(2) If the amount of interest is not determined by an agreement or rule as stated in subsection (1) of this section, the amount is calculated by multiplying the applicable federal funds rate by the amount on which interest is payable, and then multiplying the product by the number of days for which interest is payable. The applicable federal funds rate is the average of the federal funds rates published by the federal reserve bank of New York for each of the days for which interest is payable divided by three hundred sixty. The federal funds rate for any day on which a published rate is not available is the same as the published rate for the next preceding day for which there is a published rate. If a receiving bank that accepted a payment order is required to refund payment to the sender of the order because the funds transfer was not completed, but the failure to complete was not due to any fault by the bank, the interest payable is reduced by a percentage equal to the reserve requirement on deposits of the receiving bank.

**NEW SECTION. Sec. 4A-507. CHOICE OF LAW.** (1) The following rules apply unless the affected parties otherwise agree or subsection (3) of this section applies;

(a) The rights and obligations between the sender of a payment order and the receiving bank are governed by the law of the jurisdiction in which the receiving bank is located.

(b) The rights and obligations between the beneficiary's bank and the beneficiary are governed by the law of the jurisdiction in which the beneficiary's bank is located.

(c) The issue of when payment is made pursuant to a funds transfer by the originator to the beneficiary is governed by the law of the jurisdiction in which the beneficiary's bank is located.

(2) If the parties described in each paragraph of subsection (1) of this section have made an agreement selecting the law of a particular jurisdiction to govern rights and obligations between each other, the law of that jurisdiction governs those rights and obligations, whether or not the payment order or the funds transfer bears a reasonable relation to that jurisdiction.

(3) A funds-transfer system rule may select the law of a particular jurisdiction to govern (a) rights and obligations between participating banks with respect to payment orders transmitted or processed through the system, or (b) the rights and obligations of some or all parties to a funds transfer any part of which is carried out by means of the system. A choice of law made pursuant to (a) of this subsection is binding on participating banks. A choice of law made pursuant to (b) of this subsection is binding on the originator, other sender, or a receiving bank having notice that the funds-transfer system might be used in the funds transfer and of the choice of law by the system when the originator, other sender, or receiving bank issued or accepted a payment order. The beneficiary of a funds transfer is bound by the choice of law if, when the funds transfer is initiated, the beneficiary has notice that the funds-transfer system might be used in the funds transfer and of the choice of law by the system. The law of a jurisdiction selected pursuant to this subsection may govern, whether or not that law bears a reasonable relation to the matter in issue.

(4) In the event of inconsistency between an agreement under subsection (2) of this section and a choice-of-law rule under subsection (3) of this section, the agreement under subsection (2) of this section prevails.

(5) If a funds transfer is made by use of more than one funds-transfer system and there is inconsistency between choice-of-law rules of the systems, the matter in issue is governed by the law of the selected jurisdiction that has the most significant relationship to the matter in issue.

**NEW SECTION. Sec. 4A-508.** Sections 4A-101 through 4A-507 of this act shall constitute a new Article in Title 62A RCW."

The legislature finds that these businesses, when unregulated, promote illegal activities including obscenity, pornography, assaults, drug offenses, sexual offenses, and prostitution.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(c) A corporation, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington;

(d) An applicant who is under eighteen years of age;

(e) An applicant who knowingly has failed to provide information reasonably necessary for issuance of the business license or who with an intent to misrepresent has falsely answered a question or request for information on the application form; or

(f) An applicant who has proposed the location of the business within a zone where such use is prohibited by state or local authority.

(4) Upon receipt of an application for a business license, the department shall give notice of the application to the chief executive officer of the incorporated city or town, if the application is for a business license within an incorporated city or town, or to the county legislative authority, if the application is for a business license outside the boundaries of incorporated cities or towns, or to all the appropriate executive officers in the case of a regional adult entertainment business plan. Upon the granting of a business license under this chapter the department shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns, or to all chief executive officers of impacted cities, towns, or counties participating in a regional adult entertainment business plan.

(5)(a) Except as set forth in (b) of this subsection, the department shall not issue an initial business license covering any premises, if at the time the initial license is to

be issued the premises are within a buffer zone of one thousand feet surrounding any residential zone, single or multifamily dwelling, church, park, playground, day care center, or elementary or secondary school. The one thousand feet shall be measured on a straight line between the closest points of the property on which the premises are located and the property of the residential zone, dwelling, church, park, playground, day care center, or school. For the purpose of this section, church means a building erected for and used exclusively for religious worship and schooling or other activity in connection with the worship and schooling. The department may rely on the measurements of the relevant local jurisdictions in determining the boundaries of a buffer zone.

(b) The legislative authority of a city, town, or county:

(i) Shall establish a buffer zone less than that established in (a) of this subsection if an applicant submits adequate documentation supporting a variance from the buffer zone and the legislative authority finds (A) that the adverse secondary effects of adult entertainment businesses on public health, safety, or welfare would not be greater as a result of the smaller buffer zone or (B) that failure to establish a smaller buffer zone will effectively prohibit any adult entertainment business in the city, town, or county and there is no regional agreement with neighboring cities, towns, or counties that provides adequate opportunities for such businesses; or

(ii) May establish a buffer zone greater than that established in (a) of this subsection if the legislative authority finds (A) that the adverse secondary effects of adult entertainment businesses on public health, safety, or welfare would not be reasonably and effectively mitigated without the larger buffer zone and (B) that establishing a larger buffer zone will not effectively prohibit any adult entertainment business in the city, town, or county, or that there is a regional agreement with neighboring cities, towns, or counties that provides adequate opportunities for such businesses.

(c) If the location requirements established pursuant to this chapter effectively preclude location of adult entertainment businesses within a city, town, or county, such city, town, or county shall join with neighboring cities, towns, or counties in a regional adult entertainment business location plan in order to provide reasonable opportunity for location of adult entertainment businesses in the regional area.

**NEW SECTION. Sec. 6.** (1) The department may, subject to the provisions of this chapter and as provided by rule, suspend or cancel a business license; and all rights of the licensee under this chapter shall be suspended or terminated, as the case may be.

(2) Upon receipt of notice of the suspension or cancellation of a business license, the licensee shall forthwith deliver the license to the department. Where the business license has been suspended only, the department shall return the license to the licensee at the expiration or termination of the period of suspension.

**NEW SECTION. Sec. 7.** (1) Every business license issued under this chapter is subject to all conditions and restrictions imposed by this chapter. All conditions and restrictions imposed by the department in the issuance of an individual business license shall be listed on the face of the individual license along with the trade name, address, and expiration date.

(2) Every business licensee shall post and keep posted its license in a conspicuous place on the premises.

**NEW SECTION. Sec. 8.** The department shall not issue a business license to a transferee until the transferee has applied for and received a business license under this chapter.

**NEW SECTION. Sec. 9.** (1)(a) At the time of the original issuance of a business license, the department shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required.

(b) Unless canceled sooner, every business license issued by the department shall expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the department deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter 34.05 RCW, a system for staggering the annual renewal dates for business licenses. If such a system of staggered annual renewal dates is established by the department, the business license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(2) The adult entertainment business license fee shall be established under RCW 43.24.086, but shall be at least seven hundred fifty dollars per annum, and shall be paid at the time of application. One-half of the fee shall be refunded if the application is withdrawn prior to a denial of the license by the department.

**NEW SECTION. Sec. 10.** (1) A person who is named on a business license may not assign or transfer, in whole or in part, his or her interest in the license, except that a transfer may be made to the surviving spouse of a deceased licensee if the transferor and transferee were maintaining a marital community and the license was issued in the name of the deceased licensee. The transfer permitted under this subsection must be reported to the department within thirty days of the transfer. The department shall charge a fee established under RCW 43.24.086 of at least seventy-five dollars for the processing of a transfer.

(2) At the expiration of the transferred license, the surviving spouse must meet the requirements of this chapter.

**NEW SECTION. Sec. 11.** The department in suspending a business license may further provide in the order of suspension that such suspension shall be vacated upon payment to the department by the licensee of a monetary penalty in an amount fixed by the department but not to exceed ten thousand dollars.

**NEW SECTION. Sec. 12.** (1)(a) An application for a performer's license must be made on a form provided by the department. The performer shall provide the following: (i) The performer's name, including all aliases, address, phone number, and date of birth; (ii) two passport-size color photographs of the performer; (iii) principal occupation; (iv) the name and address of any business, if known, at which the performer will perform; (v) a list of all prior performer's license numbers; (vi) a record of all prior criminal convictions for any offense listed under section 21(1) of this act; and (vii) such other information as the department may require by rule.

(b) The department shall require the applicant to submit to fingerprinting to assist the Washington state patrol in conducting a background check under section 29 of this act.

(c) Identifying information provided by an applicant under this subsection is exempt from public disclosure, and the department shall not disclose such information except to the extent necessary to carry out its responsibilities under this chapter, or to comply with a request from another governmental entity, or to comply with a court order.

(2) No performer's license may be issued to:

(a) A person who is under eighteen years of age;

(b) A person who knowingly has failed to provide information reasonably necessary for issuance of the license or who with an intent to misrepresent has falsely answered a question or request for information on the application form.

(3) The performer's license fee shall be established under RCW 43.24.086, but shall be at least seventy-five dollars per annum and shall be paid at the time of application. One-half of the fee shall be refunded if the application is withdrawn prior to denial of the license by the department.

(4) Every performer shall keep his or her performer's license on the premises while performing.

**NEW SECTION. Sec. 13.** Every business licensed under section 5 of this act shall file monthly reports with the department pursuant to rule. The reports shall

include the following: (1) The name, address, date of birth, and the performer's license number for all performers appearing nude or seminude during the month; and (2) such further information as the department may require.

**NEW SECTION. Sec. 14.** An action, order, or decision of the department as to a denial of an application for the issuance or renewal of a business or performer's license or as to a revocation, suspension, or modification of a license is subject to the applicable provisions of chapter 34.05 RCW.

(1) An opportunity for a hearing must be provided a licensee prior to a revocation or modification of a business or performer's license and, except as provided in subsection (3) of this section, prior to the suspension of a license.

(2) No hearing shall be required until demanded by the applicant or licensee.

(3) The department may summarily suspend a business or performer's license for a period of up to thirty days without a prior hearing if it finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order; and proceedings for revocation or other action must be promptly instituted and determined.

**NEW SECTION. Sec. 15.** No provision in this chapter limits the authority of cities, towns, and counties from further regulating adult entertainment businesses as to hours of operation, location of premises, or manner of operation.

The provisions of this chapter relating to the licensing of any adult entertainment business shall not be exclusive and any city, town, or county within whose jurisdiction the adult entertainment business is located may require any registrations or licenses, or charge any fee for the same or similar purpose; and nothing in this chapter shall limit or abridge the authority of any city, town, or county to levy and collect a general and nondiscriminatory license fee levied upon all businesses, or to levy a tax based upon the gross business receipts of any firm within the city, town, or county.

**NEW SECTION. Sec. 16.** The director has the following authority:

(1) To adopt, amend, or repeal such rules as are deemed necessary to carry out this chapter;

(2) To investigate all complaints or reports of conduct in violation of this chapter and to hold hearings as provided in this chapter;

(3) To issue subpoenas and administer oaths in connection with any investigation, hearing, or proceeding held under this chapter;

(4) To take or cause depositions to be taken and use other discovery procedures as needed in any investigation, hearing, or proceeding held under this chapter;

(5) To compel attendance of witnesses at hearings;

(6) To take emergency action ordering summary suspension of a business or performer's license, or restriction or limitation of the licensee's practice pending further disciplinary action under section 21 of this act;

(7) To use the office of administrative hearings as authorized in chapter 34.12 RCW to conduct hearings. However, the director or the director's designee shall make the final decision in the hearing;

(8) To enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter;

(9) To grant or deny business or performer's license applications, and to impose any sanction against a license applicant or license holder provided by this chapter;

(10) To establish or increase in accordance with RCW 43.24.086 business and performer's license fees above the minimum set by this chapter;

(11) To enter into an assurance of discontinuance in lieu of issuing a statement of charges or conducting a hearing. The assurance shall consist of a statement of the law in question and an agreement not to violate the stated provision. The applicant or license holder shall not be required to admit to any violation of the law, nor shall the assurance be construed as such an admission. Violation of an assurance under this subsection is grounds for disciplinary action;

(12) To designate individuals authorized to sign subpoenas and statements of charges; and

(13) To employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter.

**NEW SECTION. Sec. 17.** A person, including but not limited to a customer, licensee, corporation, organization, or state or local governmental agency, may submit a written complaint to the department charging a business or performer's license holder or applicant with a violation of this chapter. If the department determines that the complaint merits investigation, or if the department has reason to believe, without a formal complaint, that a license holder or applicant may have violated this chapter, the department may investigate to determine whether there has been a violation. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.

**NEW SECTION. Sec. 18.** (1) If the department determines, upon investigation pursuant to section 17 of this act, that there is reason to believe a violation of this chapter has occurred, a statement of charge or charges may be prepared and served upon the business or performer's license holder or applicant. The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the department within twenty days after being served the statement of charges. The failure to request a hearing constitutes a default, upon which the director or the director's designee may enter an order pursuant to RCW 34.05.440(1).

(2) If a hearing is requested, the time of the hearing shall be scheduled but the hearing shall not be held earlier than thirty days after service of the charges upon the license holder or applicant. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of the hearing.

**NEW SECTION. Sec. 19.** The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern all hearings requested under section 18 of this act.

**NEW SECTION. Sec. 20.** (1) Upon a finding that a business or performer's license holder or applicant has engaged in conduct or violated conditions that are grounds for denial of a license or for disciplinary action under section 21 of this act, the director may issue an order providing for one or any combination of the following:

- (a) Revocation of the license;
- (b) Suspension of the license for a fixed or indefinite term;
- (c) Censure or reprimand;
- (d) Compliance with conditions of probation for a designated period of time;
- (e) Payment of a fine for each violation of this chapter, not to exceed one thousand dollars per violation, which shall be paid to the department;
- (f) Denial of the license request.

(2) Any of the actions under this section may be totally or partly stayed by the director. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

**NEW SECTION. Sec. 21.** The following conduct, acts, or conditions, constitute grounds for denial of a license or for disciplinary action against any business or performer's license holder or applicant under the jurisdiction of this chapter:

(1) With respect to a license holder or applicant, commission of an act that constitutes an obscenity or pornography offense under chapter 9.68 RCW, a sexual exploitation of children offense under chapter 9.68A RCW, an assault under chapter 9A.36 RCW, a sexual offense under chapter 9A.44 RCW, a prostitution or indecent exposure offense under chapter 9A.88 RCW, a drug offense under chapter 69.41, 69.50, 69.52, or 69.53 RCW, or a substantially similar ordinance adopted by the legislative authority of a city, town, or county or other state or federal statute. Conviction in a

criminal proceeding is not a condition precedent to disciplinary action under this section. Upon a conviction, however, the judgment and sentence is conclusive evidence at an ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction means an adjudication of guilt pursuant to Title 10 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in license reinstatement;

(3) All advertising that is false, fraudulent, or misleading;

(4) Failure to cooperate with the department in the conduct of an investigation by:

(a) Not furnishing any requested papers or documents;

(b) Not furnishing in writing a full and complete explanation regarding the matter under investigation upon written request of the department; or

(c) Not responding to subpoenas issued by the director, whether or not the recipient of the subpoena is the subject of the investigation;

(5) Failure to comply with an order issued by the director or an assurance of discontinuance entered into with the director;

(6) Aiding and abetting an unlicensed person to own or operate a business or to perform when a license is required;

(7) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the director or the director's authorized representative, or by the use of threats or harassment against any witness to prevent him or her from providing evidence in a disciplinary proceeding or any other legal action;

(8) Violating this chapter or any rule adopted pursuant to this chapter.

**NEW SECTION. Sec. 22.** (1) The director shall investigate complaints under this chapter concerning ownership or operation of a business without a license or performing without a license. In the investigation of the complaints, the director shall have the same authority as provided the director under section 16 of this act. The director shall issue a cease and desist order to a person after notice and hearing and upon a determination that the person has owned or operated a business without a license, or has performed without a license, in violation of this chapter. If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order before the notice and hearing. A cease and desist order does not relieve the person so owning or operating a business or performing without a license from criminal prosecution. The remedy of a cease and desist order is in addition to any criminal liability. A cease and desist order may be enforced through remedial sanctions under chapter 7.21 RCW. Enforcement of the cease and desist order under chapter 7.21 RCW may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(2) The attorney general, a county prosecuting attorney, the department, or any person may, in accordance with the law of this state governing injunctions, maintain an action to enjoin any person owning or operating a business, or performing, without a license required by this chapter from continuing such ownership, operation, or performing until the required license is secured. However, an injunction does not relieve a person from criminal prosecution and the remedy by injunction is in addition to any criminal liability.

**NEW SECTION. Sec. 23.** A person or business that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than twenty-five thousand dollars, which shall be paid to the department. For the purpose of this section, the superior court issuing any injunction shall retain jurisdiction

and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

**NEW SECTION. Sec. 24.** (1) The director or individuals acting on the director's behalf are immune from suit in any civil or criminal action based on any disciplinary proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

(2) Legislative authorities or officials of cities, towns, and counties are immune from suit in any civil or criminal action based on any official acts performed in the course of their duties in the administration or enforcement of this chapter.

In any challenge to location, distance, or conduct requirements imposed by the legislative authority of a city, town, or county pursuant to this chapter, the legislative authority may request that the state assume some or all of the obligation to defend the constitutionality of this chapter. The attorney general may grant or deny the request. Nothing in this chapter creates any state liability for actions of a city, town, or county.

**NEW SECTION. Sec. 25.** Existing adult entertainment businesses are exempt from any location restrictions imposed by this chapter until January 1, 1995.

**NEW SECTION. Sec. 26.** It is a gross misdemeanor for any person to permit any person under the age of eighteen on the premises of any adult entertainment business under his or her control.

**NEW SECTION. Sec. 27.** It is a class C felony for any person to employ or permit any person under the age of eighteen to appear nude or seminude on the premises of any adult entertainment business under his or her control.

**NEW SECTION. Sec. 28.** Sections 1 through 27 of this act shall constitute a new chapter in Title 18 RCW.

**NEW SECTION. Sec. 29.** A new section is added to chapter 43.43 RCW to read as follows:

The department of licensing may request information from the Washington state patrol criminal identification system regarding the conviction of offenses listed under section 21(1) of this act for any applicant or for a license holder who is the subject of an investigation under section 17 of this act.

**Sec. 30.** RCW 7.48A.040 and 1985 c 235 s 1 are each amended to read as follows:

(1) No person shall with knowledge maintain a moral nuisance.

(2) Upon a determination that a defendant has with knowledge maintained a moral nuisance, the court shall impose a civil fine and judgment of an amount as the court shall determine to be appropriate. In imposing the civil fine, the court shall consider the wilfulness of the defendant's conduct and the profits made by the defendant attributable to the lewd matter, lewdness, or prostitution, whichever is applicable. In no event shall the civil fine exceed the greater of ((~~twenty-five~~)) fifty thousand dollars or these profits.

**Sec. 31.** RCW 42.17.310 and 1991 c 301 s 13, 1991 c 87 s 13, and 1991 c 23 s 10 are each reenacted and amended to read as follows:

(a) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, or welfare recipients.

(b) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (i) be prohibited to such persons by RCW 82.32.330 or (ii) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer.

(d) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested

with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property. If at the time the complaint is filed the complainant indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(g) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition or sale of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.

(h) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(k) Records, maps, or other information identifying the location of archaeological sites in order to avoid the looting or deprecation of such sites.

(o) Financial and commercial information and records supplied by private persons pertaining to export services provided pursuant to chapter 43.163 RCW and chapter 53.31 RCW.

(p) Financial disclosures filed by private vocational schools under chapter 28C.10 RCW.

(r) Financial and commercial information and records supplied by businesses during application for loans or program services provided by chapter 43.163 RCW and chapters 43.31, 43.63A, and 43.168 RCW.

(s) Membership lists or lists of members or owners of interests of units in timeshare projects, subdivisions, camping resorts, condominiums, land developments, or common-interest communities affiliated with such projects, regulated by the department of licensing, in the files or possession of the department.

(t) All applications for public employment, including the names of applicants, resumes, and other related materials submitted with respect to an applicant.

