpreted or applied so as to impair the reversionary rights of abutting landowners, if any, without just compensation.~~

~~(4)) First class cities, county rail districts and port districts may grant franchises to private railroads for the right to operate on lines acquired, repaired, or improved under this chapter.~~

~~(4) If rail lines or rail rights of way are used by county rail districts, port districts, state agencies, or other public agencies for the purposes of rail operations and are later abandoned, the rail lines or rail rights of way cannot be used for any other purposes without the~~

consent of the underlying fee title holder or reversionary rights holder, or compensation has been made to the underlying fee title holder or reversionary rights holder.

(5) Moneys distributed under subsection (2) of this section shall not exceed eighty percent of the cost of the service or project undertaken. At least twenty percent of the cost shall be provided by the first class city, county, port district, or other local sources.

(6) The amount distributed under this section shall be repaid to the state by the first class city, county rail district or port district. The repayment schedule and rate of interest, if any, shall be set at the time of the distribution of the moneys.

(7) All earnings of investments of balances in the essential rail assistance account shall be credited to ((the general fund)) that account except as provided in RCW 43.84.090 and 43.84.092.

PART II

HIGH OCCUPANCY VEHICLE LANE DEVELOPMENT

NEW SECTION, Sec. 12. PURPOSE FOR ACCELERATING HIGH OCCUPANCY VEHICLE SYSTEM DEVELOPMENT AND UTILIZATION. The need for mobility, growing travel demand, and increasing traffic congestion in urban areas necessitate accelerated development and increased utilization of the high occupancy vehicle system. Sections 14 and 17 of this act provide taxing authority that counties can use in the near term to accelerate development and increase utilization of the high occupancy vehicle system by supplementing available federal, state, and local funds.

NEW SECTION, Sec. 13. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 12 through 21 of this act.

(1) "Transit agency" means a city that operates a transit system, a public transportation benefit area, a county transportation authority, or a metropolitan municipal corporation.

(2) The "high occupancy vehicle system" includes high occupancy vehicle lanes, related high occupancy vehicle facilities, and high occupancy vehicle programs.

(3) "High occupancy vehicle lanes" mean lanes reserved for public transportation vehicles only or public transportation vehicles and private vehicles carrying no fewer than a specified number of passengers under RCW 46.61.165.

(4) "Related facilities" means park and ride lots, park and pool lots, ramps, bypasses, turnouts, signal preemption, and other improvements designed to maximize use of the high occupancy vehicle system.

(5) "High occupancy vehicle program" means advertising the high occupancy vehicle system, promoting carpool, vanpool, and transit use, providing vanpool vehicles, and enforcement of driving restrictions governing high occupancy vehicle lanes.

NEW SECTION, Sec. 14. EMPLOYER TAX. (1) A class AA county or a class A county adjoining a class AA county having within its boundaries existing or planned high occupancy vehicle lanes on the state highway system, may, with voter approval impose an excise tax of up to two dollars per employee per month on all employers or any class or classes of employers, public and private, including the state located in the agency's jurisdiction, measured by the number of full-time equivalent employees. The term employer within this section does not include (a) educational, cultural, or health organizations which are tax exempt under section 501(c)(3) of the Internal Revenue Code; (b) charitable or religious nonprofit organizations; or (c) governmental entities licensed under chapter 70.41 RCW.

Counties may contract with the state department of revenue or other appropriate entities for administration and collection of the tax. Such contract shall provide for deduction of an amount for administration and collection expenses.

(2) The tax shall not apply to employment of a person when the employer has paid for at least half of the cost of a transit pass issued by a transit agency for that employee, valid for the period for which the tax would otherwise be owed.

(3) A county shall adopt rules which exempt from all or a portion of the tax any employer that has entered into an agreement with the county that is designed to reduce the proportion of employees who drive in single-occupant vehicles during peak commuting periods in proportion to the degree that the agreement is designed to meet the goals for the employer's location adopted under section 15 of this act.

The agreement shall include a list of specific actions that the employer will undertake to be entitled to the exemption. Employers having an exemption from all or part of the tax through this subsection shall annually certify to the county that the employer is fulfilling the terms of the agreement. The exemption continues as long as the employer is in compliance with the agreement.

If the tax authorized in section 17 of this act is also imposed by the county, the total proceeds from both tax sources each year shall not exceed the maximum amount which could be collected under section 17 of this act.

NEW SECTION, Sec. 15. ADOPTION OF GOALS. The legislature encourages counties, in conjunction with cities, metropolitan planning organizations, and transit agencies in metropolitan areas to adopt goals for reducing the proportion of commuters who drive in single-occupant

vehicles during peak commuting periods. Any county imposing a tax under this chapter must adopt such goals. In adopting these goals, counties shall consider at least the following:

- (1) Existing and anticipated levels of peak-period traffic congestion on roadways used by employees in commuting to work;
- (2) Existing and anticipated levels of transit and vanpool service and carpool programs available to and from the worksite;
- (3) Variations in employment density and employer size;
- (4) Availability and cost of parking; and
- (5) Consistency of the goals with the regional transportation plan.

NEW SECTION. Sec. 16. SURVEY OF TAX USE. The department of transportation shall include in the annual transit report under chapter (EHB 1438), Laws of 1989 an element describing actions taken under this chapter. On at least two occasions prior to December 31, 1998, the department shall include an evaluation of the effectiveness of such actions.

NEW SECTION. Sec. 17. EXCISE TAX. A class AA county and a class A county adjoining a class AA county, having within their boundaries existing or planned high occupancy vehicle lanes on the state highway system may, with voter approval, impose a local surcharge of not more than fifteen percent on the state motor vehicle excise tax paid under RCW 82.44.020(1) on vehicles registered to a person residing within the county. No surcharge may be imposed on vehicles licensed under RCW 46.16.070 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16.079, 46.16.080, 46.16.085, or 46.16.090.

Counties imposing a tax under this section shall contract, before the effective date of the resolution or ordinance imposing a surcharge, administration and collection to the state department of licensing, which shall deduct an amount, as provided by contract, for administration and collection expenses incurred by the department. All administrative provisions in chapters 82.03, 82.32, and 82.44 RCW shall, insofar as they are applicable to state motor vehicle excise taxes, be applicable to surcharges imposed under this section.

If the tax authorized in section 14 of this act is also imposed by the county, the total proceeds from both tax sources each year shall not exceed the maximum amount which could be collected under this section.

NEW SECTION. Sec. 18. HIGH OCCUPANCY VEHICLE ACCOUNT. Funds collected by the department of revenue or other entity under section 14 of this act, or by the department of licensing under section 17 of this act, less the deduction for collection expenses, shall be deposited in the high occupancy vehicle account hereby created in the custody of the state treasurer. On the first day of the months of January, April, July, and October of each year, the state treasurer shall distribute the funds in the account to the counties on whose behalf the funds were received. The state treasurer shall make the distribution under this section without appropriation. All earnings of investments of balances in this account shall be credited to this account except as provided in RCW 43.84.090 and 43.84.092.

NEW SECTION. Sec. 19. USE OF FUNDS. Funds collected under section 14 or 17 of this act and any investment earnings accruing thereon shall be used by the county in a manner consistent with the regional transportation plan only for costs of collection, costs of preparing, adopting, and enforcing agreements under section 14(3) of this act, for construction of high occupancy vehicle lanes and related facilities, mitigation of environmental concerns that result from construction or use of high occupancy vehicle lanes and related facilities, payment of principal and interest on bonds issued for the purposes of this section, for high occupancy vehicle programs as defined in section 13(5) of this act, and for commuter rail projects in accordance with section 33 of this act. No funds collected under sections 14 or 17 of this act after June 30, 2000, may be pledged for the payment or security of the principal or interest on any bonds issued for the purposes of this section. Not more than ten percent of the funds may be used for transit agency high occupancy vehicle programs.

Priorities for construction of high occupancy vehicle lanes and related facilities shall be as follows:

- (1)(a) To accelerate construction of high occupancy vehicle lanes on the interstate highway system, as well as related facilities;
- (b) To finance or accelerate construction of high occupancy vehicle lanes on the noninterstate state highway system, as well as related facilities.
- (2) To finance construction of high occupancy vehicle lanes on local arterials, as well as related facilities.

Moneys received by an agency under sections 12 through 21 of this act shall be used in addition to, and not as a substitute for, moneys currently used by the agency for the purposes specified in this section.

Counties may contract with cities or the state department of transportation for construction of high occupancy vehicle lanes and related facilities, and may issue general obligation bonds to fund such construction and use funds received under this chapter to pay the principal and interest on such bonds.

NEW SECTION. Sec. 20. ESTABLISH POLICIES—INTERLOCAL AGREEMENTS. Counties imposing a tax under this chapter shall enter into an agreement through the interlocal cooperation act with the department of transportation. The agreement shall provide an opportunity

for the department of transportation, cities and transit agencies having within their boundaries a portion of the existing or planned high occupancy vehicle system as contained in the regional transportation plan, to coordinate programming and operational decisions affecting the high occupancy vehicle system. If two or more adjoining counties impose a tax under section 14 or 17 of this act, the counties shall jointly enter one interlocal agreement with the department of transportation.

NEW SECTION. Sec. 21. URBAN PUBLIC TRANSPORTATION SYSTEM. The high occupancy vehicle system is an urban public transportation system as defined in RCW 47.04.082.

PART III

HIGH CAPACITY SYSTEM DEVELOPMENT

NEW SECTION. Sec. 22. PURPOSE OF STATE HIGH CAPACITY TRANSPORTATION PROGRAM. Increasing congestion on Washington's roadways calls for identification and implementation of high capacity transportation system alternatives. "High capacity transportation system" means a system of transportation services, operating principally on exclusive rights of way, which taken as a whole, provides a substantially higher level of passenger capacity, speed, and service frequency than traditional public transportation systems operating principally on general purpose roadway rights of way. The legislature believes that local jurisdictions should coordinate and be responsible for high capacity transportation policy development, program planning, and implementation. The state should assist by working with local agencies on issues involving rights of way, partially financing projects meeting established state criteria, authorizing local jurisdictions to finance high capacity transportation systems through voter-approved tax options, and providing technical assistance and information.

NEW SECTION. Sec. 23. STATE POLICY ROLES IN DEVELOPMENT OF HIGH CAPACITY TRANSPORTATION SYSTEM ALTERNATIVES. The department of transportation's current policy role in transit is expanded to include other high capacity transportation development as part of a multimodal transportation system.

(1) The department of transportation shall implement a program for high capacity transportation coordination, planning, and technical studies with appropriations from the high capacity transportation account.

(2) The department shall assist local jurisdictions and metropolitan planning organizations with high capacity transportation planning efforts.

NEW SECTION. Sec. 24. HIGH CAPACITY TRANSPORTATION POLICY DEVELOPMENT OUTSIDE CENTRAL PUGET SOUND. (1) In any class A county not bordered by a class AA county and in counties of the first class and smaller, city-owned transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas may elect to establish high capacity transportation service. Such agencies shall form a regional policy committee with proportional representation based upon population distribution within the designated service area and a representative of the department of transportation.

(a) City-owned transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas participating in joint regional policy committees shall seek voter approval within their own service boundaries of a high capacity transportation system plan and an implementation program including a financing program.

(b) An interim regional authority may be formed pursuant to section 25(2) of this act and shall seek voter approval of a high capacity transportation plan and financing program within its proposed service boundaries.

(2) City-owned transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas in counties adjoining state or international boundaries are authorized to participate in the regional high capacity transportation programs of an adjoining state or nation.

NEW SECTION. Sec. 25. HIGH CAPACITY TRANSPORTATION POLICY DEVELOPMENT IN CENTRAL PUGET SOUND. (1) Agencies in a class AA county and in class A counties bordering a class AA county that are currently authorized to provide high capacity transportation planning and operating services, including but not limited to city-owned transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas, must establish through interlocal agreements a joint regional policy committee with proportional representation based upon the population distribution within each agency's designated service area, as determined by the parties to the agreement.

(a) The membership of the joint regional policy committee shall consist of locally elected officials who serve on the legislative authority of the existing transit systems and a representative from the department of transportation. Nonvoting membership for elected officials from adjoining counties may be allowed at the committee's discretion.

(b) The joint regional policy committee shall be responsible for the preparation and adoption of a regional high capacity transportation system plan and an implementation program including a financing package. This plan shall be in conformance with the metropolitan planning organization's regional transportation plan.

(c) Interlocal agreements shall be executed within two years of the effective date of this act. The joint regional policy committee shall present a high capacity transportation plan and

local funding program to the boards of directors of the transit agencies within the service area for adoption.

(d) Transit agencies shall present the adopted plan and financing program for voter approval within four years of the execution of the interlocal agreements. A simple majority vote is required for approval of the high capacity transportation plan and financing program in any service district within each county. Implementation of the program may proceed in any service area approving the plan and program.

(2) If interlocal agreements have not been executed within two years from the effective date of this act, the designated metropolitan planning organization shall convene within one hundred eighty days a conference to be attended by an elected representative selected by the legislative authority of each city and county in a class AA county and in class A counties bordering a class AA county.

(a) Public notice of the conference shall occur thirty days before the date of the conference.

(b) The purpose of the conference is to evaluate the need for developing high capacity transportation service in a class AA county and in class A counties bordering a class AA county and to determine the desirability of a regional approach to developing such service.

(c) The conference may elect to continue high capacity transportation efforts on a subregional basis through existing transit planning and operating agencies.

(d) The conference may elect to pursue regional development by creating a multicounty interim regional high capacity transportation authority. Conference members shall determine the structure and composition of any interim regional authority.

(i) The interim regional authority shall propose a permanent authority or authorities for voter approval. Permanent regional authorities shall become the responsible agencies for planning, construction, operations, and funding of high capacity transportation systems within their service boundaries. Funding sources for a regional high capacity transportation authority or authorities are separate from currently authorized funding sources for city-owned transit systems, county transportation authorities, metropolitan municipal authorities, or public transportation benefit areas.

(ii) State and local jurisdictions, county transportation authorities, metropolitan municipal corporations, or public transportation benefit areas shall retain responsibility for existing facilities and/or services, unless the responsibility is transferred to the high capacity transportation authority or authorities by interlocal agreement.

(3) If, within four years of the execution of the interlocal agreements, a high capacity transportation plan and financing program has been approved by a simple majority vote within a participating jurisdiction, that jurisdiction may proceed with high capacity transportation development. If within four years of the execution of the interlocal agreements, a high capacity transportation plan and program has not been approved by a simple majority vote within one or more of the participating jurisdictions, the joint regional policy committee shall convene within one hundred eighty days, a conference to be attended by participating jurisdictions within which a plan and financing program have not been approved. Such a conference shall be for the same purpose and shall be subject to the same conditions as described in subsection (2) of this section.

(4) High capacity transportation service planning, construction, operations, and funding shall be governed through the interlocal agreement process, including but not limited to provision for a cost allocation and distribution formula, service corridors, station area locations, right of way transfers, and feeder transportation systems. The interlocal agreement shall include a mechanism for resolving conflicts among parties to the agreement.

NEW SECTION, Sec. 26. EXPANSION OF HIGH CAPACITY TRANSPORTATION SERVICE BOUNDARIES. Regional high capacity transportation service boundaries may be expanded beyond the established service district through interlocal agreements among the transit agencies.

NEW SECTION, Sec. 27. STATE ROLE IN HIGH CAPACITY TRANSPORTATION PROGRAM PLANNING AND IMPLEMENTATION. The state's planning role in high capacity transportation development as one element of a multimodal transportation system should facilitate cooperative state and local planning efforts.

(1) The department of transportation may serve as a contractor for high capacity transportation system design, administer construction, and assist agencies authorized to provide service in the acquisition, preservation, and joint use of rights of way.

(2) The department and local jurisdictions shall continue to cooperate with respect to the development of park-and-ride facilities, associated roadways, transfer stations, people mover systems developed either by the public or private sector, and other related projects.

(3) The department in cooperation with local jurisdictions shall develop policies which enhance the development of high speed intercity systems by both the private and the public sector. These policies may address joint use of rights of way, identification and preservation of transportation corridors, and joint development of stations and other facilities.

NEW SECTION. Sec. 28. RESPONSIBILITY FOR HIGH CAPACITY TRANSPORTATION SYSTEM IMPLEMENTATION. (1) The state shall not become an operating agent for regional high capacity transportation systems.

(2) Agencies providing high capacity transportation service are responsible for planning, construction, operations, and funding including station area design and development, and parking facilities. Agencies may implement necessary contracts, joint development agreements, and interlocal government agreements. Agencies providing service shall consult with affected local jurisdictions and cooperate with comprehensive planning processes.

NEW SECTION. Sec. 29. REGIONAL TRANSPORTATION PLANNING. Regional transportation plans should be considered in adopting local land use plans. Regional transportation plans and local land use plans should address the impacts of urban growth on effective high capacity transportation planning and development, and provide for cooperation between local jurisdictions and transit agencies.

(1) Regional high capacity transportation plans shall be included in the designated metropolitan planning organization's regional transportation plan review and update process to facilitate development of a coordinated multimodal transportation system and to meet federal funding requirements.

(2) The state and local jurisdictions shall cooperate in encouraging land uses compatible with development of high capacity transportation systems. These include developing sufficient land use densities through local actions in high capacity transportation corridors and near passenger stations, preserving transit rights of way, and protecting the region's environmental quality. In developing local actions intended to carry out these policies local governments shall insure the opportunity for public comment and participation in the siting of such facilities, including stations or transfer facilities. Agencies providing high capacity transportation services, in cooperation with public and private interests, shall promote transit-compatible land uses and development which includes joint development.

(3) Agencies providing high capacity transportation service and transit agencies shall develop a cooperative process for the planning, development, operations, and funding of feeder transportation systems. Feeder systems may include existing and future intercity passenger systems and alternative technology people mover systems which may be developed by the private or public sector.

(4) Jurisdictions, working through their designated metropolitan planning organizations, shall manage a right of way preservation review process which includes activities to promote the preservation of the high capacity transportation rights of way.

(a) Jurisdictions shall forward all development proposals for projects within and adjoining to the rights of way proposed for preservation to the designated metropolitan planning organizations, which shall distribute the proposals for local and regional agency review.

(b) The metropolitan planning organizations shall also review proposals for conformance with the regional transportation plan and associated regional development strategies. The designated metropolitan planning organization shall within ninety days compile local and regional agency comments and communicate the same to the originating jurisdiction and the joint regional policy committee or, if established, a regional high capacity transportation authority.

NEW SECTION. Sec. 30. DEPARTMENT OF TRANSPORTATION RESPONSIBILITIES. The department of transportation shall, upon dissolution of the rail development commission, assume responsibility for distributing amounts appropriated from the high capacity transportation account and shall prioritize funding requests based on criteria in subsection (3) of this section.

(1) The department shall establish an advisory council of policy and technical experts pursuant to RCW 47.01.091 to assist in the review of requests for high capacity transportation account funds. The council shall be comprised of one representative from each congressional district, a designee of the governor, the executive director or a designee of the transportation improvement board, the director of the Washington state transportation center, and the chair or designee of the legislative transportation committee.

(2) State high capacity transportation account funds may provide up to eighty percent matching assistance for high capacity transportation planning efforts and for support of interim regional high capacity transportation authorities.

(3) Authorizations for state funding for high capacity transportation planning projects shall be subject to the following criteria:

(a) Conformance with the designated metropolitan planning organization's regional transportation plan;

(b) Local matching funds;

(c) Demonstration of projected improvement in regional mobility;

(d) Conformance with planning requirements prescribed in section 31 of this act, and if five hundred thousand dollars or more in state funding is requested, conformance with the requirements of section 32 of this act; and

(e)(i) Establishment, through interlocal agreements, of a regional policy committee with proportional representation based upon population distribution within each agency's designated service area as defined in section 24 of this act;

(ii) Establishment of a demonstrated regional agreement through a multijurisdictional conference to pursue high capacity transportation development on a subregional basis through established transit planning and operating agencies as defined in section 25 of this act; or

(iii) Establishment, through a multijurisdictional conference, of an interim high capacity transportation authority as defined in section 25 of this act.

(4) The department of transportation shall provide general review and monitoring of the planning process prescribed in section 31 of this act.

NEW SECTION, Sec. 31. PLANNING PROCESS. To assure the adoption of an effective high capacity transportation system, local authorities shall follow the following planning process:

(1) System planning is the ongoing urban transportation planning process conducted in each urbanized area by its metropolitan planning organization. During this process, regional transportation goals are identified, travel patterns are analyzed, and future land use and travel are projected. The system planning process provides a comprehensive view of the region's transportation needs but does not select a specified mode to serve those needs. System planning shall identify a priority corridor for further study of high capacity transportation facilities if it is deemed feasible by local officials.

(2)(a) Project planning is the detailed evaluation of a range of transportation options, including (i) do nothing, (ii) low capital, and (iii) ranges of higher capital facilities.

(b) Project planning shall proceed as follows:

(i) Organization and management. The responsible local transit agency or agencies shall define roles for various local agencies, review background information, provide for public involvement, and develop a detailed work plan for the project planning process.

(ii) Development of options. Options to be studied shall be developed to ensure an appropriate range of technologies and service policies can be evaluated. A do-nothing option and a low capital option that maximizes the current system shall be developed. Several higher capital options that consider several candidate technologies shall be developed.

(iii) Analysis methods. The local transit agency shall develop reports describing the analysis and assumptions for the estimation of capital costs, operating and maintenance costs, methods for travel forecasting, a financial plan and an evaluation methodology.

(iv) Study of options. The local transit agency shall use the methods described in (iii) of this subsection to produce impact information needed for project evaluation and for the preparation of an environmental impact statement. The impact evaluation shall address the impact that such a project will have on abutting or nearby residential or commercial property owners. The process of identification of corridors shall include notification of affected property owners by normal legal publication. At minimum, such notification shall include notice on the same day for at least three weeks in at least two newspapers of general circulation in the county where such project is proposed. Special notice of hearings by the conspicuous posting of notice, in a manner designed to attract public attention, in the vicinity of areas identified for station locations or transfer sites shall also be provided.

(v) Review and monitor. The department of transportation shall provide project review and monitoring in cooperation with the expert review panel identified in section 32 of this act. In addition, the local transit agency shall maintain a continuous public involvement program and seek involvement of other government agencies.

(vi) Detailed planning process. In order to increase the likelihood of future federal funding, the system and project planning processes shall follow the urban mass transportation administration's requirements as described in "Procedures and Technical Methods for Transit Project Planning", published by the United States department of transportation, urban mass transportation administration, September 1986, or the most recent edition. Nothing in this subsection shall be construed to preclude detailed evaluation of more than one corridor in the planning process.

NEW SECTION, Sec. 32. INDEPENDENT PROJECT OVERSIGHT. The legislature recognizes that the planning process described in section 31 of this act provides a recognized framework for guiding high capacity transportation studies. However, the process cannot guarantee appropriate transit decisions unless key study assumptions are reasonable.

To assure appropriate project assumptions and to provide for review of project results, the department of transportation shall develop independent oversight procedures which are appropriate to the scope of any project for which high capacity transportation account funds are requested.

An expert review panel shall be appointed to provide independent technical review for any project which is to be funded in whole or in part by the imposition of any voter-approved local option funding sources enumerated in section 35 of this act.

(1) The expert review panel shall consist of ten members who are recognized experts in relevant fields, such as transit operations, planning, emerging transportation technologies, engineering, finance, law, the environment, geography, economics, and political science.

(2) The expert review panel shall be selected cooperatively by the chair of the legislative transportation committee, the secretary of the department of transportation, and the governor to assure a balance of disciplines.

(3) The chair of the expert review panel shall be designated by the appointing body.

(4) The expert review panel shall serve without compensation but shall be reimbursed for expenses according to chapter 43.03 RCW.

(5) Funds appropriated for expenses of the expert panel shall be administered by the department of transportation.

(6) The expert panel shall review all reports required in section 31(2)(b)(vi) of this act but shall concentrate on service modes and concepts, costs, patronage, financing, and project evaluation.

(7) The expert panel shall provide timely reviews and comments on individual project reports and study conclusions to the governor, the legislative transportation committee, the department of transportation, and the submitting lead transit agency.

(8) The legislative transportation committee shall contract for consulting services for expert review panels. The amount of consultant support shall be negotiated with each expert review panel by the legislative transportation committee and shall be paid from the high capacity transportation account.

(2) A county may use funds collected under section 14 or 17 of this act to contract with one or more transit agencies for planning, operation, and maintenance of commuter rail projects which: (a) Are consistent with the regional transportation plan; (b) have met the project planning and oversight requirements of sections 31 and 32 of this act; and (c) have been approved by the voters within the service area of each transit agency participating in the project. The phrase "approved by the voters" includes specific funding authorization for the commuter rail project.

(3) The utilities and transportation commission shall maintain safety responsibility for passenger rail service operating on freight rail lines. Agencies providing passenger rail service on lines other than freight rail lines shall maintain safety responsibility for that service.

NEW SECTION. Sec. 34. **FINANCIAL RESPONSIBILITY.** Agencies providing high capacity transportation service shall determine optimal debt-to-equity ratios, establish capital and operations allocations, and establish fare-box recovery return policy.

NEW SECTION. Sec. 35. **FINANCING FOR HIGH CAPACITY TRANSPORTATION PROGRAMS.** (1) Agencies authorized to provide high capacity transportation service, including city-owned transit systems, county transportation authorities, metropolitan municipal corporations and public transportation benefit areas, are hereby granted dedicated funding sources for such systems. - (a) Employer tax as provided in section 41 of this act;
- (b) Special motor vehicle excise tax as provided in section 42 of this act; and
- (c) Sales and use tax as provided in section 43 of this act.

Revenues from these taxes may be used only to support those purposes prescribed in subsection (8) of this section. Before an agency may impose any of the taxes enumerated in this section and authorized in sections 41, 42, and 43 of this act, it must comply with the process prescribed in sections 31 and 32 of this act.

(5) Authorization in subsection (4) of this section shall not adversely affect the funding authority of existing transit agencies. Local option funds may be used to support implementation of interlocal agreements with respect to the establishment of regional high capacity transportation service. Local jurisdictions shall retain control over moneys generated within their boundaries, although funds may be commingled for planning, construction, and operation of high capacity transportation systems as set forth in the agreements.

(6) Agencies providing high capacity transportation service may contract with the state for collection and transference of local option revenue.

(7) Dedicated high capacity transportation funding shall be subject to voter approval by a simple majority.

Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas, solely for the purpose of providing high capacity transportation service may submit an authorizing proposition to the voters and if approved may impose an excise tax of up to two dollars per month on all employers located within the agency's jurisdiction, measured by the number of full-time equivalent employees. The rate of tax shall be approved by the voters. This tax may not be imposed by an agency when the county within which it is located is imposing an excise tax pursuant to section 14 of this act. The term "employer" within this section does not include (1) educational, cultural, or health organizations which are tax exempt under section 501(c)(3) of the Internal Revenue Code; (2) charitable or religious nonprofit organizations; or (3) governmental entities licensed under chapter 70.41 RCW.

In any county imposing a motor vehicle excise tax surcharge pursuant to section 17 of this act, the maximum

tax rate under this section shall be reduced to a rate equal to eighty one-hundredths of one percent on the value less the equivalent motor vehicle excise tax rate of the surcharge imposed pursuant to section 17 of this act. This authority may be exercised only if all local agencies which are parties to an interlocal agreement or members of a regional authority under section 25 of this act are imposing the tax at the same rate. This rate shall not apply to vehicles licensed under RCW 46.16.070 except vehicles with an unladen weight of six thousand pounds or less, RCW 46.16.079, 46.16.080, 46.16.085, or 46.16.090.

NEW SECTION, Sec. 43. SALES AND USE TAXES FOR HIGH CAPACITY TRANSPORTATION SERVICE. The legislative bodies of cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas, solely for the purpose of providing high capacity transportation service may submit an authorizing proposition to the voters and if approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter.

The tax authorized pursuant to this section shall be in addition to the tax authorized by RCW 82.14.030 and shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within such city, county transportation authority, metropolitan municipal corporation, or public transportation benefit area, as the case may be. The rate of such tax shall be approved by the voters and shall not exceed one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax).

NEW SECTION, Sec. 45. CONTRACT FOR COLLECTION OF TAXES. Cities that operate transit systems, county transportation authorities, metropolitan municipal corporations, and public transportation benefit areas may contract with the state department of revenue or other appropriate entities for administration and collection of any tax authorized by sections 41, 42, and 43 of this act.

PART VI

HIGH CAPACITY TRANSPORTATION ACCOUNT

NEW SECTION, Sec. 46. HIGH CAPACITY TRANSPORTATION ACCOUNT REVIEW. The department of transportation shall review the high capacity transportation account funding sources and allocation formula and propose any appropriate changes to the 1991 legislature.

Sec. 47. Section 1, chapter 428, Laws of 1987 and RCW 47.78.010 are each amended to read as follows:

There is hereby established in the state treasury the ((rail development)) high capacity transportation account. Money in the account shall be used, after appropriation, for local ((rail passenger and)) high capacity transportation purposes including rail freight ((purposes)). All earnings of investments of any balances in the ((rail development)) high capacity transportation account shall be credited to the ((rail development)) account except as provided in RCW 43.84.090 and 43.84.092.

Sec. 48. Section 1, chapter 18, Laws of 1988 and RCW 82.44.150 are each amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August, and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September, and December, respectively, except for those payable under RCW 82.44.020(6) and 82.44.030, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.020(6) and 82.44.030, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the

following apportionment and distribution of motor vehicle excise taxes deposited in the general fund except taxes collected under RCW 82.44.020(6). A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth: a sum equal to two percent thereof shall be allocable to the county sales and use tax equalization account under RCW 82.14.200; and a sum equal to four and two-tenths percent of the special excise tax levied under RCW 35.58.273 by those municipalities authorized to levy a special excise tax at a rate not exceeding ninety-six one-hundredths of one percent on the fair market value of every motor vehicle owned by a resident of such municipality shall be deposited in the ((rail development)) high capacity transportation account established in RCW 47.78.010.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under RCW 82.14.210.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

MOTION

Senator Patterson moved that the following amendments by Senators Patterson and Talmadge to the Committee on Transportation amendment be considered simultaneously and be adopted:

On page 9, line 20, after "employees," strike all material through and including "RCW." on line 25 and insert "The county imposing the tax authorized in this section may provide for exemptions from the tax to such educational, cultural, health, charitable, or religious organizations as it deems appropriate"

On page 27, line 22, after "employers" insert "or any class or classes of employers"

On page 27, line 27, after "act," strike all material through and including "RCW." on line 31, and insert "The agency imposing the tax authorized in this section may provide for exemptions from the tax to such educational, cultural, health, charitable, or religious organizations as it deems appropriate."

Debate ensued.

POINT OF INQUIRY

Senator Wojahn: "Senator Patterson, what would happen if a non-profit charitable group that had the taxing exemption were a state-wide organization with maybe a local chapter in a particular county, but with no authority where the state-wide group would handle all the authority that was vested in them. How would you handle that on a local option?"

Senator Patterson: "Well, first of all this particular bill deals only with the three metropolitan counties in the I-5 corridor and if you had hospitals, for example, in several other parts of the state, that proposal would not be on the ballot. It only would be a tax on the people that reside or the agencies that are in the particular taxing districts and in that case it would be King County."

Senator Wojahn: "But what if--"

Senator Patterson: "The tax would not carry over into another jurisdiction outside of the county that was offering for a vote of the people of the tax programs to support the programs that we are talking about here."

Senator Wojahn: "Well, I'm thinking of Catholic Community Services that are located in all counties, but I think the main county is King County, so their subsidiaries would--and they control the pocket book of all three counties--if they are in all three counties. Who would decide where that money--where the taxing authority would come from? Could King County impose upon Catholic Community

Services in Pierce County--the tax--if the money were controlled in King? I think there is a danger in this."

Senator Patterson: "We're talking about a tax that's levied on employees within the jurisdiction that offers it. It would not apply, in the case of Pierce County, if the Pierce County Legislative Authority determined that they would exempt Catholic Charities, then they would be exempt from the tax that was being levied in--"

Senator Wojahn: "Even though the flow of money originates in King County?"

Senator Patterson: "That is right. That would be my understanding."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendments by Senators Patterson and Talmadge on page 9, line 20, and page 27, lines 22 and 27, to the Committee on Transportation striking amendment to Engrossed Substitute House Bill No. 1825.

The amendments to the Committee on Transportation amendment to Engrossed Substitute House Bill No. 1825 were adopted on a rising vote, and with the President voting 'aye.'

On motion of Senator Patrick, the following amendment to the Committee on Transportation amendment was adopted:

On page 33, after line 30, add a new section as follows:

The committee shall report its findings and recommendations to the senate and house transportation committees by December 1, 1990."

Renumber the remaining sections consecutively and correct internal references accordingly.

The President declared the question before the Senate to be the adoption of the Committee on Transportation striking amendment, as amended, to Engrossed Substitute House Bill No. 1825.

On motion of Senator Nelson, Engrossed Substitute House Bill No. 1825, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1825, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1825, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 36; nays, 12; excused, 1.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Talmadge, the President finds that Substitute Senate Bill No. 6499 is a measure which would authorize a surcharge on civil filing fees for the purpose of funding dispute resolution centers.

"The House amendments on page 1, lines 8, 12, and 25, would authorize an appearance fee on civil defendants.

"The President, therefore, finds that these amendments do change the scope and object of the bill and that the point of order is well taken."

The House amendments on page 1, lines 8, 12 and 25, to Substitute Senate Bill No. 6499 were ruled out of order.

MOTION

On motion of Senator Nelson, the Senate concurred in the House amendment on page 1, line 9, did not concur in the House amendments on page 1, lines 8, 12 and 25, to Substitute Senate Bill No. 6499, and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 6780 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** A new section is added to chapter 43.70 RCW to read as follows:

The legislature finds that the demand for housing for migrant and seasonal farmworkers far exceeds the supply of adequate housing in the state of Washington. In addition, increasing numbers of these housing units are in deteriorated condition because they cannot be economically maintained and repaired.

The legislature further finds that the lack of a clear program for the regulation and inspection of farmworker housing has impeded the construction and renovation of housing units in this state.

It is the purpose of this act for the various agencies involved in the regulation of farmworker housing to coordinate and consolidate their activities to provide for efficient and effective monitoring of farmworker housing. It is intended that this action will provide greater responsiveness in dealing with public concerns over farmworker housing, and allow greater numbers of housing units to be built.

NEW SECTION, Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(1) The department of health shall be the primary inspector of labor camps and farmworker housing for the state of Washington: PROVIDED, That the department of labor and industries shall be the inspector for all farmworker housing not covered by the authority of the state board of health.

(2) The department of health, the department of labor and industries, the department of community development, the state board of health, and the employment security department shall develop an interagency agreement defining the rules and responsibilities for the inspection of farmworker housing. This agreement shall recognize the department of health as the primary inspector of labor camps for the state, and shall further be designed to provide a central information center for public information and education regarding farmworker housing. The agencies shall provide the legislature with a report on the results of this agreement by January 1, 1991.

NEW SECTION, Sec. 3. A new section is added to chapter 43.70 RCW to read as follows:

(1) Offer an open door to every citizen, regardless of his or her academic background or experience, at a cost normally within his or her economic means;

(2) Ensure that each vocational-technical district shall offer thoroughly comprehensive educational, training, and service programs to meet the needs of both the communities and students served by combining, with equal emphasis, high standards of excellence; realistic and practical courses in vocational education, both graded and ungraded; community services of an educational, cultural, and recreational nature; and adult education;

NEW SECTION, Sec. 8. A director of the system shall be appointed by the institute board and shall serve at the pleasure of the institute board. The director shall be appointed with due regard to his or her fitness and background in education, by his or her knowledge of and recent practical experience in the field of vocational and technical educational administration particularly in institutions beyond the high school level. The institute board may also take into consideration an applicant's proven management background even though not particularly in the field of education.

The administrative officers of a vocational-technical institute may deny admission to a prospective student or attendance to an enrolled student if, in their judgment, the student would not be competent to profit from the curriculum offerings of the vocational-technical institute, or would, by his or her presence or conduct, create a disruptive atmosphere within the vocational-technical institute not consistent with the purposes of the institution.

(11) In order that the treasurer for the institute board may make vendor payments, the state treasurer shall honor warrants drawn by the institute board providing for an initial advance on July 1, 1992, and on July 1 of each succeeding biennium from the state general fund in an amount equal to twenty-four percent of the average monthly allotment for such budgeted biennium expenditures for the vocational-technical institutes as certified by the office of financial management; and at the conclusion of such initial month and for each succeeding month of any biennium, the state treasurer shall reimburse expenditures incurred and reported monthly by the institute board treasurer in accordance with chapter 43.88 RCW. The reimbursement to the institute board for actual expenditures incurred in the final month of each biennium shall be less the initial advance made in such biennium;

(12) May receive such gifts, grants, conveyances, devises, and bequests of real or personal property from private sources as may be made from time to time, in trust or otherwise, whenever the terms and conditions thereof will aid in carrying out the vocational-technical institute programs and may sell, lease or exchange, invest or expend the same or the proceeds, rents, profits, and income thereof according to the terms and conditions thereof; and adopt rules to govern the receipt and expenditure of the proceeds, rents, profits, and income thereof.

Three trustees shall constitute a quorum, and no action shall be taken by less than a majority of the trustees of the local board of trustees. The local boards of trustees shall transmit such reports to the institute board as may be requested by the institute board. MOTION

Senator Nelson moved that the Senate do not concur in the House amendments to Engrossed Substitute Senate Bill No. No. 5545 and asks the House to recede therefrom.

Debate ensued.

POINT OF ORDER

Senator Wojahn: "A point of order, Mr. President. I request that these amendments be ruled outside of the scope and object, because they broadly expand the title of the bill. Engrossed Substitute Senate Bill No. 5545 formally establishes the State Board of Vocational Education to succeed the Commission on Vocational Education and transfers the duties from the commission to the board. The House amendments greatly expand the scope and object of the bill by creating a brand new governing body for vocational technical institutions, similar to the community college scheme while abolishing the existing system. A new board is created and all the duties and powers relating to vocational technical education are transferred from the Superintendent of Public Instruction to this newly created board. It is going to cost beau coup of money, believe me. Currently, under the House amendments, these are significant changes and they were never contemplated by the original bill and I believe for these reasons, it does expand the scope and object."

There being no objection, the President deferred further consideration of Engrossed Substitute Senate Bill No. 5545.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6306 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Improving the quality of instruction at our state institutions of higher education is a priority of the legislature. Recently, many efforts have been made by the legislature, the colleges, and the higher education coordinating board to assess and improve the quality of instruction received by students at our state institutions. It is the intent of the legislature that, in conjunction with these various efforts, the process for the award of faculty tenure at community colleges should allow for a more lengthy and thorough review of the performance of faculty appointees prior to the granting of tenure.

Sec. 2. Section 34, chapter 283, Laws of 1969 ex. sess. and RCW 28B.50.852 are each amended to read as follows:

The appointing authority shall promulgate rules and regulations implementing RCW 28B.50.850 through 28B.50.869 and shall provide for the award of faculty tenure following a probationary period not to exceed (~~three consecutive regular college years~~) nine college quarters, excluding summer quarter; PROVIDED, That tenure may be awarded at any time as may be determined by the appointing authority after it has given reasonable consideration to the recommendations of the review committee. With the consent of the probationary faculty member and the appointing authority, the probationary period may be extended up to three additional college quarters.

NEW SECTION. Sec. 3. The state board for community college education, in consultation with appropriate faculty organizations, labor representatives, and the governing boards and administrations of local community college districts, shall conduct a thorough review and study of salaries for full and part-time faculty and administrators at community colleges. The state board shall report to the legislature by January 1, 1991, on the results of this study, including specific recommendations on salary levels, payments for increments and advancements, bargaining, and allocation of salary funds.

Sec. 4. Section 37, chapter 283, Laws of 1969 ex. sess. and RCW 28B.50.857 are each amended to read as follows:

Upon the decision not to renew a probationary faculty appointment, the appointing authority shall notify the probationer of such decision as soon as possible during the regular college year: PROVIDED, That such notice may not be given subsequent to the last day of the (~~winter~~) eighth quarter.

NEW SECTION. Sec. 5. Nothing contained in this act shall be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement.

NEW SECTION. Sec. 6. Sections 1 and 2 of this act shall take effect July 1, 1990, and shall apply to all faculty appointments made by community colleges after June 30, 1990, but shall not apply to employees of community colleges who hold faculty appointments prior to July 1, 1990.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "colleges," strike the remainder of the title and insert "amending RCW 28B.50.852 and 28B.50.857; creating new sections; and providing an effective date."

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk,

On motion of Senator Sellar, the Conference Committee appointments were confirmed.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 6418, with the following amendments:

Strike everything after the enacting clause and insert the following:

*PART I

NEW SECTION. Sec. 1. The legislature finds that a health care access problem exists in rural areas of the state due to a lack of practicing physicians, physician assistants, and advanced registered nurse practitioners. In addition, many of these rural providers are unable to leave the community for short-term periods of time to attend required continuing education training or for personal matters because their absence would leave the community without adequate medical care coverage. The lack of adequate medical coverage in geographically remote rural communities constitutes a threat to the health and safety of the people in those communities.

The legislature declares that it is in the public interest to recruit and maintain a pool of physicians, physician assistants, pharmacists, and advanced registered nurse practitioners willing and able on short notice to practice in rural communities on a short-term basis to meet the medical needs of the community.

NEW SECTION. Sec. 2. The department shall establish the health professional temporary substitute resource pool. The purpose of the pool is to provide short-term physician, physician assistant, pharmacist, and advanced registered nurse practitioner personnel to rural communities where these health care providers:

- (1) Are unavailable due to provider shortages;
- (2) Need time off from practice to attend continuing education and other training programs; and
- (3) Need time off from practice to attend to personal matters or recover from illness.

The health professional temporary substitute resource pool is intended to provide short-term assistance and should complement active health provider recruitment efforts by rural communities where shortages exist.

NEW SECTION. Sec. 3. (1) The department, in cooperation with University of Washington school of medicine, the state's registered nursing programs, and other appropriate public and private agencies and associations, shall develop and keep current a register of physicians, physician assistants, pharmacists, and advanced registered nurse practitioners who are available to practice on a short-term basis in rural communities of the state. The department shall periodically screen individuals on the registry for violations of the uniform disciplinary act as authorized in chapter 18.130 RCW. If a finding of unprofessional conduct has been made by the appropriate disciplinary authority against any individual on the registry, the name of that individual shall be removed from the registry and that person shall be made ineligible for the program. The department shall include a list of back-up physicians and hospitals who can provide support to health care providers in the pool. The register shall be compiled, published, and made available to all rural hospitals, public health departments and districts, and other appropriate public and private agencies and associations. The department shall coordinate with existing entities involved in health professional recruitment when developing the registry for the health professional temporary substitute resource pool.

(2) Eligible health care professionals are those licensed under chapters 18.57, 18.57A, 18.64, 18.71, and 18.71A RCW and advanced registered nurse practitioners licensed under chapter 18.88 RCW.

(3) Participating health care professionals shall receive:

(a) Reimbursement for travel to and from the rural community and for lodging at a rate determined under RCW 43.03.050 and 43.03.060;

(b) Medical malpractice insurance purchased by the department, or the department may reimburse participants for medical malpractice insurance premium costs for medical liability while providing health care services in the program, if the services provided are not covered by the participant's or local provider's existing medical malpractice insurance; and

(c) Information on back-up support from other physicians and hospitals in the area to the extent necessary and available.

(4) The department may require rural communities to participate in health professional recruitment programs as a condition for providing a temporary substitute health care professional if the community does not have adequate permanent health care personnel. To the extent deemed appropriate and subject to funding, the department may also require communities to participate in other programs or projects, such as the rural health system project authorized by this chapter, that are designed to assist communities to reorganize the delivery of rural health care services.

(5) The department may require a community match for assistance provided in subsection (3) of this section if it determines that adequate community resources exist.

(6) The maximum continuous period of time a participating health professional may serve in a community is ninety days. The department may modify or waive this limitation should it determine that the health and safety of the community warrants a waiver or modification. The community shall be responsible for all salary expenses of participating health professionals.

NEW SECTION. Sec. 4. (1) Requests for a temporary substitute health care professional may be made to the department by the local rural hospital, public health department or district, community health clinic, local practicing physician, physician assistant, pharmacist, or advanced registered nurse practitioner, or local city or county government.

(2) The department shall:

(a) Establish a manner and form for receiving requests;

(b) Minimize paperwork and compliance requirements for participant health care professionals and entities requesting assistance; and

(c) Respond promptly to all requests for assistance.

(3) The department may apply for, receive, and accept gifts and other payments, including property and services, from any governmental or other public or private entity or person, and may make arrangements as to the use of these receipts to operate the pool. The department shall make available upon request to the appropriate legislative committees information concerning the source, amount, and use of such gifts or payments.

PART II

NEW SECTION. Sec. 5. The legislature finds that the lack of primary care physicians in some rural areas of the state and the critical shortage of maternity care services adversely affect access to basic health care services. Rural areas often require more services because the health care needs are greater due to poverty or because these areas are difficult to service due to geographic circumstances. The legislature further finds that encouraging primary care physicians to serve in rural areas of the state and midwives to serve in midwife shortage areas is essential to assure continued access to basic health care services. Studies suggest that physicians recruited from rural areas or physicians who have resident and intern experience in a rural setting tend to make a long-term commitment as rural physicians. The legislature declares that whenever possible rural communities should take an active part in identifying prospective medical students from the local rural community or other rural areas. In this way the community and the prospective physician can form a mutual commitment prior to the individual acquiring a medical education.

The legislature further finds that midwives serve as an important provider of prenatal, interpartum, and postpartum care. Training individuals to become midwives can serve to address the current shortage of providers. The legislature declares that it is in the best interest of the people in this state to promote the availability of midwife services through activities that lead to the recruitment and training of midwives.

Highest preference shall be given to students seeking admission who are recommended by sponsoring communities and who declare the intent of serving as a physician in a rural area.

(3) For prospective midwives, the selection criteria shall include requirements that the recipient declare an interest in serving in midwife shortage areas of the state of Washington.

The board may require the sponsoring community located in a nonshortage rural area to financially contribute to the eligible expenses of a medical student if the student will serve in the nonshortage rural area.

NEW SECTION. Sec. 11. The department may provide technical assistance to rural communities desiring to become sponsoring communities. Such assistance should include, but not be limited to: The identification of prospective students, assisting prospective students to apply to medical school and midwifery training programs, making formal agreements with prospective medical students to provide future primary care physician services in the community, forming agreements between rural communities in a service area to share physician and midwifery services, and fulfilling any matching requirements.

NEW SECTION. Sec. 12. In providing health care services the participant shall not discriminate against any person on the basis of the person's ability to pay for such services or because payment for the health care services provided to such persons will be made under the insurance program established under part A or B of Title XVIII of the federal social security act or under a state plan for medical assistance including Title XIX of the federal social security act and agrees to accept assignment under section 18.42(b)(3)(B)(ii) of such act for all services for which payment may be made under part B of Title XVIII and enters into an appropriate agreement with the department of social and health services for medical assistance under Title XIX to provide services to individuals entitled to medical assistance under the plan. (4) The entire principal and interest of each payment shall be forgiven for each payment period in which the participant serves in a rural area or a midwife shortage area until the entire repayment obligation is satisfied or the borrower ceases to so serve. Should the participant cease to serve in a rural area or midwife shortage area of this state before the participant's repayment obligation is completed, payments on the unsatisfied portion of the principal and interest shall begin the next payment period and continue until the remainder of the participant's repayment obligation is satisfied. Except for circumstances beyond their control, participants who serve less than five years shall be obliged to repay to the program an amount equal to twice the total amount paid by the program on their behalf in addition to the unsatisfied portion of principal and interest required by this section.

(5) The board is responsible for collection of repayments made under this section and shall exercise due diligence in such collection, maintaining all necessary records to ensure that maximum repayments are made. Collection and servicing of repayments under this section shall be pursued using the full extent of the law, including wage garnishment if necessary, and shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency. The board is responsible to forgive all or parts of such repayments under the criteria established in this section and shall maintain all necessary records of forgiven payments.

(6) Receipts from the payment of principal or interest or any other subsidies to which the board as administrator is entitled, which are paid by or on behalf of participants under this section, shall be deposited with the board and shall be used to cover the costs of granting the scholarships, maintaining necessary records, and making collections under subsection (5) of this section. The board shall maintain accurate records of these costs, and all receipts beyond those necessary to pay such costs shall be used to grant scholarships to eligible students.

(7) Sponsoring communities who financially contribute to the eligible financial expenses of eligible medical students may enter into agreements with the student to require repayment should the student not serve the minimum of five years in the community as a primary care physician. The board may develop criteria for the content of such agreements with respect to reasonable provisions and obligations between communities and eligible students.

(8) The board may make exceptions to the conditions for participation and repayment obligations should circumstances beyond the control of individual participants warrant such exceptions.

NEW SECTION. Sec. 14. The legislature finds that a shortage of physicians, nurses, pharmacists, and physician assistants exists in rural areas of the state. In addition, many education programs to train these health care providers do not include options for practical training experience in rural settings. As a result, many health care providers find their current training does not prepare them for the unique demands of rural practice.

The legislature declares that the availability of rural training opportunities as a part of professional medical, nursing, pharmacist, and physician assistant education would provide needed practical experience, serve to attract providers to rural areas, and help address the current shortage of these providers in rural Washington.

NEW SECTION. Sec. 15. (1) The department in consultation with at least the higher education coordinating board, the state board for community college education, the superintendent of public instruction, and state-supported education programs in medicine and nursing, shall develop a plan for increasing rural training opportunities for students in medicine and nursing. The plan shall provide for direct exposure to rural health professional practice conditions for students planning careers in medicine and nursing.

(2) The department and the medical and nurse education programs shall:

(a) Inventory existing rural-based clinical experience programs, including internships, clerkships, residencies, and other training opportunities available to students pursuing degrees in nursing and medicine;

(b) Identify where training opportunities do not currently exist and are needed;

(c) Develop recommendations for improving the availability of rural training opportunities;

(d) Develop recommendations on establishing agreements between education programs to assure that all students in medical, pharmacist, and nurse education programs in the state have access to rural training opportunities; and

(e) Review private and public funding sources to finance rural-based training opportunities.

(3) The department shall report to the house of representatives and senate standing committees on health care by December 1, 1990, with their findings and recommendations including needed legislative changes.

NEW SECTION. Sec. 16. The department, in consultation with training programs that lead to licensure in midwifery and certification as a certified nurse midwife, and other appropriate private and public groups, shall develop a state-wide plan to address access to midwifery services.

The plan shall include at least the following: (1) Identification of maternity service shortage areas in the state where midwives could reduce the shortage of services; (2) an inventory of current training programs and preceptorship activities available to train licensed and certified nurse midwives; (3) identification of gaps in the availability of training due to such factors as geographic or economic conditions that prevent individuals from seeking training; (4) identification of other barriers to utilizing midwives; (5) identification of strategies to train future midwives such as developing training programs at community colleges and universities, using innovative telecommunications for training in rural areas, and establishing preceptorship programs accessible to prospective midwives in shortage areas; (6) development of recruitment strategies; and (7) estimates of expected costs associated in recruitment and training.

The plan shall identify the most expeditious and cost-efficient manner to recruit and train midwives to meet the current shortages. Plan development and implementation shall be coordinated with other state policy efforts directed toward, but not limited to, maternity care access, rural health care system organization, and provider recruitment for shortage and medically underserved areas of the state.

The department shall submit a copy of the plan to the senate and house of representatives health care committees by December 1, 1990.

NEW SECTION. Sec. 17. By September 1, 1995, the department shall review the continuing need for the program and recommend the need for its continuation. It shall report its findings to the senate and house of representatives committees on health care by December 1, 1995.

NEW SECTION. Sec. 18. A new section is added to chapter 70.175 RCW to read as follows:

The department may develop and implement a rural health care plan and may approve hospital and rural health care facility requests to be designated as essential access community hospitals or rural primary care hospitals so that such facilities may form rural health networks to preserve health care services in rural areas and thereby be eligible for federal program funding and enhanced medicare reimbursement.

NEW SECTION. Sec. 19. After consulting with the higher education coordinating board, the governor may transfer the administration of the rural physician, pharmacist, and midwife scholarship program to another agency with an appropriate educational mission.

PART III

NEW SECTION. Sec. 20. The legislature finds that the residents of rural communities are having difficulties in locating and purchasing affordable health insurance. The legislature further finds that many rural communities have sufficient funds to pay for needed services, but those funds are being expended elsewhere causing insufficient funding of local health services. As part of the solution to this problem, rural communities need to be able to structure the

financing of local health services to better serve local residents. The legislature further finds that as rural communities need well financed and organized health care, it is in the interest of residents of rural communities that existing unauthorized entities comply with appropriate fiscal solvency standards and consumer safeguards, and that those entities be given an opportunity to come into compliance with existing state laws.

NEW SECTION. Sec. 21. The insurance commissioner shall establish a committee to recommend to the governor and legislature methods to improve the availability of affordable health insurance or coverage in rural communities. The recommendations shall consider (1) the unique and varied nature of rural communities, (2) methods to maximize the retention of local health expenditures in rural communities, (3) the need of rural communities to have sufficient control over the health services in their communities so that they may improve the quality and have the appropriate quantity of those health services, (4) financial stability and consumer protection issues, and (5) the feasibility of such recommendations. The committee shall examine methods of improving the way currently authorized carriers address rural health issues and shall examine the use of alternative arrangements specifically adapted to rural communities including, but not limited to, the use of local service contractors in combination with other entities authorized under Title 48 RCW.

The committee shall include the insurance commissioner or the commissioner's designee and representatives of rural communities, rural health providers, entities authorized under title 48 RCW, the department of health, and other individuals, as appointed by the insurance commissioner.

These recommendations shall be submitted to the governor and legislature no later than November 1, 1990.

The committee established under this section shall dissolve on January 1, 1991.

NEW SECTION. Sec. 22. Unless the context clearly requires otherwise, the definitions in this section apply to section 23 of this act.

(1) "Rural community" means any grouping of consumers, seventy-five percent of whom reside in areas outside of a standard metropolitan statistical area as defined by the United States bureau of census.

(2) "Consumer" means any person enrolled and eligible to receive benefits in the rural health care arrangement.

(3) "Rural health care service arrangement" or "arrangement" means any arrangement which is established or maintained for the purpose of offering or providing through the purchase of insurance or otherwise, medical, surgical, or hospital care or benefits in the event of sickness, accident, or disability in a rural community, as defined in this section, that is subject to the jurisdiction of the insurance commissioner but is not now a currently authorized carrier.

NEW SECTION. Sec. 23. Rural health care service arrangements existing on the effective date of this act may continue in full operation only so long as they comply with all of the following:

(1) Within ten days following the effective date of this act, all rural health care service arrangements shall inform the insurance commissioner of their intent to apply for approval to operate as an entity authorized under chapter 48.44 RCW or intend to merge with an entity authorized under Title 48 RCW or merge with an entity defined in this section;

(2) The arrangement submits an application for approval as an entity authorized under chapter 48.44 RCW by May 1, 1990;

(3) The arrangement has one hundred thousand dollars on deposit with the insurance commissioner by July 1, 1990;

(4) The arrangement has one hundred fifty thousand dollars on deposit with the insurance commissioner by September 1, 1990; and

(5) The arrangement complies with all reasonable requirements of the insurance commissioner excluding the deposit requirement, except as outlined in this section.

If such rural health care service arrangements fail to comply with any of the above requirements, or if during the application process an entity engages in any activities which the insurance commissioner reasonably determines may cause imminent harm to consumers, the entity may be subject to appropriate legal action by the insurance commissioner pursuant to the authority provided in Title 48 RCW.

A rural health care service arrangement which comes into compliance with Title 48 RCW through the method outlined in this act shall be subject to all applicable requirements of Title 48 RCW except that the deposit requirements shall not be increased until May 1, 1991.

NEW SECTION. Sec. 24. The insurance commissioner, pursuant to chapter 34.05 RCW, may promulgate rules to implement sections 22 and 23 of this act.

NEW SECTION. Sec. 25. The sum of forty-nine thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the insurance commissioner's regulatory account to the insurance commissioner for the purposes of section 21 of this act.

NEW SECTION. Sec. 26. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 27. Sections 20 through 23 of this act shall constitute a new chapter in Title 48 RCW.

NEW SECTION. Sec. 28. Any additional expenditures incurred by the University of Washington from provisions of this act shall be funded from existing financial resources.

NEW SECTION. Sec. 29. Sections 1 through 8, 10 through 17, 19 and 28 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 30. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1990, in the omnibus appropriations act, this act shall be null and void."

On page 1, line 1 of the title, after "care," strike the remainder of the title and insert "adding a new section to Title 28B RCW; adding a new section to chapter 70.175 RCW; adding a new chapter to Title 70 RCW; adding a new chapter to Title 48 RCW; creating new sections; making an appropriation; and declaring an emergency."

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Saling moved that the Senate do not concur in the House amendments to Substitute Senate Bill No. 6626 and requests of the House a conference thereon.

POINT OF ORDER

Senator Talmadge: "A point of order, Mr. President. I believe the House amendments to Substitute Senate Bill No. 6626 expand the scope and object of the bill. This was originally a little bill relating to place-bound students, particularly on the Olympic Peninsula. As the bill came to us from the House of Representatives, there was a series of amendments--amendments that expanded the place-bound aspects of the bill far beyond just those counties which were affected and also a section of the bill relating to Amerasian immigrants who would receive some financial assistance. I believe the very expansive amendments from the House of Representatives expanded the scope and object of the bill which originally related to place-bound students on the Olympic Peninsula."

POINT OF INQUIRY

Senator Saling: "Senator Talmadge, were you asking for a scope decision on all of the bill?"

Senator Talmadge: "I believe, Senator Saling, that I have to, because it is a striking amendment, as I recall."

Senator Saling: "Thank you."

Senator Talmadge: "I would not have done that, but for the fact that it was one striking amendment."

There being no objection, the President deferred further consideration of Substitute Senate Bill No. 6626.

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6771 with the following amendments:

Strike everything after the enacting clause, and insert the following:

NEW SECTION, Sec. 1. The legislature finds that as studies are continued into the possible health effects from electric and magnetic fields, utilities are placed in a difficult position when considering the placement of additional electric transmission and distribution lines. The legislature further finds that as certain parts of the state experience high rates of growth, continued demand for power will likely result in an increasing need for electric transmission and distribution facilities, and that additional options may be needed for locating these lines.

NEW SECTION, Sec. 2. The electric transmission research needs task force is hereby created, consisting of the director, or a designee of the state energy office, the director, or a designee of the department of health and the chair, or a designee of the utilities and transportation commission. The department of health shall serve as the lead agency of the task force.

NEW SECTION, Sec. 3. The electric transmission research needs task force shall recommend, by January 1, 1992, research needs for limiting human exposure to electric and magnetic fields from electric transmission and distribution lines. The recommendations shall take into account the costs associated with needed research. The task force shall solicit recommendations from utility representatives and other experts, including the state's higher education system, on engineering techniques and ways to limit human exposure to electric and magnetic fields. The recommendations shall include options for legislative action and options for funding such research. The task force shall report to the energy and utilities committees of the house of representatives and the senate by January 15, 1992.

NEW SECTION, Sec. 4. The sum of forty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the general fund to the department of health for the purposes of this act."

On line 1 of the title, after "fields;" strike the remainder of the title and insert "creating new sections; and making an appropriation."

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6537 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that the foster care system plays an important role in preserving families and giving consistent and nurturing care to children placed in its care. The legislature further finds that foster parents play an integral and important role in the system and particularly in the child's chances for the earliest possible reunification with his or her family.

NEW SECTION, Sec. 2. (1) Preservice training is recognized as a valuable tool to reduce placement disruptions, the length of time children are in care, and foster parent turnover rates. Preservice training also assists potential foster parents in making their final decisions about foster parenting and assists social service agencies in obtaining information about whether to approve potential foster parents.

(2) Foster parent preservice training shall include information about the potential impact of placement on foster children; social service agency administrative processes; the requirements, responsibilities, expectations, and skills needed to be a foster parent; attachment, separation, and loss issues faced by birth parents, foster children, and foster parents; child management and discipline; birth family relationships; and helping children leave foster care. Preservice training shall assist applicants in making informed decisions about whether they want to be foster parents. Preservice training shall be designed to enable the agency to assess the ability, readiness, and appropriateness of families to be foster parents. As a decision tool, effective preservice training provides potential foster parents with enough information to make an appropriate decision, affords potential foster parents an opportunity to discuss their decision with others and consider its implications for their family, clarifies foster family expectations, presents a realistic picture of what foster parenting involves, and allows potential foster parents to consider and explore the different types of children they might serve.

(3) Preservice training shall be completed prior to the issuance of a foster care license, except that the department may, on a case by case basis, issue a written waiver that allows the foster parent to complete the training after licensure, so long as the training is completed within ninety days following licensure.

NEW SECTION. Sec. 3. If specific funding for the purposes of section 2 of this act, referencing section 2 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 2 of this act shall be null and void.

NEW SECTION. Sec. 4. Regular on-site monitoring of foster homes to assure quality care improves care provided to children in family foster care. An on-site monitoring program shall be established by the department to assure quality care and regularly identify problem areas. The department shall report to the legislature by June 1 of each year, beginning with June 1, 1991, the results of the monitoring, including identified problem areas, and make policy recommendations to improve the quality of foster care based on the results of the monitoring. Monitoring shall be done by the department on a random sample basis of no less than ten percent of the total licensed family foster homes licensed by the department on July 1 of each year.

NEW SECTION. Sec. 5. If specific funding for the purposes of section 4 of this act, referencing section 4 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 4 of this act shall be null and void.

NEW SECTION. Sec. 6. The legislature finds that regular and ongoing program review of child protective services, child welfare services, and foster care is essential to agencies and the legislature in making informed recommendations and decisions regarding policy in the delivery of services to children and their families. The department of social and health services shall contract, through the request for proposal process, with an independent qualified organization for a comprehensive evaluation of these programs. The evaluation shall be based on findings secured through a generally accepted audit procedure based on a statistically significant state-wide sampling of data. The department shall cooperate with the contractor to meet the requirements of this section.

NEW SECTION. Sec. 7. If specific funding for the purposes of section 6 of this act, referencing section 6 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 6 of this act shall be null and void.

NEW SECTION. Sec. 8. The legislature recognizes the need for temporary short-term relief for foster parents who care for children with emotional, mental, or physical handicaps. For purposes of this section, respite care means appropriate, temporary, short-term care for these foster children placed with licensed foster parents. The purpose of this care is to give the foster parents temporary relief from the stresses associated with the care of these foster children. The department shall design a program of respite care that will minimize disruptions to the child and will serve foster parents within these priorities, based on input from foster parents, foster parent associations, and reliable research if available.

