POINT OF ORDER

Senator Talmadge: "A point of order, Mr. President. I believe the committee amendment by the Committee on Government Operations expands the scope and object of Engrossed Substitute House Bill No. 2676. This is a bill whose title is an act relating to the restructuring of boards, commissions, committees and councils. I know the President is not bound by the title of the act, but I think it is an indication of precisely what was intended by the House of Representatives. The bill is meant to look at restructuring and dealing with the existing boards and commissions of the state and eliminating some and consolidating some of them and so forth.

"However, in the bill as it came out of the Committee on Government Operations, two provisions were added to the bill, one that relates to the licensure of acupuncture which is found in Section 502 and thereafter in the bill. This is not a matter of restructuring boards and councils, but rather a matter of scope of practice of that particular profession. That section of the bill relates to the scope of practice of acupuncture which changes it from, I believe, from the certification of licensure. Subsequently in the bill, there is a whole new section of licensure-related activities relating to athletic trainers. This is not a restructuring of a board, but it is licensing for the first time a whole new profession under Washington law.

"I believe for that reason, the addition of these two sections relating to additions to scope of practice and licensure of a whole new profession change the scope and object of a bill that was designed to restructure and consolidate certain boards and commissions of the state. The President will note in the committee amendment, there are some sections which speak to the scope of practice of some of the professions. Those changes were made only insofar as it was necessary to carry out the collapsing of

various existing professional organizations into new structures under the original House Bill and did not alter in any fashion or form the scope of practice of the professions that were involved.

"I believe, therefore, Mr. President, the amendment does expand the scope and object of the bill and I would note that there are a number of other amendments to follow that all relate to scope of practice. A bill that was meant to be something that dealt with consolidating boards and commissions becomes an omnibus scope of practice bill for the health care professions and others."

There being no objection, the President deferred further consideration of Engrossed Substitute House Bill No. 2676.

PARLIAMENTARY INQUIRY

Senator Newhouse: "The effect of the challenge means that the committee striking amendment is challenged and all subsequent amendments, is that what--"

REPLY BY THE PRESIDENT:

President Pritchard: "No, we can only challenge--we can only take up the amendment that is before us."

"NEW SECTION. Sec. 1. A new section is added to chapter 41.32 RCW under the subchapter hearing "Plan I" to read as follows:

The dollar amount of the temporary postretirement allowance adjustment granted by section 1, chapter 519, Laws of 1993 shall be provided as a permanent retirement allowance adjustment as of July 1, 1995.

Sec. 2. RCW 41.32.010 and 1993 c 95 s 7 are each amended to read as follows:

As used in this chapter, unless a different meaning is plainly required by the context:

(1)(a) "Accumulated contributions" for plan I members, means the sum of all regular annuity contributions with regular interest thereon.

(b) "Accumulated contributions" for plan II members, means the sum of all contributions standing to the credit of a member in the member's individual account together with the regular interest thereon.

(2) "Actuarial equivalent" means a benefit of equal value when computed upon the basis of such mortality tables and regulations as shall be adopted by the director and regular interest.

(4) "Member reserve" means the fund in which all of the accumulated contributions of members are held.

(5)(a) "Beneficiary" for plan I members, means any person in receipt of a retirement allowance or other benefit provided by this chapter.

(b) "Beneficiary" for plan II members, means any person in receipt of a retirement allowance or other benefit provided by this chapter resulting from service rendered to an employer by another person.

(A) Retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation and the individual shall receive the equivalent service credit.

(B) If a leave of absence, without pay, is taken by a member for the purpose of serving as a member of the state legislature, and such member has served in the legislature five or more years, the salary which would have been received for the position from which the leave of absence was taken shall be considered as compensation earnable if the employee's contribution thereon is paid by the employee. In addition, where a member has been a member of the state legislature for five or more years, earnable compensation for the member's two highest compensated consecutive years of service shall include a sum not to exceed thirty-six hundred dollars for each of such two consecutive years, regardless of whether or not legislative service was rendered during those two years.

(ii) For members employed less than full time under written contract with a school district, or community college district, in an instructional position, for which the member receives service credit of less than one year in all of the years used to determine the earnable compensation used for computing benefits due under RCW 41.32.497, 41.32.498, and 41.32.520, the member may elect to have earnable compensation defined as provided in RCW 41.32.345. (b) "Earnable compensation" for plan II members, means salaries or wages earned by a member during a payroll period for personal services, including overtime payments, and shall include wages and salaries deferred under provisions established pursuant to sections 403(b), 414(h), and 457 of the United States Internal Revenue Code, but shall exclude lump sum payments for deferred annual sick leave, unused accumulated vacation, unused accumulated annual leave, or any form of severance pay.

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation, to the extent provided above, and the individual shall receive the equivalent service credit.

(A) The earnable compensation the member would have received had such member not served in the legislature; or

Any student enrolled at a state institution of higher education as defined in RCW 28B.10.016 who is paying resident tuition under this section, and who has not established domicile in the state of Washington at least one year before enrollment, shall not be included in any calculation of state-funded enrollment for budgeting purposes, and no state general fund moneys shall be appropriated to a state institution of higher education for the support of such student.

Sec. 4. RCW 28B.15.012 and 1993 sp.s. c 18 s 4 are each amended to read as follows:

Whenever used in chapter 28B.15 RCW:

- (1) The term "institution" shall mean a public university, college, or community college within the state of Washington.
- (2) The term "resident student" shall mean: (a) A financially independent student who has had a domicile in the state of Washington for the period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution and has in fact established a bona fide domicile in this state primarily for purposes other than educational; (b) a dependent student, if one or both of the student's parents or legal guardians have maintained a bona fide domicile in the state of Washington for at least one year

immediately prior to commencement of the semester or quarter for which the student has registered at any institution; (c) a student classified as a resident based upon domicile by an institution on or before May 31, 1982, who was enrolled at a state institution during any term of the 1982-1983 academic year, so long as such student's enrollment (excepting summer sessions) at an institution in this state is continuous; (d) any student who has spent at least seventy-five percent of both his or her junior and senior years in high schools in this state, whose parents or legal guardians have been domiciled in the state for a period of at least one year within the five-year period before the student graduates from high school, and who enrolls in a public institution of higher education within six months of leaving high school, for as long as the student remains continuously enrolled for three quarters or two semesters in any calendar year; ((ef)) (e) a student who is the spouse or a dependent of a person who is on active military duty stationed in the state; or (f) a student who meets the requirements of section 3 of this act: PROVIDED, That a nonresident student enrolled for more than six hours per semester or quarter shall be considered as attending for primarily educational purposes, and for tuition and fee paying purposes only such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that the student has in fact established a bona fide domicile in this state primarily for purposes other than educational.

(3) The term "nonresident student" shall mean any student who does not qualify as a "resident student" under the provisions of RCW 28B.15.012 and 28B.15.013. A nonresident student shall include:

(a) A student attending an institution with the aid of financial assistance provided by another state or governmental unit or agency thereof, such nonresidency continuing for one year after the completion of such semester or quarter.

(b) A person who is not a citizen of the United States of America who does not have permanent or temporary resident status or does not hold "Refugee-Parolee" or "Conditional Entrant" status with the United States immigration and naturalization service or is not otherwise permanently residing in the United States under color of law and who does not also meet and comply with all the applicable requirements in RCW 28B.15.012 and 28B.15.013.

(4) The term "domicile" shall denote a person's true, fixed and permanent home and place of habitation. It is the place where the student intends to remain, and to which the student expects to return when the student leaves without intending to establish a new domicile elsewhere. The burden of proof that a student, parent or guardian has established a domicile in the state of Washington primarily for purposes other than educational lies with the student.

(5) The term "dependent" shall mean a person who is not financially independent. Factors to be considered in determining whether a person is financially independent shall be set forth in rules and regulations adopted by the higher education coordinating board and shall include, but not be limited to, the state and federal income tax returns of the person and/or the student's parents or legal guardian filed for the calendar year prior to the year in which application is made and such other evidence as the board may require."

POINT OF INQUIRY

Senator McDonald: "Senator Bauer, I was just trying to get--this is a very lengthy bill. It says 'tuitions and fees at four year institutions.' It looks to me as if you are allowing them to set it at the institution and maybe you can clarify that."

Senator Bauer: "Senator McDonald, that was the original bill, college-promised tuition setting at each institution. That all is stricken; the only two things left then in the striker, other than what we added here on the floor, was to allow for reciprocity for students that were in their under-graduate programs and the native American piece. That is the only thing that's left in the striker other than what we put on the floor in amendments."

This requirement also applies to purchases and contracts for purchases and sales executed by agencies, including educational institutions, under delegated authority granted in accordance with provisions of RCW 43.19.190 or under RCW 28B.10.029. However, formal sealed bidding is not necessary for:

(2) Purchases not exceeding ~~((five))~~ one hundred thousand dollars, or subsequent limits as calculated by the office of financial management: PROVIDED, That the state director of general administration shall establish procedures to assure that purchases made by or on behalf of the various state agencies shall not be made so as to avoid the ~~((five))~~ one hundred thousand dollar bid limitation, or subsequent bid limitations as calculated by the office of financial management: PROVIDED FURTHER, That the state purchasing and material control director is authorized to reduce the formal sealed bid limits of ~~((five))~~ one hundred thousand dollars, or subsequent limits as calculated by the office of financial management, to a lower dollar amount for purchases by individual state agencies if considered necessary to maintain full disclosure of competitive procurement or otherwise to achieve overall state efficiency and economy in purchasing and material control. The agency shall invite at least one quotation each from a certified minority and a certified women-owned vendor who shall otherwise qualify to perform such work. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. A record of competition for all such purchases from four hundred dollars to ~~((five))~~ one hundred thousand dollars, or subsequent limits as calculated by the office of financial management, shall be documented for audit purposes ~~((on a standard state form approved by the forms management center under the provisions of RCW 43.19.510)).~~ Purchases up to four hundred dollars may be made without competitive bids based on buyer experience and knowledge of the market in achieving maximum quality at minimum cost: PROVIDED, That this four hundred dollar direct buy limit without competitive bids may be increased incrementally as required to a maximum of eight hundred dollars with the approval of at least ten of the members of the state supply management advisory board, if warranted by increases in purchasing costs due to inflationary trends;

(3) Purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation;

(4) Purchases of insurance and bonds by the risk management office under RCW 43.19.1935;

(5) Purchases and contracts for vocational rehabilitation clients of the department of social and health services: PROVIDED, That this exemption is effective only when the state purchasing and material control director, after consultation with the director of the division of vocational rehabilitation and appropriate department of social and health services procurement personnel, declares that such purchases may be best executed through direct negotiation with one or more suppliers in order to expeditiously meet the special needs of the state's vocational rehabilitation clients;

(6) Purchases by universities for hospital operation or biomedical teaching or research purposes and by the state purchasing and material control director, as the agent for state hospitals as defined in RCW 72.23.010, and for health care programs provided in state correctional institutions as defined in RCW 72.65.010(3) and veterans' institutions as defined in RCW 72.36.010 and 72.36.070, made by participating in contracts for materials, supplies, and equipment entered into by nonprofit cooperative hospital group purchasing organizations;

For purchases between two thousand five hundred dollars and one hundred thousand dollars, each institution of higher education shall invite at least one quotation each from a certified minority and a certified women-owned contractor who shall otherwise qualify to perform such work. A record of competition for all such purchases made from two thousand five hundred to ~~((fifteen))~~ one hundred thousand dollars shall be documented for audit purposes; and

(8) Beginning on July 1, 1995, and on July 1 of each succeeding odd-numbered year, the dollar limits specified in this section shall be adjusted as follows: The office of financial management shall calculate such limits by adjusting the previous biennium's limits by the appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest one hundred dollars.

Providing protection for residents of long-term care facilities.

The bill was read the second time.

MOTIONS

On motion of Senator Talmadge, the following Committee on Health and Human Services amendment was adopted:
Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. INTENT. The legislature recognizes that long-term care facilities are a critical part of the state's long-term care services system. It is the intent of the legislature that individuals who reside in long-term care facilities receive appropriate services, be treated with courtesy, and continue to enjoy their basic civil and legal rights.

It is also the intent of the legislature that long-term care facility residents have the opportunity to exercise reasonable control over life decisions. The legislature finds that choice, participation, privacy, and the opportunity to engage in religious, political, civic, recreational, and other social activities foster a sense of self-worth and enhance the quality of life for long-term care residents.

The legislature finds that the public interest would be best served by providing the same basic resident rights in all long-term care settings. Residents in nursing facilities are guaranteed certain rights by federal law and regulation, 42 U.S.C. 1396r and 42 C.F.R. part 483. It is the intent of the legislature to extend those basic rights to residents in veterans' homes, boarding homes, and adult family homes.

The legislature intends that a facility should care for its residents in a manner and in an environment that promotes maintenance or enhancement of each resident's quality of life. A resident should have a safe, clean, comfortable, and homelike environment, allowing the resident to use his or her personal belongings to the extent possible.

On motion of Senator Talmadge, the following title amendment was adopted:

MOTION

On motion of Senator Talmadge, the rules were suspended, Engrossed Second Substitute House Bill No. 2154, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

POINT OF INQUIRY

Senator Roach: "Senator Talmadge, you mentioned that you were concerned about a bill of rights for those that were in our institutions or in our homes and so the question comes up as stated in our summary, 'The prohibition against hiring persons who are barred from employment because of prior convictions for certain offenses is removed.' I am curious as to what that actually means."

Senator Talmadge: "What it means, Senator, is that it is already dealt with in another provision of Washington Code. There is no need to have it restated here."

Senator Roach: "Well, possibly if we are removing some of these prohibitions that we might want to put the prohibitions back in. If we are talking about the rights that patients have, those that are least capable of caring for themselves--that need to be protected. I am wondering why we don't put those prohibitions back in this bill."

Senator Talmadge: "Well, Senator, let me give you a specific example. I appreciate your interest at this point. I don't think the members of the Senate intended that for every action in terms of changing rooms in a facility--if a person was moved from

one room to another in a nursing-care facility, under the bill as it came over to us from the House of Representatives, that individual's lawyer would have to be notified. I don't think anybody intended that their legal representative be notified if somebody was changed from one bed to another in a facility--or one room to another. There should certainly be a notification to the family, but the idea of involving the legal profession in notification of every activity with respect to a patient seemed to be to us rather an extreme concept that the House had in the original bill."

Senator Roach: "Senator Talmadge, what kinds of prior convictions are we now going to--those individuals--going to allow--serve--this particular clientele?"

Senator Talmadge: "Senator, as I mentioned before that provision is already in Washington Code. Individuals that have prior convictions cannot serve people in long-term care. It didn't need to be restated here, where it was restated in very general terms as compared to the Code, which makes it very explicit as to the circumstances under which people can be employed to provide services to people in long-term care."

Senator Roach: "Was this discussed in committee?"

Senator Talmadge: "Indeed it was."

Senator Roach: "Thank you."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Second Substitute House Bill No. 2154, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Second Substitute House Bill No. 2154, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 49; Nays, 0; Absent, 0; Excused, 0.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2154, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

MOTIONS

Senator Owen moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is in the best interests of the citizens of the state of Washington to insure the highest degree of environmental protection while allowing the proper development and use of its natural resources, including its mineral resources. Metals mining can have significant positive and adverse impacts on the state and on local communities. The purpose of this chapter is to assure that metals mineral mining or milling operations are designed, constructed, and operated in a manner that promotes both economic opportunities and environmental and public health safeguards for the citizens of the state. It is the intent of the legislature to create a regulatory framework which yields, to the greatest extent possible, a metals mining industry that is compatible with these policies.

NEW SECTION. Sec. 2. The definitions set forth in this section apply throughout this chapter.

(1) "Metals mining and milling operation" means a mining operation extracting from the earth precious or base metal ore and processing the ore by treatment or concentration in a milling facility. It also refers to an expansion of an existing operation or any new metals mining operation if the expansion or new mining operation is likely to result in a significant, adverse environmental impact pursuant to the provisions of chapter 43.21C RCW.

The extraction of dolomite, sand, gravel, aggregate, limestone, magnesite, silica rock, and zeolite or other nonmetallic minerals; and placer mining; and the smelting of aluminum are not metals mining and milling operations regulated under this chapter.

(2) "Milling" means the process of grinding or crushing ore and extracting the base or precious metal by chemical solution, electro winning, or flotation processes.

(3) "Heap leach extraction process" means the process of extracting base or precious metal ore by percolating solutions through ore in an open system and includes reprocessing of previously milled ore. The heap leach extraction process does not include leaching in a vat or tank.

(4) "In situ extraction" means the process of dissolving base or precious metals from their natural place in the geological setting and retrieving the solutions from which metals can be recovered.

(5) "Regulated substances" means any materials regulated under a waste discharge permit pursuant to the requirements of chapter 90.48 RCW and/or a permit issued pursuant to chapter 70.94 RCW.

(6) "To mitigate" means: (a) To avoid the adverse impact altogether by not taking a certain action or parts of an action; (b) to minimize adverse impacts by limiting the degree or magnitude of the action and its implementation, by using appropriate technology or by taking affirmative steps to avoid or reduce impacts; (c) to rectify adverse impacts by repairing, rehabilitating, or restoring the affected environment; (d) to reduce or eliminate adverse impacts over time by preservation and maintenance operations during the life of the action; (e) to compensate for the impact by replacing, enhancing, or providing substitute resources or environments; or (f) to monitor the adverse impact and take appropriate corrective measures.

NEW SECTION. Sec. 3. Metals mining and milling operations are subject to the requirements of this chapter in addition to the requirements established in other statutes and rules.

NEW SECTION. Sec. 4. The department of ecology shall require each applicant submitting a checklist pursuant to chapter 43.21C RCW for a metals mining and milling operation to disclose the ownership and each controlling interest in the proposed operation. The applicant shall also disclose all other mining operations within the United States which the applicant operates or in which the applicant has an ownership or controlling interest. In addition, the applicant shall disclose and may enumerate and describe the circumstances of: (1) Any past or present bankruptcies involving the ownerships and their subsidiaries, (2) any abandonment of sites regulated by the model toxics control act, chapter 70.105D RCW, or other similar state remedial cleanup programs, or the federal comprehensive environmental response, compensation, and liability act, 42 U.S.C. Sec. 9601 et seq., as amended, (3) any penalties in excess of ten thousand dollars assessed for violations of the provisions of 33 U.S.C. Sec. 1251 et seq. or 42 U.S.C. Sec. 7401 et seq., and (4) any previous forfeitures of financial assurance due to noncompliance with reclamation or remediation requirements. This information shall be available for public inspection and copying at the department of ecology. Ownership or control of less than ten percent of the stock of a corporation shall not by itself constitute ownership or a controlling interest under this section.

NEW SECTION. Sec. 5. (1) An environmental impact statement must be prepared for any proposed metals mining and milling operation. The department of ecology shall be the lead agency in coordinating the environmental review process under chapter 43.21C RCW and in preparing the environmental impact statement, except for uranium and thorium operations regulated under Title 70 RCW.

(2) As part of the environmental review of metals mining and milling operations regulated under this chapter, the applicant shall provide baseline data adequate to document the premining conditions at the proposed site of the metals mining and milling operation. The baseline data shall contain information on the elements of the natural environment identified in rules adopted pursuant to chapter 43.21C RCW.

(3) The department of ecology, after consultation with the department of fish and wildlife, shall incorporate measures to mitigate significant probable adverse impacts to fish and wildlife as part of the department of ecology's permit requirements for the proposed operation.

(4) In conducting the environmental review and preparing the environmental impact statement, the department of ecology shall cooperate with all affected local governments to the fullest extent practicable.

NEW SECTION. Sec. 6. The department of ecology will appoint a metals mining coordinator. The coordinator will maintain current information on the status of any metals mining and milling operation regulated under this chapter from the preparation of the environmental impact statement through the permitting, construction, operation, and reclamation phases of the project or until the proposal is no longer active. The coordinator shall also maintain current information on postclosure activities. The coordinator will act as a contact person for the applicant, the operator, and interested members of the public. The coordinator may also assist agencies with coordination of their inspection and monitoring responsibilities.

NEW SECTION. Sec. 7. (1) State agencies with the responsibility for inspecting metals mining and milling operations regulated under this chapter shall conduct such inspections at least quarterly: PROVIDED, That the inspections are not prevented by inclement weather conditions.

(2) The legislature encourages state agencies with inspection responsibilities for metals mining and milling operations regulated under this chapter to explore opportunities for cross-training of inspectors among state agencies and programs. This cross-training would be for the purpose of meeting the inspection responsibilities of these agencies in a more efficient and cost-effective manner. If doing so would be more efficient and cost-effective, state agency inspectors are also encouraged to coordinate inspections with federal and local government inspectors as well as with one another.

NEW SECTION. Sec. 8. (1) The metals mining account is created in the state treasury. Expenditures from this account are subject to appropriation. Expenditures from this account may only be used for: (a) The additional inspections of metals mining and milling operations required by section 7 of this act and (b) the metals mining coordinator established in section 6 of this act.

(2) (a) As part of its normal budget development process and in consultation with the metals mining industry, the department of ecology shall estimate the costs required for the department to meet its obligations for the additional inspections of metals mining and milling operations

required by chapter . . . , Laws of 1994 (this act). The department shall also estimate the cost of employing the metals mining coordinator established in section 6 of this act.

(b) As part of its normal budget development process and in consultation with the metals mining industry, the department of natural resources shall estimate the costs required for the department to meet its obligations for the additional inspections of metals mining and milling operations required by chapter . . . , Laws of 1994 (this act).

(3) Based on the cost estimates generated by the department of ecology and the department of natural resources, the department of revenue shall establish the amount of a fee to be paid by each active metals mining and milling operation regulated under this chapter. The fee shall be established at a level to fully recover the direct and indirect costs of the agency responsibilities identified in subsection (2) of this section. The amount of the fee for each operation shall be proportional to the number of visits required per site. Each applicant for a metals mining and milling operation shall also be assessed the fee based on the same criterion. The department of revenue may adjust the fees established in this subsection if unanticipated activity in the industry increases or decreases the amount of funding necessary to meet agencies' inspection responsibilities.

(4) The department of revenue shall collect the fees established in subsection (3) of this section. Chapter 82.32 RCW, insofar as applicable, applies to the fees imposed under this section. All moneys paid to the department of revenue from these fees shall be deposited into the metals mining account.

(5) This section shall take effect July 1, 1995, unless the legislature adopts an alternative approach based on the recommendations of the metals mining advisory group established in section 26 of this act.

NEW SECTION. Sec. 9. (1) In the processing of an application for an initial waste discharge permit for a tailings facility pursuant to the requirements of chapter 90.48 RCW, the department of ecology shall consider site-specific criteria in determining a preferred location of tailings facilities of metals mining and milling operations and incorporate the requirements of all known available and reasonable methods in order to maintain the highest possible standards to insure the purity of all waters of the state in accordance with the public policy identified by RCW 90.48.010.

In implementing the siting criteria, the department shall take into account the objectives of the proponent's application relating to mining and milling operations. These objectives shall consist of, but not be limited to (a) operational feasibility, (b) compatibility with optimum tailings placement methods, (c) adequate volume capacity, (d) availability of construction materials, and (e) an optimized embankment volume.

(2) To meet the mandate of subsection (1) of this section, siting of tailings facilities shall be accomplished through a two-stage process that consists of a primary alternatives screening phase, and a secondary technical site investigation phase.

(3) The primary screening phase will consist of, but not be limited to, siting criteria based on considerations as to location as follows:

- (a) Proximity to the one hundred year flood plain, as indicated in the most recent federal emergency management agency maps;
- (b) Proximity to surface and ground water;
- (c) Topographic setting;
- (d) Identifiable adverse geologic conditions, such as landslides and active faults; and
- (e) Visibility impacts of the public generally and residents more particularly.

(4) The department of ecology, through the primary screening process, shall reduce the available tailings facility sites to one or more feasible locations whereupon a technical site investigation phase shall be conducted by the department for the purpose of verifying the adequacy of the remaining potential sites. The technical site investigations phase shall consist of, but not be limited to, the following:

- (a) Soil characteristics;
- (b) Hydrologic characteristics;
- (c) A local and structural geology evaluation, including seismic conditions and related geotechnical investigations;
- (d) A surface water control analysis; and
- (e) A slope stability analysis.

(5) Upon completion of the two phase evaluation process set forth in this section, the department of ecology shall issue a site selection report on the preferred location. This report shall address the above criteria as well as analyze the feasibility of reclamation and stabilization of the tailings facility. The siting report may recommend mitigation or engineering factors to address siting concerns. The report shall be developed in conjunction with the preparation of and contained in an environmental impact statement prepared pursuant to chapter 43.21C RCW. The report may be utilized by the department of ecology for the purpose of providing information related to the suitability of the site and for ruling on an application for a waste discharge permit.

(6) The department of ecology may, at its discretion, require the applicant to provide the information required in either phase one or phase two as described in subsections (3) and (4) of this section.

NEW SECTION. Sec. 10. (1) In order to receive a waste discharge permit from the department of ecology pursuant to the requirements of chapter 90.48 RCW or in order to operate a metals mining and milling tailing facility, an applicant proposing a metals mining and milling operation regulated under this chapter must meet the following additional requirements:

- (a) Any tailings facility shall be designed and operated to prevent the release of pollution and must meet the following standards:
 - (i) Operators shall apply all known available and reasonable technology to limit the concentration of potentially toxic materials in the tailings facility to assure the protection of wildlife and human health;

(ii) The tailings facility shall have a containment system that includes an engineered liner system, leak detection and leak collection elements, and a seepage collection impoundment to assure that a leak of any regulated substance under chapter 90.48 RCW will be detected before escaping from the containment system. The design and management of the facility must ensure that any leaks from the tailings facility are detected in a manner which allows for remediation pursuant to chapter 90.48 RCW. The applicant shall prepare a detailed engineering report setting forth the facility design and construction. The applicant shall submit the report to the department of ecology for its review and approval of a design as determined by the department. Natural conditions, such as depth to ground water or net rainfall, shall be taken into account in the facility design, but not in lieu of the protection required by the engineered liner system;

(iii) The toxicity of mine or mill tailings and the potential for long-term release of regulated substances from mine or mill tailings shall be reduced to the greatest extent practicable through stabilization, removal, or reuse of the substances; and

(iv) The closure of the tailings facility shall provide for isolation or containment of potentially toxic materials and shall be designed to prevent future release of regulated substances contained in the impoundment;

(b) The applicant must develop a waste rock management plan approved by the department of ecology and the department of natural resources which emphasizes pollution prevention. At a minimum, the plan must contain the following elements:

(i) An accurate identification of the acid generating properties of the waste rock;

(ii) A strategy for encapsulating potentially toxic material from the environment, when appropriate, in order to prevent the release of heavy metals and acidic drainage; and

(iii) A plan for reclaiming and closing waste rock sites which minimizes infiltration of precipitation and runoff into the waste rock and which is designed to prevent future releases of regulated substances contained within the waste rock;

(c) If an interested citizen or citizen group so requests of the department of ecology, the metals mining and milling operator or applicant shall work with the department of ecology and the interested party to make arrangements for citizen observation and verification in the taking of required water samples. While it is the intent of this subsection to provide for citizen observation and verification of water sampling activities, it is not the intent of this subsection to require additional water sampling and analysis on the part of the mining and milling operation or the department. The citizen observation and verification program shall be incorporated into the applicant's, operator's, or department's normal sampling regimen and shall occur at least once every six months. There is no duty of care on the part of the state or its employees to any person who participates in the citizen observation and verification of water sampling under chapter . . . , Laws of 1994 (this act) and the state and its employees shall be immune from any civil lawsuit based on any injuries to or claims made by any person as a result of that person's participation in such observation and verification of water sampling activities. The metals mining and milling operator or applicant shall not be liable for any injuries to or claims made by any person which result from that person coming onto the property of the metals mining and milling operator or applicant as an observer pursuant to chapter . . . , Laws of 1994 (this act). The results from these and all other relevant water sampling activities shall be kept on file with the relevant county and shall be available for public inspection during normal working hours; and

(d) An operator or applicant for a metals mining and milling operation must complete a voluntary reduction plan in accordance with RCW 70.95C.200.

(2) Only those tailings facilities constructed after the effective date of this section must meet the requirement established in subsection (1) (a) of this section. Only those waste rock holdings constructed after the effective date of this section must meet the requirement established in subsection (1) (b) of this section.

NEW SECTION. Sec. 11. (1) The department of ecology and the department of natural resources shall not issue necessary permits to an applicant for a metals mining and milling operation until the applicant has deposited with the department of ecology a performance security which is acceptable to both agencies based on the requirements of subsection (2) of this section. This performance security may be:

(a) Bank letters of credit acceptable to both agencies;

(b) A cash deposit;

(c) Negotiable securities acceptable to both agencies;

(d) An assignment of a savings account;

(e) A savings certificate in a Washington bank; or

(f) A corporate surety bond executed in favor of the department of ecology by a corporation authorized to do business in the state of Washington under Title 48 RCW and acceptable to both agencies.

The agencies may, for any reason, refuse any performance security not deemed adequate.

(2) The performance security shall be conditioned on the faithful performance of the applicant or operator in meeting the following obligations:

(a) Compliance with the laws of the state of Washington pertaining to metals mining and milling operations and with the related rules and permit conditions established by state and local government with respect to those operations as defined in RCW 78.44.031(17) and the construction, operation, reclamation, and closure of a metals mining and milling operation;

(b) Postclosure environmental monitoring as determined by the department of ecology and the department of natural resources; and

(c) Provision of sufficient funding for cleanup of potential problems revealed during or after closure.

(3) The department of ecology and the department of natural resources shall jointly adopt rules for determining the amount of the performance security, requirements for the performance security, requirements for the issuer of the performance security, and any other requirements necessary for the implementation of this section.

(4) The department of ecology and the department of natural resources, acting jointly, may increase or decrease the amount of the performance security at any time to compensate for any alteration in the operation that affects meeting the obligations in subsection (2) of this section. At a minimum, the agencies shall jointly review the adequacy of the performance security every two years.

(5) Liability under the performance security shall be maintained until the obligations in subsection (2) of this section are met to the satisfaction of the department of ecology and the department of natural resources. Liability under the performance security may be released only upon written notification by the department of ecology, with the concurrence of the department of natural resources.

(6) Any interest or appreciation on the performance security shall be held by the department of ecology until the obligations in subsection (2) of this section have been met to the satisfaction of the department of ecology and the department of natural resources. At such time, the interest shall be remitted to the operator. However, if the applicant or operator fails to comply with the obligations of subsection (2) of this section, the interest or appreciation may be used by either agency to comply with the obligations.

NEW SECTION. Sec. 12. The department of ecology may, with staff, equipment, and material under its control, or by contract with others, remediate or mitigate any impact of a metals mining and milling operation when it finds that the operator or permit holder has failed to comply with relevant statutes, rules, or permits, and the operator or permit holder has failed to take adequate or timely action to rectify these impacts.

If the department intends to remediate or mitigate such impacts, the department shall issue an order to submit performance security requiring the permit holder or surety to submit to the department the amount of moneys posted pursuant to chapter . . . , Laws of 1994 (this act). If the amount specified in the order to submit performance security is not paid within twenty days after issuance of the notice, the attorney general upon request of the department shall bring an action on behalf of the state in a superior court to recover the amount specified and associated legal fees.

The department may proceed at any time after issuing the order to submit performance security to remediate or mitigate adverse impacts.

The department shall keep a record of all expenses incurred in carrying out any remediation or mitigation activities authorized under this section, including:

- (1) Remediation or mitigation;
- (2) A reasonable charge for the services performed by the state's personnel and the state's equipment and materials utilized; and
- (3) Administrative and legal expenses related to remediation or mitigation.

The department shall refund to the surety or permit holder all amounts received in excess of the amount of expenses incurred. If the amount received is less than the expenses incurred, the attorney general, upon request of the department of ecology, may bring an action against the permit holder on behalf of the state in the superior court to recover the remaining costs listed in this section.

If the department of natural resources finds that reclamation has not occurred according to the standards required under chapter 78.44 RCW in a metals mining and milling operation, then the department of natural resources may cause reclamation to occur pursuant to RCW 78.44.240. Upon approval of the department of ecology, the department of natural resources may reclaim part or all of the metals mining and milling operation using that portion of the surety posted pursuant to chapter . . . , Laws of 1994 (this act) that has been identified for reclamation.

NEW SECTION. Sec. 13. (1) The legislature finds that the construction and operation of large-scale metals mining and milling facilities may create new job opportunities and enhance local tax revenues. However, the legislature also finds that such operations may also result in new demands on public facilities owned and operated by local government entities, such as public streets and roads; publicly owned parks, open space, and recreation facilities; school facilities; and fire protection facilities in jurisdictions that are not part of a fire district. It is important for these economic impacts to be identified as part of any proposal for a large-scale metals mining and milling operation. It is then appropriate for the county legislative authority to balance expected revenues, including revenues derived from taxes paid by the owner of such an operation, and costs associated with the operation to determine to what degree any new costs require mitigation by the metals mining applicant.

(2) An applicant for a large-scale metals mining and milling operation regulated under this chapter must submit to the relevant county legislative authority an impact analysis describing the economic impact of the proposed mining operation on local governmental units. For the purposes of this section, a metals mining operation is large-scale if, in the construction or operation of the mine and the associated milling facility, the applicant and contractors at the site employ more than thirty-five persons during any consecutive six-month period. In determining the number of persons employed, only the following shall be included: Operators and nonadministration personnel; temporary personnel, personnel used for compliance with federal and state laws, and personnel required to meet regulatory requirements will not be included. The relevant county is the county in which the mine and mill are to be sited, unless the economic impacts to local governmental units are projected to substantially affect more than one county. In that case, the impact plan must be submitted to the legislative authority of all affected counties. Local governmental units include counties, cities, towns, school districts, and special purpose districts.

(3) The economic impact analysis shall include at least the following information:

- (a) A timetable for development of the mining operation, including the opening date of the operation and the estimated closing date;
- (b) The estimated number of persons coming into the impacted area as a result of the development of the mining operation;
- (c) An estimate of the increased capital and operating costs to local governmental units for providing services necessary as a result of the development of the mining operation; and

(d) An estimate of the increased tax or other revenues accruing to local governmental units as a result of development of the mining and milling operation.

(4) The county legislative authority of a county planning under chapter 36.70A RCW may assess impact fees under chapter 82.02 RCW to address economic impacts associated with development of the mining operation. The county legislative authority shall hold at least one public hearing on the economic impact analysis and any proposed mitigation measures.

(5) The county legislative authority of a county which is not planning under chapter 36.70A RCW may negotiate with the applicant on a strategy to address economic impacts associated with development of the mining operation. The county legislative authority shall hold at least one public hearing on the economic impact analysis and any proposed mitigation measures.

(6) The county legislative authority must approve or disapprove the impact analysis and any associated proposals from the applicant to address economic impacts to local governmental units resulting from development of the mining operation. If the applicant does not submit an adequate impact analysis to the relevant county legislative authority or if the county legislative authority does not find the applicant's proposals to be acceptable because of their failure to adequately mitigate adverse economic impacts, the county legislative authority shall refuse to issue any permits under its jurisdiction necessary for the construction or operation of the mine and associated mill.

(7) The requirements established in this section apply to metals mining operations under construction or constructed after the effective date of this section.

(8) The provisions of chapter 82.02 RCW shall apply to new mining and milling operations.

NEW SECTION. Sec. 14. (1) Except as provided in subsections (2) and (5) of this section, any aggrieved person may commence a civil action on his or her own behalf:

(a) Against any person, including any state agency or local government agency, who is alleged to be in violation of a law, rule, order, or permit pertaining to metals mining and milling operations regulated under chapter . . . , Laws of 1994 (this act);

(b) Against a state agency if there is alleged a failure of the agency to perform any nondiscretionary act or duty under state laws pertaining to metals mining and milling operations; or

(c) Against any person who constructs a metals mining and milling operation without the permits and authorizations required by state law.

The superior courts shall have jurisdiction to enforce metals mining laws, rules, orders, and permit conditions, or to order the state to perform such act or duty, as the case may be. In addition to injunctive relief, a superior court may award a civil penalty when deemed appropriate in an amount not to exceed ten thousand dollars per violation per day, payable to the state of Washington.

(2) No action may be commenced:

(a) Under subsection (1)(a) of this section:

(i) Prior to sixty days after the plaintiff has given notice of the alleged violation to the state, and to any alleged violator of a metals mining and milling law, rule, order, or permit condition; or

(ii) If the state has commenced and is diligently prosecuting a civil action in a court of the state or of the United States or is diligently pursuing authorized administrative enforcement action to require compliance with the law, rule, order, or permit. To preclude a civil action, the enforcement action must contain specific, aggressive, and enforceable timelines for compliance and must provide for public notice of and reasonable opportunity for public comment on the enforcement action. In any such court action, any aggrieved person may intervene as a matter of right; or

(b) Under subsection (1)(b) of this section prior to sixty days after the plaintiff has given notice of such action to the state.

(3)(a) Any action respecting a violation of a law, rule, order, or permit condition pertaining to metals mining and milling operations may be brought in the judicial district in which such operation is located or proposed.

(b) In such action under this section, the state, if not a party, may intervene as a matter of right.

(4) The court, in issuing any final order in any action brought pursuant to subsection (1) of this section, may award costs of litigation, including reasonable attorney and expert witness fees, to any prevailing party, wherever the court determines such award is appropriate. The court may, if a temporary restraining order or preliminary injunction is sought, require the filing of a bond or equivalent security in accordance with the rules of civil procedure.

(5) A civil action to enforce compliance with a law, rule, order, or permit may not be brought under this section if any other statute, or the common law, provides authority for the plaintiff to bring a civil action and, in such action, obtain the same relief, as authorized under this section, for enforcement of such law, rule, order, or permit. Nothing in this section restricts any right which any person, or class of persons, may have under any statute or common law to seek any relief, including relief against the state or a state agency.

NEW SECTION. Sec. 15. A milling facility which is not adjacent to or in the vicinity of the metals mining operation producing the ore to be milled and which processes precious or base metal ore by treatment or concentration is subject to the provisions of sections 1 through 9, 10(1) (a), (c) and (d), 11 through 14, 18, and 19 of this act and chapters 70.94, 70.105, 90.03, and 90.48 RCW and all other applicable laws. The smelting of aluminum does not constitute a metals milling operation under this section.

NEW SECTION. Sec. 16. (1) Until June 30, 1996, there shall be a moratorium on metals mining and milling operations using the heap leach extraction process. The department of natural resources and the department of ecology shall jointly review the existing laws and regulations pertaining to the heap leach extraction process for their adequacy in safeguarding the environment and shall report their findings to the legislature by December 30, 1994.

(2) Metals mining using the process of in situ extraction is permanently prohibited in the state of Washington.

NEW SECTION. Sec. 17. The department of ecology will work with the metals mining industry and relevant federal, state, and local governmental agencies to identify areas of regulatory overlap among regulators of mining and milling operations. The department will also identify possible solutions for eliminating or reducing regulatory overlap. The department will report back to the legislature on its findings and possible solutions by January 1, 1995.

NEW SECTION. Sec. 18. A new section is added to chapter 70.94 RCW to read as follows:

If a metals mining and milling operation is issued a permit pursuant to this chapter, then it will be subject to special inspection requirements. The department of ecology shall inspect these mining operations at least quarterly in order to ensure that the operation is in compliance with the conditions of any permit issued to it pursuant to this chapter. The department shall conduct additional inspections during the construction phase of the mining and milling operation in order to ensure compliance with this chapter.

NEW SECTION. Sec. 19. A new section is added to chapter 70.105 RCW to read as follows:

If a metals mining and milling operation is issued a permit pursuant to this chapter, then it will be subject to special inspection requirements. The department of ecology shall inspect these mining operations at least quarterly in order to ensure that the operation is in compliance with the conditions of any permit issued to it pursuant to this chapter. The department shall conduct additional inspections during the construction phase of the mining operation in order to ensure compliance with this chapter.

Sec. 20. RCW 90.03.350 and 1987 c 109 s 91 are each amended to read as follows:

Any person, corporation or association intending to construct or modify any dam or controlling works for the storage of ten acre feet or more of water, shall before beginning said construction or modification, submit plans and specifications of the same to the department for examination and approval as to its safety. Such plans and specifications shall be submitted in duplicate, one copy of which shall be retained as a public record, by the department, and the other returned with its approval or rejection endorsed thereon. No such dam or controlling works shall be constructed or modified until the same or any modification thereof shall have been approved as to its safety by the department. Any such dam or controlling works constructed or modified in any manner other than in accordance with plans and specifications approved by the department or which shall not be maintained in accordance with the order of the department shall be presumed to be a public nuisance and may be abated in the manner provided by law, and it shall be the duty of the attorney general or prosecuting attorney of the county wherein such dam or controlling works, or the major portion thereof, is situated to institute abatement proceedings against the owner or owners of such dam or controlling works, whenever he or she is requested to do so by the department.

A metals mining and milling operation regulated under chapter . . . , Laws of 1994 (this act) is subject to additional dam safety inspection requirements due to the special hazards associated with failure of a tailings pond impoundment. The department shall inspect these impoundments at least quarterly during the project's operation and at least annually thereafter for the postclosure monitoring period in order to ensure the safety of the dam or controlling works. The department shall conduct additional inspections as needed during the construction phase of the mining operation in order to ensure the safe construction of the tailings impoundment.

Sec. 21. RCW 90.48.090 and 1987 c 109 s 127 are each amended to read as follows:

The department or its duly appointed agent shall have the right to enter at all reasonable times in or upon any property, public or private, for the purpose of inspecting and investigating conditions relating to the pollution of or the possible pollution of any of the waters of this state.

The department shall have special inspection requirements for metals mining and milling operations regulated under chapter . . . , Laws of 1994 (this act). The department shall inspect these mining and milling operations at least quarterly in order to ensure compliance with the intent and any permit issued pursuant to this chapter. The department shall conduct additional inspections as needed during the construction phase of these mining operations in order to ensure compliance with this chapter.

Sec. 22. RCW 78.44.161 and 1993 c 518 s 25 are each amended to read as follows:

The department may order at any time an inspection of the disturbed area to determine if the miner or permit holder has complied with the reclamation permit, rules, and this chapter.

The department shall have special inspection requirements for metals mining and milling operations regulated under chapter . . . , Laws of 1994 (this act). The department shall inspect these mining operations at least quarterly, unless prevented by inclement weather conditions, in order to ensure that the permit holder is in compliance with the reclamation permit, rules, and this chapter. The department shall conduct additional inspections as needed during the construction phase of these mining operations in order to ensure compliance with the reclamation permit, rules, and this chapter.

Sec. 23. RCW 78.44.087 and 1993 c 518 s 15 are each amended to read as follows:

The department shall not issue a reclamation permit until the applicant has deposited with the department an acceptable performance security on forms prescribed and furnished by the department. A public or governmental agency shall not be required to post performance security nor shall a permit holder be required to post surface mining performance security with more than one state (~~(, local, or federal)~~) or local agency.

This performance security may be:

- (1) Bank letters of credit acceptable to the department;
- (2) A cash deposit;
- (3) Negotiable securities acceptable to the department;
- (4) An assignment of a savings account;

- (5) A savings certificate in a Washington bank on an assignment form prescribed by the department;
- (6) Assignments of interests in real property within the state of Washington; or
- (7) A corporate surety bond executed in favor of the department by a corporation authorized to do business in the state of Washington under Title 48 RCW and authorized by the department.

The performance security shall be conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules adopted under it.

The department shall have the authority to determine the amount of the performance security using a standardized performance security formula developed by the department. The amount of the security shall be determined by the department and based on the estimated costs of completing reclamation according to the approved reclamation plan or minimum standards and related administrative overhead for the area to be surface mined during (a) the next twelve-month period, (b) the following twenty-four months, and (c) any previously disturbed areas on which the reclamation has not been satisfactorily completed and approved.

The department may increase or decrease the amount of the performance security at any time to compensate for a change in the disturbed area, the depth of excavation, a modification of the reclamation plan, or any other alteration in the conditions of the mine that affects the cost of reclamation. The department may, for any reason, refuse any performance security not deemed adequate.

Liability under the performance security shall be maintained until reclamation is completed according to the approved reclamation plan to the satisfaction of the department unless released as hereinafter provided. Liability under the performance security may be released only upon written notification by the department. Notification shall be given upon completion of compliance or acceptance by the department of a substitute performance security. The liability of the surety shall not exceed the amount of security required by this section and the department's reasonable legal fees to recover the security.

Any interest or appreciation on the performance security shall be held by the department until reclamation is completed to its satisfaction. At such time, the interest shall be remitted to the permit holder; except that such interest or appreciation may be used by the department to effect reclamation in the event that the permit holder fails to comply with the provisions of this chapter and the costs of reclamation exceed the face value of the performance security.

Except as provided in this section, no other state agency or local government shall require performance security for the purposes of surface mine reclamation and only one agency of government shall require and hold the performance security. The department may enter into written agreements with federal agencies in order to avoid redundant bonding of surface mines straddling boundaries between federally controlled and other lands within Washington state.

~~(Notwithstanding any other provision of this section, nothing shall preclude the department of ecology from requiring a separate performance security for metallic minerals or uranium surface mines under any authority if any that may be presently vested in the department of ecology relating to such mines.)~~ The department and the department of ecology shall jointly require performance security for metals mining and milling operations regulated under chapter . . . , Laws of 1994 (this act).

Sec. 24. RCW 78.44.131 and 1993 c 518 s 20 are each amended to read as follows:

The need for, and the practicability of, reclamation shall control the type and degree of reclamation in any specific instance. Each permit holder shall comply with the minimum reclamation standards in effect on the date the permit was issued and any additional reclamation standards set forth in the approved reclamation plan. The department may modify, on a site specific basis, the minimum reclamation standards for metals mining and milling operations regulated under chapter . . . , Laws of 1994 (this act) in order to achieve the reclamation and closure objectives of that chapter. The basic objective of reclamation for these operations is the reestablishment on a continuing basis of vegetative cover, slope stability, water conditions, and safety conditions.

Reclamation activities, particularly those relating to control of erosion and mitigation of impacts of mining to adjacent areas, shall, to the extent feasible, be conducted simultaneously with surface mining, and in any case shall be initiated at the earliest possible time after completion of surface mining on any segment of the permit area.

All reclamation activities shall be completed not more than two years after completion or abandonment of surface mining on each segment of the area for which a reclamation permit is in force.

The department may by contract delegate enforcement of provisions of reclamation plans to counties, cities, and towns. A county, city, or town performing enforcement functions may not impose any additional fees on permit holders.

(3) The advisory group shall report its findings and its preferred alternative among the options identified in subsection (2)(d) of this section to the legislature by January 1, 1995.

NEW SECTION. Sec. 27. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1994, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION. Sec. 28. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 29. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and, with the exception of sections 6 through 8 and 18 through 22 of this act, shall take effect immediately.

Debate ensued.

POINT OF INQUIRY

Senator Oke: "Senator Owen, are you aware that there are currently EIS documents and permit applications being prepared on different mining proposals? Is it the intent of this legislation to have the Department of Ecology delay action on any proposal until the provisions of the bill are implemented?"

Senator Owen: "First, yes, I am aware and no, this bill was drafted after a thorough review of the state's mining regulations by a legislative advisory group. Our deliberations identified no flaws in the existing environmental review process that should require the Department of Ecology to postpone action on proposals until the provisions of the bill are implemented."

POINT OF INQUIRY

Senator Sellar: "Senator Owen, is it your understanding that the provisions of this bill are intended to affect the shut down of the Cannon Mine in Wenatchee?"

Senator Owen: "No, Senator Sellar, the Cannon Mine is an existing mine and its shut down has been under way for a year. This bill affects new mines and expansions of existing mines only."

Further debate ensued.

POINT OF INQUIRY

Senator Anderson: "Senator Owen, would the type of mining that Olivine does in my district, would that be subject to the provisions of this bill? They are not a new mine, but if they wanted to expand the mine would that be part of the provisions of this bill?"

Senator Owen: "I'm not familiar with this mine. Is it a metals's mine? What kind of mine is it?"

Senator Anderson: "They mine olivine; that's the product."

Senator Owen: "Olivine? No, it is exempted in the bill. It would not be affected by it. I don't recognize the name that you are saying, but my experts around here are informing me that is not one of the metals that are included in this mining act."

The President Pro Tempore declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 2521, as amended by the Senate.

The registrant may, within twenty-one days after receipt of that notice or intent, request a hearing on the refusal. NEW SECTION. Sec. 8. A seller of travel shall perform its duties reasonably and with ordinary care in providing travel services.

This determination can be made by the seller of travel either by use of an airline computer reservation system, or by written confirmation from the vendor whose program is being advertised.

It is the responsibility of the seller of travel to keep written or printed documentation of the steps taken to verify that the advertised offer was available at the time the advertising was placed. These records are to be maintained for at least two years after the placement of the advertisement.

Sec. 11. RCW 19.138.050 and 1986 c 283 s 5 are each amended to read as follows:

(1) If the transportation or other services contracted for are canceled ~~((the travel charter or tour operator)), or if the money is to be refunded for any reason, the seller of travel~~ shall ~~((return))~~ refund to the ~~((passenger within fourteen days after the cancellation all moneys paid for services not performed in accordance with the contract unless mutually acceptable alternative travel arrangements are provided))~~ person with whom it contracts for travel services, the money due the person within thirty days of receiving the funds from the vendor with whom the services were arranged. (3) When travel services are paid to a vendor and charged to a consumer's credit card by the seller of travel, and the arrangements are subsequently canceled by the consumer, the vendor, or the seller of travel, any refunds to the consumer's credit card must be applied for within ten days from the date of cancellation.

(4) The seller of travel shall not be obligated to refund any cancellation penalties imposed by the vendor with whom the services were arranged if these penalties were disclosed in the statement required under RCW 19.138.040.

For that purpose, the director shall have full and free access to the office and places of business of the seller of travel during regular business hours; and

(6) To do all things necessary to carry out the functions, powers, and duties set forth in this chapter.

NEW SECTION. **Sec. 13.** (1) A nonresident seller of travel soliciting business or selling travel in the state of Washington, by mail, telephone, or otherwise, either directly or indirectly, is deemed, absent any other appointment, to have appointed the director to be the seller of travel's true and lawful attorney upon whom may be served any legal process against that nonresident arising or growing out of a transaction involving travel services. That solicitation signifies the nonresident's agreement that process against the nonresident that is served as provided in this chapter is of the same legal force and validity as if served personally on the nonresident seller of travel.

(2) Service of process upon a nonresident seller of travel shall be made by leaving a copy of the process with the director. The fee for the service of process shall be determined by the director by rule. That service is sufficient service upon the nonresident if the plaintiff or plaintiff's attorney of record sends notice of the service and a copy of the process by certified mail before service or immediately after service to the defendant at the address given by the nonresident in a solicitation furnished by the nonresident, and the sender's post office receipt of sending and the plaintiff's or plaintiff's attorney's affidavit of compliance with this section are returned with the process in accordance with Washington superior court civil rules. Notwithstanding the foregoing requirements, however, once service has been made on the director as provided in this section, in the event of failure to comply with the requirement of notice to the nonresident, the court may order that notice be given that will be sufficient to apprise the nonresident.

NEW SECTION. **Sec. 14.** The director, in the director's discretion, may:

- (2) Publish information concerning a violation of this chapter or a rule adopted or order issued under this chapter; and

NEW SECTION. Sec. 16. If it appears to the director that a person has engaged in an act or practice constituting a violation of this chapter or a rule adopted or order issued under this chapter, the director may, in the director's discretion, issue an order directing the person to cease and desist from continuing the act or practice. Reasonable notice of an opportunity for a hearing shall be given. The director may issue a temporary order pending the hearing, which shall remain in effect until ten days after the hearing is held and which shall become final if the person to whom the notice is addressed does not request a hearing within fifteen days after the receipt of the notice.

NEW SECTION. Sec. 17. The attorney general, a county prosecuting attorney, the director, or any person may, in accordance with the law of this state governing injunctions, maintain an action in the name of this state to enjoin a person or entity selling travel services for which registration is required by this chapter without registration from engaging in the practice until the required registration is secured. However, the injunction shall not relieve the person or entity selling travel services without registration from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

NEW SECTION. Sec. 18. A person or business that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than twenty-five thousand dollars, that shall be paid to the department. For the purpose of this section, the superior court issuing an injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

NEW SECTION. Sec. 19. The director or individuals acting on the director's behalf are immune from suit in any action, civil or criminal, based on disciplinary proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

NEW SECTION. Sec. 20. (1) The director may assess against a person or organization that violates this chapter, or a rule adopted under this chapter, a civil penalty of not more than one thousand dollars for each violation.

(2) The person or organization shall be afforded the opportunity for a hearing, upon request made to the director within thirty days after the date of issuance of the notice of assessment. The hearing shall be conducted in accordance with chapter 34.05 RCW.

(3) A civil penalty shall be imposed by the court for each violation of this chapter in an amount not less than five hundred dollars nor more than two thousand dollars per violation.

(4) If a person fails to pay an assessment after it has become a final and unappealable order, or after the court has entered final judgment in favor of the state, the director may recover the amount assessed by action in the appropriate superior court. In the action, the validity and appropriateness of the final order imposing the penalty shall not be subject to review.

NEW SECTION. Sec. 21. The director may assess against a person or organization that violates this chapter, or a rule adopted under this chapter, the full amount of restitution as may be necessary to restore to a person an interest in money or property, real or personal, that may have been acquired by means of an act prohibited by or in violation of this chapter.

NEW SECTION. Sec. 22. In order to maintain or defend a lawsuit, a seller of travel must be registered with the department as required by this chapter and rules adopted under this chapter.

NEW SECTION. Sec. 23. The director may make public, on a periodic or other basis, the information as may be necessary or appropriate in the public interest concerning the registration, reports, and information filed with the director or any other matters to the administration and enforcement of this chapter.

NEW SECTION. Sec. 26. The legislature finds that the practices governed by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. Any violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair and deceptive act or practice and unfair method of competition in the conduct of trade or commerce in violation of RCW 19.86.020. Remedies provided by chapter 19.86 RCW are cumulative and not exclusive.

NEW SECTION. Sec. 27. In addition to any other penalties or remedies under chapter 19.86 RCW, a person who is injured by a violation of this chapter may bring an action for recovery of actual damages, including court costs and attorneys' fees. No provision in this chapter shall be construed to limit any right or remedy provided under chapter 19.86 RCW.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

The President declared the question before the Senate to be the motion by Senator Moore that the Committee on Labor and Commerce striking amendment to Engrossed Substitute House Bill No. 2688 not be adopted.

The motion by Senator Moore carried and the Committee on Labor and Commerce striking amendment to Engrossed Substitute House Bill No. 2688 was not adopted.

MOTION

Senator Prentice moved that the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 19.138.010 and 1986 c 283 s 1 are each amended to read as follows:

The legislature finds and declares that advertising, sales, and business practices of certain (~~travel charter or tour operators~~) sellers of travel have worked financial hardship upon the people of this state; that the travel business has a significant impact upon the economy and well-being of this state and its people; that problems have arisen regarding certain (~~segments of the travel charter or tour operator business~~) sales of travel; and that the public welfare requires (~~regulation~~) registration of (~~travel charter or tour operators~~) sellers of travel in order to eliminate unfair advertising, sales and business practices. The legislature further finds it necessary to establish standards that will safeguard the people against financial hardship and to encourage fair dealing and prosperity in the travel business.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(4) "Travel services" includes transportation by air, sea, or rail ground transportation, hotel or any lodging accommodations, or package tours, whether offered or sold on a wholesale or retail basis.

(5) "Advertisement" includes, but is not limited to, a written or graphic representation in a card, brochure, newspaper, magazine, directory listing, or display, and oral, written, or graphic representations made by radio, television, or cable transmission that relates to travel services.

