CHAPTER 1

[Initiative Measure No. 62]

STATE TAX REVENUE LIMITATION

AN ACT Relating to revenue and taxation; adding a new chapter to Title 43 RCW; and providing an effective date.

Be it enacted by the People of the State of Washington:

NEW SECTION. Section 1. The people of the state of Washington hereby find and declare:

(1) The continuing increases in our state tax burden and the corresponding growth of state government is contrary to the interest of the people of the state of Washington.

(2) It is necessary to limit the rate of growth of state government while assuring adequate funding of essential services, including basic education as defined by the legislature.

(3) It is therefore the intent of this chapter to:

(a) Establish a limit which will assure that the growth rate of state tax revenue does not exceed the growth rate of state personal income;

(b) Assure that local governments are provided funds adequate to render those services deemed essential by their citizens;

(c) Assure that the state does not impose, on any taxing district, responsibility for new programs or increased levels of service under existing programs unless the costs thereof are paid by the state;

(d) Provide for adjustment of the limit when costs of a program are transferred between the state and another political entity; and

(e) Establish a procedure for exceeding this limit in emergency situations.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless otherwise required.

(1) "State tax revenue" means all state moneys received in the treasury from every source except those revenues excluded for the term "general state revenues" by Article VIII, section (1)(c) of the state Constitution other than the state property tax levied for the support of the common schools under RCW 84.52.065, as now or hereafter amended.

(2) "State personal income" means the dollar amount published as total personal income of persons of the state for the calendar year by the United States department of commerce or its successor agency.

(3) "State tax revenue limit" or "limit" means the state tax revenue limit created by this chapter.

(4) "Taxing district" means those districts included within the term "taxing district" under RCW 84.04.120, as now or hereafter amended.

(5) "State personal income ratio" for any calendar year means the quotient formed by dividing (a) state personal income for the calendar year under consideration by (b) the state personal income for the immediately preceding calendar year.

NEW SECTION. Sec. 3. (1) The state tax revenue limit for any fiscal year shall be the previous fiscal year's state tax revenue limit multiplied by the average state personal income ratio for the three calendar years immediately preceding the beginning of the fiscal year for which the limit is being computed.

(2) For purposes of computing the state tax revenue limit for the fiscal year beginning July 1, 1980, the phrase "the previous fiscal year's state tax revenue limit" means the state tax revenue collected in the fiscal year beginning July 1, 1978, multiplied by the average state personal income ratio for the calendar years 1976, 1977, and 1978.

NEW SECTION. Sec. 4. Except as provided in section 5 of this act, taxes, fees, and charges on persons, property, and activities shall be imposed, levied, or set by the legislature in such a manner that the estimated state tax revenue for each fiscal year of the next biennium will not exceed the state tax revenue limit for that fiscal year: PROVIDED, The legislature may at any time adjust such taxes, fees, and charges for the second fiscal year of the biennium.

NEW SECTION. Sec. 5. (1) The state tax revenue limit for any fiscal year may be exceeded in order to meet an emergency as declared by the legislature by two-thirds vote of each house. The legislature, by two-thirds vote of each house, shall set forth the circumstances constituting the emergency and the amount of state tax revenue in excess of the applicable state tax revenue limit necessary to meet the emergency.

(2) Any amount of state tax revenue authorized by subsection (1) of this section in excess of the state tax revenue limit shall be authorized only for the fiscal year in which the vote is taken and/or the next succeeding fiscal year, as directed by the legislature.

(3) Except where the emergency results from a court order, the amount of state tax revenue authorized under subsection (1) of this section in excess of the limit shall not be used in the revenue base used to compute the state tax revenue limit for subsequent years.

NEW SECTION. Sec. 6. (1) The legislature shall not impose responsibility for new programs or increased levels of service under existing programs on any taxing district unless the districts are reimbursed for the costs thereof by the state.

(2) That proportion of state tax revenue which consists of direct state appropriations to taxing districts taken as a group shall not be decreased below that proportion appropriated in the biennium immediately preceding

the effective date of this act: PROVIDED, This proportion shall be decreased in any fiscal year only if: (a) The legislature decreases the state tax revenue limit for that fiscal year by an amount equal to the dollar amount of any decrease in direct state appropriations to taxing districts taken as a whole; or (b) the state tax revenue limit has been increased under section 5(3) or 6(3) of this act and the decrease of the proportion is commensurate with the increase in the state tax revenue limit.

(3) If by order of any court, or legislative enactment, the costs of a federal or taxing district program are transferred to or from the state, the otherwise applicable state tax revenue limit shall be increased or decreased, as the case may be, by the dollar amount of the costs of the program.

(4) The legislature, in consultation with the office of financial management or its successor agency, shall determine the costs of any new programs or increased levels of service under existing programs imposed on any taxing district or transferred to or from the state.

NEW SECTION. Sec. 7. The legislature shall, prior to any other appropriation, provide for the payment of the principal and interest of the indebtedness of the state. State tax revenue collected in any fiscal year in excess of the state tax revenue limit for that fiscal year shall be included as part of the state tax revenue for the succeeding fiscal year.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act shall take effect on January 1, 1980: PROVIDED, That the first fiscal year for which the state tax revenue limit shall be in effect is the fiscal year beginning on July 1, 1980.

NEW SECTION. Sec. 10. Sections 1 through 8 of this act shall constitute a new chapter in Title 43 RCW.

Filed in Office of the Secretary of State June 1, 1978.

Passed by the vote of the people at the November 6, 1979 state general election.

Proclamation signed by the Governor, December 6, 1979.

CHAPTER 2

[Senate Bill No. 3183]

HOOD CANAL BRIDGE CONSTRUCTION

AN ACT Relating to transportation; amending section 1, chapter 84, Laws of 1979 ex. sess. (uncodified); amending section 2, chapter 84, Laws of 1979 ex. sess. and RCW 43.21C.032; amending section 3, chapter 286, Laws of 1971 ex. sess. as last amended by section 3, chapter 84, Laws of 1979 ex. sess. and RCW 90.58.030; repealing section 8, chapter 166, Laws of 1977 1st ex. sess. and RCW 47.60.670; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 1, chapter 84, Laws of 1979 ex. sess. (uncodified) is amended to read as follows:

The legislature finds that high tides and hurricane force winds on February 13, 1979, caused conditions resulting in the catastrophic destruction of the Hood Canal bridge on state route 104, a state highway on the federal-aid system; and, as a consequence, the state of Washington has sustained a sudden and complete failure of a major segment of highway system with a disastrous impact on transportation services between the counties of Washington's Olympic peninsula and the remainder of the state. The governor has by proclamation found that these conditions constitute an emergency. To minimize the economic loss and hardship to residents of the Puget Sound and Olympic peninsula regions, it is the intent of this act to authorize the department of transportation to undertake immediately all necessary actions to restore interim transportation services across Hood Canal and Puget Sound and upon the Kitsap and Olympic peninsulas and to design and reconstruct a permanent bridge at the site of the original Hood Canal bridge. The department of transportation is directed to proceed with such actions in an environmentally responsible manner that would meet the substantive objectives of the state environmental policy act and the shorelines management act, and shall consult with the department of ecology in the planning process. The exemptions from the state environmental policy act and the shorelines management act contained in RCW 43.21C.032 and 90.58.030 are intended to approve and ratify the timely actions of the department of transportation taken and to be taken to restore interim transportation services and to reconstruct a permanent Hood Canal bridge without procedural delays.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 16, chapter 1, Laws of 1961 as last amended by section 58, chapter 151, Laws of 1979 and RCW 41.06.160 are each amended to read as follows:

In preparing classification and salary schedules as set forth in RCW 41.06.150 as now or hereafter amended the department of personnel shall give full consideration to prevailing rates in other public employment and in private employment in this state. For this purpose the department shall undertake salary and fringe benefit surveys to be planned and conducted on a joint basis with the higher education personnel board, with ~~((one))~~ such surveys to be conducted ~~((each))~~ at least in the year prior to the convening of each one hundred five day regular session of the state legislature. The results of each salary and fringe benefit survey shall be forwarded with a recommended state salary schedule to the governor and director of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the department of personnel to the standing committees for appropriations of the senate and house of representatives.

The department shall furnish the following supplementary data in support of its recommended salary schedule:

(1) A total dollar figure which reflects the recommended increase or decrease in state salaries as a direct result of the specific salary and fringe benefit survey that has been conducted and which is categorized to indicate what portion of the increase or decrease is represented by salary survey data and what portion is represented by fringe benefit survey data;

(2) An additional total dollar figure which reflects the impact of recommended increases or decreases to state salaries based on other factors rather than directly on prevailing rate data obtained through the survey process

and which is categorized to indicate the sources of the requests for deviation from prevailing rates and the reasons for the changes;

(3) A list of class codes and titles indicating recommended monthly salary ranges for all state classes under the control of the department of personnel with:

(a) Those salary ranges which do not substantially conform to the prevailing rates developed from the salary and fringe benefit survey distinctly marked and an explanation of the reason for the deviation included; and

(b) Those department of personnel classes which are substantially the same as classes being used by the higher education personnel board clearly marked to show the commonality of the classes between the two jurisdictions;

(4) A supplemental salary schedule which indicates the additional salary to be paid state employees for hazardous duties or other considerations requiring extra compensation under specific circumstances. Additional compensation for these circumstances shall not be included in the basic salary schedule but shall be maintained as a separate pay schedule for purposes of full disclosure and visibility; and

(5) A supplemental salary schedule which indicates those cases where the board determines that prevailing rates do not provide similar salaries for positions that require or impose similar responsibilities, judgment, knowledge, skills, and working conditions. This supplementary salary schedule shall contain proposed salary adjustments necessary to eliminate any such dissimilarities in compensation. Additional compensation needed to eliminate such salary dissimilarities shall not be included in the basic salary schedule but shall be maintained as a separate salary schedule for purposes of full disclosure and visibility.

It is the intention of the legislature that requests for funds to support recommendations for salary deviations from the prevailing rate survey data shall be kept to a minimum, and that the requests be fully documented when forwarded by the department of personnel. Further, it is the intention of the legislature that the department of personnel and the higher education personnel board jointly determine job classes which are substantially common to both jurisdictions and that basic salaries for these job classes shall be equal based on salary and fringe benefit survey findings.

Salary and fringe benefit survey information collected from private employers which identifies a specific employer with the salary and fringe benefit rates which that employer pays to its employees shall not be subject to public disclosure under chapter 42.17 RCW.

Sec. 2. Section 5, chapter 152, Laws of 1977 ex. sess. as amended by section 60, chapter 151, Laws of 1979 and RCW 41.06.167 are each amended to read as follows:

The department of personnel shall undertake salary and fringe benefit surveys for officers of the Washington state patrol, with ~~((one))~~ such surveys to be conducted ~~((each))~~ at least in the year prior to the convening of each one hundred five day regular session of the state legislature. The results of each such survey shall be forwarded, after review and concurrence by the chief of the Washington state patrol, to the governor and director of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the department of personnel to the legislative budget committee and the standing committees for appropriations of the senate and house of representatives. The office of financial management shall analyze the survey results and conduct investigations which may be necessary to arbitrate differences between interested parties regarding the accuracy of collected survey data and the use of such data for salary adjustment.

Surveys conducted by the department of personnel for the Washington state patrol shall be undertaken in a manner consistent with statistically accurate sampling techniques, including comparisons of weighted averages of salaries. This service performed by the department of personnel shall be on a reimbursable basis in accordance with the provisions of RCW 41.06-.080 as now existing or hereafter amended.

A comprehensive salary and fringe benefits survey plan shall be submitted jointly by the department of personnel and the Washington state patrol to the director of financial management, the committee on ways and means of the senate, the committee on appropriations of the house of representatives and to the legislative budget committee six months before the beginning of each periodic survey. The legislative budget committee shall review and evaluate the survey plan before final implementation.

Sec. 3. Section 11, chapter 36, Laws of 1969 ex. sess. as last amended by section 16, chapter 151, Laws of 1979 and RCW 28B.16.110 are each amended to read as follows:

The salary schedules and compensation plans, adopted and revised as provided in RCW 28B.16.100 as now or hereafter amended, shall reflect prevailing rates in other public employment and in private employment in this state or in the locality in which the institution or related board is located. It is the intention of the legislature that requests for funds to support recommendations for salary deviations from the prevailing rate survey data shall be kept to a minimum, and that the requests be fully documented when forwarded by the board. Further, it is the intention of the legislature

that the department of personnel and the higher education personnel board jointly determine job classes which are substantially common to both jurisdictions and that basic salaries for these job classes shall be equal based on salary and fringe benefit survey findings.

Said election shall become effective upon the filing of said notice in writing. Any worker in the employ of such applicant shall be entitled at any time within five days after the posting of said notice by his or her employer, or within five days after he or she has been employed by an employer who has elected to become subject to this title as herein provided, to give a written notice to such employer and to the department of his or her election not to become subject to this title. The employer and such of his or her workers as shall not have given such written notice of their election to the contrary shall be subject to all the provisions of this title and entitled to all of the benefits thereof: PROVIDED, That those who have heretofore complied with the foregoing conditions and are carried and considered by the department as within the purview of this title shall be deemed and considered as having fully complied with its terms and shall be continued by the department as entitled to all of the benefits and subject to all of the liabilities without other or further action. Any employer who has complied with this section may withdraw his or her acceptance of liability under this title by filing written notice with the director of the withdrawal of his or her acceptance. Such withdrawal shall become effective thirty days after the filing of such notice or on the date of the termination of the security for payment of compensation, whichever last occurs. The employer shall, at least thirty days before the effective date of the withdrawal, post reasonable notice of such withdrawal where the affected worker or workers work and shall otherwise notify personally the affected workers. (1) Whenever a worker has a previous bodily disability from any previous injury or disease and shall suffer a further disability from injury or occupational disease in employment covered by this title and become totally and permanently disabled from the combined effects thereof or die when death was substantially accelerated by the combined effects thereof, then

the experience record of an employer insured with the state fund at the time of said further injury or disease shall be charged and a self-insured employer shall pay directly into the reserve fund only the accident cost which would have resulted solely from said further injury or disease, had there been no preexisting disability, and which accident cost shall be based upon an evaluation of the disability by medical experts. The difference between the charge thus assessed to such employer at the time of said further injury or disease and the total cost of the pension reserve shall be assessed against the second injury fund. The department shall pass upon the application of this section in all cases where benefits are paid for total permanent disability or death and issue an order thereon appealable by the employer. Pending outcome of such appeal the transfer or payment shall be made as required by such order.

(2) The department shall, in cases of claims of workers sustaining injuries or occupational diseases in the employ of state fund employers, recompute the experience record of such employers when the claims of workers injured in their employ have been found to qualify for payments from the second injury fund after the regular time for computation of such experience records and the department may make appropriate adjustments in such cases including cash refunds or credits to such employers.

(3) To encourage employment of injured workers who are not reemployed by the employer at the time of injury, the department may adopt rules providing for the reduction or elimination of premiums or assessments from subsequent employers of such workers and may also adopt rules for the reduction or elimination of charges against such employers in the event of further injury to such workers in their employ.

Each employer shall retain from the earnings of each worker that amount as shall be fixed from time to time by the director, the basis for measuring said amount to be determined by the director. The money so retained shall be matched in an equal amount by each employer, and all such moneys shall be remitted to the department in such manner and at such intervals as the department directs and shall be placed in the supplemental pension fund: PROVIDED, That the state apprenticeship council shall pay the entire amount into the supplemental pension fund for registered apprentices or trainees during their participation in supplemental and related instruction classes. The moneys so collected shall be used exclusively for the additional payments from the supplemental pension fund prescribed in this title and for the amount of any increase payable under the provisions of RCW 51.32.075, as now or hereafter amended, and shall be no more than necessary to make such payments on a current basis. The department may require a self-insurer to make any additional payments which are payable from the supplemental pension fund and thereafter such self-insurer shall be reimbursed therefrom.

Sec. 10. Section 12, chapter 289, Laws of 1971 ex. sess. as last amended by section 16, chapter 323, Laws of 1977 ex. sess. and by section 48, chapter 350, Laws of 1977 ex. sess. and RCW 51.32.095 are each reenacted to read as follows:

Where, after evaluation and recommendation by such individuals and prior to final evaluation of the worker's permanent disability and in the sole opinion of the supervisor, vocational rehabilitation or retraining is both necessary and likely to restore the injured worker to a form of gainful employment, the supervisor may, in his or her sole discretion, pay or, if the employer is a self-insurer, direct the self-insurer to pay the cost of books, tuition, fees, supplies, equipment, and transportation for any such worker in an amount not to exceed one thousand five hundred dollars in any calendar year, and continue the temporary total disability compensation under RCW 51.32.090 while the worker is actively and successfully undergoing a formal program of vocational rehabilitation or retraining: PROVIDED, That such compensation or payment of such vocational rehabilitation or retraining expenses may not be authorized for a period of more than fifty-two weeks: PROVIDED FURTHER, That such period may, in the sole discretion of the

supervisor after his or her review, be extended for an additional fifty-two weeks or portion thereof by written order of the supervisor.

In cases where the worker is required to reside away from his or her customary residence, the reasonable cost of board and lodging shall also be paid. Said costs shall be chargeable to the employer's cost experience or shall be paid by the self-insurer as the case may be.

Any worker entitled to receive any benefits or claiming such under this title shall, if requested by the department or self-insurer, submit himself or herself for medical examination, at a time and from time to time, at a place reasonably convenient for the worker and as may be provided by the rules of the department. If the worker refuses to submit to medical examination, or obstructs the same, or, if any injured worker shall persist in unsanitary or injurious practices which tend to imperil or retard his or her recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his or her recovery or refuse or obstruct evaluation or examination for the purpose of vocational rehabilitation or does not cooperate in reasonable efforts at such rehabilitation, the department or the self-insurer upon approval by the department, with notice to the worker may suspend any further action on any claim of such worker so long as such refusal, obstruction, noncooperation, or practice continues and reduce, suspend, or deny any compensation for such period: PROVIDED, That the department or the self-insurer shall not suspend any further action on any claim of a worker or reduce, suspend, or deny any compensation if a worker has good cause for refusing to submit to or to obstruct any examination, evaluation, treatment or practice requested by the department or required under this section. If the worker necessarily incurs traveling expenses in attending for examination pursuant to the request of the department, such traveling expenses shall be repaid to him or her out of the accident fund upon proper voucher and audit or shall be repaid by the self-insurer, as the case may be.

If the medical examination required by this section causes the worker to be absent from his or her work without pay he or she shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended.

Sec. 12. Section 51.36.030, chapter 23, Laws of 1961 as amended by section 20, chapter 323, Laws of 1977 ex. sess. and by section 58, chapter 350, Laws of 1977 ex. sess. and RCW 51.36.030 are each reenacted to read as follows:

If any worker is injured because of the absence of any safeguard or protection required to be provided or maintained by, or pursuant to, any statute or ordinance, or any departmental regulation under any statute, or is, at the time of the injury, of less than the maximum age prescribed by law for the employment of a minor in the occupation in which he or she is engaged when injured, or when a minor is injured when engaged in work not authorized by any required work permit issued for his or her employment or where no such permit has been issued, the employer shall, within ten days after the demand therefor by the department, pay into the supplemental pension fund in addition to all other payments required by law:

(1) In case any consequent payment is for any permanent partial disability or temporary disability, a sum equal to fifty percent of the amount so paid.

(2) In case any consequent payment is payable in monthly payments or otherwise for permanent total disability or death, a sum equal to fifty percent of the lump value of such monthly payment, estimated in accordance with the rule stated in RCW 51.32.130.

The foregoing provisions shall not apply to the employer if the absence of such guard or protection is due to the removal thereof by the injured worker himself or herself or with his or her knowledge by any of his or her fellow workers, unless such removal is by order or direction of the employer

or superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such worker. If the removal of such guard or protection is by the worker himself or herself or with his or her consent by any of his or her fellow workers, unless by order or direction of the employer or the superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such worker, the schedule of compensation provided in chapter 51.32 RCW shall be reduced ten percent for the individual case of such worker.

The department shall establish reasonable rules and regulations for the examinations to be given applicants for certificates of competency. In establishing said rules, regulations, and criteria, the department shall consult with the board of electrical examiners. Upon determination that the applicant is eligible to take the examination, the department shall so notify the applicant, indicating the time and place for taking the same.

NEW SECTION. Sec. 5. The department, in coordination with the board of electrical examiners, shall prepare an examination to be administered to applicants for certificates of competency. The examination shall be so constructed to determine:

(2) Whether the applicant is sufficiently familiar with the applicable electrical codes and the administrative rules of the department pertaining to electrical installations and electricians.

The department shall administer at least four times annually the examination to persons eligible to take the same under section 4 of this act. All applicants shall, before taking such examination, pay to the department a fifteen dollar fee: **PROVIDED**, That any applicant taking said examination shall pay only such additional fee as is necessary to cover the costs of administering such additional examination.

The certificates of competency or permits provided for in this chapter shall grant the holder the right to engage in the work of electrical installation as a journeyman electrician or specialty electrician in accordance with

its provisions throughout the state and within any of its political subdivisions without additional proof of competency or any other license or permit or fee to engage in such work.

NEW SECTION. Sec. 7. No examination shall be required of any applicant for a certificate of competency who, on July 16, 1973, was engaged in a bona fide business or trade as a journeyman electrician in the state of Washington. Applicants qualifying under this section shall be issued a certificate by the department upon making an application as provided in section 3 of this act and paying the fee required under section 5 of this act: **PROVIDED,** That no applicant under this section shall be required to furnish such evidence as required by section 3 of this act.

The department is authorized to enter into reciprocal agreements with other states providing for the acceptance of such states' journeyman certificate of competency or its equivalent when such states requirements are equal to the standards set by this chapter. No temporary permit shall be issued to:

Passed the House February 18, 1980.

Approved by the Governor February 28, 1980, with the exception of Section 14 which is vetoed.

Filed in Office of Secretary of State February 28, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval of one section, Senate Bill 3253 entitled:

"AN ACT Relating to electricians";

Section 14 of this bill was originally included in the bill as a vehicle for changing the composition of the Board of Electrical Examiners. In subsequent action the amendment was dropped, leaving RCW 19.28.123 unchanged.

If this section becomes law the Code Reviser will have to make a reference to a 1980 legislative action that really didn't accomplish anything. I have, therefore, vetoed this section to avoid confusion on the part of future users of the code.

With the exception of Section 14, which I have vetoed, Senate Bill 3253 is approved."

Vacancies once such a board has been reconstituted shall not be filled unless the number of remaining board members is less than five in a second class district, and such vacancies shall be filled in the manner otherwise provided by law.

Each board of directors so constituted shall proceed at once to organize in the manner prescribed by law and thereafter shall have all the powers and authority conferred by law upon boards of directors of other districts of the same class. Sec. 7. Section 1, chapter 126, Laws of 1979 ex. sess. and RCW 29.04.-170 are each amended to read as follows:

(1) The legislature finds that certain laws are in conflict governing the election of various local officials. The purpose of this legislation is to provide a common date for the assumption of office for all the elected officials of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting. It is

also the purpose of this legislation to remove these conflicts and delete old statutory language concerning such elections which is no longer necessary.

(2) For elective offices of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting, the term of incumbents shall end and the term of successors shall begin after the successor is elected and qualified, and the term shall commence immediately after December 31st following the election, except as follows:

(a) Where the term of office varies from this standard according to statute; and

(b) If the election results have not been certified prior to January 1st after the election, in which event the time of commencement for the new term shall occur when the successor becomes qualified in accordance with RCW 29.01.135.

(3) For elective offices governed by this section, the oath of office shall be taken as the last step of qualification as defined in RCW 29.01.135 but may be taken either:

(a) Up to ten days prior to the scheduled date of assuming office; or

(b) At the last regular meeting of the governing body of the applicable county, city, town, or special district held before the winner is to assume office.

Sec. 8. Section 29.27.080, chapter 9, Laws of 1965 and RCW 29.27.080 are each amended to read as follows:

(1) Notice for any state, county, district, or municipal election, whether special or general, shall be given by at least one publication not more than ten nor less than three days prior to the election by the county auditor or the officer conducting the election as the case may be, in one or more newspapers of general circulation within the county. Said legal notice shall contain the title of each office under the proper party designation, the names and addresses of all officers who have been nominated for an office to be voted upon at that election, together with the ballot titles of all measures, the hours during which the polls will be open, and that the election will be held in the regular polling places in each precinct, giving the address of each polling place: **PROVIDED**, That the names of all candidates for non-partisan offices shall be published separately with designation of the offices for which they are candidates but without party designation. This shall be the only notice required for a state, county, district or municipal general or special election and shall supersede the provisions of any and all other statutes, whether general or special in nature, having different requirements for the giving of notice of any general or special elections.

(2) All school district elections held on February 5, 1980, at which the number and proportion of persons required by law voted to authorize bonds or tax levies, are hereby validated regardless of any failure to publish notice of such election. No action challenging the validity of any such election may

be brought later than April 15, 1980, or thirty days from the effective date of this act, whichever is later. Notice of provisions of this subsection shall be published within five days after the effective date of this section of this 1980 act in a newspaper of general circulation within each county where a school district election was held on February 5, 1980, and where notice of such election was not published as provided in subsection (1) of this section.

NEW SECTION. Sec. 10. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 36.77 RCW a new section to read as follows:

The board may cause any county road to be constructed or improved by day labor as provided in this section.

(1) As used in this section, "county road construction budget" means the aggregate total of those costs as defined by the budgeting, accounting, and reporting system for counties and cities and other local governments authorized under RCW 43.09.200 and 43.09.230 as prescribed in the state auditor's budget, accounting, and reporting manual's (BARS) road and street construction accounts 541.00 through 541.90 in effect April 1, 1975: **PROVIDED**, That such costs shall not include those costs assigned to the preliminary engineering account 541.11, right of way accounts 541.20 through 541.25, ancillary operations account 541.80, and ferries account 541.81 in the budget, accounting, and reporting manual.

(2) The total amount of day labor construction programs one county may perform annually shall total no more than the amounts determined in the following manner:

(a) Any county with a total annual county road construction budget of four million dollars or more may accumulate a day labor road construction budget equal to no more than eight hundred thousand dollars or fifteen percent of the county's total annual county road construction budget, whichever is greater.

(b) Any county with a total annual county road construction budget over one million five hundred thousand dollars and less than four million dollars may accumulate a day labor road construction budget equal to not more than five hundred twenty-five thousand dollars or twenty percent of

the county's total annual county road construction budget, whichever is greater.

(c) Any county with a total annual county road construction budget over five hundred thousand dollars and less than one million five hundred thousand dollars may accumulate a day labor road construction budget equal to two hundred fifty thousand dollars or thirty-five percent of the county's total annual county road construction budget, whichever is greater.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 4, chapter 173, Laws of 1933 as amended by section 4, chapter 131, Laws of 1943 and RCW 31.12.080 are each amended to read as follows:

Credit union membership shall consist of the incorporators and such other persons as may be elected to membership and subscribe for at least one share and pay the initial installment thereon and the entrance fee, if any. Any fraternal organization, partnership or corporation having a usual place of business within the state and composed principally of individual members or stockholders who are themselves eligible to membership in a credit union, may become a member of a credit union, but, except with the consent of the supervisor, the credit union shall make no loan to such a member in excess of the total of its shares and deposits therein; nor shall a credit union receive from any such member money in payment for shares or on deposit to such an amount that the total of such payment by all members of the class described in this section shall exceed at any time twenty-five percent of the assets of the credit union. Credit union organization shall be limited to groups of both large and small membership having a common bond of occupation or association, or to groups within a well defined neighborhood, community or rural district.

Sec. 2. Section 5, chapter 173, Laws of 1933 as last amended by section 1, chapter 138, Laws of 1959 and RCW 31.12.090 are each amended to read as follows:

Subject to the provisions of RCW 31.12.080, a credit union may receive savings from its members in payment for shares or on deposit, or may lend to its members at reasonable rates, or invest, as hereinafter provided, the funds so accumulated. It may undertake such other activities relating to the purpose of its organization as its articles of incorporation may provide. A credit union may invest a reasonable amount of its funds in real property or leasehold interests therein for use principally in the transaction of its business when:

(1) The aggregate of its guaranty fund and undivided profits accounts equals five percent of the aggregate of its share accounts;

(2) its directors, by at least three-fourths affirmative vote, approve the making of such investment; and

(3) the total investment in such property does not exceed seven and one-half percent of the aggregate of its share accounts.

The foregoing restrictions of this section shall not affect existing investments of credit unions. No credit union may invest its funds in real property or leasehold interests therein for use principally in the transaction of its business without the prior written approval of the supervisor. However a credit union may acquire real property through collection of loans secured thereby. The supervisor may, if he deems it to be in the best interest of the credit union, waive the restrictions of this section pertaining to real property and leasehold interests.

Sec. 3. Section 9, chapter 173, Laws of 1933 as last amended by section 1, chapter 48, Laws of 1953 and RCW 31.12.130 are each amended to read as follows:

A shareholder may purchase shares in a credit union and may also make deposits therein to an amount in the aggregate not exceeding five hundred dollars or twenty percent of the total shares and deposits of the credit union, whichever is greater. A credit union may require from a member ninety days' notice of his intention to withdraw any or all of his shares and sixty days' notice of intention to withdraw any or all of his deposits, except that the notices may be extended beyond such time limits with the written consent of the supervisor.

Sec. 4. Section 15, chapter 173, Laws of 1933 as last amended by section 1, chapter 222, Laws of 1975 1st ex. sess. and RCW 31.12.190 are each amended to read as follows:

The board shall have the general direction of the affairs of the corporation and shall meet as often as may be necessary, but not less than once in each month. It shall act upon all applications for membership and upon the

expulsion of members, except that a membership officer may be authorized by the board to approve applications for membership under such conditions as the board may prescribe which are consistent with the provisions of this chapter, and such membership officers so authorized shall submit to the board at each monthly meeting a list of approved or pending applications for membership received since the previous monthly meeting, together with such other related information as the bylaws or the board may require. The board shall determine the rate of interest on loans subject to the limitations herein, determine the rate of interest to be paid on deposits, which shall not be greater than one-half of one percent less than the rate at which dividends have been declared during the immediately preceding period, determine the types of security which shall be acceptable on loans subject to the limitations herein, and fill vacancies in the board and in such committees for which provision as to filling of vacancies is not made herein, until the next election. The board shall make recommendations to the members relative to matters upon which it deems the members should act at any regular or special meeting. The board from time to time shall set the amount of shares and deposits which any one member may hold in the credit union, and set the amount which may be loaned, secured or unsecured, to any one member, all subject to the limitations contained in this chapter. At each annual, semiannual, or quarterly period the board may declare a dividend from net earnings, which shall be paid on all shares outstanding at the time of declaration, and which may be paid to members on shares withdrawn during the period. Shares which become paid up during the year shall be entitled to a proportional part of the dividend calculated from the first day of the month following such payment in full: PROVIDED, That the board may compute such full shares if purchased on or before the tenth day of any month, as of the first day of the month, and from the date of deposit to date of withdrawal. The board may borrow money in behalf of the credit union, for the purpose of making loans, and the payment of debts or withdrawals. The aggregate amount of such loans shall not exceed thirty-three and one-third percent of the credit union's paid-in and unimpaired capital and surplus except with the approval of the supervisor. It may, by a two-thirds vote, remove from office any officer for cause; or suspend any member of the board, credit committee, investment committee, or audit committee, for cause, until the next membership meeting, which meeting shall be held within fifteen days of the suspension, and at which meeting the suspension shall be acted upon by the members. Notwithstanding any other provision of this section, a director who fails to attend three consecutive regular meetings of the board and whose reason for absence is not deemed justifiable by the remaining members of the board shall be subject to removal at their discretion by majority vote; the vacant office shall then be filled as prescribed in the bylaws. The board shall make a written report to the members at each annual meeting.