(aa) Financial and valuable trade information under RCW 51.36.120.

(bb) Client records maintained by an agency that is a domestic violence program as defined in RCW 70.123.020 or a rape crisis center as defined in RCW 70.125.030.

(2) Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

**NEW SECTION. Sec. 32.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 33.** This act shall take effect January 1, 1992. The department of licensing may take such steps before then, including the adoption of rules, as are necessary to ensure that this act is implemented on January 1, 1992.

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 26.09.010 and 1989 c 375 s 1 are each amended to read as follows:

(1) Except as otherwise specifically provided herein, the practice in civil action shall govern all proceedings under this chapter, except that trial by jury is dispensed with.

(2) A proceeding for dissolution of marriage, legal separation or a declaration concerning the validity of a marriage shall be entitled "In re the marriage of ..... and ....." Such proceeding (~~may~~) shall be filed in the superior court of the county where the petitioner or respondent resides. Upon motion and hearing before the superior court of the county where the proceeding is filed, the court may waive venue in that county for good cause shown.

(3) In cases where there has been no prior proceeding in this state involving the marital status of the parties or support obligations for a minor child, a separate parenting and support proceeding between the parents shall be entitled "In re the parenting and support of ....." Such proceeding shall be filed in the superior court of the county where the petitioner or respondent resides. Upon motion and hearing before the superior court of the county where the proceeding is filed, the court may waive venue in that county for good cause shown.

(4) The initial pleading in all proceedings under this chapter shall be denominated a petition. A responsive pleading shall be denominated a response. Other pleadings, and all pleadings in other matters under this chapter shall be denominated as provided in the civil rules for superior court.

(5) In this chapter, "decree" includes "judgment".

(6) A decree of dissolution, of legal separation, or a declaration concerning the validity of a marriage shall not be awarded to one of the parties, but shall provide that it affects the status previously existing between the parties in the manner decreed.

Sec. 2. RCW 26.09.100 and 1990 1st ex.s. c 2 s 1 are each amended to read as follows:

(1) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity, maintenance, or child support, after considering all relevant factors but without regard to marital misconduct, the court shall order either or both parents owing a duty of support to any child of the marriage dependent upon either or both spouses to pay an amount determined under chapter 26.19 RCW.

(2) The court may require automatic periodic adjustments or modifications of child support. That portion of any decree that requires periodic adjustments or modifications of child support shall use the provisions in chapter 26.19 RCW as the basis for the adjustment or modification. Provisions in the decree for periodic adjustment or modification shall not conflict with RCW 26.09.170 except that the decree may require periodic adjustments or modifications of support more frequently than the time periods established pursuant to RCW 26.09.170.

(3) Upon motion of a party and without a substantial change of circumstances, the court shall modify the decree to comply with subsection (2) of this section as to installments accruing subsequent to entry of the court's order on the motion for modification.

(4) The adjustment or modification provision may be modified by the court due to economic hardship consistent with the provisions of RCW 26.09.170(4)(a).

Sec. 3. RCW 26.09.170 and 1990 1st ex.s. c 2 s 2 are each amended to read as follows:

(1) Except as otherwise provided in subsection (7) of RCW 26.09.070, the provisions of any decree respecting maintenance or support may be modified only as to installments accruing subsequent to the motion for modification and, except as otherwise provided in subsections (4), (5), ~~((and))~~ (8), and (9) of this section, only upon a showing of a substantial change of circumstances. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the parent obligated to support the child.

(4) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a party requests an adjustment in an order for child support which was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based;

(c) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(d) To add an automatic adjustment of support provision consistent with RCW 26.09.100.

(5) An order or decree entered prior to June 7, 1984, may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require health insurance coverage for a child named therein; or

(b) Modify an existing order for health insurance coverage.

(6) An obligor's voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department of social and health services may file an action to modify an order of child support if public assistance money is being paid to or for the benefit of

the child and the child support order is twenty-five percent or more below the appropriate child support amount set forth in the standard calculation as defined in ~~((section 4(2) of this act))~~ section 5 of this act and reasons for the deviation are not set forth in the findings of fact or order. The determination of twenty-five percent or more shall be based on the current income of the parties and the department shall not be required to show a substantial change of circumstances if the reasons for the deviations were not set forth in the findings of fact or order.

(8)(a) Except as provided in (b) and (c) of this subsection, all child support decrees may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances. Either party may initiate the modification pursuant to procedures of RCW 26.09.175.

(b) Parents whose decrees are entered before ~~((the effective date of this act))~~ July 1, 1990, may petition the court for a modification after twelve months has expired from the entry of the decree or the most recent modification setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to (a) of this subsection.

(c) A party may petition for modification in cases of substantially changed circumstances, under subsection (1) of this section, at any time. However, if relief is granted under subsection (1) of this section, twenty-four months must pass before a petition for modification under (a) of this subsection may be filed.

(d) If, pursuant to (a) of this subsection, the court modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under (a) of this subsection may be filed.

(e) A parent who is receiving transfer payments who receives a wage or salary increase may not bring a modification action pursuant to (a) of this subsection alleging that increase constitutes a substantial change of circumstances under subsection (1) of this section.

(9) An order of child support may be modified twenty-four months from the date of the entry of the decree or the last modification, whichever is later, based upon changes in the economic table or standards in chapter 26.19 RCW.

Sec. 4. RCW 26.09.225 and 1990 1st ex.s. c 2 s 18 are each amended to read as follows:

(1) Each parent shall have full and equal access to the education and health care records of the child absent a court order to the contrary. Neither parent may veto the access requested by the other parent.

(2) Educational records are limited to academic, attendance, and disciplinary records of public and private schools in all grades kindergarten through twelve and any form of alternative school for all periods for which child support is paid or the child is the dependent in fact of the parent requesting access to the records.

(3) Educational records of postsecondary educational institutions are limited to enrollment and academic records necessary to determine, establish, or continue support ordered pursuant to RCW 26.19.090.

NEW SECTION. Sec. 5. A new section is added to chapter 26.19 RCW to read as follows:

DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Basic child support obligation" means the monthly child support obligation determined from the economic table based on the parties' combined monthly net income and the number of children for whom support is owed.

(2) "Child support schedule" means the standards, economic table, worksheets, and instructions, as defined in this chapter.

(3) "Court" means a superior court judge, court commissioner, and presiding and reviewing officers who administratively determine or enforce child support orders.

(4) "Deviation" means a child support amount that differs from the standard calculation.

(5) "Economic table" means the child support table for the basic support obligation provided in RCW 26.19.020.

(6) "Instructions" means the instructions developed by the office of the administrator for the courts pursuant to RCW 26.19.050 for use in completing the worksheets.

(7) "Standards" means the standards for determination of child support as provided in this chapter.

(8) "Standard calculation" means the presumptive amount of child support owed as determined from the child support schedule before the court considers any reasons for deviation.

(9) "Support transfer payment" means the amount of money the court orders one parent to pay to another parent or custodian for child support after determination of the standard calculation and deviations. If certain expenses or credits are expected to fluctuate and the order states a formula or percentage to determine the additional amount or credit on an ongoing basis, the term "support transfer payment" does not mean the additional amount or credit.

(10) "Worksheets" means the forms developed by the office of the administrator for the courts pursuant to RCW 26.19.050 for use in determining the amount of child support.

**NEW SECTION. Sec. 6.** A new section is added to chapter 26.19 RCW to read as follows:

**STANDARDS FOR DETERMINATION OF INCOME.** (1) **Consideration of all income.** All income and resources of each parent's household shall be disclosed and considered by the court when the court determines the child support obligation of each parent. Only the income of the parents of the children whose support is at issue shall be calculated for purposes of calculating the basic support obligation. Income and resources of any other person shall not be included in calculating the basic support obligation.

(2) **Verification of income.** Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) **Income sources included in gross monthly income.** Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:

- (a) Salaries;
- (b) Wages;
- (c) Commissions;
- (d) Deferred compensation;
- (e) Overtime;
- (f) Contract-related benefits;
- (g) Income from second jobs;
- (h) Dividends;
- (i) Interest;
- (j) Trust income;
- (k) Severance pay;
- (l) Annuities;
- (m) Capital gains;

- (n) Pension retirement benefits;
- (o) Workers' compensation;
- (p) Unemployment benefits;
- (q) Spousal maintenance actually received;
- (r) Bonuses;
- (s) Social security benefits; and
- (t) Disability insurance benefits.

(4) **Income sources excluded from gross monthly income.** The following income and resources shall be disclosed but shall not be included in gross income:

- (a) Income of a new spouse or income of other adults in the household;
- (b) Child support received from other relationships;
- (c) Gifts and prizes;
- (d) Aid to families with dependent children;
- (e) Supplemental security income;
- (f) General assistance; and
- (g) Food stamps.

Receipt of income and resources from aid to families with dependent children, supplemental security income, general assistance, and food stamps shall not be a reason to deviate from the standard calculation.

(5) **Determination of net income.** The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:

- (a) Federal and state income taxes;
- (b) Federal insurance contributions act deductions;
- (c) Mandatory pension plan payments;
- (d) Mandatory union or professional dues;
- (e) State industrial insurance premiums;
- (f) Court-ordered spousal maintenance to the extent actually paid;
- (g) Up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the two tax years preceding the earlier of the (i) tax year in which the parties separated with intent to live separate and apart or (ii) tax year in which the parties filed for dissolution; and

(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.

(6) **Imputation of income.** The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's work history, education, health, and age, or any other relevant factors. A court shall not impute income to a parent who is gainfully employed on a full-time basis, unless the court finds that the parent is voluntarily underemployed and finds that the parent is purposely underemployed to reduce the parent's child support obligation. Income shall not be imputed for an unemployable parent. In the absence of information to the contrary, a parent's imputed income shall be based on the median income of year-round full-time workers as derived from the United States bureau of census, current populations reports, or such replacement report as published by the bureau of census.

**NEW SECTION. Sec. 7.** A new section is added to chapter 26.19 RCW to read as follows:

**STANDARDS FOR DEVIATION FROM THE STANDARD CALCULATION.**

(1) Reasons for deviation from the standard calculation include but are not limited to the following:

(a) **Sources of income and tax planning.** The court may deviate from the standard calculation after consideration of the following:

(i) Income of a new spouse if the parent who is married to the new spouse is asking for a deviation based on any other reason. Income of a new spouse is not, by itself, a sufficient reason for deviation;

(ii) Income of other adults in the household if the parent who is living with the other adult is asking for a deviation based on any other reason. Income of the other adults in the household is not, by itself, a sufficient reason for deviation;

(iii) Child support actually received from other relationships;

(iv) Gifts;

(v) Prizes;

(vi) Possession of wealth, including but not limited to savings, investments, real estate holdings and business interests, vehicles, boats, pensions, bank accounts, insurance plans, or other assets;

(vii) Extraordinary income of a child; or

(viii) Tax planning considerations. A deviation for tax planning may be granted only if the child would not receive a lesser economic benefit due to the tax planning.

(b) **Nonrecurring income.** The court may deviate from the standard calculation based on a finding that a particular source of income included in the calculation of the basic support obligation is not a recurring source of income. Depending on the circumstances, nonrecurring income may include overtime, contract-related benefits, bonuses, or income from second jobs. Deviations for nonrecurring income shall be based on a review of the nonrecurring income received in the previous two calendar years.

(c) **Debt and high expenses.** The court may deviate from the standard calculation after consideration of the following expenses:

(i) Extraordinary debt not voluntarily incurred;

(ii) A significant disparity in the living costs of the parents due to conditions beyond their control;

(iii) Special needs of disabled children; or

(iv) Special medical, educational, or psychological needs of the children.

(d) **Residential schedule.** The court may deviate from the standard calculation if the child spends a significant amount of time with the parent who is obligated to make a support transfer payment. The court may not deviate on that basis if the deviation will result in insufficient funds in the house receiving the support to meet the basic needs of the child or if the child is receiving aid to families with dependent children. When determining the amount of the deviation, the court shall consider evidence concerning the increased expenses to a parent making support transfer payments resulting from the significant amount of time spent with that parent and shall consider the decreased expenses, if any, to the party receiving the support resulting from the significant amount of time the child spends with the parent making the support transfer payment.

(e) **Children from other relationships.** The court may deviate from the standard calculation when either or both of the parents before the court have children from other relationships to whom the parent owes a duty of support.

(i) The child support schedule shall be applied to the mother, father, and children of the family before the court to determine the presumptive amount of support.

(ii) Children from other relationships shall not be counted in the number of children for purposes of determining the basic support obligation and the standard calculation.

(iii) When considering a deviation from the standard calculation for children from other relationships, the court may consider only other children to whom the parent owes a duty of support. The court may consider court-ordered payments of child

support for children from other relationships only to the extent that the support is actually paid.

(iv) When the court has determined that either or both parents have children from other relationships, deviations under this section shall be based on consideration of the total circumstances of both households. All child support obligations paid, received, and owed for all children shall be disclosed and considered.

(2) All income and resources of the parties before the court, new spouses, and other adults in the households shall be disclosed and considered as provided in this section. The presumptive amount of support shall be determined according to the child support schedule. Unless specific reasons for deviation are set forth in the written findings of fact and are supported by the evidence, the court shall order each parent to pay the amount of support determined by using the standard calculation.

(3) The court shall enter findings that specify reasons for any deviation or any denial of a party's request for any deviation from the standard calculation made by the court. The court shall not consider reasons for deviation until the court determines the standard calculation for each parent.

(4) When reasons exist for deviation, the court shall exercise discretion in considering the extent to which the factors would affect the support obligation.

(5) Agreement of the parties is not by itself adequate reason for any deviations from the standard calculation.

Sec. 8. RCW 26.19.090 and 1990 1st ex.s. c 2 s 9 are each amended to read as follows:

#### STANDARDS FOR POSTSECONDARY EDUCATIONAL SUPPORT AWARDS.

(1) The child support schedule shall be advisory and not mandatory for postsecondary educational support.

(2) When considering whether to order support for postsecondary educational expenses, the court shall determine whether the child is in fact dependent and is relying upon the parents for the reasonable necessities of life. The court shall exercise its discretion when determining whether and for how long to award postsecondary educational support based upon consideration of factors that include but are not limited to the following: Age of the child; the child's needs; the expectations of the parties for their children when the parents were together; the child's prospects, desires, aptitudes, abilities or disabilities; the nature of the postsecondary education sought; and the parents' level of education, standard of living, and current and future resources. Also to be considered are the amount and type of support that the child would have been afforded if the parents had stayed together.

(3) The child must ~~((be enrolled))~~ enroll in an accredited academic or vocational school, must be actively pursuing a course of study commensurate with the child's vocational goals, and must be in good academic standing as defined by the institution ((or)). ~~The court-ordered postsecondary educational support ((may)) shall be automatically suspended during the period or periods the child fails to comply with these conditions. ((The court in its discretion may order that the payment be made directly to the parent who has been receiving the transfer payments, to the educational institution if feasible, or to the child.))~~

(4) The child shall also make available all academic records and grades to both parents as a condition of receiving postsecondary educational support. Each parent shall have full and equal access to the postsecondary education records as provided in RCW 26.09.225.

(5) The court shall not order the payment of postsecondary educational expenses beyond the child's twenty-third birthday, except for exceptional circumstances, such as mental, physical, or emotional disabilities.

(6) The court shall direct that either or both parents' payments for postsecondary educational expenses be made directly to the educational institution if feasible. If direct payments are not feasible, then the court in its discretion may order that either

or both parents' payments be made directly to the child if the child does not reside with either parent. If the child resides with one of the parents the court may direct that the parent making the support transfer payments make the payments to the child or to the parent who has been receiving the support transfer payments.

(1) RCW 26.19.010 and 1988 c 275 s 2;

Presently, residential time in excess of 35 percent and up to 49.9 percent would be significant time. Again, it is ultimately up to the court based upon the facts of the case."

### THIRD READING

SUBSTITUTE SENATE BILL NO. 5581, by Senate Committee on Ways and Means (originally sponsored by Senators Anderson, Murray, Pelz, McCaslin, McMullen, Moore, Craswell, Bailey, L. Smith and A. Smith)

Creating the community partnership program.

The bill was read the third time.

Debate ensued.

### POINT OF INQUIRY

Senator Talmadge: "Senator Anderson, the reason that a number of us voted against this bill, I might add, the first time through was when Governor John Spellman was Governor of the state of Washington, he created something called, I believe, it was the Council for Voluntary Action that does virtually everything that this organization does. That organization, I don't believe, has ever been repealed; it still exists somewhere in state government. Why are we doing what amounts to an exact duplication of what Governor Spellman did a decade ago? The organization, I believe, still exists."

Senator Anderson: "Senator Talmadge, probably because that organization has not had the support and the activity of the community providers. This particular piece of legislation was supported by many people--the Human Resources Roundtable, the YMCA Metro Center, the statewide YMCA, the Boys and Girl Scout Council--and it has been the combination of many, many statewide meetings of local community-based organizations across the state of Washington asking us for this kind of statement from the Washington State Legislature to assist with technical assistance. Now, not being here during Governor Spellman's time, Senator Talmadge, I did not know about that other organization. If it is now defunct, it would only seem appropriate to pass this, since these community-based organizations are in support of this concept in this particular bill."

Further debate ensued.

## POINT OF INQUIRY

Senator Rasmussen: "Senator Talmadge, in light of the recent two Attorney General opinions on the power of executive order, would this not be an attempt to give some basis of official recognition, rather than an executive order? These voluntary groups are going to collect money through the department. I notice the Lieutenant Governor is on there as managing director of the program. This would give it a better basis than an executive order, would it not? The two opinions that we have from the Attorney General say that the Governor may create, by executive order, anything that he wants to do, but it has no power or effect."

Senator Talmadge: "Senator, my best response to that is the two Attorney General's opinions speak for themselves with respect to the scope of an executive order as opposed to a statute and I don't want to hazard an opinion about those AGOs. Number two, whether this thing gives some greater credence to those local organizations or not is not clear to me that is true."

## MOTION

On motion of Senator Oke, Senators Erwin and Johnson were excused.

The President declared the question before the Senate to be the roll call on the final passage of Substitute Senate Bill No. 5581.

## ROLL CALL

The Secretary called the roll on the final passage of Substitute Senate Bill No. 5581 and the bill passed the Senate by the following vote: Yeas, 27; Nays, 4; Absent, 0; Excused, 18.

Voting yea: Senators Anderson, Bailey, Barr, Bauer, Bluechel, Craswell, Gaspard, Hansen, Jesernig, M. Kreidler, Madsen, Matson, Metcalf, Moore, Murray, Nelson, Newhouse, Oke, Patterson, Pelz, Rasmussen, Sellar, Snyder, Vognild, West, Williams, Wojahn - 27.

Voting nay: Senators Niemi, Rinehart, A. Smith, Talmadge - 4.

(2) A violation of this section constitutes a traffic infraction (~~(punishable by a fine of two hundred and fifty dollars unless a court determines that in the interest of justice the fine should be reduced. In lieu of the fine, a court may permit the defendant to perform community service designated by the court).~~ A person found to have committed such infraction shall be assessed a monetary penalty or community service in accordance with RCW 46.63.110 and 46.63.120.

(3) If a person cited for a violation of this section appears in person before the court and provides written evidence that at the time the person was cited, he or she was in compliance with this section, the citation shall be dismissed without cost. In lieu of personal appearance, a person cited for a violation of this section may, before the date scheduled for the person's appearance before the court, submit by mail to the court written evidence that at the time the person was cited, he or she was in compliance with this section, in which case the citation shall be dismissed without cost.

(4) The provisions of this chapter shall not govern:

(a) The operation of a motor vehicle registered under RCW 46.16.305(1), governed by RCW 46.16.020, or registered with the Washington utilities and transportation commission as common or contract carriers; or

(b) The operation of a motorcycle as defined in RCW 46.04.330, a motor-driven cycle as defined in RCW 46.04.332, or a moped as defined in RCW 46.04.304.

(6) An investigating officer may issue a citation for a violation of this section if the person fails to provide evidence of financial responsibility or insurance as required under RCW 46.30.040.

Sec. 2. RCW 46.30.040 and 1989 c 353 s 4 are each amended to read as follows:

(3) A violation of subsection (1) or (2) of this section is not a traffic infraction. Failure to provide evidence of financial responsibility as required under subsection (1) or (2) of this section is reasonable cause for an investigating officer to believe that the person driving the motor vehicle is not insured or otherwise financially responsible as required by RCW 46.30.020(1). The officer may cite the person for a traffic infraction under RCW 46.30.020.