NEW SECTION. Sec. 3. No person, firm, or corporation may act or hold itself out as a seller of travel unless, prior to engaging in the business of selling or advertising to sell travel services, the person, firm, or corporation registers with the director under this chapter and rules adopted under this chapter.

(1) The registration number must be conspicuously posted in the place of business and must be included in all advertisements. Any corporation which issues a class of equity securities registered under section 12 of the securities exchange act of 1934, and any subsidiary, the majority of voting stock of which is owned by such corporation including any wholly owned subsidiary of such corporation are not required to include company registration numbers in advertisements.

(2) The director shall issue duplicate registrations upon payment of a nominal duplicate registration fee to valid registration holders operating more than one office.

(3) No registration is assignable or transferable.

(4) If a registered seller of travel sells his or her business, when the new owner becomes responsible for the business, the new owner must comply with all provisions of this chapter, including registration.

(5) A report prepared and signed by a licensed public accountant or certified public accountant or other report, approved by the director, that verifies that the seller of travel maintains a trust account or other approved account at a federally insured institution located in the state of Washington, the location and number of that trust account or other approved account, and verifying that the account is maintained and used as required by section 8 of this act. The director, by rule, may permit alternatives to the report that provides for at least the same level of verification.

NEW SECTION. Sec. 5. (1) Each seller of travel shall renew its registration on or before July 1 of every other year or as otherwise determined by the director.

(2) Renewal of a registration is subject to the same provisions covering issuance, suspension, and revocation of a registration originally issued.

(3) The director may refuse to renew a registration for any of the grounds set out under section 6 of this act, and where the past conduct of the applicant affords reasonable grounds for belief that the applicant will not carry out the applicant's duties in accordance with law and with integrity and honesty. The director shall promptly notify the applicant in writing by certified mail of its intent to refuse to renew the registration. The registrant may, within twenty-one days after receipt of that notice or intent, request a hearing on the refusal. The director may permit the registrant to honor commitments already made to its customers, but no new commitments may be incurred, unless the director is satisfied that all new commitments are completely bonded or secured to insure that the general public is protected from loss of money paid to the registrant. It is the responsibility of the registrant to contest the decision regarding conditions imposed or registration denied through the process established by the administrative procedure act, chapter 34.05 RCW.

NEW SECTION. Sec. 6. (1) The director may deny, suspend, or revoke the registration of a seller of travel if the director finds that the applicant:

(c) Has made a false statement of a material fact in an application under this chapter or in data attached to it;

(d) Has violated this chapter or failed to comply with a rule adopted by the director under this chapter;

(e) Has failed to display the registration as provided in this chapter;

- (f) Has published or circulated a statement with the intent to deceive, misrepresent, or mislead the public;

(2) If the seller of travel is found in violation of this chapter or in violation of the consumer protection act, chapter 19.86 RCW, by the entry of a judgment or by settlement of a claim, the director may revoke the registration of the seller of travel, and the director may reinstate the registration at the director's discretion.

NEW SECTION. Sec. 7. The department, in cooperation with the travel industry and the office of the attorney general shall examine the establishment of a cost recovery fund, surety bond, or other requirement to indemnify industry consumers. The department shall report to the legislature by December 1, 1994, concerning legislation to establish one or all of these procedures.

NEW SECTION. Sec. 8. (1) Within five business days of receipt, a seller of travel shall deposit all sums received from a person or entity, for travel services offered by the seller of travel, in a trust account or other approved account maintained in a federally insured financial institution located in Washington state. Exempted are airline sales made by a seller of travel, when payments for the airline tickets are made through the airline reporting corporation either by cash or credit card sale.

(2) The trust account or other approved account required by this section shall be established and maintained for the benefit of any person or entity paying money to the seller of travel. The seller of travel shall not in any manner encumber the amounts in trust and shall not withdraw money from the account except the following amounts may be withdrawn at any time:

- (a) Partial or full payment for travel services to the entity directly providing the travel service;
- (b) Refunds as required by this chapter;
- (c) The amount of the sales commission;
- (d) Interest earned and credited to the trust account or other approved account; or
- (e) Remaining funds of a purchaser once all travel services have been provided or once tickets or other similar documentation binding upon the ultimate provider of the travel services have been provided.

(3) At the time of registration, the seller of travel shall file with the department the account number and the name of the financial institution at which the trust account or other approved account is held as set forth in section 4 of this act. The seller of travel shall notify the department of any change in the account number or location within one business day of the change.

(4) The director, by rule, may allow for the use of other types of funds or accounts only if the protection for consumers is no less than that provided by this section.

(5) The seller of travel need not comply with the requirements of this section if all of the following apply, except as exempted in subsection (1) of this section:

- (a) The payment is made by credit card;
- (b) The seller of travel does not deposit, negotiate, or factor the credit card charge or otherwise seek to obtain payment of the credit card charge to any account over which the seller of travel has any control; and
- (c) If the charge includes transportation, the carrier that is to provide the transportation processes the credit card charge, or if the charge is only for services, the provider of services processes the credit card charges.

(6) If the seller of travel maintains its principal place of business in another state and maintains a trust account or other approved account in that state consistent with the requirement of this section, and if that seller of travel has transacted business within the state of Washington in an amount exceeding five million dollars for the preceding year, the out-of-state trust account or other approved account may be substituted for the in-state account required under this section.

NEW SECTION. Sec. 9. A seller of travel shall perform its duties reasonably and with ordinary care in providing travel services.

Sec. 10. RCW 19.138.030 and 1986 c 283 s 3 are each amended to read as follows:

A ~~((travel charter or tour operator))~~ seller of travel shall not advertise that air, sea, or land transportation either separately or in conjunction with other services is or may be available unless he or she has, prior to ~~((such))~~ the advertisement, ~~((received written confirmation with a carrier for the transportation advertised))~~ determined that the product advertised was available at the time the advertising was placed. This determination can be made by the seller of travel either by use of an airline computer reservation system, or by written confirmation from the vendor whose program is being advertised.

It is the responsibility of the seller of travel to keep written or printed documentation of the steps taken to verify that the advertised offer was available at the time the advertising was placed. These records are to be maintained for at least two years after the placement of the advertisement.

Sec. 11. RCW 19.138.040 and 1986 c 283 s 4 are each amended to read as follows:

At or prior to the time of full or partial payment for air, sea, or land transportation or any other services offered by the seller of travel ~~((charter or tour operator))~~ in conjunction with ~~((such))~~ the transportation, the seller of travel ~~((charter or tour operator))~~ shall furnish to the person making the payment a written statement conspicuously setting forth the following information:

- (1) The name and business address and telephone number of the ~~((travel charter or tour operator))~~ seller of travel.

(2) The amount paid, the date of such payment, the purpose of the payment made, and an itemized statement of the balance due, if any.

(3) The ~~((location and))~~ registration number of the ~~((trust account or bond))~~ seller of travel required by this chapter.

(4) The name of the ~~((carrier))~~ vendor with whom the ~~((travel charter or tour operator))~~ seller of travel has contracted to provide ~~((the transportation, the type of equipment contracted, and the date, time, and place of each departure: PROVIDED, That the information required in this subsection may be provided at the time of final payment))~~ travel arrangements for a consumer and all pertinent information relating to the travel as known by the seller of travel at the time of booking. The seller of travel will make known further details as soon as received from the vendor. All information will be provided with final documentation.

(5) The conditions, if any, upon which the contract between the ~~((travel charter or tour operator))~~ seller of travel and the passenger may be canceled, and the rights and obligations of all parties in the event of ~~((such))~~ cancellation.

(6) A statement in eight-point boldface type in substantially the following form:

"If transportation or other services are canceled by the ~~((travel charter or tour operator))~~ seller of travel, all sums paid to the ~~((travel charter or tour operator))~~ seller of travel for services not performed in accordance with the contract between the ~~((travel charter or tour operator))~~ seller of travel and the ~~((passenger))~~ purchaser will be refunded within ~~((fourteen))~~ thirty days ~~((after the cancellation by the travel charter or tour operator to the passenger or the party who contracted for the passenger unless mutually acceptable alternative travel arrangements are provided))~~ of receiving the funds from the vendor with whom the services were arranged, or if the funds were not sent to the vendor, the funds shall be returned within fourteen days after cancellation by the seller of travel to the purchaser unless the purchaser requests the seller of travel to apply the money to another travel product and/or date."

Sec. 12. RCW 19.138.050 and 1986 c 283 s 5 are each amended to read as follows:

(1) If the transportation or other services contracted for are canceled ~~((the travel charter or tour operator))~~, or if the money is to be refunded for any reason, the seller of travel shall ~~((return))~~ refund to the ~~((passenger within fourteen days after the cancellation all moneys paid for services not performed in accordance with the contract unless mutually acceptable alternative travel arrangements are provided))~~ person with whom it contracts for travel services, the money due the person within thirty days of receiving the funds from the vendor with whom the services were arranged. If the funds were not sent to the vendor and remain in the possession of the seller of travel, the funds shall be refunded within fourteen days.

(2) Any material misrepresentation with regard to the transportation and other services offered shall be deemed to be a cancellation necessitating the refund required by this section.

(3) When travel services are paid to a vendor and charged to a consumer's credit card by the seller of travel, and the arrangements are subsequently canceled by the consumer, the vendor, or the seller of travel, any refunds to the consumer's credit card must be applied for within ten days from the date of cancellation.

(4) The seller of travel shall not be obligated to refund any cancellation penalties imposed by the vendor with whom the services were arranged if these penalties were disclosed in the statement required under RCW 19.138.040.

NEW SECTION. **Sec. 13.** The director has the following powers and duties:

(1) To adopt, amend, and repeal rules to carry out the purposes of this chapter;

(2) To issue and renew registrations under this chapter and to deny or refuse to renew for failure to comply with this chapter;

(3) To suspend or revoke a registration for a violation of this chapter;

(4) To establish fees;

(5) Upon receipt of a complaint, to inspect and audit the books and records of a seller of travel. The seller of travel shall immediately make available to the director those books and records as may be requested at the seller of travel's place of business or at a location designated by the director. For that purpose, the director shall have full and free access to the office and places of business of the seller of travel during regular business hours; and

(6) To do all things necessary to carry out the functions, powers, and duties set forth in this chapter.

NEW SECTION. **Sec. 14.** (1) A nonresident seller of travel soliciting business or selling travel in the state of Washington, by mail, telephone, or otherwise, either directly or indirectly, is deemed, absent any other appointment, to have appointed the director to be the seller of travel's true and lawful attorney upon whom may be served any legal process against that nonresident arising or growing out of a transaction involving travel services. That solicitation signifies the nonresident's agreement that process against the nonresident that is served as provided in this chapter is of the same legal force and validity as if served personally on the nonresident seller of travel.

(2) Service of process upon a nonresident seller of travel shall be made by leaving a copy of the process with the director. The fee for the service of process shall be determined by the director by rule. That service is sufficient service upon the nonresident if the plaintiff or plaintiff's attorney of record sends notice of the service and a copy of the process by certified mail before service or immediately after service to the defendant at the address given by the nonresident in a solicitation furnished by the nonresident, and the sender's post office receipt of sending and the plaintiff's or plaintiff's attorney's affidavit of compliance with this section are returned with the process in accordance with Washington superior court civil rules. Notwithstanding the foregoing requirements, however, once service has been made on the director as provided in this section, in the event of failure to comply with the requirement of notice to the nonresident, the court may order that notice be given that will be sufficient to apprise the nonresident.

NEW SECTION. **Sec. 15.** The director, in the director's discretion, may:

(1) Annually, or more frequently, make public or private investigations within or without this state as the director deems necessary to determine whether a registration should be granted, denied, revoked, or suspended, or whether a person has violated or is about to violate this chapter or a rule adopted or order issued under this chapter, or to aid in the enforcement of this chapter or in the prescribing of rules and forms of this chapter;

(2) Publish information concerning a violation of this chapter or a rule adopted or order issued under this chapter; and

(3) Investigate complaints concerning practices by sellers of travel for which registration is required by this chapter.

NEW SECTION. Sec. 16. For the purpose of an investigation or proceeding under this chapter, the director or any officer designated by the director may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the director deems relevant or material to the inquiry.

NEW SECTION. Sec. 17. If it appears to the director that a person has engaged in an act or practice constituting a violation of this chapter or a rule adopted or order issued under this chapter, the director may, in the director's discretion, issue an order directing the person to cease and desist from continuing the act or practice. Reasonable notice of an opportunity for a hearing shall be given. The director may issue a temporary order pending the hearing, which shall remain in effect until ten days after the hearing is held and which shall become final if the person to whom the notice is addressed does not request a hearing within fifteen days after the receipt of the notice.

NEW SECTION. Sec. 18. The attorney general, a county prosecuting attorney, the director, or any person may, in accordance with the law of this state governing injunctions, maintain an action in the name of this state to enjoin a person or entity selling travel services for which registration is required by this chapter without registration from engaging in the practice until the required registration is secured. However, the injunction shall not relieve the person or entity selling travel services without registration from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

NEW SECTION. Sec. 19. A person or business that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than twenty-five thousand dollars, that shall be paid to the department. For the purpose of this section, the superior court issuing an injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

NEW SECTION. Sec. 20. The director or individuals acting on the director's behalf are immune from suit in any action, civil or criminal, based on disciplinary proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

NEW SECTION. Sec. 21. (1) The director may assess against a person or organization that violates this chapter, or a rule adopted under this chapter, a civil penalty of not more than one thousand dollars for each violation.

(2) The person or organization shall be afforded the opportunity for a hearing, upon request made to the director within thirty days after the date of issuance of the notice of assessment. The hearing shall be conducted in accordance with chapter 34.05 RCW.

(3) A civil penalty shall be imposed by the court for each violation of this chapter in an amount not less than five hundred dollars nor more than two thousand dollars per violation.

(4) If a person fails to pay an assessment after it has become a final and unappealable order, or after the court has entered final judgment in favor of the state, the director may recover the amount assessed by action in the appropriate superior court. In the action, the validity and appropriateness of the final order imposing the penalty shall not be subject to review.

NEW SECTION. Sec. 22. The director may assess against a person or organization that violates this chapter, or a rule adopted under this chapter, the full amount of restitution as may be necessary to restore to a person an interest in money or property, real or personal, that may have been acquired by means of an act prohibited by or in violation of this chapter.

NEW SECTION. Sec. 23. In order to maintain or defend a lawsuit, a seller of travel must be registered with the department as required by this chapter and rules adopted under this chapter.

NEW SECTION. Sec. 24. (1) Each person who knowingly violates this chapter or who knowingly gives false or incorrect information to the director, attorney general, or county prosecuting attorney in filing statements required by this chapter, whether or not the statement or report is verified, is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW.

(2) A person who violates this chapter or who gives false or incorrect information to the director, attorney general, or county prosecuting attorney in filing statements required by this chapter, whether or not the statement or report is verified, is guilty of a misdemeanor punishable under chapter 9A.20 RCW.

NEW SECTION. Sec. 25. The administrative procedure act, chapter 34.05 RCW, shall, wherever applicable, govern the rights, remedies, and procedures respecting the administration of this chapter.

NEW SECTION. Sec. 26. All information, documents, and reports filed with the director under this chapter are matters of public record and shall be open to public inspection, subject to reasonable regulation. The director may make public, on a periodic or other basis, the information as may be necessary or appropriate in the public interest concerning the registration, reports, and information filed with the director or any other matters to the administration and enforcement of this chapter.

NEW SECTION. Sec. 27. The legislature finds that the practices governed by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. Any violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair and deceptive act or practice and unfair method of competition in the conduct of trade or commerce in violation of RCW 19.86.020. Remedies provided by chapter 19.86 RCW are cumulative and not exclusive.

NEW SECTION. Sec. 28. In addition to any other penalties or remedies under chapter 19.86 RCW, a person who is injured by a violation of this chapter may bring an action for recovery of actual damages, including court costs and attorneys' fees. No provision in this chapter shall be construed to limit any right or remedy provided under chapter 19.86 RCW.

NEW SECTION. Sec. 29. The following acts or parts of acts are each repealed:

- (1) RCW 19.138.020 and 1986 c 283 s 2;
- (2) RCW 19.138.060 and 1986 c 283 s 6;
- (3) RCW 19.138.070 and 1986 c 283 s 7; and
- (4) RCW 19.138.080 and 1986 c 283 s 8.

NEW SECTION. Sec. 30. Any state funds appropriated to the department of licensing for implementation of chapter . . . , Laws of 1994 (this act) for the biennium ending June 30, 1995, shall be reimbursed by June 30, 1997, by an assessment of fees sufficient to cover all costs of implementing chapter . . . , Laws of 1994 (this act).

NEW SECTION. Sec. 31. A violation of RCW 19.138.030 through 19.138.070 shall constitute a violation of RCW 19.86.020.

NEW SECTION. Sec. 32. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 33. Sections 1 through 29 of this act shall take effect January 1, 1996.

NEW SECTION. Sec. 34. Sections 2 through 6, 8, 9, 13 through 28, 30, and 31 of this act are each added to chapter 19.138 RCW.

NEW SECTION. Sec. 35. The director of licensing, beginning July 1, 1995, may take such steps as are necessary to ensure that this act is implemented on its effective date."

Debate ensued.

The President declared the question before the Senate to be the adoption of the striking amendment by Senator Prentice to Engrossed Substitute House Bill No. 2688.

The motion by Senator Prentice carried and the striking amendment was adopted.

MOTIONS

On motion of Senator Moore, the following title amendment was adopted:

On page 1, line 1 of the title, after "travel;" strike the remainder of the title and insert "amending RCW 19.138.010, 19.138.030, 19.138.040, and 19.138.050; adding new sections to chapter 19.138 RCW; creating new sections; repealing RCW 19.138.020, 19.138.060, 19.138.070, and 19.138.080; prescribing penalties; and providing an effective date."

On motion of Senator Moore, the rules were suspended, Engrossed Substitute House Bill No. 2688, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

Debate ensued.

MOTION

On motion of Senator Drew, Senator Vognild was excused.

POINT OF INQUIRY

Senator West: "I need help from one of the legal minds on the floor, maybe Senator Talmadge, maybe Senator Smith. In Section 18, there is a phrase that says, 'or any person may in accordance with law bring an action in the name of the state.' Is that unusual--allowing a person to bring an action in the name of the state? I object to that. I don't know if that is a term of art or not. What it says is, 'the attorney general can or the prosecuting attorney or the director can bring an injunction.' I don't have a problem with that, bringing it in the name of the state, but I don't want to give just any Joe Smuck out there the authority to come in and in the name of the state of Washington file an injunction. Not being a lawyer, I don't know if that is a term of art or not. Obviously, no one over there is paying any attention, so I guess I will vote against the bill. Thank you."

Senator Amondson: "Senator West, I don't intend or claim to be a legal mind, nor would I want to be, but the bill itself, I think, speaks to the issue of what we have been doing and trying to do in this session. That is with respect to the issue of regulatory reform. I think it is unfortunate that many consumers are being taken advantage of by unscrupulous people such as travel agents--that are taking advantage of consumers and have a problem with absconding their dollars and going away with them.

"Unfortunately, I wish we could, but we can't always legislate common sense or moral fibre in the people that represent and do business. We can't do that; I think this bill tries to help in some manner to protect those consumers, but unfortunately as anything can happen, will happen. Those that break the law will continue to break the law and they will attempt to do so by whatever means possible. The legislation does go to a point of trying to protect them, but I don't think it will take care of the eventual problem and the underlying problem that people, if they want to break the law, they will."

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 2688, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 2688, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 28; Nays, 20; Absent, 0; Excused, 1.

Voting yea: Senators Bauer, Cantu, Drew, Franklin, Fraser, Gaspard, Hargrove, Haugen, Loveland, Ludwig, McAuliffe, Moore, Niemi, Owen, Pelz, Prentice, Prince, Quigley, Rasmussen, M., Rinehart, Sheldon, Skratek, Smith, A., Snyder, Spanel, Sutherland, Talmadge and Wojahn - 28.

Voting nay: Senators Amondson, Anderson, Bluechel, Deccio, Erwin, Hochstatter, McCaslin, McDonald, Morton, Moyer, Nelson, Newhouse, Oke, Roach, Schow, Sellar, Smith, L., West, Williams and Winsley - 20.

Excused: Senator Vognild - 1.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2688, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

MOTION

On motion of Senator Spanel, the Senate commenced consideration of Engrossed Substitute House Bill No. 2741.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2741, by House Committee on Natural Resources and Parks (originally sponsored by Representatives Linville, Pruitt, King, Rust, Valle, R. Johnson, Roland, Rayburn, R. Meyers, J. Kohl, Kremen, L. Johnson and Karahalios)

Coordinating watershed-based natural resource planning.

The bill was read the second time.

MOTIONS

Senator Owen moved that the following Committee on Natural Resources amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that:

(1) In times of decreasing revenues and increasing demands, it is critically important to ensure the efficient use of scarce financial resources by avoiding overlap and duplication of effort among watershed-based planning efforts;

(2) Comprehensive planning for the management of natural resources on a watershed basis is desirable because it has the potential to address multiple concerns in an integrated and efficient manner;

(3) Implementation of watershed-based planning may be complicated by multiple land ownerships, different management missions and objectives, different ways of collecting information, and legal constraints such as federal and state antitrust statutes;

(4) Many different entities, including federal, state, and local governments, tribes, and landowners are already conducting watershed-based planning, research, and monitoring programs;

(5) There exists a compelling need for a consistent process for collecting and sharing information and data among all interested parties;

and

(6) There also exists a compelling need to ensure that the goals and objectives of watershed planning efforts are coordinated and consistent with each other.

NEW SECTION. Sec. 2. (1) State agencies involved in watershed-based natural resource planning efforts shall coordinate their planning and implementation processes. These cooperating state agencies shall include, but not be limited to, the departments of natural resources,

agriculture, ecology, fish and wildlife, health, and community, trade, and economic development; the Puget Sound water quality authority; and the office of the governor. These agencies will meet as a group and include at those meetings representatives of federal agencies, local governments, tribes, private landowners, environmental groups, the public water supply entities utilizing water from the watershed, resource user groups, and other interested parties.

(2) The commissioner of public lands shall coordinate discussions of watershed-based natural resource planning among these various parties. The department of natural resources will provide a reasonable level of staff support for the work of the group.

(3) On or before December 15, 1994, the department of natural resources shall prepare a report for the legislature based on the group's discussions and findings. At a minimum this report shall include:

- (a) Identification of barriers to coordination and cooperation in watershed-based planning and management of natural resources;
- (b) Recommendations on the collection, storage, and maintenance of information in watershed analysis, planning, monitoring, and research programs. These recommendations could lead to the establishment of protocols governing data collection and information exchange;
- (c) Identification of actual and potential overlap and duplication of effort in watershed-based natural resource planning efforts;
- (d) Identification of gaps of coverage in existing and proposed watershed planning projects;
- (e) Examination of the possible establishment of a central depository and of a process for periodically updating and distributing information on watershed-based natural resource planning efforts;
- (f) Identification of strategies for developing cooperative watershed-based planning efforts which provide an opportunity for participants to:
 - (i) Establish coordinated and consistent goals and objectives which emphasize the natural and economic values of the watershed; and
 - (ii) Identify approaches for coordinating and financing the implementation of watershed-based plans; and
- (g) A process providing for ongoing review, revision, and update of watershed-based plans and management activities."

(7) Coordination of state, federal, and local resources is needed to maximize the value of the state's forty million dollar biennial investment in anadromous fish protection to improve stocks in critical and depressed condition"

On page 2, after line 33 of the amendment, insert the following:

"(4) The commissioner of public lands shall cochair with the director of the department of fish and wildlife, a committee named the watershed council. The council shall consist of, but not be limited to, the director of the department of ecology, the secretary of transportation, the chair of the conservation commission, a representative of forest landowners, and a representative of agricultural landowners for the purpose of coordinating the state's efforts in addressing threatened anadromous fish resources and to preclude endangered species listings. The council shall coordinate the allocation of state resources in conjunction with federal, tribal, private, and local resources for watershed restoration and protection in order to maximize the state's effort to improve fish stocks in critical and depressed condition. The coordination is intended to maximize the expenditure of public funds, not to change statutory mandates for specific programs.

The council shall report to the appropriate policy and fiscal committees of the legislature on or before December 15, 1994. The report shall include a plan for coordinating and targeting existing and new state, federal, and local resources toward this goal of precluding endangered species listings. It will be the goal that at least fifty percent of the fiscal year 1995 watershed-related expenditures be targeted for this purpose. This plan shall include: (a) A prioritized listing of watersheds based on department of natural resources watershed analysis and department of fish and wildlife stock assessments; (b) a definition of the geographical unit for watershed management that all state agencies shall use; (c) recommendations for the establishment of common protocols governing data collection and a central depository of information to be used by all state agencies involved in watershed management efforts; (d) an identification of gaps of coverage in existing and proposed watershed planning efforts; (e) an identification of state agency responsibilities by watershed; (f) an identification of barriers to state agency cooperation in watershed management efforts and recommendations to overcome such barriers; (g) an identification of barriers and incentives to encourage local government and private landowner cooperation in watershed management activities; and (h) recommendations for integration of watershed habitat protection with land use planning and regulation by local governments under the growth management act."

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 41.56.160 and 1983 c 58 s 1 are each amended to read as follows:

The commission is empowered and directed to prevent any unfair labor practice and to issue appropriate remedial orders(~~(: PROVIDED, That)~~). However, a complaint shall not be processed for any unfair labor practice occurring more than six months before the filing of the complaint with the commission. ((This)) The commission shall establish an expedited review and hearing process for an unfair labor practice involving a disciplinary action against a public employee for participating in a strike or honoring a picket line. Such disciplinary action shall be prohibited unless the employee's participation in a strike or honoring of a picket line is in violation of a court order. The power granted in this section shall not be affected or impaired by any means of adjustment, mediation or conciliation in labor disputes that have been or may hereafter be established by law."

The President declared the question before the Senate to be the motion by Senator Snyder that the Committee on Labor and Commerce striking amendment to Engrossed House Bill No 2161 not be adopted.

The motion by Senator Snyder carried and the Committee on Labor and Commerce striking amendment to Engrossed House Bill No. 2161 was not adopted.

MOTION

Senator Snyder moved that the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 41.56.160 and 1983 c 58 s 1 are each amended to read as follows:

The commission is empowered and directed to prevent any unfair labor practice and to issue appropriate remedial orders(~~(: PROVIDED, That)~~). However, a complaint shall not be processed for any unfair labor practice occurring more than six months before the filing of the complaint with the commission. ((This)) The commission shall establish an expedited review and hearing process for an unfair labor practice involving a disciplinary action against a public employee for participating in a strike or honoring a picket line. Notwithstanding RCW 41.56.120, in the event that a public employee participates in a strike or honors a picket line against his or her public employer, and as a result of the strike or honoring of a picket line an amnesty agreement with the bargaining representative is approved by the legislative authority or governing body of the public entity that prohibits disciplinary action for such participation, any disciplinary action taken against an employee in violation of the amnesty agreement shall be subject to expedited review and remedial action by the commission. The power granted in this section shall not be affected or impaired by any means of adjustment, mediation or conciliation in labor disputes that have been or may hereafter be established by law."

POINT OF INQUIRY

Senator Anderson: "Senator Snyder, on the amendment, is the language still in here that is in our book that says it is clarifying that a disciplinary action against a public employee for participating in a strike or for honoring a picket line is prohibited? Is that language that was in the Senate amendment found in this amendment we are now adopting?"

Senator Snyder: "I can't answer that for sure, but the purpose of this is to get this in to conference and work out the problem. It is to take care of the action that was perpetuated in Spokane and also to clarify--some people think that the amendment that I have would keep the strike provision the same as it is in the law today. Other people think that it is going to change that."

The President declared the question before the Senate be the adoption of the striking amendment by Senator Snyder to Engrossed House Bill No. 2161.

The motion by Senator Snyder carried and the striking amendment was adopted.

MOTIONS

On motion of Senator Snyder, the following title amendment was adopted:

On page 1, line 2 of the title, after "bargaining;" strike the remainder of the title and insert "and amending RCW 41.56.160."

Senator Snyder moved that the rules be suspended and Engrossed House Bill No. 2161, as amended by the Senate, be advanced to third reading, the second reading considered the third and the bill be placed on final passage.

REMARKS BY SENATOR WEST

Senator West: "Mr. President, I would suggest that we not suspend the rules on this bill, under Rule 64. The bill should be sent to the Rules Committee. I think it needs further review. None of us has had the opportunity to see the Snyder amendment and I don't think that we should waive Rule 64 or suspend Rule 64.

"I believe that you will find that by looking at Rule 64 that Rule 64 does not apply to within the three days or within the ten days, that is Rule 62. Rule 62 is the rule that says that each bill shall be read on a separate day. It says, 'three separate days unless the Senate deems it expedient to suspend this rule. On and after the tenth day preceding adjournment sine die of any session, or three days prior to any cut-off date for consideration of bills, as determined pursuant to Article 2, Section 19 of the constitution or concurrent resolution.' Then that rule, Rule 62, can be suspended by a majority vote.

"The rule I'm speaking of, Mr. President, is Rule 64. Rule 64 states, 'Upon second reading, the bill shall be read section by section, in full, and be subject to amendment. Any member may, if sustained by three members, remove a bill from the consent calendar, etc., etc.--No amendment shall be considered by the senate until it shall have been sent to the secretary's desk in writing and read by the secretary--all amendments adopted,'--I'll get to the pertinent section here--'When no further amendments shall be offered, the president shall declare the bill has passed its second reading, and shall be referred to the committee on rules for third reading.' That, Mr. President, would come under Rule No. 35, I believe, talking about suspension of the rules, which does require a two-thirds vote."

Senators Gaspard, Snyder and Spanel demanded the previous question and the demand was sustained.

MOTIONS

Senator Gaspard moved that the Senate commence consideration of Engrossed Second Substitute House Bill No. 2798.

Senator Erwin objected to the motion by Senator Gaspard to commence consideration of Engrossed Second Substitute House Bill No. 2798 and moved to consider Engrossed Substitute House Bill No. 2462.

The President declared the question before the Senate to be the first motion, the motion by Senator Gaspard, to commence consideration of Engrossed Second Substitute House Bill No. 2798.

The motion by Senator Gaspard carried and the Senate commenced consideration of Engrossed Second Substitute House Bill No. 2798.

MOTION

Senator Talmadge moved that the following Committee on Ways and Means amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that lengthy stays on welfare, lack of access to vocational education and training, the inadequate emphasis on employment by the social welfare system, and teen pregnancy are obstacles to achieving economic independence. Therefore, the legislature intends that:

- (1) Income and employment assistance programs emphasize the temporary nature of welfare and set goals of responsibility, work, and independence;
- (2) State institutions take an active role in preventing pregnancy in young teens;
- (3) Family planning assistance be readily available to welfare recipients;
- (4) Support enforcement be more effective and the level of responsibility of noncustodial parents be significantly increased; and
- (5) Employment assistance resources focus on recipients so as to reduce the likelihood of long-term stays on welfare and target most likely to benefit from such resources.

PART I. EMPHASIZING WORK AND FAMILY PLANNING IN PUBLIC ASSISTANCE

NEW SECTION. Sec. 2. A new section is added to chapter 74.12 RCW to read as follows:

The department shall train financial services and social work staff who provide direct service to recipients of aid to families with dependent children to:

- (1) Effectively communicate the transitional nature of aid to families with dependent children and the expectation that recipients will enter employment;
- (2) Actively refer clients to the job opportunities and basic skills program;
- (3) Provide social services needed to overcome obstacles to employability; and
- (4) Provide family planning information and assistance, including alternatives to abortion, which shall be conducted in consultation with the department of health.

NEW SECTION. Sec. 3. A new section is added to chapter 74.12 RCW to read as follows:

At time of application or reassessment under this chapter the department shall offer or contract for family planning information and assistance, including alternatives to abortion, and any other available locally based teen pregnancy prevention programs, to prospective and current recipients of aid to families with dependent children.

PART II. TEEN PREGNANCY PREVENTION

NEW SECTION. Sec. 4. For the 1994-95 school year, the office of the superintendent of public instruction shall administer a program that provides grants to school districts for media campaigns promoting sexual abstinence and addressing the importance of delaying sexual activity, pregnancy, and childbearing until individuals are ready to nurture and support their children. The messages shall be distributed in the school and community where produced. Grants to the school districts shall be for projects that are substantially designed and produced by students. The grants shall require a local private sector match equal to the state grant, which may include in-kind contribution of technical or other assistance from consultants or firms involved in public relations, advertising, broadcasting, and graphics or video production or other related fields. For purposes of evaluating the impact of the campaigns, applicants shall estimate student pregnancy and birth rates over the prior three to five years.

PART III. REFOCUSING JOBS

Sec. 5. RCW 74.25.010 and 1991 c 126 s 5 are each amended to read as follows:

The legislature establishes as state policy the goal of economic self-sufficiency for employable recipients of public assistance, through employment, training, and education. In furtherance of this policy, the legislature intends to comply with the requirements of the federal social security act, as amended, by creating a job opportunities and basic skills training program for applicants and recipients of aid to families with dependent children. The purpose of this program is to provide recipients of aid to families with dependent children the opportunity to obtain ~~((a full range of necessary))~~ appropriate education, training, skills, and supportive services, including child care, consistent with their needs, that will help them enter or reenter gainful employment, thereby avoiding long-term welfare dependence and achieving economic self-sufficiency. The program shall be operated by the department of social and health services in conformance with federal law and consistent with the following legislative findings:

(1) The legislature finds that the well-being of children depends not only on meeting their material needs, but also on the ability of parents to become economically self-sufficient. The job opportunities and basic skills training program is specifically directed at increasing the labor force participation and household earnings of aid to families with dependent children recipients, through the removal of barriers preventing them from achieving self-sufficiency. These barriers include, but are not limited to, the lack of recent work experience, supportive services such as affordable and reliable child care, adequate transportation, appropriate counseling, and necessary job-related tools, equipment, books, clothing, and supplies, the absence of basic literacy skills, the lack of educational attainment sufficient to meet labor market demands for career employees, and the nonavailability of useful labor market assessments.

(2) The legislature also recognizes that aid to families with dependent children recipients must be acknowledged as active participants in self-sufficiency planning under the program. The legislature finds that the department of social and health services should communicate concepts of the importance of work and how performance and effort directly affect future career and educational opportunities and economic well-being, as well as personal empowerment, self-motivation, and self-esteem to program participants. The legislature further recognizes that informed choice is consistent with individual responsibility, and that parents should be given a range of options for available child care while participating in the program.

(3) The legislature finds that current work experience is one of the most important factors influencing an individual's ability to work toward financial stability and an adequate standard of living in the long term, and that work experience should be the most important component of the program.

(4) The legislature finds that education, including, but not limited to, literacy, high school equivalency, vocational, secondary, and postsecondary, is one of the most important tools an individual needs to achieve full independence, and that this should be an important component of the program.

~~((4))~~ (5) The legislature further finds that the objectives of this program are to assure that aid to families with dependent children recipients gain experience in the labor force and thereby enhance their long-term ability to achieve financial stability and an adequate standard of living at wages that will meet family needs.

Sec. 6. RCW 74.25.020 and 1993 c 312 s 7 are each amended to read as follows:

(1) The department of social and health services is authorized to contract with public and private employment and training agencies and other public service entities to provide services prescribed or allowed under the federal social security act, as amended, to carry out the purposes of the jobs training program. In contracting for job placement, job search, and other job opportunities and basic skills services, the department is encouraged to structure payments to the contractor on a performance basis. The department of social and health services has sole authority and responsibility to carry out the job opportunities and basic skills training program. No contracting entity shall have the authority to review, change, or disapprove any administrative decision, or otherwise substitute its judgment for that of the department of social and health services as to the application of policies and rules adopted by the department of social and health services. The department shall maximize the federal matching funds available for the job opportunities and basic skills program by aggressively seeking private and public funds as match for federal funds.

(2) The department shall collect information from all adult recipients of aid to families with dependent children on years of education and recent work experience. This information, along with age and number of months of assistance receipt, shall be used to target and prioritize job opportunities and basic skills services.

(3) To the extent feasible under federal law, the department of social and health services and all entities contracting with it shall ~~((give first priority of service to individuals volunteering for program participation))~~ place nonexempt adult recipients of aid to families with dependent children (AFDC) into the following four target categories:

(a) Recipients with high education and low-work experience;

(b) Recipients with high education and high-work experience;

(c) Recipients with low education and high-work experience; and

(d) Recipients with low education and low-work experience.

(4) As used in subsection (3) of this section, "low education" means having only a general equivalency diploma or lacking a high school diploma. "Low-work experience" means working five hundred or fewer hours annually.

(5) Aid to families with dependent children recipients under age twenty who have not completed high school will be required to do so and are excluded from the target categories defined in subsection (3) of this section.

(6) To the maximum extent permitted under state and federal law, the department and all entities contracting with the department shall prioritize existing job search, job training, and education resources in the manner provided in this subsection. All recipients in the target categories in subsection (3) (a), (b), and (c) of this section shall receive immediate mandatory job search assistance prior to any individualized assessment. To the extent that such assistance does not result in employment for a period of at least six months, additional job search assistance and training shall be provided as necessary for the recipient to become self-sufficient and as indicated by an individualized assessment and employability plan. The assessments and employability plan shall identify and primarily respond to a participant's job readiness. The job opportunities and basic skills training program components specified by the employability plan shall place a high priority on participants gaining work experience and participants under subsection (2) of this section will normally be expected to take any job offered unless there is good cause to refuse to accept a job. Good cause shall be found if any of the conditions described in subsection (3) of this section are met, or if accepting a job would result in a participant having to discontinue an education or job training program that is part of the participant's employability plan prior to completion of such education or job training program.

The department of social and health services shall track the experience of those recipients who accept any job offered as part of their job opportunities and basic skills program participation. In tracking such recipients, the department shall determine the wages and hours of the job taken, whether earnings resulted in ineligibility for aid to families with dependent children, whether the recipient returns to the aid to families with dependent children program, and, for recipients who do return to the aid to families with dependent children program, the wages and hours of subsequent jobs taken.

Hours of unsubsidized employment shall count towards participation requirements independent of date of hire or concurrent participation in other components of the job opportunities and basic skills program. The additional services identified through assessments and identified in the employability plan shall be provided within existing state and federal resources and in the following priority order: First, to recipients in the category in subsection (3)(a) of this section, second to recipients in the category in subsection (3)(b) of this section, and third to recipients in the category in subsection (3)(c) of this section. Recipients who have received aid to families with dependent children for thirty-six of the last sixty months shall have the highest priority for services within the categories in subsection (3) (a), (b), and (c) of this section. Recipients in the target category in subsection (3)(d) of this section shall receive job search assistance and other services to the extent that resources are available, with recipients who have received assistance grants for thirty-six of the last sixty months having the highest priority for services within this group.

(7) All job search, skills training, and postsecondary education shall be oriented towards local labor force needs as determined by the department in consultation with the local private industry council and the employment security department. Education and skills training shall emphasize basic, secondary, and vocational education. Aid to families with dependent children grants shall be provided to individuals attending a four-

year college or university only if it can be demonstrated that it provides the fastest and most efficient path to employment for a particular recipient. Aid to families with dependent children recipients are prohibited from undertaking a postsecondary course of study oriented primarily towards liberal arts.

(8) Job search assistance, whether provided by the department or an entity contracting with the department, shall include job development services. The services shall be provided by persons responsible for identifying existing and potential job openings and for developing relationships with existing and potential area employers.

~~((3))~~ (9) The department of social and health services shall adopt rules under chapter 34.05 RCW establishing criteria constituting circumstances of good cause for an individual failing or refusing to participate in an assigned program component, or failing or refusing to accept or retain employment. These criteria shall include, but not be limited to, the following circumstances: (a) If the individual is a parent or other relative personally providing care for a child under age ~~((six years, and the employment would require the individual to work more than twenty hours per week))~~ three; (b) if child care, or day care for an incapacitated individual living in the same home as a dependent child, is necessary for an individual to participate or continue participation in the program or accept employment, and such care is not available, and the department of social and health services fails to provide such care; (c) the employment would result in the family of the participant experiencing a net loss of cash income; or (d) circumstances that are beyond the control of the individual's household, either on a short-term or on an ongoing basis.

~~((4))~~ (10) The department of social and health services shall adopt rules under chapter 34.05 RCW as necessary to effectuate the intent and purpose of this chapter.

NEW SECTION. Sec. 7. A new section is added to chapter 74.25 RCW to read as follows:

Recipients of aid to families with dependent children who are not participating in an education or work training program may volunteer to work in a licensed child care facility, or other willing volunteer work site. Licensed child care facilities participating in this effort shall provide care for the recipient's children and provide for the development of positive child care skills.

PART IV. ELIGIBILITY AND BENEFIT PAYMENT REVISIONS

NEW SECTION. Sec. 8. A new section is added to chapter 74.12 RCW to read as follows:

The department shall pay to all recipients of food stamps a cash grant equal to the monthly food stamp benefit.

NEW SECTION. Sec. 9. A new section is added to chapter 74.12 RCW to read as follows:

The department shall amend the state plan to eliminate the one hundred hour work rule for recipients of aid to families with dependent children-employable.

NEW SECTION. Sec. 10. A new section is added to chapter 74.12 RCW to read as follows:

The revisions to the aid to families with dependent children program and job opportunities and basic skills training program shall be implemented by the department of social and health services on a state-wide basis.

PART V. CHILD SUPPORT

NEW SECTION. Sec. 11. The department of social and health services shall make a substantial effort to determine the identity of the noncustodial parent through consistent implementation of RCW 70.58.080. By December 1, 1994, the department of social and health services shall report to the fiscal committees of the legislature on the method for validating claims of good cause for refusing to establish paternity, the methods used in other states, and the national average rate of claims of good cause for refusing to establish paternity compared to the Washington state rate of claims of good cause for refusing to establish paternity, the reasons for differences in the rates, and steps that may be taken to reduce these differences.

NEW SECTION. Sec. 12. A new section is added to chapter 74.20A RCW to read as follows:

(1) In each case within the jurisdiction of the office of support enforcement in which a child support obligation has been established, the secretary shall issue a letter, by mail, to the parent responsible for payment of the support obligation. The letter shall notify the parent that the fact and amount of the child support obligation will be reported to consumer reporting agencies, as defined in RCW 19.182.010, operating in the state of Washington.

(2) Within thirty days following the date that a notice described in subsection (1) of this section is mailed, the secretary shall report the fact and amount of the child support obligation to consumer reporting agencies, as defined in RCW 19.182.010, operating in the state of Washington. Any modification in the amount of a child support obligation for which a report has been made under this section, shall be reported to consumer reporting agencies, as defined in RCW 19.182.010, operating in the state of Washington.

NEW SECTION. Sec. 13. A new section is added to chapter 74.20 RCW to read as follows:

(1) The office of support enforcement shall contract with private collection agencies to pursue collection of arrearages that might otherwise consume a disproportionate share of the office's collection efforts. In determining appropriate contract provisions, the department shall consult with other state support enforcement agencies which have successfully contracted with private collection agencies to the extent allowed by federal regulations.

(2) The department shall solicit proposals and shall select collection agencies that have computerized location and asset information service capabilities.

(3) The department shall monitor each case that it refers to a collection agency.

(4) The department shall evaluate the effectiveness of entering into contracts for services under this section.

(5) The department shall report to the fiscal committees of the legislature on the results of its analysis under subsections (3) and (4) of this section.

NEW SECTION. Sec. 14. A new section is added to chapter 74.20 RCW to read as follows:

The office of support enforcement shall, as a matter of policy, use all available remedies for the enforcement of support obligations where the obligor is a self-employed individual. The office of support enforcement shall not discriminate in favor of certain obligors based upon employment status.

PART VI. EMPLOYMENT PARTNERSHIP PROGRAM

Sec. 15. RCW 50.63.010 and 1986 c 172 s 1 are each amended to read as follows:

The legislature finds that the restructuring in the Washington economy has created rising public assistance caseloads and declining real wages for Washington workers. There is a profound need to develop partnership programs between the private and public sectors to create new jobs with adequate salaries and promotional opportunities for chronically unemployed and underemployed citizens of the state. Most public assistance recipients want to become financially independent through paid employment. A voluntary program which utilizes public wage subsidies and employer matching salaries has provided a beneficial financial incentive allowing public assistance recipients transition to permanent full-time employment.

Sec. 16. RCW 50.63.020 and 1986 c 172 s 2 are each amended to read as follows:

The employment partnership program is created to develop a series of geographically distributed model projects to provide permanent full-time employment for low-income and unemployed persons. The program shall be ~~((a cooperative effort between the employment security department and))~~ administered by the department of social and health services. The department shall contract for the program through local public or private nonprofit organizations. The goals of the program are as follows:

(1) To reduce inefficiencies in administration and provide model coordination of agencies with responsibilities for employment and human service delivery to unemployed persons;

MOTION

Senator Talmadge moved that the following Committee on Health and Human Services amendment not be adopted:
Strike everything after the enacting clause and insert the following:

"PART I. INTENT

NEW SECTION. **Sec. 101.** The legislature finds that the increasing violence in our society causes great concern for the immediate health and safety of our citizens and our social institutions. Youth violence is increasing at an alarming rate and young people between the ages of fifteen and twenty-four are at the highest risk of being perpetrators and victims of violence. Additionally, random violence, including homicide and the use of firearms, has dramatically increased over the last decade.

The legislature finds that violence is abhorrent to the aims of a free society and that it can not be tolerated. State efforts at reducing violence must include changes in criminal penalties, reducing the unlawful use of and access to firearms, increasing educational efforts to encourage nonviolent means for resolving conflicts, and allowing communities to design their prevention efforts.

The legislature finds that the problem of violence can be addressed with many of the same approaches that public health programs have used to control other problems such as infectious disease, tobacco use, and traffic fatalities.

Addressing the problem of violence requires the concerted effort of all communities and all parts of state and local governments. It is the immediate purpose of chapter . . . , Laws of 1994 (this act) to: (1) Prevent acts of violence by encouraging change in social norms and individual behaviors that have been shown to increase the risk of violence; (2) reduce the number of at-risk children and youth, as defined in RCW 70.190.010; (3) increase the severity and certainty of punishment for youth and adults who commit violent acts; (4) reduce the severity of harm to individuals when violence occurs; (5) empower communities to focus their concerns and allow them to control the funds dedicated to empirically supported preventive efforts in their region; and (6) reduce the fiscal and social impact of violence on our society.

Sec. 102. RCW 74.14A.020 and 1983 c 192 s 2 are each amended to read as follows:

~~((The department of social and health services))~~ State efforts shall address the needs of children and their families, including emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict by:

(1) Serving children and families as a unit in the least restrictive setting available and in close proximity to the family home, consistent with the best interests and special needs of the child;

(2) Ensuring that appropriate social and health services are provided to the family unit both prior to and during the removal of a child from the home and after family reunification;

(3) Ensuring that the safety and best interests of the child are the paramount considerations when making placement and service delivery decisions;

(4) Recognizing the interdependent and changing nature of families and communities, building upon their inherent strengths, maintaining their dignity and respect, and tailoring programs to their specific circumstances;

(5) Developing and implementing comprehensive, preventive, and early intervention social and health services which have demonstrated the ability to delay or reduce the need for out-of-home placements and ameliorate problems before they become chronic or severe;

~~((4))~~ (6) Being sensitive to the family and community culture, norms, values, and expectations, ensuring that all services are provided in a culturally appropriate and relevant manner, and ensuring participation of racial and ethnic minorities at all levels of planning, delivery, and evaluation efforts;

~~(7)~~(a) Developing coordinated social and health services which:

~~((a))~~ (i) Identify problems experienced by children and their families early and provide services which are adequate in availability, appropriate to the situation, and effective;

~~((b))~~ (ii) Seek to bring about meaningful change before family situations become irreversibly destructive and before disturbed psychological behavioral patterns and health problems become severe or permanent;

~~((c))~~ (iii) Serve children and families in their own homes thus preventing unnecessary out-of-home placement or institutionalization;

~~((d))~~ (iv) Focus resources on social and health problems as they begin to manifest themselves rather than waiting for chronic and severe patterns of illness, criminality, and dependency to develop which require long-term treatment, maintenance, or custody;

~~((e))~~ (v) Reduce duplication of and gaps in service delivery;

~~((f))~~ (vi) Improve planning, budgeting, and communication among all units of the department ~~((serving))~~ and among all agencies that serve children and families; and

~~((g) Develop)~~ (vii) Utilize outcome standards for measuring the effectiveness of social and health services for children and families.

(b) In developing services under this subsection, local communities must be involved in planning and developing community networks that are tailored to their unique needs.

PART II. PUBLIC HEALTH

NEW SECTION. Sec. 201. The legislature recognizes that the state patrol, the office of the administrator for the courts, the sheriffs' and police chiefs' association, the department of social and health services, the department of community development, the sentencing guidelines commission, the department of corrections, and the superintendent of public instruction each have comprehensive data and analysis capabilities that have contributed greatly to our current understanding of crime and violence, and their causes.

The legislature finds, however, that a single health-oriented agency must be designated to provide consistent guidelines to all these groups regarding the way in which their data systems collect this important data. It is not the intent of the legislature by section 202 of this act to transfer data collection requirements from existing agencies or to require the addition of major new data systems. It is rather the intent to make only the minimum required changes in existing data systems to increase compatibility and comparability, reduce duplication, and to increase the usefulness of data collected by these agencies in developing more accurate descriptions of violence.

NEW SECTION. Sec. 202. A new section is added to chapter 43.70 RCW to read as follows:

(1) The department of health shall develop, in consultation with affected groups or agencies, comprehensive rules for the collection and reporting of data relating to acts of violence and associated risk and protective factors. The data collection and reporting rules shall be used by any public or private entity that is required to report data relating to acts of violence or other intentional injuries. The department may require any agency or program that is state-funded or that accepts state funds and any licensed or regulated person or professional to report acts of violence and unintentional injuries. To the extent possible the department shall require the reports to be filed through existing data systems. The department may

also require reporting of attempted acts of violence and of nonphysical injuries. For the purposes of this section "acts of violence" means self-directed and interpersonal behaviors that can result in suicide, homicide, and nonfatal intentional injuries.

(2) The department is designated as the state-wide agency for the coordination of all information relating to violence and other intentional injuries.

(3) The department shall provide any necessary data to the local health departments for use in the planning or evaluation by any community network authorized under section 303 of this act.

(4) The department shall publish annual reports on intentional injuries, unintentional injuries, numbers of at-risk youth, and the associated risk and protective factors related to violence. The reports shall be submitted to the legislative budget committee.

(5) The department may, consistent with its general authority and directives under sections 201 through 205 of this act, contract with a college or university that has experience in social service data collection relating to children to provide assistance to:

(a) State and local health departments in developing new sources of data to track acts of violence and associated risk and protective factors; and

(b) Local health departments to compile and effectively communicate data in their communities.

NEW SECTION. Sec. 203. A new section is added to chapter 43.70 RCW to read as follows:

The public health services improvement plan developed under RCW 43.70.520 shall include:

(1) Compatible minimum standards for state and local public health assessment, performance measurement, policy development, and assurances regarding social development to reduce at-risk factors and behaviors associated with violence and other public health threats.

(2)(a) Measurable risk factors that are empirically linked to violent criminal acts by juveniles, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school; and

(b) An evaluation of other factors to determine whether they are empirically related risk factors, such as: Child abuse and neglect, out-of-home placements, poverty, single-parent households, inadequate nutrition, hunger, unemployment, lack of job skills, gang affiliation, lack of recreational or cultural opportunities, domestic violence, school absenteeism, court-ordered parenting plans, physical, emotional, or behavioral problems requiring special needs assistance in K-12 schools, learning disabilities, and any other possible factors.

(3) Data collection and analysis standards on risk and protective factors for use by the local public health departments and the state council and the local community networks to ensure consistent and interchangeable data.

(4) Recommendations regarding any state or federal statutory barriers affecting data collection or reporting.

The department shall provide an annual report to the legislative budget committee on the implementation of this section.

NEW SECTION. Sec. 204. A new section is added to chapter 43.70 RCW to read as follows:

The department shall establish, by rule, standards for local health departments to use in assessment, performance measurement, policy development, and assurances regarding social development to prevent health problems caused by risk factors empirically linked to: Violent criminal acts by juveniles, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school. The standards shall be based on the standards set forth in the public health improvement plan as required by section 203 of this act.

The department shall review the definitions of at-risk children and youth, protective factors, and risk factors contained in RCW 70.190.010 and make any suggested recommendations for change to the legislature by January 1, 1995.

NEW SECTION. Sec. 205. A new section is added to chapter 43.70 RCW to read as follows:

The legislature encourages the use of a state-wide voluntary, socially responsible policy to reduce the emphasis, amount, and type of violence in all public media. The department shall develop a suggested reporting format for use by the print, television, and radio media in reporting their voluntary violence reduction efforts. Each area of the public media may carry out the policy in whatever manner that area deems appropriate.

PART III. COMMUNITY NETWORKS

Sec. 301. RCW 70.190.005 and 1992 c 198 s 1 are each amended to read as follows:

The legislature finds that a primary goal of public involvement in the lives of children has been to strengthen the family unit.

However, the legislature recognizes that traditional two-parent families with one parent routinely at home are now in the minority. In addition, extended family and natural community supports have eroded drastically. The legislature recognizes that public policy assumptions must be altered to account for this new social reality. Public effort must be redirected to expand, support, strengthen, and help ~~((refashion))~~ reconstruct family and community ~~((associations))~~ networks to ~~((care-for))~~ assist in meeting the needs of children.

The legislature finds that a broad variety of services for children and families has been independently designed over the years and that the coordination and cost-effectiveness of these services will be enhanced through the adoption of ~~((a-common))~~ an approach ~~((to-their-delivery))~~ that allows communities to prioritize and coordinate services to meet their local needs. The legislature further finds that the most successful programs for reaching and working with at-risk families and children treat individuals' problems in the context of the family, offer a broad spectrum of services, are flexible in the use of program resources, and use staff who are trained in crossing traditional program categories in order to broker services necessary to fully meet a family's needs.

The legislature further finds that eligibility criteria, expenditure restrictions, and reporting requirements of state and federal categorical programs often create barriers toward the effective use of resources for addressing the multiple problems of at-risk families and children.

The purposes of this chapter are (1) to modify public policy and programs to empower communities to support and respond to the needs of individual families and children and (2) to improve the responsiveness of services for children and families at risk by facilitating greater coordination and flexibility in the use of funds by state and local service agencies.