Sec. 5. Section 18, chapter 173, Laws of 1933 as last amended by section 7, chapter 8, Laws of 1973 1st ex. sess. and RCW 31.12.220 are each amended to read as follows:

Whenever the guaranty fund falls below the stated percentage of the total of outstanding loans, it shall be replenished by regular contributions in such amounts as may be needed to maintain the stated guaranty fund reserve.

The supervisor may, if deemed necessary, require the establishment of a liquidity reserve of up to five percent of unimpaired capital.

This liquidity reserve shall be in cash or investments with maturities of one year or less.

In computing total loans, credit unions may exclude to the extent of such coverage: (i) Loans secured by shares, and (ii) loans insured or guaranteed by the federal government.

Examination costs shall not be payable by a credit union with respect to the first examination following approval of its articles of incorporation by the supervisor, and the supervisor may adjust examination costs payable for succeeding examinations giving due consideration to the time and expense incident to such examinations, and to the ability of the credit unions to pay such costs.

Approved by the Governor March 3, 1980, with the exception of a proviso which is vetoed.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to one portion House Bill No. 357 entitled:

"AN ACT Relating to higher education;"

The proviso beginning on page 1, line 24 and ending on page 2, line 1 would require that the Open Public Meetings Act apply to any policy recommending bodies, except tenure review committees, authorized by public higher education governing boards, which have student members who represent the interest of students.

While there may be reason to subject all policy recommending bodies in higher education to the Open Public Meetings Act, I cannot agree with singling out only those that have student representatives.

With the exception of the proviso beginning on page 1, line 24 and ending on page 2, line 1, which I have vetoed, the remainder of House Bill No. 357 is approved."

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 28A.58.135, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 26, Laws of 1975-'76 2nd ex. sess. and RCW 28A.58.135 are each amended to read as follows:

The cost of any public work, improvement or repair for the purposes of this section shall be the aggregate of all amounts to be paid for labor, material, and equipment on one continuous or interrelated project where work is to be performed simultaneously or in close sequence. The bids shall be in writing and shall be opened and read in public on the date and in the place named in the notice and after being opened shall be filed for public inspection.

(2) ~~((a)) In lieu of the procedure described in subsection (1) of this section, bids may be solicited by telephone from a list of bidders prequalified in accordance with rules adopted by the superintendent of public instruction. Telephone solicitation shall not be used for purchases costing more than seventy-five hundred dollars or for building improvements, repairs, or books. Telephone solicitation may be used for bids for all other materials, furniture, supplies, equipment, and other purchases up to a cost of seventy-five hundred dollars.~~

~~(b) If bids are solicited by telephone, no award shall be made until at least three competitive bids have been received. After an award is made, the three or more bids shall be posted or otherwise made available at the office of the board or any other officially designated location.~~

~~(c) All bidders shall confirm their telephone bids in writing to the board within seven days after bid date. Any bidder not making such written confirmation shall be subject to removal from the qualified bidders list at the discretion of the board.~~

(3)) Every purchase of furniture, equipment or supplies, except books, the cost of which is estimated to be in excess of forty-five hundred dollars, shall be on a competitive basis. The board of directors shall establish a procedure for securing telephone and/or written quotations for such purchases. Whenever the estimated cost is from forty-five hundred dollars up to ten thousand dollars, the procedure shall require quotations from at least three different sources to be obtained in writing or by telephone, and recorded for public perusal. Whenever the estimated cost is in excess of ten thousand

dollars, the public bidding process provided in subsection (1) of this section shall be followed.

(3) Every building, improvement, repair or other public works project, the cost of which is estimated to be in excess of forty-five hundred dollars, shall be on a competitive bid process. All such projects estimated to be less than ten thousand dollars may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of directors shall establish a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised at least once each year by publishing notice of such opportunity in at least one newspaper of general circulation in the district. Responsible contractors shall be added to the list at any time they submit a written request. Whenever the estimated cost of a public works project is ten thousand dollars or more, the public bidding process provided in subsection (1) of this section shall be followed.

(4) The contract for the work or purchase shall be awarded to the lowest responsible bidder as defined in RCW 43.19.1911: PROVIDED, That when bids have been solicited ((by telephone)) in the manner provided for in subsections (2) or (3) of this section and there is reason to believe that the lowest acceptable bid is not the best obtainable, all bids may be rejected, and the board may call for new bids. Any or all bids may be rejected for good cause. On any work or purchase the board shall provide bidding information to any qualified bidder or his agent, requesting it in person.

((4)) (5) In the event of any emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board declaring the existence of such an emergency and reciting the facts constituting the same, the board may waive the requirements of this section with reference to any purchase or contract: PROVIDED, That an "emergency", for the purposes of this section, means a condition likely to result in immediate physical injury to persons or to property of the school district in the absence of prompt remedial action.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 18, chapter 252, Laws of 1971 ex. sess. as last amended by section 4, chapter 33, Laws of 1973 1st ex. sess. and RCW 19.100.180 are each amended to read as follows:

Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and the franchisees:

(1) The parties shall deal with each other in good faith.

(2) For the purposes of this chapter and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition and therefore unlawful and a violation of this chapter for any person to:

(a) Restrict or inhibit the right of the franchisees to join an association of franchisees.

(b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition: PROVIDED, That this provision shall not apply to the initial inventory of the franchise. In determining whether a requirement to purchase or lease goods or services constitutes an unfair or deceptive act or practice or an unfair method of competition the courts shall be guided by the decisions of the courts of the United States interpreting and applying the anti-trust laws of the United States.

(c) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is reasonable, is based on franchises granted at materially different times and such discrimination is reasonably related to such difference in time or on other proper and justifiable distinctions considering the purposes of this chapter, and is not arbitrary.

(d) Sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price.

(e) Obtain money, goods, services, anything of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless such benefit is disclosed to the franchisee.

(f) If the franchise provides that the franchisee has an exclusive territory, which exclusive territory shall be specified in the franchise agreement, for the franchisor or subfranchisor to compete with the franchisee in an exclusive territory or to grant competitive franchises in the exclusive territory area previously granted to another franchisee.

(g) Require franchisee to assent to a release, assignment, novation, or waiver which would relieve any person from liability imposed by this chapter.

(h) Impose on a franchisee by contract, rule, or regulation, whether written or oral, any standard of conduct unless the person so doing can sustain the burden of proving such to be reasonable and necessary.

(i) Refuse to renew a franchise without fairly compensating the franchisee for the fair market value, at the time of expiration of the franchise, of the franchisee's inventory, supplies, equipment, and furnishings purchased from the franchisor, and good will, exclusive of personalized materials which have no value to the franchisor, and inventory, supplies, equipment and furnishings not reasonably required in the conduct of the franchise business: **PROVIDED**, That compensation need not be made to a franchisee for good will if (i) the franchisee has been given one year's notice of nonrenewal and (ii) the franchisor agrees in writing not to enforce any covenant which restrains the franchisee from competing with the franchisor: **PROVIDED FURTHER**, That a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to the franchisor.

(j) ~~((F))~~ Terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include, without limitation, the failure of the franchisee to comply with lawful material provisions of the franchise or other agreement between the franchisor and the franchisee and to cure such default after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such default, or if such default cannot reasonably be cured within thirty days, the

failure of the franchisee to initiate within thirty days substantial and continuing action to cure such default: PROVIDED, That after three wilful and material breaches of the same term of the franchise agreement occurring within a twelve-month period, for which the franchisee has been given notice and an opportunity to cure as provided in this subsection, the franchisor may terminate the agreement upon any subsequent wilful and material breach of the same term within the twelve-month period without providing notice or opportunity to cure: PROVIDED FURTHER, That a franchisor may terminate a franchise without giving prior notice or opportunity to cure a default if the franchisee; (i) Is adjudicated a bankrupt or insolvent; (ii) makes an assignment for the benefit of creditors or similar disposition of the assets of the franchise business; (iii) voluntarily abandons the franchise business; or (iv) is convicted of or pleads guilty or no contest to a charge of violating any law relating to the franchise business. Upon termination for good cause, the franchisor shall purchase from the franchisee at a fair market value at the time of termination, the franchisee's inventory and supplies, exclusive of (i) personalized materials which have no value to the franchisor; (ii) inventory and supplies not reasonably required in the conduct of the franchise business; and (iii), if the franchisee is to retain control of the premises of the franchise business, any inventory and supplies not purchased from the franchisor or on his express requirement: PROVIDED, That a franchisor may offset against amounts owed to a franchisee under this subsection any amounts owed by such franchisee to the franchisor.

Sec. 2. Section 21, chapter 252, Laws of 1971 ex. sess. as last amended by section 1, chapter 13, Laws of 1979 ex. sess. and RCW 19.100.210 are each amended to read as follows:

(1) The attorney general or director may bring an action in the name of the state against any person to restrain and prevent the doing of any act herein prohibited or declared to be unlawful. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The prevailing party may in the discretion of the court recover the costs of such action including a reasonable attorneys' fee.

(2) Every person who shall violate the terms of any injunction issued as in this chapter provided shall forfeit and pay a civil penalty of not more than twenty-five thousand dollars.

Every person who violates RCW 19.100.020, 19.100.080, 19.100.150 and 19.100.170 as now or hereafter amended shall forfeit a civil penalty of not more than two thousand dollars for each violation.

For the purpose of this section the superior court issuing an injunction shall retain jurisdiction and the cause shall be continued and in such cases

the attorney general or director acting in the name of the state may petition for the recovery of civil penalties.

In the enforcement of this chapter, the attorney general or director may accept an assurance of discontinuance with the provisions of this chapter from any person deemed by the attorney general or director in violation hereof. Any such assurance shall be in writing, shall state that the person giving such assurance does not admit to any violation of this chapter or to any facts alleged by the attorney general or director, and shall be filed with and subject to the approval of the superior court of the county in which the alleged violator resides or has his principal place of business, or in Thurston county. Proof of failure to comply with the assurance of discontinuance shall be prima facie evidence of a violation of this chapter.

(3) Any person who wilfully violates any provision of this chapter or who wilfully violates any rule adopted or order issued under this chapter shall upon conviction be fined not more than five thousand dollars or imprisoned for not more than ten years or both, but no person may be imprisoned for the violation of any rule or order if he proves that he had no knowledge of the rule or order. No indictment or information may be returned under this chapter more than five years after the alleged violation.

(4) Nothing in this chapter limits the power of the state to punish any person for any conduct which constitutes a crime by statute or at common law.

SALMON ADVISORY COUNCIL—MEMBERSHIP

AN ACT Relating to the salmon advisory council; and amending section 2, chapter 327, Laws of 1977 ex. sess. as amended by section 3, chapter 60, Laws of 1979 and RCW 75.18.110.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 2, chapter 327, Laws of 1977 ex. sess. as amended by section 3, chapter 60, Laws of 1979 and RCW 75.18.110 are each amended to read as follows:

(1) The department shall not acquire, construct, or substantially improve any salmon enhancement facility unless the requirements of this section are met.

(a) The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development.

(b) Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall, with the advice of the advisory council created in subsection (2) of this section, give consideration to the following factors with respect to that facility:

(i) The department's management authority over propagated salmon;

(ii) The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

(iii) Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

(iv) Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game.

(2) To aid and advise the department in the performance of its functions as specified by this section with regard to the salmon enhancement program, a salmon advisory council is hereby created. The advisory council shall consist of ~~((ten))~~ thirteen members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game, or the director's designee; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the members appointed by the governor, two shall represent troll fishermen; two shall represent gill net fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; ~~((two))~~ three shall represent sportsmen; two shall be members of Indian tribes of this state who shall be appointed from a list submitted by the

Northwest Indian Fisheries Commission; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The terms of the initial members appointed by the governor expire on December 31, 1979. Thereafter, all members appointed by the governor shall serve terms of two years.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility. The council shall advise the director with regard to the considerations listed in subsection (1)(b) of this section and any other factors the council deems relevant with respect to the proposed facility.

Vacancies shall be filled in the same manner as original appointments. Except for the director of the department of game and legislative members, members shall receive reimbursement through the department of fisheries for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or the director's designee, shall receive reimbursement through the department of game for travel expenses incurred in the performance of his or her duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

The salmon advisory council shall cease to exist on December 31, 1989.

Passed the House February 20, 1980.

Passed the Senate February 18, 1980.

Approved by the Governor March 3, 1980.

The maximum amount payable weekly shall be fifty-five percent of the "average weekly wage" for the calendar year preceding such June 30th: PROVIDED, That if as of any June 30th the unemployment compensation trust fund balance has improved so that the employer contribution as determined pursuant to RCW 50.24.010 is less than three percent, the maximum amount payable weekly for benefit years beginning with the first full calendar week in July next following shall be sixty percent of the "average weekly wage" for the calendar year preceding such June 30(~~(- PROVIDED FURTHER; That)~~). Sec. 4. Section 8, chapter 33, Laws of 1977 ex. sess. and RCW 50.20-.095 are each amended to read as follows:

Any individual registered at an established school in a course of study providing scholastic instruction of twelve or more hours per week, or the equivalent thereof, shall be disqualified from receiving benefits or waiting period credit for any week during the school ((year)) term commencing with the first week of such scholastic instruction or the week of leaving employment to return to school, whichever is the earlier, and ending with the week immediately before the first full week in which the individual is no longer registered for ((classes)) twelve or more hours of scholastic instruction per week: PROVIDED, That ((this nonregistration)) registration for less than twelve hours will be for a period of sixty days or longer. The term "school" includes primary schools, secondary schools, and "institutions of

higher education" as that phrase is defined in RCW ((50.44.030)) 50.44.037.

This disqualification shall not apply to any individual who:

- (1) Is in approved training within the meaning of RCW 50.20.043; or
- (2) Demonstrates to the commissioner by a preponderance of the evidence his or her actual availability for work, and in arriving at this determination the commissioner shall consider the following factors:
 - (a) Prior work history;
 - (b) Scholastic history;
 - (c) Past and current labor market attachment; and
 - (d) Past and present efforts to seek work.

Sec. 5. Section 73, chapter 35, Laws of 1945 as last amended by section 4, chapter 33, Laws of 1977 ex. sess. and RCW 50.20.050 are each amended to read as follows:

(1) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter until he or she has obtained work and earned wages of not less than his or her suspended weekly benefit amount in each of five calendar weeks.

(2) An individual shall not be considered to have left work voluntarily without good cause when:

- (a) He or she has left work to accept a bona fide job offer; or
- (b) The separation was because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if the claimant took all reasonable precautions, in accordance with any regulations that the commissioner may prescribe, to protect his or her employment status by having promptly notified the employer of the reason for the absence and by having promptly requested reemployment when again able to assume employment: PROVIDED, That these precautions need not have been taken when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system.

(3) In determining whether an individual has left work voluntarily without good cause, the commissioner shall consider the degree of risk involved to the individual's health, safety, and morals, the individual's physical fitness, the individual's ability to perform the work, and such other work connected factors as the commissioner may deem pertinent, including state and national emergencies. Good cause shall not be established for voluntarily leaving work because of its distance from an individual's residence where the distance was known to the individual at the time he or she accepted the employment(;) and where, in the judgment of the department, the distance is customarily traveled by workers in the individual's job classification and labor market, nor because of any other significant work factor which

was generally known and present at the time he or she accepted employment, unless the related circumstances have so changed as to amount to a substantial involuntary deterioration of the work factor or unless the commissioner determines that other related circumstances would work (~~(an un-~~conscionable)) an unreasonable hardship on the individual were he or she required to continue in the employment.

(4) Subsections (1) and (3) of this section shall not apply to an individual whose marital status or domestic responsibilities cause him or her to leave employment. Such an individual shall not be eligible for unemployment insurance benefits until he or she has requalified, either by obtaining work and earning wages of not less than the suspended weekly benefit amount in each of five calendar weeks or by reporting in person to the department during ten different calendar weeks and certifying on each occasion that he or she is ready, able, and willing to immediately accept any suitable work which may be offered, is actively seeking work pursuant to customary trade practices, and is utilizing such employment counseling and placement services as are available through the department.

NEW SECTION. Sec. 6. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

ADMINISTRATIVE AGENCY DECISIONS—REVIEW—COURT OF APPEALS

AN ACT Relating to judicial review of administrative agencies; amending section 3, chapter 221, Laws of 1969 ex. sess. as last amended by section 1, chapter 102, Laws of 1979 and RCW 2.06.030; and adding new sections to chapter 34.04 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 34.04 RCW a new section to read as follows:

The final decision of an administrative agency in a contested case under chapter 34.04 RCW may be directly reviewed by the court of appeals upon certification by the superior court pursuant to this section. An application for such direct review must be filed with the superior court within thirty days of the filing of the petition for review in superior court. The superior court may certify a case for direct review only if the judicial review is limited to the record of the agency proceeding and the court finds that:

(1) Fundamental and urgent issues affecting the future administrative process or the public interest are involved which require a prompt determination;

(2) Delay in obtaining a final and prompt determination of such issues would be detrimental to any party or the public interest;

(3) An appeal to the court of appeals would be likely regardless of the determination in superior court; and

(4) The appellate court's determination in the proceeding would have significant precedential value.

NEW SECTION. Sec. 2. There is added to chapter 34.04 RCW a new section to read as follows:

The court of appeals may refuse to accept review of a case certified pursuant to section 1 of this act. The refusal to accept such review is not subject to further appellate review, notwithstanding anything in Rule 13.3 of the Rules of Appellate Procedure to the contrary.

Sec. 3. Section 3, chapter 221, Laws of 1969 ex. sess. as amended by section 1, chapter 102, Laws of 1979 and RCW 2.06.030 are each amended to read as follows:

The administration and procedures of the court shall be as provided by rules of the supreme court. The court shall be vested with all power and authority, not inconsistent with said rules, necessary to carry into complete execution all of its judgments, decrees and determinations in all matters within its jurisdiction, according to the rules and principles of the common law and the Constitution and laws of this state.

For the prompt and orderly administration of justice, the supreme court may (1) transfer to the appropriate division of the court for decision a case or appeal pending before the supreme court; or (2) transfer to the supreme court for decision a case or appeal pending in a division of the court.

Subject to the provisions of this section, the court shall have exclusive appellate jurisdiction in all cases except:

(a) cases of quo warranto, prohibition, injunction or mandamus directed to state officials;

(b) criminal cases where the death penalty has been decreed;

(c) cases where the validity of all or any portion of a statute, ordinance, tax, impost, assessment or toll is drawn into question on the grounds of repugnancy to the Constitution of the United States or of the state of Washington, or to a statute or treaty of the United States, and the superior court has held against its validity;

(d) cases involving fundamental and urgent issues of broad public import requiring prompt and ultimate determination; and

(e) cases involving substantive issues on which there is a direct conflict among prevailing decisions of panels of the court or between decisions of the supreme court;

all of which shall be appealed directly to the supreme court: **PROVIDED,** That whenever a majority of the court before which an appeal is pending, but before a hearing thereon, is in doubt as to whether such appeal is within the categories set forth in subsection (d) or (e) of this section, the cause shall be certified to the supreme court for such determination.

The appellate jurisdiction of the court of appeals does not extend to civil actions at law for the recovery of money or personal property when the original amount in controversy, or the value of the property does not exceed the sum of two hundred dollars.

The court shall have appellate jurisdiction over review of final decisions of administrative agencies certified by the superior court pursuant to section 1 of this act.

Appeals from the court to the supreme court shall be only at the discretion of the supreme court upon the filing of a petition for review. No case, appeal or petition for a writ filed in the supreme court or the court shall be dismissed for the reason that it was not filed in the proper court, but it shall be transferred to the proper court.

(1) Written consent to adoption must be filed with the petition for adoption, as follows:

~~(+))~~ (c) If the person to be adopted is a minor ~~((and has been permanently committed upon due notice to his parents by any court of general jurisdiction to an approved agency, then by such approved agency)) then by each of his or her living parents who has not had his or her parent and child relationship terminated pursuant to a court order. If the parents' written consent is obtained, the procedures specified in this chapter for voluntary termination of the parent and child relationship are not applicable. A parent may revoke his or her written consent at any time before the consent is accepted by the court; and~~

order of relinquishment, covering the competency of the person signing the consent and certifying that the consent was voluntarily made and for the best interests of the child.

However, the court in its discretion need not apply this section upon the pleading of a person who alleges, within ninety days after the effective date of this 1980 act, that this section prejudices him or her in the exercise of any right.

NEW SECTION. Sec. 3. There is added to chapter 9A.64 RCW a new section to read as follows:

Sec. 44. Section 46.68.120, chapter 12, Laws of 1961 as last amended by section 185, chapter 158, Laws of 1979 and RCW 46.68.120 are each amended to read as follows:

Funds to be paid to the counties of the state shall be subject to deduction and distribution as follows:

(1) One and one-half percent of such sums shall be deducted monthly as such sums accrue and set aside for the use of the department of transportation and the county road administration board for the supervision of work and expenditures of such counties on the county roads thereof, including the supervision and administration of federal-aid programs for which the transportation commission has responsibility: PROVIDED, That any moneys so retained and not expended shall be credited in the succeeding biennium to the counties in proportion to deductions herein made;

(2) All sums required to be repaid to counties composed entirely of islands shall be deducted;

(3) The balance remaining to the credit of counties after such deductions shall be paid to the several counties monthly, as such funds accrue, upon the basis of the following formula:

(a) Ten percent of such sum shall be divided equally among the several counties.

(b) Thirty percent shall be paid to each county in direct proportion that the sum of the total number of private automobiles and trucks licensed by registered owners residing in unincorporated areas and seven percent of the number of private automobiles and trucks licensed by registered owners residing in incorporated areas within each county bears to the total of such sums for all counties. The number of registered vehicles so used shall be as certified by the director of licensing for the year next preceding the date of calculation of the allocation amounts. The director of licensing shall first supply such information not later than the fifteenth day of February, 1956, and on the fifteenth of February each two years thereafter.

(c) Thirty percent shall be paid to each county in direct proportion that the product of the county's trunk highway mileage and its prorated estimated annual cost per trunk mile as provided in subsection (e) is to the sum of such products for all counties. County trunk highways are defined as county roads regularly used by school buses and/or rural free delivery mail carriers of the United States post office department, but not foot carriers. Determination of the number of miles of county roads used in each county by school buses shall be based solely upon information supplied by the superintendent of public instruction who shall on October 1, 1955, and on October 1st of each odd-numbered year thereafter furnish the transportation commission with a map of each county upon which is indicated the county roads used by school buses at the close of the preceding school year, together with a detailed statement showing the total number of miles of county highway over which school buses operated in each county during

such year. Determination of the number of miles of county roads used in each county by rural mail carriers on routes serviced by vehicles during the year shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.

(d) Thirty percent of such sum shall be paid to each of the several counties in the direct proportion that the product of the trunk highway mileage of the county and its "money need factor" as defined in subsection (f) is to the total of such products for all counties.

(e) Every four years, beginning with the 1958 allocation, the transportation commission and the legislative transportation committee shall reexamine or cause to be reexamined all the factors on which the estimated annual costs per trunk mile for the several counties have been based and shall make such adjustments as may be necessary. The following formula shall be used: One twenty-fifth of the estimated total county road replacement cost, plus the total annual maintenance cost, divided by the total miles of county road in such county, and multiplied by the result obtained from dividing the total miles of county road in said county by the total trunk road mileage in said county. For the purpose of allocating funds from the motor vehicle fund, a county road shall be defined as one established as such by resolution or order of establishment of the county legislative authority.

(f) The "money need factor" for each of the several counties shall be the difference between the prorated estimated annual costs as provided for in subsection (e) of this subsection and the sum of the following three amounts divided by the county trunk highway mileage:

(1) The equivalent of a two dollar and twenty-five cents per thousand dollars of assessed value tax levy on the valuation, as equalized by the state department of revenue for state purposes, of all taxable property in the county road districts;

(2) One-fourth the sum of all funds received by the county from the federal forest reserve fund during the two calendar years next preceding the date of the adjustment of the allocation amounts as certified by the state treasurer; and

(3) One-half the sum of motor vehicle license fees and motor vehicle fuel tax refunded to the county during the two calendar years next preceding the date of the adjustment of the allocation amounts as provided in RCW 46.68.080. These shall be as supplied to the transportation commission by the state treasurer for that purpose. The department of revenue and the state treasurer shall supply the information herein requested on or before January 1, 1956, and on said date each two years thereafter.

The following formula shall be used for the purpose of obtaining the "money need factor" of the several counties: The prorated estimated annual cost per trunk mile multiplied by the trunk miles will equal the total need of the individual county. The total need minus the sum of the three resources

set forth in subsection (f) shall equal the net need. The net need of the individual county divided by the total net needs for all counties shall equal the "money need factor" for that county.

(g) The transportation commission shall adjust the allocations of the several counties on March 1st of every even-numbered year based solely upon the sources of information hereinbefore required: PROVIDED, That the total allocation factor composed of the sum of the four factors defined in subsections (a), (b), (c), and (d) shall be held to a level not more than five percent above or five percent below the total allocation factor in use during the previous two year period.

(h) The transportation commission and the legislative transportation committee shall relog or cause to be relogged the total road mileages upon which the prorated estimated annual costs per trunk mile are based and shall recalculate such costs on the basis of such relogging and shall report their findings and recommendations to the legislature at its next regular session during an odd-numbered year.

(i) The transportation commission and the legislative transportation committee shall study and report their findings and recommendations to the legislature concerning the following problems as they affect the allocation of "motor vehicle fund" funds to counties:

(1) Comparative costs per trunk mile based on federal aid contracts versus those herein advocated;

(2) Average costs per trunk mile;

(3) The advisability of using either "trunk mileage" or "county road" mileage exclusively as the criterion instead of both as in this plan adopted;

(4) Reassessment of bridge costs based on current information and relogging of bridges;

(5) The items in the list of resources used in determining the "need factor";

(6) The development of a uniform accounting system for counties with regard to road and bridge construction and maintenance costs;

(7) A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads.

Sec. 45. Section 7, chapter 151, Laws of 1977 ex. sess. and RCW 47-.01.071 are each amended to read as follows:

The transportation commission shall have the following functions, powers, and duties:

(e) To integrate the state-wide transportation plan with the needs of the elderly and handicapped, and to coordinate federal and state programs directed at assisting local governments to answer such needs;

(2) To establish the policy of the department to be followed by the secretary on each of the following items:

(a) To provide for the effective coordination of state transportation planning with national transportation policy, state and local land use policies, and local and regional transportation plans and programs;

(b) To provide for public involvement in transportation designed to elicit the public's views both with respect to adequate transportation services and appropriate means of minimizing adverse social, economic, environmental, and energy impact of transportation programs;

(c) To provide for the administration of grants in aid and other financial assistance to counties and municipal corporations for transportation purposes;

(d) To provide for the management, sale, and lease of property or property rights owned by the department which are not required for transportation purposes;

(3) To direct the secretary to prepare and submit to the commission a comprehensive and balanced state-wide transportation plan which shall be based on the transportation policy adopted by the legislature and applicable state and federal laws. After public notice and hearings, the commission shall adopt the plan and submit it to the legislative transportation committee and to the house and senate standing committees on transportation before January 1, 1980, for consideration in the ~~((next))~~ 1980 regular legislative session. The plan shall be reviewed and revised ~~((at the next))~~ prior to each regular session of the legislature ~~((and biennially))~~ during an even-numbered year thereafter. A preliminary plan shall be submitted to such committees by January 1, 1979.

The plan shall take into account federal law and regulations relating to the planning, construction, and operation of transportation facilities;

(4) To approve and propose to the governor and to the legislature prior to the convening of each regular session during an odd-numbered year a recommended budget for the operation of the department and for carrying out the program of the department for the ensuing biennium. The proposed budget shall separately state the appropriations to be made from the motor vehicle fund for highway purposes in accordance with constitutional limitations and appropriations and expenditures to be made from the general fund, or accounts thereof, and other available sources for other operations and programs of the department;

(5) To review and authorize all departmental requests for legislation;

(6) To approve the issuance and sale of all bonds authorized by the legislature for capital construction of state highways, toll facilities, Columbia Basin county roads (for which reimbursement to the motor vehicle fund has been provided), urban arterial projects, and aviation facilities;

(7) To adopt such rules, regulations, and policy directives as may be necessary to carry out reasonably and properly those functions expressly vested in the commission by statute;

(8) To delegate any of its powers to the secretary of transportation whenever it deems it desirable for the efficient administration of the department and consistent with the purposes of this title;

(9) To exercise such other specific powers and duties as may be vested in the transportation commission by this or any other provision of law.

Sec. 46. Section 1, chapter 166, Laws of 1979 ex. sess. and RCW 90.03.247 are each amended to read as follows:

Whenever an application for a permit to make beneficial use of public waters is approved relating to a stream or other water body for which minimum flows or levels have been adopted and are in effect at the time of approval, the permit shall be conditioned to protect the levels or flows. No agency may establish minimum flows and levels or similar water flow or level restrictions for any stream or lake of the state other than the department of ecology whose authority to establish is exclusive, as provided in chapter 90.03 RCW and RCW 90.22.010 and 90.54.040. The provisions of other statutes, including but not limited to RCW 75.20.100 and chapter 43.21C RCW, may not be interpreted in a manner that is inconsistent with this section. In establishing such minimum flows, levels, or similar restrictions, the department shall, during all stages of development by the department of ecology of minimum flow proposals, consult with, and carefully consider the recommendations of, the department of fisheries, the state game commission, the state energy office, the department of agriculture, and representatives of the affected Indian tribes. Nothing herein shall preclude the department of fisheries, the game commission, the energy office, or the department of agriculture from presenting its views on minimum flow

needs at any public hearing or to any person or agency, and the department of fisheries, the game commission, the energy office, and the department of agriculture are each empowered to participate in proceedings of the federal energy regulatory commission and other agencies to present its views on minimum flow needs. The department of ecology shall file with the speaker of the house of representatives and the president of the senate on the first day of each regular session of the legislature during an odd-numbered year a report as to the implementation of its minimum flow setting program.

NEW SECTION. Sec. 47. Section 6, chapter 181, Laws of 1945 and RCW 2.48.120 are each repealed.

Passed the House February 26, 1980.

Passed the Senate February 19, 1980.

Approved by the Governor March 7, 1980, with the exception of Sections 3 and 4, which are vetoed.

Filed in Office of Secretary of State March 7, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval of two sections House Bill No. 1475 entitled:

"AN ACT Relating to legislative sessions".

Section 3 of this bill amends RCW 28A.41.020 which was repealed by Section 7(1) of SB 3406 (Ch. 6, Laws of 1980), and Section 4 amends RCW 28A.41.050 which was previously amended by Section 3 of SB 3406 (Ch. 6, Laws of 1980). It is clear that the earlier enactment is preferred, and therefore I have vetoed these sections to preclude the necessity of further action to clarify intent.