NEW SECTION. Sec. 9. If specific funding for the purposes of section 8 of this act, referencing section 8 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 8 of this act shall be null and void.

NEW SECTION. Sec. 10. (1) Except as provided in RCW 70.24.105, whenever a child is placed in out-of-home care by the department or a child-placing agency, the department or agency may share information about the child and the child's family with the care provider and may consult with the care provider regarding the child's case plan.

(2) Any person who receives information about a child or a child's family pursuant to this section shall keep the information confidential and shall not further disclose or disseminate the information except as authorized by law.

(3) Nothing in this section shall be construed to limit the authority of the department or child-placing agencies to disclose client information or to maintain client confidentiality as provided by law.

NEW SECTION. Sec. 11. To provide stability to children in out-of-home care, placement selection shall be made with a view toward the fewest possible placements for each child. If possible, the initial placement shall be viewed as the only placement for the child. The use of

short-term interim placements of thirty days or less to protect the child's health or safety while the placement of choice is being arranged is not a violation of this principle.

NEW SECTION, Sec. 12. (1) Whenever a child has been placed in a foster family home by the department or a child-placing agency and the child has thereafter resided in the home for at least ninety consecutive days, the department or child-placing agency shall notify the foster family at least five days prior to moving the child to another placement, unless:

- (a) A court order has been entered requiring an immediate change in placement;
- (b) The child is being returned home;
- (c) The child's safety is in jeopardy; or
- (d) The child is residing in a receiving home or a group home.

(2) If the child has resided in a foster family home for less than ninety days or if, due to one or more of the circumstances in subsection (1) of this section, it is not possible to give five days' notification, the department or child-placing agency shall notify the foster family of proposed placement changes as soon as reasonably possible.

(3) This section is intended solely to assist in minimizing disruption to the child in changing foster care placements. Nothing in this section shall be construed to require that a court hearing be held prior to changing a child's foster care placement nor to create any substantive custody rights in the foster parents.

NEW SECTION, Sec. 13. Adequate foster parent training has been identified as directly associated with increasing the length of time foster parents are willing to provide foster care and reducing the number of placement disruptions for children. Placement disruptions can be harmful to children by denying them consistent and nurturing support. Foster parents have expressed the desire to receive training in addition to the foster parent SCOPE training currently offered. Foster parents who care for more demanding children, such as children with severe emotional, mental, or physical handicaps, would especially benefit from additional training. The department shall develop additional training for foster parents that focuses on skills to assist foster parents in caring for emotionally, mentally, or physically handicapped children.

NEW SECTION, Sec. 14. If specific funding for the purposes of section 13 of this act, referencing section 13 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 13 of this act shall be null and void.

NEW SECTION, Sec. 15. The legislature finds that during the fiscal years 1987 to 1989 the number of children in foster care has risen by 14.3 percent. At the same time there has been a 31 percent turnover rate in foster homes because many foster parents have declined to continue to care for foster children. This situation has caused a dangerously critical shortage of foster homes.

The department of social and health services shall develop and implement a project to recruit more foster homes and adoptive homes for special needs children by developing a request for proposal to licensed private foster care, licensed adoption agencies, and other organizations qualified to provide this service.

The project shall consist of one state-wide administrator of recruitment programs, and one or more licensed foster care or adoption agency contracts in each of the six departmental regions. These contracts shall enhance currently provided services and may not replace services currently funded by the agencies. No more than sixty thousand dollars may be spent annually to fund the administrator position.

The agencies shall recruit foster care homes and adoptive homes for children classified as special needs children under chapter 74.08 RCW. The agencies shall utilize their own network of contacts and shall also develop programs similar to those used effectively in other states. The department shall expand the foster-adopt program state-wide to encourage stable placements for foster children for whom permanent out-of-home placement is a likelihood. The department shall carefully consider existing programs to eliminate duplication of services.

The department shall assist the private contractors by providing printing services for informational brochures and other necessary recruitment materials. No more than fifty thousand dollars of the funds provided for this section may be expended annually for recruitment materials.

NEW SECTION, Sec. 16. (1) The department shall establish a state-wide program to manage health services for children in foster care. Services include medical and developmental services already provided subject to current statutes and available resources, and shall provide children in foster care with:

- (a) Health screening, supervision, and continuity of care;
- (b) Developmental screening;
- (c) Illness and emergency care; and
- (d) Child centered management plans designed to address specific therapeutic rehabilitative and preventative needs. Case management shall be used to ensure comprehensiveness and continuity of care.

(2) Strategies for reimbursements shall be developed which utilize prospective payment or capitation formulas.

NEW SECTION. Sec. 17. The department of social and health services shall develop and implement a survey tool to provide information to the legislature regarding the specific reasons foster parents voluntarily or involuntarily terminate their service to the foster parent system. The tool shall be implemented by July 1, 1990. The survey shall cover a period of one year and a final report shall be made to the legislature by December 1991.

NEW SECTION. Sec. 18. If specific funding for the purposes of sections 15, 16, and 17 of this act, referencing sections 15, 16, and 17 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, sections 15, 16, and 17 of this act shall be null and void.

NEW SECTION. Sec. 19. The average basic rate of reimbursement to foster parents for children placed in their care often does not cover the total cost of care. Studies have identified that increasing rates is directly related to increasing the number of available foster homes and positively influences the decision of foster parents to provide care.

NEW SECTION. Sec. 20. If specific funding for the purposes of section 19 of this act, referencing section 19 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 19 of this act shall be null and void.

NEW SECTION. Sec. 21. Private child placement agencies offer a valuable service to the state. Caseloads are limited to no more than twenty-five per caseworker allowing the agencies to provide quality services. Child placement agencies are funded by a variety of public and private sources. Over the last several years, administration costs have risen in both public and private agencies.

NEW SECTION. Sec. 22. If specific funding for the purposes of section 21 of this act, referencing section 21 of this act by bill and section number, is not provided by June 30, 1990, in the omnibus appropriations act, section 21 of this act shall be null and void.

NEW SECTION. Sec. 23. Foster parents are responsible for the protection, care, supervision, and nurturing of the child in placement. As an integral part of the foster care team, foster parents shall, if appropriate and they desire to: Participate in the development of the service plan for the child and the child's family; assist in family visitation, including monitoring; and model effective parenting behavior for the natural family.

NEW SECTION. Sec. 24. A new section is added to chapter 13.32A RCW to read as follows:

In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child. Preferences such as family constellation, ethnicity, and religion shall be given consideration when matching children to foster homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and should be integrated through the foster care team.

NEW SECTION. Sec. 25. A new section is added to chapter 13.34 RCW to read as follows:

In an attempt to minimize the inherent intrusion in the lives of families involved in the foster care system and to maintain parental authority where appropriate, the department, absent good cause, shall follow the wishes of the natural parent regarding the placement of the child. Preferences such as family constellation, ethnicity, and religion shall be given consideration when matching children to foster homes. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and should be integrated through the foster care team.

NEW SECTION. Sec. 26. Sections 1, 2, 4, 6, 8, 10 through 13, 15, and 16 of this act are each added to chapter 74.13 RCW.

NEW SECTION. Sec. 27. This act shall take effect July 1, 1990, however the secretary may immediately take any steps necessary to ensure implementation of section 17 of this act on July 1, 1990.

NEW SECTION. Sec. 28. The legislature recognizes the unique liability risks that foster parents face in taking children into their care and that foster parents often cannot obtain liability protection through private insurance carriers. The legislature finds that some potential foster parents are unwilling to subject themselves to such liability without insurance protection. The legislature further finds that to encourage those people to serve as foster parents, it is necessary to increase the liability protection available to foster parents.

Sec. 29. Section 7, chapter 159, Laws of 1963 as last amended by section 4, chapter 419, Laws of 1989 and RCW 4.92.130 are each amended to read as follows:

A liability account in the custody of the treasurer is hereby created as a nonappropriated account to be used solely and exclusively for the payment of liability settlements and judgments against the state under 42 U.S.C. Sec. 1981 et seq. or for the tortious conduct of its officers, employees, ~~((and))~~ volunteers, and foster parents licensed under chapter 74.15 RCW.

(1) The purpose of the liability account is to: (a) Expediently pay legal liabilities of the state resulting from tortious conduct; (b) promote risk control through a cost allocation system which recognizes agency loss experience, levels of self-retention, and levels of risk exposure; and (c) establish an actuarially sound system to pay incurred losses, within defined limits.

(2) The liability account shall be used to pay claims for injury and property damages exclusive of legal defense costs and agency-retained expenses otherwise budgeted.

(3) No money shall be paid from the liability account unless all proceeds available to the claimant from any valid and collectible liability insurance shall have been exhausted and unless:

(a) The claim shall have been reduced to final judgment in a court of competent jurisdiction; or

(b) The claim has been approved for payment.

(4) Earnings on the account's assets shall be credited to the account, notwithstanding RCW 43.84.090.

(5) The liability account shall be financed through annual premiums assessed to state agencies, based on sound actuarial principles, and shall be for liability coverage in excess of agency-budgeted self-retention levels.

(6) Annual premium levels shall be determined by the risk manager, with the consultation and advice of the risk management advisory committee and concurrence from the office of financial management. An actuarial study shall be conducted to assist in determining the appropriate level of funding.

(7) Disbursements from the liability account shall be made to the claimant, or to the clerk of the court for judgments, upon written request to the state treasurer from the risk manager.

(8) The director of the office of financial management may direct agencies to transfer moneys from other funds and accounts to the liability account if premiums are delinquent.

(9) The liability account shall not exceed fifty percent of the actuarial value of the outstanding liability as determined annually by the office of risk management. If the account exceeds the maximum amount specified in this section, premiums may be adjusted by the office of risk management in order to maintain the account balance at the maximum limits. If, after adjustment of premiums, the account balance remains above the limits specified, the excess amount will be prorated back to the appropriate funds.

NEW SECTION. Sec. 30. If specific funding for the purpose of sections 28 and 29 of this act, referencing sections 28 and 29 of this act by bill and section numbers, is not provided by June 30, 1990, in the omnibus appropriations act, sections 28 and 29 of this act shall be null and void."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "amending RCW 4.92.130; adding new sections to chapter 74.13 RCW; adding a new section to chapter 13.32A RCW; adding a new section to chapter 13.34 RCW; creating new sections; and providing an effective date."

and the same are herewith transmitted.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Wojahn, the President finds that Engrossed Substitute Senate Bill No. 5545 is a measure which establishes the State Board for Vocational Education as the successor agency to the Commission for Vocational Education.

"The House amendments would create the Vocational-Technical Institute Act which would establish a new state system of vocational-technical institutes, transfer all VTI duties and powers from the Superintendent of Public Instruction and exclude VTIs from the common school system and from eligibility for construction money from the Common School Construction Fund.

"The President, therefore, finds that the proposed amendments do change the scope and object of the bill and that the point of order is well taken."

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 6904 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature finds that there exists in the state of Washington a critical need to examine, plan, and finance criminal justice activities. It is the policy of the state of Washington to encourage self-reliance by cities, towns, and counties in meeting their local government responsibilities. However, local criminal justice needs have accelerated to such an extent that many local governments cannot continue to meet the challenges of crime. It is the policy of the state of Washington to assist cities, towns, and counties in meeting these financial needs while promoting and encouraging local solutions, improved management, coordination, and planning of criminal justice activities.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) "Board" means the local justice assistance board created under this chapter.
- (2) "Local governments" means cities, towns, and counties.
- (3) "Criminal justice activities" means all activities including operational and capital expenditures of superior, district, and municipal courts, jails or corrections, law enforcement, indigent defense, prosecution, probation, and community service.
- (4) "Grants-in-aid" means moneys applied for by cities, towns, and counties and approved by the local justice assistance board based on criteria specified in this chapter.
- (5) "Formula financing" means moneys distributed by formula, to counties based on criteria and approved by the local justice assistance board.

NEW SECTION, Sec. 3. (1) The local justice assistance board is created, composed of seven members as follows:

- (a) The director of the department of community development or the director's designee;
- (b) The director of financial management or the director's designee;
- (c) The chief of the state patrol or the chief's designee;
- (d) Four representatives of cities and towns, appointed by the governor from a list of at least eight persons nominated by the association of Washington cities;

(e) Four representatives of counties, appointed by the governor from a list of at least eight persons nominated by the Washington state association of counties;

(f) One representative of sheriffs and police chiefs, appointed by the governor from a list of at least two persons nominated by the Washington association of sheriffs and police chiefs;

(g) One representative of prosecutors, appointed by the governor from a list of at least two persons nominated by the Washington association of prosecutors;

(h) Two members of the house of representatives, one from each of the two largest caucuses, appointed by the speaker of the house of representatives; and

(i) Two members of the senate, one from each of the two largest caucuses, appointed by the president of the senate.

(2) If a legislator would be ineligible for appointment to the board as a voting member under the state Constitution, that legislator shall be a nonvoting member of the board during the period of such ineligibility.

(3) Legislative members of the board and persons who are board members by virtue of holding a state office shall serve until their successors are appointed and qualified. Members of the board appointed by the governor shall serve six-year terms. Vacancies on the board shall be filled by appointment by the original appointing authority under this section. The board shall elect a chairperson from among its members.

(4) Board members shall receive no compensation, but shall be reimbursed as provided in RCW 43.03.050, 43.03.060, and 44.04.120.

NEW SECTION, Sec. 4. The director of the department of community development shall provide administrative and staff support for the board.

NEW SECTION, Sec. 5. The board may:

(1) Accept from any state or federal agency, grants or other moneys for the planning or financing of criminal justice activities and enter into agreements with any such agency concerning grants of other moneys;

(2) Provide technical assistance to local governments, including (a) training and other services to assist them in planning, applying, and qualifying for funding for criminal justice activities; and (b) assistance to improve local management, coordination, and delivery of criminal justice services;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions that are not in conflict with this chapter;

(4) Adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this chapter;

(5) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION, Sec. 6. (1) The board shall adopt a formula financing methodology for funding county criminal justice activities. The formula is to be developed in a manner that provides resources to those counties most affected by extraordinary crime trends, and that encourages management efficiencies. In developing the formula, the board shall consider appropriate criteria that may include, but are not limited to:

(a) Reported crime;

(b) Bookings, filings, trials, convictions, and commitments;

(c) Releases, parole, and probation;

(d) Costs of financing indigent defense;

(e) Population factors; and

(f) Measures of fiscal capacity, including per capita assessed valuation, per capita excise tax data, other tax base indicators, rates of taxation, and other relevant revenue information.

(2) The specific data elements and methodology for formula financing of criminal justice activities and the resulting distribution shall be presented to the fiscal committees of the legislature by September 1, 1990, and each September 1st thereafter. The board may revise the formula after consulting with the fiscal committees. The board shall distribute moneys under the formula as soon as practical, but not earlier than thirty days after submitting the formula to the fiscal committees.

NEW SECTION, Sec. 7. (1) The board shall develop a methodology to distribute grants-in-aid for local government criminal justice activities. The purpose of the grants-in-aid program is to provide ongoing assistance to reduce specific categories of crime that are causing significant effects on the local criminal justice system. The objective of all grant-in-aid awards shall be to achieve a reduction of a specific crime rate unless an applicant documents that a specific crime reduction target is not appropriate for the proposed strategy and proposes a substitute objective acceptable to the board.

(2) The board shall develop criteria for awarding grants with specific weightings given for projects that:

(a) Encourage management efficiencies, interlocal agreements, mutual assistance, or other agreements and policy coordination; and

(b) Provide resources to geographic areas with high incidence of crime or unusual problems with extraordinary crime.

(3) The board shall establish a policy as to the number of succeeding awards that may be made to a qualifying local government in order that specific crime reduction goals may be met in keeping with a strategy proposed by an applicant. The board shall establish policies that require local matching rates that may increase in succeeding award periods. The board may provide for exemptions from matching requirements for those jurisdictions that it determines are economically distressed for the purposes of chapter 82.60 RCW.

NEW SECTION, Sec. 8. (1) The board shall develop a methodology and process for distributing emergency grants-in-aid for local government criminal justice activities. The board shall identify drug crime impact areas for the purpose of expedited awards of moneys in order to meet the current crisis that is threatening public safety and the credibility of the local government criminal justice system. "Drug crime impact areas" means those local governments that are experiencing recent significant increases in criminal justice costs and activities related to drug crimes. If any awards for jail construction are awarded under this section, the conditions in section 13 (1) and (2) of this act shall apply.

(2) The board shall award these emergency grants-in-aid no later than August 1, 1990. Any portion of the amounts appropriated for this purpose not awarded by August 1, 1990, shall be transferred by the board to the grants-in-aid program under section 7 of this act. Matching requirements shall not be required by the board for receipt of moneys under this section. Grants under this section shall not be made after August 1, 1990.

NEW SECTION, Sec. 9. The board shall keep proper records of accounts and shall be subject to audit by the state auditor. The board may request information of the state auditor as to audits of local governments receiving any moneys under this chapter.

NEW SECTION, Sec. 10. (1) On or before January 1st of each year, the board shall prepare a report on the status of criminal justice in the state of Washington. Such report may include policy recommendations to the legislature for dealing with criminal justice issues and problems.

(2) The board may conduct studies and research into criminal policies and practices as identified by the board. In conducting studies and research, the board may request assistance from the office of financial management, department of corrections, state patrol, sentencing guidelines commission, or other appropriate state, local, or federal agency or private source.

(3) The board may develop a library of materials on trends and techniques in dealing with local government criminal justice problems and issues that may be used by interested parties.

NEW SECTION, Sec. 11. (1) The criminal justice assistance account is hereby created in the state treasury. Except for unanticipated receipts under chapter 43.79 RCW, moneys in the account may be spent only after appropriation by statute. Expenditures from the account may be used only for the purposes of sections 6 through 8 of this act.

(2) On July 1, 1990, the state treasurer shall transfer twenty million dollars from the general fund to the criminal justice assistance account. On July 1, 1991, and each July 1st thereafter, the state treasurer shall transfer from the general fund to the criminal justice assistance account an amount equal to fifteen million dollars multiplied by a fraction. The numerator of the fraction is estimated state personal income for the fiscal year beginning on the date of the transfer. The denominator of the fraction is estimated state personal income for the fiscal year beginning July 1, 1990. State personal income estimates from the most recent official forecast under RCW 82.01.120 shall be used for purposes of this section. Once a transfer is made under this section, the amount of that transfer shall not be recalculated based on subsequent revisions of state personal income estimates.

NEW SECTION, Sec. 12. (1) Ten million dollars, or as much thereof as may be necessary, is appropriated from the criminal justice assistance account to the department of community development for the fiscal biennium ending June 30, 1991, for the purpose of distributions under section 6 of this act.

(2) Five million dollars, or as much thereof as may be necessary, is appropriated from the criminal justice assistance account to the department of community development for the fiscal biennium ending June 30, 1991, for the purpose of distributions under section 7 of this act.

(3) Five million dollars, or as much thereof as may be necessary, is appropriated from the criminal justice assistance account to the department of community development for the fiscal biennium ending June 30, 1991, for the purpose of distributions under section 8 of this act.

(4) Two hundred fifty thousand dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of community development for the fiscal biennium ending June 30, 1991, for the purpose of administering sections 1 through 11 of this act.

NEW SECTION, Sec. 13. The sum of fourteen million four hundred thousand dollars, or as much thereof as may be necessary, is appropriated from the state building and construction account to the local justice assistance board for the biennium ending June 30, 1991, for the purpose of providing grants to local governments for construction and expansion of jail facilities. The appropriation in this section is subject to the following conditions and limitations:

(1) Before receiving a grant, an applicant shall demonstrate an ability to complete the construction or expansion of the jail facility;

(2) The grants shall not exceed an amount equivalent to sixty-six percent of the cost per bed, up to a maximum of twelve thousand dollars per bed, created or added to a jail facility;

(3) The office of financial management shall develop eligibility criteria for grants. The intent of the criteria is to award grants based on highest need. The criteria shall include, among other things determined by the office, a requirement for a jail management plan to reduce the local jail inmate population;

(4) The office of financial management may create a local advisory committee to develop the criteria for selection of projects for funding under this section. The advisory committee shall consist of representatives of law enforcement, jail administrators, prosecutors, judges, the department of corrections, the office of financial management, and other officials as deemed appropriate by the office.

Sec. 14. Section 21, chapter 49, Laws of 1982 1st ex. sess. as last amended by section 82, chapter 57, Laws of 1985 and RCW 82.14.200 are each amended to read as follows:

There is created in the state treasury a special account to be known as the "county sales and use tax equalization account." Into this account shall be placed a portion of all motor vehicle excise tax receipts as provided in RCW 82.44.150(2). Funds in this account shall be allocated by the state treasurer according to the following procedure:

(1) Prior to April 1st of each year the director of revenue shall inform the state treasurer of the total and the per capita levels of revenues for the unincorporated area of each county and the state-wide weighted average per capita level of revenues for the unincorporated areas of all counties imposing the sales and use tax authorized under RCW 82.14.030(1) for the previous calendar year.

(2) At such times as distributions are made under RCW 82.44.150. ~~((as now or hereafter amended:))~~ the state treasurer shall apportion to each county imposing the sales and use tax under RCW 82.14.030(1) at the maximum rate and receiving less than one hundred fifty thousand dollars from the tax for the previous calendar year, an amount from the county sales and use tax equalization account sufficient, when added to the amount of revenues received the previous calendar year by the county, to equal one hundred fifty thousand dollars.

The department of revenue shall establish a governmental price index as provided in this subsection. The base year for the index shall be the end of the third quarter of 1982. Prior to November 1, 1983, and prior to each November 1st thereafter, the department of revenue shall establish another index figure for the third quarter of that year. The department of revenue may use the implicit price deflators for state and local government purchases of goods and services calculated by the United States department of commerce to establish the governmental price index. Beginning on January 1, 1984, and each January 1st thereafter, the one hundred fifty thousand dollar base figure in this subsection shall be adjusted in direct proportion to the percentage change in the governmental price index from 1982 until the year before the adjustment. Distributions made under this subsection for 1984 and thereafter shall use this adjusted base amount figure.

(3) Subsequent to the distributions under subsection (2) of this section and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each county imposing the sales and use tax under RCW 82.14.030(1) at the maximum rate and receiving less than seventy percent of the state-wide weighted average per capita level of revenues for the unincorporated areas of all counties as determined by the department of revenue under subsection (1) of this section, an amount from the county sales and use tax equalization account sufficient, when added to the per capita level of revenues for the unincorporated area received the previous calendar year by the county, to equal seventy percent of the state-wide weighted average per capita level of revenues for the unincorporated areas of all counties determined under subsection (1) of this section, subject to reduction under subsections (6) and (7) of this section. When computing distributions under this section, any distribution under subsection (2) of this section shall be considered revenues received from the tax imposed under RCW 82.14.030(1) for the previous calendar year.

(4) Subsequent to the distributions under subsection (3) of this section and at such times as distributions are made under RCW 82.44.150. ~~((as now or hereafter amended:))~~ the state treasurer shall apportion to each county imposing the sales and use tax under RCW 82.14.030(2) at the maximum rate and receiving a distribution under subsection (2) of this section, a third distribution from the county sales and use tax equalization account. The distribution to each qualifying county shall be equal to the distribution to the county under subsection (2) of this section, subject to the reduction under subsections (6) and (7) of this section. To qualify for the total distribution under this subsection, the county must impose the tax under RCW 82.14.030(2) for the entire calendar year. Counties imposing the tax for less than the full year shall qualify for prorated allocations under this subsection proportionate to the number of months of the year during which the tax is imposed.

Sec. 15. Section 22, chapter 49, Laws of 1982 1st ex. sess. as last amended by section 83, chapter 57, Laws of 1985 and RCW 82.14.210 are each amended to read as follows:

There is created in the state treasury a special account to be known as the "municipal sales and use tax equalization account." Into this account shall be placed such revenues as are provided under RCW 82.44.150(3)(b). Funds in this account shall be allocated by the state treasurer according to the following procedure:

(1) Prior to April 1st of each year the director of revenue shall inform the state treasurer of the total and the per capita levels of revenues for each city and the state-wide weighted average per capita level of revenues for all cities imposing the sales and use tax authorized under RCW 82.14.030(1) for the previous calendar year.

(2) At such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city not imposing the sales and use tax under RCW 82.14.030(2) an amount from the municipal sales and use tax equalization account equal to the amount distributed to the city under RCW 82.44.150(3)(a) multiplied by thirty-five sixty-fifths.

(3) Subsequent to the distributions under subsection (2) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(1) at the maximum rate and receiving less than seventy percent of the state-wide weighted average per capita level of revenues for all cities as determined by the department of revenue under subsection (1) of this section, an amount from the municipal sales and use tax equalization account sufficient, when added to the per capita level of revenues received the previous calendar year by the city, to equal seventy percent of the state-wide weighted average per capita level of revenues for all cities determined under subsection (1) of this section, subject to reduction under subsection (5) of this section.

(4) Subsequent to the distributions under subsection (3) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(2) at the maximum rate and receiving a distribution under subsection (3) of this section, a third distribution from the municipal sales and use tax equalization account. The distribution to each qualifying city shall be equal to the distribution to the city under subsection (3) of this section, subject to the reduction under subsection (5) of this section. To qualify for the distributions under this

subsection, the city must impose the tax under RCW 82.14.030(2) for the entire calendar year. Cities imposing the tax for less than the full year shall qualify for prorated allocations under this subsection proportionate to the number of months of the year during which the tax is imposed.

(5) If inadequate revenues exist in the municipal sales and use tax equalization account to make the distributions under subsection (3) or (4) of this section, then the distributions under subsection (3) or (4) of this section shall be reduced ratably among the qualifying cities. At such time during the year as additional funds accrue to the municipal sales and use tax equalization account, additional distributions shall be made under subsections (3) and (4) of this section to the cities.

(6) If the level of revenues in the municipal sales and use tax equalization account exceeds the amount necessary to make the distributions under subsections (2) through (4) of this section, then the additional revenues shall be apportioned among the several cities within the state ratably on the basis of population as last determined by the office of financial management: PROVIDED, That no such distribution shall be made to those cities receiving a distribution under subsection (2) of this section.

(7) The municipal targeted fiscal assistance account is created in the state treasury. Into this account shall be placed such revenues as are provided under RCW 82.44.150(2)(b).

(8) Prior to January 1, 1991, and each January 1st thereafter, the department of revenue shall determine which cities and towns will receive distributions from the municipal targeted fiscal assistance account. Cities and towns shall be eligible to receive distributions from this account if the following conditions are met:

(a) They are receiving a distribution under subsection (3) of this section; and

(b) They have a per capita assessed valuation of property that is at or below seventy percent of the state-wide average per capita assessed valuation of property for all cities.

(9) Beginning January 1, 1991, and each January 1st thereafter, at the same time as distributions are made under RCW 82.44.150, the department of revenue shall apportion and the state treasurer shall distribute to each city and town eligible under subsection (8) of this section an amount which when added to the per capita level of revenues received from the distributions under RCW 82.14.030(1) the previous calendar year and from the current year's distributions under subsection (3) of this section equals seventy-five percent of the state-wide average per capita level of revenues for all cities and towns as determined under RCW 82.14.210(1). The minimum payment under this subsection shall be five hundred dollars in any calendar year. The maximum payment under this subsection shall be twenty-six thousand dollars in any calendar year.

(10) Subsequent to the distributions under subsection (9) of this section and at such times as distributions are made under RCW 82.44.150, the department of revenue shall apportion and the state treasurer shall distribute to each city and town imposing the sales and use tax under RCW 82.14.030(2) at the maximum rate during the full previous calendar year and receiving a distribution under subsection (9) of this section a second distribution from the municipal targeted fiscal assistance account. The distribution to each qualifying city or town shall be equal to the distribution to the city or town under subsection (9) of this section. Cities imposing the tax for less than the full calendar year shall qualify for prorated allocation under this subsection proportionate to the number of months of the year during which the tax was imposed.

(11) If inadequate revenues exist in the municipal targeted fiscal assistance account to make the distributions under subsections (9) and (10) of this section, the distributions under subsection (10) of this section shall be ratably reduced to the qualifying cities and towns. If inadequate revenues still exist then the distributions under subsection (9) of this section shall be ratably reduced.

(12) If the level of revenues in the municipal targeted fiscal assistance account exceeds the amount necessary to make the distributions under this section, then the additional revenues shall be credited and transferred to the state general fund.

(13) For a city or town initially incorporated on or after January 1, 1983, at the time distributions are made under subsection (3) of this section, the state treasurer shall place into a separate designated account for such city or town a pro rata amount of the revenues received under RCW 82.44.150(3)(b) equal to the city's or town's population multiplied by the amount of equalization funds to which the city or town would be entitled if its per capita yield the previous calendar year were zero. Such account shall take effect on January 1st of the first full calendar year during which the city or town imposes the taxes authorized by RCW 82.14.030(1) and shall cease to exist on December 31st of that year.

((b) All earnings of investments of balances in the municipal sales and use tax equalization account shall be credited to the general fund.))

(14) At the time that sales and use tax distributions are made pursuant to RCW 82.14.060, the revenues in such designated account shall be added to the city's or town's sales and use tax distributions so as to provide to such city or town an amount which reflects what such jurisdiction's entitlement from the municipal sales and use tax equalization account would have been if the actual distributions of sales and use tax revenues to such city or town had been received the previous full calendar year. Any excess revenues remaining in such designated account upon its expiration shall be apportioned according to subsection (6) of this section. If

the department of revenue determines during the year that any funds in the designated account are not necessary for the purposes of distribution under this subsection, the department may deposit those funds in the municipal sales and use tax equalization account to be apportioned according to subsection (6) of this section.

(15) All earnings of investments of balances in the municipal sales and use tax equalization account shall be credited to the general fund.

Sec. 16. Section 1, chapter 18, Laws of 1988 and RCW 82.44.150 are each amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August, and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September, and December, respectively, except for those payable under RCW 82.44.020(6) and 82.44.030, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.020(6) and 82.44.030, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund except taxes collected under RCW 82.44.020(6)(c):

(a) A sum equal to seventeen percent thereof shall be ~~((paid))~~ distributed to cities and towns ~~((in the proportions and for the purposes hereinafter set forth))~~ as provided in subsections (3) and (4) of this section.

(b) A sum equal to one-half of one percent shall be distributed to the municipal targeted fiscal assistance account created under RCW 82.14.210(7):

(c) A sum equal to ~~((two))~~ three percent thereof shall be ~~((allocable))~~ distributed to the county sales and use tax equalization account under RCW 82.14.200; and

(d) A sum equal to four and two-tenths percent of the special excise tax levied under RCW 35.58.273 by those municipalities authorized to levy a special excise tax at a rate not exceeding ninety-six one-hundredths of one percent on the fair market value of every motor vehicle owned by a resident of such municipality shall be deposited in the rail development account established in RCW 47.78.010.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under RCW 82.14.210.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

Sec. 17. Section 6, chapter 94, Laws of 1970 ex. sess. as last amended by section 81, chapter 57, Laws of 1985 and RCW 82.14.050 are each amended to read as follows:

The counties, metropolitan municipal corporations and cities shall contract, prior to the effective date of a resolution or ordinance imposing a sales and use tax, the administration and collection to the state department of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this chapter which is collected by the department of revenue shall be deposited by the state department of revenue in the local sales and use tax account hereby created in the state treasury. Moneys in the local sales and use tax account may be spent only for distribution to counties, metropolitan municipal corporations, and cities imposing a sales and use tax. All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter. All earnings of investments of balances in the local sales and use tax account shall be credited to the local sales and use tax account and distributed to the counties, metropolitan municipal corporations, and cities monthly.

Sec. 18. Section 7, chapter 94, Laws of 1970 ex. sess. as last amended by section 11, chapter 4, Laws of 1981 2nd ex. sess. and RCW 82.14.060 are each amended to read as follows:

The state treasurer shall make the distribution under this section without appropriation.

In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution shall not be considered void in toto, but only with respect to that portion of the rate which is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 19. Sections 17 and 18 of this act shall not be effective for earnings on balances prior to July 1, 1990, regardless of when a distribution is made.

Sec. 24. Section 5, chapter 91, Laws of 1947 as last amended by section 3, chapter 296, Laws of 1986 and RCW 41.16.050 are each amended to read as follows:

(4) The department shall send to all registered owners of vehicles who have been reported to have outstanding listed parking violations, at the time of renewal, a statement setting out the dates and jurisdictions in which the violations occurred as well as the amounts of unpaid fines and penalties relating to them and the surcharge to be collected.

Sec. 34. Section 46.20.270, chapter 12, Laws of 1961 as last amended by section 5, chapter 14, Laws of 1982 1st ex. sess. and RCW 46.20.270 are each amended to read as follows:

(2) Every court having jurisdiction over offenses committed under this chapter, or any other act of this state or municipal ordinance adopted by a local authority regulating the operation of motor vehicles on highways, or any federal authority having jurisdiction over offenses substantially the same as those set forth in Title 46 RCW which occur on federal installations within this state, shall forward to the department within ten days of a forfeiture of bail or collateral deposited to secure the defendant's appearance in court, a payment of a fine or penalty, a plea of guilty or a finding of guilt, or a finding that any person has committed a traffic infraction an abstract of the court record in the form prescribed by rule of the supreme court, showing the conviction of any person or the finding that any person has committed a traffic infraction in said court for a violation of any said laws other than regulations governing standing, stopping, parking, and pedestrian offenses.

(3) Every municipality having jurisdiction over offenses committed under this chapter, or under any other act of this state or municipal ordinance adopted by a local authority regulating the operation of motor vehicles on highways, may forward to the department within ten days of failure to respond, failure to pay a penalty, failure to appear at a hearing to contest the determination that a violation of any statute, ordinance, or regulation relating to standing, stopping, or parking has been committed, or failure to appear at a hearing to explain mitigating circumstances, an abstract of the citation record in the form prescribed by rule of the department, showing the finding by such municipality that ~~((three))~~ two or more violations of laws governing standing, stopping, and parking have been committed and indicating the nature of the defendant's failure to act. (3) A fiscal note as defined in this section shall be provided only upon request of any member of the state legislature. A legislator also may request that such a fiscal note be revised to reflect the impact of proposed amendments or substitute bills. Fiscal notes shall be completed within seventy-two hours of the request unless a longer time period is allowed by the requesting legislator. In the event a fiscal note has not been completed within seventy-two hours of a request, a daily report shall be prepared for the requesting legislator by the director of financial management which report summarizes the progress in preparing the fiscal note. If

the request is referred to the director of community development, the daily report shall also include the date and time such referral was made.

(4) A fiscal note as defined in this section shall be prepared for any bill, substitute bill, or amendment that substantially imposes responsibility for new programs or increased levels of service under existing programs on any unit of local government. A fiscal note under this subsection must be completed before the bill, substitute bill, or amendment becomes law.

NEW SECTION. Sec. 37. Sections 1 through 11 of this act shall constitute a new chapter in Title 43 RCW.

REPORT OF SELECT COMMITTEE

STATE OF WASHINGTON
DEPARTMENT OF SOCIAL AND HEALTH SERVICES
Olympia, Washington 98504

February 21, 1990

Mr. Gordon Golob
Secretary of the Senate
306 Legislative Building
Olympia, Washington 98504

Dear Mr. Golob:

Enclosed is a Report to the Legislature regarding Federal Court-Ordered Expenditures for Calendar Year 1989 as required by RCW 43.88.065.

This RCW requires each agency to report annually to the Legislature any expenditures mandated by any federal court. Such court-ordered expenditures are to be itemized and submitted to the Secretary of the Senate and the Chief Clerk of the House by January 15 of each year. Upon receipt of this information, the statutes indicate that the Legislature will review the expenditures "with a view to determine whether the program affected by the court order should be continued or eliminated and the funds for the program either appropriated or not appropriated accordingly."

The enclosed report, prepared by the Office of the Attorney General, constitutes the department's response to this legislative requirement.

Sincerely,
RICHARD J. THOMPSON
Secretary

The Select Committee Report is on file in the Office of the Secretary of the Senate.

REPORT OF SELECT COMMITTEE

STATE OF WASHINGTON
 TRANSPORTATION COMMISSION
 Transportation Building
 Olympia, Washington 98504

February 28, 1990

The Honorable Pat Patterson, Chair
 Senate Transportation Committee
 411 Legislative Building
 Olympia, Washington 98504

The Honorable Ruth Fisher, Chair
 House Transportation Committee
 309 John L. O'Brien Building
 Olympia, Washington 98504

Dear Senator Patterson and Representative Fisher:

The Washington State Transportation Commission adopted the '1990 Report to the Washington State Legislature: Transportation Policy Plan for Washington State' as required by RCW 47.01.071 (3). Enclosed is the adoptive Resolution and the report.

This report is the first developed from a new policy planning process aimed at addressing statewide transportation concerns. Some recommendations require legislative consideration and are described in the 'Preliminary Implementation Plan,' contained in the report.

The process used to develop the report's recommendations involved a 35-member State Transportation Policy Steering Committee comprised of many Washington citizens, including representatives of the Legislature and Transportation Commission; numerous subcommittees, 13 regional public forums and a statewide survey to gauge public opinion. This broad based representation and extensive public participation has produced information which is important in considering our state's transportation future.

The process is an ongoing effort, and will continue to involve many individuals in identifying statewide transportation issues and developing future policy recommendations. This approach has proven extremely beneficial and we look forward to your continued participation.

A presentation of the report is scheduled for March 5, 1990, at 1:30 p.m. in the John L. O'Brien Building, Hearing Room B.

Sincerely,
 RICHARD ODABASHIAN
 Chairman

The Select Committee Report is on file in the Office of the Secretary of the Senate.

The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by certified mail a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address, or, in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with a concise explanation of the right to petition for a hearing on any issue related to the collection. This requirement is not jurisdictional, but, if the copy is not mailed or served as provided in this section, or if any irregularity appears with respect to the mailing or service, the superior court, on its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.

Sec. 2. Section 74.09.180, chapter 26, Laws of 1959 as last amended by section 14, chapter 283, Laws of 1987 and RCW 74.09.180 are each amended to read as follows:

If a recovery shall be made and the subrogation or lien is satisfied either in full or in part as a result of an independent action initiated by or on behalf of a recipient to recover the personal injuries against any tortfeasor or insurer, then and in that event the amount repaid to the state of Washington as a result of said action, whether concluded by entry of a judgment or compromise and settlement, shall bear its proportionate share of attorney's fees and costs incurred by the injured recipient or his widow, children, or dependents, as the case may be, to the extent that such attorney's

The secretary of the department of social and health services or his authorized representative shall have the authority to:

(1) Conduct audits and investigations of providers of medical and other services furnished pursuant to this chapter, except that the Washington state medical disciplinary board shall generally serve in an advisory capacity to the secretary in the conduct of audits or investigations of physicians. ~~(In the conduct of such audits or investigations, the secretary may examine only those records or portions thereof, including patient records, for which services were rendered by a health care provider and reimbursed by the department))~~ Any overpayment discovered as a result of an audit of a provider under this authority shall be offset by any underpayments discovered in that same audit sample. In order to determine the provider's actual, usual, customary, or prevailing charges, the secretary may examine such random representative records as necessary to show accounts billed and accounts received except that in the conduct of such examinations, patient names, other than public assistance applicants or recipients, shall not be noted, copied, or otherwise made available to the department. In order to verify costs incurred by the department for treatment of public assistance applicants or recipients, the secretary may examine patient records or portions thereof in connection with

services to such applicants or recipients rendered by a health care provider, notwithstanding the provisions of RCW 5.60.060, 18.53.200, 18.83.110, or any other statute which may make or purport to make such records privileged or confidential: PROVIDED, That no original patient records shall be removed from the premises of the health care provider, and that the disclosure of any records or information by the department of social and health services is prohibited and ~~((constitutes a violation of RCW 42-22-040))~~ shall be punishable as a class C felony according to chapter 9A.20 RCW, unless such disclosure is directly connected to the official purpose for which the records or information were obtained: PROVIDED FURTHER, That the disclosure of patient information as required under this section shall not subject any physician or other health services provider to any liability for breach of any confidential relationship between the provider and the patient, but no evidence resulting from such disclosure may be used in any civil, administrative, or criminal proceeding against the patient unless a waiver of the applicable evidentiary privilege is obtained: PROVIDED FURTHER, That the secretary shall destroy all copies of patient medical records in their possession upon completion of the audit, investigation or proceedings:

(2) Approve or deny applications to participate as a provider of services furnished pursuant to this chapter;

(3) Terminate or suspend eligibility to participate as a provider of services furnished pursuant to this chapter; and

(4) Adopt, promulgate, amend, and rescind administrative rules and regulations, in accordance with the administrative procedure act, chapter 34.05 RCW, to carry out the policies and purposes of RCW 74.09.200 through 74.09.290.

Sec. 6, Section 1, chapter 264, Laws of 1988 (uncodified) is amended to read as follows:

(1) Persons receiving public assistance, particularly families, frequently have great difficulty obtaining adequate housing. The department of social and health services is directed to conduct a pilot program designed to show whether the supply of housing for persons on public assistance would increase if the department made rental payments directly to landlords.

(2) The department shall solicit not fewer than three nor more than seven local governing bodies for participation in the pilot program. In implementing this program the department shall:

(a) Provide a written statement notifying the recipient of public assistance that the landlord may not legally require direct payment from the department;

(b) Upon written request of the recipient, pay to the recipient's landlord as defined in RCW 59.18.030, through the local governing body, that portion that equals ninety percent of the monthly public assistance grant which is allocated for rent in the department's payment standard under RCW 74.04.770 or ninety percent of the rent, whichever is less. No direct payment shall be made for rent of premises with respect to which the landlord is not in compliance with RCW 59.18.060;

(c) Promptly terminate such payments to the landlord upon the recipient's written request, provided that the recipient gives written notice of termination of direct payments to the landlord and the local governing body;

(d) Enter into an agreement with the local governing bodies selected to participate in the pilot program for the direct payment of rent to landlords.

(3) The local governing bodies selected to participate in the pilot program shall:

(a) Administer the pilot program using existing housing assistance providers, where appropriate;

(b) Charge the landlord a monthly fee of two dollars to cover the cost of administering each direct payment made under this section, which fee shall not be charged to the tenant;

(c) Charge the landlord a fee, up to fifty dollars, to cover the cost of inspecting and certifying that the housing unit is in compliance with the housing quality standards used for the United States department of housing and urban development, section eight existing housing program.

(4) The landlords participating in the pilot program shall mail to the secretary and the local governing body, by certified mail, a copy of any notice served upon the tenant under RCW 59.12.030 or 59.18.200 which terminates the tenancy. The notice, when mailed to the secretary and the local governing body, shall constitute the landlord's request that the secretary and local governing body cease making direct payments of rent to the landlord.

(5) No recipient of public assistance shall be liable to the department of social and health services for any amount incorrectly paid to a landlord under this section. The department shall recover such overpayment from the landlord ~~((under RCW 74.04.700))~~.

(6) The department of social and health services shall adopt rules under chapter 34.05 RCW regarding the pilot program.

(7) The secretary may include in the department's annual report to the governor and the legislature a summary of the progress and status of the pilot program. The summary shall include but need not be limited to the results of the individual projects selected, the number of persons served, and recommendations for improving the program.

(8) The secretary shall immediately take such steps as are necessary to ensure that this section is implemented on its effective date. This section shall take effect July 1, 1988.

(9) This section shall terminate June 30, 1991, unless extended by law for an additional fixed period of time.

NEW SECTION. Sec. 7. A new section is added to chapter 43.20B RCW to read as follows:

(1) To secure reimbursement of any assistance paid under chapter 74.09 RCW or reimbursement for any residential care provided by the department at a hospital for the mentally ill or habilitative care center for the developmentally disabled, as a result of injuries to or illness of a recipient caused by the negligence or wrong of another, the department shall be subrogated to the recipient's rights against a tortfeasor or the tortfeasor's insurer, or both.

(2) The department shall have a lien upon any recovery by or on behalf of the recipient from such tortfeasor or the tortfeasor's insurer, or both to the extent of the value of the assistance paid or residential care provided by the department, provided that such lien shall not be effective against recoveries subject to wrongful death when there are surviving dependents of the deceased. The lien shall become effective upon filing with the county auditor in the county where the assistance was authorized or where any action is brought against the tortfeasor or insurer. The lien may also be filed in any other county or served upon the recipient in the same manner as a civil summons if, in the department's discretion, such alternate filing or service is necessary to secure the department's interest. The additional lien shall be effective upon filing or service.

(3) The lien of the department shall be upon any claim, right of action, settlement proceeds, money, or benefits arising from an insurance program to which the recipient might be entitled (a) against the tortfeasor or insurer of the tortfeasor, or both, and (b) under any contract of insurance purchased by the recipient or by any other person providing coverage for the illness or injuries for which the assistance or residential care is paid or provided by the department.

(4) If recovery is made by the department under this section and the subrogation is fully or partially satisfied through an action brought by or on behalf of the recipient, the amount paid to the department shall bear its proportionate share of attorneys' fees and costs. The determination of the proportionate share to be borne by the department shall be based upon:

(a) The fees and costs approved by the court in which the action was initiated; or

(b) The written agreement between the attorney and client which establishes fees and costs when fees and costs are not addressed by the court.

(c) When fees and costs have been approved by a court, after notice to the department, the department shall have the right to be heard on the matter of attorneys' fees and costs or its proportionate share.

(d) When fees and costs have not been addressed by the court, the department shall receive at the time of settlement a copy of the written agreement between the attorney and client which establishes fees and costs and may request and examine documentation of fees and costs associated with the case. The department may bring an action in superior court to void a settlement if it believes the attorneys' calculation of its proportionate share of fees and costs is inconsistent with the written agreement between the attorney and client which establishes fees and costs or if the fees and costs associated with the case are exorbitant in relation to cases of a similar nature.

NEW SECTION. Sec. 8. A new section is added to chapter 43.20B RCW to read as follows:

An attorney representing a person who, as a result of injuries or illness sustained through the negligence or wrong of another, has received, is receiving, or has applied to receive assistance under chapter 74.09 RCW, or residential care provided by the department at a hospital for the mentally ill or habilitative care center for the developmentally disabled, shall:

(1) Notify the department at the time of filing any claim against a third party, commencing an action at law, negotiating a settlement, or accepting a settlement offer from the tortfeasor or the tortfeasor's insurer, or both; and

(2) Give the department thirty days' notice before any judgment, award, or settlement may be satisfied in any action or any claim by the applicant or recipient to recover damages for such injuries or illness.

NEW SECTION. Sec. 9. RCW 43.20A.440 is recodified as RCW 43.20B.687.

NEW SECTION. Sec. 10. RCW 74.09.182 and 74.09.186 are recodified as sections in chapter 43.20B RCW.

NEW SECTION. Sec. 13. Sections 2, 4, 7(1), and 8(2) of this act apply to all existing claims against third parties for which settlements have not been reached or judgments entered by the effective date of this section."

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6767 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** In 1977, the legislature created an innovative and comprehensive juvenile system to establish special sanctions and procedures for juveniles who engage in criminal activity, while at the same time recognizing the existence and unique needs of dependent children and families in conflict. During the past thirteen years, the legislature has amended the juvenile justice act numerous times to improve its effectiveness in providing punishment and rehabilitation for juveniles who commit criminal acts, and also to improve the procedures and programs for assisting dependent children and families in conflict. While such amendments have generally improved the operation of the juvenile justice system, often the amendments did not address the juvenile justice system in a comprehensive manner to provide accountability, treatment, and rehabilitation.

The legislature finds and declares that it has been thirteen years since the enactment of the juvenile justice act, and it is appropriate and timely that a comprehensive study be conducted to review the sanctions, programs, and operation of the act in light of the changing needs of juveniles and society. The legislature finds that a commission should be created consisting of persons with experience and expertise in juvenile justice issues to ensure that the state of Washington continues to have a progressive and effective juvenile justice statute.

NEW SECTION, Sec. 2. (1) A juvenile justice act review commission is created. It shall consist of:

(a) Four legislators who shall serve on the executive committee, one from each of the two largest caucuses in the house of representatives and the senate. The members shall be selected by the president of the senate and the speaker of the house of representatives;

(b) One superior court judge, who shall have experience in juvenile court proceedings. The member shall be selected by the Washington state superior court judges association;

(c) One prosecuting attorney, or his or her designee, selected by the Washington association of prosecuting attorneys;

(d) Two members, selected by the executive committee, one of whom shall represent cities and one of whom shall represent counties;

(e) One member, selected by the secretary of corrections, to represent the department of corrections, who shall be familiar with confinement and treatment of criminal offenders;

(f) One member, selected by the secretary of social and health services, to represent the department of social and health services, who has experience and training with the confinement and treatment services offered by the division of juvenile rehabilitation;

(g) One juvenile court administrator, selected by the juvenile court administrators' association;

(h) One mental health specialist, selected by the executive committee, who shall be familiar with mental health issues commonly affecting juvenile offenders;

(i) Two attorneys, selected by the Washington state bar association. At least one member shall be an attorney who represents a public defender organization;

(j) Two members, selected by the governor, to represent the governor, who shall serve on the executive committee;

(k) One member appointed by the governor's juvenile justice advisory committee;

(l) One member appointed by the attorney general;

(m) One member who currently serves as a sheriff, appointed by the executive committee;

(n) One member who currently serves as a police chief, appointed by the executive committee;

(o) Three citizen members appointed by the executive committee;

(p) Two members representing private youth serving agencies appointed by the alliance for children, youth, and families; and

(q) Three members representing parents' groups.

(2) The legislative members shall select a chair from the membership of the commission.

(3) The commission shall be staffed by the department of social and health services.

(4) The commission members shall receive no compensation, but shall, to the extent funds are available, be reimbursed for their expenses while attending any meetings in the same manner as legislators engaged in interim committee business as specified in RCW 44.04.120.

(5) The commission may receive appropriations, grants, gifts, and other payments from any governmental or other public or private entity or person and such funds may be used to defray the costs of its operations or to contract for technical services, with the approval of the senate committee on facilities and operations and the house of representatives executive rules committee.

NEW SECTION. Sec. 3. (1) The juvenile justice act review commission shall conduct a comprehensive review of the juvenile justice act of 1977, chapter 13.32A RCW, and dependency provisions in chapter 13.34 RCW. In reviewing services for juvenile offenders, the commission shall give particular attention to disposition alternatives, including but not limited to emphasis on early intervention, rehabilitation, community resources, and providing for special sanctions and programs for violent offenders who are sixteen and seventeen years of age. The commission shall review the existing system of services for runaway youth and families in conflict and shall assess the adequacy of existing resources and statutory procedures in place for serving this population.

(2) The legislature hereby reaffirms its intent that the overall goals and policies of the juvenile justice act of 1977 will continue to be followed and that any disposition alternatives or dependency provisions proposed by the commission will adhere to the following purposes:

(a) Protect the citizenry from criminal behavior;

(b) Make the juvenile offender accountable for his or her criminal behavior;

(c) Provide punishment commensurate with the age, maturity level, crime, criminal history of the juvenile offender, and any other relevant considerations;

(d) Provide necessary treatment, supervision, and custody for juvenile offenders;

(e) Provide for the handling of juvenile offenders by communities whenever consistent with public safety;

(f) Provide for restitution to victims of crime; and

(g) Provide for a clear policy to determine what types of offenders shall receive punishment, treatment, or both.

NEW SECTION. Sec. 4. (1) The legislature finds that, despite the best efforts and intentions of the department of social and health services, some families in Washington state have unresolved disputes with the department relating to actions taken by the division of children and family services, and that there is no independent and nonadversarial process in place to resolve these disputes. The legislature further finds that the availability of an independent and nonadversarial process for complaint investigation and dispute resolution can further the goal of maintaining children in safe and healthy families.

(2) It is the purpose of this act to establish a procedure that is responsive to the needs of families in Washington state who are the subject of actions taken by the department of social and health services pursuant to chapters 74.13, 74.14A, 74.15, 26.44, 13.32A, and 13.34 RCW, that benefits children, their families, and the department by providing an independent and nonadversarial mechanism to resolve disputes.

NEW SECTION. Sec. 5. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout sections 5 through 12 of this act.

(1) "Department" means the department of social and health services.

(2) "Administrative act" means any action, omission, decision, recommendation, practice, or procedure of the department relating to its activities according to chapters 74.13, 74.14A, 74.15, 26.44, 13.32A, and 13.34 RCW, but does not include the preparation, presentation, or introduction of legislation.

NEW SECTION. Sec. 6. (1) There is established in the department of community development the office of the children's services ombuds.

(2) The department of community development shall appoint the children's services ombuds, who shall be a person having training or experience in the provision or administration of services to children and families, and in complaint investigation or nonadversarial dispute resolution mechanisms. The ombuds shall not be removed from his or her office unless good cause for removal is shown.

NEW SECTION. Sec. 7. (1) The children's services ombuds shall investigate any complaint from any citizen relating to administrative acts by the department, regardless of whether the administrative act is final, when the complaint indicates that:

(a) The administrative act was not in accordance with legislative declarations relating to children and family services in RCW 74.13.010, 74.14A.010, 74.15.010, 26.44.010, 13.32A.010, and 13.34.020;

(b) The administrative act was not in accordance with the requirements of chapter 74.13, 74.14A, 74.15, 26.44, 13.32A, or 13.34 RCW;

(c) The administrative act may have been unreasonable, unfair, oppressive, or discriminatory, although in accordance with the legislative declarations of RCW 74.13.010, 74.14A.010, 74.15.010, 26.44.010, 13.32A.010, 13.34.020, and the requirements of chapters 74.13, 74.14A, 74.15, 26.44, 13.32A, and 13.34 RCW; or

(d) The administrative act was not in accordance with departmental rules, procedures, or guidelines.

Priority shall be given to complaints regarding decisions of the department to place a child in an out-of-home placement or maintain a child in the family home where allegations of abuse or neglect have been made.

(2) The office of the children's services ombuds shall maintain an accessible toll-free telephone line to receive complaints from throughout Washington regarding administrative acts of the department.

(3) The children's services ombuds shall act independently of the department in the performance of his or her duties.

NEW SECTION. Sec. 8. The children's services ombuds shall determine whether a complaint is or is not an appropriate subject for investigation under section 7 of this act, and shall inform the complainant of that decision, stating his or her reasons. If the ombuds decides that a complaint is an appropriate subject for investigation under section 7 of this act, he or she shall notify the department of his or her decision and the specifics of the complaint.

NEW SECTION. Sec. 9. In carrying out investigative or dispute resolution activities under sections 5 through 12 of this act and RCW 26.44.030, the children's services ombuds shall have the right:

(1) To communicate privately by mail or orally with a parent who is the subject of investigative or dispute resolution activities by the ombuds; and

(2) To have access, including the right to inspect, copy, and/or subpoena child welfare records held by the department, facilities where a child has been placed for care or treatment, the clerk of a superior court of the state of Washington, or law enforcement agencies. Unless otherwise authorized by law, the ombuds shall not have access to identifying information regarding a confidential informant of suspected child abuse or neglect or a police informant; mental health or substance abuse treatment information governed by federal confidentiality provisions; or information pertaining to the testing, diagnosis, or treatment of any person for HIV infection, AIDS, or any sexually transmitted disease. Information obtained pursuant to this subsection shall be kept confidential and shall not be further disseminated.

NEW SECTION. Sec. 10. If after investigation, the children's services ombuds finds that:

(1) A complaint should be further considered by the department;

(2) An administrative act should be modified or canceled; or

(3) Reasons or more complete reasons should be given for an administrative act;

The ombuds shall prepare recommendations and may request that the department notify him or her, within a specified time, of the action taken on his or her recommendations or may provide services to assist the complainant and the department in resolving the dispute that led to the complaint, provided that the complainant requests such services.

NEW SECTION. Sec. 11. After a reasonable time has elapsed, the children's services ombuds shall notify the complainant of any action taken by the ombuds and by the department as a result of the investigation.

NEW SECTION. Sec. 12. (1) The children's services ombuds shall maintain records indicating the final disposition of any complaint forwarded to the department.

(2) All records of the children's services ombuds pertaining to investigative or dispute resolution activities undertaken by the ombuds shall be confidential. Information contained in those records may not be disclosed publicly in a manner that may identify individuals. However, records shall be available to persons approved by a superior court of the state of Washington upon application for good cause. Any information obtained pursuant to section 9(2) of this act shall be kept confidential and shall not be further disseminated except as specifically authorized or required by federal or state law.

Sec. 13. Section 1, chapter 22, Laws of 1989 and RCW 26.44.030 are each amended to read as follows:

(1) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, children's services ombuds or duly designated representative of the ombuds, or ((juvenile)) probation or parole officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040. The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect.

(2) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(3) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(4) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(5) Any county prosecutor or city attorney receiving a report under subsection (4) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(6) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(7) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(8) Persons or agencies exchanging information under subsection (6) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(9) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency

shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(10) Upon receiving a report of incidents, conditions, or circumstances of child abuse and neglect, the department shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(11) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(12) The department of social and health services shall, within funds appropriated for this purpose, use a risk assessment tool when investigating child abuse and neglect referrals. The tool shall be used, on a pilot basis, in three local office service areas. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall report to the ways and means committees of the senate and house of representatives on the use of the tool by December 1, 1989. The report shall include recommendations on the continued use and possible expanded use of the tool.

(13) Upon receipt of such report the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

If no alternative name receives a simple majority vote, then an election shall be held at the next November special election date, at which voters shall be given the option of choosing which of the two alternative names that received the most votes shall become the new name of the city or town. This ballot proposition shall be worded substantially as follows:

MESSAGE FROM THE HOUSE

February 28, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6494, with the following amendments:

On page 2, after line 20, insert the following:

"(13) 'Birth parent' means the biological mother or biological or alleged father of a child, including a presumed father under chapter 26.26 RCW, whether or not any such person's parent-child relationship has been terminated by a court of competent jurisdiction. 'Birth parent' does not include a biological mother or biological or alleged father, including a presumed father under chapter 26.26 RCW, if the parent-child relationship was terminated because of an act for which the person was found guilty under chapter 9A.42 or 9A.44 RCW."

On page 5, after line 6, insert the following:

"NEW SECTION. Sec. 3. A new section is added to chapter 26.33 RCW to read as follows:

(1) Nothing in this chapter shall be construed to prohibit the parties to a proceeding under this chapter from entering into agreements regarding communication with or contact between child adoptees, adoptive parents, and a birth parent or parents.

(2) Agreements regarding communication with or contact between child adoptees, adoptive parents, and a birth parent or parents shall not be legally enforceable unless the terms of the agreement are set forth in a written court order entered in accordance with the provisions of this section. The court shall not enter a proposed order unless the terms of such order have been approved in writing by the prospective adoptive parents, any birth parent whose parental rights have not previously been terminated, and, if the child is in the custody of the department or a licensed child-placing agency, a representative of the department or child-placing agency. If the child is represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child-custody proceeding, the terms of the proposed order also must be approved in writing by the child's representative. An agreement under this section need not disclose the identity of the parties to be legally enforceable. The court shall not enter a proposed order unless the court finds that the communication or contact between the child adoptee, the adoptive parents, and a birth parent or parents as agreed upon and as set forth in the proposed order, would be in the child adoptee's best interests.

(3) Failure to comply with the terms of an agreed order regarding communication or contact that has been entered by the court pursuant to this section shall not be grounds for setting aside an adoption decree or revocation of a written consent to an adoption after that consent has been approved by the court as provided in this chapter.

(4) An agreed order entered pursuant to this section may be enforced by a civil action and the prevailing party in that action may be awarded, as part of the costs of the action, a reasonable amount to be fixed by the court as attorneys' fees. The court shall not modify an agreed order under this section unless it finds that the modification is necessary to serve the best interests of the child adoptee; and that: (a) The modification is agreed to by the adoptive parents and the birth parent or parents; or (b) exceptional circumstances have arisen since the agreed order was entered that justify modification of the order."

Renumber remaining sections consecutively and correct internal references accordingly.

On page 1, line 3 of the title, after "74.13.031," insert "adding a new section to chapter 26.33 RCW";

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Smith moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 6494.

MOTIONS

On motion of Senator Stratton, the question was divided.

On motion of Senator Stratton, the Senate concurred in the House amendment on page 2, line 20, to Substitute Senate Bill No. 6494.

POINT OF ORDER

Senator Stratton: "A point of order, Mr. President. Substitute Senate Bill No. 6494 amends adoption statutes by regulating pre-adoptive home studies, adding requirements involved in relinquishment of parental rights, requiring certain information on adoption data cards and concerning adoption therapists, including a representative of the adoption community on the DSHS Children's Services Advisory Committee and requiring counties to provide information on at least one person known to be willing to assist people in doing adoption record research. The House

amendment on page 5, after line 6, creating New Section 3, greatly expands the scope and object of this bill by authorizing communication between adoptees, adoptive parents and birth parents--a major change in current policy which was not a part of the original bill. A new court process is provided to implement this new policy including procedures for modifications for court-ordered communication or non-communication. The House amendment is a significant deviation from the original bill--never taken into consideration in the Senate deliberations--and I believe the House amendment violates Rule 66, by changing the scope and object."

There being no objection, the President deferred further consideration of Substitute Senate Bill No. 6494.

MOTIONS

On motion of Senator Bauer, Senator McMullen was relieved of conference duties on Senate Bill No. 6904.

(2) The commission may issue interim notes in the manner provided for the issuance of revenue bonds to fund nonprofit facilities prior to issuing other revenue bonds to fund such facilities. The commission may issue revenue bonds to fund nonprofit facilities that are exchangeable for other revenue bonds, when these other revenue bonds are executed and available for delivery.

(3) The principal of and interest on any revenue bonds issued by the commission shall be secured by a pledge of unexpended bond proceeds and the revenues and receipts derived from the nonprofit facilities funded by the revenue bonds pursuant to financing documents. The resolution under which the revenue bonds are authorized to be issued and any financing document may contain agreements and provisions respecting the maintenance or use of the nonprofit facility covered thereby, the fixing and collection of rents, purchase price payments or loan payments, the creation and maintenance of special funds from such revenues or from revenue bond proceeds, the rights and remedies available in the event of default, and other provisions relating to the security for the bonds, all as the commission considers advisable which are not in conflict with this subchapter.

(4) All revenue bonds issued under this subchapter and any interest coupons applicable thereto are negotiable instruments within the meaning of Article 8 of the uniform commercial code, Title 62A RCW, regardless of form or character.

(5) Notwithstanding subsection (1) of this section, such bonds and interim notes may be issued and sold in accordance with chapter 39.46 RCW.

