FIRST DAY, JANUARY 9, 2006

2006 REGULAR SESSION

FIRST DAY

NOON SESSION

Senate Chamber, Olympia, Monday, January 9, 2006

At 12:00 noon, pursuant to law, the Senate of the 2006 Regular Session of the Fifty-ninth Legislature of the state of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Brad Owen, President of the Senate, called the Senate to order. The Secretary called the roll and announced to the President that all Senators were present with the exception of Senators Hargrove and Finkbeiner.

The Washington State Patrol Honor Guard consisting of Trooper Craig Anders, Trooper Ted R. Dehart, Trooper John J. Gunderman, Trooper Jimmie Foster, Trooper Rachael Thompson, Trooper Ryan L. Spurling, Sergeant John Paul Sager and Trooper Barry W. Kirk presented the Colors.

The National Anthem was played on a trumpet by Trooper Ladines.

The President lead the Senate in the Pledge of Allegiance.

Wayne Wiltse of the Yakima Nation and President of the Native American Student Association offered the prayer.

The President welcomes the Senators back to Olympia and offered his best wishes for a productive and brief session.

INTRODUCTION OF LAKE FAIR QUEEN

The President welcomed and introduced Ms. Crystal Wade, the 2006 Lakefair Queen, who was at the rostrum and accompanied by her parents, Mr. & Mrs. Anthony and Melissa Wade, President Larry Watkinson and First Vice-President Teri Chmielewsk of the Capital Lake organization who were seated in the Gallery.

With permission of the Senate, business was suspended to allow Lakefair Queen Crystal Wade to address the Senate and welcome the Senators to Olympia.

REMARKS BY CRYSTAL WADE

Crystal Wade: "Thank you very much, well, good afternoon. It's an incredible honor to be here with you all today. I don't know many people my age who get opportunities like this so this is great. I want to welcome you to what is in my opinion one of the best cities in this region, even if I am a little biased because I'm from this area. I bet everyone of you are just so eager and ready to get this session underway. You know as I was preparing this speech it hit me, 'What on earth could an eighteen year old girl, a freshman at college and even more so at life, have to say to a group of experience Senators whose very occupation would shape the lives of thousands across the state?' And to be perfectly honest the thought was a bit intimidating but then something rose up inside of me because I believe we are living incredible times where the people of this generation are rising up to their roles and will one day be sitting in the very same chairs you find yourselves, waiting just as you are to write the pages of history. And I thought to myself, 'what an incredible thought, to stand here on this platform and look directly into the faces of history makers.' And as you go through these next months I pray that not only that the Lord will direct and guide you as you go through this session but also that you will become revitalized and infatuated with the idea that this year is going to be awesome and unlike any other. I am a freshman at the University of Washington this year and in one of my geography classes we were asked to make a sketch of how we saw Washington in relation to the rest of this world. In this lecture class, hundreds of young people began to draw many different aspects of our society. Some drew the Space Needle, others Starbucks cups and Microsoft logos, still others depicted the shape of Mt. St. Helens to the Canadian border. Now I find

myself in a much larger lecture room with an incredible task and picture to be drawn of our great state. It is with so much honor and pride that I welcome you to the 2006 Legislative Session and it is my hope that this time would fill you with a new sense of purpose and expectancy as we step into this new year. Thank you."

MOTION

There being no objection, the Senate advanced to the third order of business.

MESSAGE FROM THE GOVERNOR

May 17, 2005

THE HONORABLE PRESIDENT AND MEMBERS,
THE SENATE OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am returning without my approval, Engrossed Substitute Senate Bill No. 5719, entitled:

"AN ACT Relating to the community commitment disposition alternative pilot program."

This bill would have provided juvenile courts with a "community commitment" alternative to committing delinquent youth to the Department of Social and Health Services (DSHS). The state would have paid all costs, including detention and administration. Current law already provides courts with five alternatives to DSHS commitment, but none of them include state funding of county detention costs. This bill, based on a pilot program that was used in only one case, would have encouraged the use of the new alternative instead of the existing ones, and would have unjustifiably shifted costs to the state. The existing alternatives to DSHS commitment have been effective.

For these reasons, I have vetoed Engrossed Substitute Senate Bill No. 5719 in its entirety.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

**GOVERNOR'S MESSAGE ON PARTIAL VETOES OF SENATE BILLS
AFTER ADJOURNMENT**

MESSAGE FROM THE GOVERNOR
PARTIAL VETO ON ENGROSSED SUBSTITUTE SENATE BILL NO. 6428

March 24, 2006

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to sections Section 26, Engrossed Substitute Senate Bill No. 6428 entitled:

"AN ACT Relating to providing electronic product recycling through manufacturer financed opportunities."

This bill creates a recycling program for "electronic wastes," which includes used and unwanted computers and televisions. Section 26 of the bill would prohibit the export of these wastes to certain other countries.

I regret that, based on legal advise, the State of Washington does not have the necessary authority to prohibit the export of electronic waste. Accordingly, I will not put the entire bill at risk because of this section alone.

However, I believe that the section represents good environmental policy. I will therefore call on the President and Congress to take up this issue and enact legislation that prohibits the export of our hazardous wastes to third world countries that are not prepared to manage them.

Once enacted by the federal government, I recognize this might affect our options for proper recycling and disposal of e-wastes. To make sure we are ready, I hereby direct the Department of Ecology to evaluate alternatives to the export of these wastes and recommend actions as needed to ensure capacity for their proper management.

For the remainder of the bill, this is a new program for the state and it will take some time and experience to make sure it runs right. I am asking Ecology to work closely with all affected stakeholders to ensure that this bill is implemented in a fair and equitable manner.

Along that line, I am directing Ecology to take the following steps:

1. To adopt, within their new program rules, rigorous financial assurance requirements for new manufacturers, sufficient to ensure that they will be responsible for recycling their products and not leave them for others to clean up;

2. To evaluate alternatives for managing legacy e-waste products in a manner that does not create competitive differences between existing and new companies, including a way to distribute costs of recycling past products more fairly among all affected parties; and,

3. To evaluate the use of product toxicity of lieu of, or in addition to, product weight, when determining equitable cost shares.

In addition, I am asking Ecology to provide annual reports on the progress, problems, and stakeholder concerns with implementation of this bill. The reports should include any needed changes to the statute to ensure fairness and clarity in the program.

For these reasons, I have vetoed Section 26 of Engrossed Substitute Senate Bill No. 6428.

With the exception of Section 26, Engrossed Substitute Senate Bill No. 6428 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor

MESSAGE FROM THE GOVERNOR
PARTIAL VETO ON SUBSTITUTE SENATE BILL NO. 6234

March 28, 2006

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 18, Substitute Senate Bill No. 6234 entitled:

"AN ACT Relating to insurance fraud."

Part of SSB 6234 creates a new exemption for certain documents under the Public Disclosure Act. Section 17 adds the exemption to the new public disclosure act section, RCW 42.56.400. Chapter 42.56 RCW takes effect July 1, 2006.

Section 18 also adds the same exemption as a new section to Chapter 42.17 RCW. Chapter 42.17 RCW, however, expires on July 1, 2006. Consequently, we should not add a new statutory exemption to that Chapter. Pursuant to Section 17 of SSB 6234, the new exemption will be in the proper Chapter. Therefore, to avoid duplication and the inadvertent creation of a technical problem, Section 18 must be vetoed.

For these reasons, I have vetoed Section 18 of Substitute Senate Bill No. 6234.

With the exception of Section 18, Substitute Senate Bill No. 6234 is approved.

Respectfully submitted,
CHRISTINE O. GREGOIRE, Governor