Sec. 302. RCW 70.190.010 and 1992 c 198 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

~~(1) "At-risk" children and youth are those who risk the significant loss of social, educational, or economic opportunities. At-risk behaviors include delinquent acts, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school. At-risk children and youth also include those who are victims of violence, abuse, neglect, and those who have been removed from the custody of their parents.~~

~~(2) "Comprehensive plan" means a two-year plan that examines available resources and unmet needs for a county or multicounty area, barriers that limit the effective use of resources, and a plan to address these issues that is broadly supported.~~

~~((2)) (3) "Participating state agencies" means the office of the superintendent of public instruction, the department of social and health services, the department of health, the employment security department, the department of community, trade, and economic development, and such other departments as may be specifically designated by the governor.~~

Laws of 1994 (this act); and two chief executive officers of major Washington corporations appointed by the governor.~~

~~((4)) (5) "Outcome" or "outcome based" means defined and measurable outcomes and indicators that make it possible for communities to evaluate progress in meeting their goals ((and whether systems are fulfilling their responsibilities)) in reducing the number of at-risk children and youth through reducing their risk factors and increasing their protective factors.~~

~~((5)) (6) "Matching funds" means an amount no less than twenty-five percent of the amount budgeted for a ((consortium's project)) community network's plan. Up to half of the ((consortium's)) community network's matching funds may be in-kind goods and services. Funding sources allowable for match include appropriate federal or local levy funds, private charitable funding, and other charitable giving. Basic education funds shall not be used as a match.~~

~~((6) "Consortium" means a diverse group of individuals that includes at least representatives of local service providers, service recipients, local government administering or funding children or family service programs, participating state agencies, school districts, existing children's commissions, ethnic and racial minority populations, and other interested persons organized for the purpose of designing and providing collaborative and coordinated services under this chapter. Consortia shall represent a county, multicounty, or municipal service area. In addition, consortia may represent Indian tribes applying either individually or collectively.)~~

~~(7) "Community public health and safety networks" or "community networks" means authorities authorized under section 303 of this act.~~

~~(9) "Risk factors" means those factors determined by the department of health to be empirically associated with at-risk behaviors that contribute to violence. Risk factors include availability of drugs or alcohol, economic, educational, and social deprivation, rejection of identification with the community, academic failure, a family history of high substance abuse, crime, a lack of acceptance of societal norms, and substance, child, and sexual abuse.~~

NEW SECTION. Sec. 303. A new section is added to chapter 70.190 RCW to read as follows:

(1) The legislature intends to create community public health and safety networks to reconnect parents and other citizens with children, youth, families, and community institutions which support health and safety. The networks should empower parents and other citizens by being a means of expressing their attitudes, spirit, and perspectives regarding safe and healthy family and community life. The legislature intends that parent and other citizen perspectives exercise a controlling influence over policy and program operations of professional organizations concerned with children and family issues within networks in a manner consistent with the Constitution and state law. It is not the intent of the legislature that health, social service, or educational professionals dominate community public health and safety network processes or programs, but rather that these professionals use their skills to lend support to parents and other citizens in expressing their values as parents and other citizens identify community needs and establish community priorities. To this end, the legislature intends full participation of parents and other citizens in community public health and safety networks. The intent is that local community values are reflected in the operations of the network.

(2) A group of persons described in subsection (3) of this section may apply by December 1, 1994, to be a community public health and safety network.

(3) Each community public health and safety network shall be composed of twenty-three people, thirteen of whom shall be citizens with no direct fiduciary interest in health, education, social service, or justice system organizations operating within the network area. In selecting these members, consideration shall be given to citizen members of community mobilization advisory boards, city or county children's services commissions, human services advisory boards, or other such organizations which may exist within the network. These thirteen persons shall be selected as follows: Three by the chambers of commerce located in the network, three by school board members of the school districts within the network boundary, three by the county legislative authorities of the counties within the network boundary, three by the city legislative authorities of the cities within the network boundary, and one high school student, selected by student organizations within the network boundary. The remaining ten members shall include local representation from the following groups and entities: Cities, counties, federally recognized Indian tribes, parks and recreation programs, law enforcement agencies, superior court judges, state children's service workers from within the network area, employment assistance workers from within the network area, private social, educational, or health service providers from within the network area, and broad-based nonsecular organizations.

(4) A list of the network members shall be submitted to the governor on December 1, 1994, by the network chair who shall be selected by network members at their first meeting. The list shall become final unless the governor chooses other members by December 20, 1994. The governor shall accept the list unless he or she believes the proposed list does not adequately represent all parties identified in subsection (3) of this section or a member has a conflict of interest between his or her membership and his or her livelihood. Members of the community network shall serve terms of three years.

The terms of the initial members of each network shall be as follows: (a) One-third shall serve for one year; (b) one-third shall serve for two years; and (c) one-third shall serve for three years. OPTION B
MANIFEST INJUSTICE

A disposition outside the standard range shall be determined and shall be comprised of confinement or community supervision or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding 30 days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW ~~((13.40.030(5), as now or hereafter amended,))~~ 13.40.030(2) shall be used to determine the range.

Sec. 439. RCW 13.40.160 and 1992 c 45 s 6 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)~~((, as now or hereafter amended,))~~ shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230~~((, as now or hereafter amended,))~~ by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 ~~((as now or hereafter amended))~~.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)~~((, as now or hereafter amended,))~~ shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230~~((, as now or hereafter amended,))~~ by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230 ~~((as now or hereafter amended))~~.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) ~~((as now or hereafter amended))~~.

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section: PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court ~~shall impose a disposition under (a) of this subsection, which shall be suspended, and~~ shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 ~~((as now or hereafter amended))~~. If the offender violates any condition of the disposition, the court may revoke the suspension and order execution of the sentence. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)~~((, as now or hereafter amended,))~~ shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230~~((, as now or hereafter amended,))~~ by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 ~~((as now or hereafter amended))~~.

(5) When a serious, middle, or minor first offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;

(iv) Anticipated length of treatment; and

(v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition pursuant to option C of schedule D-1, option C of schedule D-2, or option B of schedule D-3 as appropriate, and the court may suspend the execution of the disposition and place the offender on community supervision for up to two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

(b)(i) Devote time to a specific education, employment, or occupation;

(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(v) Report as directed to the court and a probation counselor;

(vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof; or

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (5), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (5) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the sentence. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(6)(a) The minimum sentence for any juvenile age sixteen or seventeen who illegally possesses a pistol is ten confinement days. The court may extend community supervision up to twelve months for such offense.

(b) The following additional times shall be added to the term of confinement for any juvenile found to have been armed with a firearm during the commission of a felony:

(i) Twenty-six weeks for A-, A, and A+ category offenses;

(ii) Sixteen weeks for B and B+ category offenses; and

(iii) Twelve weeks for C and C+ category offenses.

(c) Option B shall not be available for minor/first and middle offenders sentenced under (a) or (b) of this subsection.

~~(7)~~ Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

~~((7))~~ ~~(8)~~ Except as provided for in subsection (5) of this section, the court shall not suspend or defer the imposition or the execution of the disposition.

~~((8))~~ ~~(9)~~ In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

Sec. 440. RCW 13.40.210 and 1990 c 3 s 304 are each amended to read as follows:

(1) The secretary shall, except in the case of a juvenile committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the juvenile was found to be guilty established pursuant to RCW 13.40.030, as now or hereafter amended, set a release or discharge date for each juvenile committed to its custody which shall be within the prescribed range to which a juvenile has been committed. ~~((Such))~~ The dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter ~~((: PROVIDED, That))~~. However, days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the end of each calendar year if any ~~((such))~~ early releases have occurred during that year as a result of excessive in-residence population. In no event shall a serious offender, as defined in RCW 13.40.020(1) be granted release under the provisions of this subsection.

(3) Following the juvenile's release ~~((pursuant to))~~ under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months. A parole program is mandatory for offenders released under subsection (2) of this section. The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal may require the juvenile to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address; and (e) refrain from committing new offenses. After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4) Every postrelease supervision agreement executed shall prohibit the juvenile from possessing a deadly weapon while on supervision. A juvenile found by a law enforcement official, employee of the department, or a court to be in possession of a deadly weapon shall be returned to confinement for a period of not less than sixty days or for the remainder of his or her sentence, whichever is less.

(5) Any juvenile on postrelease supervision who is charged with a criminal offense shall be returned to confinement for the terms set forth in RCW 13.40.0357(6)(b) (i) through (iii) or for the remainder of his or her sentence, whichever is less. If a court has imposed a sentence under chapter 13.40 RCW and suspended any portion thereof on condition that the juvenile commit no further offense, the court shall reimpose all or a portion of the original offense upon conviction. However, the reimposition of confinement and the sanctions imposed for violation of postrelease supervision shall not, when taken together, exceed the original term of confinement.

(6) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; (d) except as provided in (e) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; and (e) the secretary may order any of the conditions or may return the offender to confinement in an institution for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030.

~~((5))~~ ~~(7)~~ A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest ~~((such))~~ the person.

~~((6))~~ (8) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) ~~((through (5)))~~, (6), and (7) of this section.

Sec. 441. RCW 13.40.190 and 1987 c 281 s 5 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday. The court may not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution over a ten-year period. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.

(2) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(3) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 442. RCW 13.40.300 and 1986 c 288 s 6 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of social and health services for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) Proceedings are pending seeking the adjudication of a juvenile offense and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday;

(b) The juvenile has been found guilty after a fact finding or after a plea of guilty and an automatic extension is necessary to allow for the imposition of disposition; or

(c) Disposition has been held and an automatic extension is necessary to allow for the execution and enforcement of the court's order of disposition. If an order of disposition imposes commitment to the department, then jurisdiction is automatically extended to include a period of up to twelve months of parole, in no case extending beyond the offender's twenty-first birthday.

(2) If the juvenile court previously has extended jurisdiction beyond the juvenile offender's eighteenth birthday and that period of extension has not expired, the court may further extend jurisdiction by written order setting forth its reasons.

(3) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday except for the purpose of enforcing an order of restitution.

(4) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 443. RCW 26.28.080 and 1987 c 250 s 2 and 1987 c 204 s 1 are each reenacted and amended to read as follows:

Every person who(~~:~~

~~(1) Shall admit to or allow to remain in any concert saloon, or in any place owned, kept, or managed by him or her where intoxicating liquors are sold, given away or disposed of—except a restaurant or dining room, any person under the age of eighteen years; or,~~

It shall be no defense to a prosecution for a violation of this section that the person acted, or was believed by the defendant to act, as agent or representative of another.

NEW SECTION. Sec. 444. A new section is added to chapter 9.94A RCW to read as follows:

The department shall adopt rules and procedures to administer this section. In addition, the department is authorized to determine whether any person subject to the confines of a correctional facility would substantially benefit from successful participation in: (1) Literacy training, (2)

employment skills training, or (3) educational efforts to identify and control sources of anger and, upon a determination that the person would, may require such successful participation as a condition for eligibility to obtain early release from the confines of a correctional facility.

Sec. 445. RCW 82.04.250 and 1993 sp.s. c 25 s 103 are each amended to read as follows:

(1) Upon every person except persons taxable under RCW 82.04.260(8) or subsection (2) of this section engaging within this state in the business of making sales at retail, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the business, multiplied by the rate of 0.471 percent.

(2) Upon every person engaging within this state in the business of making sales at retail that are exempt from the tax imposed under chapter 82.08 RCW by reason of RCW 82.08.0261, 82.08.0262, or 82.08.0263, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the business, multiplied by the rate of 0.484 percent.

(3) In addition to the tax imposed under subsection (1) of this section, upon every person engaging within this state in the business of making sales at retail of ammunition or firearms, as defined in RCW 9.41.010, as to such persons, an additional tax is imposed with respect to such business equal to the gross proceeds of sales of ammunition and firearms, as defined in RCW 9.41.010, multiplied by the rate of 0.5 percent. Proceeds of the tax imposed under this subsection shall be deposited into the violence reduction and drug enforcement account under RCW 69.50.520.

NEW SECTION. Sec. 446. A new section is added to chapter 9.41 RCW to read as follows:

(1) Any court when entering an order authorized under RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.26.137, 26.50.060, or 26.50.070 shall, upon a showing by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a deadly weapon in a crime of violence or previously committed any offense which makes him or her ineligible to possess a pistol under the provisions of RCW 9.41.040:

- (a) Require the party to surrender any deadly weapon;
- (b) Require the party to surrender any concealed pistol license issued under RCW 9.41.070;
- (c) Prohibit the party from obtaining or possessing a deadly weapon;
- (d) Prohibit the party from obtaining or possessing a concealed pistol license.

(2) The court may order temporary surrender of a deadly weapon without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(3) In addition to the provisions of subsections (1) and (2) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(4) The requirements of subsections (1) and (3) of this section may be for a period of time less than the duration of the order.

(5) The court may require the party to surrender any deadly weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding or to the restrained or enjoined party's counsel or to any person designated by the court.

Sec. 447. RCW 9A.46.050 and 1985 c 288 s 5 are each amended to read as follows:

A defendant who is charged by citation, complaint, or information with an offense involving harassment and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information. At that appearance, the court shall determine the necessity of imposing a no-contact or no-harassment order, and consider the provisions of section 446 of this act, or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

Sec. 448. RCW 10.14.080 and 1992 c 143 s 11 are each amended to read as follows:

(1) Upon filing a petition for a civil antiharassment protection order under this chapter, the petitioner may obtain an ex parte temporary antiharassment protection order. An ex parte temporary antiharassment protection order may be granted with or without notice upon the filing of an affidavit which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary antiharassment protection order is not granted.

(2) An ex parte temporary antiharassment protection order shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 10.14.085. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted. Except as provided in RCW 10.14.070 and 10.14.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(3) At the hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil antiharassment protection order shall issue prohibiting such unlawful harassment.

(4) An order issued under this chapter shall be effective for not more than one year unless the court finds that the respondent is likely to resume unlawful harassment of the petitioner when the order expires. If so, the court may enter an order for a fixed time exceeding one year or may enter a permanent antiharassment protection order. The court shall not enter an order that is effective for more than one year if the order restrains the respondent from contacting the respondent's minor children. If the petitioner seeks relief for a period longer than one year on behalf of the

respondent's minor children, the court shall advise the petitioner that the petitioner may apply for renewal of the order as provided in this chapter or if appropriate may seek relief pursuant to chapter 26.09 or 26.10 RCW.

(5) At any time within the three months before the expiration of the order, the petitioner may apply for a renewal of the order by filing a petition for renewal. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal, the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in this section. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume harassment of the petitioner when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in subsection (4) of this section.

(6) The court, in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order, shall have broad discretion to grant such relief as the court deems proper, including an order:

- (a) Restraining the respondent from making any attempts to contact the petitioner;
- (b) Restraining the respondent from making any attempts to keep the petitioner under surveillance; ~~((and))~~
- (c) Requiring the respondent to stay a stated distance from the petitioner's residence and workplace; and
- (d) Considering the provisions of section 446 of this act.

(7) A petitioner may not obtain an ex parte temporary antiharassment protection order against a respondent if the petitioner has previously obtained two such ex parte orders against the same respondent but has failed to obtain the issuance of a civil antiharassment protection order unless good cause for such failure can be shown.

(8) The court order shall specify the date an order issued pursuant to subsections (4) and (5) of this section expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication and whether the court has approved service by publication of an order issued under this section.

Sec. 449. RCW 10.99.040 and 1992 c 86 s 2 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

- (a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;
- (b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
- (c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim's location; and
- (d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim. In issuing the order, the court shall consider the provisions of section 446 of this act. The no-contact order shall also be issued in writing as soon as possible. ~~((If the court has probable cause to believe that the person charged or arrested is likely to use or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of violence, the court may also require that person to surrender any deadly weapon in that person's immediate possession or control, or subject to that person's immediate possession or control, to the sheriff of the county or chief of police of the municipality in which that person resides or to the defendant's counsel for safekeeping.))~~

(3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2) or (3) of this section is a misdemeanor. Upon conviction and in addition to other penalties provided by law, the court may require that the defendant submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The court also may include a requirement that the defendant pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(b) Any assault that is a violation of an order issued under this section and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony punishable under chapter 9A.20 RCW, and any conduct in violation of a protective order issued

under this section that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony punishable under chapter 9A.20 RCW.

(c) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony. A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed. Such orders need not be entered into the computer information system in this state which is used by law enforcement agencies to list outstanding warrants.

(5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year or until the expiration date specified on the order into any computer information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

(3) At the time of the appearances provided in subsection (1) or (2) of this section, the court shall determine the necessity of imposing a no contact order or other conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment. ~~((If the court has probable cause to believe that the defendant is likely to use or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of violence, as one of the conditions of pretrial release, the court may require the defendant to surrender any deadly weapon in the defendant's immediate possession or control, or subject to the defendant's immediate possession or control, to the sheriff of the county or chief of police of the municipality in which the defendant resides or to the defendant's counsel for safekeeping. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) Any party may request the court to issue a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining any party from:

An original copy of the notice shall be filed with the court either before service or within a reasonable time thereafter. Sec. 457. RCW 26.50.060 and 1992 c 143 s 2, 1992 c 111 s 4, and 1992 c 86 s 4 are each reenacted and amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:

(a) Restrain the respondent from committing acts of domestic violence;

(b) Exclude the respondent from the dwelling which the parties share or from the residence of the petitioner;

(c) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;

(d) Order the respondent to participate in batterers' treatment;

(e) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;

(f) Require the respondent to pay the filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee. If the petitioner has been granted leave to proceed in forma pauperis, the court may require the respondent to pay the filing fee and costs, including services fees, to the county or municipality incurring the expense;

(g) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household; ~~(and)~~

(h) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring; and

(i) Consider the provisions of section 446 of this act.

(2) Any relief granted by the order for protection, other than a judgment for costs, shall be for a fixed period not to exceed one year if the restraining order restrains the respondent from contacting the respondent's minor children. If the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner's family or household members or minor children that are not also the respondent's minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either (a) grant relief for a fixed period not to exceed one year; (b) grant relief for a fixed period in excess of one year; or (c) enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09 RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085. If the court permits service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in subsection (1)(f) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication and whether the court has approved service by publication of an order issued under this section.

Sec. 458. RCW 26.50.070 and 1992 c 143 s 3 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) Excluding any party from the dwelling shared or from the residence of the other until further order of the court;

(c) Restraining any party from interfering with the other's custody of the minor children or from removing the children from the jurisdiction of the court; ~~(and)~~

(d) Restraining any party from having any contact with the victim of domestic violence or the victim's children or members of the victim's household; and

(e) Considering the provisions of section 446 of this act.

(2) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary order for protection shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 26.50.085. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted. Except as provided in RCW 26.50.050 and 26.50.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

NEW SECTION. Sec. 460. A new section is added to chapter 9.94A RCW to read as follows:

(1)(a) An offender is eligible for the special drug offender sentencing alternative if:

(i) The offender is convicted of the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or a felony that is, under chapter 9A.28 RCW or RCW 69.50.407, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes, and the violation does not involve a sentence enhancement under RCW 9.94A.310(3);

(iii) The offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance.

(b) If the midpoint of the standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this section shall undergo a comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. If the midpoint of the standard range is twenty-four months or less, no more than three months of the sentence may be served in a work release status. An offender sentenced under this section shall serve his or her entire term of community placement under RCW 9.94A.120 in community custody that must include crime-related prohibitions including a condition not to use illegal controlled substances, and a requirement to submit to urinalysis or other testing to monitor that status. Essential academic learning requirements that incorporate the remainder of RCW 28A.150.210 (2), (3), and (4), goals two, three, and four, shall be completed no later than March 1, 1996. To the maximum extent possible, the commission shall integrate goal four and the knowledge and skill areas in the other goals in the development of the essential academic learning requirements;

(b)(i) The commission shall present to the state board of education and superintendent of public instruction a state-wide academic assessment system for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in (a) of this subsection. The academic assessment system shall include a variety of assessment methods, including performance-based measures that are criterion-referenced. Performance standards for determining if a student has successfully completed an assessment shall be initially determined by the commission in consultation with the advisory committees required in subsection (2) of this section.

(ii) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the essential academic learning requirements at the appropriate periods in the student's educational development.

(iii) Assessments measuring the essential academic learning requirements developed for RCW 28A.150.210(1), goal one, and the mathematics component of RCW 28A.150.210(2), goal two, shall be initially implemented by the state board of education and superintendent of public instruction no later than the 1996-97 school year, unless the legislature takes action to delay or prevent implementation of the assessment system and essential academic learning requirements. Assessments measuring the essential academic learning requirements developed for RCW 28A.150.210 (2), (3), and (4), goals two, three, and four, shall be initially implemented by the state board of education and superintendent of public instruction no later than the 1997-98 school year, unless the legislature takes action to delay or prevent implementation of the assessment system and essential academic learning requirements. To the maximum extent possible, the commission shall integrate knowledge and skill areas in development of the assessments.

(iv) Before the 2000-2001 school year, participation by school districts in the assessment system shall be optional. School districts that desire to participate before the 2000-2001 school year shall notify the superintendent of public instruction in a manner determined by the superintendent. Beginning in the 2000-2001 school year, all school districts shall be required to participate in the assessment system.

(v) The state board of education and superintendent of public instruction may modify the essential academic learning requirements and academic assessment system, as needed, in subsequent school years.

(c) After a determination is made by the state board of education that the high school assessment system has been implemented and that it is sufficiently reliable and valid, successful completion of the high school assessment shall lead to a certificate of mastery. The certificate of mastery shall be obtained by most students at about the age of sixteen, and is evidence that the student has successfully mastered the essential academic learning requirements during his or her educational career. The certificate of mastery shall be required for graduation but shall not be the only requirement for graduation. The commission shall make recommendations to the state board of education regarding the relationship between the certificate of mastery and high school graduation requirements. Upon achieving the certificate of mastery, schools shall provide students with the opportunity to continue to pursue career and educational objectives through educational pathways that emphasize integration of academic and vocational education. Educational pathways may include, but are not limited to, programs such as work-based learning, school-to-work transition, tech prep, vocational-technical education, running start, and preparation for technical college, community college, or university education;

(d) Consider methods to address the unique needs of special education students when developing the assessments in (b) and (c) of this subsection;

(e) Consider methods to address the unique needs of highly capable students when developing the assessments in (b) and (c) of this subsection;

These recommendations shall include an estimate for the legislature, superintendent of public instruction, and governor on the expected cost of implementing the academic assessment system;

(g) Develop recommendations for consideration by the higher education coordinating board for adopting college and university entrance requirements for public school students that are consistent with the essential academic learning requirements and the certificate of mastery;

(h) By December 1, 1998, recommend to the legislature, governor, state board of education, and superintendent of public instruction:

(i) A state-wide accountability system to monitor and evaluate accurately and fairly the level of learning occurring in individual schools and school districts. The accountability system shall be designed to recognize the characteristics of the student population of schools and school districts such as gender, race, ethnicity, socioeconomic status, and other factors. The system shall include school-site, school district, and state-level accountability reports;

(ii) A school assistance program to help schools and school districts that are having difficulty helping students meet the essential academic learning requirements;

(iii) A system to intervene in schools and school districts in which significant numbers of students persistently fail to learn the essential academic learning requirements; and

(iv) An awards program to provide incentives to school staff to help their students learn the essential academic learning requirements, with each school being assessed individually against its own baseline. Incentives shall be based on the rate of percentage change of students achieving the essential academic learning requirements. School staff shall determine how the awards will be spent.

The recommended awards, assistance, and intervention programs shall include violence indicators or standards as part of the criteria for determining the status of a school to receive an award or assistance, or be subject to intervention.

It is the intent of the legislature to begin implementation of programs in this subsection (3)(h) on September 1, 2000;

(i) Report annually by December 1st to the legislature, the governor, the superintendent of public instruction, and the state board of education on the progress, findings, and recommendations of the commission; and

The commission may direct the office of the superintendent of public instruction to enter into subcontracts, within the commission's resources, with school districts, teachers, higher education faculty, state agencies, business organizations, and other individuals and organizations to assist the commission in its deliberations.

(7) Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

- (6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subsection (24) of this section and subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

The department and the superintendent shall revise or adopt rules, consistent with federal guidelines, that allow educational professionals in elementary and secondary schools access to information contained in department records solely for purposes of improving the child's educational performance or attendance.

(2) The department and superintendent shall also revise or adopt rules, consistent with federal guidelines, that allows the department access to information contained in the records of a school or school district on a child who is the subject of a report of abuse or neglect solely for the purpose of improving the department's ability to respond to the report of abuse or neglect.

The department and superintendent shall report their findings and actions, including the need for statutory changes, to the legislature by December 31, 1994.

This section shall expire January 1, 1995.

PART VI. MEDIA

NEW SECTION. Sec. 601. The purpose of this chapter is to regulate media and media-related activities that directly or indirectly promote violence in electronic media. Decades of substantial research has now established a connection between the viewing of violent acts on television or in films and an increased acting out of violent behavior, especially in children. The social costs of increased violence are paid by all Washingtonians. The state of Washington has a compelling interest in reducing the incidence of media-induced violence as a matter of public health and safety.

The legislature finds that, to the extent that electronic media, including television, motion pictures, video games, and entertainment uses of virtual reality are conducive to increased violent behaviors, especially in children, the state has a duty to protect the public health and safety by reasonably related regulation of electronic media.

Many parents, educators, and others are concerned about protecting children and youth from the negative influences of the media, and want more information about media content and more control over media contact with their children.

The legislature finds that requiring companies that produce television, motion pictures, video games, and entertainment uses of virtual reality to provide age-rating guidelines for the public is reasonably related to the prevention of the spread of violent behavior, especially among children and youth.

NEW SECTION. Sec. 602. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Prime time" means those hours as defined by rule by the federal communication commission.

(2) "Sweeps week" means any week during the year in which national rating services measure the size of the television audience to determine the market share for purposes of setting advertising rates.

(3) "Time/channel lock" is electronic circuitry designed to enable television owners to block display of selected times and channels from viewing.

(4) "Video" means any motion picture, television or other electronically delivered programming, or other presentation on film, video tape, or other medium designed to produce, reproduce, or project images on a screen.

(5) "Violence" means any deliberate and hostile use of overt force, or the immediate threat thereof, by an individual against another individual.

(6) "Virtual reality" means any computer or other electronic artificial-intelligence-based technology that creates an enhanced simulation or illusion of three-dimensional, real-time or near-real-time interactive reality through the use of software, specialized hardware, holograms, gloves, masks, glasses, pods, goggles, helmets, computer guns, or other items capable of producing visual, audio, tactile, or sensory effects of verisimilitude beyond those available with a personal computer.

NEW SECTION. Sec. 603. All new televisions sold in this state after January 1, 1995, shall be equipped with a time/channel lock or shall be sold with an offer to the customer to purchase a time and/or channel lock, or other device that enables a person to regulate a child's access to television programming, separately. All cable television stations shall make available to all customers at the company's cost the opportunity to purchase a time and/or channel lock, or other device that enables a person to regulate a child's access to television programming. Notice of this availability shall be clearly made to all existing customers and to all new customers at the time of their signing up for service.

NEW SECTION. Sec. 604. All videos and video and virtual reality games sold or rented in this state shall clearly and prominently display a realistic age rating for appropriateness of use by end-users of the video or video game. The age rating shall be researched, developed, and provided to the purchaser or renter of the video, or video or virtual reality game, by the originator of the video or game. The originator, as used in this section, includes the manufacturer or software developer or copyright holder of the video or game.

The originator may develop the age rating in any reasonable manner, as determined by the originator, who may consult child psychologists, educators, child development specialists, pediatricians, or others as appropriate in the determination of realistic age rating. The age-rating determination shall include an objective evaluation and estimate of the number of violent incidents represented in the media material being rated.

The age-rating information may be presented to the consumer in any readily understandable format, whether by label, code, or information sheet.

NEW SECTION. Sec. 605. (1) Owners of video or video game businesses shall not sell or rent videos or video games to a person under the age of eighteen unless: (a) The renter or seller has on file a written declaration from at least one parent or guardian of the juvenile authorizing the juvenile to rent or purchase videos or video games; or (b) the juvenile is accompanied by his or her parent or guardian. The declaration may contain such restrictions as the parent deems appropriate.

(2) A violation of this section is a class 3 civil infraction under chapter 7.80 RCW. Compliance by retail outlets selling or renting materials with age-rating information provided under section 604 of this act, and reliance on the information, is a defense to civil or criminal penalties.

NEW SECTION. Sec. 606. Television and radio broadcast stations including cable stations, video rental companies, and print media are encouraged, as a matter of public health and safety, to broadcast public health-based, antiviolence public service messages. The content, style, and format of the messages shall be developed by the community public health and safety council created under RCW 70.190.010, in coordination with its violence-reduction efforts and may include the television violence report card, as set forth in section 608 of this act. The messages may be produced with grant funds from the council or may be produced voluntarily by the media working with the council.

NEW SECTION. Sec. 607. The legislature finds that, as a matter of public health and safety, access by minors to violent videos, video games, and computer software should be limited.

Public libraries, with the exception of university, college, and community college libraries, shall establish standards and policies on the protection of minors from access to violent video and other electronic materials. Libraries shall make their standards and policies known to the public in their communities.

Each library system shall formulate its own standards and policies, and may, in its discretion, include public hearings, consultation with community networks as defined under chapter 70.190 RCW, or consultation with the Washington library association in the development of its standards and policies.

NEW SECTION. Sec. 608. (1) The department of health shall establish, by rule, a program for evaluating and ranking television programs, including cable television programs, on the basis of the violence contained in the programs.

Under the program, the department shall select, within each calendar quarter, at least one week for the department to evaluate the extent of the violence contained in each of the programs carried on any of the national broadcast television networks, or on cable television systems with regard to programs available to a substantial percentage of the households that subscribe to cable television service nationally, during that week's prime-time and Saturday morning time slots. The department shall ensure that at least one of the weeks selected in any calendar year is a sweeps week.

(2) After evaluating the television programs described in this section, and in accordance with criteria established by the rules adopted under this section, the department shall:

(a) List in ranked order those programs in terms of the extent of the violence they contain; and

(b) List in ranked order program sponsors in terms of the extent to which they sponsor television programs that contain a high degree of violence.

(3) In the quarter following any quarter for which the department has made evaluations under this section, the department shall publish and make available to the public and the news media a television violence report card that reports the violence rankings performed by the department, including identification of the programs so evaluated and the sponsors of those programs.

(4) The news media shall be immune from legal liability for the accurate publication of the television violence report card.

For the purpose of facilitating the rule making required by sections 613 and 614 of this act, the department of health shall also communicate to the department of general administration and the state investment board the results of its evaluations.

A business or corporation whose violence-related products or services are for the main purpose of national defense are exempt from this policy. The motion by Senator Talmadge carried and the Committee on Health and Human Services striking amendment to Engrossed Second Substitute House Bill No. 2319 was not adopted.

MOTION

Senator Talmadge moved that the following amendment by Senators Talmadge and Gaspard be adopted:

Strike everything after the enacting clause and insert the following:

"PART I. INTENT

NEW SECTION. Sec. 101. The legislature finds that the increasing violence in our society causes great concern for the immediate health and safety of our citizens and our social institutions. Youth violence is increasing at an alarming rate and young people between the ages of fifteen and twenty-four are at the highest risk of being perpetrators and victims of violence. Additionally, random violence, including homicide and the use of firearms, has dramatically increased over the last decade.

The legislature finds that violence is abhorrent to the aims of a free society and that it can not be tolerated. State efforts at reducing violence must include changes in criminal penalties, reducing the unlawful use of and access to firearms, increasing educational efforts to encourage nonviolent means for resolving conflicts, and allowing communities to design their prevention efforts.

The legislature finds that the problem of violence can be addressed with many of the same approaches that public health programs have used to control other problems such as infectious disease, tobacco use, and traffic fatalities.

Addressing the problem of violence requires the concerted effort of all communities and all parts of state and local governments. It is the immediate purpose of chapter . . . , Laws of 1994 (this act) to: (1) Prevent acts of violence by encouraging change in social norms and individual behaviors that have been shown to increase the risk of violence; (2) reduce the rate of at-risk children and youth, as defined in RCW 70.190.010; (3) increase the severity and certainty of punishment for youth and adults who commit violent acts; (4) reduce the severity of harm to individuals when violence occurs; (5) empower communities to focus their concerns and allow them to control the funds dedicated to empirically supported preventive efforts in their region; and (6) reduce the fiscal and social impact of violence on our society.

Sec. 102. RCW 74.14A.020 and 1983 c 192 s 2 are each amended to read as follows:

~~((The department of social and health services))~~ State efforts shall address the needs of children and their families, including emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict by:

(1) Serving children and families as a unit in the least restrictive setting available and in close proximity to the family home, consistent with the best interests and special needs of the child;

(2) Ensuring that appropriate social and health services are provided to the family unit both prior to and during the removal of a child from the home and after family reunification;

(3) Ensuring that the safety and best interests of the child are the paramount considerations when making placement and service delivery decisions:

(4) Recognizing the interdependent and changing nature of families and communities, building upon their inherent strengths, maintaining their dignity and respect, and tailoring programs to their specific circumstances;

(5) Developing and implementing comprehensive, preventive, and early intervention social and health services which have demonstrated the ability to delay or reduce the need for out-of-home placements and ameliorate problems before they become chronic or severe;

~~((4))~~ (6) Being sensitive to the family and community culture, norms, values, and expectations, ensuring that all services are provided in a culturally appropriate and relevant manner, and ensuring participation of racial and ethnic minorities at all levels of planning, delivery, and evaluation efforts:

(7)(a) Developing coordinated social and health services which:

~~((a))~~ (i) Identify problems experienced by children and their families early and provide services which are adequate in availability, appropriate to the situation, and effective;

~~((b))~~ (ii) Seek to bring about meaningful change before family situations become irreversibly destructive and before disturbed psychological behavioral patterns and health problems become severe or permanent;

~~((c))~~ (iii) Serve children and families in their own homes thus preventing unnecessary out-of-home placement or institutionalization;

~~((d))~~ (iv) Focus resources on social and health problems as they begin to manifest themselves rather than waiting for chronic and severe patterns of illness, criminality, and dependency to develop which require long-term treatment, maintenance, or custody;

~~((e))~~ (v) Reduce duplication of and gaps in service delivery;

~~((f))~~ (vi) Improve planning, budgeting, and communication among all units of the department (~~(servicing)~~) and among all agencies that serve children and families; and

~~((g) Develop)~~ (vii) Utilize outcome standards for measuring the effectiveness of social and health services for children and families.

(b) In developing services under this subsection, local communities must be involved in planning and developing community networks that are tailored to their unique needs.

PART II. PUBLIC HEALTH

NEW SECTION. Sec. 201. The legislature recognizes that the state patrol, the office of the administrator for the courts, the sheriffs' and police chiefs' association, the department of social and health services, the department of community development, the sentencing guidelines commission, the department of corrections, and the superintendent of public instruction each have comprehensive data and analysis capabilities that have contributed greatly to our current understanding of crime and violence, and their causes.

The legislature finds, however, that a single health-oriented agency must be designated to provide consistent guidelines to all these groups regarding the way in which their data systems collect this important data. It is not the intent of the legislature by section 202 of this act to transfer data collection requirements from existing agencies or to require the addition of major new data systems. It is rather the intent to make only the minimum required changes in existing data systems to increase compatibility and comparability, reduce duplication, and to increase the usefulness of data collected by these agencies in developing more accurate descriptions of violence.

NEW SECTION. Sec. 202. A new section is added to chapter 43.70 RCW to read as follows:

(1) The department of health shall develop, based on recommendations in the public health improvement plan and in consultation with affected groups or agencies, comprehensive rules for the collection and reporting of data relating to acts of violence, at-risk behaviors, and risk and protective factors. The data collection and reporting rules shall be used by any public or private entity that is required to report data relating to these behaviors and conditions. The department may require any agency or program that is state-funded or that accepts state funds and any licensed or regulated person or professional to report these behaviors and conditions. To the extent possible the department shall require the reports to be filed through existing data systems. The department may also require reporting of attempted acts of violence and of nonphysical injuries. For the purposes of this section "acts of violence" means self-directed and interpersonal behaviors that can result in suicide, homicide, and nonfatal intentional injuries. "At-risk behaviors," "protective factors," and "risk factors" have the same meanings as provided in RCW 70.190.010.

(2) The department is designated as the state-wide agency for the coordination of all information relating to violence and other intentional injuries, at-risk behaviors, and risk and protective factors.

(3) The department shall provide necessary data to the local health departments for use in planning by or evaluation of any community network authorized under section 303 of this act.

(4) The department shall publish annual reports on intentional injuries, unintentional injuries, rates of at-risk youth, and associated risk and protective factors. The reports shall be submitted to the legislative budget committee.

(5) The department shall by rule establish requirements for local health departments to perform assessment related to at-risk behaviors and risk and protective factors and to assist community networks in policy development and in planning and other duties under chapter . . . , Laws of 1994 (this act).

(6) The department may, consistent with its general authority and directives under sections 201 through 205 of this act, contract with a college or university that has experience in data collection relating to the health and overall welfare of children to provide assistance to:

(a) State and local health departments in developing new sources of data to track acts of violence, at-risk behaviors, and risk and protective factors; and

(b) Local health departments to compile and effectively communicate data in their communities.

NEW SECTION. Sec. 203. A new section is added to chapter 43.70 RCW to read as follows:

The public health services improvement plan developed under RCW 43.70.520 shall include:

(1) Minimum standards for state and local public health assessment, performance measurement, policy development, and assurance regarding social development to reduce at-risk behaviors and risk and protective factors.

(2)(a) Measurable risk factors that are empirically linked to violent criminal acts by juveniles, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school; and

(b) An evaluation of other factors to determine whether they are empirically related risk factors, such as: Child abuse and neglect, out-of-home placements, poverty, single-parent households, inadequate nutrition, hunger, unemployment, lack of job skills, gang affiliation, lack of recreational or cultural opportunities, domestic violence, school absenteeism, court-ordered parenting plans, physical, emotional, or behavioral problems requiring special needs assistance in K-12 schools, learning disabilities, and any other possible factors.

(3) Data collection and analysis standards on at-risk behaviors and risk and protective factors for use by the local public health departments and the state council and the local community networks to ensure consistent and interchangeable data.

(4) Recommendations regarding any state or federal statutory barriers affecting data collection or reporting.

The department shall provide an annual report to the legislative budget committee on the implementation of this section.

NEW SECTION. Sec. 204. A new section is added to chapter 43.70 RCW to read as follows:

The department, in consultation with the community public health and safety council created in chapter 70.190 RCW, shall establish, by rule, standards for local health departments and networks to use in assessment, performance measurement, policy development, and assurance regarding social development to prevent health problems caused by risk factors empirically linked to: Violent criminal acts by juveniles, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school. The standards shall be based on the standards set forth in the public health improvement plan as required by section 203 of this act.

The department, in consultation with the community public health and safety council, shall review the definitions of at-risk children and youth, protective factors, and risk factors contained in RCW 70.190.010 and make any suggested recommendations for change to the legislature by January 1, 1995.

NEW SECTION. Sec. 205. A new section is added to chapter 43.70 RCW to read as follows:

The legislature encourages the use of a state-wide voluntary, socially responsible policy to reduce the emphasis, amount, and type of violence in all public media. The department shall develop a suggested reporting format for use by the print, television, and radio media in reporting their voluntary violence reduction efforts. Each area of the public media may carry out the policy in whatever manner that area deems appropriate.

Sec. 206. RCW 43.70.010 and 1989 1st ex.s. c 9 s 102 are each amended to read as follows:

As used in this chapter, unless the context indicates otherwise:

(1) "Assessment" means the regular collection, analysis, and sharing of information about health conditions, risks, and resources in a community. Assessment activities identify trends in illness, injury, and death and the factors that may cause these events. They also identify environmental risk factors, community concerns, community health resources, and the use of health services. Assessment includes gathering statistical data as well as conducting epidemiologic and other investigations and evaluations of health emergencies and specific ongoing health problems;

(2) "Board" means the state board of health;

~~((2))~~ (3) "Council" means the health care access and cost control council;

~~((3))~~ (4) "Department" means the department of health; ~~(and~~

~~(4))~~ (5) "Policy development" means the establishment of social norms, organizational guidelines, operational procedures, rules, ordinances, or statutes that promote health or prevent injury, illness, or death; and

(6) "Secretary" means the secretary of health.

PART III. COMMUNITY NETWORKS

Sec. 301. RCW 70.190.005 and 1992 c 198 s 1 are each amended to read as follows:

The legislature finds that a primary goal of public involvement in the lives of children has been to strengthen the family unit.

However, the legislature recognizes that traditional two-parent families with one parent routinely at home are now in the minority. In addition, extended family and natural community supports have eroded drastically. The legislature recognizes that public policy assumptions must be altered to account for this new social reality. Public effort must be redirected to expand, support, strengthen, and help ~~((refashion))~~ reconstruct family and community ~~((associations))~~ networks to ~~((care-for))~~ assist in meeting the needs of children.

The legislature finds that a broad variety of services for children and families has been independently designed over the years and that the coordination and cost-effectiveness of these services will be enhanced through the adoption of ~~((a-common))~~ an approach ~~((to-their-delivery))~~ that allows communities to prioritize and coordinate services to meet their local needs. The legislature further finds that the most successful programs for reaching and working with at-risk families and children treat individuals' problems in the context of the family, offer a broad spectrum of services, are flexible in the use of program resources, and use staff who are trained in crossing traditional program categories in order to broker services necessary to fully meet a family's needs.

The legislature further finds that eligibility criteria, expenditure restrictions, and reporting requirements of state and federal categorical programs often create barriers toward the effective use of resources for addressing the multiple problems of at-risk families and children.

The purposes of this chapter are (1) to modify public policy and programs to empower communities to support and respond to the needs of individual families and children and (2) to improve the responsiveness of services for children and families at risk by facilitating greater coordination and flexibility in the use of funds by state and local service agencies.

Sec. 302. RCW 70.190.010 and 1992 c 198 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

~~((1))~~ (1) "Assessment" has the same meaning as provided in RCW 43.70.010.

~~((2))~~ (2) "At-risk" children and youth are those who risk the significant loss of social, educational, or economic opportunities.

~~((3))~~ (3) "At-risk behaviors" means violent delinquent acts, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school. At-risk children and youth also include those who are victims of violence, abuse, neglect, and those who have been removed from the custody of their parents.

~~((4))~~ (4) "Comprehensive plan" means a two-year plan that examines available resources and unmet needs for a county or multicounty area, barriers that limit the effective use of resources, and a plan to address these issues that is broadly supported.

~~((2))~~ (5) "Participating state agencies" means the office of the superintendent of public instruction, the department of social and health services, the department of health, the employment security department, the department of community, trade, and economic development, and such other departments as may be specifically designated by the governor.

~~((3))~~ "Family policy) ~~((6))~~ (6) "Community public health and safety council" or "council" means: The superintendent of public instruction, the secretary of social and health services, the secretary of health, the commissioner of the employment security department, and the director of the department of community, trade, and economic development or their designees~~((;))~~; one legislator from each caucus of the senate and house of representatives~~((,-and))~~; one representative of the governor; one representative each appointed by the governor for cities, towns, counties, federally recognized Indian tribes, school districts, the children's commission, law enforcement agencies, superior courts, public parks and recreation programs, and private agency service providers; citizen representatives of community organizations not associated with delivery of services affected by chapter . . . Laws of 1994 (this act); and two chief executive officers of major Washington corporations appointed by the governor.

~~((4))~~ (7) "Outcome" or "outcome based" means defined and measurable outcomes ~~((and indicators that make it possible for communities))~~ used to evaluate progress in ~~((meeting their goals and whether systems are fulfilling their responsibilities))~~ reducing the rate of at-risk children and youth through reducing risk factors and increasing protective factors.

~~((5))~~ (8) "Matching funds" means an amount no less than twenty-five percent of the amount budgeted for a ~~((consortium's project))~~ community network's plan. Up to half of the ~~((consortium's))~~ community network's matching funds may be in-kind goods and services. Funding sources allowable for match include appropriate federal or local levy funds, private charitable funding, and other charitable giving. Basic education funds shall not be used as a match.

~~((6))~~ "Consortium" means a diverse group of individuals that includes at least representatives of local service providers, service recipients, local government administering or funding children or family service programs, participating state agencies, school districts, existing children's commissions, ethnic and racial minority populations, and other interested persons organized for the purpose of designing and providing collaborative and coordinated services under this chapter. Consortia shall represent a county, multicounty, or municipal service area. In addition, consortia may represent Indian tribes applying either individually or collectively.)

~~((9))~~ (9) "Community public health and safety networks" or "community networks" means authorities authorized under section 303 of this act.

~~((11))~~ (11) "Protective factors" means those factors determined by the department of health to be empirically associated with behaviors that contribute to socially acceptable and healthy nonviolent behaviors. Protective factors include promulgation, identification, and acceptance of community norms regarding appropriate behaviors in the area of delinquency, early sexual activity, and alcohol and substance abuse, educational opportunities, employment opportunities, and absence of crime.

~~((12))~~ (12) "Risk factors" means those factors determined by the department of health to be empirically associated with at-risk behaviors that contribute to violence. Risk factors include availability of drugs or alcohol, economic, educational, and social deprivation, rejection of identification with

the community, academic failure, a family history of high substance abuse, crime, a lack of acceptance of societal norms, and substance, child, and sexual abuse.

NEW SECTION. Sec. 303. A new section is added to chapter 70.190 RCW to read as follows:

(1) The legislature intends to create community public health and safety networks to reconnect parents and other citizens with children, youth, families, and community institutions which support health and safety. The networks should empower parents and other citizens by being a means of expressing their attitudes, spirit, and perspectives regarding safe and healthy family and community life. The legislature intends that parent and other citizen perspectives exercise a controlling influence over policy and program operations of professional organizations concerned with children and family issues within networks in a manner consistent with the Constitution and state law. It is not the intent of the legislature that health, social service, or educational professionals dominate community public health and safety network processes or programs, but rather that these professionals use their skills to lend support to parents and other citizens in expressing their values as parents and other citizens identify community needs and establish community priorities. To this end, the legislature intends full participation of parents and other citizens in community public health and safety networks. The intent is that local community values are reflected in the operations of the network.

(2) A group of persons described in subsection (3) of this section may apply by December 1, 1994, to be a community public health and safety network.

(3) Each community public health and safety network shall be composed of twenty-three people, thirteen of whom shall be citizens with no direct fiduciary interest in health, education, social service, or justice system organizations operating within the network area. In selecting these members, consideration shall be given to citizen members of community mobilization advisory boards, city or county children's services commissions, human services advisory boards, or other such organizations which may exist within the network. These thirteen persons shall be selected as follows: Three by the chambers of commerce located in the network, three by school board members of the school districts within the network boundary, three by the county legislative authorities of the counties within the network boundary, three by the city legislative authorities of the cities within the network boundary, and one high school student, selected by student organizations within the network boundary. The remaining ten members shall include local representation from the following groups and entities: Cities, counties, federally recognized Indian tribes, parks and recreation programs, law enforcement agencies, superior court judges, state children's service workers from within the network area, employment assistance workers from within the network area, private social, educational, or health service providers from within the network area, and broad-based nonsecular organizations.

(4) A list of the network members shall be submitted to the governor by December 1, 1994, by the network chair who shall be selected by network members at their first meeting. The list shall become final unless the governor chooses other members within twenty days after the list is submitted. The governor shall accept the list unless he or she believes the proposed list does not adequately represent all parties identified in subsection (3) of this section or a member has a conflict of interest between his or her membership and his or her livelihood. Members of the community network shall serve terms of three years.

The terms of the initial members of each network shall be as follows: (a) One-third shall serve for one year; (b) one-third shall serve for two years; and (c) one-third shall serve for three years. Initial members may agree which shall serve fewer than three years or the decision may be made by lot. The same process shall be used in the selection of the chair and members for subsequent terms. Any vacancy occurring during the term may be filled by the chair for the balance of the unexpired term.

(5) The network shall select a public entity as the lead administrative and fiscal agency for the network. In making the selection, the network shall consider: (a) Experience in administering prevention and intervention programs; (b) the relative geographical size of the network and its members; (c) budgeting and fiscal capacity; and (d) how diverse a population each entity represents.

NEW SECTION. Sec. 304. A new section is added to chapter 70.190 RCW to read as follows:

The community public health and safety networks shall:

- (1) Review state and local public health data and analysis relating to risk factors, protective factors, and at-risk children and youth;
- (2) Prioritize the risk factors and protective factors to reduce the likelihood of their children and youth being at risk. The priorities shall be based upon public health data and assessment and policy development standards provided by the department of health under section 204 of this act;
- (3) Develop long-term community plans to reduce the rate of at-risk children and youth; set definitive, measurable goals, based upon the department of health standards; and project their desired outcomes;
- (4) Distribute funds to local programs that reflect the locally established priorities;
- (5) Comply with outcome-based standards;
- (6) Cooperate with the department of health and local boards of health to provide data and determine outcomes; and
- (7) Coordinate its efforts with anti-drug use efforts and organizations and maintain a high priority for combatting drug use by at-risk youth.

NEW SECTION. Sec. 305. A new section is added to chapter 70.190 RCW to read as follows:

(1) The community network's plan may include a program to provide postsecondary scholarships to at-risk students who: (a) Are community role models under criteria established by the community network; (b) successfully complete high school; and (c) maintain at least a 2.5 grade point average throughout high school. Funding for the scholarships may include public and private sources.

(2) The community network's plan may also include funding of community-based home visitor programs which are designed to reduce the incidence of child abuse and neglect with the network. The program may provide parents with education and support either in parents' homes or in

other locations comfortable for parents, beginning with the birth of their first baby. The program may make the following services available to the families:

- (a) Visits for all expectant or new parents, either at the parent's home or another location with which the parent is comfortable;
- (b) Screening before or soon after the birth of a child to assess the family's strengths and goals and define areas of concern in consultation with the family;
- (c) Parenting education and skills development;
- (d) Parenting and family support information and referral;
- (e) Parent support groups; and
- (f) Service coordination for individual families, and assistance with accessing services, provided in a manner that ensures that individual families have only one individual or agency to which they look for service coordination. Where appropriate for a family, service coordination may be conducted through interdisciplinary or interagency teams.

These programs are intended to be voluntary for the parents involved.

(3) The community network may include funding of:

- (a) At-risk youth job placement and training programs. The programs shall:
 - (i) Identify and recruit at-risk youth for local job opportunities;
 - (ii) Provide skills and needs assessments for each youth recruited;
 - (iii) Provide career and occupational counseling to each youth recruited;
 - (iv) Identify businesses willing to provide employment and training opportunities for at-risk youth;
 - (v) Match each youth recruited with a business that meets his or her skills and training needs;
 - (vi) Provide employment and training opportunities that prepare the individual for demand occupations; and
 - (vii) Include, to the extent possible, collaboration of business, labor, education and training, community organizations, and local government;
- (b) Employment assistance, including job development, school-to-work placement, employment readiness training, basic skills, apprenticeships, job mentoring, and private sector and community service employment;
- (c) Education assistance, including tutoring, mentoring, interactions with role models, entrepreneurial education and projects, and employment reentry assistance services;
- (d) Peer-to-peer, group, and individual counseling, including crisis intervention, for at-risk youth and their parents;
- (e) Youth coalitions that provide opportunities to develop leadership skills and gain appropriate respect, recognition, and rewards for their positive contribution to their community;
- (f) Technical assistance to applicants to increase their organizational capacity and to improve the likelihood of a successful application; and
- (g) Technical assistance and training resources to successful applicants.

NEW SECTION. Sec. 306. A new section is added to chapter 70.190 RCW to read as follows:

(1) A community network that has its membership finalized under section 303(4) of this act shall, upon application to the council, be eligible to receive planning grants and technical assistance from the council. Planning grants may be funded through available federal funds for family preservation services. After receiving the planning grant the region will be given up to one year to submit the long-term community plan. Effective July 1, 1995, up to one-half of the community networks will be eligible to receive grant funds for prevention and early intervention programs.

(2) The community networks that did not receive the initial grants shall be eligible, upon approval of their plans by the council, to receive such funds on January 1, 1997.

(3) The participating state agencies shall enter into biennial contracts with community networks as part of the grant process. The contracts shall be consistent with available resources, and shall be distributed in accordance with the distribution formula developed pursuant to section 326 of this act.

(4) No later than February 1 of each odd-numbered year following the initial contract between the council and a network, the council shall request from the network its plan for the upcoming biennial contract period.

(5) The council shall notify the community networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

NEW SECTION. Sec. 307. A new section is added to chapter 70.190 RCW to read as follows:

The community public health and safety council shall:

- (1) Establish network boundaries by July 1, 1994. There is a presumption that no county may be divided between two or more community networks and no network shall have fewer than forty thousand population. When approving multicounty networks, considering dividing a county between networks, or creating a network with a population of less than forty thousand, the council must consider: (a) Common economic, geographic, and social interests; (b) historical and existing shared governance; and (c) the size and location of population centers. Individuals and groups within any area shall be given ample opportunity to propose network boundaries in a manner designed to assure full consideration of their expressed wishes;
- (2) Develop a technical assistance and training program to assist communities in creating and developing community networks;
- (3) Approve the structure, purpose, goals, plan, and performance measurements of each community network;

(4) Identify all prevention and early intervention programs and funds, other than program funds designed for treatment as defined in section 309 of this act, including all programs funded under RCW 69.50.520, in addition to those set forth in sections 312 through 316 of this act, which could be transferred, in all or part, to the community networks, and report their findings and recommendations to the governor and the legislature regarding any appropriate program transfers by January 1 of each year;

(5) Reward community networks that show exceptional success as provided in section 326 of this act;

(6) Seek every opportunity to maximize federal and other funding that is consistent with the plans approved by the council for the purpose and goals of this chapter;

(7) Review the state-funded out-of-home placement rate before the end of each contract to determine whether the region has sufficiently reduced the rate. If the council determines that there has not been a sufficient reduction in the rate, it may reduce the immediately succeeding grant to the network;

(8)(a) The council shall monitor the implementation of programs contracted by participating state agencies by reviewing periodic reports on the extent to which services were delivered to intended populations, the quality of services, and the extent to which service outcomes were achieved at the conclusion of service interventions. This monitoring shall include provision for periodic feedback to community networks;

(b) The legislature intends that this monitoring be used by the legislative budget committee, together with public health data on at-risk behaviors and risk and protective factors to produce an external evaluation of the effectiveness of the networks and their programs. For this reason, and to conserve public funds, the council shall not conduct or contract for the conduct of control group studies, quasi-experimental design studies, or other analysis efforts to attempt to determine the impact of network programs on at-risk behaviors or risk and protective factors; and

(9) Review the implementation of chapter . . . , Laws of 1994 (this act) and report its recommendations to the legislature annually. The report shall use measurable performance standards to evaluate the implementation.

NEW SECTION. Sec. 308. A new section is added to chapter 70.190 RCW to read as follows:

(1) The council, and each network, shall annually review all state and federal funded programs serving individuals, families, or communities to determine whether a network may be better able to integrate and coordinate these services within the community.

(2) The council, and each network, shall specifically review and report on the feasibility and desirability of decategorizing and granting, all or part of, the following program funds to the networks:

(a) Child care;

(b) Early intervention and educational services, including but not limited to, birth to three, birth to six, early childhood education and assistance, and headstart;

(c) Crisis residential care;

(d) Victims' assistance;

(e) Foster care;

(f) Adoption support;

(g) Continuum of care; and

(h) Drug and alcohol abuse prevention and early intervention in schools.

(3) In determining the desirability of decategorizing these programs the report shall analyze whether:

(a) The program is an integral part of the community plan without decategorization;

(b) The program is already adequately integrated and coordinated with other programs that are, or will be, funded by the network;

(c) The network could develop the capacity to provide the program's services;

(d) The program goals might receive greater community support and reinforcement through the network;

(e) The program presently ensures that adequate follow-up efforts are utilized, and whether the network could improve on those efforts through decategorization of the funds;

(f) The decategorization would benefit the community; and

(g) The decategorization would assist the network in achieving its goals.

NEW SECTION. Sec. 309. A new section is added to chapter 70.190 RCW to read as follows:

(1) The council may, by a vote of its membership, remove from a program, subject to the grant process under this chapter, any funds that are used solely for treatment.

(2) For the purposes of this section, "treatment" means remediation of personal functioning that has been lost or impaired as the immediate result of an act of violence, as defined in section 202 of this act.

NEW SECTION. Sec. 310. A new section is added to chapter 70.190 RCW to read as follows:

(1) The participating state agencies shall execute an interagency agreement to ensure the coordination of their local program efforts regarding children. This agreement shall recognize and give specific planning, coordination, and program administration responsibilities to community networks after the approval under section 311 of this act of their comprehensive community plans. The community networks shall encourage the development of integrated, regionally based children, youth, and family activities and services with adequate local flexibility to accomplish the purposes stated in section 101 of this act and RCW 74.14A.020.

(2) The community networks shall exercise the planning, coordinating, and program administration functions specified by the state interagency agreement in addition to other activities required by law, and shall participate in the planning process required by chapter 71.36 RCW.

(3) Any state or federal funds identified for contracts with community networks shall be transferred with no reductions.