The legislature recognizes the need to address issues remaining unresolved from the 1991 title and registration study required by the legislature and the governor. The intent of the legislature is to better align the fee structure with the costs associated with providing services for the state. Evidence from the 1991 study indicates inequities exist in cost recovery and/or profits realized between large and small county auditors

and their subagents. Further, no policy exists regarding how counties treat excess revenues generated from providing this service. The Washington association of counties, the Washington association of county officials, representatives of the subagents, and the department of licensing, under the direction of the legislative transportation committee, shall report to the legislative transportation committee by December 1, 1991, their recommendations for resolving these policy issues and inequities.

Funds credited to the incorporated cities and towns of the state as set forth in subdivision (1) of RCW 46.68.100 shall be subject to deduction and distribution as follows:

**NEW SECTION. Sec. 48.** The motor vehicle fund revenues are received at a relatively even flow throughout the year. Expenditures exceed the revenue during the accelerated summer and fall highway construction season, creating a negative cash balance during the heavy construction season. Negative cash balances also may result from the use of state funds to finance federal advance construction projects prior to

conversion to federal funding. The legislature recognizes that the department of transportation may require interfund loans or other short-term financing to meet temporary seasonal cash requirements and additional cash requirements to fund federal advance construction projects.

**NEW SECTION. Sec. 49.** In addition to such other appropriations as are made by this act, there is appropriated to the department of transportation from legally available bond proceeds in the respective construction or building accounts such amounts as are necessary to pay the expenses incurred by the state finance committee in the issuance and sale of the subject bonds.

**NEW SECTION. Sec. 50. FOR THE DEPARTMENT OF TRANSPORTATION--TRANSFER**

Motor Vehicle Fund--Highway Construction

Stabilization Account Transfer: For  
transfer to the Motor Vehicle Fund. . . . . \$ 100,000,000

The appropriation transfer in this section is provided for expenditures pursuant to RCW 46.68.200.

**NEW SECTION. Sec. 51.** The department of transportation is authorized to undertake federal advance construction projects under the provisions of 23 U.S.C. Sec. 115 in order to maintain progress in meeting approved highway construction and preservation objectives. The legislature recognizes that the use of state funds may be required to temporarily fund expenditures of the federal appropriations for the highway construction and preservation programs for federal advance construction projects prior to conversion to federal funding.

**NEW SECTION. Sec. 52.** (1) Any public agency including but not limited to transit agencies, cities, counties, and the state department of transportation, awarded contracts from counties or transit agencies for the construction of high occupancy vehicle lanes and related facilities shall use such moneys in addition to, and not as a substitute for, moneys currently used, or planned to be used, for high occupancy vehicle lanes by the public agency receiving the award.

(2) Cities, counties, transit agencies, and the state department of transportation having within their boundaries a portion of the existing or planned high occupancy vehicle system contained in the document dated March 1991, entitled "Puget Sound HOV Core Lane Needs: 2000", shall coordinate programming and operational decisions affecting the high occupancy vehicle system.

**NEW SECTION. Sec. 53.** To maximize the use of motor vehicle fund revenues, it is the intent of the legislature to encourage sharing of technology, information, and systems where appropriate between transportation agencies.

To facilitate this exchange, the Washington state department of transportation assistant secretary for finance and budget management; Washington state department of transportation chief for management information systems; the Washington state patrol deputy chief, chief of staff; Washington state patrol manager of the computer services division; the department of licensing deputy director and department of licensing assistant director for information systems will meet quarterly to share plans, discuss progress of key projects and to coordinate activities for the common good. Minutes of these meetings will be distributed to the respective agency heads and the legislative transportation committee. Washington state department of transportation will provide staff support and meeting coordination.

**NEW SECTION. Sec. 54.** Agencies shall comply with the following requirements regarding information technology projects if directed to do so by specific appropriation proviso within this act. In addition to these provisos agencies shall comply with all department of information services requirements.

It is the intent of the legislature that information technology projects in state government be managed and completed successfully. Information technology projects should be divided into distinct phases. Each phase of a project should be successfully

completed before subsequent phases are commenced, unless an alternative plan is approved by the department of information services, office of financial management, and legislative transportation committee. In addition to the post-implementation review, reviews using oversight and quality assurance measures are to be conducted throughout the project.

The legislature, with recommendations from department of information services and office of financial management, should evaluate each project's scope, duration, and risk in determining whether appropriations should be for a fiscal year or a biennium, and whether specific phases or the entire project can be accomplished within a specified time period.

Work shall not commence on any task in a subsequent phase of a project until the status report for the preceding key decision point has been approved by the department of information services, the office of financial management, and the legislative transportation committee as appropriate.

(1) Scoping process phase. Prior to requesting moneys from the legislature, or as a condition of receiving an appropriation for planning or development of information technology projects, an agency shall complete a project scoping process. The scoping process shall detail the key issues to be addressed by the information technology project. The scoping process shall precede the feasibility study.

The scoping process must define the project's scope; key issues, including business, management, technical and other issues; major objectives; project justifications; project approach; and answer by a test of reasonableness that the project is feasible. The purpose of the scoping process is to provide the legislature, office of financial management, and the department of information services with the high level information that is needed to grant approval to proceed with the project.

(2) The agency shall produce a feasibility study for each information systems project in accordance with published department of information services instructions. In addition to department of information services requirements such studies shall examine and evaluate the costs and benefits of maintaining the status quo, and of the proposed project. The study shall identify if and in what amounts any fiscal savings, costs, and benefits will occur, and what programs or fund sources will be affected. Benefits of information technology projects shall not be limited to fiscal savings, but may include improvements in service delivery by the agency to the citizens of the state. The feasibility study in this section shall be accompanied by the project management plan described in subsection (3) of this section.

(3) The project management plan shall document how the agency will manage the project identified in the feasibility study. The plan shall be an evolving document. Each subsequent phase of the project shall have an updated project management plan submitted as a prerequisite for approval to begin the next phase.

The project management plan shall cover all factors critical to the entire project and shall specifically address management plans for successfully completing the subsequent phase. The project management plan shall address all factors critical to the overall project, including, but not limited to, the following elements:

(a) Project organization: Define agency executive personnel accountable for project success; define oversight and management committee structures; identify key personnel including key positions that are not yet filled; address staffing requirements, including backfilling requirements; and other key resources needed for successful project implementation.

(b) A description of scope change and cost control procedures.

(c) A risk assessment and risk mitigation plan.

(d) A description of project oversight monitoring and quality assurance procedures.

(e) A project workplan: Explaining the appropriately defined phases, key management decision points, scheduling of other activities, and estimated costs for the next phase or phases to be conducted in a specified time period.

(4) Prior to reaching key decision points identified in the relevant project management plan a project status report shall be submitted to the department of information services, the office of financial management, and the legislative transportation committee for each project. Project status reports shall examine and evaluate project management, accomplishments, budget, action to address variances, risk management, cost and benefits analysis, and other aspects critical to completion of a project.

(5) In instances where a project review is requested in accordance with department of information services policies, the reviews shall examine and evaluate: System requirements specifications; scope; system architecture; change controls; documentation; user involvement; training; availability and capability of resources; programming languages and techniques; system inputs and outputs; plans for testing, conversion, implementation, and post-implementation; and other aspects critical to successful construction, integration, and implementation of information technology projects. Copies of written project review reports shall be forwarded to the office of financial management and the legislative transportation committee by the agency.

(6) The agency and the department of information services shall provide the legislative transportation committee and the office of financial management with a written bi-monthly project oversight and risk assessment report for each project that has a specific proviso under this section. The report shall include, but not be limited to, the following: Project name, agency undertaking the project, a description of the project, key project activities during the next sixty to ninety days, base-line cost data, costs to date, schedule to date, risk assessments, risk management, and recommendations.

(7) A written post-implementation review report shall be prepared by the agency for each information systems project in accordance with published department of information services instructions. In addition to the information requested pursuant to the department of information services instructions, post-implementation reports shall evaluate the degree to which a project accomplished its major objectives including, but not limited to, a comparison of original cost and benefit estimates to actual costs and benefits achieved. Copies of post-implementation review reports shall be provided to the department of information services, the office of financial management, and the legislative transportation committee.

(8) Where major variances in project scope, cost, or risk occur, the sponsoring agency shall inform the department of information services of the change. The director of the sponsoring agency and the director of the department of information services shall jointly report such findings in writing to the legislative transportation committee and office of financial management. A major variance is defined as a budget change in excess of \$1,000,000 or ten percent, whichever is lower; an increase in risk category to high; or a change in scope that could result in major change in budget or risk.

NEW SECTION. Sec. 55. The department of transportation shall identify and coordinate all growth management functions. Such functions shall cease to exist on June 30, 1995.

NEW SECTION. Sec. 56. The attorney general shall prepare by December 31 of each year, a report to the legislative transportation committee comprising a comprehensive summary of all cases involving tort claims against the department of transportation involving highways that were concluded and closed in the previous calendar year. The report shall include for each case closed:

- (1) A summary of the factual background of the case;
- (2) Identification of the attorneys representing the state and the opposing parties;
- (3) A synopsis of the legal theories asserted and the defenses presented;

- (4) Whether the case was tried, settled, or dismissed, and in whose favor;
- (5) The amount of any settlement or verdict reached, and the terms for payment;
- (6) A summary of all settlement offers made by the parties where a verdict was returned against the state;
- (7) The approximate number of attorney hours expended by the state on the case, together with the corresponding dollar amount billed therefore; and
- (8) Such other matters relating to the case as the attorney general deems relevant or appropriate, especially including any comments or recommendations for changes in statute law or agency practice that might effectively reduce the exposure of the state to such tort claims.

The account shall be an internal service fund subject to legislative appropriation.

(2) Use and depreciation costs shall be charged to all users of Washington State Patrol equipment, except in those circumstances where the chief of the state patrol deems it necessary to waive those charges.

(3) The state patrol shall propose a replacement schedule and the rate for use, for all equipment to be included in the account.

(4) The state patrol shall report to the legislative transportation committee and the office of financial management by December 1, 1991, on the alternatives for the inclusion of different types of equipment to be included in the state patrol equipment account and on financing alternatives.

The state department of transportation and the local authorities are authorized to reserve all or any portion of any highway under their respective jurisdictions, including any designated lane or ramp, for the exclusive or preferential use of public transportation vehicles or private motor vehicles carrying no fewer than a specified

number of passengers when such limitation will increase the efficient utilization of the highway or will aid in the conservation of energy resources. For lanes so designated on the main line of limited access freeways, the required number of occupants in private motor vehicles, other than motorcycles, will be two. If the operating condition of a restricted lane falls below level of service "C" during peak hours for a period of twelve continuous months, as verified by the department, the number of occupants required during peak hours shall be increased to maintain an operating condition of level of service "C". The department shall report any changes in vehicle occupancy requirements to the legislative transportation committee. There is hereby appropriated from the transportation fund--state to the department of transportation, program C for the period ending June 30, 1993, an additional \$15 million for the sole purpose of expediting completion of the HOV core lane system. The department shall evaluate the efficacy of the vehicle occupancy requirements and shall report to the legislative transportation committee by January 1, 1992.

Sec. 68. RCW 81.104.100 and 1991 c 318 s 9 are each amended to read as follows:

To assure development of an effective high capacity transportation system, local authorities shall follow the following planning process:

(1) Regional, multimodal transportation planning is the ongoing urban transportation planning process conducted in each urbanized area by its regional transportation planning organization. During this process, regional transportation goals are identified, travel patterns are analyzed, and future land use and travel are projected. The process provides a comprehensive view of the region's transportation needs but does not select specified modes to serve those needs. The process shall identify a priority corridor or corridors for further study of high capacity transportation facilities if it is deemed feasible by local officials.

(2) High capacity transportation system planning is the detailed evaluation of a range of high capacity transportation system options, including: Do nothing, low capital, and ranges of higher capital facilities. To the extent possible this evaluation shall take into account the urban mass transportation administration's requirements identified in subsection (3) of this section.

High capacity transportation system planning shall proceed as follows:

(a) Organization and management. The responsible local transit agency or agencies shall define roles for various local agencies, review background information, provide for public involvement, and develop a detailed work plan for the system planning process.

(b) Development of options. Options to be studied shall be developed to ensure an appropriate range of technologies and service policies can be evaluated. A do-nothing option and a low capital option that maximizes the current system shall be developed. Several higher capital options that consider a range of capital expenditures for several candidate technologies shall be developed.

(c) Analysis methods. The local transit agency shall develop reports describing the analysis and assumptions for the estimation of capital costs, operating and maintenance costs, methods for travel forecasting, a financial plan and an evaluation methodology.

(d) The system plan submitted to the voters pursuant to RCW ((81.04.140)) 81.104.140 shall address, but is not limited to the following issues:

(i) Identification of level and types of high capacity transportation services to be provided;

(ii) A plan of high occupancy vehicle lanes to be constructed;

There being no objection, the Senate resumed consideration of Senate Bill No. 5560, deferred on third reading June 27, 1991.

Debate ensued.

#### POINT OF INQUIRY

Senator Talmadge: "Senator McDonald, you just stated some figures about where this additional enforcement revenue would come. Whose figures are those?"

Senator McDonald: "Those are the Liquor Control Board."

Senator Talmadge: "The thing that I find striking about that is Carter Mitchell who is the chief enforcement officer from the Liquor Control Board came before the Ways and Means Committee and testified that he did not believe that the Liquor Control Board, in its enforcement efforts, would do anything different or enhance beyond that which the Department of Revenue is presently doing. I guess I am wondering how the additional revenue is going to come rolling in as a result of this change of boxes on the management chart."

Senator McDonald: "Well, as you know Senator Talmadge, the responsibility will be an analogous of those that are in the alcohol, tobacco and firearm enforcement responsibility at the federal level. The fiscal note which has been crafted by the Liquor Control Board and signed off by OFM states that the additional costs will be about two point five million dollars for enforcement officers and about three point nine million dollars extra revenue.

"I think, Senator Talmadge, if you look at the enforcement rigor that has taken place under the Department of Revenue, it would tell and it has certainly told me that any additional rigorous adherence to collecting these would yield some additional dollars, and I think it will, and apparently OFM and the Liquor Control Board think so, as well, because that is what the fiscal note says."

Further debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Hayner, I'm curious and I don't quite understand it. The Constitution provides that the Governor shall enforce the laws of the state of Washington. The Liquor Board is under the Governor; the Revenue Department is under the Governor. How can you assume that one department under the Governor will work better than the Revenue Department which is under the Governor--both appointees of the Governor--and if they do not enforce the law, the Governor's charge, it is his constitutional responsibility, to see that the laws are enforced. Now, what's the difference?"

Senator Hayner: "The Liquor Board has appeared before the Ways and Means Committee and indicated that they would enforce it."

Senator Rasmussen: "That's why I am curious. The Revenue Department has said they will not enforce it and the Liquor Board will--they are both under the Governor. Explain the difference. Are you going to defer to Senator McDonald? Can you answer that question? Would both departments--one refuses to enforce the law and the other one says they will. Why haven't some heads fallen in the department heads there?"

#### REMARKS BY SENATOR McDONALD

Senator McDonald: "Well, Senator Rasmussen, you know that has been at the pleasure of the Governor. The Liquor Control Board, although appointed by the Governor, is under the commissioners appointed by the Governor. They are independent of the Governor to the extent that any board

that he appoints is independent. We do know that the Liquor Control Board has enforcement officers with police rights. The Revenue Department does not have that. I am confident that with that additional responsibility that we can and should collect those revenues and I think this bill is a reflection of that."

Senator Rasmussen: "Senator McDonald, clear up one more thing, you said that the Revenue Department does not have police powers? Most people find them on their tail and discover that they do have police powers."

Senator McDonald: "They do not have enforcement officers as the Liquor Control Board does and I just once again draw the analogy between this--alcohol, tobacco and firearms department, which is part of the federal government. They have both tobacco and alcohol under their responsibility. I think it is a system that works and will work in this state as well."

#### POINT OF INQUIRY

Senator Madsen: "Senator Talmadge, Senator McDonald just said that one of the key factors here why the Liquor Board should handle this tax collection, versus the Department of Revenue, is the police powers of the Liquor Board. Can you explain to me what that means?"

Senator Talmadge: "I'm not certain that there are any different sets of authority in terms of police powers conferred upon the Liquor Control Board that would be available to agents of the Department of Revenue or the Washington State Patrol. My understanding is that those police powers are essentially identical and that the Liquor Control Board, though it can enforce liquor laws with its agents, the Department of Revenue has enforced the cigarette tax with its agents and with the Washington State Patrol. I don't see that there is any difference at all."

Senator Madsen: "Just one further question, Senator Talmadge. If what you say is correct, what is the advantage of this shift, other than it appears to gain on paper one point eight or one point nine million dollars, what is the advantage to the taxpayers of the state of Washington?"

Senator Talmadge: "I have some difficulty discerning what the advantage is because, quite frankly the people from the Liquor Control Board testified that they are going to encounter the same difficulty as the people from the Department of Revenue enforcing the law--that is the military reservations, the Indian reservations and the other long-standing enforcement problems--that existed with respect to the cigarette tax. They don't have any different, that I can see, availability of man power than does the Department of Revenue, so I'm not sure where this additional money is going to come from."

The President declared the question before the Senate to be the roll call on the final passage of Senate Bill No. 5560.

Restricting eligibility for general assistance unemployable.

## MOTIONS

On motion of Senator Newhouse, the rules were suspended and Senate Bill No. 5959 was returned to second reading and read the second time.

On motion of Senator McDonald, the following amendment by Senator West was adopted:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 74.04.005 and 1991 c 126 s 1 are each amended to read as follows:

For the purposes of this title, unless the context indicates otherwise, the following definitions shall apply:

(1) "Public assistance" or "assistance"--Public aid to persons in need thereof for any cause, including services, medical care, assistance grants, disbursing orders, work relief, general assistance and federal-aid assistance.

(2) "Department"--The department of social and health services.

(3) "County or local office"--The administrative office for one or more counties or designated service areas.

(4) "Director" or "secretary" means the secretary of social and health services.

(5) "Federal-aid assistance"--The specific categories of assistance for which provision is made in any federal law existing or hereafter passed by which payments are made from the federal government to the state in aid or in respect to payment by the state for public assistance rendered to any category of needy persons for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(6)(a) "General assistance"--Aid to persons in need who:

(i) Are not eligible to receive federal-aid assistance, other than food stamps and medical assistance; however, an individual who refuses or fails to cooperate in obtaining federal-aid assistance, without good cause, is not eligible for general assistance;

(ii) Are either:

(A) Pregnant: PROVIDED, That need is based on the current income and resource requirements of the federal aid to families with dependent children program: PROVIDED FURTHER, That during any period in which an aid for dependent children employable program is not in operation, only those pregnant women who are categorically eligible for medicaid are eligible for general assistance; or

(B) Incapacitated from gainful employment by reason of bodily or mental infirmity that will likely continue for a minimum of (~~sixty~~) ninety days as determined by the department. Persons who are unemployable due to alcohol or drug addiction are not eligible for general assistance. Persons receiving general assistance on July 26, 1987, or becoming eligible for such assistance thereafter, due to an alcohol or drug-related incapacity, shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals shall be made at the time of application or at the time of eligibility review. Alcoholic and drug addicted clients who are receiving general assistance on July 26, 1987, may remain on general assistance if they otherwise retain their eligibility until they are assessed for services under chapter 74.50 RCW. This subsection (6)(a)(ii)(B) shall not be construed to prohibit the department from granting general assistance benefits to alcoholics and drug addicts who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for the general assistance program;

(iii) Are citizens or aliens lawfully admitted for permanent residence or otherwise residing in the United States under color of law; and

(iv) Have furnished the department their social security account number. If the social security account number cannot be furnished because it has not been issued or is not known, an application for a number shall be made prior to authorization of assistance, and the social security number shall be provided to the department upon receipt.