With the exception of Sections 3 and 4 which I have vetoed, the remainder of House Bill No. 1475 is approved."

Sec. 2. Section 43.51.060, chapter 8, Laws of 1965 as amended by section 1, chapter 99, Laws of 1969 and RCW 43.51.060 are each amended to read as follows:

(9) Without being limited to the powers hereinbefore enumerated, the commission shall have such other powers as in the judgment of a majority of its members are deemed necessary to effectuate the purposes of this chapter: PROVIDED, That the commission shall not have power to supervise directly any local park or recreation district, and no funds shall be made available for such purpose.

NEW SECTION. Sec. 3. There is added to chapter 43.51 RCW a new section to read as follows:

Recognizing the fact that the demand for park services is greatest in our urban areas, that parks should be accessible to all Washington citizens, that the urban poor cannot afford to travel to remotely located parks, that few state parks are located in or near urban areas, that a need exists to conserve energy, and that local governments having jurisdiction in urban areas cannot afford the costs of maintaining and operating the extensive park systems needed to service their large populations, the legislature hereby directs the interagency committee for outdoor recreation to place a high priority on the acquisition, development, redevelopment, and renovation of parks to be located in or near urban areas and to be particularly accessible to and used by the populations of those areas. For purposes of sections 3 and 4 of this 1980 act, "urban areas" mean any incorporated city with a population of five thousand persons or greater or any county with a population density of two hundred fifty persons per square mile or greater. This section shall be implemented by January 1, 1981.

NEW SECTION. Sec. 4. There is added to chapter 43.51 RCW a new section to read as follows:

For the reasons specified in section 3 of this act, the state parks and recreation commission shall place a high priority on the establishment of urban area state parks and shall revise its plan for future state parks to achieve this priority. This section shall be implemented by January 1, 1981.

****NEW SECTION. Sec. 5. (1) In keeping with the purposes of this 1980 act, the powers, functions, and duties heretofore exercised by the game commission, department of game, or its director, respecting the management, control, and operation of the approximately 165-acre tract of land bordering the White/Stuck Rivers in or near the city of Auburn and currently used as a game preserve are, except as provided under this section, terminated as of the effective date of this section, and the powers, functions, and duties with respect to such land are vested in the parks and recreation commission to be exercised in accordance with chapter 43.51 RCW as now existing or hereafter amended for the purposes specified therein.***

(2) Nothing in this section shall impair any contract, debt, or obligation owed by the game commission or department of game in respect to such land.

However, the director of the office of financial management may, if the director finds it appropriate, transfer the duty to satisfy any such contract, debt, or obligation to the parks and recreation commission.

(3) The director of the office of financial management is authorized to make whatever orders are convenient or necessary for the implementation of this section. In addition, the director is authorized to make decisions resolving questions regarding the impact of this section on preexisting contracts, debts, or obligations with respect to such land. Any orders or decisions made by the director under this section shall be binding on the game commission, the department of game, and the parks and recreation commission.

(4) On the effective date of this section, the state treasurer shall transfer from the general fund to the game fund the sum of one million five hundred thousand dollars to compensate the game fund for the transfer of the Auburn game farm to the parks and recreation commission.

(5) Section 5 of this act shall become effective on July 31, 1981, at which time the transfer of powers, functions and duties provided for in subsection (1) and the transfer of funds provided for in subsection (4) shall occur: PROVIDED, HOWEVER, That the parks and recreation commission is hereby authorized to begin planning for the public use of this property as an urban park on the effective date of this 1980 act.

*Sec. 5. was vetoed, see message at end of chapter.

Passed the Senate February 22, 1980.

Passed the House February 18, 1980.

Approved by the Governor March 10, 1980 with the exception of Section 5 which is vetoed.

Filed in Office of Secretary of State March 10, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to one section of Substitute Senate Bill 3164 entitled:

"AN ACT Relating to urban area state parks".

Section 5 of this bill provides for the transfer of the Auburn Game Farm from the Game Commission to the State Parks and Recreation Commission for the purpose of preserving this property as an urban area state park. An appropriation of \$1,500,000 is made from General Fund-State revenues to compensate the Game Commission for the property.

While I strongly support the concept of urban area state parks, there is a necessity to be consistent with the priorities of the Statewide Comprehensive Outdoor Recreation Plan and the Interagency Committee for Outdoor Recreation Plan (IAC) if utilization of our scarce resources is to be most effective.

In addition, land acquisition projects submitted through the IAC are eligible for federal matching funds and should be maximized to the extent possible.

The effective date of this transfer is to be accomplished by July 31, 1981, the next biennium. This has the effect of obligating future legislatures.

Consequently, I have vetoed Section 5 and will ask the IAC to evaluate this proposal in their capital budget development plan for the 1981-83 biennium.

With the exception of Section 5, which I have vetoed, the remainder of Substitute Senate Bill 3164 is approved."

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Food fish and shellfish" has the meaning ascribed to it by RCW 75.04.040 and includes byproducts and also parts of food fish and shellfish, whether fresh, frozen, canned, or otherwise.

(2) "Commercial purposes" has the meaning ascribed to it by RCW 75.04.080.

(3) "Possession" means the control of food fish and shellfish by the owner and includes both actual and constructive possession. Constructive possession occurs when the person has legal ownership but not actual possession of the food fish or shellfish.

NEW SECTION. Sec. 2. (1) In addition to all other taxes, licenses, or fees provided by law there is established an excise tax on the possession of food fish and shellfish for commercial purposes as provided in this chapter. The tax is levied upon and shall be collected from the owner of the food fish or shellfish whose possession constitutes the taxable event. The taxable event is the first possession by an owner after the food fish or shellfish have been landed. Processing and handling of food fish and shellfish by a person who is not the owner is not a taxable event to the processor or handler.

(2) A person in possession of food fish and shellfish and liable to this tax may deduct from the price paid to the person from which such food fish or shellfish (except oysters) are purchased an amount equal to a tax at one-half the rate levied in this section upon these products.

(3) The measure of the tax is the price paid by the first person in possession of the food fish or shellfish. If the food fish or shellfish are acquired other than by purchase or are purchased under conditions where the purchase price does not represent the value of the food fish or shellfish or these products are transferred outside the state without sale, the measure of the tax shall be determined as nearly as possible according to the selling price of similar products of like quality and character under rules adopted by the department of revenue.

(4) The tax shall be equal to the measure of the tax multiplied by the rates for food fish and shellfish as follows:

- (a) Chinook, coho, and chum salmon: Five percent.
- (b) Pink and sockeye salmon: Three percent.
- (c) Other food fish and shellfish, except oysters: Two percent.

(d) Oysters: Seven one-hundredths of one percent.

NEW SECTION. Sec. 3. The tax imposed by section 2 of this act shall not apply to: (1) Food fish or shellfish previously landed outside the state which is shipped into the state as (a) frozen food fish or frozen shellfish or (b) food fish or shellfish packaged for retail sales; (2) fresh net caught food fish to the extent provided under an interstate agreement entered into under section 13 of this act; and (3) the growing, processing, or dealing with food fish which are raised from eggs or fry and which are under the physical control of the grower at all times until being sold or harvested.

NEW SECTION. Sec. 4. A credit shall be allowed against the tax imposed by section 2 of this act upon food fish or shellfish with respect to any tax legally imposed and paid to another state by the taxpayer upon the same food fish or shellfish purchased in the other state.

NEW SECTION. Sec. 5. All of the provisions of chapters 82.02 and 82.32 RCW shall be applicable and have full force and effect with respect to taxes imposed under this chapter. The meaning attributed to words and phrases in chapter 82.04 RCW, insofar as applicable, shall have full force and effect with respect to taxes imposed under this chapter.

NEW SECTION. Sec. 6. The taxes levied by this chapter shall be due for payment monthly and remittance therefor shall be made on or before the fifteenth day of the month next succeeding the end of the month in which the tax accrued. The taxpayer on or before the due date shall make out a signed return, setting out such information as the department of revenue may require, including the gross measure of the tax, any deductions, credits, or exemptions claimed, and the amount of tax due for the preceding monthly period, which amount shall be transmitted to the department along with the return.

The department may relieve any taxpayer from the obligation of filing a monthly return and may require the return to cover other periods, but in no event may periodic returns be filed for a period greater than one year.

NEW SECTION. Sec. 7. All taxes collected by the department of revenue under this chapter shall be deposited in the state general fund.

Sec. 8. Section 1, chapter 327, Laws of 1977 ex. sess. and RCW 75.18-.100 are each amended to read as follows:

The long range economic development goals for the state of Washington shall include the restoration of salmon runs to provide an increased supply of this valuable renewable resource for the benefit of commercial and recreational users and the economic well-being of the state. For the purpose of providing funds for the planning, acquisition, construction, improvement, and operation of salmon enhancement facilities within the state it is the intent of the legislature that the revenues received from fees from the issuance of vessel delivery permits, charter boat licenses, trolling gear licenses, gill

net gear licenses, purse seine gear licenses, reef net gear licenses, anadromous salmon angling licenses and all moneys received from all privilege fees and fish sales taxes collected on fresh or frozen salmon or parts thereof be utilized to fund such costs.

Sec. 9. Section 75.98.040, chapter 12, Laws of 1955 as amended by section 3, chapter 66, Laws of 1979 and RCW 75.98.040 are each amended to read as follows:

proper, except that indemnification with respect to any proceeding referred to in subsection (3) of this section and with respect to any proceeding in which liability shall have been adjudged pursuant to subsection (4) of this section shall be limited to expenses.

A court of appropriate jurisdiction may be the same court in which the proceeding involving the director's liability took place.

(6) No indemnification under subsection ~~((s (1) and (2) above (unless ordered by a court)))~~ (2) or (3) of this section shall be made by the corporation ~~((only as))~~ unless authorized in the specific case ~~((upon))~~ after a determination that indemnification of the ~~((agent))~~ director is ~~((proper))~~ permissible in the circumstances because he has met the ~~((applicable))~~ standard of conduct set forth in ~~((subsections (1) and (2) above))~~ the applicable subsection. Such determination shall be made ~~((a) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by the shareholders:~~

Shares held by directors who are parties to the proceeding shall not be voted on the subject matter under this subsection.

(12) Any indemnification of a director in accordance with this section, including any payment or reimbursement of expenses, shall be reported to the shareholders with the notice of the next shareholders' meeting or prior thereto in a written report containing a brief description of the proceedings involving the director being indemnified and the nature and extent of such indemnification.

NEW SECTION. Sec. 8. The director, after a hearing, may for cause reissue or reinstate the license of a person whose license has been revoked or suspended.

(b) Like notice must also be so delivered or mailed to each mortgagee, pledgee, or other person shown by the policy to have an interest in any loss which may occur thereunder.

(2) The mailing of any such notice shall be effected by depositing it in a sealed envelope, directed to the addressee at his last address as known to the insurer or as shown by the insurer's records, with proper prepaid postage affixed, in a letter depository of the United States post office. The insurer

shall retain in its records any such item so mailed, together with its envelope, which was returned by the post office upon failure to find, or deliver the mailing to, the addressee.

(3) The affidavit of the individual making or supervising such a mailing, shall constitute prima facie evidence of such facts of the mailing as are therein affirmed.

(4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in amount as computed on the pro rata basis, must be actually paid to the insured or other person entitled thereto as shown by the policy or by any endorsement thereon, or be mailed to the insured or such person as soon as possible (~~but~~), and no later than thirty days after the date of notice of cancellation to the insured for homeowners', dwelling fire, and private passenger auto. In event the policy or binder has been lost or destroyed and cannot be so surrendered, the insurer may in lieu of such surrender accept and in good faith rely upon the insured's written statement setting forth the fact of such loss or destruction.

(2) As soon as possible, (~~but~~) and no later than thirty days after the receipt of the notice of cancellation from the policyholder for homeowners', dwelling fire, and private passenger auto insurance, the insurer shall pay to the insured or to the person entitled thereto as shown by the insurer's records, any unearned portion of any premium paid on the policy as computed on the customary short rate or as otherwise specified in the policy: **PROVIDED**, That the refund of any unearned portion of any premium paid on a contract of dwelling fire insurance, homeowners' insurance, or insurance predicated upon the use of a private passenger automobile (as defined in RCW 48.18.297 and excluding contracts of insurance and policies enumerated in RCW 48.18.296) shall be computed on a pro rata basis and the insurer shall refund not less than ninety percent of any unearned portion not exceeding one hundred dollars, plus ninety-five percent of any unearned portion over one hundred dollars but not exceeding five hundred dollars, and not less than ninety-seven percent of the amount of any unearned portion in excess of five hundred dollars. If the amount of any refund is less than two

(3) The surrender of a policy to the insurer for any cause by any person named therein as having an interest insured thereunder shall create a presumption that such surrender is concurred in by all persons so named.

(4) This section shall not apply to life insurance policies or to annuity contracts.

AN ACT Relating to medically fragile children; creating a new chapter in Title 74 RCW; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. In recognition of the fact that there is a small population of children with multiple disabilities and specific and continuing medical needs now being served in high-daily-cost hospitals that could be more appropriately and cost-efficiently served in alternative residential alternatives, it is the intent of the legislature to establish a controlled program to develop and review an alternative service delivery system for certain multiply handicapped children who have continuing intensive medical needs but who are not required to continue in residence in a hospital setting.

NEW SECTION. Sec. 2. (1) To be eligible for services under this alternative program, a person must meet all the following criteria:

(a) The individual must be under twenty-two years of age;

(b) The individual must be under the care of a physician and such physician must diagnose the child's condition as sufficiently serious to warrant eligibility;

(c) The individual must be presently residing in, or in immediate jeopardy of residing in, a hospital or other residential medical facility for the purpose of receiving intensive support medical services; and

(d) The individual must fall within one of the four functional/medical definitional categories listed in subsection (2) of this section.

(2) Functional/medical definitional categories:

(a) Respiratory impaired; with an acquired or congenital defect of the oropharynx, trachea, bronchial tree, or lung requiring continuing dependency on a respiratory assistive device in order to allow the disease process to heal or the individual to grow to a sufficient size to live as a normal person;

(b) Respiratory with multiple physical impairments; with acquired or congenital defects of the central nervous system or multiple organ systems requiring continued dependency on a respiratory assistive device and/or other medical, surgical, and physical therapy treatments in order to allow the disease process to heal or the individual to gain sufficient size to permit surgical correction of the defect or the individual to grow large and strong enough and acquire sufficient skills in self-care to allow survival in a nonmedical/therapy intensive environment;

(c) Multiply physically impaired; with congenital or acquired defects of multiple systems and at least some central nervous system impairment that causes loss of urine and stool sphincter control as well as paralysis or loss or reduction of two or more extremities, forcing the individual to be dependent on a wheelchair or other total body mobility device, also requiring medical, surgical, and physical therapy intervention in order to allow the individual to grow to a size that permits surgical correction of the defects or allows the

individual to grow large and strong enough and acquire sufficient skills in self-care to allow survival in a nonmedical/therapy intensive environment;

(d) Static encephalopathies; with severe brain insults of acquired or congenital origin causing the individual to be medically diagnosed as totally dependent for all bodily and social functions except cardiorespiratory so that the individual requires continuous long-term daily medical/nursing care.

NEW SECTION. Sec. 3. (1) A written individual program plan shall be developed for each child served under this controlled program by the division of developmental disabilities in cooperation with the child's parents or if available, legal guardians, and under the supervision of the child's primary health care provider.

(2) The plan shall provide for the systematic provision of all required services. The services to be available as required by the child's individual needs shall include: (a) Nursing care, including registered and licensed practical nurses, and properly trained nurse's aides; (b) physicians, including surgeons, general and family practitioners, and specialists in the child's particular diagnosis on either a referral, consultive, or on-going treatment basis; (c) respiratory therapists and devices; (d) dental care of both routine and emergent nature; (e) on-going nutritional consultation from a trained professional; (f) communication disorder therapy; (g) physical and occupational habilitation and rehabilitation therapy and devices; (h) special and regular education; (i) recreation therapy; (j) psychological counseling; and (k) transportation.

NEW SECTION. Sec. 4. The department of social and health services, division of developmental disabilities, shall bear all administrative responsibility for the effective and rapid implementation of this controlled program. The division shall promulgate regulations within sixty days after the effective date of this act to provide minimum standards and qualifications for the following program elements:

- (2) Medical services;
- (3) Day program;
- (4) Facility requirements and accessibility for all buildings in which the program is to be conducted;
- (5) Staff qualifications;
- (6) Staff training;

- (8) Protection of client's rights, confidentiality, and informed consent.

NEW SECTION. Sec. 5. The division of developmental disabilities shall implement this controlled program through a "request-for-proposal" method and subsequent contracts for services with any local, county, or state agency demonstrating a probable ability to meet the program's goals. The proposals must demonstrate an ability to provide or insure the provision of all services set forth in section 3 of this act if necessary for the children covered by the proposals.

The division of developmental disabilities shall thoroughly supervise, review, and audit fiscal and program performance for the individuals served under this control program. A comparison of all costs incurred by all public agencies for each individual prior to the implementation of this program and all costs incurred after one year under this program shall be made and reported back to the legislature in the 1982 session.

NEW SECTION. Sec. 6. This program or any components necessary to the child shall be available to eligible children at no cost to their parents provided that any medical insurance benefits available to the child for his/her medical condition shall remain liable for payment for his/her cost of care.

NEW SECTION. Sec. 7. (3) The present purported ownership and control of the public lands within the state of Washington by the government of the United States is without foundation and violates the clear intent of the Constitution of the United States; and

(4) The purported ownership and control of the public lands within the state of Washington by the government of the United States works a severe, continuous, and debilitating hardship upon the people of the state of Washington.

Sec. 471 et seq.), the general mining laws (30 U.S.C. Sec. 21 et seq.), the homestead act (43 U.S.C. Sec. 161 et seq.), the Taylor grazing act (43 U.S.C. Sec. 315 et seq.) and the desert land act (43 U.S.C. Sec. 321 et seq.) and all rights of way and easements for public utilities shall be preserved under administration by the state.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 27, chapter 150, Laws of 1967 and RCW 48.22.030 are each amended to read as follows:

(1) "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance, or use of which either no bodily injury liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury liability bonds and insurance policies applicable to a covered person after an accident is less than the damages which the covered person is legally entitled to recover.

(2) ~~((On and after January 1, 1968,))~~ No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be ((delivered or)) issued ((for delivery in this state)) with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto((, in limits for bodily injury or death set forth in RCW 46.29.490,)) for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of ((uninsured)) underinsured motor vehicles and hit-and-run motor vehicles because of bodily injury((, sickness or disease, including)) or death, resulting therefrom, except ((that the named insured may be given the right to reject such coverage, and except that, unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured had rejected the coverage in connection with a policy previously issued to him by the same insurer)) while operating or occupying a motorcycle or motor-driven cycle, and except while operating or occupying a motor vehicle owned or available for the regular use by the named insured or any family member, and which is not insured under the liability coverage of the policy.

(3) Coverage required under subsection (2) of this section shall be in the same amount as the insured's third party liability coverage unless the insured rejects all or part of the coverage as provided in subsection (4) of this section.

(4) The insured may reject underinsured coverage and the requirements of subsections (2) and (3) of this section shall not apply. If the insured has rejected underinsured coverage, such coverage shall not be included in any supplemental or renewal policy unless the insured subsequently requests such coverage in writing.

(5) The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or premiums paid, or vehicles involved in an accident.

(6) The policy may provide that if an injured person has other similar insurance available to him under other policies, the total limits of liability of all coverages shall not exceed the higher of the applicable limits of the respective coverages.

Sec. 2. Section 3, chapter 95, Laws of 1967 ex. sess. and RCW 48.22-.040 are each amended to read as follows:

(1) The term "~~(uninsured)~~ underinsured motor vehicles" with reference to coverage offered under any insurance policy regulated under this chapter shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(2) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's (~~(uninsured)~~) underinsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(3) In the event of payment to an insured under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer, but such paying insurer shall have the

right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment.

Sec. 3. Section 9, chapter 169, Laws of 1963 as last amended by section 155, chapter 158, Laws of 1979 and RCW 46.29.090 are each amended to read as follows:

(1) No policy or bond (~~shall be~~) is effective under RCW 46.29.080 unless issued by an insurance company or surety company authorized to do business in this state, except as provided in subsection (2) of this section, nor unless such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than (~~fifteen~~) twenty-five thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than (~~thirty~~) fifty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and if the accident has resulted in injury to, or destruction of, property to a limit of not less than (~~five~~) ten thousand dollars because of injury to or destruction of property of others in any one accident.

(2) No policy or bond (~~shall be~~) is effective under RCW 46.29.080 with respect to any vehicle which was not registered in this state or was a vehicle which was registered elsewhere than in this state at the effective date of the policy or bond or the most recent renewal thereof, unless the insurance company or surety company issuing such policy or bond is authorized to do business in this state, or if said company is not authorized to do business in this state, unless it (~~shall~~) executes a power of attorney authorizing the director of licensing to accept service on its behalf of notice or process in any action upon such policy or bond arising out of such accident.

(3) The department may rely upon the accuracy of the information in a required report of an accident as to the existence of insurance or a bond unless and until the department has reason to believe that the information is erroneous.

Sec. 4. Section 26, chapter 169, Laws of 1963 as amended by section 2, chapter 3, Laws of 1967 ex. sess. and RCW 46.29.260 are each amended to read as follows:

~~((five))~~ ten thousand dollars because of injury to or destruction of property of others in any one accident. Wherever used in this chapter the terms "proof of financial responsibility" or "proof" shall be synonymous with the term "proof of financial responsibility for the future(~~(-)~~)."

Sec. 5. Section 39, chapter 169, Laws of 1963 as last amended by section 14, chapter 61, Laws of 1979 and RCW 46.29.390 are each amended to read as follows:

(1) Judgments herein referred to (~~(shall))~~ are, for the purpose of this chapter only, (~~(be))~~ deemed satisfied:

(a) When (~~(fifteen))~~ twenty-five thousand dollars has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of one person as the result of any one accident; or

(b) When, subject to such limit of (~~(fifteen))~~ twenty-five thousand dollars because of bodily injury to or death of one person, the sum of (~~(thirty))~~ fifty thousand dollars has been credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of two or more persons as the result of any one accident; or

(c) When (~~(five))~~ ten thousand dollars has been credited upon any judgment or judgments rendered in excess of that amount because of injury to or destruction of property of others as a result of any one accident(~~(:))~~.

(2) (~~(Provided, however,))~~ Payments made in settlements of any claims because of bodily injury, death, or property damage arising from such accident shall be credited in reduction of the amounts provided for in this section.

Sec. 6. Section 49, chapter 169, Laws of 1963 as amended by section 4, chapter 3, Laws of 1967 ex. sess. and RCW 46.29.490 are each amended to read as follows:

(1) Certification. A "motor vehicle liability policy" as said term is used in this chapter (~~(shall))~~ means an "owner's policy" or an "operator's policy" of liability insurance, certified as provided in RCW 46.29.460 or 46.29.470 as proof of financial responsibility for the future, and issued, except as otherwise provided in RCW 46.29.470, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named (~~(therein))~~ in the policy as insured.

(2) Owner's policy. Such owner's policy of liability insurance:

(a) Shall designate by explicit description or by appropriate reference all vehicles with respect to which coverage is (~~(thereby))~~ to be granted by the policy; and

(b) Shall insure the person named therein and any other person, as insured, using any such vehicle or vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of such vehicle or vehicles within the United States of America or the Dominion of

Canada, subject to limits exclusive of interest and costs, with respect to each such vehicle as follows: ~~((Fifteen))~~ Twenty-five thousand dollars because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, ~~((thirty))~~ fifty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and ~~((five))~~ ten thousand dollars because of injury to or destruction of property of others in any one accident.

(3) Operator's policy. Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

(4) Required statements in policies. Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period, and the limits of liability, and shall contain an agreement or be endorsed that insurance is provided ~~((thereunder))~~ under the policy in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

(5) Policy need not insure ~~((workmen's))~~ workers' compensation, etc. Such motor vehicle liability policy need not insure any liability under any ~~((workmen's))~~ workers' compensation law nor any liability on account of bodily injury or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance, or repair of any such vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

(6) Provisions incorporated in policy. Every motor vehicle liability policy ~~((shall be))~~ is subject to the following provisions which need not be contained therein:

(a) The liability of the insurance carrier with respect to the insurance required by this chapter ~~((shall))~~ becomes absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be canceled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy ~~((shall))~~ defeats or voids said policy.

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

(c) The insurance carrier ~~((shall have the right to))~~ may settle any claim covered by the policy, and if such settlement is made in good faith,

the amount thereof (~~((shall be))~~) is deductible from the limits of liability specified in subdivision (b) of subsection (2) of this section.

(d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of this chapter (~~((shall))~~) constitutes the entire contract between the parties.

(7) Excess or additional coverage. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and such excess or additional coverage (~~((shall))~~) is not (~~((be))~~) subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" (~~((shall apply))~~) applies only to that part of the coverage which is required by this section.

(8) Reimbursement provision permitted. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

(9) Proration of insurance permitted. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

(10) Multiple policies. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carrier which policies together meet such requirements.

(11) Binders. Any binder issued pending the issuance of a motor vehicle liability policy (~~((shall be))~~) is deemed to fulfill the requirements for such a policy.

Sec. 7. Section 55, chapter 169, Laws of 1963 as amended by section 5, chapter 3, Laws of 1967 ex. sess. and RCW 46.29.550 are each amended to read as follows:

Proof of financial responsibility may be evidenced by the certificate of the state treasurer that the person named therein has deposited with him (~~((thirty-five))~~) sixty thousand dollars in cash, or securities such as may legally be purchased by savings banks or for trust funds of a market value of (~~((thirty-five))~~) sixty thousand dollars. The state treasurer shall not accept any such deposit and issue a certificate therefor and the department shall not accept such certificate unless accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

Approved by the Governor March 11, 1980, with the exception of Sections 1, 6, and 7 which are vetoed.

Filed in Office of Secretary of State March 11, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to three sections House Bill No. 542 entitled:

"AN ACT Relating broadcasting by radio and television, including instructional and public broadcasting . . ."

I agree that we need to establish a coordinating and planning mechanism to assure efficient and cost effective educational and public broadcasting. I have, however, vetoed Sections 1, 6, and 7. These three sections deal primarily with the funding for the Public Broadcasting Commission and in no way effect the intent or integrity of the legislation. I feel individual programs should be judged on merit and their funding levels evaluated as part of the overall priorities of the state during the regular budget process.

With the exception of Sections 1, 6, and 7 which I have vetoed, the remainder of House Bill No. 542 is approved."

CHAPTER 129

[Substitute Senate Bill No. 3169]

WORKERS' COMPENSATION—BENEFITS COMMENCEMENT— ALTERNATIVE MEDICAL, REHABILITATION, AND REEMPLOYMENT SERVICES—LEGISLATIVE STUDY—EMPLOYERS' GROUP INSURANCE

AN ACT Relating to industrial insurance; amending section 51.32.090, chapter 23, Laws of 1961 as last amended by section 47, chapter 350, Laws of 1977 ex. sess. and RCW 51.32.090; and amending section 16, chapter 289, Laws of 1971 ex. sess. as amended by section 24, chapter 350, Laws of 1977 ex. sess. and RCW 51.16.035; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 51.32.090, chapter 23, Laws of 1961 as last amended by section 47, chapter 350, Laws of 1977 ex. sess. and RCW 51.32.090 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in subdivisions (1) through (13) of RCW 51.32.060 as amended shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable unless the loss of earning power shall exceed five percent.

(4) Whenever an employer requests that a worker who is entitled to temporary total disability under this chapter be certified by a physician as able to perform available work other than his or her usual work, the employer shall furnish to the physician, with a copy to the worker, a statement describing the available work in terms that will enable the physician to relate the physical activities of the job to the worker's disability. The physician shall then determine whether the worker is physically able to perform the work described. If the worker is released by his or her physician for said work, and the work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her physician to permit him or her to return to his or her usual job, or to perform other available work, the worker's temporary total disability payments shall be resumed. Should the available work described, once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her physician he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

Once the worker returns to work under the terms of this subsection, he or she shall not be assigned by the employer to work other than the available work described without the worker's written consent, or without prior review and approval by the worker's physician.

In the event of any dispute as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination.

(5) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or

her disability shall continue for a period of fourteen consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first fourteen days following the injury shall not serve to break the continuity of the period of disability if the disability continues fourteen days after the injury occurs.

(6) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages.

(7) In no event shall the monthly payments provided in this section exceed seventy-five percent of the average monthly wage in the state as computed under the provisions of RCW 51.08.018.

NEW SECTION. Sec. 2. The department shall develop a comprehensive plan including alternatives for medical, rehabilitation, and reemployment services to be presented to the appropriate committees of the legislature no later than October 1, 1980. Such plan and alternatives shall include, but not be limited to, the following:

- (1) A statement of purpose;
- (2) Specific definitions of medical, rehabilitation, and reemployment services to be provided by the state and/or employers;
- (3) A description of administrative organization, staffing, and responsibilities;
- (4) Criteria and content of individual worker rehabilitation plans;
- (5) Specific timetables for claims review and for development of rehabilitation plans based on category and type of injury;
- (6) An appeals procedure for disputes regarding rehabilitation plans;
- (7) Legislative recommendations to improve medical, rehabilitation, and reemployment services, with specific attention given to employer and employee incentives, second injury fund, and alternative methods of providing compensation for wage loss, loss of earning power, and functional disability.

NEW SECTION. Sec. 3. (1) There is hereby created the joint committee on workers' compensation to conduct a comprehensive examination of the present workers' compensation program in the state. The committee shall be bipartisan in nature and shall be composed of four senators appointed by the majority leader of the senate and four representatives appointed by the speakers of the house. The committee may appoint up to seven nonlegislators representing various interested parties to serve as ex-officio, nonvoting members.

(2) In conducting its study, the committee shall consider, but not be limited to, the following areas:

- (a) Definition, adequacy, and methods of determining benefits;
- (b) Medical, rehabilitation, and reemployment procedures and services;
- (c) Administrative organization and claims management;

- (d) Rate-making and methods of financing;
 - (e) Coverage of professional athletes and the classifications and rates established for professional sports teams;
 - (f) Audit and appeals procedures;
 - (g) Safety standards; and
 - (h) Occupational disease.
- (3) The committee shall hold meetings and hearings at the times and places it designates to accomplish the purposes of this section. It shall make use of existing legislative facilities and the staff of the house and senate. The committee shall have authority to contract for expert services and opinions relevant to its study.
- (4) The committee shall report its initial findings and recommendations to the legislature no later than January 1, 1981. A final report shall be submitted to the legislature no later than January 1, 1983.
- (5) The committee shall cease to exist on July 1, 1983, unless extended by law for an additional fixed period of time.

Sec. 4. Section 16, chapter 289, Laws of 1971 ex. sess. as amended by section 24, chapter 350, Laws of 1977 ex. sess. and RCW 56.16.035[51.16.035] are each amended to read as follows:

The department shall classify all occupations or industries in accordance with their degree of hazard and fix therefor basic rates of premium which shall be the lowest necessary to maintain actuarial solvency of the accident and medical aid funds in accordance with recognized insurance principles. The department shall formulate and adopt rules and regulations governing the method of premium calculation and collection and providing for a rating system consistent with recognized principles of workers' compensation insurance which shall be designed to stimulate and encourage accident prevention and to facilitate collection. The department may annually, or at such other times as it deems necessary to maintain solvency of the funds, readjust rates in accordance with the rating system to become effective on such dates as the department may designate.