NEW SECTION. Sec. 311. A new section is added to chapter 70.190 RCW to read as follows:

(1) The participating state agencies shall only disburse funds to a community network after a comprehensive community plan has been prepared by the network and approved by the council. In approving the plan the council shall consider whether the network:

- (a) Promoted input from the widest practical range of agencies and affected parties;
- (b) Reviewed the indicators of violence data compiled by the local public health departments and incorporated a response to those indicators in the plan;
- (c) Obtained a declaration by the largest health department in the region, ensuring that the plan met minimum standards for assessment and policy development relating to social development according to section 204 of this act;
- (d) Included a specific mechanism of data collection and transmission based on the rules established under section 204 of this act;
- (e) Considered all relevant causes of violence in its community and did not isolate only one or a few of the elements to the exclusion of others and demonstrated evidence of building community capacity through effective neighborhood and community development; and
- (f) Committed to make measurable reductions in the rate of at-risk children and youth by reducing the rate of state-funded out-of-home placements and make reductions in at least three of the following rates of youth: Violent criminal acts, substance abuse, pregnancy and male parentage, suicide attempts, or dropping out of school.

(2) Upon approval of a community network's plan, the council shall grant all of the funds for the programs identified in sections 312 through 316 of this act, unless the community network has demonstrated that a specific program, or a part of a program, should not be granted to the network. To preclude a grant, the community network shall demonstrate, in a detailed plan, that the existing program, or part of a program:

- (a) Is incorporated into the community plan;
- (b) Is adequately integrated and coordinated with other prevention and intervention programs in the community;
- (c) Possesses such a unique character that the community network would be unable to independently contract for those services;
- (d) Is adequately supported and reinforced by the community;
- (e) Presently ensures that follow-up efforts are utilized so that the program has long-lasting benefits;
- (f) Is designed such that decategorization of the services would be detrimental to the consumer; and
- (g) Is contributing to the reduction in the rate of at-risk children and youth in the community through reducing risk factors or increasing protective factors.

NEW SECTION. Sec. 312. A new section is added to chapter 74.14A RCW to read as follows:

The secretary shall, subject to the provisions of sections 309 and 311(2) of this act, contract with the community networks approved under section 311 of this act, on a grant basis, for the administration of an integrated program reducing the rate of at-risk children and youth beginning July 1, 1995. The contract shall include state and federal funds currently appropriated for:

- (1) Consolidated juvenile services; and
- (2) Family preservation and support services.

The contract may also include funds for family preservation services which may be available for the purposes of chapter 70.190 RCW.

NEW SECTION. Sec. 313. A new section is added to Title 28A RCW to read as follows:

The superintendent of public instruction shall, subject to the provisions of sections 309 and 311(2) of this act, contract with the community networks approved under section 311 of this act, on a grant basis, for the administration of an integrated program reducing the rate of at-risk children and youth beginning July 1, 1995. The contracts shall include state and federal funds currently appropriated for the readiness to learn program.

NEW SECTION. Sec. 314. A new section is added to chapter 43.63A RCW to read as follows:

The department of community, trade, and economic development shall, subject to the provisions of sections 309 and 311(2) of this act, contract with the community networks approved under section 311 of this act, on a grant basis, for the administration of an integrated program reducing the rate of at-risk children and youth beginning July 1, 1995. The contracts shall include state and federal funds currently appropriated for:

- (1) The community mobilization program; and
- (2) The violence prevention program.

NEW SECTION. Sec. 315. A new section is added to chapter 70.190 RCW to read as follows:

All funds transferred to community networks for programs under chapter 43.270 RCW shall, until July 1, 1997, be used only for the purposes of chapter 43.270 RCW.

NEW SECTION. Sec. 316. A new section is added to chapter 43.101 RCW to read as follows:

(2) The prior offense increase factor is summarized in schedule B, RCW 13.40.0357. Time span is computed from the date of the prior offense to the date of the current offense. The total increase factor is determined by totalling the increase factors for each prior offense and adding a constant factor of 1.0.

(4) The total current offense points are determined for each current offense by multiplying the total increase factor by the current offense points. The total current offense points are rounded down to the nearest whole number.

(5) All current offense points calculated in schedules D-1, D-2, and D-3 shall be increased by a factor of five percent if the offense is committed by a juvenile who is in a program of parole under this chapter.

MANIFEST INJUSTICE

A disposition outside the standard range shall be determined and shall be comprised of confinement or community supervision or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding 30 days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW ((13.40.030(5), as now or hereafter amended,)) 13.40.030(2) shall be used to determine the range.

Sec. 440. RCW 13.40.080 and 1992 c 205 s 108 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. The juvenile's custodial parent or parents or guardian shall be parties to the diversion agreement. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.

(2) A diversion agreement shall be limited to:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;

(b) Restitution limited to the amount of actual loss incurred by the victim, and to an amount the juvenile has the means or potential means to pay;

(c) Attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions at a community agency: PROVIDED, That the state shall not be liable for costs resulting from the diversionary unit exercising the option to permit diversion agreements to mandate attendance at up to ten hours of counseling and/or up to twenty hours of educational or informational sessions; and

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the diveree. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(6) Diverees and potential diverees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No diveree may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the diveree;

(d) The hearing shall be conducted by the juvenile court and shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the diveree has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the diveree was diverted:

(i) In juvenile court if the diveree is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the diveree is eighteen years of age or older.

(7) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.

(8) The diversion unit shall be responsible for advising a diveree of his or her rights as provided in this chapter.

(9) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(10) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of

the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(9) ~~((as now or hereafter amended))~~. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(11) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

- (a) The fact that a charge or charges were made;
- (b) The fact that a diversion agreement was entered into;
- (c) The juvenile's obligations under such agreement;
- (d) Whether the alleged offender performed his or her obligations under such agreement; and
- (e) The facts of the alleged offense.

(12) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(13) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(9) ~~((as now or hereafter amended))~~. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversionary unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(14) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diveree's eighteenth birthday.

(15) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the diveree and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the diveree and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(16) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

Sec. 441. RCW 13.40.160 and 1992 c 45 s 6 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) ~~((as now or hereafter amended,))~~ shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 ~~((as now or hereafter amended,))~~ by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 ~~((as now or hereafter amended))~~.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the

juvenile to a maximum term, and the provisions of RCW 13.40.030(2)(~~as now or hereafter amended~~) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230(~~as now or hereafter amended~~) by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230 (~~as now or hereafter amended~~).

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) (~~as now or hereafter amended~~).

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsections (5) and (6) of this section: PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a disposition under (a) of this subsection, which shall be suspended, and shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 (~~as now or hereafter amended~~). If the offender violates any condition of the disposition, the court may revoke the suspension and order execution of the sentence. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)(~~as now or hereafter amended~~) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230(~~as now or hereafter amended~~) by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 (~~as now or hereafter amended~~).

(5) When a serious, middle, or minor first offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (iv) Anticipated length of treatment; and
- (v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition pursuant to option C of schedule D-1, option C of schedule D-2, or option B of schedule D-3 as appropriate, and the court may suspend the execution of the disposition and place the offender on community supervision for up to two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

- (b)(i) Devote time to a specific education, employment, or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying

the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;

(iii) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;

(iv) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(v) Report as directed to the court and a probation counselor;

(vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof; or

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (5), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (5) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the sentence. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(6)(a) The minimum sentence for any juvenile age sixteen or seventeen who illegally possesses a pistol is ten confinement days. The court may extend community supervision up to twelve months for such offense.

(b) The following additional times shall be added to the term of confinement for any juvenile found to have been armed with a firearm during the commission of a felony:

(i) Twenty-six weeks for A-, A, and A+ category offenses;

(ii) Sixteen weeks for B and B+ category offenses; and

(iii) Twelve weeks for C and C+ category offenses.

(7) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

~~((7))~~ (8) Except as provided in subsection (5) of this section, the court shall not suspend or defer the imposition or the execution of the disposition.

~~((8))~~ (9) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

Sec. 442. RCW 13.40.210 and 1990 c 3 s 304 are each amended to read as follows:

(1) The secretary shall, except in the case of a juvenile committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the juvenile was found to be guilty established pursuant to RCW 13.40.030, ~~((as now or hereafter amended,))~~ set a release or discharge date for each juvenile committed to its custody which shall be within the prescribed range to which a juvenile has been committed. ~~((Such))~~ The dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter ~~((: PROVIDED, That))~~. However, days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that

there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the end of each calendar year if any ~~((such))~~ early releases have occurred during that year as a result of excessive in-residence population. In no event shall a serious offender, as defined in RCW 13.40.020(1) be granted release under the provisions of this subsection.

(3) Following the juvenile's release ~~((pursuant to))~~ under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months. A parole program is mandatory for offenders released under subsection (2) of this section. The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; and (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address~~((; and (e) refrain from committing new offenses))~~. After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: ~~((a))~~ (i) Continued supervision under the same conditions previously imposed; ~~((b))~~ (ii) intensified supervision with increased reporting requirements; ~~((c))~~ (iii) additional conditions of supervision authorized by this chapter; ~~((d))~~ (iv) except as provided in ~~((e))~~ (a)(v) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; and ~~((e))~~ (v) the secretary may order any of the conditions or may return the offender to confinement in an institution for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030.

(b) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest ~~((such))~~ the person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

Sec. 443. RCW 13.40.190 and 1987 c 281 s 5 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday. The court may not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution over a ten-year period. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.

(2) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(3) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 444. RCW 13.40.300 and 1986 c 288 s 6 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of social and health services for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) Proceedings are pending seeking the adjudication of a juvenile offense and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday;

(b) The juvenile has been found guilty after a fact finding or after a plea of guilty and an automatic extension is necessary to allow for the imposition of disposition; or

(c) Disposition has been held and an automatic extension is necessary to allow for the execution and enforcement of the court's order of disposition. If an order of disposition imposes commitment to the department, then jurisdiction is automatically extended to include a period of up to twelve months of parole, in no case extending beyond the offender's twenty-first birthday.

(2) If the juvenile court previously has extended jurisdiction beyond the juvenile offender's eighteenth birthday and that period of extension has not expired, the court may further extend jurisdiction by written order setting forth its reasons.

(3) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday except for the purpose of enforcing an order of restitution.

(4) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 445. RCW 26.28.080 and 1987 c 250 s 2 and 1987 c 204 s 1 are each reenacted and amended to read as follows:

Every person who(~~:~~

~~(1) Shall admit to or allow to remain in any concert saloon, or in any place owned, kept, or managed by him or her where intoxicating liquors are sold, given away or disposed of—except a restaurant or dining room, any person under the age of eighteen years; or,~~

It shall be no defense to a prosecution for a violation of this section that the person acted, or was believed by the defendant to act, as agent or representative of another.

NEW SECTION. Sec. 446. A new section is added to chapter 9.94A RCW to read as follows:

The department shall adopt rules and procedures to administer this section. In addition, the department is authorized to determine whether any person subject to the confines of a correctional facility would substantially benefit from successful participation in: (1) Literacy training, (2) employment skills training, or (3) educational efforts to identify and control sources of anger and, upon a determination that the person would, may require such successful participation as a condition for eligibility to obtain early release from the confines of a correctional facility.

Sec. 447. RCW 82.04.250 and 1993 sp.s. c 25 s 103 are each amended to read as follows:

(1) Upon every person except persons taxable under RCW 82.04.260(8) or subsection (2) of this section engaging within this state in the business of making sales at retail, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the business, multiplied by the rate of 0.471 percent.

(2) Upon every person engaging within this state in the business of making sales at retail that are exempt from the tax imposed under chapter 82.08 RCW by reason of RCW 82.08.0261, 82.08.0262, or 82.08.0263, as to such persons, the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the business, multiplied by the rate of 0.484 percent.

(3) In addition to the tax imposed under subsection (1) of this section, upon every person engaging within this state in the business of making sales at retail of ammunition or firearms, as defined in RCW 9.41.010, as to such persons, an additional tax is imposed with respect to such business equal to the gross proceeds of sales of ammunition and firearms, as defined in RCW 9.41.010, multiplied by the rate of 0.5 percent. Proceeds of the tax imposed under this subsection shall be deposited into the violence reduction and drug enforcement account under RCW 69.50.520.

NEW SECTION. Sec. 448. A new section is added to chapter 9.41 RCW to read as follows:

(1) Any court when entering an order authorized under RCW 9A.46.080, 10.14.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.10.040, 26.10.115, 26.26.130, 26.26.137, 26.50.060, or 26.50.070 shall, upon a showing by clear and convincing evidence, that a party has: Used, displayed, or threatened to use a deadly weapon in a crime of violence or previously committed any offense which makes him or her ineligible to possess a pistol under the provisions of RCW 9.41.040:

(a) Require the party to surrender any deadly weapon;

(b) Require the party to surrender any concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from obtaining or possessing a deadly weapon;

(d) Prohibit the party from obtaining or possessing a concealed pistol license.

(2) The court may order temporary surrender of a deadly weapon without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(3) In addition to the provisions of subsections (1) and (2) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(4) The requirements of subsections (1) and (3) of this section may be for a period of time less than the duration of the order.

(5) The court may require the party to surrender any deadly weapon in his or her immediate possession or control or subject to his or her immediate possession or control to the sheriff of the county having jurisdiction of the proceeding or to the restrained or enjoined party's counsel or to any person designated by the court.

Sec. 449. RCW 9A.46.050 and 1985 c 288 s 5 are each amended to read as follows:

A defendant who is charged by citation, complaint, or information with an offense involving harassment and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information. At that appearance, the court shall determine the necessity of imposing a no-contact or no-harassment order, and consider the provisions of section 448 of this act, or other conditions of pretrial release according to the procedures established by court rule for preliminary appearance or an arraignment.

Sec. 450. RCW 10.14.080 and 1992 c 143 s 11 are each amended to read as follows:

(1) Upon filing a petition for a civil antiharassment protection order under this chapter, the petitioner may obtain an ex parte temporary antiharassment protection order. An ex parte temporary antiharassment protection order may be granted with or without notice upon the filing of an affidavit which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary antiharassment protection order is not granted.

(2) An ex parte temporary antiharassment protection order shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 10.14.085. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted. Except as provided in RCW 10.14.070 and 10.14.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(3) At the hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil antiharassment protection order shall issue prohibiting such unlawful harassment.

(4) An order issued under this chapter shall be effective for not more than one year unless the court finds that the respondent is likely to resume unlawful harassment of the petitioner when the order expires. If so, the court may enter an order for a fixed time exceeding one year or may enter a permanent antiharassment protection order. The court shall not enter an order that is effective for more than one year if the order restrains the respondent from contacting the respondent's minor children. If the petitioner seeks relief for a period longer than one year on behalf of the respondent's minor children, the court shall advise the petitioner that the petitioner may apply for renewal of the order as provided in this chapter or if appropriate may seek relief pursuant to chapter 26.09 or 26.10 RCW.

(5) At any time within the three months before the expiration of the order, the petitioner may apply for a renewal of the order by filing a petition for renewal. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal, the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in this section. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume harassment of the petitioner when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in subsection (4) of this section.

(6) The court, in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order, shall have broad discretion to grant such relief as the court deems proper, including an order:

- (a) Restraining the respondent from making any attempts to contact the petitioner;
- (b) Restraining the respondent from making any attempts to keep the petitioner under surveillance; ~~((and))~~
- (c) Requiring the respondent to stay a stated distance from the petitioner's residence and workplace; and
- (d) Considering the provisions of section 448 of this act.

(7) A petitioner may not obtain an ex parte temporary antiharassment protection order against a respondent if the petitioner has previously obtained two such ex parte orders against the same respondent but has failed to obtain the issuance of a civil antiharassment protection order unless good cause for such failure can be shown.

(8) The court order shall specify the date an order issued pursuant to subsections (4) and (5) of this section expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication and whether the court has approved service by publication of an order issued under this section.

Sec. 451. RCW 10.99.040 and 1992 c 86 s 2 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

- (a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;
- (b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
- (c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his or her client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit that person from having any contact with the victim. The jurisdiction authorizing the release shall determine whether that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the person charged or arrested from having contact with the victim. In issuing the order, the court shall consider the provisions of section 448 of this act. The no-contact order shall also be issued in writing as soon as possible. ~~((If the court has probable cause to believe that the person charged or arrested is likely to use or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of violence, the court may also require that person to surrender any deadly weapon in that person's immediate possession or control, or subject to that person's immediate possession or control, to the sheriff of the county or chief of police of the municipality in which that person resides or to the defendant's counsel for safekeeping.))~~

(3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended. If a no-contact order is issued or extended, the court may also include in the conditions of release a requirement that the defendant submit to electronic monitoring. If electronic monitoring is ordered, the court shall specify who shall provide the monitoring services, and the terms under which the monitoring shall be performed. Upon conviction, the court may require as a condition of the sentence that the defendant reimburse the providing agency for the costs of the electronic monitoring.

(4)(a) Willful violation of a court order issued under subsection (2) or (3) of this section is a misdemeanor. Upon conviction and in addition to other penalties provided by law, the court may require that the defendant submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The court also may include a requirement that the defendant pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(b) Any assault that is a violation of an order issued under this section and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony punishable under chapter 9A.20 RCW, and any conduct in violation of a protective order issued under this section that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony punishable under chapter 9A.20 RCW.

(c) The written order releasing the person charged or arrested shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest; any assault or reckless endangerment that is a violation of this order is a felony. A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed. Such orders need not be entered into the computer information system in this state which is used by law enforcement agencies to list outstanding warrants.

(5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year or until the expiration date specified on the order into any computer information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 452. RCW 10.99.045 and 1984 c 263 s 23 are each amended to read as follows:

(1) If the court has made a finding as to the paternity of a child, or if a party's acknowledgment of paternity has been filed with the court, or a party alleges he is the father of the child, any party may move for temporary support for the child prior to the date of entry of the final order. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) Any party may request the court to issue a temporary restraining order or preliminary injunction, providing relief proper in the circumstances, and restraining or enjoining any party from:

- (a) Molesting or disturbing the peace of another party;
- (b) Entering the home of another party; or
- (c) Removing a child from the jurisdiction of the court.

(3) The court may issue a temporary restraining order without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(4) The court may issue a temporary restraining order or preliminary injunction and an order for temporary support in such amounts and on such terms as are just and proper in the circumstances. In issuing the order, the court shall consider the provisions of section 448 of this act.

- (d) May be entered in a proceeding for the modification of an existing order.

(6) A support debt owed to the state for public assistance expenditures which has been charged against a party pursuant to RCW 74.20A.040 and/or 74.20A.055 shall not be merged in, or otherwise extinguished by, the final decree or order, unless the office of support enforcement has been given notice of the final proceeding and an opportunity to present its claim for the support debt to the court and has failed to file an affidavit as provided in this subsection. Notice of the proceeding shall be served upon the office of support enforcement personally, or by certified mail, and shall be given no fewer than thirty days prior to the date of the final proceeding. An original copy of the notice shall be filed with the court either before service or within a reasonable time thereafter. The office of support enforcement may present its claim, and thereby preserve the support debt, by filing an affidavit setting forth the amount of the debt with the court, and by mailing a copy of the affidavit to the parties or their attorney prior to the date of the final proceeding.

Sec. 459. RCW 26.50.060 and 1992 c 143 s 2, 1992 c 111 s 4, and 1992 c 86 s 4 are each reenacted and amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:

- (a) Restrain the respondent from committing acts of domestic violence;
- (b) Exclude the respondent from the dwelling which the parties share or from the residence of the petitioner;
- (c) On the same basis as is provided in chapter 26.09 RCW, the court shall make residential provision with regard to minor children of the parties. However, parenting plans as specified in chapter 26.09 RCW shall not be required under this chapter;
- (d) Order the respondent to participate in batterers' treatment;
- (e) Order other relief as it deems necessary for the protection of the petitioner and other family or household members sought to be protected, including orders or directives to a peace officer, as allowed under this chapter;

(f) Require the respondent to pay the filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee. If the petitioner has been granted leave to proceed in forma pauperis, the court may require the respondent to pay the filing fee and costs, including services fees, to the county or municipality incurring the expense;

(g) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household; ~~(and)~~

(h) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the respondent to pay for electronic monitoring; and

(i) Consider the provisions of section 448 of this act.

(2) Any relief granted by the order for protection, other than a judgment for costs, shall be for a fixed period not to exceed one year if the restraining order restrains the respondent from contacting the respondent's minor children. If the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioner's family or household members or minor children that are not also the respondent's minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioner's family or household members or minor children when the order expires, the court may either (a) grant relief for a fixed period not to exceed one year; (b) grant relief for a fixed period in excess of one year; or (c) enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09 RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by publication as provided in RCW 26.50.085. If the court permits service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in subsection (1)(f) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service or service by publication and whether the court has approved service by publication of an order issued under this section.

Sec. 460. RCW 26.50.070 and 1992 c 143 s 3 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) Excluding any party from the dwelling shared or from the residence of the other until further order of the court;

(c) Restraining any party from interfering with the other's custody of the minor children or from removing the children from the jurisdiction of the court; ~~(and)~~

(d) Restraining any party from having any contact with the victim of domestic violence or the victim's children or members of the victim's household; and

(e) Considering the provisions of section 448 of this act.

(2) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(3) The court shall hold an ex parte hearing in person or by telephone on the day the petition is filed or on the following judicial day.

(4) An ex parte temporary order for protection shall be effective for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 26.50.085. The ex parte order may be reissued. A full hearing, as provided in this chapter, shall

be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted. Except as provided in RCW 26.50.050 and 26.50.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

Sec. 461. RCW 77.12.720 and 1990 c 195 s 2 are each amended to read as follows:

The firearms range account is hereby created in the state general fund. ~~((Any funds remaining in the firearm range account established by RCW 77.12.195, at the time of its repeal by section 7, chapter 195, Laws of 1990, shall be transferred to the firearms range account established in this section.))~~ Moneys in the account shall be subject to legislative appropriation and shall be used for purchase and development of land, construction or improvement of range facilities, including fixed structure construction or remodeling, equipment purchase, safety or environmental improvements, noise abatement, and liability protection for public and nonprofit firearm range training and practice facilities.

NEW SECTION. Sec. 462. A new section is added to chapter 9.94A RCW to read as follows:

(1)(a) An offender is eligible for the special drug offender sentencing alternative if:

(i) The offender is convicted of the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or a felony that is, under chapter 9A.28 RCW or RCW 69.50.407, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes, and the violation does not involve a sentence enhancement under RCW 9.94A.310(3);

(ii) The offender has no prior convictions for a felony in this state, another state, or the United States; and

(iii) The offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance.

(b) If the midpoint of the standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this section shall undergo a comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. An offender sentenced under this section shall serve his or her entire term of community placement under RCW 9.94A.120 in community custody that must include crime-related prohibitions including a condition not to use illegal controlled substances, and a requirement to submit to urinalysis or other testing to monitor that status. The department may require the offender to pay thirty dollars per month while on community custody to offset the cost of monitoring. In addition, the court may impose any of the following conditions:

(i) Devote time to a specific employment or training;

(ii) Participate in outpatient substance abuse treatment;

(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer before any change in the offender's address or employment;

(iv) Report as directed to a community corrections officer;

(v) Pay all court-ordered legal financial obligations;

(vi) Perform community service work;

- (vii) Pay a day fine;
- (viii) Stay out of areas designated by the sentencing judge;
- (ix) Undergo day reporting.

(c) If the offender violates any of the sentence conditions in (b) of this subsection, the department shall impose sanctions administratively, with notice to the prosecuting attorney and the sentencing court. Upon motion of the court or the prosecuting attorney, a violation hearing shall be held by the court. If the court finds that conditions have been willfully violated, the court may impose confinement consisting of up to the remaining one-half of the midpoint of the standard range. All total confinement served during the period of community custody shall be credited to the offender, regardless of whether the total confinement is served as a result of the original sentence, as a result of a sanction imposed by the department, or as a result of a violation found by the court. The term of community custody shall be tolled by any period of time served in total confinement as a result of a violation found by the court.

(d) The department shall determine the rules for calculating the value of a day fine based on the offender's income and reasonable obligations which the offender has for the support of the offender and any dependents. These rules shall be developed in consultation with the administrator for the courts, the office of financial management, and the commission.

(2) For sentences imposed pursuant to subsection (1) of this section that have a sentence range of over one year, notwithstanding any other provision of RCW 9.94A.190 all such sentences regardless of length shall be served in a facility or institution operated, or utilized under contract, by the state.

(3) For the purposes of this section:

(a) "Day fine" means a fine imposed by the sentencing judge that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(b) "Day reporting" means a program of enhanced supervision designed to monitor the defendant's daily activities and compliance with sentence conditions, and in which the defendant is required to report daily to a specific location designated by the department or the sentencing judge.

NEW SECTION. Sec. 463. The commission shall evaluate the impact of implementing the drug offender options provided for in section 462 of this act. The commission shall submit preliminary findings to the legislature by December 1, 1995, and shall submit the final report to the legislature by December 1, 1996. The report shall describe the changes in sentencing practices related to the use of punishment options for drug offenders and include the impact of sentencing alternatives on state prison populations, the savings in state resources, and the impact on recidivism rates.

Sec. 464. RCW 9.94A.150 and 1992 c 145 s 8 are each amended to read as follows:

No person serving a sentence imposed pursuant to this chapter and committed to the custody of the department shall leave the confines of the correctional facility or be released prior to the expiration of the sentence except as follows:

(1) Except as otherwise provided for in subsection (2) of this section, the term of the sentence of an offender committed to a correctional facility operated by the department, may be reduced by earned early release time in accordance with procedures that shall be developed and promulgated by the correctional agency having jurisdiction in which the offender is confined. The earned early release time shall be for good behavior and good performance, as determined by the correctional agency having jurisdiction. The correctional agency shall not credit the offender with earned early release credits in advance of the offender actually earning the credits. Any program established pursuant to this section shall allow an offender to earn early release credits for presentence incarceration. If an offender is transferred from a county jail to the department of corrections, the county jail facility shall certify to the department the amount of time spent in custody at the facility and the amount of earned early release time. In the case of an offender convicted of a serious violent offense or a sex offense that is a class A felony committed on or after July 1, 1990, the aggregate earned early release time may not exceed fifteen percent of the sentence. In no other case shall the aggregate earned early release time exceed one-third of the total sentence;

The commission shall include three members of the state board of education, three members appointed by the governor before July 1, 1992, and five members appointed no later than June 1, 1993, by the governor elected in the November 1992 election. (2) The commission shall establish advisory committees. Membership of the advisory committees shall include, but not necessarily be limited to, professionals from the office of the superintendent of public instruction and the state board of education, and other state and local educational practitioners and student assessment specialists.

Essential academic learning requirements that incorporate the remainder of RCW 28A.150.210 (2), (3), and (4), goals two, three, and four, shall be completed no later than March 1, 1996. To the maximum extent possible, the commission shall integrate goal four and the knowledge and skill areas in the other goals in the development of the essential academic learning requirements;

(b)(i) The commission shall present to the state board of education and superintendent of public instruction a state-wide academic assessment system for use in the elementary, middle, and high school years designed to determine if each student has mastered the essential academic learning requirements identified in (a) of this subsection. The academic assessment system shall include a variety of assessment methods, including performance-based measures that are criterion-referenced. Performance standards for determining if a student has successfully completed an assessment shall be initially determined by the commission in consultation with the advisory committees required in subsection (2) of this section.

(ii) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the essential academic learning requirements at the appropriate periods in the student's educational development.

(iii) Assessments measuring the essential academic learning requirements developed for RCW 28A.150.210(1), goal one, and the mathematics component of RCW 28A.150.210(2), goal two, shall be initially implemented by the state board of education and superintendent of public instruction no later than the 1996-97 school year, unless the legislature takes action to delay or prevent implementation of the assessment system and essential academic learning requirements. (c) After a determination is made by the state board of education that the high school assessment system has been implemented and that it is sufficiently reliable and valid, successful completion of the high school assessment shall lead to a certificate of mastery. The certificate of mastery shall be obtained by most students at about the age of sixteen, and is evidence that the student has successfully mastered the essential academic learning requirements during his or her educational career. The certificate of mastery shall be required for graduation but shall not be the only requirement for graduation. The commission shall make recommendations to the state board of education regarding the relationship between the certificate of mastery and high school graduation requirements. Upon achieving the certificate of mastery, schools shall provide students with the opportunity to continue to pursue career and educational objectives through educational pathways that emphasize integration of academic and vocational education. Educational pathways may include, but are not limited to, programs such as work-based learning, school-to-work transition, tech prep, vocational-technical education, running start, and preparation for technical college, community college, or university education;

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550 or 28A.600.475, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.

(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (24) of this section.

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. (16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (24) of this section, order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall, subject to subsection (24) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subsection (24) of this section and subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(24) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(25) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

PART VI. MEDIA

NEW SECTION. Sec. 601. The purpose of this chapter is to regulate media and media-related activities that directly or indirectly promote violence in electronic media. Decades of substantial research has now established a connection between the viewing of violent acts on television or in films and an increased acting out of violent behavior, especially in children. The social costs of increased violence are paid by all Washingtonians. The state of Washington has a compelling interest in reducing the incidence of media-induced violence as a matter of public health and safety.

The legislature finds that, to the extent that electronic media, including television, motion pictures, video games, and entertainment uses of virtual reality are conducive to increased violent behaviors, especially in children, the state has a duty to protect the public health and safety by reasonably related regulation of electronic media.

Many parents, educators, and others are concerned about protecting children and youth from the negative influences of the media, and want more information about media content and more control over media contact with their children.

The legislature finds that requiring companies that produce television, motion pictures, video games, and entertainment uses of virtual reality to provide age-rating guidelines for the public is reasonably related to the prevention of the spread of violent behavior, especially among children and youth.

NEW SECTION. Sec. 602. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Prime time" means those hours as defined by rule by the federal communication commission.

(2) "Sweeps week" means any week during the year in which national rating services measure the size of the television audience to determine the market share for purposes of setting advertising rates.

(3) "Time/channel lock" is electronic circuitry designed to enable television owners to block display of selected times and channels from viewing.

(4) "Video" means any motion picture, television or other electronically delivered programming, or other presentation on film, video tape, or other medium designed to produce, reproduce, or project images on a screen.

(5) "Violence" means any deliberate and hostile use of overt force, or the immediate threat thereof, by an individual against another individual.

(6) "Virtual reality" means any computer or other electronic artificial-intelligence-based technology that creates an enhanced simulation or illusion of three-dimensional, real-time or near-real-time interactive reality through the use of software, specialized hardware, holograms, gloves, masks, glasses, pods, goggles, helmets, computer guns, or other items capable of producing visual, audio, tactile, or sensory effects of verisimilitude beyond those available with a personal computer.

NEW SECTION. Sec. 603. All new televisions sold in this state after January 1, 1995, shall be equipped with a time/channel lock or shall be sold with an offer to the customer to purchase a channel blocking device, or other device that enables a person to regulate a child's access to unwanted television programming. All cable television companies shall make available to all customers at the company's cost the opportunity to purchase a channel blocking device, or other device that enables a person to regulate a child's access to unwanted television programming. The commercial television sellers and cable television companies shall offer time/channel locks to their customers, when these devices are available. Notice of this availability shall be clearly made to all existing customers and to all new customers at the time of their signing up for service.

NEW SECTION. Sec. 604. All videos, video games, and virtual reality games sold or rented in this state shall clearly and prominently display a realistic age rating for appropriateness of use by end-users of the video or game. The age rating shall be researched, developed, and provided to the purchaser or renter of the video, video game, or virtual reality game, by the originator of the video or game. The originator, as used in this section, includes the manufacturer or software developer or copyright holder of the video or game.

"Sec. 301. RCW 70.190.005 and 1992 c 198 s 1 are each amended to read as follows:

The legislature finds that a primary goal of public involvement in the lives of children has been to strengthen the family unit.

However, the legislature recognizes that traditional two-parent families with one parent routinely at home are now in the minority. In addition, extended family and natural community supports have eroded drastically. The legislature recognizes that public policy assumptions must be altered to account for this new social reality. Public effort must be redirected to expand, support, strengthen, and help ~~((refashion))~~ reconstruct family and community ~~((associations))~~ networks to ~~((care-for))~~ assist in meeting the needs of children.

The legislature finds that a broad variety of services for children and families has been independently designed over the years and that the coordination and cost-effectiveness of these services will be enhanced through the adoption of ~~((a-common))~~ an approach ~~((to-their-delivery))~~ that allows communities to prioritize and coordinate services to meet their local needs. The legislature further finds that the most successful programs for reaching and working with at-risk families and children treat individuals' problems in the context of the family, offer a broad spectrum of services, are flexible in the use of program resources, and use staff who are trained in crossing traditional program categories in order to broker services necessary to fully meet a family's needs.

The legislature further finds that eligibility criteria, expenditure restrictions, and reporting requirements of state and federal categorical programs often create barriers toward the effective use of resources for addressing the multiple problems of at-risk families and children.

The purposes of this chapter are (1) to modify public policy and programs to empower communities to support and respond to the needs of individual families and children and (2) to improve the responsiveness of services for children and families at risk by facilitating greater coordination and flexibility in the use of funds by state and local service agencies.

Sec. 302. RCW 70.190.010 and 1992 c 198 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Assessment" has the same meaning as provided in RCW 43.70.010.

(2) "At-risk" children and youth are those who risk the significant loss of social, educational, or economic opportunities.

(3) "At-risk behaviors" means violent delinquent acts, substance abuse, teen pregnancy and male parentage, suicide attempts, and dropping out of school. At-risk children and youth also include those who are victims of violence, abuse, neglect, and those who have been removed from the custody of their parents.

~~(4) "Comprehensive plan" means a two-year plan that examines available resources and unmet needs for a county or multicounty area, barriers that limit the effective use of resources, and a plan to address these issues that is broadly supported.~~

~~((2)) (5) "Participating state agencies" means the office of the superintendent of public instruction, the department of social and health services, the department of health, the employment security department, the department of community, trade, and economic development, and such other departments as may be specifically designated by the governor.~~

NEW SECTION. Sec. 303. A new section is added to chapter 70.190 RCW to read as follows:

(1) The legislature intends to create community public health and safety networks to reconnect parents and other citizens with children, youth, families, and community institutions which support health and safety. The networks should empower parents and other citizens by being a means of expressing their attitudes, spirit, and perspectives regarding safe and healthy family and community life. The legislature intends that parent and other citizen perspectives exercise a controlling influence over policy and program operations of professional organizations concerned with children and family issues within networks in a manner consistent with the Constitution and state law. It is not the intent of the legislature that health, social service, or educational professionals dominate community public health and safety network processes or programs, but rather that these professionals use their skills to lend support to parents and other citizens in expressing their values as parents and other citizens identify community needs and establish community priorities. To this end, the legislature intends full participation of parents and other citizens in community public health and safety networks. The intent is that local community values are reflected in the operations of the network.

(2) A group of persons described in subsection (3) of this section may apply by December 1, 1994, to be a community public health and safety network.

(3) Each community public health and safety network shall be composed of twenty-three people, thirteen of whom shall be citizens with no direct fiduciary interest in health, education, social service, or justice system organizations operating within the network area. In selecting these members, first priority shall be given to citizen members of community mobilization advisory boards, city or county children's services commissions, human services advisory boards, or other such organizations which may exist within the network. These thirteen persons shall be selected as follows: Three by the chambers of commerce located in the network, three by school board members of the school districts within the network boundary, three by the county legislative authorities of the counties within the network boundary, three by the city legislative authorities of the cities within the network boundary, and one high school student, selected by student organizations within the network boundary. The remaining ten members shall include local representation from the following groups and entities: Cities, counties, federally recognized Indian tribes, parks and recreation programs, law

enforcement agencies, superior court judges, state children's service workers from within the network area, employment assistance workers from within the network area, private social, educational, or health service providers from within the network area, and broad-based nonsecular organizations.

(4) A list of the network members shall be submitted to the governor by December 1, 1994, by the network chair who shall be selected by network members at their first meeting. The list shall become final unless the governor chooses other members within twenty days after the list is submitted. The governor shall accept the list unless he or she believes the proposed list does not adequately represent all parties identified in subsection (3) of this section or a member has a conflict of interest between his or her membership and his or her livelihood. Members of the community network shall serve terms of three years.

The terms of the initial members of each network shall be as follows: (a) One-third shall serve for one year; (b) one-third shall serve for two years; and (c) one-third shall serve for three years. Initial members may agree which shall serve fewer than three years or the decision may be made by lot. The same process shall be used in the selection of the chair and members for subsequent terms. Any vacancy occurring during the term may be filled by the chair for the balance of the unexpired term.

(5) The network shall select a public entity as the lead administrative and fiscal agency for the network. In making the selection, the network shall consider: (a) Experience in administering prevention and intervention programs; (b) the relative geographical size of the network and its members; (c) budgeting and fiscal capacity; and (d) how diverse a population each entity represents.

NEW SECTION. Sec. 304. A new section is added to chapter 70.190 RCW to read as follows:

- (1) Review state and local public health data and analysis relating to risk factors, protective factors, and at-risk children and youth;
- (2) Prioritize the risk factors and protective factors to reduce the likelihood of their children and youth being at risk. The priorities shall be based upon public health data and assessment and policy development standards provided by the department of health under section 204 of this act;
- (3) Develop long-term community plans to reduce the rate of at-risk children and youth; set definitive, measurable goals, based upon the department of health standards; and project their desired outcomes;
- (4) Distribute funds to local programs that reflect the locally established priorities and as provided in section 325 of this act;
- (5) Comply with outcome-based standards;
- (6) Cooperate with the department of health and local boards of health to provide data and determine outcomes; and
- (7) Coordinate its efforts with anti-drug use efforts and organizations and maintain a high priority for combatting drug use by at-risk youth.

NEW SECTION. Sec. 305. A new section is added to chapter 70.190 RCW to read as follows:

(1) The community network's plan may include a program to provide postsecondary scholarships to at-risk students who: (a) Are community role models under criteria established by the community network; (b) successfully complete high school; and (c) maintain at least a 2.5 grade point average throughout high school. Funding for the scholarships may include public and private sources.

(2) The community network's plan may also include funding of community-based home visitor programs which are designed to reduce the incidence of child abuse and neglect with the network. The program may provide parents with education and support either in parents' homes or in other locations comfortable for parents, beginning with the birth of their first baby. The program may make the following services available to the families:

- (a) Visits for all expectant or new parents, either at the parent's home or another location with which the parent is comfortable;

Where appropriate for a family, service coordination may be conducted through interdisciplinary or interagency teams.

These programs are intended to be voluntary for the parents involved.

(3) The community network may include funding of:

- (a) At-risk youth job placement and training programs. The programs shall:
 - (i) Identify and recruit at-risk youth for local job opportunities;
 - (ii) Provide skills and needs assessments for each youth recruited;
 - (iii) Provide career and occupational counseling to each youth recruited;
 - (iv) Identify businesses willing to provide employment and training opportunities for at-risk youth;
 - (v) Match each youth recruited with a business that meets his or her skills and training needs;
 - (vi) Provide employment and training opportunities that prepare the individual for demand occupations; and
 - (vii) Include, to the extent possible, collaboration of business, labor, education and training, community organizations, and local government;

(b) Employment assistance, including job development, school-to-work placement, employment readiness training, basic skills, apprenticeships, job mentoring, and private sector and community service employment;

(f) Technical assistance to applicants to increase their organizational capacity and to improve the likelihood of a successful application; and

(g) Technical assistance and training resources to successful applicants.

NEW SECTION. Sec. 306. A new section is added to chapter 70.190 RCW to read as follows:

(1) A community network that has its membership finalized under section 303(4) of this act shall, upon application to the council, be eligible to receive planning grants and technical assistance from the council. Planning grants may be funded through available federal funds for family preservation services. After receiving the planning grant the region will be given up to one year to submit the long-term community plan. Upon application the community networks are eligible to receive funds appropriated under section 325 of this act.

(2) The council shall enter into biennial contracts with community networks as part of the grant process. The contracts shall be consistent with available resources, and shall be distributed in accordance with the distribution formula developed pursuant to section 320 of this act.

(3) No later than February 1 of each odd-numbered year following the initial contract between the council and a network, the council shall request from the network its plan for the upcoming biennial contract period.

(4) The council shall notify the community networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

NEW SECTION. Sec. 307. A new section is added to chapter 70.190 RCW to read as follows:

The community public health and safety council shall:

(1) Establish network boundaries no later than July 1, 1994. There is a presumption that no county may be divided between two or more community networks and no network shall have fewer than forty thousand population. When approving multicounty networks, considering dividing a county between networks, or creating a network with a population of less than forty thousand, the council must consider: (a) Common economic, geographic, and social interests; (b) historical and existing shared governance; and (c) the size and location of population centers. Individuals and groups within any area shall be given ample opportunity to propose network boundaries in a manner designed to assure full consideration of their expressed wishes;

(2) Develop a technical assistance and training program to assist communities in creating and developing community networks and plans;

(3) Approve the structure, purpose, goals, plan, and performance measurements of each community network;

(4) Identify all prevention and early intervention programs and funds, including all programs funded under RCW 69.50.520, in addition to the programs set forth in section 308 of this act, which could be transferred, in all or part, to the community networks, and report their findings and recommendations to the governor and the legislature regarding any appropriate program transfers by January 1 of each year;

(5) Reward community networks that show exceptional success as provided in section 320 of this act;

(6) Seek every opportunity to maximize federal and other funding that is consistent with the plans approved by the council for the purpose and goals of this chapter;

(7) Review the state-funded out-of-home placement rate before the end of each contract to determine whether the region has sufficiently reduced the rate. If the council determines that there has not been a sufficient reduction in the rate, it may reduce the immediately succeeding grant to the network;

(8)(a) The council shall monitor the implementation of programs contracted by participating state agencies by reviewing periodic reports on the extent to which services were delivered to intended populations, the quality of services, and the extent to which service outcomes were achieved at the conclusion of service interventions. This monitoring shall include provision for periodic feedback to community networks;

(b) The legislature intends that this monitoring be used by the legislative budget committee, together with public health data on at-risk behaviors and risk and protective factors to produce an external evaluation of the effectiveness of the networks and their programs. For this reason, and to conserve public funds, the council shall not conduct or contract for the conduct of control group studies, quasi-experimental design studies, or other analysis efforts to attempt to determine the impact of network programs on at-risk behaviors or risk and protective factors; and

(9) Review the implementation of chapter . . . , Laws of 1994 (this act) and report its recommendations to the legislature annually. The report shall use measurable performance standards to evaluate the implementation.

NEW SECTION. Sec. 308. A new section is added to chapter 70.190 RCW to read as follows:

(1) The council, and each network, shall annually review all state and federal funded programs serving individuals, families, or communities to determine whether a network may be better able to integrate and coordinate these services within the community.

(2) The council, and each network, shall specifically review and report, to the governor and the legislature, on the feasibility and desirability of decategorizing and granting, all or part of, the following program funds to the networks:

(a) Consolidated juvenile services;

- (b) Family preservation and support services;
 - (c) Readiness to learn;
 - (d) Community mobilization;
 - (e) Violence prevention;

 - (j) Victims' assistance;
 - (k) Foster care;
 - (l) Adoption support;
 - (m) Continuum of care; and
 - (n) Drug and alcohol abuse prevention and early intervention in schools.
- (3) In determining the desirability of decategorizing these programs the report shall analyze whether:
- (a) The program is an integral part of the community plan without decategorization;
 - (b) The program is already adequately integrated and coordinated with other programs that are, or will be, funded by the network;
 - (c) The network could develop the capacity to provide the program's services;
 - (d) The program goals might receive greater community support and reinforcement through the network;
 - (e) The program presently ensures that adequate follow-up efforts are utilized, and whether the network could improve on those efforts through decategorization of the funds;
 - (f) The decategorization would benefit the community; and
 - (g) The decategorization would assist the network in achieving its goals.
- (4) If the council or a network determines that a program should not be decategorized, the council or network shall make recommendations regarding programmatic changes that are necessary to improve the coordination and integration of services and programs, regardless of the funding source for those programs.
- (5) Upon the request of the council or a network, the governor may order the decategorization of all or part of any program specified in the request.

- (2) Reviewed the indicators of violence data compiled by the local public health departments and incorporated a response to those indicators in the plan;
- (3) Obtained a declaration by the largest health department in the region, ensuring that the plan met minimum standards for assessment and policy development relating to social development according to section 204 of this act;

NEW SECTION. Sec. 327. Section 326 of this act shall take effect July 1, 1995."

Debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senators Talmadge and Owen on page 7, beginning on line 25, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Talmadge carried and the amendment to the striking amendment was adopted.

MOTION

Senator Franklin moved that the following amendments to the striking amendment by Senators Talmadge and Gaspard be considered simultaneously and be adopted:

On page 29, line 34 of the amendment, after "of" strike "twenty-one" and insert "eighteen"

On page 41, line 7 of the amendment, after "age of" strike "twenty-one" and insert "~~((twenty-one))~~ eighteen"

On page 41, line 10 of the amendment, after "9.41.040." insert "No dealer may deliver a pistol or ammunition usable only in a pistol to any person under the age of twenty-one or to one who he or she has reasonable cause to believe is ineligible to possess a pistol under RCW 9.41.040."

On page 51, beginning on line 22 of the amendment, after "age of" strike "twenty-one" and insert "eighteen"

On page 52, line 3 of the amendment, after "age of" strike "twenty-one" and insert "eighteen"

MOTION

Senator Roach moved that the question be divided.

POINT OF ORDER

Senator Talmadge: "A point of order, Mr. President. I believe that Senator Franklin moved the adoption of all the amendments together and the body has already taken action. Senator Roach's request is not timely."

REPLY BY THE PRESIDENT

President Pritchard: "Well, the body would have to vote itself back into that position. We've already established that we are going to take them all together and if she wants to move that the body wants to split them up, she can, but it would take action by the body."

MOTION

On motion of Senator Roach, and there being no objection, the motion to divide the question was withdrawn.

POINT OF INQUIRY

Senator Prince: "Would Senator Franklin yield to a question?"

Senator Franklin: "Senator Prince, you are such a gentlemen, but it is so late, I would rather not yield to a question."

Senator Prince: "Well, the question I had, you don't have to yield to it, but you've got age twenty-one to buy the ammunition and age eighteen to possess, and I'm confused. Do I read this wrong?"

REMARKS BY SENATOR TALMADGE

Senator Talmadge: "I believe, in response to Senator Prince's question, existing law now in this area of firearms, delivery is one of those areas of some grey area to say the least. My understanding is that age twenty-one is the age at which someone may deliver a firearm to someone at present. I believe that the way this amendment is drawn, it takes it back to that standard that already exists with respect to the delivery of a firearm. Not that I agree with this, but I'm merely providing that information."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Nelson: "Mr. President, I have a point of parliamentary inquiry. In the amendments that you have before you, where we are taking them all at one time, we have amendments that are striking new language as proposed in the amendment that is the striker and in part, we have in this amendment, language that is deleting existing statutory language that we have had in our statutes for a number of years--predominately the debated arguments thus far--that in this state, we have never allowed a dealer to sell a hand gun to anyone under the age of twenty-one and we now have, in this amendment, the dropping of that to eighteen. Would we as a body be able to come back and have a separate amendment for one or two of the parts that you have now accepted in this entire amendment that has been offered by Senator Franklin?"

REPLY BY THE PRESIDENT

President Pritchard: "I'm told that if you come back with an amendment that has similar results, but offered in different words, you can do that."

Further debate ensued.

Senator Pelz demanded a roll call and the demand was not sustained.

The President declared the question before the Senate to be the adoption of the amendments by Senator Franklin on page 29, line 34; page 41, lines 7 and 10; page 51, beginning on line 22; and page 52, line 3; to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Franklin carried and the amendments to the striking amendment were adopted on a rising vote.

MOTION

Senator Nelson moved that the following amendment by Senators Nelson, Roach, Amondson, Moyer, Linda Smith, Hochstatter and Anderson to the striking amendment by Senators Talmadge and Gaspard be adopted:

On page 11, line 31 of the amendment, after "agencies," insert "prosecutor's office, juvenile court administration,"

POINT OF ORDER

Senator Vognild: "It is going to be a long night, I'm afraid, but I need to raise the question here that this amendment is not in order. We have adopted an amendment which struck the language which this intends to amend. We have several other amendments in here that are going to be in the same situation. Effectively, if this amendment is allowed, it becomes an amendment to an amendment to an amendment, which is not allowed under the rules of order."

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Vognild, Senator Vognild is right and the amendment is out of order.

"Senator Nelson if you come up, I think they can help you redo it in a different way, but you can't do it this way."

The amendment by Senators Nelson, Roach, Amondson, Moyer, Linda Smith, Hochstatter and Anderson on page 11, line 31, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319 was ruled out of order.

MOTION

Senator Nelson moved that the following amendment by Senators Nelson, Linda Smith, Anderson, McDonald and Schow to the striking amendment by Senators Talmadge and Gaspard be adopted:

On page 26, after line 14 of the amendment, insert the following:

"NEW SECTION. Sec. 401. A new section is added to chapter 10.19 RCW to read as follows:

Notwithstanding superior court criminal rule CrR 3.2, a criminal defendant shall not be bailable if the court determines by a preponderance of the evidence that the defendant is likely to pose a danger to the safety of any other person or the community at large if the defendant is released.

NEW SECTION. Sec. 402. Section 401 of this act shall take effect if the proposed amendment to Article I, section 20 of the state Constitution authorizing the courts to refuse bail when the accused is likely upon release to pose a danger is validly submitted to and is approved and ratified by the voters at the next general election. If the proposed amendment is not so approved and ratified, section 401 of this act is void in its entirety."

Renumber the remaining sections consecutively and correct internal references accordingly.

Debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senators Nelson, Linda Smith, Anderson, McDonald and Schow on page 26, after line 14, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Nelson failed and the amendment to the striking amendment was not adopted.

MOTION

Senator Nelson moved that the following amendment by Senators Nelson, Roach, Schow, Linda Smith and McDonald to the striking amendment by Senators Talmadge and Gaspard be adopted:

On page 26, after line 14 of the amendment, insert the following:

"NEW SECTION. Sec. 401. The legislature finds that treatment of the emotional problems of victims and families of victims of sex offenses and victims of violent offenses may be impaired by lengthy delay in trial of the accused and the resulting delay in testimony of the victim or the victim's representative. The trauma of the abusive or violent incident is likely to be exacerbated by requiring testimony from a victim who has substantially completed therapy and is forced to relive the incident. The legislature finds that it is necessary to prevent, to the extent reasonably possible, lengthy and unnecessary delays in trial of a person charged with a sex offense or of a violent offense.

NEW SECTION. Sec. 402. A new section is added to chapter 10.46 RCW to read as follows:

When a defendant is charged with a violent offense as defined in RCW 9.94A.030 which constitutes a violation of RCW 9A.64.020 or chapter 9.68, 9.68A, 9A.32, 9A.36, 9A.40, 9A.42, 9A.44, or 9A.46 RCW, neither the defendant nor the prosecuting attorney may agree to extend the originally scheduled trial date unless, after a hearing, the court finds that there are substantial and compelling reasons for a continuance of the trial date and that the benefit of the postponement outweighs the detriment to the victim or, if the victim is deceased, to the victim's family. At the hearing the court shall consider the testimony of lay witnesses and of expert witnesses, if available, regarding the impact of the continuance on the victim. Whenever the court grants the request for a continuance, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law.

Sec. 403. RCW 9.94A.390 and 1990 c 3 s 603 are each amended to read as follows:

If the sentencing court finds that an exceptional sentence outside the standard range should be imposed in accordance with RCW 9.94A.120(2), the sentence is subject to review only as provided for in RCW 9.94A.210(4).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

- (a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.
- (b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.
- (c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.
- (d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.
- (e) The defendant's capacity to appreciate the wrongfulness of his conduct or to conform his conduct to the requirements of the law, was significantly impaired (voluntary use of drugs or alcohol is excluded).
- (f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.
- (g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.
- (h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(2) Aggravating Circumstances

- (a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.
- (b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.
- (c) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:
 - (i) The current offense involved multiple victims or multiple incidents per victim;
 - (ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;
 - (iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time;
 - (iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.
- (d) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:
 - (i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so; or
 - (ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use; or
 - (iii) The current offense involved the manufacture of controlled substances for use by other parties; or
 - (iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy; or
 - (v) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional); or

(e) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127;

(f) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time; ((e†))

(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010; or

(h) The current offense is a sexually violent offense as defined by RCW 9.94A.030 and either:

(i) The offender committed the current offense within twenty-four months of a conviction or convictions for a sexually violent offense or offenses, whether the offender was an adult or juvenile, when the offender committed the prior sexually violent offense or offenses. The twenty-four month period shall be tolled during any time period the offender is confined in jail, prison, a mental institution, or a juvenile detention or correctional facility, and is not in the community; or

(ii) The offender's criminal history includes two prior convictions for sexually violent offenses, whether the offender was an adult or a juvenile when the offender committed the prior sexually violent offenses.

When the court imposes an exceptional sentence under subsection (2)(h)(i) or (ii) of this section, the court may sentence the offender to a prison term up to life imprisonment as provided in RCW 9.94A.120. This subsection (2)(h) shall be effective only if the supreme court of Washington in a final decision holds that chapter 71.09 RCW is invalid.

Sec. 404. RCW 13.40.030 and 1989 c 407 s 3 are each amended to read as follows:

(1)(a) The juvenile disposition standards commission shall recommend to the legislature no later than November 1st of each year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards recommended by the commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the parole period shall be twenty-four months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed. In developing recommended disposition standards, the commission shall consider the capacity of the state juvenile facilities and the projected impact of the proposed standards on that capacity.

(b) The secretary shall submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review no later than November 1st of each year. At the same time the secretary shall submit a report on security at juvenile facilities during the preceding year. The report shall include the number of escapes from each juvenile facility, the most serious offense for which each escapee had been confined, the number and nature of offenses found to have been committed by juveniles while on escape status, the number of authorized leaves granted, the number of failures to comply with leave requirements, the number and nature of offenses committed while on leave, and the number and nature of offenses committed by juveniles while in the community on minimum security status; to the extent this information is available to the secretary. The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section.

(2) In developing recommendations for the permissible ranges of confinement under this section the commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range."

Renumber the remaining sections consecutively and correct internal references accordingly.

Senator Roach demanded a roll call and the demand was sustained.

Debate ensued.

POINT OF INQUIRY

Senator Niemi: "Senator Roach, it is very common for the state to charge both for assault in the second degree and reckless endangerment and coming out of the same act. Can you tell me how you intend--the fact that you have raised reckless endangerment and assault to the same kind of penalty as assault in the second degree--do you have any advice to a prosecutor as to how they are going to decide that?"

Senator Roach: "Well, that is what--they will be making those decisions. All I can tell you is that reckless endangerment when you are driving around shooting outside of a vehicle, possibly killing people, is a very serious crime and I think it should be elevated."

Further debate ensued.

The President declared the question before the Senate to be the roll call on the adoption of the amendments by Senators Roach, Nelson, Hochstatter and Linda Smith on page 30, after line 20, and page 56, beginning on line 3, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

NOTE: Numbers in the first horizontal row of each seriousness category represent sentencing midpoints in years(y) and months(m). Numbers in the second and third rows represent presumptive sentencing ranges in months, or in days if so designated. 12+ equals one year and one day.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence for felony crimes committed after the effective date of this section if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for firearm enhancements. If the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for firearm enhancements, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section:

(a) Five years for a felony defined under law as a class A felony and not covered under (f) of this subsection.

(b) Three years for a class B felony as defined in RCW 9A.20.021(1)(b) and not covered under (f) of this subsection.

(c) Eighteen months for a class C felony as defined in RCW 9A.20.021(1)(c) and not covered under (f) of this subsection.

(d) If the offender is being sentenced for firearm enhancements under (a), (b), or (c) of this subsection and the offender has already been previously sentenced for deadly weapon enhancements after the effective date of this section under (a) through (c) of this subsection or subsection (4) (a) through (c) of this section, all firearm enhancements under this subsection are automatically doubled.