(b) Notwithstanding the provisions of subsection (6)(a)(i), (ii), and (c) of this section, general assistance shall be provided to the following recipients of federal-aid assistance:

(i) Recipients of supplemental security income whose need, as defined in this section, is not met by such supplemental security income grant because of separation from a spouse; or

(ii) To the extent authorized by the legislature in the biennial appropriations act, to recipients of aid to families with dependent children whose needs are not being met because of a temporary reduction in monthly income below the entitled benefit payment level caused by loss or reduction of wages or unemployment compensation benefits or some other unforeseen circumstances. The amount of general assistance authorized shall not exceed the difference between the entitled benefit payment level and the amount of income actually received.

(c) General assistance shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in subsection (6)(a)(ii)(A) and (b) of this section, and will accept available services which can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse. Failure to accept such services shall result in termination until the person agrees to cooperate in accepting such services and subject to the following maximum periods of ineligibility after reapplication:

(i) First failure: One week;

(ii) Second failure within six months: One month;

(iii) Third and subsequent failure within one year: Two months.

(d) The department shall adopt by rule medical criteria for general assistance eligibility to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information.

(e) The process implementing the medical criteria shall involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(f) Recipients of general assistance based upon a finding of incapacity from gainful employment who remain otherwise eligible shall not have their benefits terminated absent a clear showing of material improvement in their medical or mental condition or specific error in the prior determination that found the recipient eligible by reason of incapacitation. Recipients of general assistance based upon pregnancy who relinquish their child for adoption, remain otherwise eligible, and are not eligible to receive benefits under the federal aid to families with dependent children program shall not have their benefits terminated until the end of the month in which the period of six weeks following the birth of the recipient's child falls. Recipients of the federal aid to families with dependent children program who lose their eligibility solely because of the birth and relinquishment of the qualifying child may receive general assistance through the end of the month in which the period of six weeks following the birth of the child falls.

(7) "Applicant"--Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(8) "Recipient"--Any person receiving assistance and in addition those dependents whose needs are included in the recipient's assistance.

(9) "Standards of assistance"--The level of income required by an applicant or recipient to maintain a level of living specified by the department.

(10) "Resource"--Any asset, tangible or intangible, owned by or available to the applicant at the time of application, which can be applied toward meeting the applicant's need, either directly or by conversion into money or its equivalent: PROVIDED, That an applicant may retain the following described resources and not be ineligible for public assistance because of such resources.

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by and useful to the applicant. Whenever a recipient shall cease to use such property for residential purposes, either for himself or his dependents, the property shall be considered as a resource which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons or a natural disaster, shall raise a rebuttable presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as a resource which can be made available to meet need.

(b) Household furnishings and personal effects and other personal property having great sentimental value to the applicant or recipient, as limited by the department consistent with limitations on resources and exemptions for federal aid assistance.

(c) A motor vehicle, other than a motor home, used and useful having an equity value not to exceed one thousand five hundred dollars.

(d) All other resources, including any excess of values exempted, not to exceed one thousand dollars or other limit as set by the department, to be consistent with limitations on resources and exemptions necessary for federal aid assistance.

(e) Applicants for or recipients of general assistance may retain the following described resources in addition to exemption for a motor vehicle or home and not be ineligible for public assistance because of such resources:

(i) Household furnishings, personal effects, and other personal property having great sentimental value to the applicant or recipient;

(ii) Term and burial insurance for use of the applicant or recipient;

(iii) Life insurance having a cash surrender value not exceeding one thousand five hundred dollars; and

(iv) Cash, marketable securities, and any excess of values above one thousand five hundred dollars equity in a vehicle and above one thousand five hundred dollars in cash surrender value of life insurance, not exceeding one thousand five hundred dollars for a single person or two thousand two hundred fifty dollars for a family unit of two or more. The one thousand dollar limit in subsection (10)(d) of this section does not apply to recipients of or applicants for general assistance.

(f) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance for a period not to exceed nine months from the date the agreement is signed pursuant to this section to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property: PROVIDED, That:

(A) The applicant or recipient signs an agreement to repay the lesser of the amount of aid received or the net proceeds of such sale;

(B) If the owner of the excess property ceases to make good faith efforts to sell the property, the entire amount of assistance may become an overpayment and a debt due the state and may be recovered pursuant to RCW 43.20B.630;

(C) Applicants and recipients are advised of their right to a fair hearing and afforded the opportunity to challenge a decision that good faith efforts to sell have ceased, prior to assessment of an overpayment under this section; and

(D) At the time assistance is authorized, the department files a lien without a sum certain on the specific property.

(11) "Income"--(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance. The department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance. In determining the amount of assistance to which an applicant or recipient of aid to families with dependent children is entitled, the department is hereby authorized to disregard as a resource or income the earned income exemptions consistent with federal requirements. The department may permit the above exemption of earnings of a child to be retained by such child to cover the cost of special future identifiable needs even though the total exceeds the exemptions or resources granted to applicants and recipients of public assistance, but consistent with federal requirements. In formulating rules and regulations pursuant to this chapter, the department shall define income and resources and the availability thereof, consistent with federal requirements. All resources and income not specifically exempted, and any income or other economic benefit derived from the use of, or appreciation in value of, exempt resources, shall be considered in determining the need of an applicant or recipient of public assistance.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(12) "Need"--The difference between the applicant's or recipient's standards of assistance for himself and the dependent members of his family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his family.

(13) For purposes of determining eligibility for public assistance and participation levels in the cost of medical care, the department shall exempt restitution payments made to people of Japanese and Aleut ancestry pursuant to the Civil Liberties Act of 1988 and the Aleutian and Pribilof Island Restitution Act passed by congress, P.L. 100-383, including all income and resources derived therefrom.

(14) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

NEW SECTION. Sec. 2. RCW 74.04.660 and 1989 c 11 s 26, 1985 c 335 s 3, & 1981 1st ex.s. c 6 s 6 are each repealed.

NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1991.

On page 1, line 1 of the title, after "assistance;" strike the remainder of the title and insert "amending RCW 74.04.005; repealing RCW 74.04.660; providing an effective date; and declaring an emergency."

Senator McDonald: "No, I can't give you that number, Senator Talmadge. Obviously, some will be affected, but this is something that was recommended to us by the Governor two years ago. ## MOTION

Senator von Reichbauer moved that the following amendment be adopted:  
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter is intended to provide the exclusive source of local government entity authority to individually or jointly self-insure risks, jointly purchase insurance or reinsurance, and to contract for risk management, claims, and administrative services. This chapter shall be liberally construed to grant local government entities maximum flexibility in self-insuring to the extent the self-insurance programs are operated in a safe and sound manner. This chapter is intended to require prior approval for the establishment of every individual local government self-insured employee health and welfare benefit program and every joint local government self-insurance program. In addition, this chapter is intended to require every local government entity that establishes a self-insurance program not subject to prior approval to notify the state of the existence of the program and to comply with the regulatory and statutory standards governing the management and operation of the programs as provided in this chapter. This chapter is not intended to authorize or regulate self-insurance of unemployment compensation under chapter 50.44 RCW, or industrial insurance under chapter 51.14 RCW.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Local government entity" or "entity" means every unit of local government, both general purpose and special purpose, and includes, but is not limited to, counties, cities, towns, port districts, public utility districts, water districts, sewer districts, school districts, fire protection districts, irrigation districts, metropolitan municipal corporations, conservation districts, and other political subdivisions, governmental subdivisions, municipal corporations, and quasi-municipal corporations.

(2) "Risk assumption" means a decision to absorb the entity's financial exposure to a risk of loss without the creation of a formal program of advance funding of anticipated losses.

(3) "Self-insurance" means a formal program of advance funding and management of entity financial exposure to a risk of loss that is not transferred through the purchase of an insurance policy or contract.

(4) "Health and welfare benefits" means a plan or program established by a local government entity or entities for the purpose of providing its employees and their dependents, and in the case of school districts, its district employees, students, directors, or any of their dependents, with health care, accident, disability, death, and salary protection benefits.

(5) "Property and liability risks" includes the risk of property damage or loss sustained by a local government entity and the risk of claims arising from the tortious or negligent conduct or any error or omission of the local government entity, its officers, employees, agents, or volunteers as a result of which a claim may be made against the local government entity.

(6) "State risk manager" means the state risk manager of the division of risk management within the department of general administration.

NEW SECTION. Sec. 3. (1) The governing body of a local government entity may individually self-insure, may join or form a self-insurance program together with other entities, and may jointly purchase insurance or reinsurance with other entities for property and liability risks, and health and welfare benefits only as permitted under this chapter. In addition, the entity or entities may contract for or hire personnel to provide risk management, claims, and administrative services in accordance with this chapter.

(2) The agreement to form a joint self-insurance program shall be made under chapter 39.34 RCW.

(3) Every individual and joint self-insurance program is subject to audit by the state auditor.

(4) If provided for in the agreement or contract established under chapter 39.34 RCW, a joint self-insurance program may, in conformance with this chapter:

(a) Contract or otherwise provide for risk management and loss control services;

(b) Contract or otherwise provide legal counsel for the defense of claims and other legal services;

(c) Consult with the state insurance commissioner and the state risk manager;

(d) Jointly purchase insurance and reinsurance coverage in such form and amount as the program's participants agree by contract; and

(e) Possess any other powers and perform all other functions reasonably necessary to carry out the purposes of this chapter.

(5) A local government entity that has decided to assume a risk of loss must have available for inspection by the state auditor a written report indicating the class of risk or risks the governing body of the entity has decided to assume.

(6) Every joint self-insurance program governed by this chapter shall appoint the risk manager as its attorney to receive service of, and upon whom shall be served, all legal process issued against it in this state upon causes of action arising in this state.

(a) Service upon the risk manager as attorney shall constitute service upon the program. Service upon joint insurance programs subject to this act can be had only by service upon the risk manager. At the time of service, the plaintiff shall pay to the risk manager a fee to be set by the risk manager, taxable as costs in the action.

(b) With the initial filing for approval with the risk manager, each joint self-insurance program shall designate by name and address the person to whom the risk manager shall forward legal process so served upon him or her. The joint self-insurance program may change such person by filing a new designation.

(c) The appointment of the risk manager as attorney shall be irrevocable, shall bind any successor in interest or to the assets or liabilities of the joint self-insurance program, and shall remain in effect as long as there is in force in this state any contract made by the joint self-insurance program or liabilities or duties arising therefrom.

(d) The risk manager shall keep a record of the day and hour of service upon him or her of all legal process. A copy of the process, by registered mail with return receipt requested, shall be sent by the risk manager, to the person designated for the purpose by the joint self-insurance program in its most recent such designation filed with the risk manager. No proceedings shall be had against the joint self-insurance program, and the program shall not be required to appear, plead, or answer, until the expiration of forty days after the date of service upon the risk manager.

**NEW SECTION. Sec. 4.** (1) The property and liability advisory board is created, consisting of the insurance commissioner and the state risk manager, or their designees, as ex officio members and five members appointed by the governor on the basis of their experience and knowledge in matters pertaining to local government risk management, self-insurance, and management of joint self-insurance programs. The entity or entities proposing creation of a self-insurance program requiring prior approval shall submit a plan of management and operation to the state risk manager and the state auditor that provides at least the following information:

(11) A professional analysis of the feasibility of creation and maintenance of the program; and

(12) Any other information required by rule of the state risk manager that is necessary to determine the probable financial and management success of the program or that is necessary to determine compliance with this chapter.

**NEW SECTION. Sec. 8.** A local government entity may participate in a joint self-insurance program covering property or liability risks with similar local government entities from other states if the program satisfies the following requirements:

(1) Only those local government entities of this state and similar entities of other states that are provided insurance by the program may have ownership interest in the program;

(2) The participating local government entities of this state and other states shall elect a board of directors to manage the program, a majority of whom shall be affiliated with one or more of the participating entities;

(3) The program must provide coverage through the delivery to each participating entity of one or more written policies effecting insurance of covered risks;

(4) The program shall be financed, including the payment of premiums and the contribution of initial capital, in accordance with the plan of management and operation submitted to the state risk manager in accordance with this chapter;

(5) The financial statements of the program shall be audited annually by the certified public accountants for the program, and such audited financial statements shall be delivered to the Washington state auditor and the state risk manager not more than one hundred twenty days after the end of each fiscal year of the program;

(6) The investments of the program shall be initiated only with financial institutions and/or broker-dealers doing business in those states in which participating entities are located, and such investments shall be audited annually by the certified public accountants for the program, and a list of such investments shall be delivered

to the Washington state auditor not more than one hundred twenty days after the end of each fiscal year of the program;

(7) The treasurer of a multistate joint self-insurance program shall be designated by resolution of the program and such treasurer shall be located in the state of one of the participating entities;

(8) The participating entities may have no contingent liabilities for covered claims, other than liabilities for unpaid premiums, retrospective premiums, or assessments, if assets of the program are insufficient to cover the program's liabilities; and

(9) The program shall obtain approval from the state risk manager in accordance with this chapter and shall remain in compliance with the provisions of this chapter, except to the extent that such provisions are modified by or inconsistent with this section.

**NEW SECTION. Sec. 9.** (1) Within one hundred twenty days of receipt of a plan of management and operation, the state risk manager shall either approve or disapprove the formation of the self-insurance program after reviewing the plan to determine whether the proposed program complies with this chapter and all rules adopted in accordance with this chapter.

(2) If the state risk manager denies a request for approval, the state risk manager shall specify in detail the reasons for denial and the manner in which the program fails to meet the requirements of this chapter or any rules adopted in accordance with this chapter.

(3) Whenever the state risk manager determines that a joint self-insurance program covering property or liability risks or an individual or joint self-insured health and welfare benefits program is in violation of this chapter or is operating in an unsafe financial condition, the state risk manager may issue and serve upon the program an order to cease and desist from the violation or practice.

(a) The state risk manager shall deliver the order to the appropriate entity or entities directly or mail it to the appropriate entity or entities by registered mail with return receipt requested.

(b) If the program violates the order or has not taken steps to comply with the order after the expiration of twenty days after the cease and desist order has been received by the program, the program is deemed to be operating in violation of this chapter, and the state risk manager shall notify the state auditor and the attorney general of the violation.

(c) After hearing or with the consent of a program governed by this chapter and in addition to or in lieu of a continuation of the cease and desist order, the risk manager may levy a fine upon the program in an amount not less than three hundred dollars and not more than ten thousand dollars. The order levying such fine shall specify the period within which the fine shall be fully paid. The period within which such fines shall be paid shall not be less than fifteen nor more than thirty days from the date of such order. Upon failure to pay any such fine when due the risk manager shall request the attorney general to bring a civil action on the risk manager's behalf to collect the fine. The risk manager shall pay any fine so collected to the state treasurer for the account of the general fund.

(4) Each self-insurance program approved by the state risk manager shall annually file a report with the state risk manager and state auditor providing:

(b) Copies of all the insurance coverage documents;

(c) A description of the program structure, including participants' retention, program retention, and excess insurance limits and attachment point;

(d) An actuarial analysis, if required;

(e) A list of contractors and service providers;

(f) The financial and loss experience of the program; and

(g) Such other information as required by rule of the state risk manager.

(5) No self-insurance program requiring the state risk manager's approval may engage in an act or practice that in any respect significantly differs from the management and operation plan that formed the basis for the state risk manager's approval of the program unless the program first notifies the state risk manager in writing and obtains the state risk manager's approval. The state risk manager shall approve or disapprove the proposed change within sixty days of receipt of the notice. If the state risk manager denies a requested change, the risk manager shall specify in detail the reasons for denial and the manner in which the program would fail to meet the requirements of this chapter or any rules adopted in accordance with this chapter.

**NEW SECTION. Sec. 10.** (1) All self-insurance programs governed by this chapter may provide for executive sessions in accordance with chapter 42.30 RCW to consider litigation and settlement of claims when it appears that public discussion of these matters would impair the program's ability to conduct its business effectively.

(2) Notwithstanding any provision to the contrary contained in the public disclosure act, chapter 42.17 RCW, in a claim or action against the state or a local government entity, no person is entitled to discover that portion of any funds or liability reserve established for purposes of satisfying a claim or cause of action, except that the reserve is discoverable in a supplemental or ancillary proceeding to enforce a judgment. All other records of individual or joint self-insurance programs are subject to disclosure in accordance with chapter 42.17 RCW.

(3) In accordance with chapter 42.17 RCW, bargaining groups representing local government employees shall have reasonable access to information concerning the experience and performance of any health and welfare benefits program established for the benefit of such employees.

**NEW SECTION. Sec. 11.** (1) The assets of a joint self-insurance program governed by this chapter may be invested only in accordance with the general investment authority that participating local government entities possess as a governmental entity.

(2) Except as provided in subsection (3) of this section, a joint self-insurance program may invest all or a portion of its assets by depositing the assets with the treasurer of a county within whose territorial limits any of its member local government entities lie, to be invested by the treasurer for the joint program.

(3) Local government members of a joint self-insurance program may by resolution of the program designate some other person having experience in financial or fiscal matters as treasurer of the program, if that designated treasurer is located in Washington state. The program shall, unless the program's treasurer is a county treasurer, require a bond obtained from a surety company authorized to do business in Washington in an amount and under the terms and conditions that the program finds will protect against loss arising from mismanagement or malfeasance in investing and managing program funds. The program may pay the premium on the bond.

All program funds must be paid to the treasurer and shall be disbursed by the treasurer only on warrants issued by the treasurer or a person appointed by the program and upon orders or vouchers approved by the program or as authorized under chapters 35A.40 and 42.24 RCW. The treasurer shall establish a program account, into which shall be recorded all program funds, and the treasurer shall maintain such special accounts as may be created by the program into which the treasurer shall record all money as the program may direct by resolution.

(4) The treasurer of the joint program shall deposit all program funds in a qualified public depository or depositories as defined in RCW 39.58.010(2) and under the same restrictions, contracts, and security as provided for any participating local government entity, and such depository shall be designated by resolution of the program.

(5) A joint self-insurance program may invest all or a portion of its assets by depositing the assets with the state investment board, to be invested by the state investment board in accordance with chapter 43.33A RCW. The state investment board shall designate a manager for those funds to whom the program may direct requests for disbursement upon orders or vouchers approved by the program or as authorized under chapters 35A.40 and 42.24 RCW.

(6) All interest and earnings collected on joint program funds belong to the program and must be deposited to the program's credit in the proper program account.

(7) A joint program may require a reasonable bond from any person handling money or securities of the program and may pay the premium for the bond.

(8) Subsections (3) and (4) of this section do not apply to a multistate joint self-insurance program governed by section 8 of this act.

**NEW SECTION. Sec. 12.** (1) No employee or official of a local government entity may directly or indirectly receive anything of value for services rendered in connection with the operation and management of a self-insurance program other than the salary and benefits provided by his or her employer or the reimbursement of expenses reasonably incurred in furtherance of the operation or management of the program. No employee or official of a local government entity may accept or solicit anything of value for personal benefit or for the benefit of others under circumstances in which it can be reasonably inferred that the employee's or official's independence of judgment is impaired with respect to the management and operation of the program.

(2) No local government entity may participate in a joint self-insurance program in which local government entities do not retain complete governing control. This prohibition does not apply to local government contribution to a self-insured employee health and welfare benefits plan otherwise authorized and governed by state statute nor to local government participation in a multistate joint program where control is shared with local government entities from other states.

(3) Moneys made available and moneys expended by school districts and educational service districts for self-insurance under this chapter are subject to such rules of the superintendent of public instruction as the superintendent may adopt governing budgeting and accounting. However, the superintendent shall ensure that the rules are consistent with those adopted by the state risk manager for the management and operation of self-insurance programs.

(4) RCW 48.30.140, 48.30.150, 48.30.155, and 48.30.157 apply to the use of agents and brokers by local government self-insurance programs.

(5) Every individual and joint local government self-insured health and welfare benefits program that provides comprehensive coverage for health care services shall include mandated benefits that the state health care authority is required to provide under RCW 41.05.170 and 41.05.180. The state risk manager may adopt rules identifying the mandated benefits.

**NEW SECTION. Sec. 13.** Every local government entity that has established a self-insurance program not subject to the prior approval requirements of this chapter shall provide written notice to the state auditor of the existence of the program. The notice must identify the manager of the program and the class or classes of risk self-insured. The notice must also identify all investments and distribution of assets of the program, the current depository of assets and the program's designation of asset depository and investment agent as required by section 11 of this act. In addition, the local government entity shall notify the state auditor whenever the program covers a new class of risk or discontinues the self-insurance of a class of risk.