The department may insure the workers' compensation obligations of employers as a group if the following conditions are met:

- (1) All the employers in the group are members of an organization that has been in existence for at least two years;
- (2) The organization was formed for a purpose other than that of obtaining workers' compensation coverage;
- (3) The occupations or industries of the employers in the organization are substantially similar, taking into consideration the nature of the services being performed by workers of such employers;
- (4) The employers in the group constitute at least fifty percent of the total employers in such organization; and

(5) The formation and operation of the group program in the organization will substantially improve accident prevention and claim management for the employers in the group.

In providing an employer group plan under this section, the department may consider an employer group as a single employing entity for purposes of dividends or premium discounts.

[Senate Bill No. 3244]

LAW ENFORCEMENT OFFICERS' AND FIRE FIGHTERS' RETIREMENT SYSTEM—ELECTIVE MEMBERSHIP

AN ACT Relating to public employment; and adding a new section to chapter 41.26 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 41.26 RCW a new section to read as follows:

(1) Notwithstanding any provision of law to the contrary, any law enforcement officer or fire fighter who is not an active member of the retirement system under RCW 41.26.420 through 41.26.550 may become a member under RCW 41.26.420 through 41.26.550 by irrevocable election. For those persons employed as a law enforcement officer or fire fighter on the effective date of this act, the election shall be made on or before December 31, 1981. In the case of an individual not employed as a law enforcement officer or fire fighter on the effective date of this act, the election shall be made within one year from the date of reemployment in that capacity or by December 31, 1981, whichever is later. At the time the election is made, the individual must be employed by an employer, as defined in RCW 41.26.030(2)(b).

(2) If the election is made under subsection (1) of this section, the member shall not acquire any further rights or benefits in any other non-federal public retirement system in this state during any period of employment as a law enforcement officer or fire fighter.

(3) An individual who is or has been a member of the retirement system, except an individual who is or has been a member under RCW 41.26.420 through 41.26.550, may not elect to become a member under this section unless the individual has been denied membership or acquisition of service credit due solely to failure to successfully meet the minimum medical and health standards provided by RCW 41.26.045 when required to do so.

(4) An individual who elects membership under this section irrevocably waives any rights or benefits acquired by employment as a law enforcement officer or fire fighter in this or any other nonfederal public retirement system of this state except the right to any refund provided by such system and for the conversion of such rights as provided in this section.

(5) Any law enforcement officer or fire fighter, upon electing to be covered under RCW 41.26.420 through 41.26.550, shall have transferred all existing, previous service credited in a prior public retirement system in this state for periods of employment as a law enforcement officer or fire fighter, including all additional service granted indirectly to the employee for those periods of employment, such as authorized military service credit. Transfer of credit under this subsection shall be contingent on completion of the transfer of funds specified in subsection (7) of this section.

(6) Any law enforcement officer or fire fighter who received a refund of contributions covering the person's period of employment as a law enforcement officer or fire fighter may restore the contributions in the prior public retirement system in this state, for the purpose of transferring the service so recovered under subsection (5) of this section, if the employee would be allowed this right upon returning to membership under the prior retirement system. At the time of electing to be covered under RCW 41.26.420 through 41.26.550, the person shall make an irrevocable election whether to recover the service for the purpose of transfer. The recovery and transfer procedure must be completed within five years of the date of election or prior to retirement, whichever occurs first.

(7) Within sixty days of notification of a law enforcement officer's or fire fighter's service transfer under subsections (5) and (6) of this section, a prior retirement system shall transfer:

(a) The employee's accumulated contributions attributable to periods of employment as a law enforcement officer or fire fighter, including accumulated interest; and

(b) An additional amount equal to the amount under (a) of this subsection. This amount shall represent the employer's contribution and shall not be credited to the employee's account.

(8) Any law enforcement officer or fire fighter who was previously excluded from membership or acquisition of service credit in this retirement system due solely to failure to successfully meet the minimum medical and health standards provided by RCW 41.26.045 when required to do so and has not entered another public retirement system in the state for periods of service as a law enforcement officer or fire fighter shall, when electing to be covered under RCW 41.26.420 through 41.26.550, make an irrevocable election whether to recover prior service as a law enforcement officer or fire fighter. The employee shall make contributions for all periods of previous service as a law enforcement officer or fire fighter in accordance with the schedule established for employees in RCW 41.26.450 with interest as

computed by the director. The employer of record at the time the service was rendered shall be obligated for the employer contribution in accordance with the schedule established for employees under RCW 41.26.450 with interest as computed by the director. The payment shall be made within sixty days of billing or upon such terms and conditions as are established by the director. The service recovery payments must be completed within five years of the date of election or prior to retirement, whichever occurs first.

(9) When payments were made directly by the state of Washington to a prior public retirement system as part of the retirement system's funding program, the contributions shall not be affected or transferred as a result of any action called for in this section.

HAZARDOUS MATERIALS TRANSPORTATION, BILLS OF LADING COLOR—
COMMON CARRIER VIOLATIONS, PENALTIES, ENFORCEMENT

AN ACT Relating to common carriers; amending section 81.29.020, chapter 14, Laws of 1961 and RCW 81.29.020; amending section 81.80.230, chapter 14, Laws of 1961 and RCW 81.80.230; amending section 81.80.330, chapter 14, Laws of 1961 and RCW 81.80.330; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 81.29.020, chapter 14, Laws of 1961 and RCW 81.29.020 are each amended to read as follows:

Any common carrier receiving property for transportation wholly within the state of Washington from one point in the state of Washington to another point in the state of Washington, shall issue a receipt or bill of lading therefor, and shall be liable to the lawful holder thereof for any loss, damage, or injury to such property caused by it, or by any common carrier to which such property may be delivered, or over whose line or lines such property may pass when transported on a through bill of lading, and no contract, receipt, rule, regulation, or other limitation of any character whatsoever, shall exempt such common carrier from the liability imposed; and any such common carrier so receiving property for transportation wholly within the state of Washington, or any common carrier delivering said property so received and transported, shall be liable to the lawful holder of said receipt or bill of lading, or to any party entitled to recover thereon, whether such receipt or bill of lading has been issued or not, for the full actual loss, damage, or injury to such property caused by it or by any such common carrier to which such property may be delivered, or over whose line or lines such property may pass, when transported on a through bill of lading, notwithstanding any limitation of liability or limitation of the amount of recovery, or representation or agreement as to value in any such receipt or bill of lading, or in any contract, rule, or regulation, or in any tariff filed with the commission; and any such limitation, without respect to the manner or form in which it is sought to be made, is hereby declared to be unlawful and void: PROVIDED, HOWEVER, That the provisions hereof respecting liability for full actual loss, damage, or injury, notwithstanding

any limitation of liability or recovery or representation or agreement or release as to value, and declaring any such limitation to be unlawful and void, shall not apply: First, to baggage carried on passenger trains, boats, motor vehicles, or aircraft, or trains, boats, motor vehicles, or aircraft carrying passengers; second, to property, except ordinary livestock received for transportation concerning which the carrier shall have been or shall be expressly authorized or required by order of the commission, to establish and maintain rates dependent upon the value declared in writing by the shipper or agreed upon in writing as the released value of the property, in which case such declaration or agreement shall have no other effect than to limit liability and recovery to an amount not exceeding the value so declared or released; and any tariff schedule which may be filed with the commission pursuant to such order shall contain specific reference thereto and may establish rates varying with the value so declared and agreed upon; and the commission is hereby empowered to make such order in cases where rates dependent upon and varying with declared or agreed values would, in its opinion, be just and reasonable under the circumstances and conditions surrounding the transportation. If the receipt, manifest or bill of lading is for hazardous material, as defined in 49 CFR 172, transported by motor vehicle upon the public highways of this state, it shall be red in color or shall have a red border. Red bills of lading, receipts or manifests or red bordered bills of lading, receipts or manifests shall only be used for the transportation of hazardous materials as defined in 49 CFR 172. The term "ordinary livestock" shall include all cattle, swine, sheep, goats, horses, and mules, except such as are chiefly valuable for breeding, racing, show purposes, or other special uses: PROVIDED, FURTHER, That nothing in this section shall deprive any holder of such receipt or bill of lading of any remedy or right of action which he has under the existing law: PROVIDED, FURTHER, That it shall be unlawful for any such receiving or delivering common carrier to provide by rule, contract, regulation, or otherwise a shorter period for the filing of claims than nine months, and for the institution of suits than two years, such period for institution of suits to be computed from the day when notice in writing is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts thereof specified in the notice: AND PROVIDED, FURTHER, That for the purposes of this section and of RCW 81.29.030 the delivering carrier in the case of rail transportation shall be construed to be the carrier performing the linehaul service nearest to the point of destination, and not a carrier performing merely a switching service at the point of destination: AND PROVIDED FURTHER, That the liability imposed by this section shall also apply in the case of property reconsigned or diverted in accordance with the applicable tariffs filed with the commission.

Sec. 2. Section 81.80.230, chapter 14, Laws of 1961 and RCW 81.80-.230 are each amended to read as follows:

Any person, whether carrier subject to the provisions of this chapter, shipper, or consignee, or any officer, employee, agent, or representative thereof, who shall (~~knowingly~~) offer, grant, or give, or solicit, accept, or receive any rebate, concession, or discrimination in violation of any provision of this chapter, or who by means of any false statement or representation, or by the use of any false or fictitious bill, bill of lading, receipt, voucher, roll, account, claim, certificate, affidavit, deposition, lease, or bill of sale, or by any other means or device shall (~~knowingly and wilfully~~) assist, suffer or permit any person or persons, natural or artificial, to obtain transportation of property subject to this chapter for less than the applicable rate, fare, or charge, or who shall (~~knowingly and wilfully by any such means or otherwise~~) fraudulently seek to evade or defeat regulation as in this chapter provided for motor carriers shall be (~~deemed guilty of a gross misdemeanor~~) subject to a civil penalty of not more than one hundred dollars for each violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation every day's continuance shall be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under this section and subject to the penalty provided for in this section.

The penalty provided for in this section shall become due and payable when the person incurring the penalty receives a notice in writing from the commission describing the violation with reasonable particularity and advising the person that the penalty is due. The commission may, upon written application therefor, received within fifteen days, remit or mitigate any penalty provided for in this section or discontinue any prosecution to recover the penalty upon such terms as the commission in its discretion deems proper. The commission has authority to ascertain the facts upon all such applications in such manner and under such regulations as it may deem proper. If the penalty is not paid to the commission within fifteen days after receipt of notice imposing the penalty or application for remission or mitigation has not been made within fifteen days after the violator has received notice of the disposition of the application, the attorney general shall bring an action in the name of the state of Washington in the superior court of Thurston county or of some other county in which the violator may do business, to recover the penalty. In all such actions, the procedure and rules of evidence shall be the same as in an ordinary civil action except as otherwise provided in this section. All penalties recovered under this section shall be paid into the state treasury and credited to the public service revolving fund.

Sec. 3. Section 81.80.330, chapter 14, Laws of 1961 and RCW 81.80-.330 are each amended to read as follows:

The commission is hereby empowered to administer and enforce all provisions of this chapter and to inspect the vehicles, books and documents of

all "motor carriers" and the books, documents and records of those using the service of the carriers for the purpose of discovering all discriminations and rebates and other information pertaining to the enforcement of this chapter and shall prosecute violations thereof. The commission shall employ such auditors, inspectors, clerks and assistants as it may deem necessary for the enforcement of this chapter, and it shall be the duty of the Washington state patrol to assist in the enforcement of this chapter, and the duty of the attorney general to assign at least one assistant to the exclusive duty of assisting the commission in the enforcement of this chapter, and the prosecution of persons charged with the violation thereof. It shall be the duty of the Washington state patrol and the sheriffs of the counties to make arrests and the county attorneys to prosecute violations of this chapter.

CHAPTER 133

[Substitute House Bill No. 714]

PUGET SOUND COMMERCIAL CRAB FISHERY—LICENSE LIMITATION

AN ACT Relating to food fish and shellfish; amending section 75.28.270, chapter 12, Laws of 1955 as last amended by section 17, chapter 73, Laws of 1965 ex. sess. and RCW 75.28-.270; adding new sections to chapter 75.28 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that a significant commercial crab fishery is developing within Puget Sound. The legislature further finds that the crab fishery in Puget Sound represents a separate and distinct fishery from that of the coastal waters and is limited in quantity and is in need of conservation. The potential for depletion of the crab stocks in these waters is increasing, particularly as crab fishing becomes an attractive alternative to fishermen facing increasing restrictions on commercial salmon fishing.

The legislature finds that the number of commercial fishermen engaged in crab fishing has steadily increased. This factor, combined with advances in fishing and marketing techniques, has resulted in strong pressures on the supply of crab, unnecessary waste of an important natural resource, and economic loss to the citizens of the state.

The legislature finds that increased regulation of commercial crab fishing is necessary to preserve and efficiently manage the commercial crab fishery in the waters of Puget Sound.

Sec. 2. Section 75.28.270, chapter 12, Laws of 1955 as last amended by section 17, chapter 73, Laws of 1965 ex. sess. and RCW 75.28.270 are each amended to read as follows:

The fee for all licenses prescribed in this chapter employing shellfish pots in the taking of fish and shellfish, excluding crab, shall be thirty-five dollars per annum for residents and sixty dollars per annum for nonresidents. For each shellfish pot in excess of one hundred there shall be paid an additional fee of twenty-five cents per annum by residents and fifty cents per annum by nonresidents.

NEW SECTION. Sec. 3. The fee for all licenses prescribed in this chapter employing shellfish pots in the taking of crab shall be thirty-five dollars per annum for residents and sixty dollars per annum for nonresidents. For each shellfish pot in excess of one hundred, there shall be paid an additional fee of twenty-five cents per annum by residents and fifty cents per annum by nonresidents.

NEW SECTION. Sec. 4. (1) After January 1, 1981, it is unlawful to take crab in the Puget Sound licensing district without first obtaining a license endorsement therefor. Commercial crab licenses issued under section 3 of this act endorsed for the Puget Sound licensing district shall be limited to those vessels which:

(a) Held a commercial shellfish pot license issued between January 1, 1975, and December 31, 1979, or had transferred to the vessel such a license;

(b) Have not transferred the license to another vessel;

(c) Can establish, by means of shellfish receiving documents issued by the department, that one thousand pounds of crab were caught and landed in the Puget Sound licensing district under the license during any one year in that period; and

(d) Held, and have not transferred, a shellfish pot license during 1980.

(2) In addition to the requirements of subsection (1) of this section, after January 1, 1982, commercial crab licenses endorsed for the Puget Sound licensing district may be issued only to vessels which held a commercial crab license during the previous year or had transferred to the vessel such a license. Where the failure to obtain the license during the previous year was the result of a license suspension or revocation by the department, the vessel may qualify for a license by establishing that the vessel held such a license during the last year in which it was eligible.

(3) The issuance of commercial crab licenses for areas other than the Puget Sound licensing district is not restricted by this section.

(4) License endorsements issued under this section are not transferable from one owner to another owner, except from parent to child or upon the death of the owner, before July 1, 1982.

NEW SECTION. Sec. 5. The director shall appoint three-member advisory boards of review to hear cases as provided in section 6 of this act. The members of the boards shall be appointed from lists furnished by commercial fishery organizations or may be any persons from the commercial crab fishing industry the director deems qualified to serve on such a board. The members shall serve at the discretion of the director and shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060, as now existing or hereafter amended.

The director may adopt rules concerning the operation of the review boards.

NEW SECTION. Sec. 6. A person aggrieved by a decision of the department under section 3 or 4 of this act may request administrative review either as a contested case under chapter 34.04 RCW or under the informal review procedure provided by this section.

In an informal hearing before a board of review, the rules of evidence do not apply. A record of the proceeding shall be kept as provided in chapter 34.04 RCW. After hearing the case, the board of review shall notify in writing both the director and the initiating party as to whether the board agrees or disagrees with the decision of the department, together with the reasons for the board's findings. Upon receipt of the board's findings, the director may either uphold or reverse the department's actions.

A person aggrieved by a final decision of the director is entitled to judicial review under chapter 34.04 RCW. If the final decision of the director results in the issuance of a commercial crab license, any person holding a commercial crab license is entitled to judicial review under chapter 34.04 RCW.

Nothing in this section may be construed to impose liability on members of the board of review for their actions under this section.

NEW SECTION. Sec. 7. Sections 3 through 6 of this act are added to chapter 75.28 RCW.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 4, 1980.

Passed the Senate February 14, 1980.

Approved by the Governor March 13, 1980.

Filed in Office of Secretary of State March 13, 1980.

REAL ESTATE EXCISE TAX AFFIDAVIT—FOREST LAND COMPENSATING TAX LIABILITY—YOUTH ORGANIZATION TIMBER TAX EXEMPTION

AN ACT Relating to revenue and taxation; amending section 28A.45.120, chapter 223, Laws of 1969 ex. sess. and RCW 28A.45.120; amending section 12, chapter 294, Laws of 1971 ex. sess. as last amended by section 5, chapter 187, Laws of 1974 ex. sess. and RCW 84.33.120; amending section 14, chapter 294, Laws of 1971 ex. sess. as last amended by section 7, chapter 187, Laws of 1974 ex. sess. and RCW 84.33.140; amending section 10, chapter 87, Laws of 1970 ex. sess. and RCW 84.34.100; amending section 12, chapter 212, Laws of 1973 1st ex. sess. and RCW 84.34.108; and adding a new section to chapter 84.33 RCW.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 28A.45.120, chapter 223, Laws of 1969 ex. sess. and RCW 28A.45.120 are each amended to read as follows:

The department of revenue is authorized and (~~directed to~~) shall prescribe minimum standards for uniformity in reporting, application, and collection of the real estate excise tax imposed by this chapter.

The department of revenue shall also prescribe a real estate excise tax affidavit form which shall contain, at least, the following:

- (1) Identification of the seller and purchaser;
- (2) Description of the property involved including the tax parcel or account number(s);
- (3) Date of sale, type of instrument of sale, nature of transfer;
- (4) Gross sales price;
- (5) Whether or not the land is classified or designated as forest land under chapter 84.33 RCW; or classified as open space land, farm and agricultural land, or timberland under chapter 84.34 RCW; and
- (6) Signatures of both the buyer and seller, under oath.

Each county shall use the affidavit form prescribed by the department of revenue.

Sec. 2. Section 12, chapter 294, Laws of 1971 ex. sess. as last amended by section 5, chapter 187, Laws of 1974 ex. sess. and RCW 84.33.120 are each amended to read as follows:

(1) On or before March 1, 1972 and January 1 of each year commencing with 1973, subject to review by the ways and means committees of the house and senate and after compliance with the procedures set forth in chapter 34.04 RCW for adoption of rules, the department of revenue shall determine the true and fair value of each grade of bare forest land and shall certify such values to the county assessors. Such values shall be determined on the basis that the only use of the land is for growing and harvesting timber, and other potential uses shall not be considered in fixing such values.

(2) In preparing the assessment rolls as of January 1, 1971 for taxes payable in 1972, the assessor shall list each parcel of forest land at a value not to exceed the value used on the 1970 assessment roll for such land. In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him by the department of revenue, and he shall compute the assessed value of such land by using the same assessment ratio he applies generally in computing the assessed value of other property in his county. In preparing the assessment roll for 1975 and each year thereafter, the assessor shall assess and value as classified forest land all forest land that is not then designated pursuant to subsection (3) of RCW 84.33.120 or 84.33.130 and shall make a notation of such classification upon the assessment and tax rolls. On or before January 15 of the first year in which such notation is made, the assessor shall mail notice by certified mail to the owner that such land has been classified as forest land and is subject to the compensating tax imposed by this section. If the owner desires not to have such land assessed and valued as classified forest land, he shall give the assessor written notice thereof on or before March 31 of such year and the assessor shall remove from the assessment and tax rolls the classification notation entered pursuant to this subsection, and shall thereafter assess and value such land in the manner provided by law other than this chapter 84.33 RCW.

(3) In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than pursuant to the procedures set forth in RCW 84.33.110 and subsections (1) and (2) of this section, and which has, in the immediately preceding year, been assessed and valued by the assessor as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of RCW 84.33.130. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application in the manner prescribed in subsection (3) of RCW 84.33.130.

(4) Land that has been assessed and valued as classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber;

(d) Determination that a higher and better use exists for such land than growing and harvesting timber after giving the owner written notice and an opportunity to be heard;

(e) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land classification continuance. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 28A.45.120, as now or hereafter amended. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (6) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (6) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals.

The assessor shall remove classification pursuant to subsections (c) or (d) above prior to September 30 of the year prior to the assessment year for which termination of classification is to be effective. Removal of classification as forest land upon occurrence of subsection (a), (b) ~~((or))~~, (d), or (e) above shall apply only to the land affected, and upon occurrence of subsection (c) shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber: PROVIDED, That any remaining classified forest land meets necessary definitions of forest land pursuant to RCW 84.33.100 as now or hereafter amended.

(5) Within thirty days after such removal of classification as forest land, the assessor shall notify the owner in writing setting forth the reasons for such removal. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (3) of this section or RCW 84.33.130 ~~((or to))~~. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(6) Unless the owner successfully applies for designation of such land or unless the removal is reversed on appeal, notation of removal from classification shall immediately be made upon the assessment and tax rolls, and commencing on January 1 of the year following the year in which the assessor made such notation, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (8) of this section and unless the assessor shall not have mailed notice of classification pursuant to subsection (2) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer ~~((on or before April 30 of the following year. On or before May 31 following such assessment date))~~ thirty days after the owner is notified of

the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to:

(a) The difference, if any, between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by

(b) A number, in no event greater than ten, equal to the number of years, commencing with assessment year 1975, for which such land was assessed and valued as classified forest land.

(7) ~~((Any))~~ Compensating tax ~~((unpaid on its due date shall thereupon become delinquent and))~~, together with applicable interest thereon, shall ~~((as of said date))~~ become a lien on such land which shall attach at the time such land is removed from classification as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(8) The compensating tax specified in subsection (6) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (4) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in such land.

(9) With respect to any land that has been designated prior to May 6, 1974, pursuant to subsection (3) of RCW 84.33.120 or 84.33.130, the assessor may, prior to January 1, 1975, on his own motion or pursuant to petition by the owner, change, without imposition of the compensating tax provided under RCW 84.33.140, the status of such designated land to classified forest land.

Sec. 3. Section 14, chapter 294, Laws of 1971 ex. sess. as last amended by section 7, chapter 187, Laws of 1974 ex. sess. and RCW 84.33.140 are each amended to read as follows:

(1) When land has been designated as forest land pursuant to subsection (3) of RCW 84.33.120 or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;

~~(b) ((Passage of sixty days following the sale or transfer of such land to a new owner without receipt of an application pursuant to RCW 84.33.130 from the new owner;~~

~~(c))~~ Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land designation continuance. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 28A.45.120, as now or hereafter amended. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that (i) such land is no longer primarily devoted to and used for growing and harvesting timber, (ii) such owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder, or (iii) restocking has not occurred to the extent or within the time specified in the application for designation of such land.

Removal of designation upon occurrence of any of subsections (a) through (c) above shall apply only to the land affected, and upon occurrence of subsection (d) shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same application and approval for designation: PROVIDED, That any remaining designated forest

land meets necessary definitions of forest land pursuant to RCW 84.33.100 as now or hereafter amended.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor's tax lot numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (5) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer ~~((on or before April 30 of the following year. On or before May 31 following such assessment date))~~ thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to:

(a) The difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by

(b) A number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) ~~((Any))~~ Compensating tax ~~((unpaid on its due date shall thereupon become delinquent and))~~, together with applicable interest thereon, shall ~~((as of said date))~~ become a lien on such land which shall attach at the time such land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in such land.

Sec. 4. Section 10, chapter 87, Laws of 1970 ex. sess. and RCW 84.34-.100 are each amended to read as follows:

The additional tax, penalties, and/or interest provided by RCW 84.34-.070 and 84.34.080 shall be payable in full (~~on or before April 30th following~~) thirty days after the date which the treasurer's statement therefor is rendered. Such additional tax when collected shall be distributed by the county treasurer in the same manner in which current taxes applicable to the subject land are distributed.

Sec. 5. Section 12, chapter 212, Laws of 1973 1st ex. sess. and RCW 84.34.108 are each amended to read as follows:

(1) When land has once been classified under this (~~1973 amendatory act~~) chapter, a notation of such designation shall be made each year upon the assessment and tax rolls and such land shall be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of such designation;

(b) (~~Passage of sixty days following the sale or transfer of all or a portion of such land to a new owner without receipt of a notice of compliance from the new owner. Notice of compliance forms shall be prepared by the state department of revenue and supplied by the county assessor. Said notice shall contain a statement that the new owner is aware of the use classification of the land and of the potential tax liability involved when such land ceases to be designated as open space, farm and agricultural or timber land;~~

~~(c))~~ Sale or transfer to an ownership making all or a portion of such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of classification continuance. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 28A.45.120, as now or hereafter amended. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax

has been paid. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of such land is no longer primarily devoted to and used for the purposes under which it was granted classification.

(2) Within thirty days after such removal of all or a portion of such land from current use classification, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to full market value on the date of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (5) of this section, an additional tax shall be imposed which shall be due and payable to the county treasurer ~~((on or before April 30 of the following year.))~~ thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of such an additional tax and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such additional tax shall be equal to:

(a) The difference between the property tax paid as "open space land", "farm and agricultural land", or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified; plus

(b) Interest upon the amounts of such additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which such additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter.

(4) ~~((Any))~~ Additional tax ((unpaid on its due date shall thereupon become delinquent and)), together with applicable interest thereon, shall ~~((as of said date))~~ become a lien on such land which shall attach at the time such land is removed from current use classification under this chapter and shall have priority to and shall be fully paid and satisfied before any recognition, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050 now or as hereafter amended. Any additional tax unpaid on its due date shall thereupon become delinquent.

From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The additional tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in such land.

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of such land.

(f) Transfer to a church and such land would qualify for property tax exemption pursuant to RCW 84.36.020.

NEW SECTION. Sec. 6. There is added to chapter 84.33 RCW a new section to read as follows:

The excise tax imposed by RCW 84.33.071 shall not apply to any timber harvested by a nonprofit organization, association, or corporation from forest lands owned by it, where such lands are exempt from property taxes under RCW 84.36.030, and where all of the income and receipts of the nonprofit organization, association, or corporation derived from such timber sales are used solely for the expense of promoting, operating, and maintaining youth programs which are equally available to all, regardless of race, color, national origin, ancestry, or religious belief.

In order to determine whether the harvesting of timber by a nonprofit organization, association, or corporation is exempt, the director of the department of revenue shall have access to its books.

For the purposes of this section, a "nonprofit" organization, association, or corporation is one: (1) Which pays no part of its income directly or indirectly to its members, stockholders, officers, directors, or trustees except in the form of services rendered by the organization, association, or corporation in accordance with its purposes and bylaws; and (2) which pays salary

or compensation to its officers only for actual services rendered, and at levels comparable to the salary or compensation of like positions within the public services of the state.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 8, chapter 221, Laws of 1979 ex. sess. and RCW 43.99C.045 (Referendum Bill 37) are each amended to read as follows:

Subject to legislative appropriation, all principal proceeds of the bonds and bond anticipation notes authorized in this chapter shall be administered by the state department of social and health services exclusively for the purposes specified in this chapter and for the payment of expenses incurred in connection with the sale and issuance of the bonds and bond anticipation notes.

In carrying out the purposes of this chapter all counties of the state shall be eligible to participate in the distribution of the bond proceeds. The share coming to each county shall be determined by a division among all counties according to the relation which the population of each county, as shown by the last federal or official state census, whichever is the later, bears to the total combined population of all counties, as shown by such census; except that, each sixth, seventh, or eighth class county shall receive an aggregate amount of up to seventy-five thousand dollars if, through a procedure established in rule, the department has determined there is a demonstrated need and the share determined for such county is less than seventy-five thousand dollars. No single project in a class AA county shall be eligible for more than fifteen percent of such county's total distribution of bond proceeds.

In carrying out the purposes specified in this chapter, the department may use or permit the use of the proceeds by direct expenditures, grants, or loans to any public body, including but not limited to grants to a public body as matching funds in any case where federal, local, or other funds are made available on a matching basis for purposes specified in this chapter.

NEW SECTION. Sec. 2. There is added to chapter 43.99C RCW a new section to read as follows:

(1) No expenditure of funds shall be allowed for facilities for the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps which have not been submitted to the legislature in a budget document or schedule as specified in RCW 43.88.030(3), and have been approved through a capital appropriation; except that, the fiscal committees of the legislature may approve such facilities which have been, not later than December 1, 1980, verified by the department of social and health services as meeting the assessed need of a county and being ready to proceed.

(2) In order to assure compliance with RCW 43.99C.045, such document or schedule shall indicate the population of each county, all requests submitted from each county for participation in the distribution of the bond proceeds, the requests which are proposed to be accepted, and the basis for acceptance.

NEW SECTION. Sec. 3. There is hereby appropriated to the department of social and health services from the 1979 handicapped facilities construction account in the general fund the sum of twenty-five million dollars for the purposes of chapter 43.99C RCW. This appropriation shall be limited by the conditions contained in section 2 of this act.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

The department shall establish a sliding scale fee schedule for such disabled persons, taking into consideration the person's ability to pay and work expenses.

(2) If a disabled person arranges for chore services through an individual provider arrangement, the recipient's contribution shall be counted as first dollar toward the total amount owed to the provider for chore services rendered.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 1, chapter 161, Laws of 1979 ex. sess. and RCW 70.38.015 are each amended to read as follows:

In consideration of the findings made and national health priorities declared by the congress in the National Health Planning and Resources Development Act of 1974, Public Law 93-641, it is declared to be the public policy of this state:

(1) That planning for promoting, maintaining, and assuring a high level of health for all citizens of the state, and for the provision of health services, health manpower, health facilities, and other resources is essential to the health, safety, and welfare of the people of the state. Such planning is necessary on both a state-wide and regional basis and must maintain responsiveness to changing health and social needs and conditions. The marshaling of all health resources to assure the quality and availability of health services to every person must be the goal of such planning, which must likewise assure optimum efficiency, effectiveness, equity, coordination, and economy in development and implementation to reach that goal. Regional health planning under the provisions of this chapter and in a manner consistent with RCW 36.70.015 is declared to be a proper public purpose for the expenditure of funds of counties or other public entities interested in regional health planning;

(2) That the development and offering of new institutional health services should be accomplished in a manner which is orderly, timely, economical, and consistent with the effective development of necessary and adequate means of providing quality health care for persons to be served by such facilities without unnecessary duplication or fragmentation of such facilities;

(3) That the development of health resources, including the construction, modernization, and conversion of health facilities, should be accomplished in a planned, orderly fashion, consistent with identified priorities; ((and))

(4) That the development and maintenance of adequate health care information and statistics essential to effective health planning and resources development be accomplished;

(5) That the strengthening of competitive forces in the health services industry, wherever competition and consumer choice can constructively serve to advance the purposes of quality assurance, cost-effectiveness, and access, should be implemented.