(e) Notwithstanding any other provision of law, the firearm enhancements under this section shall not run concurrently with any other term or terms of imprisonment.

(f) All felony crimes which by definition require as the essential and only element of the crime the possession, theft, display, or use of a deadly weapon as defined in either RCW 9.41.010 or 9.94A.125, or both, are excluded from this subsection. These crimes include: Possessing a machine gun, possessing a stolen firearm, reckless endangerment in the first degree, setting a spring gun, theft of a firearm, unlawful possession of a firearm, and use of a machine gun in a felony. All other felony crimes including, but not limited to, rape in the first degree and robbery in the first degree shall not be considered under this subsection because the deadly weapon is an alternative element of the crime.

(4) The following additional times shall be added to the presumptive sentence for felony crimes committed after the effective date of this section if the offender or an accomplice was armed with a deadly weapon as defined in this chapter other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements. If the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any deadly weapon enhancements, the following times shall be added to the presumptive ((range)) sentence determined under subsection (2) of this section:

(a) ((24 months for Rape 1 (RCW 9A.44.040), Robbery 1 (RCW 9A.56.200), or Kidnapping 1 (RCW 9A.40.020))) Two years for a felony defined under law as a class A felony and not covered under (f) of this subsection.

(b) ((18 months for Burglary 1 (RCW 9A.52.020))) One year for any class B felony as defined in RCW 9A.20.021(1)(b) and not covered under (f) of this subsection.

(c) ((12 months for Assault 2 (RCW 9A.36.020 or 9A.36.021), Assault of a Child 2 (RCW 9A.36.130), Escape 1 (RCW 9A.76.110), Kidnapping 2 (RCW 9A.40.030), Burglary 2 of a building other than a dwelling (RCW 9A.52.030), Theft of Livestock 1 or 2 (RCW 9A.56.080), or any drug offense)) Six months for any class C felony as defined in RCW 9A.20.021(1)(c) and not covered under (f) of this subsection.

(d) If the offender is being sentenced under (a) through (c) of this subsection for deadly weapon enhancements and the offender has already been previously sentenced for deadly weapon enhancements after the effective date of this section under (a) through (c) of this subsection or subsection (3) (a) through (c) of this section, all deadly weapon enhancements under this subsection are automatically doubled.

(e) Notwithstanding any other provision of law, the deadly weapon enhancements under this section shall not run concurrently with any other term or terms of imprisonment.

(f) All felony crimes which by definition require as the essential and only element of the crime the possession, theft, display, or use of any deadly weapon as defined in either RCW 9.41.010 or 9.94A.125 or both, are excluded from this subsection. These crimes include: Possessing a machine gun, possessing a stolen firearm, reckless endangerment in the first degree, setting a spring gun, theft of a firearm, unlawful possession of a firearm, and use of a machine gun in a felony. All other felony crimes including, but not limited to, rape in the first degree and robbery in the first degree shall not be considered under this subsection because the deadly weapon is an alternative element of the crime.

~~((4))~~ (5) The following additional times shall be added to the presumptive sentence if the offender or an accomplice committed the offense while in a county jail or state correctional facility as that term is defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility as that term is defined in this chapter, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following additional times shall be added to the presumptive sentence (~~range~~) determined under subsection (2) of this section:

POINT OF INQUIRY

Senator Schow: "Senator Ludwig, do you have the figures on what this is going to cost?"

Senator Ludwig: "I was hoping you would ask, Senator Schow. No, I don't, but I think it would not cost any more than Senator Roach's proposal because of the discretionary--you know it has the potential to cost less because of the discretionary factor included."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendment by Senator Ludwig on page 56, after line 3, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Ludwig carried and the amendment to the striking amendment was adopted on a rising vote.

"PART VII. JUVENILE JUSTICE PROVISIONS, EFFECTIVE JULY 1, 1994

NEW SECTION. Sec. 701. The legislature finds that the incidence of juvenile crime has escalated at an alarming rate, and that the state's juvenile rehabilitation system needs major adjustments in order to respond.

The current system lacks adequate bed space, adequate population forecasting, an effective sentencing scheme, an appropriate inmate classification system, and sufficient judicial discretion in sentencing young offenders.

These defects have often resulted in sentences that are driven by fiscal policy, and not by rehabilitative or punitive principles; and

Washington must develop a juvenile offender rehabilitation system that truly emphasizes public safety, offender responsibility, and offender rehabilitation.

The court may also permit inspection of, or release of information from, records which have been sealed pursuant to RCW 13.50.050(11). Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) Juvenile detention facilities shall release records to the juvenile disposition standards commission under RCW 13.40.025 upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission.

Standards recommended for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards recommended by the commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed. In developing recommended disposition standards, the commission shall consider the capacity of the state juvenile facilities and the projected impact of the proposed standards on that capacity.~~

~~((b)) The secretary shall submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the appropriate committees of the legislature for its review no later than November 1st of each year. At the same time the secretary shall submit a report on security at juvenile facilities during the preceding year. The department shall include security status definitions in the security guidelines it submits to the legislature pursuant to this section.~~

~~((2) In developing recommendations for the permissible ranges of confinement under this section the commission shall be subject to the following limitations:~~

~~(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;~~

~~(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and~~

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

- (a) The alleged facts bring the case within the jurisdiction of the court; and
- (b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (7) of this section. If the prosecutor finds that the requirements of subsection (1) (a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, a class C felony listed in RCW 9.94A.440(2) as a crime against persons or listed in RCW 9A.46.060 as a crime of harassment, or any other offense listed in RCW 13.40.020(1) (b) or (c); or

(e) An alleged offender has ~~((three))~~ two or more diversion ~~((s))~~ contracts on the alleged offender's criminal history.

If the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (7) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(8) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversionary unit, the victim shall be notified of the referral and informed how to contact the unit.

(9) The responsibilities of the prosecutor under subsections (1) through (8) of this section may be performed by a juvenile court ~~((probation))~~ community supervision counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(10) The prosecutor, juvenile court ~~((probation))~~ community supervision counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. (2) A diversion agreement shall be limited to one or more of the following:

(d) A fine, not to exceed one hundred dollars. In determining the amount of the fine, the diversion unit shall consider only the juvenile's financial resources and whether the juvenile has the means to pay the fine. The diversion unit shall not consider the financial resources of the juvenile's parents, guardian, or custodian in determining the fine to be imposed; and

(e) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian and victims who have contacted the diversionary unit and, to the extent possible, involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the diveree. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(9) The diversion unit may refer a juvenile to community-based counseling or treatment programs.

(10) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(9) ((as now or hereafter amended)). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. (e) The facts of the alleged offense.

(12) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. When a diversionary unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.

(13) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection shall include the authority to refer the juvenile to community-based counseling or treatment programs. Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(9) ((as now or hereafter amended)). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversionary unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(14) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the diveree's eighteenth birthday.

(15) If a fine required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the diveree and with the concurrence of the diversion unit to convert an unpaid fine into community service. The modification of the diversion agreement shall be in writing and signed by the diveree and the diversion unit. The number of hours of community service in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

(16) Fines imposed under this section shall be collected and paid into the county general fund in accordance with procedures established by the juvenile court administrator under RCW 13.04.040 and may be used only for juvenile services. In the expenditure of funds for juvenile services, there shall be a maintenance of effort whereby counties exhaust existing resources before using amounts collected under this section.

NEW SECTION. Sec. 712. A new section is added to chapter 13.40 RCW to read as follows:

(1) At any time before adjudication, the juvenile court has the power, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, to continue the case for a period not to exceed one year from the date of entry of the plea or finding of guilt. The court may continue the case for an additional one-year period for good cause.

(2) Any juvenile granted a deferral of adjudication under this section shall be placed under community supervision for up to one year. The court may impose any conditions of supervision that it deems appropriate. Payment of restitution, as provided in RCW 13.40.190 shall also be a condition of community supervision under this section.

(3) Upon full compliance with such conditions of supervision, the court shall dismiss the case with prejudice.

(4) If the juvenile fails to comply with the terms of supervision, the court shall enter an order of adjudication and proceed to disposition. The juvenile's lack of compliance shall be determined by the judge upon written motion by the prosecutor or the juvenile's juvenile court community supervision counselor. The state shall bear the burden to prove by a preponderance of the evidence that the juvenile has failed to comply with the terms of community supervision. (5) If the juvenile agrees to a deferral of adjudication, the juvenile shall waive all rights:

(a) To a speedy trial and disposition;

(b) To call and confront witnesses; and

(c) To a hearing on the record. The adjudicatory hearing shall be limited to a reading of the court's record.

(6)(a) In addition to imposing conditions of community supervision, the court may order that the juvenile be placed in a placement out of the home if the court finds that the child is in need of supervision and that placement of the child out of the home is in the child's best interests. The court shall consider the following factors, among others, when determining whether to place the child out of the home:

(i) The age of the youth;

(ii) Whether the child has a history of running away from home, school absences, drug or alcohol abuse, assaultive behavior, curfew violations, or is beyond the control of his or her parent to the extent that the child's behavior substantially endangers the health, safety, or welfare of the child or any other person;

(iii) The community supervision officer's report concerning the family environment;

(iv) Assessment of the child's chances of successfully complying with the terms of community supervision if the child remains in the home;

and

(v) The wishes of the parents, the parent's willingness and ability to assist the child in complying with the terms of community supervision, and the parent's willingness and ability to voluntarily attend counseling or parenting seminars, or to seek treatment if the parent, in the court's determination, has drug or alcohol problems, mental health problems, or anger management problems.

(b) If the court finds that placement out of the home is necessary and is in the best interests of the juvenile and community and that reasonable efforts have been made to prevent out-of-home placement, the court shall order an out-of-home placement, subject to available funds and

beds. The order shall be directed to the receiving agency or person. In determining the location of the out-of-home placement the court shall consider the needs of the juvenile, the juvenile's family, and the community. The court shall first consider placement with a relative and shall accord great weight to the juvenile's community supervision officer's placement recommendation.

(c) A placement out of the home shall not exceed one year. The court shall review the placement every ninety days. The juvenile's community supervision officer shall request from the receiving agency or person information on the placement, and the community supervision officer shall include this information and other relevant information in a report to be presented to the court at the placement review. The review shall be conducted administratively.

(d) The court shall enter findings articulating the basis for the placement and the basis for selecting the particular placement.

(e) If the receiving agency or person determines that the juvenile is inappropriately placed, the agency or person may file with the court a petition for reconsideration.

(f) Nothing in this section authorizes a juvenile court judge to place a juvenile in a state-funded out of home placement unless the department agrees to the placement.

(7) This section shall not apply if the juvenile is charged with a violent or sex offense or if the juvenile has had a prior deferred adjudication.

NEW SECTION. Sec. 713. State funds appropriated for the purposes of section 712 of this act in the 1994 supplemental operating budget do not constitute an on-going funding commitment of the state.

Sec. 714. RCW 13.40.0357 and 1989 c 407 s 7 are each amended to read as follows:

OPTION B
MANIFEST INJUSTICE

A disposition outside the standard range shall be determined and shall be comprised of confinement or community supervision or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding 30 days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW (~~13.40.030(5), as now or hereafter amended,~~) 13.40.030(2) shall be used to determine the range.

Sec. 715. RCW 13.40.160 and 1992 c 45 s 6 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsection (5) of this section.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)(~~as now or hereafter amended~~) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230(~~as now or hereafter amended~~) by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 (~~as now or hereafter amended~~).

(2) Where the respondent is found to be a minor (~~or first~~) offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, RCW 13.40.0357 except as provided in subsection (5) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)(~~as now or hereafter amended~~) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230(~~as now or hereafter amended~~) by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230 (~~as now or hereafter amended~~).

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) (~~as now or hereafter amended~~).

(4) If a respondent is found to be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsection (5) of this section(~~PROVIDED, That~~). If the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department (~~for the standard range of confinement~~); or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 (~~as now or hereafter amended~~).

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2)(~~as now or hereafter amended~~) shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230(~~as now or hereafter amended~~) by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 (~~as now or hereafter amended~~).

(5) When a serious, middle, or minor (~~first~~) offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;

(iv) Anticipated length of treatment; and

(v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, and the court may suspend the execution of the disposition and place the offender on community supervision for up to two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

(b)(i) Devote time to a specific education, employment, or occupation;

(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the ~~((probation))~~ community supervision counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or ~~((probation))~~ community supervision counselor object to the change;

(iii) Remain within prescribed geographical boundaries and notify the court or the ~~((probation))~~ community supervision counselor prior to any change in the offender's address, educational program, or employment;

(iv) Report to the prosecutor and the ~~((probation))~~ community supervision counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;

(v) Report as directed to the court and a ~~((probation))~~ community supervision counselor;

(vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof; or

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection (5), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (5) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the ~~((sentence))~~ disposition or the court may impose a penalty of up to thirty days' confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days' confinement for the violation of the conditions of the disposition, in which case the term of confinement imposed for violating conditions of the disposition shall run consecutively to the term of confinement imposed under the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(6) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(7) Except as provided for in subsection (5) of this section, section 712 of this act, and RCW 13.40.0357, the court shall not suspend or defer the imposition or the execution of the disposition.

(8) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

(9) If a court does not exercise a disposition option available under this chapter due to a lack of available funds, services, or bed space, the court shall enter a finding in the disposition that an alternative disposition was not ordered due to the lack of available funds, services, or bed space.

Sec. 716. RCW 13.40.180 and 1981 c 299 s 14 are each amended to read as follows:

Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively~~(, subject to the following limitations:~~

(1) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense;

(2) The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and

(3) The aggregate of all consecutive terms of community supervision shall not exceed two years in length, or require payment of more than two hundred dollars in fines or the performance of more than two hundred hours of community service) or concurrently in the court's discretion.

Sec. 717. RCW 13.40.190 and 1987 c 281 s 5 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent and may require his or her parents, guardians, or custodians to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution. Restitution may include the costs of counseling reasonably related to the offense. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution. The court may not require the respondent or parent, guardian, or custodian to pay full or partial restitution if the respondent or parent, guardian, or custodian reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.

(2) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.

(3) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 718. RCW 13.40.200 and 1986 c 288 s 5 are each amended to read as follows:

(1) When a respondent fails to comply with an order of restitution, community supervision, penalty assessments, or confinement of less than thirty days, the court upon motion of the prosecutor or its own motion, may modify the order after a hearing on the violation.

(2) The hearing shall afford the respondent the same due process of law as would be afforded an adult probationer. The court may issue a summons or a warrant to compel the respondent's appearance. The state shall have the burden of proving by a preponderance of the evidence the fact of the violation. The respondent shall have the burden of showing that the violation was not a wilful refusal to comply with the terms of the order. If a respondent has failed to pay a fine, penalty assessments, or restitution or to perform community service hours, as required by the court, it shall be the respondent's burden to show that he or she did not have the means and could not reasonably have acquired the means to pay the fine, penalty assessments, or restitution or perform community service.

(3)(a) If the court finds that a respondent has wilfully violated the terms of an order pursuant to subsections (1) and (2) of this section, it may impose a penalty of up to thirty days' confinement or other conditions of community supervision the court considers appropriate. If the court finds that the juvenile has violated the terms of a community supervision order by committing a new offense, the court may impose thirty days' confinement as a penalty for the violation. This term of confinement may be in addition to any term of confinement imposed as a disposition for the new offense. Penalties for multiple violations occurring prior to the hearing shall not be aggregated to exceed thirty days' confinement. Regardless of the number of times a respondent is brought to court for violations of the terms of a single disposition order, the combined total number of days spent by the respondent in detention shall never exceed the maximum term to which an adult could be sentenced for the underlying offense.

(b) If the violation of the terms of the order under (a) of this subsection is failure to pay fines, penalty assessments, complete community service, or make restitution, the term of confinement imposed under (a) of this subsection shall be assessed at a rate of one day of confinement for each twenty-five dollars or eight hours owed.

(4) If a respondent has been ordered to pay a fine or monetary penalty and due to a change of circumstance cannot reasonably comply with the order, the court, upon motion of the respondent, may order that the unpaid fine or monetary penalty be converted to community service. The number of hours of community service in lieu of a monetary penalty or fine shall be converted at the rate of the prevailing state minimum wage per hour. The monetary penalties or fines collected shall be deposited in the county general fund. A failure to comply with an order under this subsection shall be deemed a failure to comply with an order of community supervision and may be proceeded against as provided in this section.

Sec. 719. RCW 13.40.230 and 1981 c 299 s 16 are each amended to read as follows:

(1) Dispositions reviewed pursuant to RCW 13.40.160(~~as now or hereafter amended,~~) shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor (~~or first~~) offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly

and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor (~~(or first)~~) offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent may not be committed or detained for a period of time in excess of the standard range for the offense(s) committed or sixty days, whichever is longer. The disposition court may impose conditions on release pending appeal as provided in RCW 13.40.040(4) and 13.40.050(6). Upon the expiration of the period of commitment or detention specified in this subsection, the court may also impose such conditions on the respondent's release pending disposition of the appeal.

(6) Appeal of a disposition under this section does not affect the finality or appeal of the underlying adjudication of guilt.

PART VIII. JUVENILE JUSTICE PROVISIONS, EFFECTIVE JULY 1, 1995

NEW SECTION. Sec. 801. The legislature finds that the juvenile justice act of 1977, chapter 13.40 RCW, requires substantial revision. The legislature reaffirms the goals of the act, including the dual goals of punishment and rehabilitation of juvenile offenders. The legislature finds, however, that the substantive provisions of the act are too structured to achieve fully the act's goals.

The framework created by the act has diminishing relevance to today's violent and chronic offenders. Juveniles are committing increasingly violent crimes, and they are committing these violent crimes at an increasingly younger age. Simultaneously, juveniles habitually commit minor offenses. Dispositions prescribed by the act are not long enough to permit substantial rehabilitation of violent offenders, and minor offenders receive no meaningful intervention. The fixed system established by the act restricts the judiciary's efforts to tailor punishment and rehabilitation to the juvenile's individual needs. Additionally, substantial delays occur before the juvenile offender is held accountable for criminal acts.

Juvenile offenders must learn personal accountability and must accept responsibility for their criminal behavior. To this end, the juvenile system must provide a swift response, meaningful punishment, and effective rehabilitation. Therefore, sections 801 through 809 of this act seek to accomplish the following goals: (1) Increasing the speed of the juvenile justice system's response to juvenile offenders' criminal behavior; (2) increasing the certainty of punishment and intervention; (3) increasing judicial discretion and permitting judges to tailor dispositions to the juvenile's offense; (4) expanding the range of disposition alternatives to permit meaningful punishment and effective rehabilitation; (5) increasing the likelihood that juveniles will comply with the terms of their dispositions by creating compliance incentives and, if necessary, placing the juveniles in supportive out-of-home placements; and (6) reducing the complexity of the system.

The legislature intends chapter . . . , Laws of 1994 (this act) to substantially reform the manner in which juvenile offenders are held accountable for their actions. The legislature further intends the early intervention provisions of chapter . . . , Laws of 1994 (this act) to address the underlying problems that lead juvenile offenders toward a criminal career. Chapter . . . , Laws of 1994 (this act) provides a policy foundation that forms the first steps toward reforming the juvenile justice system. The legislature recognizes the need, however, for continued study in the 1995 regular legislative session of the new policies and disposition options created by chapter . . . , Laws of 1994 (this act). To this end, the legislature finds that prior to the 1995 regular legislative session it will require briefing on the use and effect of the new policies and disposition options of chapter . . . , Laws of 1994 (this act), so that it may continue to refine chapter . . . , Laws of 1994 (this act), if necessary.

The superior court shall appoint the members. The boards shall consist of at least three and not more than seven members. (1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:

The evaluation shall also include a preliminary assessment of the security risks posed by the juvenile;

(b) Violations may not count as part of the offender's criminal history;

(c) In no event may a disposition for a violation include confinement.

(b) Consider information and arguments offered by parties and their counsel;

(ii) The respondent acted under strong and immediate provocation;

(iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;

(iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and

(v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(vi) The respondent was the leader of a criminal enterprise involving several persons; and

(vii) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history.

(a) The sex of the respondent;

(b) The race or color of the respondent or the respondent's family;

(c) The creed or religion of the respondent or the respondent's family;

(d) The economic or social class of the respondent or the respondent's family; and

(e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.

(5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

Sec. 804. RCW 13.40.160 and 1992 c 45 s 6 are each amended to read as follows:

(1) ~~(When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense, as indicated in option A of schedule D-3, RCW 13.40.0357 except as provided in subsection (5) of this section.~~

~~If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option B of schedule D-3, RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.~~

~~A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.~~

~~(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision as indicated in option A or option B of schedule D-1, RCW 13.40.0357 except as provided in subsection (5) of this section. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition under option C of schedule D-1, RCW 13.40.0357. Except as provided in subsection (5) of this section, a disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2), as now or hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.~~

~~Except for disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section, a disposition may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision or a disposition imposed pursuant to subsection (5) of this section may not be appealed under RCW 13.40.230 as now or hereafter amended.~~

~~(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.~~

~~(4) If a respondent is found to be a middle offender:~~

~~(a) The court shall impose a determinate disposition within the standard range(s) for such offense, as indicated in option A of schedule D-2, RCW 13.40.0357 except as provided in subsection (5) of this section: PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or~~

~~(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement, as indicated in option B of schedule D-2, RCW 13.40.0357 in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.~~

~~(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4)(a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2), as now or~~

hereafter amended, shall be used to determine the range. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5)) The court may impose a disposition as provided in this section for any juvenile adjudicated for an offense.

(2) The court shall consider various factors, including but not limited to the following, when determining a disposition:

(a) The juvenile's age and maturity;

(b) The juvenile's criminal history and the recency of that criminal history;

(c) Whether the juvenile has had prior deferrals of adjudications;

(d) Whether the juvenile complied with the terms of the disposition imposed for prior offenses;

(e) The seriousness of the offense;

(f) Whether the juvenile's adjudication resulted from accomplice liability; and

(g) Whether any aggravating or mitigating factors apply.

(3)(a) For a juvenile adjudicated for a misdemeanor or a gross misdemeanor, the court shall impose a disposition comprised of any of the following:

0 - 12 Months of community supervision;

0 - 150 Hours of community service;

0 - \$100 Fine;

0 - 30 Days in confinement if the juvenile has prior criminal history or a prior deferred adjudication.

(b) The court shall not commit a juvenile adjudicated of a misdemeanor or gross misdemeanor to the department unless the court enters a finding that a disposition under (a) of this subsection would effectuate a manifest injustice.

(4)(a) For a juvenile adjudicated of a class C or B felony that is not: A violent offense, a crime against persons as defined in RCW 9.94A.440(2), or a crime of harassment as defined in RCW 9A.46.060, the court shall impose a disposition comprised of any of the following:

0 - 12 Months of community supervision;

0 - 150 Hours of community service;

0 - \$100 Fine;

5 - 60 days of confinement or commitment to the department.

(b) The court shall not commit a juvenile adjudicated under this subsection (4) to the department for more than sixty days unless (i) the court enters a finding that a disposition under (a) of this subsection would effectuate a manifest injustice; or (ii) the juvenile has a significant criminal history that would support a finding of an aggravating factor under RCW 13.40.150(3) if the criminal history was more recent.

(c) The court may suspend all or a portion of any term of confinement or commitment imposed under this subsection (4). In addition to the suspended confinement or commitment, the court shall impose community supervision, community service, or a fine as provided in (a) of this subsection.

(5)(a) For a juvenile adjudicated of a class C or B felony that is a crime against persons or a crime of harassment but is not a violent offense, the court shall impose a disposition comprised of the following:

0 - 12 Months community supervision;

0 - 150 Hours community service;

0 - \$100 Fine;

5 Days to 129 weeks in confinement or commitment to the department.

(b) The court shall not commit a juvenile adjudicated under this subsection (5) to the department in excess of one hundred twenty-nine weeks unless the court enters a finding that a disposition under this subsection (5) would effect a manifest injustice. The basis for the manifest injustice must be a basis other than the offender's criminal history as described in RCW 13.40.150(3)(i)(iv).

(c) The court may suspend all or a portion of any term of confinement or commitment imposed under this subsection (5). In addition to the suspended confinement or commitment, the court shall impose community supervision, community service, or a fine as provided in (a)(i) of this subsection.

(6)(a) If a juvenile is adjudicated of a class A felony, an attempt to commit a class A felony, or a sex or violent offense, the court shall impose a disposition of the following:

52 - 224 Weeks committed to the department.

(b) The court shall not impose a disposition under this subsection (6) outside the standard range unless the court finds that imposition of the standard range would effectuate a manifest injustice.

(c) If the juvenile is adjudicated of a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, the court need not impose a disposition under this subsection (6). The court may instead order a treatment disposition option under subsection (11) of this section.

(d) When a court adjudicates a juvenile of a sex offense, the court shall impose a disposition as provided in this subsection (6), as modified by this subsection (6)(d), unless the court orders a disposition under subsection (11) of this section. In addition to the term of commitment imposed under this subsection (6), the court shall impose a term of postrelease supervision not to exceed five years. The department shall provide the postrelease supervision. If the juvenile receives treatment while committed, the court, as a condition of postrelease supervision, may order the juvenile to continue with a particular treatment program for all or a portion of the term of postrelease supervision. The department may recommend to the sentencing court whether the option of continuing treatment is appropriate. Upon the recommendation of the department, the court may either reduce the term of postrelease supervision or impose additional or more restrictive terms of postrelease supervision. The postrelease supervision required by this section shall be in addition to any term of parole imposed by the department.

(7) In all cases, the court shall impose a determinate disposition.

(8) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice, the court shall impose a determinate disposition outside the standard range. If the court imposes a disposition below the standard range due to a manifest injustice, the disposition shall be comprised of community supervision or confinement, or both. The court's finding of manifest injustice shall be supported by clear and convincing evidence. A disposition outside the standard range shall be appealable under RCW 13.40.230, by the state or respondent. A disposition within the standard range is not appealable.

(9) In all cases, the court shall enter an order for restitution, if any is due to the victim, according to RCW 13.40.190.

(10) In all disposition orders that include commitment to the department, the court shall make a finding of reasonable rehabilitative goals to be achieved by the juvenile during the commitment term. These goals may include, by way of example and not limitation, completion of substance abuse treatment, completion of anger management courses, and achievement of academic, educational, or vocational goals, such as grade-level reading or GED completion.

(11) When ((a serious, middle, or minor first)) an offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (a)(i) Frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
- (iv) Anticipated length of treatment; and
- (v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, and the court may suspend the execution of the disposition and place the offender on community supervision for up to two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

- (b)(i) Devote time to a specific education, employment, or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the ((~~probation~~) community supervision) counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or ((~~probation~~) community supervision) counselor object to the change;
- (iii) Remain within prescribed geographical boundaries and notify the court or the ((~~probation~~) community supervision) counselor prior to any change in the offender's address, educational program, or employment;
- (iv) Report to the prosecutor and the ((~~probation~~) community supervision) counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;
- (v) Report as directed to the court and a ((~~probation~~) community supervision) counselor;
- (vi) Pay all court-ordered legal financial obligations, perform community service, or any combination thereof; or

(vii) Make restitution to the victim for the cost of any counseling reasonably related to the offense.

The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

Except as provided in this subsection ~~((5))~~ (11), after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW. A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection ~~((5))~~ (11) and the rules adopted by the department of health.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the ~~((sentence))~~ disposition or the court may impose a penalty of up to thirty days' confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days' confinement for the violation of the conditions of the disposition, in which case the term of confinement imposed for violating conditions of the disposition shall run consecutively to the term of confinement imposed under the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

~~((6))~~ (12) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

~~((7) Except as provided for in subsection (5) of this section, the court shall not suspend or defer the imposition or the execution of the disposition.~~

~~(8))~~ (13) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

(14) Whenever a dispositional order requires a juvenile to participate in a treatment program, the court may require the juvenile's parents, guardians, or custodians to participate in the treatment program with the juvenile.

(15) If a court does not exercise a disposition option available under this chapter due to a lack of available funds, services, or bed space, the court shall enter a finding in the disposition that an alternative disposition was not ordered due to the lack of available funds, services, or bed space.

Sec. 805. RCW 13.40.180 and 1981 c 299 s 14 are each amended to read as follows:

Unless otherwise provided in this chapter, where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively~~(, subject to the following limitations:~~

~~(1) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense;~~

~~(2) The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and~~

~~(3) The aggregate of all consecutive terms of community supervision shall not exceed two years in length, or require payment of more than two hundred dollars in fines or the performance of more than two hundred hours of community service))~~ or concurrently in the court's discretion.

Sec. 806. RCW 13.40.205 and 1990 c 3 s 103 are each amended to read as follows:

(1) A juvenile sentenced to a term of confinement to be served under the supervision of the department shall not be released from the physical custody of the department prior to the release date established under RCW 13.40.210 except as otherwise provided in this section.

(2) A juvenile serving a term of confinement under the supervision of the department may be released on authorized leave from the physical custody of the department only if consistent with public safety and if:

(a) Sixty percent of the ~~((minimum))~~ term of confinement has been served; and

(b) The purpose of the leave is to enable the juvenile:

(i) To visit the juvenile's family for the purpose of strengthening or preserving family relationships;

(ii) To make plans for parole or release which require the juvenile's personal appearance in the community and which will facilitate the juvenile's reintegration into the community; or

(iii) To make plans for a residential placement out of the juvenile's home which requires the juvenile's personal appearance in the community.

(3) No authorized leave may exceed seven consecutive days. The total of all pre-minimum term authorized leaves granted to a juvenile prior to final discharge from confinement shall not exceed thirty days.

(4) Prior to authorizing a leave, the secretary shall require a written leave plan, which shall detail the purpose of the leave and how it is to be achieved, the address at which the juvenile shall reside, the identity of the person responsible for supervising the juvenile during the leave, and a statement by such person acknowledging familiarity with the leave plan and agreeing to supervise the juvenile and to notify the secretary immediately if the juvenile violates any terms or conditions of the leave. The leave plan shall include such terms and conditions as the secretary deems appropriate and shall be signed by the juvenile.

(5) Upon authorizing a leave, the secretary shall issue to the juvenile an authorized leave order which shall contain the name of the juvenile, the fact that the juvenile is on leave from a designated facility, the time period of the leave, and the identity of an appropriate official of the department to contact when necessary. The authorized leave order shall be carried by the juvenile at all times while on leave.

(6) Prior to the commencement of any authorized leave, the secretary shall give notice of the leave to the appropriate law enforcement agency in the jurisdiction in which the juvenile will reside during the leave period. The notice shall include the identity of the juvenile, the time period of the leave, the residence of the juvenile during the leave, and the identity of the person responsible for supervising the juvenile during the leave.

(7) The secretary may authorize a leave, which shall not exceed forty-eight hours plus travel time, to meet an emergency situation such as a death or critical illness of a member of the juvenile's family. The secretary may authorize a leave, which shall not exceed the period of time medically necessary, to obtain medical care not available in a juvenile facility maintained by the department. In cases of emergency or medical leave the secretary may waive all or any portions of subsections (2)(a), (3), (4), (5), and (6) of this section.

(8) If requested by the juvenile's victim or the victim's immediate family, the secretary shall give notice of any leave to the victim or the victim's immediate family.

(9) A juvenile who violates any condition of an authorized leave plan may be taken into custody and returned to the department in the same manner as an adult in identical circumstances.

(10) Notwithstanding the provisions of this section, a juvenile placed in minimum security status may participate in work, educational, community service, or treatment programs in the community up to twelve hours a day if approved by the secretary. Such a release shall not be deemed a leave of absence.

(11) Subsections (6), (7), and (8) of this section do not apply to juveniles covered by RCW 13.40.215.

Sec. 807. RCW 13.40.210 and 1990 c 3 s 304 are each amended to read as follows:

(1) ~~((The secretary shall, except in the case of a juvenile committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the juvenile was found to be guilty established pursuant to RCW 13.40.030, as now or hereafter amended, set a release or discharge date for each juvenile committed to its custody which shall be within the prescribed range to which a juvenile has been committed. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed.))~~ (a) When a juvenile is committed to a term of confinement in a state institution, the secretary shall review the sentencing court's finding of the rehabilitative goals to be achieved by the juvenile during the term of confinement. The department shall provide rehabilitative resources, including but not limited to education, vocational training, substance abuse treatment, and counseling, to permit the juvenile to achieve these rehabilitative goals.

(b) After expiration of no more than sixty percent of the juvenile's commitment term, the department shall provide a report containing an evaluation of the juvenile's behavior and performance during commitment. This report shall specifically describe the juvenile's progress toward achieving the designated rehabilitative goals.

(c) The department shall provide this report to the committing court. The court, after considering the department's report, shall determine a release or discharge date for the juvenile, which date shall fall on or before expiration of the original term of commitment. If the court sets a release date prior to expiration of the original term, the court may suspend the remainder of the term.

(d) Nothing in this section entitles a juvenile to release prior to the expiration of the term of confinement imposed by the court.

(e) The department shall establish by rule standards of good behavior, good performance, and progress toward rehabilitative goals.

(f) After the court determines a release date, the secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter(~~(= PROVIDED, That)~~). Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest

proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the ~~((end of each calendar year))~~ time of release if any such early releases have occurred ~~((during that year))~~ as a result of excessive in-residence population. In no event shall ~~((a serious))~~ an offender~~((as defined in RCW 13.40.020(1)))~~ adjudicated of a violent offense be granted release under the provisions of this subsection.

(3) Following the juvenile's release pursuant to subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months. A parole program is mandatory for offenders released under subsection (2) of this section. The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal may require the juvenile to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; and (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address~~((; and (e)))~~. As a mandatory condition of any term of parole, the secretary shall require the juvenile to refrain from committing new offenses. As a mandatory condition of parole, the secretary shall order the juvenile to comply with the mandatory school attendance provisions of chapter 28A.225 RCW and to inform the school of the existence of this requirement. After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; (d) except as provided in (e) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; ~~((and))~~ (e) the secretary may order any of the conditions or may return the offender to confinement in an institution for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (f) if the secretary determines that the juvenile has violated parole by committing a new offense, the secretary may order the imposition of thirty days' confinement as a penalty for the violation. This period of confinement may be in addition to any confinement imposed as a disposition for the new offense.

(5) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest such person.

(6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

Sec. 808. RCW 13.40.230 and 1981 c 299 s 16 are each amended to read as follows:

(1) Dispositions reviewed pursuant to RCW 13.40.160~~((, as now or hereafter amended,))~~ shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, ~~((or which imposes confinement for a minor or first offender,))~~ the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range~~((, or nonconfinement for a minor or first offender,))~~ would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent may not be committed or detained for a period of time in excess of the standard range for the offense(s) committed or sixty days, whichever is longer. The disposition court may impose conditions on release pending appeal as provided in RCW 13.40.040(4) and 13.40.050(6). Upon the expiration of the period of commitment or detention specified in this subsection, the court may also impose such conditions on the respondent's release pending disposition of the appeal.

(6) Appeal of a disposition under this section does not affect the finality or appeal of the underlying adjudication of guilt.

NEW SECTION. Sec. 809. The following acts or parts of acts are each repealed:

(1) RCW 13.40.0354 and 1989 c 407 s 6; and

(2) RCW 13.40.0357 and 1994 c . . . s 714 (section 714 of this act) & 1989 c 407 s 7.

Renumber the parts and sections consecutively and correct the table of contents and any internal references accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Roach: "Senator Talmadge, how many beds in a juvenile facility do you suppose that the six point five million dollars that we want to spend on the Wash-Pan would buy?"

Senator Talmadge: "Senator, probably about thirty-two."

Senator Roach: "Thank you."

Senator Talmadge: "Which doesn't really get up to the number that this bill impacts."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the amendments by Senators Ludwig and Franklin on page 60, beginning on line 27; page 139, beginning on line 21; and page 151, after line 6; to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Ludwig failed and the amendments to the striking amendment were not adopted on a rising vote.

MOTION

(b) It is the further intent of the legislature in enacting this section that female and male offenders for whom charges have been directly filed in the superior court and who have been convicted in the superior court receive equitable treatment in sentencing, particularly in regard to the option of being sentenced to the youthful offender system under RCW 9.94A.120. Accordingly, it is the legislature's intent that necessary measures be taken by the department of corrections to establish separate housing for female and male offenders who are sentenced to the youthful offender system without compromising the equitable treatment of either.

(iv) The system must provide offenders with instruction on problem-solving skills and must incorporate methods to reinforce the use of cognitive behavior strategies that change offenders' orientation toward criminal thinking and behavior;

(v) The system must promote among offenders the creation and development of new group cultures that result in the application of positive peer influence that promotes behavioral change; and

(vi) The system must provide offenders the opportunity to gradually reenter the community while demonstrating the capacity for self-discipline and the attainment of respect for the community.

(b) The secretary of corrections shall have final approval on the hiring and transferring of staff for the youthful offender system. (6) The department of corrections shall determine the number of offenders in a program element under the youthful offender system within available appropriations.

(7) The department of corrections may and is encouraged to contract with a private or public entity for the provision of services and facilities under the youthful offender system. The contracting for the facilities must not delay the availability of necessary required space.

(11) The legislature recognizes that the increased number of violent juvenile crimes is a problem faced by all the states of this nation. By creating the youthful offender system, the state of Washington stands at the forefront of the states in creating a new approach to solving the problem of violent juvenile offenders. The legislature also declares that the cost of implementing and operating the youthful offender system will create a burden on the state's limited resources. Accordingly, the legislature directs the department of corrections to seek out and accept available federal, state, and local public funds, including project demonstration funds, and private moneys and private systems for the purpose of conducting the youthful offender system.

Sec. 470. RCW 9.94A.120 and 1994 c 1 s 2 (Initiative Measure No. 593) and 1993 c 31 s 3 are each reenacted and amended to read as follows:

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender under the age of eighteen who is no longer under juvenile jurisdiction shall be sentenced as follows:

~~((5))~~ (6) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

~~((7))~~ (8)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

(A) Frequency and type of contact between offender and therapist;

(B) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;

(D) Anticipated length of treatment; and

(E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sexual offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eight years of confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community supervision for the length of the suspended sentence or three years, whichever is greater; and

(B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(I) Devote time to a specific employment or occupation;

(II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(III) Report as directed to the court and a community corrections officer;

(IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or

(V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community supervision, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community supervision.

(v) The court may revoke the suspended sentence at any time during the period of community supervision and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(vi) Except as provided in (a)(vii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(vii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (7) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (7) and the rules adopted by the department of health.

For purposes of this subsection, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(b) When an offender is convicted of any felony sex offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is

amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (c) does not apply to any crime committed after July 1, 1990.

(d) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

~~((9))~~ (9)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or serious violent offense committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of

community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

- (i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
- (ii) The offender shall work at department of corrections-approved education, employment, and/or community service;
- (iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;
- (iv) An offender in community custody shall not unlawfully possess controlled substances;
- (v) The offender shall pay supervision fees as determined by the department of corrections; and

(c) The court may also order any of the following special conditions:

- (i) The offender shall remain within, or outside of, a specified geographical boundary;
- (ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;
- (iii) The offender shall participate in crime-related treatment or counseling services;
- (iv) The offender shall not consume alcohol; or
- (v) The offender shall comply with any crime-related prohibitions.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

~~((9))~~ (10) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

~~((49))~~ (11) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

~~((44))~~ (12) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

~~((42))~~ (13) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment. The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

~~((43))~~ (14) All offenders sentenced to terms involving community supervision, community service, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

~~((44))~~ (15) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

~~((45))~~ (16) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

~~((46))~~ (17) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

~~((47))~~ (18) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

~~((49))~~ (19) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

~~((49))~~ (20) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. (6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120~~((5))~~(6). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(b) "Criminal history" shall always include juvenile convictions for sex offenses and shall also include a defendant's other prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020~~((6)(a))~~; (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

Sec. 472. RCW 9.94A.123 and 1987 c 402 s 2 are each amended to read as follows:

The legislature finds that the sexual offender treatment programs at western and eastern state hospitals, while not proven to be totally effective, may be of some benefit in positively affecting the behavior of certain sexual offenders. Given the significance of the problems of sexual assault and sexual abuse of children, it is therefore appropriate to review and revise these treatment efforts.

At the same time, concerns regarding the lack of adequate security at the existing programs must be satisfactorily addressed. In an effort to promote public safety, it is the intent of the legislature to transfer the responsibility for felony sexual offenders from the department of social and health services to the department of corrections.

Therefore, no person committing a felony sexual offense on or after July 1, 1987, may be committed under RCW 9.94A.120((7))(8)(b) to the department of social and health services at eastern state hospital or western state hospital. Any person committed to the department of social and health services under RCW 9.94A.120((7))(8)(b) for an offense committed before July 1, 1987, and still in the custody of the department of social and health services on June 30, 1993, shall be transferred to the custody of the department of corrections. Any person eligible for evaluation or treatment under RCW 9.94A.120((7))(8)(b) shall be committed to the department of corrections.

Sec. 473. RCW 9.94A.130 and 1984 c 209 s 7 are each amended to read as follows:

The power to defer or suspend the imposition or execution of sentence is hereby abolished in respect to sentences prescribed for felonies committed after June 30, 1984, except for offenders sentenced under RCW 9.94A.120((7))~~(8)~~(a), the special sexual offender sentencing alternative, whose sentence may be suspended, and except for sentences imposed under section 469 of this act and RCW 9.94A.120.

NEW SECTION. Sec. 474. A new section is added to chapter 9.94A RCW to read as follows:

Suspension of original sentence of a person sentenced under the youthful offender sentence alternative may be revoked if the offender violates or fails to carry out any of the conditions of the youthful offender program. Upon the revocation of the suspension, the court shall impose the sentence previously suspended or any unexecuted portion of the sentence. The court may not impose a sentence greater than the original sentence, with credit given for time served and money paid on fines and costs.

Before entering an order acknowledging successful completion of the youthful offender program, the court may revoke or modify its order suspending the imposition or execution of the original sentence. If the ends of justice will be served and if warranted by the reformation of the offender, the court may terminate the period of probation and discharge the person so held.

Sec. 475. RCW 9.94A.210 and 1989 c 214 s 1 are each amended to read as follows:

(1) A sentence within the standard range for the offense shall not be appealed. For purposes of this section, a sentence imposed on a first offender under RCW 9.94A.120((5))~~(6)~~ shall also be deemed to be within the standard range for the offense and shall not be appealed.

(2) A sentence outside the sentence range for the offense is subject to appeal by the defendant or the state. The appeal shall be to the court of appeals in accordance with rules adopted by the supreme court.

(3) Pending review of the sentence, the sentencing court or the court of appeals may order the defendant confined or placed on conditional release, including bond.

(4) To reverse a sentence which is outside the sentence range, the reviewing court must find: (a) Either that the reasons supplied by the sentencing judge are not supported by the record which was before the judge or that those reasons do not justify a sentence outside the standard range for that offense; or (b) that the sentence imposed was clearly excessive or clearly too lenient.

(5) A review under this section shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required and the review and decision shall be made in an expedited manner according to rules adopted by the supreme court.

(6) The court of appeals shall issue a written opinion in support of its decision whenever the judgment of the sentencing court is reversed and may issue written opinions in any other case where the court believes that a written opinion would provide guidance to sentencing judges and others in implementing this chapter and in developing a common law of sentencing within the state.

(7) The department may petition for a review of a sentence committing an offender to the custody or jurisdiction of the department. The review shall be limited to errors of law. Such petition shall be filed with the court of appeals no later than ninety days after the department has actual knowledge of terms of the sentence. The petition shall include a certification by the department that all reasonable efforts to resolve the dispute at the superior court level have been exhausted.

Sec. 476. RCW 9.94A.440 and 1992 c 145 s 11 and 1992 c 75 s 5 are each reenacted and amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

(i) It has not been enforced for many years; and

(ii) Most members of society act as if it were no longer in existence; and

(iii) It serves no deterrent or protective purpose in today's society; and

(iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimus Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid pre-filing agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be provided pursuant to RCW 9.94A.120((7))(8).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

See table below for the crimes within these categories.

Selection of Charges/Degree of Charge

(1) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:

- (a) Will significantly enhance the strength of the state's case at trial; or
- (b) Will result in restitution to all victims.

(2) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

- (a) Charging a higher degree;
- (b) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

GUIDELINES/COMMENTARY:

Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

- (1) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
- (2) The completion of necessary laboratory tests; and
- (3) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

- (1) Probable cause exists to believe the suspect is guilty; and
- (2) The suspect presents a danger to the community or is likely to flee if not apprehended; or
- (3) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

- (1) Polygraph testing;
- (2) Hypnosis;
- (3) Electronic surveillance;
- (4) Use of informants.

Pre-Filing Discussions with Defendant

Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

Sec. 477. RCW 18.155.010 and 1990 c 3 s 801 are each amended to read as follows:

The legislature finds that sex offender therapists who examine and treat sex offenders pursuant to the special sexual offender sentencing alternative under RCW 9.94A.120((7))(8)(a) and who may treat juvenile sex offenders pursuant to RCW 13.40.160, play a vital role in protecting the public from sex offenders who remain in the community following conviction. The legislature finds that the qualifications, practices, techniques, and effectiveness of sex offender treatment providers vary widely and that the court's ability to effectively determine the appropriateness of granting the sentencing alternative and monitoring the offender to ensure continued protection of the community is undermined by a lack of regulated practices. The legislature recognizes the right of sex offender therapists to practice, consistent with the paramount requirements of public safety. Public safety is best served by regulating sex offender therapists whose clients are being evaluated and being treated pursuant to RCW 9.94A.120((7))(8)(a) and

13.40.160. This chapter shall be construed to require only those sex offender therapists who examine and treat sex offenders pursuant to RCW 9.94A.120((7))(8)(a) and 13.40.160 to obtain a sexual offender treatment certification as provided in this chapter.

Sec. 478. RCW 18.155.020 and 1990 c 3 s 802 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Certified sex offender treatment provider" means a licensed, certified, or registered health professional who is certified to examine and treat sex offenders pursuant to RCW 9.94A.120((7))(8)(a) and 13.40.160.

(2) "Department" means the department of health.

(3) "Secretary" means the secretary of health.

(4) "Sex offender treatment provider" means a person who counsels or treats sex offenders accused of or convicted of a sex offense as defined by RCW 9.94A.030.

Sec. 479. RCW 18.155.030 and 1990 c 3 s 803 are each amended to read as follows:

(1) No person shall represent himself or herself as a certified sex offender treatment provider without first applying for and receiving a certificate pursuant to this chapter.

(2) Only a certified sex offender treatment provider may perform or provide the following services:

(a) Evaluations conducted for the purposes of and pursuant to RCW 9.94A.120((7))(8)(a) and 13.40.160;

(b) Treatment of convicted sex offenders who are sentenced and ordered into treatment pursuant to RCW 9.94A.120((7))(8)(a) and adjudicated juvenile sex offenders who are ordered into treatment pursuant to RCW 13.40.160.

Sec. 480. RCW 46.61.524 and 1991 c 348 s 2 are each amended to read as follows:

(1) A person convicted under RCW 46.61.520(1)(a) or 46.61.522(1)(b) shall, as a condition of community supervision imposed under RCW 9.94A.383 or community placement imposed under RCW 9.94A.120((7))(8), complete a diagnostic evaluation by an alcohol or drug dependency agency approved by the department of social and health services or a qualified probation department, as defined under RCW 46.61.516 that has been approved by the department of social and health services. This report shall be forwarded to the department of licensing. If the person is found to have an alcohol or drug problem that requires treatment, the person shall complete treatment in a program approved by the department of social and health services under chapter 70.96A RCW. If the person is found not to have an alcohol or drug problem that requires treatment, he or she shall complete a course in an information school approved by the department of social and health services under chapter 70.96A RCW. The convicted person shall pay all costs for any evaluation, education, or treatment required by this section, unless the person is eligible for an existing program offered or approved by the department of social and health services. Nothing in ~~((this act))~~ chapter 348, Laws of 1991 requires the addition of new treatment or assessment facilities nor affects the department of social and health services use of existing programs and facilities authorized by law.

(2) As provided for under RCW 46.20.285, the department shall revoke the license, permit to drive, or a nonresident privilege of a person convicted of vehicular homicide under RCW 46.61.520 or vehicular assault under RCW 46.61.522. The department shall determine the eligibility of a person convicted of vehicular homicide under RCW 46.61.520(1)(a) or vehicular assault under ~~((RCW))~~ RCW 46.61.522(1)(b) to receive a license based upon the report provided by the designated alcoholism treatment facility or probation department, and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified."

Renumber the remaining sections consecutively and correct internal references accordingly.

Debate ensued.

POINT OF INQUIRY

Senator Ludwig: "Senator Nelson, this is a pretty long amendment. I haven't had a chance to read it all, but I got at least to the second page. In looking at lines six through ten, it seems to me that you are saying that these juveniles are allowed to earn and smoke cigarettes, even though we have passed a bill that prohibits law-abiding juveniles in this state from doing the same thing. Is that correct?"

Senator Nelson: "I guess every facility will establish what they vision will be the proper conduct at any one of them, just like they have done in any of these other states. I might point out, Senator Ludwig, since you brought it up, this is an option, it is something that you have the juvenile court judge look at. They just don't send anybody to one of these facilities, because it is based on the kind of crime that has been occurring. It is based primarily on what, perhaps, can come out of it, so what personal conduct pattern they have there is going to be up to the facility itself."

Further debate ensued.

PARLIAMENTARY INQUIRY

Senator Talmadge: "A point of parliamentary inquiry, Mr. President. I believe Section 470 on page 5 of the amendment amends Initiative 593. Would that mean that this amendment requires a two-thirds vote in order to be adopted?"

REPLY BY THE PRESIDENT

President Pritchard: "The amendments do not require a two-thirds vote, only on final passage. If it amends the Initiative, we will make the judgment at that time."

Further debate ensued.

Senator McCaslin demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Nelson, Roach, Amondson, Linda Smith, Anderson, McDonald and Schow on page 121, after line 7, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

ROLL CALL

The Secretary called the roll and the amendment to the striking amendment was not adopted by the following vote: Yeas, 21; Nays, 28; Absent, 0; Excused, 0.

Voting yea: Senators Amondson, Anderson, Bluechel, Cantu, Deccio, Erwin, Hochstatter, McCaslin, McDonald, Morton, Moyer, Nelson, Newhouse, Oke, Prince, Roach, Schow, Sellar, Smith, L., West and Winsley - 21.

Voting nay: Senators Bauer, Drew, Franklin, Fraser, Gaspard, Hargrove, Haugen, Loveland, Ludwig, McAuliffe, Moore, Niemi, Owen, Pelz, Prentice, Quigley, Rasmussen, M., Rinehart, Sheldon, Skratek, Smith, A., Snyder, Spanel, Sutherland, Talmadge, Vognild, Williams and Wojahn - 28.

MOTION

Senator Erwin moved that the following amendments to the striking amendment by Senators Talmadge and Gaspard be considered simultaneously and be adopted:

On page 121, line 19 of the amendment, after "**EDUCATION**" insert ", **TRAINING, AND EMPLOYMENT**"

Correct the table of contents accordingly.

On page 144, after line 26 of the amendment, insert the following:

"NEW SECTION. Sec. 520. A new section is added to chapter 43.330 RCW to read as follows:

(1) The department of community, trade, and economic development shall administer a safe schools-safe communities program that provides financial and technical resources for community and school-based initiatives that offer youth long-term positive alternatives to violence, reduce the factors contributing to youth violence, and establish strong ties between children and youth and their communities.

(j) Self-esteem training, particularly for youth at high risk of teen pregnancy.

(3) The following organizations shall be eligible to receive grants: School districts, community family councils, community-based private nonprofit organizations, educational service districts, juvenile institutions, Indian tribes, private industry councils, and local governments.

(4) The department shall consider at least the following factors when selecting projects for funding:

- (a) Whether there was an assessment made of the factors contributing to the problem of youth violence in the community that includes empirical evidence linking these factors to youth violence and a strategy proposed that addresses the factors identified;
- (b) Whether there was active community and youth participation in designing the program and in proposed implementation of the program;
- (c) Whether there is proposed collaboration among local community entities in carrying out the project;

(d) Whether there is collaboration with the local business community, labor organizations, and training institutions when employment and training projects are proposed;

(e) Whether there is local commitment of resources and effort to carrying out the project in the short term and a long-term commitment to reducing youth violence;

(f) Whether there is research that supports the likely success of the proposed project;

(g) Whether the proposed intervention will include cognitive, affective, and behavioral interventions;

(h) The likelihood that the project will significantly benefit youth who are at risk or will increase public safety in areas with high rates of violent crime by juveniles;

(i) The experience or expertise of the applicant to carry out the proposed project; and

(j) The plan for evaluating the project.

(5) The department shall provide additional assistance to community-based efforts in skill development, employment readiness, and work experience, including: (a) Community-based mentoring programs, providing technical assistance and providing funds for program development; (b) tutoring services to at-risk youth by the retired senior volunteer program; and (c) private-sector efforts to assist in the employment and training of at-risk youth in such areas as work experience, mentoring programs, skill development, and apprenticeships. In developing and implementing these efforts, the department shall consult with the work force training and education coordinating board, employment security department, and other relevant agencies. The department shall provide funds to community-based organizations to identify at-risk youth to participate in private-sector efforts and to provide ongoing assistance to youth participating in the programs.

(6) The grants shall require local matching funds so that the grant amounts support a maximum of eighty percent of the costs of the services funded. In-kind contributions may be used in calculating the local match.

(7) Subject to funding, grants shall be funded for three years. A second series of grants shall be awarded in 1996.

(8) The department shall provide successful applicants with technical assistance and training resources.

(9) The department shall work to involve youth in its efforts to reduce youth violence.

(10) The department shall establish a system to evaluate the effectiveness of the prevention and intervention initiatives. By January 1, 1996, and every biennium through June 30, 1999, the department shall submit to the governor and the legislature an evaluation of the projects funded under this section.

(11) For the purposes of this section, "community" means a geographic region recognized as a community by the applicant, including a neighborhood, city, county, Indian tribe, or multicounty region.

(12) This section shall expire June 30, 1999.

NEW SECTION. Sec. 521. If specific funding for the purposes of section 520 of this act, referencing section 520 of this act by bill and section number, is not provided by June 30, 1994, in the omnibus appropriations act, section 520 of this act is null and void.

NEW SECTION. Sec. 522. (1) The legislature finds that many teens who have dropped out of high school possess little motivation to return to a traditional high school setting. Teens with children often receive public assistance and do not have the skills or education to secure employment to support their basic needs. Inadequate job skills, the lack of a high school diploma, and limited access to child care prevent high school-age mothers from leaving public assistance to enter the work force.

(2) The legislature further finds that providing dropouts with school-to-work transition options to increase job readiness, to work toward high school graduation, and to provide access to support services is an effective strategy to address the needs of secondary students who have dropped out of school.

(3) The legislature further finds that vocational skills centers are equipped to offer educational services to secondary students that emphasize successful school-to-work transition, life skills, parenting education, and high school graduation. Vocational skills centers can best offer these services by making them available, for students not currently in school and for students enrolled in a full schedule at a high school, during hours other than normal school hours.

(4) The purpose of section 523 of this act is to provide students with the job training, education, and support services necessary to achieve high school graduation and job readiness through the creation of extended day school-to-work transition projects.

NEW SECTION. Sec. 523. (1) To the extent funds are available, the superintendent of public instruction shall award start-up grants to vocational skills centers to provide extended day school-to-work transition options for secondary students who are at risk of academic failure and who have dropped out or who are enrolled full time at a home high school. Grants shall be awarded based on applications describing how the project will achieve the following goals:

(a) Identifying, recruiting, assessing, and enrolling teens who have dropped out of school or who are at risk of academic failure;

(b) Developing job-readiness skills, job retention skills, and high school completion competencies in secondary students using work-based learning;

(c) Equipping students with vocational skills and abilities consistent with entry level employment in their chosen career field;

(d) Preparing students to seek further education and training if advisable for their particular career field;

(e) Assisting students who have dropped out to reenter school to achieve their high school diploma; and

(f) Increasing vocational programs' availability to students during other than normal school hours.