NEW SECTION. Sec. 5. The commission may provide by resolution for the issuance of revenue refunding bonds for the purpose of refunding any obligations issued for a nonprofit facility, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption or maturity of the revenue bonds and, if considered advisable by the commission, for the additional purpose of financing improvements, extensions, or enlargements to the nonprofit facility for another nonprofit facility. The issuance of the revenue refunding bonds, the maturities and other details thereof, the rights of the owners thereof, and the rights, duties, and obligations of the commission in respect to the same shall be governed by this chapter insofar as applicable.

NEW SECTION. Sec. 6. Any bonds issued under this subchapter may be secured by a trust agreement between the commission and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state. The trust agreement may evidence a pledge or assignment of the financing documents and lease, sale, or loan revenues to be received from a lessee or purchaser of or borrower with respect to a nonprofit facility for the payment of principal of and interest and any premium on the bonds as the same shall become due and payable and may provide for creation and maintenance of

reserves for these purposes. A trust agreement or resolution providing for the issuance of the revenue bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondowners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties in relation to the acquisition of property and the construction, improvement, maintenance, use, repair, operation, and insurance of the nonprofit facility for which the bonds are authorized, and the custody, safeguarding, and application of all money. Any bank or trust company incorporated under the laws of the state which may act as depository of the proceeds of revenue bonds or of revenues may furnish such indemnifying bonds or pledge such securities as may be required by the commission. In addition, a trust agreement may contain such provisions as the commission considers reasonable and proper for the security of the bondowners which are not in conflict with this subchapter.

NEW SECTION. Sec. 7. A lessee or contracting party under a sale contract or loan agreement shall not be required to be the eventual user of a nonprofit facility if any sublessee or assignee assumes all of the obligations of the lessee or contracting party under the lease, sale contract, or loan agreement, but the lessee or contracting party or their successors shall remain primarily liable for all of its obligations under the lease, sale contract, or loan agreement and the use of the nonprofit facility shall be consistent with the purposes of this subchapter.

NEW SECTION. Sec. 8. The proceedings authorizing any revenue bonds under this subchapter or any financing document securing the revenue bonds may provide that if there is a default in the payment of the principal of or the interest on the bonds or in the performance of any agreement contained in the proceedings or financing document, the payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents, purchase price payments, and loan repayments, and to apply the revenues from the nonprofit facility in accordance with the proceedings or provisions of the financing document. Any financing document entered into under this subchapter may also provide that if there is a default in the payment thereof or a violation of any agreement contained in the financing document, the nonprofit facility may be foreclosed and sold under proceedings in equity or in any other manner now or hereafter permitted by law. Any financing document may also provide that any trustee under the financing document or the holder of any revenue bonds secured thereby may become the purchaser at any foreclosure sale if it is the highest bidder.

NEW SECTION. Sec. 9. The Washington state housing finance commission shall be the sole issuer of revenue bonds for facilities owned and operated by nonprofit corporations in the state except for revenue bonds to finance such facilities issued by the Washington health care facilities authority established by chapter 70.37 RCW, or the Washington higher education facilities authority established by chapter 28B.07 RCW.

POINT OF INQUIRY

Senator Williams: "Senator Benitz, is it the intent of Substitute Senate Bill No. 6575, as amended by the House, that the Departments of Health and Ecology will follow the Administrative Procedures Act in notifying permittees and licensees of the amount of liability coverage required and also if the amount of liability coverage required is challenged by a permittee or licensee?"

Senator Benitz: "Yes, Senator Williams, it is the intent of Substitute Senate Bill No. 6575, as amended, that both the Department of Health and the Department of Ecology are to follow the Administrative Procedures Act in notifying licensees or permittees or in dealing with any challenges to the amount of liability coverage required."

Senator Williams: "Senator Benitz, just to clarify this further, is it the intent of Substitute Senate Bill No. 6575, that the Department of Health and the Department of Ecology follow the rule making requirements of the Administrative Procedures Act in establishing any liability insurance requirements for their licensees or permittees and to permit any interested persons including licensees or permittees to comment on any proposed rules imposing such requirements and to challenge by judicial review any final rule adopted by either agency, as permitted by the Administrative Procedures Act?"

Senator Benitz: "Yes, that is correct."

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 6575, as amended by the House.

STATEMENT FOR THE JOURNAL

March 5, 1990

Due to a court proceeding, I missed the votes on Senate Bill No. 6528, Senate Bill No. 6571, Senate Bill No. 6574 and Substitute Senate Bill No. 6575. I would have voted 'aye' on each bill.

SENATOR PHIL TALMADGE, 34th District

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6610 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. It is the intent of the legislature to:

- (1) Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
- (2) Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and supervision to such youth; and
- (3) Assess the effectiveness of the family reconciliation services program.

The legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under this act shall be contingent upon the availability of funds specifically appropriated by the legislature for such purpose.

Sec. 2. Section 16, chapter 155, Laws of 1979 and RCW 13.32A.020 are each amended to read as follows:

This chapter shall be known and may be cited as the (~~Procedures for Families in Conflict~~) Family Reconciliation Act.

Sec. 3. Section 17, chapter 155, Laws of 1979 as amended by section 6, chapter 257, Laws of 1985 and RCW 13.32A.030 are each amended to read as follows:

As used in this chapter the following terms have the meanings indicated unless the context clearly requires otherwise:

- (1) "Department" means the department of social and health services;
- (2) "Child," "juvenile," and "youth" mean any individual who is under the chronological age of eighteen years;
- (3) "Parent" means the legal custodian(s) or guardian(s) of a child;
- (4) "Semi-secure facility" means any facility, including but not limited to crisis residential centers or specialized foster family homes, operated in a manner to reasonably assure that youth placed there will not run away: PROVIDED, That such facility shall not be a secure institution or facility as defined by the federal juvenile justice and delinquency prevention act of 1974 (P.L. 93-415; 42 U.S.C. Sec. 5634 et seq.) and regulations and clarifying instructions promulgated thereunder. Pursuant to rules established by the department, the facility administrator shall establish reasonable hours for residents to come and go from the facility such that no residents are free to come and go at all hours of the day and night. To prevent residents from taking unreasonable actions, the facility administrator, where appropriate, may condition a resident's leaving the facility upon the resident being accompanied by the administrator or the administrator's designee and the resident may be required to notify the administrator or the administrator's designee of any intent to leave, his or her intended destination, and the probable time of his or her return to the center. The facility administrator shall notify a parent and the appropriate law enforcement agency within four hours of all unauthorized leaves;
- (5) "At-risk youth" means an individual under the chronological age of eighteen years

who:

(a) Is absent from home for more than seventy-two consecutive hours without consent of his or her parent;

(b) Is beyond the control of his or her parent such that the child's behavior substantially endangers the health, safety, or welfare of the child or any other person; or

(c) Has a serious substance abuse problem for which there are no pending criminal charges related to the substance abuse.

Sec. 4. Section 18, chapter 155, Laws of 1979 as amended by section 1, chapter 298, Laws of 1981 and RCW 13.32A.040 are each amended to read as follows:

Families who are in conflict or who are experiencing problems with at-risk youth may request family reconciliation services from the department. Such services shall be provided to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible. Family reconciliation services shall be designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include but are not limited to referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Sec. 5. Section 19, chapter 155, Laws of 1979 as last amended by section 1, chapter 288, Laws of 1986 and RCW 13.32A.050 are each amended to read as follows:

A law enforcement officer shall take a child into custody:

(1) If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or

(2) If a law enforcement officer reasonably believes, considering the child's age, the location, and the time of day, that a child is in circumstances which constitute a danger to the child's safety; or

(3) If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement; or

(4) If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued pursuant to chapter 13.32A RCW or that the court has issued an order for law enforcement pick-up of the child under this chapter.

Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination.

An officer who takes a child into custody under this section and places the child in a designated crisis residential center shall inform the department of such placement within twenty-four hours.

(5) Nothing in this section affects the authority of any political subdivision to make regulations concerning the conduct of minors in public places by ordinance or other local law.

Sec. 6. Section 23, chapter 155, Laws of 1979 as amended by section 7, chapter 298, Laws of 1981 and RCW 13.32A.090 are each amended to read as follows:

(1) The person in charge of a designated crisis residential center or the department pursuant to RCW 13.32A.070 shall perform the duties under subsection (2) of this section:

(a) Upon admitting a child who has been brought to the center by a law enforcement officer under RCW 13.32A.060;

(b) Upon admitting a child who has run away from home or has requested admittance to the center;

(c) Upon learning from a person under RCW 13.32A.080(((2))) (3) that the person is providing shelter to a child absent from home; or

(d) Upon learning that a child has been placed with a responsible adult pursuant to RCW 13.32A.070.

(2) When any of the circumstances under subsection (1) of this section are present, the person in charge of a center shall perform the following duties:

(a) Immediately notify the child's parent of the child's whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement;

(b) Initially notify the parent that it is the paramount concern of the family reconciliation service personnel to achieve a reconciliation between the parent and child to reunify the family and inform the parent as to the procedures to be followed under this chapter;

(c) Inform the parent whether a referral to children's protective services has been made and, if so, inform the parent of the standard pursuant to RCW 26.44.020(12) governing child abuse and neglect in this state;

(d) Arrange transportation for the child to the residence of the parent, as soon as practicable, at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses to be assumed by the department, when the child and his or her parent agrees to the child's return home or when the parent produces a copy of a court order entered under this chapter requiring the child to reside in the parent's home;

(e) Arrange transportation for the child to an alternative residential placement which may include a licensed group care facility or foster family when agreed to by the child and parent at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses assumed by the department.

Sec. 7. Section 26, chapter 155, Laws of 1979 and RCW 13.32A.120 are each amended to read as follows:

(1) Where either a child or the child's parent or the person or facility currently providing shelter to the child notifies the center that such individual or individuals cannot agree to the continuation of an alternative residential placement arrived at pursuant to RCW 13.32A.090(2)(e), the center shall immediately contact the remaining party or parties to the agreement and shall attempt to bring about the child's return home or to an alternative living arrangement agreeable to the child and the parent as soon as practicable.

(2) If a child and his or her parent cannot agree to an alternative residential placement under RCW 13.32A.090(2)(e), either the child or parent may file with the juvenile court a petition to approve an alternative residential placement or the parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth under this chapter.

(3) If a child and his or her parent cannot agree to the continuation of an alternative residential placement arrived at under RCW 13.32A.090(2)(e), either the child or parent may file with the juvenile court a petition to approve an alternative residential placement or the parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth under this chapter.

Sec. 8. Section 27, chapter 155, Laws of 1979 as last amended by section 9, chapter 257, Laws of 1985 and RCW 13.32A.130 are each amended to read as follows:

A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in such placement under the rules and regulations established for the center for a period not to exceed seventy-two hours, excluding Saturdays, Sundays, and holidays, from the time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make a concerted effort to achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours, excluding Saturdays, Sundays and holidays, from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the seventy-two hour period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement ((and)), the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; and (3) the right to request a review of ((such a)) any alternative residential placement: PROVIDED, That at no time shall information regarding a parent's or child's rights be withheld if requested: PROVIDED FURTHER, That the department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating such services and rights. Every officer taking a child into custody shall provide the child and his or her parent(s) or responsible adult with whom the child is placed with a copy of such statement. In addition, the administrator of the facility or his or her designee shall provide every resident and parent with a copy of such statement.

Sec. 9. Section 28, chapter 155, Laws of 1979 as amended by section 10, chapter 298, Laws of 1981 and RCW 13.32A.140 are each amended to read as follows:

The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:

(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:

(a) The parent has been notified that the child was so admitted or placed;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No agreement between the parent and the child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian; ((and))

(e) The parent has not filed an at-risk youth petition; and

(f) The child has no suitable place to live other than the home of his or her parent.

(2) The child has been admitted to a crisis residential center and:

(a) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such placement;

(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and

(c) The child has no suitable place to live other than the home of his or her parent.

(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:

(a) The party to whom the arrangement is no longer acceptable has so notified the department;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No new agreement between parent and child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent: ~~((and))~~

~~(e) The parent has not filed an at-risk youth petition; and~~

~~(f) The child has no suitable place to live other than the home of his or her parent.~~

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.

Sec. 10. Section 29, chapter 155, Laws of 1979 as last amended by section 1, chapter 269, Laws of 1989 and RCW 13.32A.150 are each amended to read as follows:

(1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that a family assessment has been completed by the department. The family assessment shall be aimed at family reconciliation and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section or the parent may proceed under subsection (3) of this section.

(2) A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement.

(3) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioning parent resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

(a) The child is an at-risk youth as defined in this chapter;

(b) The petitioning parent has the right to legal custody of the child;

(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and

(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

The petition shall set forth facts that support the allegations in this subsection and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child. An at-risk youth petition may not be filed if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to court intervention have been attempted or if there is good cause why they were not attempted. Juvenile court personnel may screen all at-risk youth petitions and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements of this section, or fails to allege sufficient facts in support of allegations in the petition.

Sec. 11. Section 30, chapter 155, Laws of 1979 as amended by section 2, chapter 269, Laws of 1989 and RCW 13.32A.160 are each amended to read as follows:

(1) When a proper petition to approve an alternative residential placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150 the juvenile court shall: (a) Schedule a date for a fact-finding hearing; notify the parent, child, and the department of such date; (b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving an alternative residential placement petition; and (e) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

(2) Upon filing of an alternative residential placement petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence to be determined by the department.

(3) If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the alternative residential placement petition by the court. Any placement may be reviewed by the court within three court days upon the request of the juvenile or the juvenile's parent.

NEW SECTION, Sec. 12. (1) When a proper at-risk youth petition is filed by a child's parent under RCW 13.32A.120 or 13.32A.150, the juvenile court shall:

- (a) Schedule a fact-finding hearing and notify the parent and the child of such date;
- (b) Notify the parent of the right to be represented by counsel at the parent's own expense;
- (c) Appoint legal counsel for the child;
- (d) Inform the child and his or her parent of the legal consequences of the court finding the child to be an at-risk youth; and
- (e) Notify the parent and the child of their rights to present evidence at the fact-finding hearing.

(2) Unless out-of-home placement of the child is otherwise authorized or required by law, the child shall reside in the home of his or her parent or in an alternative residential placement approved by the parent. Upon request by the parent, the court may enter a court order requiring the child to reside in the home of his or her parent or an alternative residential placement approved by the parent.

(3) If upon sworn written or oral declaration of the petitioning parent, the court has reason to believe that a child has willfully and knowingly violated a court order issued pursuant to subsection (2) of this section, the court may issue an order directing law enforcement to take the child into custody and place the child in a juvenile detention facility or in a crisis residential center licensed by the department and established pursuant to chapter 74.13 RCW. If the child is placed in detention, a review shall be held as provided in RCW 13.32A.065.

(4) If both an alternative residential placement petition and an at-risk youth petition have been filed with regard to the same child, the proceedings shall be consolidated for purposes of fact-finding. Pending a fact-finding hearing regarding the petition, the child may be placed, if not already placed, in an alternative residential placement as provided in RCW 13.32A.160 unless the court has previously entered an order requiring the child to reside in the home of his or her parent. The child or the parent may request a review of the child's placement including a review of any court order requiring the child to reside in the parent's home. At the review the court, in its discretion, may order the child placed in the parent's home or in an alternative residential placement pending the hearing.

NEW SECTION, Sec. 13. (1) The court shall hold a fact-finding hearing to consider a proper at-risk youth petition. The court may grant the petition and enter an order finding the child to be an at-risk youth if the allegations in the petition are established by a preponderance of the evidence. The court shall not enter such an order if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. If the petition is granted, the court shall enter an order requiring the child to reside in the home of his or her parent or in an alternative residential placement approved by the parent.

(2) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings.

(3) A dispositional hearing shall be held no later than fourteen days after the court has granted an at-risk youth petition. Each party shall be notified of the time and date of the hearing.

(4) If the court grants or denies an at-risk youth petition, a statement of the written reasons shall be entered into the records. If the court denies an at-risk youth petition, the court shall verbally advise the parties that the child is required to remain within the care, custody, and control of his or her parent.

NEW SECTION, Sec. 14. (1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

- (2) The court may set conditions of supervision for the child that include:
 - (a) Regular school attendance;
 - (b) Counseling;
 - (c) Participation in a substance abuse treatment program;
 - (d) Reporting on a regular basis to the department or any other designated person or agency; and
 - (e) Any other condition the court deems an appropriate condition of supervision.

(3) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled. The parent may request dismissal of an at-risk youth proceeding at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless a contempt action is pending in the case. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

(4) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

NEW SECTION. Sec. 15. (1) Upon making a disposition regarding an adjudicated at-risk youth, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel for the child, advise the parent of the right to be represented by legal counsel at the review hearing at the parent's own expense, and notify the parties of their rights to present evidence at the hearing.

(2) At the review hearing, the court shall approve or disapprove the continuation of court supervision in accordance with the goal of assisting the parent to maintain the care, custody, and control of the child. The court shall determine whether the parent and child are complying with the dispositional plan. If court supervision is continued, the court may modify the dispositional plan.

(3) Court supervision of the child may not be continued past one hundred eighty days from the day the review hearing commenced unless the court finds, and the parent agrees, that there are compelling reasons for an extension of supervision. Any extension granted pursuant to this subsection shall not exceed ninety days.

(4) The court may dismiss an at-risk youth proceeding at any time if the court finds good cause to believe that continuation of court supervision would serve no useful purpose or that the parent is not cooperating with the court-ordered case plan. The court shall dismiss an at-risk youth proceeding if the child is the subject of a proceeding under chapter 13.34 RCW.

Sec. 16. Section 14, chapter 298, Laws of 1981 as amended by section 4, chapter 269, Laws of 1989 and by section 16, chapter 373, Laws of 1989 and RCW 13.32A.250 are each reenacted and amended to read as follows:

(1) In all alternative residential placement proceedings and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of ~~((an alternative residential placement order))~~ a court order entered pursuant to this chapter. The court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is a contempt of court as provided in chapter 7.21 RCW, subject to the limitations of subsection (2) of this section.

(3) The court may impose a fine of up to one hundred dollars and imprisonment for up to seven days, or both for contempt of court under this section.

(4) A child imprisoned for contempt under this section shall be imprisoned only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

NEW SECTION. Sec. 17. The department shall conduct a research study of the family reconciliation services program. The research study shall include the following information:

(1) A description of services offered in phase I and phase II and the effectiveness of these services;

(2) The number of youth and families served in family reconciliation services phase I and phase II and outcome of services provided to each youth and family;

(3) Nonclient parent and youth awareness of the family reconciliation services program and their perception of its effectiveness;

(4) The number of referrals to family reconciliation services from law enforcement, juvenile courts, schools, and community agencies and their perception of its effectiveness;

(5) Follow-up contact with a random sample of youth and families receiving family reconciliation services assistance and their perception of the effectiveness of family reconciliation services;

(6) The number of youth referred again after services were terminated and outcome of services provided;

(7) The number of youth and families offered services who refused them and the reason, if known;

(8) The number of youth and families who requested services but were denied based on: (a) Ineligibility or (b) services not available, including a list of those services requested but not available; and

(9) Recommendations for improving services to at-risk youth and families.

The department shall submit a preliminary report by January 1, 1991, and the full research study report by January 1, 1992, to the senate children and family services committee, and the house of representatives human services committee.

NEW SECTION. Sec. 18. Sections 12 through 15 of this act are each added to chapter 13.32A RCW.

NEW SECTION. Sec. 19. (a) A minor under thirteen years of age may only be admitted on the application of the minor's parent.

(b) A minor thirteen years or older may be voluntarily admitted by application of the parent. Such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor if the minor is fifteen years or older.

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6698 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION, Sec. 1. A new section is added to chapter 70.94 RCW to read as follows:

The joint select task force on clean air established by chapter (Engrossed Substitute House Bill No. 2277), Laws of 1990, has the authority, in addition to all other powers granted the task force, to:

- (1) Review the implementation of this act;
- (2) Review and make recommendations regarding state policies regarding the sale and use of residential solid fuel burning devices; and
- (3) Review and recommend strategies to further advance technology to reduce contaminants from residential solid fuel burning devices, including but not limited to pellet fuel burning devices.

Sec. 2. Section 6, chapter 405, Laws of 1987 and RCW 70.94.473 are each amended to read as follows:

- (1) Any person in a residence or commercial establishment which has an adequate source of heat without burning wood shall:

~~((1)) (a) Not burn wood in any solid fuel ((heating)) burning device whenever the department has determined under RCW 70.94.715 that any air pollution episode exists in that area;~~

~~((2)) (b) Not burn wood in any solid fuel ((heating)) burning device(-) except ((wood stoves)) those which meet the standards set forth in RCW 70.94.457, or a pellet stove either certified or issued an exemption certificate by the United States environmental protection agency in accordance with title 40, Part 60 of the code of federal regulations, in the geographical area and for the period of time that a first stage of impaired air quality has been determined, by the department or any authority, for that area. ((For the purposes of this section, impaired air quality shall mean air contaminant concentrations nearing unhealthful levels concurrent with meteorological conditions that are conducive to an accumulation of air contamination. If, after July 1, 1990, the department determines that there is quantitative evidence that wood stoves meeting the requirements of RCW 70.94.457 are contributing to impaired air quality, the department or any authority may prohibit burning of all solid fuel burning devices as provided by this section including those meeting the requirements of RCW 70.94.457.)) A first stage of impaired air quality is reached when particulates ten microns and smaller in diameter are at an ambient level of seventy-five micrograms per cubic meter measured on a twenty-four hour average or when carbon monoxide is at an ambient level of eight parts of contaminant per million parts of air by volume measured on an eight-hour average; and~~

~~(c) Not burn wood in any solid fuel burning device, including those which meet the standards set forth in RCW 70.94.457, in a geographical area and for the period of time that a second stage of impaired air quality has been determined by the department or any authority, for that area. A second stage of impaired air quality is reached when particulates ten microns and smaller in diameter are at an ambient level of one hundred five micrograms per cubic meter measured on a twenty-four hour average.~~

~~(2) When a local air authority exercises the limitation on solid fuel burning devices specified under RCW 70.94.477(2), a single stage of impaired air quality applies in the geographical area defined by the authority in accordance with RCW 70.94.477(2) and is reached when particulates ten microns and smaller in diameter are at an ambient level of ninety micrograms per cubic meter measured on a twenty-four hour average or when carbon monoxide is at an ambient level of eight parts of contaminant per million parts of air by volume measured on an eight-hour average.~~

~~When this single stage of impaired air quality is reached, no person in a residence or commercial establishment which has an adequate source of heat without burning wood shall burn wood in any solid fuel burning device, including those which meet the standards set forth in RCW 70.94.457.~~

Sec. 3. Section 9, chapter 405, Laws of 1987 and RCW 70.94.477 are each amended to read as follows:

(1) Unless allowed by rule, under chapter 34.05 RCW, a person shall not cause or allow any of the following materials to be burned in any residential solid fuel burning device:

~~((2)) (b) Treated wood;~~

~~((3)) (c) Plastics;~~

~~((4)) (d) Rubber products;~~

~~((5)) (e) Animals;~~

~~((6)) (f) Asphaltic products;~~

~~((7)) (g) Waste petroleum products;~~

~~((8)) (h) Paints; or~~

~~((9)) (i) Any substance, other than properly seasoned fuel wood, which normally emits dense smoke or obnoxious odors.~~

~~(2) On or after July 1, 1995, a local authority may geographically limit the use of solid fuel burning devices, except fireplaces as defined in RCW 70.94.453(3), wood stoves meeting the standards set forth in RCW 70.94.457 or pellet stoves issued an exemption certificate by the United States environmental protection agency in accordance with Title 40, part 60 of the code of federal regulations. An authority shall allow an exemption from this subsection for low-income persons who reside in a geographical area affected by this subsection. In the exercise of this limitation, a local authority shall consider the following factors:~~

~~(a) The contribution of solid fuel burning devices that do not meet the standards set forth in RCW 70.94.457 to nonattainment of national ambient air quality standards;~~

~~(b) The population density of geographical areas within the local authority's jurisdiction giving greater consideration to urbanized areas; and~~

~~(c) The public health effects of use of solid fuel burning devices which do not meet the standards set forth in RCW 70.94.457.~~

Sec. 4. Section 2, chapter 194, Laws of 1971 ex. sess. and RCW 70.94.715 are each amended to read as follows:

The department of ecology is hereby authorized to develop an episode avoidance plan providing for the phased reduction of emissions wherever and whenever an air pollution episode is forecast. Such an episode avoidance plan shall conform with any applicable federal

standards and shall be effective state-wide. The episode avoidance plan may be implemented on an area basis in accordance with the occurrence of air pollution episodes in any given area.

The department of ecology may delegate authority to adopt source emission reduction plans and authority to implement all stages of occurrence up to and including the warning stage, and all intermediate stages up to the warning stage, in any area of the state, to the air pollution control authority with jurisdiction therein.

The episode avoidance plan, which shall be established by regulation in accordance with chapter 34.05 RCW, shall include, but not be limited to the following:

(1) The designation of episode criteria and stages, the occurrence of which will require the carrying out of preplanned episode avoidance procedures. The stages of occurrence shall be (a) forecast, (b) alert, (c) warning, (d) emergency, and such intermediate stages as the department shall designate. "Forecast" means the presence of meteorological conditions that are conducive to accumulation of air contaminants and is the first stage of an episode. The department shall not call a forecast episode prior to the department or an authority calling a first stage impaired air quality condition as provided by RCW 70.94.473(1)(b) or calling a single-stage impaired air quality condition as provided by RCW 70.94.473(2). "Alert" means concentration of air contaminants at levels at which short-term health effects may occur, and is the second stage of an episode. "Warning" means concentrations are continuing to degrade, contaminant concentrations have reached a level which, if maintained, can result in damage to health, and additional control actions are needed and is the third level of an episode. "Emergency" means the air quality is posing an imminent and substantial endangerment to public health and is the fourth level of an episode;

(2) The requirement that persons responsible for the operation of air contaminant sources prepare and obtain approval from the director of source emission reduction plans, consistent with good operating practice and safe operating procedures, for reducing emissions during designated episode stages;

(3) Provision for the director of the department of ecology or his authorized representative, or the air pollution control officer if implementation has been delegated, on the satisfaction of applicable criteria, to declare and terminate the forecast, alert, warning and all intermediate stages, up to the warning episode stage, such declarations constituting orders for action in accordance with applicable source emission reduction plans;

(4) Provision for the governor to declare and terminate the emergency stage and all intermediate stages above the warning episode stage, such declarations constituting orders in accordance with applicable source emission reduction plans;

(5) Provisions for enforcement by state and local police, personnel of the departments of ecology and social and health services, and personnel of local air pollution control agencies; and

(6) Provisions for reduction or discontinuance of emissions immediately, consistent with good operating practice and safe operating procedures, under an air pollution emergency as provided in RCW 70.94.720.

Source emission reduction plans shall be considered orders of the department and shall be subject to appeal to the pollution control hearings board according to the procedure in chapter 43.21B RCW.

Sec. 5. Section 10, chapter 405, Laws of 1987 and RCW 70.94.483 are each amended to read as follows:

(1) The wood stove education and enforcement account is hereby created in the general fund. Money placed in the account shall include all money received under subsection (2) of this section and any other money appropriated by the legislature. Money in the account shall be spent for the purposes of the wood stove education program established under RCW 70.94.480 and for enforcement of the wood stove program, and shall be subject to legislative appropriation.

(2) The department of ecology, with the advice of the advisory committee, shall set a flat fee, not to exceed ~~(five)~~ fifteen dollars, on the retail sale, as defined in RCW 82.04.050, of each solid fuel burning device, excepting masonry fireplaces, after January 1, 1988. The fee shall be imposed upon the consumer and shall not be subject to the retail sales tax provisions of chapters 82.08 and 82.12 RCW. The fee may be adjusted annually above ~~(five)~~ fifteen dollars according to changes in the consumer price index after January 1, 1989. The fee shall be collected by the department of revenue in conjunction with the retail sales tax under chapter 82.08 RCW. If the seller fails to collect the fee herein imposed or fails to remit the fee to the department of revenue in the manner prescribed in chapter 82.08 RCW, the seller shall be personally liable to the state for the amount of the fee. The collection provisions of chapter 82.32 RCW shall apply. The department of revenue shall ~~((transmit the moneys to))~~ deposit fees collected under this section in the wood stove education and enforcement account.

Sec. 6. Section 3, chapter 405, Laws of 1987 and RCW 70.94.480 are each amended to read as follows:

(1) The department of ecology shall establish a program to educate wood stove dealers and the public about:

((+)) (a) The effects of wood stove emissions on health and air quality;

((2)) (b) Methods of achieving better efficiency and emission performance from wood stoves;

((3)) (c) Wood stoves that have been approved by the department;

((4)) (d) The benefits of replacing inefficient wood stoves with stoves approved under RCW 70.94.457.

(2) Persons selling new wood stoves shall distribute and verbally explain educational materials describing when a stove can and cannot be legally used to customers purchasing new wood stoves.

On page 1, line 5 of the title, after "devices," strike the remainder of the title and insert "amending RCW 70.94.473, 70.94.477, 70.94.715, 70.94.483, and 70.94.480; and adding a new section to chapter 70.94 RCW."

and the same are herewith transmitted.

NEW SECTION. Sec. 2. A new section is added to chapter 36.32 RCW to read as follows:

The legislative authority of each county may acquire a fee simple interest, or lesser interest, in conservation areas in the county and may maintain the conservation areas. The conservation areas may be acquired and maintained with moneys obtained from the excise tax under section 3 of this act, or any other moneys available for such purposes.

As used in this section, the term "conservation area" means land and water that has environmental, agricultural, aesthetic, cultural, scientific, historic, scenic, or low-intensity recreational value for existing and future generations, and includes, but is not limited to, open spaces, wetlands, marshes, aquifer recharge areas, shoreline areas, natural areas, and other lands and waters that are important to preserve flora and fauna.

NEW SECTION. Sec. 3. A new section is added to chapter 82.46 RCW to read as follows:

(1) Subject to subsection (2) of this section, the legislative authority of any county may impose an additional excise tax on each sale of real property in the county at a rate not to exceed one-half of one percent of the selling price. The proceeds of the tax shall be used exclusively for the acquisition and maintenance of conservation areas.

The taxes imposed under this subsection shall be imposed in the same manner and on the same occurrences, and are subject to the same conditions, as the taxes under chapter 82.45 RCW, except the tax does not apply to the acquisition of conservation areas by the county or state.

The county may enforce the obligation through an action of debt against the purchaser or may foreclose the lien on the property in the same manner prescribed for the foreclosure of mortgages.

The tax shall take effect thirty days after the election at which the taxes are authorized.

(2) No tax may be imposed under subsection (1) of this section unless approved by a majority of the voters of the county voting thereon for a specified period and maximum rate after:

(a) The adoption of a resolution by the county legislative authority of the county proposing this action; or

(b) The filing of a petition proposing this action with the county auditor, which petition is signed by county voters at least equal in number to ten percent of the total number of voters in the county who voted at the last preceding general election.

The ballot proposition shall be submitted to the voters of the county at the next general election occurring at least sixty days after a petition is filed, or at any special election prior to this general election that has been called for such purpose by the county legislative authority.

(3) A plan for the expenditure of the excise tax proceeds shall be prepared by the county legislative authority at least sixty days before the election if the proposal is initiated by resolution of the county legislative authority, or within six months after the tax has been authorized by the voters if the proposal is initiated by petition. Prior to the adoption of this plan, the elected officials of cities located within the county shall be consulted and a public hearing shall be held to obtain public input. The proceeds of this excise tax must be expended in conformance with this plan.

(4) As used in this section, "conservation area" has the meaning given under section 2 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 82.46 RCW to read as follows:

(1) Subject to subsection (2) of this section, the legislative authority of a county may impose an additional excise tax on each sale of real property in the county at a rate not to exceed one-half of one percent of the selling price. The proceeds of the tax shall be used exclusively for the acquisition and maintenance of conservation areas that are critical habitat, natural areas, or urban wildlife habitat. As used in this section:

(a) "Critical habitat" means lands important for the protection, management, or public enjoyment of certain wildlife species or groups of species, including, but not limited to, wintering range for deer, elk, and other species, waterfowl and upland bird habitat, fish habitat, and habitat for endangered, threatened, or sensitive species.

(b) "Natural areas" means areas that have, to a significant degree, retained their natural character and are important in preserving rare or vanishing flora, fauna, geological, natural historical, or similar features of scientific or educational value.

(c) "Urban wildlife habitat" means lands that provide habitat important to wildlife in proximity to a metropolitan area.

(d) "Conservation area" has the meaning given under section 2 of this act.

(2) The taxes imposed under this section shall be imposed in the same manner and on the same occurrences, and are subject to the same conditions, as the taxes under chapter 82.45 RCW.

Sec. 5. Section 14, chapter 49, Laws of 1982 1st ex. sess. and RCW 82.46.040 are each amended to read as follows:

Any tax imposed under (~~RCW 82.46.040~~) this chapter and any interest or penalties thereon is a specific lien upon each piece of real property sold from the time of sale until the tax is paid, which lien may be enforced in the manner prescribed for the foreclosure of mortgages.

Sec. 6. Section 15, chapter 49, Laws of 1982 1st ex. sess. and RCW 82.46.050 are each amended to read as follows:

The taxes levied under (~~RCW 82.46.040~~) this chapter are the obligation of the seller and may be enforced through an action of debt against the seller or in the manner prescribed for the foreclosure of mortgages. Resort to one course of enforcement is not an election not to pursue the other.

Sec. 7. Section 16, chapter 49, Laws of 1982 1st ex. sess. and RCW 82.46.060 are each amended to read as follows:

Any taxes imposed under (~~RCW 82.46.040~~) this chapter shall be paid to and collected by the treasurer of the county within which is located the real property which was sold. The treasurer shall act as agent for any city within the county imposing the tax. The county treasurer shall cause a stamp evidencing satisfaction of the lien to be affixed to the instrument of sale or conveyance prior to its recording or to the real estate excise tax affidavit in the case of used mobile home sales. A receipt issued by the county treasurer for the payment of the tax imposed under (~~RCW 82.46.040~~) this chapter shall be evidence of the satisfaction of the lien imposed in RCW 82.46.040 and may be recorded in the manner prescribed for recording satisfactions of mortgages. No instrument of sale or conveyance evidencing a sale subject to the tax may be accepted by the county auditor for filing or recording until the tax is paid and the

stamp affixed thereto; in case the tax is not due on the transfer, the instrument shall not be accepted until suitable notation of this fact is made on the instrument by the treasurer."

On page 1, line 2 of the title, after "areas;" strike the remainder of the title and insert "amending RCW 82.46.040, 82.46.050, and 82.46.060; adding a new section to chapter 36.32 RCW; adding new sections to chapter 82.46 RCW; and creating a new section."

and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

February 27, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6713 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. The legislature finds that the majority of the litter found in the state's streams, rivers, and marine waters, and their adjoining tide and shorelands, consist of polystyrene foam bait containers.

These persistent and nonbiodegradable containers provide a significant threat to the fisheries and wildlife resources of the state. These containers are a source of aesthetic degradation and affects the recreational use of our state waterways.

NEW SECTION. Sec. 2. A new section is added to chapter 70.95 RCW to read as follows:

(1) Effective January 1, 1991, the sale in the regular course of business of fishing bait in containers made of, or packaged in, polystyrene foam is prohibited. MOTION

Senator Metcalf moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 6713.

Debate ensued.

The President declared the question before the Senate to be the motion by Senator Metcalf that the Senate do concur in the House amendments to Substitute Senate Bill No. 6713.

The motion by Senator Metcalf carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 6713 on a rising vote.

POINT OF INQUIRY

Senator Saling: "Senator Owen, would the passage of this measure encourage people to use rusty old tin cans or plastic bags in lieu of the containers that we are trying to outlaw here?"

Senator Owen: "It would encourage them to use other than styrofoam--well it wouldn't encourage the user to do anything with them, because the only person that is responsible in the bill is the retailer--not the manufacturer, not the wholesaler, and not the person who uses it and takes it on the river--only the retailer is responsible in this bill, so it doesn't do anything about getting to the styrofoam on the river."

Senator Saling: "But if a person can't buy them in that container, they may buy them in a plastic bag or a tin can which might be even more hazardous to ones health than--"

Senator Owen: "Or they could buy it and put it in a styrofoam container."

POINT OF INQUIRY

Senator Rasmussen: "Senator Owen, this will in no way prohibit the use of glass for containing bait will it?"

Senator Owen: "No."

Senator Rasmussen: "And it won't prohibit them from throwing glass in the river wherever they may be using it--fishing in the ocean or the--? One of the problems, Senator Owen, is glass when it is broken, it cuts your feet, it cuts your boots, but you can still use it?"

Senator Owen: "Yes."

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 6713, as amended by the House.

ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 6713, as amended by the House, and the bill failed to pass the Senate by the following vote: Yeas, 24; nays, 16; excused, 9.

Voting yea: Senators Bailey, Bender, Conner, Fleming, Gaspard, Kreidler, Lee, McDonald, McMullen, Metcalf, Moore, Murray, Nelson, Niemi, Patrick, Rinehart, Smith, Smitherman, Sutherland, Talmadge, Thorsness, von Reichbauer, West, Williams - 24.

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6663 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Sec. 1. A new section is added to chapter 46.16 RCW to read as follows:

(1) The department may create, design, and issue special license plates, upon terms and conditions as may be established by the department, that may be used in lieu of regular or personalized license plates upon vehicles. The special plates may denote the age or type of vehicle or may denote special activities or interests, status, or contribution or sacrifice for the United States, the state of Washington, or the citizens of the state of Washington, of a registered owner of that vehicle.

(2) The department has the sole discretion to determine whether or not to create, design, or issue any series of special license plates and whether any activity, status, contribution, or sacrifice merits the issuance of a series of special license plates. In making this determination, the department shall consider whether or not an activity or interest proposed contributes or has contributed significantly to the public health, safety, or welfare of the citizens of the United States or of this state or to their significant benefit, or whether the activity, interest, contribution, or sacrifice is recognized by the United States, this state, or other states, in other settings or contexts. The department may also consider the potential number of persons who may be eligible for the plates and the cost and efficiency of producing limited numbers of the plates. The design of a special license plate shall conform to all requirements for plates for the type of vehicle for which it is issued, as provided elsewhere in this chapter.

NEW SECTION. Sec. 2. A new section is added to chapter 46.16 RCW to read as follows:

The department shall continue to issue, under section 1 of this act and the department's rules implementing sections 1 through 9 of this act, the categories of special plates issued by the department under the sections repealed under section 13 (1) through (7) of this act. The following conditions, limitations, or requirements apply to certain special license plates issued after January 1, 1991:

(1) A horseless carriage plate and a plate or plates issued for collectors' vehicles more than thirty years old, upon payment of the initial fees required by law and the additional special license plate fee established by the department, are valid for the life of the vehicle for which application is approved by the department. When a single plate is issued, it shall be displayed on the rear of the vehicle.

(2) The department may issue special license plates denoting amateur radio operator status only to persons having a valid official radio operator license issued for a term of five years by the federal communications commission.

(3) The department shall issue one set of special license plates to each resident of this state who has been awarded the Congressional Medal of Honor for use on a passenger vehicle registered to that person. The department shall issue the plate without the payment of any fees.

(e) Is certified by a Washington state chapter of the Pearl Harbor survivors association as satisfying the qualifications in (c) of this subsection.

The department may issue such plates to the surviving spouse of any deceased Pearl Harbor survivor who met the requirements of this subsection. If the surviving spouse remarries, he or she shall return the special plates to the department within fifteen days and apply for regular plates. The surviving spouse must be a resident of this state.

The department shall issue these plates upon payment by the applicant of all other license fees, but the department may not set or charge an additional fee for these special license plates under section 4 of this act.

(5) The department shall replace, free of charge, special license plates issued under subsections (3) and (4) of this section if they are lost, stolen, damaged, defaced, or destroyed. Such plates shall remain with the persons upon transfer or other disposition of the vehicle for which

they were initially issued, and may be used on another vehicle registered to the recipient in accordance with the provisions of section 5(1) of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 46.16 RCW to read as follows:

Persons applying to the department for special license plates shall apply on forms obtained from the department and in accordance with RCW 46.16.040. If a person applies for a transfer of the plate or plates to another eligible vehicle, a transfer fee of five dollars shall be charged in addition to all other applicable fees. Such transfer fees shall be deposited in the motor vehicle fund. Failure to surrender the plates when required is a traffic infraction.

The vehicle license plate emblem issued by the department may display a mascot, slogan, message, or symbol that can be displayed on a vehicle license plate or plates in the manner prescribed by the department. The department has sole discretion in approving or disapproving institutions for participation in the vehicle license plate emblem program. The department also has the sole discretion to determine the significance of the purpose, program, project, or cause and if it merits recognition by issuance of a vehicle license plate emblem.

Application to the department is the exclusive method for an institution to request issuance of a special vehicle license plate emblem series or to obtain such emblems for distribution by approved institutions. All applicants shall apply to the department on a form obtained from the department.

Any approved institution may collect additional fees from any person as a condition for receiving an emblem, to be used for the purposes of the approved institution.

(3) The veterans' emblem account is created in the custody of the state treasurer. All receipts by the department from the issuance of remembrance emblems under section 6 of this act shall be deposited into this fund. Expenditures from the fund may be used only for the costs of production of remembrance emblems and administration of the program by the department of licensing, with the balance used only by the department of veterans' affairs for projects that pay tribute to those living veterans and to those who have died defending freedom in our nation's wars and conflicts and for the upkeep and operations of existing memorials, as well as for planning, acquiring land for, and constructing future memorials. MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 6797 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. LEGISLATIVE FINDINGS. The legislature finds that the marine waters of Washington state are capable of supporting many forms of aquaculture, including the culturing of salmon, mussels, seaweed, oysters, and other marine species. However, in order to protect existing biological systems, protect public enhancement opportunities, and reduce conflicts with existing water uses, it is critical that aquaculture projects be appropriately sited, designed, and operated.

The legislature further finds that considerable controversy has occurred when marine fin fish net pen projects have been proposed, and that it is in the best interest of the state to find ways to minimize this conflict, reduce adverse impacts on the marine environment, and reduce adverse impacts on other uses and activities. The legislature further finds that actions are needed to increase predictability and consistency, and expedite the decision-making process for marine net pen projects.

NEW SECTION, Sec. 2. COUNCIL CREATED—SCOPE. The fisheries 2000 council on floating marine fin fish is hereby created. The council shall be coordinated by the department of natural resources to provide the legislature, state agencies, and local jurisdictions with recommendations on siting fin fish net pen projects in marine waters of the state, while minimizing or eliminating adverse biological effects and conflicts with other uses and activities.

NEW SECTION, Sec. 3. COUNCIL MEMBERSHIP. (1) The council shall include one representative from the following interests, governmental agencies, and organizations: Department of natural resources, department of ecology, department of fisheries, department of agriculture, University of Washington college of ocean and fisheries science, counties, marine fin fish growers, environmentalists, shoreline property owners, Indian tribes, marine sport anglers, and the commercial fishing industry.

(2) The agencies listed in subsection (1) of this section shall work with recognized organizations and associations that represent the interests listed in subsection (1) of this section in the selection of representatives. Every attempt shall be made to encourage recognized organizations and associations to appoint their own representative. If these organizations and associations have not identified a representative within twenty days of the effective date of this act, or if more than one representative is nominated, the department of natural resources and the other agencies listed in subsection (1) of this section will jointly make appointments within thirty days of the effective date of this act.

(3) The council shall be coordinated and chaired by the department of natural resources. The department shall use a collaborative process that is fair to all interests, and shall attempt to reach outcomes that are supported by all participants.

NEW SECTION, Sec. 4. COUNCIL RESPONSIBILITIES. (1) The council shall prepare an action plan that will include recommended changes in law, rule, policy, and procedures. The action plan's objective shall be the development of a consistent, predictable framework for the appropriate siting, regulation, and monitoring of floating fin fish net pens, and the clarification of roles and responsibilities of federal, state, and local decision makers. In preparing this action plan, the council shall:

(a) Identify biological impacts and use conflicts associated with marine fin fish net pens as documented in available sources of information;

(b) Review existing federal, state, and local policies, procedures, rules, and statutes regarding marine fin fish net pens in Washington state;

(c) Review existing policies, procedures, rules, and statutes regarding marine fin fish net pens in other states and nations;

(d) Review the economic costs and benefits of marine fin fish net pens to the state and its citizens; and

(e) Address siting of net pens for enhancement of the state's public fishery resource, and resolution of possible siting conflicts with private net pen projects.

(2) In carrying out its responsibilities, the council shall provide opportunities for public participation. At a minimum, the council shall conduct public meetings during its initial fact-finding phase, and after a draft action plan is developed.

NEW SECTION, Sec. 5. FINAL REPORT AND ACTION PLAN. The council shall present the action plan required in section 4 of this act to the legislature, governor, state agency directors, and local governments by November 15, 1990.

NEW SECTION, Sec. 6. TERMINATION OF COUNCIL. The council shall cease to exist on June 30, 1991.

NEW SECTION, Sec. 7. CAPTIONS NOT LAW. Section headings as used in this act do not constitute any part of the law."

On page 1, line 1 of the title, after "council;" strike the remainder of the title and insert "and creating new sections."

and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

POINT OF ORDER

Senator Metcalf: "A point of order, Mr. President. I raise the question of scope and object on the House amendments to Engrossed Senate Bill No. 6797. The House striking amendment deals with establishing a new council for aquaculture siting for private profit--net pen projects--in marine waters for a one year period and proposing a twelve member council composed of people in organizations which are interested in aquaculture development for private gain. The original bill deals with establishing a new council for enhancement of anadromous and resident fish populations for the public fisheries through the year 2010 and beyond. A forty-seven member council was composed of all groups of fishermen and the public who are interested in enhancement of the public fishery and the preservation of habitat, wild and hatchery fish runs and fostering cooperation between Indian Tribes, commercial fishermen and recreational fishermen. I submit then that these amendments do greatly change the scope and object of Engrossed Senate Bill No. 6797 and should be so ruled."

Debate ensued.

There being no objection, the President deferred further consideration of Engrossed Senate Bill No. 6797.

There being no objection, the Senate resumed consideration of the Message from the House on Engrossed Second Substitute Senate Bill No. 6610 and the pending Sections 20 and 21, of the House striking amendment, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Niemi, the President finds that Engrossed Second Substitute Senate Bill No. 6610 is a measure creating the Family Reconciliation Act which addresses problems related to at-risk youth, by establishing a legal process to assist parents in dealing with children under eighteen years old who absent themselves from the home, are endangering themselves or another person, or are suffering from a serious abuse problem for which no criminal charges are pending.

"Sections 20 and 21, of the House amendment, would make changes to the mental illness laws dealing with conditions for involuntary commitment and the age of consent for certain mental illness treatment situations:

"The President, therefore, finds that Sections 20 and 21 do change the scope and object of the bill and that the point of order is well taken."

Sections 20 and 21, of the House amendment, to Engrossed Second Substitute Senate Bill No. 6610 were ruled out of order.

MOTION

On motion of Senator Smith, the Senate concurred in the House amendments to Engrossed Second Substitute Senate Bill No. 6610, with the exception of Sections 20 and 21, and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

Mr. President:

March 1, 1990

However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. Such applicant's constitutional right to bear arms shall not be denied to him, unless he or she:

The license application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license application shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's place of birth, whether the applicant is a United States citizen, and if not a citizen whether the applicant has declared the intent to become a citizen and whether he or she has been required to register with the state or federal government and any identification or registration number, if applicable. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. An applicant who is not a citizen shall provide documentation showing resident alien status and the applicant's intent to become a citizen. The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent by registered mail to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing said license.

(3) The fee for the original issuance of a four-year license shall be twenty-three dollars: PROVIDED, That no other additional charges by any branch or unit of government shall be borne by the applicant for the issuance of the license: PROVIDED FURTHER, That the fee shall be distributed as follows:

(6) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (4) of this section. The fee shall be distributed as follows:

(a) Three dollars shall be deposited in the state wildlife fund and used exclusively for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law. The pamphlet shall be given to each applicant for a license; and

(b) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(7) Notwithstanding the requirements of subsections (1) through (6) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section.

(8) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section. A civil suit may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section or chapter. The civil suit may be brought in the county in which the application was made or in Thurston county at the discretion of the petitioner. Any person who prevails against a public agency in any action in the courts for a violation of this chapter shall be awarded costs, including reasonable attorneys' fees, incurred in connection with such legal action."

MESSAGE FROM THE HOUSE

March 2, 1990

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6434 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. A new section is added to chapter 43.43 RCW to read as follows:

Bicycling is popular for all ages. Almost all families now have bicycles. Bicycling takes more skill than most people realize. Since bicyclists have a low profile in traffic and are unprotected, they need more defensive riding skills than motorists do.

A bicycle awareness program is created within the Washington state patrol. In developing the curriculum for the bicycle awareness program the patrol shall consult with the traffic safety commission and with bicycling groups currently providing bicycle safety education. The patrol shall conduct the program in conjunction with the safety education officer program and may use other law enforcement personnel and volunteers to implement the program for children in grades kindergarten through six. The patrol shall ensure that each safety educator presenting the bicycle awareness program has received specialized training in bicycle safety education and has been trained in effective defensive bicycle riding skills.

Sec. 2. Section 46.04.670, chapter 12, Laws of 1961 as amended by section 4, chapter 213, Laws of 1979 ex. sess. and RCW 46.04.670 are each amended to read as follows:

"Vehicle" includes every device capable of being moved upon a public highway and in, upon, or by which any persons or property is or may be transported or drawn upon a public highway, ~~((excepting)) including bicycles, but not including devices other than bicycles~~ moved by human or animal power or used exclusively upon stationary rails or tracks, except that mopeds shall be considered vehicles or motor vehicles for the purposes of chapter 46.12 RCW, but not for the purposes of chapter 46.70 RCW, and bicycles shall not be considered vehicles for the purposes of chapter 46.12 or 46.70 RCW.

Sec. 3. Section 92, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.990 are each amended to read as follows:

Sections 1 through 52 and 54 through 86 of ~~((this amendatory act)) chapter 155, Laws of 1965 ex. sess.~~ are added to chapter 12, Laws of 1961 and shall constitute a new chapter in Title 46 of the Revised Code of Washington and sections 54, 55, and 63 as herein amended and RCW 46.48.012, 46.48.014, 46.48.015, 46.48.016, 46.48.023, 46.48.025, 46.48.026, 46.48.041, 46.48.046, 46.48.050, 46.48.060, 46.48.080, 46.48.110, 46.48.120, 46.48.150, 46.48.160, 46.48.340, 46.56.030, 46.56.070, 46.56.100, 46.56.130, 46.56.135, 46.56.190, 46.56.200, 46.56.210, 46.56.220, 46.56.230, 46.56.240, 46.60.260, 46.60.270, 46.60.330, and 46.60.340 shall be recodified as and be a part of said chapter. The sections of the new chapter shall be organized under the following captions: "OBEDIENCE TO AND EFFECT OF TRAFFIC LAWS", "TRAFFIC SIGNS, SIGNALS AND MARKINGS", "DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING—USE OF ROADWAY", "RIGHT OF WAY", "PEDESTRIANS' RIGHTS AND DUTIES", "TURNING AND STARTING AND SIGNALS ON STOPPING AND TURNING", "SPECIAL STOPS REQUIRED", "SPEED RESTRICTIONS", "RECKLESS DRIVING, DRIVING WHILE INTOXICATED AND NEGLIGENT HOMICIDE BY VEHICLE", "STOPPING, STANDING AND PARKING", "MISCELLANEOUS RULES", and "OPERATION OF ~~((BICYCLES AND PLAY))~~ NONMOTORIZED VEHICLES". Such captions shall not constitute any part of the law.

NEW SECTION, Sec. 4. The installation of painted reflective stripes along the right edge of roadways can enhance both bicycle and pedestrian safety, but certain types of reflective materials, such as raised pavement markers can cause bicyclists to lose control of their vehicles and fall into the path of oncoming motor vehicle traffic. Therefore it is appropriate to develop uniform guidelines for the installation of reflective edgestripes along urban and rural arterials.

NEW SECTION, Sec. 5. A new section is added to chapter 47.36 RCW to read as follows:

The department of transportation shall, by January 1, 1991, adopt uniform edgestriping standards for principal and minor arterials and collector streets that do not have curbs or sidewalks and are inside urbanized areas or in other areas deemed appropriate by the department. Such arterial and collector streets shall be edgestriped in accordance with the standards by July 1, 1993. The standards shall not require edgestriping in any situation where the result would be a remaining lane width of eight feet, six inches.

For the purposes of this section, "urbanized area" means an area designated as such by the United States bureau of census and having a population of more than fifty thousand. Other jurisdictions which install edgestriping material shall do so in a manner not in conflict with the uniform state standard.

Sec. 6. Section 46.37.480, chapter 12, Laws of 1961 as last amended by section 6, chapter 227, Laws of 1988 and RCW 46.37.480 are each amended to read as follows:

(1) No person shall drive any motor vehicle equipped with any television viewer, screen, or other means of visually receiving a television broadcast which is located in the motor vehicle at any point forward of the back of the driver's seat, or which is visible to the driver while operating the motor vehicle.

(2) No person shall operate any bicycle or motor vehicle on a public highway while wearing any headset or earphones connected to any electronic device capable of receiving a radio broadcast or playing a sound recording for the purpose of transmitting a sound to the human auditory senses and which headset or earphones muffle or exclude other sounds to both ears. This subsection does not apply to students and instructors participating in a Washington state motorcycle safety program.

(3) This section does not apply to authorized emergency vehicles.

NEW SECTION. Sec. 7. A new section is added to chapter 43.59 RCW to read as follows:

Bicycling is increasing in our state. What used to be simply a children's activity is now a common form of transportation and recreation for children, adults, and families. Increased bicycling has many benefits: It is healthy, nonpolluting, energy efficient, and does not cause wear to the road system. Bicycling is an enjoyable activity that people with a wide range of physical abilities can share. The creation of the state bicycle program specified in section 10 of this act is essential to further the benefits of bicycling to the residents of the state.

NEW SECTION. Sec. 8. A new section is added to chapter 43.59 RCW to read as follows:

(1) The Washington state traffic safety commission is responsible for the initiation and operation of a bicycle program.

(2) To assist the commission in the operation of the bicycle program, a full-time staff position of state bicycle coordinator is established. The coordinator shall be appointed by the commission and paid a salary to be fixed by the governor in accordance with RCW 43.03.040.

(3) The state bicycle coordinator shall coordinate bicycle safety related programs and bicycle tourism programs in all state agencies, encourage the use of bicycling for transportation, assist the department of transportation, and the cities and counties of the state in prioritizing, programming, and developing bicycle-related projects.

NEW SECTION. Sec. 9. A new section is added to chapter 43.59 RCW to read as follows:

The state bicycle coordinator shall:

- (1) Gather bicycle program information and resources;
- (2) Plan bicycle programs;
- (3) Work with other state agencies to develop bicycle programs;
- (4) Provide assistance in revising and updating superintendent of public instruction and state patrol bicycle material; and
- (5) Develop a grant program to distribute funds to local agencies in areas with high bicycle accident rates to create bicycle programs.

NEW SECTION. Sec. 10. Section 1 of this act shall take effect September 1, 1991, but the chief of the Washington state patrol may take any action before that date to ensure that the section is implemented on its effective date. Sections 7 through 9 of this act shall take effect July 1, 1990.

On line 1 of the title, after "safety," strike the remainder of the title and insert "amending RCW 46.04.670, 46.61.990, and 46.37.480; adding a new section to chapter 47.36 RCW; adding a new section to chapter 43.43 RCW; adding new sections to chapter 43.59 RCW; creating a new section; and providing effective dates."

and the same are herewith transmitted.

Sec. 5. Section 5, chapter 141, Laws of 1979 ex. sess. as amended by section 129, chapter 46, Laws of 1983 1st ex. sess. and RCW 79.96.085 are each amended to read as follows:

~~((1))~~ A geoduck tract license is required for the commercial harvest of geoducks from each subtidal tract for which harvest rights have been granted by the department of natural resources. Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065, the annual license fee is one hundred thirty-five dollars for residents and two hundred seventy dollars for nonresidents.

~~((2))~~ Every diver engaged in the commercial harvest of geoduck or other clams shall obtain a nontransferable geoduck diver license.

Sec. 7. Section 7, chapter 141, Laws of 1979 ex. sess. as last amended by section 4, chapter 80, Laws of 1984 and RCW 75.10.140 are each amended to read as follows:

(1) In addition to the penalties prescribed in RCW 75.10.110 and 75.10.120, the director may revoke geoduck diver licenses ~~((or geoduck tract licenses))~~ held by a person if:

~~((a))~~ within a five-year period that person is convicted or has an unvacated bail forfeiture for two or more violations of this title or rules of the director relating to geoduck licensing or harvesting~~((or~~

~~((b))~~ The department of natural resources suspended or canceled the lease or harvesting agreement under RCW 79.96.080.

~~((2))~~ When a geoduck tract licensee permits a person to harvest geoducks on that tract, each violation by that person of this title or rules of the director relating to geoduck licensing or harvesting resulting in: (a) Conviction or unvacated forfeiture of bail; or (b) suspension or cancellation of the lease or harvesting agreement by the department of natural resources under RCW 79.96.080; shall be imputed to the tract licensee for the purpose of computing the number of violations by the tract licensee under subsection (1) of this section).

~~((3))~~ (2) Except as provided in subsection ~~((4))~~ (3) of this section, the director shall not issue a geoduck diver license ((or geoduck tract license)) to a person who has had a license revoked. This prohibition is effective for one year after the revocation.

~~((4))~~ (3) Appeals of revocations under this section may be taken under the judicial review provisions of chapter 34.05 RCW. If the license revocation is determined to be invalid, the director shall reissue the license to that person.

NEW SECTION. Sec. 8. A new section is added to chapter 79.01 RCW to read as follows:

The department of natural resources is authorized to offer and pay a reward not to exceed one thousand dollars in each case for information regarding violations of any statute or rule adopted pursuant to any statute relating to the state's public lands and natural resources including, but not limited to, Titles 75, 76, 78, and 79 RCW, and any rule adopted pursuant thereto. No reward may be paid to any federal, state, or local government or agency employees for information obtained by them in the normal course of their employment. The department of natural resources is authorized to promulgate rules in pursuit of its authority under this section to determine the appropriate account or fund from which to pay the reward. No appropriation shall be required for disbursement.

NEW SECTION. Sec. 9. A new section is added to chapter 79.96 RCW to read as follows:

(1) If a person wrongfully takes shellfish or causes shellfish to be wrongfully taken from the public lands and the wrongful taking is intentional and knowing, then the person shall be liable for damages of treble the fair market retail value of the amount of shellfish wrongfully taken. If a person wrongfully takes shellfish from the public lands under other circumstances, then the person shall be liable for damages of double the fair market value of the amount of shellfish wrongfully taken.

(2) For purposes of this section, a person "wrongfully takes" shellfish from public lands if the person takes shellfish: (a) Above the limits of any applicable laws that govern the harvest of shellfish from public lands; (b) without reporting the harvest to the department of fisheries or the

department of natural resources where such reporting is required by law or contract; (c) outside the area or above the limits that an agreement or contract from the department of natural resources allows the harvest of shellfish from public lands; or (d) without a lease or purchase of the shellfish where such lease or purchase is required by law prior to harvest of the shellfish.

(3) The remedies in this section are for civil damages and shall be proved by a preponderance of the evidence. The department of natural resources may file a civil action in Thurston county superior court or the county where the shellfish were taken against any person liable under this section. Damages recovered under this section shall be applied in the same way as received under geoduck harvesting agreements authorized by RCW 79.96.080.

(4) For purposes of the remedies created by this section, the amount of shellfish wrongfully taken by a person may be established either:

(a) By surveying the aquatic lands to reasonably establish the amount of shellfish taken from the immediate area where a person is shown to have been wrongfully taking shellfish;

(b) By weighing the shellfish on board any vessel or in possession of a person shown to be wrongfully taking shellfish; or

(c) By any other evidence that reasonably establishes the amount of shellfish wrongfully taken.

The amount of shellfish established by (a) or (b) of this subsection shall be presumed to be the amount wrongfully taken unless the defendant shows by a preponderance of evidence that the shellfish were lawfully taken or that the defendant did not take the shellfish presumed to have been wrongfully taken. Whenever there is reason to believe that shellfish in the possession of any person were wrongfully taken, the department of natural resources or the department of fisheries may require the person to proceed to a designated off-load point and to weigh all shellfish in possession of the person or on board the person's vessel.

(5) This civil remedy is supplemental to the state's power to prosecute any person for theft of shellfish, for other crimes where shellfish are involved, or for violation of regulations of the department of fisheries."

On page 1, line 2 of the title, after "lands;" strike the remainder of the title and insert "amending RCW 79.90.210, 79.90.240, 79.96.080, 79.96.085, 75.28.287, and 75.10.140; adding a new section to chapter 79.01 RCW; adding a new section to chapter 79.90 RCW; adding a new section to chapter 79.96 RCW; creating a new section; and prescribing penalties."

MESSAGE FROM THE HOUSE

March 5, 1990

Mr. President:

The House has adopted HOUSE CONCURRENT RESOLUTION NO. 4438, and the same is herewith transmitted.

ALAN THOMPSON, Chief Clerk

There being no objection, the President advanced the Senate to the fifth order of business.

INTRODUCTION AND FIRST READING OF HOUSE BILL

HCR 4438 by Representative Ebersole

Exempting Senate Bill No. 6799 and House Bill No. 2964 from session cut-off dates.

MOTIONS

On motion of Senator Newhouse, the rules were suspended, House Concurrent Resolution No. 4438 was advanced to second reading and read the second time.

Senator Newhouse moved that the rules be suspended and House Concurrent Resolution No. 4438 be advanced to third reading, the second reading considered the third and the concurrent resolution be placed on final passage.

POINT OF INQUIRY

Senator Rasmussen: "Senator Hayner, has this been cleared with Senator Matson? The reason that I asked is that he said this was the worst bill that he had seen in fourteen years. I wouldn't want to have him see it come back to life."

Senator Hayner: "Well, I talked to Senator Matson about this and he is aware that they are going to be trying to negotiate. If they are able to come up with something--they are going to give it to us and each one of our caucuses will look at it and see if it is anything that we can support. I told the Governor that I did not see that it was possible, but if he wanted to try one more time, we would be happy to have him do that."

POINT OF INQUIRY

Senator Talmadge: "Senator Hayner, you had made reference in your remarks about some representatives from the Senate meeting in the Governor's office on the wetlands legislation. Could you perhaps elucidate as to who from the Senate is meeting with the Governor on this?"