**NEW SECTION. Sec. 14.** Every joint self-insurance program covering liability or property risks, excluding multistate programs governed by section 8 of this act, shall provide for the contingent liability of participants in the program if assets of the program are insufficient to cover the program's liabilities.

**NEW SECTION. Sec. 15.** A joint self-insurance program approved in accordance with this chapter is exempt from insurance premium taxes, from fees assessed under chapter 48.02 RCW, from chapters 48.32 and 48.32A RCW, from business and occupations taxes imposed under chapter 82.04 RCW, and from any assigned risk plan or joint underwriting association otherwise required by law. This section does not apply to and no exemption is provided for insurance companies issuing policies to cover program risks, nor does it apply to or provide an exemption for third-party administrators or brokers serving the self-insurance program.

**NEW SECTION. Sec. 16.** (1) The state risk manager shall establish and charge an investigation fee in an amount necessary to cover the costs for the initial review and approval of a self-insurance program. The fee must accompany the initial submission of the plan of operation and management.

(2) The costs of subsequent reviews and investigations shall be charged to the self-insurance program being reviewed or investigated in accordance with the actual time and expenses incurred in the review or investigation.

(3) After the formation of the two advisory boards, each board may calculate, levy, and collect from each joint property and liability self-insurance program and each individual and joint health and welfare benefit program regulated by this chapter a start-up assessment to pay initial expenses and operating costs of the boards and the risk manager's office in administering this chapter. Any program failing to remit its assessment when due is subject to denial of permission to operate or to a cease and desist order until the assessment is paid.

**NEW SECTION. Sec. 17.** (1) Any person who files reports or furnishes other information required under Title 48 RCW, required by the risk manager or the state auditor under authority granted by Title 48 RCW, or which is useful to the risk manager or the state auditor in the administration of Title 48 RCW, shall be immune from liability in any civil action or suit arising from the filing of any such report or furnishing such information to the risk manager or to the state auditor, unless actual malice, fraud, or bad faith is shown.

(2) The risk manager and the state auditor, and the agents and employees of each, are immune from liability in any civil action or suit arising from the publication of any report or bulletins or arising from dissemination of information related to the official activities of the risk manager, the advisory boards, or the state auditor, unless actual malice, fraud, or bad faith is shown.

(3) The immunity granted by this section is in addition to any common law or statutory privilege or immunity enjoyed by such person, and nothing in this section is intended to abrogate or modify in any way such common law or statutory privilege or immunity.

**Sec. 18.** RCW 41.04.180 and 1974 ex.s. c 82 s 1 are each amended to read as follows:

Any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body may, whenever funds shall be available for that purpose provide for all or a part of hospitalization and medical aid for its employees and their dependents through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW or self-insurers as provided for in chapter ((48.52)) 48.62 RCW, for group hospitalization and medical aid policies or plans: PROVIDED, That any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body shall provide the employees thereof a choice of policies or plans through contracts with not less than two regularly constituted insurance carriers or health care service contractors or other health care plans, including but not limited to, trusts of self-insurance as provided for in chapter ((48.52)) 48.62 RCW: AND PROVIDED FURTHER, That any county may provide such hospitalization and medical aid to county elected officials and their dependents on the

same basis as such hospitalization and medical aid is provided to other county employees and their dependents: PROVIDED FURTHER, That provision for school district personnel shall not be made under this section but shall be as provided for in RCW 28A.400.350.

Sec. 19. RCW 35.23.460 and 1965 c 7 s 35.23.460 are each amended to read as follows:

Subject to chapter 48.62 RCW, any city of the second or third class or town may contract with an insurance company authorized to do business in this state to provide group insurance for its employees including group false arrest insurance for its law enforcement personnel, and pursuant thereto may use a portion of its revenues to pay an employer's portion of the premium for such insurance, and may make deductions from the payrolls of employees for the amount of the employees' contribution and may apply the amount deducted in payment of the employees' portion of the premium.

Sec. 20. RCW 35A.41.020 and 1983 c 3 s 66 are each amended to read as follows:

Any code city may retain any civil service system theretofore in effect in such city and may adopt any system of civil service which would be available to any class of city under general law.

Sec. 21. RCW 36.32.400 and 1975-'76 2nd ex.s. c 106 s 7 are each amended to read as follows:

Subject to chapter 48.62 RCW, any county by a majority vote of its board of county commissioners may enter into contracts to provide health care services and/or group insurance for the benefit of its employees, and may pay all or any part of the cost thereof. Any two or more counties, by a majority vote of their respective boards of county commissioners may, if deemed expedient, join in the procuring of such health care services and/or group insurance, and the board of county commissioners of each participating county may, by appropriate resolution, authorize their respective counties to pay all or any portion of the cost thereof.

Nothing in this section shall impair the eligibility of any employee of a county, municipality, or other political subdivision under RCW 41.04.205.

Sec. 22. RCW 53.08.170 and 1987 c 50 s 1 are each amended to read as follows:

The port commission shall have authority to create and fill positions, to fix wages, salaries and bonds thereof, to pay costs and assessments involved in securing or arranging to secure employees, and to establish such benefits for employees, including holiday pay, vacations or vacation pay, retirement and pension benefits, medical, surgical or hospital care, life, accident, or health disability insurance, and similar benefits, already established by other employers of similar employees, as the port commissioner shall by resolution provide: PROVIDED, That any district providing insurance benefits for its employees in any manner whatsoever may provide health and accident insurance, life insurance with coverage not to exceed that provided district employees, and business related travel, liability, and errors and omissions insurance, for its commissioners, which insurance shall not be considered to be compensation.

Subject to chapter 48.62 RCW, the port commission shall have authority to provide or pay such benefits directly, or to provide for such benefits by the purchase of insurance policies or entering into contracts with and compensating any person, firm, agency or organization furnishing such benefits, or by making contributions to vacation

plans or funds, or health and welfare plans and funds, or pension plans or funds, or similar plans or funds, already established by other employers of similar employees and in which the port district is permitted to participate for particular classifications of its employees by the trustees or other persons responsible for the administration of such established plans or funds: PROVIDED FURTHER, That no port district employee shall be allowed to apply for admission to or be accepted as a member of the state employees' retirement system after January 1, 1965, if admission to such system would result in coverage under both a private pension system and the state employees' retirement system, it being the purpose of this proviso that port districts shall not at the same time contribute for any employee to both a private pension or retirement plan and to the state employees' retirement system. The port commission shall have authority by resolution to utilize and compensate agents for the purpose of paying, in the name and by the check of such agent or agents or otherwise, wages, salaries and other benefits to employees, or particular classifications thereof, and for the purpose of withholding payroll taxes and paying over tax moneys so withheld to appropriate government agencies, on a combined basis with the wages, salaries, benefits, or taxes of other employers or otherwise; to enter into such contracts and arrangements with and to transfer by warrant such funds from time to time to any such agent or agents so appointed as are necessary to accomplish such salary, wage, benefit, or tax payments as though the port district were a private employer, notwithstanding any other provision of the law to the contrary. The funds of a port district transferred to such an agent or agents for the payment of wages or salaries of its employees in the name or by the check of such agent or agents shall be subject to garnishment with respect to salaries or wages so paid, notwithstanding any provision of the law relating to municipal corporations to the contrary.

## REMARKS BY SENATOR McDONALD

Senator McDonald: "Mr. President, I think I am answering Senator Owen and basically the story is that we started out this session with a Governor request bill asking us to raise fees, so that the Weights and Measures Department of Agriculture would be self sufficient. That became controversial

in the committee. Therefore, what we did was appropriate the subsidy or the public purpose of money for only one year. We've asked for a study in this bill and we are presuming that this study will come up with some reasonable way to charge for weights and measures in the next year, so that we can have this budget run without an additional fee. It is not automatic."

The President declared the question before the Senate to be roll call on the final passage of Engrossed Substitute House Bill No. 1856.

### POINT OF INQUIRY

Senator Vognild: "Senator McDonald, I'm trying to read this bill and it is very long. I am a little bit confused; I noticed in a lot of places such as--I just happen to be looking at the Capital Historical Association Museum Funds. It says, 'All earnings of investments of balances in that fund shall be credited to the general fund,' and then that language is stricken. I've noticed it throughout the bill. I thought the intent here was to change the interest--

move the interest to the general fund, but I've noticed throughout the bill that we are striking that language and I would like to know what happens at the end of two years--why the language was stricken and what happens when it sunsets?"

Senator McDonald did not respond.

#### MOTION

On motion of Senator Newhouse, further consideration of Reengrossed Substitute House Bill No. 1058 was deferred.

(2) The commission may expend moneys from this appropriation for acquisition of the Skykomish river property under subsection (1)(n) of this section only to the extent that moneys remain available after the commission has made all reasonable efforts to acquire the other properties identified in this subsection.

(3) To achieve the purposes of this section, intergrant exchanges between common school trust lands and parcels of noncommon school trust lands shall occur on an equal-value basis.

(4) Proceeds from the transfer of the timber shall be deposited by the department in the same manner as timber revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040. The proceeds from the transfer of the land shall be used by the department to acquire timber land of equal value to be managed as common school trust land and to maintain a sustainable yield.

(5) The department shall attempt to maintain an aggregate ratio of approximately 85:15 timber-to-land value in these transactions. If the aggregate value of timber-to-land varies by more than plus or minus five percent of that ratio, individual land acquisitions may be dropped in order to maintain the approximate ratio.

(6) It is the intent of the legislature that, insofar as feasible, the full parcels identified in subsection (1) of this section be acquired for park purposes. However, to the extent authorized by the commission, the boundaries of the Diamond Point property under subsection (1)(m) of this section may vary from the property boundaries as described in the joint study conducted by the commission and the department under section 4, chapter 163, Laws of 1985.

**NEW SECTION. Sec. 48. FOR THE ARTS COMMISSION--ART WORK ALLOWANCE POOLING.**

One-half of one percent of moneys appropriated in this act for original construction of school plant facilities is provided solely for the purposes of RCW 28A.335.210. One-half of one percent of moneys appropriated in this act for original construction of any building by any college or university or for any major renovation or remodel work exceeding \$200,000 by any college or university is provided solely for the purposes of RCW 28B.10.027. One-half of one percent of moneys appropriated in this act for original construction of any other public building by a state agency as defined by RCW 43.17.200 is provided solely for the purposes of RCW 43.17.200.

**NEW SECTION. Sec. 49.** The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

**NEW SECTION. Sec. 50.** "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining June 30, 1991, in the 1989-91 biennial appropriations for each project.

**NEW SECTION. Sec. 51.** To carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

**NEW SECTION. Sec. 52.** As part of the annual update to the State Facilities and Capital Plan, agencies shall provide information on lease development and lease purchase projects to the office of financial management.

**NEW SECTION. Sec. 53.** If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the

moneys were appropriated may replace the federal moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate committee on ways and means and the house of representatives committee on capital facilities and financing.

**NEW SECTION. Sec. 54.** Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditure of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs. This section shall not apply to section 12(5) of this act.

**NEW SECTION. Sec. 55.** Notwithstanding any other provisions of law, for the 1991-93 biennium, transfers of reimbursement by the state treasurer to the general fund from the community college capital projects account for debt service payments made under Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

**NEW SECTION. Sec. 56.** Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards before allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

**NEW SECTION. Sec. 57.** The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account.

For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if (1) the project as defined in the notes to the budget document is substantially complete and there are funds remaining or (2) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated herein.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section except emergency projects or any transfer under \$250,000 shall be filed with the legislative fiscal committees of the senate and house of representatives by the director of financial management at least thirty days before the date the transfer is effected, and shall report all transfers within thirty days from the date of transfer.

**Sec. 58.** RCW 43.168.110 and 1985 c 164 s 11 are each amended to read as follows:

There is established the Washington state development loan fund which shall be an account in the state treasury. All loan payments of principal and interest which are transferred under RCW 43.168.050 shall be deposited into the account. Moneys in the account may be spent ~~((without))~~ only after legislative appropriation for loans under this chapter. ~~((However,))~~ Any expenditures of these moneys shall conform to federal law.

**NEW SECTION. Sec. 59.** To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act referencing this section shall not be expended until the office of financial management has reviewed the agency's programmatic preplanning document and approved continuation of or made changes to the project. The program preplanning document shall include but not be limited to projected workload, site conditions, user requirements, current space available, and an overall budget and cost estimate breakdown in a form prescribed by the office of financial management. The office of financial management shall report to the house of representatives capital facilities committee, the senate ways and means committee, and the legislative transportation committee a listing of the program documents the office has reviewed and approved, changes made to the documents resulting from the review, and the estimated cost changes resulting from the review.

**NEW SECTION. Sec. 60.** The appropriations in sections 34 through 39 and 44 of this act are subject to the following requirements:

(1) Using a committee that includes one or more students, faculty, and staff with disabilities, each institution of higher education shall identify barriers to physical access on that institution's campuses.

(2) Beginning with its 1993-95 capital budget request, each institution shall incorporate into its capital budget process efforts to reduce physical barriers to access.

**NEW SECTION. Sec. 61.** The department of information services shall act as lead agency in coordinating video telecommunications services for state agencies. As lead agency, the department shall develop standards and common specifications for leased and purchased telecommunications equipment and assist state agencies in developing a video telecommunications expenditure plan. No agency may spend any portion of any appropriation in this act for new video telecommunication equipment, new video telecommunication transmission, or new video telecommunication programming, or for expanding current video telecommunication systems without first complying with chapter 43.105 RCW, including but not limited to RCW 43.105.041(2), and without first submitting a video telecommunications equipment expenditure plan, in accordance with the policies of the department of information services, for review and assessment by the department of information services under RCW 43.105.052. Before any such expenditure by a public school, a video telecommunications expenditure plan shall be approved by the superintendent of public instruction. The office of the superintendent of public instruction shall submit the plans to the department of information services in a form prescribed by the department. The office of the superintendent of public instruction shall submit the plans to the department of information services in a form prescribed by the department. The office of the superintendent of public instruction shall coordinate the use of video telecommunications in public schools by providing educational information to local school districts and shall assist local school districts and educational service districts in telecommunications planning and curriculum development. Before any such expenditure by a public institution of postsecondary education, a telecommunications expenditure plan shall be approved by the higher education coordinating board. The higher education coordinating board shall coordinate the use of video telecommunications for instruction and instructional support in postsecondary education, including the review and approval of instructional telecommunications course offerings.

**"PART 7****SEVERABILITY AND EFFECTIVE DATE"**

NEW SECTION. **Sec. 62.** The appropriations contained in this act are maximum expenditure authorizations. Pursuant to RCW 43.88.037, moneys disbursed from the treasury on the basis of a formalized loan are to be recorded as loans receivable and not as expenditures for accounting purposes. To the extent that moneys are disbursed on a loan basis, the corresponding appropriation shall be reduced by the amount of loan moneys disbursed from the treasury during the 1991-93 biennium.

NEW SECTION. **Sec. 63.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 64.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "budget;" strike the remainder of the title and insert "amending RCW 43.168.110; amending section 208, chapter 12, Laws of 1989 1st ex. sess. (uncodified); making appropriations and authorizing expenditures for the capital improvements; and declaring an emergency.", and that the bill do pass as recommended by the Conference Committee.

Signed by Senators Bluechel, Rinehart and Matson; Representatives H. Sommers and Rasmussen.

**MOTION**

Senator Bluechel moved that the Report of the Conference Committee on Engrossed Substitute House Bill No. 1427 be adopted.

**POINT OF INQUIRY**

Senator Rasmussen: "Senator Bluechel, I found back here in Part Six-Miscellaneous. It says, 'The estimated general fund-state debt service costs related solely to the new capital appropriations within this act are \$26,220,000 during the 1991-93 fiscal period'--a minor amount--but then it says during the 1993-95 fiscal period, that figure jumps up to \$146,400,000 and \$192,200,000 during the 1995-97--out of the general fund to service the debt. Can those figures be correct?"

Senator Bluechel: "Senator Rasmussen, we have a serious problem in this state with the spotted owl situation, as you well know. A hundred twenty million of this debt servicing is coming from bonding the K thru 12 system and that is part of the funds. We simply do not have the same situation existing today that we had four years ago. This Legislature is going to have to face up to the fact of finding another permanent fund source for K thru 12 within a very short few years. Because of the extra population in the state, because of the demand on prisons, on higher education and on K thru 12, primarily, we have a requirement for increased debt service, which will rise

to about nineteen ninety-seven and then decline to where it is today about two thousand and three. That is the graph that we have all been working from."

Senator Rasmussen: "If I heard you correctly, you indicated two hundred and seventy-six million for common school construction which is needed, I agree. Then, we are going to have to service the debt; it is going to cost us a hundred ninety-two million, two hundred thousand. It would seem that maybe that we have more things in this capital budget than what we need--what we could actually get along without and we have thrown everything in but the kitchen sink. I know that there is going to be a two-term limit on legislators and probably that will be a good thing, because the way we are piling up that debt there and servicing it out of the general fund, we are not going to have enough to provide for the school teachers or any of the books that the kids need. A hundred ninety-two million, two hundred thousand in the years nineteen ninety-five-ninety-seven--that is a lot of money coming out of the general fund. It would indicate that we are probably, maybe not equal to the federal government, but trying to catch up and be equal with them and piling up the debt. Thank you. You do agree that the figures are correct, then?"

Senator Bluechel: "Yes, Senator Rasmussen."

Further debate ensued.

The President declared the question before the Senate to be the motion by Senator Bluechel to adopt the Report of the Conference Committee on Engrossed Substitute House Bill No. 1427.

The motion by Senator Bluechel carried and the Report of the Conference Committee on Engrossed Substitute House Bill No. 1427 was adopted.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1427, as recommended by the Conference Committee.

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5149 with the following amendments:

(2) "Ballot proposition" means any "measure" as defined by RCW 29.01.110, or any initiative, recall, or referendum proposition proposed to be submitted to the voters of the state or any municipal corporation, political subdivision, or other voting constituency from and after the time when the proposition has been initially filed with the appropriate election officer of that constituency prior to its circulation for signatures.

(7) "Commission" means the agency established under RCW 42.17.350.

(8) "Compensation" unless the context requires a narrower meaning, includes payment in any form for real or personal property or services of any kind: PROVIDED, That for the purpose of compliance with RCW 42.17.241, the term "compensation" shall not include per diem allowances or other payments made by a governmental entity to reimburse a public official for expenses incurred while the official is engaged in the official business of the governmental entity.

(9) "Continuing political committee" means a political committee that is an organization of continuing existence not established in anticipation of any particular election campaign.

(10) "Contribution" includes a loan, gift, deposit, subscription, forgiveness of indebtedness, donation, advance, pledge, payment, transfer of funds between political committees, or transfer of anything of value, including personal and professional services for less than full consideration, but does not include interest on moneys deposited in a political committee's account, ordinary home hospitality and the rendering of personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid for by the worker. Volunteer services, for the purposes of this chapter, means services or labor for which the individual is not compensated by any person. For the purposes of this chapter, contributions other than money or its equivalents shall be deemed to have a money value equivalent to the fair market value of the contribution. Sums paid for tickets to fund-raising events such as dinners and parties are contributions; however, the amount of any such contribution may be reduced for the purpose of complying with the reporting requirements of this chapter, by the actual cost of consumables furnished in connection with the purchase of the tickets, and only the excess over the actual cost of the consumables shall be deemed a contribution.

(11) "Elected official" means any person elected at a general or special election to any public office, and any person appointed to fill a vacancy in any such office.

The term "expenditure" also includes a promise to pay, a payment, or a transfer of anything of value in exchange for goods, services, property, facilities, or anything of value for the purpose of assisting, benefiting, or honoring any public official or candidate, or assisting in furthering or opposing any election campaign. For the purposes of this chapter, agreements to make expenditures, contracts, and promises to pay may be reported as estimated obligations until actual payment is made. The term "reasonable consideration" refers to the approximate range of consideration that exists in transactions not involving donative intent. However, the value of the gift of partaking in a single hosted reception shall be determined by dividing the total amount of the cost of conducting the reception by the total number of persons partaking in the reception. "Gift" for the purposes of RCW 42.17.170 and section 3 of this 1991 act does not include:

(e) A gift that is not used and that, within thirty days after receipt, is returned to the donor or delivered to a charitable organization. However, this exclusion from the definition does not apply if the recipient of the gift delivers the gift to a charitable organization and claims the delivery as a charitable contribution for tax purposes;

(f) A gift given under circumstances where it is clear beyond any doubt that the gift was not made as part of any design to gain or maintain influence in the governmental entity of which the recipient is an officer or official or with respect to any legislative matter or matters of that governmental entity; or

the adoption or rejection of any rule, standard, rate, or other legislative enactment of any state agency under the state Administrative Procedure Act, chapter 34.05 RCW. Neither "lobby" nor "lobbying" includes an association's or other organization's act of communicating with the members of that association or organization.