(2) To the extent funds are available, the superintendent of public instruction shall award start-up grants to organizations capable of providing programs as specified in subsection (1) of this section, to urban areas not served by skills centers. Organizations eligible to compete for grants awarded under this subsection include:

- (a) Nonprofit organizations;
- (b) Education service districts;
- (c) Community and technical colleges; and
- (d) School districts.

(3) To the extent funds are available, the state board for community and technical colleges shall award start-up grants to technical colleges to provide services as specified in subsection (1) of this section. The state board shall work with the superintendent of public instruction to develop program guidelines consistent with programs offered in skills centers.

NEW SECTION. Sec. 524. The legislature recognizes the importance of education and employment experiences for youth and the critical role of school-to-work transition options to achieving job readiness. Therefore, in light of these priorities, the department of labor and industries is directed to accelerate its evaluation of the minor work rules adopted under chapter 49.12 RCW, including an evaluation of the impact of these rules on the school-to-work transition projects provided for in section 523 of this act. The department shall report to the governor and the appropriate committees of the legislature on its evaluation of the minor work rules prior to the start of the 1995 regular legislative session.

NEW SECTION. Sec. 525. (1) The legislature finds that there is a need to:

- (a) Expand the supply of permanent affordable housing for homeless individuals, low and very low-income persons, and special need populations by utilizing the energies and talents of economically disadvantaged youth;
- (b) Provide economically disadvantaged youth with opportunities for meaningful work and service to their communities in helping to meet the housing needs of homeless individuals, low and very low-income persons, and special need populations;
- (c) Enable economically disadvantaged youth to obtain the education and employment skills necessary to achieve economic self-sufficiency; and
- (d) Foster the development of leadership skills and commitment to community development among youth in designated community empowerment zones.

(2) The legislature declares that the purpose of the Washington youthbuild program is to:

- (a) Help disadvantaged youth who have dropped out of school to obtain the education and employment skills necessary to achieve economic self-sufficiency and develop leadership skills and a commitment to community development in designated community empowerment zones; and
- (b) Provide funding assistance to entities implementing programs that provide comprehensive education and skills training programs designed to lead to self-sufficiency for economically disadvantaged youth.

NEW SECTION. Sec. 526. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Applicant" means a public or private nonprofit organization agency eligible to provide education and employment training under federal or state employment training programs.

(2) "Commissioner" means the commissioner of employment security.

NEW SECTION. Sec. 527. The Washington youthbuild program is established within the department. The commissioner, in cooperation and consultation with the director of the department of community, trade, and economic development, shall:

(1) Make grants, up to the lesser of three hundred thousand dollars or twenty-five percent of the total costs of the youthbuild activities, to applicants eligible to provide education and employment training under federal or state employment training programs, for the purpose of carrying out a wide range of multidisciplinary activities and services to assist economically disadvantaged youth under the federal opportunities for youth: Youthbuild program (106 Stat. 3723; 42 U.S.C. Sec. 8011), or locally developed youthbuild-type programs for economically disadvantaged youth; and

(2) Coordinate youth employment and training efforts under the department's jurisdiction and cooperate with other agencies and departments providing youth services to ensure that funds appropriated for the purposes of this chapter will be used to supplement funding from federal, state, local, or private sources.

NEW SECTION. Sec. 528. (1) Grants made under this chapter shall be used to fund an applicant's activities to implement a comprehensive education and employment skills training program.

(2) Activities eligible for assistance under this chapter include:

(a) Education and job skills training services and activities that include:

(i) Work experience and skills training, coordinated to the maximum extent feasible, with preapprenticeship and apprenticeship programs in construction and rehabilitation trades;

(ii) Services and activities designed to meet the educational needs of participants, including basic skills instruction and remedial education, bilingual education for participants with limited-English proficiency, secondary education services and activities designed to lead to the attainment of a high school diploma or its equivalent, and counseling and assistance in attaining postsecondary education and required financial aid;

NEW SECTION. Sec. 529. (1) An individual selected as a participant in the youthbuild program under this chapter may be offered full-time participation for a period of not less than six months and not more than twenty-four months.

(2) An applicant's program that is selected for funding under this chapter shall be structured so that fifty percent of the time spent by the participants in the youthbuild program is devoted to educational services and activities, such as those outlined in section 528 of this act.

NEW SECTION. Sec. 530. (1) An application for a grant under this chapter shall be submitted by the applicant in such form and in accordance with the requirements as determined by the commissioner.

(2) The application for a grant under this chapter shall contain at a minimum:

(a) The amount of the grant request and its proposed use;

NEW SECTION. Sec. 531. (1) An applicant selected for funding under this chapter shall provide the department information on program and participant accomplishments. The information shall be provided in progress and final reports as requested by the department.

(2) The department shall prepare an initial evaluation report, which shall be made available to the governor and appropriate legislative committees, on or before December 1, 1995, on the progress of individual programs funded under this chapter. A final evaluation report shall be

prepared on individual programs at the time of their completion. The final evaluation report shall include, but is not limited to, information on the effectiveness of the program, the status of program participants, and recommendations on program administration at the state and local level.

NEW SECTION. Sec. 532. A new section is added to chapter 50.67 RCW to read as follows:

In addition to its duties under this chapter, the Washington state job training coordinating council shall advise the employment security department and the department of community, trade, and economic development on the development and implementation of the Washington youthbuild program created under sections 525 through 531 of this act.

Sec. 533. RCW 43.185.070 and 1991 c 356 s 5 and 1991 c 295 s 2 are each reenacted and amended to read as follows:

(1) During each calendar year in which funds from the housing trust fund or other legislative appropriations are available for use by the department for the housing assistance program, the department shall announce to all known interested parties, and through major media throughout the state, a grant and loan application period of at least ninety days' duration. This announcement shall be made as often as the director deems appropriate for proper utilization of resources. The department shall then promptly grant as many applications as will utilize available funds less appropriate administrative costs of the department. Administrative costs paid out of the housing trust fund may not exceed four percent of annual revenues available for distribution to housing trust fund projects. In awarding funds under this chapter, the department shall provide for a geographic distribution on a state-wide basis.

(2) The department shall give first priority to applications for projects and activities which utilize existing privately owned housing stock including privately owned housing stock purchased by nonprofit public development authorities and public housing authorities as created in chapter 35.82 RCW. As used in this subsection, privately owned housing stock includes housing that is acquired by a federal agency through a default on the mortgage by the private owner. Such projects and activities shall be evaluated under subsection (3) of this section. Second priority shall be given to activities and projects which utilize existing publicly owned housing stock. All projects and activities shall be evaluated by some or all of the criteria under subsection (3) of this section, and similar projects and activities shall be evaluated under the same criteria.

(3) The department shall give preference for applications based on some or all of the criteria under this subsection, and similar projects and activities shall be evaluated under the same criteria:

NEW SECTION. Sec. 536. Debate ensued.

The President declared the question before the Senate to be the adoption of the amendments by Senator Erwin on page 121, line 19, and page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Erwin failed and the amendments to the striking amendment were not adopted on a rising vote.

MOTION

Senator McDonald moved that the following amendment by Senators McDonald, Owen, McCaslin, Snyder, Hargrove, Bauer, Haugen, Loveland, Vogniild, Ludwig and Linda Smith to the striking amendment by Senators Talmadge and Gaspard be adopted:

On page 144, after line 26 of the amendment, insert the following:

"PART VI. EMPLOYMENT

NEW SECTION. Sec. 601. The legislature finds that a lack of adequate economic opportunity is a significant factor in placing youth at risk. Teenage unemployment, especially among some sectors of the youth population, is at intolerable levels. This denies teenagers the chance to learn responsibility, enhance their self-esteem, and acquire skills that will enable them to be functional, contributing members of society. Therefore, to further the intent of this act to reduce the number of at-risk youth, and provide teenagers a constructive alternative under safe and reasonable conditions to the destructive activities in which they might otherwise be engaged, the legislature enacts sections 602 and 603 of this act. Sections 602 and 603 of this act shall be liberally construed to foster increased employment opportunities for our youth.

NEW SECTION. Sec. 602. A new section is added to chapter 49.12 RCW to read as follows:

(1)(a) During the school year minors under the age of sixteen may be employed up to three hours per day on any school day preceding another school day, up to eight hours per day on any other day, and up to eighteen hours per week.

(b) During school vacation periods, minors under the age of sixteen may be employed up to eight hours per day, and up to forty hours per week.

(c) Minors under the age of sixteen may be employed during nonschool hours between 7:00 a.m. and 7:00 p.m. on any day preceding a school day, and during nonschool hours between 7:00 a.m. and 9:00 p.m. on any other day.

(2)(a) During the school year sixteen and seventeen-year-old minors may be employed up to eight hours per day, and up to thirty hours per week.

(b) During school vacation periods, sixteen and seventeen-year-old minors may be employed up to ten hours per day, and up to fifty hours per week.

(c) Minors age sixteen and seventeen may be employed during nonschool hours between 7:00 a.m. and 10:00 p.m. on any day preceding a school day, and during any nonschool hours on any other day.

(3)(a) Minors employed past 8:00 p.m. in service occupations shall be supervised by a responsible adult employee who is on the premises at all times.

(b) No minor may be employed more than five hours without a meal period of at least thirty minutes.

(c) Every minor employee shall be given a rest period of at least ten minutes in every four-hour period of employment.

(4) A minor may be employed only as provided in subsection (1) or (2) of this section unless the minor's parent or guardian, or other person having legal custody of the minor, and the minor's school have agreed that other hours of employment would be beneficial for the minor. In such case, the parent, guardian, or other person and the school shall provide the department and the employer with a copy of the written agreement describing the hours that the minor is allowed to be employed. The minor may not be employed for any hours in excess of those provided in the agreement.

(5) Subsection (1) or (2) of this section shall not apply to any minor emancipated by court order or to sixteen and seventeen-year-old minors who have been issued a certificate of educational competence under RCW 28A.305.190, are enrolled in a bona fide college program, are named on a valid certificate of marriage, or are shown as the parent on a valid certificate of birth.

(6) The department may adopt rules necessary to implement this section.

NEW SECTION. Sec. 603. A new section is added to chapter 49.12 RCW to read as follows:

(1) A minor under age sixteen may be employed in any occupation or doing any type of work other than that which is prohibited by rule of the industrial safety and health division of the department of labor and industries. In making this determination, the division shall: (a) Prohibit only types of work and occupations which evidence indicates present an unreasonable threat to the health or safety of minors under age sixteen relative to the skills acquired; and (b) have reasonable justification for differing from the occupation standards for fourteen and fifteen year olds of the child labor provisions of the fair labor standards act (29 C.F.R. Part 570, Subpart C).

(2) A minor age sixteen or seventeen may be employed in any occupation or doing any type of work other than that which is prohibited by rule of the industrial safety and health division of the department of labor and industries. In making this determination, the division shall: (a) Prohibit only types of work and occupations which evidence indicates present an unreasonable threat to the health or safety of minors age sixteen or seventeen relative to the skills acquired; and (b) have reasonable justification for differing from the hazardous occupations orders in nonagricultural occupations of the child labor provisions of the fair labor standards act (29 C.F.R. Part 570, Subpart E). It is the intent of the legislature that the occupations and types of work in which minors age sixteen and seventeen may be employed be less restrictive than for minors under age sixteen.

Sec. 604. RCW 49.12.390 and 1991 c 303 s 3 are each amended to read as follows:

(1)(a) Except as otherwise provided in subsection (2) of this section, if the director, or the director's designee, finds that an employer has violated any of the requirements of (~~RCW 49.12.121 or 49.12.123, or a rule or order adopted or variance granted under RCW 49.12.121 or~~

49.12.123)) section 602 or 603 of this act, or a rule adopted under section 602 or 603 of this act, a citation stating the violations shall be issued to the employer. The citation shall be in writing, describing the nature of the violation including reference to the ~~((standards, rules, or orders))~~ statute or rule alleged to have been violated. An initial citation for failure to comply with ~~((RCW 49.12.123 or rules requiring a minor work permit and))~~ any rule requiring maintenance of records shall state a specific and reasonable time for abatement of the violation to allow the employer to correct the violation without penalty. The director or the director's designee may establish a specific time for abatement of other nonserious violations in lieu of a penalty for first time violations. The citation and a proposed penalty assessment shall be given to the highest management official available at the workplace or be mailed to the employer at the workplace. In addition, the department shall mail a copy of the citation and proposed penalty assessment to the central personnel office of the employer. Citations issued under this section shall be posted at or near the place where the violation occurred.

(b) Except when an employer corrects a violation as provided in (a) of this subsection, he or she shall be assessed a civil penalty of not more than one thousand dollars depending on the size of the business and the gravity of the violation. The employer shall pay the amount assessed within thirty days of receipt of the assessment or notify the director of his or her intent to appeal the citation or the assessment penalty as provided in RCW 49.12.400.

(2) If the director, or the director's designee, finds that an employer has committed a serious or repeated violation of the requirements of ~~((RCW 49.12.121 or 49.12.123, or any rule or order adopted or variance granted under RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, or any rule adopted under section 602 or 603 of this act, the employer is subject to a civil penalty of not more than one thousand dollars for each day the violation continues. For the purposes of this subsection, a serious violation shall be deemed to exist if death or serious physical harm has resulted or is imminent from a condition that exists, or from one or more practices, means, methods, operations, or processes that have been adopted or are in use by the employer, unless the employer did not, and could not with the exercise of reasonable diligence, know of the presence of the violation.

(3) In addition to any other authority provided in this section, if, upon inspection or investigation, the director, or director's designee, believes that an employer has violated ~~((RCW 49.12.121 or 49.12.123, or a rule or order adopted or variance granted under RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, or any rule adopted under section 602 or 603 of this act, and that the violation creates a danger from which there is a substantial probability that death or serious physical harm could result to a minor employee, the director, or director's designee, may issue an order immediately restraining the condition, practice, method, process, or means creating the danger in the workplace. An order issued under this subsection may require the employer to take steps necessary to avoid, correct, or remove the danger and to prohibit the employment or presence of a minor in locations or under conditions where the danger exists.

(4) An employer who violates any ~~((of the))~~ posting requirements of ~~((RCW 49.12.121 or))~~ rules adopted implementing ~~((RCW 49.12.121))~~ section 602 of this act shall be assessed a civil penalty of not more than one hundred dollars for each violation.

(5) A person who gives advance notice, without the authority of the director, of an inspection to be conducted under this chapter shall be assessed a civil penalty of not more than one thousand dollars.

(6) Penalties assessed under this section shall be paid to the director and deposited into the general fund.

Sec. 605. RCW 49.12.410 and 1991 c 303 s 5 are each amended to read as follows:

An employer who knowingly or recklessly violates ~~((the requirements of RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, or a rule ~~((or order))~~ adopted under ~~((RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, is guilty of a gross misdemeanor. An employer whose practices in violation of ~~((the requirements of RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, or a rule ~~((or order))~~ adopted under ~~((RCW 49.12.121 or 49.12.123))~~ section 602 or 603 of this act, result in the death or permanent disability of a minor employee is guilty of a class C felony.

The penalties established in RCW 49.12.390 and 49.12.410 for violations of ~~((RCW 49.12.121 and 49.12.123))~~ section 602 or 603 of this act or a rule adopted under section 602 or 603 of this act are exclusive remedies.

NEW SECTION. Sec. 607. The following acts or parts of acts are each repealed:

- (1) RCW 49.12.105 and 1973 2nd ex.s. c 16 s 8;
- (2) RCW 49.12.121 and 1993 c 294 s 9, 1989 c 1 s 3, & 1973 2nd ex.s. c 16 s 15; and
- (3) RCW 49.12.123 and 1991 c 303 s 8, 1983 c 3 s 156, & 1973 c 51 s 3."

Renumber the remaining parts and sections consecutively and correct the table of contents and any internal references accordingly.

POINT OF ORDER

Senator Talmadge: "Mr. President, I rise to a point of order. I believe this amendment expands the scope and object of the bill. Very briefly, this is a bill--while it is an omnibus bill--that relates to violence and particularly youth violence. The amendment that is before us is one that Senator McDonald has just acknowledged is one that changes the child labor laws dealing with the conditions of employment of young people. It amends RCW Title 49 relating to conditions of employment and I think for that reason, it does expand the scope and object of a bill that is focusing on the question of violence in general and youth violence in particular."

Further debate ensued.

There being no objection, the President deferred further consideration of the amendment by Senators McDonald, Owen, McCaslin, Snyder, Hargrove, Bauer, Haugen, Loveland, Vognil, Ludwig and Linda Smith on page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

President Pro Tempore Wojahn assumed the Chair.

MOTION

Senator Nelson moved that the following amendment by Senators Nelson, Amondson, Roach, McDonald, Linda Smith, Schow and Anderson to the striking amendment by Senators Talmadge and Gaspard be adopted:

On page 144, after line 26 of the amendment, insert the following:

"PART VI. VICTIMS' RIGHTS

NEW SECTION. Sec. 601. A new section is added to chapter 43.330 RCW to read as follows:

Funding for block grants under chapter . . . , Laws of 1994 (this act) shall not be derived from any reduction of appropriations for criminal justice training or services, consolidated juvenile services funds, or from crime victim services, including funding allocated to support the provision of crime victims' services under chapter 7.68, 43.101, 43.280, 70.123, 70.125, or 82.14 RCW; or from federal funding designated to fund services for crime victims under the Victims of Crime Act of 1984 (P.L. 98-473).

Sec. 602. RCW 10.95.060 and 1981 c 138 s 6 are each amended to read as follows:

(1) At the commencement of the special sentencing proceeding, the trial court shall instruct the jury as to the nature and purpose of the proceeding and as to the consequences of its decision, as provided in RCW 10.95.030.

(2) At the special sentencing proceeding both the prosecution and defense shall be allowed to make an opening statement. The prosecution shall first present evidence and then the defense may present evidence. Rebuttal evidence may be presented by each side. Upon conclusion of the evidence, the court shall instruct the jury and then the prosecution and defense shall be permitted to present argument. The prosecution shall open and conclude the argument.

(3) The court shall admit any relevant evidence which it deems to have probative value regardless of its admissibility under the rules of evidence, including hearsay evidence and evidence of the defendant's previous criminal activity regardless of whether the defendant has been charged or convicted as a result of such activity. For purposes of this section and pursuant to Article I, section 35 of the state Constitution, the term "relevant evidence" shall include a statement by the deceased victim's representative as identified by the prosecuting attorney. The defendant shall be accorded a fair opportunity to rebut or offer any hearsay evidence.

In addition to evidence of whether or not there are sufficient mitigating circumstances to merit leniency, if the jury sitting in the special sentencing proceeding has not heard evidence of the aggravated first degree murder of which the defendant stands convicted, both the defense and prosecution may introduce evidence concerning the facts and circumstances of the murder.

(4) Upon conclusion of the evidence and argument at the special sentencing proceeding, the jury shall retire to deliberate upon the following question: "Having in mind the crime of which the defendant has been found guilty, are you convinced beyond a reasonable doubt that there are not sufficient mitigating circumstances to merit leniency?"

In order to return an affirmative answer to the question posed by this subsection, the jury must so find unanimously.

Sec. 603. RCW 10.95.070 and 1993 c 479 s 2 are each amended to read as follows:

In deciding the question posed by RCW 10.95.060(4), the jury, or the court if a jury is waived, may consider any relevant factors, including but not limited to the following:

- (1) Whether the defendant has or does not have a significant history, either as a juvenile or an adult, of prior criminal activity;
- (2) Whether the murder was committed while the defendant was under the influence of extreme mental disturbance;
- (3) Whether the victim consented to the act of murder;
- (4) Whether the defendant was an accomplice to a murder committed by another person where the defendant's participation in the murder was relatively minor;
- (5) Whether the defendant acted under duress or domination of another person;
- (6) Whether, at the time of the murder, the capacity of the defendant to appreciate the wrongfulness of his or her conduct or to conform his or her conduct to the requirements of law was substantially impaired as a result of mental disease or defect. However, a person found to be mentally retarded under RCW 10.95.030(2) may in no case be sentenced to death;
- (7) Whether the age of the defendant at the time of the crime calls for leniency; ~~((and))~~
- (8) Whether there is a likelihood that the defendant will pose a danger to others in the future; and
- (9) Pursuant to Article I, section 35 of the state Constitution, a statement by the deceased victim's representative as identified by the prosecuting attorney.

Sec. 604. RCW 7.69.030 and 1993 c 350 s 6 are each amended to read as follows:

There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights:

(1) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county;

(2) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(3) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(4) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(5) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(6) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(7) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;

(8) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(9) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance;

(10) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program present at any prosecutorial or defense interviews with the victim. This subsection applies if practical and if the presence of the crime victim advocate does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;

(11) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(12) With respect to victims and survivors of victims, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing for felony convictions upon request by a victim or survivor;

(13) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(14) With respect to victims and survivors of victims, to present a statement personally or by representation, at ~~((the))~~ all sentencing hearings for felony convictions, including special sentencing proceedings in cases where the prosecution has requested the death penalty; and

(15) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment.

NEW SECTION. Sec. 605. The legislature finds that treatment of the emotional problems of victims and families of victims of sex offenses and victims of violent offenses may be impaired by lengthy delay in trial of the accused and the resulting delay in testimony of the victim or the victim's representative. The trauma of the abusive or violent incident is likely to be exacerbated by requiring testimony from a victim who has substantially completed therapy and is forced to relive the incident. The legislature finds that it is necessary to prevent, to the extent reasonably possible, lengthy and unnecessary delays in trial of a person charged with a sex offense or of a violent offense.

NEW SECTION. Sec. 606. A new section is added to chapter 10.46 RCW to read as follows:

When a defendant is charged with a violent offense as defined in RCW 9.94A.030 which constitutes a violation of RCW 9A.64.020 or chapter 9.68, 9.68A, 9A.32, 9A.36, 9A.40, 9A.42, 9A.44, or 9A.46 RCW, neither the defendant nor the prosecuting attorney may agree to extend the originally scheduled trial date unless, after a hearing, the court finds that there are substantial and compelling reasons for a continuance of the trial date and that the benefit of the postponement outweighs the detriment to the victim or, if the victim is deceased, to the victim's family. At the hearing the court shall consider the testimony of lay witnesses and of expert witnesses, if available, regarding the impact of the continuance on the victim. Whenever the court grants the request for a continuance, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law.

NEW SECTION. Sec. 607. A new section is added to chapter 10.19 RCW to read as follows:

Notwithstanding superior court criminal rule CrR 3.2, a criminal defendant shall not be bailable if the court determines by a preponderance of the evidence that the defendant is likely to pose a danger to the safety of any other person or the community at large if the defendant is released.

NEW SECTION. Sec. 608. Section 607 of this act shall take effect if the proposed amendment to Article I, section 20 of the state Constitution authorizing the courts to refuse bail when the accused is likely upon release to pose a danger is validly submitted to and is approved and ratified by the voters at the next general election. If the proposed amendment is not so approved and ratified, section 607 of this act is void in its entirety."

Renumber the remaining parts and sections consecutively and correct internal references accordingly.

Debate ensued.

Senator Nelson demanded a roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Senator Vognild: "A parliamentary inquiry, Madam President. As I read on page six, New Section 608--this calls for a constitutional amendment. If in fact this were to pass--this amendment were to pass--would that then put the entire bill in a two-thirds status?"

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Wojahn: "It does not amend the Constitution. It calls for a constitutional amendment, but it does not provide for one, therefore, I would say that it does not require a two-thirds vote."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the roll call on the adoption of the amendment by Senators Nelson, Amondson, Roach, McDonald, Linda Smith, Schow and Anderson on page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The President declared the question before the Senate to be the adoption of the amendment by Senator Pelz on page 147, beginning on line 35, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319.

The motion by Senator Pelz carried and the amendment to the striking amendment was adopted on a rising vote.

There being no objection, the Senate resumed consideration of the amendment by Senators McDonald, Owen, McCaslin, Snyder, Hargrove, Bauer, Haugen, Loveland, Vognild, Ludwig and Linda Smith on page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard, deferred earlier today.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Talmadge, the President finds that Engrossed Second Substitute House Bill No. 2319 is a measure which establishes various programs to prevent and control violence and includes a recognition of the relationship between minor work rules and youth violence programs.

"The amendment proposed by Senators McDonald, Owen, McCaslin, Snyder, Hargrove, Bauer, Haugen, Loveland, Vognild, Ludwig and Linda Smith on page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard would establish specific minor work rules.

"The President, therefore, finds that the proposed amendment to the striking amendment does not change the scope and object of the bill and the point of order is not well taken."

The amendment by Senators McDonald, Owen, McCaslin, Snyder, Hargrove, Bauer, Haugen, Loveland, Vognild, Ludwig and Linda Smith on page 144, after line 26, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319 was ruled in order.

"NEW SECTION. Sec. 701. The legislature finds that K-12 educators in Washington face increasingly greater challenges in the classroom, including violent behavior. The legislature recognizes that in the face of these challenges, the teaching profession has kept the state's test scores above the national average.

The legislature also finds that although educators are asked to do steadily more than teach, educators have not received additional compensation accordingly. Rather, salaries in Washington, as compared to other states, have fallen from eighth in 1983 to seventeenth in 1993.

The legislature believes that educators deserve additional compensation this year. To maintain the morale of Washington's teaching professionals, it is the purpose of this act to grant the state's educators a three percent salary adjustment for the 1994-95 school year.

NEW SECTION. Sec. 702. A new section is added to 1993 sp.s. c 24 to read as follows:

The sum of \$71,832,000, or as much thereof as may be necessary, is appropriated from the general fund to the superintendent of public instruction for allocation to school districts for the biennium ending June 30, 1995, to provide a three percent ad hoc salary adjustment for the 1994-95 school year for all state-supported certificated instructional staff, state-supported certificated administrative staff, and state-supported classified staff, effective September 1, 1994."

Renumber the remaining sections consecutively and correct any internal references accordingly.

POINT OF ORDER

Senator Snyder: "A point of order, Mr. President. Earlier when Senator Sutherland had offered his amendment, I raised a point of inquiry as to whether my amendment would be in order if Senator Sutherland's passed. You ruled that my amendment would not be in order and so my amendment was adopted to--one section was 706--so I think that Senator Amondson's amendment to strike 706 would now be out of order under your previous ruling."

Further debate ensued.

RULING BY THE PRESIDENT

President Pritchard: "In ruling upon the point of order raised by Senator Snyder, the reference to 706 is really surplus here, since the body has already acted on the section. The striking of 707 is an insertion of new language and is a new proposition and the designation is for renumbering convenience, so the amendment is in order."

PARLIAMENTARY INQUIRY

Senator Gaspard: "Mr. President, I rise for a question of parliamentary inquiry. Would you please rule on the amendment to the striking amendment by Senators Nelson, Amondson, McDonald, Roach, Schow, Anderson and Linda Smith on page 57, after line 21, that was adopted by this body--whether that amendment would make changes to Initiative 593 and, therefore, would require a two-thirds vote if we were to continue with this amendment in this package and adopt the bill in final passage?"

RULING BY THE PRESIDENT

President Pritchard: "It appears that the amendment by Senators Nelson, Amondson, McDonald, Roach, Schow, Anderson and Linda Smith on page 57, after line 21, to the striking amendment by Senators Talmadge and Gaspard, and adopted by the Senate, would have the effect of increasing offender scores by lengthening the time that some offenses may be used for sentencing purposes.

"The President feels, therefore, that final passage of the bill would require a two-thirds vote."

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Senator Talmadge moved to reconsider the vote by which the amendment by Senators Nelson, Amondson, McDonald, Roach, Schow, Anderson and Linda Smith on page 57, after line 21, to the striking amendment by Senators Talmadge and Gaspard to Engrossed Second Substitute House Bill No. 2319, was adopted.

POINT OF INQUIRY

Senator Deccio: "Senator Talmadge, I am going to ask a question about the pop taxes. I don't think we have heard the end of it yet. What we did with the amendment, did we repeal the sunset that now exists in present law on the drug omnibus funding?"

Senator Talmadge: "If the people vote to remove the sunset, in effect, we did--"

Senator Deccio: "Well, that was really my question. This still has to go on the ballot?"

RULING BY THE PRESIDENT

President Pritchard: "In ruling on the parliamentary inquiry by Senator Snyder, the President finds that, in conformity with longstanding precedent, if the Senate has reached the time of a special order, and consideration of the special order of business goes past the cutoff time, the Senate is permitted to return to the measure it was working on prior to the special order. However, only one such measure can be so considered, so your request would be denied."

Senator Snyder: "I have a further inquiry. What if we don't take up--I can't remember the bill number--welfare reform? If we don't take that up, that is the bill we were working on, and the previous one was Engrossed House Bill No. 2161, so would that be back--"

RULING BY THE PRESIDENT

President Pritchard: "Senator Snyder, the President is going to rule that following long standing custom, we will go back to the one measure and if the body decides not to take up that one measure, then that is it. We are all through."

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed THIRD SUBSTITUTE SENATE BILL NO. 5918 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Transportation demand strategies that reduce the number of vehicles on Washington state's highways, roads, and streets, and provide attractive and effective alternatives to single-occupancy travel can improve ambient air quality, conserve fossil fuels, and forestall the need for capital improvements to the state's transportation system. The legislature has required many public and private employers in the state's largest counties to implement transportation demand management programs to reduce the number of single-occupant vehicle travelers during the morning and evening rush hours. The legislature finds that additional transportation demand management strategies are necessary to mitigate the adverse social, environmental, and economic effects of automobile dependency and traffic congestion. While expensive capital improvements, including dedicated busways and commuter rail systems, may be necessary to improve the region's mobility, they are only part of the solution. All public and private entities that attract single-occupant vehicle drivers must develop imaginative and cost-effective ways to encourage walking, bicycling, carpooling, vanpooling, bus riding, and telecommuting. It is the intent of the legislature to revise those portions of state law that inhibit the application of imaginative solutions to the state's transportation mobility problems and to encourage many more public and private employers to adopt effective transportation demand management strategies.

NEW SECTION. Sec. 2. A new section is added to chapter 82.04 RCW to read as follows:

(1) Major employers in the state's eight largest counties affected by the commute trip reduction programs required under RCW 70.94.521 through 70.94.551 who are taxable under this chapter and provide financial incentives to their employees for ride sharing before June 30, 1996, shall be allowed a credit for amounts paid to employees for ride sharing in vehicles carrying four or more persons, not to exceed sixty dollars per employee per year. The credit shall be equal to the amount paid to each employee multiplied by fifty percent, but may not exceed sixty dollars per employee per year. The credit may not exceed the amount of tax that would otherwise be due under this chapter.

(2) Application for tax credit under this chapter may only be made by major employers as defined by RCW 70.94.524 and in the form and manner prescribed in rules adopted by the department and in consultation with the commute trip reduction task force.

(3) The credit shall be taken against taxes due for the same calendar year in which the amounts for which credit is claimed were paid to employees for ride sharing.

(4) The director shall on the 25th of February, May, August, and November of each year advise the state treasurer of the amount of credit taken during the preceding calendar quarter ending on the last day of December, March, June, and September, respectively.

(5) On the first of April, July, October, and January of each year, the state treasurer based upon information provided by the department shall deposit a sum equal to the dollar amount of the credit provided under subsection (1) of this section from the air pollution control account to the general fund.

(6) The commute trip reduction task force shall determine the effectiveness of this tax credit as part of its ongoing evaluation of the commute trip reduction law and report no later than December 1, 1996, to the legislative transportation committee.

(7) Any person who knowingly makes a false statement of a material fact in the application for a credit under subsection (1) of this section is guilty of a gross misdemeanor.

NEW SECTION. Sec. 3. A new section is added to chapter 82.04 RCW to read as follows:

(1) The department shall keep a running total of all credits granted under this chapter during each calendar year, and shall disallow any credits that would cause the tabulation for any calendar year to exceed two million dollars.

(2) No employer shall be eligible for tax credits in excess of two hundred thousand dollars in any calendar year.

(3) No employer shall be eligible for tax credits in excess of the amount of tax that would otherwise be due under this chapter.

(4) No portion of an application for credit disallowed under this section may be carried back or carried forward.

NEW SECTION. Sec. 4. A new section is added to chapter 82.16 RCW to read as follows:

(1) Major employers in the state's eight largest counties affected by the commute trip reduction programs required under RCW 70.94.521 through 70.94.551 who are taxable under this chapter and provide financial incentives to their employees for ride sharing before June 30, 1996, shall be allowed a credit for amounts paid to employees for ride sharing in vehicles carrying four or more persons, not to exceed sixty dollars per employee per year. The credit shall be equal to the amount paid to each employee multiplied by fifty percent, but may not exceed sixty dollars per employee per year. The credit may not exceed the amount of tax that would otherwise be due under this chapter.

(2) Application for tax credit under this chapter may only be made by major employers as defined by RCW 70.94.524 and in the form and manner prescribed in rules adopted by the department and in consultation with the commute trip reduction task force.

(3) The credit shall be taken against taxes due for the same calendar year in which the amounts for which credit is claimed were paid to employees for ride sharing.

(6) The commute trip reduction task force shall determine the effectiveness of this tax credit as part of its ongoing evaluation of the commute trip reduction law and report no later than December 1, 1996, to the legislative transportation committee.

(7) Any person who knowingly makes a false statement of a material fact in the application for a credit under subsection (1) of this section is guilty of a gross misdemeanor.

NEW SECTION. Sec. 5. A new section is added to chapter 82.16 RCW to read as follows:

(1) The department shall keep a running total of all credits granted under this chapter during each calendar year, and shall disallow any credits that would cause the tabulation for any calendar year to exceed two million dollars.

(2) No employer shall be eligible for tax credits in excess of two hundred thousand dollars in any calendar year.

(3) No employer shall be eligible for tax credits in excess of the amount of tax that would otherwise be due under this chapter.

(4) No portion of an application for credit disallowed under this section may be carried back or carried forward.

NEW SECTION. Sec. 6. This act shall expire December 31, 1996.", and the same are herewith transmitted.

(b) Violates RCW 46.61.502(1) (b) or (c) or 46.61.504(1) (b) or (c) and, because of the person's refusal to take a test offered pursuant to RCW 46.20.308, there is no test result indicating the person's alcohol concentration, is guilty of a gross misdemeanor and shall be punished as follows:

(i) By imprisonment for not less than seven days nor more than one year. Seven consecutive days of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than five hundred dollars nor more than five thousand dollars. Five hundred dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; and

(iii) By suspension of the offender's license or permit to drive, or suspension of any nonresident privilege to drive, for a period of not less than ninety days nor more than one hundred eighty days as determined by the court. Ninety days of the suspension may not be suspended or deferred. The court shall notify the department of any period of suspension and shall notify the department of the completion of any period of suspension. Upon receiving notification of the conviction, or if applicable, upon receiving notification of the completion of any period of suspension, the department shall issue the offender a probationary license in accordance with section 8 of this act.

(3) In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property.

(4) Upon conviction under this section, the offender's driver's license is deemed to be in a probationary status for five years from the date of the offense, unless before the expiration of the five years the license is suspended or revoked for some other violation of law. Being on probationary status does not authorize a person to drive during any period of license suspension imposed as a penalty for the infraction.

(5) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of section 9 of this act.

(6)(a) In addition to any nonsuspendable and nondeferable jail sentence required by this section, whenever the court imposes less than one year in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding two years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive and proof of financial responsibility for the future; (ii) not driving a motor vehicle within this state while having an alcohol concentration of 0.08 or more within two hours after driving; and (iii) not refusing to submit to a test of his or her breath or blood to determine alcohol concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The court may impose conditions of probation that include nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a) (i) and (ii) or (a) (i) and (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

NEW SECTION. Sec. 5. A new section is added to chapter 46.61 RCW to read as follows:

(1) A person whose driver's license is in a probationary status and who violates RCW 46.61.502(1)(a) or 46.61.504(1)(a) because of an alcohol concentration of at least 0.10 but less than 0.15 is guilty of a gross misdemeanor and shall be punished as follows:

(a) By imprisonment for not less than seven days nor more than one year. Seven consecutive days of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would pose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(b) By a fine of not less than six hundred dollars nor more than five thousand dollars. Six hundred dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; and

(c) By suspension of the offender's license or permit to drive, or suspension of any nonresident privilege to drive, for a period of not less than one hundred twenty days nor more than one year as determined by the court. One hundred twenty days of the suspension may not be suspended or deferred. The court shall notify the department of the imposition of any period of suspension and of the completion of any period of suspension. Upon receiving notification of the completion of the imposed period of suspension, the department shall issue the offender a probationary license in accordance with section 8 of this act.

(2) A person whose driver's license is in a probationary status and who either:

(a) Violates RCW 46.61.502(1)(a) or 46.61.504(1)(a) because of an alcohol concentration of 0.15 or more; or

(b) Violates RCW 46.61.502(1) (b) or (c) or 46.61.504(1) (b) or (c) and, because of the person's refusal to take a test offered pursuant to RCW 46.20.308, there is no test result indicating the person's alcohol concentration, is guilty of a gross misdemeanor and shall be punished as follows:

(i) By imprisonment for not less than seven days nor more than one year. Seven consecutive days of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would pose a risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(ii) By a fine of not less than seven hundred fifty dollars nor more than five thousand dollars. Seven hundred fifty dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; and

(iii) By revocation of the offender's license or permit to drive or of any nonresident privilege to drive, for a period of not less than one year nor more than two years as determined by the court. One year of the revocation may not be suspended or deferred. The court shall notify the department of the period of revocation and shall notify the department upon the completion of the period of revocation. Upon receiving notification of the completion of the imposed period of revocation and upon determining that the offender is otherwise qualified in accordance with RCW 46.20.311, the department shall issue the offender a probationary license in accordance with section 8 of this act.

(3) In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property.

(4) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of section 9 of this act. An offender punishable under subsection (1) or (2) of this section is subject to the vehicle seizure and forfeiture provisions of RCW 46.61.511. No offender punishable under this section is eligible for an occupational license under RCW 46.20.391.

(5)(a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes less than one year in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding two years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive and proof of financial responsibility for the future; (ii) not driving a motor vehicle within this state while having an alcohol concentration of 0.08 or more within two hours after driving; and (iii) not refusing to submit to a test of his or her breath or blood to determine alcohol concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The court may impose conditions of probation that include nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a) (i) and (ii) or (a) (i) and (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

NEW SECTION. Sec. 6. A new section is added to chapter 46.61 RCW to read as follows:

(1) A person who violates RCW 46.61.502 or 46.61.504 and who either has a driver's license in a suspended or revoked status or who has been convicted under section 5 of this act or RCW 46.61.502 or 46.61.504 of an offense that was committed within five years before the commission of the current violation, is guilty of a gross misdemeanor and shall be punished as follows:

(a) By imprisonment for not less than ninety days nor more than one year. Ninety consecutive days of the imprisonment may not be suspended or deferred unless the court finds that the imposition of this mandatory minimum sentence would pose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based; and

(b) By a fine of not less than seven hundred fifty dollars nor more than five thousand dollars. Seven hundred fifty dollars of the fine may not be suspended or deferred unless the court finds the offender to be indigent; and

(c) By revocation by the department of licensing of the offender's license or permit to drive or of any nonresident privilege to drive, for a period of two years. The revocation of license, permit, or privilege may not be suspended or deferred. The court shall notify the department of the revocation. Following the revocation and upon determining that the offender is otherwise qualified in accordance with RCW 46.20.311, the department shall issue the offender a probationary license in accordance with section 8 of this act.

(2) In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property.

(3) An offender punishable under this section is subject to the alcohol assessment and treatment provisions of section 9 of this act. An offender punishable under this section is subject to the vehicle seizure and forfeiture provisions of RCW 46.61.511. No offender punishable under this section is eligible for an occupational license under RCW 46.20.391.

(4)(a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes less than one year in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding two years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a valid license to drive and proof of financial responsibility for the future; (ii) not driving a motor vehicle within this state while having an alcohol concentration of 0.08 or more within two hours after driving; and (iii) not refusing to submit to a test of his or her breath or blood to determine alcohol concentration upon request of a law enforcement officer who has reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. The court may impose conditions of probation that include nonrepetition, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a) (i) and (ii) or (a) (i) and (iii) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

NEW SECTION. Sec. 7. A new section is added to chapter 46.61 RCW to read as follows:

(1)(a) In addition to penalties set forth in sections 4 through 6 of this act, a one hundred twenty-five dollar fee shall be assessed to a person who is either convicted, sentenced to a lesser charge, or given deferred prosecution, as a result of an arrest for violating RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522. This fee is for the purpose of funding the Washington state toxicology laboratory and the Washington state patrol breath test program.

(b) Upon a verified petition by the person assessed the fee, the court may suspend payment of all or part of the fee if it finds that the person does not have the ability to pay.

(c) When a minor has been adjudicated a juvenile offender for an offense which, if committed by an adult, would constitute a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, the court shall assess the one hundred twenty-five dollar fee under (a) of this subsection. Upon a verified petition by a minor assessed the fee, the court may suspend payment of all or part of the fee if it finds that the minor does not have the ability to pay the fee.

(2) The fee assessed under subsection (1) of this section shall be collected by the clerk of the court and distributed as follows:

(a) Forty percent shall be subject to distribution under RCW 3.46.120, 3.50.100, 35.20.220, 3.62.020, 3.62.040, or 10.82.070.

(b) If the case involves a blood test by the state toxicology laboratory, the remainder of the fee shall be forwarded to the state treasurer for deposit in the death investigations account to be used solely for funding the state toxicology laboratory blood testing program.

(c) Otherwise, the remainder of the fee shall be forwarded to the state treasurer for deposit in the state patrol highway account to be used solely for funding the Washington state patrol breath test program.

PART II - PROBATIONARY LICENSES

NEW SECTION. Sec. 8. A new section is added to chapter 46.61 RCW to read as follows:

(1) Upon notification of a conviction under RCW 46.61.502 or 46.61.504 for which the issuance of a probationary driver's license is required, or upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, the department of licensing shall order the person to surrender his or her license. The department shall revoke the license of any person who fails to surrender it as required by this section.

(2) Upon receipt of the surrendered license, and following the expiration of any period of license suspension ordered by a court, or following receipt of a sworn statement under section 12 of this act that requires issuance of a probationary license, the department shall issue the person a probationary license. The probationary license shall be renewed on the same cycle as the person's regular license would have been renewed until five years after the date of the commission of the most recent offense for which a probationary license is being issued, at which time the department shall reissue a regular license if the person otherwise qualifies for one.

(3) For each issue or reissue of a license under this section, the department may charge the fee authorized under RCW 46.20.311 for the reissuance of a license following a revocation for a violation of RCW 46.61.502 or 46.61.504.

(4) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status, including the period of that status, for a violation of RCW 46.61.502 or 46.61.504 or section 12 of this act. That fact that a person has been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

PART III - ASSESSMENT AND TREATMENT

NEW SECTION. Sec. 9. A new section is added to chapter 46.61 RCW to read as follows:

(1) A person subject to alcohol assessment and treatment under section 4, 5, or 6 of this act shall be required by the court to complete a course in an alcohol information school approved by the department of social and health services or to complete more intensive treatment in a program approved by the department of social and health services, as determined by the court. The court shall notify the department of licensing whenever it orders a person to complete a course or treatment program under this section.

(2) A diagnostic evaluation and treatment recommendation shall be prepared under the direction of the court by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. A copy of the report shall be forwarded to the department of licensing. Based on the diagnostic evaluation, the court shall determine whether the person shall be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services.

(3) Standards for approval for alcohol treatment programs shall be prescribed by the department of social and health services. The department of social and health services shall periodically review the costs of alcohol information schools and treatment programs.

(4) The department of social and health services shall require as a condition of approval under this section that any agency that offers outpatient treatment must provide all phases of such treatment as determined by the department of social and health services.

(5) Any agency that provides treatment ordered under section 4, 5, or 6 of this act, shall immediately report to the court and to the department of licensing any noncompliance by a person with the conditions of his or her ordered treatment. The court shall notify the department of licensing and the department of social and health services of any failure by an agency to so report noncompliance. Any agency with knowledge of noncompliance that fails to so report shall be fined two hundred fifty dollars by the department of social and health services. Upon three such failures by an agency within one year, the department of social and health services shall revoke the agency's approval under this section.

(6) The department of licensing and the department of social and health services may adopt such rules as are necessary to carry out this section.

PART IV - ADMINISTRATIVE REVOCATION

NEW SECTION. Sec. 10. A new section is added to chapter 46.20 RCW to read as follows:

(1) Notwithstanding any other provision of this title, a person under the age of twenty-one may not drive, operate, or be in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or above.

(2) A person under the age of twenty-one who drives or is in physical control of a motor vehicle within this state is deemed to have given consent, subject to the relevant portions of RCW 46.61.506, to be detained long enough, and be transported if necessary, to take a test or tests of that person's blood or breath for the purpose of determining the alcohol concentration in his or her system.

(3) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the driver, has reasonable grounds to believe that the driver was driving or in actual physical control of a motor vehicle while having alcohol in his or her system.

(4) The law enforcement officer requesting the test or tests under subsection (2) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person's driver's license or driving privilege being revoked.

(5) If the person refuses testing, or submits to a test that discloses an alcohol concentration of 0.02 or more, the law enforcement officer shall:

(a) Serve the person notice in writing on behalf of the department of licensing of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive;

(b) Serve the person notice in writing on behalf of the department of licensing of the person's right to a hearing, specifying the steps required to obtain a hearing;

(c) Confiscate the person's Washington state license or permit to drive, if any, and issue a temporary license to replace any confiscated license or permit. The temporary license shall be valid for thirty days from the date of the traffic stop or until the suspension or revocation of the person's license or permit is sustained at a hearing as provided by subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit it replaces;

(d) Notify the department of licensing of the traffic stop, and transmit to the department any confiscated license or permit and a sworn report stating:

(i) That the officer had reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle within this state while having alcohol in his or her system;

(ii) That pursuant to this section a test of the person's alcohol concentration was administered or that the person refused to be tested;

(iii) If administered, that the test indicated the person's alcohol concentration was 0.02 or higher; and

(iv) Any other information that the department may require by rule.

(6) Upon receipt of the sworn report of a law enforcement officer under subsection (5) of this section, the department shall suspend or revoke the driver's license or driving privilege beginning thirty days from the date of the traffic stop or beginning when the suspension, revocation, or denial is sustained at a hearing as provided by subsection (7) of this section. Within fifteen days after notice of a suspension or revocation has been given, the person may, in writing, request a formal hearing. If such a request is not made within the prescribed time the right to a hearing is waived. Upon receipt of such request, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the revocation of the person's driver's license or driving privilege, and, if the test or tests of the person's breath or blood was administered, whether the results indicated an alcohol concentration of 0.02 or more. The department shall order that the suspension or revocation of the person's driver's license or driving privilege either be rescinded or sustained. Any decision by the department suspending or revoking a person's driver's license or driving privilege is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during the pendency of the hearing and appeal. If the suspension or revocation of the person's driver's

license or driving privilege is sustained after the hearing, the person may file a petition in the superior court of the county of arrest to review the final order of suspension or revocation by the department in the manner provided in RCW 46.20.334.

(7) The department shall suspend or revoke the driver's license or driving privilege of a person as required by this section as follows:

(a) In the case of a person who has refused a test or tests:

(i) For a first refusal within five years, revocation for one year;

(ii) For a second or subsequent refusal within five years, revocation or denial for two years.

(b) In the case of an incident where a person has submitted to a test or tests indicating an alcohol concentration of 0.02 or more:

(i) For a first incident within five years, suspension for ninety days;

(ii) For a second or subsequent incident within five years, revocation for one year or until the person reaches age twenty-one whichever occurs later.

(8) For purposes of this section, "alcohol concentration" means (a) grams of alcohol per two hundred ten liters of a person's breath, or (b) the percent by weight of alcohol in a person's blood.

NEW SECTION. Sec. 11. A new section is added to chapter 46.61 RCW to read as follows:

(1) Any person requested or signaled to stop by a law enforcement officer pursuant to section 10 of this act has a duty to stop.

(2) Whenever any person is stopped pursuant to section 10 of this act, the officer may detain that person for a reasonable period of time necessary to: identify the person; check the status of the person's license, insurance identification card, and the vehicle's registration; and transport the person, if necessary, to and administer a test or tests to determine the alcohol concentration in the person's system.

(3) Any person requested to identify himself or herself to a law enforcement officer pursuant to an investigation under section 10 of this act has a duty to identify himself or herself, give his or her current address, and sign an acknowledgement of receipt of the warning required by section 10(4) of this act and receipt of the notice and temporary license issued under section 10(5) of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 46.61 RCW to read as follows:

(1) This section applies to any person arrested for a violation of RCW 46.61.502 or 46.61.504 who has an alcohol concentration of 0.10 or higher as shown by a test administered under RCW 46.20.308.

(2) The arresting officer or other law enforcement officer at whose direction the test was given shall:

(a) Serve the person notice in writing on behalf of the department of licensing of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive or to issue a probationary license;

(b) Serve the person notice in writing on behalf of the department of the person's right to a hearing, specifying the steps required to obtain a hearing;

(c) Confiscate the person's Washington state license or permit to drive, if any, and issue a temporary license to replace any confiscated license or permit. The temporary license shall be valid for thirty days from the date of arrest or until the suspension or revocation of the person's license or permit, or the issuance of a probationary license, is sustained at a hearing pursuant to subsection (5) of this section, whichever occurs first. If the person has not within the previous five years committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, and within thirty days of the arrest the person petitions a court for a deferred prosecution on criminal charges arising out of the arrest, the court shall direct the department to extend the period of the temporary license by at least an additional thirty days but not more than an additional sixty days. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, then the court shall immediately direct the department to cancel any period of extension of the temporary license. No temporary license is valid to any greater degree than the license or permit it replaces;

(d) Notify the department of the arrest, and transmit to the department any confiscated license or permit and a sworn report stating:

(i) That the officer had reasonable grounds to believe the arrested person was driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug, or both;

(ii) That pursuant to RCW 46.20.308 a test of the person's alcohol concentration was administered;

(iii) That the test indicated that the person's alcohol concentration was 0.10 or higher; and

(iv) Any other information that the department may require by rule.

(3) Upon receipt of a sworn statement under subsection (2) of this section, the department shall suspend, revoke, or deny the person's license, permit, or driving privilege, or shall issue a probationary license, effective beginning thirty days from the date of the arrest or beginning when the suspension, revocation, denial, or issuance is sustained at a hearing pursuant to subsection (5) of this section, whichever occurs first. The suspension, revocation, or denial, or issuance of a probationary license, shall be as follows:

(a) Upon receipt of a first sworn statement, issuance of a probationary license under section 8 of this act;

(b) Upon receipt of a second or subsequent statement indicating an arrest date that is within five years of the arrest date indicated by a previous statement, revocation for two years.

(4) A person receiving notification under subsection (2) of this section may, within five days after his or her arrest, request a hearing before the department under subsection (5) of this section. The request shall be in writing. The person shall pay a fee of one hundred dollars as part of the request. If the request is mailed, it must be postmarked within five days after the arrest.

(5) Upon timely receipt of a request and a one hundred dollar fee under subsection (4) of this section, the department shall afford the person an opportunity for a hearing. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within thirty days following the arrest, unless otherwise agreed to by the department and the person. The hearing shall cover the issues of:

(a) Whether the law enforcement officer had reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor;

(b) Whether the test of the person's alcohol concentration was administered in accordance with RCW 46.20.308; and

(c) Whether the test indicated that the person's alcohol concentration was 0.10 or higher.

(6) If the suspension, revocation, or denial, or issuance of a probationary license, is sustained after a hearing conducted under subsection (5) of this section, the person affected may file a petition in the superior court of the county of arrest seeking review as provided in RCW 46.20.334.

(7) The period of any suspension, revocation, or denial imposed under this section shall run consecutively to the period of any suspension, revocation, or denial imposed pursuant to a criminal conviction arising out of the same incident. A suspension, revocation, or denial imposed under this section shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(8) If the suspension, revocation, denial, or issuance is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied, or who has been issued a probationary license, has the right to file a petition in the superior court of the county of arrest in the same manner as an appeal from a decision of a court of limited jurisdiction. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. A court may stay the suspension, revocation, or denial if it finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay.

(9) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

PART V - IMPLIED CONSENT

Sec. 13. RCW 46.20.308 and 1989 c 337 s 8 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. However, in those instances where: (a) The person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample; or (b) as a result of a traffic accident the person is being treated for a medical condition in a hospital, clinic, doctor's office, or other similar facility in which a breath testing instrument is not present, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(4). The officer shall inform the person (~~of his or her right to refuse the breath or blood test, and~~) of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver ~~((that)) (a) that refusal to take the test is a crime punishable by a fine and imprisonment; (b) that his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test; and (b)); (c) that the fact of his or her refusal to take the test may be used as evidence in a criminal trial on charges related to driving or being in physical control of a vehicle while under the influence of alcohol; and (d) that if he or she takes the test his or her privilege to drive may be suspended, revoked, or denied depending on the test results.~~ (a) that refusal to take the test is a crime punishable by a fine and imprisonment; (b) that his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test; and (b)); (c) that the fact of his or her refusal to take the test may be used as evidence in a criminal trial on charges related to driving or being in physical control of a vehicle while under the influence of alcohol; and (d) that if he or she takes the test his or her privilege to drive may be suspended, revoked, or denied depending on the test results.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) Refusal to take a test as requested under this section is a gross misdemeanor punishable as provided in chapter 9A.20 RCW. Regardless of whether criminal charges are filed, the department of licensing, upon the receipt of a sworn report of the law enforcement officer that the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor and that the person had refused to submit to the test or tests upon the request of the law enforcement officer after being informed that refusal would result in the revocation of the person's privilege to drive, shall revoke the person's license or permit to drive or any nonresident operating privilege as follows:

(a) Except as otherwise provided in this subsection, for a first refusal for a period of one year;

(b) Except as otherwise provided in this subsection, for a second refusal within five years, for a period of two years;

(c) For a first refusal by a person with a probationary license issued under section 9 of this act, for a period of one year;

(d) For a second refusal within five years when the second refusal occurs while the person has a probationary license issued under section 9 of this act, for a period of three years;

(e) For a first refusal by a person on suspended or revoked status, for a period of two years;

(f) For a second refusal within five years by a person on suspended or revoked status, for a period of three years.

(7) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, the department shall immediately notify the person involved in writing by personal service or by certified mail of its decision and the grounds therefor, and of the person's right to a hearing, specifying the steps he or she must take to obtain a hearing. Within fifteen days after the notice has been given, the person may, in writing, request a formal hearing. The person shall pay a fee of one hundred dollars as part of the request. Upon receipt of such request and such fee, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the scope of such hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's privilege to drive. The department shall order that the revocation either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(8) The period of any revocation imposed under this section shall run consecutively to the period of any revocation imposed pursuant to a criminal conviction arising out of the same incident.

(9) If the revocation is sustained after such a hearing, the person whose license, privilege, or permit is revoked has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the manner provided in RCW 46.20.334.

~~((9))~~ (10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

- (4) Ignition interlock and other biological and technical devices are designed to supplement other methods of punishment that prevent drivers from using a motor vehicle after using, possessing, or consuming alcohol;
- (5) It is economically and technically feasible to have an ignition interlock or other biological or technical device installed in a motor vehicle in such a manner that the vehicle will not start if the operator has recently consumed alcohol.

Sec. 22. RCW 46.20.720 and 1987 c 247 s 2 are each amended to read as follows:

The court may order any person convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, and the restriction shall be for a period of not less than six months.