Senator Hayner: "Well, Senator Vognild was there, I was there, the Speaker of the House was there and Representative Ballard."

The President declared the question before the Senate to be the motion by Senator Newhouse that the rules be suspended and House Concurrent Resolution No. 4438 be advanced to third reading and final passage.

The motion by Senator Newhouse carried and House Concurrent Resolution No. 4438 was adopted by voice vote.

There being no objection, the President returned the Senate to the fourth order of business.

There being no objection, the Senate resumed consideration of the Message from the House on Engrossed Senate Bill No. 6797 and the pending House amendments, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Metcalf, the President finds that Engrossed Senate Bill No. 6797 is a measure which establishes a fisheries council composed of representatives from all groups of fishermen to study the potential of enhancement of anadromous and resident fish populations for the public fisheries.

"The proposed House amendments would create a council to provide recommendations for the siting, regulation, and monitoring of floating fin fish net pens.

"The President, therefore, finds that the proposed amendments do change the scope and object of the bill and that the point of order is well taken."

The House amendments to Engrossed Senate Bill No. 6797 were ruled out of order.

MOTION

On motion of Senator Metcalf, the Senate refuses to concur in the House amendments to Engrossed Senate Bill No. 6797 and asks the House to recede therefrom.

Mr. President:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 6310 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that: (1) It is in the best interest of the state to encourage nonprofit regional fisheries enhancement groups authorized in RCW 75.50.070 to participate in enhancing the state's salmon population including, but not limited to, salmon research, increased natural and artificial production, and through habitat improvement; (2) such regional fisheries enhancement groups interested in improving salmon habitat and rearing salmon shall be eligible for financial assistance; (3) such regional fisheries enhancement groups should seek to maximize the efforts of volunteer personnel and private donations; (4) this program will assist the state in its goal to double the salmon catch by the year 2000; (5) this program will benefit both commercial and recreational fisheries and improve cooperative efforts to increase salmon production through a coordinated approach with similar programs in other states and Canada; and (6) the Grays Harbor fisheries enhancement task force's exemplary performance in salmon enhancement provides a model for establishing regional fisheries enhancement groups by rule adopted under RCW 75.50.070, 75.50.080, and sections 2 through 4 of this act.

NEW SECTION. Sec. 2. A new section is added to chapter 75.50 RCW to read as follows:

Each regional fisheries enhancement group shall be incorporated pursuant to Title 24 RCW. Any interested person or group shall be permitted to join. It is desirable for the group to have representation from all categories of fishers and other parties that have interest in salmon within the region, as well as the general public.

NEW SECTION. Sec. 3. A new section is added to chapter 75.50 RCW to read as follows:

The dedicated regional fisheries enhancement group account is created in the custody of the state treasurer. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

A surcharge of one dollar shall be collected on each recreational salmon license sold in the state. A surcharge of one hundred dollars shall be collected on each commercial salmon fishing license and each charter boat "salmon and other food fish" license sold in the state. The department shall study methods for collecting and making available, an annual list, including names and addresses, of all persons who obtain recreational and commercial salmon fishing licenses. This list may be used to assist formation of the regional fisheries enhancement groups and allow the broadest participation of license holders in enhancement efforts. The results of the study shall be reported to the house of representatives fisheries and wildlife committee and the senate environment and natural resources committee by October 1, 1990. All receipts shall be placed in the regional fisheries enhancement group account and shall be used exclusively for regional fisheries enhancement group projects for the purposes of section 4 of this act. Funds from the regional fisheries enhancement group account shall not serve as replacement funding for department operated salmon projects that exist on the effective date of this section.

All revenue from the department's sale of salmon carcasses and eggs that return to group facilities shall be deposited in the regional fisheries enhancement group account for use by the regional fisheries enhancement group that produced the surplus. The department shall adopt rules to implement this section pursuant to chapter 34.05 RCW.

NEW SECTION. Sec. 4. A new section is added to chapter 75.50 RCW to read as follows:

A regional fisheries enhancement group advisory board is established to make recommendations to the director. The advisory board shall make recommendations regarding regional enhancement group rearing project proposals and funding of those proposals. The members shall be appointed by the director and consist of two commercial fishing representatives, two recreational fishing representatives, and three at-large positions. The advisory board membership shall include two members serving ex officio to be nominated, one through the Northwest Indian fisheries commission, and one through the Columbia river intertribal fish commission.

The department may use account funds to provide agency assistance to the groups. The level of account funds used by the department shall be determined by the director after review and recommendation by the regional fisheries enhancement group advisory board and shall not exceed twenty percent of annual contributions to the account.

NEW SECTION. Sec. 5. The department and the regional fisheries enhancement group advisory board shall report biennially to the senate environment and natural resources committee, the house of representatives fisheries and wildlife committee, the senate ways and means committee and house of representatives fiscal committees, or any successor committees beginning October 1, 1991. The report shall include but not be limited to the following:

- (1) An evaluation of enhancement efforts;
- (2) A description of projects;
- (3) A region by region accounting of financial contributions and expenditures including the enhancement group account funds; and
- (4) Volunteer participation and member affiliation.

NEW SECTION. Sec. 6. Section 3 of this act shall take effect January 1, 1991."

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 81.80 RCW to read as follows:

(1) It is unlawful for a motor vehicle transporting recovered materials to perform a transportation service for compensation upon the public highways of this state without first having received a permit from the commission. The permits shall be granted upon a finding that the motor carrier is fit, willing, and able to provide transportation of recovered materials, and upon payment of the appropriate filing fee authorized by this chapter for other applications for operating authority, including payment of the annual regulatory fee imposed by RCW 81.80-.320. The carriers are subject to the safety of operations and insurance requirements of the commission, but are not subject to rate regulation by the commission.

(2) The provisions of this section apply to motor vehicles when:

(a) Transporting recovered materials from a site generating ten thousand or more tons of recovered materials per year to a reprocessing facility or an end-use manufacturing site;

(b) Transporting recovered materials from a reprocessing facility to another reprocessing facility or to an end-use manufacturing site; or

(3) For the purposes of this section, the following definitions shall apply:

(a) "Recovered materials" means those commodities collected for recycling or reuse, such as papers, glass, plastics, used wood, metals, yard waste, used oil, and tires, that if not collected for recycling would otherwise be destined for disposal or incineration. "Recovered materials" shall not include any wood waste or wood byproduct generated from a logging, milling, or chipping activity;

(2) The department shall report the results of its evaluation to the appropriate standing committees of the legislature by October 1, 1993.

NEW SECTION, Sec. 3. A new section is added to chapter 81.80 RCW to read as follows:

Nothing in this act shall be construed as changing the provisions of RCW 81.77.010(8), nor shall this act be construed as allowing any entity, other than a solid waste collection company authorized by the commission or an entity collecting solid waste from a city or town under the provisions of chapter 35.21 or 35A.21 RCW, to collect solid waste which may incidentally contain recyclable materials.

NEW SECTION, Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

MESSAGE FROM THE HOUSE

March 1, 1990

Mr. President:

The House has passed SENATE BILL NO. 6741 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION, Sec. 1.** The legislature finds that delays in substantial development permit review for the extension of vital utility services to existing and lawful uses within the shorelines of the state have caused hardship upon existing residents without serving any of the purposes and policies of the shoreline management act. It is the intent of this act to provide a more expeditious permit review process for that limited category of utility extension activities only, while fully preserving safeguards of public review and appeal rights regarding permit applications and decisions.

Sec. 2. Section 14, chapter 286, Laws of 1971 ex. sess. as last amended by section 1, chapter 22, Laws of 1988 and RCW 90.58.140 are each amended to read as follows:

(1) A development shall not be undertaken on the shorelines of the state unless it is consistent with the policy of this chapter and, after adoption or approval, as appropriate, the applicable guidelines, rules, or master program.

(2) A substantial development shall not be undertaken on shorelines of the state without first obtaining a permit from the government entity having administrative jurisdiction under this chapter.

A permit shall be granted:

(a) From June 1, 1971, until such time as an applicable master program has become effective, only when the development proposed is consistent with: (i) The policy of RCW 90.58-.020; and (ii) after their adoption, the guidelines and rules of the department; and (iii) so far as can be ascertained, the master program being developed for the area;

(b) After adoption or approval, as appropriate, by the department of an applicable master program, only when the development proposed is consistent with the applicable master program and the provisions of chapter 90.58 RCW.

(3) The local government shall establish a program, consistent with rules adopted by the department, for the administration and enforcement of the permit system provided in this section. The administration of the system so established shall be performed exclusively by the local government.

(4) Except as otherwise specifically provided in subsection (13) of this section, the local government shall require notification of the public of all applications for permits governed by any permit system established pursuant to subsection (3) of this section by ensuring that:

(a) A notice of such an application is published at least once a week on the same day of the week for two consecutive weeks in a legal newspaper of general circulation within the area in which the development is proposed; and

(b) Additional notice of such an application is given by at least one of the following methods:

(i) Mailing of the notice to the latest recorded real property owners as shown by the records of the county assessor within at least three hundred feet of the boundary of the property upon which the substantial development is proposed;

(ii) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed; or

(iii) Any other manner deemed appropriate by local authorities to accomplish the objectives of reasonable notice to adjacent landowners and the public.

The notices shall include a statement that any person desiring to submit written comments concerning an application, or desiring to receive a copy of the final order concerning an application as expeditiously as possible after the issuance of the order, may submit the comments or requests for orders to the local government within thirty days of the last date the notice is to be published pursuant to subsection (a) of this subsection. The local government shall forward, in a timely manner following the issuance of an order, a copy of the order to each person who submits a request for the order.

If a hearing is to be held on an application, notices of such a hearing shall include a statement that any person may submit oral or written comments on an application at the hearing.

(5) The system shall include provisions to assure that construction pursuant to a permit will not begin or be authorized until thirty days from the date the final order was filed as provided in subsection (6) of this section; or until all review proceedings are terminated if the proceedings were initiated within thirty days from the date of filing as defined in subsection (6) of this section except as follows:

(a) In the case of any permit issued to the state of Washington, department of transportation, for the construction and modification of SR 90 (I-90) on or adjacent to Lake Washington, the construction may begin after thirty days from the date of filing, and the permits are valid until December 31, 1995;

(b) If a permit is granted by the local government and (i) the granting of the permit is appealed to the shorelines hearings board within thirty days of the date of filing, (ii) the hearings board approves the granting of the permit by the local government or approves a portion of the substantial development for which the local government issued the permit, and (iii) an appeal for judicial review of the hearings board decision is filed pursuant to chapter 34.05 RCW, the permittee may request, within ten days of the filing of the appeal with the court, a hearing before the court to determine whether construction may begin pursuant to the permit approved by the hearings board or to a revised permit issued pursuant to the order of the hearings board. If, at the conclusion of the hearing, the court finds that construction pursuant to such a permit would not involve a significant, irreversible damaging of the environment, the court may allow the permittee to begin the construction pursuant to the approved or revised permit as the court deems appropriate. The court may require the permittee to post bonds, in the name of the local government that issued the permit, sufficient to remove the substantial development or to restore the environment if the permit is ultimately disapproved by the courts, or to alter the substantial development if the alteration is ultimately ordered by the courts. Construction pursuant to a permit revised at the direction of the hearings board may begin only on that portion of the substantial development for which the local government had

originally issued the permit, and construction pursuant to such a revised permit on other portions of the substantial development may not begin until after all review proceedings are terminated. In such a hearing before the court, the burden of proving whether the construction may involve significant irreversible damage to the environment and demonstrating whether such construction would or would not be appropriate is on the appellant;

(c) If a permit is granted by the local government and the granting of the permit is appealed directly to the superior court for judicial review pursuant to the proviso in RCW 90.58.180(1), the permittee may request the court to remand the appeal to the shorelines hearings board, in which case the appeal shall be so remanded and construction pursuant to such a permit shall be governed by the provisions of subsection (b) of this subsection or may otherwise begin after review proceedings before the hearings board are terminated if judicial review is not thereafter requested pursuant to chapter 34.05 RCW;

(d) If the permit is for a substantial development meeting the requirements of subsection (13) of this section, construction pursuant to that permit may not begin or be authorized until thirty days from the date the final order was filed as provided in subsection (6) of this section.

If a permittee begins construction pursuant to subsections (a), (b), ((or)) (c), or (d) of this subsection, the construction is begun at the permittee's own risk. If, as a result of judicial review, the courts order the removal of any portion of the construction or the restoration of any portion of the environment involved or require the alteration of any portion of a substantial development constructed pursuant to a permit, the permittee is barred from recovering damages or costs involved in adhering to such requirements from the local government that granted the permit, the hearings board, or any appellant or intervenor.

(6) Any ruling on an application for a permit under the authority of this section, whether it is an approval or a denial, shall, concurrently with the transmittal of the ruling to the applicant, be filed with the department and the attorney general. With regard to a permit other than a permit governed by subsection (12) of this section, "date of filing" as used herein means the date of actual receipt by the department. With regard to a permit for a variance or a conditional use, "date of filing" means the date a decision of the department rendered on the permit pursuant to subsection (12) of this section is transmitted by the department to the local government. The department shall notify in writing the local government and the applicant of the date of filing.

(7) Applicants for permits under this section have the burden of proving that a proposed substantial development is consistent with the criteria that must be met before a permit is granted. In any review of the granting or denial of an application for a permit as provided in RCW 90.58.180 (1) and (2), the person requesting the review has the burden of proof.

(8) Any permit may, after a hearing with adequate notice to the permittee and the public, be rescinded by the issuing authority upon the finding that a permittee has not complied with conditions of a permit. If the department is of the opinion that noncompliance exists, the department shall provide written notice to the local government and the permittee. If the department is of the opinion that the noncompliance continues to exist thirty days after the date of the notice, and the local government has taken no action to rescind the permit, the department may petition the hearings board for a rescission of the permit upon written notice of the petition to the local government and the permittee if the request by the department is made to the hearings board within fifteen days of the termination of the thirty-day notice to the local government.

(9) The holder of a certification from the governor pursuant to chapter 80.50 RCW shall not be required to obtain a permit under this section.

(10) A permit shall not be required for any development on shorelines of the state included within a preliminary or final plat approved by the applicable state agency or local government before April 1, 1971, if:

(a) The final plat was approved after April 13, 1961, or the preliminary plat was approved after April 30, 1969; and

(b) The development is completed within two years after June 1, 1971.

(11) The applicable state agency or local government is authorized to approve a final plat with respect to shorelines of the state included within a preliminary plat approved after April 30, 1969, and before April 1, 1971: PROVIDED, That any substantial development within the platted shorelines of the state is authorized by a permit granted pursuant to this section, or does not require a permit as provided in subsection (10) of this section, or does not require a permit because of substantial development occurred before June 1, 1971.

(12) Any permit for a variance or a conditional use by local government under approved master programs must be submitted to the department for its approval or disapproval.

(13)(a) An application for a substantial development permit for a limited utility extension shall be subject to the following procedures:

(i) The public comment period under subsection (4) of this section shall be twenty days. The notice provided under subsection (4) of this section shall state the manner in which the public may obtain a copy of the local government decision on the application no later than two days following its issuance;

(ii) The local government shall issue its decision to grant or deny the permit within twenty-one days of the last day of the comment period specified in (i) of this subsection; and

(iii) If there is an appeal of the decision to grant or deny the permit to the local government legislative authority, the appeal shall be finally determined by the legislative authority within thirty days.

(b) For purposes of this section, a limited utility extension means the extension of a utility service that:

(i) is categorically exempt under chapter 43.21C RCW for one or more of the following: Natural gas, electricity, telephone, water, or sewer;

(b) Will serve an existing use in compliance with this chapter; and

(c) Will not extend more than twenty-five hundred linear feet within the shorelines of the state."

On page 1, line 2 of the title, after "extensions;" strike the remainder of the title and insert "amending RCW 90.58.140; and creating a new section."

and the same are herewith transmitted.

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 6859 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. (1) The legislature finds that:

- (a) Computer software development is a rapidly changing and complex field;
- (b) There are substantial public policy questions regarding valuation and taxation of computer software;
- (c) Fairness and equity require consistent tax treatment of computer software by all county assessors;
- (d) Thorough study of computer software taxation is necessary before a permanent tax policy can be adopted; and
- (e) Any inequities that might result from temporarily restricting the ability of county assessors to list and assess computer software are more than offset by avoidance of unfair and inconsistent tax treatment of computer software.

(2) The intent of this act is to delay any significant change in the manner or extent of taxation of computer software until uniform definitions and standards of taxation can be developed and enacted by the legislature.

NEW SECTION. Sec. 2. For property taxes due in 1991, a county assessor shall list and assess computer software in the same manner and to the same extent as computer software was listed and assessed for taxes due in 1989. If the assessor adds an item of computer software to the assessment list for any taxpayer for 1991 taxes, and that item was not listed and assessed for 1989 taxes for that taxpayer, the assessor shall have the burden of proving the item of computer software is taxable within the intent of this act.

NEW SECTION. Sec. 3. (1) The department of revenue shall conduct a study of the taxation of computer software. The study shall focus primarily on the policy implications involved in developing clear definitions of software that should be taxable and software that should be exempt. The study shall include an examination of:

- (a) The implementation of section 1 of this act by assessors in each county;
- (b) Definitions of computer software and its meaning in property taxation;
- (c) The appropriate application of property taxation to computer software;
- (d) Taxation of computer software by other states;
- (e) Alternatives to property taxation of computer software; and
- (f) The advantages or disadvantages of any change, revision, or alternative to tax treatment of computer software.

(2) To perform the study, the department shall form a study committee with balanced representation from different segments of government and industry. The study committee may include, but need not be limited to, persons representing the department, computer software development companies, computer hardware development companies, tax law specialists, county assessors, small businesses that use computer software, and large businesses that use computer software.

(3) The department shall provide staff for the study committee.

(4) The department shall report the findings of the study to the committees of the legislature that deal with revenue matters no later than November 30, 1990.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 2, line 2, after "~~age~~)" strike "an individual capable of complying with the observer requirements of subsection (3) of this section" and insert "an individual who meets the minimum qualifications for an observer established by rules of the state parks and recreation commission"

POINT OF INQUIRY

Senator Rasmussen: "Senator Rinehart, what are we talking about here--observers on jet skis or observers in boats?"

Senator Rinehart: "Observers in boats."

Senator Rasmussen: "Then, my next question is what type of rules and what age are they going to establish for observers?"

Senator Rinehart: "Currently, the standards are set by law enforcement people and by the Parks and Recreation Commission to be sure that a person is capable of observing and of notifying someone when a skier has fallen. The assumption is that these same rules that are now in effect will continue, but the House simply wanted to be sure that it was clear that Parks and Recreation could continue to do this."

Senator Rasmussen: "Well, many times I have seen mama and papa and the little child--maybe two or three years old--and either mama is running the ski boat and the daddy is running the ski boat and the child says, 'Mama fell off.' That is what I am concerned with that those people be allowed to still operate their boat without having someone ten or twelve years old as an observer."

Senator Rinehart: "I believe that was a similar concern expressed in the House that they didn't want to be too rigid on the qualifications, but they did want the Parks and Recreation Commission to continue to be able to assess them."

The President declared the question before the Senate to be the adoption of the amendment by Senators Rinehart and Metcalf on page 2, line 2, to the Committee on Environment and Natural Resources striking amendment, on reconsideration.

MESSAGE FROM THE HOUSE

February 28, 1990

Mr. President:

The House has passed ENGROSSED SENATE BILL NO. 6164 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The definitions in this section apply throughout sections 1 through 7 of this act:

(1) "Food" means: (a) Any article used for food or drink for humans or used as a component of such an article; or (b) a food grade substance.

(2) "Food grade substance" means a substance which satisfies the requirements of the federal food, drug, and cosmetic act, meat inspection act, and poultry products act and rules promulgated thereunder as materials approved by the federal food and drug administration, United States department of agriculture, or United States environmental protection agency for use: (a) As an additive in food or drink for human consumption, (b) in sanitizing food or drink for human consumption, (c) in processing food or drink for human consumption, or (d) in maintaining equipment with food contact surfaces during which maintenance the substance is expected to come in contact with food or drink for human consumption.

(3) "In bulk form" means a food or substance which is not packaged or contained by anything other than the cargo carrying portion of the vehicle or vessel.

(4) "Vehicle or vessel" means a commercial vehicle or commercial vessel which has a gross weight of more than ten thousand pounds, is used to transport property, and is a motor vehicle, motor truck, trailer, railroad car, or vessel.

NEW SECTION. Sec. 2. (1) Except as provided in sections 4 and 6 of this act, no person may transport in intrastate commerce food in bulk form in the cargo carrying portion of a vehicle or vessel that has been used for transporting in bulk form a cargo other than food.

(2) No person may transport in intrastate commerce food in bulk form in the cargo carrying portion of a vehicle or vessel unless the vehicle or vessel is marked "Food or Food Compatible Only" in conformance with rules adopted under section 3 of this act.

(3) No person may transport in intrastate commerce a substance in bulk form other than food or a substance on a list adopted under section 3 of this act in the cargo carrying portion of a vehicle or vessel marked "Food or Food Compatible Only."

(4) This section does not apply to the transportation of a raw agricultural commodity from the point of its production to the facility at which the commodity is first processed or packaged.

NEW SECTION. Sec. 3. (1) The director of agriculture and the secretary of health shall jointly adopt by rule:

(a) A list of food compatible substances other than food that may be transported in bulk form as cargo in a vehicle or vessel that is also used, on separate occasions, to transport food in bulk form as cargo. The list shall contain those substances that the director and the secretary determine will not pose a health hazard if food in bulk form were transported in the vehicle or vessel after it transported the substance. In making this determination, the director and the secretary shall assume that some residual portion of the substance will remain in the cargo carrying portion of the vehicle or vessel when the food is transported;

(b) The procedures to be used to clean the vehicle or vessel after transporting the substance and prior to transporting the food;

(c) The form of the certificates to be used under section 4 of this act; and

(d) Requirements for the "Food or Food Compatible Only" marking which must be borne by a vehicle or vessel under section 2 or 4 of this act.

(2) In developing and adopting rules under this section and section 5 of this act, the director and the secretary shall consult with the secretary of transportation, the chief of the state patrol, the chair of the utilities and transportation commission, and representatives of the vehicle and vessel transportation industries, food processors, and agricultural commodity organizations.

NEW SECTION. Sec. 4. Transporting food as cargo in bulk form in intrastate commerce in a vehicle or vessel that has previously been used to transport in bulk form a cargo other than food does not constitute a violation of section 2 of this act if:

(1) The cargo is a food compatible substance contained on the list adopted by the director and secretary under section 3 of this act;

(2) The vehicle or vessel has been cleaned as required by the rules adopted under section 3 of this act;

(3) The vehicle or vessel is marked "Food or Food Compatible" in conformance with rules adopted under section 3 of this act; and

(4) A certificate accompanies the vehicle or vessel when the food is transported by other than railroad car which attests, under penalty of perjury, to the fact that the vehicle or vessel has been cleaned as required by those rules and is dated and signed by the party responsible for that cleaning. Such certificates shall be maintained by the owner of the vehicle or vessel for not less than three years and shall be available for inspection concerning compliance with sections 1 through 7 of this act. The director of agriculture and the secretary of health shall jointly adopt rules requiring such certificates for the transportation of food under this section by railroad car and requiring such certificates to be available for inspection concerning compliance with sections 1 through 7 of this act. Forms for the certificates shall be provided by the department of agriculture.

NEW SECTION. Sec. 5. The director of agriculture and the secretary of health shall jointly adopt by rule:

(1) A list of substances which, if transported in bulk form in the cargo carrying portion of a vehicle or vessel, render the vehicle or vessel permanently unsuitable for use in transporting food in bulk form because the prospect that any residue might be present in the vehicle or vessel when it transports food poses a hazard to the public health; and

(2) Procedures to be used to rehabilitate a vehicle or vessel that has been used to transport a substance other than a substance contained on a list adopted under section 3 of this act or under subsection (1) of this section. The procedures shall ensure that transporting food in the cargo carrying portion of the vehicle or vessel after its rehabilitation will not pose a health hazard.

NEW SECTION. Sec. 6. A vehicle or vessel that has been used to transport a substance other than food or a substance contained on the lists adopted by the director and secretary under sections 3 and 5 of this act, may be rehabilitated and used to transport food only if:

(1) The vehicle or vessel is rehabilitated in accordance with the procedures established by the director and secretary in section 5 of this act;

(2) The vehicle or vessel is inspected by the department of agriculture, and the department determines that transporting food in the cargo carrying portion of the vehicle or vessel will not pose a health hazard;

(3) A certificate accompanies the vehicle or vessel certifying that the vehicle or vessel has been rehabilitated and inspected and is authorized to transport food, and is dated and signed by the director of agriculture, or an authorized agent of the director. Such certificates shall be maintained for the life of the vehicle by the owner of the vehicle or vessel, and shall be available for inspection concerning compliance with sections 1 through 7 of this act. Forms for the certificates shall be provided by the department of agriculture; and

(4) The vehicle or vessel is marked as required by section 2 of this act or is marked and satisfies the requirements of section 4 of this act which are not inconsistent with the rehabilitation authorized by this section.

No vehicle or vessel that has transported in bulk form a substance contained on the list adopted under section 5 of this act qualifies for rehabilitation.

The cost of rehabilitation shall be borne by the vehicle or vessel owner. The director shall determine a reasonable fee to be imposed on the vehicle or vessel owner based on inspection, laboratory, and administrative costs incurred by the department in rehabilitating the vehicle or vessel.

NEW SECTION. Sec. 7. A person who knowingly transports a cargo in violation of section 2 of this act or who knowingly causes a cargo to be transported in violation of section 2 of this act is subject to a civil penalty, as determined by the director of agriculture, for each such violation as follows:

(1) For a person's first violation or first violation in a period of five years, not more than five thousand dollars;

(2) For a person's second or subsequent violation within five years of a previous violation, not more than ten thousand dollars.

The director shall impose the penalty by an order which is subject to the provisions of chapter 34.05 RCW.

The director shall, wherever practical, secure the assistance of other public agencies, including but not limited to the department of health, the utilities and transportation commission, and the state patrol, in identifying and investigating potential violations of section 2 of this act.

NEW SECTION. Sec. 8. The director of agriculture and the secretary of health shall examine, in consultation with an industry advisory committee, the potential hazards that may be posed to the public health by the transportation of food in other than bulk form in intrastate commerce. The director and secretary shall report the findings to the legislature by January 1, 1992, concerning the extent of the potential hazards, the frequency of mixed shipments of packaged food and nonfood items, the manner in which mixed shipments of packaged food and nonfood items are transported, and the incidents of food contamination in Washington state within the past five years. The findings shall include recommendations, if any, for regulating the transportation of food in other than bulk form.

The director and the secretary shall establish an industry advisory committee to provide advice regarding the examination required by this section. The director and the secretary shall jointly appoint not less than nine persons to the committee. These persons shall be representatives from the manufacturing, processing, wholesaling, distributing, and retailing sectors of the food industry.

Sec. 9. Section 99, chapter 257, Laws of 1945 and RCW 69.04.810 are each amended to read as follows:

For the purpose of enforcing the provisions of this chapter, carriers engaged in intrastate commerce, and persons receiving food, drugs, devices, or cosmetics in intrastate commerce or holding such articles so received, shall, upon the request of the director, permit the director at reasonable times, to have access to and to copy all records showing the movement in intrastate commerce of any food, drug, device, or cosmetic, or the holding thereof during or after such movement, and the quantity, shipper, and consignee thereof, and it shall be unlawful for any such carrier or person to fail to permit such access to and the copying of any such records so requested when such request is accompanied by a statement in writing specifying the nature or kind of food, drug, device, or cosmetic to which such request relates: PROVIDED, That evidence obtained under this section shall not be used in a criminal prosecution of the person

from whom obtained: PROVIDED FURTHER. That except for violations of section 2 of this act, penalties levied under section 7 of this act, the requirements of sections 1 through 7 of this act, and the requirements of this section, carriers shall not be subject to the other provisions of this chapter by reason of their receipt, carriage, holding, or delivery of food, drugs, devices, or cosmetics in the usual course of business as carriers.

NEW SECTION. Sec. 10. Sections 1 through 7 of this act are each added to chapter 69.04 RCW."

On page 1, line 1 of the title, after "products," strike the remainder of the title and insert "amending RCW 69.04.810; adding new sections to chapter 69.04 RCW; creating a new section; and prescribing penalties."

WHEREAS, The Forest Service has demonstrated throughout the National Forest Management Act planning process that the national forests in Washington have the capability of providing, on a sustained yield, multiple-use basis, a benchmark volume of 1.5 billion board feet of timber annually while meeting all obligations and requirements of law, including stringent measures to protect water, wildlife, fish, air, and soil; and

WHEREAS, The Forest Service planning process has treated timber production and the communities dependent upon that production as only a residual value of the federal forest lands in Washington; and

WHEREAS, The historical average timber sale volume from Washington national forests for the past five years prior to 1989 is 1.2 billion board feet, or 300 million board feet less than the benchmark volume; and

WHEREAS, National Forest Management Act plans now being finalized for Washington national forests propose a further thirty-three percent reduction in harvest levels from the remaining national forest lands; and

WHEREAS, Proposals to or before the Congress call for withdrawal of up to an additional forty percent of federal harvestable lands; and

WHEREAS, These withdrawals, some of which come from the Grays Harbor Federal Sustained Yield Unit, are inconsistent with fifty-year old promises made to communities who based their livelihoods upon such promises; and

WHEREAS, The reduction of available timber cannot be made up from the sale of additional timber above sustained yield levels from private lands and state trust lands; and

WHEREAS, Approximately 180,000 Washington citizens are directly or indirectly dependent on the forest products industry for their livelihoods, it being the state's second largest employer; and

WHEREAS, The office of the governor of the state of Washington has estimated that a forty-three percent decline in the Forest Service harvest level could result in a worst-case, one-time, job loss impact of over 18,000 jobs; and

WHEREAS, The social and economic infrastructures of many rural counties and communities in Washington state are highly dependent on the forest products industry; and

WHEREAS, Timber from federal forest lands has historically contributed more than twenty percent of the raw material for the state's forest products industry and, in many communities, federal forests supply the majority of the raw material; and

WHEREAS, The reduction in federal timber harvest will significantly reduce revenues to the state of Washington from virtually all of its major revenue sources: Sales taxes, business and occupation taxes, and timber harvest excise taxes, and will reduce revenues that support schools and county government from their share of federal stumpage receipts and reduces the property tax base; and

WHEREAS, Federal, not state, decisions have and will drastically affect the timber industry and all those jobs associated with it; and

WHEREAS, The United States Forest Service has been unable to ensure stability in timber supply or stable, long-term management of our nation's forests;

NOW, THEREFORE, Your Memorialists respectfully pray that:

(1) Congress recognize its historic commitment to the timber processing communities of the state of Washington to maintain a harvestable national forest acreage base that will sustain traditional, predictable, and historical average annual sales levels;

(2) Congress direct its attention to providing funds and direction to the United States Forest Service to achieve silviculturally sound management of those lands left for timber production to fully utilize those lands to produce the wood for our nation's many wood product uses;

(3) Congress recognize the investment that communities have made based on the belief that the Forest Service lands will produce a relatively stable timber sales level and that deviations from historical sales levels can cause a community economic and social distress;

(4) Congress appropriate funds to assist local communities affected by the reduction in historic timber sales level to be used for economic diversification, modernizing mills, and encouragement of additional manufacturing in Washington;

(5) Congress include in its commitment to protecting some lands from timber harvesting a commitment to practice innovative forest management on lands not suited to traditional timber harvesting and to use timber management practices on the remaining forest land base which will produce the highest possible timber yields consistent with prudent land management;

(6) Congress amend the National Forest Management Act planning process to recognize the economic needs of people, communities, and consumers and grant them equal status and consideration with the needs of environmental protection; and

(7) Congress enact capital gains and other tax legislation specifically related to the timber industry which will encourage rather than discourage investment in timber production on private lands; and

BE IT RESOLVED, That copies of this Memorial be immediately transmitted to the Honorable George Bush, President of the United States, the President of the United States Senate, the

Speaker of the House of Representatives, and each member of Congress from the State of Washington.”.

and the joint memorial and the amendment are herewith transmitted.

REPORT OF CONFERENCE COMMITTEE

RE: SHB 2426

Revising provisions for employer contribution for unemployment compensation.

March 5, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the Senate amendment on page 5, line 19, adopted on March 1, 1990, be rejected, and the following amendments be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 4, chapter 35, Laws of 1945 as last amended by section 1, chapter 256, Laws of 1987 and by section 2, chapter 278, Laws of 1987 and RCW 50.04.030 are each reenacted and amended to read as follows:

"Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year: PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" in not less than six hundred eighty hours of the individual's base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual worked and earned wages ((in "employment")) since the ((beginning of)) initial separation from employment in the previous benefit ((year's waiting period under RCW 50.20.010(4))) year of not less than six times the weekly benefit amount computed for the individual's new benefit year.

If an individual's prior benefit year was based on the last four completed calendar quarters, a new benefit year shall not be established until the new base year does not include any hours used in the establishment of the prior benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals.

Sec. 2. Section 5, chapter 292, Laws of 1977 ex. sess. and RCW 50.04.205 are each amended to read as follows:

Except as provided in section 3 of this act, services performed by aliens legally or illegally admitted to the United States shall be considered services in employment subject to the payment of contributions to the extent that services by citizens are covered.

NEW SECTION. Sec. 3. A new section is added to chapter 50.04 RCW to read as follows:

The term "employment" shall not include service that is performed by a nonresident alien for the period he or she is temporarily present in the United States as a nonimmigrant under subparagraph (F), (H)(iii), or (J) of section 101(a)(15) of the federal immigration and naturalization act, as amended, and that is performed to carry out the purpose specified in the applicable subparagraph of the federal immigration and naturalization act.

Sec. 4. Section 84, chapter 35, Laws of 1945 as last amended by section 4, chapter 266, Laws of 1959 and RCW 50.20.160 are each amended to read as follows:

(1) A determination of amount of benefits potentially payable issued pursuant to the provisions of RCW 50.20.120 and 50.20.140 shall not serve as a basis for appeal but shall be subject to request by the claimant for reconsideration and/or for redetermination by the commissioner at any time within one year from the date of delivery or mailing of such determination, or any redetermination thereof: PROVIDED, That in the absence of fraud or misrepresentation on the part of the claimant, any benefits paid prior to the date of any redetermination which reduces the amount of benefits payable shall not be subject to recovery under the provisions of RCW 50.20.190. A denial of a request to reconsider or a redetermination shall be furnished the claimant in writing and provide the basis for appeal under the provisions of RCW 50.32.020.

(2) A determination of denial of benefits issued under the provisions of RCW 50.20.180 shall become final, in absence of timely appeal therefrom: PROVIDED, That the commissioner may reconsider and redetermine such determinations at any time within one year from delivery or mailing to correct an error in identity, omission of fact, or misapplication of law with respect to the facts.

(3) A determination of allowance of benefits shall become final, in absence of a timely appeal therefrom: PROVIDED, That the commissioner may redetermine such allowance at any time within two years following the benefit year in which such allowance was made in order to recover any benefits improperly paid and for which recovery is provided under the provisions of RCW 50.20.190: AND PROVIDED FURTHER, That in the absence of fraud, misrepresentation, or nondisclosure, this provision or the provisions of RCW 50.20.190 shall not be construed so as to permit redetermination or recovery of an allowance of benefits which having been made after consideration of the provisions of RCW 50.20.010(3), or the provisions of RCW 50.20.050, 50.20.060, 50.20.080, or 50.20.090 has become final.

(4) A redetermination may be made at any time: (a) To conform to a final court decision applicable to either an initial determination or a determination of denial or allowance of benefits; (b) in the event of a back pay award or settlement affecting the allowance of benefits; or (c) in the case of fraud, misrepresentation, or willful nondisclosure. Written notice of any such redetermination shall be promptly given by mail or delivered to such interested parties as were notified of the initial determination or determination of denial or allowance of benefits and any new interested party or parties who, pursuant to such regulation as the commissioner may prescribe, would be an interested party.

Sec. 5. Section 87, chapter 35, Laws of 1945 as last amended by section 2, chapter 92, Laws of 1989 and RCW 50.20.190 are each amended to read as follows:

(1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not collected, may be deducted from any future benefits payable to the individual: PROVIDED, That in the absence of fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of the individual's benefit year in which the purported overpayment was made unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that said overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience: PROVIDED, HOWEVER, That the overpayment so waived shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty

days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, said determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days notice by certified mail return receipt requested to the individual's last known address of the intended action, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee of five dollars. The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed to the person(s) mentioned in the warrant by certified mail to the person's last known address within five days of its filing with the clerk.

(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) When an individual has been awarded or receives back pay, the amount of the back pay shall constitute wages paid in the period for which it was awarded. No person is liable for the amount of benefits if the amount of the back pay award or settlement was reduced by the amount of benefits received. When the amount of the back pay award or settlement was reduced by the amount of benefits received, the employer shall pay to the unemployment compensation fund an amount equal to the amount of such reduction. An employer who is a party to any back pay award or settlement shall, within thirty days of the settlement, report to the department the amount of benefits by which the award or settlement was reduced, if any, and the name and social security number of the person who received the award or settlement.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent of the outstanding balance for each month that payments are not made in a timely fashion. Interest shall accrue immediately on overpayments assessed pursuant to RCW 50.20.070. For any other overpayment, interest shall accrue when the individual has missed two or more of their monthly payments either partially or in full. The interest penalty shall be used to fund detection and recovery of overpayment and collection activities.

Sec. 6, Section 99, chapter 35, Laws of 1945 as last amended by section 5, chapter 111, Laws of 1987 and RCW 50.24.110 are each amended to read as follows:

The commissioner is hereby authorized to issue to any person, firm, corporation, political subdivision, or department of the state, a notice and order to withhold and deliver property of any kind whatsoever when ~~(he)~~ the commissioner has reason to believe that there is in the possession of such person, firm, corporation, political subdivision, or department, property which is due, owing, or belonging to any person, firm, or corporation upon whom the department has served a benefit overpayment assessment or a notice and order of assessment for unemployment compensation contributions, interest, or penalties. The effect of a notice to withhold and deliver shall be continuous from the date such notice and order to withhold and deliver is first made until the liability is satisfied or becomes unenforceable because of a lapse of time.

The notice and order to withhold and deliver shall be served by the sheriff or the sheriff's deputy of the county wherein the service is made ~~(or by his deputy)~~, by certified mail, return receipt requested, or by any duly authorized representative of the commissioner. Any person, firm, corporation, political subdivision, or department upon whom service has been made is hereby required to answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice.

In the event there is in the possession of any such person, firm, corporation, political subdivision, or department, any property which may be subject to the claim of the employment security department of the state, such property shall be delivered forthwith to the commissioner or ~~(his)~~ the commissioner's duly authorized representative upon demand to be held in trust by the commissioner for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability, or in the alternative, there shall

be furnished a good and sufficient bond satisfactory to the commissioner conditioned upon final determination of liability.

Should any person, firm, or corporation fail to make answer to an order to withhold and deliver within the time prescribed herein, it shall be lawful for the court, after the time to answer such order has expired, to render judgment by default against such person, firm, or corporation for the full amount claimed by the commissioner in the notice to withhold and deliver, together with costs.

Sec. 7, Section 5, chapter 205, Laws of 1984 as last amended by section 79, chapter 380, Laws of 1989 and RCW 50.29.025 are each amended to read as follows:

The contribution rate for each employer shall be determined under this section.

(1) A fund balance ratio shall be determined by dividing the balance in the unemployment compensation fund as of the June 30th immediately preceding the rate year by the total remuneration paid by all employers subject to contributions during the second calendar year preceding the rate year and reported to the department by the following March 31st. The division shall be carried to the fourth decimal place with the remaining fraction, if any, disregarded. The fund balance ratio shall be expressed as a percentage.

(4) Each employer in the array shall be assigned to one of twenty rate classes according to the percentage intervals of cumulative taxable payrolls set forth in subsection (5) of this section: PROVIDED, That if an employer's taxable payroll falls within two or more rate classes, the employer and any other employer with the same benefit ratio shall be assigned to the lowest rate class which includes any portion of the employer's taxable payroll.

(a) Employers who do not meet the definition of "qualified employer" by reason of failure to pay contributions when due shall be assigned the contribution rate of five and four-tenths percent, except employers who have an approved agency-deferred payment contract by September 30 of the previous rate year. If any employer with an approved agency-deferred payment contract fails to make any one of the succeeding deferred payments or fails to submit any succeeding tax report and payment in a timely manner, the employer's tax rate shall immediately revert to five and four-tenths percent for the current rate year;

(b) The contribution rate for employers exempt as of December 31, 1989, who are newly covered under the section 78, chapter 380, Laws of 1989(;;) amendment to RCW 50.04.150 and not yet qualified to be in the array shall be 2.5 percent for employers whose standard industrial code is "013", "016", "017", "018", "019", "021", or "081"; and

(c) For all other employers not qualified to be in the array, the contribution rate shall be a rate equal to the average industry rate as determined by the commissioner; however, the rate may not be less than one percent. ~~(Within a reasonable time after the computation date, each employer shall be notified of the total amount of benefits charged to his account during the twelve-month period immediately preceding the computation date and, upon request, the amount of such charges with respect to each individual receiving unemployment benefits charged to his account;)~~

Within a reasonable time after the computation date each employer shall be notified of ~~((his))~~ the employer's rate of contribution as determined for the succeeding rate year and factors used in the calculation.

Any employer dissatisfied with the benefit charges made to ~~((his))~~ the employer's account for the twelve-month period immediately preceding the computation date or with his or her determined rate may file a request for review and redetermination with the commissioner within thirty days of the mailing of the notice to the employer, showing the reason for such request. Should such request for review and redetermination be denied, the employer may, within ~~((ten))~~ thirty days of the mailing of such notice of denial, file with the appeal tribunal a petition for hearing which shall be heard in the same manner as a petition for denial of refund. The appellate procedure prescribed by this title for further appeal shall apply to all denials of review and redetermination under this section.

Sec. 9. Section 23, chapter 3, Laws of 1971 as last amended by section 24, chapter 23, Laws of 1983 1st ex. sess. and RCW 50.44.060 are each amended to read as follows:

Benefits paid to employees of "nonprofit organizations" shall be financed in accordance with the provisions of this section. For the purpose of this section and RCW 50.44.070, the term "nonprofit organization" is limited to those organizations described in RCW 50.44.010, and joint accounts composed exclusively of such organizations.

(1) Any nonprofit organization which is, or becomes subject to this title on or after January 1, 1972 shall pay contributions under the provisions of RCW 50.24.010 and chapter 50.29 RCW, unless it elects, in accordance with this subsection, to pay to the commissioner for the unemployment compensation fund an amount equal to the full amount of regular and additional benefits and one-half of the amount of extended benefits paid to individuals for weeks of unemployment ~~((which begin during the effective period of such election))~~ that are based upon wages paid or payable during the effective period of such election to the extent that such payments are attributable to service in the employ of such nonprofit organization.

(a) Any nonprofit organization which becomes subject to this title after January 1, 1972 may elect to become liable for payments in lieu of contributions for a period of not less than twelve months beginning with the date on which such subjectivity begins by filing a written notice of its election with the commissioner not later than thirty days immediately following the date of the determination of such subjectivity.

(b) Any nonprofit organization which makes an election in accordance with paragraph (a) of this subsection will continue to be liable for payments in lieu of contributions until it files with the commissioner a written notice terminating its election not later than thirty days prior to the beginning of the taxable year for which such termination shall first be effective.

(c) Any nonprofit organization which has been paying contributions under this title for a period subsequent to January 1, 1972 may change to a reimbursable basis by filing with the commissioner not later than thirty days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

(d) The commissioner may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.

(e) The commissioner, in accordance with such regulations as ~~(he)~~ the commissioner may prescribe, shall notify each nonprofit organization of any determination which ~~(he)~~ the commissioner may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Any nonprofit organization subject to such determination and dissatisfied with such determination may file a request for review and redetermination with the commissioner within thirty days of the mailing of the determination to the organization. Should such request for review and redetermination be denied, the organization may, within ten days of the mailing of such notice of denial, file with the appeal tribunal a petition for hearing which shall be heard in the same manner as a petition for denial of refund. The appellate procedure prescribed by this title for further appeal shall apply to all denials of review and redetermination under this paragraph.

(2) Payments in lieu of contributions shall be made in accordance with the provisions of this section including either paragraph (a) or (b) of this subsection.

(a) At the end of each calendar quarter, the commissioner shall bill each nonprofit organization or group of such organizations which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular and additional benefits plus one-half of the amount of extended benefits paid during such quarter that is attributable to service in the employ of such organization.

(b) (i) Each nonprofit organization that has elected payments in lieu of contributions may request permission to make such payments as provided in this paragraph. Such method of payment shall become effective upon approval by the commissioner.

(ii) At the end of each calendar quarter, or at the end of such other period as determined by the commissioner, the commissioner shall bill each nonprofit organization for an amount representing one of the following:

(A) The percentage of its total payroll for the immediately preceding calendar year as the commissioner shall determine. Such determination shall be based each year on the average benefit costs attributable to service in the employ of nonprofit organizations during the preceding calendar year.

(B) For any organization which did not pay wages throughout the four calendar quarters of the preceding calendar year, such percentage of its payroll during such year as the commissioner shall determine.

(iii) At the end of each taxable year, the commissioner may modify the quarterly percentage of payroll thereafter payable by the nonprofit organization in order to minimize excess or insufficient payments.

(iv) At the end of each taxable year, the commissioner shall determine whether the total of payments for such year made by a nonprofit organization is less than, or in excess of, the total amount of regular and additional benefits plus one-half of the amount of extended benefits paid to individuals during such taxable year based on wages attributable to service in the employ of such organization. Each nonprofit organization whose total payments for such year are less than the amount so determined shall be liable for payment of the unpaid balance to the fund in accordance with paragraph (c). If the total payments exceed the amount so determined for the taxable year, all of the excess payments will be retained in the fund as part of the payments which may be required for the next taxable year, or a part of the excess may, at the discretion of the commissioner, be refunded from the fund or retained in the fund as part of the payments which may be required for the next taxable year.

(c) Payment of any bill rendered under paragraph (a) or (b) shall be made not later than thirty days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, and if not paid within such thirty days, the reimbursement payments itemized in the bill shall be deemed to be delinquent and the whole or part thereof remaining unpaid shall bear interest and penalties from and after the end of such thirty days at the rate and in the manner set forth in RCW 50.12.220 and 50.24.040.

(d) Payments made by any nonprofit organization under the provisions of this section shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization. Any deduction in violation of the provisions of this paragraph shall be unlawful.

(3) Each employer that is liable for payments in lieu of contributions shall pay to the commissioner for the fund the total amount of regular and additional benefits plus the amount of one-half of extended benefits paid that are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one employer and one or more of such employers are liable for payments in lieu of contributions, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of paragraphs (a) ~~((through (d)))~~ and (b) of this subsection.

(a) If benefits paid to an individual are based on wages paid by one or more employers that are liable for payments in lieu of contributions and on wages paid by one or more

employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his base-period employers.

(b) If benefits paid to an individual are based on wages paid by two or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his base-period employers.

Sec. 10, Section 82, chapter 380, Laws of 1989 and RCW 49.30.005 are each amended to read as follows:

(1) It is the intent of the legislature that the department assist agricultural employers in mitigating the costs of the state's unemployment insurance program. The department shall work with members of the agricultural community to: Improve understanding of the program's operation; increase compliance with work-search requirements; provide prompt notification of the potential claims against an employer's experience rating; inform employers of their rights; inform employers of the actions necessary to appeal a claim and to protect their rights; and reduce claimant and employer fraud. These efforts shall include:

Such standardization shall be as consistent with federal requirements as possible.

The departments shall consult with representatives of agricultural employer and labor associations and general business associations in the development of the plan and legislation. The departments shall ensure that they accommodate the needs of small agricultural employers in particular.

(3) The department shall report to the appropriate standing committees of the legislature by January 10, 1990, 1991, and 1992 and include a description of the activities of the department to carry out the intents of this section and provide quantitative data where possible on the effectiveness of the activities undertaken by the department to comply with the intents of this section during the previous calendar year.

If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the Senate Committee on Economic Development and Labor amendments adopted on March 2, 1990, be rejected and the following amendments be adopted:

(3) "Condition" means a general problem that results from a defect or malfunction of one or more parts, or their improper installation by the manufacturer, its agents, or the new motor vehicle dealer.

(4) "Consumer" means any person who has entered into an agreement or contract for the transfer, lease, or purchase of a new motor vehicle, other than for purposes of resale or sublease, during the duration of the warranty period defined under this section.

~~((#))~~ (9) "New motor vehicle" means any new self-propelled vehicle, including a new motorcycle, primarily designed for the transportation of persons or property over the public highways that, after original retail purchase or lease in this state, was initially registered in this state or for which a temporary motor vehicle license was issued pursuant to RCW 46.16.460, but does not include vehicles purchased or leased by a business as part of a fleet of ten or more vehicles. If the motor vehicle is a motor home, this chapter shall apply to the self-propelled vehicle and chassis, but does not include those portions of the vehicle designated, used, or maintained primarily as a mobile dwelling, office, or commercial space. The term "new motor vehicle" does not include ~~((motorcycles or))~~ trucks with nineteen thousand pounds or more gross vehicle weight rating. The term "new motor vehicle" includes a demonstrator or lease-purchase vehicle as long as a manufacturer's warranty was issued as a condition of sale.

Where the consumer is a second or subsequent purchaser, lessee, or transferee and the consumer selects replacement of the motor vehicle, "purchase price" means the original purchase price.

~~((#))~~ (13) "Reasonable offset for use" means the definition provided in RCW 19.118.041(1)(c) for a new motor vehicle other than a new motorcycle. The reasonable offset for

((15)) (15) "Replacement motor vehicle" means a new motor vehicle that is identical or reasonably equivalent to the motor vehicle to be replaced, as the motor vehicle to be replaced existed at the time of original purchase or lease, including any service contract, undercoating, rustproofing, and factory or dealer installed options.

((18)) (18) "Warranty" means any implied warranty, any written warranty of the manufacturer, or any affirmation of fact or promise made by the manufacturer in connection with the sale of a new motor vehicle that becomes part of the basis of the bargain. ((19)) (19) "Warranty period" means the period ending two years after the date of the original delivery to the consumer of a new motor vehicle, or the first twenty-four thousand miles of operation, whichever occurs first.

NEW SECTION. Sec. 2. The purpose of this chapter is to protect the public and contract providers from losses arising from the mismanagement of funds paid for motor vehicle service contracts, to better inform the public of their rights and obligations under the contracts, to permit purchasers of such contracts the opportunity to return the contract for a refund, and to require the liabilities owed under these contracts to be fully insured, rather than partially insured, or insured only in the event of provider default.

NEW SECTION. Sec. 3. (1) Every insurer issuing a reimbursement insurance policy shall include, as a part of the policy, the motor vehicle service contract(s) that the reimbursement insurance policy is intended to cover. Notwithstanding RCW 48.18.100, subsequent changes to the motor vehicle service contract(s) must be filed by the insurer with the commissioner no later than thirty days after the date of the change.

(2) Every insurer issuing a reimbursement insurance policy must require that premiums due for coverage under the policy be paid directly by the provider to the insurer or its agent.

NEW SECTION. Sec. 4. A motor vehicle service contract shall not be issued, sold, or offered for sale in this state unless the contract contains a conspicuous statement that has been initiated by the service contract holder and discloses:

(1) Any material conditions that the service contract holder must meet to maintain coverage under the contract including, but not limited to any maintenance schedule to which the service contract holder must adhere, any requirement placed on the service contract holder for documenting repair or maintenance work, and any procedure to which the service contract holder must adhere for filing claims;

(2) The work and parts covered by the contract;

(3) Any time or mileage limitations;

(4) That the implied warranty of merchantability on the motor vehicle is not waived if the contract has been purchased within ninety days of the purchase date of the motor vehicle from a provider who also sold the motor vehicle covered by the contract;

(5) Any exclusions of coverage; and

(6) The contract holder's right to return the contract for a refund, which right can be no more restrictive than provided for in section 5 of this act.

NEW SECTION. Sec. 5. (1) At a minimum, every provider shall permit the service contract holder to return the contract within thirty days of its purchase if no claim has been made under the contract, and shall refund to the holder the full purchase price of the contract unless the service contract holder returns the contract ten or more days after its purchase, in which case the provider may charge a cancellation fee not exceeding twenty-five dollars. A ten percent penalty shall be added to any refund that is not paid within thirty days of return of the contract to the provider. If a contract holder returns the contract within thirty days of its purchase or within such longer time period as permitted under the contract, the contract shall be void from the beginning and the parties shall be in the same position as if no contract had been issued.

(2) If a service contract holder returns the contract in accordance with this section, the insurer issuing the reimbursement insurance policy covering the contract shall refund to the provider the full premium paid by the provider for coverage of the contract.

Sec. 6. Section 3, chapter 99, Laws of 1987 and RCW 48.96.030 are each amended to read as follows:

A motor vehicle service contract reimbursement insurance policy shall not be issued, sold, or offered for sale in this state unless the reimbursement insurance policy conspicuously states that the issuer of the policy shall pay on behalf of the provider all sums which the provider is legally obligated to pay (~~(for failure to perform)~~) according to the provider's contractual obligations under the motor vehicle service contracts issued or sold by the provider.

Sec. 7. Section 4, chapter 99, Laws of 1987 and RCW 48.96.040 are each amended to read as follows:

A motor vehicle service contract shall not be issued, sold, or offered for sale in this state unless the contract conspicuously states that the obligations of the provider to the service contract holder are guaranteed under the (~~(service contract)~~) reimbursement insurance policy, and unless the contract conspicuously states the name and address of the issuer of the reimbursement insurance policy, the applicable policy number, and the means by which a service contract holder may file a claim under the policy.

Sec. 8. Section 5, chapter 99, Laws of 1987 and RCW 48.96.050 are each amended to read as follows:

~~(This chapter does)~~ RCW 48.96.020, 48.96.030, and 48.96.040 do not apply to motor vehicle service contracts issued by a motor vehicle manufacturer or (~~(importer)~~) import distributor covering vehicles manufactured or imported by the motor vehicle manufacturer or import distributor.

Sec. 9. Section 6, chapter 99, Laws of 1987 and RCW 48.96.060 are each amended to read as follows:

Failure to comply with the provisions of this chapter is an unfair method of competition and an unfair or deceptive act or practice in the conduct of a trade or commerce, as specifically contemplated by RCW 19.86.020, and is a violation of the Consumer Protection Act, chapter 19.86 RCW. Any service contract holder injured as a result of a violation of a provision of this chapter shall be entitled to maintain an action pursuant to chapter 19.86 RCW against the motor vehicle service contract provider and the insurer issuing the applicable motor vehicle service contract reimbursement insurance policy and shall be entitled to all of the rights and remedies afforded by that chapter. Any successful claimant under this section shall also be entitled to reasonable attorneys' fees.

NEW SECTION. Sec. 10. Sections 2 through 5 of this act are each added to chapter 48.96 RCW.

NEW SECTION. Sec. 11. Sections 2 through 10 of this act shall take effect January 1, 1991."

On page 1, line 1 of the title, after "warranties;" strike the remainder of the title and insert "amending RCW 19.118.021, 48.96.030, 48.96.040, 48.96.050, and 48.96.060; adding new sections to chapter 48.96 RCW; and providing an effective date."

REPORT OF CONFERENCE COMMITTEE

RE: ESHB 2603

Enhancing availability of medical care for children.

March 6, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the Senate Committee on Health and Long-Term Care amendments adopted on March 1, 1990, be rejected and the following amendments be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the purpose of sections 1 through 5 of this act and RCW 74.09.010 to provide, consistent with appropriated funds, health care access and services to children in poverty in this state. To this end, a children's health program is established based on the following principles:

(1) Access to preventive and other health care services should be made more readily available for children in poverty.

(2) Unnecessary barriers to health care for children in poverty should be removed.

(3) The status of children's health and their access to health care providers should be evaluated at appropriate intervals to determine program effectiveness and need for modification.

(4) Health care services should be delivered in a cost-effective manner.

(5) The program should be sensitive to cultural and ethnic differences among children in poverty.

NEW SECTION. Sec. 2. (1) There is hereby established a program to be known as the children's health program.

To the extent of available funds:

(a) Health care services may be provided to persons who are under eighteen years of age with household incomes at or below the federal poverty level and not otherwise eligible for medical assistance or the limited casualty program for the medically needy.

(b) The determination of eligibility of recipients for health care services shall be the responsibility of the department. The application process shall be easy to understand and, to the extent possible, applications shall be made available at local schools and other appropriate locations. The department shall make eligibility determinations within the timeframes for establishing eligibility for children on medical assistance, as defined by RCW 74.09.510.

(c) The amount, scope, and duration of health care services provided to eligible children under the children's health program shall be the same as that provided to children under medical assistance, as defined in RCW 74.09.520.

(2) The legislature is interested in assessing the effectiveness of the prenatal care program. However, the legislature recognizes the cost and complexity associated with such assessment.

The legislature accepts the effectiveness of prenatal and maternity care at improving birth outcomes when these services are received by eligible persons. Therefore, the legislature intends to focus scarce assessment resources to determine the extent to which support services such as child care, psychosocial and nutritional assessment and counseling, case management, transportation, and other support services authorized by this act result in receipt of prenatal and maternity care by eligible persons.

The University of Washington shall conduct a study, based on a statistically significant state-wide sampling of data, to evaluate the effectiveness of the maternity care access program set forth in RCW 74.09.760 through 74.09.820 based on the principles set forth in RCW 74.09.770.

The University of Washington shall develop a plan and budget for the study in consultation with the legislative budget committee. The legislative budget committee shall also monitor the progress of the study.

The department of social and health services shall make data and other information available as needed to the University of Washington as required to conduct this study.

The study shall determine:

(a) The characteristics of women receiving services, including health risk factors;

(b) The extent to which access to maternity care and support services have improved in this state as a result of this program;

(c) The utilization of services and birth outcomes for women and infants served by this program by type of practitioner;

(d) The extent to which birth outcomes for women receiving services under this program have improved in comparison to birth outcomes of nonmedicaid mothers;

(e) The impact of increased medicaid reimbursement to physicians on provider participation;

(f) The difference between costs for services provided under this program and medicaid reimbursement for the services;

(g) The gaps in services, if any, that may still exist for women and their infants as defined by RCW 74.09.790 (1) and (4) served by this program, excluding pregnant substance abusers, and women covered by private health insurance; and

(h) The number and mix of services provided to eligible women as defined by subsection (2)(g) of this section and the effect on birth outcomes as compared to nonmedicaid birth outcomes.

Results of the study shall be submitted to the legislative budget committee and appropriate committees of the legislature, by December 1 of each year through December 1, 1994, beginning with December 1, 1991.

NEW SECTION. Sec. 3. (1) The children's health services committee is hereby established, which shall advise the secretary as set forth in this chapter. Its membership shall be composed as follows: The secretary shall appoint, from the department's personnel, representatives from the various service and related administrative support programs that address children's needs. The secretary of health shall appoint, with the approval of the secretary, appropriate department of health personnel to the committee, but shall include the deputy secretary of health or successor position and the administrator of the parent and child health service program as identified in RCW 43.70.080(6).

(2) The requirements of subsection (1) of this section shall be in effect until June 30, 1993, at such time, the statutory responsibility shall be given to the department. The secretary may continue the committee under executive policy.

(3) The secretary and the secretary of health shall examine program areas where there is a lack of clear authority, dual responsibilities, or potential problems regarding jurisdiction between the department and department of health and submit a brief report to the governor and the legislature by December 1, 1992, outlining these problems and proposing remedial action.

(4) The committee, in coordination with counties, shall identify counties experiencing significant problems with access to health care for children eligible for services under chapter 74.09 RCW, based on indicators such as:

(a) Number of primary care providers for children eligible for services under chapter 74.09 RCW;

(b) Percent of children eligible for services under chapter 74.09 RCW;

(c) Postneonatal mortality rate for low-income children;

(d) Early and periodic screening, diagnosis, and treatment (EPSDT) utilization;

(e) Teen birth rate for low-income children; and

(f) Low birth weight rate for low-income children.

(5) The department shall provide data to each county within the state regarding its performance on the indicators in subsection (4) of this section and notify those counties having a significant problem with access, as defined in this section. The county shall also be advised of the availability of technical and financial assistance from the state in support of local remedial action.

(6) Any county, including those not identified by the committee, wishing to pursue state assistance under this section may submit a request to the committee. The request should include a description of the access problems in their community, a plan for addressing those problems, and a description of how the state's technical or financial assistance will aid them in increasing access to pediatric care for children in poverty. The request for assistance shall be prepared in consultation with the department, local community service offices, the local public health officer, community health clinics, health care providers, hospitals, the business community, labor representatives, and low-income advocates in their area.

(7) Counties are encouraged to combine to fulfill their duties under this section. In doing so, they shall consider the organizational principles set forth in RCW 43.70.020. If after one hundred twenty days' notice by the committee that a significant problem with health care access to children exists within a county, the county has not submitted a preliminary request for assistance according to this section, the committee shall solicit or may receive requests for assistance from any health care provider within that county.

(8) The committee shall evaluate local requests for technical and financial assistance, and shall recommend to the secretary funding of any or all parts of the requests, using criteria such as:

(a) The number of children proposed to receive expanded access to pediatric health care per dollar expended;

(b) Ability to meet the particular needs of the community as defined in the county request, including responsiveness to the needs of ethnic and racial minorities and addressing language barriers to access; and

(c) Capability to meet stated goals of increasing access to pediatric care.

(9) The department, after considering the recommendations of the committee, shall provide financial assistance, such as grants to counties or disproportionate share payments to providers, to the extent of available funds. The department shall make such changes to the state medicaid plan or take such other action as may be needed to secure federal matching funds for grants under this section.

NEW SECTION. Sec. 4. March 6, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

All previous amendments be rejected and the bill be amended as follows:

On page 1, line 6. after "study the" strike all material through "1993." on line 16 and insert "upper division baccalaureate educational needs of placebound students, and the graduate educational needs of teachers, living in areas of the state not currently served by either existing four-year institutions or branch campuses. NEW SECTION. Sec. 2. The legislature finds that many individuals in the state of Washington have attended college and received an associate of arts degree, or its equivalent, but are placebound.

The legislature intends to establish an educational opportunity grant program for placebound students who have completed an associate of arts degree, or its equivalent, in an effort to increase their participation in and completion of upper-division programs.