CHAPTER 140

[Substitute House Bill No. 1630]

LIQUOR CONTROL LAWS—EXCLUSION OF ALCOHOL USED FOR MOTOR
VEHICLE FUEL

AN ACT Relating to energy conservation; amending section 3, chapter 62, Laws of 1933 ex. sess. as last amended by section 13, chapter 21, Laws of 1969 ex. sess. and RCW 66.04.010; amending section 4, chapter 289, Laws of 1955 and RCW 66.44.140; adding a new section to chapter 66.12 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that the production of alcohol for use as a fuel or fuel supplement is of great importance to the state. Alcohol, when used as a fuel source, is less polluting to the atmosphere than conventional fuels and its use reduces the state's dependence on limited oil resources. Production of alcohol for use as a fuel provides a new use and market for Washington agricultural products and aids Washington farmers in producing food and fiber for the citizens of the state, nation, and world. Therefore, the legislature declares public policy to be one of encouragement toward the production and use of alcohol as a fuel or fuel supplement.

NEW SECTION. Sec. 2. There is added to chapter 66.12 RCW a new section to read as follows:

Alcohol which is produced for use as fuel shall be denatured in accordance with a formula approved by the federal bureau of alcohol, tobacco and firearms prior to the removal of the alcohol from the premises as described in the approved federal permit application. The exemptions from the state liquor control laws provided by this section only apply to distillers and manufacturers of alcohol to be used solely for fuel as long as the manufacturers and distillers are the holders of an appropriate permit issued under federal law.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. This chapter shall be known and may be cited as the State-wide Special Inquiry Judge Act.

NEW SECTION. Sec. 2. It is the intent of the legislature in enacting this chapter to strengthen and enhance the ability of the state to detect and eliminate organized criminal activity.

NEW SECTION. Sec. 3. (1) The organized crime advisory board shall have the authority, by a three-fourths vote at a regularly constituted meeting, to petition the Washington state supreme court for an order appointing a special inquiry judge as prescribed by this section. Such vote may be on its own motion or pursuant to a request from the prosecuting attorney of any county. In the event of such request from a prosecuting attorney the board shall vote on the question promptly. A petition filed under this section shall state the general crimes or wrongs to be inquired into and shall state the reasons why said crimes or wrongs are such that a state-wide special inquiry judge should be authorized to investigate. The supreme court may order the appointment of a state-wide special inquiry judge, in accordance with the petition, for a term of six calendar months. Upon petition by the special prosecutor, and with the approval of the majority of the members of the organized crime advisory board, the supreme court, by order, may extend the term of the state-wide special inquiry judge for three months. The term of the state-wide special inquiry judge may subsequently be extended in the same manner for additional three-month periods.

(2) If the petition is granted, the supreme court shall designate a judge of a superior court to act as a special inquiry judge. The supreme court shall ensure that sufficient visiting judges are made available to the superior court from which the appointment is made in order to compensate for any loss of judicial time.

(3) All of the information and data collected and processed by the organized crime advisory board and the petition filed with the supreme court shall be confidential and not subject to examination or publication pursuant to chapter 42.17 RCW (Initiative Measure No. 276), as now existing or hereafter amended, except as provided by rules of the supreme court of Washington in the case of the petition.

NEW SECTION. Sec. 4. The scope of the investigation and of the special inquiry judge proceeding shall be limited to the general crimes and wrongs specified in the petition filed under section 3 of this act. The special prosecutor or special inquiry judge, however, may request authority to investigate other crimes by submitting a list of such crimes to the organized crime advisory board which may grant authorization to proceed by a three-fourths vote of the membership.

NEW SECTION. Sec. 5. A state-wide special inquiry judge shall have the following powers and duties:

(1) To hear and receive evidence of crime and corruption.

(2) To appoint a reporter to record the proceedings; and to swear the reporter not to disclose any testimony or the name of any witness except as provided in RCW 10.27.090.

(3) Whenever necessary, to appoint an interpreter, and to swear him not to disclose any testimony or the name of any witness except as provided in RCW 10.27.090.

(4) When a person held in official custody is a witness before a state-wide special inquiry judge, a public servant, assigned to guard him during his appearance may accompany him. The state-wide special inquiry judge shall swear such public servant not to disclose any testimony or the name of any witness except as provided in RCW 10.27.090.

(5) To cause to be called as a witness any person believed by him to possess relevant information or knowledge. If the state-wide special inquiry judge desires to hear any such witness who was not called by the special prosecutor, it may direct the special prosecutor to issue and serve a subpoena upon such witness and the special prosecutor must comply with such direction. At any time after service of such subpoena and before the return date thereof, however, the special prosecutor may apply to the state-wide special inquiry judge for an order vacating or modifying the subpoena on the grounds that such is in the public interest. Upon such application, the state-wide special inquiry judge may in its discretion vacate the subpoena, extend its return date, attach reasonable conditions to directions, or make such other qualification thereof as is appropriate.

(6) Upon a showing of good cause may make available any or all evidence obtained to any other public attorney, prosecuting attorney, city attorney, or corporation counsel upon proper application and with the concurrence of the special prosecutor. Any witness' testimony, given before a state-wide special inquiry judge and relevant to any subsequent proceeding against the witness, shall be made available to the witness upon proper application to the state-wide special inquiry judge. The state-wide special inquiry judge may also, upon proper application and upon a showing of good cause, make available to a defendant in a subsequent criminal proceeding other testimony or evidence when given or presented before a special inquiry judge, if doing so is in the furtherance of justice.

(7) Have authority to perform such other duties as may be required to effectively implement this chapter, in accord with rules adopted by the supreme court relating to these proceedings.

(8) Have authority to hold in contempt of court any person who shall disclose the name or testimony of a witness examined before a state-wide special inquiry judge except when required by a court to disclose the testimony given before such state-wide special inquiry judge in a subsequent criminal proceeding.

NEW SECTION. Sec. 6. Any witness who shall disclose the fact that he or she has been called as a witness before a state-wide special inquiry judge or who shall disclose the nature of the testimony given shall be guilty of a misdemeanor.

NEW SECTION. Sec. 7. The supreme court shall develop and adopt rules to govern the procedures of a state-wide special inquiry judge proceeding including rules assuring the confidentiality of all proceedings, testimony, and the identity of persons called as witnesses. The adoption of such rules shall be subject to the approval of such rules by the senate and house judiciary committees.

NEW SECTION. Sec. 8. If the supreme court appoints a state-wide special inquiry judge under section 3 of this act, the organized crime advisory board shall submit to the governor the name of an individual who, with the consent of the governor, shall serve as special prosecutor for the state-wide special inquiry judge proceeding. Any individual whose name is submitted under this section to the governor shall be licensed to practice law in the state of Washington and shall have at least five years' professional experience as one or more of the following: (1) Prosecuting attorney; (2) deputy prosecuting attorney; (3) United States attorney; or (4) assistant United States attorney. No such person shall have resided during the five years immediately preceding the appointment in a county in which the state-wide special inquiry judge will likely be required to investigate crimes. A special prosecutor appointed under this section shall be removed only upon a majority recommendation of the organized crime advisory board and the consent of the governor.

NEW SECTION. Sec. 9. Within ten days of his or her appointment, a special prosecutor selected under this chapter shall submit to the organized crime advisory board an operating budget to fund the activities of his or her office. The budget may include, but shall not be limited to, funds for the hiring of assistant special prosecutors, investigators, and clerical staff. Upon the approval of the budget by a majority of the members of the board, the costs and expenses of the prosecutor's operating budget shall be paid for by the state out of the organized crime prosecution revolving fund. Further operating budgets shall be proposed, approved, and funded pursuant to this

section if the term of a state-wide special inquiry judge is extended pursuant to section 3 of this act.

Vouchers and other budget and accounting records of a special inquiry judge proceeding including such records of the special prosecutor shall be subject to audit by the state auditor but shall not be public records within the meaning of chapter 42.17 RCW.

CHAPTER 149

[Substitute House Bill No. 1419]

ENERGY—CONSERVATION AND RENEWABLE RESOURCE GENERATION—
RATES—PUBLIC UTILITY TAX EXEMPTION

AN ACT Relating to energy resources; adding a new section to chapter 80.28 RCW; adding a new section to chapter 82.16 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds and declares that the potential for meeting future energy needs through conservation measures, including energy conservation loans, energy audits, and the use of renewable resources, such as solar energy, wind energy, wood, wood waste, municipal waste, agricultural products and wastes, hydroelectric energy, geothermal energy, and end-use waste heat, may not be realized without incentives to public and private energy utilities. The legislature therefore finds and declares that actions and incentives by state government to promote conservation and the use of renewable resources would be of great benefit to the citizens of this state by encouraging efficient energy use and a reliable supply of energy based upon renewable energy resources.

NEW SECTION. Sec. 2. There is added to chapter 80.28 RCW a new section to read as follows:

In establishing rates for each gas and electric company regulated by this chapter, the commission shall adopt policies to encourage meeting or reducing energy demand through cogeneration as defined in RCW 82.35.020, measures which improve the efficiency of energy end use, and new projects which produce or generate energy from renewable resources, such as solar energy, wind energy, hydroelectric energy, geothermal energy, wood, wood waste, municipal wastes, agricultural products and wastes, and end-use waste heat. These policies shall include but are not limited to allowing a return on investment in measures to improve the efficiency of energy end use, cogeneration, or projects which produce or generate energy from renewable resources which return is established by adding an increment of two percent to the rate of return on common equity permitted on the company's other investment. Measures or projects encouraged under this section are those for which construction or installation is begun after the effective date of this act and before January 1, 1990, and which, at the time they are placed in the rate base, are reasonably expected to save, produce, or generate energy at a total incremental system cost per unit of energy delivered to end use which is less than or equal to the incremental system cost per unit of energy delivered to end use from similarly available conventional energy resources which utilize nuclear energy or fossil fuels and which the gas or electric company could acquire to meet energy demand in the same time period.

The rate of return increment shall be allowed for a period not to exceed thirty years after the measure or project is first placed in the rate base.

NEW SECTION. Sec. 3. There is added to chapter 82.16 RCW a new section to read as follows:

(1) In computing tax under this chapter there shall be deducted from the gross income:

(a) An amount equal to the cost of production at the plant for consumption within the state of Washington of:

(i) Electrical energy produced or generated from cogeneration as defined in RCW 82.35.020; and

(ii) Electrical energy or gas produced or generated from renewable energy resources such as solar energy, wind energy, hydroelectric energy, geothermal energy, wood, wood wastes, municipal wastes, agricultural products and wastes, and end-use waste heat; and

(b) Those amounts expended to improve consumers' efficiency of energy end use or to otherwise reduce the use of electrical energy or gas by the consumer.

The provisions of this section shall not apply to the distribution of taxes collected under RCW 54.28.025.

Sec. 9. Section 10, chapter 278, Laws of 1957 as amended by section 5, chapter 366, Laws of 1977 ex. sess. and RCW 54.28.090 are each amended to read as follows:

The county ~~((commissioners))~~ legislative authority of each county shall direct the county treasurer to deposit funds to the credit of each taxing district in the county, other than school districts, according to the manner they deem most equitable; except not less than ~~((thirty-five percent of all moneys so received shall be apportioned to the school districts within the county having district properties within their limits, and not less than))~~ an amount equal to three-fourths of one percent of the gross revenues obtained by a district from the sale of electric energy within any incorporated city or town shall be remitted to such city or town. Information furnished by the district to the county ~~((commissioners))~~ legislative authority shall be the basis for the determination of the amount to be paid to such cities or towns.

The provisions of this section shall not apply to the distribution of taxes collected under RCW 54.28.025.

~~((The state treasurer shall turn over to the treasurers of the counties within United States forest reserves, the amount of money belonging to them, received from the federal government from such reserves;))~~ Of the moneys received by the state from the federal government in accordance with Title 16, section 500, United States Code, fifty percent shall be spent by the counties on public schools or public roads in the counties in the United States forest reserve from which such moneys were received. The remaining money shall be spent by the state on public schools in these counties subject to the limitation of the proportional area formula. Where the reserve is situated in more than one county ((the money shall be distributed in proportion to the area of the counties interested, and to that end)), the state treasurer shall determine the proportional area of the counties therein. The state treasurer is authorized and required to obtain the necessary information to enable him to make ((the distribution on such basis)) that determination.

~~((County commissioners or the legislative authority of the respective counties to which the money is distributed are authorized and directed annually to distribute not less than fifty percent of said money to each school district within each such county according to the proportional number of annual average full time equivalent students enrolled in each such school district during the immediate preceding school year as certified by the educational service district superintendent;))~~ The state treasurer shall distribute to the counties, according to the determined proportional area, the money to be spent by the counties on public roads or public schools. The state treasurer shall distribute the remaining money to the state general fund to be dedicated for the benefit of public schools of the counties in the forest reserve subject to the limitation of the proportional area formula. If the proportionate share of the remaining money attributed to any school district exceeds the state's basic education apportionment to that school district for the previous year, the state treasurer shall disburse the excess to the county. The legislative authority of the respective county shall distribute such money to each school district according to the proportional number of annual average full time equivalent students enrolled in each school district during the immediate preceding school year as certified by the educational service district superintendent.

All land, acquired or designated by the board as state forest land, shall be forever reserved from sale, but the timber and other products thereon may be sold or the land may be leased in the same manner and for the same purposes as is authorized for state granted land if the board finds such sale or lease to be in the best interests of the state and approves the terms and conditions thereof.

All money derived from the sale of timber or other products, or from lease, or from any other source from the land, except where the Constitution of this state or RCW 76.12.030 requires other disposition, shall be disposed of as follows:

(1) Fifty percent shall be placed in the forest development fund.

(2) Fifty percent shall be prorated and distributed to the state general fund, to be dedicated for the benefit of the public schools, and the county in which the land is located according to the relative proportions of tax levies of all taxing districts in the county. The portion to be distributed to the state general fund shall be based on the regular school levy rate under RCW 84.52.065 as now or hereafter amended and the levy rate for any maintenance and operation special school levies. The money distributed to the county shall be paid ((to the county in which the land is located to be paid)), distributed, and prorated to the various other funds in the same manner as general taxes are paid and distributed during the year of payment.

Sec. 12. Section 2, chapter 46, Laws of 1973 as last amended by section 4, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with ((the following revenues)) an appropriate portion of such locally available revenues, other than receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110, as the superintendent of public instruction may deem appropriate for consideration in computing state equalization support, excluding excess property tax levies, will constitute a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180((:

~~(1) The receipts from the one percent tax on real estate transactions pursuant to chapter 28A.45 RCW; and~~

~~(4) One hundred percent of such other available revenues as the superintendent of public instruction may deem appropriate for consideration in computing state equalization support)).~~

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to RCW 28A.41.130 and 28A.41.140 to fund those program requirements identified in RCW 28A.58.754 in accordance with the formula and ratios provided in RCW 28A.41.140.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of students per classroom teacher in grades kindergarten through three is not greater than the ratio of students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, "classroom teacher" shall be defined as an instructional employee possessing at least a provisional certificate, but not necessarily employed as a certificated employee, whose primary duty is the daily educational instruction of students: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practicably meet the student/teacher ratio requirements of this section by virtue of a small number of students: PROVIDED, FURTHER, That these rules and regulations shall provide that any district that has a ratio of no greater than twenty-five students per classroom teacher in grades kindergarten through three shall be in conformance with this section.

If a school district's basic education program fails to meet the basic education requirements enumerated in RCW 28A.41.130, 28A.41.140 and 28A.58.754, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, ~~((That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER,))~~ That the state board of education may waive this requirement in the event of substantial lack of classroom space.

The board of directors of a school district may, by properly executed resolution, request that the superintendent of public instruction direct a portion of the district's basic education allocation be credited to the district's building fund and/or bond redemption fund. Moneys so credited shall be used solely for school building purposes.

NEW SECTION. Sec. 14. Chapter 28A.45 RCW, as amended, repealed, and added to by this 1980 act and as amended, repealed, and added to by any other enactment during a regular or extraordinary session of this

forty-sixth legislature, is hereby added to and shall be recodified as a new chapter in Title 82 RCW.

NEW SECTION. Sec. 15. This 1980 act shall not be construed as invalidating, abating, or otherwise affecting any existing right acquired or any liability or obligation incurred under the provisions of the statutes amended or repealed, nor any process, proceeding, or judgment involving the assessment of any property or the levy or collection of any tax thereunder, nor the validity of any certificate of delinquency, tax deed or other instrument of sale or other proceeding thereunder, nor any criminal or civil proceeding instituted thereunder, nor any rule, regulation or order promulgated thereunder, nor any administrative action taken thereunder. Funds received by the county treasurer as payment of a tax liability incurred under a statute repealed by this 1980 act shall be paid and accounted for as provided in section 6 of this 1980 act.

NEW SECTION. Sec. 16. It is the intent of this 1980 act to simplify the bookkeeping procedures for the state treasurer's office and for the school districts but not to impact the amount of revenues covered by this 1980 act to the various counties and other taxing districts.

Whenever funds are ((specifically)) appropriated for modernization of existing school facilities, the state board of education is authorized to approve the use of such funds for modernization of existing facilities, modernization being limited to major structural changes in such facilities and, as necessary to bring such facilities into compliance with the handicapped access requirements of section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 706) and rules implementing the act, both major and minor structural changes, and may include as incidental thereto the replacement of fixtures, fittings, furnishings and service systems of a building in order to bring it up to a contemporary state consistent with the needs of changing educational programs. The allocation of such funds shall be made upon the same basis as funds used for the financing of a new school plant project utilized for a similar purpose.

authorization of excess tax levies or both in an amount equivalent to two and one-half percent of the value of its taxable property, as defined in RCW 39.36.015, or such lesser amount as may be required by the state board of education: PROVIDED FURTHER, That no such matching funds shall be required as a condition to the allotment of funds for the purpose of making major or minor structural changes to existing school facilities in order to bring such facilities into compliance with the handicapped access requirements of section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 706) and rules implementing the act. The state board of education shall prescribe and make effective such rules and regulations as are necessary to equate insofar as possible the efforts made by school districts to provide capital funds by the means aforesaid.

[Engrossed Senate Bill No. 3181]

PROPERTY TAX—ENERGY SAVING EXEMPTION—LEVY LIMITATION

AN ACT Relating to revenue and taxation; amending and reenacting section 84.40.030, chapter 15, Laws of 1961 as last amended by section 1, chapter 187, Laws of 1973 1st ex. sess. and by section 96, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.40.030; amending section 6, chapter 91, Laws of 1947 as last amended by section 43, chapter 195, Laws of 1973 1st ex. sess. and RCW 41.16.060; amending section 16, chapter 110, Laws of 1967 ex. sess. as last amended by section 8, chapter 71, Laws of 1974 ex. sess. and RCW 71.20.110; amending section 7, page 210, Laws of 1888 as last amended by section 5, chapter 4, Laws of 1973 2nd ex. sess. and RCW 73.08.080; adding a new section to chapter 84.40 RCW; creating a new section; repealing section 1, chapter 364, Laws of 1977 ex. sess. and RCW 84.36.410; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that certain residences have been subjected to excessive property taxes solely because the residences are utilizing energy saving systems. It is the intent of the legislature to prevent homeowners who install energy saving heat pumps, heating, cooling, domestic water heating and electrical systems, including active and passive solar energy systems, from being subjected to unfair property tax burdens.

The legislature further finds that the use of solar and other renewable energy resources can make a useful contribution to meeting future energy needs and that encouragement of the use of these energy resources is in the best interests of the people of the state.

Sec. 2. Section 84.40.030, chapter 15, Laws of 1961 as last amended by section 1, chapter 187, Laws of 1973 1st ex. sess. and by section 96, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.40.030 are each amended and reenacted to read as follows:

All property shall be valued at one hundred percent of its true and fair value in money and assessed on the same basis unless specifically provided otherwise by law.

Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash without any deductions for any indebtedness owed including rentals to be paid. Notwithstanding any other provisions of this section or of any other statute, when the value of any taxable leasehold estate created prior to January 1, 1971 is being determined for assessment years prior to the assessment year 1973, there shall be deducted from what would otherwise be the value thereof the present worth of the rentals and other consideration which may be required of the lessee by the lessor for the unexpired term thereof: PROVIDED, That the foregoing provisions of this sentence shall not apply to any extension or renewal, made

after December 31, 1970 of the term of any such estate, or to any such estate after the date, if any, provided for in the agreement for rental renegotiation.

The true and fair value of real property for taxation purposes (including property upon which there is a coal or other mine, or stone or other quarry) shall be based upon the following criteria:

(1) ~~((a))~~ Any sales of the property being appraised or similar property with respect to sales made within the past five years. The appraisal shall take into consideration political restrictions such as zoning as well as physical and environmental influences. The appraisal shall also take into account, ~~((ii))~~ (a) in the use of sales by real estate contract as similar sales, the extent, if any, to which the stated selling price has been increased by reason of the down payment, interest rate, or other financing terms; and ~~((ii))~~ (b) the extent to which the sale of a similar property actually represents the general effective market demand for property of such type, in the geographical area in which such property is located. Sales involving deed releases or similar seller-developer financing arrangements shall not be used as sales of similar property.

~~((b))~~ (2) In addition to sales as defined in subsection ~~((i))~~ (1), consideration may be given to cost, cost less depreciation, reconstruction cost less depreciation, or capitalization of income that would be derived from prudent use of the property. In the case of property of a complex nature, or being used under terms of a franchise from a public agency, or operating as a public utility, or property not having a record of sale within five years and not having a significant number of sales of similar property in the general area, the provisions of this subsection ~~((b))~~ (2) shall be the dominant factors in valuation. When provisions of this subsection ~~((b))~~ (2) are relied upon for establishing values the property owner shall be advised upon request of the factors used in arriving at such value.

~~((c))~~ (3) In valuing any tract or parcel of real property, the value of the land, exclusive of structures thereon shall be determined; also the value of structures thereon, but the valuation shall not exceed the value of the total property as it exists. In valuing agricultural land, growing crops shall be excluded.

~~((PROVIDED, That the provisions of this subsection (1) shall be applicable to all values for use in computing property taxes for the assessment year 1972 for taxes payable in 1973 and subsequent years.))~~

(4) In valuing any building with an unconventional heating, cooling, domestic water heating or electrical system before December 31, 1987, the value placed on the building shall not exceed the value which would be placed on the building if it had a conventional system.

NEW SECTION. Sec. 3. There is added to chapter 84.40 RCW a new section to read as follows:

Notice of the assessment rule provided in section 2(4) of this 1980 act shall be included on or with all property tax statements and revaluation notices. This section shall expire December 31, 1987.

Sec. 4. Section 6, chapter 91, Laws of 1947 as last amended by section 43, chapter 195, Laws of 1973 1st ex. sess. and RCW 41.16.060 are each amended to read as follows:

It shall be the duty of the legislative authority of each municipality, each year as a part of its annual tax levy, to levy and place in the fund a tax of twenty-two and one-half cents per thousand dollars of assessed value against all the taxable property of such municipality: PROVIDED, That if a report by a qualified actuary on the condition of the fund establishes that the whole or any part of said dollar rate is not necessary to maintain the actuarial soundness of the fund, the levy of said twenty-two and one-half cents per thousand dollars of assessed value may be omitted, or the whole or any part of said dollar rate may be levied and used for any other municipal purpose.

It shall be the duty of the legislative authority of each municipality, each year as a part of its annual tax levy and in addition to the city levy limit set forth in RCW 84.52.050, as now or hereafter amended, to levy and place in the fund an additional tax of twenty-two and one-half cents per thousand dollars of assessed value against all taxable property of such municipality: PROVIDED, That if a report by a qualified actuary establishes that all or any part of the additional twenty-two and one-half cents per thousand dollars of assessed value levy is unnecessary to meet the estimated demands on the fund under this chapter for the ensuing budget year, the levy of said additional twenty-two and one-half cents per thousand dollars of assessed value may be omitted, or the whole or any part of such dollar rate may be levied and used for any other municipal purpose.

The amount of a levy under this section allocated to the pension fund may be reduced in the same proportion as the regular property tax levy of the municipality is reduced by chapter 84.55 RCW.

Sec. 5. Section 16, chapter 110, Laws of 1967 ex. sess. as last amended by section 8, chapter 71, Laws of 1974 ex. sess. and RCW 71.20.110 are each amended to read as follows:

In order to provide additional funds for the coordination of community mental retardation and other developmental disability services and to provide community mental retardation, other developmental disability, or mental health services, the board of county commissioners of each county in the state shall budget and levy annually a tax in a sum equal to the amount which would be raised by a levy of two and one-half cents per thousand dollars of assessed value against the taxable property in the county to be used for such purposes: PROVIDED, That all or part of the funds collected from the tax levied for the purposes of this section may be transferred to the

state of Washington, department of social and health services, for the purpose of obtaining federal matching funds to provide and coordinate community mental retardation, other developmental disability, and mental health services. In the event a county elects to transfer such tax funds to the state for this purpose, the state shall grant these moneys and the additional funds received as matching funds to service-providing community agencies or community boards in the county which has made such transfer, pursuant to the plan approved by the county, as provided by chapters 71.16, 71.20, 71.24, and 71.28 RCW, all as now or hereafter amended.

The amount of a levy allocated to the purposes specified in this section may be reduced in the same proportion as the regular property tax levy of the county is reduced by chapter 84.55 RCW.

Sec. 6. Section 7, page 210, Laws of 1888 as last amended by section 5, chapter 4, Laws of 1973 2nd ex. sess. and RCW 73.08.080 are each amended to read as follows:

The boards of county commissioners of the several counties in this state shall levy, in addition to the taxes now levied by law, a tax in a sum equal to the amount which would be raised by not less than one and one-eighth cents per thousand dollars of assessed value, and not greater than twenty-seven cents per thousand dollars of assessed value against the taxable property of their respective counties, to be levied and collected as now prescribed by law for the assessment and collection of taxes, for the purpose of creating the veteran's relief fund for the relief of honorably discharged veterans who served in the armed forces of the United States in the Civil War, in the war of Mexico or in any of the Indian wars, or the Spanish-American war or the Philippine insurrection, in the First World War, or Second World War or Korean conflict, or Viet Nam conflict, and the indigent wives, husbands, widows, widowers and minor children of such indigent or deceased veterans, to be disbursed for such relief by such board of county commissioners: PROVIDED, That if the funds on deposit, less outstanding warrants, residing in the veteran's relief fund on the first Tuesday in September exceed the expected yield of one and one-eighth cents per thousand dollars of assessed value against the taxable property of the county, the county commissioners may levy a lesser amount: PROVIDED FURTHER, That the costs incurred in the administration of said veteran's relief fund shall be computed by the county treasurer not less than annually and such amount may then be transferred from the veteran's relief fund as herein provided for to the county current expense fund.

The amount of a levy allocated to the purposes specified in this section may be reduced in the same proportion as the regular property tax levy of the county is reduced by chapter 84.55 RCW.

NEW SECTION. Sec. 7. Section 1, chapter 364, Laws of 1977 ex. sess. and RCW 84.36.410 are each repealed.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately and shall be effective for assessments made in 1980 and years thereafter.

WASTE DISPOSAL FACILITIES, 1980 BOND ISSUE—REFERENDUM

AN ACT Relating to the financing of pollution control facilities and systems; authorizing the issuance and sale of general obligation bonds to provide for pollution control facilities and systems and public works throughout the state; providing ways and means to pay for the bonds; providing for submission of this act to a vote of the people; and adding a new chapter to Title 43 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The long-range development goals for the state of Washington must include the protection of the resources and environment of the state, the health and safety of its people, and the beneficial uses of water by providing facilities and systems, among others, for the general control, collection, treatment, or disposal of nonradioactive solid and nonradioactive liquid waste materials. The purpose of this chapter is to assist the state and local governments in providing that protection but it is not the purpose of this chapter to provide funding for facilities which encourage development.

NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, design, acquisition, construction, and improvement of public waste disposal and management facilities in this state, the state finance committee is authorized to issue, at any time prior to January 1, 1990, general obligation bonds of the state of Washington in the sum of four hundred fifty million dollars, or so much thereof as may be required, to finance the improvements defined in this chapter and all costs incidental thereto. The department may not use or permit the use of any funds derived from the sale of bonds authorized by this chapter for: (1) the support of a solid waste recycling activity or service in a locale if the department determines that the activity or service is reasonably available to persons within that locale from private enterprise; or (2) the construction of municipal wastewater facilities unless said facilities have been approved by a general purpose unit of local government in accordance with chapter 36.94 RCW, chapter 35.67 RCW, or RCW 56.08.020. These bonds shall be paid and discharged within thirty years of the date of issuance. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation of the proceeds of the bonds to be sold.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by this chapter shall be deposited in the state and local improvements revolving account, Waste Disposal Facilities, 1980 hereby created in the general fund and shall be used exclusively for the purpose specified in this chapter and for payment of the expenses incurred in the issuance and sale of the bonds.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the state and local improvements revolving account, Waste Disposal Facilities, 1980 of the general fund under the terms of this chapter shall be administered by the state department of ecology subject to legislative appropriation. The department may use or permit the use of any funds derived from the sale of bonds authorized under this chapter to accomplish the purpose for which the bonds are issued by direct expenditures and by grants or loans to public bodies, including grants to public bodies as cost-sharing funds in any case where federal, local, or other funds are made available on a cost-sharing basis for improvements within the purposes of this chapter. The department shall ensure that funds derived from the sale of bonds authorized under this chapter do not constitute more than seventy-five percent of the total cost of any waste disposal or management facility. Not more than two percent of the proceeds of the bond issue may be used by the department of ecology in relation to the administration of the expenditures, grants, and loans.

At least one hundred fifty million dollars of the proceeds of the bonds authorized by this chapter shall be used exclusively for waste management systems capable of producing renewable energy or energy savings as a result of the management of the wastes. "Renewable energy" means, but is not limited to, the production of steam, hot water for steam heat, electricity, cogeneration, gas, or fuel through the use of wastes by incineration, refuse-derived fuel processes, pyrolysis, hydrolysis, or bioconversion, and energy savings through material recovery from waste source separation and/or recycling.

The department of ecology shall present a progress report of actual projects committed by the department to the senate committee on ways and means and the house of representatives committee on appropriations no later than November 30th of each year.

Integration of the management and operation of systems for solid waste disposal with systems of liquid waste disposal holds promise of improved waste disposal efficiency and greater environmental protection and restoration. To encourage the planning for and development of such integration, the department may provide for special grant incentives to public bodies which plan for or operate integrated waste disposal management systems.

NEW SECTION. Sec. 5. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Waste disposal and management facilities" means any facilities or systems owned or operated by a public body for the control, collection, storage, treatment, disposal, recycling, or recovery of nonradioactive liquid wastes or nonradioactive solid wastes, or a combination thereof, including but not limited to, sanitary sewage, storm water, residential, industrial,

commercial, and agricultural wastes, and concentrations of organic sediments waste, inorganic nutrients, and toxic materials which are causing environmental degradation and loss of the beneficial use of the environment, and material segregated into recyclables and nonrecyclables. Waste disposal and management facilities may include all equipment, utilities, structures, real property, and interest in and improvements on real property necessary for or incidental to such purpose. As used in this chapter, the phrase "waste disposal and management facilities" shall not include the acquisition of equipment used to collect residential or commercial garbage.