In the case of a continuing political committee, "surplus funds" mean those contributions remaining in the possession or control of the committee that are in excess of the amount necessary to pay all remaining debts when it makes its final report under RCW 42.17.065.

((28)) (29) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, and other documents.

As used in this chapter, the singular shall take the plural and any gender, the other, as the context requires.

Sec. 2. RCW 42.17.170 and 1990 c 139 s 3 are each amended to read as follows:

(1) Any lobbyist registered under RCW 42.17.150 and any person who lobbies shall file with the commission periodic reports of his activities signed by the lobbyist. The reports shall be made in the form and manner prescribed by the commission. They shall be due monthly and shall be filed within fifteen days after the last day of the calendar month covered by the report.

(2) Each such monthly periodic report shall contain:

(a) The totals of all expenditures for lobbying activities made or incurred by such lobbyist or on behalf of such lobbyist by the lobbyist's employer during the period covered by the report. Such totals for lobbying activities shall be segregated according to financial category, including compensation; food and refreshments; living accommodations; advertising; travel; contributions; and other expenses or services. Each individual expenditure of more than twenty-five dollars for entertainment shall be identified by date, place, amount, and the names of all persons in the group partaking in or of such entertainment including any portion thereof attributable to the lobbyist's participation therein ((but)), without allocating any portion of such expenditure to individual participants. However, if the expenditure for a single hosted reception is more than one hundred dollars per person partaking therein, the report shall specify the per person amount, which shall be determined by dividing the total amount of the expenditure by the total number of persons partaking in the reception.

Notwithstanding the foregoing, lobbyists are not required to report the following:

(i) Unreimbursed personal living and travel expenses not incurred directly for lobbying;

(ii) Any expenses incurred for his or her own living accommodations;

(iii) Any expenses incurred for his or her own travel to and from hearings of the legislature;

(iv) Any expenses incurred for telephone, and any office expenses, including rent and salaries and wages paid for staff and secretarial assistance.

(b) In the case of a lobbyist employed by more than one employer, the proportionate amount of such expenditures in each category incurred on behalf of each of his employers.

(c) An itemized listing of each such expenditure in the nature of a contribution of money or of tangible or intangible personal property to any candidate, elected official, or officer or employee of any agency, or any political committee supporting or opposing any ballot proposition, or for or on behalf of any candidate, elected official, or officer or employee of any agency, or any political committee supporting or opposing any ballot proposition. All contributions made to, or for the benefit of, any candidate, elected official, or officer or employee of any agency, or any political committee supporting or opposing any ballot proposition shall be identified by date, amount, and the name of the candidate, elected official, or officer or employee of any agency, or any political committee supporting or opposing any ballot proposition receiving, or to be benefited by each such contribution.

(d) The subject matter of proposed legislation or other legislative activity or rule-making under chapter 34.05 RCW, the state Administrative Procedure Act, and the state agency considering the same, which the lobbyist has been engaged in supporting or opposing during the reporting period.

(e) Such other information relevant to lobbying activities as the commission shall by rule prescribe. Information supporting such activities as are required to be reported is subject to audit by the commission.

(f) A listing of each gift, as defined in RCW 42.17.020, made to a state elected official or executive state officer or to a member of the immediate family of such an official or officer. Such a gift shall be separately identified by the date it was given, the approximate value of the gift, and the name of the recipient. However, for a hosted reception where the average per person amount is reported under (a) of this subsection, the approximate value for the gift of partaking in the event is such average per person amount. The commission shall adopt forms to be used for reporting the giving of gifts under this subsection (2)(f). The forms shall be designed to permit a lobbyist to report on a separate form for each recipient the reportable gifts given to that recipient during the reporting period or, alternatively, to report on one form all reportable gifts given by the lobbyist during the reporting period.

(3) If a state elected official or a member of such an official's immediate family is identified by a lobbyist in such a report as having received from the lobbyist a gift, as defined in RCW 42.17.020, the lobbyist shall transmit to the official a copy of the completed form used to identify the gift in the report at the same time the report is filed with the commission.

NEW SECTION. Sec. 3. A new section is added to chapter 42.17 RCW to read as follows:

At the same time that an elected official or executive state officer must file a statement of financial affairs under RCW 42.17.240(1), the official or officer shall file a statement identifying each gift, as defined in RCW 42.17.020, which was received by the official or officer or by a member of his or her immediate family during the previous calendar year. The statement shall apply to that portion of the previous calendar year during which the official or officer held an office or position for which a statement of financial affairs is required under RCW 42.17.240. The statement shall identify the nature of the gift, the date it was received, and the name of the donor. The commission may adopt a form for reporting the receipt of gifts under this section or may incorporate that reporting into the form or forms adopted by the commission for the statement of financial affairs.

Sec. 4. RCW 42.17.243 and 1977 ex.s. c 336 s 5 are each amended to read as follows:

(1) Elected and appointed officials required to report under RCW 42.17.240, shall report for themselves and for members of their immediate family to the commission any contributions received during the preceding calendar year for the officials' use in defraying nonreimbursed public office related expenses. Contributions reported under this section shall be referred to as a "public office fund" and shall not be transferred to a political committee nor used to promote or oppose a candidate or ballot proposition, other than as provided by subsection (3) (a) of this section. ~~((For the purposes of this section contributions shall include reimbursements from or payments by persons, other than the state of Washington or any agency, for travel expenses.))~~ Reimbursements or payments for travel do not constitute contributions for the purposes of this section.

A report shall be filed during the month of January of any year following a year in which such contributions were received for or expenditures made from a public office fund. The report shall include:

- (a) The name and address of each contributor;
- (b) A description of each contribution, including the date on which it was received and its amount or, if its dollar value is unascertainable, an estimate of its fair market value; and
- (c) A description of each expenditure made from a public office fund, including the name and address of the recipient, the amount, and the date of each such expenditure.

(2) No report under subsection (1) of this section shall be required if:

(a) The receipt of the contribution has been reported pursuant to RCW 42.17.065 (continuing political committee reports) or RCW 42.17.090 (political committee reports); or

(b) The contribution is in the form of meals, refreshments, or entertainment given in connection with official appearances or occasions where public business was discussed.

(3) Any funds which remain in a public office fund after all permissible public office related expenses have been paid may only be disposed of in one or more of the following ways:

(a) Returned to a contributor in an amount not to exceed that contributor's original contribution; or

(b) Donated to a charitable organization registered in accordance with chapter 19.09 RCW; or

(c) Transferred to the state treasurer for deposit in the general fund.

**NEW SECTION. Sec. 5.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

### MOTION

Senator Nelson moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 5149.

Debate ensued.

### POINT OF INQUIRY

Senator Rasmussen: "Senator Nelson, if we pass this Engrossed Substitute Senate Bill No. 5149, that will in effect supercede the Senate rule that was adopted by this body?"

Senator Nelson: "No, Senator Rasmussen, at the bar of the Senate there is an amendment to our Senate Rules that basically says that if this bill were to be passed by the Legislature and signed by the Governor, then this legislation would supercede the Senate Rule. You bring up a good question which the PDC and, I'm sure, others within the elected ranks are concerned about, that the Senate has a rule that has quarterly reporting and only applies to us and the staff. There is some feeling on the part of everyone, including the PDC, that the standardization and the approach should be embodied in the statute such as we have now in 5149."

Senator Rasmussen: "Well, that answers my question. This is a better measure which covers all elected officials that aren't covered under the present PDC."

Senator Nelson: "Yes, that is my opinion, Senator Rasmussen."

The President declared the question before the Senate to be the motion by Senator Nelson that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 5149.

The motion by Senator Nelson carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 5149.

MR. PRESIDENT:

The House receded from its amendment(s) to ENGROSSED SUBSTITUTE SENATE BILL NO. 5790 and returned the bill to second reading for the purpose of amending the bill and adopted the following amendments and passed the bill as amended:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 46.30.020 and 1991 c 339 s 24 are each amended to read as follows:

(1)(a) No person may operate a motor vehicle subject to registration under chapter 46.16 RCW in this state unless the person is insured under a motor vehicle liability policy with liability limits of at least the amounts provided in RCW 46.29.090, is self-insured as provided in RCW 46.29.630, is covered by a certificate of deposit in conformance with RCW 46.29.550, or is covered by a liability bond of at least the amounts provided in RCW 46.29.090. Written proof of financial responsibility for motor vehicle operation must be provided on the request of a law enforcement officer in the format specified under RCW 46.30.030.

(b) A person who drives a motor vehicle that is required to be registered in another state that requires drivers and owners of vehicles in that state to maintain insurance or financial responsibility shall, when requested by a law enforcement officer, provide evidence of financial responsibility or insurance as is required by the laws of the state in which the vehicle is registered.

(c) When asked to do so by a law enforcement officer, failure to display an insurance identification card as specified under RCW 46.30.030 creates a presumption that the person does not have motor vehicle insurance.

(d) Failure to provide proof of motor vehicle insurance is a traffic infraction and is subject to penalties as set by the supreme court under RCW 46.63.110 or community service.

~~(2) ((A violation of this section constitutes a traffic infraction punishable by a fine of two hundred and fifty dollars unless a court determines that in the interest of justice the fine should be reduced. In lieu of the fine, a court may permit the defendant to perform community service designated by the court.~~

(3)) If a person cited for a violation of subsection (1) of this section appears in person before the court and provides written evidence that at the time the person was cited, he or she was in compliance with the financial responsibility requirements of subsection (1) of this section, the citation shall be dismissed. In lieu of personal appearance, a person cited for a violation of subsection (1) of this section may, before the date scheduled for the person's appearance before the court, submit by mail to the court written evidence that at the time the person was cited, he or she was in

compliance with the financial responsibility requirements of subsection (1) of this section, in which case the citation shall be dismissed without cost, except that the court may assess court administrative costs of twenty-five dollars at the time of dismissal.

~~((4))~~ (3) The provisions of this chapter shall not govern:

(a) The operation of a motor vehicle registered under RCW 46.16.305(1), governed by RCW 46.16.020, or registered with the Washington utilities and transportation commission as common or contract carriers; or

(b) The operation of a motorcycle as defined in RCW 46.04.330, a motor-driven cycle as defined in RCW 46.04.332, or a moped as defined in RCW 46.04.304.

## MESSAGE FROM THE HOUSE

June 28, 1991

MR. PRESIDENT:

The House concurred in the Senate amendment(s) to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1907, ENGROSSED HOUSE BILL NO. 2235 and HOUSE CONCURRENT RESOLUTION NO. 4422 and passed the bills as amended by the Senate.

ALAN THOMPSON, Chief Clerk

There being no objection, the President advanced the Senate to the sixth order of business.

## SECOND READING

HOUSE CONCURRENT RESOLUTION NO. 4412, by Representatives Dellwo, Rayburn and Pruitt

Making changes in Senate Select Committee on Washington 2000 A.D.

The concurrent resolution was read the second time.

## MOTION

On motion of Senator Bluechel, the rules were suspended, House Concurrent Resolution Bill No. 4412 was advanced to third reading, the second reading considered the third and the concurrent resolution was placed on final passage.

## POINT OF INQUIRY

Senator Rasmussen: "Senator Bluechel, I note that it says, 'Appointed by the Speaker of the House and appointed by the President of the Senate' and it says, 'The Joint Select Committee on Washington 2000 shall be those members of the Senate and the House of Representatives currently assigned to serve on the Senate Select Committee.' It doesn't say until the year 2000. I'm wondering are these lifetime appointments and who are the present Senators that are serving?"

Senator Bluechel: "The present Senators include myself, Senator Williams, Senator Madsen, Senator Nelson, Senator Sutherland and Senator Hayner."

Senator Rasmussen: "You have no intention of making these lifetime appointments?"

Senator Bluechel: "Well, with their permission, we'd have to get into that, Senator, but I don't think so. The appointments would be made, as are all appointments, every two years."

Senator Rasmussen: "Does this require traveling and if you travel will you take the Sergeant at Arms with the uniform such as the Speaker of the House from Alberta did when he came down? It makes it much more impressive."

Senator Bluechel: "Senator, most of this is staff work and dealing with the legislators in both bodies. We do have one or two staff training sessions a year. The one we had last year which had a hundred twenty-three staff and

legislative members was in the SeaTac area, because it was more convenient there, but ninety-five percent of all of the activities are carried on in Olympia within the legislative halls or the member's offices and committee offices."

Senator Rasmussen: "The staff does the work--"

Senator Bluechel: "The staff does the work here, but we do have and we intend to have one to two broad-based training sessions a year. The last one we had up at the Red Lion at SeaTac, so that it was convenient for the members to attend. We had twenty-three legislative members there from around the state."

The President declared the question before the Senate to be the adoption of House Concurrent Resolution No. 4412.

House Concurrent Resolution No. 4412 was adopted by voice vote.

## SECOND READING

ENGROSSED HOUSE BILL NO. 1376, by Representatives Wang, Holland, Fraser, Silver, Phillips, Brumsickle, Wynne, Horn, Pruitt, Orr, Sprengle, Hine and Brekke (by request of Software Study Committee)

Classifying computer software for purposes of taxation.

The bill was read the second time.

## MOTION

On motion of Senator Newhouse, the rules were suspended, Engrossed House Bill No. 1376 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

## POINT OF INQUIRY

Senator Talmadge: "Senator McDonald, let's assume that all of this software is indeed software, whether it is canned or imbedded or custom or golden. If this is all software, how can we not then decide that all of it must be taxed as property under the property tax since we are required to tax all classes of property uniformly?"

Senator McDonald: "Well, I think that the question, of course, is what is the machine and what is the software and how valuable is the piece of software? It could be very valuable one year and six months later, it could be of no value. That's why they came to this resolution. I was not a party to all those discussions within this group that included the assessors and included the Department of Revenue and included those who use it and those who manufacture it. So, I can't tell you the deliberations that they went through. I would reverently admit that this is not a perfect bill, but if we don't pass this bill, I can tell you that we will have thirty-nine counties doing it thirty-nine different ways and I think that would be a bad thing."

Further debate ensued.

## POINT OF INQUIRY

Senator Rasmussen: "Senator Pelz, I notice the prime sponsor on this bill--Engrossed House Bill No. 1376--is Representative Wang. I have on my desk many newspaper releases where he was going to repeal a lot of tax exemptions and was not going to grant anymore. Now, I'm not sure that you have this bill right that this would be a tax exemption, because Representative Wang, who comes from Tacoma, would never do that and he is the prime sponsor. That's why you have me confused."

Senator Pelz: "Senator Rasmussen, I'm glad you asked me that question and I have to confess that I have never understood Pierce County legislators."

## POINT OF INQUIRY

Senator Rasmussen: "Senator McDonald, have we ever collected this tax?"

Senator McDonald: "I can't tell you if anybody has ever collected any tax on this. Right now, some of the counties may be collecting some. What we told them last year was to do nothing different than they were doing the year previous to that in anticipation of passing something more comprehensive this time around. So, I can't answer your question, but it is on a nominal basis right now."

Senator Rasmussen: "We haven't lost a great deal, then?"

Senator McDonald: "No, I think that you will probably pick up some."

Senator Rasmussen: "Along with the Liquor Board collecting the cigarette tax, we are going to be wealthy."

## POINT OF INQUIRY

Senator Barr: "Senator McDonald, I got equally suspicious when I saw the prime sponsor of the bill, so I read it--part of it. Could you explain to me, if you are prepared to, Section 6?"

Senator McDonald: "Yes, Senator Barr, Section 6 simply says that this is--if you are a foreign national government, a church, cemetery, nongovernmental nonprofit corporation, etc. which are the usual exempt organizations, then you do not have to file this--you do not have to ask for a personal property tax exemption--if all you have is software."

Senator Barr: "Oh, so when they crossed out that pursuant to 84.36 RCW, I hear what you are saying, then procedure-wise it helps these organizations."

Senator McDonald: "That is correct."

The President declared the question before the Senate to be the roll call on the final passage of Engrossed House Bill No. 1376.

## ROLL CALL

The Secretary called the roll on the final passage of Engrossed House Bill No. 1376 and the bill passed the Senate by the following vote: Yeas, 33; Nays, 12; Absent, 0; Excused, 4.

## PARLIAMENTARY INQUIRY

Senator Rasmussen: "Mr. President, we just had delivered a new budget and it says, 'New Items.' Are we preparing a special sheet showing new items. You get to kind of blind staggers after you read about five of these."

## REPLY BY THE PRESIDENT

President Pritchard: "I agree. Are we preparing anything special? I think you will probably have to ask the Senate Ways and Means Chairman to know what material is going to be available to you."

Senator Rasmussen: "The chairman, is he present? Are you going to have a special sheet showing what the new items were, so that we don't have to go through the whole book again?"

## REMARKS BY SENATOR McDONALD

Senator McDonald: "I will have the Ways and Means staff come over and go through it with you, Senator Rasmussen."

Senator Rasmussen: "Not me, I mean for all of us. Some of the rest may be interested, too."

Senator McDonald: "Anybody that's interested, I will certainly be happy to go over it with them."

### POINT OF INQUIRY

Senator Vognild: "Senator McDonald, can you tell me the rationale for the language on the bottom of page 2 and top of page 3, which effectively sunsets this entire operation on July 1 of 1993?"

Senator McDonald: "That is correct. I think it has to do with the concerns of the hospitals that if we did not do that and if it simply went on ad infinitum, then they could end up with the tax and no reimbursement from Medicaid. Therefore, we have sunsetted this and it is the intention of the Governor and myself and Representative Locke to the extent that we have power to do same--not to reimpose this unless it is in agreement with the hospital."

Further debate ensued.

#### MOTION

Senator Snyder moved that Senate Bill No. 6009 be introduced.

Debate ensued.

#### POINT OF ORDER

Senator Rasmussen: "Mr. President, a point of order. Listening to Senator McDonald, it would seem like he is arguing a bill that is not even before us. As I understood, Senator Snyder merely asked for the bill to be read in, which we have done and do constantly, so that we can refer it to the appropriate committee. At that time, the committee will consider it or we may suspend the rules and boost it, but there certainly should be no objection from anybody and we should not debate the benefits or merits of the bill. I could go on and say, 'Mr. President, it is a life and death matter that these kids be trained to drive,' but I don't want to debate the bill. The question is, just let's introduce it."

#### REPLY BY THE PRESIDENT

President Pritchard: "Senator, we have a few steps to go. We are having some debate on both sides. Maybe we can get the bill read in and then we can do that."

Senator Hayner, as you well know, there have been a numbers of items for us to consider to Sine Die tonight and certainly the budget is one of them. We also have before us, waiting to be read in and placed on the calendar--the Governor's Education Reform Bill. It passed the House of Representatives 83-7. If you can give us an indication that bill will be before us for a vote, we would then consider whether or not we should suspend, at this time, the twenty-four hour rule to bring up the budget.

Senator Hayner: "We will not consider that bill."

Further debate ensued.