NEW SECTION. Sec. 3. The educational opportunity grant program is hereby created as a demonstration project to serve placebound financially needy students by assisting them to obtain a baccalaureate degree at public and private institutions of higher education which have the capacity to accommodate such students within existing educational programs and facilities.

NEW SECTION. Sec. 4. (1) For the purposes of this chapter, "placebound" means unable to relocate to complete a college program because of family or employment commitments, health concerns, monetary inability, or other similar factors.

(2) To be eligible for an educational opportunity grant, applicants must be placebound residents of the state of Washington who are needy students as defined in RCW 28B.10.802(3) and who have completed the associate of arts degree or its equivalent. An eligible placebound applicant is further defined as a person whose residence is located in an area served by a branch campus who, because of family or employment commitments, health concerns, monetary need, or other similar factors, would be unable to complete an upper-division course of study but for receipt of an educational opportunity grant.

NEW SECTION. Sec. 7. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Each institution of higher education with a commissioned police force shall report to the Washington association of sheriffs and police chiefs or its successor agency, on a monthly basis, crime statistics for the Washington state uniform crime report, in the format required by the Washington association of sheriffs and police chiefs, or its successor agency. Institutions of higher education which do not have commissioned police forces shall report crime statistics through appropriate local law enforcement agencies.

(2) Each institution of higher education shall publish and distribute a report which shall be updated annually and which shall include the crime statistics as reported under subsection (1) of this section for the most recent three-year period. In its acknowledgement of receipt of the formal application for admission, the institution shall notify the applicant of the availability of such information. The information also shall be provided on an annual basis to all students and employees. Institutions with more than one campus shall provide the required information on a campus-by-campus basis.

(3) Each institution of higher education shall provide to every new student and new employee, and upon request to other interested persons, information which follows the general categories for safety policies and procedures outlined in this section. Such categories shall, at a minimum, include campus enrollments, campus nonstudent workforce profile, the number and duties of campus security personnel, arrangements with state and local police, and policies on controlled substances. Information for the most recent academic year also shall include a description of any programs offered by an institution's student affairs or services department, and by student government organizations regarding crime prevention and counseling, including a directory of available services and appropriate telephone numbers and physical locations of these services. In addition, institutions maintaining student housing facilities shall include information detailing security policies and programs.

Institutions with a main campus and one or more branch campuses shall provide the information on a campus-by-campus basis.

In the case of community colleges, colleges shall provide such information to the main campuses only and shall provide reasonable alternative information at any off-campus centers and other affiliated college sites enrolling less than one hundred students.

(4) Each institution shall establish a task force which shall annually examine campus security and safety issues. The task force shall review the report published and distributed pursuant to this section in order to ensure the accuracy and effectiveness of the report, and make any suggestions for improvement. This task force shall include representation from the institution's administration, faculty, staff, recognized student organization, and police or security organization.

NEW SECTION. Sec. 8. Sections 2 through 6 of this act shall constitute a new chapter in Title 28B RCW.

NEW SECTION. Sec. 9. The following acts or parts of acts are each repealed:

REPORT OF CONFERENCE COMMITTEE

RE: EHB 2602

Changing provisions relating to support services for adoptions.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the Senate Committee on Ways and Means amendments adopted on March 1, 1990, be rejected and the following amendments be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that each year less than five percent of pregnant teens relinquish their babies for adoption in Washington state. Nationally, fewer than eight percent of pregnant teens relinquish their babies for adoption.

(2) The legislature further finds that barriers such as lack of information about adoption, inability to voluntarily enter into adoption agreements, and current state public assistance policies act as disincentives to adoption.

(3) It is the purpose of this act to support adoption as an option for women with unintended pregnancies by removing barriers that act as disincentives to adoption.

Sec. 2. Section 816, chapter 9, Laws of 1989 1st ex. sess. and RCW 74.04.005 are each amended to read as follows:

For the purposes of this title, unless the context indicates otherwise, the following definitions shall apply:

(1) "Public assistance" or "assistance"—Public aid to persons in need thereof for any cause, including services, medical care, assistance grants, disbursing orders, work relief, general assistance and federal-aid assistance.

(2) "Department"—The department of social and health services.

(3) "County or local office"—The administrative office for one or more counties or designated service areas.

(4) "Director" or "secretary" means the secretary of social and health services.

(5) "Federal-aid assistance"—The specific categories of assistance for which provision is made in any federal law existing or hereafter passed by which payments are made from the federal government to the state in aid or in respect to payment by the state for public assistance rendered to any category of needy persons for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(6) (a) "General assistance"—Aid to persons in need who:

(i) Are not eligible to receive federal-aid assistance, other than food stamps and medical assistance; however, an individual who refuses or fails to cooperate in obtaining federal-aid assistance, without good cause, is not eligible for general assistance;

(ii) Are either:

(A) Pregnant: PROVIDED, That need is based on the current income and resource requirements of the federal aid to families with dependent children program: PROVIDED FURTHER, That during any period in which an aid for dependent children employable program is not in operation, only those pregnant women who are categorically eligible for medicaid are eligible for general assistance; or

(B) Incapacitated from gainful employment by reason of bodily or mental infirmity that will likely continue for a minimum of sixty days as determined by the department. Persons who are unemployable due to alcohol or drug addiction are not eligible for general assistance. Persons receiving general assistance on July 26, 1987, or becoming eligible for such assistance thereafter, due to an alcohol or drug-related incapacity, shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals shall be made at the time of application or at the time of eligibility review. Alcoholic and drug addicted clients who are receiving general assistance on July 26, 1987, may remain on general assistance if they otherwise retain their eligibility until they are assessed for services under chapter 74.50 RCW. This subsection (6)(a)(ii)(B) shall not be construed to prohibit the department from granting general assistance benefits to alcoholics and drug addicts who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for the general assistance program;

(iii) Are citizens or aliens lawfully admitted for permanent residence or otherwise residing in the United States under color of law; and

(iv) Have furnished the department their social security account number. If the social security account number cannot be furnished because it has not been issued or is not known, an application for a number shall be made prior to authorization of assistance, and the social security number shall be provided to the department upon receipt.

(b) Notwithstanding the provisions of subsection (6)(a)(i), (ii), and (c) of this section, general assistance shall be provided to the following recipients of federal-aid assistance:

(i) Recipients of supplemental security income whose need, as defined in this section, is not met by such supplemental security income grant because of separation from a spouse; or

(ii) To the extent authorized by the legislature in the biennial appropriations act, to recipients of aid to families with dependent children whose needs are not being met because of a temporary reduction in monthly income below the entitled benefit payment level caused by loss or reduction of wages or unemployment compensation benefits or some other unforeseen circumstances. The amount of general assistance authorized shall not exceed the difference between the entitled benefit payment level and the amount of income actually received.

(c) General assistance shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in subsection (6) (a)(ii)(A) and (b) of this section, and will accept available services which can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse. Failure to accept such services shall result in termination until the person agrees to cooperate in accepting such services and subject to the following maximum periods of ineligibility after reapplication:

(i) First failure: One week;

(ii) Second failure within six months: One month;

(iii) Third and subsequent failure within one year: Two months.

(d) The department shall adopt by rule medical criteria for general assistance eligibility to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information.

(e) The process implementing the medical criteria shall involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(f) Recipients of general assistance based upon a finding of incapacity from gainful employment who remain otherwise eligible shall not have their benefits terminated absent a clear showing of material improvement in their medical or mental condition or specific error in the prior determination that found the recipient eligible by reason of incapacitation. Recipients of general assistance based upon pregnancy who remain otherwise eligible and who are not eligible to receive benefits under the federal aid to families with dependent children program shall not have their benefits terminated until six weeks following the birth of the recipient's child.

(7) "Applicant"-----Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(8) "Recipient"-----Any person receiving assistance and in addition those dependents whose needs are included in the recipient's assistance.

(9) "Standards of assistance"—The level of income required by an applicant or recipient to maintain a level of living specified by the department.

(10) "Resource"—Any asset, tangible or intangible, owned by or available to the applicant at the time of application, which can be applied toward meeting the applicant's need, either directly or by conversion into money or its equivalent: PROVIDED, That an applicant may retain the following described resources and not be ineligible for public assistance because of such resources.

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by and useful to the applicant. Whenever a recipient shall cease to use such property for residential purposes, either for himself or his dependents, the property shall be considered as a resource which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons or a natural disaster, shall raise a rebuttable presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as a resource which can be made available to meet need.

(b) Household furnishings and personal effects and other personal property having great sentimental value to the applicant or recipient, as limited by the department consistent with limitations on resources and exemptions for federal aid assistance.

(c) A motor vehicle, other than a motor home, used and useful having an equity value not to exceed one thousand five hundred dollars.

(d) All other resources, including any excess of values exempted, not to exceed one thousand dollars or other limit as set by the department, to be consistent with limitations on resources and exemptions necessary for federal aid assistance.

(e) Applicants for or recipients of general assistance may retain the following described resources in addition to exemption for a motor vehicle or home and not be ineligible for public assistance because of such resources:

(i) Household furnishings, personal effects, and other personal property having great sentimental value to the applicant or recipient;

(ii) Term and burial insurance for use of the applicant or recipient;

(iii) Life insurance having a cash surrender value not exceeding one thousand five hundred dollars; and

(iv) Cash, marketable securities, and any excess of values above one thousand five hundred dollars equity in a vehicle and above one thousand five hundred dollars in cash surrender value of life insurance, not exceeding one thousand five hundred dollars for a single person or two thousand two hundred fifty dollars for a family unit of two or more. The one thousand dollar limit in subsection (10)(d) of this section does not apply to recipients of or applicants for general assistance.

(f) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property, but the recipient must sign an agreement to dispose of the property and repay assistance payments made to the date of disposition of the property which would not have been made had the disposal occurred at the beginning of the period for which the payments of such assistance were made. In no event shall such amount due the state exceed the net proceeds otherwise available to the recipient from the disposition, unless after nine months from the date of the agreement the property has not been sold, or if the recipient's eligibility for financial assistance ceases for any other reason. In these two instances the entire amount of assistance paid during this period will be treated as an overpayment and a debt due the state, and may be recovered pursuant to RCW 43.20B.630.

(11) "Income"—(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance. The department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance. In determining the amount of assistance to which an applicant or recipient of aid to families with dependent children is entitled, the department is hereby authorized to disregard as a resource or income the earned income exemptions consistent with federal requirements. The department may permit the above

exemption of earnings of a child to be retained by such child to cover the cost of special future identifiable needs even though the total exceeds the exemptions or resources granted to applicants and recipients of public assistance, but consistent with federal requirements. In formulating rules and regulations pursuant to this chapter, the department shall define income and resources and the availability thereof, consistent with federal requirements. All resources and income not specifically exempted, and any income or other economic benefit derived from the use of, or appreciation in value of, exempt resources, shall be considered in determining the need of an applicant or recipient of public assistance.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(12) "Need"—The difference between the applicant's or recipient's standards of assistance for himself and the dependent members of his family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his family.

(13) For purposes of determining eligibility for public assistance and participation levels in the cost of medical care, the department shall exempt restitution payments made to people of Japanese and Aleut ancestry pursuant to the Civil Liberties Act of 1988 and the Aleutian and Pribilof Island Restitution Act passed by congress, P.L. 100-383, including all income and resources derived therefrom.

(14) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

Sec. 3. Section 2, chapter 155, Laws of 1984 and RCW 26.33.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

NEW SECTION. Sec. 4. A new section is added to chapter 26.33 RCW to read as follows:

(1) Nothing in this chapter shall be construed to prohibit the parties to a proceeding under this chapter from entering into agreements regarding communication with or contact between child adoptees, adoptive parents, and a birth parent or parents.

(2) Agreements regarding communication with or contact between child adoptees, adoptive parents, and a birth parent or parents shall not be legally enforceable unless the terms of the agreement are set forth in a written court order entered in accordance with the provisions of this section. The court shall not enter a proposed order unless the terms of such order have

been approved in writing by the prospective adoptive parents, any birth parent whose parental rights have not previously been terminated, and, if the child is in the custody of the department or a licensed child-placing agency, a representative of the department or child-placing agency. If the child is represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child-custody proceeding, the terms of the proposed order also must be approved in writing by the child's representative. An agreement under this section need not disclose the identity of the parties to be legally enforceable. The court shall not enter a proposed order unless the court finds that the communication or contact between the child adoptee, the adoptive parents, and a birth parent or parents as agreed upon and as set forth in the proposed order, would be in the child adoptee's best interests.

(3) Failure to comply with the terms of an agreed order regarding communication or contact that has been entered by the court pursuant to this section shall not be grounds for setting aside an adoption decree or revocation of a written consent to an adoption after that consent has been approved by the court as provided in this chapter.

(4) An agreed order entered pursuant to this section may be enforced by a civil action and the prevailing party in that action may be awarded, as part of the costs of the action, a reasonable amount to be fixed by the court as attorneys' fees. The court shall not modify an agreed order under this section unless it finds that the modification is necessary to serve the best interests of the child adoptee, and that: (a) The modification is agreed to by the adoptive parent and the birth parent or parents; or (b) exceptional circumstances have arisen since the agreed order was entered that justify modification of the order.

NEW SECTION, Sec. 5. A new section is added to chapter 74.13 RCW to read as follows:

(1) The department of social and health services shall establish, within funds appropriated for the purpose, a reconsideration program to provide medical and counseling services through the adoption support program for children of families who apply for services after the adoption is final. (2) A child meeting the eligibility criteria for registration with the program is one who:

(a) Was residing in foster care funded by the department immediately prior to the adoptive placement;

(b) Had a physical or mental handicap or emotional disturbance that existed and was documented prior to the adoption; and

(c) Resides in the state of Washington with an adoptive parent who lacks the necessary financial means to care for the child's special need.

(3) If a family is accepted for registration and meets the criteria in subsection (2) of this section, the department may enter into an agreement for services. Prior to entering into an agreement for services through the program, the medical needs of the child must be reviewed and approved by the department's office of personal health services.

(4) Any services provided pursuant to an agreement between a family and the department shall be met from the department's medical program. Such services shall be limited to:

(a) Services provided after finalization of an agreement between a family and the department pursuant to this section;

(b) Services not covered by the family's insurance or other available assistance; and

NEW SECTION, Sec. 6. The department of social and health services shall report to the 1991 legislature regarding the applications for the program established under section 5 of this act. The report shall contain information regarding the requests for financial assistance, both those that qualify and those that do not, and shall include the estimated cost for providing the services requested.

Sec. 7. Section 4, chapter 63, Laws of 1971 ex. sess., as last amended by section 135, chapter 7, Laws of 1985 and RCW 74.13.109 are each amended to read as follows:

The secretary shall issue rules and regulations to assist in the administration of the program of adoption support authorized by RCW 26.33.320 and 74.13.100 through 74.13.145.

Disbursements from the appropriations available from the general fund shall be made pursuant to such rules and regulations and pursuant to agreements conforming thereto to be made by the secretary with parents for the purpose of supporting the adoption of children in, or likely to be placed in, foster homes or child caring institutions who are found by the secretary to be difficult to place in adoption because of physical or other reasons; including, but not limited to, physical or mental handicap, emotional disturbance, ethnic background, language, race, color, age, or sibling grouping.

Such agreements shall meet the following criteria:

(1) The child whose adoption is to be supported pursuant to such agreement shall be or have been a child hard to place in adoption.

(2) Such agreement must relate to a child who was or is residing in a foster home or child-caring institution or a child who, in the judgment of the secretary, is both eligible for, and likely to be placed in, either a foster home or a child-caring institution.

(3) Such agreement shall provide that adoption support shall not continue beyond the time that the adopted child reaches eighteen years of age, becomes emancipated, dies, or otherwise ceases to need support, provided that if the secretary shall find that continuing dependency of such child after such child reaches eighteen years of age warrants the continuation of support pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145 the secretary may do so, subject to all the provisions of RCW 26.33.320 and 74.13.100 through 74.13.145, including annual review of the amount of such support.

(4) Any prospective parent who is to be a party to such agreement shall be a person who ~~((while having))~~ has the character, judgment, sense of responsibility, and disposition which make him or her suitable as an adoptive parent of such child ~~((lacks the financial means fully to care for such hard to place child))~~.

Sec. 8. Section 11, chapter 63, Laws of 1971 ex. sess. as last amended by section 142, chapter 7, Laws of 1985 and RCW 74.13.130 are each amended to read as follows:

~~((if the secretary determines that a prospective adoptive parent or parents cannot, because of limited financial means, pay the cost or the full cost of an adoption proceeding for the adoption of a hard to place child who would be eligible for support under RCW 26.33.320 and 74.13.100 through 74.13.145, the secretary may authorize the payment from the appropriations available from the general fund of all or part a reasonable attorney's fee to be determined by the superior court hearing the adoption and court costs. The clerk of the court shall furnish the secretary with a certified copy of the decree of adoption containing the finding as to such attorney's fee.~~

~~in evaluating any such prospective parent's ability to pay the secretary may use the same criteria for evaluating ability to pay which are to be used by him in waiving, reducing, or deferring fees pursuant to RCW 74.13.103 plus the burdens likely to be assumed by such parent even after adoption support is provided pursuant to RCW 26.33.320 and 74.13.100 through 74.13.145)) The secretary may authorize the payment, from the appropriations available from the general fund, of all or part of the nonrecurring adoption expenses incurred by a prospective parent. "Nonrecurring adoption expenses" means those expenses incurred by a prospective parent in connection with the adoption of a difficult to place child including, but not limited to, attorneys' fees, court costs, and agency fees. Payment shall be made in accordance with rules adopted by the department.~~

~~This section shall have retroactive application to January 1, 1987. For purposes of retroactive application, the secretary may provide reimbursement to any parent who adopted a difficult to place child between January 1, 1987, and one year following the effective date of this act, regardless of whether the parent had previously entered into an adoption support agreement with the department.~~

NEW SECTION, Sec. 9. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1990, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION, Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

NEW SECTION. Sec. 39. The legislature finds that with the increase in air traffic operations, combined with the projections for the rapid expansion of these operations in both the short and the long term, concerns regarding the environmental, health, social, and economic impacts of air traffic are increasing as well. The legislature also finds that advancing Washington's position as a national and international trading leader is dependent upon the development of a highly competitive, state-wide passenger and cargo air transportation system. Therefore, there is an obvious need for improved coordination of local, federal, and state efforts to develop state-wide air transportation policies to promote continued economic development and to mitigate the negative impacts of air traffic on surrounding communities.

The legislature seeks to provide for the comprehensive examination of air transportation issues, taking into consideration the data and conclusions of appropriate air traffic studies, including but not limited to those currently underway by various public ports of Washington, local jurisdictions, the department of transportation, and the Puget Sound Council of Governments.

It is the intent of the legislature to establish an air transportation commission, made up of persons interested in and affected by air transportation.

NEW SECTION. Sec. 40. (1) The air transportation commission is created to carry out the functions of this chapter. The commission shall consist of twenty-two voting members.

(2) The governor shall appoint nineteen members to represent the following interests:

(a) Four city representatives, who shall be elected city officials, with at least one from a small city or town affected by air traffic problems and one from a large city that is a member of the regional airport system study;

(b) Four county representatives, who shall be elected county officials, with at least one from a small county affected by air traffic problems, and one from a large county that is a member of the regional airport system study;

(c) Two citizens to represent the private sector, with one from western Washington and one from eastern Washington;

(d) Three as representatives from the airline industry;

(e) Two as representatives of the ports, one of whom shall represent a port located in a county of one million population or more;

(f) The governor or a designee;

(g) A representative from the SeaTac noise mediation project;

(h) A representative from an eastern Washington metropolitan planning organization; and

(i) A representative from a western Washington metropolitan planning organization.

(3) The remaining three members shall be:

(a) The secretary of transportation or a designee;

(b) The assistant secretary of the division of aeronautics of the department of transportation; and

(4) The chair of the legislative transportation committee shall appoint four members of the legislature to serve as nonvoting members of the commission.

(5) The manager of the Seattle airports division, northwest region of the federal aviation administration shall serve as a nonvoting member.

NEW SECTION. Sec. 41. The commission shall conduct studies to determine Washington's long-range air transportation policy, including an assessment of intermodal needs, and to assess the impacts of increasing air traffic upon surrounding communities, including an evaluation of noise mitigation and surface transportation impacts at existing facilities, and the potential impact at new or expanded facilities.

The studies shall include, but are not limited to the following:

(1) The feasibility of acquiring the Stampede Pass rail line for use as a utility corridor, intermodal high speed transportation corridor or other transportation uses. The study shall include an examination of the ownership of the Stampede Pass rail line right of way and evaluate the advantages and disadvantages of preserving the Stampede Pass rail line corridor. It shall include interested public and private agencies when conducting the study. The commission shall encourage local communities and the private sector to financially participate in the study. The commission shall make a presentation of the feasibility findings to the legislative transportation committee on or before December 1, 1990.

(2) Recommendations to the legislature on future Washington state air transportation policy, including the expansion of existing and potential air carrier and reliever facilities and the siting of such new facilities, specifically taking into consideration intermodal needs. The commission shall consider the development of wayports in eastern Washington, taking into account similar developments in Japan and Germany, in order to reduce congestion resulting from rapid growth in the Puget Sound region. The commission shall examine high speed rail transportation systems, including but not limited to magnetic levitation trains, personal rapid transit systems, and complimentary transportation systems, using to the extent possible the existing rights of way along I-90, I-5, and the Stampede Pass rail corridor.

The commission shall submit findings and recommendations to the legislative transportation committee by December 1, 1994, with an interim report to be presented to the legislative transportation committee by December 1, 1992.

NEW SECTION. Sec. 42. The commission may contract with consultants to assist in any of the assigned studies. The commission shall seek federal funding in consultation with the department of transportation. Any federal funds received shall reduce the amount of state funds appropriated in section 13 of this act.

NEW SECTION. Sec. 43. The commission shall select a chair from among its membership and shall adopt rules related to its powers and duties under this chapter. Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050, 43.03.060, and 44.04.120, as appropriate. Members appointed by the governor shall be compensated in accordance with RCW 43.03.220. The commission has all powers necessary to carry out its duties as prescribed by this chapter. The commission shall be dissolved on June 30, 1995.

NEW SECTION. Sec. 44. The commission may employ staff as necessary to carry out this chapter. The department of transportation, the legislative transportation committee, and the Washington state transportation center may provide additional staff support for the commission. The legislative transportation committee must approve the commission's budget plan before the commission may spend funds.

NEW SECTION. Sec. 45. This chapter expires June 30, 1995.

NEW SECTION. Sec. 46. Sections 39 through 45 of this act constitute a new chapter in Title 47 RCW.

NEW SECTION. Sec. 47. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 48. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Senators Patterson, Thorsness, Bender; Representatives R. Fisher, Cooper, Schmidt.

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

All previous amendment be rejected and the following amendments be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.16 RCW to read as follows:

The special plates may denote the age or type of vehicle or may denote special activities or interests, status, or contribution or sacrifice for the United States, the state of Washington, or the citizens of the state of Washington, of a registered owner of that vehicle.

(2) The department has the sole discretion to determine whether or not to create, design, or issue any series of special license plates and whether any activity, status, contribution, or sacrifice merits the issuance of a series of special license plates. In making this determination, the department shall consider whether or not an activity or interest proposed contributes or has contributed significantly to the public health, safety, or welfare of the citizens of the United States or of this state or to their significant benefit, or whether the activity, interest, contribution, or sacrifice is recognized by the United States, this state, or other states, in other settings or contexts. The department may also consider the potential number of persons who may be eligible for the plates and the cost and efficiency of producing limited numbers of the plates. The design of a special license plate shall conform to all requirements for plates for the type of vehicle for which it is issued, as provided elsewhere in this chapter.

NEW SECTION. Sec. 2. A new section is added to chapter 46.16 RCW to read as follows:

The department shall continue to issue, under section 1 of this act and the department's rules implementing sections 1 through 9 of this act, the categories of special plates issued by the department under the sections repealed under section 13 (1) through (7) of this act. When a single plate is issued, it shall be displayed on the rear of the vehicle.

(2) The department may issue special license plates denoting amateur radio operator status only to persons having a valid official radio operator license issued for a term of five years by the federal communications commission.

- (e) Is certified by a Washington state chapter of the Pearl Harbor survivors association as satisfying the qualifications in (c) of this subsection.

The department may issue such plates to the surviving spouse of any deceased Pearl Harbor survivor who met the requirements of this subsection. If the surviving spouse remarries, he or she shall return the special plates to the department within fifteen days and apply for regular plates. The surviving spouse must be a resident of this state.

The department shall issue these plates upon payment by the applicant of all other license fees, but the department may not set or charge an additional fee for these special license plates under section 4 of this act.

(5) The department shall replace, free of charge, special license plates issued under subsections (3) and (4) of this section if they are lost, stolen, damaged, defaced, or destroyed. Such plates shall remain with the persons upon transfer or other disposition of the vehicle for which they were initially issued, and may be used on another vehicle registered to the recipient in accordance with the provisions of section 5(1) of this act.

NEW SECTION, Sec. 4. A new section is added to chapter 46.16 RCW to read as follows:

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under RCW 46.25.090.

(4) If the person refuses testing, or submits to a test that discloses an alcohol concentration of 0.04 or more, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section and that the person refused to submit to testing, or submitted to a test that disclosed an alcohol concentration of 0.04 or more.

The department shall order that the disqualification of the person either be rescinded or sustained. Every person who commits, attempts to commit, conspires to commit, or aids or abets in the commission of any act declared by this title to be a traffic infraction or a crime, whether individually or in connection with one or more other persons or as principal, agent, or accessory, shall be guilty of such offense, and every person who falsely, fraudulently, forcefully, or willfully induces, causes, coerces, requires, permits or directs others to violate any provisions of this title is likewise guilty of such offense.

Sec. 61. Section 46.64.020, chapter 12, Laws of 1961 as last amended by section 1, chapter 38, Laws of 1988 and RCW 46.64.020 are each amended to read as follows:

(1) The legislature finds that:

(a) Traffic laws are necessary for the safe and expeditious flow of motor vehicle traffic.

(b) For traffic laws to be effective, they must be judiciously and fairly enforced. This enforcement includes the issuance of notices of infraction and citations and the assessment of fines and penalties.

(c) The adjudication of notices of infraction through a written and signed promise to respond, and of citations through a written and signed promise to appear, as provided in this title is an integral and important part of the traffic law system.

(d) Approximately twenty percent of all people issued notices of infraction and citations violate their written and signed promise to respond or appear and obtain notices of failure to respond or appear on their driving records. Through their actions, these people are destroying the effectiveness of the traffic law system and undermining the department of licensing regulatory control of drivers' licenses.

(e) Notices of failure to respond or appear accumulated on a person's driving record shall be considered if they were issued after July 25, 1987.

(2) Any person violating his or her written and signed promise to appear in court or his or her written and signed promise to respond to a notice of traffic infraction, as provided in this title, is guilty of a misdemeanor regardless of the disposition of the charge upon which he or she was originally arrested or the disposition of the notice of infraction: PROVIDED, That a written promise to appear in court or a written promise to respond to a notice of traffic infraction may be complied with by an appearance by counsel: PROVIDED FURTHER, That a person charged under RCW 46.20.021 with driving with an expired driver's license may respond by mailing to the court within fifteen days of the violation, a copy of the person's currently valid driver's license. Any person who has been issued a notice of infraction pursuant to RCW 46.63.030(3) and who fails to respond as provided in this title is guilty of a misdemeanor regardless of the disposition of the notice of infraction.

(3) Any person who drives a motor vehicle within the state and has accumulated two or more notices of failure to appear or respond on his or her driving record maintained by the department of licensing in any five-year period as a result of noncompliance with the traffic (~~infraction~~) laws in any jurisdiction or court within Washington, or in any jurisdiction or court within other states which are signatories with Washington in a nonresident violator compact or reciprocal agreement under chapter 46.23 RCW, shall be guilty of failure to comply, a gross misdemeanor. A person is not subject to this subsection for failure to pay a fine for any pedestrian, bicycling, or parking offense.

Probable cause for arrest under this subsection is established by the officer obtaining, orally or in writing, information from the department of licensing that two or more notices of

failure to appear or respond are on the person's driving record. For purposes of this chapter, failure to satisfy any penalties imposed under this title is considered equivalent to failure to appear or respond.

Venue for prosecution shall be in the court with jurisdiction in the area of apprehension.

Sec. 62. Section 9, chapter 284, Laws of 1971 ex. sess. as amended by section 4, chapter 62, Laws of 1979 and RCW 46.65.070 are each amended to read as follows:

No license to operate motor vehicles in Washington shall be issued to an habitual offender (1) for a period of five years from the date of the license revocation except as provided in RCW 46.65.080, and (2) until the privilege of such person to operate a motor vehicle in this state has been restored by the department of licensing as ~~((hereinafter))~~ provided in this chapter ~~((provided))~~.

All funds from the purchaser shall be placed in a trust account until the sale is completed, except that the dealer shall pay any outstanding liens against the mobile home from these funds. Where title has been delivered to the purchaser, the listing dealer shall pay the amount due a seller within ten days after the sale of a listed mobile home. A complete account of all funds received and disbursed shall be given to the seller or consignor after the sale is completed. The sale of listed mobile homes imposes the same duty under RCW 46.12.120 on the listing dealer as any other sale.

Sec. 64. Section 6, chapter 74, Laws of 1967 ex. sess. as last amended by section 8, chapter 241, Laws of 1986 and RCW 46.70.041 are each amended to read as follows:

(g) Any other information the department may reasonably require.

All moneys collected from driver training school licenses and instructor licenses shall be deposited in the (~~(general)~~) highway safety fund.

NEW SECTION. Sec. 74. A new section is added to chapter 46.87 RCW to read as follows:

Owners of rental trailers and semitrailers over six thousand pounds gross vehicle weight, and converter gears used solely in pool fleets shall fully register a portion of the pool fleet in this state. To determine the percentage of total fleet vehicles that must be registered in this state, divide the gross revenue received in the preceding year for the use of the rental vehicles arising from rental transactions occurring in this state by the total revenue received in the preceding year for the use of the rental vehicles arising from rental transactions in all jurisdictions in which the vehicles are operated. Apply the resulting percentage to the total number of

vehicles that shall be registered in this state. Vehicles registered in this state shall be representative of the vehicles in the fleet according to age, size, and value.

Sec. 75. Section 17, chapter 244, Laws of 1987 and RCW 46.87.025 are each amended to read as follows:

All vehicles being added to an existing Washington-based fleet or those vehicles that make up a new Washington-based fleet shall be titled in the name of the ((fleet)) owner at time of registration, or evidence of filing application for title for such vehicles in the name of the owner shall accompany the application for proportional registration.

Sec. 76. Section 25, chapter 244, Laws of 1987 and RCW 46.87.120 are each amended to read as follows:

(1) The initial application for proportional registration of a fleet shall state the mileage data with respect to the fleet for the preceding year in this and other jurisdictions. If no operations were conducted with the fleet during the preceding year, the application shall contain a full statement of the proposed method of operation and estimates of annual mileage in each of the jurisdictions in which operation is contemplated. The registrant shall determine the in-jurisdiction and total miles to be used in computing the fees and taxes due for the fleet. The department may evaluate and adjust the estimate in the application if it is not satisfied as to its correctness.

(2) When the nonmotor vehicles of a fleet are operated in jurisdictions in addition to those in which the motor vehicles of the fleet are operated, or when the nonmotor vehicles of a fleet are operated with motor vehicles that are not part of the fleet, the registrant shall place such nonmotor vehicles in a separate fleet.

(3) In instances where the use of mileage accumulated by a nonmotor vehicle fleet is impractical, for the purpose of calculating prorate percentages, the registrant may request another method or unit of measure, or both, to be used in determining the prorate percentages. Upon receiving the request, the department may prescribe another method or unit of measure, or both, to be used in lieu of mileage that will ensure each jurisdiction that requires the registration of nonmotor vehicles its fair share of vehicle licensing fees and taxes.

(4) When operations of a Washington-based fleet is materially changed through merger, acquisition, or extended authority, the registrant shall notify the department, which shall then require the filing of an amended application setting forth the proposed operation by use of estimated mileage for all jurisdictions. The department may adjust the estimated mileage by audit or otherwise to an actual travel basis to insure proper fee payment. The actual travel basis may be used for determination of fee payments until such time as a normal mileage year is available under the new operation. Under the provisions of the Western Compact, this subsection applies to any fleet proportionally registered in Washington irrespective of the fleet's base jurisdiction.

Sec. 77. Section 40, chapter 244, Laws of 1987 and RCW 46.87.270 are each amended to read as follows:

Every Washington-based motor vehicle registered under this chapter shall have the maximum gross weight or maximum combined gross weight for which the vehicle is licensed in this state, painted or stenciled in letters or numbers of contrasting color not less than two inches in height in a conspicuous place on the right and left sides of the vehicle. It is unlawful for the owner or operator of any motor vehicle to display a maximum gross weight or maximum combined gross weight other than that shown on the current cab card of the vehicle.

Sec. 78. Section 1, chapter 19, Laws of 1985 as last amended by section 1, chapter 24, Laws of 1988 and RCW 46.90.300 are each amended to read as follows:

Such authorization may be revoked when any one of the above conditions no longer obtains.))~~ The delivery of special fuel may be made without collecting the tax otherwise imposed when deliveries are made into vehicle refrigeration units, mixing units, or other equipment powered by separate motors from separate fuel tanks, on invoices showing the vehicle unit or license number and such other information as may be prescribed by the department.

Sec. 82. Section 6, chapter 175, Laws of 1971 ex. sess. as amended by section 1, chapter 242, Laws of 1983 and RCW 82.38.050 are each amended to read as follows:

Except as otherwise provided in this chapter, every special fuel user shall be liable for the tax on special fuel used in motor vehicles leased to ~~((him))~~ the user for ~~((more than))~~ thirty days or more and operated on the highways of this state to the same extent and in the same manner as special fuel used in his own motor vehicles and operated on the highways of this state: PROVIDED, That a lessor who is engaged regularly in the business of leasing or renting for compensation motor vehicles and equipment he owns without drivers to carriers or other lessees for interstate operation, may be deemed to be the special fuel user when he supplies or pays for the special fuel consumed in such vehicles, and such lessor may be issued a license as a special fuel user when application and bond have been properly filed with and approved by the department for such license. Any lessee may exclude motor vehicles of which he or she is the lessee from ~~((his))~~ reports and liabilities pursuant to this chapter, but only if the motor vehicles in question have been leased from a lessor holding a valid special fuel user's license.

Every such lessor shall file with ~~((his))~~ the application for a special fuel user's license one copy of the lease form or service contract ~~((he))~~ the lessor enters into with the various lessees of ~~((his))~~ the lessor's motor vehicles. When the special fuel user's license has been secured, such lessor shall make and assign to each motor vehicle ~~((he leases))~~ leased for interstate operation a photocopy of such license to be carried in the cab compartment of ~~((said))~~ the motor vehicle and on which shall be typed or printed on the back the unit or motor number of the motor vehicle to which it is assigned and the name of the lessee. Such lessor shall be responsible for the proper use of such photocopy of ~~((said))~~ the license issued and its return to ~~((him))~~ the lessor with the motor vehicle to which it is assigned.

The lessor shall be responsible for fuel tax licensing and reporting, as required by this chapter, on the operation of all motor vehicles leased to others for less than thirty days ~~((or less))~~.

Sec. 83. Section 8, chapter 175, Laws of 1971 ex. sess. and RCW 82.38.070 are each amended to read as follows:

A special fuel dealer shall be entitled, under rules and regulations prescribed by the department, to a credit of the tax paid over to the department on those sales of special fuel for which the dealer has received no consideration from or on behalf of the purchaser, which have been declared by the dealer to be worthless accounts receivable, and which have been claimed as bad debts for federal income tax purposes. The amount of the tax refunded shall not exceed the amount of tax imposed by this chapter on such sales (~~less an amount computed by applying the current state retail sales tax rate to the difference between the total purchase price of such sales and the amount of tax imposed on such sales by this chapter~~). If a refund has been granted under this section, any amounts collected for application against the accounts on which such a refund is based shall be reported with the first return filed after such collection, and the amount of refund received by the dealer based upon the collected amount shall be returned to the department. In the event the refund has not been paid, the amount of the refund requested by the dealer shall be adjusted by the department to reflect the decrease in the amount on which the claim is based. The department may require the dealer to submit periodical reports listing accounts which are delinquent for ninety days or more.

Sec. 84. Section 10, chapter 175, Laws of 1971 ex. sess. as last amended by section 2, chapter 29, Laws of 1986 and RCW 82.38.090 are each amended to read as follows:

It shall be unlawful for any person to act as a special fuel dealer, a special fuel supplier or a special fuel user in this state unless such person is the holder of an unanceled special fuel dealer's, a special fuel supplier's or a special fuel user's license issued to him by the department. A special fuel supplier's license authorizes a person to sell special fuel without collecting the special fuel tax to other suppliers and dealers holding valid special fuel licenses.

A special fuel dealer's license authorizes a person to deliver previously untaxed special fuel into the fuel supply tanks of motor vehicles, collect the special fuel tax on behalf of the state at the time of delivery, and remit the taxes collected to the state as provided herein. A licensed special fuel dealer may also deliver untaxed special fuel into bulk storage facilities of a licensed special fuel user without collecting the special fuel tax. Special fuel dealers and suppliers, when making deliveries of special fuel into bulk storage to any person not holding a valid special fuel license must collect the special fuel tax at time of delivery, unless the person to whom the delivery is made is specifically exempted from the tax as provided herein.

A special fuel user's license authorizes a person to purchase special fuel into bulk storage for use in motor vehicles either on or off the public highways of this state without payment of the special fuel tax at time of purchase. Holders of special fuel licenses are all subject to the bonding, reporting, tax payment, and record-keeping provisions of this chapter. All purchases of special fuel by a licensed special fuel user directly into the fuel supply tank of a motor vehicle are subject to the special fuel tax at time of purchase unless (~~the purchaser has specific written authorization from the department as provided in RCW 82.38.040 or~~) the purchase is made from an unattended keylock metered pump, cardtrol, or such similar dispensing devices. Persons utilizing special fuel for heating purposes only are not required to be licensed.

Sec. 85. Section 13, chapter 175, Laws of 1971 ex. sess. as last amended by section 8, chapter 40, Laws of 1979 and RCW 82.38.120 are each amended to read as follows:

Upon receipt and approval of an application and bond (if required), the department shall issue to the applicant a license to act as a special fuel dealer, a special fuel supplier, or a special fuel user: PROVIDED, That the department may refuse to issue a special fuel dealer's license, special fuel supplier's license, or a special fuel user's license to any person (1) who formerly held either type of license which, prior to the time of filing for application, has been revoked for cause; or (2) who is a subterfuge for the real party in interest whose license prior to the time of filing for application, has been revoked for cause; or (3) who, as an individual licensee, or officer, director, owner, or managing employee of a nonindividual licensee, has had a special fuel license revoked for cause; or (4) who has an unsatisfied debt to the state assessed under either chapter 82.36, 82.37, 82.38, or ~~((46.85))~~ 46.87 RCW; or (5) upon other sufficient cause being shown. Before such refusal, the department shall grant the applicant a hearing and shall grant him at least five days written notice of the time and place thereof.

The department shall determine from the information shown in the application or other investigation the kind and class of license to be issued.

All licenses shall be posted in a conspicuous place or kept available for inspection at the principal place of business of the owner thereof. NEW SECTION, Sec. 86. The following acts or parts of acts are each repealed:

(1) Section 19, chapter 121, Laws of 1965 ex. sess., section 55, chapter 136, Laws of 1979 ex. sess. and RCW 46.20.171;

(2) Section 3, chapter 29, Laws of 1975-'76 2nd ex. sess., section 4, chapter 302, Laws of 1985 and RCW 46.20.416;

(3) Section 4, chapter 29, Laws of 1975-'76 2nd ex. sess. and RCW 46.20.418; and

(4) Section 2, chapter 219, Laws of 1984, section 2, chapter 352, Laws of 1985 and RCW 46.20.599.

Sec. 87. Section 1, chapter 22, Laws of 1987 as amended by section 8, chapter 337, Laws of 1989 and RCW 46.20.308 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. However, in those instances where: (a) The person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample; or (b) as a result of a traffic accident the person is being treated for a medical condition in a hospital, clinic, doctor's office, or other similar facility in which a breath testing instrument is not present, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(4). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that (a) his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test, and (b) that his or her refusal to take the test may be used in a criminal trial.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) The department of licensing, upon the receipt of a sworn report of the law enforcement officer that the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor and that the person had refused to submit to the test or tests upon the request of the law enforcement officer after being informed that refusal would result in the revocation of the person's privilege to drive, shall revoke the person's license or permit to drive or any nonresident operating privilege.

(7) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, the department shall immediately notify the person involved in writing by personal service or by certified mail of its decision and the grounds therefor, and of the person's right to a hearing, specifying the steps he or she must take to obtain a hearing. Within fifteen days after the notice has been given, the person may, in writing, request a formal hearing. Upon receipt of such request, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the

county of the arrest. For the purposes of this section, the scope of such hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's privilege to drive. The department shall order that the revocation either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(8) If the revocation is sustained after such a hearing, the person whose license, privilege, or permit is revoked has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the manner provided in RCW 46.20.334.

(9) The department shall rescind the revocation of a person's driving privilege under this section upon notification from the court of record that, for the incident upon which the department based its administrative action:

(a) The officer's grounds for believing that the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor were based solely on a nonalcohol or nondrug-related medical condition; and

(b) The person has been found not guilty of driving or being in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug including any drug prescribed for the medical condition. Upon notification from the court of record of a not guilty finding, the department shall expunge the implied consent violation from the person's driving record.

(10) When it has been finally determined under the procedures of this section that a non-resident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 88. Section 31, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.205 are each amended to read as follows:

The driver of a vehicle about to enter or cross a highway from a private road or driveway shall yield the right of way to all vehicles lawfully approaching on said highway.

Applicants for certificates of ownership, including applicants paying fees under RCW 46.16.070 or 46.16.085, shall pay to the director, county auditor, or other agent a fee of three dollars in addition to any other fees required by law. These additional fees, if paid to the county auditor as agent of the director, or if paid to an agent of the county auditor, shall be paid to the county treasurer in the same manner as other fees collected by the county auditor and credited to the county current expense fund. If the fee is paid to another agent of the director, the fee shall be used by the agent to defray his or her expenses in handling the application: PROVIDED, That an agent of the county auditor is entitled to an additional service charge of two dollars (~~PROVIDED FURTHER, That~~).

(3) If the fee is collected by the state patrol (~~or the department of transportation~~) as agent for the director, the fee so collected shall be certified to the state treasurer and deposited to the credit of the state patrol highway account. If the surviving spouse remarries, he or she shall return the special plates to the department within fifteen days and apply for regular license plates.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: ESSB 6649

Clarifying the status of Adopt-a-Highway signs.

March 6, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree

and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the following House Committee on Transportation amendment, adopted March 1, 1990, on page 6, line 19, be adopted; and the bill be further amended as follows:

On page 6, line 19 after "interstate" strike all material through "along" on line 20 and insert "primary and"

On page 7, after line 2, insert the following:

NEW SECTION. Sec. 4. The legislature finds that despite the efforts of the department of transportation, the department of ecology, and the ecology youth corps to pick up litter along state highways, roadside litter in Washington state has increased by thirty-six percent since 1983. The legislature further finds that in twenty-seven states, volunteer organizations are able to give of their time and energy, demonstrate commitment to a clean environment, and discourage would-be litterers by keeping sections of highway litter free because those states have established programs to encourage and recognize such voluntary efforts. Therefore, it is the legislature's intent to establish an "adopt-a-highway" litter control program as a partnership between citizen volunteers and the state to reduce roadside litter and build civic pride in a litter-free Washington.

NEW SECTION. Sec. 5. A new section is added to chapter 47.40 RCW to read as follows:

(1) The department of transportation shall establish a state-wide adopt-a-highway litter control program whereby volunteer organizations may contribute to a cleaner environment and a more attractive state by adopting sections of state highway and picking up litter along those sections.

An organization whose name: (a) Endorses or opposes a particular candidate for public office, (b) advocates a position on a specific political issue, initiative, referendum, or piece of legislation, or (c) includes a reference to a political party shall not be eligible to participate in the adopt-a-highway program.

(2) In administering the adopt-a-highway, the department shall:

(a) Provide a standardized application form, registration form, and contractual agreement for all volunteer groups. Such forms shall notify the prospective participants of the risks and responsibilities to be assumed by either the department and/or the volunteer groups;

(b) Require all volunteers to be at least fifteen years of age;

(c) Require parental consent for all minors;

(d) Require at least one volunteer adult supervisor for every eight minors;

(e) Require one designated leader for each volunteer organization;

(f) Assign each volunteer organization a section of state highway for a specified period of time;

(g) Recognize the efforts of a participating organization by erecting and maintaining signs with the organization's name on both ends of the organization's section of highway;

(h) Provide appropriate safety equipment and "Volunteer Litter Crew Ahead" signs. Safety equipment, other than hardhats, issued to volunteer organizations must be returned to the department after each use for reuse by other volunteer groups;

(i) Provide safety training for all volunteers;

(j) Pay any and all premiums or assessments required under RCW 51.12.035 to secure medical aid benefits under chapter 51.36 RCW for all volunteers participating in the program;

(k) Maintain records of all injuries and accidents that occur;

(l) Adopt rules which establish a process to resolve any question of an organization's eligibility to participate in the adopt-a-highway program;

(m) Obtain permission from property owners who lease right of way before allowing a volunteer organization to adopt a section of highway on such leased property; and

(n) Establish procedures and guidelines for the adopt-a-highway program.

(3) Nothing in this section affects the rights or activities of, or agreements with, adjacent landowners, including the use of rights of way and crossings, nor impairs these rights and uses by the placement of signs."

On line 2 of the title, after "47.42.040:" strike "and creating a new section" and insert "adding a new section to chapter 47.40 RCW; and creating new sections."

Signed by Senators Thorsness, Conner, Johnson; Representatives Prentice, Cooper, Walker.

On motion of Senator Newhouse, the Report of the Conference Committee on Engrossed Substitute Senate Bill No. 6649 was adopted and the committee was granted the powers of Free Conference.

MESSAGE FROM THE HOUSE

March 7, 1990

Mr. President:

The House has adopted the Report of the Conference Committee on ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6537 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: E2SSB 6537

Providing for foster care reform and making appropriations.

March 6, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the House Committee on Human Services striking amendment, which was adopted on March 2, 1990, be adopted; and the bill be further amended as follows:

On page 17 of the amendment, after line 36, insert the following:

"Sec. 31. Section 30, chapter 291, Laws of 1977 ex. sess. as amended by section 2, chapter 524, Laws of 1987 and RCW 13.34.020 are each amended to read as follows:

The legislature declares that the family unit is a fundamental resource of American life which should be nurtured. Toward the continuance of this principle, the legislature declares that the family unit should remain intact unless a child's right to conditions of basic nurture, health, or safety is jeopardized. When the rights of basic nurture, physical and mental health, and safety of the child and the legal rights of the parents are in conflict, the rights and safety of the child should prevail. The right of a child to basic nurturing includes the right to a safe, stable, and permanent home and a speedy resolution of any proceeding under this chapter.

Sec. 32. Section 17, chapter 17, Laws of 1989 1st ex. sess. and RCW 13.34.130 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home and that:

(i) There is no parent or guardian available to care for such child;

(ii) ~~((The child is unwilling to reside in the custody of the child's parent, guardian, or legal custodian;~~

~~((#))~~ The parent, guardian, or legal custodian is not willing to take custody of the child;

~~((#))~~ (iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

~~((#))~~ (iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to RCW 13.34.130(1)(b), the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in

the best interests of the child and that it is not reasonable to provide further services to reunify the family because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of assault of the child in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in section 904, chapter ---, Laws of 1990 (Engrossed Second Substitute Senate Bill No. 6259);

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanent plan of care that may include one of the following: Return of the child to the home of the child's parent, adoption, guardianship, or long-term placement with a relative or in foster care with a written agreement.

(b) Unless the court has ordered, pursuant to RCW 13.34.130(2), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

((a)) (i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

((b)) (ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

((c)) (iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

((d)) (iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to RCW 13.34.130(2), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

((3)) (4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

((4)) (5) The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal

custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 33. Section 47, chapter 291, Laws of 1977 ex. sess. as amended by section 48, chapter 155, Laws of 1979 and RCW 13.34.190 are each amended to read as follows:

After hearings pursuant to RCW 13.34.110, the court may enter an order terminating all parental rights to a child if the court finds that:

(1) ~~((a))~~ The allegations contained in the petition as provided in RCW 13.34.180 (1) through (6) are established by clear, cogent, and convincing evidence; or ~~((b))~~

(2) RCW 13.34.180 (3) and (4) may be waived because the allegations under RCW 13.34.180 (1), (2), ~~((4))~~ (5), and (6) are established beyond a reasonable doubt; or (c) the allegation under RCW 13.34.180(7) is established beyond a reasonable doubt. In determining whether RCW 13.34.180 (5) and (6) are established beyond a reasonable doubt, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 or 9A.42.030;

(e) A finding by a court that a parent is a sexually violent predator as defined in section 904, chapter ---, Laws of 1990 (Engrossed Second Substitute Senate Bill No. 6259);

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim; and

~~((g))~~ (3) Such an order is in the best interests of the child.

(1) Any person aggrieved by a final order of the court may appeal the order as provided by this section. All appeals in matters other than those related to commission of a juvenile offense shall be taken in the same manner as in other civil cases. Except as otherwise provided in this title, all appeals in matters related to the commission of a juvenile offense shall be taken in the same manner as criminal cases and the right to collateral relief shall be the same as in criminal cases. The order of the juvenile court shall stand pending the disposition of the appeal: PROVIDED, That the court or the appellate court may upon application stay the order.

(2) If the final order from which an appeal is taken grants the custody of the child to, or withholds it from, any of the parties, or if the child is committed as provided under this chapter, the appeal shall be given priority in hearing.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: 2SSB 6418

Expanding rural health care opportunities.

March 6, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

All previous amendments not be adopted and the following amendments be adopted:
Strike everything after the enacting clause and insert the following:

"PART I

NEW SECTION. Sec. 1. The legislature finds that a health care access problem exists in rural areas of the state due to a lack of practicing physicians, physician assistants, pharmacists, and advanced registered nurse practitioners. In addition, many of these rural providers are unable to leave the community for short-term periods of time to attend required continuing education training or for personal matters because their absence would leave the community without adequate medical care coverage. The lack of adequate medical coverage in geographically remote rural communities constitutes a threat to the health and safety of the people in those communities.

The legislature declares that it is in the public interest to recruit and maintain a pool of physicians, physician assistants, pharmacists, and advanced registered nurse practitioners willing and able on short notice to practice in rural communities on a short-term basis to meet the medical needs of the community.

NEW SECTION. Sec. 2. The department shall establish the health professional temporary substitute resource pool. The purpose of the pool is to provide short-term physician, physician assistant, pharmacist, and advanced registered nurse practitioner personnel to rural communities where these health care providers:

- (1) Are unavailable due to provider shortages;
- (2) Need time off from practice to attend continuing education and other training programs; and
- (3) Need time off from practice to attend to personal matters or recover from illness.

The health professional temporary substitute resource pool is intended to provide short-term assistance and should complement active health provider recruitment efforts by rural communities where shortages exist.

NEW SECTION. Sec. 3. (1) The department, in cooperation with University of Washington school of medicine, the state's registered nursing programs, the state's pharmacy programs, and other appropriate public and private agencies and associations, shall develop and keep current a register of physicians, physician assistants, pharmacists, and advanced registered nurse practitioners who are available to practice on a short-term basis in rural communities of the state. The department shall periodically screen individuals on the registry for violations of the uniform disciplinary act as authorized in chapter 18.130 RCW. If a finding of unprofessional conduct has been made by the appropriate disciplinary authority against any individual on the registry, the name of that individual shall be removed from the registry and that person

shall be made ineligible for the program. The department shall include a list of back-up physicians and hospitals who can provide support to health care providers in the pool. The register shall be compiled, published, and made available to all rural hospitals, public health departments and districts, rural pharmacies, and other appropriate public and private agencies and associations. The department shall coordinate with existing entities involved in health professional recruitment when developing the registry for the health professional temporary substitute resource pool.

(2) Eligible health care professionals are those licensed under chapters 18.57, 18.57A, 18.64, 18.71, and 18.71A RCW and advanced registered nurse practitioners licensed under chapter 18.88 RCW.

(3) Participating health care professionals shall receive:

(a) Reimbursement for travel to and from the rural community and for lodging at a rate determined under RCW 43.03.050 and 43.03.060;

(b) Medical malpractice insurance purchased by the department, or the department may reimburse participants for medical malpractice insurance premium costs for medical liability while providing health care services in the program, if the services provided are not covered by the participant's or local provider's existing medical malpractice insurance; and

(c) Information on back-up support from other physicians and hospitals in the area to the extent necessary and available.

(4) The department may require rural communities to participate in health professional recruitment programs as a condition for providing a temporary substitute health care professional if the community does not have adequate permanent health care personnel. To the extent deemed appropriate and subject to funding, the department may also require communities to participate in other programs or projects, such as the rural health system project authorized in chapter 70.175 RCW, that are designed to assist communities to reorganize the delivery of rural health care services.

(5) The department may require a community match for assistance provided in subsection (3) of this section if it determines that adequate community resources exist.

(6) The maximum continuous period of time a participating health professional may serve in a community is ninety days. The department may modify or waive this limitation should it determine that the health and safety of the community warrants a waiver or modification. The community shall be responsible for all salary expenses of participating health professionals.

NEW SECTION, Sec. 4. (1) Requests for a temporary substitute health care professional may be made to the department by the local rural hospital, public health department or district, community health clinic, local practicing physician, physician assistant, pharmacist, or advanced registered nurse practitioner, or local city or county government.

(2) The department shall:

(a) Establish a manner and form for receiving requests;

(b) Minimize paperwork and compliance requirements for participant health care professionals and entities requesting assistance; and

(c) Respond promptly to all requests for assistance.

(3) The department may apply for, receive, and accept gifts and other payments, including property and services, from any governmental or other public or private entity or person, and may make arrangements as to the use of these receipts to operate the pool. The department shall make available upon request to the appropriate legislative committees information concerning the source, amount, and use of such gifts or payments.

PART II

NEW SECTION, Sec. 5. The legislature finds that the lack of primary care physicians in some rural areas of the state and the critical shortage of maternity care services adversely affect access to basic health care services. Rural areas often require more services because the health care needs are greater due to poverty or because these areas are difficult to service due to geographic circumstances. The legislature further finds that encouraging primary care physicians to serve in rural areas of the state and midwives to serve in midwife shortage areas is essential to assure continued access to basic health care services. Studies suggest that physicians recruited from rural areas or physicians who have resident and intern experience in a rural setting tend to make a long-term commitment as rural physicians. The legislature declares that whenever possible rural communities should take an active part in identifying prospective medical students from the local rural community or other rural areas. In this way the community and the prospective physician can form a mutual commitment prior to the individual acquiring a medical education.

The legislature further finds that midwives serve as an important provider of prenatal, interpartum, and postpartum care. Training individuals to become midwives can serve to address the current shortage of providers. The legislature declares that it is in the best interest of the people in this state to promote the availability of midwife services through activities that lead to the recruitment and training of midwives. The legislature further finds that the availability of pharmacy services in rural areas is important to assure that rural people have access to needed medications to support good health.

The program shall be administered by the board in consultation with the department, the school of medicine at the University of Washington and other appropriate private and public entities. In administering the program, the board shall have the following powers and duties:

- (2) Adopt rules and guidelines to implement this chapter;

(3) Publicize the program, particularly emphasizing individuals residing in rural shortage areas, pharmacist shortage areas, and midwifery shortage rural areas of the state;

(4) Collect and manage repayments from students who do not meet their services obligations under this chapter;

(5) Solicit and accept grants and donations from public and private sources for the program; and

(6) Develop criteria for a contract for service in lieu of the five-year service where appropriate, that may be a combination of service and payment.

NEW SECTION. Sec. 8. (1) The board shall establish a planning committee to develop criteria for the screening and selection of recipients of the scholarships. The planning committee shall be comprised of at least representatives from the following entities: Rural physicians and hospitals, health care clinics, local health districts and departments, agencies involved in physician recruitment, the department, the University of Washington school of medicine, licensed and certified nurse midwives, pharmacists, and other entities involved in rural health and midwifery issues.

(2) For prospective physicians, the selection criteria shall include requirements that recipients declare an interest in serving in rural areas of the state of Washington. Preference for scholarships shall be given to students who reside in rural areas of the state prior to admission to the medical training program. Highest preference shall be given to students seeking admission who are recommended by sponsoring communities and who declare the intent of serving as a physician in a rural area.

(3) For prospective midwives, the selection criteria shall include requirements that the recipient declare an interest in serving in midwife shortage areas of the state of Washington.

(4) For prospective pharmacists, the selection shall include requirements that recipients declare an interest in serving in pharmacist shortage areas of the state of Washington.

NEW SECTION. Sec. 9. A new section is added to Title 28B RCW to read as follows:

The school of medicine at the University of Washington shall develop and implement a policy to grant admission preference to prospective medical students from rural areas of the state who agree to serve for at least five years as primary care physicians in rural areas of Washington after completion of their medical education and have applied for and meet the qualifications of the program under section 7 of this act. Should the school of medicine be unable to fill any or all of the admission openings due to a lack of applicants from rural areas who meet minimum qualifications for study at the medical school, it may admit students not eligible for preferential admission under this section.

NEW SECTION. Sec. 10. The board may award scholarships to eligible students from the funds appropriated to the board for this purpose, or from any private donations, or any other funds given to the board for this program. Scholarships for physicians may be awarded contingent upon acceptance to a medical school. The amount of the scholarship awarded an individual shall not exceed fifteen thousand dollars per academic year for physicians and four thousand dollars per academic year for midwives and pharmacists. Scholarship awards are intended to meet the eligible financial expenses of eligible students. Students are eligible to receive scholarships for a maximum of five years for physicians and three years for pharmacists and midwives while continually enrolled in an approved medical school, pharmacy school, or midwifery training program. The board may require the sponsoring community located in a nonshortage rural area to financially contribute to the eligible expenses of a medical student if the student will serve in the nonshortage rural area.

NEW SECTION. Sec. 11. The department may provide technical assistance to rural communities desiring to become sponsoring communities. Such assistance should include, but not be limited to: The identification of prospective students, assisting prospective students to apply to medical school, pharmacy school, and midwifery training programs, making formal agreements with prospective medical students to provide future primary care physician services in the community, forming agreements between rural communities in a service area to share physician, pharmacy, and midwifery services, and fulfilling any matching requirements.

NEW SECTION. Sec. 12. In providing health care services the participant shall not discriminate against any person on the basis of the person's ability to pay for such services or because payment for the health care services provided to such persons will be made under the insurance program established under part A or B of Title XVIII of the federal social security act or under a state plan for medical assistance including Title XIX of the federal social security act and agrees to accept assignment under section 18.42(b)(3)(B)(ii) of such act for all services for which payment may be made under part B of Title XVIII and enters into an appropriate agreement with the department of social and health services for medical assistance under Title XIX to provide services to individuals entitled to medical assistance under the plan. Participants found by the board or the department in violation of this section shall be declared ineligible for receiving assistance under the program authorized by this chapter.

NEW SECTION. Sec. 13. (1) Participants in the program incur an obligation to repay the scholarship, with interest set by state law, unless they serve for five years in rural areas, pharmacist shortage areas, or midwife shortage areas of the state of Washington.

(2) The terms of the repayment, including deferral of the interest, shall be consistent with the terms of the federal guaranteed loan program.

(3) The period for repayment shall be three years, with payments accruing quarterly commencing nine months from the date the participant completes or discontinues the course of study or completes or discontinues the required residency.

(4) The entire principal and interest of each payment shall be forgiven for each payment period in which the participant serves in a rural area, pharmacist shortage area, or midwife shortage area until the entire repayment obligation is satisfied or the borrower ceases to so serve. Should the participant cease to serve in a rural area, pharmacist shortage area, or midwife shortage area of this state before the participant's repayment obligation is completed, payments on the unsatisfied portion of the principal and interest shall begin the next payment period and continue until the remainder of the participant's repayment obligation is satisfied. Except for circumstances beyond their control, participants who serve less than five years shall be obliged to repay to the program an amount equal to twice the total amount paid by the program on their behalf in addition to the unsatisfied portion of principal and interest required by this section.

(5) The board is responsible for collection of repayments made under this section and shall exercise due diligence in such collection, maintaining all necessary records to ensure that maximum repayments are made. Collection and servicing of repayments under this section shall be pursued using the full extent of the law, including wage garnishment if necessary, and shall be performed by entities approved for such servicing by the Washington student loan guaranty association or its successor agency. The board is responsible to forgive all or parts of such repayments under the criteria established in this section and shall maintain all necessary records of forgiven payments.

(6) Receipts from the payment of principal or interest or any other subsidies to which the board as administrator is entitled, which are paid by or on behalf of participants under this section, shall be deposited with the board and shall be used to cover the costs of granting the scholarships, maintaining necessary records, and making collections under subsection (5) of this section. The board shall maintain accurate records of these costs, and all receipts beyond those necessary to pay such costs shall be used to grant scholarships to eligible students.

(7) Sponsoring communities who financially contribute to the eligible financial expenses of eligible medical students may enter into agreements with the student to require repayment should the student not serve the minimum of five years in the community as a primary care physician. The board may develop criteria for the content of such agreements with respect to reasonable provisions and obligations between communities and eligible students.

(8) The board may make exceptions to the conditions for participation and repayment obligations should circumstances beyond the control of individual participants warrant such exceptions.

NEW SECTION, Sec. 14. The legislature finds that a shortage of physicians, nurses, pharmacists, and physician assistants exists in rural areas of the state. In addition, many education programs to train these health care providers do not include options for practical training experience in rural settings. As a result, many health care providers find their current training does not prepare them for the unique demands of rural practice.

The legislature declares that the availability of rural training opportunities as a part of professional medical, nursing, pharmacist, and physician assistant education would provide needed practical experience, serve to attract providers to rural areas, and help address the current shortage of these providers in rural Washington.

NEW SECTION, Sec. 15. (1) The department, in consultation with at least the higher education coordinating board, the state board for community college education, the superintendent of public instruction, and state-supported education programs in medicine, pharmacy, and nursing, shall develop a plan for increasing rural training opportunities for students in medicine, pharmacy, and nursing. The plan shall provide for direct exposure to rural health professional practice conditions for students planning careers in medicine, pharmacy, and nursing.