(2) "Public body" means the state of Washington or any agency, political subdivision, taxing district, or municipal corporation thereof, an agency of the federal government, and those Indian tribes now or hereafter recognized as such by the federal government.

(3) "Control" means those measures necessary to maintain and/or restore the beneficial uses of polluted land and water resources including, but not limited to, the diversion, sedimentation, flocculation, dredge and disposal, or containment or treatment of nutrients, organic waste, and toxic material to restore the beneficial use of the state's land and water resources and prevent the continued pollution of these resources.

(4) "Planning" means the development of comprehensive plans for the purpose of identifying state-wide or regional needs for specific waste disposal facilities as well as the development of plans specific to a particular project.

(5) "Department" means the department of ecology.

NEW SECTION. Sec. 6. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance. None of the bonds authorized in this chapter shall be sold for less than their par value.

NEW SECTION. Sec. 7. When the state finance committee has decided to issue the bonds, or a portion thereof, it may, pending the issuing of the bonds, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "anticipation notes." Such portion of the proceeds of the sale of the bonds as may be required for this purpose shall be applied to the payment of the principal of and interest on any of these anticipation notes which have been issued. The bonds and notes shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due. The state finance committee may authorize the use of a printed facsimile of the seal of the state of Washington in the issuance of the bonds and notes.

NEW SECTION. Sec. 8. The waste disposal facilities bond redemption fund shall be used for the purpose of the payment of the principal of and

redemption premium, if any, and interest on the bonds and the bond anticipation notes authorized to be issued under this chapter.

The state finance committee, on or before June 30 of each year, shall certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and interest coming due on the bonds. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the waste disposal facilities bond redemption fund an amount equal to the amount certified by the state finance committee to be due on the payment date. The owner and holder of each of the bonds or the trustee for any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this chapter.

NEW SECTION. Sec. 9. The legislature may provide additional means for raising moneys for the payment of the principal and interest of the bonds authorized in this chapter, and this chapter shall not be deemed to provide an exclusive method for such payment.

NEW SECTION. Sec. 10. The bonds authorized in this chapter shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 12. (a) A complaint may be filed by a legislator, legislative employee, member of the public, a board, or member of a board. Complaints must be written, signed under oath, and directed to the chairman of the appropriate board. The board shall determine if the complaint is within its jurisdiction and whether there are sufficient facts alleged which if true may support a finding of unethical conduct.

(b) If the board finds that the complaint is not within its jurisdiction, or is frivolous, or is made for the purpose of harassment, or that there are insufficient facts alleged which if true may support a finding of unethical conduct, it shall dismiss the complaint, so notify the complainant, the person charged, and the public with a copy of the complaint and the board's reasons for dismissal.

(c) If the board finds that a complaint is within its jurisdiction and there are sufficient facts alleged which if true may support a finding of unethical conduct, such board shall hold an investigative hearing and send a notice to the complainant and the person charged which shall include a copy of the complaint. The person charged shall receive at least thirty days' written notice of such hearing. The notice shall provide that the person charged shall

be entitled to request the board to set an earlier hearing date, present evidence, cross-examine witnesses, be represented by counsel, and file an affidavit of prejudice within ten days of receipt of the notice as provided in subsection (4)(f) of this section.

(e) A board may designate a subcommittee composed of at least two members of the board, at least half of whom shall be lay members, to conduct investigative hearings. The board, or if designated thereby, any member or subcommittee of the board, may issue subpoenas for the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under examination by the board or involved in any hearing, administer oaths or affirmations, examine witnesses, and receive evidence. In case of disobedience to a subpoena, the board may invoke the aid of any superior court of the state. Such court may, in case of refusal to obey a subpoena issued to such person, issue an order requiring such person to appear before the board, to produce documentary evidence, and/or to give evidence, and any failure to obey such order may be punished by that court as contempt. (f) Members of a board shall be disqualified in any case: (i) involving persons whom such members cannot judge impartially, in which cases they shall disqualify themselves; or (ii) where the person charged files an affidavit of prejudice against a member or members whom he believes is unable to make an impartial judgment, in which case the disqualification shall be automatic: PROVIDED, That only one such affidavit may be filed in a single investigation. The board, on the basis of the findings of fact, any written rebuttal, and applicable standards of ethical conduct shall make a preliminary report which shall be subject to review and the rendering of a decision at the final hearing. Such person may rebut the report not later than one week prior to the final hearing date,

but shall in any event have a period of not less than two weeks in which to respond.

(h) The final hearing shall be open to the public. There shall be available at the hearing copies of the board's findings of fact, preliminary report, and any written rebuttal received by the board from the person charged. The board shall, on the basis of these documents and any final statement made by the person charged, render a final decision as to whether the facts justify a finding of unethical conduct. A final decision must be agreed upon by at least six members of the board. The board shall notify the appropriate law enforcement agency directly if the board makes a finding that it has reasonable grounds to believe that a criminal violation has occurred.

(i) If the board in its final decision determines that the facts support a finding of unethical conduct, it shall include in its decision a specific recommendation for disciplinary action which may include but is not necessarily limited to: (i) In the case of a legislator, reprimand, censure, or expulsion, and when applicable, restitution; and (ii) in the case of a legislative employee, reprimand, suspension, or dismissal, and when applicable, restitution. Such decision shall be transmitted to the chief clerk of the house or the secretary of the senate as appropriate. Such officer shall deliver the report to his house at such time as that house is in session, for such action as that house deems appropriate.

AN ACT Relating to energy conservation in state facilities; amending section 5, chapter 21, Laws of 1975-'76 2nd ex. sess. and RCW 43.19.1905; amending section 43.19.1911, chapter 8, Laws of 1965 and RCW 43.19.1911; adding new sections to chapter 43.19 RCW; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds and declares that the buildings, facilities, equipment, and vehicles owned or leased by state government consume significant amounts of energy and that energy conservation actions to provide for efficient energy use in these buildings, facilities, equipment, and vehicles will reduce the costs of state government. In order for the operations of state government to provide the citizens of this state an example of energy use efficiency, the legislature further finds and declares

that state government should undertake an aggressive program designed to reduce energy use in state buildings, facilities, equipment, and vehicles within a reasonable period of time.

NEW SECTION. Sec. 2. It is the purpose of sections 3 through 6 of this act to require energy audits in state-owned buildings, to require energy audits as a lease condition in all new, renewed, and renegotiated leases of buildings by the state, to undertake such modifications and installations as are necessary to maximize the efficient use of energy in these buildings, and to establish a policy for the purchase of state vehicles, equipment, and materials which results in efficient energy use by the state.

NEW SECTION. Sec. 3. As used in sections 3 through 6 of this act, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Energy audit" means a determination of the energy consumption characteristics of a building which:

(a) Identifies the type, size, and rate of energy consumption of the building and the major energy using systems of the building;

(b) Determines appropriate energy conservation maintenance and operating procedures; and

(c) Indicates the need, if any, for the acquisition and installation of energy conservation measures.

(2) "Energy conservation measure" means an installation or modification of an installation in a building which is primarily intended to reduce energy consumption or allow the use of an alternative energy source, including:

(a) Insulation of the building structure and systems within the building;

(b) Storm windows and doors, multiglazed windows and doors, heat absorbing or heat reflective glazed and coated windows and door systems, additional glazing, reductions in glass area, and other window and door system modifications;

(c) Automatic energy control systems;

(d) Equipment required to operate variable steam, hydraulic, and ventilating systems adjusted by automatic energy control systems;

(e) Solar space heating or cooling systems, solar electric generating systems, or any combination thereof;

(f) Solar water heating systems;

(g) Furnace or utility plant and distribution system modifications including replacement burners, furnaces, and boilers which substantially increase the energy efficiency of the heating system; devices for modifying flue openings which will increase the energy efficiency of the heating system; electrical or mechanical furnace ignitions systems which replace standing gas pilot lights; and utility plant system conversion measures including conversion of existing oil- and gas-fired boiler installations to alternative energy sources;

- (h) Caulking and weatherstripping;
- (i) Replacement or modification of lighting fixtures which increase the energy efficiency of the lighting system;
- (j) Energy recovery systems; and
- (k) Such other measures as the director finds will save a substantial amount of energy.

(3) "Energy conservation maintenance and operating procedure" means modification or modifications in the maintenance and operations of a building, and any installations within the building, which are designed to reduce energy consumption in the building and which require no significant expenditure of funds.

NEW SECTION. Sec. 4. The director of general administration, in cooperation with the director of the state energy office, shall conduct, by contract or other arrangement, an energy audit for each state-owned building. All energy audits shall be coordinated with and complement other governmental energy audit programs. The energy audit for each state-owned building located on the capitol campus shall be completed no later than July 1, 1981, and the results and findings of each energy audit shall be compiled and transmitted to the governor and the legislature no later than October 1, 1981. The energy audit for every other state-owned building shall be completed no later than July 1, 1983, and the results and findings of the audits shall be compiled and transmitted to the governor and the legislature no later than October 1, 1983.

NEW SECTION. Sec. 5. (1) Upon completion of each energy audit required by section 4 of this act, the director of general administration shall order the implementation of energy conservation maintenance and operation procedures that may be identified for any state-owned building by the energy audit for the building.

(2) By December 31, 1981, for the capitol campus and December 31, 1983, for all other state-owned buildings, the director of general administration, in cooperation with the director of the state energy office, shall prepare and transmit to the governor and the legislature an implementation plan for energy conservation measures identified for any state-owned building by the energy audit for the building. The implementation plan shall specify the annual tasks and budget required to complete all acquisitions and installations necessary to satisfy the recommendations of the energy audit within five years of the effective date of this act. The director shall also include in the implementation plan an estimate of the savings in energy costs over the life of each building.

NEW SECTION. Sec. 6. The director of general administration shall develop lease covenants, conditions, and terms which:

- (1) Obligate the lessor to conduct or have conducted an energy audit of the leased premises;

(2) Obligate the lessor to implement identified energy conservation maintenance and operating procedures upon completion of the energy audit; and

(3) Obligate the lessor to acquire and install during the term of the lease any energy conservation measure identified in the audit.

These lease covenants, conditions, and terms shall be incorporated into all new, renewed, and renegotiated leases.

Sec. 7. Section 5, chapter 21, Laws of 1975-'76 2nd ex. sess. and RCW 43.19.1905 are each amended to read as follows:

The director of general administration, after consultation with the supply management advisory board shall establish overall state policy for compliance by all state agencies, including educational institutions, regarding the following purchasing and material control functions:

(a) Development of a state commodity coding system, including common stock numbers for items maintained in stores for reissue;

(b) Determination where consolidations, closures, or additions of stores operated by state agencies and educational institutions should be initiated;

(c) Institution of standard criteria for determination of when and where an item in the state supply system should be stocked;

(d) Establishment of stock levels to be maintained in state stores, and formulation of standards for replenishment of stock;

(e) Formulation of an overall distribution and redistribution system for stock items which establishes sources of supply support for all agencies, including interagency supply support;

(f) Determination of what function data processing equipment, including remote terminals, shall perform in state-wide purchasing and material control for improvement of service and promotion of economy, and the coordination of needs with the Washington state data processing authority;

(g) Standardization of records and forms used state-wide for supply system activities involving purchasing, receiving, inspecting, storing, requisitioning, and issuing functions under the provisions of RCW 43.19.510;

(h) Screening of supplies, material, and equipment excess to the requirements of one agency for overall state need before sale as surplus;

(i) Establishment of warehouse operation and storage standards to achieve uniform, effective, and economical stores operations;

(j) Establishment of time limit standards for the issuing of material in store and for processing requisitions requiring purchase;

(k) Formulation of criteria for determining when centralized rather than decentralized purchasing shall be used to obtain maximum benefit of volume buying of identical or similar items, including procurement from federal supply sources;

(l) Development of criteria for use of leased, rather than state owned, warehouse space based on relative cost and accessibility;

(m) Institution of standard criteria for purchase and placement of state furnished materials, carpeting, furniture, fixtures, and nonfixed equipment, in newly constructed or renovated state buildings;

Sec. 2002).

Sec. 8. Section 43.19.1911, chapter 8, Laws of 1965 and RCW 43.19.1911 are each amended to read as follows:

When purchases are made through competitive bidding, the contract shall be let to the lowest responsible bidder, subject to any preferences provided by law to Washington products and vendors, taking into consideration the quality of the articles proposed to be supplied, their conformity with specifications, the purposes for which required, and the times of delivery: PROVIDED, That whenever there is reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected and the division of purchasing may call for new bids or enter into direct negotiations to achieve the best possible price. Each bid with the name of the bidder shall be entered of record and each record, with the successful bid indicated, shall, after letting of the contract, be open to public inspection. In determining "lowest responsible bidder", in addition to price, the following elements shall be given consideration:

- (1) The ability, capacity and skill of the bidder to perform the contract or provide the service required;
- (2) The character, integrity, reputation, judgment, experience and efficiency of the bidder;
- (3) Whether the bidder can perform the contract within the time specified;
- (4) The quality of performance of previous contracts or services;
- (5) The previous and existing compliance by the bidder with laws relating to the contract or services;
- (6) Such other information as may be secured having a bearing on the decision to award the contract: PROVIDED, That in considering bids for purchase, manufacture, or lease, and in determining the "lowest responsible bidder," whenever there is reason to believe that applying the "life cycle costing" technique to bid evaluation would result in lowest total cost to the state, first consideration shall be given by state purchasing activities to the bid with the lowest life cycle cost which complies with specifications. "Life cycle cost" means the total cost of an item to the state over its estimated useful life, including costs of selection, acquisition, operation, maintenance, and where applicable, disposal, as far as these costs can reasonably be determined, minus the salvage value at the end of its estimated useful life. The "estimated useful life" of an item means the estimated time from the date of acquisition to the date of replacement or disposal, determined in any reasonable manner.

NEW SECTION. Sec. 9. Sections 3 through 6 of this act are each added to chapter 43.19 RCW.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

LEGISLATIVE BUILDING—WORKS OF ART

AN ACT Relating to works of art for the legislative building; adding a new chapter to Title 44 RCW; and providing an expiration date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The architectural plan for the state legislative building included spaces for works of art which have never been used

as originally intended. The purpose of this chapter is to facilitate the creation, acquisition, and installation of appropriate works of art for the legislative building by providing a joint legislative arts committee with overall authority and responsibility to establish and implement an arts acquisition plan, and by creating a special fund to assist in the financing of the art acquisitions.

NEW SECTION. Sec. 2. As used in this chapter, "person" means any individual or public or private corporation.

NEW SECTION. Sec. 3. There is created a joint legislative arts committee consisting of four members of the senate, to be appointed by the president of the senate, and four members from the house, to be appointed by the speaker of the house. Not more than two members from each house may be from the same political party. All appointments to the committee are subject to approval by the caucuses to which the appointed members belong.

Members shall be subject to reappointment at the beginning of each session of the legislature which convenes in an even-numbered year. No member shall serve on the committee unless he or she retains membership in the legislature. Vacancies shall be filled by the same appointing authority and in the same manner as for the member whose seat is vacated.

The president of the senate shall appoint the chairperson in even-numbered years, and the speaker of the house shall appoint the chairperson in odd-numbered years.

Five members of the committee constitute a quorum for the transaction of business. The committee may adopt rules to govern the conduct of its business.

Members are entitled to allowances provided for in RCW 44.04.120, as now existing or hereafter amended, for attendance at meetings or other official business of the committee during the interim.

NEW SECTION. Sec. 4. (1) There is established a special fund in the state treasury to be known as the capitol arts fund, which shall be used to help finance the creation, acquisition, and installation of works of art for the state legislative building in accordance with the provisions of section 5 of this 1980 act. Under the direction of the joint legislative arts committee, the state treasurer may receive moneys for this fund, including gifts, grants, donations, and bequests, from any person or persons interested in making a contribution or contributions for this purpose. The legislative arts committee may refuse to accept such contributions. The committee may accept or reject any donations of art objects or other personal property. Such objects, and other property if appropriate, shall be held in the custody of the state capitol historical museum. Donations of real property may be accepted or rejected by the committee. At the request of the committee, the department of general administration shall manage or sell any real property donated for

the purposes of this chapter. Proceeds from the sale or management of real property shall be deposited in the capitol arts fund, except that expenses of the department shall be reimbursed from the proceeds. No moneys may be expended from the fund without the approval of the joint legislative arts committee.

****(2) No moneys may be expended for works of art for the legislative building, including but not limited to moneys appropriated to the department of general administration by section 23, chapter 270, Laws of 1979 ex. sess., unless such expenditures are approved by the joint legislative arts committee.***

(3) The state treasurer shall report to the legislature no later than January 31st of each even-numbered year the status of funds and the expenditures for works of art during the previous two-year period.

(4) Any moneys remaining in the capitol arts fund after the works of art have been installed may be used in any way that the joint legislative arts committee and legislature deem appropriate to enhance the appearance of the legislative building and the state's art collection.

***Sec. 4. was partially vetoed, see message at end of chapter.**

NEW SECTION. Sec. 5. (1) The joint legislative arts committee shall have the following powers and duties:

(a) To do all things necessary to acquire works of art for the legislative building;

(b) To prepare a comprehensive plan for the acquisition of works of art for the legislative building, and submit the plan for review by the legislature on or before the commencement of the 1981 regular session;

(c) To contract for the services of a jury of professionals in the arts to be selected by the committee. The jury of professionals shall consist of persons of impeccable stature and qualifications and represent the various appropriate art media. The jury of professionals shall make recommendations to the committee regarding matters relating to the selection of works of art.

(2) At the request of the joint legislative arts committee, the Washington state arts commission, the department of general administration, the state capitol historical museum, and other agencies of the state shall provide support and assistance to the committee necessary to carry out the provisions of this chapter.

NEW SECTION. Sec. 6. This chapter shall expire and be of no further effect on January 1, 1990.

NEW SECTION. Sec. 7. Sections 1 through 5 of this 1980 act shall constitute a new chapter in Title 44 RCW.

Passed the House March 13, 1980.

Passed the Senate March 13, 1980.

Approved by the Governor April 4, 1980, with the exception of subsection (2) of Section 4, which is vetoed.

Filed in Office of Secretary of State April 4, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval a portion of [Substitute] House Bill No. 1763 entitled:

"AN ACT Relating to works of art for the legislative building . . ."

This bill establishes a program to acquire works of art for the legislative building. Section 4 creates the capitol arts fund as the account to support this program. Subsection 2 of section 4 contains a misreference which renders its provisions unintelligible.

For this reason I have determined to veto subsection 2 of section 4 of [Substitute] House Bill No. 1763."

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by and useful to the applicant. Whenever a recipient shall cease to use such property for residential purposes, either for himself or his dependents, the property shall be considered as income which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons, shall raise a presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as income which can be made available to meet need.

In establishing such ceiling, the department shall establish a sliding scale based upon the family size. If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient: PROVIDED, That in the determination of need of applicants for or recipients of general assistance no resources or income shall be considered as exempt per se, but the department may by rule and regulation adopt standards which will permit the exemption of the home and personal property and belongings from consideration as an available resource or income when such resources or income are determined to be necessary to the applicant's or recipient's restoration to independence.

(12) "Income"—All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient after applying for or receiving public assistance: PROVIDED, That all necessary expenses that may reasonably be attributed to the earning of income shall be considered in determining net income: PROVIDED FURTHER, That the department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance: PROVIDED FURTHER, That in determining the amount of assistance to which a recipient of aid to the blind is entitled or to which any dependent of such recipient may be entitled under any category of public assistance, the department is hereby authorized to disregard as a resource or income the first eighty-five dollars per month of any earned income plus

(13) "Need"—The difference between the applicant's or recipient's cost of requirements for himself and the dependent members of his family,

as measured by the standards of the department, and value of all nonexempt resources and nonexempt net income received by or available to the applicant or recipient and the dependent members of his family.

(14) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

NEW SECTION. Sec. 2. Proposed rules shall be reviewed by the legislative committees by February 1, 1981 and shall subsequently be adopted pursuant to chapter 34.04 RCW and will become effective July 1, 1981.

(2) The secretary and the commissioner of the employment security department shall make periodic reports to the committees of the legislature referred to in subsection (1) as to the progress in the development of such rules.

(3) The rules required by subsection (1) of this section shall include the following:

(a) A uniform definition of unemployable persons, which definition shall include physical, mental, or other personal obstacle or obstacles to any (i) employment or (ii) work training opportunity: **PROVIDED**, That any definition shall discourage the continued classification of an individual as unemployable if incapacity or infirmity is correctable through treatment or use of corrective aids unless such disqualifying condition or conditions shall persist beyond a reasonable period of time as determined pursuant to the rules adopted hereunder.

(b) A system of review of such unemployable persons for the purpose of determining the continuing existence of such condition or conditions serving as obstacles to any (i) employment or (ii) work training opportunity.

(3) The department of licensing shall mail to each owner of a vehicle registered within an emission contributing area a notice regarding the

boundaries of the area and restrictions established under this section that apply to vehicles registered in such areas. The information for the notice shall be supplied to the department of licensing by the department of ecology. Such a notice shall be mailed to the owner ninety days prior to the expiration date of the owner's motor vehicle license.

Sec. 2. Section 4, chapter 163, Laws of 1979 ex. sess. and RCW 70.120.040 are each amended to read as follows:

(1) The director shall designate a geographic area as being a "noncompliance area" for motor vehicle emissions if:

(a) Prior to December 31, 1982, analysis of the data recorded at the monitoring sites indicates that an air quality standard established pursuant to this chapter will probably be exceeded after December 31, 1982; or

(2) (a) The department shall analyze information regarding the motor vehicle traffic in a noncompliance area to determine the smallest land area(~~(; which shall include the noncompliance area;))~~) within whose boundaries are registered motor vehicles that contribute significantly to the violation of motor vehicle related air quality standards in the noncompliance area. It can be proven that vehicles registered in the area to be declared the emission contributing area contribute significantly to violations of the ozone air quality standard in the noncompliance area.

(d) An emission contributing area may be established in this state for violations of federal air quality standards for ozone in an adjacent state if:

(i) The U. S. environmental protection agency declares an area to be a nonattainment area for ozone under the provisions of the federal Clean Air Act (42 U.S.C. 7401 et. seq.) and the nonattainment area encompasses portions of both Washington and the adjacent state; and (ii) It can be proven that vehicles registered in this state contribute significantly to the violation of the federal air quality standards for ozone in the adjacent state's portion of the nonattainment area.

(3) In establishing the external boundaries of an emission contributing area, the director shall utilize the boundaries established for zip code service areas by the United States postal service.

The director shall designate areas as being noncompliance areas or emission contributing areas, and shall establish the boundaries of such areas, by rule. (a) A schedule of questioned costs, including dollar amounts being questioned and an explanation of the accountant's reason for questioning the allowability of such costs; except that, an amount, not less than five hundred dollars, shall be established by the secretary below which questioned costs need not be listed;

(b) A schedule summarizing the adjustments to the contractor's financial records as a result of the audit, including dollar amounts, the general ledger account or account group, and an explanation of the reason for adjustment; and

(c) A schedule summarizing the adjustments to the contractor's preliminary settlement report as a result of the audit.

(3)(a) The independent auditor shall perform separate audits on the trust funds established by section 70 of this act. Such audit shall be prepared in conformity with generally accepted auditing standards and additional rules and regulations established by the department.

(b) Accompanying the audit report on such trust funds shall be any letters of comments or recommendations relating to discrepancies or improvements in accounting procedures.

(4) The independent certified public accountant shall retain all working papers resulting from audits conducted pursuant to this section for a period of five years from the date the report was submitted to the department. The secretary shall have access to such retained working papers upon ten days' written notice to the independent certified public accountant.

PART C SETTLEMENT

NEW SECTION. Sec. 15. SETTLEMENT PROCESS. (1) The settlement process shall consist of:

(a) The evaluation of the preliminary settlement report by cost center contained within the cost report;

(b) The evaluation of the audit results, including disallowed costs; and

(c) The process of scheduling payment as to such underpayments or overpayments.

(2) In:

(a) Rulings on questioned costs; or

(b) Interpretations resulting in payment of the whole or a portion of a disallowed cost,

the department shall prepare and maintain such rulings and interpretations with full justification and explanation for the respective contractor and the appropriate standing committees of the legislature.

NEW SECTION. Sec. 16. SETTLEMENT. (1) Upon receipt of the preliminary settlement report, the department shall verify the accuracy of such report.

(2) Within thirty days after receipt of the audited reports by the secretary, the department will submit a proposed final settlement report by cost center to the contractor which rules on questioned costs, and fully substantiates disallowed costs, refunds, underpayments, and/or adjustments to the preliminary settlement report.

NEW SECTION. Sec. 17. DATE SETTLEMENT BECOMES FINAL. (1) The settlement will become final thirty days after the date the proposed final settlement report is submitted to the contractor, unless the contractor contests the determination. In the event of such action, the contractor has thirty days after the date the proposed final settlement report has been submitted to notify the department of such contesting pursuant to the provisions of section 78 of this act.

(2) A settlement will be reopened if necessary to make adjustments for findings resulting from an audit performed pursuant to this chapter.

NEW SECTION. Sec. 18. PAYMENT OF UNDERPAYMENTS—REFUND OF OVERPAYMENTS/ERRONEOUS PAYMENTS. (1) The state shall make payment of any underpayments within fifteen days of the date the settlement becomes final.

(2) The contractor found to have received either overpayments and/or erroneous payments shall refund such payments to the state within thirty days of the date the settlement becomes final, subject to the provisions of subsections (3), (4), and (5) of this section.

(3) Within the cost centers of nursing services and food, all savings resulting from the respective audited allowable costs being lower than the respective reimbursement rate paid to the contractor during the report period shall be refunded.

(4) Within the cost centers of administration and operations and property, the contractor shall retain at least fifty percent, but not more than seventy-five percent, of any savings resulting from the respective, audited, allowable costs being lower than the respective reimbursement rates paid to the contractor during the report period multiplied by the number of authorized medical care client days in which said rates were in effect. The secretary, by rule and regulation, shall establish the basis for the specific percentages of savings to the contractors. Such rules and regulations may provide for differences in the percentages allowed for each cost center to individual facilities based on performance measures related to administrative efficiency.

(5) All allowances provided by section 53 of this act shall be retained by the contractor.

(6) In the event the contractor fails to make repayment in the time provided in subsection (2) of this section, the department shall either:

(a) Deduct the amount of refund due plus assessment of interest, as determined by the secretary, from payment amounts due the contractor; or

(b) In the instance the contract has been terminated, (i) deduct the amount of refund due plus an assessment of interest, determined by the secretary, from any payments due; or (ii) assess the amount due plus interest, as determined by the secretary, on the amount due.

(7) Where the facility is pursuing judicial or administrative remedies in good faith regarding settlement issues, the department shall not withhold from the facility current payment amounts the department claims to be due from the facility. If the judicial or administrative remedy sought by the facility is not granted after all appeals are exhausted or mutually terminated, the facility shall make payment of such amounts due plus interest, as payable on judgments, within sixty days of the date such decision is made.

PART D
ALLOWABLE COSTS

NEW SECTION. Sec. 19. PRINCIPLES OF ALLOWABLE COSTS.

(1) The substance of a transaction will prevail over its form.

(2) All documented costs which are ordinary, necessary, related to care of medical care recipients, and not expressly nonallowable, are to be allowable.

(3) Costs applicable to services, facilities, and supplies furnished to the provider by related organizations are allowable but at the cost to the related organization, provided they do not exceed the price of comparable services, facilities, or supplies that could be purchased elsewhere.

(4) The payment for property usage is to be independent of ownership structure and financing arrangements.

NEW SECTION. Sec. 20. OFFSET OF MISCELLANEOUS REVENUES. (1) Allowable costs shall be reduced by the contractor whenever the item, service, or activity covered by such costs generates revenue or financial benefits other than through the contractor's normal billing for care services; except that, unrestricted grants, gifts, and endowments, and interest therefrom, will not be deducted from the allowable costs of a nonprofit facility.

(2) Where goods or services are sold, the amount of the reduction shall be the actual cost relating to the item, service, or activity. In the absence of adequate documentation of cost, it shall be the full amount of the revenue received. Where financial benefits such as purchase discounts or rebates are received, the amount of the reduction shall be the amount of the discount or rebate.

NEW SECTION. Sec. 21. COSTS OF MEETING STANDARDS. All necessary and ordinary expenses a contractor incurs in providing care services will be allowable costs. These expenses include:

(1) Meeting licensing and certification standards;

(2) Meeting standards of providing regular room, nursing, ancillary, and dietary services, as established by department rule and regulation pursuant to chapter 211, Laws of 1979 ex. sess.; and

(3) Fulfilling accounting and reporting requirements imposed by this chapter.

NEW SECTION. Sec. 22. LIMIT ON COSTS TO RELATED ORGANIZATIONS. (1) Costs applicable to services, facilities, and supplies furnished by a related organization to the contractor shall be allowable only to the extent they do not exceed the lower of the cost to the related organization or the price of comparable services, facilities, or supplies purchased elsewhere.

(2) Documentation of costs to the related organization shall be made available to the auditor at the time and place the records relating to the entity are audited. Payments to or for the benefit of the related organization

will be disallowed where the cost to the related organization cannot be documented.

NEW SECTION. Sec. 23. INITIAL COST OF OPERATION. (1) The necessary and ordinary one-time expenses directly incident to the preparation of a newly constructed or purchased building by a contractor for operation as a licensed facility shall be allowable costs. These expenses shall be limited to start-up and organizational costs incurred prior to the admission of the first patient.

(2) Start-up costs shall include, but not be limited to, administrative and nursing salaries, utility costs, taxes, insurance, repairs and maintenance, and training; except, that they shall exclude expenditures for capital assets. These costs will be allowable in the administration and operations cost center if they are amortized over a period of not less than sixty months beginning with the month in which the first patient is admitted for care.

(3) Organizational costs are those necessary, ordinary, and directly incident to the creation of a corporation or other form of business of the contractor including, but not limited to, legal fees incurred in establishing the corporation or other organization and fees paid to states for incorporation; except, that they do not include costs relating to the issuance and sale of shares of capital stock or other securities. Such organizational costs will be allowable in the administration and operations cost center if they are amortized over a period of not less than sixty months beginning with the month in which the first patient is admitted for care.

NEW SECTION. Sec. 24. EDUCATION AND TRAINING. (1) Necessary and ordinary expenses of on-the-job training and in-service training required for employee orientation and certification training directly related to the performance of duties assigned will be allowable costs.

(2) Necessary and ordinary expenses of recreational and social activity training conducted by the contractor for volunteers will be allowable costs.

NEW SECTION. Sec. 25. OWNER OR RELATIVE—COMPENSATION. (1) Total compensation of an owner or relative of an owner shall be limited to ordinary compensation for necessary services actually performed.

(a) Compensation is ordinary if it is the amount usually paid for comparable services in a comparable facility to an unrelated employee, and does not exceed limits set out in this chapter.

(b) A service is necessary if it is related to patient care and would have had to be performed by another person if the owner or relative had not done it.

(2) The contractor, in maintaining customary time records adequate for audit, shall include such records for owners and relatives who receive compensation.