#### SENATE RESOLUTION 1991-8705

By Senators von Reichbauer, Owen, Hayner, Gaspard and Johnson

WHEREAS, The United States National Guard was established in 1636 and predates the founding of our Nation and the creation of the Federal Army by more than one hundred forty years; and

WHEREAS, The National Guard is a uniquely American institution -- there is no comparable military body in the world; and

WHEREAS, There are varying types of National Guard Units in all fifty states, territories and the District of Columbia, and

WHEREAS, The Guard has participated in every American conflict from the Pequot War of 1637 through Vietnam, Panama, Grenada and Libya, to Operations Desert Shield and Desert Storm in the Persian Gulf; and

WHEREAS, The National Guard offers a way "up and out of unhealthy environments" for many young Americans; and

WHEREAS, The National Guard has historically been a key component of our National defense, providing a trained and capable military force able to provide rapid augmentation and reinforcement in time of call or mobilization; and

WHEREAS, The mission of the National Guard is not only to help in the defense of our Nation, but also to provide life-saving emergency and relief services in times of crisis within our Nation's borders; and

WHEREAS, The Guard is providing an average of 2,000 personnel each day in support of local state and federal efforts to fight the war on illegal drugs; and

WHEREAS; The Army has proposed cutting the Guard end strength by 136,000 personnel in the next four years; and

WHEREAS, The actual cuts would reduce the Guard by a minimum of three combat divisions, a number of combat brigades and numerous combat support and combat service support units -- all of the type which helped the United States achieve speedy victory in Operation Desert Storm;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the state of Washington, That we find the proposed reduction in the strength of the National Guard is not in the best interest of this Nation; and

BE IT FURTHER RESOLVED, That we believe the National Guard should retain a strength of 457,000 personnel at the end of Fiscal Year 1995; and

BE IT FURTHER RESOLVED, That copies of this resolution be sent to the Commander-in-Chief of the United States Army, President George Bush; the Secretary of Defense; the Secretary of the Army; The National Guard

(2) Allocations for certificated staff salaries for the 1991-92 and 1992-93 school years shall be determined using formula-generated staff units calculated pursuant to this subsection. Small school enrollments in kindergarten through grade six shall generate funding under (a) of this subsection, and shall not generate allocations under (d) and (e) of this subsection, if the staffing allocations generated under (a) of this subsection exceed those generated under (d) and (e) of this subsection. The certificated staffing allocations shall be as follows:

(a) On the basis of average annual full time equivalent enrollments, excluding full time equivalent enrollment otherwise recognized for certificated staff unit allocations under (c) through (f) of this subsection:

(i) Four certificated administrative staff units for each one thousand full time equivalent kindergarten through twelfth grade students excluding full time equivalent handicapped enrollment as recognized for funding purposes under section 509 of this act;

(ii) 54.3 certificated instructional staff units for each one thousand full time equivalent students in kindergarten through third grade, excluding full time equivalent handicapped students ages six through eight; and

(iii) Forty-six certificated instructional staff units for each one thousand full time equivalent students, excluding full time equivalent handicapped students ages nine and above;

(b) For school districts with a minimum enrollment of 250 full time equivalent students, whose full time equivalent student enrollment count in a given month exceeds the first of the month full time equivalent enrollment count by 5 percent, an additional state allocation of 110 percent of the share that such increased enrollment would have generated had such additional full time equivalent students been included in the normal enrollment count for that particular month;

(c) On the basis of full time equivalent enrollment in vocational education programs and skill center programs approved by the superintendent of public instruction, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units for each 16.67 full time equivalent vocational students;

(d) For districts enrolling not more than twenty-five average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which have been judged to be remote and necessary by the state board of education and enroll not more than twenty-five average annual full time equivalent students in kindergarten through grade eight:

(i) For those enrolling no students in grades seven and eight, 1.76 certificated instructional staff units and 0.24 certificated administrative staff units for enrollment of not more than five students, plus one-twentieth of a certificated instructional staff unit for each additional student enrolled; and

(ii) For those enrolling students in grades seven or eight, 1.68 certificated instructional staff units and 0.32 certificated administrative staff units for enrollment of not more than five students, plus one-tenth of a certificated instructional staff unit for each additional student enrolled.

(e) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education:

(i) For enrollment of up to sixty annual average full time equivalent students in kindergarten through grade six, 2.76 certificated instructional staff units and 0.24 certificated administrative staff units; and

(ii) For enrollment of up to twenty annual average full time equivalent students in grades seven and eight, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units.

(f) For districts operating no more than two high schools with enrollments of less than three hundred average annual full time equivalent students, for enrollment in grades nine through twelve in each such school, other than alternative schools:

(i) For remote and necessary schools enrolling students in any grades nine through twelve but no more than twenty-five average annual full time equivalent kindergarten through twelfth grade students, four and one-half certificated instructional staff units and one-quarter of a certificated administrative staff unit;

(ii) For all other small high schools under this subsection, nine certificated instructional staff units and one-half of a certificated administrative staff unit for the first sixty average annual full time equivalent students, and additional staff units based on a ratio of 0.8732 certificated instructional staff units and 0.1268 certificated administrative staff units per each additional forty-three and one-half average annual full time equivalent students.

Units calculated under (f)(ii) of this subsection shall be reduced by certificated staff units at the rate of forty-six certificated instructional staff units and four certificated administrative staff units per thousand vocational and handicapped full time equivalent students.

(g) For each nonhigh school district having an enrollment of more than seventy annual average full time equivalent students and less than one hundred eighty students, operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit;

(a) For enrollments generating certificated staff unit allocations under subsection (2) (d) through (h) of this section, one classified staff unit for each three certificated staff units allocated under such subsections.

(b) For all other enrollment in grades kindergarten through twelve, including vocational but excluding handicapped full time equivalent enrollments, one classified staff unit for each sixty average annual full time equivalent students.

(c) For each nonhigh school district with an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, an additional one-half of a classified staff unit.

(4) Fringe benefit allocations shall be calculated at a rate of 21.11 percent in the 1991-92 and 1992-93 school years of certificated salary allocations provided under subsection (2) of this section, and a rate of 18.84 percent in the 1991-92 and 1992-93 school years of classified salary allocations provided under subsection (3) of this section.

(5) Insurance benefit allocations shall be calculated at the rates specified in section 505 of this act, based on:

(a) The number of certificated staff units determined in subsection (2) of this section; and

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.

(6)(a) For nonemployee-related costs associated with each certificated staff unit allocated under subsection (2) (a), (b), and (d) through (h) of this section, there shall be provided a maximum of \$6,848 per certificated staff unit in the 1991-92 school year and a maximum of \$7,060 per certificated staff unit in the 1992-93 school year.

(b) For nonemployee-related costs associated with each certificated staff unit allocated under subsection (2)(c) of this section, there shall be provided a maximum of \$13,049 per certificated staff unit in the 1991-92 school year and a maximum of \$13,454 per certificated staff unit in the 1992-93 school year.

(7) Allocations for substitute costs for classroom teachers shall be distributed at a maximum rate of \$318 for the 1991-92 school year and \$318 per year for the 1992-93 school year for allocated classroom teachers. Solely for the purposes of this subsection, allocated classroom teachers shall be equal to the number of certificated instructional staff units allocated under subsection (2) of this section, multiplied by the ratio between the number of actual basic education certificated teachers and the number of actual basic education certificated instructional staff reported state-wide for the 1990-91 school year.

(8) The superintendent may distribute a maximum of \$4,633,000 outside the basic education formula during fiscal years 1992 and 1993 as follows:

(a) For fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW, a maximum of \$386,000 may be expended in fiscal year 1992 and a maximum of \$398,000 may be expended in fiscal year 1993.

(b) For summer vocational programs at skills centers, a maximum of \$1,777,000 may be expended in fiscal year 1992 and a maximum of \$1,788,000 may be expended in fiscal year 1993.

(c) A maximum of \$284,000 may be expended for school district emergencies.

(9) For the purposes of RCW 84.52.0531, the increase per full time equivalent student in state basic education appropriations provided under this act, including appropriations for salary and benefits increases, is 5.6 percent from the 1990-91 school year to the 1991-92 school year, and 5.0 percent from the 1991-92 school year to the 1992-93 school year.

(10) A maximum of \$2,450,000 may be expended in the 1991-92 fiscal year and a maximum of \$2,450,000 may be expended in the 1992-93 fiscal year for high technology vocational equipment for secondary vocational education programs and skill centers.

(11)(a) Funds provided under subsection (2)(a)(ii) of this section in excess of the amount required to maintain the statutory minimum ratio established under RCW 28A.150.260(2)(c), shall be allocated only if the district documents an actual ratio equal to or greater than 54.3 certificated instructional staff per thousand full time equivalent students in grades K-3. For any school district documenting a lower certificated instructional staff ratio, the allocation shall be based on the district's actual K-3 certificated instructional staff ratio achieved in that school year, or the statutory minimum ratio established under RCW 28A.150.260(2)(c), if greater.

(b) Districts at or above 51.0 certificated instructional staff per one thousand full time equivalent students in grades K-3 may dedicate up to 1.3 of the 54.3 funding ratio to employ additional classified instructional assistants assigned to basic education classrooms in grades K-3. For purposes of documenting a district's staff ratio under subsection (11)(a) and (c) of this section, funds used by the district to employ additional classified instructional assistants shall be converted to a certificated staff equivalent and added to the district's actual certificated instructional staff ratio. Additional classified instructional assistants, for the purposes of this subsection, shall be determined using the 1989-90 school year as the base year.

(c) Any district maintaining a ratio equal to or greater than 54.3 certificated instructional staff per thousand full time equivalent students in grades K-3 may use

allocations generated under subsection (2)(a)(ii) in excess of that required to maintain the minimum ratio established under RCW 28A.150.260(2)(c) to employ additional basic education certificated instructional staff or classified instructional assistants in grades 4-6. Funds allocated under this section shall only be expended to reduce class size in grades K-6. No more than 1.3 of the certificated instructional funding ratio amount may be expended for provision of classified instructional assistants.

(12) The superintendent of public instruction shall study the rate of staff per student if current levels of certificated instructional staffing and paraprofessionals are counted together as "classroom resources." A report identifying "classroom resource" per pupil rates shall be provided to the appropriate fiscal and policy committees of the house of representatives and senate by January 10, 1992.

Senator West is in charge of the cafeteria and, I suppose in doing his duties, he submitted me a bill which is for excessive consumption of ice cream in the Senate cafeteria. The bill was twenty-five thousand dollars. I told him that I am not going to pay it--no way. Then afterwards, I have been thinking about it and I just wanted to say that I have been here for twenty years and if this was for this year, I wouldn't pay it, but if it is over the twenty years, I probably beat you out of some money, so I probably should pay it."

GOVERNOR'S MESSAGES ON SENATE BILLS  
VETOED AND PARTIALLY VETOED1991 REGULAR AND FIRST SPECIAL SESSIONPARTIALLY VETOED BILLSMESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5722

May 3, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3 and 4,  
Senate Bill No. 5722 entitled:

"AN ACT Relating to interest rates for the department of natural  
resources."

Developing a uniform interest rate policy for the Department of Natural Resources is an important goal which will improve agency administration and accounting. Sections 3 and 4 of this bill, however, amend existing law so that the Board of Natural Resources rather than the State Treasurer will determine the appropriate interest rate for loans between the landowner contingency forest fire suppression account and the general fund. While the Board of Natural Resources should have the ability to set interest rates for trustland management funds, this power should not be extended to situations which affect the General Fund. For this reason, I have vetoed Sections 3 and 4 of the bill.

With the exception of Sections 3 and 4, Senate Bill No. 5722 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5632

May 15, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 10 and 11,  
Substitute Senate Bill No. 5632 entitled:

"AN ACT Relating to ophthalmologists."

Section 10 of this bill establishes the state ophthalmologist advisory committee in statute. This three member committee, appointed by the Secretary of the Department of Health, is comprised of a physician, an ophthalmologist, and a state department of health employee. The purpose of this committee is to advise the Secretary of the Department of Health on the administration of the ophthalmologist practice act. I see no reason for a state employee to be a member of this health profession advisory committee nor is it necessary to establish this advisory committee by statute. The Secretary of the Department of Health has authority under RCW 18.122.070 to appoint advisory committees to assist in the administration of health profession regulatory statutes. Therefore, I have vetoed Section 10 of this bill.

Section 11 of this bill restates substantially the immunity from liability extended by RCW 18.122.070(5) to the secretary, members of advisory committees or individuals acting on their behalf. RCW 18.122.070(5) provides immunity based on "official acts performed in the course of their duties" for members of health care advisory committees. Section 11 of this bill would extend immunity to the state ophthalmologist advisory committee for "any act performed in the course of their duties."

Neither the bill nor its legislative history provides further explanation of the change in immunity extended by Section 11, nor a justification for such change to members of a particular health care advisory committee. Therefore, I have vetoed Section 11 of this bill.

With the exception of Sections 10 and 11, Substitute Senate Bill No. 5632 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON  
ENGROSSED SUBSTITUTE SENATE BILL NO. 5256

May 16, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 15, Engrossed Substitute Senate Bill No. 5256 entitled:

"AN ACT Relating to franchise investment protection."

Washington State's Franchise Investment Protection Act is an important consumer protection statute that, through protection of franchisees, has fostered a healthy business environment for reputable franchisors. Section 15 of this act would reduce the statute of limitations to only one year for an action by a franchisee for rescission based on failure of a franchisor to register. Further,

the statute of limitations would be reduced to three years for all other actions under RCW 19.100.190. Currently, the statute of limitations may vary between two and six years depending on judicial interpretation.

While I agree that providing greater certainty in the limitation of actions is desirable, the original Washington State Bar Association Franchise Act Revision Committee's recommendation provided for a more reasonable statute of limitations of two years for failure to register and four years for other actions. This initial recommendation was modified by the Legislature.

A veto of Section 15 is necessary to assure continued consumer protection. Some problems with franchise agreements may not arise during the first year. Experience has shown that franchisors who fail to register often have the weakest franchises to sell and do not provide the disclosures required by the Franchise Investment Protection Act, thus exposing the purchaser to unnecessary risk. Also, the one year statute of limitations could provide an incentive to unscrupulous franchisors to sell unregistered franchises hoping the year will pass before discovery of a problem and the franchisee's claim, however valid, will be barred from legal action.

With the exception of Section 15, Engrossed Substitute Senate Bill No. 5256 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5475

May 16, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 5 and 6, Senate Bill No. 5475 entitled:

"AN ACT Relating to higher education."

Section 5 of Senate Bill No. 5475 states the intent of the Legislature that sick leave policies be uniform and consistent for all faculty and administrators hired after May 1, 1992 at the state's community colleges, regional universities, state colleges and research universities. Section 6 requires the Higher Education Coordinating Board, in consultation with the State Board for Community College Education, to study institutional sick leave policies and recommend mandated uniform and consistent policy for all faculty and administrators hired after May 1, 1992.

The rationale for passing this legislation is not clear. The Legislative Budget Committee reviewed higher education sick leave policies in 1989 and concluded that, prior to modifying the sick leave policies, better data should be collected to permit informed decision-making. In 1990, a law was passed requiring the institutions of higher education to maintain complete and accurate

sick leave records. One year of data collection is insufficient to conclude that uniform and consistent sick leave policies are appropriate for the institutions of higher education. As the Legislative Budget Committee correctly observed in their report, sick leave benefits should be considered in the broader context of an overall compensation package, and compensation should be related to the complexity and amount of work assignments.

This legislation disregards the advice of the Legislative Budget Committee and inappropriately prescribes the outcome of the Higher Education Coordinating Board study required in Section 6.

For the reasons stated above, I have vetoed Sections 5 and 6 of Senate Bill No. 5475.

With the exception of Sections 5 and 6, Senate Bill No. 5475 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5474

May 16, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 5, Senate Bill No. 5474 entitled:

"AN ACT Relating to a data collection and reporting system on children's education and well-being."

This bill creates a task force with representation from a broad range of agencies to review available data sources related to children's programs and recommend methods to make such data more user-friendly to state and local policy makers. The bill also requires local school districts to report new information that will improve the accuracy of the state's annual report on drop out rates. Both objectives are to be commended and I am glad to add my support.

Section 5 of the bill, however, provides that the new reporting requirements will expire in 1994. The brief life of this reporting requirement makes it appear to be a pilot project and may cause some school districts to be hesitant about incorporating this data into their permanent data collection systems. If the state hopes to reduce its drop out rate, accurate data is essential. Eliminating Section 5 establishes these new reporting provisions as permanent requirements.

For the reasons stated above, I have vetoed Section 5 of Senate Bill No. 5474.

With the exception of Section 5, Senate Bill No. 5474 is approved.

Respectfully submitted,

BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5873

May 17, 1991

To the Honorable, the Senate  
of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 2, Substitute Senate Bill No. 5873 entitled:

"AN ACT Relating to insurance coverage for retired and disabled school district employees."

Section 2 of this bill requires the Health Care Authority to conduct a study of considerable importance to retirees of the public school system and public policy makers. However, the bill does not provide that agency with either additional staff or adequate funds to support such an effort. The Fiscal Note reveals estimated costs of at least \$140,000.00 for the study. Funds for the agency to do the study do not appear in the operating budgets proposed by either the House or the Senate during the Regular Session and I cannot sign into law a requirement that would put the Health Care Authority at such risk.

I believe that a study of this nature should be undertaken, but not in the manner proposed. At the very least it should address the question of costs and access to health care benefits by the retirees of all public agencies, not just those in the public school system. The costs and needs of the respective public agencies must also be considered. It is unlikely that the comprehensive study that I believe to be necessary could be completed in only a four- to six-month time frame. The public policy issues are too important and the welfare of far too many individuals is at risk for this task to be addressed too hurriedly or on a piecemeal basis.

For the reasons stated, I have vetoed Section 2 of Substitute Senate Bill No. 5873.

With the exception of Section 2, Substitute Senate Bill No. 5873 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5148

May 17, 1991

To the Honorable, the Senate  
of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 8 and 9, Senate Bill No. 5148 entitled:

"AN ACT Relating to Limited Partnerships."

This legislation provides beneficial flexibility to limited partnerships so they can merge with each other or with corporations. Additional statutory changes clarify and add certainty to filing requirements.

Sections 8 and 9, however, would significantly change business operations in this state against the public interest. Limited partnerships evolved so certain business partners could invest with limited personal liability. In return for the limited liability these partners have been proscribed from engaging in certain managerial activities. This concept protects creditors, other limited partners, clients and others who do business with partnerships. The amendments in this bill turn this concept on its face and extend the liability shield for limited partners, while removing the limits on their managerial control of the business.

For these reasons, I have vetoed Sections 8 and 9 of Senate Bill No. 5148.

With the exception of Sections 8 and 9, Senate Bill No. 5148 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5558

May 20, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Senate Bill No. 5558, entitled:

"AN ACT Relating to child labor regulation."

This bill would authorize the Department of Labor and Industries to issue civil penalties for violations of the state's child labor laws. I strongly support this authority.

Section 1 of this bill would require the Department of Labor and Industries to replace existing rules governing the employment of minors with rules which are consistent with federal law. Section 1 also requires the Department of Labor and Industries to revise child labor rules in the future as necessary to remain consistent with federal law. These requirements would be an unacceptable abdication of the State's responsibility and duty to its children.

Section 1 may be an unconstitutional delegation of legislative authority. Even if Section 1 were upheld, provisions of state child labor law which were

inconsistent with federal law might be legally unenforceable, leaving the state with no law under which to enforce some areas of child labor.

Beyond the problems of authority and process, I also object to the policy implications of Section 1. Under current federal law, Section 1 might effectively repeal important state policies, such as regulation of the hours of employment for sixteen- and seventeen-year-old children. The state might also be required to repeal its regulation of meal and rest breaks for children. Further, Section 1 might place in jeopardy the state's newly enacted regulations of agricultural employment of children.

The remainder of the bill establishes new tools to protect our children from working conditions and hours of employment which are detrimental to their health, safety and education. It is crucial that the state be able to regulate hours of employment for children to ensure that education, not employment, is the first priority for Washington's children.

For the reasons stated, I have vetoed Section 1 of Senate Bill No. 5558.

With the exception of Section 1, Senate Bill No. 5558 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

#### PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5670

May 20, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 4, Substitute Senate Bill No. 5670, entitled:

"AN ACT Relating to screening and treatment of children for mental health services."

I am pleased with the efforts this year to organize an effective mental health system for children. The legislators involved have successfully passed thoughtful legislation which will improve the lives of children in our state.

Section 4 of this bill conflicts with Section 13 of Substitute House Bill No. 1608, in that it also requires a legislative report with plans for folding the Early Periodic Screening, Diagnosis and Treatment program into the children's mental health system. Substitute House Bill No. 1608 also contains language requiring an inventory of all children's mental health programs as well as proposals for reducing categorical barriers to serving children. These requirements will produce valuable products.

For that reason, I will sign that provision into law and have vetoed Section 4 of this bill. In doing so, I have directed the Office of Financial Management and the Department of Social and Health Services staff to develop a report that responds to the requirements in both bills.

With the exception of Section 4, Substitute Senate Bill No. 5670 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON SECOND SUBSTITUTE SENATE BILL NO. 5591

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 208, Second Substitute Senate Bill No. 5591 entitled:

"AN ACT Relating to the reduction of solid waste through recycling."