(2) The department and the medical, pharmacy, and nurse education programs shall:

(a) Inventory existing rural-based clinical experience programs, including internships, clerkships, residencies, and other training opportunities available to students pursuing degrees in nursing, pharmacy, and medicine;

(b) Identify where training opportunities do not currently exist and are needed;

(c) Develop recommendations for improving the availability of rural training opportunities;

(d) Develop recommendations on establishing agreements between education programs to assure that all students in medical, pharmacist, and nurse education programs in the state have access to rural training opportunities; and

(e) Review private and public funding sources to finance rural-based training opportunities.

(3) The department shall report to the house of representatives and senate standing committees on health care by December 1, 1990, with their findings and recommendations including needed legislative changes.

NEW SECTION. Sec. 16. The department, in consultation with training programs that lead to licensure in midwifery and certification as a certified nurse midwife, and other appropriate private and public groups, shall develop a state-wide plan to address access to midwifery services.

The plan shall include at least the following: (1) identification of maternity service shortage areas in the state where midwives could reduce the shortage of services; (2) an inventory of current training programs and preceptorship activities available to train licensed and certified nurse midwives; (3) identification of gaps in the availability of training due to such factors as geographic or economic conditions that prevent individuals from seeking training; (4) identification of other barriers to utilizing midwives; (5) identification of strategies to train future midwives such as developing training programs at community colleges and universities, using innovative telecommunications for training in rural areas, and establishing preceptorship programs accessible to prospective midwives in shortage areas; (6) development of recruitment strategies; and (7) estimates of expected costs associated in recruitment and training.

The plan shall identify the most expeditious and cost-efficient manner to recruit and train midwives to meet the current shortages. Plan development and implementation shall be coordinated with other state policy efforts directed toward, but not limited to, maternity care access, rural health care system organization, and provider recruitment for shortage and medically underserved areas of the state.

The department shall submit a copy of the plan to the senate and house of representatives health care committees by December 1, 1990.

NEW SECTION. Sec. 17. By September 1, 1995, the department shall review the continuing need for the program and recommend the need for its continuation. It shall report its findings to the senate and house of representatives committees on health care by December 1, 1995.

NEW SECTION. Sec. 18. A new section is added to chapter 70.175 RCW to read as follows:

The department may develop and implement a rural health care plan and may approve hospital and rural health care facility requests to be designated as essential access community hospitals or rural primary care hospitals so that such facilities may form rural health networks to preserve health care services in rural areas and thereby be eligible for federal program funding and enhanced medicare reimbursement.

NEW SECTION. Sec. 19. After consulting with the higher education coordinating board, the governor may transfer the administration of the rural physician, pharmacist, and midwife scholarship program to another agency with an appropriate educational mission.

PART III

NEW SECTION. Sec. 20. The legislature finds that the residents of rural communities are having difficulties in locating and purchasing affordable health insurance. The legislature further finds that many rural communities have sufficient funds to pay for needed services, but those funds are being expended elsewhere causing insufficient funding of local health services. As part of the solution to this problem, rural communities need to be able to structure the financing of local health services to better serve local residents. The legislature further finds that as rural communities need well financed and organized health care, it is in the interest of residents of rural communities that existing unauthorized entities comply with appropriate fiscal solvency standards and consumer safeguards, and that those entities be given an opportunity to come into compliance with existing state laws.

NEW SECTION. Sec. 21. The insurance commissioner shall establish a committee to recommend to the governor and legislature methods to improve the availability of affordable health insurance or coverage in rural communities. Mr. President:

The House has adopted the Report of the Conference Committee on ENGROSSED SENATE BILL NO. 6411 and has granted said committee the powers of Free Conference.

ALAN THOMPSON, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

RE: ESB 6411

Establishing an employment training program.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the amendments by the House Committee on Trade and Economic Development, as amended, adopted February 28, 1990, not be adopted and the bill be amended as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that demographic and economic changes are causing an increasing shortage of well trained workers within Washington. The working age population is growing at a decreasing rate due to the aging of the post World War II baby boom generation and due to a lower rate of birth. The current economic boom in the state is aggravating this long-term trend by lowering the rate of unemployed individuals seeking work. Because of the developing labor shortage, Washington businesses increasingly need to employ individuals from demographic groups which have been traditionally underrepresented among the employed population. Many of these and other individuals need training in order to have the skills required by employers. Despite economic growth, significant unemployment remains a serious and persistent problem in many areas of the state. By making first rate training available to individuals who lack suitable skills for employment in well-paying careers, the state will enhance employment opportunities for low-income individuals, unemployed persons, dislocated workers, and others enabling more citizens of the state to enjoy our economic prosperity.

The legislature further finds that our state's businesses have a growing need for highly trained workers because of the increasing technological complexity of occupations and due to increasing world market competition. Because of these technical and economic changes, businesses in the future will need to fully utilize the capacities of their workers for skilled, flexible, and intelligent work.

The legislature further finds that the vast majority of the work force for the year 2000 and beyond is already of the age eighteen years or older. For the work force of the future to be well trained will require a first-rate adult training system. This system will need to train those individuals who are entering and reentering the labor market and those individuals already employed who need new or updated skills to meet changing technological and economic conditions. For the training system to be first rate will require a system that is well coordinated between service providers, is accountable for its performance, and is responsive to the needs of businesses and the work force. The legislature recognizes the importance of designing a system of vocational education that can accommodate change and includes program evaluation and coordination. The training system must emphasize training in broad-based skills with long-term career potential. For the state to have a first rate training system requires a thorough study of our present and future training needs; experimentation in new ways of providing training; and leadership and recommendations from representatives of business, workers, and training providers.

The legislature further finds that adults without the basic skills needed for training in job skills are more likely to need unemployment compensation and welfare payments, and to fill our state's correctional institutions. The legislature intends to assess adult educational opportunities in the state for adults lacking basic literacy skills, for adults who have not received a high school diploma, and for adults who have received a high school diploma but whose level of achievement, based on standard measures, indicates that additional basic skills are necessary in order to enter a job training program.

The legislature recognizes that successful implementation of the study recommendations called for in section 4 of this act is directly related to resolving the issue of vocational education governance. Therefore, it is the intent of the legislature that the governance of the first two years of postsecondary education not under the jurisdiction of a four-year institution of higher education be the responsibility of one state agency to provide high quality education, to avoid duplication of programs, and to assure increased access to vocational programs for all students including youth and adults.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this act.

(1) "Basic literacy" means achievement at a tenth grade educational level as measured by standardized tests.

(2) "Council" means the advisory council on investment in human capital.

(3) "Training" means any education, literacy, or skill training or retraining activity that is needed by an individual to begin or continue full participation in the Washington work force.

(4) "Training system" means the network of public and private providers of training, and includes secondary vocational education programs for gainful employment upon completion of a designated program sequence, but not other programs of primary or secondary education.

(5) "Training providers" includes agencies and institutions of secondary vocational education programs for gainful employment upon completion of a designated program sequence, adult education, vocational technical institutes, community colleges, apprenticeship programs, private and public nonprofit organizations that are representative of communities or significant segments of communities and provide job training services, and private for-profit organizations that provide training as their primary service.

(6) "Work force" means all persons of working age including those who are currently gainfully employed and those who are not.

NEW SECTION. Sec. 3. (1) There is created the advisory council on investment in human capital. The council shall consist of six voting members, thirteen nonvoting members, and a nonvoting chairperson. The governor shall appoint the members of the council except for the legislative members. Three of the voting members shall be representatives of business, and three of the voting members shall be representatives of labor. The thirteen nonvoting members shall be a member from each of the two major caucuses in the house of representatives appointed by the speaker of the house, a member from each of the two major caucuses in the senate appointed by the president of the senate, the state superintendent of public instruction or the superintendent's designee, the executive director of the state board for community college education or the director's designee, the commissioner of the department of employment security or the commissioner's designee, the director of the department of labor and industries or the director's designee, a representative of the council of vocational technical institutes, a representative of the general public, a representative of a broad-based coalition of groups providing literacy services, a representative of private or public nonprofit organizations that are representative of communities or significant segments of communities and provide job training services, and a representative of private for-profit organizations which provide job training services as their primary service. The representative of the council of vocational technical institutes shall consult with vocational technical institute directors, instructors, and advisory council members to prepare policies and plans to implement the recommendations called for in section 4(11) of this act. The governor or the governor's designee shall serve as the non-voting chairperson of the council.

(2) The council shall advise the office of financial management concerning the study of training authorized under section 4 of this act.

(3) The council shall advise the office of financial management and other appropriate state agencies concerning the pilot programs established under section 5 of this act.

(4) The council shall make recommendations on changes necessary in state policies for training to the office of financial management and to the governor by December 1, 1990.

(5) The office of financial management and the office of the governor shall provide staff to the council as necessary to carry out the purposes of this act.

(6) The council shall meet as necessary to carry out the purposes of this act, and council members shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060, or 44.04.120.

NEW SECTION. Sec. 4. (1) The office of financial management shall, with the advice of the council, administer a study of the training needs of the state's work force, businesses, and the economy, including an evaluation of the training system. The office of financial management shall complete the study by December 1, 1990, and present the study to the council and governor. For purposes of the study, the office of financial management shall use already existing data whenever appropriate. As necessary, the labor market and economic analysis unit of the department of employment security shall assist the office of financial management with labor market and economic data, and state agencies that provide training shall assist the office of financial management with data on their training programs. The director of the office of financial management may contract for services necessary for the completion of the study, and shall contract for services as necessary to ensure objectivity in evaluating the training system. The study shall include:

(2) An assessment of the employment competency needs of the present Washington work force, including regional and demographic subgroups of the state work force, and projections of these competencies to the year 2010. Employment competency needs shall include, but not be limited to, literacy, basic skills, and vocational skills;

(3) An assessment of the current work force skill needs of Washington businesses and public employers, including subgroups by region, industry, and firm size, and projections of these needs to the year 2010. Work force skill needs shall include, but not be limited to, literacy, basic skills, and vocational skills;

(4) An assessment of the gaps which may exist between the competencies of the work force and the work force skill needs of Washington businesses between now and the year 2010 given current training policies;

(5) An assessment of the characteristics, size, and geographic distribution of Washington population groups which are in need of training between now and the year 2010;

(6) An inventory and analysis of alternative training programs, policies, and funding mechanisms including, but not limited to, financial contributions from businesses, workers, and trainees, which have been proposed or are in use in other states or other nations;

(7) An assessment of current data, information, monitoring, and evaluation systems so that training needs and training providers may be assessed on an ongoing, systematic, objective, and comprehensive basis. This assessment shall include integrating an evaluation component into each of the pilot programs authorized under section 5 of this act;

(8) An inventory and analysis of the current training system in terms of organization, including the governance of vocational technical institutes, coordination, responsiveness, accountability, effectiveness, resources, support services for trainees, including but not limited to child care, and access, including access for subgroups of the population, including but not limited to subgroups by gender, race, ethnicity, and income level, and including an analysis of the job readiness of students graduating from the state's K-12 system who have completed a vocational education designated program sequence for gainful employment, and an inventory of training provided by employers whose primary product is not training;

(9) An analysis of current training programs to enable women and minorities to enter occupations and industries in which women and minorities have traditionally been underrepresented, and ways of improving such training;

(c) Recommendations on who should be assigned responsibility for those duties assigned by statute and delegated by executive order to the coordinating council for occupational education, the commission for vocational education, the state board for vocational education, the job training councils of the employment security department, and the council on vocational education; and

(12) Recommendations for accountability at the state level for the Washington institute of applied technology and alternative methods for governance; and

(13) Recommendations on changes in the training system, including but not limited to ways of improving coordination and integration to meet the present and future needs of the work force, businesses, and the economy.

NEW SECTION. Sec. 5. (1) The office of financial management and the office of the governor, with the advice of the council, shall oversee the pilot programs for job training. The pilot programs shall test means of integrating delivery systems and improving the responsiveness of training providers to the needs of businesses and the work force. Each pilot program shall integrate an evaluation component in conjunction with the study conducted under section 4 of this act.

(2) The state board for community college education shall, in cooperation with the office of financial management, administer pilot programs which provide additional community college training programs incorporating new means of responding to the needs of businesses and the work force. Under this pilot program the vocational technical institutes shall provide two hundred thousand additional hours of adult education instruction.

(6) If all the pilot programs in subsections (2) through (5) of this section are not funded in the 1990 supplemental omnibus appropriations act, the advisory council shall recommend to the governor how to prioritize the pilot projects under this section, and shall also recommend the level of funding for each pilot project.

NEW SECTION. Sec. 6. (1) The legislature finds that school districts may provide vocational education programs for students more effectively through cooperatives using existing district facilities, facilities at work sites, and facilities including but not limited to mobile instructional units, distance learning, and computers, without the need to construct separate facilities. It is the intent of the legislature to encourage such cooperatives among school districts on a demonstration basis.

(2) The superintendent of public instruction may establish a grant award program to establish demonstration vocational cooperatives for the purposes of subsections (1) through (7) of this section. Grants may be awarded for not more than three projects. The cooperatives approved should include projects in urban and rural areas and districts of varying characteristics and size.

The demonstration vocational cooperative projects shall begin with the 1990-91 school year. The grant awards may be continued for up to five years if the funds are so provided.

(5) The grant awards for such demonstration vocational cooperatives shall be based on an allocation which includes:

- (a) The same amount as would be calculated pursuant to RCW 28A.41.140 for a skill center with the same full time equivalent enrollment; and
- (b) An amount to compensate the serving districts for costs to administer the cooperatives pursuant to standards established by the superintendent of public instruction.

(6) Following the completion of each year of operation, each demonstration vocational cooperative shall submit an evaluation of the cooperative program to the superintendent of public instruction in accordance with requirements of the superintendent. On or before July 1, 1992, the superintendent of public instruction shall submit a report to the education committees and the economic development committees of the house of representatives and the senate including the cooperative evaluations and recommendations concerning the continuation of this program.

(7) The superintendent of public instruction shall adopt rules under chapter 34.05 RCW if necessary to implement the superintendent's duties under subsections (1) through (6) of this section.

MOTION

Senator Newhouse moved that the Senate do recede from its amendments to House Bill No. 2555.

Senator Rasmussen: "A parliamentary inquiry, Mr. President. Where do we stand where you have ruled that it is all right and the Speaker has ruled that it is all wrong?"

REPLY BY THE PRESIDENT

President Pritchard: "Each House is autonomous. I can make a ruling and that is one thing and he makes a ruling, but I ruled one way and he ruled another way."

President Pritchard: "Certainly."

POINT OF INQUIRY

Senator Rasmussen: "Senator Newhouse, what if we insist on our position and send it back there and tell them to take another look?"

Senator Newhouse: "Procedurally, Senator Rasmussen, that if the President rules the amendments out of order in either House, the other House refuses to recede, the bill comes back there with the amendments still on and the agreement is that they are immediately referred to the committee. In other words, they are dead for this session--in either House that happens."

Senator Rasmussen: "We still could vote to insist, as I understand it."

The court may require periodic adjustments of support. The adjustment provision may be modified by the court due to economic hardship.

Sec. 2. Section 17, chapter 157, Laws of 1973 1st ex. sess. as last amended by section 3, chapter 416, Laws of 1989 and RCW 26.09.170 are each amended to read as follows:

Except as provided in section 12 of this act, the provisions of this section do not apply to modification actions pursuant to section 12 of this act.

(1) Except as otherwise provided in subsection (7) of RCW 26.09.070, the provisions of any decree respecting maintenance or support may be modified only as to installments accruing subsequent to the motion for modification and, except as otherwise provided in subsection (4) or (5) of this section, only upon a showing of a substantial change of circumstances. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the parent obligated to support the child.

(4) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a party requests an adjustment in an order for child support which was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based;

(c) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(d) To add an automatic adjustment of support provision consistent with RCW 26.09.100.

(5) An order or decree entered prior to June 7, 1984, may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require health insurance coverage for a child named therein; or

(b) Modify an existing order for health insurance coverage.

(6) An obligor's voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department of social and health services may file an action to modify an order of child support if public assistance money is being paid to or for the benefit of the child and the child support order is twenty-five percent or more below the appropriate child support amount set forth in the ~~((adopted))~~ child support schedule and reasons for the deviation are not set forth in the findings of fact or order. The determination of twenty-five percent or more shall be based on the current income of the parties and the department shall not be required to show a substantial change of circumstances if the reasons for the deviations were not set forth in the findings of fact or order.

Sec. 3. Section 2, chapter 430, Laws of 1987 and RCW 26.09.175 are each amended to read as follows:

(1) A proceeding for the modification of an order of child support shall commence with the filing of a petition ~~((and))~~, a supporting financial affidavit, and worksheets. The petition and affidavit shall be in substantially the form prescribed by the administrator for the courts. There shall be a fee of twenty dollars for the filing of a petition for modification of dissolution.

(2) The petitioner shall serve upon the other party the summons, a copy of the petition and affidavit, and a blank copy of a financial affidavit and the worksheets in the form prescribed by the administrator for the courts. If the modification proceeding is the first action filed in this state, service shall be made by personal service. If the decree to be modified was entered in this state, service shall be by personal service or by any form of mail requiring a return receipt. If the support obligation has been assigned to the state pursuant to RCW 74.20.330 and notice has been filed with the court, the summons, petition, ~~((and))~~ affidavit, and worksheets shall also be served on the ~~((office of support enforcement))~~ attorney general. Proof of service shall be filed with the court.

(3) The responding party's answer and completed financial affidavit and worksheets shall be served and the answer filed within twenty days after service of the petition or sixty days if served out of state. The responding party's failure to file an answer within the time required shall result in entry of a default judgment for the petitioner.

(4) At any time after responsive pleadings are filed, either party may schedule the matter for hearing.

(5) Unless both parties stipulate to arbitration or the presiding judge authorizes oral testimony pursuant to subsection (6) of this section, a petition for modification of an order of child support shall be heard by the court on affidavits only.

(6) A party seeking authority to present oral testimony on the petition to modify a support order shall file an appropriate motion not later than ten days after the time of notice of hearing. Affidavits and exhibits setting forth the reasons oral testimony is necessary to a just adjudication of the issues shall accompany the petition. The affidavits and exhibits must demonstrate the extraordinary features of the case. Factors which may be considered include, but are not limited to: (a) Substantial questions of credibility on a major issue; (b) insufficient or inconsistent discovery materials not correctable by further discovery; or (c) particularly complex circumstances requiring expert testimony.

(7) The administrator for the courts shall develop and prepare, in consultation with interested persons, model forms or notices for the use of the procedure provided by this section, including a notice advising of the right of a party to proceed with or without benefit of counsel.

Sec. 4. Section 2, chapter 275, Laws of 1988 and RCW 26.19.010 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) ~~("Child support schedule" means the standards and economic table adopted by the commission;~~

~~(2) 'Standards' means the standards for determination of child support which have been adopted by the commission, as modified by the legislature;~~

~~(3) 'Economic table' means the child support table for the basic support obligation which has been adopted by the commission;~~

~~(4) 'Worksheets' means the forms adopted by the commission for use in determining the amount of child support;~~

~~(5) 'Instructions' means the instructions adopted by the commission for use in completing the worksheets;~~

~~(6) 'Commission' means the Washington state child support schedule commission established by RCW 26.19.030; and~~

~~(7)) 'Basic child support obligation' means the monthly obligation determined from the economic table based on the parties combined monthly net income.~~

~~(2) 'Standard calculation' means the amount of child support which is owed as determined from the worksheets before any deviation is considered.~~

~~(3) 'Transfer payment' means the court ordered amount one parent is obligated to pay to the other parent for child support.~~

Sec. 5. Section 6, chapter 275, Laws of 1988 and RCW 26.19.050 are each amended to read as follows:

(1) The ~~((commission))~~ administrator for the courts shall develop and adopt worksheets and instructions to assist the parties and courts in establishing the appropriate child support level and apportionment of support. The ~~((commission))~~ administrator for the courts shall attempt to the greatest extent possible to make the worksheets and instructions understandable by persons who are not represented by legal counsel.

(2) The administrator for the courts~~((in consultation with the commission.))~~ shall develop and adopt standards for the printing of worksheets and shall establish a process for certifying printed worksheets. ~~((The administrator shall not alter the design approved by the commission.))~~ The administrator may maintain a register of sources for approved worksheets.

(3) The administrator for the courts should explore methods to assist pro se parties and judges in the courtroom to calculate support payments through automated software, equipment, or personal assistance.

NEW SECTION. Sec. 6. A new section is added to chapter 26.19 RCW to read as follows:

(1) In any proceeding under this title or Title 13 or 74 RCW in which child support is at issue, support shall be determined and ordered according to this chapter. The standards and economic table for determining child support and reasons for deviation therefrom shall be applied in the same manner by the court, presiding officers, and reviewing officers. References to the court also incorporates the presiding and reviewing officers who administratively determine or enforce child support orders.

(2) An order for child support shall be supported by written findings of fact upon which the support determination is based and shall include reasons for any deviation from the standard calculation.

(3) All income and resources of each parent's household shall be disclosed and shall be considered by the court when the child support obligation of each parent is determined. Tax returns for the preceding three years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(4) Worksheets in the form developed by the administrator for the courts shall be completed under penalty of perjury and filed in every proceeding in which child support is determined. The court shall not accept incomplete worksheets or worksheets that vary from the worksheets developed by the administrator for the courts.

(5) Unless specific reasons for deviation are set forth in the written findings of fact or order and are supported by the evidence, the court shall order each parent to pay the amount of child support determined using the standard calculation.

(6) The court shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. The worksheet on which the order is based shall be initialed or signed by the judge and filed with the order.

NEW SECTION. Sec. 7. A new section is added to chapter 26.19 RCW to read as follows:

(1) The basic child support obligation derived from the economic table shall be allocated between the parents based on each parent's share of the combined monthly net income.

(2) Ordinary health care expenses are included in the economic table. Health care expenses that exceed five percent of the basic support obligation shall be considered extraordinary health care expenses. Extraordinary health care expenses shall be shared by the parents in the same proportion as the basic child support obligation.

(3) Day care and special child rearing expenses, such as tuition and long-distance transportation costs to and from the parents for visitation purposes, are not included in the economic table. These expenses shall be shared by the parents in the same proportion as the basic child support obligation and shall be listed as a specific dollar amount.

(4) The court may exercise its discretion to determine the necessity for and the reasonableness of all expenses in this section.

NEW SECTION. Sec. 8. (1) Except as otherwise provided in this section, monthly gross income for child support purposes shall include income from any source, including: Salaries, wages, commissions, deferred compensation, bonuses, mandatory overtime, dividends, interest, trust income, severance pay, annuities, capital gains, pension retirement benefits, social security retirement benefits, workers' compensation, unemployment benefits, and spousal maintenance that is actually received.

(2) The court shall deduct the following from gross income: Federal and state income taxes, federal insurance contributions act deductions, mandatory pension plan payments, mandatory union or professional dues, court-ordered spousal maintenance to the extent actually paid, up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the three consecutive years prior to the filing of the dissolution, and court-ordered payments of child support for children from other relationships to the extent actually paid. All items excluded from income shall be disclosed in the worksheet.

(3) The court may deduct normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

(4) The following resources shall be disclosed, shall not be included in gross income, and shall not be reason to deviate from the standard calculation: Aid to families with dependent children, supplemental security income, general assistance, veterans aid and attendance allowance, and food stamps.

(5) The following income shall be disclosed, shall not be included in gross income, but may be a reason to deviate from the standard calculation:

(a) Income of a new spouse or income of other adults in the household;

(b) Child support received from other relationships; and

(c) Except to the extent that income exceeds the average income from that source for two years immediately prior to the filing of a petition or modification action under chapter 26.09, 26.10, or 26.26 RCW, voluntary overtime pay above one hundred sixty-eight hours per month, income from employment in excess of forty hours per week to the extent derived from a second job, nonrecurring bonuses, contract related cash benefits, gifts, and prizes.

(6) (a) Children from relationships other than the relationship of the parties before the court shall not be counted for determining the number of children in the family for purposes of calculating the basic support obligation. The court may not consider, for purposes of deviation in calculating the amount of child support payable, any children for whom the court has allowed a deduction from gross income for court-ordered child support payments.

(b) The court may consider deviating from the presumptive basic support obligation when there are children from other relationships and the court has not allowed a deduction from gross income for payments of child support for those children pursuant to subsection (3) of this section. Deviations under this section from the presumptive basic support obligation due shall be based on consideration of the total circumstances of both households.

(7) The court shall consider the residential schedule and may deviate from the standard calculation if the child spends a significant amount of time with the parent who is obligated to make the transfer payment. The court shall not use this subsection to restrict either parent's contact or visitation with the child or children.

Absent agreement between the parents, the parent seeking the adjustment based on contact with the child shall have the burden to show by a preponderance of the evidence the requested adjustment is consistent with the parent's actual past involvement with the child. The support payment should not be reduced if the reduction will result in insufficient funds in the house receiving the support to meet the basic needs of the child or the child is receiving aid to families with dependent children payments.

(8) Additional reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit as a result of the tax planning.

(9) The court shall enter findings which specify reasons for any deviations from the standard calculation made by the court.

(10) Agreement of the parties is not by itself adequate reason for deviation from the standard calculation.

(11) Neither parent's total child support obligation shall exceed fifty percent of net income unless good cause is shown. Good cause may include possession of substantial wealth, children with day care expenses, special medical, educational, psychological needs, and larger families.

(12) The court shall impute income to a parent when the parent is voluntarily underemployed or voluntarily unemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's work history. A parent

shall not be deemed voluntarily underemployed as long as that parent is gainfully employed on a full-time basis. Income shall not be imputed for an unemployable parent.

NEW SECTION, Sec. 9. A new section is added to chapter 26.19 RCW to read as follows:

The child support schedule shall be advisory and not mandatory for postsecondary educational support. When considering whether to order support for postsecondary educational expenses, the court shall determine whether the child is in fact dependent and is relying upon the parents for the reasonable necessities of life. The court shall exercise its discretion when determining whether and for how long to award postsecondary educational support based upon consideration of factors that include but are not limited to the following: Age of the child; the child's needs; the expectations of the parties for their children when the parents were together; the child's prospects, desires, aptitudes, abilities or disabilities; the nature of the postsecondary education sought; and the parents' level of education, standard of living, and current and future resources. Also to be considered are the amount and type of support that the child would have been afforded if the parents had stayed together. The child must be enrolled in school, actively pursuing a course of study, and in good academic standing as defined by the institution or the court-ordered postsecondary educational support may be automatically suspended during the period or periods the child fails to comply with these conditions. The court in its discretion may order that the payment be made directly to the parent who has been receiving the transfer payments, to the educational institution if feasible, or to the child. The court shall not order the payment of postsecondary educational expenses beyond the child's twenty-third birthday, except for exceptional circumstances, such as mental, physical, or emotional disabilities.

NEW SECTION, Sec. 10. A new section is added to chapter 26.19 RCW to read as follows:

The parties may agree which parent is entitled to claim the child or children as dependents for federal income tax exemptions. The court may award the exemption or exemptions and order a party to sign the federal income tax dependency exemption waiver. The court may divide the exemptions between the parties, alternate the exemptions between the parties, or both.

NEW SECTION, Sec. 11. A new section is added to chapter 26.19 RCW to read as follows:

(1) When combined monthly net income is less than six hundred dollars, a support order not less than twenty-five dollars per month shall be entered for each parent, regardless of the number of children. A parent's child support obligation shall not reduce his or her net income below the need standard for one person promulgated pursuant to RCW 74.04.770, except for the mandatory minimum payment of twenty-five dollars per month as required by this subsection or in cases where the court finds reasons for deviation under section 8(8) of this act. This section shall not be construed to require monthly substantiation of income.

(2) The presumptive basic support obligation shall be determined upon the combined monthly net income of the parents up to a cap of five thousand dollars combined net income per month. The table is not presumptive but advisory only for combined monthly net incomes above five thousand dollars.

(3) When combined monthly net income exceeds the highest combined monthly net income for which a presumptive amount of support is established, child support shall not be set at a level lower than that amount from the table but the court has discretion to establish support at higher levels upon written finding of fact.

(4) The provisions of this chapter shall apply to adult children who are dependent on their parents and for whom support is ordered pursuant to RCW 26.09.100.

NEW SECTION, Sec. 12. A new section is added to chapter 26.09 RCW to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, all child support decrees may be adjusted once every twenty-four months pursuant to this chapter based upon changes in the income of the parents without a showing of substantially changed circumstances. Either party may initiate the modification pursuant to procedures of RCW 26.09.175.

(2) Parents whose decrees are entered before the effective date of this act may petition the court for a modification after twelve months has expired from the entry of the decree or the most recent modification setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection (1) of this section.

(3) A party may petition for modification in cases of substantially changed circumstances, under RCW 26.09.170, at any time. However, if relief is granted under RCW 26.09.170, twenty-four months must pass before a petition for modification under subsection (1) of this section may be filed.

(4) If, pursuant to subsection (1) of this section, the court modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection (1) of this section may be filed.

(5) A parent who is receiving transfer payments who receives a wage or salary increase may not bring a modification action pursuant to subsection (1) of this section alleging that increase constitutes a substantial change of circumstances under RCW 26.09.170.

Sec. 13. Section 2407, Code of 1881 as amended by section 1, chapter 207, Laws of 1969 ex. sess. and RCW 26.16.205 are each amended to read as follows:

The expenses of the family and the education of the children, including stepchildren, are chargeable upon the property of both husband and wife, or either of them, and ~~((in relation thereto))~~ they may be sued jointly or separately ~~((PROVIDED, That with regard to stepchildren, the obligation shall cease upon the termination of the relationship of husband and wife))~~. When a petition for dissolution of marriage or a petition for legal separation is filed, the court may, upon motion of the stepparent, terminate the obligation to support the stepchildren. The obligation to support stepchildren shall cease upon the entry of a decree of dissolution, decree of legal separation, or death.

NEW SECTION. Sec. 14. A new section is added to chapter 26.19 RCW to read as follows:

(1) Day care, extraordinary health care, long-distance transportation costs, and special child-rearing expenses such as tuition are not included in the basic support obligation for each child. These expenses shall be shared by the parents in the same proportion as the basic child support obligation and may be listed as a specific dollar amount or as a percentage amount subject to the verification requirements pursuant to subsection (2) of this section.

(2) (a) If a sum certain is established for day care and is set forth in the decree, the parent making the transfer payment is entitled to proof of the amount paid for day care. The parent making the transfer payment is responsible for the appropriate percentage of the actual amount paid, not to exceed the proper share of the amount as set forth in the decree. The transfer payment for day care must be made in advance if the day care amount is set forth in the decree or is a regularly paid amount in a sum certain. If an amount is not specified in the decree or a regular sum certain, reimbursement of day care expenses shall be treated in the same manner as reimbursement for transportation costs, extraordinary health care, and other extraordinary expenses.

(b) For transportation costs, extraordinary health care costs, and other extraordinary expenses of the children specified in the decree, the parent paying these expenses shall be entitled to prompt reimbursement of the other parent's share of those expenses. Proof of the expenditure shall be furnished to the parent from whom reimbursement is sought. Reimbursement must be made promptly but not later than thirty days of receipt of proof of payment of these expenditures.

(3) (a) If reimbursement is not made within the thirty-day period or is incomplete due to a nonsufficient fund check or other failure to pay, the parent seeking reimbursement may by motion obtain an order compelling payment with statutory interest. If a parent requests proof of payment and it is not provided within thirty days the party may move to compel production of the documents. The court shall award actual court costs and reasonable attorneys' fees to the prevailing party in every motion filed under this section except upon a showing of good cause for nonpayment.

(b) Wage assignment orders may be obtained pursuant to chapter 26.18 RCW to collect court-ordered basic child support, day care, extraordinary health care, long-distance transportation costs, or other extraordinary expenses, attorneys' fees, court costs, or any other item ordered by the court. A parent to whom basic child support, day care, extraordinary health care, long-distance transportation costs, or other extraordinary expenses are to be paid based on a percentage share of the costs, may by motion obtain a court order reducing the amounts owed to a sum certain and then enforce collection of that amount by a wage assignment order.

Sec. 15. Section 2, chapter 164, Laws of 1971 ex. sess. as last amended by section 1, chapter 55, Laws of 1989 and by section 151, chapter 175, Laws of 1989 and RCW 74.20A.020 are each reenacted and amended to read as follows:

(2) The enactment of the 1987 revisions to this chapter does not constitute substantially changed circumstances for the purposes of modifying decrees entered under this chapter in actions commenced prior to January 1, 1988, involving child custody, visitation, or child support. ~~((Am))~~ Any action to modify any decree involving child custody, visitation, child support, or a parenting plan ~~((which was commenced after December 31, 1987))~~ shall be governed by the ~~((1987 revisions to))~~ provisions of this chapter.

(2) When the social security administration pays social security disability dependency benefits on behalf of or on account of the child or children of the disabled person, the amount of compensation paid for the children shall be treated for all purposes as if the disabled person paid the compensation toward satisfaction of the disabled person's child support obligation.

(3) Under no circumstances shall the person who has the obligation to make the transfer payment have a right to reimbursement of any compensation paid under subsection (1) or (2) of this section.

Sec. 18. Section 17, chapter 460, Laws of 1987 and RCW 26.09.225 are each amended to read as follows:

Each parent shall have full and equal access to the education and ~~((medical))~~ health care records of the child absent a court order to the contrary.

Sec. 19. Section 3, chapter 275, Laws of 1988 as amended by section 76, chapter 175, Laws of 1989 and RCW 26.19.020 are each amended to read as follows:

~~((1))~~(a) Except as provided in (b) of this subsection, in any proceeding under this title or Title 13 or 74 RCW in which child support is at issue, support shall be determined and ordered according to the child support schedule adopted pursuant to RCW 26.19.040:

(b)) If approved by a majority vote of the superior court judges of a county, the superior court may adopt by local court rule an economic table that shall be used by the superior court of that county, instead of the economic table adopted by the commission, to determine the

appropriate amount of child support. The economic table adopted by the superior court shall not vary by more than twenty-five percent from the economic table adopted by the commission and shall not vary the economic table for combined monthly net income of two thousand five hundred dollars or less.

~~((2) An order for child support shall be supported by written findings of fact upon which the support determination is based:~~

~~(4) Worksheets in the form approved by the commission shall be completed and filed in every proceeding in which child support is determined. Variations of the worksheets shall not be accepted:~~

~~(5) Unless specific reasons for deviation are set forth in the written findings of fact or order and are supported by the evidence, the court or the presiding or reviewing officer shall order each parent to pay the amount of child support determined using the standard calculation:~~

~~(6) The court or the presiding or reviewing officer shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit. Agreement of the parties, by itself, is not adequate reason for deviation.))~~

Sec. 20. Section 2, chapter 440, Laws of 1987 as amended by section 5, chapter 275, Laws of 1988 and RCW 26.19.040 are each amended to read as follows:

~~((H)) The schedule proposed by the commission in its report dated January 26, 1988, shall take effect July 1, 1988. The schedule shall remain in effect until revised ((under this section: The commission shall review the schedule and propose changes as needed each even-numbered year:~~

~~(2) The commission shall review the schedule and recommended revisions based upon:~~

~~(a) Updated economic data which accurately reflects family spending and child rearing costs for families of different sizes and income levels in the state of Washington;~~

~~(b) Appropriate adjustments for significant changes in child rearing costs at different age levels;~~

~~(c) The need for funding of the child's primary residence by a payment which is sufficient to meet the basic needs of the child;~~

~~(d) Provisions for health care coverage and, when needed, child care payments; and~~

~~(e) The support amount shall be based on the child's age, the parent's combined income, and the family size. Family size shall mean all children for whom support is to be established.~~

~~(a) The type, net or gross, and sources of income on which support amounts shall be based;~~

~~(4) Any proposed revisions to the schedule shall be submitted to the legislature no later than November 1st of each even-numbered year.~~

~~(5) If the commission fails to propose revisions to the schedule, the existing schedule shall remain in effect, unless the legislature refers the schedule to the commission for modification or adopts a different schedule. ~~(6) The legislature may adopt the proposed schedule or refer the proposed schedule to the commission for modification. ~~(7) If the legislature refers the proposed schedule to the commission for modification on or before March 1st, the commission shall resubmit the proposed modifications to the legislature no later than March 15th. Sec. 21. Section 25, chapter 183, Laws of 1973 1st ex. sess. as last amended by section 152, chapter 175, Laws of 1989 and RCW 74.20A.055 are each amended to read as follows:

(1) The secretary may, in the absence of a superior court order, serve on the responsible parent or parents a notice and finding of financial responsibility requiring a responsible parent

or parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future for such period of time as the child or children of said responsible parent or parents are in need. The hearing shall be held pursuant to RCW 74.20A.055, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to file an application for an adjudicative proceeding. The application shall be served upon the department by registered or certified mail or personally. If no such application is made, the notice and finding of responsibility shall become final, and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely application is made, the execution of notice and finding of responsibility shall be stayed pending the entry of the final administrative order. If no timely written application has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely application. The filing of the petition for an adjudicative proceeding after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of an application after the twenty-day period operates as a stay on any future collection action, pending entry of the final administrative order. Moneys withheld as a result of collection action in effect at the time of the granting of the application after the twenty-day period shall be delivered to the department and shall be held in trust by the department pending entry of the final administrative order. The department may petition the presiding or reviewing officer to set temporary current and future support to be paid beginning with the month in which the application after the twenty-day period is granted. The presiding or reviewing officer shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the child support schedule adopted under RCW 26.19.040. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the presiding or reviewing officer, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the adjudicative proceeding or thereafter to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the adjudicative proceeding shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final administrative order is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent's past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the need alleged. The notice and finding shall also include a statement of the name of the recipient or custodian and the name of the child or children for whom need is alleged; and/or a statement of the amount of periodic future support payments as to which financial responsibility is alleged.

(4) The notice and finding shall include a statement that the responsible parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future.

The notice and finding shall include a statement that, if the responsible parent fails in timely fashion to file an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt shall be subject to collection action; a statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver to satisfy the debt.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible

parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule adopted under RCW 26.19.040 in making these determinations, the presiding or reviewing officer shall comply with ~~((RCW 26.19.020 (4), (5), and (6)))~~ the restrictions set forth in chapter 26.19 RCW.

If the responsible parent fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action.

(6) The final order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order: PROVIDED, That in the absence of a superior court order, either the responsible parent or the department may petition the secretary or his designee for issuance of an order to appear and show cause based on a showing of good cause and material change of circumstances, to require the other party to appear and show cause why the order previously entered should not be prospectively modified. Said order to appear and show cause together with a copy of the petition and affidavit upon which the order is based shall be served in the manner of a summons in a civil action or by certified mail, return receipt requested, on the other party by the petitioning party. Prospective modification may be ordered, but only upon a showing of good cause and material change of circumstances.

(7) The presiding or reviewing officer shall order support payments under the child support schedule adopted under RCW 26.19.040.

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

(9) 'Need' as used in this section shall mean the necessary costs of food, clothing, shelter, and medical attendance for the support of a dependent child or children. The amount determined by reference to the child support schedule adopted under RCW 26.19.040, shall be a rebuttable presumption of the alleged responsible parent's ability to pay and the need of the family: PROVIDED, That such responsible parent shall be presumed to have no ability to pay child support under this chapter from any income received from aid to families with dependent children, supplemental security income, or continuing general assistance.

NEW SECTION, Sec. 22. (1) The administrator for the courts shall develop a child support order summary report form to provide for the reporting of summary information in every case in which a child support order is entered or modified either judicially or administratively. The administrator for the courts shall attempt to the greatest extent possible to make the form simple and understandable by the parties. The form shall indicate the following:

- (a) The county in which the order was entered;
- (b) Whether it was a judicial or administrative order;
- (c) Whether the order is an original order or from a modification;
- (d) The number of children of the parties and the children's ages;
- (e) The combined monthly net income of parties;
- (f) The monthly net income of the father as determined by the court;
- (g) The monthly net income of the mother as determined by the court;
- (h) The basic child support obligation for each child as determined from the economic table;
- (i) Whether or not the court deviated from the child support for each child;
- (j) The reason or reasons stated by the court for the deviation;
- (k) The amount of child support after the deviation;
- (l) Any amount awarded for day care;
- (m) Any other extraordinary amounts in the order;
- (n) Any amount ordered for postsecondary education;
- (o) The total amount of support ordered;
- (p) In the case of a modification, the amount of support in the previous order;
- (q) If the change in support was in excess of thirty percent, whether the change was phased in;
- (r) The amount of the transfer payment ordered;
- (s) Which parent was ordered to make the transfer payment; and
- (t) The date of the entry of the order.

(2) The administrator for the courts shall make the form available to the parties.

NEW SECTION, Sec. 23. A new section is added to chapter 26.09 RCW to read as follows:

The party seeking the establishment or modification of a child support order shall file with the clerk of the court the child support order summary report. The summary report shall be on the form developed by the administrator for the courts pursuant to section 22 of this act. The party must complete the form and file the form with the court order. RE: ESSB 6434

Enhancing bicycle safety.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That all previous amendments not be adopted and the bill be amended as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. A new section is added to chapter 43.43 RCW to read as follows:

Bicycling is popular for all ages. Almost all families now have bicycles. Bicycling takes more skill than most people realize. Since bicyclists have a low profile in traffic and are unprotected, they need more defensive riding skills than motorists do.

A bicycle awareness program is created within the Washington state patrol. In developing the curriculum for the bicycle awareness program the patrol shall consult with the traffic safety commission and with bicycling groups currently providing bicycle safety education. The patrol shall conduct the program in conjunction with the safety education officer program and may use other law enforcement personnel and volunteers to implement the program for children in grades kindergarten through six. The patrol shall ensure that each safety educator presenting the bicycle awareness program has received specialized training in bicycle safety education and has been trained in effective defensive bicycle riding skills.

Sec. 2. Section 46.04.670, chapter 12, Laws of 1961 as amended by section 4, chapter 213, Laws of 1979 ex. sess. and RCW 46.04.670 are each amended to read as follows:

"Vehicle" includes every device capable of being moved upon a public highway and in, upon, or by which any persons or property is or may be transported or drawn upon a public highway, ~~((excepting))~~ including bicycles, but not including devices other than bicycles moved by human or animal power or used exclusively upon stationary rails or tracks, except that mopeds shall be considered vehicles or motor vehicles for the purposes of chapter 46.12 RCW, but not for the purposes of chapter 46.70 RCW, and bicycles shall not be considered vehicles for the purposes of chapter 46.12 or 46.70 RCW.

Sec. 3. Section 92, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.990 are each amended to read as follows:

Sections 1 through 52 and 54 through 86 of ~~((this amendatory act))~~ chapter 155, Laws of 1965 ex. sess. are added to chapter 12, Laws of 1961 and shall constitute a new chapter in Title 46 of the Revised Code of Washington and sections 54, 55, and 63 as herein amended and RCW 46.48.012, 46.48.014, 46.48.015, 46.48.016, 46.48.023, 46.48.025, 46.48.026, 46.48.041, 46.48.046, 46.48.050, 46.48.060, 46.48.080, 46.48.110, 46.48.120, 46.48.150, 46.48.160, 46.48.340, 46.56.030, 46.56.070, 46.56.100, 46.56.130, 46.56.135, 46.56.190, 46.56.200, 46.56.210, 46.56.220, 46.56.230, 46.56.240, 46.60.260, 46.60.270, 46.60.330, and 46.60.340 shall be recodified as and be a part of said chapter. The sections of the new chapter shall be organized under the following captions: "OBEDIENCE TO AND EFFECT OF TRAFFIC LAWS", "TRAFFIC SIGNS, SIGNALS AND MARKINGS", "DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING—USE OF ROADWAY", "RIGHT OF WAY", "PEDESTRIANS' RIGHTS AND DUTIES", "TURNING AND STARTING AND SIGNALS ON STOPPING AND TURNING", "SPECIAL STOPS REQUIRED", "SPEED RESTRICTIONS", "RECKLESS DRIVING, DRIVING WHILE INTOXICATED AND NEGLIGENT HOMICIDE BY VEHICLE", "STOPPING, STANDING AND PARKING", "MISCELLANEOUS RULES", and "OPERATION OF ~~((BICYCLES AND PLAY))~~ NONMOTORIZED VEHICLES". Such captions shall not constitute any part of the law.

NEW SECTION, Sec. 4. The installation of painted reflective stripes along the right edge of roadways can enhance both bicycle and pedestrian safety, but certain types of reflective materials, such as raised pavement markers can cause bicyclists to lose control of their vehicles and fall into the path of oncoming motor vehicle traffic. Therefore it is appropriate to develop uniform guidelines for the installation of reflective edgestripes along urban and rural arterials.

NEW SECTION, Sec. 5. A new section is added to chapter 47.36 RCW to read as follows:

The department of transportation shall, by January 1, 1991, adopt uniform edgestripping standards for principal and minor arterials and collector streets that do not have curbs or sidewalks and are inside urbanized areas or in other areas deemed appropriate by the department. Such arterial and collector streets shall be edgestriped in accordance with the standards by July 1, 1993. The standards shall not require edgestripping in any situation where the result would be a remaining lane width of eight feet, six inches or less.

For the purposes of this section, "urbanized area" means an area designated as such by the United States bureau of census and having a population of more than fifty thousand. Other jurisdictions which install edgestripping material shall do so in a manner not in conflict with the uniform state standard.

Sec. 6. Section 46.37.480, chapter 12, Laws of 1961 as last amended by section 6, chapter 227, Laws of 1988 and RCW 46.37.480 are each amended to read as follows:

(1) No person shall drive any motor vehicle equipped with any television viewer, screen, or other means of visually receiving a television broadcast which is located in the motor vehicle at any point forward of the back of the driver's seat, or which is visible to the driver while operating the motor vehicle.

(2) No person shall operate any bicycle or motor vehicle on a public highway while wearing any headset or earphones connected to any electronic device capable of receiving a radio broadcast or playing a sound recording for the purpose of transmitting a sound to the human auditory senses and which headset or earphones muffle or exclude other sounds to both ears. This subsection does not apply to students and instructors participating in a Washington state motorcycle safety program.

(3) This section does not apply to authorized emergency vehicles.

NEW SECTION, Sec. 7. A new section is added to chapter 43.59 RCW to read as follows:

Bicycling is increasing in our state. What used to be simply a children's activity is now a common form of transportation and recreation for children, adults, and families. Increased bicycling has many benefits: It is healthy, nonpolluting, energy efficient, and does not cause wear to the road system. Bicycling is an enjoyable activity that people with a wide range of physical abilities can share. The creation of the state bicycle program specified in section 10 of this act is essential to further the benefits of bicycling to the residents of the state.

NEW SECTION, Sec. 8. A new section is added to chapter 43.59 RCW to read as follows:

(1) The Washington state traffic safety commission is responsible for the initiation and operation of a bicycle program.

(2) To assist the commission in the operation of the bicycle program, a full-time staff position of state bicycle coordinator is established.

(3) The state bicycle coordinator shall coordinate bicycle safety related programs and bicycle tourism programs in all state agencies, encourage the use of bicycling for transportation, assist the department of transportation, and the cities and counties of the state in prioritizing, programming, and developing bicycle-related projects.

NEW SECTION, Sec. 9. A new section is added to chapter 43.59 RCW to read as follows:

The state bicycle coordinator shall:

(1) Gather bicycle program information and resources;

(2) Plan bicycle programs;

(3) Work with other state agencies to develop bicycle programs;

(4) Provide assistance in revising and updating superintendent of public instruction and state patrol bicycle material;

(5) Develop a grant program to distribute funds to local agencies in areas with high bicycle accident rates to create bicycle programs;

(6) Promote the use of bicycle transportation in this state; and

(7) Promote the use of bicycle helmets and other bicycle safety equipment.

NEW SECTION, Sec. 10. A new section is added to chapter 46.61 RCW to read as follows:

(1) After July 1, 1991, it is unlawful:

(a) For a person under the age of sixteen years to operate or ride upon a bicycle not powered by motor on a state highway, county road, city street, or a public sidewalk adjacent to the foregoing unless wearing a protective helmet of a type certified to meet the requirements of standard Z-90.4 of the American National Standards Institute or such subsequent nationally recognized standard for bicycle helmet performance as the state patrol may adopt by rule. The helmet must be equipped with either a neck or chin strap which shall be fastened securely while the cycle is in motion;

(b) For a person to transport a person under the age of sixteen years upon a bicycle or any other cycle not powered by motor on a state highway, county road, city street, or a public sidewalk adjacent to the foregoing unless the person transported is wearing a helmet that meets the requirements in (a) of this subsection;

(c) For the guardian of a person under the age of sixteen years to knowingly allow that person to operate or ride upon a bicycle or any other cycle not powered by motor on a state highway, county road, city street, or a public sidewalk adjacent to the foregoing unless that person is wearing a helmet that meets the requirements in (a) of this subsection. For the purpose of this subsection, "guardian" means a parent, legal guardian, temporary guardian

including a babysitter, or any other person who maintains responsibility, whether voluntary or otherwise, for the safety and welfare of a person under the age of sixteen years:

(d) For a person to sell or offer for sale a bicycle helmet that does not meet the requirements established by (a) of this subsection;

(e) For a person to rent a bicycle or cycle not powered by motor for use by a person known by the one renting to be under the age of sixteen years unless the person possesses a helmet that meets the requirements of (a) of this subsection, and the one renting is reasonably satisfied that the person will operate or ride upon the cycle while wearing such a helmet in the manner described in (a) of this subsection. For purposes of this subsection, it is the affirmative duty of persons renting bicycles or any other cycle not driven by motor to inquire concerning the age of persons who will operate or ride upon such cycles.

(2) Failure to comply with the requirements of this section does not constitute negligence. Neither failure to wear a bicycle helmet nor the permission of such failure to occur is admissible as evidence of negligence in any civil action.

(3) Enforcement of this section by law enforcement officers may be accomplished only as a secondary action when an operator of a bicycle has been detained for a suspected violation of Title 46 RCW or an equivalent local ordinance or some other offense.

(4) The state patrol shall adopt rules to implement this section.

Sec. 11. Section 79, chapter 155, Laws of 1965 ex. sess. as last amended by section 6, chapter 55, Laws of 1982 and RCW 46.61.750 are each amended to read as follows:

(1) It is a traffic infraction for any person to do any act forbidden or fail to perform any act required in RCW 46.61.750 through 46.61.780 or section 10 of this act.

(2) During the period from July 1, 1991, to July 1, 1992, a person violating section 10 of this act may be issued a written warning of the violation. Beginning July 1, 1992, a person violating section 10 of this act shall be issued a notice of traffic infraction under chapter 46.63 RCW.

(3) These regulations applicable to bicycles apply whenever a bicycle is operated upon any highway or upon any bicycle path, subject to those exceptions stated herein.

NEW SECTION. Sec. 12. Section 1 of this act shall take effect September 1, 1990, but the chief of the Washington state patrol may take any action before that date to ensure that the section is implemented on its effective date. Sections 7 through 11 of this act shall take effect July 1, 1990."

On line 1 of the title, after "safety," strike the remainder of the title and insert "amending RCW 46.04.670, 46.61.990, 46.37.480, and 46.61.750; adding a new section to chapter 47.36 RCW; adding a new section to chapter 43.43 RCW; adding new sections to chapter 43.59 RCW; adding a new section to chapter 46.61 RCW; creating a new section; prescribing penalties; and providing effective dates."

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Hansen moved to reconsider the vote by which the Senate did not concur in the House amendments to Senate Bill No. 6253.

POINT OF INQUIRY

Senator Rasmussen: "Senator Patterson, the bill report says the House amendments deny a private party the right to seek judicial relief. Do the House amendments take away any private property rights or the right of property owners to go to court to protect their property?"

Senator Patterson: "The House amendments speak only to the bill and the check list process which is established in the bill. Nothing in this bill detracts from or diminishes in any way the right of a person to go to court to protect existing constitutionally guaranteed property rights. The amendment merely says that this act does not grant any additional rights to go to court and argue about the process established in this bill. It does not affect existing rights."

REPORT OF CONFERENCE COMMITTEE

RE: SSB 6306

Revising provisions for tenure at community colleges.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That all previous amendments not be adopted and the bill be amended as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. Improving the quality of instruction at our state institutions of higher education is a priority of the legislature. Recently, many efforts have been made by the legislature, the colleges, and the higher education coordinating board to assess and improve the quality of instruction received by students at our state institutions. It is the intent of the legislature that, in conjunction with these various efforts, the process for the award of faculty tenure at community colleges should allow for a thorough review of the performance of faculty appointees prior to the granting of tenure.

Sec. 2. Section 34, chapter 283, Laws of 1969 ex. sess. and RCW 28B.50.852 are each amended to read as follows:

The appointing authority shall promulgate rules and regulations implementing RCW 28B.50.850 through 28B.50.869 and shall provide for the award of faculty tenure following a probationary period not to exceed ~~((three consecutive regular college years))~~ nine consecutive college quarters, excluding summer quarter and approved leaves of absence: PROVIDED, That tenure may be awarded at any time as may be determined by the appointing authority after it has given reasonable consideration to the recommendations of the review committee. At the recommendation of the review committee and with the consent of the probationary faculty member and the appointing authority, the probationary period may be extended up to three additional college quarters.

NEW SECTION, Sec. 3. The state board for community college education, in consultation with appropriate faculty organizations, labor representatives, and the governing boards and administrations of local community college districts, shall conduct a thorough review and study of salaries for full and part-time faculty and administrators at community colleges. The state board shall report to the legislature by January 1, 1991, on the results of this study, including specific recommendations on salary levels, payments for increments and advancements, bargaining, and allocation of salary funds.

NEW SECTION, Sec. 4. Nothing contained in this act shall be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement.

NEW SECTION, Sec. 5. Sections 1 and 2 of this act shall take effect July 1, 1990, and shall apply to all faculty appointments made by community colleges after June 30, 1990, but shall

not apply to employees of community colleges who hold faculty appointments prior to July 1, 1990.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "colleges;" strike the remainder of the title and insert "amending RCW 28B.50.852; creating new sections; and providing an effective date."

Signed by Senators Saling, Bauer, Amondson; Representatives Bennett, Jacobsen, Miller.

REPORT OF FREE CONFERENCE COMMITTEE

RE: SHB 2403

Adding video telecommunication responsibilities to the department of information services.

March 5, 1990

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee and the request for powers of Free Conference on Substitute House Bill No. 2403 read in on March 7, 1990.)

Signed by Senators Thorsness, Madsen; Representatives Rector, Todd, McLean.

MOTION

On motion of Senator Nelson, the Report of the Free Conference Committee on Substitute House Bill No. 2403 was adopted.

MOTION

On motion of Senator von Reichbauer, Senator Barr was excused.
Debate ensued.

POINT OF INQUIRY

Senator Talmadge: "Senator Thorsness, one of the controversies that existed in this telecommunication bill was the question of whether or not we were going to subject students in the public schools in the state of Washington to force commercial advertising from those people that were providing video telecommunication materials to the school districts. How has that issue been resolved in this Free Conference Committee Report?"

Senator Thorsness: "The best that we could come up with on that, Senator Talmadge, and specifically we are talking about now, Whittle Channel One Communications, and the consensus that we were able to agree upon was that SPI will perform a study of this issue--the impact on schools of forced advertising, so to speak. Also, SPI, and we wrote it in the law, will encourage school districts that currently have not signed contracts, not to sign them until such time as the study is done. We could not come up with an agreement either to totally eliminate it or totally put a moratorium on it, so we put it in as strong as possible of discouraging those who are not signed up--and that is the majority."

Senator Talmadge: "So, there is nothing in this measure that precludes a school district from entering into a contract that would force students to view telecommunication advertising?"

Senator Thorsness: "There is not. We assume, hopefully, that every school district has conscientious school boards and as you know, I think there is something less than twenty that so far that have done that. It is currently up to the local school board. The state did not prohibit it by this law."

Further debate ensued.

REPORT OF CONFERENCE COMMITTEE

RE: ESSB 5450

Providing for education in Pacific Rim languages.

March 8, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That all previous amendments not be adopted and the bill be amended as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that it is important to the economic future of Washington state to promote international awareness and understanding. The legislature intends to complement the provisions of chapter 28A.125 RCW by encouraging high school students to study Pacific Rim languages, promote teacher exchanges with Pacific Rim nations, and allow nonimmigrant aliens to serve as exchange teachers for more than one year.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Washington state Pacific Rim language scholarship" means a scholarship awarded, for a period not to exceed one year, to a student proficient in speaking one of the following languages: Spanish, Russian, Chinese, and Japanese.

(2) "Institution of higher education" or "institution" means a college or university in the state of Washington that is accredited by an accrediting association recognized as such by rule of the higher education coordinating board.

(3) "Board" means the higher education coordinating board.

(4) "Student" means a high school senior who is a proficient speaker of a Pacific Rim language, and who intends to enroll in an institution of higher education within one year of high school graduation.

NEW SECTION. Sec. 3. The Washington state Pacific Rim language scholarship program is created. The program shall be administered by the higher education coordinating board. In administering the program, the board shall have the following powers and duties:

(1) Select students to receive the scholarships with the assistance of a screening committee composed of leaders in government, business, and education;

(2) Adopt necessary rules and guidelines;

(3) Publicize the program; and

(4) Solicit and accept grants and donations from public and private sources for the program.

NEW SECTION. Sec. 4. The board shall select up to four students yearly from each congressional district to receive a Washington state Pacific Rim scholarship from funds appropriated for this purpose. Of the four students selected, one student shall be a proficient speaker of Spanish, one of Russian, one of Japanese, and one of Chinese. Using measures as objective as possible, the board shall select students who have shown the most improvement in their ability to speak the language during their high school careers.

NEW SECTION. Sec. 5. Scholarships shall not exceed one thousand dollars per student. The scholarship shall not be disbursed to the student until the student is enrolled at an institution of higher education. The board may also use private donations or any other funds given to the board for this program to make additional scholarship awards.

NEW SECTION. Sec. 6. By October 30, 1995, the board shall report on the program to the governor and the house of representatives and senate committees on higher education. The report shall include a recommendation on whether to expand the number of languages included, and whether to expand the program to students in each legislative district.

Sec. 7. Section 28A.67.020, chapter 223, Laws of 1969 ex. sess. as last amended by section 5, chapter 379, Laws of 1985 and RCW 28A.67.020 are each amended to read as follows:

No person, who is not a citizen of the United States of America, shall be permitted to teach in the common schools in this state: PROVIDED, That the superintendent of public instruction may grant to an alien a permit to teach in the common schools of this state if such teacher has all the other qualifications required by law, and has declared his or her intention of becoming a citizen of the United States of America: PROVIDED FURTHER, That after a one year probationary period the superintendent of public instruction, at the request of the school district which employed such teacher on a permit, may grant to an alien whose qualifications have been approved by the state board of education a standard certificate to teach in the common schools of this state: PROVIDED FURTHER, That the superintendent of public instruction may grant to a nonimmigrant alien whose qualifications have been approved by the state board of education a temporary permit to teach foreign language for a period to be defined by the superintendent of public instruction or a one-year temporary permit which is renewable (~~only once for no more than one year~~) to teach as an exchange teacher in the common schools of this state.

~~((Before such alien shall be granted a temporary permit he or she shall be required to subscribe to an oath or affirmation in writing as follows: I do solemnly swear (or affirm) that I will support the Constitution and laws of the United States and the Constitution and laws of the state of Washington; that I do not advocate the overthrow, destruction, or alteration of the constitutional form of government of the United States or of the state of Washington or any political subdivision of either of them. All oaths or affirmations subscribed as herein provided shall be~~

~~filed in the office of the superintendent of public instruction and shall be there retained for a period of five years.))~~ Such permits shall at all times be subject to revocation by the superintendent of public instruction.

NEW SECTION, Sec. 8. Sections 2 through 6 of this act shall expire June 30, 1996, and no scholarships shall be granted after June 30, 1996.

NEW SECTION, Sec. 9. A new section is added to Title 28A RCW to read as follows:

The superintendent of public instruction shall encourage school districts to establish exchange programs for teachers with schools in Pacific Rim nations.

NEW SECTION, Sec. 10. Sections 2 through 6 of this act shall constitute a new chapter in Title 28B RCW."

REPORT OF FREE CONFERENCE COMMITTEE

RE: EHB 2602

Changing provisions relating to support services for adoption.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee and the request for powers of Free Conference on Engrossed House Bill No. 2602 read in on March 7, 1990.)

Signed by Senators Smith, Patrick; Representatives Sayan, Hine, Moyer.

MOTION

POINT OF ORDER

Senator Owen: "Thank you, Mr. President, I would like to challenge--make a point of order--that the Free Conference Committee Report expands the scope and object of the bill as it left the Senate. Engrossed House Bill No. 2602, as it passed the Senate, provided that indigent women on general assistance can continue to receive that aid for six weeks following the birth of a baby they have given up for adoption. There was no mention of adoption training funding for agencies which provide pregnancy information and counseling--a reconsideration program for children and families involved in adoption was established. The Free Conference Committee Report greatly expands the scope and object of the bill by including those subjects and authorizing communication between adoptees, adopted parents and the birth parents and a major change in current state policy which was not part of the original bill. A new court process is provided to implement this new policy including procedures for modifications of court-ordered communications or non-communications. The Free Conference Report items referred to are sufficient

deviations from the bill, as it passed the Senate, and I believe they change the scope and object of Engrossed House Bill No. 2602."

MOTION

On motion of Senator Newhouse, further consideration of Engrossed House Bill No. 2602 was deferred.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Owen, the President finds that Engrossed House Bill No. 2602, as it passed the House, made changes in the law relating to support services for adoption, including authorizing an agreement with or contact between child adoptees, adoptive parents and birth parents. The Senate amended the bill by, among other things, removing the authority for such agreements.

"The proposed Free Conference Committee Report would amend the bill by reinstating the authority for agreements regarding communication with or contact between adoptees, adoptive parents, and birth parents.

"The President, therefore, finds that the amendment, as proposed by the Free Conference Committee, does not change the scope and object of the bill and the point of order is not well taken."

The Report of the Free Conference Committee on Engrossed House Bill No. 2602 was ruled in order.

The President declared the question before the Senate to be the adoption of the Report of the Free Conference Committee on Engrossed House Bill No. 2602.

MESSAGE FROM THE HOUSE

March 7, 1990

Mr. President:

The House has adopted the Report of the Free Conference Committee on SENATE BILL NO. 6408 and has passed the bill as amended by the Free Conference Committee.

ALAN THOMPSON, Chief Clerk

REPORT OF FREE CONFERENCE COMMITTEE

RE: SB 6408

Adopting the supplemental transportation budget.

March 6, 1990

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee and the request for powers of Free Conference on Senate Bill No. 6408 read in on March 7, 1990.)

Signed by Senators Patterson, Thorsness, Bender: Representatives R. Fisher, Cooper, Schmidt.