NEW SECTION. Sec. 26. **COMPENSATION FOR ADMINISTRATIVE PERSONNEL.** (1) Compensation for full-time administrative personnel, as defined in the contract between the contractor and such personnel, shall be an allowable cost, limited as follows:

(a) For calendar year 1981, the compensation of a licensed administrator of a facility having one hundred sixty or more beds shall not exceed thirty-two thousand dollars. The compensation of licensed administrators having beds not exceeding:

- (i) Seventy-nine; and
- (ii) One hundred fifty-nine;

shall be established by the department on a calendar year basis. The maximum compensation of these three categories of facilities may be adjusted in subsequent calendar years by the department through rule and regulation.

(b) The compensation of a licensed assistant administrator for a facility having eighty or more beds shall not exceed seventy-five percent of the compensation received by the licensed administrator of the facility.

(c) The compensation of a registered administrator-in-training shall not exceed sixty percent of the compensation received by the licensed administrator of the facility.

(2) If the licensed administrator, licensed assistant administrator, or registered administrator-in-training regularly work fewer than forty hours per week, the allowable compensation will be the product of the full-time compensation multiplied by the percentage derived from the division of the actual hours worked by forty hours.

(3) The contractor shall maintain customary time records for the licensed administrator, assistant administrator, and/or administrator-in-training.

NEW SECTION. Sec. 27. **DISCLOSURE AND APPROVAL OF COST ALLOCATION.** (1) The contractor shall disclose to the department:

- (a) The nature and purpose of all costs which represent allocations of joint facility costs; and
- (b) The methodology of the allocation utilized.

(2) Such disclosure shall be made not later than September 30, 1980, for the following year and not later than September 30th for each year thereafter; except that a new contractor shall submit the first year's disclosure together with the submissions required by section 67 of this act.

(3) The department shall approve such methodology not later than December 31, 1980, and not later than December 31st for each year thereafter. Such approval shall include, but not be limited to, the assurance that:

- (a) The services involved are necessary and nonduplicative; and
- (b) Costs are allocated in accordance with benefits received from the resources represented by those costs.

(4) An approved methodology may be revised or amended subject to approval as provided in subsection (3) of this section and rules and regulations adopted by the department.

NEW SECTION. Sec. 28. MANAGEMENT AGREEMENTS. (1) Management fees will be allowed only if:

(a) A written management agreement both creates a principal/agent relationship between the contractor and the manager, and sets forth the items, services, and activities to be provided by the manager; and

(b) Documentation demonstrates that the services contracted for were actually delivered.

(2) To be allowable, fees must be for necessary, nonduplicative services. Allowable fees for general management services, including the portion of a management fee which is not allocated to specific services such as accounting, are limited to

(a) the maximum allowable compensation under section 26 of this act of the licensed administrator and, if the facility has at least eighty beds, of an assistant administrator, less

(b) actual compensation received by the licensed administrator and by the assistant administrator and administrator-in-training, if any.

In computing maximum allowable compensation under section 26 of this act for a facility with at least eighty beds, include the maximum compensation of an assistant administrator even if an assistant administrator is not employed.

(3) A management fee paid to or for the benefit of a related organization will be allowable to the extent it does not exceed the lower of:

(a) The limits set out in subsection (2) of this section; or

(b) The lower of the actual cost to the related organization of providing necessary services related to patient care under the agreement, or the cost of comparable services purchased elsewhere. Where costs to the related organization represent joint facility costs, the measurement of such costs shall comply with section 27 of this act.

(4) A copy of the agreement must be received by the department at least sixty days before it is to become effective. A copy of any amendment to a management agreement must also be received by the department at least thirty days in advance of the date it is to become effective.

(5) Central office costs for general management services, including the portion of a management expense which is not allocated to specific services, such as accounting, shall be subject to the management fee limits determined in subsections (2) and (3) of this section.

NEW SECTION. Sec. 29. EXPENSE FOR CONSTRUCTION INTEREST. (1) Interest expense and loan origination fees relating to construction of a facility incurred during the period of construction shall be capitalized and amortized over the life of the facility pursuant to section 36

of this act. The period of construction shall extend from the date of the construction loan to the date the facility is put into service for patient care.

(2) For the purposes of this chapter, the period provided for in subsection (1) of this section shall not exceed the project certificate of need time period pursuant to RCW 70.38.125.

NEW SECTION. Sec. 30. OPERATING LEASES OF EQUIPMENT. Rental or lease costs under arm's-length operating leases of office equipment shall be allowable to the extent the cost is necessary and ordinary.

NEW SECTION. Sec. 31. CAPITALIZATION. The following costs shall be capitalized:

(1) Expenses for facilities or equipment with historical cost in excess of five hundred dollars per unit and a useful life of more than one year from the date of purchase; and

(2) Expenses for equipment with historical cost of five hundred dollars or less per unit if either:

(a) The item was acquired in a group purchase where the total cost exceeded five hundred dollars; or

(b) The item was part of the initial stock of the facility.

(3) Dollar limits in this section may be adjusted for economic trends and conditions by the department as established by rule and regulation.

NEW SECTION. Sec. 32. DEPRECIATION EXPENSE. Depreciation expense on depreciable assets which are required in the regular course of providing patient care will be an allowable cost. It shall be computed using the depreciation base, lives, and methods specified in this chapter.

NEW SECTION. Sec. 33. DEPRECIABLE ASSETS. Tangible assets of the following types in which a contractor has an interest through ownership or leasing are subject to depreciation:

(1) Building – the basic structure or shell and additions thereto;

(2) Building fixed equipment – attachments to buildings, including, but not limited to, wiring, electrical fixtures, plumbing, elevators, heating system, and air conditioning system. The general characteristics of this equipment are:

(a) Affixed to the building and not subject to transfer; and

(b) A fairly long life, but shorter than the life of the building to which affixed;

(3) Major movable equipment including, but not limited to, beds, wheelchairs, desks, and x-ray machines. The general characteristics of this equipment are:

(a) A relatively fixed location in the building;

(b) Capable of being moved as distinguished from building equipment;

(c) A unit cost sufficient to justify ledger control;

(d) Sufficient size and identity to make control feasible by means of identification tags; and

(e) A minimum life greater than one year;

(4) Minor equipment including, but not limited to, waste baskets, bed pans, syringes, catheters, silverware, mops, and buckets which are properly capitalized. No depreciation shall be taken on items which are not properly capitalized as directed in section 31 of this act. The general characteristics of minor equipment are:

(a) In general, no fixed location and subject to use by various departments;

(b) Small in size and unit cost;

(c) Subject to inventory control;

(d) Large number in use; and

(e) Generally, a useful life of one to three years;

(5) Land improvements including, but not limited to, paving, tunnels, underpasses, on-site sewer and water lines, parking lots, shrubbery, fences, and walls where replacement is the responsibility of the contractor; and

(6) Leasehold improvements – betterments and additions made by the lessee to the leased property, which become the property of the lessor after the expiration of the lease.

NEW SECTION. Sec. 34. LAND—DEPRECIATION—COST—IMPROVEMENTS. Land is not depreciable. The cost of land includes but is not limited to, off-site sewer and water lines, public utility charges necessary to service the land, governmental assessments for street paving and sewers, the cost of permanent roadways and grading of a non-depreciable nature, and the cost of curbs and sidewalks, replacement of which is not the responsibility of the contractor.

NEW SECTION. Sec. 35. METHODS OF DEPRECIATION. (1) Buildings, land improvements, and fixed equipment shall be depreciated using the straight-line method of depreciation. Major-minor equipment shall be depreciated using either the straight-line method, the sum-of-the-years' digits method, or declining balance method not to exceed one hundred fifty percent of the straight line rate. Contractors who have elected to take either the sum-of-the-years' digits method or the declining balance method of depreciation on major-minor equipment may change to the straight-line method without permission of the department.

(2) The annual provision for depreciation shall be reduced by the portion allocable to use of the asset for purposes which are neither necessary nor related to patient care.

(3) No further depreciation shall be claimed after an asset has been fully depreciated unless a new depreciation base is established pursuant to section 36 of this act.

NEW SECTION. Sec. 36. DEPRECIATION BASE. (1) The depreciation base shall be the historical cost of the contractor or lessor, when the assets are leased by the contractor, in acquiring the asset in an arm's length transaction and preparing it for use, less goodwill, and less accumulated depreciation which has been incurred during periods that the assets have been used in or as a facility by the contractor, such accumulated depreciation to be measured in accordance with subsections (2), (3), and (4) of this section and sections 35 and 37 of this act. If the department challenges the historical cost of an asset, or if the contractor cannot or will not provide the historical costs, the department will have the department of general administration, through an appraisal procedure, determine the fair market value of the assets at the time of purchase. The depreciation base of the assets will not exceed such fair market value.

(2) The historical cost of donated assets, or of assets received through testate or intestate distribution, shall be the lesser of:

(a) Fair market value at the date of donation or death; or

(b) The historical cost base of the owner last contracting with the department, if any.

(3) Estimated salvage value of acquired, donated, or inherited assets shall be deducted from historical cost where the straight-line or sum-of-the-years' digits method of depreciation is used.

(4) (a) Where depreciable assets are acquired that were used in the medical care program subsequent to January 1, 1980, the depreciation base of the assets will not exceed the net book value which did exist or would have existed had the assets continued in use under the previous contract with the department; except that depreciation shall not be assumed to accumulate during periods when the assets were not in use in or as a facility.

(b) Subparagraph (4)(a) of this section shall not apply to the most recent arm's-length acquisition if it occurs at least ten years after the ownership of the assets has been previously transferred in an arm's-length transaction nor to the first arm's-length acquisition that occurs after January 1, 1980, for facilities participating in the medical care program prior to January 1, 1980. The new depreciation base for such acquisitions shall not exceed the fair market value of the assets as determined by the department of general administration through an appraisal procedure. A determination by the department of general administration of fair market value shall be final unless the procedure used to make such determination is shown to be arbitrary and capricious.

(c) Where depreciable assets are acquired from a related organization, the contractor's depreciation base shall not exceed the base the related organization had or would have had under a contract with the department.

(d) Where the depreciable asset is a donation or distribution between related organizations, the base shall be the lesser of (i) fair market value,

less salvage value, or (ii) the depreciation base the related organization had or would have had for the asset under a contract with the department.

NEW SECTION. Sec. 37. LIVES. (1) Except for new buildings, the contractor shall use lives which reflect the estimated actual useful life of the asset and which shall be no shorter than guideline lives as established by the department. The shortest life which may be used for new buildings is thirty years. Lives shall be measured from the date on which the assets were first used in the medical care program or from the date of the most recent arm's-length acquisition of the asset, whichever is more recent. In cases where section 36(4)(a) of this act does apply, the shortest life that may be used for buildings is the remaining useful life under the prior contract. In all cases, lives shall be extended to reflect periods, if any, when assets were not used in or as a facility.

(2) Building improvements shall be depreciated over the remaining useful life of the building, as modified by the improvement.

(3) Improvements to leased property which are the responsibility of the contractor under the terms of the lease shall be depreciated over the useful life of the improvement.

(4) A contractor may change the estimate of an asset's useful life to a longer life for purposes of depreciation.

NEW SECTION. Sec. 38. RETIREMENT OF DEPRECIABLE ASSETS. (1) Where depreciable assets are disposed of through sale, trade-in, scrapping, exchange, theft, wrecking, or fire or other casualty, depreciation shall no longer be taken on the assets. No further depreciation shall be taken on permanently abandoned assets.

(2) Where an asset has been retired from active use but is being held for stand-by or emergency service, and the department has determined that it is needed and can be effectively used in the future, depreciation may be taken.

NEW SECTION. Sec. 39. HANDLING OF GAINS AND LOSSES UPON RETIREMENT OF DEPRECIABLE ASSETS. If the retired asset is replaced, the gain or loss shall be applied against or added to the cost of the replacement asset, provided that a loss will only be so applied if the contractor has made a reasonable effort to recover at least the outstanding book value of the asset.

NEW SECTION. Sec. 40. TEMPORARY CONTRACT LABOR. Costs for the purchased services of temporary contract labor shall be allowable only to the extent they do not exceed the average of the usual and customary rate for the wages and benefits of the facility's comparable permanent staff, as reimbursed pursuant to sections 48 and 50 of this act.

NEW SECTION. Sec. 41. UNALLOWABLE COSTS. (1) Costs will be unallowable if they are not documented, necessary, ordinary, and related to the provision of care services to authorized patients.

(2) Unallowable costs include, but are not limited to, the following:

(a) Costs of items or services not covered by the medical care program. Costs of such items or services will be unallowable even if they are indirectly reimbursed by the department as the result of an authorized reduction in patient contribution;

(b) Costs of services and items provided to recipients which are covered by the department's medical care program but not included in care services established by the department under this act;

(c) Costs associated with a capital expenditure subject to section 1122 approval (part 100, Title 42 C.F.R.) if the department found it was not consistent with applicable standards, criteria, or plans. If the department was not given timely notice of a proposed capital expenditure, all associated costs will be unallowable up to the date they are determined to be reimbursable under applicable federal regulations;

(d) Costs associated with a construction or acquisition project requiring certificate of need approval pursuant to chapter 70.38 RCW if such approval was not obtained;

(e) Interest costs other than those provided by section 29 of this act;

(f) Salaries or other compensation of officers, directors, stockholders, and others associated with the contractor or home office, except compensation paid for service related to patient care;

(g) Costs in excess of limits or violating principles set forth in this chapter;

(h) Costs resulting from transactions or the application of accounting methods which circumvent the principles of the cost-related reimbursement system set forth in this chapter;

(i) Costs applicable to services, facilities, and supplies furnished by a related organization in excess of the lower of the cost to the related organization or the price of comparable services, facilities, or supplies purchased elsewhere;

(j) Bad debts of non-Title XIX recipients;

(k) Charity and courtesy allowances;

(l) Cash, assessments, or other contributions, excluding dues, to charitable organizations, professional organizations, trade associations, or political parties, and costs incurred to improve community or public relations;

(m) Vending machine expenses;

(n) Expenses for barber or beautician services not included in routine care;

(o) Funeral and burial expenses;

(p) Costs of gift shop operations and inventory;

(q) Personal items such as cosmetics, smoking materials, newspapers and magazines, and clothing, except those used in patient activity programs;

(r) Fund-raising expenses, except those directly related to the patient activity program;

- (s) Penalties and fines;
- (t) Expenses related to telephones, televisions, radios, and similar appliances in patients' private accommodations;
- (u) Federal, state, and other income taxes;
- (v) Costs of special care services except where authorized by the department;
- (w) Expenses of key-man insurance and other insurance or retirement plans not made available to all employees;
- (x) Expenses of profit-sharing plans;
- (y) Expenses related to the purchase and/or use of private or commercial airplanes which are in excess of what a prudent contractor would expend for the ordinary and economic provision of such a transportation need related to patient care;
- (z) Personal expenses and allowances of owners or relatives;
- (aa) All expenses of maintaining professional licenses or membership in professional organizations;
- (bb) Costs related to agreements not to compete;
- (cc) Amortization of goodwill;
- (dd) Expenses related to vehicles which are in excess of what a prudent contractor would expend for the ordinary and economic provision of transportation needs related to patient care;
- (ee) Legal and consultant fees in connection with a fair hearing against the department where a decision is rendered in favor of the department or where otherwise the determination of the department stands;
- (ff) Legal and consultant fees of a contractor or contractors in connection with a lawsuit against the department;
- (gg) Lease acquisition costs and other intangibles not related to patient care;
- (hh) All rental or lease costs other than those provided in section 30 of this act; and
- (ii) All audit costs incurred pursuant to section 12(1) of this act.

PART E RATE SETTING

NEW SECTION. Sec. 42. PRINCIPLES OF RATE-SETTING. The following principles are inherent in sections 43 through 59 of this act:

- (1) Reimbursement rates will be set prospectively on a per patient day basis;
- (2) Rates will be established not lower than the level which is reasonably expected to be adequate to reimburse in full the actual, allowable costs of a facility which is economically and efficiently operated and to provide care which meets the needs of a medical care recipient in compliance with applicable standards; and
- (3) The rates so established will take into account economic conditions and trends during the period to be covered by such rates.

NEW SECTION. Sec. 43. PROSPECTIVE REIMBURSEMENT RATES. (1) The department, as provided by this chapter, will determine prospective cost-related reimbursement rates for services provided to medical care recipients. Each rate so determined shall represent the contractor's maximum compensation within each cost center for each patient day for such medical care recipient.

(2) As required, the department may modify such maximum per patient day rates pursuant to the administrative review provisions of section 78 of this act.

(3) The maximum prospective reimbursement rates for the administration and operations and the property cost centers and the return on investment allowance shall be established based upon a minimum facility occupancy level of eighty-five percent.

NEW SECTION. Sec. 44. LIMITATION OF SERVICES SUBJECT TO COST REIMBURSEMENT. Only those services which are authorized for a facility pursuant to the medical care program shall be reimbursed under this chapter.

NEW SECTION. Sec. 45. REIMBURSEMENT RATE FOR NEW CONTRACTOR. (1) Prospective reimbursement rates for a new contractor will be established within sixty days following receipt by the department of the properly completed projected budget required by section 67 of this act. Such reimbursement rates will become effective as of the effective date of the contract.

(2) Such reimbursement rates will be based on the contractor's projected cost of operations through December 31st of the year the contract becomes effective, and on costs and payment rates of the prior contractor, if any, and/or of other contractors in comparable circumstances.

(3) If a properly completed budget is not received at least sixty days prior to the effective date of the contract, the department will establish preliminary rates based on the other factors specified in subsection (2) of this section. These preliminary rates will remain in effect until a determination is made pursuant to section 46 of this act.

NEW SECTION. Sec. 46. RATE DETERMINATION—WHEN DETERMINED OR ADJUSTED. (1) Each contractor's reimbursement rates will be determined prospectively at least once each calendar year, to be effective July 1st.

(2) Rates may be adjusted as determined by the department to take into account variations of more than ten percent in the distribution of patient classifications from the prior reporting year, program changes, economic trends and conditions, and/or administrative review provided by section 78 of this act and shall be adjusted for any capitalized additions or replacements made as a condition for licensure or certification.

(3) Where the contractor participated in the provisions of prospective cost-related reimbursement in effect prior to the effective date of this act, such contractor's prospective rate effective July 1, 1982, will be determined utilizing his reported allowable costs for calendar year 1981.

(4) All prospective reimbursement rates for 1983 and thereafter shall be determined utilizing the prior year's audited cost reports.

NEW SECTION. Sec. 47. COST CENTERS. A contractor's reimbursement rates for medical care recipients will be determined utilizing audited cost report data within the following cost centers:

- (1) Nursing services;
- (2) Food;
- (3) Administration and operations; and
- (4) Property.

NEW SECTION. Sec. 48. NURSING SERVICES COST CENTER REIMBURSEMENT RATE. (1) The nursing services cost center shall include all costs related to the direct provision of nursing care and ancillary care including fringe benefits and payroll taxes for the nursing care and ancillary service personnel, and direct care supplies.

(2) For rate-setting purposes, the department shall determine standard hours for each classification established by the department pursuant to section 86 of this act. Such standard hours shall be the sum of the hours for nursing assistants, licensed practical nurses, and registered nurses.

(3) The standard base rate per classification shall be the sum of the products of at least ninety percent of the prevailing wages for the categories of nursing assistant, licensed practical nurse, and registered nurse, expressed as an hourly rate, based upon the state-wide salary survey conducted pursuant to RCW 41.06.160, multiplied by the respective components of the standard hours as determined in subsection (2) of this section.

(4) The nursing services cost center rate, excluding the special care rate provided by subsection (5) of this section, for each facility, shall be:

(a) The sum of the standard base rate per classification determined in subsection (3) of this section multiplied by the total patient days for the facility within each classification for the prior year, divided by the total patient days for the prior year for the facility, less special care patient days,

(b) Plus a factor to be determined annually by the department for the facility for fringe benefits, payroll taxes, ancillary care and direct care supplies; except that, the factor shall reflect the level of employee benefits, provided or agreed to, payroll taxes assessed, and/or ancillary services provided within each facility.

(5) Where the standard hours for rate setting purposes in subsection (2) of this section do not reflect the exceptional custodial or nursing care required for a patient, the department, upon verification of such exceptional custodial or nursing care, will negotiate a special rate for exceptional care for such patient. Such special rate will:

(a) Include the factors described in subparagraph (2)(b) of this section; and

(b) Be reimbursed to the facility independently of the nursing services cost center rate provided by subsection (4) of this section.

NEW SECTION. Sec. 49. FOOD COST REIMBURSEMENT RATE. (1) The food cost center shall include all costs for bulk and raw food and beverages purchased for the dietary needs of medical care recipients.

(2) The food cost reimbursement rate for each facility shall be computed as follows:

$$FR = (TFC/TPD) 1.15, \text{ where}$$

FR = the facility food cost center reimbursement rate;

TFC = the total of all reporting facilities' food cost center costs; and

TPD = the total patient days for the prior year of all reporting facilities.

(3) Unless extended by law for an additional period of time, on and after July 1, 1984, the food cost reimbursement rate for each facility shall be computed as follows:

$$FR = (TFC/TPD), \text{ where}$$

FR = the facility food cost center reimbursement rate;

TFC = the total of all reporting facilities' food cost center costs; and

TPD = the total patient days for the prior year of all reporting facilities.

NEW SECTION. Sec. 50. ADMINISTRATION AND OPERATIONS COST CENTER REIMBURSEMENT RATE. (1) The administration and operations cost center shall include all items not included in the cost centers of nursing services, food, and property.

(2) The administration and operations cost center reimbursement rate for each facility shall be based on the computation in this subsection and shall not exceed the eighty-fifth percentile of (a) the rates of all reporting facilities derived from the computation below, or (b) reporting facilities grouped in accordance with subsection (3) of this section:

$$AR = TAC/TPD, \text{ where}$$

AR = the administration and operations cost center reimbursement rate for a facility;

TAC = the total costs of the administration and operations cost center plus the retained savings from such cost center as provided in section 18 of this act of a facility; and

TPD = the total patient days for a facility for the prior year.

(3) The secretary may group facilities based on factors which could reasonably influence cost requirements of this cost center, other than ownership or legal organization characteristics.

NEW SECTION. Sec. 51. PROPERTY COST CENTER. The property cost center rate for each facility shall be determined by dividing the sum of the reported allowable prior period actual depreciation costs, subject to

sections 31 through 38 of this act, adjusted for any capitalized additions or replacements approved by the department, and the retained savings from such cost center, as provided in section 18 of this act, by the total patient days for the facility in the prior period. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total patient days used in computing the property cost center rate shall be adjusted to anticipated patient day level.

When a certificate of need for a new facility is requested, the department, in reaching its decision, shall take into consideration per-bed land and building construction costs for the facility which shall not exceed a maximum to be established by the secretary.

NEW SECTION. Sec. 52. **ADJUSTMENT OF COST CENTER RATES.** The rates determined in sections 48 through 51 of this act shall be adjusted by the department utilizing appropriate indices or other measures of economic trends and conditions projected for the ensuing year.

NEW SECTION. Sec. 53. **RETURN ON INVESTMENT ALLOWANCE.** (1) The department shall first establish a total state-wide return on investment pool for use in determining individual facility return on investment allowances.

(a) In establishing the total state-wide return on investment pool the department shall determine the sum of net invested funds as of the end of the most recent reporting period of all facilities participating in the medical care program.

(b) In computing the portion of net invested funds representing the net book value of tangible fixed assets, the same assets, depreciation bases, lives, and methods referred to in sections 33, 35, 36, and 37 of this act, including owned and leased assets, shall be utilized, except that the capitalized cost of land upon which the facility is located and such other contiguous land which is reasonable and necessary for use in the regular course of providing patient care shall also be included. In the case of leased facilities where the net invested funds are unknown or the contractor is unable to provide necessary information to determine net invested funds, the secretary shall have the authority to determine an amount for net invested funds based on an appraisal conducted according to section 36(1) of this act.

(c) The sum of net invested funds shall then be multiplied by 1.4 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed calendar quarter prior to rate-setting to establish the total state-wide return on investment pool.

(2) The department shall establish for individual facilities return on investment allowances composed of two parts: A financing allowance and a variable return allowance.

(a) The financing allowance shall be determined by multiplying the net invested funds of each facility by 1.07 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed quarter prior to rate-setting, and dividing by the contractor's total patient days. If a capitalized addition or retirement of an asset will result in a different licensed bed capacity during the ensuing period, the prior period total patient days used in computing the financing and variable return allowances shall be adjusted to the anticipated patient day level.

(b) In determining the variable return allowance:

(i) The department will first rank all facilities in numerical order from highest to lowest according to their average per diem allowable costs for the sum of the administration and operations and property cost centers for the previous reimbursement period.

(ii) The department shall then compute the variable return allowance by multiplying the appropriate percentage amounts, which shall not be less than one percent and not greater than five percent, by the total prospective rate for each facility, as determined in sections 45 through 51 of this act. The percentage amounts will be based on groupings of facilities according to the rankings as established in subparagraph (2)(b)(i) of this section. Those groups of facilities with lower per diem costs shall receive higher percentage amounts than those with higher per diem costs.

(iii) Such percentage amounts shall be calculated so that the variable return allowance plus the financing allowance times the total patient days for each facility, when summed for all facilities, shall be as close in amount to the total state-wide return on investment pool as is practical; except that, such percentage amounts for equivalent groups of facilities as determined in subparagraph (2)(b)(ii) of this section shall be no less than the percentage amounts as calculated pursuant to this subsection on July 1, 1982.

(c) The sum of the financing allowance and the variable return allowance shall be the return on investment for each facility, and shall be added to the prospective rates of each contractor as determined in sections 45 through 51 of this act.

(d) In the case of a facility which was leased by the contractor as of January 1, 1980, in an arm's-length agreement, which continues to be leased under the same lease agreement, and for which the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center determined according to section 51 of this act, is more than the return on investment allowance determined according to section 53(2)(c) of this act, the following shall apply:

(i) The financing allowance shall be recomputed substituting the fair market value of the assets as of January 1, 1980, as determined by the department of general administration through an appraisal procedure, for the net book value of the assets in determining net invested funds for the facility. A determination by the department of general administration of fair market value shall be final unless the procedure used to make such determination is shown to be arbitrary and capricious.

(ii) The sum of the financing allowance computed under subparagraph (2)(d)(i) of this section and the variable allowance shall be compared to the annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus the property cost center rate determined according to section 51 of this act. The lesser of the two amounts shall be called the alternate return on investment allowance.

(iii) The return on investment allowance determined according to section 53(2)(c) of this act or the alternate return on investment allowance, whichever is greater, shall be the return on investment allowance for the facility and shall be added to the prospective rates of the contractor as determined in sections 45 through 51 of this act.

(3) In the event that the department of health, education and welfare disallows the application of the return on investment allowances to nonprofit facilities, the department shall modify the measurements of net invested funds used for computing both total state-wide return on investment pool and individual facility return on investment allowances as follows: Net invested funds for each nonprofit facility shall be multiplied by one minus the ratio of equity funds to the net invested funds of all nonprofit facilities.

(4) Each biennium, beginning in 1983, the secretary shall review the adequacy of return on investment allowances in relation to anticipated requirements for maintaining, reducing, or expanding nursing care capacity. The secretary shall report the results of such review to the legislature and make recommendations for adjustments in the return on investment rates utilized in this section, if appropriate.

NEW SECTION. Sec. 54. If the legislature changes the methodology of property reimbursement established in this 1980 act, no affected contractor shall be entitled thereafter to receive such benefits as a matter of contractual right.

NEW SECTION. Sec. 55. UPPER LIMITS TO REIMBURSEMENT RATES. (1) The reimbursement rates shall not exceed the contractor's customary charges to the general public for comparable services.

(2) Rates shall not exceed the limits set forth in 42 CFR 450.30(b)(6).

NEW SECTION. Sec. 56. NOTIFICATION OF RATES. The department will notify each contractor in writing of its prospective reimbursement

rates at least thirty days in advance of the effective date. Unless otherwise specified at the time it is issued, the rate will be effective from the first day of the month in which it is issued until a new rate becomes effective. If a rate is changed as the result of an appeal in accordance with section 78 of this act, it will be effective as of the date the appealed rate became effective.

NEW SECTION. Sec. 57. ADJUSTMENTS REQUIRED DUE TO ERRORS OR OMISSIONS. (1) Prospective rates are subject to adjustment by the department as a result of errors or omissions by the department or by the contractor. The department will notify the contractor in writing of each adjustment and of its effective date, and of any amount due to the department or to the contractor as a result of the rate adjustment.

(2) The contractor shall pay an amount it owes the department resulting from an error or omission, or commence repayment in accordance with a schedule determined by the department, within sixty days after receipt of notification of the rate adjustment, unless the contractor contests the department's determination in accordance with the procedures set forth in section 78 of this act. If the determination is contested, the contractor shall pay or commence repayment within sixty days after completion of these proceedings. If a refund is not paid when due, the amount thereof may be deducted from current payments by the department.

(3) The department shall pay any amount it owes the contractor as a result of a rate adjustment within thirty days after it notifies the contractor of the rate adjustment.

(4) No adjustments will be made to a rate after final settlement, except as provided in section 17(2) of this act.

NEW SECTION. Sec. 58. PUBLIC REVIEW OF RATE-SETTING. The department shall provide all interested members of the public with an opportunity to review and comment on the proposed rate-setting factors, indices, measures, and guidelines not later than May 15th of each year prior to their being used to set rates.

NEW SECTION. Sec. 59. PUBLIC DISCLOSURE OF RATE-SETTING METHODOLOGY. In accordance with the provisions of section 82 of this act, the department will make available to the public full information regarding its factors, indices, measures, and guidelines.

PART F BILLING/PAYMENT

NEW SECTION. Sec. 60. BILLING PERIOD. A contractor shall bill the department for care provided to medical care recipients from the first through the last day of each calendar month.

NEW SECTION. Sec. 61. BILLING PROCEDURE. (1) A contractor shall bill the department each month by completing and returning a facility billing statement as provided by the department which shall include, but not be limited to:

- (a) Billing by cost center;
- (b) Total patient days; and
- (c) Patient days for medical care recipients.

The statement shall be completed and filed in accordance with rules and regulations established by the secretary.

(2) A contractor shall not bill the department for service provided to a recipient until an award letter of eligibility of such recipient pursuant to rules and regulations established according to the provisions of chapter 74-.09 RCW has been received by the contractor except that, a contractor may bill and shall be reimbursed for all medical care recipients referred to the contractor's facility by the department prior to the receipt of the award letter of eligibility or the denial of such eligibility. At that time it may bill for service provided back through the date the recipient was admitted or became eligible.

- (3) Billing shall cover the patient days of care.

NEW SECTION. Sec. 62. PAYMENT. (1) The department will reimburse a contractor for service rendered under the facility contract and billed in accordance with section 61 of this act.

(2) The amount paid will be computed using the appropriate rates assigned to the contractor.

(3) For each recipient, the department will pay an amount equal to the appropriate rates, multiplied by the number of patient days each rate was in effect, less the amount the recipient is required to pay for his or her care as set forth by section 63 of this act.

NEW SECTION. Sec. 63. CHARGES TO PATIENTS. (1) The department will notify a contractor of the amount each medical care recipient is required to pay for care provided under the contract and the effective date of such required contribution. It is the contractor's responsibility to collect that portion of the cost of care from the patient, and to account for any authorized reduction from his or her contribution in accordance with rules and regulations established by the secretary.