The court shall establish a specific calibration setting at which the ignition interlock or other biological or technical device will prevent the motor vehicle from being started and the period of time that the person shall be subject to the restriction.

For purposes of this section, "convicted" means being found guilty of an offense or being placed on a deferred prosecution program under chapter 10.05 RCW.

A person who knowingly assists another person who is restricted to the use of an ignition interlock or other biological or technical device to start and operate that vehicle in violation of a court order is guilty of a gross misdemeanor.

The provisions of this section do not apply if the starting of a motor vehicle, or the request to start a motor vehicle, equipped with an ignition interlock or other biological or technical device is done for the purpose of safety or mechanical repair of the device or the vehicle and the person subject to the court order does not operate the vehicle.

(2) The breath analysis shall be based upon grams of alcohol per two hundred ten liters of breath. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcoholic content may be performed only by a physician, a registered nurse, or a qualified technician. This limitation shall not apply to the taking of breath specimens.

(5) The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(6) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

Sec. 27. RCW 46.20.311 and 1993 c 501 s 5 are each amended to read as follows:

(1) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.342 or ~~((46.61.545))~~ other provision of law. Except for a suspension under RCW 46.20.289 and 46.20.291(5), whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of twenty dollars. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, the reissue fee shall be fifty dollars.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (a) After the expiration of one year from the date the license or privilege to drive was revoked; (b) after the expiration of the applicable revocation period provided by RCW ~~((46.61.545(3) (b) or (e)))~~ 46.20.308 or section 5, 6, or 12 of this act; (c) after the expiration of two years for persons convicted of vehicular homicide; or (d) ~~((after the expiration of one year in cases of revocation for the first refusal within five years to submit to a chemical test under RCW 46.20.308; (e) after the expiration of two years in cases of revocation for the second or subsequent refusal within five years to submit to a chemical test under RCW 46.20.308; or (f))~~ after the expiration of the applicable revocation period provided by RCW 46.20.265. After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of twenty dollars, but if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504 or is the result of administrative action under section 12 of this act, the reissue fee shall be fifty dollars. Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of twenty dollars. If the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (a) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (b) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be fifty dollars.

Sec. 29. RCW 46.20.391 and 1985 c 407 s 5 are each amended to read as follows:

(1) Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed ~~((under RCW 46.61.545))~~ for a violation of RCW 46.61.502 or 46.61.504. No person may petition for, and the department shall not issue, an occupational driver's license if the person is ineligible for such a license under section 5 or 6 of this act. A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2) An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not ~~((been convicted))~~ committed of any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within five years immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not ~~((been convicted of))~~ committed any of the following offenses: (i) Driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor ((under RCW 46.61.502 or 46.61.504, ef)); (ii) vehicular homicide under RCW 46.61.520((-or ef)); or (iii) vehicular assault under RCW 46.61.522; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

Sec. 30. RCW 5.40.060 and 1987 c 212 s 1001 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, it is a complete defense to an action for damages for personal injury or wrongful death that the person injured or killed was under the influence of intoxicating liquor or any drug at the time of the occurrence causing the injury or death and that such condition was a proximate cause of the injury or death and the trier of fact finds such person to have been more than fifty percent at fault. The standard for determining whether a person was under the influence of intoxicating liquor or drugs shall be the same standard established for criminal convictions under RCW 46.61.502, and evidence that a person was under the influence of intoxicating liquor or drugs under the standard established by RCW 46.61.502 shall be conclusive proof that such person was under the influence of intoxicating liquor or drugs.

(2) In an action for damages for personal injury or wrongful death that is brought against the driver of a motor vehicle who was under the influence of intoxicating liquor or any drug at the time of the occurrence causing the injury or death and whose condition was a proximate cause of the injury or death, subsection (1) of this section does not create a defense against the action notwithstanding that the person injured or killed was also under the influence so long as such person's condition was not a proximate cause of the occurrence causing the injury or death.

NEW SECTION. Sec. 31. Section 30 of this act is remedial in nature and shall apply retroactively.

Sec. 32. RCW 46.55.113 and 1987 c 311 s 10 are each amended to read as follows:

NEW SECTION. Sec. 33. A new section is added to chapter 46.61 RCW to read as follows:

The state of Washington hereby fully occupies and preempts the entire field of regulating driving or being in physical control of a vehicle while under the influence of intoxicating liquor or any drug within the boundaries of the state. MOTION

On motion of Senator Pelz, the Senate refuses to concur in the House amendment to Senate Bill No. 6074 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6124 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that many homeowners are solicited by siding and roofing contractors to purchase home improvements. Some contractors misrepresent the financing terms or the cost of the improvements, preventing the homeowner from making an informed decision about whether the improvements are affordable. The result is that many homeowners face financial hardship including the loss of their homes through foreclosure. The legislature declares that this is a matter of public interest. It is the intent of the legislature to establish rules of business practice for roofing and siding contractors to promote honesty and fair dealing with homeowners.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Roofing or siding contract" means an agreement between a roofing or siding contractor or salesperson and a homeowner that includes, in part, an agreement to install, repair or replace residential roofing or siding for a total cost including labor and materials in excess of one thousand dollars.

This chapter does not apply to the following contracts:

(a) Residential remodel or repair contracts where the cost specified for roofing or siding is less than twenty percent of the total contract price;

(b) Contracts where the roofing or siding is part of a contract to build a new dwelling or an addition that provides additional living space;

(c) Contracts for emergency repairs made necessary by a natural disaster such as an earthquake, wind storm, or hurricane, or after a fire in the dwelling;

(d) Homes being prepared for resale; or

(e) Roofing or siding contracts in which the homeowner was not directly solicited by a roofing or siding contractor or salesperson.

(2) "Roofing or siding contractor" means a person who owns or operates a contracting business that purports to install, repair, or replace or subcontracts to install, repair, or replace residential roofing or siding.

(3) "Roofing or siding salesperson" means a person who solicits, negotiates, executes, or otherwise endeavors to procure a contract with a homeowner to install, repair, or replace residential roofing or siding on behalf of a roofing or siding contractor.

(4) "Residential roofing or siding" means roofing or siding installation, repair or replacement for an existing single-family dwelling or multiple family dwelling of four or less units, provided that this does not apply to a residence under construction.

(5) "Person" includes an individual, corporation, company, partnership, joint venture, or a business entity.

(6) "Siding" means material used to cover the exterior walls of a residential dwelling, excluding paint application.

(7) "Solicit" means to initiate contact with the homeowner, either in person or by telephone, for the sole purpose of attempting to sell residential roofing or siding contracts as covered under this chapter, where the homeowner has expressed no previous interest in purchasing or obtaining information regarding residential roofing or siding. "Solicit" also means the use of promotional fliers, mailings, or newspaper advertisements which offer a reward in the form of cash, property, or services merely as an incentive to contact the roofing or siding contractor or salesperson. "Solicit" does not mean:

(a) Calls made in response to a request or inquiry by the called party; or

(b) Calls made to homeowners who have prior business or personal contact with the residential roofing or siding contractor or salesperson.

NEW SECTION. Sec. 3. A roofing or siding contract shall be in writing. A copy of the contract shall be given to the homeowner at the time the homeowner signs the contract. The contract shall be typed or printed legibly and contain the following provisions:

(1) An itemized list of all work to be performed;

(2) The grade, quality, or brand name of materials to be used;

(3) A statement as to whether all or part of the work is to be subcontracted to another person;

(4) The contract shall require the homeowner to disclose whether he or she intends to obtain a loan in order to pay for all or part of the amount due under the contract;

(5) If the customer indicates that he or she intends to obtain a loan to pay for a portion of the roofing or siding contract, the homeowner shall have the right to rescind the contract within three business days of receiving truth-in-lending disclosures or three business days of receiving written notification that the loan application was denied, whichever date is later; and

(6) The contract shall provide the following notice in ten-point boldface type in capital letters:

"CUSTOMER'S RIGHT TO CANCEL

IF YOU HAVE INDICATED IN THIS CONTRACT THAT YOU INTEND TO OBTAIN A LOAN TO PAY FOR ALL OR PART OF THE WORK SPECIFIED IN THE CONTRACT, YOU HAVE THE RIGHT TO CHANGE YOUR MIND AND CANCEL THIS CONTRACT WITHIN THREE DAYS OF THE DATE WHEN THE LENDER PROVIDES YOU WITH YOUR TRUTH-IN-LENDING DISCLOSURE STATEMENT OR THE DATE WHEN YOU RECEIVE WRITTEN NOTIFICATION THAT YOUR LOAN WAS DENIED.

BE SURE THAT ALL PROMISES MADE BY YOUR CONTRACTOR ARE PUT IN WRITING BEFORE YOU SIGN THIS CONTRACT."

NEW SECTION. Sec. 4. If the customer indicates that he or she intends to obtain a loan to pay for all or part of the cost of the roofing or siding contract, the roofing or siding contractor shall not begin work until after the homeowner's rescission rights provided in section 3(6) of this act

have expired. If the roofing or siding contractor commences work under the contract before the homeowner's rescission rights have expired, the roofing or siding contractor or salesperson shall be prohibited from enforcing terms of the contract, including claims for labor or materials, in a court of law and shall terminate any security interest or statutory lien created under the transaction within twenty days of receiving written rescission of the contract from the customer.

NEW SECTION. Sec. 5. A person who purchases or is otherwise assigned a roofing or siding contract shall be subject to all claims and defenses with respect to the contract that the homeowner could assert against the siding or roofing contractor or salesperson. A person who sells or otherwise assigns a roofing or siding contract shall include a prominent notice of the potential liability under this section.

NEW SECTION. Sec. 6. The legislature finds and declares that a violation of this chapter substantially affects the public interest and is an unfair and deceptive act or practice and unfair method of competition in the conduct of trade or commerce as set forth under chapter 19.86 RCW.

NEW SECTION. Sec. 7. A roofing or siding contractor or salesperson who fails to comply with the requirements of this chapter shall be liable to the homeowner for any actual damages sustained by the person as a result of the failure. Nothing in this section shall limit any cause of action or remedy available under section 6 of this act or chapter 19.86 RCW.

NEW SECTION. Sec. 8. Sections 2 through 7 of this act shall constitute a new chapter in Title 19 RCW.", and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6255 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.030 and 1993 c 241 s 1 are each amended to read as follows:

For purposes of this chapter:

(1) "Child" and "juvenile" means any individual under the age of eighteen years(;;).

(2) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until the child returns home, an adoption decree or guardianship order is entered, or the dependency is dismissed, whichever occurs soonest. If the most recent date of removal occurred prior

to the filing of a dependency petition under this chapter or after filing but prior to entry of a disposition order, such time periods shall be included when calculating the length of a child's current placement episode.

(3) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to RCW 13.34.232 for the limited purpose of assisting the court in the supervision of the dependency.

(4) "Dependent child" means any child:

(a) Who has been abandoned; that is, where the child's parent, guardian, or other custodian has evidenced either by statement or conduct, a settled intent to forego, for an extended period, all parental rights or all parental responsibilities despite an ability to do so;

(b) Who is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;

(c) Who has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

(d) Who has a developmental disability, as defined in RCW 71A.10.020 and whose parent, guardian, or legal custodian together with the department determines that services appropriate to the child's needs can not be provided in the home. However, (a), (b), and (c) of this subsection may still be applied if other reasons for removal of the child from the home exist((;)).

((3)) (5) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding other than a proceeding under this chapter; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" shall not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(6) "Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter((;)).

((4)) (7) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(8) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

(9) "Preventive services" means family preservation services, as defined in RCW 74.14C.010, and other reasonably available services capable of preventing the need for out-of-home placement while protecting the child.

Sec. 2. RCW 13.34.120 and 1993 c 412 s 8 are each amended to read as follows:

(1) To aid the court in its decision on disposition, a social study, consisting of a written evaluation of matters relevant to the disposition of the case, shall be made by the person or agency filing the petition. The study shall include all social records and may also include facts relating to the child's cultural heritage, and shall be made available to the court. The court shall consider the social file, social study, guardian ad litem report, the court-appointed special advocates report, if any, and any reports filed by a party at the disposition hearing in addition to evidence produced at the fact-finding hearing. At least ten working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency's social study and proposed service plan, which shall be in writing or in a form understandable to the parents or custodians. In addition, the department shall provide an opportunity for parents to review and comment on the plan at the community service office. If the parents disagree with the agency's plan or any part thereof, the parents shall submit to the court at least twenty-four hours before the hearing, in writing, or signed oral statement, an alternative plan to correct the problems which led to the finding of dependency. This section shall not interfere with the right of the parents or custodians to submit oral arguments regarding the disposition plan at the hearing.

(2) In addition to the requirements set forth in subsection (1) of this section, a predisposition study to the court in cases of dependency alleged pursuant to RCW 13.34.030(2) (b) or (c) shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific programs, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such programs are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs which have been considered and rejected; the preventive services that have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal. This section should include an exploration of the nature of the parent-child attachment and the meaning of separation and loss to both the parents and the child;

(e) A description of the steps that will be taken to minimize harm to the child that may result if separation occurs; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. 3. RCW 74.14C.070 and 1992 c 214 s 9 are each amended to read as follows:

After July 1, 1993, the secretary of social and health services, or the secretary's regional designee, may transfer funds appropriated for foster care services to purchase family preservation services and other preventive services for children at imminent risk of foster care placement. The secretary shall notify the appropriate committees of the senate and house of representatives of any transfers under this section. The secretary shall include caseload, expenditure, cost avoidance, identified improvements to the foster care system, and outcome data related to the transfer in the notification.

Sec. 4. RCW 13.34.130 and 1992 c 145 s 14 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, ((as now or hereafter amended,)) it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030((2)); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;
(iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) ~~(A permanent plan of care that may include one of the following: Return of the child to the home of the child's parent, adoption, guardianship, or long-term placement with a relative or in foster care with a written agreement.)~~ A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) Unless the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to subsection (2) of this section, that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 5. RCW 13.34.145 and 1993 c 412 s 1 are each amended to read as follows:

(1) ~~(In all cases where a child has been placed in substitute care for at least fifteen months, the agency having custody of the child shall prepare a permanency plan and present it in a hearing held before the court no later than eighteen months following commencement of the placement episode.~~

(2) ~~At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(5). In addition the court shall: (a) Approve a permanency plan which shall include one of the following: Adoption, guardianship, placement of the child in the home of the child's parent, relative placement with written permanency plan, or family foster care with written permanency agreement; (b) require filing of a petition for termination of parental rights; or (c) dismiss the dependency, unless the court finds, based on clear, cogent, and convincing evidence, that it is in the best interest of the child to continue the dependency beyond eighteen months, based on the permanency plan. Extensions may only be granted in increments of~~

twelve months or less.) A permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(a) Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption; guardianship; or long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider.

(b) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months.

(2) A permanency planning hearing shall be held in all cases where a child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order has not previously been entered. The hearing shall take place no later than eighteen months following commencement of the current placement episode.

(3) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than eighteen months following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree or guardianship order is entered, or the dependency is dismissed.

(4) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(5) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130(5) and shall review the permanency plan prepared by the agency. If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. In cases where the primary permanency planning goal has not yet been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. In all cases, the court shall:

(a)(i) Order the permanency plan prepared by the agency to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(6) If the court orders the child returned home, casework supervision shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.130(5), and the court shall determine the need for continued intervention.

(7) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(8) Except as otherwise provided in RCW 13.34.235, the status of all dependent children shall continue to be reviewed by the court at least once every six months, in accordance with RCW 13.34.130(5), until the dependency is dismissed. Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(9) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(10) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights.

(11) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 6. RCW 13.34.231 and 1981 c 195 s 2 are each amended to read as follows:

At the hearing on a dependency guardianship petition, all parties have the right to present evidence and cross examine witnesses. The rules of evidence apply to the conduct of the hearing. A guardianship ~~(may)~~ shall be established if the court finds by a preponderance of the evidence that:

(1) The child has been found to be a dependent child under RCW 13.34.030~~((2))~~;

(2) A dispositional order has been entered pursuant to RCW 13.34.130;

(3) The child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030~~((2))~~;

(4) The services ordered under RCW 13.34.130 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided;

(5) There is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future; and

(6) A guardianship, rather than termination of the parent-child relationship or continuation of ~~((the child's current dependent status))~~ efforts to return the child to the custody of the parent, would be in the best interest of the ~~((family))~~ child.

Sec. 7. RCW 13.34.232 and 1993 c 412 s 4 are each amended to read as follows:

(1) If the court has made a finding under RCW 13.34.231, it shall enter an order establishing a dependency guardianship for the child. The order shall:

~~((4))~~ (a) Appoint a person or agency to serve as dependency guardian for the limited purpose of assisting the court to supervise the dependency;

~~((2))~~ (b) Specify the dependency guardian's rights and responsibilities concerning the care, custody, and control of the child. A dependency guardian shall not have the authority to consent to the child's adoption;

~~((3))~~ (c) Specify the dependency guardian's authority, if any, to receive, invest, and expend funds, benefits, or property belonging to the child;

(d) Specify an appropriate frequency of visitation between the parent and the child; and

~~((4))~~ (e) Specify the need for any continued involvement of the supervising agency and the nature of that involvement, if any.

~~((The order shall not affect the child's status as a dependent child, and the child shall remain dependent for the duration of the guardianship.))~~

(2) Unless the court specifies otherwise in the guardianship order, the dependency guardian shall maintain the physical custody of the child and have the following rights and duties:

(a) Protect, discipline, and educate the child;

(b) Provide food, clothing, shelter, education as required by law, and routine health care for the child;

(c) Consent to necessary health and surgical care and sign a release of health care information to appropriate authorities, pursuant to law;

(d) Consent to social and school activities of the child; and

(e) Provide an annual written accounting to the court regarding receipt by the dependency guardian of any funds, benefits, or property belonging to the child and expenditures made therefrom.

(3) As used in this section, the term "health care" includes, but is not limited to, medical, dental, psychological, and psychiatric care and treatment.

(4) The child shall remain dependent for the duration of the guardianship. While the guardianship remains in effect, the dependency guardian shall be a party to any dependency proceedings pertaining to the child.

(5) The guardianship shall remain in effect only until the child is eighteen years of age or until the court terminates the guardianship order, whichever occurs sooner.

Sec. 8. RCW 13.34.233 and 1981 c 195 s 4 are each amended to read as follows:

(1) Any party may ((seek a modification of the)) request the court to modify or terminate a dependency guardianship order under RCW 13.34.150. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice shall in all cases be served upon the department of social and health services. If the department was not previously a party to the guardianship proceeding, the department shall nevertheless have the right to initiate a proceeding to modify or terminate a guardianship and the right to intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party or the department if the court finds by a preponderance of the evidence that there has been a change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. Unless all parties agree to entry of an order modifying or terminating the guardianship, the court shall hold a hearing on the motion.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department of social and health services or a licensed child-placing agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.130(5) and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145.

Sec. 9. RCW 13.34.234 and 1981 c 195 s 5 are each amended to read as follows:

Establishment of a dependency guardianship under RCW 13.34.231 and 13.34.232 does not preclude ((a)) the dependency guardian from receiving foster care payments.

Sec. 10. RCW 13.34.236 and 1981 c 195 s 7 are each amended to read as follows:

(1) Any person over the age of twenty-one years who is not otherwise disqualified by this section, any nonprofit corporation, or any Indian tribe may be appointed the dependency guardian of a child under RCW 13.34.232. No person is qualified to serve as a dependency guardian ((who: (1) is of unsound mind; (2) has been convicted of a felony or misdemeanor involving moral turpitude; or (3) is a person whom the court finds unsuitable)) unless the person meets the minimum requirements to care for children as provided in RCW 74.15.030.

(2) If the preferences of a child's parent were not considered under RCW 13.34.260 as they relate to the proposed dependency guardian, the court shall consider such preferences before appointing the dependency guardian.", and the same are herewith transmitted.

MOTION

On motion of Senator Haugen, the Senate refuses to concur in the House amendment to Substitute Senate Bill No. 6278 and requests of the House a conference thereon.

APPOINTMENT OF CONFERENCE COMMITTEE

The President appointed as members of the Conference Committee on Substitute Senate Bill No. 6278 and the House amendment thereto: Senators Loveland, Winsley and Haugen.

MOTION

On motion of Senator Vognild, the Conference Committee appointments were confirmed.

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6547 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the current complex set of rules and regulations, audited and administered at multiple levels of the mental health system, focus primarily on the process of providing mental health services and do not sufficiently address consumer and system outcomes. To this extent, the legislature finds that the intent of RCW 71.24.015 related to reduced administrative layering, duplication, and reduced administrative costs need much more aggressive action.

NEW SECTION. Sec. 2. The department of social and health services shall establish a single comprehensive and collaborative project within regional support networks and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in section 1 of this act and to capture the diversity of the community mental health service delivery system.

The project must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all appropriated funds used to provide mental health services. Assessment must be made regarding the feasibility of also including federal and local funds into the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers and regional support networks. Such outcomes shall be consistent with the goals specified in RCW 71.24.015 and focus on achieving family and consumer satisfaction with services, and outcomes related to out-of-home and hospital care, housing, age-appropriate activities, and system efficiencies;

(4) Evaluation of the feasibility of contractual agreements between the department of social and health services and regional support networks and mental health service providers that link financial incentives to the success or failure of mental health service providers and regional support networks to meet outcomes established for mental health service clients;

(5) The involvement of mental health consumers and their representatives in the pilot projects. Mental health consumers and their representatives will be involved in the development of outcome standards for mental health clients and other related aspects of the pilot projects; and

(6) An independent evaluation component to measure the success of the projects.

NEW SECTION. Sec. 3. The project established in section 2 of this act must be implemented by July 1, 1995, in from two to six regional support networks, with annual progress reports submitted to the appropriate committees of the legislature beginning November 1, 1994, and in all regional support networks state-wide with full implementation of the most effective and efficient practices identified by the evaluation in section 2 of this act no later than July 1, 1997. In addition, the department of social and health services, the participating regional support networks, and the local mental health service providers shall report to the appropriate policy and fiscal committees of the legislature on the need for any changes in state statute, rule, policy, or procedure, and any change in federal statute, regulation, policy, or procedure to ensure the purposes specified in section 1 of this act are carried out.

NEW SECTION. Sec. 4. To carry out the purposes specified in section 1 of this act, the department of social and health services is encouraged to utilize its authority to immediately eliminate any unnecessary rules, regulations, standards, or contracts, to immediately eliminate duplication of audits or any other unnecessarily duplicated functions, and to seek any waivers of federal or state rules or regulations necessary to achieve the purpose of streamlining the mental health system and infusing it with incentives that reward efficiency, positive outcomes for clients, and quality services.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are each added to chapter 71.24 RCW., and the same are herewith transmitted.

On motion of Senator Vognild, the Conference Committee appointments were confirmed.

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 5449 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 4.56.100 and 1983 c 28 s 1 are each amended to read as follows:

(1) When any judgment for the payment of money only shall have been paid or satisfied, the clerk of the court in which such judgment was rendered shall note upon the record in the execution docket satisfaction thereof giving the date of such satisfaction upon either the payment to such clerk of the amount of such judgment, costs and interest and any accrued costs by reason of the issuance of any execution, or the filing with such clerk of a satisfaction entitled in such action and identifying the same executed by the judgment creditor or his attorney of record in such action or his assignee acknowledged as deeds are acknowledged. Every satisfaction of judgment and every partial satisfaction of judgment which provides for the payment of money shall clearly designate the judgment creditor and his or her attorney if any, the judgment debtor, the amount or type of satisfaction, whether the satisfaction is full or partial, the cause number, and the date of entry of the judgment. A certificate by such clerk of the entry of such satisfaction by him may be filed in the office of the clerk of any county in which an abstract of such judgment has been filed. When so satisfied by the clerk or the filing of such certificate the lien of such judgment shall be discharged.

(2) The department of social and health services shall file a satisfaction of judgment for welfare fraud conviction if a person does not pay money through the clerk as required under subsection (1) of this section.

(3) The department of corrections shall file a satisfaction of judgment if a person does not pay money through the clerk's office as required under subsection (1) of this section.

Sec. 2. RCW 4.64.030 and 1987 c 442 s 1107 are each amended to read as follows:

The clerk shall enter all judgments in the execution docket, subject to the direction of the court and shall specify clearly the amount to be recovered, the relief granted, or other determination of the action.

On the first page of each judgment which provides for the payment of money, the following shall be succinctly summarized: The judgment creditor and the name of his or her attorney, the judgment debtor, the amount of the judgment, the interest owed to the date of the judgment, and the total of the taxable costs and attorney fees, if known at the time of the entry of the judgment. If the attorney fees and costs are not included in the judgment, they shall be summarized in the cost bill when filed. This information is included in the judgment to assist the county clerk in his or her record-keeping function. The clerk may not sign or file a judgment, and a judgment does not take effect, until the judgment has a summary in compliance with this section. The clerk is not liable for an incorrect summary.

Sec. 3. RCW 6.21.110 and 1987 c 442 s 611 are each amended to read as follows:

(1) Upon the return of any sale of real estate, the clerk: (a) shall enter the cause, on which the execution or order of sale issued, by its title, on the motion docket, and mark opposite the same: "Sale of land for confirmation"; (b) shall mail notice of the filing of the return of sale to all parties who have entered a written notice of appearance in the action and who have not had an order of default entered against them; (c) shall file proof of such mailing in the action; (d) shall apply the proceeds of the sale returned by the sheriff, or so much thereof as may be necessary, to satisfaction of the judgment, including interest as provided in the judgment, and shall pay any excess proceeds as provided in subsection (5) of this section by direction of court order; and (e) upon confirmation of the sale, shall deliver the original certificate of sale to the purchaser.

(2) The judgment creditor or successful purchaser at the sheriff's sale is entitled to an order confirming the sale at any time after twenty days have elapsed from the mailing of the notice of the filing of the sheriff's return, on motion with notice given to all parties who have entered a written notice of appearance in the action and who have not had an order of default entered against them, unless the judgment debtor, or in case of the judgment debtor's death, the representative, or any nondefaulting party to whom notice was sent shall file objections to confirmation with the clerk within twenty days after the mailing of the notice of the filing of such return.

(3) If objections to confirmation are filed, the court shall nevertheless allow the order confirming the sale, unless on the hearing of the motion, it shall satisfactorily appear that there were substantial irregularities in the proceedings concerning the sale, to the probable loss or injury of the party objecting. In the latter case, the court shall disallow the motion and direct that the property be resold, in whole or in part, as the case may be, as upon an execution received as of that date.

(4) Upon a resale, the bid of the purchaser at the former sale shall be deemed to be renewed and continue in force, and no bid shall be taken, except for a greater amount. If on resale the property sells for a greater amount to any person other than the former purchaser, the clerk shall first repay to the former purchaser out of the proceeds of the resale the amount of the former purchaser's bid together with interest as is provided in the judgment.

(5) If, after the satisfaction of the judgment, there be any proceeds of the sale remaining, the clerk shall pay such proceeds to the judgment debtor, or the judgment debtor's representative, as the case may be, before the order is made upon the motion to confirm the sale only if the party files with the clerk a waiver of all objections made or to be made to the proceedings concerning the sale; otherwise the excess proceeds shall remain in the custody of the clerk until the sale of the property has been disposed of; but if the sale be confirmed, such excess proceeds shall be paid to the judgment debtor or representative as a matter of course.

(6) The purchaser shall file the original certificate of sale for record with the recording officer in the county in which the property is located.

Sec. 4. RCW 36.48.090 and 1987 c 363 s 4 are each amended to read as follows:

Whenever the clerk of the superior court has funds held in trust for any litigant or for any purpose, they shall be deposited in a separate fund designated "clerk's trust fund," and shall not be commingled with any public funds. However, in the case of child support payments, the clerk may send the checks or drafts directly to the recipient or endorse the instrument to the recipient and the clerk is not required to deposit such funds. MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 6007 with the following amendment(s):
Strike everything after the enacting clause and insert the following:

"PURPOSE

NEW SECTION. Sec. 1. The purpose of this act is to make certain technical corrections and correct oversights discovered only after unanticipated circumstances have arisen. These changes are necessary to give full expression to the original intent of the legislature.

PART I - SENTENCING FOR ATTEMPTED MURDER

Sec. 101. RCW 9A.28.020 and 1981 c 203 s 3 are each amended to read as follows:

(1) A person is guilty of an attempt to commit crime if, with intent to commit a specific crime, he does any act which is a substantial step toward the commission of that crime.

(2) If the conduct in which a person engages otherwise constitutes an attempt to commit a crime, it is no defense to a prosecution of such attempt that the crime charged to have been attempted was, under the attendant circumstances, factually or legally impossible of commission.

(3) An attempt to commit a crime is a:

(a) Class A felony when the crime attempted is murder in the first degree, murder in the second degree, or arson in the first degree;
(b) Class B felony when the crime attempted is a class A felony other than murder in the first degree, murder in the second degree, or arson in the first degree;

(c) Class C felony when the crime attempted is a class B felony;

(d) Gross misdemeanor when the crime attempted is a class C felony;

(e) Misdemeanor when the crime attempted is a gross misdemeanor or misdemeanor.

PART II - WITNESS INTIMIDATION/TAMPERING

NEW SECTION. Sec. 201. The legislature finds that witness intimidation and witness tampering serve to thwart both the effective prosecution of criminal conduct in the state of Washington and resolution of child dependencies.

Further, the legislature finds that intimidating persons who have information pertaining to a future proceeding serves to prevent both the bringing of a charge and prosecution of such future proceeding. The legislature finds that the period before a crime or child abuse or neglect is reported is when a victim is most vulnerable to influence, both from the defendant or from people acting on behalf of the defendant and a time when the defendant is most able to threaten, bribe, and/or persuade potential witnesses to leave the jurisdiction or withhold information from law enforcement agencies.

The legislature moreover finds that a criminal defendant's admonishment or demand to a witness to "drop the charges" is intimidating to witnesses or other persons with information relevant to a criminal proceeding.

The legislature finds, therefore, that tampering with and/or intimidating witnesses or other persons with information relevant to a present or future criminal or child dependency proceeding are grave offenses which adversely impact the state's ability to promote public safety and prosecute criminal behavior.

Sec. 202. RCW 9A.72.090 and 1982 1st ex.s. c 47 s 16 are each amended to read as follows:

(1) A person is guilty of bribing a witness if he or she offers, confers, or agrees to confer any benefit upon a witness or a person he or she has reason to believe is about to be called as a witness in any official proceeding or upon a person whom he or she has reason to believe may have information relevant to a criminal investigation or the abuse or neglect of a minor child, with intent to:

(a) Influence the testimony of that person; or

(b) Induce that person to avoid legal process summoning him or her to testify; or

(c) Induce that person to absent himself or herself from an official proceeding to which he or she has been legally summoned; or

(d) Induce that person to refrain from reporting information relevant to a criminal investigation or the abuse or neglect of a minor child.

(2) Bribing a witness is a class B felony.

Sec. 203. RCW 9A.72.100 and 1982 1st ex.s. c 47 s 17 are each amended to read as follows:

(1) A witness or a person who has reason to believe he or she is about to be called as a witness in any official proceeding or that he or she may have information relevant to a criminal investigation or the abuse or neglect of a minor child is guilty of bribe receiving by a witness if he or she requests, accepts, or agrees to accept any benefit pursuant to an agreement or understanding that:

(a) ((He)) The person's testimony will thereby be influenced; or

(b) ((He)) The person will attempt to avoid legal process summoning him or her to testify; or

(c) ((He)) The person will attempt to absent himself or herself from an official proceeding to which he or she has been legally summoned; or

(d) The person will not report information he or she has relevant to a criminal investigation or the abuse or neglect of a minor child.

(2) Bribe receiving by a witness is a class B felony.

Sec. 204. RCW 9A.72.110 and 1985 c 327 s 2 are each amended to read as follows:

(1) A person is guilty of intimidating a witness if a person directs a threat to a former witness because of the witness' testimony in any official proceeding, or if, by use of a threat directed to a current witness or a person he or she has reason to believe is about to be called as a witness in any official proceeding or to a person whom he or she has reason to believe may have information relevant to a criminal investigation or the abuse or neglect of a minor child, he or she attempts to:

(a) Influence the testimony of that person; or

(b) Induce that person to elude legal process summoning him or her to testify; or

(c) Induce that person to absent himself or herself from such proceedings; or

(d) Induce that person not to report the information relevant to a criminal investigation or the abuse or neglect of a minor child, not to prosecute the crime or the abuse or neglect of a minor child, not to have the crime or the abuse or neglect of a minor child prosecuted, or not to give truthful or complete information relevant to a criminal investigation or the abuse or neglect of a minor child.

(2) "Threat" as used in this section means:

(a) To communicate, directly or indirectly, the intent immediately to use force against any person who is present at the time; or

(b) Threats as defined in RCW 9A.04.110(25).

(3) Intimidating a witness is a class B felony.

Sec. 205. RCW 9A.72.120 and 1982 1st ex.s. c 47 s 19 are each amended to read as follows:

(1) A person is guilty of tampering with a witness if he or she attempts to induce a witness or person he or she has reason to believe is about to be called as a witness in any official proceeding or a person whom he or she has reason to believe may have information relevant to a criminal investigation or the abuse or neglect of a minor child to:

(a) Testify falsely or, without right or privilege to do so, to withhold any testimony; or

(b) Absent himself or herself from such proceedings; or

(c) Withhold from a law enforcement agency information which he or she has relevant to a criminal investigation or the abuse or neglect of a minor child to the agency.

(2) Tampering with a witness is a class C felony.

The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years ~~((subsequent to the imposition of sentence))~~ following the offender's release from total confinement or ten years subsequent to the entry of the judgment and sentence, whichever period is longer. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant.

Sec. 602. RCW 9.94A.142 and 1989 c 252 s 6 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days. The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court

pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years (~~subsequent to the imposition of sentence~~) following the offender's release from total confinement or ten years subsequent to the entry of the judgment and sentence, whichever period is longer. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after July 1, 1985.

NEW SECTION. Sec. 6. (1) The county legislative authority of every county with a population of one hundred fifty thousand or more shall convene a meeting on or before March 1, 1995, to develop a process for the establishment of service agreements. Invitations to attend this meeting shall be sent to the governing body of each city located in the county, and to the governing body of each special district located in the county that provides one or more of the governmental services as defined in section 2(2) of this act.

The legislative authorities of counties of less than one hundred fifty thousand population may utilize this chapter by adopting a resolution stating their intent to do so. In that case or in the case of counties whose populations reach one hundred fifty thousand after March 1, 1995, this meeting shall be convened no later than sixty days after the date the county adopts its resolution of intention or was certified by the office of financial management as having a population of one hundred fifty thousand or more.

(2) On or before January 1, 1997, a service agreement must be adopted in each county under this chapter or a progress report must be submitted to the appropriate committees of the legislature.

(3) In other counties that choose to utilize this chapter or whose population reaches one hundred fifty thousand, the service agreement must be adopted two years after the initial meeting provided for in subsection (1) of this section is convened or a progress report must be submitted to the appropriate committees of the legislature.

NEW SECTION. Sec. 7. It is the intent of the legislature to permit the creation of a flexible process to establish service agreements and to recognize that local governments possess broad authority to shape a variety of government service agreements to meet their local needs and circumstances. However, it is noted that in general, cities are the unit of local government most appropriate to provide urban governmental services and counties are the unit of local government most appropriate to provide regional governmental services.

The process to establish service agreements should assure that all directly affected local governments, and Indian tribes at their option, are allowed to be heard on issues relevant to them.

NEW SECTION. Sec. 8. Nothing contained in this chapter alters the duties, requirements, and authorities of cities and counties contained in chapter 36.70A RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 46.68 RCW to read as follows:

Funds that are distributed to counties, cities, or towns pursuant to this chapter may be transferred by the recipient county, city, or town to another unit of local government pursuant to a government service agreement as provided in sections 4 and 5 of this act.

NEW SECTION. Sec. 10. A new section is added to chapter 66.08 RCW to read as follows:

Funds that are distributed to counties, cities, or towns pursuant to this chapter may be transferred by the recipient county, city, or town to another unit of government pursuant to a government service agreement as provided in sections 4 and 5 of this act.

NEW SECTION. Sec. 11. A new section is added to chapter 82.14 RCW to read as follows:

The rate of sales and use tax imposed by a city under RCW 82.14.030 (1) and (2) may be altered pursuant to a government service agreement as provided in sections 4 and 5 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 82.14 RCW to read as follows:

The percentage of a city's sales and use tax receipts that a county receives under RCW 82.14.030 (1) and (2) may be altered pursuant to a government service agreement as provided in sections 4 and 5 of this act.

NEW SECTION. Sec. 13. A new section is added to chapter 82.14 RCW to read as follows:

Funds that are distributed to counties or cities pursuant to RCW 82.14.200 or 82.14.210 may be transferred by the recipient county or city to another unit of local government pursuant to a government service agreement as provided in sections 4 and 5 of this act.

NEW SECTION. Sec. 14. A new section is added to chapter 82.44 RCW to read as follows:

Funds that are distributed to cities or towns pursuant to RCW 82.44.150 may be transferred by the recipient city or town to another unit of local government pursuant to a government service agreement as provided in sections 4 and 5 of this act.

Sec. 15. RCW 3.62.070 and 1993 c 317 s 8 are each amended to read as follows:

Except in traffic cases wherein bail is forfeited or a monetary penalty paid to a violations bureau, and except in cases filed in municipal departments established pursuant to chapter 3.46 RCW and except in cases where a city has contracted with another city for such services pursuant to chapter 39.34 RCW, in every criminal or traffic infraction action filed by a city for an ordinance violation, the city shall be charged a filing fee. Fees shall be determined pursuant to an agreement as provided for in chapter 39.34 RCW, the interlocal cooperation act, between the city and the county providing the court service. In such criminal or traffic infraction actions the cost of providing services necessary for the preparation and presentation of a defense at public expense are not within the filing fee and shall be paid by the city. In all other criminal or traffic infraction actions, no filing fee shall be assessed or collected: PROVIDED, That in such cases, for the purposes of RCW 3.62.010, four dollars or the agreed filing fee of each fine or penalty, whichever is greater, shall be deemed filing costs.

~~((If, one hundred twenty days before the expiration of an existing contract under this section, the city and the county are unable to agree on terms for renewal, the matter shall be submitted to binding arbitration.))~~ In the event no agreement is reached between a city and the county providing the court service, either party may invoke binding arbitration on the fee issue by notice to the other party. In the case of establishing initial fees, the notice shall be thirty days. In the case of renewal or proposed nonrenewal, the notice shall be given one hundred twenty days prior to the expiration of the existing contract. In the event that such issue is submitted to arbitration, the arbitrator or arbitrators shall only consider those additional costs borne by the county in providing district court services for such city. MESSAGE FROM THE HOUSE

March 2, 1994

MR. PRESIDENT:

The House has passed SECOND SUBSTITUTE SENATE BILL NO. 5341 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 46.61 RCW to read as follows:

(1) Upon the arrest of a person or upon the filing of a complaint, citation, or information in a court of competent jurisdiction, based upon probable cause to believe that a person has violated RCW 46.61.502 or 46.61.504 or any similar municipal ordinance, if such person has a previous conviction for violation of either RCW 46.61.502 or 46.61.504 or other similar municipal ordinance, and where the offense occurs within a five-year period of the previous conviction, and where the person has been provided written notice that any transfer, sale, or encumbrance of such person's interest in the vehicle over which that person was actually driving or had physical control when the violation occurred, is unlawful pending either acquittal, dismissal, sixty days after conviction, or other termination of the charge, such person shall be prohibited from encumbering, selling, or transferring his or her interest in such vehicle, except as otherwise provided in (a), (b), and (c) of this subsection, until either acquittal, dismissal, sixty days after conviction, or other termination of the charge. The prohibition against transfer of title shall not be stayed pending the determination of an appeal from the conviction.

(a) A vehicle encumbered by a bona fide security interest may be transferred to the secured party or to a person designated by the secured party;

(b) A leased or rented vehicle may be transferred to the lessor, rental agency, or to a person designated by the lessor or rental agency; and

(c) A vehicle may be transferred to a third party or a vehicle dealer who is a bona fide purchaser or may be subject to a bona fide security interest in the vehicle unless it is established that (i) in the case of a purchase by a third party or vehicle dealer, such party or dealer had actual notice that the vehicle was subject to the prohibition prior to the purchase, or (ii) in the case of a security interest, the holder of the security interest had actual notice that the vehicle was subject to the prohibition prior to the encumbrance of title.

(2) On a second or subsequent conviction for a violation of either RCW 46.61.502 or 46.61.504 or any similar municipal ordinance where such offense was committed within a five-year period of the previous conviction, the motor vehicle the person was driving or over which the person had actual physical control at the time of the offense, if the person has a financial interest in the vehicle, is subject to seizure and forfeiture pursuant to this section.

(3) A vehicle subject to forfeiture under this chapter may be seized by a law enforcement officer of this state upon process issued by a court of competent jurisdiction. Seizure of a vehicle may be made without process if the vehicle subject to seizure has been the subject of a prior judgment in favor of the state in a forfeiture proceeding based upon this section.

(4) Seizure under subsection (3) of this section automatically commences proceedings for forfeiture. The law enforcement agency under whose authority the seizure was made shall cause notice of the seizure and intended forfeiture of the seized vehicle to be served within fifteen days after the seizure on the owner of the vehicle seized, on the person in charge of the vehicle, and on any person having a known right or interest in the vehicle, including a community property interest. The notice of seizure may be served by any method authorized by law or court rule, including but not limited to service by certified mail with return receipt requested. Service by mail is complete upon mailing within the fifteen-day period after the seizure. Notice of seizure in the case of property subject to a security interest that has been perfected on a certificate of title shall be made by service upon the secured party or the secured party's assignee at the address shown on the financing statement or the certificate of title.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the vehicle is deemed forfeited.

(6) If a person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the seized vehicle within forty-five days of the seizure, the law enforcement agency shall give the person or persons a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020, the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction. Removal may only be accomplished according to the rules of civil procedure. The person seeking removal of the matter must serve process against the state, county, political subdivision, or municipality that operates the seizing agency, and any other party of interest, in accordance with RCW 4.28.080 or 4.92.020, within forty-five days after the person seeking removal has notified the seizing law enforcement agency of the person's claim of ownership or right to possession. The court to which the matter is to be removed shall be the district court when the aggregate value of the vehicle is within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the vehicle involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorneys' fees. The burden of producing evidence shall be upon the person claiming to be the legal owner or the person claiming to have the lawful right to possession of the vehicle. The seizing law enforcement agency shall promptly return the vehicle to the claimant upon a determination by the administrative law judge or court that the claimant is the present legal owner under Title 46 RCW or is lawfully entitled to possession of the vehicle.

(7) When a vehicle is forfeited under this chapter the seizing law enforcement agency may sell the vehicle, retain it for official use, or upon application by a law enforcement agency of this state release the vehicle to that agency for the exclusive use of enforcing this title; provided, however, that the agency shall first satisfy any bona fide security interest to which the vehicle is subject under subsection (1) (a) or (c) of this section.

(8) When a vehicle is forfeited, the seizing agency shall keep a record indicating the identity of the prior owner, if known, a description of the vehicle, the disposition of the vehicle, the value of the vehicle at the time of seizure, and the amount of proceeds realized from disposition of the vehicle.

(9) Each seizing agency shall retain records of forfeited vehicles for at least seven years.

(10) Each seizing agency shall file a report including a copy of the records of forfeited vehicles with the state treasurer each calendar quarter.

(11) The quarterly report need not include a record of a forfeited vehicle that is still being held for use as evidence during the investigation or prosecution of a case or during the appeal from a conviction.

(12) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of vehicles forfeited during the preceding calendar year. Money remitted shall be deposited in the public safety and education account.

(13) The net proceeds of a forfeited vehicle is the value of the forfeitable interest in the vehicle after deducting the cost of satisfying a bona fide security interest to which the vehicle is subject at the time of seizure; and in the case of a sold vehicle, after deducting the cost of sale, including reasonable fees or commissions paid to independent selling agents.

(14) The value of a sold forfeited vehicle is the sale price. The value of a retained forfeited vehicle is the fair market value of the vehicle at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing. A seizing agency may, but need not, use an independent qualified appraiser to determine the value of retained vehicles. If an appraiser is used, the value of the vehicle appraised is net of the cost of the appraisal.

Sec. 2. RCW 46.12.270 and 1993 c 487 s 6 are each amended to read as follows:

Any person violating RCW 46.12.250() or 46.12.260() or 46.12.440) or who transfers, sells, or encumbers an interest in a vehicle in violation of section 1 of this act, with actual notice of the prohibition, is guilty of a misdemeanor and shall be punished by a fine of not more than two hundred fifty dollars or by imprisonment in a county jail for not more than ninety days.

NEW SECTION. Sec. 3. The following acts or parts of acts are each repealed:

- (1) RCW 46.61.511 and 1993 c 487 s 2;
- (2) RCW 46.61.512 and 1993 c 487 s 3;
- (3) RCW 46.12.400 and 1993 c 487 s 4; and
- (4) RCW 46.12.410 and 1993 c 487 s 5.", and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 3, 1994

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5714 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 5 and 7 of this act.

(1) "Borrower" means a person who receives a loan or enters into a retail installment contract under chapter 63.14 RCW to purchase a motor vehicle or vessel in which the secured party holds an interest.

(2) "Motor vehicle" means a motor vehicle in this state subject to registration under chapter 46.16 RCW, except motor vehicles governed by RCW 46.16.020 or registered with the Washington utilities and transportation commission as common or contract carriers.

(3) "Secured party" means a person, corporation, association, partnership, or venture that possesses a bona fide security interest in a motor vehicle or vessel.

(4) "Vendor single-interest" or "collateral protection coverage" means insurance coverage insuring primarily or solely the interest of a secured party but which may include the interest of the borrower in a motor vehicle or vessel serving as collateral and obtained by the secured party or its agent after the borrower has failed to obtain or maintain insurance coverage required by the financing agreement for the motor vehicle or vessel. Vendor single-interest or collateral protection coverage does not include insurance coverage purchased by a secured party for which the borrower is not charged.

(5) "Vessel" means a vessel as defined in RCW 88.02.010 and includes personal watercraft as defined in RCW 88.12.010.

NEW SECTION. Sec. 2. In a contract or loan agreement, or on a separate document accompanying the contract or loan agreement and signed by the borrower, that provides financing for a motor vehicle or vessel and authorizes a secured party to purchase vendor single interest or collateral protection coverage, the following or substantially similar warning must be set forth in ten-point print:

WARNING

UNLESS YOU PROVIDE US WITH EVIDENCE OF THE INSURANCE COVERAGE AS REQUIRED BY OUR LOAN AGREEMENT, WE MAY PURCHASE INSURANCE AT YOUR EXPENSE TO PROTECT OUR INTEREST. THIS INSURANCE MAY, BUT NEED NOT, ALSO PROTECT YOUR INTEREST. IF THE COLLATERAL BECOMES DAMAGED, THE COVERAGE WE PURCHASE MAY NOT PAY ANY CLAIM YOU MAKE OR ANY CLAIM MADE AGAINST YOU. YOU MAY LATER CANCEL THIS COVERAGE BY PROVIDING EVIDENCE THAT YOU HAVE OBTAINED PROPER COVERAGE ELSEWHERE.

YOU ARE RESPONSIBLE FOR THE COST OF ANY INSURANCE PURCHASED BY US. THE COST OF THIS INSURANCE MAY BE ADDED TO YOUR LOAN BALANCE. IF THE COST IS ADDED TO THE LOAN BALANCE, THE INTEREST RATE ON THE UNDERLYING LOAN WILL APPLY TO THIS ADDED AMOUNT. THE EFFECTIVE DATE OF COVERAGE MAY BE THE DATE YOUR PRIOR COVERAGE LAPSED OR THE DATE YOU FAILED TO PROVIDE PROOF OF COVERAGE.

THE COVERAGE WE PURCHASE MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE YOU CAN OBTAIN ON YOUR OWN AND MAY NOT SATISFY WASHINGTON'S MANDATORY LIABILITY INSURANCE LAWS.

NEW SECTION. Sec. 3. (1) A secured party shall not impose charges, that may include but are not limited to interest, finance, and premium charges, on a borrower for vendor single interest or collateral protection coverage for the motor vehicle or vessel as provided in subsection (2) of this section until the following or a substantially similar warning printed in ten-point type is sent to the borrower:

FINAL NOTICE AND WARNING

UNLESS YOU PROVIDE US WITH EVIDENCE OF THE INSURANCE COVERAGE AS REQUIRED BY OUR LOAN AGREEMENT WITHIN FIVE DAYS AFTER THE POSTMARK ON THIS LETTER, WE WILL PURCHASE INSURANCE AT YOUR EXPENSE TO PROTECT OUR INTEREST. THIS INSURANCE MAY, BUT NEED NOT, ALSO PROTECT YOUR INTEREST. IF THE COLLATERAL BECOMES DAMAGED, THE COVERAGE WE PURCHASE MAY NOT PAY ANY CLAIM YOU MAKE OR ANY CLAIM MADE AGAINST YOU. YOU MAY LATER CANCEL THIS COVERAGE BY PROVIDING EVIDENCE THAT YOU HAVE OBTAINED PROPER COVERAGE ELSEWHERE OR HAVE PAID OFF THE LOAN ON THE COLLATERAL IN ITS ENTIRETY.

YOU ARE RESPONSIBLE FOR THE COST OF THE INSURANCE PURCHASED BY US. THE COST OF THIS INSURANCE MAY BE ADDED TO YOUR LOAN BALANCE. IF THE COST IS ADDED TO THE LOAN BALANCE, THE INTEREST RATE ON THE UNDERLYING LOAN WILL APPLY TO THIS ADDED AMOUNT. THE EFFECTIVE DATE OF COVERAGE MAY BE THE DATE YOUR COVERAGE LAPSED OR THE DATE YOU FAILED TO PROVIDE PROOF OF COVERAGE.

THE COVERAGE WE PURCHASE WILL COST YOU A TOTAL OF APPROXIMATELY \$ _____ (PLUS INTEREST) AND MAY BE CONSIDERABLY MORE EXPENSIVE THAN INSURANCE YOU CAN OBTAIN ON YOUR OWN.

The final notice and warning shall identify whether the coverage to be purchased is vendor single interest or collateral protection coverage and disclose the extent of the borrower's coverage, if any, including a statement of whether the coverage satisfies Washington's mandatory liability insurance laws.

(2) If reasonable efforts to provide the borrower with the notice required under subsection (1) of this section fail to produce evidence of the required insurance, the secured party may proceed to impose charges for vendor single interest or collateral protection coverage no sooner than eight days after giving notice as required under this chapter. Reasonable efforts to provide notice under this section means:

(a) Within thirty days before the secured party is required to send the final notice and warning in compliance with subsection (1) of this section, the secured party shall mail a notice by first class mail to the borrower's last known address as contained in the secured party's records. The notice shall state that the secured party intends to charge the borrower for vendor single interest or collateral protection coverage on the collateral if the borrower fails to provide evidence of proper insurance to the lender; and

(b) The secured party shall send the final notice and warning notice in compliance with subsection (1) of this section by certified mail to the borrower's last known address as contained in the secured party's records at least eight days before the insurance is charged to the borrower by the insurer.

(3) The secured party is responsible for complying with subsection (2)(a) and (b) of this section. However, a secured party may seek the services of other entities to fulfill the requirements of subsection (2)(a) and (b) of this section.

(4) Nothing contained in this chapter, or a secured party's compliance with or failure to comply with this chapter, shall be construed to require the secured party to purchase vendor single interest or collateral protection coverage, and the secured party shall not be liable to the borrower or any third party as a result of its failure to purchase vendor single interest or collateral protection coverage.

(5) Substantial compliance by a secured party with sections 1 through 5 of this act constitutes a complete defense to any claim arising under the laws of this state challenging the secured party's placement of vendor single interest or collateral protection coverage.

(6) The effective date of vendor single interest or collateral protection coverage placed under this chapter shall be either the date that the borrower's prior coverage lapsed or the date that the borrower failed to provide proof of coverage on the vehicle or vessel as required under the contract or loan agreement. Premiums for vendor single interest or collateral protection coverage placed under this chapter shall be calculated on a basis that does not exceed the outstanding credit balance as of the effective date of the coverage even though the coverage may limit liability to the outstanding balance, actual cash value, or cost of repair.

(7) If the secured party has purchased the contract or loan agreement relating to the motor vehicle or vessel from the seller of the motor vehicle or vessel under an agreement that the seller must repurchase the contract or loan agreement in the event of a default by the borrower, the secured party shall send a copy of the notice provided under subsection (2)(a) of this section by first class mail to the seller at the seller's last known address on file with the secured party when such notice is sent to the borrower under subsection (2)(a) of this section.

NEW SECTION. Sec. 4. (1) The secured party shall cancel vendor single interest or collateral protection coverage charged to the borrower effective the date of receipt of proper evidence from the borrower that the borrower has obtained insurance to protect the secured party's interest. Proper evidence includes an insurance binder that is no older than ninety days from the date of issuance and that contains physical damage coverage as provided in the borrower's loan agreement with respect to the motor vehicle or vessel.

(2) If the underlying loan or extension of credit for the underlying loan is satisfied, the secured party may not require the borrower to maintain vendor single interest or collateral protection coverage that has been purchased.

(3) The interest rate for financing the cost of vendor single interest or collateral protection coverage may not exceed the interest rate applied to the underlying loan obligation.

NEW SECTION. Sec. 5. If vendor single interest or collateral protection coverage is canceled or discontinued under section 4 (1) or (2) of this act, the amount of unearned premium must be refunded to the borrower. At the option of the secured party, this refund may take the form of a credit against the borrower's obligation to the secured party. If the refund is taken as a credit against the borrower's obligation to the secured party, the secured party shall provide the borrower with an itemized statement that indicates the amount of the credit and where the credit has been applied.

NEW SECTION. Sec. 6. Sections 1 through 5 and 7 of this act are added to chapter 48.22 RCW.

NEW SECTION. Sec. 7. The failure of a secured party prior to January 1, 1995, to provide notice as contemplated in this chapter, or otherwise to administer a vendor single interest or collateral protection coverage program in a manner similar to that required under this chapter, shall not be admissible in any court or arbitration proceeding or otherwise used to prove that a secured party's actions with respect to vendor single interest or collateral protection coverage or similar coverage were unlawful or otherwise improper. A secured party shall not be liable to the borrower or any other party for placing vendor single interest or collateral protection coverage in accordance with the terms of an otherwise legal loan or other written agreement with the borrower entered prior to January 1, 1995. The provisions of this section shall be applicable with respect to actions pending or commenced on or after the effective date of this section.

NEW SECTION. Sec. 8. Sections 1 through 5 of this act take effect January 1, 1995.", and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

March 2, 1994

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 6000 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Charges" means charges of the commission for moorage and storage, and all other charges related to the vessel and owing to or that become owing to the commission, including but not limited to costs of securing, disposing, or removing vessels, damages to any commission facility, and any costs of sale and related legal expenses for implementing sections 2 and 3 of this act.

(2) "Commission" means the Washington state parks and recreation commission.

(3) "Commission facility" means any property or facility owned, leased, operated, managed, or otherwise controlled by the commission or by a person pursuant to a contract with the commission.

(4) "Owner" means a person who has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest, and shall not include the holder of a bona fide security interest.

(5) "Person" means any natural person, firm, partnership, corporation, association, organization, or any other entity.

(6)(a) "Registered owner" means any person that is either: (i) Shown as the owner in a vessel certificate of documentation issued by the secretary of the United States department of transportation under 46 U.S.C. Sec. 12103; or (ii) the registered owner or legal owner of a vessel for which a certificate of title has been issued under chapter 88.02 RCW; or (iii) the owner of a vessel registered under the vessel registration laws of another state under which laws the commission can readily identify the ownership of vessels registered with that state. (b) "Registered owner" also includes: (i) Any holder of a security interest or lien recorded with the United States department of transportation with respect to a vessel on which a certificate of documentation has been issued; (ii) any holder of a security interest identified in a certificate of title for a vessel registered under chapter 88.02 RCW; or (iii) any holder of a security interest in a vessel where the holder is identified in vessel registration information of a state with vessel registration laws that fall within (a)(iii) of this subsection and under which laws the commission can readily determine the identity of the holder.