MOTION

Senator Patterson moved that the Report of the Free Conference Committee on Senate Bill No. 6408 be adopted.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Patterson, you kind of caught me out of the control tower when you said that we now have forty-eight airplanes and we are buying one more. The last time I remember counting, we have about ten, and three of those were in Natural Resources, and a couple were out chasing fish. Do you have a complete list of the airplanes that we now own?"

Senator Patterson: "Well, I have some information, Senator, that I think would be helpful in answering your question."

Senator Rasmussen: "Well, maybe you could pass it around the Senate, so we could read it without reading the list."

Senator Patterson: "The list isn't that long. Currently, there are forty-eight owned and certified to fly by the state of Washington--aircraft. I should say, The Patrol owns seven of these planes--the State Patrol. Two are passenger airplanes and five are for traffic surveillance. That's the State Patrol's part of it. That's what's in this budget. I can't speak to all the other agencies that have planes, but take

seven away from forty-eight and there is an awful lot of airplanes being operated in this state by other agencies in state government. I happen to believe that this particular airplane that we are referring to is the most essential for the good services that the State Patrol provides for this state. Yes, it is going to be used by a lot of other agencies--the Governor's office. It will be amortized by everyone helping to pay for the amortization and the operation of this plane."

Further debate ensued.

The President declared the question before the Senate to be the motion by Senator Patterson that the Senate adopt the Report of the Free Conference Committee on Senate Bill No. 6408.

The motion by Senator Patterson carried and the the Report of the Free Conference Committee on Senate Bill No. 6408 was adopted.

Mr. President:

The House has adopted the Report of the Free Conference Committee on ENGROSSED SENATE BILL NO. 6411 and has passed the bill as amended by the Free Conference Committee.

ALAN THOMPSON, Chief Clerk

REPORT OF FREE CONFERENCE COMMITTEE

RE: ESB 6411

Establishing an employment training program.

March 7, 1990

Mr. President:

Mr. Speaker:

We of your Free Conference Committee, have had the same under consideration and we recommend that the measure be amended as proposed under the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee and the request for powers of Free Conference on Engrossed Senate Bill No. 6411 read in on March 7, 1990.)

Signed by Senators Lee, Saling Smitherman: Representatives Cantwell, Rector, Doty.

MOTION

Senator Lee moved that the Report of the Free Conference Committee on Engrossed Senate Bill No. 6411 be adopted.

POINT OF ORDER

Senator Rasmussen: "Mr. President, I would like to raise the question of scope and object. That is under Senate Rule 66 and Article II, Section 38 of the Constitution. I would like to scope Section 1, on page 4, lines 1 thru 15. On line 4, they are declaring the intent of the bill before they have even had a study. That doesn't fit in with the original bill. Either the original bill or the House amendments did not declare intent. I would also, additionally, scope on page 6, lines 31 thru 38, where it says, 'The representatives of the Council of Vocational Technical Institutes shall consult with vocational technical institute directors, instructors, and advisory council members to prepare policies and plans to implement the recommendations.' I would like to point out that the representative of the Council of Vocational Technical Institute is a party by the name of Tim Strege, who is a lobbyist. That is the first time that I have seen it written in a bill that a lobbyist should have a say on what it is going on in the study.

"Then, I would like to additionally scope on page 11, sub (b), lines 32 thru 38. It is instructing the committee to make specific recommendations to the governing board that is not in the original bill. None of these parts of the bill that I am proposing to scope, Mr. President, were included in either the Senate Bill or the House Bill. I would urge you to take a look at that and see whether it is properly in this Free Conference Committee Report."

Further debate ensued.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Rasmussen, the President finds that Engrossed Senate Bill No. 6411, as it passed the Senate, was a measure providing for, among other things, an advisory council on investment in human capital to assist the Office of Financial Management in a study and evaluation of employment and retraining services in our state. This study was to include, among other things, an inventory of the current training system and recommendations on the overall governance of vocational education in our state. The House amended the bill to add some more recommendations resulting from the study.

"The proposed Free Conference Committee Report does those things, adds an intent statement regarding vocational education governance, specifies responsibility for the vocational technical institutes' member of the advisory council and requires a specific recommendation from the Office of Financial Management study regarding vocational education governance. The President believes that these changes add specificity to the bill and deal with the subject matter of both Senate and House versions of this bill.

"The President, therefore, finds that the Report of the Free Conference Committee does not change the scope and object of the bill and that the point of order is not well taken."

The Report of the Free Conference Committee on Engrossed Senate Bill No. 6411 was ruled in order.

The President declared the question before the Senate to be the motion by Senator Lee to adopt the Report of the Free Conference Committee on Engrossed Senate Bill No. 6411.

The motion by Senator Lee carried and the Report of the Free Conference Committee on Engrossed Senate Bill No. 6411 was adopted.

Debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Senate Bill No. 6411, as amended by the Free Conference Committee.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Bill No. 6411, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 38; nays, 9; excused, 2.

Voting yea: Senators Amondson, Anderson, Bailey, Barr, Bauer, Bender, Benitz, Conner, Craswell, DeJarnatt, Fleming, Gaspard, Hayner, Johnson, Kreidler, Lee, Matson, McMullen, Metcalf, Moore, Murray, Nelson, Newhouse, Niemi, Owen, Patterson, Rinehart, Saling, Sellar, Smith, Smitherman, Stratton, Sutherland, Talmadge, Thorsness, Warnke, West, Williams - 38.

Voting nay: Senators Bluechel, Cantu, Hansen, Madsen, McDonald, Patrick, Rasmussen, von Reichbauer, Wojahn - 9.

Excused: Senators McCaslin, Vognild - 2.

ENGROSSED SENATE BILL NO. 6411, as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

At 3:31 p.m., on motion of Senator Newhouse, the Senate was declared to be at ease.

The Senate was called to order at 4:48 p.m. by President Pritchard.

An additional \$26,892,000 is provided solely for modernization projects if at least \$40,000,000 is appropriated for school construction by the legislature by June 30, 1990, over and above the amounts appropriated for school construction in this act.

(4) The state board shall review current rules and administrative procedures, and shall amend or revise these rules and procedures to address the following concerns:

(g) The potential of the state to recover its share of the value of sold school buildings that were built with state matching moneys.

MESSAGE FROM THE HOUSE

March 8, 1990

Mr. President:

The House refuses to recede from its amendments to SUBSTITUTE SENATE NO. 6255, insists on its position and asks the Senate to concur therein, and the same are herewith transmitted.

ALAN THOMPSON, Chief Clerk

MOTION

Senator Nelson moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 6255.

Debate ensued.

POINT OF INQUIRY

Senator Rasmussen: "Senator Talmadge, the Supreme Court recently ruled that bus drivers could carry guns. There was no law against it. That is kind of a partial solution, isn't it--that they be allowed to carry guns?"

Senator Talmadge: "I don't know if it is a partial solution, Senator. I know that Metro has chosen to appeal that ruling to a higher appellate court. It may be something that some of the bus drivers want to do, but whether that is a satisfactory solution for that bus driver who is sitting on a bus on a 2:00 a.m. bus run and somebody comes aboard the bus and assaults them and they are only going to be guilty of simply assault instead of a Class C felony, I don't think that is adequate in the way of a penalty for that activity against a bus driver doing his or her job on a dangerous run."

Senator Rasmussen: "Well, I concur. Thank you."

The President declared the question before the Senate to be the motion by Senator Nelson that the Senate do concur in the House amendments to Substitute Senate Bill No. 6255.

The motion by Senator Nelson carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 6255.

- (3) Assess the effectiveness of the family reconciliation services program.

The legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under this act shall be contingent upon the availability of funds specifically appropriated by the legislature for such purpose.

Sec. 2. Section 16, chapter 155, Laws of 1979 and RCW 13.32A.020 are each amended to read as follows:

This chapter shall be known and may be cited as the (~~Procedures for Families in Conflict~~) Family Reconciliation Act.

Sec. 3. Section 17, chapter 155, Laws of 1979 as amended by section 6, chapter 257, Laws of 1985 and RCW 13.32A.030 are each amended to read as follows:

As used in this chapter the following terms have the meanings indicated unless the context clearly requires otherwise:

- (2) "Child," "juvenile," and "youth" mean any individual who is under the chronological age of eighteen years;
- (3) "Parent" means the legal custodian(s) or guardian(s) of a child;
- (4) "Semi-secure facility" means any facility, including but not limited to crisis residential centers or specialized foster family homes, operated in a manner to reasonably assure that youth placed there will not run away; PROVIDED, That such facility shall not be a secure institution or facility as defined by the federal juvenile justice and delinquency prevention act of 1974 (P.L. 93-415; 42 U.S.C. Sec. 5634 et seq.) and regulations and clarifying instructions promulgated thereunder. Pursuant to rules established by the department, the facility administrator shall establish reasonable hours for residents to come and go from the facility such that no residents are free to come and go at all hours of the day and night. To prevent residents from taking unreasonable actions, the facility administrator, where appropriate, may condition a resident's leaving the facility upon the resident being accompanied by the administrator or the administrator's designee and the resident may be required to notify the administrator or the administrator's designee of any intent to leave, his or her intended destination, and the probable time of his or her return to the center. The facility administrator shall notify a parent and the appropriate law enforcement agency within four hours of all unauthorized leaves;

(5) "At-risk youth" means an individual under the chronological age of eighteen years who:

(a) Is absent from home for more than seventy-two consecutive hours without consent of his or her parent;

(b) Is beyond the control of his or her parent such that the child's behavior substantially endangers the health, safety, or welfare of the child or any other person; or

Sec. 4. Section 18, chapter 155, Laws of 1979 as amended by section 1, chapter 298, Laws of 1981 and RCW 13.32A.040 are each amended to read as follows:

Families who are in conflict or who are experiencing problems with at-risk youth may request family reconciliation services from the department. Such services shall be provided to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible. Family reconciliation services shall be designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include but are not limited to referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Sec. 5. Section 19, chapter 155, Laws of 1979 as last amended by section 1, chapter 288, Laws of 1986 and RCW 13.32A.050 are each amended to read as follows:

A law enforcement officer shall take a child into custody:

(1) If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or

(2) If a law enforcement officer reasonably believes, considering the child's age, the location, and the time of day, that a child is in circumstances which constitute a danger to the child's safety; or

(3) If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement; or

(4) If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued pursuant to chapter 13.32A RCW or that the court has issued an order for law enforcement pick-up of the child under this chapter.

Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination.

An officer who takes a child into custody under this section and places the child in a designated crisis residential center shall inform the department of such placement within twenty-four hours.

(5) Nothing in this section affects the authority of any political subdivision to make regulations concerning the conduct of minors in public places by ordinance or other local law.

Sec. 6. Section 23, chapter 155, Laws of 1979 as amended by section 7, chapter 298, Laws of 1981 and RCW 13.32A.090 are each amended to read as follows:

(1) The person in charge of a designated crisis residential center or the department pursuant to RCW 13.32A.070 shall perform the duties under subsection (2) of this section:

(a) Upon admitting a child who has been brought to the center by a law enforcement officer under RCW 13.32A.060;

(b) Upon admitting a child who has run away from home or has requested admittance to the center;

(c) Upon learning from a person under RCW 13.32A.080~~((2))~~ (3) that the person is providing shelter to a child absent from home; or

(d) Upon learning that a child has been placed with a responsible adult pursuant to RCW 13.32A.070.

(2) When any of the circumstances under subsection (1) of this section are present, the person in charge of a center shall perform the following duties:

(a) Immediately notify the child's parent of the child's whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement;

(b) Initially notify the parent that it is the paramount concern of the family reconciliation service personnel to achieve a reconciliation between the parent and child to reunify the family and inform the parent as to the procedures to be followed under this chapter;

(c) Inform the parent whether a referral to children's protective services has been made and, if so, inform the parent of the standard pursuant to RCW 26.44.020(12) governing child abuse and neglect in this state;

(d) Arrange transportation for the child to the residence of the parent, as soon as practicable, at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses to be assumed by the department, when the child and his or her parent agrees to the child's return home or when the parent produces a copy of a court order entered under this chapter requiring the child to reside in the parent's home;

(e) Arrange transportation for the child to an alternative residential placement which may include a licensed group care facility or foster family when agreed to by the child and parent at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses assumed by the department.

Sec. 7. Section 26, chapter 155, Laws of 1979 and RCW 13.32A.120 are each amended to read as follows:

(1) Where either a child or the child's parent or the person or facility currently providing shelter to the child notifies the center that such individual or individuals cannot agree to the continuation of an alternative residential placement arrived at pursuant to RCW 13.32A.090(2)(e), the center shall immediately contact the remaining party or parties to the agreement and shall attempt to bring about the child's return home or to an alternative living arrangement agreeable to the child and the parent as soon as practicable.

(2) If a child and his or her parent cannot agree to an alternative residential placement under RCW 13.32A.090(2)(e), either the child or parent may file with the juvenile court a petition to approve an alternative residential placement or the parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth under this chapter.

(3) If a child and his or her parent cannot agree to the continuation of an alternative residential placement arrived at under RCW 13.32A.090(2)(e), either the child or parent may file with the juvenile court a petition to approve an alternative residential placement or the parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth under this chapter.

Sec. 8. Section 27, chapter 155, Laws of 1979 as last amended by section 9, chapter 257, Laws of 1985 and RCW 13.32A.130 are each amended to read as follows:

A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in such placement under the rules and regulations established for the center for a period not to exceed seventy-two hours, excluding Saturdays, Sundays, and holidays, from the time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make a concerted effort to achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours, excluding Saturdays, Sundays and holidays, from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the seventy-two hour period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement ((and)), the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; and (3) the right to request a review of ((such a)) any alternative residential placement: PROVIDED, That at no time shall information regarding a parent's or child's rights be withheld if requested: PROVIDED FURTHER, That the department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating such services and rights. Every officer taking a child into custody shall provide the child and his or her parent(s) or responsible adult with whom the child is placed with a copy of such statement. In addition, the administrator of the facility or his or her designee shall provide every resident and parent with a copy of such statement.

Sec. 9. Section 28, chapter 155, Laws of 1979 as amended by section 10, chapter 298, Laws of 1981 and RCW 13.32A.140 are each amended to read as follows:

The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:

(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:

(a) The parent has been notified that the child was so admitted or placed;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No agreement between the parent and the child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian; ((and))

(e) The parent has not filed an at-risk youth petition; and

(f) The child has no suitable place to live other than the home of his or her parent.

(2) The child has been admitted to a crisis residential center and:

(a) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such placement;

(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and

(c) The child has no suitable place to live other than the home of his or her parent.

(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:

(a) The party to whom the arrangement is no longer acceptable has so notified the department;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No new agreement between parent and child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent: ~~((and))~~

(e) The parent has not filed an at-risk youth petition; and

(f) The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.

Sec. 10. Section 29, chapter 155, Laws of 1979 as last amended by section 1, chapter 269, Laws of 1989 and RCW 13.32A.150 are each amended to read as follows:

(1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that a family assessment has been completed by the department. The family assessment shall be aimed at family reconciliation and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section or the parent may proceed under subsection (3) of this section.

(2) A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement.

(3) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioning parent resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

(a) The child is an at-risk youth as defined in this chapter;

(b) The petitioning parent has the right to legal custody of the child;

(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and

(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

The petition shall set forth facts that support the allegations in this subsection and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child. An at-risk youth petition may not be filed if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to court intervention have been attempted or if there is good cause why they were not attempted. Juvenile court personnel may screen all at-risk youth petitions and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements of this section, or fails to allege sufficient facts in support of allegations in the petition.

Sec. 11. Section 30, chapter 155, Laws of 1979 as amended by section 2, chapter 269, Laws of 1989 and RCW 13.32A.160 are each amended to read as follows:

(1) When a proper petition to approve an alternative residential placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150 the juvenile court shall: (a) Schedule a date for a fact-finding hearing; notify the parent, child, and the department of such date; (b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving an alternative

residential placement petition; and (e) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

(2) Upon filing of an alternative residential placement petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence to be determined by the department.

(3) If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the alternative residential placement petition by the court. Any placement may be reviewed by the court within three court days upon the request of the juvenile or the juvenile's parent.

NEW SECTION. Sec. 12. (1) When a proper at-risk youth petition is filed by a child's parent under RCW 13.32A.120 or 13.32A.150, the juvenile court shall:

- (a) Schedule a fact-finding hearing and notify the parent and the child of such date;
- (b) Notify the parent of the right to be represented by counsel at the parent's own expense;
- (c) Appoint legal counsel for the child;
- (d) Inform the child and his or her parent of the legal consequences of the court finding the child to be an at-risk youth; and
- (e) Notify the parent and the child of their rights to present evidence at the fact-finding hearing.

(2) Unless out-of-home placement of the child is otherwise authorized or required by law, the child shall reside in the home of his or her parent or in an alternative residential placement approved by the parent. Upon request by the parent, the court may enter a court order requiring the child to reside in the home of his or her parent or an alternative residential placement approved by the parent.

(3) If upon sworn written or oral declaration of the petitioning parent, the court has reason to believe that a child has willfully and knowingly violated a court order issued pursuant to subsection (2) of this section, the court may issue an order directing law enforcement to take the child into custody and place the child in a juvenile detention facility or in a crisis residential center licensed by the department and established pursuant to chapter 74.13 RCW. If the child is placed in detention, a review shall be held as provided in RCW 13.32A.065.

(4) If both an alternative residential placement petition and an at-risk youth petition have been filed with regard to the same child, the proceedings shall be consolidated for purposes of fact-finding. Pending a fact-finding hearing regarding the petition, the child may be placed, if not already placed, in an alternative residential placement as provided in RCW 13.32A.160 unless the court has previously entered an order requiring the child to reside in the home of his or her parent. The child or the parent may request a review of the child's placement including a review of any court order requiring the child to reside in the parent's home. At the review the court, in its discretion, may order the child placed in the parent's home or in an alternative residential placement pending the hearing.

NEW SECTION. Sec. 13. (1) The court shall hold a fact-finding hearing to consider a proper at-risk youth petition. The court may grant the petition and enter an order finding the child to be an at-risk youth if the allegations in the petition are established by a preponderance of the evidence. The court shall not enter such an order if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. If the petition is granted, the court shall enter an order requiring the child to reside in the home of his or her parent or in an alternative residential placement approved by the parent.

(2) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings.

(3) A dispositional hearing shall be held no later than fourteen days after the court has granted an at-risk youth petition. Each party shall be notified of the time and date of the hearing.

(4) If the court grants or denies an at-risk youth petition, a statement of the written reasons shall be entered into the records. If the court denies an at-risk youth petition, the court shall verbally advise the parties that the child is required to remain within the care, custody, and control of his or her parent.

NEW SECTION. Sec. 14. (1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(2) The court may set conditions of supervision for the child that include:

- (a) Regular school attendance;

- (b) Counseling;
- (c) Participation in a substance abuse treatment program;
- (d) Reporting on a regular basis to the department or any other designated person or agency; and

(e) Any other condition the court deems an appropriate condition of supervision.

(3) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled. The parent may request dismissal of an at-risk youth proceeding at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless a contempt action is pending in the case. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

(4) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

NEW SECTION. Sec. 15. (1) Upon making a disposition regarding an adjudicated at-risk youth, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel for the child, advise the parent of the right to be represented by legal counsel at the review hearing at the parent's own expense, and notify the parties of their rights to present evidence at the hearing.

(2) At the review hearing, the court shall approve or disapprove the continuation of court supervision in accordance with the goal of assisting the parent to maintain the care, custody, and control of the child. The court shall determine whether the parent and child are complying with the dispositional plan. If court supervision is continued, the court may modify the dispositional plan.

(3) Court supervision of the child may not be continued past one hundred eighty days from the day the review hearing commenced unless the court finds, and the parent agrees, that there are compelling reasons for an extension of supervision. Any extension granted pursuant to this subsection shall not exceed ninety days.

(4) The court may dismiss an at-risk youth proceeding at any time if the court finds good cause to believe that continuation of court supervision would serve no useful purpose or that the parent is not cooperating with the court-ordered case plan. The court shall dismiss an at-risk youth proceeding if the child is the subject of a proceeding under chapter 13.34 RCW.

Sec. 16. Section 14, chapter 298, Laws of 1981 as amended by section 4, chapter 269, Laws of 1989 and by section 16, chapter 373, Laws of 1989 and RCW 13.32A.250 are each reenacted and amended to read as follows:

(1) In all alternative residential placement proceedings and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of ~~((an alternative residential placement order))~~ a court order entered pursuant to this chapter. The court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is a contempt of court as provided in chapter 7.21 RCW, subject to the limitations of subsection (2) of this section.

(3) The court may impose a fine of up to one hundred dollars and imprisonment for up to seven days, or both for contempt of court under this section.

(4) A child imprisoned for contempt under this section shall be imprisoned only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

NEW SECTION. Sec. 17. The department shall conduct a research study of the family reconciliation services program. The research study shall include the following information:

(1) A description of services offered in phase I and phase II and the effectiveness of these services;

(2) The number of youth and families served in family reconciliation services phase I and phase II and outcome of services provided to each youth and family;

(3) Nonclient parent and youth awareness of the family reconciliation services program and their perception of its effectiveness;

(4) The number of referrals to family reconciliation services from law enforcement, juvenile courts, schools, and community agencies and their perception of its effectiveness;

(5) Follow-up contact with a random sample of youth and families receiving family reconciliation services assistance and their perception of the effectiveness of family reconciliation services;

(6) The number of youth referred again after services were terminated and outcome of services provided;

(7) The number of youth and families offered services who refused them and the reason, if known;

(8) The number of youth and families who requested services but were denied based on: (a) Ineligibility or (b) services not available, including a list of those services requested but not available; and

(9) Recommendations for improving services to at-risk youth and families.

The department shall submit a preliminary report by January 1, 1991, and the full research study report by January 1, 1992, to the senate children and family services committee, and the house of representatives human services committee.

NEW SECTION. Sec. 18. Sections 12 through 15 of this act are each added to chapter 13.32A RCW.

NEW SECTION. Sec. 19. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1990, in the omnibus appropriations act, this act shall be null and void."

*Sec. 22, Section 3, chapter 354, Laws of 1985 and RCW 71.34.030 are each amended to read as follows:

(1) Any minor thirteen years or older may request and receive outpatient treatment without the consent of the minor's parent. Parental authorization is required for outpatient treatment of a minor under the age of thirteen.

(2) When in the judgment of the professional person in charge of an evaluation and treatment facility there is reason to believe that a minor is in need of inpatient treatment because of a mental disorder, and the facility provides the type of evaluation and treatment needed by the minor, and it is not feasible to treat the minor in any less restrictive setting or the minor's home, the minor may be admitted to an evaluation and treatment facility in accordance with the following requirements:

(a) A minor under thirteen years of age may only be admitted on the application of the minor's parent.

(b) A minor thirteen years or older may be voluntarily admitted by application of the parent. Such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor if the minor is fifteen years or older.

(c) A minor thirteen years or older may, with the concurrence of the professional person in charge of an evaluation and treatment facility, admit himself or herself without parental consent to the evaluation and treatment facility, provided that notice is given by the facility to the minor's parent in accordance with the following requirements:

(i) Notice of the minor's admission shall be in the form most likely to reach the parent within twenty-four hours of the minor's voluntary admission and shall advise the parent that the minor has been admitted to inpatient treatment; the location and telephone number of the facility providing such treatment; and the name of a professional person on the staff of the facility providing treatment who is designated to discuss the minor's need for inpatient treatment with the parent.

(ii) The minor shall be released to the parent at the parent's request for release unless the facility files a petition with the superior court of the county in which treatment is being provided setting forth the basis for the facility's belief that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety.

(iii) The petition shall be signed by the professional person in charge of the facility or that person's designee.

(iv) The parent may apply to the court for separate counsel to represent the parent if the parent cannot afford counsel.

(v) There shall be a hearing on the petition, which shall be held within three judicial days from the filing of the petition.

(vi) The hearing shall be conducted by a judge, court commissioner, or licensed attorney designated by the superior court as a hearing officer for such hearing. The hearing may be held at the treatment facility.

(vii) At such hearing, the facility must demonstrate by a preponderance of the evidence presented at the hearing that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety. The hearing shall not be conducted using the rules of evidence, and the admission or exclusion of evidence sought to be presented shall be within the exercise of sound discretion by the judicial officer conducting the hearing.

(d) Written renewal of voluntary consent must be obtained from the applicant and the minor (~~thirteen~~) fifteen years or older no less than once every twelve months.

(e) The minor's need for continued inpatient treatments shall be reviewed and documented no less than every one hundred eighty days.

(3) A notice of intent to leave shall result in the following:

(a) Any minor under the age of thirteen must be discharged immediately upon written request of the parent.

(b) Any minor (~~thirteen~~) fifteen years or older voluntarily admitted may give notice of intent to leave at any time. The notice need not follow any specific form so long as it is written and the intent of the minor can be discerned.

(c) The staff member receiving the notice shall date it immediately, record its existence in the minor's clinical record, and send copies of it to the minor's attorney, if any, the county-designated mental health professional, and the parent.

(d) The professional person in charge of the evaluation and treatment facility shall discharge the minor, (~~thirteen~~) fifteen years or older, from the facility within twenty-four hours after receipt of the minor's notice of intent to leave, unless the county-designated mental health professional files a petition for initial detention within the time prescribed by this chapter."

MOTION

Senator Newhouse moved that the Report of the Conference Committee on Engrossed Second Substitute Senate Bill No. 6610 be adopted.

POINT OF INQUIRY

Senator Rasmussen: "Senator Craswell, as this bill is now constituted, will it allow the police to pick up those run-away youths?"

Senator Craswell: "Yes, it will if the parents petition the courts and the courts deem so."

Senator Rasmussen: "They have to petition the courts? They just can't pick up the kids on the street?"

Senator Craswell: "That's right. They can now, but they usually don't, because they can't do anything with them as far as holding them, but as the bill is written now, if the parents ask the court and the court checks out the home to make sure the child wasn't being abused in the home, then they can order--they can pick up--they can order that this child be picked up and order that this child be kept at home or institutionalized or put in drug treatment or whatever the court decides."

POINT OF INQUIRY

Senator Talmadge: "Senator Craswell, is there money in the budget to fund the programs that would be necessary to house the at-risk children that are identified in this bill?"

Senator Craswell: "There is about three quarters of a million dollars to carry out the fiscal impact of this. The children can be housed at home. The services are parents-pay type of services."

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. I raise the question of scope and object with respect to the Conference Committee Report. The bill that we have before us, Mr. President, is one that relates to at-risk children. It still continues to retain in it a section of the bill pertaining to involuntary treatment of youth under the state's mental illness situation. It involves a change in the age at which children may be subject to that mental health involuntary treatment. I believe for that reason that the measure still continues to expand the scope and object of the original bill which dealt with at-risk youth."

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Talmadge, the President already ruled Sections 20 and 21 as beyond the scope and object of the bill and in our ruling we made a message to the conferees that it was so and that these two sections were out. I am personally amazed that with that information sent to them that they would turn around and put it right back in, so your point is well taken."

The Report of the Conference Committee on Engrossed Second Substitute Senate Bill No. 6610 was ruled out of order.

MOTION

On motion of Senator Newhouse, the Senate did not adopt the Report of the Conference Committee on Engrossed Second Substitute Senate Bill No. 6610 and asks that the bill be returned to the conference committee for reconsideration.

MOTION

On motion of Senator Anderson, Senator Matson was excused.

SECOND REPORT OF CONFERENCE COMMITTEE

RE: EHB 2888

Establishing a new child support schedule.

March 8, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the measure as follows:

That the Senate Committee on Law and Justice amendments adopted, as amended, on February 27, 1990, be rejected, and the following amendments be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 10, chapter 157, Laws of 1973 1st ex. sess. as last amended by section 7, chapter 375, Laws of 1989 and RCW 26.09.100 are each amended to read as follows:

In a proceeding for dissolution of marriage, legal separation, declaration of invalidity, maintenance, or child support, after considering all relevant factors but without regard to marital misconduct, the court ~~((may))~~ shall order either or both parents owing a duty of support to any child of the marriage dependent upon either or both spouses to pay an amount determined ~~((pursuant to the schedule adopted))~~ under chapter 26.19 RCW ~~((26.19.040))~~. The court may require periodic adjustments of support. The adjustment provision may be modified by the court due to economic hardship.

Sec. 2. Section 17, chapter 157, Laws of 1973 1st ex. sess. as last amended by section 3, chapter 416, Laws of 1989 and RCW 26.09.170 are each amended to read as follows:

(1) Except as otherwise provided in subsection (7) of RCW 26.09.070, the provisions of any decree respecting maintenance or support may be modified only as to installments accruing subsequent to the motion for modification and, except as otherwise provided in subsections (4) ~~((or)), (5), and (8)~~ of this section, only upon a showing of a substantial change of circumstances. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the parent obligated to support the child.

(4) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a party requests an adjustment in an order for child support which was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based;

(c) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(d) To add an automatic adjustment of support provision consistent with RCW 26.09.100.

(5) An order or decree entered prior to June 7, 1984, may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require health insurance coverage for a child named therein; or

(b) Modify an existing order for health insurance coverage.

(6) An obligor's voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department of social and health services may file an action to modify an order of child support if public assistance money is being paid to or for the benefit of the child and the child support order is twenty-five percent or more below the appropriate child support amount set forth in the ~~((adopted child support schedule))~~ standard calculation as defined in section 4(6) of this act and reasons for the deviation are not set forth in the findings of fact or order. The determination of twenty-five percent or more shall be based on the current income of the parties and the department shall not be required to show a substantial change of circumstances if the reasons for the deviations were not set forth in the findings of fact or order.

(8) (a) Except as provided in (b) and (c) of this subsection, all child support decrees may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances. Either party may initiate the modification pursuant to procedures of RCW 26.09.175.

(b) Parents whose decrees are entered before the effective date of this act may petition the court for a modification after twelve months has expired from the entry of the decree or the most recent modification setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to (a) of this subsection.

(c) A party may petition for modification in cases of substantially changed circumstances, under subsection (1) of this section, at any time. However, if relief is granted under subsection (1) of this section, twenty-four months must pass before a petition for modification under (a) of this subsection may be filed.

(d) If, pursuant to (a) of this subsection, the court modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under (a) of this subsection may be filed.

(e) A parent who is receiving transfer payments who receives a wage or salary increase may not bring a modification action pursuant to (a) of this subsection alleging that increase constitutes a substantial change of circumstances under subsection (1) of this section.

Sec. 3. Section 2, chapter 430, Laws of 1987 and RCW 26.09.175 are each amended to read as follows:

(1) A proceeding for the modification of an order of child support shall commence with the filing of a petition ~~((and)), a supporting financial affidavit, and worksheets~~. The petition and affidavit shall be in substantially the form prescribed by the administrator for the courts. There shall be a fee of twenty dollars for the filing of a petition for modification of dissolution.

(2) The petitioner shall serve upon the other party the summons, a copy of the petition and affidavit, and a blank copy of a financial affidavit ~~and the worksheets~~ in the form prescribed by the administrator for the courts. If the modification proceeding is the first action filed in this state, service shall be made by personal service. If the decree to be modified was entered in

this state, service shall be by personal service or by any form of mail requiring a return receipt. If the support obligation has been assigned to the state pursuant to RCW 74.20.330 and notice has been filed with the court, the summons, petition, ~~((and)) affidavit, and worksheets~~ shall also be served on the ~~((office of support enforcement))~~ attorney general. Proof of service shall be filed with the court.

(3) The responding party's answer and completed financial affidavit and worksheets shall be served and the answer filed within twenty days after service of the petition or sixty days if served out of state. The responding party's failure to file an answer within the time required shall result in entry of a default judgment for the petitioner.

(4) At any time after responsive pleadings are filed, either party may schedule the matter for hearing.

(5) Unless both parties stipulate to arbitration or the presiding judge authorizes oral testimony pursuant to subsection (6) of this section, a petition for modification of an order of child support shall be heard by the court on affidavits only.

(6) A party seeking authority to present oral testimony on the petition to modify a support order shall file an appropriate motion not later than ten days after the time of notice of hearing. Affidavits and exhibits setting forth the reasons oral testimony is necessary to a just adjudication of the issues shall accompany the petition. The affidavits and exhibits must demonstrate the extraordinary features of the case. Factors which may be considered include, but are not limited to: (a) Substantial questions of credibility on a major issue; (b) insufficient or inconsistent discovery materials not correctable by further discovery; or (c) particularly complex circumstances requiring expert testimony.

(7) The administrator for the courts shall develop and prepare, in consultation with interested persons, model forms or notices for the use of the procedure provided by this section, including a notice advising of the right of a party to proceed with or without benefit of counsel.

Sec. 4. Section 2, chapter 275, Laws of 1988 and RCW 26.19.010 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) ~~((“Child support schedule” means the standards and economic table adopted by the commission;~~

~~((2) “Standards” means the standards for determination of child support which have been adopted by the commission, as modified by the legislature;~~

~~((3)) “Economic table” means the child support table for the basic support obligation which has been adopted by the child support commission effective July 1, 1989, except it does not include the references in that table to “standards”;~~

~~((4)) (2) “Worksheets” means the forms ~~((adopted))~~ developed by the ~~((commission))~~ administrator for the courts for use in determining the amount of child support;~~

~~((5)) (3) “Instructions” means the instructions ~~((adopted))~~ developed by the ~~((commission))~~ administrator for the courts for use in completing the worksheets;~~

~~((6)) (4) “Commission” means the Washington state child support schedule commission established by RCW 26.19.030; and~~

~~((7)) (5) “Basic child support obligation” means the monthly obligation determined from the economic table based on the parties combined monthly net income.~~

(6) “Standard calculation” means the amount of child support which is owed as determined from the worksheets before any deviation is considered.

(7) “Transfer payment” means the court ordered amount one parent is obligated to pay to the other parent for child support.

Sec. 5. Section 6, chapter 275, Laws of 1988 and RCW 26.19.050 are each amended to read as follows:

(1) The ~~((commission))~~ administrator for the courts shall develop and adopt worksheets and instructions to assist the parties and courts in establishing the appropriate child support level and apportionment of support. The ~~((commission))~~ administrator for the courts shall attempt to the greatest extent possible to make the worksheets and instructions understandable by persons who are not represented by legal counsel.

(2) The administrator for the courts ~~((in consultation with the commission;))~~ shall develop and adopt standards for the printing of worksheets and shall establish a process for certifying printed worksheets. ~~((The administrator shall not alter the design approved by the commission.))~~ The administrator may maintain a register of sources for approved worksheets.

(3) The administrator for the courts should explore methods to assist pro se parties and judges in the courtroom to calculate support payments through automated software, equipment, or personal assistance.

NEW SECTION. Sec. 6. A new section is added to chapter 26.19 RCW to read as follows:

(1) In any proceeding under this title or Title 13 or 74 RCW in which child support is at issue, support shall be determined and ordered according to this chapter. The provisions of this chapter for determining child support and reasons for deviation therefrom shall be applied in the same manner by the court, presiding officers, and reviewing officers. References to the

court also incorporates the presiding and reviewing officers who administratively determine or enforce child support orders.

(2) An order for child support shall be supported by written findings of fact upon which the support determination is based and shall include reasons for any deviation from the standard calculation.

(3) All income and resources of each parent's household shall be disclosed and shall be considered by the court when the child support obligation of each parent is determined. Tax returns for the preceding three years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(4) Worksheets in the form developed by the administrator for the courts shall be completed under penalty of perjury and filed in every proceeding in which child support is determined. The court shall not accept incomplete worksheets or worksheets that vary from the worksheets developed by the administrator for the courts.

(5) Unless specific reasons for deviation are set forth in the written findings of fact or order and are supported by the evidence, the court shall order each parent to pay the amount of child support determined using the standard calculation.

(6) The court shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. The worksheet on which the order is based shall be initialed or signed by the judge and filed with the order.

NEW SECTION, Sec. 7. A new section is added to chapter 26.19 RCW to read as follows:

(1) The basic child support obligation derived from the economic table shall be allocated between the parents based on each parent's share of the combined monthly net income.

(2) Ordinary health care expenses are included in the economic table. Monthly health care expenses that exceed five percent of the basic support obligation shall be considered extraordinary health care expenses. Extraordinary health care expenses shall be shared by the parents in the same proportion as the basic child support obligation.

(3) Day care and special child rearing expenses, such as tuition and long-distance transportation costs to and from the parents for visitation purposes, are not included in the economic table. These expenses shall be shared by the parents in the same proportion as the basic child support obligation.

(4) The court may exercise its discretion to determine the necessity for and the reasonableness of all amounts ordered in excess the basic child support obligation.

NEW SECTION, Sec. 8. A new section is added to chapter 26.19 RCW to read as follows:

(1) Except as otherwise provided in this section, monthly gross income for child support purposes shall include income from any source, including: Salaries, wages, commissions, deferred compensation, bonuses, mandatory overtime, dividends, interest, trust income, severance pay, annuities, capital gains, pension retirement benefits, social security retirement benefits, workers' compensation, unemployment benefits, and spousal maintenance that is actually received.

(2) Monthly gross income for the preceding year for child support purposes shall include income from voluntary overtime pay above one hundred sixty-eight hours per month, income from employment in excess of forty hours per week to the extent derived from a second job, nonrecurring bonuses, contract-related cash benefits, gifts, and prizes, except to the extent that income from those sources exceeds the average income from those sources for the second and third years preceding the commencement of the action under chapter 26.09, 26.10, or 26.26 RCW.

(3) The court shall deduct the following from gross income: Federal and state income taxes, federal insurance contributions act deductions, mandatory pension plan payments, mandatory union or professional dues, court-ordered spousal maintenance to the extent actually paid, up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the three consecutive years prior to the filing of the dissolution, and court-ordered payments of child support for children from other relationships to the extent actually paid. All items excluded from income shall be disclosed in the worksheet.

(4) The court may deduct normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

(5) The following resources shall be disclosed, shall not be included in gross income, and shall not be reason to deviate from the standard calculation: Aid to families with dependent children, supplemental security income, general assistance, veterans aid and attendance allowance, and food stamps.

(6) The following income shall be disclosed, shall not be included in gross income, but may be a reason to deviate from the standard calculation:

- (a) Income of a new spouse or income of other adults in the household;
- (b) Child support received from other relationships; and
- (c) Income excluded from subsection 2 of this section.

(7) (a) Children from relationships other than the relationship of the parties before the court shall not be counted for determining the number of children in the family for purposes of calculating the basic support obligation. The court may not consider, for purposes of deviation in calculating the amount of child support payable, any children for whom the court has allowed a deduction from gross income for court-ordered child support payments.

(b) The court may consider deviating from the presumptive basic support obligation when there are children from other relationships and the court has not allowed a deduction from gross income for payments of child support for those children pursuant to subsection (3) of this section. Deviations under this section from the presumptive basic support obligation due shall be based on consideration of the total circumstances of both households.

(8) The court shall consider the residential schedule and may deviate from the standard calculation if the child spends a substantial amount of time with the parent who is obligated to make the transfer payment. The court shall not use this subsection to restrict either parent's contact or visitation with the child or children.

Absent agreement between the parents, the parent seeking the adjustment based on contact with the child shall have the burden to show by a preponderance of the evidence the requested adjustment is consistent with the parent's actual past involvement with the child. The support payment should not be reduced if the reduction will result in insufficient funds in the house receiving the support to meet the basic needs of the child or the child is receiving aid to families with dependent children payments.

(9) Additional reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit as a result of the tax planning.

(10) The court shall enter findings which specify reasons for any deviations from the standard calculation made by the court.

(11) Agreement of the parties is not by itself adequate reason for deviation from the standard calculation.

(12) Neither parent's total child support obligation shall exceed fifty percent of net income unless good cause is shown. Good cause may include possession of substantial wealth, children with day care expenses, special medical, educational, psychological needs, and larger families.

(13) The court shall impute income to a parent when the parent is voluntarily underemployed or voluntarily unemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's work history. A parent shall not be deemed voluntarily underemployed as long as that parent is gainfully employed on a full-time basis. Income shall not be imputed for an unemployable parent.

NEW SECTION, Sec. 9. A new section is added to chapter 26.19 RCW to read as follows:

The child support schedule shall be advisory and not mandatory for postsecondary educational support. When considering whether to order support for postsecondary educational expenses, the court shall determine whether the child is in fact dependent and is relying upon the parents for the reasonable necessities of life. The court shall exercise its discretion when determining whether and for how long to award postsecondary educational support based upon consideration of factors that include but are not limited to the following: Age of the child; the child's needs; the expectations of the parties for their children when the parents were together; the child's prospects, desires, aptitudes, abilities or disabilities; the nature of the postsecondary education sought; and the parents' level of education, standard of living, and current and future resources. Also to be considered are the amount and type of support that the child would have been afforded if the parents had stayed together. The child must be enrolled in school, actively pursuing a course of study, and in good academic standing as defined by the institution or the court-ordered postsecondary educational support may be automatically suspended during the period or periods the child fails to comply with these conditions. The court in its discretion may order that the payment be made directly to the parent who has been receiving the transfer payments, to the educational institution if feasible, or to the child. The court shall not order the payment of postsecondary educational expenses beyond the child's twenty-third birthday, except for exceptional circumstances, such as mental, physical, or emotional disabilities.

NEW SECTION, Sec. 10. A new section is added to chapter 26.19 RCW to read as follows:

The parties may agree which parent is entitled to claim the child or children as dependents for federal income tax exemptions. The court may award the exemption or exemptions and order a party to sign the federal income tax dependency exemption waiver. The court may divide the exemptions between the parties, alternate the exemptions between the parties, or both.

NEW SECTION, Sec. 11. A new section is added to chapter 26.19 RCW to read as follows:

(1) When combined monthly net income is less than six hundred dollars, a support order not less than twenty-five dollars per month shall be entered for each parent, regardless of the

number of children. A parent's child support obligation shall not reduce his or her net income below the need standard for one person promulgated pursuant to RCW 74.04.770, except for the mandatory minimum payment of twenty-five dollars per month as required by this subsection or in cases where the court finds reasons for deviation under section 8(8) of this act. This section shall not be construed to require monthly substantiation of income.

(2) The presumptive basic support obligation shall be determined upon the combined monthly net income of the parents up to a cap of five thousand dollars combined net income per month. The table is not presumptive but advisory only for combined monthly net incomes above five thousand dollars.

NEW SECTION. Sec. 12. A new section is added to chapter 26.19 RCW to read as follows:

(1) When combined monthly net income exceeds the highest combined monthly net income for which a presumptive amount of support is established, child support shall not be set at a level lower than that amount from the table but the court has discretion to establish support at higher levels upon written finding of fact.

(2) The provisions of this chapter shall apply to adult children who are dependent on their parents and for whom support is ordered pursuant to RCW 26.09.100.

Sec. 13. Section 2407, Code of 1881 as amended by section 1, chapter 207, Laws of 1969 ex. sess. and RCW 26.16.205 are each amended to read as follows:

The expenses of the family and the education of the children, including stepchildren, are chargeable upon the property of both husband and wife, or either of them, and ~~(in relation thereto)~~ they may be sued jointly or separately ~~((PROVIDED: That with regard to stepchildren, the obligation shall cease upon the termination of the relationship of husband and wife))~~. When a petition for dissolution of marriage or a petition for legal separation is filed, the court may, upon motion of the stepparent, terminate the obligation to support the stepchildren. The obligation to support stepchildren shall cease upon the entry of a decree of dissolution, decree of legal separation, or death.

NEW SECTION. Sec. 14. A new section is added to chapter 26.19 RCW to read as follows:

(1) Day care, extraordinary health care, long-distance transportation costs, and special child-rearing expenses such as tuition are not included in the basic support obligation for each child. These expenses shall be shared by the parents in the same proportion as the basic child support obligation and may be listed as a specific dollar amount or as a percentage amount subject to the verification requirements pursuant to subsection (2) of this section.

(2) (a) If a sum certain is established for day care and is set forth in the decree, the parent making the transfer payment is entitled to proof of the amount paid for day care. The parent making the transfer payment is responsible for the appropriate percentage of the actual amount paid, not to exceed the proper share of the amount as set forth in the decree. The transfer payment for day care must be made in advance if the day care amount is set forth in the decree or is a regularly paid amount in a sum certain. If an amount is not specified in the decree or a regular sum certain, reimbursement of day care expenses shall be treated in the same manner as reimbursement for transportation costs, extraordinary health care, and other extraordinary expenses.

(b) For transportation costs, extraordinary health care costs, and other extraordinary expenses of the children specified in the decree, the parent paying these expenses shall be entitled to prompt reimbursement of the other parent's share of those expenses. Proof of the expenditure shall be furnished to the parent from whom reimbursement is sought. Reimbursement must be made promptly but not later than thirty days of receipt of proof of payment of these expenditures.

(3) (a) If reimbursement is not made within the thirty-day period or is incomplete due to a nonsufficient fund check or other failure to pay, the parent seeking reimbursement may by motion obtain an order compelling payment with statutory interest. If a parent requests proof of payment and it is not provided within thirty days the party may move to compel production of the documents. The court shall award actual court costs and reasonable attorneys' fees to the prevailing party in every motion filed under this section except upon a showing of good cause for nonpayment.

(b) Wage assignment orders may be obtained pursuant to chapter 26.18 RCW to collect court-ordered basic child support, day care, extraordinary health care, long-distance transportation costs, or other extraordinary expenses, attorneys' fees, court costs, or any other item ordered by the court. A parent to whom basic child support, day care, extraordinary health care, long-distance transportation costs, or other extraordinary expenses are to be paid based on a percentage share of the costs, may by motion obtain a court order reducing the amounts owed to a sum certain and then enforce collection of that amount by a wage assignment order.

Sec. 15. Section 2, chapter 164, Laws of 1971 ex. sess. as last amended by section 1, chapter 55, Laws of 1989 and by section 151, chapter 175, Laws of 1989 and RCW 74.20A.020 are each reenacted and amended to read as follows:

(1) Decrees under this chapter involving child custody, visitation, or child support entered in actions commenced prior to January 1, 1988, shall be deemed to be parenting plans for purposes of this chapter.

(2) The enactment of the 1987 revisions to this chapter does not constitute substantially changed circumstances for the purposes of modifying decrees entered under this chapter in actions commenced prior to January 1, 1988, involving child custody, visitation, or child support. ~~((Am))~~ Any action to modify any decree involving child custody, visitation, child support, or a parenting plan ~~((which was commenced after December 31, 1987;))~~ shall be governed by the ~~((1987 revisions to))~~ provisions of this chapter.

(3) Actions brought for clarification or interpretation of decrees entered under this chapter in actions commenced prior to January 1, 1988, shall be determined under the law in effect immediately prior to January 1, 1988.

NEW SECTION. Sec. 17. A new section is added to chapter 26.18 RCW to read as follows:

(1) When the department of labor and industries or a self-insurer pays compensation under chapter 51.32 RCW on behalf of or on account of the child or children of the injured worker for whom the injured worker owes a duty of child support, the amount of compensation the department or self-insurer pays on behalf of the child or children shall be treated for all purposes as if the injured worker paid the compensation toward satisfaction of the injured worker's child support obligations.

(2) When the social security administration pays social security disability dependency benefits on behalf of or on account of the child or children of the disabled person, the amount of compensation paid for the children shall be treated for all purposes as if the disabled person paid the compensation toward satisfaction of the disabled person's child support obligation.

(3) Under no circumstances shall the person who has the obligation to make the transfer payment have a right to reimbursement of any compensation paid under subsection (1) or (2) of this section.

Sec. 18. Section 17, chapter 460, Laws of 1987 and RCW 26.09.225 are each amended to read as follows:

Each parent shall have full and equal access to the education and ~~((medical))~~ health care records of the child absent a court order to the contrary.

Sec. 19. Section 3, chapter 275, Laws of 1988 as amended by section 76, chapter 175, Laws of 1989 and RCW 26.19.020 are each amended to read as follows:

~~((1))~~ (a) Except as provided in (b) of this subsection, in any proceeding under this title or Title 13 or 74 RCW in which child support is at issue, support shall be determined and ordered according to the child support schedule adopted pursuant to RCW 26.19.040.

~~(b))~~ If approved by a majority vote of the superior court judges of a county, the superior court may adopt by local court rule an economic table that shall be used by the superior court of that county, instead of the economic table adopted by the commission, to determine the appropriate amount of child support. The economic table adopted by the superior court shall not vary by more than twenty-five percent from the economic table adopted by the commission and shall not vary the economic table for combined monthly net income of two thousand five hundred dollars or less.

~~((2))~~ An order for child support shall be supported by written findings of fact upon which the support determination is based:

~~(3)~~ All income and resources of each parent's household shall be disclosed and shall be considered by the court or the presiding or reviewing officer when the child support obligation of each parent is determined.

~~(4)~~ Worksheets in the form approved by the commission shall be completed and filed in every proceeding in which child support is determined. Variations of the worksheets shall not be accepted.

~~(5)~~ Unless specific reasons for deviation are set forth in the written findings of fact or order and are supported by the evidence, the court or the presiding or reviewing officer shall order each parent to pay the amount of child support determined using the standard calculation.

~~(6)~~ The court or the presiding or reviewing officer shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit. Agreement of the parties, by itself, is not adequate reason for deviation.)

Sec. 20. Section 2, chapter 440, Laws of 1987 as amended by section 5, chapter 275, Laws of 1988 and RCW 26.19.040 are each amended to read as follows:

~~((1))~~ The ~~((schedule proposed by the commission in its report dated January 26, 1988))~~ economic table as defined in section 4 of this act shall take effect July 1, ~~((1988))~~ 1990. The ~~((schedule))~~ economic table shall remain in effect until revised ~~((under this section. The commission shall review the schedule and propose changes as needed each even-numbered year.~~

~~(2)~~ The commission shall review the schedule and recommended revisions based upon:

~~(a)~~ Updated economic data which accurately reflects family spending and child-rearing costs for families of different sizes and income levels in the state of Washington;

~~(b)~~ Appropriate adjustments for significant changes in child-rearing costs at different age levels;

~~(c)~~ The need for funding of the child's primary residence by a payment which is sufficient to meet the basic needs of the child;

~~(d)~~ Provisions for health care coverage and, when needed, child care payments; and

~~(e)~~ The support amount shall be based on the child's age, the parent's combined income, and the family size. Family size shall mean all children for whom support is to be established.

~~(3)~~ The commission shall establish standards for applying the child support schedule. Included in these standards shall be:

~~(a)~~ The type, net or gross, and sources of income on which support amounts shall be based;

~~(b)~~ Provisions for taking into account the voluntary unemployment or underemployment of one or both parents or if the income of a parent is not known; and

~~(c)~~ Provisions for taking into account a parent whose income varies;

~~(4)~~ Any proposed revisions to the schedule shall be submitted to the legislature no later than November 1st of each even-numbered year.

~~(5)~~ If the commission fails to propose revisions to the schedule, the existing schedule shall remain in effect, unless the legislature refers the schedule to the commission for modification or

adopts a different schedule. If the schedule is referred to the commission for modification, the provisions of subsection (7) of this section shall be applicable:

(6) The legislature may adopt the proposed schedule or refer the proposed schedule to the commission for modification. If the legislature fails to adopt or refer the proposed schedule to the commission by March 1 of the following year, the proposed schedule shall take effect without legislative approval on July 1 of that year.

(7) If the legislature refers the proposed schedule to the commission for modification on or before March 1st, the commission shall resubmit the proposed modifications to the legislature no later than March 15th. The legislature may adopt or modify the resubmitted proposed schedule. If the legislature fails to adopt or modify the resubmitted proposed schedule by April 1, the resubmitted proposed schedule shall take effect without legislative approval on July 1 of that year)) by the legislature.

Sec. 21. Section 25, chapter 183, Laws of 1973 1st ex. sess. as last amended by section 152, chapter 175, Laws of 1989 and RCW 74.20A.055 are each amended to read as follows:

(1) The secretary may, in the absence of a superior court order, serve on the responsible parent or parents a notice and finding of financial responsibility requiring a responsible parent or parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future for such period of time as the child or children of said responsible parent or parents are in need. The hearing shall be held pursuant to RCW 74.20A.055, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to file an application for an adjudicative proceeding. The application shall be served upon the department by registered or certified mail or personally. If no such application is made, the notice and finding of responsibility shall become final, and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely application is made, the execution of notice and finding of responsibility shall be stayed pending the entry of the final administrative order. If no timely written application has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely application. The filing of the petition for an adjudicative proceeding after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of an application after the twenty-day period operates as a stay on any future collection action, pending entry of the final administrative order. Moneys withheld as a result of collection action in effect at the time of the granting of the application after the twenty-day period shall be delivered to the department and shall be held in trust by the department pending entry of the final administrative order. The department may petition the presiding or reviewing officer to set temporary current and future support to be paid beginning with the month in which the application after the twenty-day period is granted. The presiding or reviewing officer shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the child support schedule adopted under RCW 26.19.040. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the presiding or reviewing officer, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the adjudicative proceeding or thereafter to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the adjudicative proceeding shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final administrative order is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent's past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the need alleged. The notice and finding shall also include a statement of the name of the recipient or

custodian and the name of the child or children for whom need is alleged; and/or a statement of the amount of periodic future support payments as to which financial responsibility is alleged.

(4) The notice and finding shall include a statement that the responsible parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future.

The notice and finding shall include a statement that, if the responsible parent fails in timely fashion to file an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt shall be subject to collection action; a statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver to satisfy the debt.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule adopted under RCW 26.19.040 in making these determinations, the presiding or reviewing officer shall comply with (~~RCW 26.19.020 (4), (5), and (6)~~) the provisions set forth in chapter 26.19 RCW.

If the responsible parent fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action.

(6) The final order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order: PROVIDED, That in the absence of a superior court order, either the responsible parent or the department may petition the secretary or his designee for issuance of an order to appear and show cause based on a showing of good cause and material change of circumstances, to require the other party to appear and show cause why the order previously entered should not be prospectively modified. Said order to appear and show cause together with a copy of the petition and affidavit upon which the order is based shall be served in the manner of a summons in a civil action or by certified mail, return receipt requested, on the other party by the petitioning party. Prospective modification may be ordered, but only upon a showing of good cause and material change of circumstances.

(7) The presiding or reviewing officer shall order support payments under the child support schedule adopted under RCW 26.19.040.

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

(9) "Need" as used in this section shall mean the necessary costs of food, clothing, shelter, and medical attendance for the support of a dependent child or children. The amount determined by reference to the child support schedule adopted under RCW 26.19.040, shall be a rebuttable presumption of the alleged responsible parent's ability to pay and the need of the family: PROVIDED, That such responsible parent shall be presumed to have no ability to pay child support under this chapter from any income received from aid to families with dependent children, supplemental security income, or continuing general assistance.

NEW SECTION, Sec. 22. (1) The administrator for the courts shall develop a child support order summary report form to provide for the reporting of summary information in every case in which a child support order is entered or modified either judicially or administratively. The administrator for the courts shall attempt to the greatest extent possible to make the form simple and understandable by the parties. The form shall indicate the following:

- (m) Any other extraordinary amounts in the order;

- (p) In the case of a modification, the amount of support in the previous order;
- (q) If the change in support was in excess of thirty percent, whether the change was phased in;

- (s) Which parent was ordered to make the transfer payment; and
- (t) The date of the entry of the order.

(2) The administrator for the courts shall make the form available to the parties.

NEW SECTION. Sec. 23. A new section is added to chapter 26.09 RCW to read as follows:

The summary report shall be on the form developed by the administrator for the courts pursuant to section 22 of this act. The party must complete the form and file the form with the court order. MOTION

Senator Nelson moved that the Second Report of the Conference Committee on Engrossed House No. 2888 be adopted and the committee be granted the powers of Free Conference.

POINT OF ORDER

Senator Talmadge: "Mr. President, a point of order. Rule 11 of the Joint Rules states that it is required that the Free Conference Committee Report be on the desks of the members for a twenty-four hour period. While the Senate suspended Rule 11 with respect to the First Conference Committee Report, I guess the point of order I

raise is I believe the Senate must again suspend Rule 11 in order to consider this Second Conference Committee Report that is on the desk."

PARLIAMENTARY INQUIRY

Senator Talmadge: "A point of parliamentary inquiry, then, Mr. President. In order to place my point of order, would now be the time to place the point insofar as the Conference Committee Report is being considered or must I wait until such time as the adoption of the Free Conference Committee Report?"

REPLY BY THE PRESIDENT

President Pritchard: "You should wait until we do the Free Conference Committee Report."

The President declared the question before the Senate to be the motion by Senator Nelson that the Second Report of the Conference Committee on Engrossed House Bill No. 2888 be adopted and the committee be granted the powers of Free Conference.

Sec. 7. Section 5, chapter 299, Laws of 1986 as amended by section 3, chapter 459, Laws of 1987 and RCW 28C.10.050 are each amended to read as follows:

(1) The agency shall adopt by rule minimum standards for private vocational schools. The minimum standards shall include, but not be limited to, requirements for each school to:

(a) Disclose to the agency information about its ownership and financial position and to demonstrate that it has sufficient financial resources to fulfill its commitments to students. Financial disclosures provided to the agency shall not be subject to public disclosure under chapter 42.17 RCW((:));

(b) Follow a uniform state-wide cancellation and refund policy as specified by the agency((:));

(c) Disclose through use of a school catalog, brochure, or other written material, necessary information to students so that students may make informed enrollment decisions. The agency shall specify what information is required((:));

(d) Use an enrollment contract or agreement that includes: (i) The cancellation and refund policy, (ii) a brief statement that the school is licensed under this chapter and that inquiries may be made to the agency, and (iii) other necessary information as determined by the agency((:));

(e) Describe accurately and completely in writing to students before their enrollment prerequisites and requirements for (i) completing successfully the programs of study in which they are interested and (ii) qualifying for the fields of employment for which their education is designed((:));

(f) Comply with the requirements of RCW 28C.10.084((:));

((2)) (g) Assess the basic skills and relevant aptitudes of each potential student to determine that a potential student has the basic skills and relevant aptitudes necessary to complete and benefit from the program in which the student plans to enroll. Guidelines for such assessments shall be developed by the agency, in consultation with the schools. The method of assessment shall be reported to the agency. Assessment records shall be maintained in the student's file;

(h) Discuss with each potential student the potential student's obligations in signing any enrollment contract and/or incurring any debt for educational purposes. The discussion shall include the inadvisability of acquiring an excessive educational debt burden that will be difficult to repay given employment opportunities and average starting salaries in the potential student's chosen occupation.

(2) Any enrollment contract shall have an attachment in a format provided by the agency. The attachment shall be signed by both the school and the student. The attachment shall stipulate that the school has complied with subsection (1)(h) of this section and that the student understands and accepts his or her responsibilities in signing any enrollment contract or debt application. The attachment shall also stipulate that the enrollment contract shall not be binding for at least five days, excluding Sundays and holidays, following signature of the enrollment contract by both parties.

(3) The agency shall deny, revoke, or suspend the license of any school that does not meet or maintain the minimum standards.

Sec. 8. Section 1, chapter 459, Laws of 1987 and RCW 28C.10.084 are each amended to read as follows:

(1) The agency shall establish, maintain, and administer a tuition recovery fund. All funds collected for the tuition recovery fund are payable to the state for the benefit and protection of any student or enrollee of a private vocational school licensed under this chapter, or, in the case of a minor, his or her parents or guardian, for purposes including but not limited to the settlement of claims procedures under subsection (9) of this section and RCW 28C.10.120. The fund shall be liable for settlement of claims and costs of administration but shall not be liable to pay out or recover penalties assessed under RCW 28C.10.130 or 28C.10.140. No liability accrues to the state of Washington from claims made against the fund.

(2) To be and remain licensed under this chapter each entity shall, in addition to other requirements under this chapter, make cash deposits into a tuition recovery fund as a means to assure payment of claims brought under this chapter. The fund shall be initially capitalized at two hundred thousand dollars and shall achieve an operating balance of at least one million dollars within five years after May 18, 1987, as required under subsection (5) of this section.

(3) The amount of liability that can be satisfied by this fund on behalf of each individual entity licensed under this chapter shall be established by the agency, based on an incremental scale that recognizes the average amount of unearned prepaid tuition in possession of the entity. However, the minimum amount of liability for any entity shall not be less than five thousand dollars and the maximum amount shall not exceed two hundred thousand dollars. Such limitation on each entity's liability remains unchanged by single or cumulative disbursements made on behalf of the entity. The upper limit of liability is reestablished following the settlement of any claim.

(4) Within sixty days after any entity deposits its initial contribution into the fund, the agency shall release whatever surety such entity had previously filed. Thereupon, the tuition recovery fund shall be liable for a period of one year following the date such surety is released with respect to prior claims against the surety. However, the liability of the fund is limited to the amount of and subject to the defenses of that released surety as though it had remained on file with the agency. The fund's liability with respect to each entity that makes an

initial deposit into the fund commences on that date and ceases one year from the date it is no longer licensed under this chapter.

(5) The agency shall adopt by rule a matrix for calculating the deposits into the fund required of each entity. Proration shall be determined by factoring the entity's share of liability in proportion to the aggregated liability of all participants under the fund by grouping such prorations under the incremental scale created in subsection (3) of this section. Expressed as a percentage of the total liability, that figure determines the amount to be contributed when factored into a fund containing one million dollars. The total amount of its prorated share, minus the amount paid for initial capitalization, shall be payable in ten equal increments over a five-year period, commencing with the sixth month after May 18, 1987. Additionally, the agency shall require deposits for initial capitalization, under which the amount each entity deposits is proportionate to its share of two hundred thousand dollars, employing the matrix developed under this subsection. The amount thus established shall be deposited by each licensee of record, within thirty days after May 18, 1987, and a like amount shall be deposited by each subsequent applicant for licensing before the issuance of such license.

(6) No vested right or interests in deposited funds is created or implied for the depositor, either at any time during the operation of the fund or at any such future time that the fund may be dissolved. All funds deposited are payable to the state for the purposes described under this section. The agency shall maintain the fund, collect deposits when due by serving appropriate notices to affected entities, and make disbursements to settle claims. When the deposits total five million dollars and the history of disbursements so warrants, the agency may at its own option reduce the schedule of deposits whether as to time, amount, or both. When such level is achieved, the agency may also entertain proposals from among the licensees with regard to disbursing surplus funds for such purposes as vocational scholarships.

(7) The agency shall make determinations based on annual financial data supplied by the entity whether the increment assigned to that entity on the incremental scale established under subsection (5) of this section has changed. If an increase or decrease has occurred, a corresponding change in its incremental position and contribution schedule shall be made before the date of its next scheduled deposit into the fund.

(8) If fifty-one percent or more of the ownership interest in an entity is conveyed through sale or other means into different ownership, the contribution schedule of the prior owner is canceled. All contributions made to the date of transfer accrue to the fund. The new owner commences contributions under provisions applying to a new applicant.