(2) If a contractor receives documentation showing a change in the income or resources of a recipient which will mean a change in his or her contribution toward the cost of care, this shall be reported in writing to the department within seventy-two hours and in a manner specified by rules and regulations established by the secretary. If necessary, appropriate corrections will be made in the next facility statement, and a copy of documentation supporting the change will be attached. If increased funds for a recipient are received by a contractor, an amount determined by the department shall be allowed for clothing and personal and incidental expense, and the balance applied to the cost of care.

(3) The contractor shall accept the reimbursement rates established by the department as full compensation for all services provided under the contract, certification as specified by Title XIX, and licensure under chapter

18.51 RCW. The contractor shall not seek or accept additional compensation from or on behalf of a recipient for any or all such services.

NEW SECTION. Sec. 64. SUSPENSION OF PAYMENT. (1) Payments to a contractor may be withheld by the department in each of the following circumstances:

(a) A required report is not properly completed and filed by the contractor within the appropriate time period, including any approved extension. Payments will be released as soon as a properly completed report is received;

(b) State auditors or authorized personnel in the course of their duties are refused access to a nursing home or are not provided with existing appropriate records. Payments will be released as soon as such access or records are provided;

(c) A refund in connection with an annual settlement or rate adjustment is not paid by the contractor when due. The amount withheld will be limited to the unpaid amount of the refund; and

(d) Payment for the final thirty days of service under a contract will be held pending final settlement when the contract is terminated.

(2) No payment will be withheld until written notification of the suspension is provided to the contractor, stating the reason therefor.

NEW SECTION. Sec. 65. TERMINATION OF PAYMENTS. All payments to a contractor will end no later than sixty days after any of the following occurs:

(1) A contract expires, is terminated or is not renewed;

(2) A facility license is revoked; or

(3) A facility is decertified as a Title XIX facility; except that, in situations where the secretary determines that residents must remain in such facility for a longer period because of the resident's health or safety, payments for such residents shall continue.

PART G ADMINISTRATION

NEW SECTION. Sec. 66. CONDITIONS OF PARTICIPATION. In order to participate in the prospective cost-related reimbursement system established by this chapter, the person or legal organization responsible for operation of a facility shall:

(1) Obtain a state certificate of need and/or federal capital expenditure review (section 1122) approval pursuant to chapter 70.38 RCW and Part 100, Title 42 CFR where required;

(2) Hold the appropriate current license;

(3) Hold current Title XIX certification;

(4) Hold a current contract to provide services under this chapter; and

(5) Comply with all provisions of the contract and all application regulations, including but not limited to the provisions of this chapter.

NEW SECTION. Sec. 67. PROJECTED BUDGET FOR NEW CONTRACTORS. (1) Each new contractor shall submit a projected budget to the department at least sixty days before its contract will become effective.

(2) The projected budget shall cover the period to December 31st from the date the contractor will enter the program. It shall be prepared on forms and in accordance with rules and regulations established by the secretary.

NEW SECTION. Sec. 68. CHANGE OF OWNERSHIP. (1) On the effective date of a change of ownership the department's contract with the old owner shall be terminated. The old owner shall give the department thirty days' written notice of such termination. When certificate of need and/or section 1122 approval is required pursuant to chapter 70.38 RCW and Part 100, Title 42 CFR, for the new owner to acquire the facility, and the new owner wishes to continue to provide service to recipients without interruption, certificate of need and/or section 1122 approval shall be obtained before the old owner submits a notice of termination.

(2) If the new owner desires to participate in the cost-related reimbursement system, it shall meet the conditions specified in section 66 of this act and shall submit a projected budget in accordance with section 67 of this act no later than sixty days before the date of the change of ownership. The facility contract with the new owner shall be effective as of the date of the change of ownership.

NEW SECTION. Sec. 69. TERMINATION OF CONTRACT. (1) When a facility contract is terminated for any reason, the old contractor shall submit final reports as required by section 4 of this act. Payment for care provided during the final thirty days of service under a contract will be held until the contractor has filed a properly completed final audited cost report, and final settlement has been determined, such settlement not to exceed sixty days following submittal of the final audited cost report.

(2) Following final settlement, a payment withheld pursuant to subsection (1) of this section will be sent to the contractor after any overpayment determined in connection with final settlement has been deducted. If the contractor contests the settlement determination in accordance with section 17 of this act, the department will hold the amount in dispute pending completion of the appeal process, but will release the balance of such payment to the contractor.

(3) The department will release a payment which would be withheld pursuant to subsection (1) of this section, provided a bond issued by a bonding company acceptable to the department is filed by the contractor. The bond shall:

- (a) Be in an amount equal to the released payment;
- (b) Be for a term sufficient to ensure effectiveness after final settlement and the exhaustion of administrative and judicial remedies;

(c) Provide that the full amount of the bond shall be paid to the department if a properly completed final audited cost report is not filed in accordance with this chapter, or if financial records supporting this record are not preserved and made available to the auditor; and

(d) Provide that an amount equal to any recovery the department determines is due from the contractor at settlement, but not exceeding the amount of the bond, shall be paid to the department in the event the contractor does not pay the refund within sixty days following receipt of written demand or the conclusion of administrative or judicial proceedings to contest settlement issues.

(4) If a contract is terminated solely in order for the same owner to contract with the department to deliver services to another classification of medical care recipients at the same facility, the contractor is not required to submit final cost reports, and payment for the final thirty days will not be withheld.

PART H PATIENT TRUST FUNDS

NEW SECTION. Sec. 70. TRUST FUND ESTABLISHMENT. (1) Each contractor shall establish and maintain, as a service to the medical care recipient, a bookkeeping system incorporated into the business records for all recipient moneys entrusted to the contractor and received by the facility for the recipient.

(2) Such system will apply to a recipient who is:

(a) Incapable of handling his or her own money and the department or the recipient's guardian, relative, or physician makes written request of the facility to accept this responsibility; or

(b) Capable of handling his or her own money, but requests the facility in writing to accept this responsibility.

(3) The written requests provided in subsection (2) of this section shall be maintained by the contractor in the recipient's file.

(4) The recipient must be given at least a quarterly reporting of all financial transactions in his or her trust account. The representative payee, the guardian, and/or other designated agents of the recipient must be sent a copy of said reporting on the same basis as the recipient.

NEW SECTION. Sec. 71. TRUST FUND ACCOUNTS. (1) The contractor shall maintain a subsidiary ledger with an account for each recipient for whom the contractor has money in trust.

(2) Each account and related supporting records shall:

(3) Records of each account shall be available for audit pursuant to section 14 of this act and shall be retained for a minimum of four years.

When an account has attained the maximum limit established by rules and regulations promulgated by the secretary, the contractor will notify the department within five days.

(4) Any charge for medical services otherwise properly made to a recipient's trust account must be supported by a written denial of such services from the department.

NEW SECTION. Sec. 72. **PETTY CASH FUND.** (1) The contractor may maintain a petty cash fund originating from trust moneys of an amount determined by the department which shall be reasonable and necessary for the size of a facility and the needs of the recipients.

(2) Such petty cash fund shall be maintained as an imprest fund. All moneys over and above the trust fund petty cash amount shall be deposited intact, within twenty-four hours, in a trust fund checking account, separate and apart from any other bank account or accounts of the facility or other facilities.

(5) No service charges for such checking account shall be paid from recipient trust moneys.

(6) The trust account per bank shall be reconciled monthly to the trust account per patient ledgers.

NEW SECTION. Sec. 73. **TRUST MONEYS CONTROL/DISBURSEMENT.** (1) Trust moneys shall be held in trust and are not to be turned over to anyone other than the recipient or the recipient's guardian without the written consent of the recipient, his designated agent as appointed by power of attorney, or an appropriate employee of the department designated by the secretary. Such trust moneys shall not be subject to attachment, execution, or other creditor remedies.

(2) When moneys are received, a receipt shall be filled out in duplicate; one copy shall be given to the person making payment of deposit, and the second copy shall be retained by the facility.

(3) Checks received by recipients shall be endorsed by the recipient. If the recipient is incapable of signing his or her name, the contractor shall secure the recipient's mark "X" followed by the printed name of the recipient and the signature of two witnesses.

(4) The recipient's trust account ledger sheet must be credited with any allowance received; referenced with the receipt number and supported by a copy of the deposit slip.

NEW SECTION. Sec. 74. TRUST MONEYS AVAILABILITY. Moneys held in trust for any recipient shall be available for his or her personal and incidental needs when requested by the recipient or one of the persons designated in section 73(1) of this act.

NEW SECTION. Sec. 75. PROCEDURE FOR REFUNDING TRUST MONEY. When a recipient is discharged and/or transferred, the balance of the recipient's trust account shall be returned either directly to the person within five days, or by mail. In either instance a receipt shall be obtained.

NEW SECTION. Sec. 76. LIQUIDATION OF TRUST FUND. (1) When a recipient has died, the contractor shall obtain a receipt from the next of kin, guardian, or duly qualified agent when releasing the balance of money held in trust. If there is no identified next of kin, guardian, or duly qualified agent, the department shall be contacted in writing within seven days for assistance in the release of the money held in trust.

(2) A check or other document showing payment to such next of kin, guardian, or duly qualified agent will serve as a receipt.

(3) Where the recipient leaves the facility without authorization and his or her whereabouts are not known:

(a) The facility will make a reasonable attempt to locate the missing recipient using the agencies of state or local government;

(b) If the recipient cannot be located after ninety days, the facility shall notify the department of revenue of the existence of abandoned property, pursuant to chapter 63.28 RCW. The facility will be required to deliver to the department of revenue the balance of the recipient's trust fund account within twenty days following such notification.

PART I MISCELLANEOUS

NEW SECTION. Sec. 77. DISPUTES. [(1)] If a contractor wishes to contest the way in which a rule or contract provision relating to the prospective cost-related reimbursement system was applied to the contractor by the department, it shall first pursue the administrative review process set forth in section 78 of this act.

(2) The administrative review process in section 78 of this act need not be exhausted if a contractor wishes to challenge the legal validity of a statute, rule, or contract provision.

NEW SECTION. Sec. 78. ADMINISTRATIVE REVIEW PROCESS. (1) Within thirty days after a contractor is notified of an action or determination it wishes to challenge, the contractor shall request in writing that the secretary review such determination. The request shall be signed by the contractor or the licensed administrator of the facility, shall identify the challenged determination and the date thereof, and shall state as specifically

as practicable the grounds for its contention that the determination was erroneous. Copies of any documentation on which the contractor intends to rely to support its position shall be included with the request.

(2) After receiving a request meeting the above criteria, the secretary or his designee will contact the contractor to schedule a conference for the earliest mutually convenient time. The conference shall be scheduled for no later than thirty days after a properly completed request is received unless both parties agree in writing to a specified later date.

(3) The contractor and appropriate representatives of the department shall attend the conference. In addition, representatives selected by the contractor may attend and participate. The contractor shall bring to the conference, or provide to the department in advance of the conference, any documentation on which it intends to rely to support its contentions. The parties shall clarify and attempt to resolve the issues at the conference. If additional documentation is needed to resolve the issues, a second session of the conference shall be scheduled for not later than thirty days after the initial session unless both parties agree in writing to a specific later date.

(4) A written decision by the secretary will be furnished to the contractor within thirty days after the conclusion of the conference. The secretary shall prepare such decision for the fiscal and other appropriate standing committees of the legislature.

(5) If the contractor desires review of an adverse decision of the secretary, it shall within thirty days following receipt of such decision request a fair hearing in writing in accordance with the provisions of chapter 34.04 RCW.

NEW SECTION. Sec. 79. DENIAL, SUSPENSION, REVOCATION OF LICENSE OR PROVISIONAL LICENSE—PENALTY. The department is authorized to deny, suspend, or revoke a license or provisional license or, in lieu thereof or in addition thereto, assess monetary penalties of a civil nature not to exceed one thousand dollars per violation in any case in which it finds that the licensee, or any partner, officer, director, owner of five percent or more of the assets of the nursing home, or managing employee:

(1) Failed or refused to comply with the requirements of this chapter or the rules and regulations established hereunder; or

(2) Has knowingly or with reason to know made a false statement of a material fact in any record required by this chapter; or

(3) Refused to allow representatives or agents of the department to inspect all books, records, and files required by this chapter to be maintained or any portion of the premises of the nursing home; or

In addition, at least annually the department shall review changes to generally accepted accounting principles and generally accepted auditing standards as approved by the financial accounting standards board, and the American institute of certified public accountants, respectively. The department shall adopt by administrative rule those approved changes which it finds to be consistent with the policies and purposes of this chapter.

NEW SECTION. Sec. 81. RESPONSIBILITY FOR AUDITS IN THE TRANSITION PERIOD. The department, pursuant to RCW 74.09-.560, shall be responsible for the completion of all audits for cost reports covering all periods through December 31, 1980.

NEW SECTION. Sec. 82. DISCLOSURE. (1) Cost reports and their final audit reports with any accompanying schedule of questioned costs submitted to the secretary shall be subject to public disclosure pursuant to the requirements of chapter 42.17 RCW. Notwithstanding any other provision of law, financial statements and any accompanying schedules summarizing the adjustments to a contractor's financial records, reports on review of internal control and accounting procedures, and letters of comments or recommendations relating to suggested improvements in internal control or accounting procedures which are prepared pursuant to the requirements of this chapter shall be exempt from public disclosure.

(2) Regardless of whether any document or report submitted to the secretary pursuant to this chapter is subject to public disclosure, copies of such documents or reports shall be provided by the secretary, upon written request, to the legislature and to state agencies or state or local law enforcement officials who have an official interest in the contents thereof.

NEW SECTION. Sec. 83. DEVELOPMENT OF EXCEPTION PROFILE PROCESS. Within ten days of such computation the superintendent of public instruction shall immediately notify by certified mail the candidate who received a majority of electoral points in the election, and the private schools so voting, of the results of such election. The superintendent of public instruction and an election board comprised of three persons appointed by the state board of education shall count and tally the votes and the electoral points accruing therefrom not later than the twenty-fifth day of October in the following manner: Each vote cast by a school director shall be accorded as many electoral points as there are enrolled students in that director's school district as determined by the enrollment reports forwarded to the state superintendent of public instruction for apportionment purposes for the month of September of the year of election: **PROVIDED**, That school directors from a school district which has more than five directors shall have their electoral points based upon enrollment recomputed by multiplying such number by a fraction, the denominator of which shall be the number of directors in such district, and the numerator of which shall be five; the electoral points shall then be tallied for each candidate as the votes are counted; and it shall be the majority of electoral points which determines the winning candidate. If no candidate receives a majority of the electoral points cast, then, not later than the first day of November, the superintendent of public instruction shall call a second election to be conducted in the same manner and at which the candidates shall be the two candidates receiving the highest number of electoral points accruing from such votes cast. *Section 1 was partially vetoed, see message at end of chapter.

Passed the Senate March 13, 1980.

Passed the House March 12, 1980.

Approved by the Governor April 4, 1980, with the exception of the following: Beginning with and including the word "and" on line 22 and continuing to and including "RCW 29.18.030." on line 27 which is vetoed.

Filed in Office of Secretary of State April 4, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to part of Substitute Senate Bill No. 3207 entitled:

"AN ACT Relating to superior court judges."

Substitute Senate Bill No. 3207 creates five additional superior court judgeships in King County which have been made dependent upon county approval. I have no problem with the creation of the judgeships or the county approval conditions. However, the last five lines of the bill, added as a House amendment to the original Senate bill, provide an elective procedure for the selection of judges to the newly created positions. I cannot support this provision for the reason that such procedure destroys the Governor's historic right to appoint judges to the newly created positions.

The State Supreme Court in Fain v Chapman 89 Wn.2d 48, 569 P.2d 1135 (1977) said the following about new judgeships:

"The provisions of Article 4, Section 5 of the constitution provide the framework within which newly created judgeships must be filled. The applicable provision provides:

If a vacancy occurs in the office of judge of the superior court, the governor shall appoint a person to hold the office until the election and qualification of the judge to fill the vacancy, which election shall be at the next succeeding general election."

Since the governor has had this power in the past I am bound by the commands of my office to protect this historic authority so that it may remain a viable power for this and subsequent administrations.

I have given due consideration to the technical issue involved with this veto and am satisfied that the veto is within my authority. The issue that I mention is of course veto of less than a physical section. During the 1979 legislative session, a similar bill creating new judgeships was passed. It also provided for election procedures but the procedures were set out in a separate section. There was no question, at that time that I could separately veto the election procedures without invalidating the whole bill. There is no substantive change in the circumstances this time. Although the election procedures and judgeships creation have been placed together within one physical section, the subject matters remain separable. The State Supreme Court in Apartment Ass'ns v Evans 88 Wn.2d 563, 564 P.2d 788 (1977) indicates that as long as the subject matter is separable, a veto may affect one part without the other.

For these reasons, I have determined to veto the last five lines of Substitute Senate Bill No. 3207."

Passed the Senate March 13, 1980.

Passed the House March 13, 1980.

Approved by the Governor April 4, 1980, with the exception of Sections 1, 2, and 3 which are vetoed.

Filed in Office of Secretary of State April 4, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to three sections of Substitute Senate Bill No. 3636 entitled:

"AN ACT Relating to nursing homes".

This bill makes some necessary revisions in the nursing care standards which were passed during the 1979 legislative session. Several of these items were found to be in conflict with federal regulations or proved to be difficult to administer. However, several amendments to the bill made during the waning hours of the session will, I believe, produce certain unintended effects.

Section 1 was considered earlier in committee but withdrawn for the very reasons I have vetoed it. Although it may have been intended as a positive incentive to permit the retention of savings from management efficiencies, the inadvertent effect would be to allow operators to retain overpayments or to unconscionably retain funds intended as wage increases for support personnel. This would undoubtedly create legal disputes between the Department of Social and Health Services and the federal government as well as nursing home operators.

Sections 2 and 3 permit private patients or their guardians to deny access of state inspectors . . . "to their person, their comprehensive plans of care and their medical records . . ." Although this may have been intended to preserve the privacy of private patients, it would undermine the ability of the Department of Social and Health Services to assure quality of care for all nursing home residents - both those who are publicly and privately supported. Denying access to the state inspectors would only serve to increase the vulnerability of frail elderly and disabled nursing home residents. It also might jeopardize the ability of the department to certify compliance of facilities with federal regulations necessary for participation in the Medicare and Medicaid programs.

For the foregoing reasons, I have vetoed Sections 1, 2, and 3. The remainder of the bill is approved."

[Substitute Senate Bill No. 3509]

A person shall be exempt from any legal obligation to pay all or a portion of the amount of excess and regular real property taxes due and payable in the year following the year in which a claim is filed in accordance with the following:

(1) The property taxes must have been imposed upon a residence which was occupied by the person claiming the exemption as a principal place of residence as of January 1st of the year for which the claim is filed: PROVIDED, That any person who sells, transfers, or is displaced from his or her residence may transfer his or her exemption status to a replacement residence, but no claimant shall receive an exemption on more than one residence in any year: PROVIDED FURTHER, That confinement of the person to a hospital or nursing home shall not disqualify the claim of exemption if the residence is temporarily unoccupied or if the residence is occupied by a spouse and/or a person financially dependent on the claimant for support;

(2) The person claiming the exemption must have owned, at the time of filing, in fee, as a life estate, or by contract purchase, the residence on which the property taxes have been imposed or if the person claiming the exemption lives in a cooperative housing association, corporation, or partnership, such person must own a share therein representing the unit or portion of the structure in which he or she resides. If the person claiming the exemption was retired for two months or more of the preceding year, the combined income of such person, his or her spouse, and any cotenant occupying the residence shall be calculated by multiplying the average monthly income of such person, his or her spouse, and any cotenant occupying the residence during the months such person was retired by twelve. Only two-thirds of any social security benefits, federal civil service retirement, or railroad retirement pension shall be considered as income for the purposes of this section. The gain realized by any person from the sale, transfer, or upon being displaced from his or her residence shall not be considered as income for the purposes of this section if reinvested in a replacement residence within eighteen months of its realization.

(5) (a) A person who otherwise qualifies under this section and is within the income range of eleven thousand dollars or less shall be exempt from all excess property taxes, and in addition

(b) A person who otherwise qualifies under this section and is within the income range of seven thousand dollars or less shall be exempt from all regular property taxes on up to fifteen thousand dollars of valuation of his or her residence.

(6) For the purposes of this section, cotenants mean two or more individuals who reside together, who jointly own the residence, and who otherwise meet the requirements of this section.

**Section 1 was vetoed, see message at end of chapter.*

**Sec. 2. Section 4, chapter 182, Laws of 1974 ex. sess. as amended by section 16, chapter 291, Laws of 1975 1st ex. sess. and RCW 84.36.387 are each amended to read as follows:*

(1) All claims for exemption shall be made and signed by the person entitled to the exemption, by his or her attorney in fact or in the event the residence of such person is under mortgage or purchase contract requiring accumulation of reserves out of which the holder of the mortgage or contract is required to pay real estate taxes, by such holder or by the owner, either before two witnesses or the county assessor or his deputy in the county where the real property is located: PROVIDED, That if a claim for exemption is made by a person living in a cooperative housing association, corporation, or partnership, such claim shall be made and signed by the person entitled to the exemption and by the authorized agent of such cooperative.

(2) If the taxpayer is unable to submit his own claim, the claim shall be submitted by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.

(3) Any person signing a false claim with the intent to defraud or evade the payment of any tax shall be guilty of the offense of perjury.

(4) The tax liability of a cooperative housing association, corporation, or partnership shall be reduced by the amount of tax exemption to which a claimant residing therein is entitled and such cooperative shall reduce any amount owed by the claimant to the cooperative by such exact amount of tax exemption or, if no amount be owed, the cooperative shall make payment to the claimant of such exact amount of exemption.

(5) A remainderman or other person who would have otherwise paid the tax on real property that is the subject of an exemption granted under RCW 84.36.381 for an estate for life shall reduce the amount which would have been payable by the life tenant to the remainderman or other person to the extent of the exemption. If no amount is owed or separately stated as an obligation between these persons, the remainderman or other person shall make payment to the life tenant in the exact amount of the exemption.

*Sec. 2 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 3. There is added to chapter 84.36 RCW a new section to read as follows:

The legislature finds that the property tax exemption authorized by Article VII, section 10 of the state Constitution should be made available on the basis of a retired person's ability to pay property taxes. The legislature further finds that the best measure of a retired person's ability to pay taxes is that person's disposable income as defined in RCW 84.36.383(6).

Sec. 4. Section 1, chapter 182, Laws of 1974 ex. sess. as last amended by section 1, chapter 214, Laws of 1979 ex. sess. and RCW 84.36.381 are each amended to read as follows:

(2) The term "real property" except for the purposes of chapters 84.56 and 84.60 RCW, shall also include a mobile home which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe, connections with sewer, water, or other utilities.

If no amount is owed or separately stated as an obligation between these persons, the remainderman or other person shall make payment to the life tenant in the exact amount of the exemption.

NEW SECTION. Sec. 7. Except for the amendment to RCW 84.36.381(2) by this 1980 act, sections 3 through 5 of this 1980 act are effective for property taxes due in 1982 and thereafter.

Passed the Senate March 13, 1980.

Passed the House March 13, 1980.

Approved by the Governor April 4, 1980, with the exception of Sections 1 and 2 which are vetoed.

Filed in Office of Secretary of State April 4, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to two sections of Substitute Senate Bill No. 3509 entitled:

"AN ACT Relating to property tax relief".

As a result of combining several legislative measures into one bill, RCW 84.36.381 has been amended by both sections 1 and 4 of this act and RCW 84.36.387 has been amended by both sections 2 and 6 of this act. Since the amendments by sections 1 and 2 of the act are duplicative of the amendments by sections 4 and 6 and since leaving them all in this act will cloud the status of RCW 84.36.381 and 84.36.387, I have vetoed sections 1 and 2.

With the exception of sections 1 and 2, which I have vetoed, the remainder of Substitute Senate Bill No. 3509 is approved."

***Section 1. Section 1, chapter 234, Laws of 1959 as amended by section 1, chapter 237, Laws of 1967 and RCW 34.04.010 are each amended to read as follows:**

((For the purpose of this chapter:)) The definitions set forth in this section shall apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Agency" means any state board, commission, department, or officer, authorized by law to make rules or to adjudicate contested cases, except those in the legislative or judicial branches.

(2) "Rule" means any agency order, directive, or regulation of general applicability (a) the violation of which subjects a person to a penalty or administrative sanction; (b) which establishes, alters, or revokes any procedure, practice, or requirement relating to agency hearings; (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; (d) which establishes, alters, or revokes any qualifications or standards for the issuance, suspension, or revocation of licenses to pursue any commercial activity, trade, or profession; or (e) which establishes, alters, or revokes any mandatory standards for any

product or material which must be met before distribution or sale. The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory rulings issued pursuant to RCW 34.04.080, as now or hereafter amended, or (iii) speed restrictions for motor vehicles established by the state highway commission.

(3) "Contested case" means a proceeding before an agency in which an opportunity for a hearing before such agency is required by law or constitutional right prior or subsequent to the determination by the agency of the legal rights, duties, or privileges of specific parties. Contested cases shall also include all cases of licensing and rate making in which an application for a license or rate change is denied except as limited by RCW 66.08.150, or a license is revoked, suspended, or modified, or in which the granting of an application is contested by a person having standing to contest under the law or agency rules.

(4) "License" includes the whole or part of any agency permit, certificate, approval, registration, charter, or any form of permission required by law, including agency rule, to engage in any activity, but does not include a license required solely for revenue purposes.

(5) "Licensing" includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, or modification of a license.

(6) "Rules review committee" or "committee" means either of the administrative rules review committees created pursuant to section 4 of this 1980 act for the purpose of selectively reviewing existing and proposed rules of state agencies.

***Section 1 was vetoed, see message at end of chapter.**

***Sec. 2. Section 3, chapter 237, Laws of 1967 as last amended by section 7, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.025 are each amended to read as follows:**

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committees, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committees, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refiling the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

((2)) (4) No proceeding ((shall)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. (3) The institution shall consider fully all written and oral statements respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refiling the notice required by this section.

((2)) (4) No proceeding ((shall)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

The institution's finding and a ~~((brief))~~ concise statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser and with the rules review committees. An emergency rule or amendment ~~((shall))~~ may not remain in effect for longer than ninety days after filing.

(e) Institution comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;

(f) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting institution shall have copies of the statement on file and available for public inspection and shall forward three copies each of the statement to the secretary of the senate and the chief clerk of the house of representatives, who will in turn forward the statement to the majority and minority caucuses and to the appropriate legislative committees.

NEW SECTION. Sec. 24. There is added to chapter 28B.19 RCW a new section to read as follows:

(1) A proposed rule may be withdrawn by the proposing institution at any time before adoption. A withdrawn rule may not be adopted unless it is again proposed in accordance with RCW 28B.19.030.

(2) Rules not adopted within one year after publication of the text as last proposed in the register shall be regarded as withdrawn. An institution may not thereafter adopt the text of the rules without filing the text in accordance with RCW 28B.19.030 as now or hereafter amended. The code reviser shall give notice of the withdrawal in the register.

Sec. 25. Section 7, chapter 57, Laws of 1971 ex. sess. and RCW 28B.19.070 are each amended to read as follows:

(1) The code reviser shall as soon as practicable compile, index, and publish in the Washington administrative code all rules adopted pursuant to this chapter by each institution of higher education and remaining in effect.

(2) The code reviser shall publish a register in which he shall set forth the text of all rules filed during the appropriate register publication period.

(3) The code reviser, in his discretion, may omit from publication in the Washington administrative code or the state register those rules the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if such rules are made available in printed or processed form on application to the adopting institution of higher education and if the Washington administrative code states the general subject matter of the rules so omitted and states how copies thereof may be obtained.

(4) The code reviser may edit and revise rules for publication, codification, and compilation, without changing the meaning of any such rule, in accordance with the provisions of section 26 of this 1980 act.

(5) When a rule, in whole or in part, is declared invalid and unconstitutional by a court of final appeal, the adopting institution shall give notice to that effect in the register. With the consent of the attorney general, the code reviser may remove obsolete rules or parts of rules from the Washington Administrative Code when:

(a) The rules are declared unconstitutional by a court of final appeal; or
 (b) The adopting institution ceases to exist and the rules are not transferred by statute to a successor institution.

(6) Judicial notice shall be taken of rules published pursuant to this section.

NEW SECTION. Sec. 26. There is added to chapter 28B.19 RCW a new section to read as follows:

Subject to such general policies as may be promulgated by the statute law committee and to the general supervision of the committee, the code reviser shall edit and revise institution rules for consolidation into the Washington Administrative Code, to the extent deemed necessary and desirable by the reviser and without changing the meaning of any such rule, in the following respects only:

(1) Make capitalization uniform with that followed generally in the Washington Administrative Code;

(2) Make chapter or section division and subdivision designations uniform with that followed in the Washington Administrative Code;

(3) Rearrange any misplaced material, incorporate any omitted material as well as correct manifest errors in spelling, manifest clerical or typographical errors, or errors by way of additions or omissions;

(4) Correct manifest errors in references, by chapter or section number, to other laws or rules;

(5) Correct manifest errors or omissions in numbering or renumbering sections of the Washington Administrative Code;

(6) Strike provisions manifestly obsolete.

NEW SECTION. Sec. 27. There is added to chapter 28B.19 RCW a new section to read as follows:

(1) Rules promulgated by an institution pursuant to RCW 28B.19.030 or 28B.19.040, as now or hereafter amended, which amend existing sections of the administrative code shall have the words which are amendatory to such existing sections underlined. Any matter to be deleted from an existing section shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. In the case of a new section, such shall be designated "NEW SECTION" in upper case type and such designation shall be underlined, but the complete text of the section shall not be underlined. No rule may be forwarded by any institution to the code reviser, nor may the code reviser accept for filing any rule unless the format of such rule is in compliance with the provisions of this section.

(2) Once the rule has been formally adopted by the institution the code reviser need not, except with regard to the register published pursuant to RCW 28B.19.070(2), as now or hereafter amended, include the items enumerated in subsection (1) of this section in the official code.

(3) Any addition to or deletion from an existing code section not filed by the institution in the style prescribed by subsection (1) of this section shall in all respects be ineffectual, and shall not be shown in subsequent publications or codifications of that section unless the ineffectual portion of the rule is clearly distinguished and an explanatory note is appended thereto by the

code reviser in accordance with RCW 28B.19.070, as now or hereafter amended, and section 26 of this 1980 act.

NEW SECTION. Sec. 28. Section 1, chapter 186, Laws of 1963 and RCW 34.04.160 are each hereby repealed.

NEW SECTION. Sec. 29. If any provision of this 1980 act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the Senate March 11, 1980.

Passed the House February 18, 1980.

Approved by the Governor April 4, 1980, with the exception of Sections 1 through 9 and 16 through 22, which are vetoed.

Filed in Office of Secretary of State April 4, 1980.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to several sections Senate Bill No. 3240 entitled:

"AN ACT Relating to state government".

The sections of this bill that establish legislative rules review committees and the procedures for that review are not necessary. All aspects of sections one through nine and 16 through 22, with the exception of publishing the notice of legislative dissent, can be accomplished within existing statutory authority and present administrative procedures.

With the exception of sections one through nine and 16 through 22 which I have vetoed, the remainder of Senate Bill No. 3240 is approved."