Sections 201-214 of Second Substitute Senate Bill No. 5591 relate to the creation of a new program within the Department of Trade and Economic Development called the Clean Washington Center, the activities of which will be conducted with the assistance of an advisory board set up by Section 204. Section 208 states that the Center may appoint advisory committees to assist in the development or implementation of the Center's work plan referenced in Section 205(9). Since the Center is a program within the Department of Trade and Economic Development, the director of the department has current statutory authorization to appoint advisory groups as appropriate and, therefore, Section 208 is not necessary. For this reason, I have vetoed Section 208.

With the exception of Section 208, Second Substitute Senate Bill No. 5591 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON  
ENGROSSED SUBSTITUTE SENATE BILL NO. 5411

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 25, Engrossed Substitute Senate Bill No. 5411 entitled:

"AN ACT Relating to the alleviation of flood damage."

Section 25 of Engrossed Substitute Senate Bill No. 5411 requires the Department of Natural Resources to not charge for removal of material from state-owned aquatic lands when such material is used for public purposes. Public purposes are defined by Section 25 to include construction, maintenance, improvement or repair of roads, dikes, and levees. Similar language is contained in Substitute House Bill No. 1864. For this reason I have vetoed Section 25 of this bill.

With the exception of Section 25, Engrossed Substitute Senate Bill No. 5411 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SENATE BILL NO. 5170

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 1 and 4, Senate Bill No. 5170 entitled:

"AN ACT Relating to district judges."

This bill reduces the number of district court judges in Pacific County from three to two and changes the salary setting authority for part-time district court judges' salaries from county commissions to the Citizens' Commission on Salaries.

Section 1 of the bill reduces the number of district court judges in Pacific County. Identical language is included in House Bill No. 1467 which I have signed.

Section 4 contains an emergency clause. If the emergency clause were to go into effect, the Citizens' Commission on Salaries would have only 13 days to analyze, determine a process, and set salaries for district court judges. I do not consider that sufficient time to properly address a potentially complex issue. By deleting the emergency clause, the salary commission will have time to evaluate the salary needs of part-time judges, take public testimony, and make appropriate salary determinations.

For the reasons stated, I have vetoed Sections 1 and 4 of Senate Bill No. 5170.

With the exception of Sections 1 and 4, Senate Bill No. 5170 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5082

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 4, Substitute Senate Bill No. 5082 entitled:

"AN ACT Relating to professional salmon fishing guides."

This bill contains a provision repealing reciprocity with Idaho for fishing in the concurrent waters of Washington and Idaho on the Snake River. This repealer was added during the session when it became apparent that Idaho was acting inconsistently with the reciprocity agreement with respect to fishing guide licenses. Recently, Washington and Idaho wildlife agencies, the Idaho Guides Association, and the respective Attorney General's Offices have agreed to meet and discuss future actions regarding reciprocity between the two states on the Snake River. Due to this renewed cooperative arrangement, it is unnecessary to repeal the section relating to the reciprocity agreement. I expect that the two states can continue to work together in the future. Without such a cooperative agreement, residents wishing to fish on the concurrent waters of the Snake River would have been required to purchase licenses from both states. This would only cause confusion and animosity.

For these reasons, I have vetoed Section 4 of Substitute Senate Bill No. 5082.

With the exception of Section 4, Substitute Senate Bill No. 5082 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5025

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 2, 3, 17, 18, and 20, Engrossed Second Substitute Senate Bill No. 5025 entitled:

"AN ACT Relating to youth and family services."

This bill attempts to enhance early intervention services for at-risk youth and their families. Sections 2 and 3 specifically require expansion of family

reconciliation services to an additional 1,000 families per year, and the homebuilders program to 126 additional youth and families per year. These sections are contingent upon funding in the budget.

Because negotiations are still underway regarding the budget, the level of funding for these programs is uncertain. There are no assurances that the legislature will provide funds adequate to meet the specific service level increases required by this bill. Further, service levels can be itemized in a budget proviso and should not be set out in statute. These reasons require that I veto Sections 2 and 3.

Sections 17, 18, and 20 make reference to the items specified above. To avoid confusion, I am also vetoing these sections.

With the exception of Sections 2, 3, 17, 18, and 20, Engrossed Second Substitute Senate Bill No. 5025 is approved.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON SECOND SUBSTITUTE SENATE BILL NO. 5568

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 301 and 508, Second Substitute Senate Bill No. 5568, entitled:

"AN ACT Relating to hunger and nutrition."

I commend the Legislature for its focus on nutritional needs of our families, and especially for its intent to improve the health and functioning of children so they can succeed in the classroom.

Sections 301 and 302 appropriately support issuing food stamps to eligible families as soon as possible after they apply. The Department of Social and Health Services is committed to that policy and will issue food stamps within 24 hours if sufficient staff is provided. Section 301, however, contains a legal conclusion about noncompliance that may make the state vulnerable to lawsuit. For this reason, I have vetoed Section 301.

Section 508 would void the Section 402 requirement that the Office of Superintendent of Public Instruction aggressively solicit schools and organizations to participate in the nutrition programs. Even if reference and funds were not provided in the budget, aggressive solicitation should occur, especially since these programs are federally funded. This should be current policy, and I have therefore vetoed Section 508.

With the exception of Sections 301 and 508, Second Substitute Senate Bill No. 5568 is approved.

Respectfully submitted,

BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5120

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 1, 3, 5, 8, 23, 24, 28, 29, 32, 34, 35, 36, 50, and 53, Engrossed Second Substitute Senate Bill No. 5120 entitled:

"AN ACT Relating to child support."

Any changes in the law affecting child support must focus on one issue - the well-being of the children. This was my overriding concern in the actions I have taken today; I used every means possible to maintain financial support for children.

Before 1988, our child support system was haphazard and many children received little or no financial support from the noncustodial parent. These families often ended up on public assistance, experiencing all of the pitfalls of poverty.

In 1988, we succeeded in enacting a new child support system. In 1989 Washington's noncustodial parents paid an average award of \$352 per month. That amount includes all payments ordered by the court for all children, including daycare, medical and education expenses. Noncustodial parents are paying an average of 26% of their incomes in child support. These are not unreasonable support awards.

I had these facts in mind when I reviewed this legislation, and I heard from numerous individuals and groups. I also had in mind the jeopardy our state faces with the potential loss of \$70 million in federal funds if we do not adopt a uniform economic table. These funds are essential to the well-being of children, since they fund our child support collection system.

I have said before that the child support system needed minor improvements and that it would be helpful if the legislature gave more clarity to the courts on how children in second families should be protected. Engrossed Second Substitute Senate Bill No. 5120 does not contain language on this issue. Some people have stated their belief that this legislation would put to rest issues related to child support. This is not the case. The issue of second families remains to be resolved.

The portions of this bill that are signed into law will improve the system of family court services and clarify procedures for the Office of Support Enforcement. Minor modifications will be easier to obtain and protections are added for disabled veterans.

I have vetoed certain sections for three reasons. Either they lower support to children unjustifiably, they egregiously impact families with children or they violate federal law.

Section 25, the new economic table, is signed into law. This uniform schedule will rectify the legal problems we have with the federal government. While it is imperative that the state have a uniform schedule, I am pleased that in Section 26 the Legislature obligates itself to periodically review this economic table.

Section 23 is vetoed because it states an intent that children must suffer from dissolution. Although that is unfortunately true in some situations, it is poor public policy to intend that it happen.

Sections 24, 28, 29, 32 and 50 are vetoed because they unjustifiably lower support to children. The new definition of "income" eliminates consideration of all overtime, second job income, contract-related benefits, gifts, prizes and bonuses, unless the judge makes an exception. The majority of support awards in the state could be lowered because of this change. I see no reason to use a definition that arbitrarily excludes as a benefit for children these very real types of resources that are available to parents.

Section 3 is vetoed because it is likely to have a negative impact on families with children. This section requires all periodic modifications to conform to the child support statutes. It then provides that any part of an existing dissolution decree that conflicts with the statute is "void". Custodial parents will be ordered to pay back support they received under legal court orders. This is an illegal retroactive modification and it would cause hardship to children.

Section 8 is vetoed because it overrules a child's right to private medical treatment in some situations. Children over age fourteen may receive medical treatment for sexually transmitted diseases and they may also use family planning services - all without parental consent. This amendment gives parents a right to those private medical records. Furthermore, there is great concern that the language would jeopardize child abuse investigations and domestic violence protections. I strongly support the right of both parents to have full and equal access to the education and available medical records of their children, but current law already gives them that right.

Section 34 limits a court's ability to order support for postsecondary education. Current law gives the court discretion to order support and tuition payments after considering the circumstances. This amendment prohibits a court from ordering noncustodial parents to pay tuition above that charged by the Washington university system to resident students. A child could very well live in another state where tuition is higher than our state charges. This type of cap unnecessarily limits the court's discretion and arbitrarily limits the options for children.

Sections 35, 36 and 53 change the way parents pay for extraordinary expenses and day care. The custodial parent would be required to pay these costs and bill the noncustodial parent. A custodial parent who lives in Washington, for instance, could have to pay for a roundtrip airline ticket to the state where the noncustodial parent lives, so the child could have visitation. All extra health expenses would be paid up front by the custodial parent. If

the bill isn't paid after 30 days, the custodial parent must use a time-consuming court process to collect. This is unreasonably harsh. Section 35 is the companion section that modifies the Office of Support Enforcement process regarding extraordinary expenses and section 53 is the accompanying null and void section.

Section 5 contains language to allow Desert Shield and Desert Storm participants a retroactive modification for the time they were on active duty. We all laud the efforts of these fine service persons, but retroactive modifications violate federal law and work an unreasonable hardship on custodial parents. Furthermore, the bill is written with timelines that preclude nearly two-thirds of these people from taking advantage of the adjustment.

Section 1 is vetoed because of the hardship this venue change would have on rural Washingtonians and on Lincoln County. Current law allows expedited dissolutions in situations where the parties agree. I see no reason to take away this convenience.

For the reasons stated above, I have vetoed Sections 1, 3, 5, 8, 23, 24, 28, 29, 32, 34, 35, 36, 50 and 53 of Second Substitute Senate Bill No. 5120.

With the exception of Sections 1, 3, 5, 8, 23, 24, 28, 29, 32, 34, 35, 36, 50, and 53, Engrossed Second Substitute Senate Bill No. 5120 is approved.

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5149

July 2, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 5, Engrossed Substitute Senate Bill No. 5149 entitled:

"AN ACT Relating to gifts and public office funds."

This bill represents a positive step in the area of public disclosure by requiring lobbyists and public officials to report certain gifts. The bill contains an emergency clause making the disclosure requirements effective immediately. The bill was originally proposed by the Public Disclosure Commission and did not contain any emergency clause. A short period of time is required to allow both the Commission and the approximately five thousand individuals affected by this bill to set up reporting procedures and record-keeping mechanisms. The Public Disclosure Commission agrees that a veto of the emergency clause is appropriate. For this reason, I have vetoed the emergency clause set out in section 5.

With the exception of section 5, Engrossed Substitute Senate Bill No. 5149 is approved.

Respectfully submitted,  
Booth Gardner, Gardner

MESSAGE FROM THE GOVERNOR  
PARTIAL VETO MESSAGE  
ON ENGROSSED SENATE BILL NO. 5985

July 2, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 3 and 4, Engrossed Senate Bill No. 5985, entitled:

"AN ACT Relating to higher education health care training."

In the 1991 Regular Legislative Session, the Legislature passed House Bill No. 1960, which I signed on May 21st. House Bill No. 1960 contained an emergency clause and a null and void clause tying the effectiveness of the bill to a specific proviso in the 1991-93 appropriation act. Engrossed Substitute House Bill No. 1330 (the 1991-93 appropriation act) contained a proviso for House Bill No. 1960, so when I signed Engrossed Substitute House Bill No. 1330 into law on June 30, 1991, chapter 332, laws of 1991 (House Bill No. 1960) was enacted.

Section 3 of Engrossed Senate Bill No. 5985 repeals section 45 of chapter 332, laws of 1991 (the uncodified null and void clause). Section 4 of Engrossed Substitute House Bill No. 5985 replaces it with a limited null and void clause. Because the conditions of section 45 of Chapter 332, Laws of 1991 were met on June 30th, neither section 3 nor section 4 of this bill would have any effect or purpose if signed into law. For this reason, I have vetoed sections 3 and 4 of Engrossed Senate Bill No. 5985.

With the exception of sections 3 and 4, Engrossed Senate Bill No. 5985 is approved.

Respectfully submitted,  
Booth Gardner, Governor

VETOED BILLSMESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5052

May 20, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute Senate Bill No. 5052, entitled:

"AN ACT Relating to collection of public debts."

This bill amends the definition of "claim" in the law regulating debt collection practices by expanding that definition to include court-ordered or contractual restitution and any legal financial obligations imposed under the Sentencing Reform Act. It also stipulates that the state and its political subdivisions may "assign" public debts only to licensed collection agencies. In addition, it may limit the authority of public agencies to contract with debt collection agencies by eliminating their power to "retain" these agencies to collect public debts.

It is difficult to argue with the apparent purpose of this legislation -- to expand protection of the public against illegal debt collection practices and ensure that disreputable companies are not allowed to engage in collection activities, when such activities are associated with state and local government agencies. The bill attempts to achieve these goals by requiring public agencies to use licensed collection agencies to collect legal financial obligations.

While the purpose of the legislation is laudable, its application would have negative effects on two pre-trial diversion or deferred prosecution programs in Whatcom and Pierce Counties. Prosecutors in those counties have contracted with a private organization to act on their behalf to manage a program that requires training and payment of restitution, in lieu of prosecution, for people who write bad checks. An effort to require the offender to pay the victim for the amount lost on the bad check is an important part of the program. The counties contract for this program because they do not have the personnel and resources to run the program internally. It provides a valuable law enforcement service to businesses that are plagued by bad checks.

The bill would eliminate the authority of the two counties to contract for this kind of program with someone other than a licensed collection agency. That would make it difficult, if not impossible, to carry out the program in its current form. Licensed collection agencies are prohibited by statute from threatening prosecution and using any official connection with a public agency while engaged in collection agency business. The organization that manages the deferred prosecution program for the Pierce and Whatcom County Prosecutors uses both of these techniques as integral parts of the program.

In addition, I understand the issue of the bill's impact on these kinds of deferred prosecution programs was not considered by the Legislature. The Pierce and Whatcom County Prosecutors were not made aware of the bill. If there is a concern about public agencies contracting out for these services, that issue should have been part of the legislative debate on this bill.

Finally, this bill eliminates current discretionary authority of public agencies to retain licensed collection agencies to collect public debts. I question the wisdom of reducing the flexibility of state and local government to enforce public obligations in this manner.

For these reasons, I have vetoed Substitute Senate Bill No. 5052 in its entirety.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SENATE BILL NO. 5075

May 16, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval Senate Bill No. 5075 entitled:

"AN ACT Relating to review of the Washington condominium act."

The Washington Condominium Act became effective in 1990. The act was passed after three years of intensive discussion by a previous statutory committee and numerous public hearings during the 1988 and 1989 legislative sessions.

Although there may be a need to amend some portions of the act, there is no need to create a cumbersome review process after only one year. The legislature updates major statutes as a matter of course, and the Washington State Bar Association has a review process underway already.

Finally, the committee is assigned broad tasks, including a review of the entire statutory scheme, yet the membership provides very limited representation to condominium purchasers.

For the reasons stated above, I have vetoed Senate Bill No. 5075.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SECOND SUBSTITUTE SENATE BILL NO. 5083

May 16, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval Second Substitute Senate Bill No. 5083 entitled:

"AN ACT Relating to the reestablishment of salmon hatcheries."

Sections 1 and 2 of this legislation, although important, do not need to be set forth in state statute. The Department of Fisheries has pursued funding for the Toutle Hatchery from Congress in the past, and will continue to do so into the future.

The information requested in Section 3 to be submitted by the Department of Fisheries to the various legislative committees is already provided to the Legislature in preparing the biennial budget. It is unnecessary to codify a reporting function which is already standard procedure.

For these reasons, I have vetoed Second Substitute Senate Bill No. 5083 in its entirety.

Respectfully submitted,  
BOOTH GARDNER, Governor

VETO MESSAGE ON SENATE BILL NO. 5104

May 20, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill No. 5104 entitled:

"AN ACT Relating to pilot examinations."

This bill updates the Board of Pilotage Commissioners' pilot exam requirements to better reflect current needs. The same sections of law affected by this bill were also modified in a similar manner in Substitute House Bill No. 1027, which I have signed.

For this reason, I have vetoed Senate Bill No. 5104 in its entirety.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SENATE BILL NO. 5442

May 20, 1991

To the Honorable, the Senate  
of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill No. 5442, entitled:

"AN ACT Relating to motorcycle permit restrictions."

This bill restricts issuance of a motorcycle instruction permit to individuals who have satisfactorily completed a motorcycle rider course or individuals who wish to change endorsement categories. Additionally, it removes the five-year experience standard on those who supervise a rider with an instruction permit.

Presently, the instruction permit is provided to a licensed driver as an opportunity to master his or her skills for riding a motorcycle under the supervision of a veteran motorcyclist prior to seeking the motorcycle license. Also, the department of licensing may require this person to pass the written portion of the motorcycle license examination prior to issuance of the instruction permit.

Enactment of this legislation amends the permitting process by requiring a motorcycle rider course prior to obtaining the motorcycle instruction permit. As such, a person would be required to locate a course, make an investment of time, and pay a \$30 fee. It is not clear that these courses are readily available in the various geographic locations of the state, as well as, conveniently accessible to the public. As a result, the proposed change may unintentionally lead to greater numbers of "un-permitted" or "unlicensed" riders on our roadways.

For these reasons, I have vetoed Senate Bill No. 5442, in its entirety.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SENATE BILL NO. 5585

May 21, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill No. 5585, entitled:

"AN ACT Relating to licenses to sell liquor in motels."

This bill creates a Class M liquor license that would permit small motels with three or more rooms to sell hard liquor, beer, and wine in locked honor bars located in the guest rooms. The purpose of this legislation is to provide clientele of small motels with the same in-room liquor sales amenities that large hotels provide their guests under a Class H license.

While the bill may provide convenience to some motel patrons, the potential problems it creates far outweigh its benefits. For example, the bill would expand opportunities for unsupervised access to alcohol by minors by enabling up to 1,200 small motels to sell liquor, beer, and wine in their rooms. This is an outcome that we cannot afford, given the severe problems our young people are having with alcohol consumption.

The bill also violates a long-established legal precedent in this state regarding alcohol beverage control. It permits the sale of liquor in establishments without restaurant food sales. The snacks that would be provided in the honor bars are not a sufficient substitute for normal food sales.

And finally, if only one-half of the small motels become licensees, the Liquor Control Board would be faced with 600 new retail liquor outlets requiring regulation and enforcement. Without additional funding and personnel, which is very uncertain at this stage in the budget process, this would be an unreasonable burden to place on an already over-burdened enforcement staff. Even if I agreed with the public policy of expanding liquor sales to small motels, it would be very risky for the state to assume this substantial regulatory responsibility without assurance of proper funding.

For these reasons, I have vetoed Senate Bill No. 5585 in its entirety.

Respectfully submitted,  
BOOTH GARDNER, Governor

MESSAGE FROM THE GOVERNOR  
VETO MESSAGE ON SENATE BILL NO. 5560

June 30, 1991

To the Honorable, the Senate  
of the State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill No. 5560 entitled:

"AN ACT Relating to enforcement of cigarette and tobacco statutes."

Senate Bill No. 5560 transfers the administration of various taxes relating to tobacco products from the Department of Revenue to the Liquor Control Board. The primary impetus for this bill was to increase state enforcement efforts with respect to collection of tobacco taxes, and thereby increase state revenue. To implement this program, it would be necessary to provide the Liquor Control Board with an additional large appropriation and a substantial increase in personnel.

During the 1991 session, I recommended legislation that would have modernized the management structure of the Liquor Control Board by providing it with a chief executive officer, which it currently lacks. The legislation also would have provided the agency with an integrated management structure. I believe both of these changes are needed before the

Liquor Control Board assumes additional enforcement responsibilities and substantially increases its staff. It simply does not make good management sense to burden an agency with more duties without first making the basic structural and organizational changes that will better enable it to handle those duties.

For these reasons, I have vetoed Senate Bill No. 5560 in its entirety.

Respectfully submitted,  
Booth Gardner, Governor