(9) To settle complaints adjudicated under RCW 28C.10.120 and claims resulting ~~((from closure of an entity))~~ when a private vocational school ceases to provide educational services, the agency may make disbursements from the fund. In addition to the processes described under RCW 28C.10.120 for handling complaints, the following additional procedures are established to deal with school closures:

(a) The agency shall attempt to notify all potential claimants. The absence of records and other circumstances may make it impossible or unreasonable for the agency to ascertain the names and whereabouts of each potential claimant but the agency shall make reasonable inquiries to secure that information from all likely sources. The agency shall then proceed to settle the claims on the basis of information in its possession. The agency is not responsible or liable for claims or for handling claims that may subsequently appear or be discovered.

(b) Thirty days after identified potential claimants have been notified, if a claimant refuses or neglects to file a claim verification as requested in such notice, the agency shall be relieved of further duty or action on behalf of the claimant under this chapter.

(c) After verification and review, the agency may disburse funds from the tuition recovery fund to settle or compromise the claims. However, the liability of the fund for claims against the closed entity shall not exceed that total amount of the contribution schedule assigned to that entity under subsection (5) of this section.

(d) The agency shall seek to recover such disbursed funds from the assets of the defaulted entity, including but not limited to asserting claims as a creditor in bankruptcy proceedings.

(10) When funds are disbursed to settle claims against a current licensee, the agency shall make demand upon the licensee for recovery. The agency shall adopt schedules of times and amounts acceptable for effecting recoveries. An entity's failure to perform subjects its license to suspension or revocation under RCW 28C.10.050 in addition to any other available remedies.

(11) A minimum operating balance of two hundred thousand dollars shall be maintained in the fund. If disbursements reduce the balance below two hundred thousand dollars, each participating entity shall be assessed a prorata share of the deficiency created, based upon the incremental scale created under subsection (5) of this section. The agency shall promptly adopt schedules of times and amounts acceptable for affecting payments of assessments.

Sec. 9. Section 11, chapter 299, Laws of 1986 and RCW 28C.10.110 are each amended to read as follows:

It is an unfair business practice for a private vocational school or agent to:

(1) Fail to comply with the terms of a student enrollment contract or agreement;

(2) Use an enrollment contract form, catalog, brochure, or similar written material affecting the terms and conditions of student enrollment other than that previously submitted to the agency and authorized for use;

(8) Provide prospective students with any testimonial, endorsement, or other information which has the tendency to mislead or deceive prospective students or the public regarding current practices of the school, current conditions for employment opportunities, or probable earnings in the occupation for which the education was designed;

(9) Designate or refer to sales representatives as "counselors," "advisors," or similar terms which have the tendency to mislead or deceive prospective students or the public regarding the authority or qualifications of the sales representatives;

(10) Make or cause to be made any statement or representation in connection with the offering of education if the school or agent knows or reasonably should have known the statement or representation to be false, substantially inaccurate, or misleading; ~~(or)~~

(11) Engage in methods of advertising, sales, collection, credit, or other business practices which are false, deceptive, misleading, or unfair, as determined by the agency by rule; or

SECOND REPORT OF CONFERENCE COMMITTEE

RE: E2SSB 6610

Revising provisions for at-risk youth.

March 8, 1990

Mr. President:

Mr. Speaker:

We of your Conference Committee, to whom the above measure was referred, have had the same under consideration and we recommend the following:

That the following House Committee on Human Services Committee striking amendment which the House adopted March 2, 1990, be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to:

- (1) Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
- (2) Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and supervision to such youth; and
- (3) Assess the effectiveness of the family reconciliation services program.

The legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under this act shall be contingent upon the availability of funds specifically appropriated by the legislature for such purpose.

Sec. 2. Section 16, chapter 155, Laws of 1979 and RCW 13.32A.020 are each amended to read as follows:

This chapter shall be known and may be cited as the (~~Procedures for Families in Conflict~~) Family Reconciliation Act.

Sec. 3. Section 17, chapter 155, Laws of 1979 as amended by section 6, chapter 257, Laws of 1985 and RCW 13.32A.030 are each amended to read as follows:

As used in this chapter the following terms have the meanings indicated unless the context clearly requires otherwise:

- (1) "Department" means the department of social and health services;
- (2) "Child," "juvenile," and "youth" mean any individual who is under the chronological age of eighteen years;
- (3) "Parent" means the legal custodian(s) or guardian(s) of a child;
- (4) "Semi-secure facility" means any facility, including but not limited to crisis residential centers or specialized foster family homes, operated in a manner to reasonably assure that youth placed there will not run away; PROVIDED, That such facility shall not be a secure institution or facility as defined by the federal juvenile justice and delinquency prevention act of 1974 (P.L. 93-415; 42 U.S.C. Sec. 5634 et seq.) and regulations and clarifying instructions promulgated thereunder. Pursuant to rules established by the department, the facility administrator shall establish reasonable hours for residents to come and go from the facility such that no residents are free to come and go at all hours of the day and night. To prevent residents from taking unreasonable actions, the facility administrator, where appropriate, may condition a resident's leaving the facility upon the resident being accompanied by the administrator or the administrator's designee and the resident may be required to notify the administrator or the administrator's designee of any intent to leave, his or her intended destination, and the probable time of his or her return to the center. The facility administrator shall notify a parent and the appropriate law enforcement agency within four hours of all unauthorized leaves;

(5) "At-risk youth" means an individual under the chronological age of eighteen years who:

(a) Is absent from home for more than seventy-two consecutive hours without consent of his or her parent;

(b) Is beyond the control of his or her parent such that the child's behavior substantially endangers the health, safety, or welfare of the child or any other person; or

(c) Has a serious substance abuse problem for which there are no pending criminal charges related to the substance abuse.

Sec. 4. Section 18, chapter 155, Laws of 1979 as amended by section 1, chapter 298, Laws of 1981 and RCW 13.32A.040 are each amended to read as follows:

Families who are in conflict or who are experiencing problems with at-risk youth may request family reconciliation services from the department. Such services shall be provided to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible. Family reconciliation services shall be designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include but are not limited to referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Sec. 5. Section 19, chapter 155, Laws of 1979 as last amended by section 1, chapter 288, Laws of 1986 and RCW 13.32A.050 are each amended to read as follows:

A law enforcement officer shall take a child into custody:

(1) If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or

(2) If a law enforcement officer reasonably believes, considering the child's age, the location, and the time of day, that a child is in circumstances which constitute a danger to the child's safety; or

(3) If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement; or

(4) If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued pursuant to chapter 13.32A RCW or that the court has issued an order for law enforcement pick-up of the child under this chapter.

Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination.

An officer who takes a child into custody under this section and places the child in a designated crisis residential center shall inform the department of such placement within twenty-four hours.

(5) Nothing in this section affects the authority of any political subdivision to make regulations concerning the conduct of minors in public places by ordinance or other local law.

Sec. 6. Section 23, chapter 155, Laws of 1979 as amended by section 7, chapter 298, Laws of 1981 and RCW 13.32A.090 are each amended to read as follows:

(1) The person in charge of a designated crisis residential center or the department pursuant to RCW 13.32A.070 shall perform the duties under subsection (2) of this section:

(a) Upon admitting a child who has been brought to the center by a law enforcement officer under RCW 13.32A.060;

(b) Upon admitting a child who has run away from home or has requested admittance to the center;

(c) Upon learning from a person under RCW 13.32A.080~~((2))~~ (3) that the person is providing shelter to a child absent from home; or

(d) Upon learning that a child has been placed with a responsible adult pursuant to RCW 13.32A.070.

(2) When any of the circumstances under subsection (1) of this section are present, the person in charge of a center shall perform the following duties:

(a) Immediately notify the child's parent of the child's whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement;

(b) Initially notify the parent that it is the paramount concern of the family reconciliation service personnel to achieve a reconciliation between the parent and child to reunify the family and inform the parent as to the procedures to be followed under this chapter;

(c) Inform the parent whether a referral to children's protective services has been made and, if so, inform the parent of the standard pursuant to RCW 26.44.020(12) governing child abuse and neglect in this state;

(d) Arrange transportation for the child to the residence of the parent, as soon as practicable, at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses to be assumed by the department, when the child and his or her parent agrees to the child's return home or when the parent produces a copy of a court order entered under this chapter requiring the child to reside in the parent's home;

(e) Arrange transportation for the child to an alternative residential placement which may include a licensed group care facility or foster family when agreed to by the child and parent at the latter's expense to the extent of his or her ability to pay, with any unmet transportation expenses assumed by the department.

Sec. 7. Section 26, chapter 155, Laws of 1979 and RCW 13.32A.120 are each amended to read as follows:

(1) Where either a child or the child's parent or the person or facility currently providing shelter to the child notifies the center that such individual or individuals cannot agree to the continuation of an alternative residential placement arrived at pursuant to RCW 13.32A.090(2)(e), the center shall immediately contact the remaining party or parties to the agreement and shall attempt to bring about the child's return home or to an alternative living arrangement agreeable to the child and the parent as soon as practicable.

(2) If a child and his or her parent cannot agree to an alternative residential placement under RCW 13.32A.090(2)(e), either the child or parent may file with the juvenile court a petition to approve an alternative residential placement or the parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth under this chapter.

Crisis residential center staff shall make a concerted effort to achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours, excluding Saturdays, Sundays and holidays, from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the seventy-two hour period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement ~~((and))~~, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; and (3) the right to request a review of ((such a)) any alternative residential placement: PROVIDED, That at no time shall information regarding a parent's or child's rights be withheld if requested: PROVIDED FURTHER, That the department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating such services and rights. In addition, the administrator of the facility or his or her designee shall provide every resident and parent with a copy of such statement.

Sec. 9. Section 28, chapter 155, Laws of 1979 as amended by section 10, chapter 298, Laws of 1981 and RCW 13.32A.140 are each amended to read as follows:

The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:

(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:

(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:

(a) The party to whom the arrangement is no longer acceptable has so notified the department;

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. (1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that a family assessment has been completed by the department. The family assessment shall be aimed at family reconciliation and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section or the parent may proceed under subsection (3) of this section.

(2) A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement.

(3) A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition. The petition shall be filed in the county where the petitioning parent resides. The petition shall set forth the name, age, and residence of the child and the names and residence of the child's parents and shall allege that:

(a) The child is an at-risk youth as defined in this chapter;

(b) The petitioning parent has the right to legal custody of the child;

(c) Court intervention and supervision are necessary to assist the parent to maintain the care, custody, and control of the child; and

(d) Alternatives to court intervention have been attempted or there is good cause why such alternatives have not been attempted.

The petition shall set forth facts that support the allegations in this subsection and shall generally request relief available under this chapter. The petition need not specify any proposed disposition following adjudication of the petition. The filing of an at-risk youth petition is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority and responsibility for the child. An at-risk youth petition may not be filed if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to court intervention have been attempted or if there is good cause why they were not attempted. Juvenile court personnel may screen all at-risk youth petitions and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements of this section, or fails to allege sufficient facts in support of allegations in the petition.

Sec. 11. Section 30, chapter 155, Laws of 1979 as amended by section 2, chapter 269, Laws of 1989 and RCW 13.32A.160 are each amended to read as follows:

(1) When a proper petition to approve an alternative residential placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150 the juvenile court shall: (a) Schedule a date for a fact-finding hearing; notify the parent, child, and the department of such date; (b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving an alternative

residential placement petition; and (e) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

(2) Upon filing of an alternative residential placement petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence to be determined by the department.

(3) If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the alternative residential placement petition by the court. Any placement may be reviewed by the court within three court days upon the request of the juvenile or the juvenile's parent.

NEW SECTION, Sec. 12. (1) When a proper at-risk youth petition is filed by a child's parent under RCW 13.32A.120 or 13.32A.150, the juvenile court shall:

(a) Schedule a fact-finding hearing and notify the parent and the child of such date;

(b) Notify the parent of the right to be represented by counsel at the parent's own expense;

(c) Appoint legal counsel for the child;

(d) Inform the child and his or her parent of the legal consequences of the court finding the child to be an at-risk youth; and

(e) Notify the parent and the child of their rights to present evidence at the fact-finding hearing.

(2) Unless out-of-home placement of the child is otherwise authorized or required by law, the child shall reside in the home of his or her parent or in an alternative residential placement approved by the parent. Upon request by the parent, the court may enter a court order requiring the child to reside in the home of his or her parent or an alternative residential placement approved by the parent.

(3) If upon sworn written or oral declaration of the petitioning parent, the court has reason to believe that a child has willfully and knowingly violated a court order issued pursuant to subsection (2) of this section, the court may issue an order directing law enforcement to take the child into custody and place the child in a juvenile detention facility or in a crisis residential center licensed by the department and established pursuant to chapter 74.13 RCW. If the child is placed in detention, a review shall be held as provided in RCW 13.32A.065.

(4) If both an alternative residential placement petition and an at-risk youth petition have been filed with regard to the same child, the proceedings shall be consolidated for purposes of fact-finding. Pending a fact-finding hearing regarding the petition, the child may be placed, if not already placed, in an alternative residential placement as provided in RCW 13.32A.160 unless the court has previously entered an order requiring the child to reside in the home of his or her parent. The child or the parent may request a review of the child's placement including a review of any court order requiring the child to reside in the parent's home. At the review the court, in its discretion, may order the child placed in the parent's home or in an alternative residential placement pending the hearing.

NEW SECTION, Sec. 13. (1) The court shall hold a fact-finding hearing to consider a proper at-risk youth petition. The court may grant the petition and enter an order finding the child to be an at-risk youth if the allegations in the petition are established by a preponderance of the evidence. The court shall not enter such an order if the court has approved an alternative residential placement petition regarding the child or if the child is the subject of a proceeding under chapter 13.34 RCW. If the petition is granted, the court shall enter an order requiring the child to reside in the home of his or her parent or in an alternative residential placement approved by the parent.

(2) The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings.

(3) A dispositional hearing shall be held no later than fourteen days after the court has granted an at-risk youth petition. Each party shall be notified of the time and date of the hearing.

(4) If the court grants or denies an at-risk youth petition, a statement of the written reasons shall be entered into the records. If the court denies an at-risk youth petition, the court shall verbally advise the parties that the child is required to remain within the care, custody, and control of his or her parent.

NEW SECTION, Sec. 14. (1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(2) The court may set conditions of supervision for the child that include:

(a) Regular school attendance;

(b) Counseling;
 (c) Participation in a substance abuse treatment program;
 (d) Reporting on a regular basis to the department or any other designated person or agency; and

(e) Any other condition the court deems an appropriate condition of supervision.

(3) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled. The parent may request dismissal of an at-risk youth proceeding at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless a contempt action is pending in the case. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

(4) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

NEW SECTION. Sec. 15. (1) Upon making a disposition regarding an adjudicated at-risk youth, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel for the child, advise the parent of the right to be represented by legal counsel at the review hearing at the parent's own expense, and notify the parties of their rights to present evidence at the hearing.

(2) At the review hearing, the court shall approve or disapprove the continuation of court supervision in accordance with the goal of assisting the parent to maintain the care, custody, and control of the child. The court shall determine whether the parent and child are complying with the dispositional plan. If court supervision is continued, the court may modify the dispositional plan.

(3) Court supervision of the child may not be continued past one hundred eighty days from the day the review hearing commenced unless the court finds, and the parent agrees, that there are compelling reasons for an extension of supervision. Any extension granted pursuant to this subsection shall not exceed ninety days.

(4) The court may dismiss an at-risk youth proceeding at any time if the court finds good cause to believe that continuation of court supervision would serve no useful purpose or that the parent is not cooperating with the court-ordered case plan. The court shall dismiss an at-risk youth proceeding if the child is the subject of a proceeding under chapter 13.34 RCW.

Sec. 16. Section 14, chapter 298, Laws of 1981 as amended by section 4, chapter 269, Laws of 1989 and by section 16, chapter 373, Laws of 1989 and RCW 13.32A.250 are each reenacted and amended to read as follows:

(1) In all alternative residential placement proceedings and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of ~~((an alternative residential placement order))~~ a court order entered pursuant to this chapter. The court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is a contempt of court as provided in chapter 7.21 RCW, subject to the limitations of subsection (2) of this section.

(3) The court may impose a fine of up to one hundred dollars and imprisonment for up to seven days, or both for contempt of court under this section.

(4) A child imprisoned for contempt under this section shall be imprisoned only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

(5) A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

NEW SECTION. Sec. 17. The department shall conduct a research study of the family reconciliation services program. The research study shall include the following information:

(1) A description of services offered in phase I and phase II and the effectiveness of these services;

(2) The number of youth and families served in family reconciliation services phase I and phase II and outcome of services provided to each youth and family;

(3) Nonclient parent and youth awareness of the family reconciliation services program and their perception of its effectiveness;

(4) The number of referrals to family reconciliation services from law enforcement, juvenile courts, schools, and community agencies and their perception of its effectiveness;

(5) Follow-up contact with a random sample of youth and families receiving family reconciliation services assistance and their perception of the effectiveness of family reconciliation services;

(6) The number of youth referred again after services were terminated and outcome of services provided:

(7) The number of youth and families offered services who refused them and the reason, if known:

(8) The number of youth and families who requested services but were denied based on: (a) Ineligibility or (b) services not available, including a list of those services requested but not available; and

(9) Recommendations for improving services to at-risk youth and families.

The department shall submit a preliminary report by January 1, 1991, and the full research study report by January 1, 1992, to the senate children and family services committee, and the house of representatives human services committee.

NEW SECTION. Sec. 18. Sections 12 through 15 of this act are each added to chapter 13.32A RCW.

NEW SECTION. Sec. 19. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 21. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1990, in the omnibus appropriations act, this act shall be null and void."

POINT OF INQUIRY

Senator Nelson: "Senator Vognild, I have in front of me the title only bill-- House Bill No. 2227--which does not have any language in it that would reflect that we are funding Senate Bill No. 6259, the sexual predator bill. Would you kindly explain to this body what the content of a bill that you are proposing would have that is now going to be House Bill No. 2227?"

Senator Vognild: "Yes, Senator, I believe, number one, that the nature of our amendment--and I want to go back to this first--clearly indicates what our intent of our use of that title only is. It indicates that it would be for the purpose of appropriating funds to implement Senate Bill No. 6259, which relates to sexual predators. It would be just that simple and that simple of an appropriation."

Senator Nelson: "Well, I would like to know, Senator Vognild, what is this that is specifically going to be on the bill that is already not in the supplemental budget that has been passed by both bodies?"

Senator Vognild: "Senator, the bill would contain the necessary appropriation to implement the bill that was passed by this body. If you wish me to go to the fiscal note, if you wish me to talk about the specific dollars, I would be happy to do that, but I have avoided that in order that we could have some room to work."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senators Vognild and Gaspard on page 1, after line 30, to House Concurrent Resolution No. 4442.

The motion by Senate Vognild failed and the amendment was not adopted.

NEW SECTION. Sec. 1. INTENT. The legislature finds that uncoordinated and unmanaged growth poses an immediate threat to the environment, to sustainable economic development, and to the high quality of life enjoyed by inhabitants of this state. It is in the interest of all the people of this state that citizens, communities, and local governments cooperate and coordinate with one another in comprehensive land use planning. Such cooperation and coordination state-wide will encourage predictability in the permitted uses of property and promote uniformity of land use planning.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "City" means any city, town, or optional municipal code city.

(2) "Department" means the department of community development.

(3) "Development regulations" mean any city or county controls on any land use or development activities including, but not limited to, zoning ordinances, planned unit development ordinances, and subdivision ordinances.

(4) "Special purpose district" means a local unit of government, other than a city, county, or regional organization, authorized and regulated by statute to perform a single function or a limited number of functions, and includes, but is not limited to, water districts, irrigation districts, port districts, fire protection districts, school districts, community college districts, public hospital districts, sewer districts, public utility districts, public health districts, city and county health districts, cemetery districts, diking districts, metropolitan park districts, public transportation benefit areas, drainage districts, transportation districts, and metropolitan municipal corporations organized under chapter 35.58 RCW.

(5) "Urban growth" means that growth which makes intensive use of the land for the location of buildings, structures, and impermeable surfaces. When allowed to occur over wide areas, it typically requires urban governmental services.

NEW SECTION. Sec. 3. STATE-WIDE PLANNING GOALS CHECKLIST. No later than July 1, 1991, the department shall adopt land use planning guidelines applicable to all city and county comprehensive land use plans. The guidelines shall be consistent with the purposes of this chapter and shall implement the following growth planning goals:

(1) To provide for the conservation and wise use of natural resources, and to maintain a productive agricultural and forest land base by discouraging the conversion of agricultural and forest land to other uses;

(2) To preserve unique wildlife habitats;

(3) To prevent uses of rare or important natural ecosystems which are incompatible with the long-term sustainability of such lands;

(4) To protect environmentally sensitive areas, including wetlands, riparian zones, flood plains, and areas of geological hazard;

(5) To protect lands having significant historical, cultural, or geological value;

(6) To ensure that adequate and diversified recreational opportunities and publicly accessible open space are provided in all areas of the state, and particularly in areas of increasing urbanization;

(7) To encourage diversified transportation modes which decrease reliance upon the automobile, particularly in high density urban areas;

(8) To encourage and provide incentives for high quality development that permit growth in accordance with public need and the physical and environmental limitations of land;

(9) To encourage provision of urban governmental services and facilities in areas planned for urban growth, and to require that adequate services and facilities be provided as growth occurs;

(10) To assure adequate access to and provision of utility services, and to encourage responsible waste management;

(11) To assure that major developments such as educational and correctional institutions, health care facilities, transportation facilities, waste management and disposal facilities, and energy facilities are equitably and prudently located;

(12) To encourage greater regional planning, consistency of local plans with regional plans, and coordination of city and county comprehensive plans in areas with common growth management and urban governmental services concerns;

(13) To assure that citizens have a meaningful role in participating in local and regional land use planning decisions;

(14) To encourage future urban growth to occur in existing urban areas and adjacent areas designated for additional urban growth, and to discourage urban growth from occurring in areas providing long-term importance for agricultural or forest uses, or in areas that are environmentally sensitive;

(15) To incorporate shoreline master programs developed pursuant to the shoreline management act into city and county comprehensive land use plans: PROVIDED, That each county is required to develop, adopt, administer, and enforce shorelines management programs pursuant to chapter 90.58 RCW; and

(16) To plan specifically for commercial and industrial development.

NEW SECTION, Sec. 4. TECHNICAL ASSISTANCE SERVICES. (1) The department shall establish a program of technical assistance to the counties and cities to facilitate the adoption and implementation of comprehensive plans and development regulations.

(2) The department shall develop a priority list for technical assistance for counties and cities. Priority for assistance shall be based on a county's or city's population growth rates, commercial and industrial development rates, the existence and quality of a comprehensive plan and development regulations, the need for technical assistance, and other relevant factors.

(3) The technical assistance program shall utilize department staff, the staff of other state agencies, and the technical resources of counties and cities to help in the development of comprehensive plans required under this chapter. The technical assistance may include, but not be limited to, model land use ordinances, regional education and training programs, and information for local and regional inventories.

(4) The department shall establish, in consultation with representatives selected by the associations for cities and counties, a state-wide data base which includes all lands, land uses, and facilities in each municipality.

NEW SECTION, Sec. 5. PROCEDURE FOR ADOPTING STATE-WIDE PLANNING GOALS CHECKLIST AND ESTABLISHING TECHNICAL ASSISTANCE PROGRAM. In developing the guidelines under section 3 of this act and the program under section 4 of this act, the department shall seek public participation. The department shall also consult with city and county legislative bodies and executive officials, other state agencies having expertise or jurisdiction in land use management and planning issues, and private sector and nonprofit organizations having an interest in comprehensive planning. The guidelines shall be adopted under the procedures of chapter 34.05 RCW.

NEW SECTION, Sec. 6. ROLE OF GROWTH STRATEGIES COMMISSION. The growth strategies commission created by executive order shall:

(1) Analyze different methods for assuring county and city compliance and consistency with the state-wide planning goals checklist under section 3 of this act and with other requirements of this chapter; and

(2) Recommend to the legislature and the governor by December 10, 1990, a specific structure or process that, among other things:

(a) Ensures county and city coordination and compliance with the state-wide planning goals checklist under section 3 of this act and with other requirements of this chapter;

(b) Promotes linkages between land use and transportation; and

(c) Provides counties and cities access to alternative sources of funds which shall be used to assist counties and cities to mitigate those impacts which occur due to permitted development.

NEW SECTION, Sec. 7. COMPREHENSIVE LAND USE PLANS. (1) No later than twelve months following final adoption of the guidelines required under section 3 of this act, every city and county shall adopt or make revisions to its comprehensive land use plan to be consistent with such guidelines, except as provided under subsection (4) of this section.

(2) Each city and county shall establish procedures providing for early and continuous public participation in the development of comprehensive land use plans and amendments, and in the adoption of development regulations to implement such plans. The procedures shall provide for dissemination of proposals and alternatives, opportunity for written comments, public meetings after timely and effective notice, provision for open discussion, and consideration of and response to public comments. Errors in exact compliance with the established procedures which do not have a material effect upon the ability of a person to participate shall not be the basis for invalidation of a plan provision, plan amendment, or development regulation.

(3) City comprehensive plans shall not be inconsistent with the county plan. Within a reasonable time, each county and city shall assure that their plans are not inconsistent with other counties or cities that are close or contiguous or that have related regional interests. To promote consistency, counties and cities that are close or contiguous shall prepare their comprehensive plans in consultation with each other.

(4) Upon adoption of a resolution by the legislative body of a city with a population of less than seven thousand five hundred that the burdens of adopting a comprehensive plan and development regulations outweigh the benefits to be derived from the process, the city shall be exempted from the provisions of this chapter. A copy of such resolution shall be filed with the department.

NEW SECTION. Sec. 9. DEVELOPMENT REGULATIONS. Within twenty-four months after final adoption of the state-wide planning goals checklist each city and county shall enact or amend development regulations, including zoning and other land use regulations, that implement its comprehensive land use plan. The development regulations shall not be inconsistent with the jurisdiction's comprehensive plan. This section does not affect or limit development regulations

of cities and counties existing or adopted prior to the regulations required by this section, but does require that the regulations be amended as necessary to be consistent with the comprehensive plan within the time provided under this section.

NEW SECTION, Sec. 10. URBAN GROWTH BOUNDARIES. (1) No later than twenty-four months following adoption of the state planning guidelines required under section 3 of this act, each county shall prescribe urban growth boundaries as an element of its comprehensive land use plan. These boundaries shall be consistent with the goals of this chapter, with department rules required under this section, and with the policy guidelines of the department. The proposed boundaries shall be submitted for certification by the department.

(2) No later than July 1, 1992, the department shall adopt rules defining standards for county adoption of urban growth boundaries. The rules shall also provide criteria which must be considered by counties in prescribing urban growth boundaries, including, but not limited to:

(a) Present and potential use of the land for nonurban uses such as agriculture and forest production;

(b) The location of environmentally sensitive areas;

(c) Past and future population patterns and trends;

(3) Following certification of the county comprehensive land use plan by the department, no urban governmental services may be extended outside of an urban growth boundary unless approved by the county legislative authority or planning commission as consistent with the comprehensive plan provisions for future urban growth, or as necessary to protect the health and safety of an existing residential population.

(4) Proposed facilities or systems to provide urban governmental services outside an urban growth boundary having a capacity to serve needs projected beyond five years in the future shall not be approved by the county unless it first amends the urban growth boundary and obtains certification of the amendment from the department.

(5) This section shall not apply to the provision of urban governmental services within the incorporated area of a city or town.

NEW SECTION, Sec. 11. STATE AGENCY PROPOSED LAND USES. (1) Except as provided in this section, all state agencies shall comply with city and county comprehensive plans and with the comprehensive plan implementation regulations of cities and counties.

(2) Where a comprehensive plan implementation regulation of a city or county does not permit outright a proposed land use by a state agency, the city or county shall provide a procedure by which the proposed use may be allowed following issuance of an extraordinary use permit.

(3) Each application for an extraordinary use permit shall be made to the legislative body of the county or city with jurisdiction. The legislative body shall conduct a hearing thereon within thirty days from the date the application is filed.

(4) A city or county may condition an extraordinary use permit to ensure consistency with its comprehensive plan and any applicable comprehensive plan implementation regulations.

(5) A city or county may deny an extraordinary use permit when it determines that the proposed use would cause unacceptably extreme impacts upon public health or safety or the environment that are not avoidable through economically feasible mitigation measures.

NEW SECTION, Sec. 12. ACTIVITIES OF STATE CONCERN. (1) The following are hereby designated activities of state concern:

(a) New airports with runways of five thousand feet or longer, additions to existing airport runways that extend the runway beyond five thousand feet, and additions of one thousand feet or longer to an existing airport runway of five thousand feet or longer;

(e) New municipal and industrial water supply systems with a capacity of five cubic feet per second or more, and additions to existing water supply systems that provide an increase of fifteen percent or more in system design capacity above that necessary to serve the projected population of the service area at the time installation work is expected to be completed;

(f) Solid waste disposal facilities with a design capacity of five hundred tons per day or greater;

(g) Correctional facilities administered by the department of corrections or department of social and health services; and

(3) A city or county may condition approval of an activity of state concern to provide consistency with its comprehensive plan, and any applicable comprehensive plan implementation regulations.

(4) A city or county may deny an activity of state concern where it determines that the activity will cause unacceptably extreme adverse impacts upon public health or safety or the environment that cannot be avoided by economically feasible mitigation measures, and that these impacts outweigh the benefits of the proposed activity. Proposals for a use under subsection (1) (d) and (e) of this section shall be reviewed for consistency with the urban growth boundaries of an applicable comprehensive plan.

NEW SECTION. Sec. 13. COMPREHENSIVE PLANS—SPECIAL DISTRICTS MUST CONFORM.

(1) All special districts shall perform their activities which affect land use, including capital budget decisions, in conformity with the state-wide planning goals checklist and the comprehensive land use plan of the county or city having jurisdiction in the area where the activities occur.

NEW SECTION. Sec. 14. DISPUTE RESOLUTION. Whenever a dispute arises between cities and counties, or any combination thereof, concerning the consistency of a comprehensive plan of a city or county with the state-wide planning goals checklist, the consistency of development regulations of a city or county with the comprehensive plan, or the failure to adopt a comprehensive plan or bring a comprehensive plan into conformity within a reasonable time, a visiting judge shall preside over an administrative hearing to resolve the dispute. The visiting judge shall be selected using the procedures of RCW 2.08.150 and 2.08.170 from a county not involved in the dispute.

The judge shall have all the powers of a superior court judge presiding at a civil proceeding, including the authority to order a party to amend a comprehensive plan.

The costs of any proceeding under this section, and the expenses of the visiting judge under RCW 2.08.170, shall be shared equally by every city or county that is a party to the dispute.

NEW SECTION. Sec. 15. INTENT—TRANSPORTATION PLANNING. The legislature finds that while the transportation system in Washington is owned and operated by numerous public jurisdictions, it should function as one interconnected and coordinated system. Transportation planning, at all jurisdictional levels, should be coordinated with local comprehensive plans. Further, local jurisdictions and the state should cooperate to achieve both state-wide and local transportation goals. To facilitate this coordination and cooperation among state and local jurisdictions, the legislature declares it to be in the state's interest to establish a coordinated planning program for regional transportation systems and facilities throughout the state.

NEW SECTION. Sec. 16. REGIONAL TRANSPORTATION PLANNING ORGANIZATIONS AUTHORIZED. The legislature hereby authorizes creation of regional transportation planning organizations within the state. Each regional transportation planning organization may be formed through the voluntary association of local governments within a county, or within geographically contiguous counties. Each organization shall:

(1) Encompass at least one complete county;

(2) Have a population of at least one hundred thousand, or contain a minimum of three counties; and

(3) Have as members all counties within the region, and at least sixty percent of the cities and towns within the region representing a minimum of seventy-five percent of the cities' and towns' population.

The state department of transportation must verify that each regional transportation planning organization conforms with the requirements of this section.

In urbanized areas, the regional transportation planning organization is the same as the metropolitan planning organization designated for federal transportation planning purposes.

NEW SECTION. Sec. 17. REGIONAL TRANSPORTATION PLANNING ORGANIZATIONS—DUTIES. (1) Each regional transportation planning organization shall:

(a) Certify that the transportation elements of comprehensive plans adopted by counties, cities, and towns within the region conform with the requirements of section 8 of this act, and are consistent with regional transportation plans as provided for in (b) of this subsection;

(b) Develop and adopt a regional transportation plan that is consistent with county, city, and town comprehensive plans and state transportation plans. Regional transportation planning organizations are encouraged to use county, city, and town comprehensive plans that existed prior to the effective date of this section as the basis of its regional transportation plan whenever possible. Such plans shall address existing or planned transportation facilities and services that exhibit one or more of the following characteristics:

(i) Physically crosses member county lines;

(ii) Is or will be used by a significant number of people who live or work outside the county in which the facility, service, or project is located;

(iii) Significant impacts are expected to be felt in more than one county;

(iv) Potentially adverse impacts of the facility, service, or project can be better avoided or mitigated through adherence to regional policies;

(3) In order to ensure state-wide consistency in the regional transportation planning process, the state department of transportation shall:

(a) In cooperation with regional transportation planning organizations, establish minimum standards for development of a regional transportation plan;

(b) Facilitate coordination between regional transportation planning organizations; and

(c) Through the regional transportation planning process, and through state planning efforts as required by RCW 47.01.071, identify and jointly plan improvements and strategies within those corridors important to moving people and goods on a regional or state-wide basis.

NEW SECTION. Sec. 18. TRANSPORTATION POLICY BOARDS. Each regional transportation planning organization shall create a transportation policy board. Transportation policy boards shall provide policy advice to the regional transportation planning organization and shall allow representatives of major employers within the region, the department of transportation, transit districts, ports, and member cities, towns, and counties within the region to participate in policy making.

Sec. 19. Section 20, chapter 49, Laws of 1983 1st ex. sess. as amended by section 8, chapter 167, Laws of 1988 and RCW 36.81.121 are each amended to read as follows:

TRANSPORTATION PLANS MUST CONFORM TO COMPREHENSIVE PLAN. (1) Before July 1st of each year, the legislative authority of each county with the advice and assistance of the county road engineer, and pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive road program for the ensuing six calendar years. If the county has adopted a comprehensive plan pursuant to chapter 35.63 or 36.70 RCW, or the inherent authority of a charter county derived from its charter, the program shall be consistent with this comprehensive plan.

The program shall include proposed road and bridge construction work, and for those counties operating ferries shall also include a separate section showing proposed capital expenditures for ferries, docks, and related facilities. Copies of the program shall be filed with the county road administration board and with the state secretary of transportation not more than thirty days after its adoption by the legislative authority. The purpose of this section is to assure that each county shall perpetually have available advanced plans looking to the future for not less than six years as a guide in carrying out a coordinated road construction program. The program may at any time be revised by a majority of the legislative authority but only after a public hearing thereon.

(2) The six-year program of each county having an urban area within its boundaries shall contain a separate section setting forth the six-year program for arterial road construction based upon its long-range construction plan and formulated in accordance with regulations of the transportation improvement board. The six-year program for arterial road construction shall be submitted to the transportation improvement board forthwith after its annual revision and adoption by the legislative authority of each county. The six-year program for arterial road construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority of each county may request for urban arterials from the urban arterial trust account or the transportation improvement account for the six-year period. The arterial road construction program shall provide for a more rapid rate of completion of the long-range construction needs of principal arterial roads than for minor and collector arterial roads, pursuant to regulations of the transportation improvement board.

(3) Each six-year program forwarded to the secretary in compliance with subsection (1) of this section shall contain information as to how a county will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycles, pedestrians, and equestrian purposes.

Sec. 20. Section 35.77.010, chapter 7, Laws of 1965 as last amended by section 6, chapter 167, Laws of 1988 and RCW 35.77.010 are each amended to read as follows:

TRANSPORTATION PLANS MUST CONFORM TO COMPREHENSIVE PLAN. (1) The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive street program for the ensuing six calendar years (~~and shall file~~). If the city or town has adopted a comprehensive plan pursuant to chapter 35.63 or 35A.63 RCW, or the inherent authority of a first class city derived from its charter, the program shall be consistent with this comprehensive plan.

The program shall be filed with the secretary of transportation not more than thirty days after its adoption. Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city street needs. Based on these findings each such legislative body shall prepare and after public hearings thereon adopt a revised and extended comprehensive street program before July 1st of each year, and each one-year extension and revision shall be filed with the secretary of transportation not more than thirty days after its adoption. The purpose of this section is to assure that each city and town shall perpetually have available advanced plans looking to the future for not less than six years as a guide in carrying out a coordinated street construction program. The program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.

The six-year program of each city lying within an urban area shall contain a separate section setting forth the six-year program for arterial street construction based upon its long range construction plan and formulated in accordance with rules of the transportation improvement board. The six-year program for arterial street construction shall be submitted to the transportation improvement board forthwith after its annual revision and adoption by the legislative body of the city. The six-year program for arterial street construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority may request for urban arterials from the urban arterial trust account or the transportation improvement account for the six-year period. The arterial street construction program shall provide for a more rapid rate of completion of the long-range construction needs of principal arterial streets than for minor and collector arterial streets, pursuant to rules of the transportation improvement board; PROVIDED, That urban arterial trust funds made available to the group of incorporated cities lying outside the boundaries of federally approved urban areas within each region need not be divided between functional classes of arterials but shall be available for any designated arterial street.

(2) Each six-year program forwarded to the secretary in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycle, pedestrian, and equestrian purposes.

Sec. 21. Section 1, chapter 396, Laws of 1989 and RCW 35.58.2795 are each amended to read as follows:

By April 1st of each year, the legislative authority of each municipality, as defined in RCW 35.58.272, shall prepare a six-year transit development and financial program for that calendar year and the ensuing five years. The program shall be consistent with the comprehensive plans adopted by counties, cities, and towns, pursuant to chapter 35.63, 35A.63, or 36.70 RCW, or the inherent authority of a first class city or charter county derived from its charter. The program shall contain information as to how the municipality intends to meet state and local long-range priorities for public transportation, capital improvements, significant operating changes planned for the system, and how the municipality intends to fund program needs. Each municipality shall file the six-year program with the state department of transportation, the transportation improvement

board, and cities, counties, and regional planning councils within which the municipality is located.

In developing its program, the municipality shall consider those policy recommendations affecting public transportation contained in the state transportation policy plan approved by the state transportation commission and, where appropriate, adopted by the legislature. The municipality shall conduct one or more public hearings while developing its program and for each annual update.

NEW SECTION, Sec. 22. A new section is added to chapter 36.70 RCW to read as follows:

A county adopting a comprehensive plan pursuant to chapter 36.____ RCW (sections 1 through 14 of this act) shall be deemed to be in compliance with RCW 36.70.320 and 36.70.330.

NEW SECTION, Sec. 23. A new section is added to chapter 35.63 RCW to read as follows:

A city or town adopting a comprehensive plan pursuant to chapter 36.____ RCW (sections 1 through 14 of this act) shall be deemed to be in compliance with RCW 35.63.080 through 35.63.110.

NEW SECTION, Sec. 24. A new section is added to chapter 35A.63 RCW to read as follows:

A code city adopting a comprehensive plan pursuant to chapter 36.____ RCW (sections 1 through 14 of this act) shall be deemed to be in compliance with RCW 35A.63.060 through 35A.63.062.

NEW SECTION, Sec. 25. A new section is added to chapter 35.63 RCW to read as follows:

Each city and county that has a comprehensive plan, zoning ordinances, building codes, or other land use controls establishing areas within the city or town where only detached single family dwellings are allowed for residential purposes, shall permit the inclusion of separate living quarters in all detached single family residential dwellings located in such areas to be used by persons who are related by blood, adoption, or marriage to an owner and occupant of the single family dwelling for the purpose of extended family care. These separate living quarters shall be authorized by conditional use permits, subject to state and local building standards adopted under chapter 19.27 RCW.

NEW SECTION, Sec. 26. A new section is added to chapter 35A.63 RCW to read as follows:

Each city and code city that has a comprehensive plan, zoning ordinances, building codes, or other land use controls establishing areas within the city or code city where only detached single family dwellings are allowed for residential purposes, shall permit the inclusion of separate living quarters in all detached single family residential dwellings located in such areas to be used by persons who are related by blood, adoption, or marriage to an owner and occupant of the single family dwelling for the purpose of extended family care. NEW SECTION, Sec. 27. A new section is added to chapter 36.70 RCW to read as follows:

Each county that has a comprehensive plan, zoning ordinances, building codes, or other land use controls establishing areas within the county where only detached single family dwellings are allowed for residential purposes, shall permit the inclusion of separate living quarters in all detached single family residential dwellings located in such areas to be used by persons who are related by blood, adoption, or marriage to an owner and occupant of the single family dwelling for the purpose of extended family care. These separate living quarters shall be authorized by conditional use permits, subject to state and local building standards adopted under chapter 19.27 RCW.

NEW SECTION, Sec. 28. INTENT—RURAL ECONOMIC DEVELOPMENT. The legislature finds that the Puget Sound region is experiencing economic prosperity and the challenges associated with rapid growth. Much of the rest of the state is not experiencing economic prosperity, and faces challenges associated with slow economic growth. It is the intent of the legislature to encourage economic prosperity and balanced economic growth throughout the state.

In order to accomplish this goal, growth must be managed more effectively in the Puget Sound region, and rural areas must build local capacity to accommodate additional economic activity in their communities. Where possible, rural economies and low-income areas should be linked with prosperous urban economies to share economic growth for the benefit of all areas of the state.

Sec. 29. Section 1, chapter 20, Laws of 1983 1st ex. sess. as amended by section 1, chapter 231, Laws of 1985 and RCW 43.210.010 are each amended to read as follows:

EXPORT ASSISTANCE CENTER—ENCOURAGE URBAN-RURAL LINKS. The legislature finds:

(1) The exporting of goods and services from Washington to international markets is an important economic stimulus to the growth, development, and stability of the state's businesses in both urban and rural areas, and that these economic activities create needed jobs for Washingtonians.

(2) Impediments to the entry of many small and medium-sized businesses into export markets have restricted growth in exports from the state.

(3) Particularly significant impediments for many small and medium-sized businesses are the lack of easily accessible information about export opportunities and financing alternatives.

(4) There is a need for a small business export finance assistance center which will specialize in providing export assistance to small and medium-sized businesses throughout the

state in acquiring information about export opportunities and financial alternatives for exporting.

Sec. 30. Section 2, chapter 20, Laws of 1983 1st ex. sess. as amended by section 2, chapter 231, Laws of 1985 and RCW 43.210.020 are each amended to read as follows:

EXPORT ASSISTANCE CENTER—ENCOURAGE URBAN-RURAL LINKS. A nonprofit corporation, to be known as the small business export finance assistance center, and branches subject to its authority, may be formed under chapter 24.03 RCW for the following public purposes:

In order for Washington to fulfill its potential and compete successfully with other states and provinces, it must articulate a consistent, long-term trade policy. It is the responsibility of the state to monitor and ensure that such traditional functions of state government as transportation, infrastructure, education, taxation, regulation and public expenditures contribute to the international trade focus the state of Washington must develop.

PUBLIC WORKS ASSISTANCE FUND—CONSIDER BENEFITS TO COMMUNITY. (1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

- (a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;
- (b) The local government must have developed a long-term plan for financing public works needs; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(c) The cost of the project compared to the size of the local government and amount of loan money available;

(d) The number of communities served by or funding the project;

(e) Whether the project is located in an area of high unemployment, compared to the average state unemployment; ~~((and))~~

(f) The relative benefit of the project to the community, considering the present level of economic activity in the community and the existing local capacity to increase local economic activity in communities that have low economic growth; and

(g) Other criteria that the board considers advisable.

(3) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(4) Before November 1 of each year, the board shall develop and submit to the chairs of the ways and means committees of the senate and house of representatives a description of the emergency loans made under RCW 43.155.065 during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(5) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

(6) Subsections (4) and (5) of this section do not apply to loans made for emergency public works projects under RCW 43.155.065.

Sec. 43. Section 6, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 62, chapter 431, Laws of 1989 and RCW 43.160.060 are each amended to read as follows:

COMMUNITY ECONOMIC REVITALIZATION BOARD—CONSIDER BENEFITS TO RURAL COMMUNITY—DESTINATION TOURIST RESORTS. The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including development of land and improvements for public facilities, as well as the acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not make a grant or loan:

(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(b) For any project that probably would result in a development or expansion that would displace existing jobs in any other community in the state.

(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.

(2) The board shall only make grants or loans:

(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, ~~((and))~~ industrial distribution, and destination tourist resorts; (ii) for processing recyclable materials or for facilities that support recycling, including processes not currently provided in the state, including but

not limited to, de-inking facilities, mixed waste paper, plastics, yard waste, and problem-waste processing; (iii) for manufacturing facilities that rely significantly on recyclable materials, including but not limited to waste tires and mixed waste paper; or (iv) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the grant or loan is made.

(3) The board shall prioritize each proposed project according to the relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located. As long as there is more demand for loans or grants than there are funds available for loans or grants, the board is instructed to fund projects in order of their priority.

(4) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

Before any loan or grant application is approved, the political subdivision seeking the loan or grant must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

Sec. 44, Section 2, chapter 40, Laws of 1982 1st ex. sess. as last amended by section 58, chapter 466, Laws of 1985 and RCW 43.160.020 are each amended to read as follows:

DEVELOPMENT LOAN FUND COMMITTEE—CONSIDER BENEFITS TO RURAL COMMUNITY.

(1) The committee may only approve an application providing a loan for a project which the committee finds:

(a) Will result in the creation of employment opportunities or the maintenance of threatened employment;

(b) Has been approved by the director as conforming to federal rules and regulations governing the spending of federal community development block grant funds:

(c) Will be of public benefit and for a public purpose, and that the benefits, including increased or maintained employment, improved standard of living, and the employment of disadvantaged workers, will primarily accrue to residents of the area;

(d) Will probably be successful;

(e) Would probably not be completed without the loan because other capital or financing at feasible terms is unavailable or the return on investment is inadequate.

(2) The committee shall, subject to federal block grant criteria, give higher priority to economic development projects that contain provisions for child care.

(3) The committee may not approve an application if it fails to provide for adequate reporting or disclosure of financial data to the committee. The committee may require an annual or other periodic audit of the project books.

(4) The committee may require that the project be managed in whole or in part by a local development organization and may prescribe a management fee to be paid to such organization by the recipient of the loan or grant.

(5) (a) Except as provided in (b) of this subsection, the committee shall not approve any application which would result in a loan or grant in excess of three hundred fifty thousand dollars.

(7) Should there be more demand for loans than funds available for lending, the committee shall provide loans for those projects which will lead to the greatest amount of employment or benefit to a community. In determining the "greatest amount of employment or benefit" the committee shall also consider the employment which would be saved by its loan and the benefit relative to the community, not just the total number of new jobs or jobs saved.

(8) To the extent permitted under federal law the committee shall require applicants to provide for the transfer of all payments of principal and interest on loans to the Washington state development loan fund created under this chapter. Under circumstances where the federal law does not permit the committee to require such transfer, the committee shall give priority to applications where the applicants on their own volition make commitments to provide for the transfer.

(9) The committee shall not approve any application to finance or help finance a shopping mall.

(10) The committee shall make at least eighty percent of the appropriated funds available to projects located in distressed areas, and may make up to twenty percent available to projects located in areas not designated as distressed. The committee shall not make funds available to projects located in areas not designated as distressed if the fund's net worth is less than seven million one hundred thousand dollars.

(11) If an objection is raised to a project on the basis of unfair business competition, the committee shall evaluate the potential impact of a project on similar businesses located in the local market area. A grant may be denied by the committee if a project is not likely to result in a net increase in employment within a local market area.

Sec. 46, Section 7, chapter 125, Laws of 1984 as amended by section 33, chapter 505, Laws of 1987 and RCW 43.63A.078 are each amended to read as follows:

To be eligible to receive funds under this program, an organization must be a local government or a nonprofit local development entity. Any local government or entity requesting funds must demonstrate the participation of a cross-section of the local community in the economic development project, including business, labor, education and training, and the public sector. Under this program, the department shall provide matching funds which shall be used for the formulation of local economic development strategies, including the technical analysis necessary to designate and carry out the strategies. A technical analysis can include, but is not limited to, the development and dissemination of data on local markets, demographics, comparative business costs, site availability, labor force characteristics, and local incentives. Funds are to be used primarily to foster new developments and expansions which result in the trading of goods and services outside of the state's borders. Funds may be made available for assisting local businesses in utilizing state and federal programs in exporting, training, and financing. Funds may also be used to provide technical assistance to businesses in the areas of land use, transportation, site location, and manpower training. Matching funds cannot be used for entertainment, capital expenses, hosting, or marketing. Funds granted for economic development projects must be matched by local resources on a dollar-for-dollar basis. Not more than fifty thousand dollars of state matching funds as provided by this section may be used for any one project.

(2) The department shall set aside, within its general fund appropriation, a sum of two hundred thousand dollars per biennium for technical assistance grants to assist community-based organizations in their efforts contributing to the redevelopment and economic well-being of low-income areas.

A maximum of forty percent of the funds set aside for technical assistance purposes provided in this subsection may be made available for technical assistance in organizational and board development to those organizations demonstrating a reasonable probability that such assistance will help them undertake a development project. A minimum of sixty percent of the funds set aside for technical assistance purposes shall be used for projects which meet the following standards:

(a) Community-based organizations have or will have a minimum ten percent ownership of the development project;

(b) The project is within a low-income area;

(c) The project has provided reasonable assurance that it will conform to all applicable environmental, zoning, and building laws;

(d) The benefits of the project, including the addition or retention of employment and of capital in the low-income area, shall primarily accrue to the residents of the area;

(e) There is a reasonable expectation that the project will be successful, and that the eligible organization and project participants are responsible parties;

(f) Alternative sources, including other agencies or institutions of the state or federal government, have been sought and are either insufficient or unavailable to meet the needs of the project;

(g) The technical assistance to be provided is essential to the success of the project;

(h) Provision has been made for the active participation in the project of residents of the low-income area; and

(i) Provisions have been made for reporting by the eligible organization concerning the manner in which the technical assistance is used on the project and the extent to which it achieves its intended results.

The amount required to be set aside under this section for the biennium ending June 30, 1991, shall be reduced or eliminated if a specific appropriation for the full amount required under this subsection is not made to the department by June 30, 1989.

Grant recipients under this subsection may be community-based organizations or state-wide organizations which provide technical assistance to community-based organizations.

(3) For purposes of subsection (2) of this section, "community-based organization" means:

(a) A nonprofit corporation organized under state law that:

(i) Is organized to operate within a specific substate area;

(ii) Has experience operating programs which directly benefit low-income citizens;

(iii) Has low-income people or representatives of organizations serving the low income on its board of directors.

(b) Any Native American tribal governing body.

NEW SECTION, Sec. 47. A new section is added to chapter 43.63A RCW to read as follows:

LOW-INCOME SELF EMPLOYMENT. The department of community development shall implement a self-employment loan program. The program shall provide grants to local development organizations to use solely in revolving loan funds to finance the small businesses of low-income persons. Grants are to be distributed through a competitive application process to be administered by the department in consultation with an advisory committee. Any organization receiving a grant must: (1) Demonstrate the need for a low-income, self-employment project in its community; (2) demonstrate the capacity of the organization to administer the project; and (3) describe the loan procedure and the self-employment training and support programs into which the loan fund will be incorporated. No more than ten percent of any appropriation to the department for the program may be used by the department for administrative costs.

NEW SECTION, Sec. 48. APPROPRIATION--GENERAL FUND. Three million dollars, or as much thereof as may be necessary, is appropriated from the general fund to the department of community development, for the biennium ending June 30, 1991, solely for the purpose of implementing section 4 of this act.

NEW SECTION, Sec. 49. (1) Sections 1 through 14 of this act shall constitute a new chapter in Title 36 RCW.

(2) Sections 15 through 18 of this act shall constitute a new chapter in Title 47 RCW.

Sec. 50. Section 5, chapter 137, Laws of 1974 ex. sess. as last amended by section 47, chapter 36, Laws of 1988 and RCW 76.09.050 are each amended to read as follows:

(1) The board shall establish by rule which forest practices shall be included within each of the following classes:

Class I: Minimal or specific forest practices that have no direct potential for damaging a public resource that may be conducted without submitting an application or a notification;

Class II: Forest practices which have a less than ordinary potential for damaging a public resource that may be conducted without submitting an application and may begin five calendar days, or such lesser time as the department may determine, after written notification by the operator, in the manner, content, and form as prescribed by the department, is received by the department. Class II shall not include forest practices:

(a) On lands platted after January 1, 1960, or being converted to another use;

(b) Which require approvals under the provisions of the hydraulics act, RCW 75.20.100;

(c) Within "shorelines of the state" as defined in RCW 90.58.030: or

(d) Excluded from Class II by the board;

Class III: Forest practices other than those contained in Class I, II, or IV. A Class III application must be approved or disapproved by the department within thirty calendar days from the date the department receives the application;

Class IV: Forest practices other than those contained in Class I or II: (a) On lands platted after January 1, 1960, (b) on lands being converted to another use, (c) on lands which, pursuant to RCW 76.09.070 as now or hereafter amended, are not to be reforested because of the likelihood of future conversion to urban development, and/or (d) which have a potential for a substantial impact on the environment and therefore require an evaluation by the department as to whether or not a detailed statement must be prepared pursuant to the state environmental policy act, chapter 43.21C RCW. Such evaluation shall be made within ten days from the date the department receives the application: PROVIDED, That nothing herein shall be construed to prevent any local or regional governmental entity from determining that a detailed statement must be prepared for an action pursuant to a Class IV forest practice taken by that governmental entity concerning the land on which forest practices will be conducted. A Class IV application must be approved or disapproved by the department within thirty calendar days from the date the department receives the application, unless the department determines that a detailed statement must be made, in which case the application must be approved or disapproved by the department within sixty calendar days from the date the department receives the application, unless the commissioner of public lands, through the promulgation of a formal order, determines that the process cannot be completed within such period.

Forest practices under Classes I, II, and III are exempt from the requirements for preparation of a detailed statement under the state environmental policy act.

(2) No Class II, Class III, or Class IV forest practice shall be commenced or continued after January 1, 1975, unless the department has received a notification with regard to a Class II forest practice or approved an application with regard to a Class III or Class IV forest practice containing all information required by RCW 76.09.060 as now or hereafter amended: PROVIDED, That any person commencing a forest practice during 1974 may continue such forest practice until April 1, 1975, if such person has submitted an application to the department prior to January 1, 1975: PROVIDED, FURTHER, That in the event forest practices regulations necessary for the scheduled implementation of this chapter and RCW 90.48.420 have not been adopted in time to meet such schedules, the department shall have the authority to regulate forest practices and approve applications on such terms and conditions consistent with this chapter and RCW 90.48.420 and the purposes and policies of RCW 76.09.010 until applicable forest practices regulations are in effect.

(3) If a notification or application is delivered in person to the department by the operator or his agent, the department shall immediately provide a dated receipt thereof. In all other cases, the department shall immediately mail a dated receipt to the operator.

(4) Forest practices shall be conducted in accordance with the forest practices regulations, orders and directives as authorized by this chapter or the forest practices regulations, and the terms and conditions of any approved applications.

(5) The department of natural resources shall notify the applicant in writing of either its approval of the application or its disapproval of the application and the specific manner in which the application fails to comply with the provisions of this section or with the forest practices regulations. Except as provided otherwise in this section, if the department fails to either approve or disapprove an application or any portion thereof within the applicable time limit, the application shall be deemed approved and the operation may be commenced: PROVIDED, That this provision shall not apply to applications which are neither approved nor disapproved pursuant to the provisions of subsection (7) of this section: PROVIDED, FURTHER, That if seasonal field conditions prevent the department from being able to properly evaluate the application, the department may issue an approval conditional upon further review within sixty days: PROVIDED, FURTHER, That the department shall have until April 1, 1975, to approve or disapprove an application involving forest practices allowed to continue to April 1, 1975, under the provisions of subsection (2) of this section. Upon receipt of any notification or any satisfactorily completed application the department shall in any event no later than two business days after such receipt transmit a copy to the departments of ecology, wildlife, and fisheries, and to the county ~~(in which)~~, city, or town in whose jurisdiction the forest practice is to be commenced. Any comments by such agencies shall be directed to the department of natural resources.

(6) If the county, city, or town believes that an application is inconsistent with this chapter, the forest practices regulations, or any local authority consistent with RCW 76.09.240 as now or hereafter amended, it may so notify the department and the applicant, specifying its objections.

(7) The department shall not approve portions of applications to which a county, city, or town objects if:

(a) The department receives written notice from the county, city, or town of such objections within fourteen business days from the time of transmittal of the application to the county, city, or town, or one day before the department acts on the application, whichever is later; and

(b) The objections relate to lands either:

(i) Platted after January 1, 1960; or

(ii) Being converted to another use.

The department shall either disapprove those portions of such application or appeal the county, city, or town objections to the appeals board. If the objections related to subparagraphs (b) (i) and (ii) of this subsection are based on local authority consistent with RCW 76.09.240 as now or hereafter amended, the department shall disapprove the application until such time as the county, city, or town consents to its approval or such disapproval is reversed on appeal. The applicant shall be a party to all department appeals of county, city, or town objections. Unless the county, city, or town either consents or has waived its rights under this subsection, the department shall not approve portions of an application affecting such lands until the minimum time for county, city, or town objections has expired.

(8) In addition to any rights under the above paragraph, the county, city, or town may appeal any department approval of an application with respect to any lands within its jurisdiction. The appeals board may suspend the department's approval in whole or in part pending such appeal where there exists potential for immediate and material damage to a public resource.

(9) Appeals under this section shall be made to the appeals board in the manner and time provided in RCW 76.09.220(8). In such appeals there shall be no presumption of correctness of either the county, city, or town or the department position.

(10) The department shall, within four business days notify the county, city, or town of all notifications, approvals, and disapprovals of an application affecting lands within the county, city, or town, except to the extent the county, city, or town has waived its right to such notice.

(11) A county, city, or town may waive in whole or in part its rights under this section, and may withdraw or modify any such waiver, at any time by written notice to the department.

Sec. 51. Section 6, chapter 137, Laws of 1974 ex. sess. as amended by section 3, chapter 200, Laws of 1975 1st ex. sess. and RCW 76.09.060 are each amended to read as follows:

(1) The department shall prescribe the form and contents of the notification and application. The forest practices regulations shall specify by whom and under what conditions the notification and application shall be signed. The application or notification shall be delivered in person or sent by certified mail to the department. The information required may include, but shall not be limited to:

(a) Name and address of the forest land owner, timber owner, and operator;

(b) Description of the proposed forest practice or practices to be conducted;

(c) Legal description of the land on which the forest practices are to be conducted;

(d) Planimetric and topographic maps showing location and size of all lakes and streams and other public waters in and immediately adjacent to the operating area and showing all existing and proposed roads and major tractor roads;

(e) Description of the silvicultural, harvesting, or other forest practice methods to be used, including the type of equipment to be used and materials to be applied;

(f) Proposed plan for reforestation and for any revegetation necessary to reduce erosion potential from roadsides and yarding roads, as required by the forest practices regulations;

(g) Soil, geological, and hydrological data with respect to forest practices;

(h) The expected dates of commencement and completion of all forest practices specified in the application;

(i) Provisions for continuing maintenance of roads and other construction or other measures necessary to afford protection to public resources; and

(j) An affirmation that the statements contained in the notification or application are true.

(2) At the option of the applicant, the application or notification may be submitted to cover a single forest practice or any number of forest practices within reasonable geographic or political boundaries as specified by the department. Long range plans may be submitted to the department for review and consultation.

(3) The application shall indicate whether any land covered by the application will be converted or is intended to be converted to a use other than commercial timber production within three years after completion of the forest practices described in it.

(a) If the application states that any such land will be or is intended to be so converted:

(i) The reforestation requirements of this chapter and of the forest practices regulations shall not apply if the land is in fact so converted unless applicable alternatives or limitations are provided in forest practices regulations issued under RCW 76.09.070 as now or hereafter amended;

(ii) Completion of such forest practice operations shall be deemed conversion of the lands to another use for purposes of chapters 84.28, 84.33, and 84.34 RCW unless the conversion is to a use permitted under a current use tax agreement permitted under chapter 84.34 RCW;

(iii) The forest practices described in the application are subject to applicable county, city, town, and regional governmental authority permitted under RCW 76.09.240 as now or hereafter amended as well as the forest practices regulations.

(b) If the application does not state that any land covered by the application will be or is intended to be so converted:

(i) For six years after the date of the application the county ((or)), city, town, and regional governmental entities may deny any or all applications for permits or approvals, including building permits and subdivision approvals, relating to nonforestry uses of land subject to the application;

(ii) Failure to comply with the reforestation requirements contained in any final order or decision shall constitute a removal from classification under the provisions of RCW 84.28.065, a removal of designation under the provisions of RCW 84.33.140, and a change of use under the provisions of RCW 84.34.080, and, if applicable, shall subject such lands to the payments and/or penalties resulting from such removals or changes; and

(iii) Conversion to a use other than commercial timber operations within three years after completion of the forest practices without the consent of the county ((or municipality)), city, or town shall constitute a violation of each of the county, municipal city, town, and regional authorities to which the forest practice operations would have been subject if the application had so stated.

(c) The application shall be either signed by the land owner or accompanied by a statement signed by the land owner indicating his or her intent with respect to conversion and acknowledging that he or she is familiar with the effects of this subsection.

(4) Whenever an approved application authorizes a forest practice which, because of soil condition, proximity to a water course or other unusual factor, has a potential for causing material damage to a public resource, as determined by the department, the applicant shall, when requested on the approved application, notify the department two days before the commencement of actual operations.

(5) Before the operator commences any forest practice in a manner or to an extent significantly different from that described in a previously approved application or notification, there shall be submitted to the department a new application or notification form in the manner set forth in this section.

(6) The notification to or the approval given by the department to an application to conduct a forest practice shall be effective for a term of one year from the date of approval or notification and shall not be renewed unless a new application is filed and approved or a new notification has been filed.

(7) Notwithstanding any other provision of this section, no prior application or notification shall be required for any emergency forest practice necessitated by fire, flood, windstorm, earthquake, or other emergency as defined by the board, but the operator shall submit an application or notification, whichever is applicable, to the department within forty-eight hours after commencement of such practice.

NEW SECTION, Sec. 52. Section headings as used in this act do not constitute any part of the law.

NEW SECTION, Sec. 53. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."