(c) "Registered owner" does not include any vessel owner or holder of a lien or security interest in a vessel if the vessel does not have visible information affixed to it (such as name and hailing port or registration numbers) that will enable the commission to obtain ownership information for the vessel without incurring unreasonable expense.

(7) "Registered vessel" means a vessel having a registered owner.

(8) "Secured vessel" means any vessel that has been secured by the commission that remains in the commission's possession and control.

(9) "Unauthorized vessel" means a vessel using a commission facility of any type whose owner has not paid the required moorage fees or has left the vessel beyond the posted time limits, or a vessel otherwise present without permission of the commission.

(10) "Vessel" means every watercraft or part thereof constructed, used, or capable of being used as a means of transportation on the water. It includes any equipment or personal property on the vessel that is used or capable of being used for the operation, navigation, or maintenance of the vessel.

NEW SECTION. Sec. 2. (1) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, and locks, or removal from the water, to secure unauthorized vessels located at or on a commission facility so that the unauthorized vessels are in the possession and control of the commission. At least ten days before securing any unauthorized registered vessel, the commission shall send notification by registered mail to the last registered owner or registered owners of the vessel at their last known address or addresses.

(2) The commission may take reasonable measures, including but not limited to the use of anchors, chains, ropes, locks, or removal from the water, to secure any vessel if the vessel, in the opinion of the commission, is a nuisance, is in danger of sinking or creating other damage to a commission facility, or is otherwise a threat to the health, safety, or welfare of the public or environment at a commission facility. The costs of any such procedure shall be paid by the vessel's owner.

(3) At the time of securing any vessel under subsection (1) or (2) of this section, the commission shall attach to the vessel a readily visible notice or, when practicable, shall post such notice in a conspicuous location at the commission facility in the event the vessel is removed from the premises. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached or posted;

(b) A statement that the vessel has been secured by the commission and that if the commission's charges, if any, are not paid and the vessel is not removed by (the thirty-fifth consecutive day following the date of attachment or posting of the notice), the vessel will be considered abandoned and will be sold at public auction to satisfy the charges;

(c) The address and telephone number where additional information may be obtained concerning the securing of the vessel and conditions for its release; and

(d) A description of the owner's or secured party's rights under this chapter.

(4) With respect to registered vessels: Within five days of the date that notice is attached or posted under subsection (3) of this section, the commission shall send such notice, by registered mail, to each registered owner.

(5) If a vessel is secured under subsection (1) or (2) of this section, the owner, or any person with a legal right to possess the vessel, may claim the vessel by:

(a) Making arrangements satisfactory to the commission for the immediate removal of the vessel from the commission's control or for authorized storage or moorage; and

(b) Making payment to the commission of all reasonable charges incurred by the commission in securing the vessel under subsections (1) and (2) of this section and of all moorage fees owed to the commission.

(6) A vessel is considered abandoned if, within the thirty-five day period following the date of attachment or posting of notice in subsection (3) of this section, the vessel has not been claimed under subsection (5) of this section.

NEW SECTION. Sec. 3. (1) The commission may provide for the public sale of vessels considered abandoned under section 2 of this act. At such sales, the vessels shall be sold for cash to the highest and best bidder.

(2) Before a vessel is sold, the commission shall make a reasonable effort to provide notice of sale, at least twenty days before the day of the sale, to each registered owner of a registered vessel and each owner of an unregistered vessel. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of charges then owing with respect to the vessel, and a summary of the rights and procedures under this chapter. A notice of sale shall be published at least once, more than ten but not more than twenty days before the sale, in a newspaper of general circulation in the county in which the commission facility is located. This notice shall include: (a) If known, the name of the vessel and the last owner and the owner's address; and (b) a reasonable description of the vessel. The commission may bid all or part of its charges at the sale and may become a purchaser at the sale.

(3) Before a vessel is sold, any person seeking to redeem a secured vessel may commence a lawsuit in the superior court for the county in which the vessel was secured to contest the commission's decision to secure the vessel or the amount of charges owing. This lawsuit shall be commenced within fifteen days of the date the notification was posted under section 2(3) of this act, or the right to a hearing is deemed waived and the owner is liable for any charges owing the commission. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs.

(4) The proceeds of a sale under this section shall be applied first to the payment of the amount of the reasonable charges incurred by the commission and moorage fees owed to the commission, then to the owner or to satisfy any liens of record or security interests of record on the vessel in the order of their priority. If an owner cannot in the exercise of due diligence be located by the commission within one year of the date of the sale, any excess funds from the sale, following the satisfaction of any bona fide security interest, shall revert to the department of revenue under chapter 63.29 RCW. If the sale is for a sum less than the applicable charges, the commission is entitled to assert a claim for the deficiency against the vessel owner. Nothing in this section prevents any lien holder or secured party from asserting a claim for any deficiency owed the lien holder or secured party.

(5) If no one purchases the vessel at a sale, the commission may proceed to properly dispose of the vessel in any way the commission considers appropriate, including, but not limited to, destruction of the vessel or by negotiated sale. The commission may assert a claim against the owner for any charges incurred thereby. If the vessel, or any part of the vessel, or any rights to the vessel, are sold under this subsection, any proceeds from the sale shall be distributed in the manner provided in subsection (4) of this section.

NEW SECTION. Sec. 4. If the full amount of all charges due the commission on an unauthorized vessel is not paid to the commission within thirty days after the date on which notice is affixed or posted under section 2(3) of this act, the commission may bring an action in any court of competent jurisdiction to recover the charges, plus reasonable attorneys' fees and costs incurred by the commission.

NEW SECTION. Sec. 5. The rights granted to the commission under sections 1 through 5 of this act are in addition to any other legal rights the commission may have to secure, hold, and sell a vessel and in no manner does this section alter those rights, or affect the priority of other liens on a vessel.

Sec. 6. RCW 63.21.080 and 1985 c 7 s 125 are each amended to read as follows:

This chapter shall not apply to:

(1) Motor vehicles under chapter 46.52 RCW;

(2) Unclaimed property in the hands of a bailee under chapter 63.24 RCW; ((and))

(3) Uniform disposition of unclaimed property under chapter 63.29 RCW; and

(4) Secured vessels under chapter 88.-- RCW (sections 1 through 5 of this act).

NEW SECTION. Sec. 7. RCW 88.12.370 and 1989 c 393 s 2 are each repealed.

NEW SECTION. Sec. 8. A new section is added to chapter 88.12 RCW to read as follows:

The provisions of RCW 88.12.185 through 88.12.225 do not apply to vessels secured pursuant to chapter 88.-- RCW (sections 1 through 5 of this act).

NEW SECTION. Sec. 9. Sections 1 through 5 of this act shall constitute a new chapter in Title 88 RCW.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "vessels;" strike the remainder of the title and insert "amending RCW 63.21.080; adding a new section to chapter 88.12 RCW; adding a new chapter to Title 88 RCW; and repealing RCW 88.12.370.", and the same are herewith transmitted.

Sec. 2. RCW 38.52.010 and 1993 c 251 s 5 and 1993 c 206 s 1 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "Emergency management" or "comprehensive emergency management" means the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to, and recover from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural or man-made, and to provide support for search and rescue operations for persons and property in distress. (b) "Emergency" as used in RCW 38.52.430 means an incident that requires a normal police, coroner, fire, rescue, emergency medical services, or utility response as a result of a violation of one of the statutes enumerated in RCW 38.52.430.

Nothing in this section shall affect appropriate activity by the department of transportation under chapter 47.68 RCW.

(8) "Executive head" and "executive heads" means the county executive in those charter counties with an elective office of county executive, however designated, and, in the case of other counties, the county legislative authority. In the case of cities and towns, it means the mayor.

Sec. 3. RCW 38.52.090 and 1987 c 185 s 6 are each amended to read as follows:

(1) The director of each local organization for emergency management may, in collaboration with other public and private agencies within this state, develop or cause to be developed mutual aid arrangements for reciprocal emergency management aid and assistance in case of disaster too great to be dealt with unassisted. Such arrangements shall be consistent with the state emergency management plan and program, and in time of emergency it shall be the duty of each local organization for emergency management to render assistance in accordance with the provisions of such mutual aid arrangements. The (~~director of community development~~) adjutant general shall adopt and distribute a standard form of contract for use by local organizations in understanding and carrying out said mutual aid arrangements.

(2) The (~~director of community development~~) adjutant general and the director of each local organization for emergency management may, subject to the approval of the governor, enter into mutual aid arrangements with emergency management agencies or organizations in other states for reciprocal emergency management aid and assistance in case of disaster too great to be dealt with unassisted. All such arrangements shall be pursuant to either of the compacts contained in subsection (2) (a) or (b) of this section.

(a) The legislature recognizes that the compact language contained in this subsection is inadequate to meet many forms of emergencies. For this reason, after June 7, 1984, the state may not enter into any additional compacts under this subsection (2)(a).

INTERSTATE CIVIL DEFENSE AND DISASTER COMPACT

The contracting States solemnly agree:

Article 1. The purpose of this compact is to provide mutual aid among the States in meeting any emergency or disaster from enemy attack or other cause (natural or otherwise) including sabotage and subversive acts and direct attacks by bombs, shellfire, and atomic, radiological, chemical, bacteriological means, and other weapons. The prompt, full and effective utilization of the resources of the respective States, including such resources as may be available from the United States Government or any other source, are essential to the safety, care and welfare of the people thereof in the event of enemy action or other emergency, and any other resources, including personnel, equipment or supplies, shall be incorporated into a plan or plans of mutual aid to be developed among the civil defense agencies or similar bodies of the States that are parties hereto. The Directors of Civil Defense (Emergency Services) of all party States shall constitute a committee to formulate plans and take all necessary steps for the implementation of this compact.

Article 2. It shall be the duty of each party State to formulate civil defense plans and programs for application within such State. There shall be frequent consultation between the representatives of the States and with the United States Government and the free exchange of information

and plans, including inventories of any materials and equipment available for civil defense. In carrying out such civil defense plans and programs the party States shall so far as possible provide and follow uniform standards, practices and rules and regulations including:

- (a) Insignia, arm bands and any other distinctive articles to designate and distinguish the different civil defense services;
- (b) Blackouts and practice blackouts, air raid drills, mobilization of civil defense forces and other tests and exercises;
- (c) Warnings and signals for drills or attacks and the mechanical devices to be used in connection therewith;
- (d) The effective screening or extinguishing of all lights and lighting devices and appliances;
- (e) Shutting off water mains, gas mains, electric power connections and the suspension of all other utility services;

(f) All materials or equipment used or to be used for civil defense purposes in order to assure that such materials and equipment will be easily and freely interchangeable when used in or by any other party State;

(g) The conduct of civilians and the movement and cessation of movement of pedestrians and vehicular traffic, prior, during, and subsequent to drills or attacks;

(h) The safety of public meetings or gatherings; and

(i) Mobile support units.

Article 3. Any party State requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this compact in accordance with the terms hereof; provided that it is understood that the State rendering aid may withhold resources to the extent necessary to provide reasonable protection for such State. Each party State shall extend to the civil defense forces of any other party State, while operating within its State limits under the terms and conditions of this compact, the same powers (except that of arrest unless specifically authorized by the receiving State), duties, rights, privileges and immunities as if they were performing their duties in the State in which normally employed or rendering services. Civil defense forces will continue under the command and control of their regular leaders but the organizational units will come under the operational control of the civil defense authorities of the State receiving assistance.

Article 4. Whenever any person holds a license, certificate or other permit issued by any State evidencing the meeting of qualifications for professional, mechanical or other skills, such person may render aid involving such skill in any party State to meet an emergency or disaster and such State shall give due recognition to such license, certificate or other permit as if issued in the State in which aid is rendered.

Article 5. No party State or its officers or employees rendering aid in another State pursuant to this compact shall be liable on account of any act or omission in good faith on the part of such forces while so engaged, or on account of the maintenance or use of any equipment or supplies in connection therewith.

Article 6. Inasmuch as it is probable that the pattern and detail of the machinery for mutual aid among two or more states may differ from that appropriate among other States party hereto, this instrument contains elements of a broad base common to all States, and nothing herein contained shall preclude any State from entering into supplementary agreements with another State or States. Such supplementary agreements may comprehend, but shall not be limited to, provisions for evacuation and reception of injured and other persons, and the exchange of medical, fire, police, public utility, reconnaissance, welfare, transportation and communications personnel, equipment and supplies.

Article 7. Each party State shall provide for the payment of compensation and death benefits to injured members of the civil defense forces of that State and the representatives of deceased members of such forces in case such members sustain injuries or are killed while rendering aid pursuant to this compact, in the same manner and on the same terms as if the injury or death were sustained within such State.

Article 8. Any party State rendering aid in another State pursuant to this compact shall be reimbursed by the party State receiving such aid for any loss or damage to, or expense incurred in the operation of any equipment answering a request for aid, and for the cost incurred in connection with such requests; provided, that any aiding State may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the receiving party State without charge or cost; and provided further that any two or more party States may enter into supplementary agreements establishing a different allocation of costs as among those States. The United States Government may relieve the party State receiving aid from any liability and reimburse the party State supplying civil defense forces for the compensation paid to and the transportation, subsistence and maintenance expenses of such forces during the time of the rendition of such aid or assistance outside the State and may also pay fair and reasonable compensation for the use or utilization of the supplies, materials, equipment or facilities so utilized or consumed.

Article 9. Plans for the orderly evacuation and reception of the civilian population as the result of an emergency or disaster shall be worked out from time to time between representatives of the party States and the various local civil defense areas thereof. Such plans shall include the manner of transporting such evacuees, the number of evacuees to be received in different areas, the manner in which food, clothing, housing, and medical care will be provided, the registration of the evacuees, the providing of facilities for the notification of relatives or friends and the forwarding of such evacuees to other areas or the bringing in of additional materials, supplies, and all other relevant factors. Such plans shall provide that the party State receiving evacuees shall be reimbursed generally for the out-of-pocket expenses incurred in receiving and caring for such evacuees, for expenditures for transportation, food, clothing, medicines and medical care and like items. Such expenditures shall be reimbursed by the party State of which the evacuees are residents, or by the United States Government under plans approved by it. After the termination of the emergency or disaster the party State of which the evacuees are resident shall assume the responsibility for the ultimate support or repatriation of such evacuees.

Article 10. This compact shall be available to any State, territory or possession of the United States, and the District of Columbia. The term "State" may also include any neighboring foreign country or province or state thereof.

Article 11. The committee established pursuant to Article 1 of this compact may request the Civil Defense Agency of the United States Government to act as an informational and coordinating body under this compact, and representatives of such agency of the United States Government may attend meetings of such committee.

Article 12. This compact shall become operative immediately upon its ratification by any State as between it and any other State or States so ratifying and shall be subject to approval by Congress unless prior Congressional approval has been given. Duly authenticated copies of this compact and of such supplementary agreements as may be entered into shall, at the time of their approval, be deposited with each of the party States and with the Civil Defense Agency and other appropriate agencies of the United States Government.

Article 13. This compact shall continue in force and remain binding on each party State until the legislature or the Governor of such party State takes action to withdraw therefrom. Such action shall not be effective until 30 days after notice thereof has been sent by the Governor of the party State desiring to withdraw to the Governors of all other party States.

Article 14. This compact shall be construed to effectuate the purposes stated in Article 1 hereof. If any provision of this compact is declared unconstitutional, or the applicability thereof to any person or circumstance is held invalid, the constitutionality of the remainder of this compact and the applicability thereof to other persons and circumstances shall not be affected thereby.

Article 15. (a) This Article shall be in effect only as among those states which have enacted it into law or in which the Governors have adopted it pursuant to constitutional or statutory authority sufficient to give it the force of law as part of this compact. Nothing contained in this Article or in any supplementary agreement made in implementation thereof shall be construed to abridge, impair or supersede any other provision of this compact or any obligation undertaken by a State pursuant thereto, except that if its terms so provide, a supplementary agreement in implementation of this Article may modify, expand or add to any such obligation as among the parties to the supplementary agreement.

(b) In addition to the occurrences, circumstances and subject matters to which preceding articles of this compact make it applicable, this compact and the authorizations, entitlements and procedures thereof shall apply to:

1. Searches for and rescue of person who are lost, marooned, or otherwise in danger.
2. Action useful in coping with disasters arising from any cause or designed to increase the capability to cope with any such disasters.
3. Incidents, or the imminence thereof, which endanger the health or safety of the public and which require the use of special equipment, trained personnel or personnel in larger numbers than are locally available in order to reduce, counteract or remove the danger.
4. The giving and receiving of aid by subdivisions of party States.
5. Exercises, drills or other training or practice activities designed to aid personnel to prepare for, cope with or prevent any disaster or other emergency to which this compact applies.

(c) Except as expressly limited by this compact or a supplementary agreement in force pursuant thereto, any aid authorized by this compact or such supplementary agreement may be furnished by any agency of a party State, a subdivision of such State, or by a joint agency providing such aid shall be entitled to reimbursement therefor to the same extent and in the same manner as a State. The personnel of such a joint agency, when rendering aid pursuant to this compact shall have the same rights, authority and immunity as personnel of party States.

(d) Nothing in this Article shall be construed to exclude from the coverage of Articles 1-15 of this compact any matter which, in the absence of this Article, could reasonably be construed to be covered thereby.

(b) The compact language contained in this subsection (2)(b) is intended to deal comprehensively with emergencies requiring assistance from other states.

INTERSTATE MUTUAL AID COMPACT

Purpose

The purpose of this Compact is to provide voluntary assistance among participating states in responding to any disaster or imminent disaster, that over extends the ability of local and state governments to reduce, counteract or remove the danger. Assistance may include, but not be limited to, rescue, fire, police, medical, communication, transportation services and facilities to cope with problems which require use of special equipment, trained personnel or personnel in large numbers not locally available.

Authorization

Article I, Section 10 of the Constitution of the United States permits a state to enter into an agreement or compact with another state, subject to the consent of Congress. Congress, through enactment of Title 50 U.S.C. Sections 2281(g), 2283 and the Executive Department, by issuance of Executive Orders No. 10186 of December 1, 1950, encourages the states to enter into emergency, disaster and civil defense mutual aid agreements or pacts.

Implementation

It is agreed by participating states that the following conditions will guide implementation of the Compact:

1. Participating states through their designated officials are authorized to request and to receive assistance from a participating state. Requests will be granted only if the requesting state is committed to the mitigation of the emergency, and other resources are not immediately available.
2. Requests for assistance may be verbal or in writing. If the request is made by other than written communication, it shall be confirmed in writing as soon as practical after the request. A written request shall provide an itemization of equipment and operators, types of expertise, personnel or other resources needed. Each request must be signed by an authorized official.
3. Personnel and equipment of the aiding party made available to the requesting party shall, whenever possible, remain under the control and direction of the aiding party. The activities of personnel and equipment of the aiding party must be coordinated by the requesting party.
4. An aiding state shall have the right to withdraw some or all of their personnel and/or equipment whenever the personnel or equipment are needed by that state. Notice of intention to withdraw should be communicated to the requesting party as soon as possible.

General Fiscal Provisions

The state government of the requesting party shall reimburse the state government of the aiding party. It is understood that reimbursement shall be made as soon as possible after the receipt by the requesting party of an itemized voucher requesting reimbursement of costs.

1. Any party rendering aid pursuant to this Agreement shall be reimbursed by the state receiving such aid for any damage to, loss of, or expense incurred in the operation of any equipment used in responding to a request for aid, and for the cost incurred in connection with such requests.
2. Any state rendering aid pursuant to this Agreement shall be reimbursed by the state receiving such aid for the cost of payment of compensation and death benefits to injured officers, agents, or employees and their dependents or representatives in the event such officers, agents, or employees sustain injuries or are killed while rendering aid pursuant to this arrangement, provided that such payments are made in the same manner and on the same terms as if the injury or death were sustained within such state.

Privileges and Immunities

1. All privileges and immunities from liability, exemptions from law, ordinances, rules, all pension, relief disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees when performing their respective functions within the territorial limits of their respective political subdivisions, shall apply to them to the same degree and extent while engaged in the performance of any of their functions and duties extra-territorially under the provisions of this Agreement.
2. When mobilization is declared and authorized as provided in this chapter, all fire fighting resources except those of the host fire protection authorities, i.e. incident jurisdiction, shall be deemed as mobilized under this chapter, including those that responded earlier under existing mutual aid or other agreement. All nonhost fire protection authorities providing fire fighting resources in response to a mobilization declaration shall be eligible for expense reimbursement as provided by this chapter from the time of the mobilization declaration.

(1) Provide the policy and organizational structure for large scale mobilization of fire fighting resources in the state through creation of the Washington state fire services mobilization plan;

(2) Confer upon the director of the department of community, trade, and economic development the powers provided herein; and

If possible, mutual aid agreements should be without stated limitations as to resources available, time, or area. (1) ~~((Within five days of the adoption by the county legislative authority of an ordinance authorizing))~~ Not later than ninety days before the publication and distribution of a local voters' pamphlet by a county, the county auditor shall notify each city, town, or special taxing district located wholly within that county that a pamphlet will be produced. ~~((If the ordinance applies to future primaries or elections, the ordinance shall provide for such a notification prior to those primaries or elections.))~~

If it chooses to participate, it shall include information on all measures from that jurisdiction, and may include information on candidates.))~~

(5) A unit of local government located within a county and the county may enter into an interlocal agreement for the publication of a voters' pamphlet for offices or measures not required by subsection (2) of this section to appear in a county's pamphlet.

An annual license fee determined by the director as provided in RCW 43.24.086 shall be paid to the director on or before January first of each year. Such bond shall run to the state of Washington as obligee for the benefit of the state and conditioned that the licensee shall faithfully and truly perform all agreements entered into with the licensee's clients or customers and shall, within thirty days after the close of each calendar month, account to and pay to his client or customer the net proceeds of all collections made during the preceding calendar month and due to each client or customer less any offsets due licensee under RCW 19.16.210 and 19.16.220. The bond required by this section shall remain in effect until canceled by action of the surety or the licensee or the director.

(2) An applicant for a license under this chapter may furnish, file, and deposit with the director, in lieu of the surety bond provided for herein, a cash deposit or other negotiable security acceptable to the director. (4) The director shall immediately cancel the bond given by a surety company upon being advised that the surety company's license to transact business in this state has been revoked.

(5) Upon the filing with the director of notice by a surety of his withdrawal as the surety on the bond of a licensee or upon the cancellation by the director of the bond of a surety as provided in this section, the director shall immediately give notice to the licensee of the withdrawal or cancellation. The notice shall be sent to the licensee by registered or certified mail with request for a return receipt and addressed to the licensee at his or its main office as shown by the records of the director. At the expiration of thirty days from the date of mailing the notice, the license of the licensee shall be terminated, unless the licensee has filed a new bond with a surety satisfactory to the director.

(6) All bonds given under this chapter shall be filed and held in the office of the director.

(7) An out-of-state collection agency need not fulfill the bonding requirements under this section if the out-of-state collection agency maintains an adequate bond or legal alternative as required by the state in which the out-of-state collection agency is located.

Moneys received must be deposited within ten days after posting to the book of accounts. In no event shall moneys received be disposed of in any manner other than to deposit such moneys in said account or as provided in this section.

The bank account shall bear some title sufficient to distinguish it from the licensee's personal or general checking account, such as "Customer's Trust Fund Account". There shall be sufficient funds in said trust account at all times to pay all moneys due or owing to all customers and no disbursements shall be made from such account except to customers or to remit moneys collected from debtors on assigned claims and due licensee's attorney or to refund over payments except that a licensee may periodically withdraw therefrom such moneys as may accrue to licensee.

A holder of an out-of-state collection agency license is deemed to have appointed the director or the director's designee to be the licensee's true and lawful agent upon whom may be served any legal process against that licensee arising or growing out of any violation of this chapter.

Sec. 10. RCW 19.16.430 and 1973 1st ex.s. c 20 s 6 are each amended to read as follows:

NEW SECTION. Sec. 14. All licenses issued by the department of fisheries under Title 75 RCW or issued by the department of wildlife under Title 77 RCW shall be recognized as valid by the department of fish and wildlife until the stated expiration date.

NEW SECTION. Sec. 15. A warm water game fish enhancement program is created in the department to be funded from the sale of a warm water game fish surcharge and the revenue attributed to the sale of department fishing licenses that are purchased by fishers who fish for certain warm water game fish species. The enhancement program shall be designed to increase the opportunities to fish for and catch warm water game fish including: Largemouth black bass, smallmouth black bass, channel catfish, black crappie, white crappie, walleye, and tiger musky, and other species as defined by the department. The program shall be designed to use a practical applied approach to increasing warm water fishing. The department shall use the funds available efficiently to assure the greatest increase in the fishing for warm water fish at the lowest cost. This approach shall involve the minimization of overhead and administrative costs and the maximization of productive in-the-field activities.

NEW SECTION. Sec. 16. In order to fish throughout the state for warm water game fish, a person fifteen years of age or older shall pay to the department an annual warm water game fish surcharge. For the purposes of this section, "warm water game fish" means largemouth black bass, smallmouth black bass, walleye, black crappie, white crappie, channel catfish, and tiger musky. The department shall use the most cost-effective format in designing and administering the surcharge. Revenues from the surcharge shall be deposited in the warm water game fish account created under section 18 of this act. The annual surcharge shall be in the following amounts:

(1) For residents and nonresidents between fifteen and sixty-nine years of age and for nonresidents seventy years of age or older who hold an annual fishing license issued under RCW 77.32.101, five dollars;

(2) For residents seventy years of age or older who hold an annual fishing license issued under RCW 77.32.101, one dollar; and

(3) For residents and nonresidents between fifteen and sixty-nine years of age and nonresidents seventy years of age and older who hold a temporary fishing license under RCW 77.32.161, two dollars.

NEW SECTION. Sec. 17. The goals of the warm water game fish enhancement program are to improve the fishing for warm water game fish using cost-effective management. Development of new ponds and lakes shall be an important and integral part of the program. The department shall work with the department of natural resources to coordinate the reclamation of surface mines and the development of warm water game fish ponds. Improvement of warm water fishing shall be coordinated with the protection and conservation of cold water fish populations. This shall be accomplished by carefully designing the warm water projects to have minimal adverse effects upon the cold water fish populations. New pond and lake development should have beneficial effects upon wildlife due to the increase in lacustrine and wetland habitat that will accompany the improvement of warm water fish habitat. The department shall not develop projects that will increase the populations of undesirable or deleterious fish species such as carp, squawfish, walking catfish, and others.

Fish culture programs shall be used in conditions where they will prove to be cost-effective. Consideration should be made for development of urban area enhancement of fishing opportunity for put-and-take species, such as channel catfish, which are amenable to production by low-cost fish culture methods. Fish culture shall also be used for stocking of high value species, such as walleye, smallmouth bass, and tiger musky. Introduction of special genetic strains that show high potential for recreational fishing improvement, including Florida strain largemouth bass, shall be considered.

Transplantation and introduction of exotic warm water fish shall be carefully reviewed to assure that adverse effects to native fish and wildlife populations do not occur. This review shall include an analysis of consequences from disease and parasite introduction.

Population management through the use of fish toxicants, including rotenone or derris root, shall be considered as a management option in the warm water game fish enhancement program. However, any use of fish toxicants shall be subject to a thorough review to prevent adverse effects to cold water fish, desirable warm water fish, and other biota. Eradication of deleterious fish species shall be a goal of the program.

Habitat improvement shall be a major aspect of the warm water enhancement program. Habitat improvement opportunities shall be defined with scientific investigations, field surveys, and by using the extensive experience of other state management entities. Installation of cover, structure, water flow control structures, screens, spawning substrate, vegetation control, and other management techniques shall be fully used. The department shall work to gain access to privately owned waters that can be developed with habitat improvements to improve the warm water resource for public fishing. Habitat improvements shall be conducted in such a manner as to have secondary benefits to waterfowl, other wildlife, and cold water fish.

The program may include research if necessary to achieve overall program goals.

The department shall use the resources of cooperative groups to assist in the planning and implementation of the warm water game fish enhancement program. In the development of the program the department shall actively involve the organized fishing clubs that primarily fish for warm water fish.

NEW SECTION. Sec. 18. The warm water game fish account is hereby created in the state wildlife fund. Moneys in the account are subject to legislative appropriation and shall be used for the purpose of funding the warm water game fish enhancement program under section 15 of this act. Revenues from the warm water game fish surcharge established under section 16 of this act shall be deposited into the account.

NEW SECTION. Sec. 19. The director shall make every effort to allocate funding among department fish management programs proportional to the revenues from the sale of fishing licenses issued under RCW 77.32.101 and attributable to fishing for the species managed within each of the programs.

NEW SECTION. Sec. 20. Sections 15 through 19 of this act shall constitute a new chapter in Title 77 RCW.

NEW SECTION. Sec. 21. (1) Sections 15 and 17 through 19 of this act shall take effect July 1, 1994.

(2) Section 16 of this act shall take effect January 1, 1995.

NEW SECTION. Sec. 22. Section 14 of this act shall take effect July 1, 1994.

NEW SECTION. Sec. 23. Sections 1 through 13 of this act shall take effect January 1, 1995.", and the same are herewith transmitted.

MOTION

Senator Pelz moved that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 6155.

POINT OF INQUIRY

Senator Anderson: "Senator Pelz, in our summaries, it says, 'Districts are permitted but not required to request information from students.' What type of information is this? Can you key us back in to the underlying bill, please?"

Senator Pelz: "This is a bill that deals with the transfer of records when a student moves from one school to another. The section that you are referring to says that when a student arrives at a new school, under the Senate version, it said that the district shall ask the parent and student a variety of questions. The questions deal with the past record of the student, any criminal problem, etc. Our language said that the district shall ask the parent and student this information. The House said they may, but if the district doesn't want to interview the parent and the student in this written format, they are not required to do it. I think it is a logical flexibility for the receiving school."

The President declared the question before the Senate to be the motion by Senator Pelz that the Senate do concur in the House amendments to Engrossed Substitute Senate Bill No. 6155.

The motion by Senator Pelz carried and the Senate concurred in the House amendments to Engrossed Substitute Senate Bill No. 6155.

(1) Tuberculosis has been and continues to be a threat to the public's health in the state of Washington.

(2) While it is important to respect the rights of individuals, the legitimate public interest in protecting the public health and welfare from the spread of a deadly infectious disease outweighs incidental curtailment of individual rights that may occur in implementing effective testing, treatment, and infection control strategies.

Further, it is imperative that public health officials and their staff have the necessary authority and discretion to take actions as are necessary to protect the health and welfare of the public, subject to the constitutional protection required under the federal and state Constitutions. Nothing in this chapter shall be construed as in any way limiting the broad powers of health officials to act as necessary to protect the public health.

(1) The state board of health shall adopt rules establishing the requirements for:

(a) Reporting confirmed or suspected cases of tuberculosis by health care providers and reporting of laboratory results consistent with tuberculosis by medical test sites;

(b) Due process standards for health officers exercising their authority to involuntarily detain, test, treat, or isolate persons with suspected or confirmed tuberculosis under RCW 70.28.031 and 70.05.070 that provide for release from any involuntary detention, testing, treatment, or isolation as soon as the health officer determines the patient no longer represents a risk to the public's health;

(c) Training of persons to perform tuberculosis skin testing and to administer tuberculosis medications.

(2) Notwithstanding any other provision of law, persons trained under subsection (1)(c) of this section may perform skin testing and administer medications if doing so as part of a program established by a state or local health officer to control tuberculosis.

Within fourteen days of the entry of a judgment of conviction of an individual for a felony, the clerk of the court shall send a notice of the conviction including the full name of the defendant and his or her residential address to the county auditor or custodian of voting records in the county of the defendant's residence.

Sec. 2. RCW 29.01.006 and 1990 c 59 s 2 are each amended to read as follows:

As used in this title:

(1) "Ballot" means, as the context implies, either:

(b) A facsimile of the contents of a particular ballot whether printed on a paper ballot or ballot card or as part of a voting machine or voting device;

(c) A physical or electronic record of the choices of an individual voter in a particular primary, general election, or special election; or

(d) The physical document on which the voter's choices are to be recorded;

(2) "Paper ballot" means a piece of paper on which the ballot for a particular election or primary has been printed, on which a voter may record his or her choices for any candidate or for or against any measure, and that is to be tabulated manually;

(3) "Ballot card" means any type of card or piece of paper of any size on which a voter may record his or her choices for any candidate and for or against any measure and that is to be tabulated on a vote tallying system;

(4) "Sample ballot" means a printed facsimile of all the issues and offices on the ballot in a jurisdiction and is intended to give voters notice of the issues, offices, and candidates that are to be voted on at a particular primary, general election, or special election;

(5) "Special ballot" means a ballot issued to a voter at the polling place on election day by the precinct election board, for one of the following reasons:

(a) The voter's name does not appear in the poll book;

(b) There is an indication in the poll book that the voter has requested an absentee ballot, but the voter wishes to vote at the polling place;

(c) There is a question on the part of the voter concerning the issues or candidates on which the voter is qualified to vote.

Sec. 3. RCW 29.04.040 and 1986 c 167 s 2 are each amended to read as follows:

(1) No paper ballot precinct may contain more than three hundred active registered voters. The county legislative authority may divide, alter, or combine precincts so that, whenever practicable, over-populated precincts shall contain no more than two hundred fifty active registered voters in anticipation of future growth.

(2) Precinct boundaries may be altered at any time as long as sufficient time exists prior to a given election for the necessary procedural steps to be honored. Except as permitted under subsection (5) of this section, no precinct boundaries may be changed during the period starting on the thirtieth day prior to the first day for candidates to file for the primary election and ending with the day of the general election.

The adjustment shall be made as soon as possible after the approval of the annexation. The temporary adjustment shall be limited to the minimum changes necessary to accommodate the addition of the territory to the city and shall remain in effect only until precinct boundary modifications reflecting the annexation are adopted by the county legislative authority.

The county legislative authority may establish by ordinance a limitation on the maximum number of active registered voters in each precinct within its jurisdiction. The limitation may be different for precincts based upon the method of voting used for such precincts and the number may be less than the number established by law, but in no case may the number exceed that authorized by law.

The county legislative authority of each county in the state hereafter formed shall, at their first session, divide their respective counties into election precincts with two hundred fifty active registered voters or less and establish the boundaries of the precincts. The county auditor shall thereupon designate the voting place for each such precinct.

(6) In determining the number of active registered voters for the purposes of this section, persons who are ongoing absentee voters under RCW 29.36.013 shall not be counted. Nothing in this subsection may be construed as altering the vote tallying requirements of RCW 29.62.090.

(2) All poll books or current lists of registered voters, except original voter registration forms or their images, shall be public records and be made available for inspection under such reasonable rules and regulations as the county auditor may prescribe. The county auditor shall promptly furnish current lists or mailing labels of registered voters in his or her possession, at actual reproduction cost, to any person requesting such information: PROVIDED, That such lists and labels shall not be used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value: PROVIDED, HOWEVER, That such lists and labels may be used for any political purpose. ~~((In the case of political subdivisions which encompass portions of more than one county, the request may be directed to the secretary of state who shall contact the appropriate county auditors and arrange for the timely delivery of the requested information.))~~

If the applicant has indicated that he or she is registered to

vote in another county in Washington but has also provided an address within the auditor's county that is for voter registration purposes, the auditor shall send, on behalf of the registrant, a registration cancellation notice to the auditor of that other county and the auditor receiving the notice shall cancel the registrant's voter registration in that other county. If the registrant has indicated on the form that he or she is registered to vote within the county but has provided a new address within the county that is for voter registration purposes, the auditor shall transfer the voter's registration.

(3) If ~~(a voter registration)~~ an acknowledgement notice card is properly mailed as required by this section to the address listed by the ~~((applicant))~~ voter as being the ~~((applicant's))~~ voter's mailing address and the ~~((eard))~~ notice is subsequently returned to the auditor by the postal service as being undeliverable to the ~~((applicant))~~ voter at that address, the auditor shall ~~((immediately cancel the voter registration of the applicant. The confirmation notice must be designed so that the voter may update his or her current residence address.

NEW SECTION. Sec. 34. A new section is added to chapter 29.10 RCW to read as follows:

The county auditor of the county where the previous registration was made shall cancel the registration of the voter if it appears that the signatures in the registration record and on the cancellation authorization form were made by the same person.

Sec. 37. RCW 29.10.051 and 1991 c 81 s 25 are each amended to read as follows:

To maintain a valid voter registration, a person who changes his or her name shall notify the county auditor regarding the name change in one of the following ways: (1) By sending the auditor a notice clearly identifying the name under which he or she is registered to vote, the voter's new name, and the voter's residence. The county auditor may also use newspaper obituary articles as a source of information in order to cancel a voter's registration. The auditor must verify the identity of the voter by matching the voter's date of birth or an address. The auditor shall record the date and source of the obituary in the cancellation records.

In addition to the above manner of canceling registration records of deceased voters, any registered voter may sign a statement, subject to the penalties of perjury, to the effect that to his or her personal knowledge or belief another registered voter is deceased. This statement may be filed with ~~((any registration officer and the deputy registrar shall promptly forward such statement to))~~ the county auditor. Upon the receipt of such signed statement, the county auditor shall cancel the registration records concerned and so notify the secretary of state. Upon receipt of such notice, the secretary of state shall in turn cancel his or her copy of said registration record.

The secretary of state as chief elections officer shall cause such form to be designed to carry out the provisions of this section. The county auditors shall have such forms available for public use. Further, each such public officer having jurisdiction of an election shall make available a reasonable supply of such forms for the use of the precinct election officers at each polling place on the day of an election.

NEW SECTION. Sec. 42. A new section is added to chapter 29.10 RCW to read as follows:

Upon receiving official notice of a person's conviction of a felony in either state or federal court, if the convicted person is a registered voter in the county, the county auditor shall cancel the defendant's voter registration.

Sec. 43. RCW 29.10.100 and 1971 ex.s. c 202 s 31 are each amended to read as follows:

On the Monday next following the ~~((transfer or))~~ cancellation of the registration of any voter or the change of name of a voter, each county auditor must certify to all ~~((transfers or))~~ cancellations or name changes made during the prior week to the secretary of state. The certificate shall set forth the name of each voter whose registration has been ~~((transferred or))~~ canceled or whose name was changed, and the county, city or town, and precinct in which ~~((he))~~ the voter was registered ~~((and, in case of a transfer, also the name of the county and city or town, the name or number of the precinct and the post office address (including street and number) to which the registration of the voter was transferred))~~.

Sec. 44. RCW 29.10.180 and 1993 c 434 s 10 and 1993 c 417 s 8 are each reenacted and amended to read as follows:

In addition to the case-by-case maintenance required under sections 38 and 39 of this act, the county auditor shall establish a general program of voter registration list maintenance. This program must be applied uniformly throughout the county and must be nondiscriminatory in its application. Any program established must be completed not later than ninety days before the date of a primary or general election for federal office. The county may fulfill its obligations under this section in one of the following ways:

(1) The county auditor may enter into one or more contracts with the United States postal service, or its licensee, which permit the auditor to use postal service change-of-address information. If the auditor ~~((finds that information received under such a contract gives the appearance))~~ receives change of address information from the United States postal service that indicates that a voter has changed his or her residence address ~~((the auditor shall notify the voter concerning the requirements of state and federal laws governing voter registration and residence))~~ within the county, the auditor shall transfer the registration of that voter and send an acknowledgement notice of the transfer to the new address. If the auditor receives postal change of address information indicating that the voter has moved out of the county, the auditor shall send a confirmation notice to the voter, send the voter a registration-by-mail form at the voter's new address, and advise the voter of the need to reregister in the new county. The auditor shall place the voter's registration on inactive status;

(2) ~~((Whenever any vote-by-mail ballot, notification to voters following reprecincting of the county, notification to voters of selection to serve on jury duty, notification under subsection (1) of this section, or voter identification card other than a voter identification card issued under RCW 29.08.060 is returned by the postal service as undeliverable, the county auditor shall, in every instance, inquire into the validity of the registration of that voter.~~

(3) ~~The county auditor shall initiate his or her inquiry by sending, by first-class mail, a written notice to the challenged voter at the address indicated on the voter's permanent registration record and to any other address at which the county auditor could reasonably expect mail to be received by the voter. The county auditor shall not request any restriction on the forwarding of such notice by the postal service. The notice shall contain the nature of the inquiry and provide a suitable form for reply. The notice shall also contain a warning that the county auditor must receive a response within ninety days from the date of mailing the notice of inquiry in a case resulting from a returned vote-by-mail ballot or forty-five days from the date of mailing in all other cases or the individual's voter registration will be canceled.~~

(4) ~~The voter, in person or in writing, may state that the information on the permanent voter registration record is correct or may request a change in the address information on the permanent registration record no later than the ninetieth day or forty-fifth day, as appropriate, after the date of mailing the inquiry.~~

(5) ~~Upon the timely receipt of a response signed by the voter, the county auditor shall consider the inquiry satisfied and will make any address corrections requested by the voter on the permanent registration record. The county auditor shall cancel the registration of a voter who fails to respond to the notice of inquiry within ninety days after the date of mailing the notice in a case resulting from a returned vote-by-mail ballot, or, in all other cases, within forty-five days after the date of mailing.~~

(6) ~~The county auditor shall notify any voter whose registration has been canceled by sending, by first class mail, a written notice to the address indicated on the voter's permanent registration record and to any other address to which the original inquiry was sent. Upon receipt of a satisfactory voter response, the auditor shall reinstate the voter.~~

(7) ~~A voter whose registration has been canceled under this section and who offers to vote at the next ensuing election shall be issued a questioned ballot. Upon receipt of such a questioned ballot the auditor shall investigate the circumstances surrounding the original cancellation. If he or she determines that the cancellation was in error, the voter's registration shall be immediately reinstated, and the voter's questioned ballot shall be counted. If the original cancellation was not in error, the voter shall be afforded the opportunity to reregister at his or her correct address, and the voter's questioned ballot shall not be counted.) A direct, nonforwardable, first-class, return if undeliverable, address correction requested, mailing to every registered voter within the county. If address correction information for a voter is received by the county auditor after this mailing, the auditor shall place that voter on inactive status and shall send to the voter a confirmation notice.~~

~~(3) Any other method approved by the secretary of state.~~

NEW SECTION. Sec. 45. A new section is added to chapter 29.10 RCW to read as follows:

Confirmation notices must be on a form prescribed by, or approved by, the secretary of state and must request that the voter confirm that he or she continues to reside at the address of record and desires to continue to use that address for voting purposes. The notice must inform the voter that if the voter does not respond to the notice and does not vote in either of the next two federal elections, his or her voter registration will be canceled.

NEW SECTION. Sec. 46. A new section is added to chapter 29.10 RCW to read as follows:

If the response to the confirmation notice provides the county auditor with the information indicating that the voter has moved within the county, the auditor shall transfer the voter's registration. If the response indicates that the voter has left the county, the auditor shall cancel the voter's registration.

NEW SECTION. Sec. 47. A new section is added to chapter 29.10 RCW to read as follows:

(1) A voter whose registration has been made inactive under this chapter and who offers to vote at an ensuing election before two federal elections have been held shall be allowed to vote a regular ballot and the voter's registration restored to active status.

(2) A voter whose registration has been properly canceled under this chapter shall vote a special ballot. The voter shall mark the special ballot in secrecy, the ballot shall be placed in a security envelope, the security envelope placed in a special ballot envelope, and the reasons for the use of the special ballot noted.

(3) Upon receipt of such a voted special ballot the auditor shall investigate the circumstances surrounding the original cancellation. If he or she determines that the cancellation was in error, the voter's registration shall be immediately reinstated, and the voter's special ballot shall be counted. If the original cancellation was not in error, the voter shall be afforded the opportunity to reregister at his or her correct address, and the voter's special ballot shall not be counted.

Sec. 48. RCW 29.36.120 and 1993 c 417 s 1 are each amended to read as follows:

At any primary or election, general or special, the county auditor may, in any precinct having fewer than two hundred active registered voters at the time of closing of voter registration as provided in RCW 29.07.160, conduct the voting in that precinct by mail ballot. For any precinct having fewer than two hundred active registered voters where voting at a primary or a general election is conducted by mail ballot, the county auditor shall, not less than fifteen days prior to the date of that primary or general election, mail or deliver to each active and inactive registered voter within that precinct a notice that the voting in that precinct will be by mail ballot, an application form for a mail ballot, and a postage prepaid envelope, preaddressed to the issuing officer. A mail ballot shall be issued to each voter who returns a properly executed application to the county auditor no later than the day of that primary or general election. ~~((Such application is valid))~~ For all subsequent mail ballot elections in that precinct the application is valid so long as the voter remains active and qualified to vote. In determining the number of registered voters in a precinct for the purposes of this section, persons who are ongoing absentee voters under RCW 29.36.013 shall not be counted. Nothing in this section may be construed as altering the vote tallying requirements of RCW 29.62.090.

At any nonpartisan special election not being held in conjunction with a state primary or general election, the county, city, town, or district requesting the election pursuant to RCW 29.13.010 or 29.13.020 may also request that the election be conducted by mail ballot. The county auditor may honor the request or may determine that the election is not to be conducted by mail ballot. The decision of the county auditor in this regard is final.

In no instance shall any special election be conducted by mail ballot in any precinct with two hundred or more active registered voters if candidates for partisan office are to be voted upon.

For all special elections not being held in conjunction with a state primary or state general election where voting is conducted by mail ballot, the county auditor shall, not less than fifteen days prior to the date of such election, mail or deliver to each active registered voter a mail ballot and an envelope, preaddressed to the issuing officer. The auditor shall send each inactive voter either a ballot or an application to receive a ballot. The auditor shall determine which of the two is to be sent. If the inactive voter returns a voted ballot, the ballot shall be counted and the voter's status restored to active. If the inactive voter completes and returns an application, a ballot shall be sent and the voter's status restored to active.

Sec. 49. RCW 29.36.121 and 1993 c 417 s 2 are each amended to read as follows:

(1) At any nonpartisan special election not being held in conjunction with a state primary or general election, the county, city, town, or district requesting the election pursuant to RCW 29.13.010 or 29.13.020 may also request that the election be conducted by mail ballot. The county auditor may honor the request or may determine that the election is not to be conducted by mail ballot. The decision of the county auditor in this regard is final.

(2) In an odd-numbered year, the county auditor may conduct by mail ballot a primary or a special election concurrently with the primary:

- (a) For any office or ballot measure of a special purpose district which is entirely within the county;
- (b) For any office or ballot measure of a special purpose district which lies in the county and one or more other counties if the auditor first secures the concurrence of the county auditors of those other counties to conduct the primary in this manner district-wide; and
- (c) For any ballot measure or nonpartisan office of a county, city, or town if the auditor first secures the concurrence of the legislative authority of the county, city, or town involved.

A primary in an odd-numbered year may not be conducted by mail ballot in any precinct with two hundred or more active registered voters if a partisan office or state office or state ballot measure is to be voted upon at that primary in the precinct.

(3) For all special elections not being held in conjunction with a state primary or state general election where voting is conducted by mail ballot, the county auditor shall, not less than fifteen days before the date of such election, mail or deliver to each registered voter a mail ballot and an envelope, preaddressed to the issuing officer. The county auditor shall notify an election jurisdiction for which a primary is to be held that the primary will be conducted by mail ballot.

(4) To the extent they are not inconsistent with subsections (1) through (3) of this section, the laws governing the conduct of mail ballot special elections apply to nonpartisan primaries conducted by mail ballot.

Sec. 50. RCW 29.36.122 and 1993 c 417 s 3 are each amended to read as follows:

For any special election conducted by mail, the county auditor shall send a mail ballot with a return identification envelope to each active registered voter of the district in which the special election is being conducted not sooner than the twenty-fifth day before the date of the election and not later than the fifteenth day before the date of the election. The envelope in which the ballot is mailed must clearly indicate that the ballot is not to be forwarded and is to be returned to the sender with return postage guaranteed. The auditor shall send an application to receive a ballot to all inactive voters of the district. Upon receipt of a completed application the auditor shall send a ballot and restore the voter's status to active.

Sec. 51. RCW 29.48.010 and 1990 c 59 s 35 are each amended to read as follows:

The county auditor shall provide in each polling place a sufficient number of voting booths or voting devices along with any supplies necessary to enable the voter to mark or register his or her choices on the ballot and within which the voters may cast their votes in secrecy. Where paper ballots are used for voting, the number of voting booths shall be at least one for every fifty active registered voters in the precinct.

Sec. 52. RCW 46.20.205 and 1989 c 337 s 6 are each amended to read as follows:

Whenever any person after applying for or receiving a driver's license or identicard moves from the address named in the application or in the license or identicard issued to him or her or when the name of a licensee or holder of an identicard is changed by marriage or otherwise, the person shall within ten days thereafter notify the department in writing on a form provided by the department of his or her old and new addresses or of such former and new names and of the number of any license then held by him or her. The written notification is the exclusive means by which the address of record maintained by the department concerning the licensee or identicard holder may be changed. The form must contain a place for the person to indicate that the address change is not for voting purposes. The department of licensing shall notify the secretary of state by the means described in RCW 29.07.270(3) of all change of address information received by means of this form except information on persons indicating that the change is not for voting purposes. Any notice regarding the cancellation, suspension, revocation, probation, or nonrenewal of the driver's license, driving privilege, or identicard mailed to the address of record of the licensee or identicard holder is effective notwithstanding the licensee's or identicard holder's failure to receive the notice.

NEW SECTION. Sec. 53. The following acts or parts of acts are each repealed:

- (1) RCW 29.07.015 and 1985 c 205 s 15;

MARILYN SHOWALTER, Chief Clerk

MESSAGE FROM THE HOUSE

March 2, 1994

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6228 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is in the public interest to identify and provide long-term conservation of those productive natural resource lands that are critical to and can be managed economically and practically for long-term commercial production of food, fiber, and minerals. Successful achievement of the natural resource industries' goal set forth in RCW 36.70A.020 requires the conservation of a land base sufficient in size and quality to maintain and enhance those industries and the development and use of land use techniques that discourage uses incompatible to the management of designated lands. The 1994 amendment to RCW 36.70A.030(8) (section 2(8) of this act) is intended to clarify legislative intent regarding the designation of forest lands and is not intended to require every county that has already complied with the interim forest land designation requirement of RCW 36.70A.170 to review its actions until the adoption of its comprehensive plans and development regulations as provided in RCW 36.70A.060(3).

Sec. 2. RCW 36.70A.030 and 1990 1st ex.s. c 17 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(3) "City" means any city or town, including a code city.

(4) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(5) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas.

(6) "Department" means the department of community, trade, and economic development.

(7) "Development regulations" means any controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances.

(8) "Forest land" means land primarily ((useful for)) devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, ((for commercial purposes,)) and that has long-term commercial significance ((for growing trees commercially)). In determining whether forest

land is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forest land to other uses.

(9) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(10) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(11) "Minerals" include gravel, sand, and valuable metallic substances.

(12) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(13) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

(14) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of such land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

(15) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

(16) "Urban governmental services" include those governmental services historically and typically delivered by cities, and include storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with nonurban areas.

(17) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities. However, wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands, if permitted by the county or city.", and the same are herewith transmitted.

(2) The real property transfer disclosure statement shall be for disclosure only, and shall not be considered part of any written agreement between the buyer and seller of residential real property. The real property transfer disclosure statement shall be only a disclosure made by the seller, and not any real estate licensee involved in the transaction, and shall not be construed as a warranty of any kind by the seller or any real estate licensee involved in the transaction.

NEW SECTION. Sec. 4. Unless the buyer has expressly waived the right to receive the disclosure statement, within five business days or as otherwise agreed to, of mutual acceptance of a written agreement between a buyer and a seller for the purchase and sale of residential real property, the seller shall deliver to the buyer a completed, signed, and dated real property transfer disclosure statement. Within three business days, or as otherwise agreed to, of receipt of the real property transfer disclosure statement, the buyer shall have the right to exercise one of the following two options: (1) Approving and accepting the real property transfer disclosure statement; or (2) rescinding the agreement for the purchase and sale of the property, which decision may be made by the buyer in the buyer's sole discretion. If the buyer elects to rescind the agreement, the buyer must

deliver written notice of rescission to the seller within the three-business-day period, or as otherwise agreed to, and upon delivery of the written rescission notice the buyer shall be entitled to immediate return of all deposits and other considerations less any agreed disbursements paid to the seller, or to the seller's agent or an escrow agent for the seller's account, and the agreement for purchase and sale shall be void. If the buyer does not deliver a written rescission notice to seller within the three-business-day period, or as otherwise agreed to, the real property transfer disclosure statement will be deemed approved and accepted by the buyer.

NEW SECTION. Sec. 5. (1) If, after the date that a seller of residential real property completes a real property transfer disclosure statement, the seller becomes aware of additional information, or an adverse change occurs which makes any of the disclosures made inaccurate, the seller shall amend the real property transfer disclosure statement, and deliver the amendment to the buyer. No amendment shall be required, however, if the seller takes whatever corrective action is necessary so that the accuracy of the disclosure is restored at least three days prior to the closing date. Unless the adverse change is corrected or repaired by the seller prior to the closing date, the buyer shall have the right to exercise one of the following two options: (a) Approving and accepting the amendment, or (b) rescinding the agreement of purchase and sale of the property within three business days after receiving the amended real property transfer disclosure statement. Acceptance or rescission shall be subject to the same procedures described in section 4 of this act. If the closing date provided in the purchase and sale agreement is scheduled to occur within the three-day rescission period provided for in this section, the closing date shall be extended until the expiration of the three-day rescission period. The buyer shall have no right of rescission if the seller takes whatever action is necessary so that the accuracy of the disclosure is restored at least three days prior to the closing date.

(2) In the event any act, occurrence, or agreement arising or becoming known after the closing of a residential real property transfer causes a real property transfer disclosure statement to be inaccurate in any way, the seller of such property shall have no obligation to amend the disclosure statement, and the buyer shall not have the right to rescind the transaction under this chapter.

(3) If the seller in a residential real property transfer fails or refuses to provide to the prospective buyer a real property transfer disclosure statement as required under this chapter, the prospective buyer's right of rescission under this section shall apply until the transfer has closed, unless the buyer has otherwise waived the right of rescission in writing. Closing is deemed to occur when the buyer has paid the purchase price, or down payment, and the conveyance document, including a deed or real estate contract, from the seller has been delivered and recorded. After closing, the seller's obligation to deliver the real property transfer disclosure statement and the buyer's rights and remedies under this chapter shall terminate.

NEW SECTION. Sec. 6. (1) The seller of residential real property shall not be liable for any error, inaccuracy, or omission in the real property transfer disclosure statement if the seller had no personal knowledge of the error, inaccuracy, or omission. Unless the seller of residential real property has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the seller shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

(2) Any licensed real estate salesperson or broker involved in a residential real property transaction is not liable for any error, inaccuracy, or omission in the real property transfer disclosure statement if the licensee had no personal knowledge of the error, inaccuracy, or omission. Unless the salesperson or broker has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the salesperson or broker shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

NEW SECTION. Sec. 7. The legislature finds that the practices covered by this chapter are not matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 8. Nothing in this chapter shall extinguish or impair any rights or remedies of a buyer of real estate against the seller or against any agent acting for the seller otherwise existing pursuant to common law, statute, or contract; nor shall anything in this chapter create any new right or remedy for a buyer of residential real property other than the right of rescission exercised on the basis and within the time limits provided in this chapter.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act shall constitute a new chapter in Title 64 RCW.

NEW SECTION. Sec. 10. This act shall take effect on January 1, 1995.", and the same are herewith transmitted.
